(c) Any certificates, letters, or opinions required to be given pursuant to this Agency Lease shall mean a signed document attesting to or acknowledging the circumstances, representations, opinions of law, or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Agency Lease.

ARTICLE II

REPRESENTATIONS AND COVENANTS

2.1 REPRESENTATIONS OF THE AGENCY.

The Agency makes the following representations to the Company as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established under the provisions of the Act and has the power to enter into this Agency Lease and to carry out its obligations hereunder. Based upon the representations of the Company as to the utilization of the Project Facility, the Project Facility will constitute a “project,” as such quoted term is defined in the Act. By proper official action, the Agency has been duly authorized to execute, deliver, and perform this Agency Lease and the other Agency Documents.

(b) Neither the execution and delivery of this Agency Lease, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions of this Agency Lease and the other Agency Documents by the Agency will conflict with or result in a breach by the Agency of any of the terms, conditions, or provisions of the Act, the By-Laws of the Agency, or any order, judgment, restriction, agreement, or instrument to which the Agency is a party or by which it is bound or will constitute a default by the Agency under any of the foregoing.

(c) This Agency Lease and the other Agency Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Agency, enforceable in accordance with their respective terms.

2.2 REPRESENTATIONS AND COVENANTS OF THE COMPANY.

The Company acknowledges, represents, warrants and covenants to the Agency as follows:

(a) The Company is a business corporation, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Agency Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Agency Lease and the other Company Documents.

(b) This Agency Lease and the other Company Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Company, enforceable in accordance with their respective terms.

(c) The Company has a valid and enforceable interest in the Project Facility and is the present fee owner of the Project Facility and shall remain the fee owner of the Project Facility for the term of this Company Lease unless otherwise consented to in writing by the Agency.

(d) Neither the execution and delivery of this Agency Lease and the other Company Documents, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions thereof will:

(1) Result in a breach of, or conflict with any term or provision in, the Company's Certificate of Incorporation and By-Laws;

(2) Require consent under (which has not been heretofore received) or result in a breach of or default under any credit agreement, indenture, purchase agreement, mortgage, deed of trust, commitment, guaranty or other agreement or instrument to which the Company is a party or by which the Company or any of its property may be bound or affected; or

(3) Conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction, or decree of any Governmental Authority or court (domestic or foreign) having jurisdiction over the Company or any of the property of the Company.

(e) The providing of Financial Assistance to the Project by the Agency:

(1) Has been an important consideration in the Company's decision to acquire, renovate, construct and equip the Project Facility in the City of Syracuse;

(2) Will not result in the removal of an industrial or manufacturing plant or commercial activity of any Project Facility occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of any user, occupant, or proposed user or occupant of the Project Facility located within the State, except as permitted by the Act; and

(3) Will preserve or increase the overall number of permanent, private sector jobs in the State and the City.

(f) So long as the Agency holds a leasehold interest in the Project Facility, the Project Facility is and will continue to be a “project” (as such quoted term is defined in the Act), and the Company will not take any action (or omit to take any action required by the Company Documents or which the Agency, together with Agency’s counsel, advise the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way cause the Project Facility not to constitute a “project” (as such quoted term is defined in the Act).

(g) The Company shall cause all notices as required by law to be given and shall comply or cause compliance with all laws, ordinances, municipal rules, and regulations and requirements of all Governmental Authorities applying to or affecting the construction, reconstruction, equipping and operation of the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company, were the owner of the Project Facility), and the Company will defend and save the Agency and its officers, members, agents (other than the Company), and employees harmless from all fines and penalties due to failure to comply therewith.

(h) The Company understands and agrees that it is the preference of the Agency that the Company provide opportunities for the purchase of goods and services from: (i) business enterprises located in the City; (ii) certified minority and or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. The Company further understands and acknowledges that consideration will be given by the Agency to the Company’s efforts to comply, and compliance, with this objective at any time an extension of benefits is sought or involvement by the Agency with the Project is requested by the Company.

(i) The Agency’s undertaking of the Project and the provision of Financial Assistance for the Project will not have a significant impact on the environment within the meaning of SEQRA.

(j) The acquisition, construction, renovation and equipping of the Project Facility will promote employment opportunities and help prevent economic deterioration in the City by the creation and/or preservation of both full and part-time jobs.

(k) The Company has, or will have as of the first date of construction, renovation and equipping, all then necessary permits, licenses, and governmental approvals and consents (collectively, “*Approvals*”) for the construction, renovation and equipping of the Project Facility and has or will have such Approvals for each phase of construction, renovation and equipping of the Project Facility.

(l) The Company will not sublease the whole or any portion of the Project Facility for an unlawful purpose.

(m) No part of the Project Facility will be located outside of the City.

(n) The Company shall perform, or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency (which is within the control of the Company) under and pursuant to this Agency Lease, the Company Lease and the other Company Documents and shall defend, indemnify, and hold harmless the Agency and its members, officers, agents (other than the Company), servants, and employees from and against every expense, liability, or claim arising out of the failure of the Company to fulfill its obligations under the provisions of this Section 2.2.

(o) The Company agrees that except as is otherwise provided by collective bargaining contracts or agreements applicable to the Project, new employment opportunities created as a result of the Project shall be listed with the New York State Department of Labor Community Services Division, and with the administrative entity of the service delivery area created by the Federal Job Training Partnership Act (P.L. No. 97-300) in which the Project is located. The Company further agrees that except as is otherwise provided by collective bargaining contracts or agreements applicable to the Project, it will first consider persons eligible to participate in the Federal Job Training Partnership (P.L. No. 97-300) programs who shall be referred by administrative entities of service delivery areas created pursuant to such act or by the Community Services Division of the Department of Labor for such new employment opportunities.

(q) The Company shall provide to the Agency any and all documentation or information requested by the Agency so that the Agency can comply with all of its reporting requirements under the Act.

(r) As a condition precedent to receiving or benefiting from any State sales and use tax exemption benefits, the Company acknowledges and agrees to all terms and conditions of Section 875(3) of the Act. Section 875(3) of the Act is herein incorporated by reference. As part of such conditions precedent:

(1) The Company shall not take any State or local Sales and Use Tax exemptions (collectively, the “*Exemptions*”) to which it is not entitled, which are in excess of the amount authorized by the Agency in reliance on the Company’s Application or which are for property or services not authorized.

(2) The Company shall comply with all material terms and conditions to use property or services in the manner required by the Agency Documents.

(3) The Company shall cooperate with the Agency in the Agency’s efforts to recover, recapture, receive or otherwise obtain from the Company any Recapture Amount (as defined in Section 8.12(g) hereof), and shall, upon the Agency’s request, promptly pay to the Agency any Recapture Amount, together with any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise, as provided in Section 8.12(g) hereof. The Company acknowledges and agrees that the failure of the Company to promptly pay such Recapture Amount to the Agency will be grounds for the State Commissioner of Taxation and Finance to collect sales and use taxes from the Company under Article 28 of the State Tax Law, together with interest and penalties.

(s) The amount of State and local sales and use tax benefits comprising the Financial Assistance approved by the Agency shall not exceed \$602,400.

ARTICLE III

CONVEYANCE OF LEASEHOLD INTEREST IN PROJECT FACILITY

3.1 AGREEMENT TO CONVEY LEASEHOLD INTEREST TO COMPANY.

The Company has conveyed to the Agency, pursuant to the Company Lease, a leasehold interest in the Land and Facility, as more fully described in **Exhibit "A"** attached hereto, and any improvements now or hereafter constructed and installed thereon, subject to Permitted Encumbrances and pursuant to the Bill of Sale, all its right, title and an interest in the Equipment via a Bill of Sale, as more fully described in **Exhibit "B"** attached hereto. Under this Agency Lease, the Agency will convey, or will cause to be conveyed, to the Company, a subleasehold interest in the Project Facility subject to Permitted Encumbrances, and exclusive of the Agency's Unassigned Rights.

3.2 USE OF PROJECT FACILITY.

Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by this Agency Lease, the Company Lease and other Company Documents, provided that such use causes the Project Facility to qualify or continue to qualify as a "project" under the Act.

ARTICLE IV

CONSTRUCTION AND EQUIPPING OF THE PROJECT

4.1 CONSTRUCTION AND EQUIPPING OF THE PROJECT FACILITY.

(a) The Company shall promptly construct, renovate and equip the Project Facility, all in accordance with the Plans and Specifications. Unless a written waiver is first obtained from the Agency, the Company and its Additional Agents (as defined herein), shall utilize local labor, contractors and suppliers for the construction, renovation and equipping of the Project Facility. For purposes of this Agency Lease, and in particular this Section 4.1, the term "**local**" shall mean Onondaga, Oswego, Madison, Cayuga, Cortland and Oneida Counties. Failure to comply with the local labor requirements of this Section 4.1 ("**Local Labor Requirements**") may result in the revocation or recapture of benefits provided/approved to the Project by the Agency. The Company further agrees to complete and supply the Agency with the "Contract Status Report", the form of which is attached hereto at **Exhibit "D"**, within sixty days from the date hereof and then quarterly thereafter (starting the first quarter following the initial sixty (60) day period).

(b) The Agency hereby confirms the appointment of the Company as its true and lawful agent to perform under the following authority in compliance with the terms,

purposes, and intent of this Agency Lease and the other Company Documents, and the Company hereby accepts such appointment:

(1) To construct, renovate and equip the Project Facility, and to acquire the Equipment in accordance with the terms hereof;

(2) To make, execute, acknowledge, and deliver any contracts, orders, receipts, writings, and instructions with any other Persons and, in general, to do all things which may be requisite or proper, all for the construction and equipping of the Project Facility with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the Agency shall have no liability for the payment of any sums due thereunder;

(3) To pay all fees, costs, and expenses incurred in the construction, renovation and equipping of the Project Facility from funds made available therefor from the funds of the Company; and

(4) To ask, demand, sue for, levy, recover, and receive all such sums of money, debts, dues, and other demands whatsoever which may be due, owing, and payable to the Agency under the terms of any contract, order, receipt, or writing in connection with the construction and equipping of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond, or other performance security.

(c) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1, provided, however, that the Agency shall have no liability for the payment of any sums due thereunder.

(d) The Company has given, or will give or cause to be given, all notices and have complied, or will comply or cause compliance with, all laws, ordinances, rules, regulations, and requirements of all Governmental Authorities applying to or affecting the conduct of work on the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company were the owner of the Project Facility), and the Company will defend, indemnify, and save the Agency and its officers, members, agents, servants, and employees harmless from all fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(e) The Company understands and agrees that it is the preference of the Agency that the Company provide opportunities for the purchase of goods and services relative to the Project from: (i) business enterprises located in the City; (ii) certified minority and/or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. Consideration will be given by the Agency to the Company's efforts to comply, and compliance, with this objective at any time an extension of benefits is requested, or further involvement by the Agency with the Project is requested by the Company.

4.2 COMPLETION OF PROJECT FACILITY.

(a) The Company will proceed with due diligence to acquire, construct, reconstruct and equip the Project Facility. Completion of the acquisition, construction, renovation and equipping of the Project Facility shall be evidenced by a certificate signed by an Authorized Representative of the Company and approved by the Agency, stating:

(1) The date of such completion;

(2) That all labor, services, materials, and supplies used therefor and all costs and expenses in connection therewith have been paid;

(3) That the Company has good and valid title to all Property constituting the Project Facility subject to the interest of the Agency therein and to this Agency Lease, the Company Lease and the Bill of Sale; and

(4) That the Project Facility is ready for occupancy, use and operation for its intended purposes.

(b) Notwithstanding the foregoing, such certificate may state that (1) it is given without prejudice to any rights of the Company against third parties which exist at the date of such certificate or which may subsequently come into being; (2) it is given only for the purposes of this Section 4.2; and (3) no Person other than the Agency may benefit therefrom.

(c) Such certificate shall be accompanied by (1) copy of a certificate of occupancy, if required, and any and all permissions, licenses, or consents required of Governmental Authorities for the occupancy, operation, and use of the Project Facility for its intended purposes; and (2) Lien releases from the Company's contractor and any subcontractors under a contract with a price in excess of \$100,000.

4.3 COSTS OF COMPLETION PAID BY COMPANY.

(a) The Company agrees to complete the Project and to pay in full all costs of the construction, reconstruction and equipping of the Project Facility.

(b) No payment by the Company pursuant to this Section 4.3 shall entitle the Company to any diminution or abatement of any amounts payable by the Company under this Agency Lease.

4.4 REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES.

(c) The Company shall have the option, at any time during the term of this Agency Lease, to terminate this Agency Lease. In the event that the Company shall exercise its option to terminate this Agency Lease pursuant to this Section 5.2(b), the Company shall file with the Agency a certificate stating the Company's intention to do so pursuant to this Section 5.2(b) and to comply with the requirements set forth in Section 5.2(c) hereof.

(d) As a condition to the effectiveness of the Company's exercise of its right to early termination, the following payments shall be made:

5.3 RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE.

(a) The Company shall pay basic rental payments for the Project Facility consisting of (i) to the Agency in an amount sufficient to pay any the sums due under the PILOT Agreement at the times and in the manner provided for therein, and an amount sufficient to pay any and all other amounts due hereunder; and (ii) to the Mortgagee, an amount equal to the debt service and other amounts becoming due and payable under the Mortgage and the indebtedness secured thereby on the due date thereof.

(b) The Company shall pay to the Agency, as additional rent, within ten (10) days after the receipt of a demand therefor from the Agency, any annual administrative fees of the Agency, the sum of the reasonable fees, costs and expenses of the Agency and the officers, members, agents, and employees thereof incurred by the reason of the Agency's sublease or (sub)sublease of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Agency Lease, the Company Lease or any of the other Agency Documents and any other fee or expense of the Agency with respect to the Project Facility, or any of the other Agency Documents, the payment of which is not otherwise provided for under this Agency Lease, including, without limitation, reasonable fees and disbursements of Agency counsel, including fees and expenses incurred in connection with the Agency's enforcement of any rights hereunder or incurred after the occurrence and during the continuance of an Event of Default, in connection with any waiver, consent, modification or amendment to this Agency Lease or any other Agency Document that may be requested by the Company, or, in connection with any action by the Agency at the request of or on behalf of the Company hereunder or under any other Agency Document. Any additional rent not received within ten (10) business days after demand shall accrue interest after the expiration of such ten days at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is less.

(d) The Company agrees to make the above-mentioned payments, without any further notice, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event that the Company shall fail to make or cause to be made any of the payments required under this Agency Lease, the item or installment not so paid shall continue as an obligation of the Company until such item or installment is paid in full.

5.4 NATURE OF OBLIGATIONS OF COMPANY HEREUNDER.

(a) The obligations of the Company to make the payments required by this Agency Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein are general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue, or abate any payment required by, or fail to observe any of its other covenants or agreements contained in this Agency Lease or terminate this Agency Lease, except as provided in Section 5.2 hereof, at any time prior to the completion for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the construction, reconstruction, renovation and equipping of the Project Facility, any defect in the title, design, operation, merchantability, fitness, or condition of the Project Facility, or any part thereof, or in the suitability of the Project Facility, or any part thereof, for the Company's purposes or needs, or failure of consideration for, destruction of or damage to, or Condemnation of title to, or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State of New York, or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection with this Agency Lease or the Company Lease.

(b) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Agency Lease or the Company Lease, and in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance (subject to the provisions of Section 11.11).

ARTICLE VI

The Company shall:

(a) Keep the Project Facility in good condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted;

(b) Make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural, or non-structural, foreseen or unforeseen) which is damaged, destroyed, or condemned; and

(2) All utility and other charges, including "service charges," incurred or imposed for the operation, maintenance, use, occupancy, upkeep, and improvement of the Project Facility, the non-payment of which would create, or entitle the obligee to impose, a Lien on the Project Facility;

(3) All assessments and charges of any kind whatsoever lawfully made by any Governmental Authority for public improvements; and

(4) Any and all taxes, if applicable, or payments in lieu of taxes required to be made to the Agency under the terms of the PILOT Agreement or any other agreement with respect thereto.

If the Company demonstrates to the satisfaction of the Agency and certifies to the Agency by delivery of a written certificate, that the non-payment of any such items will not endanger any part of the Project Facility or subject the Project Facility, or any part thereof, to loss or forfeiture, the Company may permit the taxes, assessments, and other charges so contested to remain unpaid during the period of such contest and any appeal therefrom. Otherwise, such taxes, assessments, or charges shall be paid promptly by the Company or secured by the Company's posting a bond in form and substance satisfactory to the Agency.

6.3 INSURANCE REQUIRED.

During the term of this Agency Lease, the Company shall maintain or cause to be maintained insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type and as required of the

Agency, paying (as the same becomes due and payable) all premiums with respect thereto, including:

(c) A policy of commercial general liability insurance with a \$1,000,000 combined single limit for bodily injury including death and property damage, including but not limited to, contractual liability under this Agency Lease and personal injury, with blanket excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and the Company's and the Agency's use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

6.4 ADDITIONAL PROVISIONS RESPECTING INSURANCE.

Certificates satisfactory in form and substance evidencing all insurance required hereby shall be delivered to the Agency before the Closing Date. The Company shall deliver or cause to be delivered to the Agency on or before the first business day of each December thereafter a certificate dated not earlier than the immediately preceding December 1 reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4. The Company shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agency Lease each year throughout the term of this Agency Lease.

All premiums with respect to the insurance required by Section 6.3 shall be paid by the Company, provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended

ARTICLE VII

DAMAGE, DESTRUCTION, AND CONDEMNATION

7.1 DAMAGE OR DESTRUCTION.

(a) If the Mortgage shall be in effect or the Mortgagee shall have any interest in the Project Facility arising under or related to the Mortgage, whether by foreclosure or otherwise and the Project Facility shall be damaged or destroyed, in whole or in part, then insurance proceeds shall be paid in accordance with the relevant provisions of the Mortgage regarding the distribution of such insurance proceeds, provided that there shall be no abatement or reduction in amounts payable to the Agency hereunder. If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and the Project Facility shall be damaged or destroyed, in whole or in part:

(1) There shall be no abatement or reduction in the amounts payable by the Company under this Agency Lease or otherwise (whether or not the Project Facility is replaced, repaired, rebuilt, or restored); and

(2) The Company shall promptly give notice thereof to the Agency;
and

(3) Except as otherwise provided in subsections 7.1(b) and 7.1(c) hereof, upon receipt of the insurance proceeds, the Company shall promptly replace, repair, rebuild, or restore the Project Facility to substantially the same condition as existed prior to such

damage or destruction, with such changes, alterations, and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations, or modifications do not change the nature of the Project Facility, such that it does not constitute a "project" (as such quoted term is defined in the Act); and in the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility, then notwithstanding anything to the contrary contained in subsection 7.1(a), the Company shall not be obligated to replace, repair, rebuild, or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection 7.1(a) if the Company shall notify the Agency that, in the Company's sole judgment, the Company does not deem it practical or desirable to replace, repair, rebuild, or restore the Project Facility. In such event, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) any other sums payable to the Agency pursuant to this Agency Lease and the other Agency and Company Documents, shall be applied to the repayment of all amounts due to the Agency under this Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay any and all amounts payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of all such insurance settlements so that any and all amounts payable under this Agency Lease, the Company Lease, the PILOT Agreement and the other Agency Documents to the Agency shall be paid in full. If all amounts due under this Agency Lease, the Company Lease, the Mortgage, the PILOT Agreement and the other Agency Documents are paid in full.

(c) All amounts due under this Agency Lease, the Company Lease, the Mortgage and the other Agency or Company Documents have been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes.

(d) The Company and the Mortgagee may adjust all claims under any policies of insurance required by subsections 6.3(a) and 6.3(c) hereof with the prior written consent of the Agency, which consent shall not be unreasonably withheld.

7.2 CONDEMNATION.

(a) If the Mortgage shall be in effect or the Mortgagee shall have any interest in the Project Facility arising under or related to the Mortgage, whether by foreclosure or otherwise and title to, or the use of, all, substantially all or less than substantially all of the Project Facility shall be taken by Condemnation, then Condemnation proceeds shall be paid in accordance with the relevant provisions of the Mortgage regarding the distribution of such Condemnation proceeds, provided that there shall be no abatement or reduction in amounts payable to the Agency hereunder. If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and if title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation:

(1) There shall be no abatement or reduction in the amounts payable by the Company under this Agency Lease or otherwise (whether or not the Project Facility is restored); and

(2) The Company shall promptly give notice thereof to the Agency;
and

(3) Except as otherwise provided in subsections 7.2(b) and 7.2(c) hereof, upon receipt of the Condemnation proceeds, the Company shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) to substantially the condition and value as an operating entity as existed prior to such Condemnation; and the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and if title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation, then notwithstanding anything to the contrary contained in subsection 7.2(a), the Company shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection 7.2(a) if the Company shall notify the Agency that, in the Company's sole judgment, the Company does not deem it practical or desirable to restore the Project Facility. In such event, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to pay the Agency pursuant to this Agency Lease, the Company Lease, the PILOT Agreement and the other Agency Documents, shall be applied to payment of all amounts due to the Agency under this Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents. If the Net Proceeds of any Condemnation award are less than the amount necessary to pay any and all amounts payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of such Condemnation award so that any and all amounts payable under this Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents to the Agency shall be paid in full. If all amounts due under this Agency Lease, the Company Lease, the PILOT Agreement, the Mortgage and the other Agency Documents have been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes.

(c) The Company and the Mortgagee, if any, with the prior written consent of the Agency (which consent shall not be unreasonably withheld), shall have sole control of any Condemnation proceeding with respect to the Project Facility, or any part thereof, and may negotiate the settlement of any such proceeding.

7.3 ADDITIONS TO PROJECT FACILITY.

All replacements, repairs, rebuilding, or restoration made pursuant to Sections 7.1 or 7.2 hereof, whether or not requiring the expenditure of the Company's own moneys, shall automatically become part of the Project Facility as if the same were specifically described herein.

ARTICLE VIII

incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents or employees.

To the fullest extent permitted by law, the foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportioned liability.

(c) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3, its liabilities assumed pursuant to this Section 8.2.

(d) Notwithstanding any other provisions of this Agency Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Agency Lease and the Company Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents or employees relating thereto.

(e) For purposes of this Section 8.2 and Section 11.11 hereof, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

8.3 RIGHT OF ACCESS TO PROJECT FACILITY.

During the term of this Agency Lease, the Company agrees that the Agency and its duly authorized agents shall have the right to enter upon and to examine and inspect the Project Facility upon reasonable notice to the Company and with the least disturbance of Project Facility tenants as reasonably possible.

In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency or its members, officers, agents, or employees may be liable for prosecution for failure to comply therewith, in which event the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

The Company shall promptly notify the Agency of any Permitted Encumbrances created, or suffered to be created, on the Project Facility.

8.9 PERFORMANCE BY AGENCY OF COMPANY'S OBLIGATIONS.

Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but need not, upon ten (10) days' prior written notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company, or the Agency and paying all expenses, including, without limitation, reasonable attorneys' fees; and the Company shall pay immediately upon demand all sums so expended by the Agency under the authority hereof, together with the interest thereon at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is greater.

8.10 DEPRECIATION DEDUCTIONS AND TAX CREDITS .

The parties agree that as between them, the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other State and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

8.11 EMPLOYMENT OPPORTUNITIES.

The Company shall insure that all employees and applicants for employment with regard to the Project are afforded equal employment opportunities without discrimination.

8.12 SALES AND USE TAX EXEMPTION.

(a) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain State and local sales taxes and use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. The Agency makes no representations or warranties that any property is exempt from the payment of State or local sales or use taxes. Any exemption from the payment of State or local sales or use taxes resulting from the involvement of the Agency with the Project shall be subject to Section 875 of the Act and shall be limited to purchases of services and tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency as a part of the Project prior to the Completion Date, or incorporated within the Project Facility prior to the Completion Date. No operating expenses of the Project Facility, and no other purchases of services or property shall be subject to an exemption from the payment of State sales or use tax. It is the intention of the

parties hereto that the Company will receive a State and local sales and use tax exemption with respect to the Project, said sales tax exemption to be evidenced by a letter to be issued by the Agency on the date of the execution of this Agency Lease. The Company acknowledges that as an agent of the Agency, it must complete and provide to each vendor Form ST-123 (IDA Agent or Project Operator Exempt Purchase Certificate) for purchases. The failure to furnish a completed Form ST-123 with each purchase will result in loss of the exemption for that purchase.

(b) The Company may appoint a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively, "***Additional Agents***") in furtherance of the completion of the Project provided that the Company first: (i) cause the each Additional Agent to execute and deliver a sub-agent agreement, in the form attached hereto at **Exhibit "F"**, and provide a fully executed copy to the Agency; and (ii) and submit a completed Form ST-60 to the Agency for execution and filing with the New York State Department of Taxation and Finance.

(c) The Company acknowledges that contractors and subcontractors who have not been appointed as agents or subagents of the Agency should use Form ST 120.1 for construction material purchases relative to the Project Facility. However, the Company acknowledges and agrees that a contractor or subcontractor must be appointed as an agent of the Agency in order to avail itself of the Agency sales and use tax exemption for purchases or rentals of construction equipment, tools and supplies that do not become part of the finished Project.

(d) Pursuant to Section 874(8) of the Act, the Company agrees to annually file and cause any Additional Agent or other operator of the Project Facility to file annually, with the New York State Department of Taxation and Finance, and provide the Agency with a copy of same, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "***Annual Sales Tax Report***"), a statement of the value of all sales and use tax exemptions claimed by the Company and all contractors, subcontractors, consultants and other Additional Agents of the Company under the authority granted to the Company pursuant to Section 4.1(b) of this Agency Lease. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Sales Tax Report shall be removal of authority to act as agent of the Agency. Therefore, if the Company shall fail to comply with the requirements of this subsection irrespective of any notice and cure period afforded, the Company shall immediately cease to be the agent of the Agency in connection with the Project. The Company is responsible for obtaining from the New York State Department of Taxation and Finance the current version of such Annual Sales Tax Report.

(e) The Company agrees to furnish to the Agency a copy of each such Annual Sales Tax Report submitted to the New York State Department of Taxation and Finance by the Company pursuant to Section 874(8) of the Act for itself and any Additional Agent.

(f) Pursuant to Section 874(9) of the Act, the Agency agrees to file within thirty (30) days of the Closing Date with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "***Thirty-Day Sales Tax Report***"), a statement identifying the Company, or any Additional Agent appointed in accordance with the terms herein, as agent of

the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating the estimated value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(g) Pursuant to Section 875(3) of the Act, and in conjunction with the Agency policy, the Agency shall recover, recapture, receive or otherwise obtain from the Company the portion of the Financial Assistance (the "**Recapture Amount**") consisting of (1) (a) that portion of the State and local Sales and Use Tax exemption to which the Company or the Project Facility was not entitled, which is in excess of the amount of the State and local Sales and Use tax exemption authorized by the Agency or which is for property or services not authorized by the Agency; or (b) the full amount of such State and local Sales and Use Tax exemption, if the Company fails to comply with a material term or condition regarding the use of the property or services as provided in the Agency Documents; (2) together with any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise. The failure of the Company to promptly pay such Recapture Amount to the Agency will be grounds for the State Commissioner of Taxation and Finance (the "**Commissioner**") to collect the State Sales and Use taxes from the Company under Article 28 of the State Tax Law, together with interest and penalties and for the Agency to take, or cause to be taken, any and all action necessary to collect the local portion of the sales tax comprising the Recapture Amount.

8.13. IDENTIFICATION OF THE EQUIPMENT.

All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease Agreement shall be property identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Agency Lease, the Company Lease and the other Company Documents or the PILOT Agreement or now or hereafter existing at law or in equity to collect any amounts then due, or thereafter to become due, hereunder and thereunder and to enforce the Agency's right to terminate this Agency Lease, the PILOT Agreement and the Company Lease. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article 10, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Agency Lease.

10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER.

and neither the State of New York nor the City of Syracuse shall be liable hereon or thereon. Further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived, and to be derived from, the lease, sale, or other disposition of the Project Facility, other than revenues derived from or constituting Unassigned Rights. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless:

If the Company feels that there are elements of the Project or information about the Company in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Company's competitive position, the Company must identify such elements in writing, supply same to the Agency on or before the Closing Date, and request that such elements be kept confidential in accordance with Article 6 of the Public Officers Law. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the GML.

IN WITNESS WHEREOF, the Agency and the Company have caused this Agency Lease to be executed in their respective names by their duly authorized representatives.

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. The Company hereby appoints the Sub-Agent as an agent of the Agency for the purpose of assisting the Company and the Agency in the completion of the Project and benefitting from the State and local sales and use tax exemption relative to expenditures made in furtherance thereof. The Sub-Agent is only an agent of the Agency for the aforementioned purposes. The Sub-Agent hereby agrees to limit its activities as agent for the Agency under the authority of this Agreement to acts reasonably related to the completion of the Project Facility.

b. To be bound by and comply with the terms and conditions of Section 875(3) of the Act as if such section were fully set forth herein. Without limiting the scope of the foregoing, the Sub-Agent acknowledges that pursuant to Section 875(3) of the Act, the Agency shall recover, recapture, receive or otherwise obtain from the Sub-Agent the portion of the Financial Assistance (the "**Recapture Amount**") consisting of: (1) (a) that portion of the State sales and use tax exemption claimed by the Sub-Agent to which the Sub-Agent was not entitled, which is in excess of the amount of the State sales and use tax exemption authorized by the Agency or which is for property or services not authorized by the Agency; or (b) the full amount of such State sales and use tax exemption claimed by the Sub-Agent, if the Sub-Agent fails to comply with a material term or condition regarding the use of the property or services as represented to the Agency in the Company's application to the Agency in regard to the Project or otherwise; and (2) any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise.

c. That the failure of the Sub-Agent to promptly pay such Recapture Amount to the Agency will be grounds for the State Commissioner of Taxation and Finance to collect sales and use taxes from the Sub-Agent under Article 28 of the Tax Law, together with interest and penalties. In addition to the foregoing, the Sub-Agent acknowledges and agrees that for purposes of exemption from State sales and use taxation, "sales and use taxation" shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the Tax Law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

d. That all purchases made by the Sub-Agent in connection with the Project shall be made using Form ST-123, a copy of which is attached hereto as Exhibit A), and it shall be the responsibility of the Sub-Agent (and not the Agency) to complete Form ST-123. The

For purposes of indicating who the purchaser is, the Sub-Agent acknowledges and agrees that the bill of invoice should state, "I, [NAME OF SUB-AGENT], certify that I am a duly appointed agent of the City of Syracuse Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my Sub-Agent Appointment Agreement." The Sub-Agent further acknowledges and agrees that the following information shall be used by the Sub-Agent to identify the Project on each bill and invoice: [FILL IN THE NAME OF THE PROJECT, THE STREET ADDRESS OF THE PROJECT SITE, AND IDA PROJECT NUMBER].

e. That for purposes of any exemption from the State sales and use taxation as part of any Financial Assistance requested, "sales and use taxation" shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

f. That the Sub-Agent shall indemnify and hold the Agency harmless from all losses, expenses, claims, damages and liabilities arising out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the Project Facility (including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), for such claims or liabilities that arise as a result of the Sub-Agent acting as agent for the Agency pursuant to this Agreement or otherwise.

If the Sub-Agent feels that there is information about the Sub-Agent in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Sub-Agent's competitive position, the Sub-Agent must identify such elements in writing, supply same to the Agency prior to or contemporaneously with the execution hereof and request that such elements be kept confidential in accordance with Public Officers Law Article 6. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the Act.

All policies evidencing such insurance except the Workers' Compensation policy shall name the Company as insured and SIDA as an additional insured, as its interests may appear, and all policies shall provide that the coverage with respect to the Agency be primary and non-contributory and require at least thirty (30) days' prior written notice to the Agency of cancellation, reduction in policy limits, or material change in coverage thereof; and (B) to the extent that such provisions of law are in fact applicable (without creating an obligation by contract beyond that which is created by statute), it will comply with the requirements of Section 220 of the Labor Law of the State of New York, as amended.

m. That every controversy, dispute or claim arising out of or relating to this Agreement shall be governed by the laws of the State of New York, without regard to its conflicts-of-laws provisions that if applied might require the application of the laws of another jurisdiction; and that the Sub-Agent irrevocably and expressly submits to the exclusive personal jurisdiction of the Supreme Court of the State of New York and the United States District Court for the Northern District of New York, to the exclusion of all other courts, for the purposes of litigating every controversy, dispute or claim arising out of or relating to this Agreement.

3. Failure of the Sub-Agent to comply with any of the provisions of this Agreement shall result in the immediate nullification of the appointment of the Sub-Agent and the immediate termination of this Agreement and may result in the loss of the Sub-Agent's or the Company's State and local sales and use tax exemption with respect to the Project at the sole discretion of the Agency. In addition, such failure may result in the recapture of the State and local sales and use taxes avoided.

4. The Company acknowledges that the assumption of certain obligations by the Sub-Agent in accordance with this Agreement does not relieve the Company of its obligations under any provisions of the Agency Lease or of any other agreement entered into by the Company in connection with the Project.

5. The Company and the Sub-Agent agree that the Agency is a third-party beneficiary of this Agreement.

6. This Agreement shall be in effect until the earlier of: (i) the completion of the work on the Project by the Sub-Agent; or (ii) the Sub-Agent's loss of status as an agent of the

Agency as set forth herein. Notwithstanding the foregoing, the provisions of Sections 2(b), 2(c), 2(f), 2(g), 2(j), and 2(l) shall survive the termination of this Agreement.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

8. **Waiver by Indemnitor.** Indemnitor waives any right or claim of right to cause a marshalling of Indemnitor's assets or to cause Agency to proceed against any of the security for the Agency Lease before proceeding under this Agreement against Indemnitor or to proceed against Indemnitor in any particular order; Indemnitor agrees that any payments required to be made hereunder shall become due on demand; Indemnitor expressly waives and relinquishes all rights and remedies (including any rights of subrogation) accorded by applicable law to indemnitors or guarantors.

The amount of State and local sales and use tax exemption benefits comprising the Financial Assistance approved by the Agency shall not exceed \$950,000.

This appointment includes, and this letter evidences, authority to purchase on behalf of the Agency all materials to be incorporated into and made an integral part of the Project Facility and the following activities as they relate to any renovation, improvement and equipping of any of any buildings, whether or not any materials, equipment or supplies described below are incorporated into or become an integral part of such buildings: (1) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with renovation, improvement and equipping; (2) all purchases, rentals, uses or consumption of supplies, materials, utilities and services of every kind and description used in connection with renovation, improvement and equipping; and (3) all purchases, leases, rentals and uses of equipment, machinery and other tangible personal property (including installation costs), installed or placed in, upon or under such building or facility, including all repairs and replacements of such property, and with respect to such specific purchases or rentals, are exempt from any sales or use tax imposed by the State of New York or any governmental instrumentality located within the State of New York.

This agency appointment includes the power to delegate such agency, in whole or in part to a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively, "***Additional Agents***") provided the Company has first satisfied the conditions in the Agency Lease relative to the appointment of Additional Agents. The Company hereby agrees to complete "IDA Appointment of Project Operator or Agent for Sales Tax Purposes" (Form ST-60) for itself and each Additional Agent who provide materials, equipment, supplies or services to the Project Facility and deliver said form to the Agency within fifteen (15) days of appointment such that the Agency can execute and deliver said form to the State Department of Taxation and Finance within thirty (30) days of appointment. Each supplier or vendor should identify the Project Facility on each bill or invoice and indicate thereon which of the Company or its Additional Agents acted as agent for the Agency in making the purchase.

In order to be entitled to use this exemption, you should present to the supplier or other vendor of materials for the Project Facility, a completed "IDA Agent or Project Operator Exempt Purchase Certificate" (Form ST-123).

In addition, General Municipal Law §874(8) requires you to file an Annual Statement with the New York State Department of Taxation and Finance ("**NYSDTF**") on "Annual Report of Sales and Use Tax Exemptions" (Form ST-340) regarding the value of sales and use tax exemptions you, your agents, consultants or subcontractors have claimed pursuant to the agency we have conferred on you with respect to this project. The penalty for failure to file such statement is the removal of your authority to act as our agent. In addition, you must provide a copy of the completed Form ST-340 to the Agency within ten (10) days of the date it is due to be filed with the NYSDTF.

The agency created by this letter is limited to the Project Facility, and will expire on the earlier of **December 31, 2015** or the issuance of a certificate of occupancy by the City. You may apply to extend this agency authority by showing good cause.

This letter is provided for the sole purpose of evidencing, in part, the exemption from New York State Sales and Use Taxes **for this project only**. No other principal/agent relationship is intended or may be implied or inferred by this letter.

The Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder. By acceptance of this letter, the vendor hereby acknowledges the limitations on liability described herein.

Instructions

Filing requirements

An IDA must file this form within 30 days of the date the IDA appoints any project operator or other person as agent of the IDA, for purposes of extending any sales and compensating use tax exemptions.

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA need not file this form if the IDA does not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, the IDA must, within 30 days of the change, file a new form with the new information.

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA must, within 30 days, send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. It should attach to the letter a copy of the form it originally filed. The IDA need not send a letter for a form that is not valid merely because the "Completion date of project" has passed.

ARTICLE II

COVENANTS AND AGREEMENTS

Section 2.01. Tax-Exempt Status of the Project Facility

(a) Assessment of the Project Facility. Pursuant to the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of ownership or control of the Project Facility by the Agency, and for so long thereafter as the Agency shall own or control the Project Facility, the Project Facility shall be entitled to an exemption upon the first available assessment roll of the Municipality prepared subsequent to the acquisition by the Agency of ownership or control of the Project Facility. The time of commencement of the Agency's exemption shall be controlled by the Municipality's taxable status date, in conformity with Section 412-a of the Real Property Tax Law. The Company will be required to pay to the Municipality all taxes and assessments lawfully levied and/or assessed against the Project Facility, in spite of the Agency's actual ownership or control of the Project Facility, until the Project Facility shall be entitled to exempt status on the tax roll of the Municipality.

(b) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by the Act and Section 412-a of the Real Property Tax Law does not entitle

the Agency to exemption from special assessments and special ad valorem levies. The Company will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

Section 2.02. Payments in Lieu of Taxes

(a) Agreement to Make Payments. The Company agrees that it shall make periodic payments in lieu of real property taxes in the amounts hereinafter provided. The said payments due to the Agency hereunder shall be paid by the Company, to the Municipality, by check made payable to "*Commissioner of Finance*". Upon receipt of the Company's payment, it shall be the Municipality's obligation to appropriately disburse any portion of the said payment to the County of Onondaga, or such other taxing jurisdiction, pursuant to the Act. This Company obligation shall exist for so long as the Agency retains an interest in the Project Facility. Notwithstanding the appearance of the Agency's exemption on the Municipality's tax roll for the 2015/2016 City and School portion of the real property tax due on the Land and Facility, the year 1 payment due for the City and School portion of the year 1 payment under Exhibit "A" shall commence on July 1, 2015. The year 1 payment due for the County and Water District portion of the year 1 payment under Exhibit "A" shall commence on January 1, 2016. Without regard to the Agency exemption, the Company shall continue paying real property tax through June 30, 2015 with respect to the City and School portion of the real property tax and through December 31, 2015 with respect to the County and Water District portion of the real property tax, based upon the assessment and the combined real property tax rate in effect for that period as if the Project Facility were privately owned and the Agency had no interest in the same.

(b) Amount of Payments in Lieu of Taxes. Unless otherwise stated, the Company's agreed upon annual payment in lieu of tax hereunder shall be an amount determined by reference to Exhibit "A", attached hereto and made a part hereof. The payments in lieu of tax due, as set forth in Exhibit "A", include any real property tax exemptions that might be afforded to the Company if the Project Facility were owned by the Company and not the Agency. As consideration for the benefits conferred on the Company pursuant to this Agreement, the Company hereby agrees to be bound by any determination by the City of Syracuse Board of Assessment Review resulting from a review of

the assessment pertaining to the Project Facility and/or Additional Property throughout the term of this Agreement. The Company hereby agrees to waive any and all right to challenge or contest in a court of law (a "*Legal Challenge*"), those payments or the basis for those payments due pursuant to Exhibit "A." It shall also be an event of default under Article IV of this Agreement should the Company bring a Legal Challenge on the Project Facility and/or Additional Property.

(c) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facilities, or any new or additional building shall be constructed on the real property described in Exhibit "B" that is in addition to the Facilities (such structural additions and additional buildings being hereinafter referred to as "*Additional Property*"), the Company agrees to make additional periodic payments in lieu of real property taxes (such additional payments being hereinafter collectively referred to as "*Additional Payments*") to the Municipality with respect to such Additional Property. Such Additional Payments shall be computed as follows:

By multiplying (1) the value placed on such Additional Property, as value is determined by the Municipality's Assessor by (2) the tax rate or rates of the Municipality that would be applicable to such Additional Property if such Additional Property were owned or controlled by the Company and not the Agency, and (3) then reducing the amount so determined by the amounts of any properly acquired tax exemptions that would be afforded to the Company by the Municipality for such Additional Property as if it was owned or controlled by the Company and not the Agency.

(d) Revaluation. In the event of a real property assessment revaluation by the Municipality, the Company shall continue to make its payments in accordance with this Agreement; however, in the event that Exhibit "A" is no longer in effect, but payments are still being made hereunder for any reason, (including, but not limited to, the Agency still having an interest in the Project Facility), and would be effected by revaluation, each year's payments subsequent to such revaluation shall be adjusted to properly reflect the revaluation, it being the intent of the parties that the level of payments following revaluation shall be equal to those payments contemplated by this Agreement.

(e) Damage or Destruction. In the event that all or substantially all of the Project Facility is damaged or destroyed, the Company shall continue to make the payments required by this Agreement for as long as the Agency shall own or control the Project Facility, without regard to such damage or destruction.

(f) Time of Payments. The Company agrees to pay the amounts due the Agency hereunder to the Municipality for each year of this Agreement, within the period that the Municipality allows payment of taxes levied in such calendar year without penalty. The Company shall be entitled to receive receipts from the Municipality for such payments.

(g) Method of Payment. All payments by the Company hereunder shall be paid to the Municipality in lawful money of the United States of America, cash, money order or check.

Section 2.03. Obligation of Municipality

The Municipality shall submit to the Company written semi-annual statements specifying the amount and due date or dates of any payments due to the Agency hereunder. Each said semi-annual statement shall be submitted to the Company at the same time that tax bills are mailed by the Municipality to the owners of privately owned property.

Section 2.04. Obligations of Agency

(a) Requirement that any Project Facility Agreements Require Payments in Lieu of Taxes. So long as the Project Facility shall be entitled to exemption from real property taxes as provided in Section 2.01(a) hereof, the Agency agrees, to the extent permitted by law, that it shall not make any agreement regarding the leasing or sale of the Project Facility which does not require that payments in lieu of taxes shall be paid to the Municipality in at least the amounts set forth in Article II hereof.

(b) Requirement that Mortgagees subordinate to Payments. The Agency and the Company agree that any mortgages on the Project Facility, given by either of them, shall provide that the rights of the mortgagees thereunder shall be subordinate to this Agreement and to the right of the Municipality to receive payments in lieu of taxes pursuant to Article II hereof.

Section 2.05. Company to Furnish Information

The Company agrees to promptly comply with the reporting and information requirements

of the Agency and the Act, and to immediately furnish the applicable information required or requested by the Agency and/or the State of New York. The Company further agrees to assist the Agency with the preparation of any reports, or answer any inquiries, required by the State of New York in connection with the Act or the Agency's participation in the Project.

Section 2.06. Interest

(a) Agreement to Pay Interest on Missed Payments. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest thereon, to the extent permitted by law, at the greater of **(i) eighteen per cent (18%) per annum, or (ii) the rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.**

(b) Maximum Legal Rate. It is the intent of the Agency, the Municipality, and Company that in no event shall interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "Maximum Legal Rate"). Solely to the extent necessary to prevent interest under this Agreement from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled, and, if received by the Agency or Municipality, shall be refunded to the Company.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

Section 3.01. No Recourse; Limited Obligation of the Agency

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Agreement, or otherwise based on or in

respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent, servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement. It is expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the Municipality, and neither the State of New York nor the Municipality shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (i) the Agency shall have been requested to do so in writing by the Company and (ii) if compliance with such request is expected to result in the incurrence by the Agency (or any of its members, directors, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity satisfactory

to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV
EVENTS OF DEFAULT

Section 4.01. Events of Default

Any one or more of the following events shall constitute an event of default under this Agreement, and the terms "*Event of Default*" or "*Default*" shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement or the Lease Agreement.

(b) Commencement by the Company of a Legal Challenge, as defined in Section 2.02(b), to those payments or the basis for those payments due pursuant to Exhibit "A."

(c) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed under this Agreement (other than as referred to in paragraph (a) above) or the Lease Agreement, and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied.

(d) Any warranty, representation or other statement by or on behalf of the Company contained in this Agreement or the Lease Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement or the Lease Agreement.

(e) The Company violates any federal, state or local environmental law or allows or causes any Hazardous Materials (as Hazardous Materials is defined and described in any federal, state or local law) to be released at, on, to, into or from the Project Facility, except as permitted by the Lease Agreement or within the terms and conditions of a permit, certificate, license or other written approval of an authorized governmental body, and fails to remedy such violation within

thirty (30) days; or if such failure cannot be cured within thirty (30) days, fails to commence a cure within thirty (30) days and thereafter diligently prosecute the cure thereof.

(f) The occurrence of any Event of Default or Default under this Agreement, the Lease Agreement or any other Project documents.

(g) Failure of the Company to commence construction of the Project Facility within six months of the date of this Agreement.

The payment schedule contained in Exhibit "A" is for the benefit of the Company and its Project Facility. In the event that the Company defaults hereunder, and the Lease Agreement cannot be terminated, and/or the Agency's participation in the Project and this Agreement is not or cannot be terminated, the Company, or any assignee, or successor shall no longer be entitled to make payments under this Agreement pursuant to Exhibit "A". In such an event, payments shall be made hereunder, for any remaining term of the Project, as if the Project Facility was privately owned and assessed and without any further regard to Exhibit "A".

Section 4.02. Remedies on Company Default

Whenever any Event of Default under Sections 4.01(a), 4.01(b), 4.01(c), 4.01(d), 4.01(e), 4.01 (f) or 4.01(g) shall have occurred and be continuing with respect to this Agreement, and/or the Company shall be in default under the Lease Agreement, the Municipality or the Agency may take whatever action at law or in equity, following applicable notice, as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement and/or the Lease Agreement.

Section 4.03. Recording of Lease Terminations and Other Documents

Whenever any Event of Default under Sections 4.01(a), 4.01(b), 4.01(c), 4.01(d), 4.01(e), 4.01 (f) or 4.01(g) shall have occurred and be continuing with respect to this Agreement or the Lease Agreement, the Agency may, upon notice to the Company provided for in this Agreement or the Lease Agreement, terminate the Lease Agreement and record such termination or other necessary documents in the Onondaga County Clerk's Office, terminating the Agency's interest in the Project Facility and terminating this Agreement.

The recording of such a termination and any other documentation shall constitute delivery to, and acceptance of such, by the Company. In order to facilitate such a termination, the Company hereby appoints the Chairman or the Vice Chairman of the Agency as its agent for the purpose of executing and delivering all documents necessary to allow such termination by the Agency.

In the event that the Lease Agreement, for any reason, is extended by its terms, or for any reason this Agreement expires or terminates, but the Agency retains an interest or remains in title to the Project Facility, the Company shall continue to make payments in lieu of taxes to the Municipality for as long as the Agency retains an interest in, or remains in title to, the Project Facility. Those payments shall be the equivalent of the real property taxes that would be due on the Project Facility if it were owned by the Company and not the Agency. It is the intention of the parties hereto, that for so long as the Agency shall possess title to, or an interest in, the Property, the Company, or any permitted successors or assigns, shall make payments in lieu of taxes to the Municipality that are either based upon Exhibit "A", or if Exhibit "A" is no longer applicable for any reason, are the equivalent of the real property taxes that would be due and owing if the Project Facility were privately owned.

Section 4.04. Payment of Attorney's Fees and Expenses

If the Company should default in performing any of its obligations, covenants and agreements under this Agreement and the Agency or the Municipality should employ attorneys (whether in-house or outside counsel) or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency and/or the Municipality the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred.

Furthermore, should the Company bring a Legal Challenge on the Project Facility and/or Additional Property during the term of this Agreement, and the Agency and/or the Municipality waives its right to declare a default under this Agreement in regard to such Legal Challenge, or such Legal Challenge is determined not to be a default of this Agreement by any Court of competent jurisdiction, the Company agrees that in the event that the Company is unsuccessful in its Legal

Challenge, it will, on demand, pay to the Agency and/or the Municipality the reasonable fees and disbursements of any attorneys employed (whether in-house or outside counsel) for the defense of such Legal Challenge as well as such other reasonable expenses so incurred.

Section 4.05. Remedies; Waiver and Notice

(a) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency or the Municipality to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(d) No Waiver. In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

ARTICLE V

MISCELLANEOUS

Section 5.01. Term of Agreement

(a) General. This Agreement shall become effective and the obligations of the Municipality, the Agency and the Company shall arise absolutely and unconditionally upon the execution and delivery of this Agreement. This Agreement shall terminate on the earliest to occur of (i) the same date that the Agency Lease Agreement terminates; (ii) on any earlier date permitted

under the Agency Lease Agreement; or (iii) upon the expiration on June 30, 2025 of the PILOT Schedule set forth in Exhibit "A" hereto. In the event of a termination of the Agency's interest in the Project Facility, the Company's payments due hereunder shall be pro-rated to the extent necessary to allow the Municipality to issue a supplemental tax bill based upon the Agency's transfer of ownership or control of the Project Facility to the Company, and the loss of the Agency's tax exemption on the said Project Facility.

(b) Conflict. In the event of a conflict between this Agreement or any of its terms on the one hand, and the Lease Agreement or any other Project documents on the other hand, the provisions most favorable to the Agency shall govern. The Agency and the Company agree that the Agency's participation in the Project is for the benefit of the Company and that the Municipality must receive payments from the Company hereunder, during the entire term of this Agreement and/or the Agency's ownership or control of the Project Facility.

Section 5.02. Company Acts

Where the Company is required to do or accomplish any act or thing hereunder, the Company may cause the same to be done or accomplished with the same force and effect as if done or accomplished by the Company.

Section 5.03. Amendment of Agreement

This Agreement may not be amended, changed, modified or altered unless such amendment, change, modification or alteration is in writing and signed by the Municipality, the Agency, and the Company.

Section 5.04. Notices

Section 1. The general municipal law is amended by adding a new section nine hundred twenty-six to read as follows:

§ 926. *City of Syracuse industrial development agency. (a) For the benefit of the city of Syracuse and the inhabitants thereof, an industrial development agency, to be known as the CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY, is hereby established for the accomplishment of any or all of the purposes specified in title one of article eighteen-A of this chapter. (b) The city shall have the power to make, or contract to make grants or loans, including but not limited to grants or loans of money, to the agency in such amounts, upon such terms and conditions and for such period or periods of time as in the judgment of the city and the agency are necessary or appropriate for the accomplishment of any of the purposes of the agency.

Expansion of its industrial-commercial base is essential to the City of Syracuse, especially in a time of mounting economic pressures. To achieve this goal of expansion, the City has designed a comprehensive economic development program, requiring an Industrial Development Agency.

The existing potential for economic development will be augmented by the financial incentives of an Industrial Development Agency. Various City agencies and departments, such as the Department of Community Development and the Office of Federal and State Aid Coordination will interface with the Syracuse Industrial Development Agency to strengthen the business and industrial climate of the community.

Access to the Department of Community Development will make available to the Syracuse Industrial Development Agency an array of staff assistance, technical expertise, and various other development services. The City's Office of Federal and State Aid Coordination will provide assistance to it in locating, analyzing, and obtaining various forms of federal and state assistance and participation.

Section 2. Indemnification

(a) Upon compliance by a Member or Officer of the Agency (including a former Member or Officer, the estate of a Member or Officer or a judicially appointed personal representative thereof) (referred to in this Section 2 collectively as “Member”) with the provisions of subdivision (i) of this Section 2, the Agency shall provide for the defense of the Member in any civil action or proceeding, state or federal, arising out of any alleged act or omission which occurred or allegedly occurred while the Member was acting within the scope of the public employment or duties of such Member. This duty to provide for a defense shall not arise where such civil action or proceeding is brought by or at the behest of the Agency.

(b) Subject to the conditions set forth in paragraph (a) of this subdivision, the Member shall be entitled to be represented by private counsel of the Member’s choice in any civil action or proceeding whenever the chief legal officer of the Agency or other counsel designated by the

Agency determines that a conflict of interest exists, or whenever a court, upon appropriate motion or otherwise by a special proceeding, determines that a conflict of interest exists and that the Member is entitled to be represented by counsel of the Member's choice, provided, however, that the chief legal officer or other counsel designated by the Agency may require, as a condition to payment of the fees and expenses of such representation, that appropriate groups of such Members be represented by the same counsel. (e) The Agency shall indemnify and save harmless its Members in the amount of any judgment obtained against such Members in a State or Federal court, or in the amount of any settlement of a claim, provided that the act or omission from which such judgment or claim arose occurred while the Member was acting within the scope of the Member's public employment or duties; provided further that in the case of a settlement, the duty to indemnify and save harmless shall be conditioned upon the approval of the amount of settlement by a majority of the Members of the Agency eligible to vote thereon.

(f) Except as otherwise provided by law, the duty to indemnify and save harmless prescribed by this Section 2 shall not arise where the injury or damage resulted from intentional wrongdoing or recklessness on the part of the Member seeking indemnification.

(g) Nothing in this subdivision shall authorize the Agency to indemnify or save harmless any Member with respect to punitive or exemplary damages, fines or penalties; provided, however, that the Agency shall indemnify and save harmless its Members in the amount of any costs, attorneys' fees, damages, fines or penalties which may be imposed by reason of an adjudication that the Member, acting within the scope of the Member's public employment or duties, has, without willfulness or intent on the Member's part, violated a prior order, judgment, consent decree or stipulation of settlement entered in any court of the State or of the United States.

(h) Upon entry of a final judgment against the Member, or upon the settlement of the claim, the Member shall serve a copy of such judgment or settlement, personally or by certified or registered mail within thirty (30) days of the date of entry or settlement, upon the Chairman and the chief administrative officer of the Agency; and if not inconsistent with the provisions of this Section 2, the amount of such judgment or settlement shall be paid by the Agency.

(i) The duty to defend or indemnify and save harmless prescribed by this Section 2 shall be conditioned upon: (i) delivery by the Member to the Chairman of the Agency and the chief legal officer of the Agency or to its chief administrative officer of a written request to provide for such Member's defense together with the original or a copy of any summons, complaint, process, notice, demand or pleading within ten (10) days after the Member is served with such document, and (ii) the full cooperation of the Member in the defense of such action or

Article 1. Preliminary Statement. Among the matters of mutual inducement which have resulted in the execution of this agreement are the following:

1.01. The Agency is authorized and empowered by the provisions of Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended, and Chapter 641 of the Laws of 1979 of the State (collectively, the "**Act**") to designate an agent for constructing, reconstructing and equipping "projects" (as defined in the Act).

1.02. The purposes of the Act are to promote, attract, encourage and develop recreation and economically sound commerce and industry in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living, and to prevent unemployment and economic deterioration. The Act vests the Agency with all powers necessary to enable it to accomplish such purposes, including the power to acquire and dispose of interests in real property and to appoint agents for the purpose of completion of projects undertaken by the Agency.

1.03. The Company has requested that the Agency undertake a project (the "**Project**") consisting of: (A)(i) the acquisition of an interest in approximately 65,000 square feet of improved real property located at 400 West Division Street, 365 Spencer Street (rear), 301 Spencer Street and Solar Street in the City of Syracuse, New York (the "**Land**"); (ii) the renovation of an approximately 37,500 square foot building and the construction of an approximately 20,000 square foot building to be used as the Company's main call center and related activities; and related parking all located on the Land (collectively, the "**Facility**"); (iii) the acquisition and installation thereon of furniture, fixtures and equipment (the "**Equipment**", and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, mortgage recording tax and sales and use taxation (collectively, the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, renovation and equipping of the Project Facility; and (D) the lease of the Project Facility by the Agency pursuant to a lease agreement and the sublease of the Project Facility back to the Company

pursuant to a sublease agreement.

1.04. The Company hereby represents to the Agency that the designation of the Company as the Agency's agent for the construction, renovation and equipping of the Project Facility (i) will be an inducement to it to reconstruct, renovate and equip the Project Facility in the City of Syracuse (the "*City*"); (ii) will not result in the removal of a commercial, industrial or manufacturing plant or facility of the Company or of any other proposed occupant of the Project Facility from one area of the State to another or in the abandonment of one or more plants or facilities of the Company or of any other proposed occupant of the Project Facility located in the State, except as may be permitted by the Act; (iii) the Project is located in a "highly distressed area" as defined in Section 854(18) of the Act; and (iv) undertaking the Project will preserve or create permanent private sector jobs in the State.

1.05. The Agency has determined that the acquisition of a controlling interest in, and the construction, renovation and equipping of the Project Facility and the subleasing of the same to the Company will promote and further the purposes of the Act.

1.06 On July 17, 2012, the Agency adopted a resolution (the "*Inducement Resolution*") agreeing, subject to the satisfaction of all conditions precedent set forth in such Resolution, to designate the Company as the Agency's agent for the acquisition, construction, renovation and equipping of the Project Facility.

2.03. Nothing contained in this Agreement shall require the Agency to apply its funds to Project costs.

2.04. After satisfying the conditions precedent set forth in the Section 4.02 hereof, the Company may proceed with the construction, renovation and equipping of the Project Facility.

2.05. Subject to Section 4.02 hereof, the Company is appointed the true and lawful agent of the Agency (i) for the construction, renovation and equipping of the Project Facility and (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper for the construction, renovation and equipping of the Project Facility, all with the same powers and the same validity as if the Agency were acting in its own behalf.

whatsoever in relation to the Project Facility, including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

(d) The defense and indemnities provided for in this Article 3 shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, facts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

NOW, THEREFORE, be it resolved by the members of the City of Syracuse Industrial Development Agency as follows:

Section 1. It is the policy of the State to promote the economic welfare, recreation opportunities and prosperity of its inhabitants and to actively promote, attract, encourage and develop recreation and economically sound commerce and industry for the purpose of preventing unemployment and economic deterioration. It is among the purposes of the Agency to promote, develop, encourage and assist in the acquiring, constructing, improving, maintaining, equipping and furnishing of certain facilities, including commercial facilities, and thereby advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their recreation opportunities, prosperity and standard of living.

Section 2. Based upon the representations and projections made by the Company to the Agency, and the changes that occurred in the Act and the issuance of the Policy Memo, the Original Inducement Resolution needed to be amended to specifically identify the amount of the sales and use tax exemption benefit awarded to the Company and to clarify the circumstances under which

the Company may appoint Additional Agents (as defined herein); and the Agency Agreement needs to be further amended to incorporate provisions relative to the Policy Memo and the change in the Act. A copy of the Agency Agreement, as amended in accordance herewith, is attached hereto as **Exhibit "A"** (the "**Amended Agreement**").

Section 3. Subject to the terms of this Resolution and the conditions set forth in Section 4.02 of the Amended Agreement the Agency will (i) acquire an interest in the Land and Facility pursuant to a lease agreement (the "**Lease**") to be entered into between the Company and the Agency; and accept an interest in the Equipment pursuant to a bill of sale from the Company (the "**Bill of Sale**"); (ii) sublease the Project Facility to the Company pursuant to a sublease agreement (the "**Sublease**" and with the Lease and the Bill of Sale, the "**Lease Documents**") to be entered into between the Agency and the Company; (iii) grant the approved Financial Assistance; and (iv) provided that no default shall have occurred and be continuing under the Agreement, or the Lease Documents, execute and deliver all other certificates and documents necessary or appropriate for the grant of the approved Financial Assistance or requested by the Company, in form and substance acceptable to the Agency. The terms and conditions of subdivision 3 of Section 875 of the Act are herein incorporated by reference and the Company shall agree to such terms as a condition precedent to receiving or benefiting from an exemption from New York State sales and use exemptions benefits. Notwithstanding anything herein to the contrary, the amount of State and local sales and use tax exemption benefits comprising the Financial Assistance approved herein shall not exceed \$602,400.

The Company shall, or cause its Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively "**Additional Agents**"), to provide, and the Agency shall maintain, records of the amount of State and local sales and use tax exemption benefits provided to the Project and the Company and each Additional Agent shall make such records available to the State Commissioner of Taxation and Finance (the "**Commissioner**") upon request. The Agency shall, within thirty (30) days of providing any State sales and use tax exemption benefits, report to the Commissioner the amount of such benefits for the Project, identifying the Project, along with any such other information and specificity as the Commissioner may prescribe. As a condition precedent to the Company or Project's receipt of, or benefit from, any State or local sales and use tax exemptions, the Company must acknowledge and agree to make, or cause its Additional Agents to make, all records and information regarding State and local sales and use tax exemption benefits realized by the Project available to the Agency upon request.

Section 5. As a condition to the Company's appointment as provided herein, the Company agrees to execute the Amended Agreement, further amending the Agency Agreement, with the Agency with respect to the Project. The form and substance of the Amended Agreement (as set forth as on **Exhibit "A"** attached hereto and presented at this meeting) are hereby approved. The Amended Agreement shall supercede the Agency Agreement. The Chairman or Vice Chairman of the Agency are each hereby authorized, on behalf of the Agency, to execute and deliver the Amended Agreement, in substantially the same form as presented at this meeting and attached hereto as **Exhibit "A"**, with changes in terms and form as shall be consistent with this Resolution and as the Chairman or Vice Chairman shall approve. The execution thereof by the Chairman or Vice Chairman shall constitute conclusive evidence of such approval.

Section 6. Subject to the due execution and delivery by the Company of the Amended Agreement, the satisfaction of the conditions of this Resolution, and the payment by the Company of any attendant fees, the Company and its designees, are appointed the true and lawful agent of the Agency to proceed with the Project, all with the same powers and the same validity as if the Agency were acting in its own behalf. The appointment made by this Section 6 shall not be effective until the Amended Agreement referred to in Section 4 hereof is duly executed and delivered by the Company. The Company and its designees are hereby authorized to appoint Additional Agents to proceed with the Project, all with the same powers and the same validity as if the Agency were acting in its own behalf. The appointment of Additional Agents shall not be effective until the terms of the Amended Agreement relative to such appointment(s) are satisfied.

Section 7. The Chairman and/or Vice Chairman of the Agency, acting individually, are each hereby authorized and directed, for and in the name and on behalf of the Agency, to execute and deliver the documents and agreements identified herein and any such additional certificates, instruments, documents or affidavits, to pay any such other fees, charges and expenses, to make such other changes, omissions, insertions, revisions, or amendments to the documents referred herein and to do and cause to be done any such other acts and things, as they determine, on advice of counsel to the Agency, may be necessary or desirable to consummate the transactions contemplated by this Resolution.

Section 8. The Secretary of the Agency is hereby authorized to distribute copies of this Resolution to the Company and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 9. The obligation of the Agency to consummate any transaction contemplated herein or hereby is subject to and conditioned upon the execution and delivery of, among other things, an Environmental Compliance and Indemnification Agreement in favor of the Agency in form and substance acceptable to the Agency and its counsel by the Company and some or all of its principals, in the discretion of the Chairman and/or Vice Chairman of the Agency.

Section 10. No covenant, stipulation, obligation or agreement contained in this resolution or any document referred to herein shall be deemed to be the covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency in his or her individual capacity. Neither the members nor officers of the Agency, nor any person executing any documents referred to above on behalf of the Agency, shall be liable thereon or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

Section 11. Should the Agency's participation in the Project, or the appointments made in accordance herewith, be challenged by any party, in the courts or otherwise, the Company shall defend, indemnify and hold harmless the Agency and its members, officers and employees from any and all losses arising from any such challenge including, but not limited to, the fees and disbursement of the Agency's counsel. Should any court of competent jurisdiction determine that the Agency is not authorized under the Act to participate in the Project, this Resolution shall automatically become null, void and of no further force and effect, and the Agency shall have no liability to the Company hereunder or otherwise.

Section 12. Counsel to the Agency is hereby authorized to work with the Company and others to prepare for submission to the Agency, all documents necessary to effect the grant of Financial Assistance and consummate the Lease Documents.

Section 13. The Secretary of the Agency is hereby authorized and may distribute copies of this Resolution and do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

1.04 The Company hereby represents to the Agency that undertaking the Project, the designation of the Company as the Agency's agent for the construction, renovation and equipping of the Project Facility, and the appointment by the Company of a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively, "***Additional Agents***"): (i) will be an inducement to it to construct and equip the Project Facility in the City of Syracuse (the "***City***"); (ii) will not result in the removal of a commercial, industrial or manufacturing plant or facility of the Company or of any other proposed occupant of the Project Facility from one area of the State to another or in the abandonment of one or more plants or facilities of the Company or of any other proposed occupant of the Project Facility located in the State, except as may be permitted by the Act; and (iii) undertaking the Project will promote, create and/or preserve private sector jobs in the State. The Company hereby further represents to the Agency that the Project Facility is located in a Highly Distressed Area as that phrase is defined in the Act.

1.05. The Agency has determined that the acquisition of a controlling interest in, and the construction, renovation and equipping of the Project Facility and the subleasing of the same to the Company will promote and further the purposes of the Act.

1.06 On April 23, 2014, the Agency adopted an Amended Inducement Resolution (the "***Amended Resolution***") agreeing, subject to the satisfaction of all conditions precedent set forth in such Amended Resolution, to designate the Company as the Agency's agent for the acquisition, construction and equipping of the Project Facility and determining that the leasing of the same to the Company will promote further purposes of the Act. For purposes of that designation, the Agency authorized as part of the approved Financial Assistance, State and local sales and use tax exemption benefits in an amount not exceed \$602,400.

1.07. In the Amended Resolution, subject to the execution of this Amended Agreement by the Company, and other conditions set forth in the Amended Resolution, the Agency appointed the Company as its agent for the purposes of construction and equipping the Project Facility, entering into contracts and doing all things requisite and proper for construction, renovation and equipping the Project Facility.

2.06. The Agency will take or cause to be taken such other acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof. The Agency may in accordance with Article 8 of the Environmental Conservation Law of the State of New York, as amended, and the regulations of the Department of Environmental Conservation of the State of New York promulgated thereunder (collectively referred to hereinafter as "**SEQRA**"), undertake supplemental review of the Project. may be liable, harmless from all claims and liabilities for loss or damage to property or any injury to or death of any person that may be occasioned subsequent to the date hereof by any cause whatsoever in relation to the Project Facility, including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

(d) The Company shall defend, indemnify and hold the Agency harmless from all losses, expenses, claims, damages and liabilities arising out of or based on the non-disclosure of information, if any, requested by the Company in accordance with Section 4.05 hereof.

(e) The defense and indemnities provided for in this Article 3 shall survive expiration or termination of this Amended Agreement and shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

(f) The Company shall provide and carry: (i) worker's compensation and disability insurance as required by law; and (ii) comprehensive liability and property insurance with such coverages (including without limitation, owner's protective coverage for the benefit of the Agency, naming the Agency as an additional insured on all policies of coverage regarding the Project; providing the coverage with respect to the Agency be primary and non-contributory; and contractual coverage covering the indemnities herein provided for), with such limits and which such companies as may be approved by the Agency. The Company acknowledges and agrees that the Agency's findings and determinations under SEQRA do not and shall not in and of themselves (except as specifically set forth in SEQRA) satisfy or be deemed to satisfy applicable laws, regulations, rules and procedural requirements applicable to such approvals, permits and consents.

(h) The Company shall complete the Local Access Agreement contained at Appendix I of the City of Syracuse Industrial Development Agency Financial Assistance Application and agrees that to the extent practicable, utilize, and cause its Additional Agents to utilize, local contractors and suppliers for the construction and equipping of the Project Facility. For purposes of this Agency Agreement, the term "**Local**" shall mean Onondaga, Oswego, Madison, Cayuga, Cortland and Oneida Counties. The Company agrees that such Local contractors shall be provided the opportunity to bid on contracts related to the Project Facility.

3.02. The Company agrees that, as agent for the Agency or otherwise, it will comply at

the Company's sole cost and expense with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Agency and/or Company with respect to the Project Facility, the acquisition of a controlling interest therein, construction and equipping thereof, the operation and maintenance of the Project Facility, supplemental review of adverse environmental impacts in accordance with SEQRA and the financing of the Project. 3.03. The Company agrees that, as agent for the Agency or otherwise, to the extent that such provisions of law are in fact applicable (without creating an obligation by contract beyond that which is created by statute) it will comply with the requirements of Section 220 of the Labor Law of the State of New York, as amended.

3.04. The Company will take such further action and adopt such further proceedings as may be required to implement its aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3.05. If it should be determined that any State or local sales or compensatory use taxes are payable with respect to the acquisition, purchase or rental or machinery or equipment, materials or supplies in connection with the Project Facility, or are in any manner otherwise payable directly or indirectly in connection with the Project Facility, the Company shall pay the same and defend and indemnify the Agency from and against any liability, expenses and penalties arising out of, directly or indirectly, the imposition of any such taxes.

3.06 The Company shall proceed with the acquisition, construction, renovation and equipping of the Project Facility and advance such funds as may be necessary to accomplish such purposes. The Company may appoint Additional Agents in furtherance thereof, if and only if, prior to such appointment the Company obtains and provides the Agency with the following:

(1) A written, executed agreement, in form and substance acceptable to the Agency, from each Additional Agent which provides for: (i) the assumption by the Additional Agent, for itself, of obligations under Sections 3.01 (except (d) and (h)), 3.02, 3.03, 3.04, 3.05, 3.08, 4.02(b) and (c) and 4.05 of this Amended Agreement relative to the appointment, work and purchases done and made by each Additional Agent; (ii) a commitment to utilize local contractors and suppliers for the construction and equipping of the Project to the extent practicable ("local" being defined in Section 3.02(h) hereof); (iii) an acknowledgement that the Additional Agent is obligated, to timely provide the Company with the necessary information to permit the Company, pursuant to General Municipal Law §874(8), to timely file an Annual Statement with the New York State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (Form ST-340) regarding the value of sales and use tax exemptions the Additional Agent claimed pursuant to the agency conferred on it by the Company with respect to this Project; (iv) an acknowledgment by the Additional Agent that the failure to comply with the foregoing will result in the loss of the exemption; and (v) such other terms and conditions as the Agency deems necessary; and

(2) A completed “IDA Appointment of Project Operator or Agent for Sales Tax Purposes” (Form ST-60) for each Additional Agent within fifteen (15) days of the appointment of each Additional Agent such that the Agency can execute and deliver said form to the State Department of Taxation and Finance within thirty (30) days of appointment of each such Additional Agent.

Failure of the Company to comply with the foregoing shall nullify the appointment of any Additional Agent and may result in the loss of the Company’s exemption with respect to the Project at the sole discretion of the Agency.

The Company acknowledges that the assumption by the Additional Agent in accordance with Section 3.06(1) above, does not relieve the Company of its obligations under those provisions or any other provisions of this Amended Agreement with respect to the Project.

3.07 The Company ratifies and confirms its obligations to pay an annual administrative reporting fee in accordance with the Agency’s fee schedule to cover administrative and reporting requirements to comply with New York State reporting regulations on Agency assisted projects.

3.08 Whenever practicable, the Company and/or its Additional Agents and employees agree to hire from the local labor pool during the (re)construction period of the Project Facility.

Article 4. General Provisions.

4.01. This Amended Agreement shall take effect on the date of the execution hereof by the Agency and the Company and, subject to Section 4.04 hereof, shall remain in effect until the Lease Documents become effective. It is the intent of the Agency and the Company that this Amended Agreement be superseded in its entirety by the Lease Documents.

4.02. (a) It is understood and agreed by the Agency and the Company that the grant of Financial Assistance and the execution of the Lease Documents and related documents are subject to (i) payment by the Company of the Agency’s fee and Agency’s counsel fees; (ii) obtaining all necessary governmental approvals, permits and consents of any kind required in connection with the Project Facility; (iii) approval by the members of the Agency; (iv) approval by the Company; and (v) the condition that there are no changes in New York State Law, including regulations, which prohibit or limit the Agency from fulfilling its obligations hereunder; (b) The Company, by executing this Amended Agreement, acknowledges and agrees to make, or cause its Additional Agents to make, all records and information regarding State and local sales and use tax exemption benefits given to the Project as part of the Financial Assistance available to the Agency upon request; (c) The Company, by executing this Amended Agreement, acknowledges and agrees to the terms and conditions of Section 875(3) of the Act as if such section were fully set forth herein and further agrees to cause all of its agents to acknowledge, agree and consent to same. Without limiting the scope of the foregoing the Company acknowledges that pursuant to Section 875(3) of the Act, the Agency shall recover, recapture, receive or otherwise obtain from the Company the portion of the Financial Assistance (the “**Recapture Amount**”) consisting of: (1) (a) that portion of the State sales tax exemption to

which the Company was not entitled, which is in excess of the amount of the State sales tax exemption authorized by the Agency or which is for property or services not authorized by the Agency; or (b) the full amount of such State sales tax exemption, if the Company fails to comply with a material term or condition regarding the use of the property or services as represented to the Agency in its Application or otherwise; and (2) any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise; and (d) The failure of the Company to promptly pay such Recapture Amount to the Agency will be grounds for the Commissioner to collect sales and use taxes from the Company under Article 28 of the State Tax Law, together with interest and penalties. In addition to the foregoing, the Company acknowledges and agrees that for purposes of exemption from New York State (the “*State*”) sales and use taxation as part of the Financial Assistance requested, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the New York State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

4.03. The Company agrees that it will, within thirty (30) days of a written request for same, regardless of whether or not this matter closes or the Project Facility is completed: (i) reimburse the Agency for all reasonable and necessary expenses, including without limitation the fees and expenses of counsel to the Agency arising from, out of or in connection with the Project, and/or any documents executed in connection therewith, including, but not limited to any claims or actions taken by the Agency against the Company, Additional Agents or third parties; and (ii) indemnify the Agency from all losses, claims, damages and liabilities, in each case which the Agency may incur as a consequence of executing this Amended Agreement or performing its obligations hereunder, including but not limited to, any obligations related to Additional Agents.

4.04. If for any reason the Lease Documents are not executed and delivered by the Company and the Agency on or before **July 31, 2014**, the provisions of this Amended Agreement (other than the provisions of Articles 1.04, 2.02, 2.04, 3.01, 3.02, 3.03, 3.05, 3.06, 4.02, 4.03, 4.04, which shall survive) shall unless extended by agreement of the Agency and the Company, terminate and be of no further force or effect, and following such termination neither party shall have any rights against the other party except:

(a) The Company shall pay the Agency for all expenses incurred by the Agency in connection with the acquisition, construction and equipping of the Project Facility;

(b) The Company shall assume and be responsible for any contracts for the construction or purchase of equipment entered into by the Agency at the request of or as agent for the Company in connection with the Project Facility; and

(c) The Company will pay the out-of-pocket expenses of members of the Agency and counsel for the Agency incurred in connection with the Project Facility and will pay the fees of counsel for the Agency for legal services relating to the Project Facility, Additional Agents or the proposed financing thereof.

4.05. **The Company acknowledges that Section 875(7) of the New York General Municipal Law (“GML”) requires the Agency to post on its website all resolutions and**

agreements relating to the Company's appointment as an agent of the Agency or otherwise related to the Project, including this Amended Agreement; and Article 6 of the New York Public Officers Law declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Company feels that there are elements of the Project or information about the Company in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Company's competitive position, the Company must identify such elements in writing, supply same to the Agency: (i) with respect to this Amended Agreement, prior to or contemporaneously with the execution hereof; and (ii) with respect to all other agreements executed in connection with the Project, on or before the Closing Date, and request that such elements be kept confidential in accordance with Article 6 of the Public Officers Law. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the GML.

IN WITNESS WHEREOF, the parties hereto have entered into this Amended Agreement as of the ____ day of _____, 2014.

ARTICLE I

SECTION 1. Annual Meeting. The annual meeting of the shareholders of the Corporation shall be held on such date, at such time and at such place within or without the State of New York as may be designated by the Board of Directors, for the purpose of the election of directors and for the transaction of such other business as may be properly brought before the meeting.

SECTION 2. Special Meetings. Except as otherwise provided in the Certificate of Incorporation, a special meeting of the shareholders may be called at any time by the Board of Directors, the Chairman or the President or by written instrument signed by a majority of the Board of Directors and shall be called by the Chairman, the President or the Secretary upon the written request, signed by any number of shareholders holding together at least twenty-five percent of the total outstanding shares of all classes entitled to vote at such meeting, which request shall set forth the purpose or purposes for which the meeting is to be called. At a special meeting of the shareholders only such business shall be transacted as is related to the purpose or purposes set forth in the notice of meeting.

SECTION 3. Place of Meeting. Unless and until provided otherwise by the Board of Directors, every annual meeting of the shareholders and every other meeting of the shareholders shall be held at the principal office of the Corporation in the State of New York; but the Board of Directors may from time to time provide for the holding of any annual or special meeting of the shareholders at such other place within or without the State of New York as the Board by resolution from time to time shall determine; provided, however, that any meeting of shareholders may be held at such place within or without the State of New York as may be fixed by agreement in writing among all the shareholder of the Corporation.

SECTION 4. Notice. Notice of each meeting of shareholders shall state the place, date and hour of the meeting and unless it is an annual meeting, shall indicate that it is being issued by or at the direction of the person or persons calling the meeting and state the purposes or purposes for which the meeting is called. If any meeting action is proposed to be taken which would, if taken, entitle shareholders fulfilling the requirements of section 623 of the Business Corporation Law of the State of New York to receive payment for their shares, the notice of such meeting shall include a statement of that purpose and to that effect. Not less than ten nor more than fifty days before the date of meeting, the Secretary or an Assistant Secretary shall give or cause to be given a copy of the notice, either personally or by mail, to each shareholder entitled to vote at such meeting. If mailed, such notice is given when deposited in the United States mail, with postage thereon prepaid, directed to the shareholder at his address as it appears on the record of shareholders, or, if he shall have filed with the Secretary a written request that notices to him be mailed to some other address, then directed to him at such other address. When a meeting is

adjourned to another time or place, it shall not be necessary to give any notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken, and at the adjourned meeting any business may be transacted that might have been transacted on the original date of the meeting. However, if after the adjournment the Board of Directors fixes a new record date for the adjourned meeting, a notice of the adjourned meeting shall be given to each shareholder of record on the new record date entitled to notice hereunder.

SECTION 5. Quorum. At any meeting of shareholders, the presence in person or by proxy of the holders of a majority of the shares entitled to vote at such meeting shall constitute a quorum for the transaction of any business, provided that when a specified item of business is required to be voted on by a class or series, voting as a class, the holders of a majority of the shares of such class or series shall constitute a quorum for the transaction of such specified item of business. When a quorum is once present to organize a meeting, it is not broken by the subsequent withdrawal of any shareholder. If a quorum shall not be present in person or by proxy at any meeting of shareholders, the shareholders present may adjourn the meeting despite the absence of a quorum.

SECTION 6. Organization. The Chairman or, in his absence, the President shall call every meeting of the shareholders to order, and shall act as Chairman of the meeting. In the absence of the Chairman and the President, the holders of a majority of the shares entitled to vote at such meeting shall elect a Chairman. The Secretary of the Corporation shall act as secretary of all meetings of the shareholders and keep the minutes; but in the absence of the Secretary, the Chairman of the meeting may appoint any person to act as secretary of the meeting.

SECTION 7. Voting. Unless otherwise provided in the Certificate of Incorporation every shareholder of record shall be entitled at every meeting of shareholders to one vote for every share standing in his name on the record of shareholders of the Corporation. A list of shareholders as of the record date, certified by the Secretary or an Assistant Secretary responsible for its preparation or by a Transfer Agent, shall be produced at any meeting of shareholders upon the request thereat or prior thereto of any shareholder.

The Board of Directors may prescribe a date not more than fifty nor less than ten days prior to the date of a meeting of shareholders for the purpose of determining the shareholders entitled to notice of or to vote at such meeting or any adjournment thereof. If no record date is fixed, the record date for the determination of shareholders entitled to notice of or to vote at a meeting of shareholders shall be at the close of business on the day next preceding the day on which notice is given, or, if no notice is given, the day on which the meeting is held. When a determination of shareholders of record entitled to notice of or to vote at any meeting of shareholders has been made, such determination shall apply to any adjournment thereof, unless the Board of Directors fixes a new record date for the adjourned meeting.

Every shareholder entitled to vote at a meeting of shareholders or to express consent or dissent without a meeting may authorize another person or persons to act for him by proxy. Every proxy must be signed by the shareholder or his attorney-in-fact. No proxy shall be

valid after the expiration of eleven months from the date thereof unless otherwise provided in the proxy. Every proxy shall be revocable at the pleasure of the shareholder executing it, except as otherwise provided by law.

The vote upon any matter as to which a vote by ballot is required by law, and, upon the demand of any shareholder, the vote upon any other matter before the meeting, shall be by ballot. Except as otherwise provided by law or by the Certificate of Incorporation, all elections of Directors shall be decided by a plurality of the votes cast and all other corporate action shall be decided by a majority of the votes cast at a meeting of shareholders by the holders of shares entitled to vote thereon.

Treasury shares and shares held by another domestic or foreign corporation of any type or kind, if a majority of the shares entitled to vote in the election of directors of such other corporation is held by the Corporation, shall not be shares entitled to vote or to be counted in determining the total number of outstanding shares.

SECTION 8. Inspectors. The Board of Directors in advance of every meeting of shareholders may appoint one or more Inspectors to act at such meeting or any adjournment thereof. If Inspectors are not so appointed, the person presiding at a shareholders' meeting may, and on the request of any shareholder entitled to vote thereat, shall, appoint one or more Inspectors. In case any person appointed fails to appear or act, the vacancy may be filled by appointment made by the Board in advance of the meeting or at the meeting by the person presiding thereat.

Each Inspector appointed to act at any meeting of the shareholders before entering upon the discharge of his duties shall take and sign an oath faithfully to execute the duties of inspector at such meeting with strict impartiality and according to the best of his ability. The Inspectors so appointed shall determine the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum, the validity and effect of proxies, and shall receive votes, ballots or consents, hear and determine all challenges and questions arising in connection with the right to vote, count and tabulate all votes, ballots or consents, determine the result, and do such acts as are proper to conduct the election or vote with fairness to all shareholders. On request of the person presiding at the meeting or any shareholder entitled to vote thereat, the Inspectors shall make a report in writing of any challenge, question or matter determined by them and execute a certificate of any fact found by them. Any report or certificate made by them shall be prima facie evidence of the facts stated and of the vote as certified by them.

SECTION 9. Consent of Shareholders in Lieu of Meeting. Any action by vote required or permitted to be taken by the shareholders may be taken without a meeting on written consent, setting forth the action so taken, signed by the holders of all outstanding shares entitled to vote thereon. This section shall not be construed to alter or modify the provisions of any section or any provision in the Certificate of Incorporation not inconsistent with the Business Corporation Law of the State of New York under which the written consent of the holders of less than all outstanding shares is sufficient for corporate action.

ARTICLE II

Board of Directors

SECTION 1. Number and Term of Office. The business of the corporation shall be managed under the direction of a Board of Directors, who need not be shareholders of the Corporation, but each of whom shall be at least eighteen years of age. Except as hereinafter otherwise provided for filling vacancies, the Directors shall be elected at the annual meeting of shareholders to hold office until the next annual meeting, and shall hold office until the expiration of the term for which they were elected, and until their successors have been elected and qualified. The number of Directors shall be three except that, if the Corporation has less than three shareholders, the number of directors may be less than three, but not less than the number of shareholders. The number of Directors may be altered from time to time by the Board of Directors or by the Shareholders or by amendment of these By-Laws; provided, however, that any such amendment by action of the Board of Directors shall require the vote of a majority of the entire Board and provided, further, that no decrease shall shorten the term of any incumbent Director.

SECTION 2. Removal, Vacancies and Additional Directors. Any Director may be removed, with or without cause, and the vacancy filled by a vote of the shareholders at any special meeting the notice of which shall state that it is called for that purpose. Any vacancy caused by such removal and not filled by the shareholders at the meeting at which such removal shall have been made, or any vacancy occurring in the Board for any other reason, and newly created directorships resulting from any increase in the number of Directors, may be filled by vote of a majority of the Directors then in office although less than a quorum; provided, however, that the term of office of any Director so elected shall expire at the next succeeding annual meeting of shareholders and when his successor has been elected and qualified, and at such annual meeting the shareholders shall elect a successor to the Director filling such vacancy or newly created directorship.

SECTION 3. Place of Meeting. Except as provided in these By-Laws, the Board of Directors may hold their meetings, regular or special, in such place or places within or without the State of New York as the Board from time to time shall determine.

SECTION 4. Regular Meetings. Unless and until otherwise provided by the Board of Directors the regular meetings of the Board shall immediately follow each annual meeting of shareholders of the Corporation and shall be held at the principal office of the Corporation in the State of New York. No notice shall be required for the regular meetings of the Board of Directors; but a copy of every resolution fixing or changing the time, date or place of regular meetings shall be mailed to every Director at least five days before the first meeting held in pursuance thereof.

SECTION 5. Special Meetings. Special meetings of the Board of Directors shall be held whenever called by direction of the Chairman, the President or by a majority of the Directors for

the time being in office.

The Secretary shall give or cause to be given notice of the time and place of holding each special meeting by mailing the same at least three days before the meeting or by causing the same to be transmitted by telegraph, cable or radio at least 24 hours before the meeting, to each Director at the address which he has designated to the Secretary of the Corporation as the address to which notices intended for him shall be mailed. Unless otherwise indicated in the notice thereof, any and all business other than an amendment of these By-Laws may be transacted at any regular or special meeting, and an amendment of these By-Laws may be acted upon if the notice of the meeting shall have stated that an amendment of the By-Laws is to be one of its purposes. Any business may be transacted by the Board of Directors at a meeting at which every member of the Board of Directors is present, though held without notice.

SECTION 6. Quorum. Subject to the provisions of Section 2 of this Article II, and except as otherwise expressly required by law, the presence of a majority of the Directors for the time being in office, but not less than one-third of the entire Board, shall constitute a quorum for the transaction of business, and the act of a majority of the Directors present at any meeting of the Board of Directors at which a quorum is present shall be the act of the Board of Directors. A majority of the Directors present, whether or not a quorum is present, may adjourn a meeting from time to time without notice other than by announcement at the meeting. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the meeting as originally called.

SECTION 7. Organization. The Chairman or, in his absence, the President shall call every meeting of the Board of Directors to order and shall act as Chairman of the meeting. In the absence of the Chairman and the President, a Chairman shall be elected from the Directors present.

The Secretary of the Corporation shall act as secretary of all meetings of the Directors and keep the minutes; but in the absence of the Secretary, the Chairman of the meeting may appoint any person to act as secretary of the meeting.

At all meetings of the Board of Directors business shall be transacted in such order as from time to time the Board may determine.

SECTION 8. Committees. The Board of Directors may by resolution adopted by a majority of the entire Board designate from among its members committees, each consisting of three or more Directors, and, subject to the provisions of Section 712 of the Business Corporation Law of the State of New York, define the powers and duties of such committees as the Board from time to time may deem advisable.

SECTION 9. Dividends. Subject to the provisions of the Certificate of Incorporation, and except when currently the Corporation is insolvent or would thereby be made insolvent, the Board of Directors shall have the power in its discretion from time to time to declare and pay dividends upon the outstanding shares of the Corporation out of surplus only, so that the net

assets of the Corporation remaining after such declaration, payment or distribution shall at least equal the amount of its stated capital.

SECTION 10. Determination of Shareholders of Record for Certain Purposes. For the purposes of determining the shareholders entitled to express consent to or dissent from any proposal without a meeting, or for the purpose of determining shareholders entitled to receive payment of any dividend or the allotment of any rights, or for the purpose of any other action, the Board of Directors may fix, in advance, a date as the record date for any such determination of shareholders and such date shall not be more than fifty days prior to such action. If no record date is fixed the record date shall be at the close of business on the day on which the resolution of the board relating thereto is adopted. For the purpose of determining that all shareholders entitled to vote thereon have consented to any action without a meeting, if no record date is fixed by the Board of Directors and no resolution has been adopted by the Board relating thereto, such shareholders shall be determined as of the date or time as of which such consent shall be expressed to be effective.

SECTION 11. Compensation of Directors. The Directors shall be entitled to receive compensation for their services as such in such amount as the Board of Directors shall from time to time determine.

SECTION 12. Consent of Directors or Committee in Lieu of Meeting. Any action required or permitted to be taken by the Board of Directors or any committee thereof may be taken without a meeting if all members of the Board or committee consent in writing to the adoption of a resolution authorizing the action. The resolutions and the written consents thereto shall be filed with the minutes of the proceedings of the Board or committee.

SECTION 13. Conference Telephone Meetings. Any one or more members of the Board of Directors or any committee thereof may participate in a meeting of the Board or committee by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation by such means shall constitute presence in person at such meeting.

The Board of Directors may require any officer to give security for the faithful

He shall prepare or cause to be prepared and shall keep at the office of the Corporation correct books of account of all of its business and transactions; and shall render statements thereof, in such form and at such times as the Board of Directors shall prescribe, and at the annual meeting of shareholders of the Corporation. Ladies and Gentlemen:

We have acted as counsel to the City of Syracuse Industrial Development Agency (the “*Agency*”) in connection with a project (the “*Project*”) undertaken by the Agency at the request of Rapid Response Monitoring Services Incorporated (the “*Company*”) consisting of: (A)(i) the acquisition of an interest in approximately 65,000 square feet of improved real property located at 400 West Division Street, 365 Spencer Street (rear), 301 Spencer Street and Solar Street in the City of Syracuse, New York (the “*Land*”); (ii) the renovation of an approximately 37,500 square foot building and the construction of an approximately 20,000 square foot building to be used as the Company’s main call center and related activities; and related parking all located on the Land (collectively, the “*Facility*”); (iii) the acquisition and installation thereon of furniture, fixtures and equipment (the “*Equipment*”, and together with the Land and the Facility, the “*Project Facility*”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, mortgage recording tax and sales and use taxation (collectively, the “*Financial Assistance*”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, renovation and equipping of the Project Facility; and (D) the lease of the Land and Facility by the Agency pursuant to a lease agreement and the sublease of the Project Facility back to the Company pursuant to a sublease agreement.

The Agency acquired an interest in the Project Facility pursuant to that certain Company Lease Agreement dated as of October 1, 2014 (the “*Company Lease*”) between the Company, as lessor and the Agency, as lessee, and that certain bill of sale from the Company to the Agency dated as of October 1, 2014 (the “*Bill of Sale*”). The Agency appointed the Company as its agent to complete the Project and subleased the Project Facility to the Company pursuant to the Agency Lease Agreement dated as of October 1, 2014 (the “*Agency Lease*”) between the Agency and the Company.

As counsel to the Agency, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such instruments, certificates, and documents as we have deemed necessary or appropriate for the purposes of the opinion expressed below. In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to the original documents of all documents submitted to us as copies, and have assumed the accuracy and truthfulness of the factual information, expectations, conclusions, representations, warranties, covenants and opinions of the Company and its counsel and representatives as set forth in the various documents executed and delivered by them or any of them and identified in the Closing Memorandum in connection with the Project.

We are of the opinion that:

1. The Agency is a duly organized and existing corporate governmental agency constituting a public benefit corporation of the State of New York.

2. The Agency is duly authorized and empowered by law to acquire, construct, renovate and equip the Project, to lease the Facility from the Company pursuant to the Company Lease, to sublease the Project Facility back to the Company pursuant to the Agency Lease and to appoint the Company as its agent for completion of the Project. Capitalized terms used herein and not otherwise defined shall have the meaning given to them in the Agency Lease.

3. The Company Lease, Agency Lease and the other documents to which the Agency is a party (that are listed on the Closing Memorandum) have been authorized by and lawfully executed and delivered by the Agency and, assuming the valid authorization, execution, and delivery by the other respective parties thereto, are valid and legally binding obligations enforceable against the Agency in accordance with their respective terms.

In rendering this opinion, we advise you of the following:

The enforceability of the Company Lease, Agency Lease and other documents to which the Agency is a party may be limited by any applicable bankruptcy, insolvency, reorganization, moratorium, or similar law or enactment now or hereafter enacted by the State of New York or the Federal government affecting the enforcement of creditors' rights generally and the general principles of equity, including limitations on the availability of the remedy of specific performance which is subject to discretion of the court.

Re: City of Syracuse Industrial Development Agency
Rapid Response Monitoring Services Incorporated Project

Ladies and Gentlemen:

We have acted as counsel to Rapid Response Monitoring Services Incorporated (the "**Company**") in connection with a certain project (the "**Project**") undertaken by the City of Syracuse Industrial Development Agency (the "**Agency**") at the Company's request. The Project consists of: (A)(i) the acquisition of an interest in approximately 65,000 square feet of improved real property located at 400 West Division Street, 365 Spencer Street (rear), 301 Spencer Street and Solar Street in the City of Syracuse, New York (the "**Land**"); (ii) the renovation of an approximately 37,500 square foot building and the construction of an approximately 20,000 square foot building to be used as the Company's main call center and related activities; and related parking all located on the Land (collectively, the "**Facility**"); (iii) the acquisition and installation thereon of furniture, fixtures and equipment (the "**Equipment**"), and together with the Land and the Facility, the "**Project Facility**"; (B) the granting of certain financial assistance in the form of exemptions from real property tax, mortgage recording tax and sales and use taxation (collectively, the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, renovation and equipping of the Project Facility; and (D) the lease of the Land and Facility by the Agency pursuant to a lease agreement and the sublease of the Project Facility back to the Company pursuant to a sublease agreement.

The Agency has acquired an interest in the Project Facility pursuant to that certain Company Lease Agreement dated as of October 22, 2014 ("**Company Lease**") between the Company as lessor and the Agency as lessee and that certain bill of sale from the Company to the Agency dated as of October 22, 2014 (the "**Bill of Sale**"). The Agency has appointed the Company as its agent to complete the Project and subleased the Project Facility to the Company pursuant to the Agency Lease Agreement dated as of October 22, 2014 (the "**Agency Lease**") between the Agency and the Company. Capitalized terms used herein and not otherwise defined shall have the meaning given to them in the Agency Lease.

In that regard, we have examined the Company Lease, the Agency Lease, the Bill of Sale, the PILOT Agreement, the Environmental Compliance and Indemnification Agreement and the other documents identified in the Closing Memorandum and defined in the Agency Lease to which the Company is a party all of the foregoing (collectively, the "*Company Documents*").

We have also examined corporate documents and records of the Company and made such investigation of law and/or fact that we deem necessary or advisable in order to render this opinion. For purposes of such examination, we have assumed the genuineness of all certificates and the authenticity of all documents submitted to us as original counterparts or as certified or photostatic copies; the genuineness of all signatures of all parties to the Company Documents other than on behalf of the Company; and the due authorization, execution and delivery of the Company Documents by and the enforceability thereof against all parties thereto other than the Company.

As to questions of fact material to our opinion, we have relied upon the representations and warranties made by the Company in the Company Documents and upon one or more certificates of officers of the Company. Whenever the phrase "to the best of our knowledge" is used in this opinion, it refers to actual knowledge of members of this firm obtained from our representation of the Company and inquiries of responsible officers of the Company made in connection with this opinion, but no further investigation or review has been conducted.

Based upon the foregoing, it is our opinion that:

1. The Company is a validly existing New York business corporation and possesses full corporate power and authority to own its property, to conduct its business, to execute and deliver the Company Documents, and to carry out and perform its obligations thereunder.
2. The execution, delivery and performance of the Company Documents have been duly authorized by the Company and the Company Documents have been duly executed and delivered by an Authorized Representative of the Company.
3. The Company Documents constitute the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with their terms, except as enforceability may be limited by applicable bankruptcy and insolvency laws and laws affecting creditors' rights generally and to the extent that the availability of the remedy of specific performance or injunctive relief or other equitable remedies is subject to the discretion of the court before which any proceeding therefor may be brought.
4. To the best of our knowledge, in reliance on the certificates and opinions specified herein, the execution and delivery by the Company of the Company Documents, the execution and compliance with the provisions of each and the consummation of the transactions contemplated therein do not and will not constitute a breach of, or default under the Company's Certificate of Incorporation, By-Laws or any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Company or any of its Property may be bound, for which a valid consent

has not been secured; nor is any approval or any action by any governmental authority required in connection with the execution, delivery and performance thereof by the Company.

5. To the best of our knowledge, in reliance on the certificates and opinions specified herein, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened against, or affecting the Company wherein an unfavorable decision, ruling or finding would in any way adversely affect in a material fashion the validity or enforceability of the Company Documents.

Our examination of law relevant to matters herein is limited to the laws of the State of New York and also the Federal law, where appropriate, and we express no opinion as to matters governed by the laws of any other state or jurisdiction.

This opinion is only for the benefit of and may be relied upon only by the Agency, its successors and assigns. The opinions set forth in this letter are limited to those expressly stated and no other opinion may be inferred nor is any implied. No other use of this opinion may be made without our prior written consent. This opinion is given as of the date hereof and we undertake no obligation, and hereby disclaim any obligation, to update or supplement this opinion in response to a subsequent change in the law or future events affecting the documents identified in this letter.

Very truly yours,
