Meeting Notes:

- Reviewed the slides.
- Jennifer shared that they are still waiting on some IOT information for that vendor.
  - Re illegal dumping technology — still on hold pending vendor info re alerting functionality. Without alerts city May decide not to implement, but for now I think we can leave it on hold on our list
- Reviewed the STWG One Page Document
  - Nico recommend that I bold some of the information and break this up a little.
- Reviewed the list of technology from the City of Syracuse Digital Services team
  - Tim Liles shared his progress completing Digital Services Inventory.
- Chief Shoff asked if we would include Software also in addition to Hardware
  - Nico shared that yes, we would like folks to do software also.
- Ken Stewart shared some information regarding some drone information.
- Ken Stewart shared that Grifiss Air Base is doing some Counter Surveillance demonstrations at the Griffiss Airbase.
  - From 9am-4pm tomorrow.
