RE: Common Council vacancy, 5th District

Dear Councilors,

Please accept this letter and resume as my official application to fill the vacancy on the Syracuse Common Council created by the departure of Councilor Driscoll.

I have spent the better part of the last decade dedicating my time to making my city a better place.

Being born in, and having resided in the 5th District for nearly my entire life; the opportunity to represent this district would be a tremendous honor.

I hope that you will consider me for the interview process.

Sincerely,

Jimmy Monto
