

## Child and Dependent Adult Safety

### 334.1 PURPOSE AND SCOPE

**Best Practice**

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Adult Abuse policies.

### 334.2 POLICY

**Best Practice**

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Syracuse Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

### 334.3 PROCEDURES DURING AN ARREST

**Best Practice**

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should consider reasonable alternatives to arresting a parent, guardian or caregiver in the presence of his/her child or dependent adult.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

#### 334.3.1 AFTER AN ARREST

**Best Practice** **MODIFIED**

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
  - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence that it would not be in the dependent person's best interest (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
  - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify the Office of Children and Family Services, Child Protective Services division or the Adult Protective Services division, if appropriate. If the conduct for which the parent/caregiver was arrested amounts to child abuse or maltreatment, make the mandated report (see the Child Abuse Policy) and the appropriate notification for investigation.
- (e) Notify a supervisor of the disposition of children or dependent adults.

If children are at a city school at the time of arrest, the arresting officer should, where applicable, coordinate with the SIRP Sergeant to inform the principal. If children or dependent adults are at another known location outside the household at the time of the arrest the officer should make reasonable efforts to notify the appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

#### 334.3.2 REPORTING

**Best Practice** **MODIFIED**

- (a) For all arrests where children are present or living in the household and arrangements are made to place the child, the reporting member will document the following information:

#### 334.3.3 SUPPORT AND COUNSELING REFERRAL

##### **Best Practice**

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis response telephone number, the appropriate referral information may be provided.

#### 334.4 DEPENDENT WELFARE SERVICES

##### **Best Practice**

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service agency to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked law enforcement vehicle or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

#### 334.5 TRAINING
