
Personal Communication Devices / Telephone Use

702.1 TELECOMMUNICATIONS - CELLULAR PHONES / SMARTPHONES

Agency Content

Department issued Cellular phones/Smartphones are issued to Sworn Officers whose duty assignment requires them to be readily available to receive messages at all times, while on duty.

Cellular Phones/Smart Phones that are assigned to police personnel will be worn at all times when on duty.

- (a) Officers will respond as soon as possible when called, emailed, or otherwise contacted on their Department issued Cellular phone/Smartphone.

All approved cellular phones will be maintained by the Technology and Program Management Division.

- (a) The Technology and Program Management Division will maintain a list of all Department issued cellular phones and will periodically check and update the list to ensure that every return, issuance, or upgrade to a Smartphone has been properly documented.

All approved Smartphones will be maintained by the Technology and Program Management Division.
