APPLICATION FORM + FREQUENTLY ASKED QUESTIONS (FAQ)

[Please Note: The Program Application Form begins on **Page 5** of this Document]

Following an allocation from the City of Syracuse with funding from the American Rescue Plan Act (ARPA), the Syracuse Economic Development Corporation (SEDCO) has created lending programs designed to support small business development, assist in the ongoing recovery from the Covid-19 pandemic, and foster new growth. Please see information and instructions on how to apply below.

GENERAL INFORMATION:

1. What are the SEDCO ARPA Small Business Lending Programs?

In order to help address the economic challenges and hardship experienced by the small business community in Syracuse over the past 3 years since the beginning of the Covid-19 pandemic, SEDCO has established new funding programs to provide financial support to small businesses: Micro-enterprise Assistance, Small Business Assistance, and the Community Impact Fund. The table below provides a synopsis on the different funds including loan size, rate, and who is eligible. The programs will provide lending capital that will be borrowed, with a forgivable loan option for micro-enterprises (defined as businesses with 10 or less employees). The goals of this program are to enable Syracuse businesses to continue to operate and assist with pursuing new investment opportunities to adapt to the changing economic landscape. The program is designed to promote local economic recovery, and to encourage consumer confidence and access to local products and services provided by City businesses.

	Micro-Enterprise Fund	Small Business Assistance Fund	Community Impact Fund
Applicant Criteria	Business with 10 or fewer employees in an industry or location that has experienced economic hardship	Business with 50 or less employees, and experienced a decline in sales and/or located in a ARPA eligible census tract	Business or development entity making capital investment resulting in renovation or other physical real estate improvements
Maximum Loan Size	\$5,000.00	\$25,000.00	\$200,000.00

Small businesses are eligible if they are physically located in the City of Syracuse and do not have more than 50 full-time equivalent or full-time contract employees; and have been negatively affected by the COVID-19 pandemic and have experienced a decrease in revenue/sales in 2020, 2021, and/or 2022. Real estate development entities will also be considered eligible through the Community Impact Fund. Under limited circumstances, 501c3 organizations may be considered eligible for capital investments through the Community Impact Fund if this is related to an economic development activity (e.g. job creation, improving commercial/storefront space, workforce training). Please note all real estate and capital upgrades may only include properties located within a qualified ARPA census tract ([see map here](#)).

Please note: Any business or non-profit entities previously assisted during round one of the SEDCO ARPA lending programs, when applications were accepted during December 2021, will not be considered eligible.

3. Are businesses outside of the City of Syracuse eligible?

No. SEDCO can only lend to organizations located within the City of Syracuse boundary. A map of the [City of Syracuse boundary can be found here](#).

6. Are the loans provided by SEDCO forgivable?

- Borrower must retain ownership of the entity and/or any affiliated property for the term of the agreement

7. How will the loan funds be disbursed if my business/organization is approved?

Loan proceeds will be disbursed following approval from the SEDCO Board of Directors, and execution of the necessary closing documents. Loan proceeds will be reimbursable under most circumstances, however SEDCO can also make payments directly to a 3rd party vendor when necessary. The expectation is that businesses or organizations will itemize expense(s) that SEDCO funds will be used for as a part of the loan application. Applicants are encouraged to collect and submit this documentation as part of the loan request, however this is not required unless specifically requested by SEDCO staff. **Following approval of a request, documentation of expenses including receipts, invoices, or other documentation from vendors will be required in order to complete disbursements through the ARPA program.** The Corporation may approve some requested expenses and disapprove others, providing a smaller loan amount than originally requested.

8. How can eligible businesses and organizations apply?

Funds are limited. Applications can be found online at www.syr.gov/Boards-and-Commissions/SEDCO-Overview/SEDCO-Financing. Fully completed applications and required supporting documentation can be submitted starting on **Wednesday, November 30, 2022**. Applications will be accepted **on a rolling basis**. Only fully completed applications with all supporting documentation will be considered ready to proceed.

9. Can an organization apply for multiple loans from the separate funds?

No. All applicants are encouraged to identify the fund that will best suit their financial needs and may only submit one loan request to SEDCO. Separate entities that have the same owner may be eligible however, as well as multiple businesses that are separate but located within the same property address. In these unique circumstances, requests will be reviewed and considered on a case-by-case basis.

Funding requests will be considered by a review committee, comprised of the SEDCO Board of Directors. The SEDCO Board will oversee the decision-making process of all completed applications received by the Corporation. The review committee will make recommendations to the full board for final determinations on all eligible applications. **Funding decisions will require a minimum of at least 60 to 90 days from the date that a complete submission is made to SEDCO**, and all required items have been received, and thereafter on a rolling basis depending on the availability of funds. In order for a request to be reviewed and considered for the soonest available meeting for a loan to be reviewed

and considered for funding, **we recommend that all paperwork be submitted by the 15th of the month** in order to accommodate the soonest available timeline to arrive at a decision. For any applicant that has been approved to receive financing assistance, a loan agreement and other closing documents must be executed with approved applicants prior to disbursement of any funds.
