#### SUPPLEMENT TO APPLICATION OF 728 E GENESEE ST PROPERTY OWNER, LLC FOR FINANCIAL ASSISTANCE FROM SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY

#### I (c). Principal Stakeholders

Applicant is 100% owned by CA Ventures, LLC, a Delaware limited liability company. The principal officers of CA Ventures, LLC are as follows:

Tom Scott, CEO
John Diedrich, Managing Principal & Chief Investment Officer
Sean Spellman, Managing Principal & Chief Development Officer
Meghan Nam, Chief Operating Officer
Michael Frenz, Chief Financial Officer
Tom Dreyer, President, CA Capital Advisory
Anthony Porcelli, Executive Vice President, General Counsel
Clarisa Bonilla, Executive Vice President, Corporate Strategy
Joyce Lau, Executive Vice President, Finance
Ryan McBride, Executive Vice President, Development

CA Ventures, LLC may convey the majority of CA Ventures, LLC's membership interests in Applicant to a third-party, retaining a minority membership interest and the role of managing member. Requisite Agency consents will be sought prior to such conveyance.

#### II (c). Project Description

The Project site is a rectangular 0.98-acre lot at 728 E Genesee Street. Two vacant buildings currently stand on the site including a two-story rotunda building and a single-story bank drive through building. The rotunda building is eligible to be listed locally as historic.

The Project will involve demolishing the single-story bank drive-through building to accommodate a stand-alone approximately 134,230-square foot, 11-story apartment building with 191 units, 3,660-square feet of resident amenity space including an on-site gym, roof terrace, and club room with kitchen facility for residents' use for larger guest gatherings, 1,340 square feet of commercial/retail space and 40 parking spaces. The planned residential unit mix (approximately 129,230-square feet inclusive of hallways, stairwells, elevators, etc.) is 45-studio units, 50-1 bedroom units; and 96-2 bedroom units. Drawings and renderings of the proposed project are attached.

Additionally, Applicant is pursuing tenant(s) for leasing opportunities to place commercial or retail tenant(s) in the 23,000 square-foot rotunda building. Applicant will rehabilitate the rotunda building, including re-purposing as needed to meet tenant's needs. Applicant will spend approximately \$1,200,000 to render the rotunda building to a vanilla shell condition, with additional investment to meet the needs of the tenant(s).

Applicant is pursuing tenants for both the residential building and the rotunda building with uses complimentary to the residential nature of the Project (<u>i.e.</u>, restaurants, coffee/sundries, etc.).

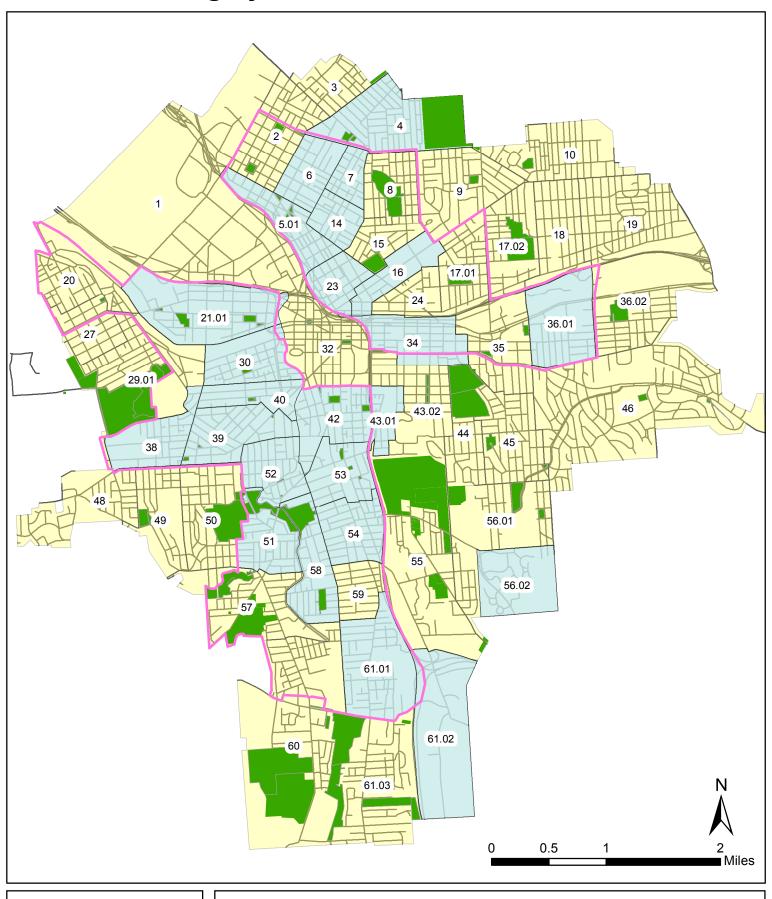

Due to an inflationary environment, increases in material pricing due to war in Europe, and supply chain disruptions caused by COVID-19, Applicant has seen construction costs increase by 15%-20% in this market and in others across the country. Without the certainty afforded by the Agency's financial assistance, this Project would not be financially feasible.

#### IV (b) Employment and Payroll Information

The Applicant will not have any direct employees at the Project site. The Applicant will contract for property management services and the project manager will provide 5-FTE positions. All jobs information in the Application are reflective of the project manager's employees.

Average annual growth rate of wages	Estimated to be 3%
Benefits available to employees	Health/life/disability/dental insurances, 401k with match up to 5%, flexible vacation days
Average annual benefit paid by the company per FTE	30%
