- 40 Survey
- 41 Closing Memorandum

PROJECT AGREEMENT

THIS PROJECT AGREEMENT (the “*Project Agreement*”), made as of July 1, 2017, by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, with offices at 201 East Washington Street, 7th Floor, Syracuse, New York 13202 (the “*Agency*”), **DUPLI ASSOCIATES LLC**, a limited liability company duly organized, validly existing and in good standing under the laws of the State of New York, with offices at 1 Dupli Park Drive, Syracuse, New York 13204 (the “*Company*”).

WITNESSETH:

WHEREAS, Title I of Article 18-A of the General Municipal Law of the State of New York (the “*Enabling Act*”) was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York (the “*State*”) and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 641 of the Laws of 1979 of the State, as amended (collectively, with the Enabling Act, the “*Act*”) and is empowered under the Act to undertake the Project (as hereinafter defined) in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, the Company submitted an application (the “*Application*”) to the Agency requesting the Agency’s assistance with respect to a certain project (the “*Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”), each in the City of Syracuse, New York (the foregoing collectively referred to as the “*Land*”); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the

northwest corner of Building 1 (collectively, the “*Facility*”); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the “*Equipment*” and together with the Land and the Facility, the “*Project Facility*”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “*Financial Assistance*”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, by resolutions of its members adopted on May 16, 2017 (collectively, the “*Resolutions*”), the Agency authorized certain financial assistance for the benefit of the Project consisting of: (a) an exemption from New York State and local sales and use taxes for purchases and rentals related to the Project with respect to qualifying personal property included in or incorporated into the Project Facility or used in the acquisition, construction or equipping of the Project Facility; (b) an exemption from mortgage recording tax; and (c) an abatement from real property taxes through a 10-year payment in lieu of taxes agreement with the Company for the benefit of each municipality and school district having taxing jurisdiction over the Project (collectively, the sales and use tax exemption benefit, the mortgage recording tax benefit, and the abatement from real property taxes benefit, are hereinafter collectively referred to as the “*Financial Assistance*”); and

WHEREAS, it has been estimated and confirmed by the Company within its Application for Financial Assistance that: (i) the purchase of goods and services relating to the Project, and subject to New York State and local sales and use taxes, are estimated to cost an amount up to **\$391,250**; and therefore, the value of the State and local sales and use tax exemption benefits authorized and approved by the Agency cannot exceed **\$31,300**; (ii) the mortgage recording tax exemption amount shall be approximately **\$26,800** (except as limited by Section 874 of the General Municipal Law); and (iii) real property tax abatement benefits to be provided to the Company over the 10-year benefit period of the anticipated payment in lieu of taxes agreement are estimated to be approximately **\$259,688.00**; and

WHEREAS, the Company proposes to lease the Land and Facility to the Agency, and the Agency desires to lease the Land and Facility from the Company pursuant to the terms of a certain Company Lease Agreement dated as of July 1, 2017 (the “*Company Lease*”), by and between the Company and the Agency; and

WHEREAS, the Agency proposes to acquire an interest in the Equipment pursuant to a bill of sale from the Company (the “*Bill of Sale*”); and

WHEREAS, the Agency proposes to sublease the Project Facility to the Company, and the Company desires to lease the Project Facility from the Agency, upon the terms and conditions set forth in a certain Agency Lease Agreement dated as of July 1, 2017 (the “*Agency Lease*”); and

WHEREAS, in order to define the obligations of the Company regarding payments in lieu of taxes for the Project Facility, the Agency and the Company will enter into a Payment in Lieu of Tax Agreement, dated as of July 1, 2017 (the “*PILOT Agreement*”), by and between the Agency and the Company; and

WHEREAS, by its Resolutions, the Agency authorized the Company to act as its agent for the purposes of undertaking the Project and the Agency delegated to the Company the authority to appoint sub-agents subject to the execution of this Project Agreement and compliance with the terms set forth herein and in the Resolutions; and

WHEREAS, in order to define the obligations of the Company regarding its ability to utilize the Agency’s sales and use tax exemption benefit as agent of the Agency to acquire, construct, renovate, equip and complete the Project Facility and to undertake the Project, the Agency and the Company will enter into this Project Agreement; and

WHEREAS, the Agency requires, as a condition and as an inducement for it to enter into the transactions contemplated by the Resolutions, and as more particularly described in the PILOT Agreement and this Project Agreement, that the Company provide assurances with respect to the terms and conditions herein set forth; and

WHEREAS, this Project Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no Financial Assistance shall be provided to the Company prior to the effective date of this Project Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

ARTICLE I

PURPOSE OF PROJECT

Section 1.01 Recitals. The foregoing recitals are incorporated by referenced as if fully set forth herein.

Section 1.02 Purpose of Project. It is understood and agreed by the parties that the purpose of the Agency’s provision of Financial Assistance with respect to the Project is to, and that the Agency is entering into the Company Lease, Agency Lease, payment in lieu of taxes agreement (“*PILOT Agreement*”) and this Project Agreement in order to, promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping, furnishing and completing of the Project Facility to advance job opportunities, health, general prosperity and economic welfare of the people of the City of Syracuse and to otherwise accomplish the public purpose of the Act.

ARTICLE II

REAL PROPERTY TAX EXEMPTION

Section 2.01. PILOT Agreement. Attached hereto and made a part hereof as Exhibit A is a copy of the PILOT Agreement by and between the Company and the Agency.

ARTICLE III

SALES AND USE TAX EXEMPTION

Section 3.01. Scope of Agency. The Company agrees to limit its activities as agents for the Agency under the authority of the Resolutions and this Project Agreement to acquisition, reconstruction, installation and completion of the Project Facility. The right of the Company to act as agent of the Agency shall expire on the earlier of January 31, 2019, or sixty days after the issuance of a certificate of occupancy, unless extended by a resolution adopted by the members of the Agency, or unless terminated early in accordance with the terms of the Agency Lease. The value of the sales and use tax exemption benefits shall not exceed the amounts described in the Application and as set forth in Section 3.03(b) unless approved by a resolution adopted by the members of the Agency. All contracts entered into by the Company as agent for the Agency shall include the following language:

“This contract is being entered into by _____ (the “*Agent*”), as agent for and on behalf of the City of Syracuse Industrial Development Agency (the “*Agency*”), in connection with a certain project of the Agency for the benefit of the Agent consisting in part of the acquisition and installation of certain machinery, equipment and building materials, all for use in construction and/or incorporation and installation in certain premises located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) and 156 Solar Street and Division Street W., in the City of Syracuse, New York (the “*Premises*”). The machinery, equipment and building materials (collectively, the “*Equipment*”) to be used in the construction and/or incorporated and installed in the Premises shall be exempt from the sales and use taxes levied by the State of New York if the use and/or acquisition of the Equipment is effected in accordance with the terms and conditions set forth in the Project Agreement dated as of July 1, 2017 by and between the Agency and the Company (the “*Project Agreement*”); and the Agent represents that this contract is in compliance with the terms of the Project Agreement. This contract is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance of this contract, the vendor/contractor acknowledges and agrees to the terms and conditions set forth in this paragraph.”

Section 3.02. Appointment of Sub-Agents. Subject to the terms and conditions of this Project Agreement and pursuant to the Resolutions, the Agency hereby delegates to the Company the authority to appoint sub-agents of the Agency in connection with the Project, which may be agents, subagents, contractors, subcontractors, contractors and subcontractors of

such agents and subagents and other parties as the Company chooses (each, a “**Sub-Agent**”). The appointment of each such Sub-Agent will be effective only upon: (1) the execution by the Sub-Agent and the Company of the Sub-Agent Appointment Agreement attached as Exhibit F to the Agency Lease (the “**Sub-Agent Agreement**”), the terms and provisions of which are incorporated herein; (2) the receipt by the Agency of a completed Form ST-60 in accordance with Section 3.03(e) below; and (3) receipt of any required insurance as set forth in the Sub-Agent Agreement.

Section 3.03. Representations and Covenants of the Company.

(a) The Company hereby incorporates and restates its representations, covenants and warranties made in the Agency Lease.

(b) The Company further covenants and agrees that the purchase of goods and services relating to the Project and subject to State and local sales and use taxes are estimated in the amount up to **\$391,250** and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency cannot exceed **\$31,300**.

(c) The Company further covenants and agrees to complete “IDA Appointment of Project Operator or Agent For Sales Tax Purposes” (Form ST-60) for itself and each Sub-Agent and to provide said form to the Agency within fifteen (15) days of appointment such that the Agency can execute and deliver said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(d) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance an “Annual Report of Sales and Use Tax Exemptions” (Form ST-340) regarding the value of sales and use tax exemptions the Company and its Sub-Agents have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with Section 874(8) of the Act. The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of their filed ST-340 to the Agency, but in no event later than March 29 of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of: (1) the Company’s authority to act as agents for the Agency; and (2) the authority of any Sub-Agent of the Agency appointed by the Company pursuant to Section 3.02 hereof to act as agent for the Agency.

(e) The Company further acknowledges and agrees that all purchases made in furtherance of the Project by the Company and any Sub-Agent shall be made using “IDA Agent or Project Operator Exempt Purchase Certificate” (Form ST-123, a copy of which is attached to the Sub-Agent Agreement), and it shall be the responsibility of the Company and the Sub-Agent, as the case may be, (and not the Agency) to complete Form ST-123. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill of invoice should state, “I, [NAME OF AGENT], certify that I am a duly appointed agent of the City of Syracuse Industrial Development Agency and that I am purchasing the tangible personal

property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my Project Agreement with the City of Syracuse Industrial Development Agency.” The Company further acknowledges and agrees that the following information shall be used by the Company to identify the Project on each bill and invoice: Dupli Associates LLC Project, 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) and 156 Solar Street and Division Street W., IDA Project Number: 31021709.

(f) The Company acknowledges and agrees that the Agency shall not be liable, either directly or indirectly or contingently, upon any contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

Section 3.04. Hold Harmless Provisions.

(a) The Company releases the Agency and its members, officers, agents (other than the Company) and employees from, agrees that the Agency and its members, officers, agents (other than the Company) and employees shall not be liable for and agrees to indemnify, defend and hold the Agency and its members, officers, agents (other than the Company) and employees harmless from and against any and all claims, causes of action, judgments, liabilities, damages, losses, costs and expenses arising as a result of the Agency’s undertaking the Project, including, but not limited to: (1) liability for loss or damage to property or bodily injury to or death of any and all persons that may be occasioned, directly or indirectly, by any cause whatsoever pertaining to the Project Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any person or property on, in or about the Project Facility; (2) liability arising from or expense incurred by the Agency’s acquiring, constructing, equipping, installing, owning, leasing or selling the Project Facility, including, without limiting the generality of the foregoing, any sales or use taxes which may be payable with respect to goods supplied or services rendered with respect to the Project Facility, all liabilities or claims arising as a result of the Agency’s obligations under this Project Agreement or the enforcement of or defense of validity of any provision of this Project Agreement; (3) all claims arising from the exercise by the Company of the authority conferred on it pursuant to Sections 1 and 2 hereof; and (4) all causes of action and reasonable attorneys’ fees and other expenses incurred in connection with any suits or actions that may arise as a result of any of the foregoing; provided that any such claims, causes of action, judgments, liabilities, damages, losses, costs or expenses of the Agency are not incurred or do not result from the gross negligence or intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company) or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company) or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents (other than the Company) or employees by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under workers’ compensation laws, disability

benefits laws or other employee benefit laws.

(c) To effectuate the provisions of this Section 3.04, the Company agrees to provide for and insure, in the liability policies required by Section 3.05 of this Project Agreement, its liabilities assumed pursuant to this Section 3.04.

(d) Notwithstanding any other provisions of this Project Agreement, the obligations of the Company pursuant to this Section 3.04 shall remain in full force and effect after the termination of this Project Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency, or its officers, members, agents (other than the Company) or employees, relating thereto.

Section 3.05. Insurance Required.

(a) The Company agrees that it shall maintain all insurance required under the Agency Lease.

(b) The Company agrees that it shall cause its general contractor for the Project to maintain, effective as of the date of its Sub-Agent Agreement until the expiration or termination of the general contractor's employment by the Company, or its designee, with respect to the Project Facility, all of the same insurance with respect to the Project Facility, as set forth in Article 6 of the Agency Lease as if the general contractor were the Company thereunder. The Company further agrees that it shall cause its general contractor for the Project to comply and abide, effective as of the date of the Sub-Agent Agreement and until the expiration or termination of the general contractor's employment by the Company, or its designee, with respect to the Project Facility, with all of the terms and conditions set forth in Article 6 of the Agency Lease with respect to the type, nature and proof of insurance required thereunder.

ARTICLE IV

COMMITMENTS AND REPORTING

Section 4.01. Compliance Commitments. The Company agrees and covenants that it shall meet and maintain the commitments set forth in (a) below beginning in the first year after completion of the Project. The Company further agrees and covenants that it shall meet and maintain the commitments set forth in (b) below with respect to retained jobs set forth in the Application starting in the first year in which Financial Assistance is claimed and/or provided; and with respect to new jobs, the Company shall create, in years one (1) through five (5) following completion of the Project the new jobs set forth in the Company's Application. The reporting of, and the commitment to, each of (a), (b) and (c) below continue for the duration of the PILOT Agreement (the "*Term*"):

(a) The total investment actually made with respect to the Project at the Project's completion date shall equal to or exceed **\$3,027,700** (which represents the product of

85% multiplied by \$3,562,000, being the total project cost as stated in the Company's Application for Financial Assistance (the "*Investment Commitment*").

(b) The Company shall annually provide to the Agency certain information to confirm that the Project is achieving the investment and other objectives of the Project for the Term (the "*Reporting Commitment*").

Section 4.02. Reporting Requirement. As part of the commitments set forth in Section 4.01, the Company shall provide annually, to the Agency, a certified statement and supporting documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the Project location, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. **Exhibit B** contains a form of annual certification that the Company must complete and submit to the Agency on an annual basis. The Agency reserves the right to modify such form to require additional information that the Agency must have in order to comply with its reporting requirements under the Act.

ARTICLE V

SUSPENSION, DISCONTINUATION, RECAPTURE AND/OR TERMINATION OF FINANCIAL ASSISTANCE

Section 5.01. Suspension, Discontinuation, Recapture and/or Termination of Financial Assistance. It is understood and agreed by the Parties that the Agency is entering into the Company Lease, the Agency Lease, the PILOT Agreement and this Project Agreement in order to provide Financial Assistance to the Company for the Project Facility and to accomplish the public purposes of the Act.

(a) In accordance with Section 875(3) of the New York General Municipal Law, the policies of the Agency, and the Resolutions, the Company covenants and agrees that it is subject to recapture of all State sales and use tax exemption benefits if:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project are not entitled to the State sales and use tax exemption benefits; or

(2) the State sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the State sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Project has failed to comply with a material term or condition to use the property or services in the manner required by any project document between the Company and the Agency.

Each of the foregoing four events are hereinafter referred to as a “*State-Mandated Recapture Event*”. The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State-Mandated Recapture Event has occurred.

(b) In addition to Section 5.01(a), in accordance with the policies of the Agency and the Resolutions, the Company covenants and agrees that the Agency shall have the right to suspend, discontinue, recapture or terminate all or any portion of any Financial Assistance to the extent any of the following occur (each a “*Deficit*”):

- a) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “*Local Sales Tax Benefit Violation*”);
- b) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“*Job Deficit*”);
- c) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“*Investment Deficit*”);
- d) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, and other objectives of the Project (“*Reporting Failure*”); or
- e) there otherwise occurs any event of default under any project document (each, an “Event of Default”) or a material violation of the terms and conditions of any project document (a “*Material Violation*”).

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a Local Sales Tax Benefit Violation, Job Deficit, Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “*Noncompliance Event*”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any Project Document in accordance with the terms of the Project Document.

At the time of any Noncompliance Event, the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance in accordance with its Recapture Policy; and shall consider the following criteria in determining whether to proceed to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance:

- i. Whether the Company has proceeded in good faith.
- ii. Whether the Project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the Company.
- iii. Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create a more adverse situation for the Company, such as the Company going out of business or declaring bankruptcy, which would not occur if the Agency's rights were not exercised.
- iv. Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create an adverse situation for the residents of the City of Syracuse.
- v. The assessment prepared in accordance with the Agency's Annual Assessment Policy.
- vi. Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance (the "**Determination**"). The Determination shall provide terms, if any, by which the Company may remedy any Noncompliance Event upon which the Determination was based. The Company must submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume Financial Assistance to the Company (which will be at the Agency's sole discretion).

(c) If a State-Mandated Recapture Event occurs or the Agency makes a Determination, the Company agrees and covenants that it will: (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company; and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction. The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the State sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.

not affect the validity or enforceability of the remaining portions of this Project Agreement or any part thereof.

Section 6.05. Counterparts. This Project Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

Section 6.06. Governing Law. This Project Agreement shall be governed by, and all matters in connection herewith shall be construed and enforced in accordance with, the laws of the State applicable to agreements executed and to be wholly performed therein and the parties hereto hereby agree to submit to the personal jurisdiction of the federal or state courts located in Onondaga County, New York.

Section 6.07. Term. Except as specifically provided otherwise, the term of this Project Agreement shall be the longer of: (1) the term of the Agency Lease ; or (2) five years following the Project's substantial completion date as evidenced by a certificate of occupancy. The Project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the term of this Project Agreement.

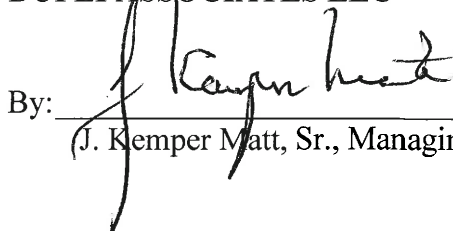

Section 6.08. Section Headings. The headings of the several Sections in this Project Agreement have been prepared for convenience of reference only and shall not control, affect the meaning of or be taken as an interpretation of any provision of this Project Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Project Agreement as of the day and year first above written.

PAYMENT IN LIEU OF TAX AGREEMENT

Dated as of: July 1, 2017

Dupli Associates LLC

Federal Tax ID #:16-1545537

THIS PAYMENT IN LIEU OF TAX AGREEMENT, (this *“Agreement”*) dated as of July 1, 2017 by and among the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a corporate governmental agency constituting a body corporate and politic and a public benefit corporation organized and existing under the laws of the State of New York (hereinafter referred to as the *“Agency”*), having an office at 201 East Washington Street, 7th Floor, Syracuse, New York 13202, and **DUPLI ASSOCIATES LLC**, a limited liability company organized under the laws of the State of New York, with offices at 1 Dupli Park Drive, Syracuse, New York 13204 (hereinafter referred to as the *“Company”*).

W I T N E S S E T H:

WHEREAS, the New York State Industrial Development Agency Act, being Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended (hereinafter referred to as the *“Enabling Act”*) authorizes the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and furnish real and personal property, whether or not now in existence or under construction, which shall be suitable for, among others, manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease and to sell its projects, to charge and collect rent therefor, to issue its bonds or notes for the purpose of carrying out any of its corporate purposes and, as security for the payment of the principal and redemption price of, and interest on, any such bonds or notes, to mortgage any or all of its facilities and to pledge the revenues and receipts therefrom to the payment of such bonds or notes; and

WHEREAS, pursuant to and in accordance with the provisions of the Enabling Act, Chapter 641 of the 1979 Laws of the State of New York, as amended (said chapter and the Enabling Act being hereinafter collectively referred to as the *“Act”*) created the Agency for the benefit of the City of Syracuse (hereinafter referred to as the *“Municipality”*) and the inhabitants thereof; and

WHEREAS, the Agency, by Resolution adopted on May 16, 2017, (the *“Resolution”*),

resolved to undertake the “**Project**” (as hereinafter defined); and

WHEREAS, the Project will consist of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“**Building 1**”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“**Building 2**”), each in the City of Syracuse, New York (the foregoing collectively referred to as the “**Land**”); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the “**Facility**”); (iii) the acquisition and installation in and at Building of furniture, fixtures and equipment (the “**Equipment**” and together with the Land and the Facility, the “**Project Facility**”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “**Financial Assistance**”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, the Agency will lease the Land and Facility from the Company pursuant to that certain Company Lease Agreement dated as of July 1, 2017 (the “**Company Lease Agreement**”), between the Company and the Agency, obtain an interest in the Equipment pursuant to a bill of sale dated as of July 1, 2017 from the Company (the “**Bill of Sale**”), and sublease the Project Facility back to the Company pursuant to that certain Agency Lease Agreement dated as of July 1, 2017 (the “**Agency Lease Agreement**”), between the Agency and the Company (the Company Lease Agreement, the Bill of Sale and the Agency Lease Agreement are hereinafter collectively referred to as the “**Lease Agreement**”); and

WHEREAS, under the present provisions of the Act and Section 412-a of the Real Property Tax Law of the State of New York, the Agency is required to pay no taxes or assessments upon any

of the property acquired by it or under its jurisdiction or supervision or control; and

NOW, THEREFORE, in consideration of the matters above recited, the parties hereto formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I

REPRESENTATIONS AND WARRANTIES

Section 1.01. Representations and Warranties by Agency

The Agency does hereby represent and warrant as follows:

(a) Existence and Power. The Agency has been duly established under the provisions of the Act and has the power to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder.

(b) Intentions. The Agency intends to acquire a leasehold interest in the Project Facility from the Company and to sublease the Project Facility back to the Company, all pursuant to the provisions of the Lease Agreement.

(c) Authorization. The Agency is authorized and has the corporate power under the Act, its by-laws and the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all the covenants and obligations on its part to be performed under and pursuant to this Agreement. By proper corporate action on the part of its members, the Agency has duly authorized the execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated.

(d) Validity. The Agency is not prohibited from entering into this Agreement and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by the terms, conditions or provisions of the Act, any other law, any order of any court or other agency or authority of government, or any agreement or instrument to which the Agency is a party or by which the Agency is bound, and this Agreement is a legal, valid and binding obligation of the Agency enforceable in accordance with its terms.

Section 1.02. Representations and Warranties by Company

The Company does hereby represent and warrant as follows:

(a) Existence. The Company is a New York limited liability company duly organized, validly existing and in good standing under the laws of the State of New York.

(b) Authorization. The Company is authorized and has the power under the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all covenants and obligations on its part to be performed under and pursuant to this Agreement. The Company has duly authorized the execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated. The Company is not prohibited from entering into this Agreement and discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by (and the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby and the fulfillment of and compliance with the provisions of this Agreement will not conflict with or violate or constitute a breach of or a default under) the terms, conditions or provisions of its Articles of Organization, Operating Agreement or any other restriction or any law, rule, regulation or order of any court or other agency or authority of government, or any contractual limitation, restriction or outstanding indenture, deed of trust, mortgage, loan agreement, other evidence of indebtedness or any other agreement or instrument to which the Company is a party or by which it or any of its property is bound, and the Company's discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement will neither be in conflict with or result in a breach of or constitute (with due notice and/or lapse of time) a default under any of the foregoing, nor result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any of the foregoing, and this Agreement is a legal, valid and binding obligation of the Company enforceable in accordance with its terms.

(c) Title. The Company has valid and marketable fee title to the Project Facility, free and clear of all liens and encumbrances except for Permitted Encumbrances (as defined in the Lease Agreement).

(d) Governmental Consent. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental or public authority on the part of the Company is required as a condition to the execution, delivery or performance of this Agreement by the Company or as a condition to the validity of this Agreement.

ARTICLE II
COVENANTS AND AGREEMENTS

Section 2.01. Tax-Exempt Status of the Project Facility

(a) Assessment of the Project Facility. Pursuant to the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of ownership or control of the Project Facility by the Agency, and for so long thereafter as the Agency shall own or control the Project Facility, the Project Facility shall be entitled to an exemption upon the first available assessment roll of the Municipality prepared subsequent to the acquisition by the Agency of ownership or control of the Project Facility. The time of commencement of the Agency's exemption shall be controlled by the Municipality's taxable status date, in conformity with Section 412-a of the Real Property Tax Law. The Company will be required to pay to the Municipality all taxes and assessments lawfully levied and/or assessed against the Project Facility, in spite of the Agency's actual ownership or control of the Project Facility, until the Project Facility shall be entitled to exempt status on the tax roll of the Municipality.

(b) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. The Company will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

Section 2.02. Payments in Lieu of Taxes

(a) Agreement to Make Payments. The Company agrees that it shall make periodic payments in lieu of real property taxes in the amounts hereinafter provided. The said payments due to the Agency hereunder shall be paid by the Company, to the Municipality, by check made payable to "*Commissioner of Finance*". Upon receipt of the Company's payment, it shall be the Municipality's obligation to appropriately disburse any portion of the said payment to the County of Onondaga, or such other taxing jurisdiction, pursuant to the Act. This Company obligation shall exist for so long as the Agency retains an interest in the Project Facility. Notwithstanding the appearance of the Agency's exemption on the Municipality's tax roll for the 2018/2019 City and School portion of the real property tax due on the Land and Facility, the year 1 payment due for the

City and School portion of the year 1 payment under **Exhibit "A"** shall commence on July 1, 2018. The year 1 payment due for the County and Water District portion of the year 1 payment under **Exhibit "A"** shall commence on January 1, 2019. Without regard to the Agency exemption, the Company shall continue paying real property tax through June 30, 2018 with respect to the City and School portion of the real property tax and through December 31, 2018 with respect to the County and Water District portion of the real property tax, based upon the assessment and the combined real property tax rate in effect for that period as if the Project Facility were privately owned and the Agency had no interest in the same.

(b) Amount of Payments in Lieu of Taxes. Unless otherwise stated, the Company's agreed upon annual payment in lieu of tax hereunder shall be an amount determined by reference to **Exhibit "A"**, attached hereto and made a part hereof. The payments in lieu of tax due, as set forth in **Exhibit "A"**, include any real property tax exemptions that might be afforded to the Company if the Project Facility were owned by the Company and not the Agency. As consideration for the benefits conferred on the Company pursuant to this Agreement, the Company hereby agrees to be bound by any determination by the City of Syracuse Board of Assessment Review resulting from a review of the assessment pertaining to the Project Facility and/or Additional Property throughout the term of this Agreement. The Company hereby agrees to waive any and all right to challenge or contest in a court of law (a "**Legal Challenge**"), those payments or the basis for those payments due pursuant to Exhibit "A." It shall also be an event of default under Article IV of this Agreement should the Company bring a Legal Challenge on the Project Facility and/or Additional Property.

(c) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facilities, or any new or additional building shall be constructed on the real property described in **Exhibit "B"** that is in addition to the Facilities (such structural additions and additional buildings being hereinafter referred to as "**Additional Property**"), the Company agrees to make additional periodic payments in lieu of real property taxes (such additional payments being hereinafter collectively referred to as "**Additional Payments**") to the Municipality with respect to such Additional Property. Such Additional Payments shall be computed as follows:

By multiplying (1) the value placed on such Additional Property, as value is

determined by the Municipality's Assessor by (2) the tax rate or rates of the Municipality that would be applicable to such Additional Property if such Additional Property were owned or controlled by the Company and not the Agency, and (3) then reducing the amount so determined by the amounts of any properly acquired tax exemptions that would be afforded to the Company by the Municipality for such Additional Property as if it was owned or controlled by the Company and not the Agency.

(d) Revaluation. In the event of a real property assessment revaluation by the Municipality, the Company shall continue to make its payments in accordance with this Agreement; however, in the event that Exhibit "A" is no longer in effect, but payments are still being made hereunder for any reason, (including, but not limited to, the Agency still having an interest in the Project Facility), and would be effected by revaluation, each year's payments subsequent to such revaluation shall be adjusted to properly reflect revaluation, it being the intent of the parties that the level of payments following revaluation shall be equal to those payments contemplated by this Agreement.

(e) Damage or Destruction. In the event that all or substantially all of the Project Facility is damaged or destroyed, the Company shall continue to make the payments required by this Agreement for as long as the Agency shall own or control the Project Facility, without regard to such damage or destruction.

(f) Time of Payments. The Company agrees to pay the amounts due the Agency hereunder to the Municipality for each year of this Agreement, within the period that the Municipality allows payment of taxes levied in such calendar year without penalty. The Company shall be entitled to receive receipts from the Municipality for such payments.

(g) Method of Payment. All payments by the Company hereunder shall be paid to the Municipality in lawful money of the United States of America, cash, money order or check.

Section 2.03. Obligation of Municipality

The Municipality and/or the Agency shall submit to the Company written semi-annual statements specifying the amount and due date or dates of any payments due to the Agency hereunder. Each said semi-annual statement shall be submitted to the Company at the same time that tax bills are mailed by the Municipality to the owners of privately owned property. Failure to

receive a tax bill shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate tax bill, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Municipality and to have such a bill issued, and thereafter to make payment of the same no later than the due dates provided herein.

Section 2.04. Obligations of Agency

(a) Requirement that any Project Facility Agreements Require Payments in Lieu of Taxes. So long as the Project Facility shall be entitled to exemption from real property taxes as provided in Section 2.01(a) hereof, the Agency agrees, to the extent permitted by law, that it shall not make any agreement regarding the leasing or sale of the Project Facility which does not require that payments in lieu of taxes shall be paid to the Municipality in at least the amounts set forth in Article II hereof.

(b) Requirement that Mortgagees Subordinate to Payments. The Agency and the Company agree that any mortgages on the Project Facility, given by either of them, shall provide that the rights of the mortgagees thereunder shall be subordinate to this Agreement and to the right of the Municipality to receive payments in lieu of taxes pursuant to Article II hereof.

Section 2.05. Company to Furnish Information

The Company agrees to promptly comply with the reporting and information requirements of the Agency and the Act, and to promptly furnish the applicable information required or requested by the Agency and/or the State of New York. The Company further agrees to assist the Agency with the preparation of any reports, or answer any inquiries, required by the State of New York in connection with the Act or the Agency's participation in the Project.

Section 2.06. Interest

(a) Agreement to Pay Interest on Missed Payments. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest thereon, to the extent permitted by law, at the greater of **(i) eighteen per cent (18%) per annum, or (ii) the rate per annum which would be payable if such amounts were delinquent taxes, until so**

paid in full.

(b) Maximum Legal Rate. It is the intent of the Agency, the Municipality, and Company that in no event shall interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "*Maximum Legal Rate*"). Solely to the extent necessary to prevent interest under this Agreement from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled, and, if received by the Agency or Municipality, shall be refunded to the Company.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

Section 3.01. No Recourse; Limited Obligation of the Agency

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Agreement, or otherwise based on or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent, servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement. It is expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent, servant or employee under or by reason of the obligations, covenants or

agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the Municipality, and neither the State of New York nor the Municipality shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (i) the Agency shall have been requested to do so in writing by the Company and (ii) if compliance with such request is expected to result in the incurrence by the Agency (or any of its members, directors, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

Section 4.01. Events of Default

Any one or more of the following events shall constitute an event of default under this Agreement, and the terms “*Event of Default*” or “*Default*” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement or the Lease Agreement.

(b) Commencement by the Company of a Legal Challenge, as defined in Section 2.02(b), to those payments or the basis for those payments due pursuant to Exhibit “A.”

(c) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed under this Agreement (other than as referred to

in paragraph (a) above) or the Lease Agreement, and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure hereunder, or with respect to the Lease Agreement, continuance of such failure for the duration of any applicable cure period set forth therein after receipt of any required notice thereunder.

(d) Any warranty, representation or other statement by or on behalf of the Company contained in this Agreement or the Lease Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement or the Lease Agreement.

(e) The Company violates any federal, state or local environmental law or allows or causes any Hazardous Materials (as Hazardous Materials is defined and described in any federal, state or local law) to be released at, on, to, into or from the Project Facility, except as permitted by the Lease Agreement or within the terms and conditions of a permit, certificate, license or other written approval of an authorized governmental body, and fails to remedy such violation within thirty (30) days; or if such failure cannot be cured within thirty (30) days, fails to commence a cure within thirty (30) days and thereafter diligently prosecute the cure thereof.

(f) The occurrence of any Event of Default or Default under this Agreement, the Lease Agreement or any other Project documents.

(g) Failure of the Company to commence renovation of the Project Facility within eight (8) months of the date of this Agreement.

The payment schedule contained in Exhibit "A" is for the benefit of the Company and its Project Facility. In the event that the Company defaults hereunder, and the Lease Agreement cannot be terminated, and/or the Agency's participation in the Project and this Agreement is not or cannot be terminated, the Company, or any assignee, or successor shall no longer be entitled to make payments under this Agreement pursuant to Exhibit "A". In such an event, payments shall be made hereunder, for any remaining term of the Project, as if the Project Facility was privately owned and assessed and without any further regard to Exhibit "A".

Section 4.02. Remedies on Company Default

Whenever any Event of Default under Sections 4.01(a), 4.01(b), 4.01(c), 4.01(d), 4.01(e), 4.01 (f) or 4.01(g) shall have occurred and be continuing with respect to this Agreement, and/or the

Company shall be in default under the Lease Agreement, the Agency may take whatever action at law or in equity, following applicable notice, as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement and/or the Lease Agreement. Notwithstanding anything herein to the contrary, if the Lease Agreement is terminated for any reason, this Agreement shall automatically terminate without any further notice or action required hereunder.

Section 4.03. Recording of Lease Terminations and Other Documents

Whenever any Event of Default under Sections 4.01(a), 4.01(b), 4.01(c), 4.01(d), 4.01(e), 4.01 (f) or 4.01(g) shall have occurred and be continuing with respect to this Agreement or the Lease Agreement, the Agency may, upon notice to the Company provided for in this Agreement or the Lease Agreement, if any, terminate the Lease Agreement and record such termination or other necessary documents in the Onondaga County Clerk's Office, terminating the Agency's interest in the Project Facility and terminating this Agreement.

The recording of such a termination and any other documentation shall constitute delivery to, and acceptance of such, by the Company. In order to facilitate such a termination, the Company hereby appoints the Chairman or the Vice Chairman of the Agency as its agent for the purpose of executing and delivering all documents necessary to allow such termination by the Agency.

In the event that the Lease Agreement, for any reason, is extended by its terms, or for any reason this Agreement expires or terminates, but the Agency retains an interest or remains in title to the Project Facility, the Company shall continue to make payments in lieu of taxes to the Municipality for as long as the Agency retains an interest in, or remains in title to, the Project Facility. Those payments shall be the equivalent of the real property taxes that would be due on the Project Facility if it were owned by the Company and the Agency had no interest therein. It is the intention of the parties hereto, that for so long as the Agency shall possess title to, or an interest in, the Property, the Company, or any permitted successors or assigns, shall make payments in lieu of taxes to the Municipality that are either based upon Exhibit "A", or if Exhibit "A" is no longer applicable for any reason, are the equivalent of the real property taxes that would be due and owing if the Project Facility were privately owned and the Agency had no interest therein.

Section 4.04. Payment of Attorney's Fees and Expenses

If the Company should default in performing any of its obligations, covenants and agreements under this Agreement and the Agency or the Municipality should employ attorneys (whether in-house or outside counsel) or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency and/or the Municipality the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred.

Furthermore, should the Company bring a Legal Challenge on the Project Facility and/or Additional Property during the term of this Agreement, and the Agency and/or the Municipality waives its right to declare a default under this Agreement in regard to such Legal Challenge, or such Legal Challenge is determined not to be a default of this Agreement by any Court of competent jurisdiction, the Company agrees that in the event that the Company is unsuccessful in its Legal Challenge, it will, on demand, pay to the Agency and/or the Municipality the reasonable fees and disbursements of any attorneys employed (whether in-house or outside counsel) for the defense of such Legal Challenge as well as such other reasonable expenses so incurred.

Section 4.05. Remedies; Waiver and Notice

(a) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(d) No Waiver. In the event any provision contained in this Agreement should be

breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

ARTICLE V

MISCELLANEOUS

Section 5.01. Term of Agreement

(a) General. This Agreement shall become effective and the obligations of the Agency and the Company shall arise absolutely and unconditionally upon the execution and delivery of this Agreement. This Agreement shall terminate on the earliest to occur of (i) the same date that the Agency Lease Agreement terminates; (ii) on any earlier date permitted under the Agency Lease Agreement; or (iii) upon the expiration on June 30, 2028, of the PILOT Schedule set forth in **Exhibit "A"** hereto. In the event of a termination of the Agency's interest in the Project Facility, the Company's payments due hereunder shall be pro-rated to the extent necessary to allow the Municipality to issue a supplemental tax bill based upon the Agency's transfer of ownership or control of the Project Facility to the Company, and the loss of the Agency's tax exemption on the said Project Facility.

(b) Conflict. In the event of a conflict between this Agreement or any of its terms on the one hand, and the Lease Agreement or any other Project documents on the other hand, the provisions most favorable to the Agency shall govern. The Agency and the Company agree that the Agency's participation in the Project is for the benefit of the Company and that the Municipality must receive payments from the Company hereunder, during the entire term of this Agreement and/or the Agency's ownership or control of the Project Facility.

Section 5.02. Company Acts

Where the Company is required to do or accomplish any act or thing hereunder, the Company may cause the same to be done or accomplished with the same force and effect as if done or accomplished by the Company.

Section 5.03. Amendment of Agreement

This Agreement may not be amended, changed, modified or altered unless such amendment, change, modification or alteration is in writing and signed by the Agency and the Company.

Section 5.04. Notices

All notices, certificates or other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

- (a) To the Agency:
City of Syracuse Industrial Development Agency
201 East Washington Street, 7th Floor
Syracuse, New York 13202
Attention: Chairman

With a copy to:

Barclay Damon, LLP
Barclay Damon Tower
125 East Jefferson Street
Syracuse, New York 13202
Attention: Susan R. Katzoff, Esq.

And to:
Corporation Counsel
City of Syracuse
233 East Washington Street, Room 300
Syracuse, New York 13202

- (b) To the Company:
Dupli Associates LLC
1 Dupli Park Drive
P.O. Box 11500
Syracuse, New York 13218

With a copy to:

McKenzie Hughes LLP
440 South Warren Street, Suite 400
Syracuse, New York 13202
Attn: Frederick Marty, Esq.

The Agency and Company may, by notice given hereunder to each of the others, designate any further or different addresses to which the subsequent notices, certificates or other communications to them shall be sent.

Section 5.05. Binding Effect

This Agreement shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

Section 5.06. Severability

If any article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this Agreement shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this Agreement shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

Section 5.07. Counterparts

This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 5.08. Applicable Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding brought hereunder shall be in the State or Federal Courts located in Onondaga County, New York.

Section 5.09. Assignment

This Agreement may not be assigned by the Company without the prior written consent of the Agency.

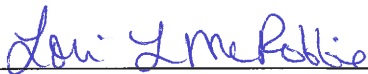

IN WITNESS WHEREOF, the Agency and Company have caused this Agreement to be executed in their respective names on the date first above written.

LEGAL DESCRIPTION

PARCEL A:

Parcel I:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a part of **Marsh Lots Nos. 37 and 38** of the Onondaga Salt Springs Reservation, and known and described upon a map made by R. Griffin, Jr., and on file in the Onondaga County Clerk's Office as Lots Nos. 26 and 28 in Block No. 461 (formerly 261). Said lots being each about **33 feet front** on Division Street and extending by parallel lines southerly to the south line of said tract about 150 feet, **be the same more or less.**

Parcel II:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being more specifically known as Lot No. 30, Block 461 (formerly 261), Syracuse. Said lot being 33 feet front on Division Street and extending by parallel lines in a southerly direction to the south line of said tract. Said lot having a depth of 145 feet, more less.

Parcel III:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, State of New York, County of Onondaga, being part of Lots 37 and 38 of the 15 Acre Marsh Lots **Salina** being known as Lot No. 32, Block No. 461, Syracuse, according to a map made by R. Griffin, Jr., on file in the Onondaga County Clerk's Office, said lot being 33 feet on Division Street extending by parallel lines in a southerly direction about 145 feet to the south line of said tract being the same more or less.

Parcel IV:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being part of Marsh Lots Nos. 37 and 38 of the Onondaga Salt Springs Reservation, and known and described upon a map made by R. Griffin, Jr., and on file in the Onondaga County Clerk's Office as Lot Number Thirty-Four in Block Number Four Hundred and Sixty-One (formerly 261) and lot being thirty-three feet front on Division Street, and extending by parallel lines southerly to the south line of said tract, be the same more or less, about one hundred forty feet deep.

Parcel V:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lots Thirty-Eight (38) and Thirty-Nine (39) of the Onondaga Salt Springs Reservation, bounded and described as follows:

BEGINNING at the stone monument marking the intersection of the southerly line of West Division Street and the easterly line of Solar Street; running thence along the easterly line of Solar Street South 28° 09' 10" E. 144.35 feet to the south line of Block 461 extended marking the true point of beginning of the parcel hereafter described; thence along the southerly line of Block 461 North 61° 50' 50" E. a distance of 250.16 feet to a stake; thence along the center line of a brick wall and parallel to the westerly line of North Clinton Street South 28° 09' 10" E. 220.09 feet to lands owned by the New York Central and Hudson River Railroad Company acquired by deed recorded in the Onondaga County Clerk's Office June 8, 1905, in Book 360 of Deeds at Page 199; thence westerly along said lands of the New York Central and Hudson River Railroad Company to the east line of Solar Street; said course being more particularly described as follows: westerly along an arc to the left of radius 422.8 feet a distance of 65.66 feet to a point twelve and one-half (12 1/2) feet northerly from an iron rail monument measured at right angles to the southerly line of Marsh Lot No. 38; thence South 61° 50' 50" W. 112.73 feet parallel with said south line of said Marsh Lot No. 38; thence South 80° 59' 20" W. 76.21 feet to a point in the east line of Solar Street 33.41 feet

northerly from the intersection of the south line of Marsh Lot 38 with the east line of Solar Street; thence North 28° 09' 10" W. along the east line of Solar Street 190.0 feet to the place of beginning.

TOGETHER WITH a right of way and easement for the passage of engines and cars over the following described premises situate in the City, County and State; beginning at the southeasterly corner of the foregoing described parcel at the intersection of the easterly line of said premises with the northerly line of said lands of the New York Central and Hudson River Railroad Company; thence North 28° 09' 10" W. 40 feet along the easterly line of the foregoing premises; thence South 80° 28' 00" E.

97.93 feet to the point of intersection of said line with the arc of curve to the right of radius 422.8 feet, said arc being the northerly boundary of the said lands owned by the New York Central and Hudson River Railroad Company; thence southwesterly along said arc and along the northerly line of said land owned by the New York Central and Hudson River Railroad Company 80 feet to the place of beginning; together with the right and privilege to the second party at any time to enter upon the premises for the purposes of laying and maintaining, altering and repairing railroad tracks, switches and appliances thereon connecting with railroad tracks on the premises owned by the New York Central and Hudson River Railroad Company.

Parcel VI:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lots 37 and 38 of the Onondaga Salt Springs Reservation and known and described upon a map made by R. Griffin, Jr., as Lot 36 in Block Four Hundred and Sixty-One (formerly 261), said Lot being about forty-seven (47) feet front on Division Street and extending by parallel lines southerly to the south line of said tract about one hundred and forty (140) feet, be the same more or less.

Parcel VII:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lot Number Thirty-Eight and being more particularly described as follows:

BEGINNING at a stone monument at the point of intersection of the southerly line of West Division Street and the easterly line of Solar Street; thence southerly along the easterly line of Solar Street, one hundred and forty-four and one-tenth (144.1) feet to the northerly line of land belonging to the Syracuse Wall Paper Company; thence easterly along said northerly line about forty-two and three tenths (42.3) feet to the westerly line of the Walters Tract; thence northerly along said westerly line of the Walters Tract to the southerly line of said West Division Street; thence westerly along the southerly line of said West Division Street forty and twenty-two hundredths (40.22) feet to the place of beginning.

Also being described as **ALL THAT TRACT OR PARCEL OF LAND**, situate in the City of Syracuse, County of Onondaga and State of New York, more particularly described as follows:

BEGINNING at the intersection of the southerly line of West Division Street with the easterly line of Solar Street; running thence North 59° 47' 40" East a distance of 260.97 feet along the southerly line of Division Street to a point; thence South 28° 11' 35" East a distance of 153.70 feet to a point; thence South 61° 50' 50" West a distance of 10.79 feet to a point; thence South 28° 09' 10" East a distance of 220.09 feet to a point (said point being in a line of curve in the northerly line of lands of the New York Central and Hudson River Railroad); thence westerly and southerly on a curve to the left with a radius of 422.80 feet a distance of 65.66 feet along the northerly line of said railroad to a point of tangent; thence South 61° 50' 50" West a distance of 112.73 feet along the northerly line of said railroad to a point; thence South 80° 59' 20" West a distance of 76.21 feet along the northerly line of lands of said railroad to a point in the easterly line of Solar Street; thence North 28° 09' 10" West a distance of 334.35 feet along the easterly line of Solar Street to a point in the southerly line of West Division Street and the place of beginning.

The above described premises is more modernly and correctly described as follows:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a portion of Block No. 461 of said City of Syracuse being former Block 261 and being more

particularly described as follows:

BEGINNING at the intersection formed by the easterly road boundary of Solar Street (60 feet wide) and the southerly road boundary of West Division Street (66 feet wide); thence N. 59° 57' 30" E. along the easterly road boundary of said West Division Street, a distance of 260.97 feet to its intersection with the westerly line of lands now or formerly owned by Robert Medina and Ted Kinder as recorded in the Onondaga County Clerk's Office in Book 3979 of Deeds a Page 126; thence S. 28° 01' 45" E. along the southerly line of said Medina and Kinder a distance of 153.70 feet to its intersection with the northerly line of lands now or formerly owned by Lakefront Lofts, LLC as recorded in the Onondaga County Clerk's Office in Book 5014 of Deeds at Page 582; thence S. 62° 00' 40" W. along the northerly line of said Lakefront Lofts, LLC a distance of 10.79 feet to the northwesterly corner of said Lakefront Lofts, LLC; thence S. 27° 59' 20" E. along the westerly line of said Lakefront Lofts, LLC a distance of 220.09 feet to a point; thence southwesterly on a curve to the left having a radius of 422.80 feet an arc distance of 65.66 feet to a point of tangency; thence S. 62° 00' 40" W. along the northerly line of lands now or formerly owned by Dupli Associates, LLC a distance of 112.73 feet to a point; thence S. 81° 09' 10" W. continuing along the northerly line of said Dupli Associates, LLC a distance of 76.21 feet to its intersection with the easterly road boundary of said Solar Street; thence N. 27° 59' 20" W. along the easterly road boundary of said Solar Street a distance of 334.35 feet to the point of beginning.

PARCEL B:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Salina Marsh Lot 39 in said City, being part of lands conveyed to Borden's Food Products Company, Inc. and/or Borden, Inc. by the following 3 deeds:

1. From Borden's Milk Products Company, Inc. dated January 4, 1936, and recorded in the Onondaga County Clerk's Office in Book of Deeds 800 at Page 192;
- 2 From James A. Jacobs and Susan Jacobs dated July 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 341;
3. From Woodstock Enterprises, Ltd. dated November 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 337;

and being more particularly described as follows:

BEGINNING at a drill hole set in the northeasterly boundary of Solar Street, said point being the most westerly corner of lands conveyed to Borden, Inc. to the City of Syracuse for public purposes by deed recorded in the Onondaga County Clerk's Office in Book 3507 at Page 168, said point also being 126.68 feet distant northwesterly, measured along said northeasterly street boundary, from its intersection with the northwesterly boundary of Plum Street; running thence N. 28° 09' 10" W. along said northeasterly boundary of Solar Street, a distance of 292.22 feet to a capped iron pin found at its intersection with the division line between said lands of Borden, Inc. on the south and lands of Syracuse Scale Co., Inc. (reputed owner) on the north; thence N. 80° 59' 20" E along said division line, a distance of 76.21 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along said division line, a distance of 112.76 feet to a capped iron pin found at a point of curvature; thence northeasterly continuing along said division line and along the division line between said lands of Borden, Inc. on the southeast and lands of 667 North Clinton Street Associates (reputed owner) on the northwest, following a curve to the right having a radius of 371.02 feet, a central angle of 12° 1' 48" and a chord bearing N. 67° 57' 44" E. 79.05 feet, an arc distance of 79.20 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along the last mentioned division line a distance of 330.83 feet to a lag bolt in concrete set at its intersection with the southwesterly boundary of North Clinton Street; thence S. 28° 09' 10" E. along said street boundary, a distance of 212.14 feet to a nail and flag in concrete found; thence S. 61° 50' 50" W. along the division line between said lands of Borden, Inc. on the northwest and lands of Franklin Square Housing Associates (reputed owner) on the southeast, a distance of 245.00 feet to a capped iron pin found; thence S. 28° 09' 10" E. continuing along said division line, a distance of 33.00 feet to a capped iron pin found; thence S. 61° 50' 50" W. continuing along said division line, a distance of 30.00 feet to a capped iron pin found at its intersection with the northeasterly boundary of North Franklin Street; thence N. 28° 09' 10" W. along said street boundary, a distance of 33.00 feet to a PK nail set at the most northerly corner of said North Franklin Street; thence S. 61° 50' 50" W. along the

northwesterly boundary of North Franklin Street, a distance of 60.00 feet to a masonry anchor set at the most westerly corner thereof; thence S. 28° 09' 10" E. along the southwesterly boundary of said North Clinton Street, a distance of 46.67 feet to an iron pipe set at the most northerly corner of the aforementioned lands conveyed by Borden, Inc. to the City of Syracuse for public purposes; thence S. 61° 50' 50" W. along the northwesterly boundary of said lands, said boundary also being the northwesterly boundary of Gail Borden Drive, a distance of 259.18 feet to the point of beginning.

FIRST AMENDMENT TO PROJECT AGREEMENT

THIS FIRST AMENDMENT TO PROJECT AGREEMENT (the "**First Amendment**"), effective as of December 1, 2020, by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, with offices at City Hall Commons, 6th Floor, 201 East Washington Street, Syracuse, New York 13202 (the "**Agency**") and **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (the "**Company**"), amending that certain Project Agreement dated as of July 1, 2017, by and between the Agency and the Company (the "**First Project Agreement**" and together with this First Amendment, collectively, the "**Original Project Agreement**").

WITNESSETH:

THE MEANING OF CAPITALIZED TERMS NOT OTHERWISE DEFINED HEREIN SHALL HAVE THE MEANINGS ATTACHED TO THEM IN THE AGENCY LEASE DATED AS OF JULY 1, 2017, BETWEEN THE AGENCY AND THE COMPANY, AS SAME HAS BEEN AMENDED FROM TIME TO TIME (THE "AGENCY LEASE").

WHEREAS, Title I of Article 18-A of the General Municipal Law of the State of New York (the "**Enabling Act**") was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York (the "**State**") and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 641 of the Laws of 1979 of the State, as amended (collectively, with the Enabling Act, the "**Act**") and is empowered under the Act to undertake the Project (as hereinafter defined) in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, at the request of the Company, by resolution dated May 16, 2017 (the "**Original Inducement Resolution**") the Agency undertook a project (the "**Original Project**") consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by

an approximate 149,000 square foot building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0) (the "**Building 1 Land**"); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Original Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, in July 2017, the Company and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Original Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, the Company and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, the First Agency Lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, by supplemental application dated February 4, 2020 (the "**Application**"), the Company requested the Agency revise the Original Project (the "**Project**") as follows: (A)(i) the continuation of an interest in the Original Land; (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^a (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Building 1 Facility**"); and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the AMI; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the "**Building 2 Facility**" and together with the Building 1 Facility, collectively, the

^a As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%20001-06-2016.pdf

"**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Project Agreement, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 600 Franklin Owner LLC, the SPE for the Building 1 Project ("**600 Franklin**") and 156 Solar Street LLC ("**156 Solar**"), the SPE for the Building 2 Project. 600 Franklin will be a party to the Bifurcated Agreements for the Building 1 Project and 156 Solar will be a part to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, by resolution adopted October 20, 2020, the Agency authorized the Bifurcation Agreements to accommodate the Ownership Structure requirements; and

WHEREAS, this First Amendment is in accordance with Section 6.03 of the Original Project Agreement and reflects the amendments and other changes set forth herein; and

WHEREAS, the Company represents and warrants that there is no event of default under the Original Project Agreement or any other Company Document (as defined in the "**Original Lease Documents**") and all such documents are in full force and effect.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants herein set forth, and in accordance with Section 6.03 of the First Project Agreement, the Agency and the Company hereby agree as follows:

If to the Company, to: Dupli Associates, LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

With a copy to: Lynn D'Elia Temes & Stanczyk LLC
100 Madison Street
Tower 1 – Suite 1905
Syracuse, New York 13202
Attn: Timothy M. Lynn, Esq.

or at such other address as any party may from time to time furnish to the other party by notice given in accordance with the provisions of this Section. All notices shall be deemed given when received or delivery of same is refused by the recipient or personally delivered in the manner provided in this Section."

3.0 INCORPORATION OF AMENDMENTS IN COMPANY DOCUMENTS AND AGENCY DOCUMENTS.

Notwithstanding anything herein to the contrary, or anything to the contrary in any other Company Document or Agency Document, the parties agree and consent to the changes made herein being incorporated into each and every other Company Document and Agency Document by reference without any further action or ratification by the parties thereto.

4.0 RATIFICATION OF ORIGINAL PROJECT AGREEMENT.

(a) The Agency and the Company agree that all of the other terms, covenants, conditions and exhibits of the Original Project Agreement are hereby ratified and confirmed and, as herein modified and amended, shall remain in full force and effect, and each term, covenant and condition shall apply to this Amendment as if it were fully set forth herein.

(b) This Amendment amends and supplements the First Project Agreement, as and to the extent set forth herein, and is executed in accordance with Section 6.03 of the First Project Agreement. This First Amendment forms a part of the First Project Agreement; and all the terms and conditions contained herein shall be deemed a part of the terms and conditions of the First Project Agreement for any and all purposes and the respective rights, duties and obligations under the First Project Agreement of the Agency and the Company shall be determined, exercised and enforced under the First Project Agreement, as amended by this First Amendment and as supplemented hereby. References to the Project Agreement in the Agency and Company Documents (as those terms are defined in the Original Lease Documents) shall be deemed to refer to the First Project Agreement, as amended by this First Amendment, and the First Project Agreement, as so amended and supplemented thereby and hereby, shall be read, taken and construed as one in the same instrument. The Agency and the Company hereby ratify and confirm the terms, conditions and covenants set forth in the First Project Agreement, as amended by this First Amendment.

(c) Each the Company and the Agency confirm and restate their respective representations and covenants contained in the First Project Agreement.

(d) This First Amendment shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

5.0 EFFECTIVE DATE.

This First Amendment shall be effective as of December 1, 2020 (the “*Effective Date*”).

6.0 INVALIDITY.

If any part, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this First Amendment shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such part, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this First Amendment shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

7.0 NON-RECOURSE.

(a) All covenants, stipulations, promises, agreements and obligations of the Agency contained in this First Amendment and the other documents and instruments executed and/or delivered connected therewith shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, agent or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in the this First Amendment or the other documents and instruments executed and/or delivered connected therewith or any documents supplemental hereto, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent or employee, as such, of the Agency, or of any successor public benefit corporation or political subdivision, or any person executing this First Amendment or the other documents and instruments executed and/or delivered connected therewith, either directly or through the Agency or any successor public benefit corporation or political subdivision, it being expressly understood that no such personal liability whatsoever shall attach to, or is or shall be incurred by, any such member, officer, agent or employee of the Agency or of any such successor public benefit corporation or political subdivision, or any person executing this First Amendment and the other documents and instruments executed and/or delivered connected therewith, because of or by reason of the obligations, covenants or agreements contained in therein or implied therefrom.

(b) Nothing contained herein shall be construed to increase in any material respect the rights of the Agency under the Original Project Agreement or decrease in any material respect the rights of the Agency thereunder.

8.0 AUTHORITY.

Each of the Agency and the Company represents and warrants that it has the requisite power and authority to enter into and execute this First Amendment.

9.0 COUNTERPARTS; ELECTRONIC SIGNATURE.

This First Amendment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this First Amendment and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this First Amendment and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

10.0 GOVERNING LAW.

This First Amendment shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding hereunder shall be in the respective State or Federal court located in Onondaga County.

EXHIBIT "A"

DUPLI BUILDING 1 PROJECT AGREEMENT

DUPLI BUILDING 1 PROJECT AGREEMENT

THIS DUPLI BUILDING 1 PROJECT AGREEMENT, dated as of December 1, 2020 (the “*Dupli 1 Project Agreement*”), is by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, with offices at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the “*Agency*”), **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **600 FRANKLIN OWNER LLC**, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 (“*600 Franklin*” and together with Dupli, collectively, the “*Company*”).

WITNESSETH:

WHEREAS, Title I of Article 18-A of the General Municipal Law of the State of New York (the “*Enabling Act*”) was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York (the “*State*”) and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 641 of the Laws of 1979 of the State, as amended (collectively, with the Enabling Act, the “*Act*”) and is empowered under the Act to undertake the Project (as hereinafter defined) in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification

number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 600 Franklin Owner LLC, the SPE for the Building 1 Project ("**600 Franklin**" and together with Dupli, collectively, the "**Company**"), 600 Franklin will be a party to the Bifurcated Agreements for the Building 1 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, the Project and the Bifurcated Agreements to accommodate the Ownership Structure such that

the applicable Bifurcated Agreements for the Building 1 Project will govern the Building 1 Project consisting of: (A)(i) the continuation of an interest in 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^[1] (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 1 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 600 Franklin or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement; and

WHEREAS, by resolutions of its members adopted on April 21, 2020 and October 20, 2020 (collectively, the "**Resolutions**"), the Agency authorized certain financial assistance for the benefit of the Project consisting of: (a) an exemption from New York State and local sales and use taxes for purchases and rentals related to the Project with respect to qualifying personal property included in or incorporated into the Project Facility or used in the acquisition, construction or equipping of the Project Facility in an amount not to exceed **\$466,914**; (b) an exemption from mortgage recording tax; and (c) an abatement from real property taxes through a 15-year payment in lieu of taxes agreement with the Company for the benefit of each municipality and school district having taxing jurisdiction over the Project (collectively referred to as the "**Financial Assistance**"); and

WHEREAS, it has been estimated and confirmed by the Company within its Application for Financial Assistance that: (i) the purchase of goods and services relating to the Project, and subject to New York State and local sales and use taxes, are estimated to cost an amount up to **\$5,836,425**; and therefore, the value of the State and local sales and use tax exemption benefits authorized and approved by the Agency cannot exceed **\$466,914**; (ii) the mortgage recording tax exemption amount shall be approximately **\$108,750** (except as limited by Section 874 of the General Municipal Law); and (iii) real property tax abatement benefits to be provided to the

^[1] As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

Company over the 15-year benefit period of the anticipated payment in lieu of taxes agreement are estimated to be approximately **\$2,182,064.50**; and

WHEREAS, 600 Franklin is the current owner of the Land and the Facility. For the duration of the term of the Dupli Building 1 Agency Lease, Dupli shall hold a 90% membership interest in 600 Franklin; and

WHEREAS, in accordance with the terms of that certain company lease agreement dated as of July 21, 2017, as amended by First Amendment to Company Lease dated as of December 1, 2020, each between Dupli and the Agency (collectively, the "**Original Company Lease**"), the Company has leased or continued its lease of the Land and the Facility to the Agency.

WHEREAS, Dupli has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**Dupli Bill of Sale**") and 600 Franklin has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**600 Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**");

WHEREAS, the Agency proposes to sublease the Project Facility to 600 Franklin, and 600 Franklin desires to sublease the Project Facility from the Agency, upon the terms and conditions set forth in a certain agency lease agreement dated as of December 1, 2020 (the "**Dupli Building 1 Agency Lease**"); and

WHEREAS, in order to define the obligations of the Company regarding payments in lieu of taxes for the Project Facility, the Agency and Dupli entered into the Original PILOT Agreement and the Company and the Agency will enter into a payment in lieu of tax Agreement, dated as of December 1, 2020 (the "**Dupli Building 1 PILOT Agreement**"), by and between the Agency and the Company; and

WHEREAS, by its Resolutions, the Agency authorized 600 Franklin to act as its agent for the purposes of undertaking and completing the Project and the Agency delegated to 600 Franklin the authority to appoint sub-agents subject to the execution of this Dupli Building 1 Project Agreement and compliance with the terms set forth herein, in the Resolutions and in the Dupli Building 1 Agency Lease; and

WHEREAS, in order to define the obligations of 600 Franklin regarding its ability to utilize the Agency's State and local sales and use tax exemption benefit as agent of the Agency to acquire, construct, renovate, equip and complete the Project Facility, the Agency and the Company will enter into this Dupli Building 1 Project Agreement; and

WHEREAS, the Agency requires, as a condition and as an inducement for it to enter into the transactions contemplated by the Resolutions, and as more particularly described in the Dupli Building 1 PILOT Agreement and this Dupli Building 1 Project Agreement, that the Company provide assurances with respect to the terms and conditions herein set forth; and

WHEREAS, this Dupli Building 1 Project Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no Financial Assistance shall be provided to the Company prior to the effective date of this Dupli Building 1 Project Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

ARTICLE I PROJECT AND TERM

Section 1.01 Recitals and Definitions. The foregoing recitals are incorporated by referenced as if fully set forth herein. Capitalized terms used herein and not otherwise defined shall have the meaning set forth in the Table of Definitions attached to the Dupli Building 1 Agency Lease as Exhibit "A."

Section 1.02 Purpose of Project. It is understood and agreed by the parties that the purpose of the Agency's provision of Financial Assistance with respect to the Project is to, and the entering by the Agency into the Dupli Building 1 Company Lease, Dupli Building 1 Agency Lease, Dupli Building 1 PILOT Agreement and this Dupli Building 1 Project Agreement is in order to, promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping, furnishing and completing of the Project Facility, to advance job opportunities, health, general prosperity and economic welfare of the people of the City of Syracuse and to otherwise accomplish the public purpose of the Act.

Section 1.03 Term. The term of this Dupli Building 1 Project Agreement shall be the longer of: (a) the term of the Dupli Building 1 PILOT Agreement; or (b) five years following the termination of the Dupli Building 1 Agency Lease (the "**Term**"). The Project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the Term of this Dupli Building 1 Project Agreement and the Company's reporting obligations hereunder shall continue during the Term hereof. In addition, during the Term hereof, the Company and the Project shall be subject to Article V hereof.

ARTICLE II REAL PROPERTY TAX EXEMPTION

Section 2.01. PILOT Agreement. Attached hereto and made a part hereof as **Exhibit A** is a copy of the Dupli Building 1 PILOT Agreement by and between the Company and the Agency. For the duration of the term hereof, and in accordance with the Agency's Uniform Tax Exemption Policy ("**UTEP**"), the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by the US Department of Housing and Urban Development ("**HUD**"), inclusive of utilities (the "**HUD Rates**") (collectively, the "**Rental Restrictions**") and shall provide at least annual reporting and certifications relative to same in accordance with the terms of hereof and in accordance with the terms of the Dupli Building 1 Agency Lease.

ARTICLE III
SALES AND USE TAX EXEMPTION

Section 3.01. Scope of Agency. 600 Franklin agrees to limit its activities as agent for the Agency under the authority of the Resolutions and this Dupli Building 1 Project Agreement to acquisition, reconstruction, installation and completion of the Project Facility. The right of the Company to act as agent of the Agency shall expire on the earlier of **October 31, 2022**, or sixty days after the issuance of a certificate of occupancy, unless extended by a resolution adopted by the members of the Agency, or unless terminated early in accordance with the terms of the Agency Lease. The value of the sales and use tax exemption benefits shall not exceed the amounts described in the Application and as set forth in Section 3.03(b) unless approved by a resolution adopted by the members of the Agency. All contracts entered into by the Company as agent for the Agency shall include the following language:

“This contract is being entered into by _____ (the “**Agent**”), as agent for and on behalf of the City of Syracuse Industrial Development Agency (the “**Agency**”), in connection with a certain project of the Agency for the benefit of the Agent consisting in part of the acquisition and installation of certain machinery, equipment and building materials, all for use in construction and/or incorporation and installation in certain premises located at 600 Franklin Street N. to Solar Street, in the City of Syracuse, New York (the “**Premises**”). The machinery, equipment and building materials (collectively, the “**Equipment**”) to be used in the construction and/or incorporated and installed in the Premises shall be exempt from the sales and use taxes levied by the State of New York if the use and/or acquisition of the Equipment is effected in accordance with the terms and conditions set forth in the Project Agreement dated as of December 1, 2020 by and between the Agency and the Company (the “**Project Agreement**”); and the Agent represents that this contract is in compliance with the terms of the Project Agreement. This contract is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance of this contract, the vendor/contractor acknowledges and agrees to the terms and conditions set forth in this paragraph.”

Section 3.02. Appointment of Sub-Agents. Subject to the terms and conditions of this Dupli Building 1 Project Agreement and pursuant to the Resolutions, the Agency hereby delegates to 600 Franklin the authority to appoint sub-agents of the Agency in connection with the Project, which may be agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and other parties as 600 Franklin chooses (each, a “**Sub-Agent**”). The appointment of each such Sub-Agent will be effective only upon: (1) the execution by the Sub-Agent and 600 Franklin of the Sub-Agent Appointment Agreement attached as Exhibit F to the Dupli Building 1 Agency Lease (the “**Sub-Agent Agreement**”), the terms and provisions of which are incorporated herein; (2) the receipt by the Agency of a completed Form ST-60 in accordance with Section 3.03(c) below; and (3) receipt of any required insurance as set forth in the Sub-Agent Agreement.

Section 3.03. Representations and Covenants of the Company.

(a) Dupli and 600 Franklin, each as noted or jointly as the Company, hereby incorporate and restate its representations, covenants and warranties made in the Dupli Building 1 Agency Lease.

(b) The Company further covenants and agrees that the purchase of goods and services relating to the Project and subject to State and local sales and use taxes are estimated in the amount up to \$5,836,425, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency cannot exceed \$466,914.

(c) The Company further covenants and agrees to maintain the Rent Restrictions and comply with the reporting obligations set forth herein and in the Agency Lease.

(d) 600 Franklin further covenants and agrees to complete “IDA Appointment of Project Operator or Agent For Sales Tax Purposes” (Form ST-60) for itself and each Sub-Agent and to provide said form to the Agency within fifteen (15) days of appointment such that the Agency can execute and deliver said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(d) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance an “Annual Report of Sales and Use Tax Exemptions” (Form ST-340) regarding the value of sales and use tax exemptions the Company and its Sub-Agents have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with Section 874(8) of the Act. The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of their filed ST-340 to the Agency, but in no event later than March 29 of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of: (1) the Company’s authority to act as agents for the Agency; and (2) the authority of any Sub-Agent of the Agency appointed by the Company pursuant to Section 3.02 hereof to act as agent for the Agency.

(e) The Company further acknowledges and agrees that all purchases made in furtherance of the Project by 600 Franklin and any Sub-Agent shall be made using “IDA Agent or Project Operator Exempt Purchase Certificate” (Form ST-123, a copy of which is attached to the Sub-Agent Agreement), and it shall be the responsibility of 600 Franklin and the Sub-Agent, as the case may be, (and not the Agency) to complete Form ST-123. 600 Franklin acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill of invoice should state, “I, [NAME OF AGENT], certify that I am a duly appointed agent of the City of Syracuse Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my Project Agreement with the City of Syracuse Industrial Development Agency.” The Company further acknowledges and agrees that the following information shall be used by 600 Franklin to identify the Project on each bill and

invoice: DUPLI ASSOCIATES, LLC PROJECT – BUILDING 1, 600 Franklin Street, IDA Project No.: 31022005.

(f) The Company acknowledges and agrees that the Agency shall not be liable, either directly or indirectly or contingently, upon any contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

Section 3.04. Hold Harmless Provisions.

(a) The Company releases the Agency and its members, officers, agents (other than the Company) and employees from, agrees that the Agency and its members, officers, agents (other than the Company) and employees shall not be liable for and agrees to indemnify, defend and hold the Agency and its members, officers, agents (other than the Company) and employees harmless from and against any and all claims, causes of action, judgments, liabilities, damages, losses, costs and expenses arising as a result of the Agency's undertaking the Project, including, but not limited to: (1) liability for loss or damage to property or bodily injury to or death of any and all persons that may be occasioned, directly or indirectly, by any cause whatsoever pertaining to the Project Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any person or property on, in or about the Project Facility; (2) liability arising from or expense incurred by the Agency's acquiring, constructing, equipping, installing, owning, leasing or selling the Project Facility, including, without limiting the generality of the foregoing, any sales or use taxes which may be payable with respect to goods supplied or services rendered with respect to the Project Facility, all liabilities or claims arising as a result of the Agency's obligations under this Dupli Building 1 Project Agreement or the enforcement of or defense of validity of any provision of this Dupli Building 1 Project Agreement; (3) all claims arising from the exercise by the Company of the authority conferred on it pursuant to Sections 3.01 and 3.02 hereof; and (4) all causes of action and reasonable attorneys' fees and other expenses incurred in connection with any suits or actions that may arise as a result of any of the foregoing; provided that any such claims, causes of action, judgments, liabilities, damages, losses, costs or expenses of the Agency are not incurred or do not result from the gross negligence or intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company) or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company) or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents (other than the Company) or employees by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefits laws or other employee benefit laws.

(c) To effectuate the provisions of this Section 3.04, the Company agrees to provide for and insure, in the liability policies required by Section 3.05 of this Dupli Building 1

Project Agreement, its liabilities assumed pursuant to this Section 3.04.

(d) Notwithstanding any other provisions of this Dupli Building 1 Project Agreement, the obligations of the Company pursuant to this Section 3.04 shall remain in full force and effect after the termination of this Dupli Building 1 Project Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency, or its officers, members, agents (other than the Company) or employees, relating thereto.

Section 3.05. Insurance Required.

(a) The Company agrees that it shall at all times maintain all insurance required under the Dupli Building 1 Agency Lease as if such terms were set forth herein.

(b) The Company agrees that it shall cause its general contractor for the Project to maintain, effective as of the date of its Sub-Agent Agreement until the expiration or termination of the general contractor's employment by the Company, or its designee, with respect to the Project Facility, all of the same insurance with respect to the Project Facility, as set forth in Article 6 of the Dupli Building 1 Agency Lease as if the general contractor were the Company thereunder. The Company further agrees that it shall cause its general contractor for the Project to comply and abide, effective as of the date of the Sub-Agent Agreement and until the expiration or termination of the general contractor's employment by the Company, or its designee, with respect to the Project Facility, with all of the terms and conditions set forth in Article 6 of the Agency Lease with respect to the type, nature and proof of insurance required thereunder.

**ARTICLE IV
COMMITMENTS AND REPORTING**

Section 4.01. Compliance Commitments. The Company agrees and covenants that it shall meet and maintain the commitments set forth in (a) below, and report on same as provided for herein, beginning in the first year following the Completion Date of the Project and continuing for the Term (as defined herein) hereof. The Company further agrees and covenants that it shall meet and maintain the commitments set forth in (b) below with respect to retained jobs set forth in the Application starting in the first year in which Financial Assistance is claimed and/or provided; and with respect to new jobs, the Company shall create, in years one (1) through five (5) following the Completion Date of the Project the new jobs set forth in and in accordance with the Company's Application; and shall meet and maintain the commitments set forth in (c) below with respect to the Rental Restrictions and shall meet the commitment set forth in (d) below regarding its Reporting Commitment. The reporting of, and the commitment to, each of (a), (b), (c) and (d) below shall continue for the Term hereof:

(a) The total investment actually made with respect to the Project at the Project's Completion Date shall equal or exceed \$8,992,896, being the total project cost as stated in the Company's Application for Financial Assistance (the "***Investment Commitment***").

(b) There were eight (8) full time equivalent (“*FTE*”) employees retained by the Project Facility as of the date of the Application for Financial Assistance (the “*Baseline FTE*”). The Company agrees to maintain, as of the first year in which Financial Assistance is claimed and/or provided the Baseline FTE. The Company’s application estimated the creation of four (4) new FTEs (the “*New FTEs*”) at the Project Facility within the first five (5) years following the Completion Date of the Project Facility. The Company covenants and agrees to create the New FTEs set forth in the first five (5) years following completion of the Project Facility as of and in the years set forth in the Application. The Company shall be required to meet and maintain all of the foregoing employment commitments during the Term (as defined in Section 6.07 below) hereof (the “*Employment Commitment*”).

(c) The Project shall maintain the Rental Restrictions.

(d) The Company shall annually provide to the Agency certain information to confirm that the Project is achieving the Investment Commitment, Rental Restrictions and other objectives of the Project during the Term hereof (the “*Reporting Commitment*”).

Section 4.02. Reporting Requirement. As part of the commitments set forth in Section 4.01, the Company shall provide annually, to the Agency, a certified statement and supporting documentation enumerating the Investment Commitment, Employment Commitment and the Rental Restrictions. **Exhibit B** contains the forms of annual certification that the Company must complete and submit to the Agency on an annual basis. The Agency reserves the right to modify such form to require additional information that the Agency must have in order to comply with its reporting requirements under the Act and/or its policies and to request such information more frequently than annually.

ARTICLE V SUSPENSION, DISCONTINUATION, RECAPTURE AND/OR TERMINATION OF FINANCIAL ASSISTANCE

Section 5.01. Suspension, Discontinuation, Recapture and/or Termination of Financial Assistance. It is understood and agreed by the parties that the Agency is entering into the First Amendment to Company Lease, the Dupli Building 1 Company Lease, the First Amendment to Agency Lease, the Dupli Building 1 Agency Lease, the First Amendment to PILOT Agreement, the Dupli Building 1 PILOT Agreement and the First Amendment to Dupli Project Agreement and this Dupli Building 1 Project Agreement in order to provide Financial Assistance to the Company for the Project Facility and to accomplish the public purposes of the Act.

(a) In accordance with Section 875(3) of the New York General Municipal Law, the policies of the Agency, this Dupli 1 Project Agreement, the Agency Lease and the Resolutions, the Company covenants and agrees that it is subject to recapture of all State sales and use tax exemption benefits if:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project are not entitled to the State sales and use tax exemption benefits; or

(2) the State sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the State sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Project has failed to comply with a material term or condition to use the property or services in the manner required by any project document between the Company and the Agency.

Each of the foregoing four events are hereinafter referred to as a “***State-Mandated Recapture Event***”. The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State-Mandated Recapture Event has occurred.

(b) In addition to Section 5.01(a), in accordance with the policies of the Agency and the Resolutions, the Company covenants and agrees that the Agency shall have the right to suspend, discontinue, recapture or terminate all or any portion of any Financial Assistance to the extent any of the following occur (each a “***Deficit***”):

- (i) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “***Local Sales Tax Benefit Violation***”);
- (ii) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“***Job Deficit***”);
- (iii) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“***Investment Deficit***”);
- (iv) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, Rental Restrictions and other objectives of the Project (“***Reporting Failure***”); or
- (v) there otherwise occurs any event of default under any project document (each, an “***Event of Default***”) or a material violation of the terms and conditions of any project document, including but not limited to the failure to maintain and comply with the Rental Restrictions (a “***Material Violation***”).
- (vi) in addition to the foregoing, the Company acknowledges that if they fail at any time during the term hereof, to maintain the Rental Restrictions (as set

forth in the Dupli Building 1 Agency Lease), the Agency shall have the right to recapture any or all Financial Assistance obtained by the Company.

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency's attention, whether a Local Sales Tax Benefit Violation, Job Deficit, Investment Deficit, Reporting Failure Event of Default or Material Violation (each a "**Noncompliance Event**") has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any Project Document in accordance with the terms of the Project Document.

At the time of any Noncompliance Event, the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance in accordance with the terms hereof, the Dupli Building 1 Agency Lease, as well as its Recapture Policy; and shall consider the following criteria in determining whether to proceed to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance:

- i. Whether the Company has proceeded in good faith.
- ii. Whether the Project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the Company.
- iii. Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create a more adverse situation for the Company, such as the Company going out of business or declaring bankruptcy, which would not occur if the Agency's rights were not exercised.
- iv. Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create an adverse situation for the residents of the City of Syracuse.
- v. The assessment prepared in accordance with the Agency's Annual Assessment Policy.
- vi. Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance (the "**Determination**"). The Determination shall provide terms, if any, by which the Company may remedy any Noncompliance Event upon which the Determination was based. The Company must submit

written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume Financial Assistance to the Company (which will be at the Agency's sole discretion).

(c) If a State-Mandated Recapture Event occurs or the Agency makes a Determination, the Company agrees and covenants that it will: (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company; and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction. The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the State sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.

ARTICLE VI MISCELLANEOUS PROVISIONS

Section 6.01. Survival. All warranties, representations, and covenants made by the Company herein shall be deemed to have been relied upon by the Agency and shall survive the delivery of this Dupli Building 1 Project Agreement to the Agency regardless of any investigation made by the Agency. The obligations of the Company to repay, defend and/or provide the indemnity required by Section 3.04 hereof shall survive the termination of the Agency's interest in the Project Facility and all such payments after such termination shall be made upon demand of the party to whom such payment is due. The obligations of the Company to repay, defend and/or provide the indemnity required by Section 3.04 hereof shall survive the termination of the Agency's interest in the Project Facility until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency or its officers, members, agents (other than the Company) or employees relating thereto. The obligations of the Company pursuant to Article IV hereunder shall survive the Agency's interest in the Project Facility, and for the avoidance of doubt, the Agency's rights under Article V shall survive the termination of the Agency's interest in the Project Facility.

Section 6.02. Notices. All notices, certificates and other communications under this Dupli Building 1 Project Agreement shall be in writing and shall be deemed given when delivered personally or when sent by certified mail, postage prepaid, return receipt requested, or by overnight delivery service, addressed as follows:

or at such other address as any party may from time to time furnish to the other party by notice given in accordance with the provisions of this Section. All notices shall be deemed given when received or delivery of same is refused by the recipient or personally delivered in the manner provided in this Section.

Section 6.03. Amendments. No amendment, change, modification, alteration or termination of this Dupli Building 1 Project Agreement shall be made except in writing upon the written consent of the Company and the Agency.

Section 6.04. Severability. The invalidity or unenforceability of any one or more phrases, sentences, clauses or sections in this Dupli Building 1 Project Agreement or the

application thereof shall not affect the validity or enforceability of the remaining portions of this Dupli Building 1 Project Agreement or any part thereof.

Section 6.05. Counterparts. This Dupli Building 1 Project Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Dupli Building 1 Project Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this Dupli 1 Project Agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

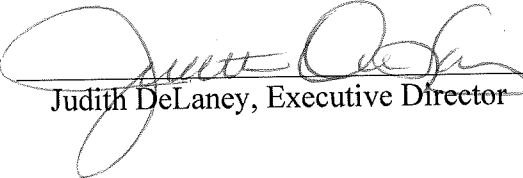

Section 6.06. Governing Law. This Dupli Building 1 Project Agreement shall be governed by, and all matters in connection herewith shall be construed and enforced in accordance with, the laws of the State applicable to agreements executed and to be wholly performed therein and the parties hereto hereby agree to submit to the personal jurisdiction of the federal or state courts located in Onondaga County, New York.

Section 6.07. Section Headings. The headings of the several Sections in this Dupli Building 1 Project Agreement have been prepared for convenience of reference only and shall not control, affect the meaning of or be taken as an interpretation of any provision of this Dupli Building 1 Project Agreement.

THIS PAYMENT IN LIEU OF TAX AGREEMENT, (this “*Agreement*”) dated as of December 1, 2020 by and among the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a corporate governmental agency constituting a body corporate and politic and a public benefit corporation organized and existing under the laws of the State of New York (hereinafter referred to as the “*Agency*”), having an office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202, **DUPLI ASSOCIATES LLC**, a limited liability company organized under the laws of the State of New York, with offices at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **600 FRANKLIN OWNER LLC**, a limited liability company organized under the laws of the State of New York, with offices at 113 Court Street, Binghamton, New York 13901 (“*600 Franklin*” and together with Dupli, collectively, the “*Company*”).

W I T N E S S E T H:

THE MEANING OF CAPITALIZED TERMS NOT OTHERWISE DEFINED HEREIN SHALL HAVE THE MEANINGS ATTACHED TO THEM IN THE AGENCY LEASE, DATED AS OF JULY 1, 2017 BY AND BETWEEN DUPLI AND THE AGENCY, AS AMENDED BY THE FIRST AMENDMENT TO AGENCY LEASE AGREEMENT DATED AS OF DECEMBER 1, 2020 BY AND BETWEEN THE DUPLI AND THE AGENCY.

WHEREAS, the New York State Industrial Development Agency Act, being Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended (hereinafter referred to as the “*Enabling Act*”) authorizes the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and furnish real and personal property, whether or not now in existence or under construction, which shall be suitable for, among others, manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease and to sell its projects, to charge and collect rent therefor, to issue its bonds or notes for the purpose of carrying out any of its corporate purposes and, as security for the payment of the principal and redemption price of, and interest on, any such bonds or notes, to mortgage any or all of its facilities and to pledge the revenues and receipts therefrom to the payment of such bonds or notes; and

WHEREAS, pursuant to and in accordance with the provisions of the Enabling Act, Chapter 641 of the 1979 Laws of the State of New York, as amended (said chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”) created the Agency for the benefit of the City of Syracuse (hereinafter referred to as the “*Municipality*”) and the inhabitants thereof; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an

approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 600 Franklin Owner LLC, the SPE for the Building 1 Project ("**600 Franklin**" and together with Dupli, collectively, the "**Company**"), 600 Franklin will be a party to the Bifurcated Agreements for the Building 1 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, authorized the Bifurcated Agreements to provide for the Ownership Structure such that the applicable Bifurcated Agreements for the Building 1 Project will govern the Building 1 Project consisting of: (A)(i) the continuation of an interest in 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^[1] (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 1 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the 600 Franklin or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, the Agency has leased the Land and Facility from Dupli pursuant to that certain company lease agreement dated as of July 1, 2017, as amended by the First Amendment to Company Lease Agreement, dated as of December 1, 2020, by and between Dupli and the Agency and that certain Dupli Building 1 Company Lease Agreement, dated as of December 1, 2020, by and among Dupli, 600 Franklin and the Agency (collectively, the "**Company Lease Agreement**"), obtained an interest in the Equipment pursuant to an bill of sale from Dupli to the Agency (the "**Dupli Bill of Sale**") and a bill of sale from 600 Franklin to the Agency (the "**600 Franklin Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**"), each dated as of December 1, 2020; and subleased the Project Facility back to the Company pursuant to that certain Agency Lease Agreement dated as of July 1, 2017, as amended by the First Amendment to Agency Lease, dated as of December 1, 2020, by and between the Agency and Dupli and that certain Dupli Building 1 Agency Lease Agreement dated as of December 1, 2020, by and among the Agency, Dupli and 600 Franklin (collectively, the "**Agency Lease Agreement**"), (the Company Lease Agreement, the Bill of Sale and the Agency Lease Agreement are hereinafter collectively referred to as the "**Lease Agreements**"); and

WHEREAS, the Company acknowledges that the award of this Agreement was conditioned upon the Company's commitment to reserving and renting twenty percent (20%) of the residential

^[1] As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%20001-06-2016.pdf

units in the Project for tenants at the annual 65% area median income rent limit for the City as designated by US Department of Housing and Urban Development ("*HUD*"), inclusive of utilities, and published annually (the "*HUD Rates*") (collectively, the "*Rental Restrictions*"); and

WHEREAS, under the present provisions of the Act and Section 412-a of the Real Property Tax Law of the State of New York, the Agency is required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction or supervision or control; and

NOW, THEREFORE, in consideration of the matters above recited, the parties hereto formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I
REPRESENTATIONS AND WARRANTIES

Section 1.00 Recitals.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

Section 1.01. Representations and Warranties by Agency

The Agency does hereby represent and warrant as follows:

(a) Existence and Power. The Agency has been duly established under the provisions of the Act and has the power to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder.

(b) Intentions. The Agency intends to acquire a leasehold interest in the Project Facility from the Company and to sublease the Project Facility back to the Company, all pursuant to the provisions of the Lease Agreements.

(c) Authorization. The Agency is authorized and has the corporate power under the Act, its by-laws and the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all the covenants and obligations on its part to be performed under and pursuant to this Agreement. By proper corporate action on the part of its members, the Agency has duly authorized the execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated.

(d) Validity. The Agency is not prohibited from entering into this Agreement and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by the terms, conditions or provisions of the Act, any other law, any order of any court or other agency or authority of government, or any agreement or instrument to which the Agency is a party or by which the Agency is bound, and this Agreement is a legal, valid and binding obligation of the Agency enforceable in accordance with its terms.

Section 1.02. Representations and Warranties by Company

Dupli and 600 Franklin, each as noted or jointly as the Company, acknowledge, represent, warrants and covenant to the Agency as follows:

(a) Existence. Each Dupli and 600 Franklin is a New York limited liability company duly organized, validly existing and in good standing under the laws of the State of New York.

(b) Authorization. Each Dupli and 600 Franklin is authorized and has the power under the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all covenants and obligations on its part to be performed under and pursuant to this Agreement. Each Dupli and Franklin has duly authorized the execution, delivery and performance of the Lease Agreements, this Agreement, and the other Company Documents (as that term is defined in the Agency Lease), and the consummation of the transactions therein and herein contemplated. Each Dupli and 600 Franklin is not prohibited from entering into this Agreement and discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by (and the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby and the fulfillment of and compliance with the provisions of this Agreement will not conflict with or violate or constitute a breach of or a default under) the terms, conditions or provisions of its Articles of Organization, Operating Agreement or any other restriction or any law, rule, regulation or order of any court or other agency or authority of government, or any contractual limitation, restriction or outstanding indenture, deed of trust, mortgage, loan agreement, other evidence of indebtedness or any other agreement or instrument to which either Dupli or 600 Franklin is a party or by which it or any of its property is bound, and Dupli or 600 Franklin's discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement will neither be in conflict with or result in a breach of or constitute (with due notice and/or lapse of time) a default under any of the foregoing, nor result in the creation or imposition of any lien of any nature upon any of the property of Dupli and 600 Franklin under the terms of any of the foregoing, and this Agreement is a legal, valid and binding obligation of Dupli and 600 Franklin enforceable in accordance with its terms.

(c) Title. 600 Franklin has valid and marketable fee title to the Project Facility, free and clear of all liens and encumbrances except for Permitted Encumbrances (as defined in the Lease Agreements).

(d) Membership Interests. For the term of this Agreement, Dupli shall hold 90% of the membership interests of 600 Franklin and the tax credit investor shall hold 10% of such membership interests.

(e) Rental Restrictions. For the term of this Agreement, the Company shall comply with the Rental Restrictions as set forth herein.

(f) Governmental Consent. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental or public authority on the part of the Company is required as a condition to the execution, delivery or performance of this Agreement by the Company or as a condition to the validity of this Agreement.

(g) The obligations of the Company to make the payments required by this Agreement and to perform and observe any and all of the other covenants and agreements on its part contained herein, including but not limited to the Rental Restrictions, are joint and several general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency.

ARTICLE II **COVENANTS AND AGREEMENTS**

Section 2.01. Tax-Exempt Status of the Project Facility

(a) Assessment of the Project Facility. Pursuant to the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of ownership or control of the Project Facility by the Agency, and for so long thereafter as the Agency shall own or control the Project Facility, the Project Facility shall be entitled to an exemption upon the first available assessment roll of the Municipality prepared subsequent to the acquisition by the Agency of ownership or control of the Project Facility. The time of commencement of the Agency's exemption shall be controlled by the Municipality's taxable status date, in conformity with Section 412-a of the Real Property Tax Law. The Company will be required to pay to the Municipality all taxes and assessments lawfully levied and/or assessed against the Project Facility, in spite of the Agency's actual ownership or control of the Project Facility, until the Project Facility shall be entitled to exempt status on the tax roll of the Municipality. The Project Facility is currently exempt on the tax roll of the Municipality by reason of a 412-a exemption pursuant to the Original Lease Documents and such exemption shall continue uninterrupted upon the effective date of this Agreement.

(b) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. The Company will be required at all times to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

Section 2.02. Payments in Lieu of Taxes

(a) Agreement to Make Payments. The Company agrees that it shall make periodic payments in lieu of real property taxes in the amounts hereinafter provided. The said payments due to the Agency hereunder shall be paid by the Company, to the Municipality, on behalf of the Agency, by check made payable to "*Commissioner of Finance*". Upon receipt of the Company's payment, the Municipality, on behalf of the Agency, will disburse the appropriate portion of the said payment to the County of Onondaga and the Municipality, or such other taxing jurisdiction, pursuant to the Act. This Company obligation shall exist for so long as the Agency retains an interest in the Project Facility. In accordance with the Original PILOT Agreement the year 1 payment due for the City and School portion of the year 1 payment under **Exhibit "A"** commenced on July 1, 2018. Likewise, the year 1 payment due for the County and Water District portion of the year 1 payment under **Exhibit "A"** commenced on January 1, 2019. The balance of the payments due under this Agreement are set forth on **Exhibit "A"** attached hereto.

(b) Amount of Payments in Lieu of Taxes. Unless otherwise stated, the Company's agreed upon annual payment in lieu of tax hereunder shall be an amount determined by reference to **Exhibit "A"**, attached hereto and made a part hereof. The payments in lieu of tax due, as set forth in **Exhibit "A"**, include any real property tax exemptions that might be afforded to 600 Franklin if the Project Facility were owned by 600 Franklin and not the Agency. As consideration for the benefits conferred on the Company pursuant to this Agreement, the Company hereby agrees to be bound by any determination by the City of Syracuse Board of Assessment Review resulting from a review of the assessment pertaining to the Project Facility and/or Additional Property throughout the term of this Agreement. The Company hereby agrees to waive any and all right to challenge or contest in a court of law (a "**Legal Challenge**"), those payments or the basis for those payments due pursuant to Exhibit "A." It shall also be an event of default under Article IV of this Agreement should the Company bring a Legal Challenge on the Project Facility and/or Additional Property.

(c) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facilities, or any new or additional building shall be constructed on the real property described in **Exhibit "B"** that is in addition to the Facilities (such structural additions and additional buildings being hereinafter referred to as "**Additional Property**"), the Company agrees to make additional periodic payments in lieu of real property taxes (such additional payments being hereinafter collectively referred to as "**Additional Payments**") to the Municipality on behalf of the Agency with respect to such Additional Property. Such Additional Payments shall be computed as follows:

By multiplying (1) the value placed on such Additional Property, as value is determined by the Municipality's assessor by (2) the tax rate or rates of the Municipality that would be applicable to such Additional Property if such Additional Property were owned or controlled by the Company and not the Agency; and (3) then reducing the amount so determined by the amounts of any properly acquired tax exemptions that would be afforded to the Company by the Municipality for such Additional Property as if it was owned or controlled by the Company and not the Agency.

(d) Revaluation. In the event of a real property assessment revaluation by the Municipality, the Company shall continue to make its payments in accordance with this Agreement; however, in the event that Exhibit "A" is no longer in effect, but payments are still being made hereunder for any reason, (including, but not limited to, the Agency still having an interest in the Project Facility), and would be effected by revaluation, each year's payments subsequent to such revaluation shall be adjusted to properly reflect revaluation, it being the intent of the parties that the level of payments following revaluation shall be equal to those payments contemplated by this Agreement.

(e) Damage or Destruction. In the event that all or substantially all of the Project Facility is damaged or destroyed, the Company shall continue to make the payments required by this Agreement for as long as the Agency shall own or control the Project Facility, without regard to such damage or destruction.

(f) Time of Payments. The Company agrees to pay the amounts due the Agency hereunder to the Municipality for each year of this Agreement, within the period that the Municipality

allows payment of taxes levied in such calendar year without penalty. 600 Franklin shall be entitled to receive receipts from the Municipality for such payments.

(g) Method of Payment. All payments by the Company hereunder shall be paid to the Municipality in lawful money of the United States of America, cash, money order or check.

Section 2.03. PILOT Statements

The Municipality and/or the Agency shall submit to 600 Franklin written semi-annual statements specifying the amount and due date or dates of any payments due to the Agency hereunder. Each semi-annual PILOT statement shall be submitted to 600 Franklin at the same time that tax statements/bills are mailed by the Municipality to the owners of privately owned property. Failure to receive a PILOT statement shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate PILOT Statement, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Municipality and the Agency and to have such a statement issued, and thereafter to make payment of the same no later than the due dates provided herein.

Section 2.04. Obligations of Agency

Requirement that Mortgagees Subordinate to Payments. The Agency and 600 Franklin agree that any mortgages on the Project Facility, given by either of them, shall provide that the rights of the mortgagees thereunder shall be subordinate to this Agreement and to the right of the Municipality to receive payments in lieu of taxes pursuant to Article II hereof.

Section 2.05. Company to Furnish Information

The Company agrees to promptly comply with the reporting and information requirements of the Agency and the Act, and to promptly furnish the applicable information required or requested by the Agency and/or the State of New York. The Company further agrees to assist the Agency with the preparation of any reports, or answer any inquiries, required by the State of New York in connection with the Act or the Agency's participation in the Project.

In addition, during the Reporting Period (as defined in the Dupli Building 1 Agency Lease), the Company shall provide the reporting and certifications required relative to the Rental Restrictions as more fully set forth in Section 8.5 of the Dupli Building 1 Agency Lease. The Company acknowledges that failure to maintain and/or report on the Rental Restrictions as set forth herein and therein, shall give rise to the Agency's right to recapture all Recapture Amounts.

Section 2.06. Interest

(a) Agreement to Pay Interest on Missed Payments. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest thereon, to the extent permitted by law, at the greater of: **(i) eighteen per cent (18%) per annum; or (ii) the rate per**

annum which would be payable if such amounts were delinquent taxes, until so paid in full.

(b) Maximum Legal Rate. It is the intent of the Agency, the Municipality, and the Company that in no event shall interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "*Maximum Legal Rate*"). Solely to the extent necessary to prevent interest under this Agreement from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled, and, if received by the Agency or Municipality, shall be refunded to 600 Franklin.

ARTICLE III **LIMITED OBLIGATION OF THE AGENCY**

Section 3.01. No Recourse; Limited Obligation of the Agency

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Agreement, or otherwise based on or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent, servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement. It is expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the Municipality, and neither the State of New York nor the Municipality shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (i) the Agency shall have been requested to do so in writing by 600 Franklin and (ii) if compliance with such request is expected to result in the incurrence by the Agency (or any of its

members, directors, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from 600 Franklin security or indemnity satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV **EVENTS OF DEFAULT**

Section 4.01. Events of Default

Any one or more of the following events shall constitute an event of default under this Agreement, and the terms “*Event of Default*” or “*Default*” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement, the Lease Agreements or the Company Documents.

(b) Commencement by the Company of a Legal Challenge, as defined in Section 2.02(b), to those payments or the basis for those payments due pursuant to Exhibit “A.”

(c) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed under this Agreement (other than as referred to in paragraph (a) above), the Lease Agreements, or any other Company Document and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure hereunder, or with respect to the Lease Agreements, continuance of such failure for the duration of any applicable cure period set forth therein after receipt of any required notice thereunder.

(d) Any warranty, representation or other statement by or on behalf of the Company contained in this Agreement or the Lease Agreements shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement or the Lease Agreements.

(e) The Company violates any federal, state or local environmental law or allows or causes any Hazardous Materials (as Hazardous Materials is defined and described in any federal, state or local law) to be released at, on, to, into or from the Project Facility, except as permitted by the Lease Agreements or within the terms and conditions of a permit, certificate, license or other written approval of an authorized governmental body, and fails to remedy such violation within thirty (30) days; or if such failure cannot be cured within thirty (30) days, fails to commence a cure within thirty (30) days and thereafter diligently prosecute the cure thereof.

(f) The occurrence of any Event of Default or Default under this Agreement, the Lease Agreements or any other Company Documents.

(g) Failure of the Company to commence and complete the Project Facility on or before the Completion Date as set forth in the Agency Lease.

(h) Failure to maintain the Rental Restrictions and/or provide the required reporting relative thereto as set forth herein.

Section 4.02. Remedies on Company Default

Whenever any Event of Default under Section 4.01 shall have occurred and be continuing with respect to this Agreement, and/or the Company shall be in default under the Lease Agreements, the Agency may take whatever action at law or in equity, including but not limited to recapture in accordance with the Agency's Recapture Policy dated June 21, 2016 or pursuant to the terms of any Company Document, following applicable notice, as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement and/or the Lease Agreements. Notwithstanding anything herein to the contrary, if the Lease Agreements are terminated for any reason, this Agreement shall automatically terminate without any further notice or action required hereunder and the Project Facility shall immediately become taxable and revert to the tax roll.

The payment schedule contained in Exhibit "A" is for the benefit of 600 Franklin and its Project Facility. In the event that the Company defaults hereunder, and the Lease Agreements cannot be terminated, and/or the Agency's participation in the Project and this Agreement is not or cannot be terminated, the Company, or any assignee, or successor shall no longer be entitled to make payments under this Agreement pursuant to Exhibit "A". In such an event, payments shall be made hereunder, for any remaining term of this Agreement, as if the Project Facility was privately owned and assessed and without any further regard to Exhibit "A".

Section 4.03. Recording of Lease Terminations and Other Documents

Whenever any Event of Default under Sections 4.01 shall have occurred and be continuing with respect to this Agreement or the Lease Agreements, the Agency may, upon notice to the Company provided for in this Agreement or the Lease Agreements, if any, terminate the Lease Agreements and record such termination or other necessary documents in the Onondaga County Clerk's Office, terminating the Agency's interest in the Project Facility thereby terminating this Agreement.

The recording of such a termination and any other documentation shall constitute delivery to, and acceptance of such, by the Company. In order to facilitate such a termination, the Company hereby appoints the Chair or the Vice Chair of the Agency as its agent for the purpose of executing and delivering all documents necessary to allow such termination by the Agency.

In the event that the Lease Agreements, for any reason, are extended by their terms, or for any reason this Agreement expires or terminates, but the Agency retains an interest or remains in title to the Project Facility, the Company shall continue to make payments in lieu of taxes to the Municipality, on behalf of the Agency, for as long as the Agency retains an interest in, or remains in title to, the Project Facility in accordance with Exhibit "A". Those payments shall be the equivalent of the real property taxes that would be due on the Project Facility if it were owned by 600 Franklin and the Agency had no interest therein. It is the intention of the parties hereto, that for so long as the Agency

shall possess title to, or an interest in, the Property, the Company, or any permitted successors or assigns, shall make payments in lieu of taxes to the Municipality, on behalf of the Agency, that are either based upon Exhibit "A", or if Exhibit "A" is no longer applicable for any reason, are the equivalent of the real property taxes that would be due and owing if the Project Facility were privately owned and the Agency had no interest therein.

Section 4.04. Payment of Attorney's Fees and Expenses

If the Company should default in performing any of its obligations, covenants and agreements under this Agreement and the Agency or the Municipality should employ attorneys (whether in-house or outside counsel) or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency and/or the Municipality the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred.

Furthermore, should 600 Franklin bring a Legal Challenge on the Project Facility and/or Additional Property during the term of this Agreement, and the Agency and/or the Municipality waives its right to declare a default under this Agreement in regard to such Legal Challenge, or such Legal Challenge is determined not to be a default of this Agreement by any Court of competent jurisdiction, 600 Franklin agrees that in the event that 600 Franklin is unsuccessful in its Legal Challenge, it will, on demand, pay to the Agency and/or the Municipality the reasonable fees and disbursements of any attorneys employed (whether in-house or outside counsel) for the defense of such Legal Challenge as well as such other reasonable expenses so incurred.

Section 4.05. Remedies; Waiver and Notice

(a) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(d) No Waiver. In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

(e) Recapture. Seek to recover all or some of the Recapture Amount in accordance with the Agency's Recapture Policy, the Agency Lease, the Project Agreement and this PILOT Agreement.

ARTICLE V **MISCELLANEOUS**

Section 5.01. Term of Agreement

(a) General. This Agreement shall become effective and the obligations of the Agency and the Company shall arise absolutely and unconditionally upon the execution and delivery of this Agreement. This Agreement shall terminate on the earliest to occur of: (i) the same date that the Dupli Building 1 Agency Lease Agreement terminates; (ii) on any earlier date permitted under the Dupli Building 1 Agency Lease Agreement; or (iii) upon the expiration on **June 30, 2033** of the PILOT Schedule set forth in **Exhibit "A"** hereto. In the event of a termination of the Agency's interest in the Project Facility, the Company's payments due hereunder shall be pro-rated to the extent necessary to allow the Municipality to issue a supplemental PILOT Statement based upon the Agency's transfer of ownership or control of the Project Facility to the Company, and the loss of the Agency's tax exemption on the said Project Facility.

(b) Conflict. In the event of a conflict between this Agreement or any of its terms on the one hand, and the Lease Agreements or any other Project documents on the other hand, the provisions most favorable to the Agency shall govern. The Agency and the Company agree that the Agency's participation in this Agreement is for the benefit of the Company and that the Municipality must receive payments from the Company hereunder, during the entire term of this Agreement and/or the Agency's ownership or control of the Project Facility.

Section 5.02. Company Acts

Where the Company is required to do or accomplish any act or thing hereunder, the Company may cause the same to be done or accomplished with the same force and effect as if done or accomplished by the Company.

Section 5.03. Amendment of Agreement

This Agreement may not be amended, changed, modified or altered unless such amendment, change, modification or alteration is in writing and signed by the Agency and the Company.

Section 5.04. Notices

All notices, certificates or other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the person

who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

- (a) To the Agency:
City of Syracuse Industrial Development Agency
201 East Washington Street, 6th Floor
Syracuse, New York 13202
Attention: Chair

With a copy to:

Bousquet Holstein PLLC
110 West Fayette Street, Suite 1000
Syracuse, New York 13202
Attn: Susan R. Katzoff, Esq.

And to:

Corporation Counsel
City of Syracuse
233 East Washington Street, Room 300
Syracuse, New York 13202

- (b) To the Company:

600 Franklin Owner LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

And to:

Dupli Associates LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

With a copy to:

Lynn D'Elia Temes & Stanczyk LLC
100 Madison Street
Tower 1 – Suite 1905
Syracuse, New York 13202
Attn: Timothy M. Lynn, Esq.

The Agency and the Company may, by notice given hereunder to each of the others, designate

any further or different addresses to which the subsequent notices, certificates or other communications to them shall be sent.

Section 5.05. Binding Effect

This Agreement shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

Section 5.06. Severability

If any article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this Agreement shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this Agreement shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

Section 5.07. Counterparts; Electronic Signatures

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

Section 5.08. Applicable Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding brought hereunder shall be in the State or Federal Courts located in Onondaga County, New York.

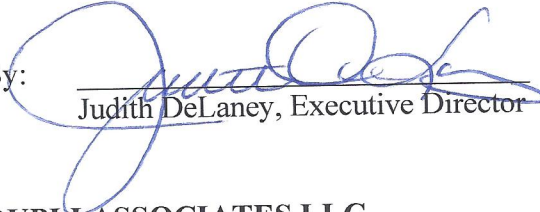

Section 5.09. Assignment

This Agreement may not be assigned by the Company without the prior written consent of the Agency.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Agency and the Company have caused this Agreement to be executed in their respective names on the date first above written and the Company hereby acknowledges receipt and review of this Agreement, and consents to, and approves of, the terms and provisions contained herein.

EXHIBIT "B"
LEGAL DESCRIPTION

600 Franklin Street North to Solar Street

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Salina Marsh Lot 39 in said City, being part of lands conveyed to Borden's Food Products Company, Inc., and/or Borden, Inc. by the following 3 deeds:

1. from Borden's Milk Products Company, Inc. dated January 4, 1936 and recorded in Onondaga County Clerk's Office in Book of Deeds 800 at Page 192;
2. from James A. Jacobs and Susan Jacobs dated July 28, 1988 and recorded in Onondaga County Clerk's Office in Book 3496 of Deeds at Page 341;
3. from Woodstead Enterprises, LTD. dated November 28, 1988 and recorded in Onondaga County Clerk's Office in Book 3496 of Deeds at Page 337;

and being more particularly described as follows:

Beginning at a drill hole set in the northeasterly boundary of Solar Street, said point being the most westerly corner of lands conveyed by Borden, Inc. to the City of Syracuse for public purposes by deed recorded in Onondaga County Clerk's Office in Book 3507 at Page 168, said point also being 126.68 feet distant northwesterly, measured along said northeasterly street boundary, from its intersection with the northwesterly boundary of Plum Street; running thence N 28° 09' 10" W along said northeasterly boundary of Solar Street, a distance of 292.22 feet to a capped iron pin found at its intersection with the division line between said lands of Borden, Inc. on the south and lands of Syracuse Scale Co., Inc. (reputed owner) on the north; thence N 80° 59' 20" E along said division line, a distance of 76.21 feet to an iron pipe set; thence N 61° 50' 50" E, continuing along said division line, a distance of 112.76 feet to a capped iron pin found at a point of curvature; thence northeasterly, continuing along said division line and along the division line between said lands of Borden, Inc. on the southeast and lands of 667 N. Clinton Street Associates (reputed owner) on the northwest, following a curve to the right having a radius of 371.02 feet, a central angle of 12° 13' 48", and a chord bearing N 67° 57' 44" E, 79.05 feet, an arc distance of 79.20 feet to an iron pipe set; thence N 61° 50' 50" E, continuing along the last mentioned division line, a distance of 330.83 feet to a lag bolt in concrete set at its intersection with the southwest boundary of North Clinton Street; thence S 28° 09' 10" E along said street boundary, a distance of 212.14 feet to a nail and flag in concrete found; thence s 61° 50' 50" w along the division line between said lands of Borden, Inc. on the northwest and lands of Franklin Square Rousing Associates (reputed owner) on the southeast, a distance of 245.00 feet to a capped iron pin found; thence S 28° 09' 10" E continuing along said division line, a distance of 33.00 feet to a capped iron pin found; thence s 61° 50' 50" w continuing along said division line, a distance of 30.00 feet to a capped iron pin found at its intersection with the northeasterly boundary of North Franklin Street; thence N 28° 09' 10 W along said street boundary, a distance of 33.00 feet to a PK nail set at the most northerly corner of said North Franklin Street; thence s 61° 50' 50" W along the northwesterly boundary of North Franklin Street, a distance of 60.00 feet to a masonry anchor set at the most westerly corner thereof; thence S 28° 09' 10" E along the southwest boundary of said North Clinton Street, a distance of 46.67 feet to an iron pipe set at the most northerly corner of the aforementioned lands conveyed by Borden, Inc. to the City of Syracuse for public purposes; thence s 61° 50' 50" w along the northwesterly boundary of said lands, said boundary also being the northwesterly boundary of Gail Borden Drive, a distance of 259.18 feet to the point of beginning.

FORM OF ANNUAL REPORTING QUESTIONNAIRE

SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY
201 East Washington Street, 6th Floor, Syracuse, New York 13202

Date

COMPANY
COMPANY ADDRESS

Dear _____:

Our auditors, _____, CPAs are conducting an audit of our financial statements for the year ended December 31, _____. In connection with that audit, we request that you furnish certain information directly to our auditor with regard to the following security issued by/through the City of Syracuse Industrial Development Agency:

Sale - Leaseback Financing

Project: _____

Date of Financing:

Principal Amount Financed:

Maturity Date:

Original Interest Rate:

Please provide the following information as of December 31, [year]:

Name of Lender

Debt Retired in [year] Yes/No

Debt Refinanced in [year] Yes/No

(If Yes, please update information in Paragraph 1 above)

Debt in Default as of [date] Yes/No

Current Interest Rate(s)

Rate range, if Variable

Principal balance outstanding as of [date]

Principal payments made during [year]

Payments in Lieu of Taxes (PILOT)

paid in [year]

Total cost of goods/services purchased: \$ _____

New York State Sales Tax Exemptions Claimed [year]

New York Local Sales Tax Exemptions Claimed: [year]

New York State Mortgage Recording

Tax Exemption: [year]

Form of Syracuse Industrial Development Agency — Project Jobs Data [year]

From:

To: _____, CPAs

Re:

The following jobs information is furnished to you with regard to the above cited project:

A. Job Retention/Creation:

I. Construction Jobs:

Provide the name of your general contractor: _____.

Provide the address (including county) of your general contractor: _____.

Is the general contractor MWBE qualified? _____.

Is the general contractor Service-Disabled Veteran-Owned Business Enterprises (SDVOBE) qualified? _____.

For each contractor and/or sub-contractor, provide the following information for the reporting period:

Bid awarded to (Name/Address/County*)	Value of contract	MWBE (Yes/No)	SDVOBE (Yes/No)	Number of jobs (FTE)

***Must include county**

II. Permanent (non-construction) Jobs:

Number of FTEs retained at the Project prior to date of application: _____.

Number of FTEs created by the Project during the reporting calendar year (*exclusive of construction jobs*): _____.

Of the jobs created by the Project during the reporting year (*exclusive of construction jobs*) identify how many are in each of the following categories:

Professional/Managerial/Technical - includes jobs which involve skill or competence of extraordinary degree and may include supervisory responsibilities (examples: architect, engineer, accountant, scientist, medical doctor, financial manager, programmer). **Number of jobs created in reporting year** _____.

Skilled - includes jobs that require specific skill sets, education, training, and experience and are generally characterized by high education or expertise level (examples: electrician, computer operator, administrative assistant, carpenter, sales representative). **Number of jobs created in reporting year** _____.

Unskilled or Semi-Skilled - includes jobs that require little or no prior acquired skills and involve the performance of simple duties that require the exercise of little or no independent judgment (examples: general cleaner, truck driver, typist, gardener, parking lot attendant, line operator, messenger, information desk clerk, crop harvester, retail salesperson, security guard, telephone solicitor, file clerk). **Number of jobs created in reporting year** _____.

Identify:

the average annual salary range of the FTEs (*exclusive of construction jobs*) created during the reporting year: \$ _____.

the total number of jobs (*exclusive of construction jobs*) created by the Project from the date of application through the reporting date: _____.

the total number of jobs (retained and created, *but exclusive of construction jobs*) at the Project from the date of application through the reporting date: _____.

What is the annual average salary range of the FTEs (*exclusive of construction jobs*) created at the Project to date: \$ _____.

B. Geographical Hiring Data:

1. Construction jobs:

Of the construction jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

2. FTEs hired (*exclusive of construction jobs*)

Of the FTE jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

Provide the same information reflecting FTEs hired from the date of application through the reporting date at the Project.

DUPLI BUILDING 2 PROJECT AGREEMENT

**DUPLI BUILDING 2
PROJECT AGREEMENT**

THIS DUPLI BUILDING 2 PROJECT AGREEMENT, dated as of December 1, 2020 (the “*Dupli 2 Project Agreement*”), is by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, with offices at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the “*Agency*”), **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **156 SOLAR STREET LLC**, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 (“*156 Solar*” and together with Dupli, collectively, the “*Company*”).

WITNESSETH:

WHEREAS, Title I of Article 18-A of the General Municipal Law of the State of New York (the “*Enabling Act*”) was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York (the “*State*”) and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 641 of the Laws of 1979 of the State, as amended (collectively, with the Enabling Act, the “*Act*”) and is empowered under the Act to undertake the Project (as hereinafter defined) in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification

number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, the Project and the Bifurcated Agreements to accommodate the Ownership Structure such that the applicable Bifurcated Agreements for the Building 2 Project will govern the Building 2 Project consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^a (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, by resolutions of its members adopted on April 21, 2020 and October 20, 2020 (collectively, the "**Resolutions**"), the Agency authorized certain financial assistance for the benefit of the Project consisting of: (a) an exemption from New York State and local sales and use taxes for purchases and rentals related to the Project with respect to qualifying personal property included in or incorporated into the Project Facility or used in the acquisition, construction or equipping of the Project Facility in an amount not to exceed **\$430,998**; (b) an exemption from mortgage recording tax; and (c) an abatement from real property taxes through a 15-year payment in lieu of taxes agreement with the Company for the benefit of each municipality and school district having taxing jurisdiction over the Project (collectively referred to as the "**Financial Assistance**"); and

WHEREAS, it has been estimated and confirmed by the Company within its Application for Financial Assistance that: (i) the purchase of goods and services relating to the Project, and subject to New York State and local sales and use taxes, are estimated to cost an amount up to **\$5,387,475**; and therefore, the value of the State and local sales and use tax exemption benefits authorized and approved by the Agency cannot exceed **\$430,998**; (ii) the mortgage recording tax exemption amount shall be approximately **\$11,250** (except as limited by Section 874 of the General Municipal Law); and (iii) real property tax abatement benefits to be provided to the

^a As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%20001-06-2016.pdf

Company over the 15-year benefit period of the anticipated payment in lieu of taxes agreement are estimated to be approximately **\$1,744,152.63**; and

WHEREAS, 156 Solar is the current owner of the Land and the Facility. For the duration of the term of the Dupli Building 2 Agency Lease, Dupli shall hold a 90% membership interest in 156 Solar; and

WHEREAS, in accordance with the terms of that certain company lease agreement dated as of July 21, 2017, as amended by First Amendment to Company Lease dated as of December 1, 2020, each between Dupli and the Agency (collectively, the "**Original Company Lease**"), the Company has leased or continued its lease of the Land and the Facility to the Agency.

WHEREAS, Dupli has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**Dupli Bill of Sale**") and 156 Solar has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**156 Solar Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**");

WHEREAS, the Agency proposes to sublease the Project Facility to 156 Solar, and 156 Solar desires to sublease the Project Facility from the Agency, upon the terms and conditions set forth in a certain agency lease agreement dated as of December 1, 2020 (the "**Dupli Building 2 Agency Lease**"); and

WHEREAS, in order to define the obligations of the Company regarding payments in lieu of taxes for the Project Facility, the Agency and Dupli entered into the Original PILOT Agreement and the Company and the Agency will enter into a payment in lieu of tax Agreement, dated as of December 1, 2020 (the "**Dupli Building 2 PILOT Agreement**"), by and between the Agency and the Company; and

WHEREAS, by its Resolutions, the Agency authorized 156 Solar to act as its agent for the purposes of undertaking and completing the Project and the Agency delegated to 156 Solar the authority to appoint sub-agents subject to the execution of this Dupli Building 2 Project Agreement and compliance with the terms set forth herein, in the Resolutions and in the Dupli Building 2 Agency Lease; and

WHEREAS, in order to define the obligations of 156 Solar regarding its ability to utilize the Agency's State and local sales and use tax exemption benefit as agent of the Agency to acquire, construct, renovate, equip and complete the Project Facility, the Agency and the Company will enter into this Dupli Building 2 Project Agreement; and

WHEREAS, the Agency requires, as a condition and as an inducement for it to enter into the transactions contemplated by the Resolutions, and as more particularly described in the Dupli Building 2 PILOT Agreement and this Dupli Building 2 Project Agreement, that the Company provide assurances with respect to the terms and conditions herein set forth; and

WHEREAS, this Dupli Building 2 Project Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no Financial Assistance shall be provided to the Company prior to the effective date of this Dupli Building 2 Project Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

ARTICLE I PROJECT AND TERM

Section 1.01 Recitals and Definitions. The foregoing recitals are incorporated by referenced as if fully set forth herein. Capitalized terms used herein and not otherwise defined shall have the meaning set forth in the Table of Definitions attached to the Dupli Building 2 Agency Lease as Exhibit "A."

Section 1.02 Purpose of Project. It is understood and agreed by the parties that the purpose of the Agency's provision of Financial Assistance with respect to the Project is to, and the entering by the Agency into the Dupli Building 2 Company Lease, Dupli Building 2 Agency Lease, Dupli Building 2 PILOT Agreement and this Dupli Building 2 Project Agreement is in order to, promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping, furnishing and completing of the Project Facility, to advance job opportunities, health, general prosperity and economic welfare of the people of the City of Syracuse and to otherwise accomplish the public purpose of the Act.

Section 1.03 Term. The term of this Dupli Building 2 Project Agreement shall be the longer of: (a) the term of the Dupli Building 2 PILOT Agreement; or (b) five years following the termination of the Dupli Building 2 Agency Lease (the "**Term**"). The Project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the Term of this Dupli Building 2 Project Agreement and the Company's reporting obligations hereunder shall continue during the Term hereof. In addition, during the Term hereof, the Company and the Project shall be subject to Article V hereof.

ARTICLE II REAL PROPERTY TAX EXEMPTION

Section 2.01. PILOT Agreement. Attached hereto and made a part hereof as **Exhibit A** is a copy of the Dupli Building 2 PILOT Agreement by and between the Company and the Agency. For the duration of the term hereof, and in accordance with the Agency's Uniform Tax Exemption Policy ("**UTEP**"), the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by the US Department of Housing and Urban Development ("**HUD**"), inclusive of utilities (the "**HUD Rates**") (collectively, the "**Rental Restrictions**") and shall provide at least annual reporting and certifications relative to same in accordance with the terms of hereof and in accordance with the terms of the Dupli Building 2 Agency Lease.

ARTICLE III
SALES AND USE TAX EXEMPTION

Section 3.01. Scope of Agency. 156 Solar agrees to limit its activities as agent for the Agency under the authority of the Resolutions and this Dupli Building 2 Project Agreement to acquisition, reconstruction, installation and completion of the Project Facility. The right of the Company to act as agent of the Agency shall expire on the earlier of **October 31, 2022**, or sixty days after the issuance of a certificate of occupancy, unless extended by a resolution adopted by the members of the Agency, or unless terminated early in accordance with the terms of the Agency Lease. The value of the sales and use tax exemption benefits shall not exceed the amounts described in the Application and as set forth in Section 3.03(b) unless approved by a resolution adopted by the members of the Agency. All contracts entered into by the Company as agent for the Agency shall include the following language:

“This contract is being entered into by _____ (the “**Agent**”), as agent for and on behalf of the City of Syracuse Industrial Development Agency (the “**Agency**”), in connection with a certain project of the Agency for the benefit of the Agent consisting in part of the acquisition and installation of certain machinery, equipment and building materials, all for use in construction and/or incorporation and installation in certain premises located at 156 Solar Street and Division Street W., in the City of Syracuse, New York (the “**Premises**”). The machinery, equipment and building materials (collectively, the “**Equipment**”) to be used in the construction and/or incorporated and installed in the Premises shall be exempt from the sales and use taxes levied by the State of New York if the use and/or acquisition of the Equipment is effected in accordance with the terms and conditions set forth in the Project Agreement dated as of December 1, 2020 by and between the Agency and the Company (the “**Project Agreement**”); and the Agent represents that this contract is in compliance with the terms of the Project Agreement. This contract is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance of this contract, the vendor/contractor acknowledges and agrees to the terms and conditions set forth in this paragraph.”

Section 3.02. Appointment of Sub-Agents. Subject to the terms and conditions of this Dupli Building 2 Project Agreement and pursuant to the Resolutions, the Agency hereby delegates to 156 Solar the authority to appoint sub-agents of the Agency in connection with the Project, which may be agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and other parties as 156 Solar chooses (each, a “**Sub-Agent**”). The appointment of each such Sub-Agent will be effective only upon: (1) the execution by the Sub-Agent and 156 Solar of the Sub-Agent Appointment Agreement attached as Exhibit F to the Dupli Building 2 Agency Lease (the “**Sub-Agent Agreement**”), the terms and provisions of which are incorporated herein; (2) the receipt by the Agency of a completed Form ST-60 in accordance with Section 3.03(c) below; and (3) receipt of any required insurance as set forth in the Sub-Agent Agreement.

Section 3.03. Representations and Covenants of the Company.

(a) Dupli and 156 Solar, each as noted or jointly as the Company, hereby incorporate and restate its representations, covenants and warranties made in the Dupli Building 2 Agency Lease.

(b) The Company further covenants and agrees that the purchase of goods and services relating to the Project and subject to State and local sales and use taxes are estimated in the amount up to \$5,387,475, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency cannot exceed \$430,998.

(c) The Company further covenants and agrees to maintain the Rent Restrictions and comply with the reporting obligations set forth herein and in the Agency Lease.

(d) 156 Solar further covenants and agrees to complete “IDA Appointment of Project Operator or Agent For Sales Tax Purposes” (Form ST-60) for itself and each Sub-Agent and to provide said form to the Agency within fifteen (15) days of appointment such that the Agency can execute and deliver said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(d) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance an “Annual Report of Sales and Use Tax Exemptions” (Form ST-340) regarding the value of sales and use tax exemptions the Company and its Sub-Agents have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with Section 874(8) of the Act. The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of their filed ST-340 to the Agency, but in no event later than March 29 of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of: (1) the Company’s authority to act as agents for the Agency; and (2) the authority of any Sub-Agent of the Agency appointed by the Company pursuant to Section 3.02 hereof to act as agent for the Agency.

(e) The Company further acknowledges and agrees that all purchases made in furtherance of the Project by 156 Solar and any Sub-Agent shall be made using “IDA Agent or Project Operator Exempt Purchase Certificate” (Form ST-123, a copy of which is attached to the Sub-Agent Agreement), and it shall be the responsibility of 156 Solar and the Sub-Agent, as the case may be, (and not the Agency) to complete Form ST-123. 156 Solar acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill of invoice should state, “I, [NAME OF AGENT], certify that I am a duly appointed agent of the City of Syracuse Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my Project Agreement with the City of Syracuse Industrial Development Agency.” The Company further acknowledges and agrees that the following information shall be used by 156 Solar to identify the Project on each bill and invoice: DUPLI

ASSOCIATES, LLC PROJECT – BUILDING 2, 156 Solar Street, IDA Project No.: 31022006.

(f) The Company acknowledges and agrees that the Agency shall not be liable, either directly or indirectly or contingently, upon any contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

Section 3.04. Hold Harmless Provisions.

(a) The Company releases the Agency and its members, officers, agents (other than the Company) and employees from, agrees that the Agency and its members, officers, agents (other than the Company) and employees shall not be liable for and agrees to indemnify, defend and hold the Agency and its members, officers, agents (other than the Company) and employees harmless from and against any and all claims, causes of action, judgments, liabilities, damages, losses, costs and expenses arising as a result of the Agency's undertaking the Project, including, but not limited to: (1) liability for loss or damage to property or bodily injury to or death of any and all persons that may be occasioned, directly or indirectly, by any cause whatsoever pertaining to the Project Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any person or property on, in or about the Project Facility; (2) liability arising from or expense incurred by the Agency's acquiring, constructing, equipping, installing, owning, leasing or selling the Project Facility, including, without limiting the generality of the foregoing, any sales or use taxes which may be payable with respect to goods supplied or services rendered with respect to the Project Facility, all liabilities or claims arising as a result of the Agency's obligations under this Dupli Building 2 Project Agreement or the enforcement of or defense of validity of any provision of this Dupli Building 2 Project Agreement; (3) all claims arising from the exercise by the Company of the authority conferred on it pursuant to Sections 3.01 and 3.02 hereof; and (4) all causes of action and reasonable attorneys' fees and other expenses incurred in connection with any suits or actions that may arise as a result of any of the foregoing; provided that any such claims, causes of action, judgments, liabilities, damages, losses, costs or expenses of the Agency are not incurred or do not result from the gross negligence or intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company) or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company) or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents (other than the Company) or employees by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefits laws or other employee benefit laws.

(c) To effectuate the provisions of this Section 3.04, the Company agrees to provide for and insure, in the liability policies required by Section 3.05 of this Dupli Building 2 Project Agreement, its liabilities assumed pursuant to this Section 3.04.

(d) Notwithstanding any other provisions of this Dupli Building 2 Project Agreement, the obligations of the Company pursuant to this Section 3.04 shall remain in full force and effect after the termination of this Dupli Building 2 Project Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency, or its officers, members, agents (other than the Company) or employees, relating thereto.

Section 3.05. Insurance Required.

(a) The Company agrees that it shall at all times maintain all insurance required under the Dupli Building 2 Agency Lease as if such terms were set forth herein.

(b) The Company agrees that it shall cause its general contractor for the Project to maintain, effective as of the date of its Sub-Agent Agreement until the expiration or termination of the general contractor's employment by the Company, or its designee, with respect to the Project Facility, all of the same insurance with respect to the Project Facility, as set forth in Article 6 of the Dupli Building 2 Agency Lease as if the general contractor were the Company thereunder. The Company further agrees that it shall cause its general contractor for the Project to comply and abide, effective as of the date of the Sub-Agent Agreement and until the expiration or termination of the general contractor's employment by the Company, or its designee, with respect to the Project Facility, with all of the terms and conditions set forth in Article 6 of the Agency Lease with respect to the type, nature and proof of insurance required thereunder.

**ARTICLE IV
COMMITMENTS AND REPORTING**

Section 4.01. Compliance Commitments. The Company agrees and covenants that it shall meet and maintain the commitments set forth in (a) below, and report on same as provided for herein, beginning in the first year following the Completion Date of the Project and continuing for the Term (as defined herein) hereof. The Company further agrees and covenants that it shall meet and maintain the commitments set forth in (b) below with respect to Rental Restrictions; and with respect to new jobs, the Company shall create, in years one (1) through five (5) following the Completion Date of the Project the new jobs set forth in and in accordance with the Company's Application. The reporting of, and the commitment to, each of (a), (b) and (c) below shall continue for the Term hereof:

(a) The total investment actually made with respect to the Project at the Project's Completion Date shall equal or exceed \$10,754,903, being the total project cost as stated in the Company's Application for Financial Assistance (the "***Investment Commitment***").

(b) There were no full time equivalent ("***FTE***") employees retained by the Project Facility as of the date of the Application for Financial Assistance (the "***Baseline FTE***"). The Company's application estimated the creation of thirty-four (34) new FTEs (the "***New FTEs***") at the Project Facility within the first five (5) years following the Completion Date

of the Project Facility. The Company covenants and agrees to create the New FTEs set forth in the first five (5) years following completion of the Project Facility as of and in the years set forth in the Application. The Company shall be required to meet and maintain all of the foregoing employment commitments during the Term (as defined in Section 6.07 below) hereof (the “*Employment Commitment*”). In addition, the Company agrees to maintain the Rental Restrictions.

(c) The Company shall annually provide to the Agency certain information to confirm that the Project is achieving the Investment Commitment, Rental Restrictions and Employment Commitment and other objectives of the Project during the Term hereof (the “*Reporting Commitment*”).

Section 4.02. Reporting Requirement. As part of the commitments set forth in Section 4.01, the Company shall provide annually, to the Agency, a certified statement and supporting documentation enumerating the Investment Commitment and the Rental Restrictions. **Exhibit B** contains the forms of annual certification that the Company must complete and submit to the Agency on an annual basis. The Agency reserves the right to modify such form to require additional information that the Agency must have in order to comply with its reporting requirements under the Act and/or its policies.

ARTICLE V SUSPENSION, DISCONTINUATION, RECAPTURE AND/OR TERMINATION OF FINANCIAL ASSISTANCE

Section 5.01. Suspension, Discontinuation, Recapture and/or Termination of Financial Assistance. It is understood and agreed by the parties that the Agency is entering into the First Amendment to Company Lease, the Dupli Building 2 Company Lease, the First Amendment to Agency Lease, the Dupli Building 2 Agency Lease, the First Amendment to PILOT Agreement, the Dupli Building 2 PILOT Agreement and the First Amendment to Dupli Project Agreement and this Dupli Building 2 Project Agreement in order to provide Financial Assistance to the Company for the Project Facility and to accomplish the public purposes of the Act.

(a) In accordance with Section 875(3) of the New York General Municipal Law, the policies of the Agency, this Dupli 1 Project Agreement, the Agency Lease and the Resolutions, the Company covenants and agrees that it is subject to recapture of all State sales and use tax exemption benefits if:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project are not entitled to the State sales and use tax exemption benefits; or

(2) the State sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the State sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Project has failed to comply with a material term or condition to use the property or services in the manner required by any project document between the Company and the Agency.

Each of the foregoing four events are hereinafter referred to as a “***State-Mandated Recapture Event***”. The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State-Mandated Recapture Event has occurred.

(b) In addition to Section 5.01(a), in accordance with the policies of the Agency and the Resolutions, the Company covenants and agrees that the Agency shall have the right to suspend, discontinue, recapture or terminate all or any portion of any Financial Assistance to the extent any of the following occur (each a “***Deficit***”):

- (i) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “***Local Sales Tax Benefit Violation***”);
- (ii) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“***Job Deficit***”);
- (iii) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“***Investment Deficit***”);
- (iv) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, Rental Restrictions and other objectives of the Project (“***Reporting Failure***”); or
- (v) there otherwise occurs any event of default under any project document (each, an “***Event of Default***”) or a material violation of the terms and conditions of any project document, including but not limited to the failure to maintain and comply with the Rental Restrictions (a “***Material Violation***”).
- (vi) in addition to the foregoing, the Company acknowledges that if they fail at any time during the term hereof, to maintain the Rental Restrictions (as set forth in the Dupli Building 2 Agency Lease), the Agency shall have the right to recapture any or all Financial Assistance obtained by the Company.

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a Local Sales Tax Benefit Violation, Job Deficit,

Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “**Noncompliance Event**”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any Project Document in accordance with the terms of the Project Document.

At the time of any Noncompliance Event, the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance in accordance with the terms hereof, the Dupli Building 2 Agency Lease, as well as its Recapture Policy; and shall consider the following criteria in determining whether to proceed to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance:

- i. Whether the Company has proceeded in good faith.
- ii. Whether the Project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the Company.
- iii. Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create a more adverse situation for the Company, such as the Company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- iv. Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create an adverse situation for the residents of the City of Syracuse.
- v. The assessment prepared in accordance with the Agency’s Annual Assessment Policy.
- vi. Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance (the “**Determination**”). The Determination shall provide terms, if any, by which the Company may remedy any Noncompliance Event upon which the Determination was based. The Company must submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume Financial Assistance to the Company (which will be at the Agency’s sole discretion).

(c) If a State-Mandated Recapture Event occurs or the Agency makes a Determination, the Company agrees and covenants that it will: (i) cooperate with the Agency in

or at such other address as any party may from time to time furnish to the other party by notice given in accordance with the provisions of this Section. All notices shall be deemed given when received or delivery of same is refused by the recipient or personally delivered in the manner provided in this Section.

Section 6.03. Amendments. No amendment, change, modification, alteration or termination of this Dupli Building 2 Project Agreement shall be made except in writing upon the written consent of the Company and the Agency.

Section 6.04. Severability. The invalidity or unenforceability of any one or more phrases, sentences, clauses or sections in this Dupli Building 2 Project Agreement or the application thereof shall not affect the validity or enforceability of the remaining portions of this Dupli Building 2 Project Agreement or any part thereof.

Section 6.05. Counterparts. This Dupli Building 2 Project Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart

hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Dupli Building 2 Project Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this Dupli 1 Project Agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

Section 6.06. Governing Law. This Dupli Building 2 Project Agreement shall be governed by, and all matters in connection herewith shall be construed and enforced in accordance with, the laws of the State applicable to agreements executed and to be wholly performed therein and the parties hereto hereby agree to submit to the personal jurisdiction of the federal or state courts located in Onondaga County, New York.

Section 6.07. Section Headings. The headings of the several Sections in this Dupli Building 2 Project Agreement have been prepared for convenience of reference only and shall not control, affect the meaning of or be taken as an interpretation of any provision of this Dupli Building 2 Project Agreement.

THIS PAYMENT IN LIEU OF TAX AGREEMENT, (this “*Agreement*”) dated as of December 1, 2020 by and among the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a corporate governmental agency constituting a body corporate and politic and a public benefit corporation organized and existing under the laws of the State of New York (hereinafter referred to as the “*Agency*”), having an office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202, **DUPLI ASSOCIATES LLC**, a limited liability company organized under the laws of the State of New York, with offices at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **156 SOLAR STREET LLC**, a limited liability company organized under the laws of the State of New York, with offices at 113 Court Street, Binghamton, New York 13901 (“*156 Solar Street*”) and together with Dupli, collectively, the “*Company*”).

W I T N E S S E T H:

THE MEANING OF CAPITALIZED TERMS NOT OTHERWISE DEFINED HEREIN SHALL HAVE THE MEANINGS ATTACHED TO THEM IN THE AGENCY LEASE, DATED AS OF JULY 1, 2017 BY AND BETWEEN DUPLI AND THE AGENCY, AS AMENDED BY THE FIRST AMENDMENT TO AGENCY LEASE AGREEMENT DATED AS OF DECEMBER 1, 2020 BY AND BETWEEN THE DUPLI AND THE AGENCY.

WHEREAS, the New York State Industrial Development Agency Act, being Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended (hereinafter referred to as the “*Enabling Act*”) authorizes the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and furnish real and personal property, whether or not now in existence or under construction, which shall be suitable for, among others, manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease and to sell its projects, to charge and collect rent therefor, to issue its bonds or notes for the purpose of carrying out any of its corporate purposes and, as security for the payment of the principal and redemption price of, and interest on, any such bonds or notes, to mortgage any or all of its facilities and to pledge the revenues and receipts therefrom to the payment of such bonds or notes; and

WHEREAS, pursuant to and in accordance with the provisions of the Enabling Act, Chapter 641 of the 1979 Laws of the State of New York, as amended (said chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”) created the Agency for the benefit of the City of Syracuse (hereinafter referred to as the “*Municipality*”) and the inhabitants thereof; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an

approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, the authorized the Bifurcated Agreements to provide for the Ownership Structure such that the applicable Bifurcated Agreements for the Building 2 Project will govern the Building 2 Project consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, the Agency has leased the Land and Facility from Dupli pursuant to that certain company lease agreement dated as of July 1, 2017, as amended by the First Amendment to Company Lease Agreement, dated as of December 1, 2020, by and between Dupli and the Agency and that certain Dupli Building 2 Company Lease Agreement, dated as of December 1, 2020, by and among Dupli, 600 Franklin and the Agency (collectively, the "**Company Lease Agreement**"), obtained an interest in the Equipment pursuant to a bill of sale from Dupli to the Agency (the "**Dupli Bill of Sale**") and a bill of sale from 600 Franklin to the Agency (the "**600 Franklin Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**"), each dated as of December 1, 2020; and subleased the Project Facility back to the Company pursuant to that certain Agency Lease Agreement dated as of July 1, 2017, as amended by the First Amendment to Agency Lease, dated as of December 1, 2020, by and between the Agency and Dupli and that certain Dupli Building 2 Agency Lease Agreement dated as of December 1, 2020, by and among the Agency, Dupli and 600 Franklin (collectively, the "**Agency Lease Agreement**"), (the Company Lease Agreement, the Bill of Sale and the Agency Lease Agreement are hereinafter collectively referred to as the "**Lease Agreements**"); and

WHEREAS, the Company acknowledges that the award of this Agreement was conditioned upon the Company's commitment to reserving and renting twenty percent (20%) of the residential units in the Project for tenants at the annual 65% area median income rent limit for the City as

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan*
http://www.syr.gov/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%202001-06-2016.pdf

designated by US Department of Housing and Urban Development ("**HUD**"), inclusive of utilities, and published annually (the "**HUD Rates**") (collectively, the "**Rental Restrictions**"); and

WHEREAS, under the present provisions of the Act and Section 412-a of the Real Property Tax Law of the State of New York, the Agency is required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction or supervision or control; and

NOW, THEREFORE, in consideration of the matters above recited, the parties hereto formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I **REPRESENTATIONS AND WARRANTIES**

Section 1.00 Recitals.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

Section 1.01. Representations and Warranties by Agency

The Agency does hereby represent and warrant as follows:

(a) Existence and Power. The Agency has been duly established under the provisions of the Act and has the power to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder.

(b) Intentions. The Agency intends to acquire a leasehold interest in the Project Facility from the Company and to sublease the Project Facility back to the Company, all pursuant to the provisions of the Lease Agreements.

(c) Authorization. The Agency is authorized and has the corporate power under the Act, its by-laws and the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all the covenants and obligations on its part to be performed under and pursuant to this Agreement. By proper corporate action on the part of its members, the Agency has duly authorized the execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated.

(d) Validity. The Agency is not prohibited from entering into this Agreement and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by the terms, conditions or provisions of the Act, any other law, any order of any court or other agency or authority of government, or any agreement or instrument to which the Agency is a party or by which the Agency is bound, and this Agreement is a legal, valid and binding obligation of the Agency enforceable in accordance with its terms.

Section 1.02. Representations and Warranties by Company

Dupli and 156 Solar, each as noted or jointly as the Company, acknowledge, represent,

warrants and covenant to the Agency as follows:

(a) Existence. Each Dupli and 156 Solar is a New York limited liability company duly organized, validly existing and in good standing under the laws of the State of New York.

(b) Authorization. Each Dupli and 156 Solar is authorized and has the power under the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all covenants and obligations on its part to be performed under and pursuant to this Agreement. Each Dupli and Franklin has duly authorized the execution, delivery and performance of the Lease Agreements, this Agreement, and the other Company Documents (as that term is defined in the Agency Lease), and the consummation of the transactions therein and herein contemplated. Each Dupli and 156 Solar is not prohibited from entering into this Agreement and discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by (and the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby and the fulfillment of and compliance with the provisions of this Agreement will not conflict with or violate or constitute a breach of or a default under) the terms, conditions or provisions of its Articles of Organization, Operating Agreement or any other restriction or any law, rule, regulation or order of any court or other agency or authority of government, or any contractual limitation, restriction or outstanding indenture, deed of trust, mortgage, loan agreement, other evidence of indebtedness or any other agreement or instrument to which either Dupli or 156 Solar is a party or by which it or any of its property is bound, and Dupli or 156 Solar's discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement will neither be in conflict with or result in a breach of or constitute (with due notice and/or lapse of time) a default under any of the foregoing, nor result in the creation or imposition of any lien of any nature upon any of the property of Dupli and 156 Solar under the terms of any of the foregoing, and this Agreement is a legal, valid and binding obligation of Dupli and 156 Solar enforceable in accordance with its terms.

(c) Title. 156 Solar has valid and marketable fee title to the Project Facility, free and clear of all liens and encumbrances except for Permitted Encumbrances (as defined in the Lease Agreements).

(d) Membership Interests. For the term of this Agreement, Dupli shall hold 90% of the membership interests of 156 Solar and the tax credit investor shall hold 10% of such membership interests.

(e) Rental Restrictions. For the term of this Agreement, the Company shall comply with the Rental Restrictions as set forth herein.

(f) Governmental Consent. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental or public authority on the part of the Company is required as a condition to the execution, delivery or performance of this Agreement by the Company or as a condition to the validity of this Agreement.

(g) The obligations of the Company to make the payments required by this Agreement and to perform and observe any and all of the other covenants and agreements on its part contained

herein, including but not limited to the Rental Restrictions, are joint and several general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency.

ARTICLE II

COVENANTS AND AGREEMENTS

Section 2.01. Tax-Exempt Status of the Project Facility

(a) Assessment of the Project Facility. Pursuant to the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of ownership or control of the Project Facility by the Agency, and for so long thereafter as the Agency shall own or control the Project Facility, the Project Facility shall be entitled to an exemption upon the first available assessment roll of the Municipality prepared subsequent to the acquisition by the Agency of ownership or control of the Project Facility. The time of commencement of the Agency's exemption shall be controlled by the Municipality's taxable status date, in conformity with Section 412-a of the Real Property Tax Law. The Company will be required to pay to the Municipality all taxes and assessments lawfully levied and/or assessed against the Project Facility, in spite of the Agency's actual ownership or control of the Project Facility, until the Project Facility shall be entitled to exempt status on the tax roll of the Municipality. The Project Facility is currently exempt on the tax roll of the Municipality by reason of a 412-a exemption pursuant to the Original Lease Documents and such exemption shall continue uninterrupted upon the effective date of this Agreement.

(b) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. The Company will be required at all times to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

Section 2.02. Payments in Lieu of Taxes

(a) Agreement to Make Payments. The Company agrees that it shall make periodic payments in lieu of real property taxes in the amounts hereinafter provided. The said payments due to the Agency hereunder shall be paid by the Company, to the Municipality, on behalf of the Agency, by check made payable to "*Commissioner of Finance*". Upon receipt of the Company's payment, the Municipality, on behalf of the Agency, will disburse the appropriate portion of the said payment to the County of Onondaga and the Municipality, or such other taxing jurisdiction, pursuant to the Act. This Company obligation shall exist for so long as the Agency retains an interest in the Project Facility. In accordance with the Original PILOT Agreement the year 1 payment due for the City and School portion of the year 1 payment under **Exhibit "A"** commenced on July 1, 2018. Likewise, the year 1 payment due for the County and Water District portion of the year 1 payment under **Exhibit "A"** commenced on January 1, 2019. The balance of the payments due under this Agreement are set forth on **Exhibit "A"** attached hereto.

(b) Amount of Payments in Lieu of Taxes. Unless otherwise stated, the Company's agreed upon annual payment in lieu of tax hereunder shall be an amount determined by reference to

Exhibit “A”, attached hereto and made a part hereof. The payments in lieu of tax due, as set forth in **Exhibit “A”**, include any real property tax exemptions that might be afforded to 156 Solar if the Project Facility were owned by 156 Solar and not the Agency. As consideration for the benefits conferred on the Company pursuant to this Agreement, the Company hereby agrees to be bound by any determination by the City of Syracuse Board of Assessment Review resulting from a review of the assessment pertaining to the Project Facility and/or Additional Property throughout the term of this Agreement. The Company hereby agrees to waive any and all right to challenge or contest in a court of law (a “**Legal Challenge**”), those payments or the basis for those payments due pursuant to Exhibit “A.” It shall also be an event of default under Article IV of this Agreement should the Company bring a Legal Challenge on the Project Facility and/or Additional Property.

(c) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facilities, or any new or additional building shall be constructed on the real property described in **Exhibit “B”** that is in addition to the Facilities (such structural additions and additional buildings being hereinafter referred to as “**Additional Property**”), the Company agrees to make additional periodic payments in lieu of real property taxes (such additional payments being hereinafter collectively referred to as “**Additional Payments**”) to the Municipality on behalf of the Agency with respect to such Additional Property. Such Additional Payments shall be computed as follows:

By multiplying (1) the value placed on such Additional Property, as value is determined by the Municipality's assessor by (2) the tax rate or rates of the Municipality that would be applicable to such Additional Property if such Additional Property were owned or controlled by the Company and not the Agency; and (3) then reducing the amount so determined by the amounts of any properly acquired tax exemptions that would be afforded to the Company by the Municipality for such Additional Property as if it was owned or controlled by the Company and not the Agency.

(d) Revaluation. In the event of a real property assessment revaluation by the Municipality, the Company shall continue to make its payments in accordance with this Agreement; however, in the event that Exhibit “A” is no longer in effect, but payments are still being made hereunder for any reason, (including, but not limited to, the Agency still having an interest in the Project Facility), and would be effected by revaluation, each year's payments subsequent to such revaluation shall be adjusted to properly reflect revaluation, it being the intent of the parties that the level of payments following revaluation shall be equal to those payments contemplated by this Agreement.

(e) Damage or Destruction. In the event that all or substantially all of the Project Facility is damaged or destroyed, the Company shall continue to make the payments required by this Agreement for as long as the Agency shall own or control the Project Facility, without regard to such damage or destruction.

(f) Time of Payments. The Company agrees to pay the amounts due the Agency hereunder to the Municipality for each year of this Agreement, within the period that the Municipality allows payment of taxes levied in such calendar year without penalty. 156 Solar shall be entitled to receive receipts from the Municipality for such payments.

(g) Method of Payment. All payments by the Company hereunder shall be paid to the Municipality in lawful money of the United States of America, cash, money order or check.

Section 2.03. PILOT Statements

The Municipality and/or the Agency shall submit to 156 Solar written semi-annual statements specifying the amount and due date or dates of any payments due to the Agency hereunder. Each semi-annual PILOT statement shall be submitted to 156 Solar at the same time that tax statements/bills are mailed by the Municipality to the owners of privately owned property. Failure to receive a PILOT statement shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate PILOT Statement, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Municipality and the Agency and to have such a statement issued, and thereafter to make payment of the same no later than the due dates provided herein.

Section 2.04. Obligations of Agency

Requirement that Mortgagees Subordinate to Payments. The Agency and 156 Solar agree that any mortgages on the Project Facility, given by either of them, shall provide that the rights of the mortgagees thereunder shall be subordinate to this Agreement and to the right of the Municipality to receive payments in lieu of taxes pursuant to Article II hereof.

Section 2.05. Company to Furnish Information

The Company agrees to promptly comply with the reporting and information requirements of the Agency and the Act, and to promptly furnish the applicable information required or requested by the Agency and/or the State of New York. The Company further agrees to assist the Agency with the preparation of any reports, or answer any inquiries, required by the State of New York in connection with the Act or the Agency's participation in the Project.

In addition, during the Reporting Period (as defined in the Dupli Building 2 Agency Lease), the Company shall provide the reporting and certifications required relative to the Rental Restrictions as more fully set forth in Section 8.5 of the Dupli Building 2 Agency Lease. The Company acknowledges that failure to maintain and/or report on the Rental Restrictions as set forth herein and therein, shall give rise to the Agency's right to recapture all Recapture Amounts.

Section 2.06. Interest

(a) Agreement to Pay Interest on Missed Payments. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest thereon, to the extent permitted by law, at the greater of: **(i) eighteen per cent (18%) per annum; or (ii) the rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.**

(b) Maximum Legal Rate. It is the intent of the Agency, the Municipality, and the Company that in no event shall interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "*Maximum Legal Rate*"). Solely to the extent necessary to prevent interest under this Agreement from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled, and, if received by the Agency or Municipality, shall be refunded to 600 Franklin.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

Section 3.01. No Recourse; Limited Obligation of the Agency

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Agreement, or otherwise based on or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent, servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement. It is expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the Municipality, and neither the State of New York nor the Municipality shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (i) the Agency shall have been requested to do so in writing by 156 Solar and (ii) if compliance with such request is expected to result in the incurrence by the Agency (or any of its members, directors, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from 156 Solar security or indemnity satisfactory to the

Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

Section 4.01. Events of Default

Any one or more of the following events shall constitute an event of default under this Agreement, and the terms “*Event of Default*” or “*Default*” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement, the Lease Agreements or the Company Documents.

(b) Commencement by the Company of a Legal Challenge, as defined in Section 2.02(b), to those payments or the basis for those payments due pursuant to Exhibit “A.”

(c) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed under this Agreement (other than as referred to in paragraph (a) above), the Lease Agreements, or any other Company Document and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure hereunder, or with respect to the Lease Agreements, continuance of such failure for the duration of any applicable cure period set forth therein after receipt of any required notice thereunder.

(d) Any warranty, representation or other statement by or on behalf of the Company contained in this Agreement or the Lease Agreements shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement or the Lease Agreements.

(e) The Company violates any federal, state or local environmental law or allows or causes any Hazardous Materials (as Hazardous Materials is defined and described in any federal, state or local law) to be released at, on, to, into or from the Project Facility, except as permitted by the Lease Agreements or within the terms and conditions of a permit, certificate, license or other written approval of an authorized governmental body, and fails to remedy such violation within thirty (30) days; or if such failure cannot be cured within thirty (30) days, fails to commence a cure within thirty (30) days and thereafter diligently prosecute the cure thereof.

(f) The occurrence of any Event of Default or Default under this Agreement, the Lease Agreements or any other Company Documents.

(g) Failure of the Company to commence the construction, renovation, and equipping of the Project Facility within thirty days of receiving approval from the State Historic Preservation Office and National Parks Service of its historic designation (collectively, the “*Designation*”) and be completed within twelve months of such Designation and failure of the Company to complete the

Project Facility in accordance herewith and with the terms of the Agency Lease.

(h) Failure to maintain the Rental Restrictions and/or provide the required reporting relative thereto as set forth herein.

Section 4.02. Remedies on Company Default

Whenever any Event of Default under Section 4.01 shall have occurred and be continuing with respect to this Agreement, and/or the Company shall be in default under the Lease Agreements, the Agency may take whatever action at law or in equity, including but not limited to recapture in accordance with the Agency's Recapture Policy dated June 21, 2016 or pursuant to the terms of any Company Document, following applicable notice, as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement and/or the Lease Agreements. Notwithstanding anything herein to the contrary, if the Lease Agreements are terminated for any reason, this Agreement shall automatically terminate without any further notice or action required hereunder and the Project Facility shall immediately become taxable and revert to the tax roll.

The payment schedule contained in Exhibit "A" is for the benefit of 156 Solar and its Project Facility. In the event that the Company defaults hereunder, and the Lease Agreements cannot be terminated, and/or the Agency's participation in the Project and this Agreement is not or cannot be terminated, the Company, or any assignee, or successor shall no longer be entitled to make payments under this Agreement pursuant to Exhibit "A". In such an event, payments shall be made hereunder, for any remaining term of this Agreement, as if the Project Facility was privately owned and assessed and without any further regard to Exhibit "A".

Section 4.03. Recording of Lease Terminations and Other Documents

Whenever any Event of Default under Sections 4.01 shall have occurred and be continuing with respect to this Agreement or the Lease Agreements, the Agency may, upon notice to the Company provided for in this Agreement or the Lease Agreements, if any, terminate the Lease Agreements and record such termination or other necessary documents in the Onondaga County Clerk's Office, terminating the Agency's interest in the Project Facility thereby terminating this Agreement.

The recording of such a termination and any other documentation shall constitute delivery to, and acceptance of such, by the Company. In order to facilitate such a termination, the Company hereby appoints the Chair or the Vice Chair of the Agency as its agent for the purpose of executing and delivering all documents necessary to allow such termination by the Agency.

In the event that the Lease Agreements, for any reason, are extended by their terms, or for any reason this Agreement expires or terminates, but the Agency retains an interest or remains in title to the Project Facility, the Company shall continue to make payments in lieu of taxes to the Municipality, on behalf of the Agency, for as long as the Agency retains an interest in, or remains in title to, the Project Facility in accordance with Exhibit "A". Those payments shall be the equivalent of the real

property taxes that would be due on the Project Facility if it were owned by 156 Solar and the Agency had no interest therein. It is the intention of the parties hereto, that for so long as the Agency shall possess title to, or an interest in, the Property, the Company, or any permitted successors or assigns, shall make payments in lieu of taxes to the Municipality, on behalf of the Agency, that are either based upon Exhibit "A", or if Exhibit "A" is no longer applicable for any reason, are the equivalent of the real property taxes that would be due and owing if the Project Facility were privately owned and the Agency had no interest therein.

Section 4.04. Payment of Attorney's Fees and Expenses

If the Company should default in performing any of its obligations, covenants and agreements under this Agreement and the Agency or the Municipality should employ attorneys (whether in-house or outside counsel) or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency and/or the Municipality the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred.

Furthermore, should 156 Solar bring a Legal Challenge on the Project Facility and/or Additional Property during the term of this Agreement, and the Agency and/or the Municipality waives its right to declare a default under this Agreement in regard to such Legal Challenge, or such Legal Challenge is determined not to be a default of this Agreement by any Court of competent jurisdiction, 156 Solar agrees that in the event that 156 Solar is unsuccessful in its Legal Challenge, it will, on demand, pay to the Agency and/or the Municipality the reasonable fees and disbursements of any attorneys employed (whether in-house or outside counsel) for the defense of such Legal Challenge as well as such other reasonable expenses so incurred.

Section 4.05. Remedies; Waiver and Notice

(a) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(d) No Waiver. In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other

breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

(e) Recapture. Seek to recover all or some of the Recapture Amount in accordance with the Agency's Recapture Policy, the Agency Lease, the Project Agreement and this PILOT Agreement.

ARTICLE V **MISCELLANEOUS**

Section 5.01. Term of Agreement

(a) General. This Agreement shall become effective and the obligations of the Agency and the Company shall arise absolutely and unconditionally upon the execution and delivery of this Agreement. This Agreement shall terminate on the earliest to occur of: (i) the same date that the Dupli Building 2 Agency Lease Agreement terminates; (ii) on any earlier date permitted under the Dupli Building 2 Agency Lease Agreement; or (iii) upon the expiration on **June 30, 2033** of the PILOT Schedule set forth in **Exhibit "A"** hereto. In the event of a termination of the Agency's interest in the Project Facility, the Company's payments due hereunder shall be pro-rated to the extent necessary to allow the Municipality to issue a supplemental PILOT Statement based upon the Agency's transfer of ownership or control of the Project Facility to the Company, and the loss of the Agency's tax exemption on the said Project Facility.

(b) Conflict. In the event of a conflict between this Agreement or any of its terms on the one hand, and the Lease Agreements or any other Project documents on the other hand, the provisions most favorable to the Agency shall govern. The Agency and the Company agree that the Agency's participation in this Agreement is for the benefit of the Company and that the Municipality must receive payments from the Company hereunder, during the entire term of this Agreement and/or the Agency's ownership or control of the Project Facility.

Section 5.02. Company Acts

Where the Company is required to do or accomplish any act or thing hereunder, the Company may cause the same to be done or accomplished with the same force and effect as if done or accomplished by the Company.

Section 5.03. Amendment of Agreement

This Agreement may not be amended, changed, modified or altered unless such amendment, change, modification or alteration is in writing and signed by the Agency and the Company.

Section 5.04. Notices

All notices, certificates or other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient

or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

- (a) To the Agency:
City of Syracuse Industrial Development Agency
201 East Washington Street, 6th Floor
Syracuse, New York 13202
Attention: Chair

With a copy to:

Bousquet Holstein PLLC
110 West Fayette Street, Suite 1000
Syracuse, New York 13202
Attn: Susan R. Katzoff, Esq.

And to:
Corporation Counsel
City of Syracuse
233 East Washington Street, Room 300
Syracuse, New York 13202

- (b) To the Company:

156 Solar Street LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

And to:

Dupli Associates LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

With a copy to:

Lynn D'Elia Temes & Stanczyk LLC
100 Madison Street
Tower 1 – Suite 1905
Syracuse, New York 13202
Attn: Timothy M. Lynn, Esq.

The Agency and the Company may, by notice given hereunder to each of the others, designate any further or different addresses to which the subsequent notices, certificates or other communications to them shall be sent.

Section 5.05. Binding Effect

This Agreement shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

Section 5.06. Severability

If any article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this Agreement shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this Agreement shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

Section 5.07. Counterparts; Electronic Signatures

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

Section 5.08. Applicable Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding brought hereunder shall be in the State or Federal

Courts located in Onondaga County, New York.

Section 5.09. Assignment

This Agreement may not be assigned by the Company without the prior written consent of the Agency.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Agency and the Company have caused this Agreement to be executed in their respective names on the date first above written and the Company hereby acknowledges receipt and review of this Agreement, and consents to, and approves of, the terms and provisions contained herein.

FORM OF ANNUAL REPORTING QUESTIONNAIRE

SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY
201 East Washington Street, 6th Floor, Syracuse, New York 13202

Date

COMPANY
COMPANY ADDRESS

Dear _____:

Our auditors, _____, CPAs are conducting an audit of our financial statements for the year ended December 31, _____. In connection with that audit, we request that you furnish certain information directly to our auditor with regard to the following security issued by/through the City of Syracuse Industrial Development Agency:

Sale - Leaseback Financing

Project: _____

Date of Financing:

Principal Amount Financed:

Maturity Date:

Original Interest Rate:

Please provide the following information as of December 31, [year]:

Name of Lender

Debt Retired in [year] Yes/No

Debt Refinanced in [year] Yes/No

(If Yes, please update information in Paragraph 1 above)

Debt in Default as of [date] Yes/No

Current Interest Rate(s)

Rate range, if Variable

Principal balance outstanding as of [date]

Principal payments made during [year]

Payments in Lieu of Taxes (PILOT)

paid in [year]

Total cost of goods/services purchased: \$ _____

New York State Sales Tax Exemptions Claimed [year]

New York Local Sales Tax Exemptions Claimed: [year]

New York State Mortgage Recording

Tax Exemption: [year]

Form of Syracuse Industrial Development Agency — Project Jobs Data [year]

From:

To: _____, CPAs

Re:

The following jobs information is furnished to you with regard to the above cited project:

A. Job Retention/Creation:

I. Construction Jobs:

Provide the name of your general contractor: _____.

Provide the address (including county) of your general contractor: _____.

Is the general contractor MWBE qualified? _____.

Is the general contractor Service-Disabled Veteran-Owned Business Enterprises (SDVOBE) qualified? _____.

For each contractor and/or sub-contractor, provide the following information for the reporting period:

Bid awarded to (Name/Address/County*)	Value of contract	MWBE (Yes/No)	SDVOBE (Yes/No)	Number of jobs (FTE)

***Must include county**

II. Permanent (non-construction) Jobs:

Number of FTEs retained at the Project prior to date of application: _____.

Number of FTEs created by the Project during the reporting calendar year (*exclusive of construction jobs*): _____.

Of the jobs created by the Project during the reporting year (*exclusive of construction jobs*) identify how many are in each of the following categories:

Professional/Managerial/Technical - includes jobs which involve skill or competence of extraordinary degree and may include supervisory responsibilities (examples: architect, engineer, accountant, scientist, medical doctor, financial manager, programmer). **Number of jobs created in reporting year** _____.

Skilled - includes jobs that require specific skill sets, education, training, and experience and are generally characterized by high education or expertise level (examples: electrician, computer operator, administrative assistant, carpenter, sales representative). **Number of jobs created in reporting year** _____.

Unskilled or Semi-Skilled - includes jobs that require little or no prior acquired skills and involve the performance of simple duties that require the exercise of little or no independent judgment (examples: general cleaner, truck driver, typist, gardener, parking lot attendant, line operator, messenger, information desk clerk, crop harvester, retail salesperson, security guard, telephone solicitor, file clerk). **Number of jobs created in reporting year** _____.

Identify:

the average annual salary range of the FTEs (*exclusive of construction jobs*) created during the reporting year: \$ _____.

the total number of jobs (*exclusive of construction jobs*) created by the Project from the date of application through the reporting date: _____.

the total number of jobs (retained and created, *but exclusive of construction jobs*) at the Project from the date of application through the reporting date: _____.

What is the annual average salary range of the FTEs (*exclusive of construction jobs*) created at the Project to date: \$ _____.

B. Geographical Hiring Data:

1. Construction jobs:

Of the construction jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

2. FTEs hired (*exclusive of construction jobs*)

Of the FTE jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

Provide the same information reflecting FTEs hired from the date of application through the reporting date at the Project.

**DUPLI BUILDING 2
PROJECT AGREEMENT**

THIS DUPLI BUILDING 2 PROJECT AGREEMENT, dated as of December 1, 2020 (the “*Dupli 2 Project Agreement*”), is by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, with offices at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the “*Agency*”), **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **156 SOLAR STREET LLC**, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 (“*156 Solar*” and together with Dupli, collectively, the “*Company*”).

WITNESSETH:

WHEREAS, Title I of Article 18-A of the General Municipal Law of the State of New York (the “*Enabling Act*”) was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York (the “*State*”) and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 641 of the Laws of 1979 of the State, as amended (collectively, with the Enabling Act, the “*Act*”) and is empowered under the Act to undertake the Project (as hereinafter defined) in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification

number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, the Project and the Bifurcated Agreements to accommodate the Ownership Structure such that the applicable Bifurcated Agreements for the Building 2 Project will govern the Building 2 Project consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^a (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, by resolutions of its members adopted on April 21, 2020 and October 20, 2020 (collectively, the "**Resolutions**"), the Agency authorized certain financial assistance for the benefit of the Project consisting of: (a) an exemption from New York State and local sales and use taxes for purchases and rentals related to the Project with respect to qualifying personal property included in or incorporated into the Project Facility or used in the acquisition, construction or equipping of the Project Facility in an amount not to exceed **\$430,998**; (b) an exemption from mortgage recording tax; and (c) an abatement from real property taxes through a 15-year payment in lieu of taxes agreement with the Company for the benefit of each municipality and school district having taxing jurisdiction over the Project (collectively referred to as the "**Financial Assistance**"); and

WHEREAS, it has been estimated and confirmed by the Company within its Application for Financial Assistance that: (i) the purchase of goods and services relating to the Project, and subject to New York State and local sales and use taxes, are estimated to cost an amount up to **\$5,387,475**; and therefore, the value of the State and local sales and use tax exemption benefits authorized and approved by the Agency cannot exceed **\$430,998**; (ii) the mortgage recording tax exemption amount shall be approximately **\$11,250** (except as limited by Section 874 of the General Municipal Law); and (iii) real property tax abatement benefits to be provided to the

^a As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%20001-06-2016.pdf

Company over the 15-year benefit period of the anticipated payment in lieu of taxes agreement are estimated to be approximately **\$1,744,152.63**; and

WHEREAS, 156 Solar is the current owner of the Land and the Facility. For the duration of the term of the Dupli Building 2 Agency Lease, Dupli shall hold a 90% membership interest in 156 Solar; and

WHEREAS, in accordance with the terms of that certain company lease agreement dated as of July 21, 2017, as amended by First Amendment to Company Lease dated as of December 1, 2020, each between Dupli and the Agency (collectively, the "**Original Company Lease**"), the Company has leased or continued its lease of the Land and the Facility to the Agency.

WHEREAS, Dupli has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**Dupli Bill of Sale**") and 156 Solar has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**156 Solar Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**");

WHEREAS, the Agency proposes to sublease the Project Facility to 156 Solar, and 156 Solar desires to sublease the Project Facility from the Agency, upon the terms and conditions set forth in a certain agency lease agreement dated as of December 1, 2020 (the "**Dupli Building 2 Agency Lease**"); and

WHEREAS, in order to define the obligations of the Company regarding payments in lieu of taxes for the Project Facility, the Agency and Dupli entered into the Original PILOT Agreement and the Company and the Agency will enter into a payment in lieu of tax Agreement, dated as of December 1, 2020 (the "**Dupli Building 2 PILOT Agreement**"), by and between the Agency and the Company; and

WHEREAS, by its Resolutions, the Agency authorized 156 Solar to act as its agent for the purposes of undertaking and completing the Project and the Agency delegated to 156 Solar the authority to appoint sub-agents subject to the execution of this Dupli Building 2 Project Agreement and compliance with the terms set forth herein, in the Resolutions and in the Dupli Building 2 Agency Lease; and

WHEREAS, in order to define the obligations of 156 Solar regarding its ability to utilize the Agency's State and local sales and use tax exemption benefit as agent of the Agency to acquire, construct, renovate, equip and complete the Project Facility, the Agency and the Company will enter into this Dupli Building 2 Project Agreement; and

WHEREAS, the Agency requires, as a condition and as an inducement for it to enter into the transactions contemplated by the Resolutions, and as more particularly described in the Dupli Building 2 PILOT Agreement and this Dupli Building 2 Project Agreement, that the Company provide assurances with respect to the terms and conditions herein set forth; and

WHEREAS, this Dupli Building 2 Project Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no Financial Assistance shall be provided to the Company prior to the effective date of this Dupli Building 2 Project Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

ARTICLE I PROJECT AND TERM

Section 1.01 Recitals and Definitions. The foregoing recitals are incorporated by referenced as if fully set forth herein. Capitalized terms used herein and not otherwise defined shall have the meaning set forth in the Table of Definitions attached to the Dupli Building 2 Agency Lease as Exhibit "A."

Section 1.02 Purpose of Project. It is understood and agreed by the parties that the purpose of the Agency's provision of Financial Assistance with respect to the Project is to, and the entering by the Agency into the Dupli Building 2 Company Lease, Dupli Building 2 Agency Lease, Dupli Building 2 PILOT Agreement and this Dupli Building 2 Project Agreement is in order to, promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping, furnishing and completing of the Project Facility, to advance job opportunities, health, general prosperity and economic welfare of the people of the City of Syracuse and to otherwise accomplish the public purpose of the Act.

Section 1.03 Term. The term of this Dupli Building 2 Project Agreement shall be the longer of: (a) the term of the Dupli Building 2 PILOT Agreement; or (b) five years following the termination of the Dupli Building 2 Agency Lease (the "**Term**"). The Project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the Term of this Dupli Building 2 Project Agreement and the Company's reporting obligations hereunder shall continue during the Term hereof. In addition, during the Term hereof, the Company and the Project shall be subject to Article V hereof.

ARTICLE II REAL PROPERTY TAX EXEMPTION

Section 2.01. PILOT Agreement. Attached hereto and made a part hereof as **Exhibit A** is a copy of the Dupli Building 2 PILOT Agreement by and between the Company and the Agency. For the duration of the term hereof, and in accordance with the Agency's Uniform Tax Exemption Policy ("**UTEP**"), the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by the US Department of Housing and Urban Development ("**HUD**"), inclusive of utilities (the "**HUD Rates**") (collectively, the "**Rental Restrictions**") and shall provide at least annual reporting and certifications relative to same in accordance with the terms of hereof and in accordance with the terms of the Dupli Building 2 Agency Lease.

ARTICLE III
SALES AND USE TAX EXEMPTION

Section 3.01. Scope of Agency. 156 Solar agrees to limit its activities as agent for the Agency under the authority of the Resolutions and this Dupli Building 2 Project Agreement to acquisition, reconstruction, installation and completion of the Project Facility. The right of the Company to act as agent of the Agency shall expire on the earlier of **October 31, 2022**, or sixty days after the issuance of a certificate of occupancy, unless extended by a resolution adopted by the members of the Agency, or unless terminated early in accordance with the terms of the Agency Lease. The value of the sales and use tax exemption benefits shall not exceed the amounts described in the Application and as set forth in Section 3.03(b) unless approved by a resolution adopted by the members of the Agency. All contracts entered into by the Company as agent for the Agency shall include the following language:

“This contract is being entered into by _____ (the “**Agent**”), as agent for and on behalf of the City of Syracuse Industrial Development Agency (the “**Agency**”), in connection with a certain project of the Agency for the benefit of the Agent consisting in part of the acquisition and installation of certain machinery, equipment and building materials, all for use in construction and/or incorporation and installation in certain premises located at 156 Solar Street and Division Street W., in the City of Syracuse, New York (the “**Premises**”). The machinery, equipment and building materials (collectively, the “**Equipment**”) to be used in the construction and/or incorporated and installed in the Premises shall be exempt from the sales and use taxes levied by the State of New York if the use and/or acquisition of the Equipment is effected in accordance with the terms and conditions set forth in the Project Agreement dated as of December 1, 2020 by and between the Agency and the Company (the “**Project Agreement**”); and the Agent represents that this contract is in compliance with the terms of the Project Agreement. This contract is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance of this contract, the vendor/contractor acknowledges and agrees to the terms and conditions set forth in this paragraph.”

Section 3.02. Appointment of Sub-Agents. Subject to the terms and conditions of this Dupli Building 2 Project Agreement and pursuant to the Resolutions, the Agency hereby delegates to 156 Solar the authority to appoint sub-agents of the Agency in connection with the Project, which may be agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and other parties as 156 Solar chooses (each, a “**Sub-Agent**”). The appointment of each such Sub-Agent will be effective only upon: (1) the execution by the Sub-Agent and 156 Solar of the Sub-Agent Appointment Agreement attached as Exhibit F to the Dupli Building 2 Agency Lease (the “**Sub-Agent Agreement**”), the terms and provisions of which are incorporated herein; (2) the receipt by the Agency of a completed Form ST-60 in accordance with Section 3.03(c) below; and (3) receipt of any required insurance as set forth in the Sub-Agent Agreement.

Section 3.03. Representations and Covenants of the Company.

(a) Dupli and 156 Solar, each as noted or jointly as the Company, hereby incorporate and restate its representations, covenants and warranties made in the Dupli Building 2 Agency Lease.

(b) The Company further covenants and agrees that the purchase of goods and services relating to the Project and subject to State and local sales and use taxes are estimated in the amount up to \$5,387,475, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency cannot exceed \$430,998.

(c) The Company further covenants and agrees to maintain the Rent Restrictions and comply with the reporting obligations set forth herein and in the Agency Lease.

(d) 156 Solar further covenants and agrees to complete “IDA Appointment of Project Operator or Agent For Sales Tax Purposes” (Form ST-60) for itself and each Sub-Agent and to provide said form to the Agency within fifteen (15) days of appointment such that the Agency can execute and deliver said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(d) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance an “Annual Report of Sales and Use Tax Exemptions” (Form ST-340) regarding the value of sales and use tax exemptions the Company and its Sub-Agents have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with Section 874(8) of the Act. The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of their filed ST-340 to the Agency, but in no event later than March 29 of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of: (1) the Company’s authority to act as agents for the Agency; and (2) the authority of any Sub-Agent of the Agency appointed by the Company pursuant to Section 3.02 hereof to act as agent for the Agency.

(e) The Company further acknowledges and agrees that all purchases made in furtherance of the Project by 156 Solar and any Sub-Agent shall be made using “IDA Agent or Project Operator Exempt Purchase Certificate” (Form ST-123, a copy of which is attached to the Sub-Agent Agreement), and it shall be the responsibility of 156 Solar and the Sub-Agent, as the case may be, (and not the Agency) to complete Form ST-123. 156 Solar acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill of invoice should state, “I, [NAME OF AGENT], certify that I am a duly appointed agent of the City of Syracuse Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my Project Agreement with the City of Syracuse Industrial Development Agency.” The Company further acknowledges and agrees that the following information shall be used by 156 Solar to identify the Project on each bill and invoice: DUPLI

ASSOCIATES, LLC PROJECT – BUILDING 2, 156 Solar Street, IDA Project No.: 31022006.

(f) The Company acknowledges and agrees that the Agency shall not be liable, either directly or indirectly or contingently, upon any contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

Section 3.04. Hold Harmless Provisions.

(a) The Company releases the Agency and its members, officers, agents (other than the Company) and employees from, agrees that the Agency and its members, officers, agents (other than the Company) and employees shall not be liable for and agrees to indemnify, defend and hold the Agency and its members, officers, agents (other than the Company) and employees harmless from and against any and all claims, causes of action, judgments, liabilities, damages, losses, costs and expenses arising as a result of the Agency's undertaking the Project, including, but not limited to: (1) liability for loss or damage to property or bodily injury to or death of any and all persons that may be occasioned, directly or indirectly, by any cause whatsoever pertaining to the Project Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any person or property on, in or about the Project Facility; (2) liability arising from or expense incurred by the Agency's acquiring, constructing, equipping, installing, owning, leasing or selling the Project Facility, including, without limiting the generality of the foregoing, any sales or use taxes which may be payable with respect to goods supplied or services rendered with respect to the Project Facility, all liabilities or claims arising as a result of the Agency's obligations under this Dupli Building 2 Project Agreement or the enforcement of or defense of validity of any provision of this Dupli Building 2 Project Agreement; (3) all claims arising from the exercise by the Company of the authority conferred on it pursuant to Sections 3.01 and 3.02 hereof; and (4) all causes of action and reasonable attorneys' fees and other expenses incurred in connection with any suits or actions that may arise as a result of any of the foregoing; provided that any such claims, causes of action, judgments, liabilities, damages, losses, costs or expenses of the Agency are not incurred or do not result from the gross negligence or intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company) or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company) or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents (other than the Company) or employees by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefits laws or other employee benefit laws.

(c) To effectuate the provisions of this Section 3.04, the Company agrees to provide for and insure, in the liability policies required by Section 3.05 of this Dupli Building 2 Project Agreement, its liabilities assumed pursuant to this Section 3.04.

(d) Notwithstanding any other provisions of this Dupli Building 2 Project Agreement, the obligations of the Company pursuant to this Section 3.04 shall remain in full force and effect after the termination of this Dupli Building 2 Project Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency, or its officers, members, agents (other than the Company) or employees, relating thereto.

Section 3.05. Insurance Required.

(a) The Company agrees that it shall at all times maintain all insurance required under the Dupli Building 2 Agency Lease as if such terms were set forth herein.

(b) The Company agrees that it shall cause its general contractor for the Project to maintain, effective as of the date of its Sub-Agent Agreement until the expiration or termination of the general contractor's employment by the Company, or its designee, with respect to the Project Facility, all of the same insurance with respect to the Project Facility, as set forth in Article 6 of the Dupli Building 2 Agency Lease as if the general contractor were the Company thereunder. The Company further agrees that it shall cause its general contractor for the Project to comply and abide, effective as of the date of the Sub-Agent Agreement and until the expiration or termination of the general contractor's employment by the Company, or its designee, with respect to the Project Facility, with all of the terms and conditions set forth in Article 6 of the Agency Lease with respect to the type, nature and proof of insurance required thereunder.

**ARTICLE IV
COMMITMENTS AND REPORTING**

Section 4.01. Compliance Commitments. The Company agrees and covenants that it shall meet and maintain the commitments set forth in (a) below, and report on same as provided for herein, beginning in the first year following the Completion Date of the Project and continuing for the Term (as defined herein) hereof. The Company further agrees and covenants that it shall meet and maintain the commitments set forth in (b) below with respect to Rental Restrictions; and with respect to new jobs, the Company shall create, in years one (1) through five (5) following the Completion Date of the Project the new jobs set forth in and in accordance with the Company's Application. The reporting of, and the commitment to, each of (a), (b) and (c) below shall continue for the Term hereof:

(a) The total investment actually made with respect to the Project at the Project's Completion Date shall equal or exceed \$10,754,903, being the total project cost as stated in the Company's Application for Financial Assistance (the "***Investment Commitment***").

(b) There were no full time equivalent ("***FTE***") employees retained by the Project Facility as of the date of the Application for Financial Assistance (the "***Baseline FTE***"). The Company's application estimated the creation of thirty-four (34) new FTEs (the "***New FTEs***") at the Project Facility within the first five (5) years following the Completion Date

of the Project Facility. The Company covenants and agrees to create the New FTEs set forth in the first five (5) years following completion of the Project Facility as of and in the years set forth in the Application. The Company shall be required to meet and maintain all of the foregoing employment commitments during the Term (as defined in Section 6.07 below) hereof (the “*Employment Commitment*”). In addition, the Company agrees to maintain the Rental Restrictions.

(c) The Company shall annually provide to the Agency certain information to confirm that the Project is achieving the Investment Commitment, Rental Restrictions and Employment Commitment and other objectives of the Project during the Term hereof (the “*Reporting Commitment*”).

Section 4.02. Reporting Requirement. As part of the commitments set forth in Section 4.01, the Company shall provide annually, to the Agency, a certified statement and supporting documentation enumerating the Investment Commitment and the Rental Restrictions. **Exhibit B** contains the forms of annual certification that the Company must complete and submit to the Agency on an annual basis. The Agency reserves the right to modify such form to require additional information that the Agency must have in order to comply with its reporting requirements under the Act and/or its policies.

ARTICLE V SUSPENSION, DISCONTINUATION, RECAPTURE AND/OR TERMINATION OF FINANCIAL ASSISTANCE

Section 5.01. Suspension, Discontinuation, Recapture and/or Termination of Financial Assistance. It is understood and agreed by the parties that the Agency is entering into the First Amendment to Company Lease, the Dupli Building 2 Company Lease, the First Amendment to Agency Lease, the Dupli Building 2 Agency Lease, the First Amendment to PILOT Agreement, the Dupli Building 2 PILOT Agreement and the First Amendment to Dupli Project Agreement and this Dupli Building 2 Project Agreement in order to provide Financial Assistance to the Company for the Project Facility and to accomplish the public purposes of the Act.

(a) In accordance with Section 875(3) of the New York General Municipal Law, the policies of the Agency, this Dupli 1 Project Agreement, the Agency Lease and the Resolutions, the Company covenants and agrees that it is subject to recapture of all State sales and use tax exemption benefits if:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project are not entitled to the State sales and use tax exemption benefits; or

(2) the State sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the State sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Project has failed to comply with a material term or condition to use the property or services in the manner required by any project document between the Company and the Agency.

Each of the foregoing four events are hereinafter referred to as a “***State-Mandated Recapture Event***”. The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State-Mandated Recapture Event has occurred.

(b) In addition to Section 5.01(a), in accordance with the policies of the Agency and the Resolutions, the Company covenants and agrees that the Agency shall have the right to suspend, discontinue, recapture or terminate all or any portion of any Financial Assistance to the extent any of the following occur (each a “***Deficit***”):

- (i) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “***Local Sales Tax Benefit Violation***”);
- (ii) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“***Job Deficit***”);
- (iii) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“***Investment Deficit***”);
- (iv) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, Rental Restrictions and other objectives of the Project (“***Reporting Failure***”); or
- (v) there otherwise occurs any event of default under any project document (each, an “***Event of Default***”) or a material violation of the terms and conditions of any project document, including but not limited to the failure to maintain and comply with the Rental Restrictions (a “***Material Violation***”).
- (vi) in addition to the foregoing, the Company acknowledges that if they fail at any time during the term hereof, to maintain the Rental Restrictions (as set forth in the Dupli Building 2 Agency Lease), the Agency shall have the right to recapture any or all Financial Assistance obtained by the Company.

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a Local Sales Tax Benefit Violation, Job Deficit,

Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “**Noncompliance Event**”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any Project Document in accordance with the terms of the Project Document.

At the time of any Noncompliance Event, the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance in accordance with the terms hereof, the Dupli Building 2 Agency Lease, as well as its Recapture Policy; and shall consider the following criteria in determining whether to proceed to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance:

- i. Whether the Company has proceeded in good faith.
- ii. Whether the Project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the Company.
- iii. Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create a more adverse situation for the Company, such as the Company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- iv. Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create an adverse situation for the residents of the City of Syracuse.
- v. The assessment prepared in accordance with the Agency’s Annual Assessment Policy.
- vi. Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance (the “**Determination**”). The Determination shall provide terms, if any, by which the Company may remedy any Noncompliance Event upon which the Determination was based. The Company must submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume Financial Assistance to the Company (which will be at the Agency’s sole discretion).

(c) If a State-Mandated Recapture Event occurs or the Agency makes a Determination, the Company agrees and covenants that it will: (i) cooperate with the Agency in

or at such other address as any party may from time to time furnish to the other party by notice given in accordance with the provisions of this Section. All notices shall be deemed given when received or delivery of same is refused by the recipient or personally delivered in the manner provided in this Section.

Section 6.03. Amendments. No amendment, change, modification, alteration or termination of this Dupli Building 2 Project Agreement shall be made except in writing upon the written consent of the Company and the Agency.

Section 6.04. Severability. The invalidity or unenforceability of any one or more phrases, sentences, clauses or sections in this Dupli Building 2 Project Agreement or the application thereof shall not affect the validity or enforceability of the remaining portions of this Dupli Building 2 Project Agreement or any part thereof.

Section 6.05. Counterparts. This Dupli Building 2 Project Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart

hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Dupli Building 2 Project Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this Dupli 1 Project Agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

Section 6.06. Governing Law. This Dupli Building 2 Project Agreement shall be governed by, and all matters in connection herewith shall be construed and enforced in accordance with, the laws of the State applicable to agreements executed and to be wholly performed therein and the parties hereto hereby agree to submit to the personal jurisdiction of the federal or state courts located in Onondaga County, New York.

Section 6.07. Section Headings. The headings of the several Sections in this Dupli Building 2 Project Agreement have been prepared for convenience of reference only and shall not control, affect the meaning of or be taken as an interpretation of any provision of this Dupli Building 2 Project Agreement.

THIS PAYMENT IN LIEU OF TAX AGREEMENT, (this “*Agreement*”) dated as of December 1, 2020 by and among the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a corporate governmental agency constituting a body corporate and politic and a public benefit corporation organized and existing under the laws of the State of New York (hereinafter referred to as the “*Agency*”), having an office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202, **DUPLI ASSOCIATES LLC**, a limited liability company organized under the laws of the State of New York, with offices at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **156 SOLAR STREET LLC**, a limited liability company organized under the laws of the State of New York, with offices at 113 Court Street, Binghamton, New York 13901 (“*156 Solar Street*”) and together with Dupli, collectively, the “*Company*”).

W I T N E S S E T H:

THE MEANING OF CAPITALIZED TERMS NOT OTHERWISE DEFINED HEREIN SHALL HAVE THE MEANINGS ATTACHED TO THEM IN THE AGENCY LEASE, DATED AS OF JULY 1, 2017 BY AND BETWEEN DUPLI AND THE AGENCY, AS AMENDED BY THE FIRST AMENDMENT TO AGENCY LEASE AGREEMENT DATED AS OF DECEMBER 1, 2020 BY AND BETWEEN THE DUPLI AND THE AGENCY.

WHEREAS, the New York State Industrial Development Agency Act, being Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended (hereinafter referred to as the “*Enabling Act*”) authorizes the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and furnish real and personal property, whether or not now in existence or under construction, which shall be suitable for, among others, manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease and to sell its projects, to charge and collect rent therefor, to issue its bonds or notes for the purpose of carrying out any of its corporate purposes and, as security for the payment of the principal and redemption price of, and interest on, any such bonds or notes, to mortgage any or all of its facilities and to pledge the revenues and receipts therefrom to the payment of such bonds or notes; and

WHEREAS, pursuant to and in accordance with the provisions of the Enabling Act, Chapter 641 of the 1979 Laws of the State of New York, as amended (said chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”) created the Agency for the benefit of the City of Syracuse (hereinafter referred to as the “*Municipality*”) and the inhabitants thereof; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an

approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, the authorized the Bifurcated Agreements to provide for the Ownership Structure such that the applicable Bifurcated Agreements for the Building 2 Project will govern the Building 2 Project consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, the Agency has leased the Land and Facility from Dupli pursuant to that certain company lease agreement dated as of July 1, 2017, as amended by the First Amendment to Company Lease Agreement, dated as of December 1, 2020, by and between Dupli and the Agency and that certain Dupli Building 2 Company Lease Agreement, dated as of December 1, 2020, by and among Dupli, 600 Franklin and the Agency (collectively, the "**Company Lease Agreement**"), obtained an interest in the Equipment pursuant to a bill of sale from Dupli to the Agency (the "**Dupli Bill of Sale**") and a bill of sale from 600 Franklin to the Agency (the "**600 Franklin Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**"), each dated as of December 1, 2020; and subleased the Project Facility back to the Company pursuant to that certain Agency Lease Agreement dated as of July 1, 2017, as amended by the First Amendment to Agency Lease, dated as of December 1, 2020, by and between the Agency and Dupli and that certain Dupli Building 2 Agency Lease Agreement dated as of December 1, 2020, by and among the Agency, Dupli and 600 Franklin (collectively, the "**Agency Lease Agreement**"), (the Company Lease Agreement, the Bill of Sale and the Agency Lease Agreement are hereinafter collectively referred to as the "**Lease Agreements**"); and

WHEREAS, the Company acknowledges that the award of this Agreement was conditioned upon the Company's commitment to reserving and renting twenty percent (20%) of the residential units in the Project for tenants at the annual 65% area median income rent limit for the City as

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan*
http://www.syr.gov/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%202001-06-2016.pdf

designated by US Department of Housing and Urban Development ("**HUD**"), inclusive of utilities, and published annually (the "**HUD Rates**") (collectively, the "**Rental Restrictions**"); and

WHEREAS, under the present provisions of the Act and Section 412-a of the Real Property Tax Law of the State of New York, the Agency is required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction or supervision or control; and

NOW, THEREFORE, in consideration of the matters above recited, the parties hereto formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I **REPRESENTATIONS AND WARRANTIES**

Section 1.00 Recitals.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

Section 1.01. Representations and Warranties by Agency

The Agency does hereby represent and warrant as follows:

(a) Existence and Power. The Agency has been duly established under the provisions of the Act and has the power to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder.

(b) Intentions. The Agency intends to acquire a leasehold interest in the Project Facility from the Company and to sublease the Project Facility back to the Company, all pursuant to the provisions of the Lease Agreements.

(c) Authorization. The Agency is authorized and has the corporate power under the Act, its by-laws and the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all the covenants and obligations on its part to be performed under and pursuant to this Agreement. By proper corporate action on the part of its members, the Agency has duly authorized the execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated.

(d) Validity. The Agency is not prohibited from entering into this Agreement and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by the terms, conditions or provisions of the Act, any other law, any order of any court or other agency or authority of government, or any agreement or instrument to which the Agency is a party or by which the Agency is bound, and this Agreement is a legal, valid and binding obligation of the Agency enforceable in accordance with its terms.

Section 1.02. Representations and Warranties by Company

Dupli and 156 Solar, each as noted or jointly as the Company, acknowledge, represent,

warrants and covenant to the Agency as follows:

(a) Existence. Each Dupli and 156 Solar is a New York limited liability company duly organized, validly existing and in good standing under the laws of the State of New York.

(b) Authorization. Each Dupli and 156 Solar is authorized and has the power under the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all covenants and obligations on its part to be performed under and pursuant to this Agreement. Each Dupli and Franklin has duly authorized the execution, delivery and performance of the Lease Agreements, this Agreement, and the other Company Documents (as that term is defined in the Agency Lease), and the consummation of the transactions therein and herein contemplated. Each Dupli and 156 Solar is not prohibited from entering into this Agreement and discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by (and the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby and the fulfillment of and compliance with the provisions of this Agreement will not conflict with or violate or constitute a breach of or a default under) the terms, conditions or provisions of its Articles of Organization, Operating Agreement or any other restriction or any law, rule, regulation or order of any court or other agency or authority of government, or any contractual limitation, restriction or outstanding indenture, deed of trust, mortgage, loan agreement, other evidence of indebtedness or any other agreement or instrument to which either Dupli or 156 Solar is a party or by which it or any of its property is bound, and Dupli or 156 Solar's discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement will neither be in conflict with or result in a breach of or constitute (with due notice and/or lapse of time) a default under any of the foregoing, nor result in the creation or imposition of any lien of any nature upon any of the property of Dupli and 156 Solar under the terms of any of the foregoing, and this Agreement is a legal, valid and binding obligation of Dupli and 156 Solar enforceable in accordance with its terms.

(c) Title. 156 Solar has valid and marketable fee title to the Project Facility, free and clear of all liens and encumbrances except for Permitted Encumbrances (as defined in the Lease Agreements).

(d) Membership Interests. For the term of this Agreement, Dupli shall hold 90% of the membership interests of 156 Solar and the tax credit investor shall hold 10% of such membership interests.

(e) Rental Restrictions. For the term of this Agreement, the Company shall comply with the Rental Restrictions as set forth herein.

(f) Governmental Consent. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental or public authority on the part of the Company is required as a condition to the execution, delivery or performance of this Agreement by the Company or as a condition to the validity of this Agreement.

(g) The obligations of the Company to make the payments required by this Agreement and to perform and observe any and all of the other covenants and agreements on its part contained

herein, including but not limited to the Rental Restrictions, are joint and several general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency.

ARTICLE II

COVENANTS AND AGREEMENTS

Section 2.01. Tax-Exempt Status of the Project Facility

(a) Assessment of the Project Facility. Pursuant to the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of ownership or control of the Project Facility by the Agency, and for so long thereafter as the Agency shall own or control the Project Facility, the Project Facility shall be entitled to an exemption upon the first available assessment roll of the Municipality prepared subsequent to the acquisition by the Agency of ownership or control of the Project Facility. The time of commencement of the Agency's exemption shall be controlled by the Municipality's taxable status date, in conformity with Section 412-a of the Real Property Tax Law. The Company will be required to pay to the Municipality all taxes and assessments lawfully levied and/or assessed against the Project Facility, in spite of the Agency's actual ownership or control of the Project Facility, until the Project Facility shall be entitled to exempt status on the tax roll of the Municipality. The Project Facility is currently exempt on the tax roll of the Municipality by reason of a 412-a exemption pursuant to the Original Lease Documents and such exemption shall continue uninterrupted upon the effective date of this Agreement.

(b) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. The Company will be required at all times to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

Section 2.02. Payments in Lieu of Taxes

(a) Agreement to Make Payments. The Company agrees that it shall make periodic payments in lieu of real property taxes in the amounts hereinafter provided. The said payments due to the Agency hereunder shall be paid by the Company, to the Municipality, on behalf of the Agency, by check made payable to "*Commissioner of Finance*". Upon receipt of the Company's payment, the Municipality, on behalf of the Agency, will disburse the appropriate portion of the said payment to the County of Onondaga and the Municipality, or such other taxing jurisdiction, pursuant to the Act. This Company obligation shall exist for so long as the Agency retains an interest in the Project Facility. In accordance with the Original PILOT Agreement the year 1 payment due for the City and School portion of the year 1 payment under **Exhibit "A"** commenced on July 1, 2018. Likewise, the year 1 payment due for the County and Water District portion of the year 1 payment under **Exhibit "A"** commenced on January 1, 2019. The balance of the payments due under this Agreement are set forth on **Exhibit "A"** attached hereto.

(b) Amount of Payments in Lieu of Taxes. Unless otherwise stated, the Company's agreed upon annual payment in lieu of tax hereunder shall be an amount determined by reference to

Exhibit “A”, attached hereto and made a part hereof. The payments in lieu of tax due, as set forth in **Exhibit “A”**, include any real property tax exemptions that might be afforded to 156 Solar if the Project Facility were owned by 156 Solar and not the Agency. As consideration for the benefits conferred on the Company pursuant to this Agreement, the Company hereby agrees to be bound by any determination by the City of Syracuse Board of Assessment Review resulting from a review of the assessment pertaining to the Project Facility and/or Additional Property throughout the term of this Agreement. The Company hereby agrees to waive any and all right to challenge or contest in a court of law (a “**Legal Challenge**”), those payments or the basis for those payments due pursuant to Exhibit “A.” It shall also be an event of default under Article IV of this Agreement should the Company bring a Legal Challenge on the Project Facility and/or Additional Property.

(c) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facilities, or any new or additional building shall be constructed on the real property described in **Exhibit “B”** that is in addition to the Facilities (such structural additions and additional buildings being hereinafter referred to as “**Additional Property**”), the Company agrees to make additional periodic payments in lieu of real property taxes (such additional payments being hereinafter collectively referred to as “**Additional Payments**”) to the Municipality on behalf of the Agency with respect to such Additional Property. Such Additional Payments shall be computed as follows:

By multiplying (1) the value placed on such Additional Property, as value is determined by the Municipality's assessor by (2) the tax rate or rates of the Municipality that would be applicable to such Additional Property if such Additional Property were owned or controlled by the Company and not the Agency; and (3) then reducing the amount so determined by the amounts of any properly acquired tax exemptions that would be afforded to the Company by the Municipality for such Additional Property as if it was owned or controlled by the Company and not the Agency.

(d) Revaluation. In the event of a real property assessment revaluation by the Municipality, the Company shall continue to make its payments in accordance with this Agreement; however, in the event that Exhibit “A” is no longer in effect, but payments are still being made hereunder for any reason, (including, but not limited to, the Agency still having an interest in the Project Facility), and would be effected by revaluation, each year's payments subsequent to such revaluation shall be adjusted to properly reflect revaluation, it being the intent of the parties that the level of payments following revaluation shall be equal to those payments contemplated by this Agreement.

(e) Damage or Destruction. In the event that all or substantially all of the Project Facility is damaged or destroyed, the Company shall continue to make the payments required by this Agreement for as long as the Agency shall own or control the Project Facility, without regard to such damage or destruction.

(f) Time of Payments. The Company agrees to pay the amounts due the Agency hereunder to the Municipality for each year of this Agreement, within the period that the Municipality allows payment of taxes levied in such calendar year without penalty. 156 Solar shall be entitled to receive receipts from the Municipality for such payments.

(g) Method of Payment. All payments by the Company hereunder shall be paid to the Municipality in lawful money of the United States of America, cash, money order or check.

Section 2.03. PILOT Statements

The Municipality and/or the Agency shall submit to 156 Solar written semi-annual statements specifying the amount and due date or dates of any payments due to the Agency hereunder. Each semi-annual PILOT statement shall be submitted to 156 Solar at the same time that tax statements/bills are mailed by the Municipality to the owners of privately owned property. Failure to receive a PILOT statement shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate PILOT Statement, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Municipality and the Agency and to have such a statement issued, and thereafter to make payment of the same no later than the due dates provided herein.

Section 2.04. Obligations of Agency

Requirement that Mortgagees Subordinate to Payments. The Agency and 156 Solar agree that any mortgages on the Project Facility, given by either of them, shall provide that the rights of the mortgagees thereunder shall be subordinate to this Agreement and to the right of the Municipality to receive payments in lieu of taxes pursuant to Article II hereof.

Section 2.05. Company to Furnish Information

The Company agrees to promptly comply with the reporting and information requirements of the Agency and the Act, and to promptly furnish the applicable information required or requested by the Agency and/or the State of New York. The Company further agrees to assist the Agency with the preparation of any reports, or answer any inquiries, required by the State of New York in connection with the Act or the Agency's participation in the Project.

In addition, during the Reporting Period (as defined in the Dupli Building 2 Agency Lease), the Company shall provide the reporting and certifications required relative to the Rental Restrictions as more fully set forth in Section 8.5 of the Dupli Building 2 Agency Lease. The Company acknowledges that failure to maintain and/or report on the Rental Restrictions as set forth herein and therein, shall give rise to the Agency's right to recapture all Recapture Amounts.

Section 2.06. Interest

(a) Agreement to Pay Interest on Missed Payments. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest thereon, to the extent permitted by law, at the greater of: **(i) eighteen per cent (18%) per annum; or (ii) the rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.**

(b) Maximum Legal Rate. It is the intent of the Agency, the Municipality, and the Company that in no event shall interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "*Maximum Legal Rate*"). Solely to the extent necessary to prevent interest under this Agreement from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled, and, if received by the Agency or Municipality, shall be refunded to 600 Franklin.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

Section 3.01. No Recourse; Limited Obligation of the Agency

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Agreement, or otherwise based on or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent, servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement. It is expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the Municipality, and neither the State of New York nor the Municipality shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (i) the Agency shall have been requested to do so in writing by 156 Solar and (ii) if compliance with such request is expected to result in the incurrence by the Agency (or any of its members, directors, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from 156 Solar security or indemnity satisfactory to the

Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

Section 4.01. Events of Default

Any one or more of the following events shall constitute an event of default under this Agreement, and the terms “*Event of Default*” or “*Default*” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement, the Lease Agreements or the Company Documents.

(b) Commencement by the Company of a Legal Challenge, as defined in Section 2.02(b), to those payments or the basis for those payments due pursuant to Exhibit “A.”

(c) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed under this Agreement (other than as referred to in paragraph (a) above), the Lease Agreements, or any other Company Document and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure hereunder, or with respect to the Lease Agreements, continuance of such failure for the duration of any applicable cure period set forth therein after receipt of any required notice thereunder.

(d) Any warranty, representation or other statement by or on behalf of the Company contained in this Agreement or the Lease Agreements shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement or the Lease Agreements.

(e) The Company violates any federal, state or local environmental law or allows or causes any Hazardous Materials (as Hazardous Materials is defined and described in any federal, state or local law) to be released at, on, to, into or from the Project Facility, except as permitted by the Lease Agreements or within the terms and conditions of a permit, certificate, license or other written approval of an authorized governmental body, and fails to remedy such violation within thirty (30) days; or if such failure cannot be cured within thirty (30) days, fails to commence a cure within thirty (30) days and thereafter diligently prosecute the cure thereof.

(f) The occurrence of any Event of Default or Default under this Agreement, the Lease Agreements or any other Company Documents.

(g) Failure of the Company to commence the construction, renovation, and equipping of the Project Facility within thirty days of receiving approval from the State Historic Preservation Office and National Parks Service of its historic designation (collectively, the “*Designation*”) and be completed within twelve months of such Designation and failure of the Company to complete the

Project Facility in accordance herewith and with the terms of the Agency Lease.

(h) Failure to maintain the Rental Restrictions and/or provide the required reporting relative thereto as set forth herein.

Section 4.02. Remedies on Company Default

Whenever any Event of Default under Section 4.01 shall have occurred and be continuing with respect to this Agreement, and/or the Company shall be in default under the Lease Agreements, the Agency may take whatever action at law or in equity, including but not limited to recapture in accordance with the Agency's Recapture Policy dated June 21, 2016 or pursuant to the terms of any Company Document, following applicable notice, as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement and/or the Lease Agreements. Notwithstanding anything herein to the contrary, if the Lease Agreements are terminated for any reason, this Agreement shall automatically terminate without any further notice or action required hereunder and the Project Facility shall immediately become taxable and revert to the tax roll.

The payment schedule contained in Exhibit "A" is for the benefit of 156 Solar and its Project Facility. In the event that the Company defaults hereunder, and the Lease Agreements cannot be terminated, and/or the Agency's participation in the Project and this Agreement is not or cannot be terminated, the Company, or any assignee, or successor shall no longer be entitled to make payments under this Agreement pursuant to Exhibit "A". In such an event, payments shall be made hereunder, for any remaining term of this Agreement, as if the Project Facility was privately owned and assessed and without any further regard to Exhibit "A".

Section 4.03. Recording of Lease Terminations and Other Documents

Whenever any Event of Default under Sections 4.01 shall have occurred and be continuing with respect to this Agreement or the Lease Agreements, the Agency may, upon notice to the Company provided for in this Agreement or the Lease Agreements, if any, terminate the Lease Agreements and record such termination or other necessary documents in the Onondaga County Clerk's Office, terminating the Agency's interest in the Project Facility thereby terminating this Agreement.

The recording of such a termination and any other documentation shall constitute delivery to, and acceptance of such, by the Company. In order to facilitate such a termination, the Company hereby appoints the Chair or the Vice Chair of the Agency as its agent for the purpose of executing and delivering all documents necessary to allow such termination by the Agency.

In the event that the Lease Agreements, for any reason, are extended by their terms, or for any reason this Agreement expires or terminates, but the Agency retains an interest or remains in title to the Project Facility, the Company shall continue to make payments in lieu of taxes to the Municipality, on behalf of the Agency, for as long as the Agency retains an interest in, or remains in title to, the Project Facility in accordance with Exhibit "A". Those payments shall be the equivalent of the real

property taxes that would be due on the Project Facility if it were owned by 156 Solar and the Agency had no interest therein. It is the intention of the parties hereto, that for so long as the Agency shall possess title to, or an interest in, the Property, the Company, or any permitted successors or assigns, shall make payments in lieu of taxes to the Municipality, on behalf of the Agency, that are either based upon Exhibit "A", or if Exhibit "A" is no longer applicable for any reason, are the equivalent of the real property taxes that would be due and owing if the Project Facility were privately owned and the Agency had no interest therein.

Section 4.04. Payment of Attorney's Fees and Expenses

If the Company should default in performing any of its obligations, covenants and agreements under this Agreement and the Agency or the Municipality should employ attorneys (whether in-house or outside counsel) or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency and/or the Municipality the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred.

Furthermore, should 156 Solar bring a Legal Challenge on the Project Facility and/or Additional Property during the term of this Agreement, and the Agency and/or the Municipality waives its right to declare a default under this Agreement in regard to such Legal Challenge, or such Legal Challenge is determined not to be a default of this Agreement by any Court of competent jurisdiction, 156 Solar agrees that in the event that 156 Solar is unsuccessful in its Legal Challenge, it will, on demand, pay to the Agency and/or the Municipality the reasonable fees and disbursements of any attorneys employed (whether in-house or outside counsel) for the defense of such Legal Challenge as well as such other reasonable expenses so incurred.

Section 4.05. Remedies; Waiver and Notice

(a) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(d) No Waiver. In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other

breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

(e) Recapture. Seek to recover all or some of the Recapture Amount in accordance with the Agency's Recapture Policy, the Agency Lease, the Project Agreement and this PILOT Agreement.

ARTICLE V **MISCELLANEOUS**

Section 5.01. Term of Agreement

(a) General. This Agreement shall become effective and the obligations of the Agency and the Company shall arise absolutely and unconditionally upon the execution and delivery of this Agreement. This Agreement shall terminate on the earliest to occur of: (i) the same date that the Dupli Building 2 Agency Lease Agreement terminates; (ii) on any earlier date permitted under the Dupli Building 2 Agency Lease Agreement; or (iii) upon the expiration on **June 30, 2033** of the PILOT Schedule set forth in **Exhibit "A"** hereto. In the event of a termination of the Agency's interest in the Project Facility, the Company's payments due hereunder shall be pro-rated to the extent necessary to allow the Municipality to issue a supplemental PILOT Statement based upon the Agency's transfer of ownership or control of the Project Facility to the Company, and the loss of the Agency's tax exemption on the said Project Facility.

(b) Conflict. In the event of a conflict between this Agreement or any of its terms on the one hand, and the Lease Agreements or any other Project documents on the other hand, the provisions most favorable to the Agency shall govern. The Agency and the Company agree that the Agency's participation in this Agreement is for the benefit of the Company and that the Municipality must receive payments from the Company hereunder, during the entire term of this Agreement and/or the Agency's ownership or control of the Project Facility.

Section 5.02. Company Acts

Where the Company is required to do or accomplish any act or thing hereunder, the Company may cause the same to be done or accomplished with the same force and effect as if done or accomplished by the Company.

Section 5.03. Amendment of Agreement

This Agreement may not be amended, changed, modified or altered unless such amendment, change, modification or alteration is in writing and signed by the Agency and the Company.

Section 5.04. Notices

All notices, certificates or other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient

or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

- (a) To the Agency:
City of Syracuse Industrial Development Agency
201 East Washington Street, 6th Floor
Syracuse, New York 13202
Attention: Chair

With a copy to:

Bousquet Holstein PLLC
110 West Fayette Street, Suite 1000
Syracuse, New York 13202
Attn: Susan R. Katzoff, Esq.

And to:
Corporation Counsel
City of Syracuse
233 East Washington Street, Room 300
Syracuse, New York 13202

- (b) To the Company:

156 Solar Street LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

And to:

Dupli Associates LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

With a copy to:

Lynn D'Elia Temes & Stanczyk LLC
100 Madison Street
Tower 1 – Suite 1905
Syracuse, New York 13202
Attn: Timothy M. Lynn, Esq.

The Agency and the Company may, by notice given hereunder to each of the others, designate any further or different addresses to which the subsequent notices, certificates or other communications to them shall be sent.

Section 5.05. Binding Effect

This Agreement shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

Section 5.06. Severability

If any article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this Agreement shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this Agreement shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

Section 5.07. Counterparts; Electronic Signatures

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

Section 5.08. Applicable Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding brought hereunder shall be in the State or Federal

Courts located in Onondaga County, New York.

Section 5.09. Assignment

This Agreement may not be assigned by the Company without the prior written consent of the Agency.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Agency and the Company have caused this Agreement to be executed in their respective names on the date first above written and the Company hereby acknowledges receipt and review of this Agreement, and consents to, and approves of, the terms and provisions contained herein.

Form of Syracuse Industrial Development Agency — Project Jobs Data [year]

From:

To: _____, CPAs

Re:

The following jobs information is furnished to you with regard to the above cited project:

A. Job Retention/Creation:

I. Construction Jobs:

Provide the name of your general contractor: _____.

Provide the address (including county) of your general contractor: _____.

Is the general contractor MWBE qualified? _____.

Is the general contractor Service-Disabled Veteran-Owned Business Enterprises (SDVOBE) qualified? _____.

For each contractor and/or sub-contractor, provide the following information for the reporting period:

Bid awarded to (Name/Address/County*)	Value of contract	MWBE (Yes/No)	SDVOBE (Yes/No)	Number of jobs (FTE)

***Must include county**

II. Permanent (non-construction) Jobs:

Number of FTEs retained at the Project prior to date of application: _____.

Number of FTEs created by the Project during the reporting calendar year (*exclusive of construction jobs*): _____.

Of the jobs created by the Project during the reporting year (*exclusive of construction jobs*) identify how many are in each of the following categories:

Professional/Managerial/Technical - includes jobs which involve skill or competence of extraordinary degree and may include supervisory responsibilities (examples: architect, engineer, accountant, scientist, medical doctor, financial manager, programmer). **Number of jobs created in reporting year** _____.

Skilled - includes jobs that require specific skill sets, education, training, and experience and are generally characterized by high education or expertise level (examples: electrician, computer operator, administrative assistant, carpenter, sales representative). **Number of jobs created in reporting year** _____.

Unskilled or Semi-Skilled - includes jobs that require little or no prior acquired skills and involve the performance of simple duties that require the exercise of little or no independent judgment (examples: general cleaner, truck driver, typist, gardener, parking lot attendant, line operator, messenger, information desk clerk, crop harvester, retail salesperson, security guard, telephone solicitor, file clerk). **Number of jobs created in reporting year** _____.

Identify:

the average annual salary range of the FTEs (*exclusive of construction jobs*) created during the reporting year: \$ _____.

the total number of jobs (*exclusive of construction jobs*) created by the Project from the date of application through the reporting date: _____.

the total number of jobs (retained and created, *but exclusive of construction jobs*) at the Project from the date of application through the reporting date: _____.

What is the annual average salary range of the FTEs (*exclusive of construction jobs*) created at the Project to date: \$ _____.

B. Geographical Hiring Data:

1. Construction jobs:

Of the construction jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

2. FTEs hired (*exclusive of construction jobs*)

Of the FTE jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

Provide the same information reflecting FTEs hired from the date of application through the reporting date at the Project.

**CITY OF SYRACUSE
INDUSTRIAL DEVELOPMENT AGENCY**

COMPANY LEASE AGREEMENT

DATED AS OF JULY 1, 2017

COMPANY LEASE AGREEMENT

THIS COMPANY LEASE AGREEMENT (the “*Company Lease*”), made and entered into as of July 1, 2017, by and between **DUPLI ASSOCIATES, LLC** (the “*Company*”), a limited liability company organized under the laws of the State of New York with an office at 1 Dupli Park Drive, Syracuse, New York 13204 and **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY** (the “*Agency*”), a corporate governmental agency constituting a body corporate and politic and a public benefit corporation of the State of New York, duly organized and existing under the laws of the State of New York, with an office at 201 East Washington Street, Syracuse, New York 13202.

WITNESSETH:

WHEREAS, Title 1 of Article 18-A of the New York General Municipal Law (the “*Enabling Act*”) was duly enacted into law as Chapter 1030 of the New York Laws of 1969; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages, and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip, and dispose of land and any buildings or other improvements, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, or industrial purposes, in order to advance the job opportunities, health, general prosperity, and economic welfare of the people of the State of New York and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease or sell any or all of its properties, to mortgage and pledge any or all of its properties, whether then owned or thereafter acquired, and to pledge the revenues and receipts from the lease or sale thereof; and

WHEREAS, the Agency was created pursuant to and in accordance with the provisions of the Enabling Act by Chapter 641 of the Laws of 1979 of the State of New York (collectively with the Enabling Act, the “*Act*”) and is empowered under the Act to undertake the Project (as hereinafter defined); and

WHEREAS, the Agency, by resolution adopted on May 16, 2017, agreed, at the request of the Company to undertake a project (the “*Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”), each in the City of Syracuse, New York (the foregoing collectively referred to as the “*Land*”); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the “*Facility*”); (iii) the acquisition and installation in and at Building of furniture, fixtures and equipment (the “*Equipment*” and together with the Land and the Facility,

the “*Project Facility*”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “*Financial Assistance*”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, the Company is the current owner of the Project Facility; and

WHEREAS, the Agency proposes to assist the Company’s acquisition, construction and equipping of the Project Facility, and grant the Financial Assistance to the Project by, among other things: (1) appointing the Company, or its designee, as its agent with respect to the Project Facility; (2) accepting a leasehold interest in the Land and Facility from the Company pursuant to this Company Lease and acquiring an interest in the Equipment pursuant to a bill of sale from the Company; and (3) subleasing the Project Facility to the Company pursuant to the Agency Lease; and

WHEREAS, the Agency now proposes to lease the Land and Facility from the Company pursuant to the terms and conditions set forth herein; and

WHEREAS, all things necessary to constitute this Company Lease a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution and delivery of this Company Lease have, in all respects, been duly authorized.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto hereby formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I

RECITALS AND DEFINITIONS

1.0 RECITALS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

1.1 DEFINITIONS.

For all purposes of this Company Lease and any agreement supplemental thereto, all defined terms indicated by the capitalization of the first letter of such term shall have the meanings specified in the Table of Definitions which is attached to the Agency Lease as Exhibit “C” thereto except as otherwise expressly defined herein or the context hereof otherwise requires.

1.2 INTERPRETATION.

In this Company Lease, unless the context otherwise requires:

(a) The terms “hereby,” “hereof,” “herein,” “hereunder,” and any similar terms as used in this Company Lease refer to this Company Lease; the term “heretofore” shall mean before and the term “hereafter” shall mean after the date of this Company Lease;

(b) Words of masculine gender shall mean and include correlative words of feminine and neuter genders, and words importing the singular number shall mean and include the plural number and vice versa; and

(c) Any certificates, letters, or opinions required to be given pursuant to this Company Lease shall mean a signed document attesting to or acknowledging the circumstances, representations, opinions of law, or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Company Lease.

ARTICLE II

DEMISE; PREMISES; TERM

2.1 DEMISE.

The Company hereby leases to the Agency, and the Agency hereby leases from the Company, the Land and the Facility for the stated term for the rents, covenants and conditions set forth herein subject only to the Permitted Encumbrances.

2.2 DESCRIPTION OF PREMISES LEASED.

The leased premises is the Land and the Facility described in the recitals of this Company Lease and as more fully described on **Exhibit “A”** attached hereto.

2.3 TERM.

The Project is leased for a term which shall commence as of July 1, 2017, and shall end on the expiration or earlier termination of the Agency Lease.

2.4 MANDATORY CONVEYANCE.

At the expiration of the term hereof or any extension thereof by mutual agreement, or as otherwise provided in the Agency Lease, this Company Lease shall automatically expire without any further action by the parties hereto. The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing, delivering and recording terminations of leases and bill of sale together with any other documents therewith and to take such other and further actions reasonably necessary to confirm the termination of the Agency’s interest in the Project, all at the Company’s sole cost and expense.

2.5 CONSIDERATION.

The Agency is paying to the Company concurrently with the execution hereof consideration of \$1.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Company.

2.6 REPRESENTATIONS AND COVENANTS OF THE COMPANY.

The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a limited liability company duly organized, validly existing and in good standing under the laws of New York, has the power to enter into this Company Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Company Lease and the other Company Documents.

(b) This Company Lease and the other Company Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Company, enforceable in accordance with their respective terms.

(c) The Company has a valid and enforceable fee interest in the Land and the Facility and shall remain and retain such interests for the term of this Company Lease unless otherwise consented to in writing by the Agency.

(d) Neither the execution and delivery of this Company Lease and the other Company Documents, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions thereof will:

(1) Result in a breach of, or conflict with any term or provision in, the Company's Articles of Organization and Operating Agreement;

(2) Require consent under (which has not been heretofore received) or result in a breach of or default under any credit agreement, indenture, purchase agreement, mortgage, deed of trust indenture, commitment, guaranty or other agreement or instrument to which the Company is a party or by which the Company or any of its property may be bound or affected; or

(3) Conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction, or decree of any Governmental Authority or court (domestic or foreign) having jurisdiction over the Company or any of the property of the Company.

(g) So long as the Agency holds an interest in the Project Facility, the Project Facility is and will continue to be a "project" (as such quoted term is defined in the Act), and the Company will not take any action (or omit to take any action required by the Company Documents or which the Agency, together with Agency's counsel, advise the Company in writing

should be taken), or allow any action to be taken, which action (or omission) would in any way cause the Project Facility not to constitute a “project” (as such quoted term is defined in the Act).

(h) The Company shall cause all notices as required by law to be given and shall comply or cause compliance with all laws, ordinances, municipal rules, and regulations and requirements of all Governmental Authorities applying to or affecting the construction, equipping and operation of the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company, were the owner of the Project Facility), and the Company will defend and save the Agency and its officers, members, agents (other than the Company), and employees harmless from all fines and penalties due to failure to comply therewith.

(i) The Company shall perform, or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency (which is within the control of the Company) under and pursuant to the Agency Lease, this Company Lease and the other Company Documents and shall defend, indemnify, and hold harmless the Agency and its members, officers, agents (other than the Company), servants and employees from and against every expense, liability, or claim arising out of the failure of the Company to fulfill its obligations under the provisions of this Section 2.6.

(j) The Company acknowledges, restates and affirms the obligations, representations, warranties and covenants set forth in Sections 2.2 and 11.12 of the Agency Lease as if fully set forth herein.

ARTICLE III

DISPUTE RESOLUTION

3.1 GOVERNING LAW.

This Company Lease shall be governed in all respects by the laws of the State of New York.

3.2 WAIVER OF TRIAL BY JURY.

THE COMPANY AND THE AGENCY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE ARISING UNDER THIS COMPANY LEASE, AND THIS PROVISION SHALL SURVIVE THE TERMINATION OF THIS COMPANY LEASE.

ARTICLE IV

MISCELLANEOUS CLAUSES

4.1 NOTICES.

All notices, certificates, and other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address

stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the Person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

(a) To the Agency:

City of Syracuse Industrial Development Agency

P.O. Box 11500
Syracuse, New York 13218

With a copy to:

McKenzie Hughes LLP
440 South Warren Street, Suite 400
Syracuse, New York 13202
Attn: Clayton Hale, Esq.

4.2 NO RECOURSE UNDER THIS COMPANY LEASE.

No provision, covenant or agreement contained herein, in any other agreement entered into in connection herewith, or any obligations herein imposed, upon the Agency, or any breach thereof, shall constitute or give rise to or impose upon the Agency, a debt or other pecuniary liability or a charge upon its general credit, and all covenants, stipulations, promises, agreements and obligations of the Agency contained in this Company Lease shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency, and not of any member, director, officer, employee or agent of the Agency in his individual capacity.

4.3 ENTIRE AGREEMENT.

This Company Lease contains the entire agreement between the parties and all prior negotiations and agreements are merged in this Company Lease. This Company Lease may not be changed, modified or discharged, in whole or in part, except by a written instrument executed by the party against whom enforcement of the change, modification or discharge is sought.

4.4 AGENCY REPRESENTATIONS.

The Company expressly acknowledges that neither the Agency nor the Agency's directors, members, employees or agents has made or is making, and the Company, in executing and delivering this Company Lease, is not relying upon warranties, representations, promises or statements, except to the extent that the same are expressly set forth in this Company Lease, and no rights, easements or licenses are or shall be acquired by the Company by implication or otherwise unless expressly set forth in this Company Lease.

4.5 BINDING EFFECT.

This Company Lease shall be binding upon and inure to the benefit of the parties, their respective successors and assigns.

4.6 PARAGRAPH HEADINGS.

Paragraph headings are for convenience only and shall not affect the construction or interpretation of this Company Lease.

4.7 CONSENT TO AGENCY LEASE; SUBORDINATION.

The Company hereby consents to the sublease by the Agency of the Project Facility to the Company pursuant to the Agency Lease. The Company acknowledges and agrees that this Company Lease and the Agency Lease shall be subordinate in all respects to the Mortgages.

4.8 HOLD HARMLESS PROVISIONS.

(a) The Company hereby releases the Agency and its members, officers, agents, and employees from, agree that the Agency and its members, officers, agents, and employees shall not be liable for, and agree to indemnify, defend, and hold the Agency and its members, officers, agents, and employees harmless from and against any and all claims arising as a result of the Agency's undertaking of the Project, including, but not limited to:

(1) Liability for loss or damage to Property or bodily injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project Facility, or arising by reason of or in connection with the occupation or the use thereof, or the presence on, in, or about the Project Facility;

(2) Liability arising from or expense incurred by the Agency's acquisition of a leasehold interest in the Project Facility and the subleasing of the Project Facility, including, without limiting the generality of the foregoing, all liabilities or claims arising as a result of the Agency's obligations under the Agency Lease, the Company Lease or the Mortgage;

(3) All claims arising from the exercise by the Company of the authority conferred upon it and performance of the obligations assumed under Article II hereof;

(4) All causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities, or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents, or employees.

The foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants, or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents, or employees by any employee of the Company, or any contractor of the Company, or anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Company such contractor under workers' compensation laws, disability benefit laws, or other employee benefit laws.

(c) Notwithstanding any other provisions of this Company Lease, the obligations of the Company pursuant to this Section 4.8 shall remain in full force and effect after the termination of the Agency Lease and this Company Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company), or employees, relating thereto.

(d) For purposes of this Section 4.8, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

4.9 NO RECOURSE; SPECIAL OBLIGATION.

The obligations and agreements of the Agency contained herein and in the other Agency Documents and in any other instrument or document executed in connection herewith or therewith, and any instrument or document supplemental hereto or thereto, shall be deemed the obligations and agreements of the Agency and not of any member, officer, agent, or employee of

the Agency in his individual capacity; and the members, officers, agents, and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. The obligations and agreements of the Agency contained herein or therein shall not constitute or give rise to an obligation of the State New York or of the City of Syracuse, and neither the State of New York nor the City of Syracuse shall be liable hereon or thereon. Further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived, and to be derived from, the lease, sale, or other disposition of the Project Facility, other than revenues derived from or constituting Unassigned Rights. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless:

(a) The party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and thirty (30) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or if compliance therewith would reasonably be expected to take longer than thirty (30) days, shall have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period; and

(b) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses; and

(c) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents, or employees shall be subject to potential liability, the party seeking such order or decree shall (1) agree to indemnify and hold harmless the Agency and its members, officers, agents, and employees against any liability incurred as a result of its compliance with such demand; and (2) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents, and employees against all liability expected to be incurred as a result of compliance with such request.

Any failure to provide notice, indemnity, or security to the Agency pursuant to this Section 4.9 shall not alter the full force and effect of any Event of Default under the Agency Lease.

(d) For purposes of this Section 4.9, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

4.10 MERGER OF AGENCY.

(a) Nothing contained in this Company Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to any other body corporate and politic and public instrumentality of the State of New York, or political subdivision thereof, which has the legal authority to perform the

obligations of the Agency hereunder, provided that upon any such consolidation, merger, or assignment, the due and punctual performance and observance of all the agreements and conditions of this Company Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public instrumentality or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests hereunder shall be assigned.

(b) As of the date of any such consolidation, merger, or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger, or assignment as the Company reasonably may request.

4.11 EXECUTION OF COUNTERPARTS.

This Company Lease may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

4.12 EVENT OF DEFAULT.

A default in the performance or the observance of any covenants, conditions, or agreements on the part of the Company in this Company Lease.

4.13 REMEDIES.

Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- 1) Terminate the Company Lease; or
- 2) Take any other action at law or in equity, which may appear necessary or desirable to collect any amounts then due, or thereafter to become due, hereunder.

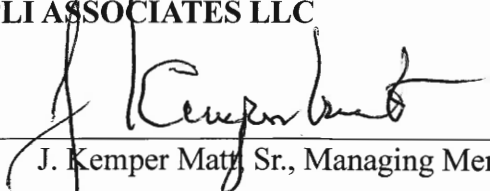

4.14 AMENDMENTS, CHANGES AND MODIFICATIONS.

This Company Lease may not be amended, changed, modified, altered, or terminated except by an instrument in writing signed by the parties hereto.

IN WITNESS WHEREOF, the Company and the Agency have duly executed this Company Lease, as of the day and year first above written.

EXHIBIT A

PARCEL A:

Parcel I:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a part of **Marsh Lots Nos. 37 and 38** of the Onondaga Salt Springs Reservation, and known and described upon a map made by R. Griffin, Jr., and on file in the Onondaga County Clerk's Office as Lots Nos. 26 and 28 in Block No. 461 (formerly 261). Said lots being each about **33 feet front** on Division Street and extending by parallel lines southerly to the south line of said tract about 150 feet, **be the same more or less.**

Parcel II:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being more specifically known as Lot No. 30, Block 461 (formerly 261), Syracuse. Said lot being 33 feet front on Division Street and extending by parallel lines in a southerly direction to the south line of said tract. Said lot having a depth of 145 feet, more less.

Parcel III:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, State of New York, County of Onondaga, being part of Lots 37 and 38 of the 15 Acre Marsh Lots **Salina** being known as Lot No. 32, Block No. 461, Syracuse, according to a map made by R. Griffin, Jr., on file in the Onondaga County Clerk's Office, said lot being 33 feet on Division Street extending by parallel lines in a southerly direction about 145 feet to the south line of said tract being the same more or less.

Parcel IV:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being part of Marsh Lots Nos. 37 and 38 of the Onondaga Salt Springs Reservation, and known and described upon a map made by R. Griffin, Jr., and on file in the Onondaga County Clerk's Office as Lot Number Thirty-Four in Block Number Four Hundred and Sixty-One (formerly 261) and lot being thirty-three feet front on Division Street, and extending by parallel lines southerly to the south line of said tract, be the same more or less, about one hundred forty feet deep.

Parcel V:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of March Lots Thirty-Eight (38) and Thirty-Nine (39) of the Onondaga Salt Springs Reservation, bounded and described as follows:

BEGINNING at the stone monument marking the intersection of the southerly line of West Division Street and the easterly line of Solar Street; running thence along the easterly line of Solar Street South 28° 09' 10" E. 144.35 feet to the south line of Block 461 extended marking the true point of beginning of the parcel hereafter described; thence along the southerly line of Block 461 North 61° 50' 50" E. a distance of 250.16 feet to a stake; thence along the center line of a brick wall and parallel to the westerly line of North Clinton Street South 28° 09' 10" E. 220.09 feet to lands owned by the New York Central and Hudson River Railroad Company acquired by deed recorded in the Onondaga County Clerk's Office June 8, 1905, in Book 360 of Deeds at Page 199; thence westerly along said lands of the New York Central and Hudson River Railroad Company to the east line of Solar Street; said course being more particularly described as follows: westerly along an arc to the left of radius 422.8 feet a distance of 65.66 feet to a point twelve and one-half (12'1/2) feet northerly from an iron rail monument measured at right angles to the southerly line of Marsh Lot No. 38; thence South 61° 50' 50" W. 112.73 feet parallel with said south line of said Marsh Lot No. 38; thence South 80° 59' 20" W. 76.21 feet to a point in the east line of Solar Street 33.41 feet northerly from the intersection of the south line of Marsh Lot 38 with the east line of Solar Street; thence North 28° 09' 10" W. along the east line of Solar Street 190.0 feet to the place of beginning.

TOGETHER WITH a right of way and easement for the passage of engines and cars over the following described premises situate in the City, County and State; beginning at the southeasterly corner of the foregoing described parcel at the intersection of the easterly line of said premises with the northerly line of said lands of the New York Central and Hudson River Railroad Company; thence North 28° 09' 10" W. 40 feet along the easterly line of the

foregoing premises; thence South 80° 28' 00" E.

97.93 feet to the point of intersection of said line with the arc of curve to the right of radius 422.8 feet, said arc being the northerly boundary of the said lands owned by the New York Central and Hudson River Railroad Company; thence southwesterly along said arc and along the northerly line of said land owned by the New York Central and Hudson River Railroad Company 80 feet to the place of beginning; together with the right and privilege to the second party at any time to enter upon the premises for the purposes of laying and maintaining, altering and repairing railroad tracks, switches and appliances thereon connecting with railroad tracks on the premises owned by the New York Central and Hudson River Railroad Company.

Parcel VI:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lots 37 and 38 of the Onondaga Salt Springs Reservation and known and described upon a map made by R. Griffin, Jr., as Lot 36 in Block Four Hundred and Sixty-One (formerly 261), said Lot being about forty-seven (47) feet front on Division Street and extending by parallel lines southerly to the south line of said tract about one hundred and forty (140) feet, be the same more or less.

Parcel VII:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lot Number Thirty-Eight and being more particularly described as follows:

BEGINNING at a stone monument at the point of intersection of the southerly line of West Division Street and the easterly line of Solar Street; thence southerly along the easterly line of Solar Street, one hundred and forty-four and one-tenth (144.1) feet to the northerly line of land belonging to the Syracuse Wall Paper Company; thence easterly along said northerly line about forty-two and three tenths (42.3) feet to the westerly line of the Walters Tract; thence northerly along said westerly line of the Walters Tract to the southerly line of said West Division Street; thence westerly along the southerly line of said West Division Street forty and twenty-two hundredths (40.22) feet to the place of beginning.

Also being described as **ALL THAT TRACT OR PARCEL OF LAND**, situate in the City of Syracuse, County of Onondaga and State of New York, more particularly described as follows:

BEGINNING at the intersection of the southerly line of West Division Street with the easterly line of Solar Street; running thence North 59° 47' 40" East a distance of 260.97 feet along the southerly line of Division Street to a point; thence South 28° 11' 35" East a distance of 153.70 feet to a point; thence South 61° 50' 50" West a distance of 10.79 feet to a point; thence South 28° 09' 10" East a distance of 220.09 feet to a point (said point being in a line of curve in the northerly line of lands of the New York Central and Hudson River Railroad); thence westerly and southerly on a curve to the left with a radius of 422.80 feet a distance of 65.66 feet along the northerly line of said railroad to a point of tangent; thence South 61° 50' 50" West a distance of 112.73 feet along the northerly line of said railroad to a point; thence South 80° 59' 20" West a distance of 76.21 feet along the northerly line of lands of said railroad to a point in the easterly line of Solar Street; thence North 28° 09' 10" West a distance of 334.35 feet along the easterly line of Solar Street to a point in the southerly line of West Division Street and the place of beginning.

The above described premises is more modernly and correctly described as follows:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a portion of Block No. 461 of said City of Syracuse being former Block 261 and being more particularly described as follows:

BEGINNING at the intersection formed by the easterly road boundary of Solar Street (60 feet wide) and the southerly road boundary of West Division Street (66 feet wide); thence N. 59° 57' 30" E. along the easterly road boundary of said West Division Street, a distance of 260.97 feet to its intersection with the westerly line of lands now or formerly owned by Robert Medina and Ted Kinder as recorded in the Onondaga County Clerk's Office in Book 3979 of Deeds a Page 126; thence S. 28° 01' 45" E. along the southerly line of said Medina and Kinder a distance of 153.70 feet to its intersection with the northerly line of lands now or formerly owned by Lakefront Lofts, LLC as recorded in the Onondaga County Clerk's Office in Book 5014 of Deeds at Page 582; thence S. 62° 00' 40" W. along the northerly line of said Lakefront Lofts, LLC a distance of 10.79 feet to the northwesterly corner of said Lakefront Lofts, LLC; thence S. 27° 59' 20" E. along the westerly line of said Lakefront Lofts, LLC a distance of

220.09 feet to a point; thence southwesterly on a curve to the left having a radius of 422.80 feet an arc distance of 65.66 feet to a point of tangency; thence S. 62° 00' 40" W. along the northerly line of lands now or formerly owned by Dupli Associates, LLC a distance of 112.73 feet to a point; thence S. 81° 09' 10" W. continuing along the northerly line of said Dupli Associates, LLC a distance of 76.21 feet to its intersection with the easterly road boundary of said Solar Street; thence N. 27° 59' 20" W. along the easterly road boundary of said Solar Street a distance of 334.35 feet to the point of beginning.

PARCEL B:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Salina Marsh Lot 39 in said City, being part of lands conveyed to Borden's Food Products Company, Inc. and/or Borden, Inc. by the following 3 deeds:

1. From Borden's Milk Products Company, Inc. dated January 4, 1936, and recorded in the Onondaga County Clerk's Office in Book of Deeds 800 at Page 192;
- 2 From James A. Jacobs and Susan Jacobs dated July 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 341;
3. From Woodstock Enterprises, Ltd. dated November 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 337;

and being more particularly described as follows:

BEGINNING at a drill hole set in the northeasterly boundary of Solar Street, said point being the most westerly corner of lands conveyed to Borden, Inc. to the City of Syracuse for public purposes by deed recorded in the Onondaga County Clerk's Office in Book 3507 at Page 168, said point also being 126.68 feet distant northwesterly, measured along said northeasterly street boundary, from its intersection with the northwesterly boundary of Plum Street; running thence N. 28° 09' 10" W. along said northeasterly boundary of Solar Street, a distance of 292.22 feet to a capped iron pin found at its intersection with the division line between said lands of Borden, Inc. on the south and lands of Syracuse Scale Co., Inc. (reputed owner) on the north; thence N. 80° 59' 20" E along said division line, a distance of 76.21 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along said division line, a distance of 112.76 feet to a capped iron pin found at a point of curvature; thence northeasterly continuing along said division line and along the division line between said lands of Borden, Inc. on the southeast and lands of 667 North Clinton Street Associates (reputed owner) on the northwest, following a curve to the right having a radius of 371.02 feet, a central angle of 12° 1' 48" and a chord bearing N. 67° 57' 44" E. 79.05 feet, an arc distance of 79.20 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along the last mentioned division line a distance of 330.83 feet to a lag bolt in concrete set at its intersection with the southwesterly boundary of North Clinton Street; thence S. 28° 09' 10" E. along said street boundary, a distance of 212.14 feet to a nail and flag in concrete found; thence S. 61° 50' 50" W. along the division line between said lands of Borden, Inc. on the northwest and lands of Franklin Square Housing Associates (reputed owner) on the southeast, a distance of 245.00 feet to a capped iron pin found; thence S. 28° 09' 10" E. continuing along said division line, a distance of 33.00 feet to a capped iron pin found; thence S. 61° 50' 50" W. continuing along said division line, a distance of 30.00 feet to a capped iron pin found at its intersection with the northeasterly boundary of North Franklin Street; thence N. 28° 09' 10" W. along said street boundary, a distance of 33.00 feet to a PK nail set at the most northerly corner of said North Franklin Street; thence S. 61° 50' 50" W. along the northwesterly boundary of North Franklin Street, a distance of 60.00 feet to a masonry anchor set at the most westerly corner thereof; thence S. 28° 09' 10" E. along the southwesterly boundary of said North Clinton Street, a distance of 46.67 feet to an iron pipe set at the most northerly corner of the aforementioned lands conveyed by Borden, Inc. to the City of Syracuse for public purposes; thence S. 61° 50' 50" W. along the northwesterly boundary of said lands, said boundary also being the northwesterly boundary of Gail Borden Drive, a distance of 259.18 feet to the point of beginning.

**MEMORANDUM OF
COMPANY LEASE AGREEMENT**

NAME AND ADDRESS OF LESSOR: Dupli Associates LLC
600 Franklin Street N to Solar Street
(a/k/a 1 Dupli Park Dr.)

EXHIBIT A

PARCEL A:

Parcel I:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a part of **Marsh Lots Nos. 37 and 38 of the Onondaga Salt Springs Reservation**, and known and described upon a map made by R. Griffin, Jr., and on file in the **Onondaga County Clerk's Office** as Lots Nos. 26 and 28 in Block No. 461 (formerly 261). Said lots being each about **33 feet front on Division Street** and extending by parallel lines southerly to the south line of said tract about 150 feet, **be the same more or less.**

Parcel II:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being more specifically known as Lot No. 30, Block 461 (formerly 261), Syracuse. Said lot being 33 feet front on Division Street and extending by parallel lines in a southerly direction to the south line of said tract. Said lot having a depth of 145 feet, more less.

Parcel III:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, State of New York, County of Onondaga, being part of Lots 37 and 38 of the 15 Acre Marsh Lots **Salina** being known as Lot No. 32, Block No. 461, Syracuse, according to a map made by R. Griffin, Jr., on file in the Onondaga County Clerk's Office, said lot being 33 feet on Division Street extending by parallel lines in a southerly direction about 145 feet to the south line of said tract being the same more or less.

Parcel IV:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being part of Marsh Lots Nos. 37 and 38 of the Onondaga Salt Springs Reservation, and known and described upon a map made by R. Griffin, Jr., and on file in the Onondaga County Clerk's Office as Lot Number Thirty-Four in Block Number Four Hundred and Sixty-One (formerly 261) and lot being thirty-three feet front on Division Street, and extending by parallel lines southerly to the south line of said tract, be the same more or less, about one hundred forty feet deep.

Parcel V:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lots Thirty-Eight (38) and Thirty-Nine (39) of the Onondaga Salt Springs Reservation, bounded and described as follows:

BEGINNING at the stone monument marking the intersection of the southerly line of West Division Street and the easterly line of Solar Street; running thence along the easterly line of Solar Street South 28° 09' 10" E. 144.35 feet to the south line of Block 461 extended marking the true point of beginning of the parcel hereafter described; thence along the southerly line of Block 461 North 61° 50' 50" E. a distance of 250.16 feet to a stake; thence along the center line of a brick wall and parallel to the westerly line of North Clinton Street South 28° 09' 10" E. 220.09 feet to lands owned by the New York Central and Hudson River Railroad Company acquired by deed recorded in the Onondaga County Clerk's Office June 8, 1905, in Book 360 of Deeds at Page 199; thence westerly along said lands of the New York Central and Hudson River Railroad Company to the east line of Solar Street; said course being more particularly described as follows: westerly along an arc to the left of radius 422.8 feet a distance of 65.66 feet to a point twelve and one-half (12'1/2) feet northerly from an iron rail monument measured at right angles to the southerly line of Marsh Lot No. 38; thence South 61° 50' 50" W. 112.73 feet parallel with said south line of said Marsh Lot No. 38; thence South 80° 59' 20" W. 76.21 feet to a point in the east line of Solar Street 33.41 feet northerly from the intersection of the south line of Marsh Lot 38 with the east line of Solar Street; thence North 28° 09' 10" W. along the east line of Solar Street 190.0 feet to the place of beginning.

TOGETHER WITH a right of way and easement for the passage of engines and cars over the following described premises situate in the City, County and State; beginning at the southeasterly corner of the foregoing described parcel at the intersection of the easterly line of said premises with the northerly line of said lands of the New York Central and Hudson River Railroad Company; thence North 28° 09' 10" W. 40 feet along the easterly line of the

foregoing premises; thence South 80° 28' 00" E.

97.93 feet to the point of intersection of said line with the arc of curve to the right of radius 422.8 feet, said arc being the northerly boundary of the said lands owned by the New York Central and Hudson River Railroad Company; thence southwesterly along said arc and along the northerly line of said land owned by the New York Central and Hudson River Railroad Company 80 feet to the place of beginning; together with the right and privilege to the second party at any time to enter upon the premises for the purposes of laying and maintaining, altering and repairing railroad tracks, switches and appliances thereon connecting with railroad tracks on the premises owned by the New York Central and Hudson River Railroad Company.

Parcel VI:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lots 37 and 38 of the Onondaga Salt Springs Reservation and known and described upon a map made by R. Griffin, Jr., as Lot 36 in Block Four Hundred and Sixty-One (formerly 261), said Lot being about forty-seven (47) feet front on Division Street and extending by parallel lines southerly to the south line of said tract about one hundred and forty (140) feet, be the same more or less.

Parcel VII:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lot Number Thirty-Eight and being more particularly described as follows:

BEGINNING at a stone monument at the point of intersection of the southerly line of West Division Street and the easterly line of Solar Street; thence southerly along the easterly line of Solar Street, one hundred and forty-four and one-tenth (144.1) feet to the northerly line of land belonging to the Syracuse Wall Paper Company; thence easterly along said northerly line about forty-two and three tenths (42.3) feet to the westerly line of the Walters Tract; thence northerly along said westerly line of the Walters Tract to the southerly line of said West Division Street; thence westerly along the southerly line of said West Division Street forty and twenty-two hundredths (40.22) feet to the place of beginning.

Also being described as **ALL THAT TRACT OR PARCEL OF LAND**, situate in the City of Syracuse, County of Onondaga and State of New York, more particularly described as follows:

BEGINNING at the intersection of the southerly line of West Division Street with the easterly line of Solar Street; running thence North 59° 47' 40" East a distance of 260.97 feet along the southerly line of Division Street to a point; thence South 28° 11' 35" East a distance of 153.70 feet to a point; thence South 61° 50' 50" West a distance of 10.79 feet to a point; thence South 28° 09' 10" East a distance of 220.09 feet to a point (said point being in a line of curve in the northerly line of lands of the New York Central and Hudson River Railroad); thence westerly and southerly on a curve to the left with a radius of 422.80 feet a distance of 65.66 feet along the northerly line of said railroad to a point of tangent; thence South 61° 50' 50" West a distance of 112.73 feet along the northerly line of said railroad to a point; thence South 80° 59' 20" West a distance of 76.21 feet along the northerly line of lands of said railroad to a point in the easterly line of Solar Street; thence North 28° 09' 10" West a distance of 334.35 feet along the easterly line of Solar Street to a point in the southerly line of West Division Street and the place of beginning.

The above described premises is more modernly and correctly described as follows:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a portion of Block No. 461 of said City of Syracuse being former Block 261 and being more particularly described as follows:

BEGINNING at the intersection formed by the easterly road boundary of Solar Street (60 feet wide) and the southerly road boundary of West Division Street (66 feet wide); thence N. 59° 57' 30" E. along the easterly road boundary of said West Division Street, a distance of 260.97 feet to its intersection with the westerly line of lands now or formerly owned by Robert Medina and Ted Kinder as recorded in the Onondaga County Clerk's Office in Book 3979 of Deeds a Page 126; thence S. 28° 01' 45" E. along the southerly line of said Medina and Kinder a distance of 153.70 feet to its intersection with the northerly line of lands now or formerly owned by Lakefront Lofts, LLC as recorded in the Onondaga County Clerk's Office in Book 5014 of Deeds at Page 582; thence S. 62° 00' 40" W. along the northerly line of said Lakefront Lofts, LLC a distance of 10.79 feet to the northwesterly corner of said Lakefront Lofts, LLC; thence S. 27° 59' 20" E. along the westerly line of said Lakefront Lofts, LLC a distance of

220.09 feet to a point; thence southwesterly on a curve to the left having a radius of 422.80 feet an arc distance of 65.66 feet to a point of tangency; thence S. 62° 00' 40" W. along the northerly line of lands now or formerly owned by Dupli Associates, LLC a distance of 112.73 feet to a point; thence S. 81° 09' 10" W. continuing along the northerly line of said Dupli Associates, LLC a distance of 76.21 feet to its intersection with the easterly road boundary of said Solar Street; thence N. 27° 59' 20" W. along the easterly road boundary of said Solar Street a distance of 334.35 feet to the point of beginning.

PARCEL B:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Salina Marsh Lot 39 in said City, being part of lands conveyed to Borden's Food Products Company, Inc. and/or Borden, Inc. by the following 3 deeds:

1. From Borden's Milk Products Company, Inc. dated January 4, 1936, and recorded in the Onondaga County Clerk's Office in Book of Deeds 800 at Page 192;
- 2 From James A. Jacobs and Susan Jacobs dated July 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 341;
3. From Woodstock Enterprises, Ltd. dated November 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 337;

and being more particularly described as follows:

BEGINNING at a drill hole set in the northeasterly boundary of Solar Street, said point being the most westerly corner of lands conveyed to Borden, Inc. to the City of Syracuse for public purposes by deed recorded in the Onondaga County Clerk's Office in Book 3507 at Page 168, said point also being 126.68 feet distant northwesterly, measured along said northeasterly street boundary, from its intersection with the northwesterly boundary of Plum Street; running thence N. 28° 09' 10" W. along said northeasterly boundary of Solar Street, a distance of 292.22 feet to a capped iron pin found at its intersection with the division line between said lands of Borden, Inc. on the south and lands of Syracuse Scale Co., Inc. (reputed owner) on the north; thence N. 80° 59' 20" E along said division line, a distance of 76.21 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along said division line, a distance of 112.76 feet to a capped iron pin found at a point of curvature; thence northeasterly continuing along said division line and along the division line between said lands of Borden, Inc. on the southeast an lands of 667 North Clinton Street Associates (reputed owner) on the northwest, following a curve to the right having a radius of 371.02 feet, a central angle of 12° 1' 48" and a chord bearing N. 67° 57' 44" E. 79.05 feet, an arc distance of 79.20 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along the last mentioned division line a distance of 330.83 feet to a lag bolt in concrete set at its intersection with the southwesterly boundary of North Clinton Street; thence S. 28° 09' 10" E. along said street boundary, a distance of 212.14 feet to a nail and flag in concrete found; thence S. 61° 50' 50" W. along the division line between said lands of Borden, Inc. on the northwest and lands of Franklin Square Housing Associates (reputed owner) on the southeast, a distance of 245.00 feet to a capped iron pin found; thence S. 28° 09' 10" E. continuing along said division line, a distance of 33.00 feet to a capped iron pin found; thence S. 61° 50' 50" W. continuing along said division line, a distance of 30.00 feet to a capped iron pin found at its intersection with the northeasterly boundary of North Franklin Street; thence N. 28° 09' 10" W. along said street boundary, a distance of 33.00 feet to a PK nail set at the most northerly corner of said North Franklin Street; thence S. 61° 50' 50" W. along the northwesterly boundary of North Franklin Street, a distance of 60.00 feet to a masonry anchor set at the most westerly corner thereof; thence S. 28° 09' 10" E. along the southwesterly boundary of said North Clinton Street, a distance of 46.67 feet to an iron pipe set at the most northerly corner of the aforementioned lands conveyed by Borden, Inc. to the City of Syracuse for public purposes; thence S. 61° 50' 50" W. along the northwesterly boundary of said lands, said boundary also being the northwesterly boundary of Gail Borden Drive, a distance of 259.18 feet to the point of beginning.

Part II – Computation of additional tax due on the conveyance of residential real property for \$1 million or more

- 1 Enter amount of consideration for conveyance (from Part I, line 1)
- 2 Taxable consideration (multiply line 1 by the percentage of the premises which is residential real property, as shown in Schedule A) ...
- 3 Total additional transfer tax due* (multiply line 2 by 1% (.01))

1.		
2.		
3.		

Part III – Explanation of exemption claimed on Part I, line 1 (check any boxes that apply)

The conveyance of real property is exempt from the real estate transfer tax for the following reason:

- a. Conveyance is to the United Nations, the United States of America, the state of New York, or any of their instrumentalities, agencies, or political subdivisions (or any public corporation, including a public corporation created pursuant to agreement or compact with another state or Canada)..... a
- b. Conveyance is to secure a debt or other obligation..... b
- c. Conveyance is without additional consideration to confirm, correct, modify, or supplement a prior conveyance..... c
- d. Conveyance of real property is without consideration and not in connection with a sale, including conveyances conveying realty as bona fide gifts d
- e. Conveyance is given in connection with a tax sale..... e
- f. Conveyance is a mere change of identity or form of ownership or organization where there is no change in beneficial ownership. (This exemption cannot be claimed for a conveyance to a cooperative housing corporation of real property comprising the cooperative dwelling or dwellings.) Attach Form TP-584.1, Schedule F..... f
- g. Conveyance consists of deed of partition..... g
- h. Conveyance is given pursuant to the federal Bankruptcy Act h
- i. Conveyance consists of the execution of a contract to sell real property, without the use or occupancy of such property, or the granting of an option to purchase real property, without the use or occupancy of such property i
- j. Conveyance of an option or contract to purchase real property with the use or occupancy of such property where the consideration is less than \$200,000 and such property was used solely by the grantor as the grantor’s personal residence and consists of a one-, two-, or three-family house, an individual residential condominium unit, or the sale of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold covering an individual residential cooperative apartment..... j
- k. Conveyance is not a conveyance within the meaning of Tax Law, Article 31, section 1401(e) (attach documents supporting such claim) k

*The total tax (from Part I, line 6 and Part II, line 3 above) is due within 15 days from the date conveyance. Please make check(s) payable to the county clerk where the recording is to take place. If the recording is to take place in the New York City boroughs of Manhattan, Bronx, Brooklyn, or Queens, make check(s) payable to the **NYC Department of Finance**. If a recording is not required, send this return and your check(s) made payable to the **NYS Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-5045.

Schedule C – Credit Line Mortgage Certificate (Tax Law, Article 11)

Complete the following only if the interest being transferred is a fee simple interest.

I (we) certify that: *(check the appropriate box)*

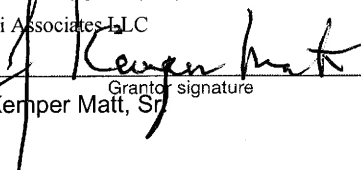

1. The real property being sold or transferred is not subject to an outstanding credit line mortgage.
2. The real property being sold or transferred is subject to an outstanding credit line mortgage. However, an exemption from the tax is claimed for the following reason:
 - The transfer of real property is a transfer of a fee simple interest to a person or persons who held a fee simple interest in the real property (whether as a joint tenant, a tenant in common or otherwise) immediately before the transfer.
 - The transfer of real property is (A) to a person or persons related by blood, marriage or adoption to the original obligor or to one or more of the original obligors or (B) to a person or entity where 50% or more of the beneficial interest in such real property after the transfer is held by the transferor or such related person or persons (as in the case of a transfer to a trustee for the benefit of a minor or the transfer to a trust for the benefit of the transferor).
 - The transfer of real property is a transfer to a trustee in bankruptcy, a receiver, assignee, or other officer of a court.
 - The maximum principal amount secured by the credit line mortgage is \$3,000,000 or more, and the real property being sold or transferred is **not** principally improved nor will it be improved by a one- to six-family owner-occupied residence or dwelling.

Please note: for purposes of determining whether the maximum principal amount secured is \$3,000,000 or more as described above, the amounts secured by two or more credit line mortgages may be aggregated under certain circumstances. See TSB-M-96(6)-R for more information regarding these aggregation requirements.

- Other *(attach detailed explanation)*.
3. The real property being transferred is presently subject to an outstanding credit line mortgage. However, no tax is due for the following reason:
 - A certificate of discharge of the credit line mortgage is being offered at the time of recording the deed.
 - A check has been drawn payable for transmission to the credit line mortgagee or his agent for the balance due, and a satisfaction of such mortgage will be recorded as soon as it is available.
 4. The real property being transferred is subject to an outstanding credit line mortgage recorded in _____ (insert liber and page or reel or other identification of the mortgage). The maximum principal amount of debt or obligation secured by the mortgage is _____. No exemption from tax is claimed and the tax of _____ is being paid herewith. *(Make check payable to county clerk where deed will be recorded or, if the recording is to take place in New York City but not in Richmond County, make check payable to the NYC Department of Finance.)*

Signature (both the grantor(s) and grantee(s) must sign)

The undersigned certify that the above information contained in schedules A, B, and C, including any return, certification, schedule, or attachment, is to the best of his/her knowledge, true and complete, and authorize the person(s) submitting such form on their behalf to receive a copy for purposes of recording the deed or other instrument effecting the conveyance.

Reminder: Did you complete all of the required information in Schedules A, B, and C? Are you required to complete Schedule D? If you checked e, f, or g in Schedule A, did you complete Form TP-584.1? Have you attached your check(s) made payable to the county clerk where recording will take place or, if the recording is in the New York City boroughs of Manhattan, Bronx, Brooklyn, or Queens, to the **NYC Department of Finance**? If no recording is required, send your check(s), made payable to the **Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-5045.

**FIRST AMENDMENT TO
COMPANY LEASE AGREEMENT**

THIS FIRST AMENDMENT TO COMPANY LEASE AGREEMENT (the “*First Amendment*”), made and entered into as of December 1, 2020, by and between **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (the “*Company*”) and **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY** (the “*Agency*”), a corporate governmental agency constituting a body corporate and politic and a public benefit corporation of the State of New York, duly organized and existing under the laws of the State of New York, with an office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202, amending that certain Company Lease Agreement dated as of July 1, 2017 by and between the Agency and the Company (the “*First Company Lease*” and together with this First Amendment, collectively the “*Original Company Lease*”).

WITNESSETH:

WHEREAS, the Agency is authorized and empowered by Title I of Article 18-A of the General Municipal Law of the State of New York (the “*State*”), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the “*Act*”), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, the Enabling Act further authorizes each such agency to acquire property by lease, lease any or all of its properties, to mortgage and pledge any or all of its properties, whether then owned or thereafter acquired, and to pledge the revenues and receipts from the lease thereof; and

WHEREAS, at the request of Dupli Associates, LLC (the “*Company*”), by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification number 118.-06-01.0) (the “*Building 2 Land*”), each in the City of Syracuse, New York (the “*City*”) (Building 1 Land together with Building 2 Land, collectively referred to as the “*Original Land*”); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing

gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Original Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, in July 2017, the Company and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Original Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, the Company and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, the First Agency Lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, by supplemental application dated February 4, 2020 (the "**Original Application**"), the Company requested the Agency revise the Original Project (the "**Project**") as follows: (A)(i) the continuation of an interest in the Original Land; (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Building 1 Facility**"); and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the AMI; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the "**Building 2 Facility**" and together with the Building 1 Facility, collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%20001-06-2016.pdf

Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Company Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 600 Franklin Owner LLC, the SPE for the Building 1 Project ("**600 Franklin**") and 156 Solar Street LLC ("**156 Solar**"), the SPE for the Building 2 Project. 600 Franklin will be a party to the Bifurcated Agreements for the Building 1 Project and 156 Solar will be a part to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, by resolution adopted October 20, 2020, the Agency authorized the Bifurcation Agreements to accommodate the Ownership Structure requirements; and

WHEREAS, this First Amendment is in accordance with Section 4.14 of the First Company Lease and reflects the amendments and other changes set forth herein; and

WHEREAS, the Company represents and warrants that there is no event of default under the First Company Lease or any other Company Document and all such documents are in full force and effect.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants herein set forth, and in accordance with Section 4.14 of the First Company Lease, as amended by this First Amendment, the Agency and the Company hereby agree as follows:

ARTICLE I RECITALS AND DEFINITIONS

1.0 RECITALS AND DEFINITIONS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow. Capitalized terms used but not otherwise defined herein shall have the meaning

ascribed thereto in that certain agency lease agreement dated as of July 1, 2017 by and between the Agency and the Company (the "**First Agency Lease**").

2.0 AMENDMENTS.

(a) The parties agree, as of and following the Effective Date hereof, to bifurcate the First Company Lease into two leases, each lease controlling the parties' rights and obligations with respect to a portion of the Project relative to *either* Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") or Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), as applicable, by: (i) executing and delivering the lease agreement attached hereto at **Exhibit "A"** continuing the parties' interests in the Building 1 Project, adding the applicable SPE as a party to the lease and evidencing each of the parties' rights and obligations with respect thereto (the "**Dupli Building 1 Company Lease**"); and (ii) executing and delivering the lease agreement attached hereto at **Exhibit "B"** continuing the parties' interests in the Building 2 Project, adding the applicable SPE as a party to the lease and evidencing each of the parties' and evidencing their rights and obligations with respect thereto (the "**Dupli Building 2 Company Lease**").

(b) Section 4.1(a) and (b) of the First Company Lease are deleted in their entirety and replaced with the following:

"(a) If to the Agency, to:

City of Syracuse Industrial Development Agency
201 East Washington Street, 6th Floor
Syracuse, New York 13202
Attn: Chairman

With a copy to:

Attn: Timothy M. Lynn, Esq.

3.0 RATIFICATION OF COMPANY LEASE.

1. The Agency and the Company agree that except as amended herein, all other terms, covenants and conditions of the First Company Lease are hereby ratified and confirmed and, as herein modified and amended, shall remain in full force and effect.

2. This First Amendment amends and supplements the First Company Lease as and to the extent set forth herein. This First Amendment forms a part of the First Company Lease and all the terms and conditions contained herein shall be deemed to be part of the terms and conditions of the First Company Lease for any and all purposes and the respective rights, duties and obligations under the First Company Lease of the Agency and the Company shall be determined, exercised and enforced under the First Company Lease, as supplemented and amended hereby. References to the Company Lease in the Agency and Company Documents shall be deemed to refer to the First Company Lease as amended and supplemented by this First Amendment and the First Company Lease, as so amended and supplemented hereby, shall be read, taken and construed as one in the same instrument. The Agency and the Company hereby ratify and confirm the terms, conditions and covenants set forth in the First Company Lease, as supplemented and amended hereby.

4.0 AUTHORITY.

Each of the Agency and the Company represent and warrant that it has the requisite power and authority to enter into and execute this First Amendment.

5.0 BINDING EFFECT.

This First Amendment shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

6.0 EFFECTIVE DATE.

This First Amendment shall be effective (the “*Effective Date*”) as of December 1, 2020.

7.0 INVALIDITY.

If any part, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this First Amendment shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such part, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this First Amendment shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

8.0 NON-RECOURSE.

1. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this First Amendment, the Company Documents and the other documents and instruments connected therewith and executed and delivered by the Agency shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, agent or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in the Company Documents or otherwise based upon or in respect of the Company Documents or any documents supplemental hereto or thereto, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent or employee, as such, of the Agency, or of any successor public benefit corporation or political subdivision, or any person executing the Company Documents either directly or through the Agency or any successor public benefit corporation or political subdivision, it being expressly understood that no such personal liability whatsoever shall attach to, or is or shall be incurred by, any such member, officer, agent or employee of the Agency or of any such successor public benefit corporation or political subdivision, or any person executing the Company Documents, because of or by reason of the obligations, covenants or agreements contained in any of the Company Documents or implied therefrom.

2. Nothing contained herein shall be construed to increase in any material respect the rights of the Agency under the Company Lease or decrease in any material respect the rights of the Agency thereunder.

9.0 EXECUTION.

This First Amendment may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

10.0 GOVERNING LAW.

This First Amendment shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding hereunder shall be in the respective State or Federal court located in Onondaga County.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

EXHIBIT "A"

DUPLI BUILDING 1 COMPANY LEASE AGREEMENT

DUPLI ASSOCIATES, LLC

AND

600 FRANKLIN OWNER LLC

AND

**CITY OF SYRACUSE
INDUSTRIAL DEVELOPMENT AGENCY**

COMPANY LEASE AGREEMENT

DATED AS OF DECEMBER 1, 2020

DUPLI BUILDING 1 COMPANY LEASE AGREEMENT

THIS DUPLI BUILDING 1 COMPANY LEASE AGREEMENT (the “*Dupli Building 1 Company Lease*”), is made and entered into as of December 1, 2020, by and among DUPLI ASSOCIATES LLC, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and 600 FRANKLIN OWNER LLC, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 (“*600 Franklin*” and together with Dupli, collectively, the “*Company*”) and CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY, a body corporate and politic and a public instrumentality of the State of New York, having its office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the “*Agency*”).

WITNESSETH:

WHEREAS, Title 1 of Article 18-A of the New York General Municipal Law (the “*Enabling Act*”) was duly enacted into law as Chapter 1030 of the New York Laws of 1969; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages, and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip, and dispose of land and any buildings or other improvements, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, or industrial purposes, in order to advance the job opportunities, health, general prosperity, and economic welfare of the people of the State of New York and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease or sell any or all of its properties, to mortgage and pledge any or all of its properties, whether then owned or thereafter acquired, and to pledge the revenues and receipts from the lease or sale thereof; and

WHEREAS, the Agency was created pursuant to and in accordance with the provisions of the Enabling Act by Chapter 641 of the Laws of 1979 of the State of New York (collectively with the Enabling Act, the “*Act*”) and is empowered under the Act to undertake the Project (as hereinafter defined); and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification number 118.-06-01.0) (the “*Building 2 Land*”), each in the City of Syracuse, New York (the “*City*”) (Building 1 Land together with Building 2 Land, collectively referred to as the “*Original*”).

Land"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 600 Franklin Owner LLC, the SPE for the Building 1 Project ("**600 Franklin**" and together with Dupli, collectively, the "**Company**"), 600 Franklin will be a party to the Bifurcated Agreements for the Building 1 Project; and

WHEREAS, by resolutions adopted April 21, 2020 and October 20, 2020, the Agency authorized the Bifurcated Agreements to accommodate the Ownership Structure such that the applicable Bifurcated Agreements for the Building 1 Project will govern the Building 1 Project consisting of: (A)(i) the continuation of an interest in 600 Franklin Street N. to Solar Street (a/k/a

1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^[1] (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 1 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 600 Franklin or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, 600 Franklin is the current owner of the Land and the Facility. For the duration of this Dupli Building 1 Company Lease Dupli shall maintain a ninety (90) percent ownership interest in 600 Franklin; and

WHEREAS, the Agency proposes to assist the Company's acquisition/continuation, construction and equipping of the Project Facility, and grant the Financial Assistance to the Project by, among other things: (1) appointing 600 Franklin, or its designee, as its agent with respect to undertaking and completing the Project Facility; (2) accepting a leasehold interest in the Land and Facility from the Company pursuant to this Dupli Building 1 Company Lease and acquiring an interest in the Equipment pursuant a bill of sale from each Dupli and 600 Franklin; and (3) subleasing the Project Facility to the Company pursuant to the Dupli Building 1 Agency Lease; and

WHEREAS, the Agency now proposes to lease, or continue its leasehold interest, in the Land and Facility from the Company pursuant to the terms and conditions set forth herein; and

WHEREAS, all things necessary to constitute this Dupli Building 1 Company Lease a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution and delivery of this Dupli Building 1 Company Lease have, in all respects, been duly authorized.

^[1] As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto hereby formally covenant, agree and bind themselves as follows, to wit:

**ARTICLE I
RECITALS AND DEFINITIONS**

1.0 RECITALS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

1.1 DEFINITIONS.

For all purposes of this Dupli Building 1 Company Lease and any agreement supplemental thereto, all defined terms indicated by the capitalization of the first letter of such term shall have the meanings specified in the Table of Definitions which is attached to the Dupli Building 1 Agency Lease Agreement dated as of December 1, 2020 between the Agency and the Company (the "*Dupli Building 1 Agency Lease*") as Exhibit "C" thereto except as otherwise expressly defined herein or the context hereof otherwise requires.

1.2 INTERPRETATION.

In this Dupli Building 1 Company Lease, unless the context otherwise requires:

(a) The terms "hereby," "hereof," "herein," "hereunder," and any similar terms as used in this Dupli Building 1 Company Lease refer to this Dupli Building 1 Company Lease; the term "heretofore" shall mean before and the term "hereafter" shall mean after the date of this Dupli Building 1 Company Lease;

(b) Words of masculine gender shall mean and include correlative words of feminine and neuter genders, and words importing the singular number shall mean and include the plural number and vice versa; and

(a) Any certificates, letters, or opinions required to be given pursuant to this Dupli Building 1 Company Lease shall mean a signed document attesting to or acknowledging the circumstances, representations, opinions of law, or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Dupli Building 1 Company Lease.

(b) Unless otherwise so indicated, the term Company shall refer jointly to 600 Franklin and Dupli.

**ARTICLE II
DEMISE; PREMISES; TERM**

2.1 DEMISE.

The Company hereby leases, or continues its lease, to the Agency, and the Agency hereby leases from the Company, the Land and the Facility for the stated term for the rents, covenants and conditions set forth herein subject only to the Permitted Encumbrances.

2.2 DESCRIPTION OF PREMISES LEASED.

The leased premises are the Land and the Facility described in the recitals of this Dupli Building 1 Company Lease and as more fully described on **Exhibit "A"** attached hereto.

2.3 TERM.

The Project is leased for a term which shall commence as of December 1, 2020 and shall end on the expiration or earlier termination of the Dupli Building 1 Agency Lease.

2.4 MANDATORY CONVEYANCE.

At the expiration of the term hereof or any extension thereof by mutual agreement, or as otherwise provided in the Dupli Building 1 Agency Lease, this Dupli Building 1 Company Lease shall automatically expire without any further action by the parties hereto. The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing, delivering and recording terminations of leases and bill of sale together with any other documents therewith and to take such other and further actions reasonably necessary to confirm the termination of the Agency's interest in the Project, all at the Company's sole cost and expense. At no time shall the Agency be required to determine, as amongst the Company, which entity has what interests, if any.

2.5 CONSIDERATION.

The Agency is paying to the Company concurrently with the execution hereof consideration of \$1.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Company.

2.6 REPRESENTATIONS AND COVENANTS OF THE COMPANY.

Dupli and 600 Franklin, each as noted or jointly as the Company, make the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) Dupli is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 1 Company Lease and the other Company Documents and to carry out its obligations

hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 1 Company Lease and the other Company Documents; and

(b) 600 Franklin is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 1 Company Lease and the other Franklin Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 1 Company Lease and the other Franklin Company Documents; and

(c) Each Dupli and 600 Franklin for itself represent and covenant that, for each respectively, this Dupli Building 1 Company Lease and the other applicable Company Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of Dupli and 600 Franklin enforceable in accordance with their respective terms; and

(d) Dupli has, contemporaneously with the execution and delivery hereof, transferred fee title of the Project Facility to 600 Franklin. During the term of the Dupli Building 1 Agency Lease, Dupli shall hold 90% of the membership interests in 600 Franklin; and

(e) 600 Franklin is the fee title owner of the Project Facility. 600 Franklin shall remain the fee owner of the Project Facility for the term of the Dupli Building 1 Agency Lease unless otherwise consented to in writing by the Agency; and

(f) For the duration of the term hereof, and in accordance with the Agency's Uniform Tax Exemption Policy ("*UTEP*"), the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by US Department of Housing and Urban Development ("*HUD*"), inclusive of utilities (the "*HUD Rates*") (collectively, the "*Rental Restrictions*"). Rental rates in the leases for these residential units must be tied to the annual HUD Rates. It is the Company's obligation to obtain the annual HUD Rates each year. Generally, the HUD Rates are published in or about June of each year; and

(g) Neither the execution and delivery of this Dupli Building 1 Company Lease and the other Company Documents, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions thereof will:

(1) Result in a breach of, or conflict with any term or provision in, Dupli's or 600 Franklin's Articles of Organization and Operating Agreement;

(2) Require consent under (which has not been heretofore received) or result in a breach of or default under any credit agreement, indenture, purchase agreement, mortgage, deed of trust, commitment, guaranty or other agreement or instrument to which either Dupli or 600 Franklin is a party or by which either Dupli or 600 Franklin or any of its respective property may be bound or affected; or

(3) Conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction, or decree of any Governmental Authority or court (domestic or foreign) having jurisdiction over the Company or any of the property of the Company.

(h) So long as the Agency holds an interest in the Project Facility, the Project Facility is and will continue to be a “project” (as such quoted term is defined in the Act), and the Company will not take any action (or omit to take any action required by the Company Documents or which the Agency, together with Agency’s counsel, advise the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way cause the Project Facility not to constitute a “project” (as such quoted term is defined in the Act).

(i) The Company shall cause all notices as required by law to be given and shall comply or cause compliance with all laws, ordinances, municipal rules, and regulations and requirements of all Governmental Authorities applying to or affecting the construction, equipping and operation of the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company, were the owner of the Project Facility), and the Company will defend and save the Agency and its officers, members, agents (other than the Company), and employees harmless from all fines and penalties due to failure to comply therewith.

(j) The Company shall perform, or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency (which is within the control of the Company) under and pursuant to the Dupli Building 1 Agency Lease, this Dupli Building 1 Company Lease and the other Company Documents and shall defend, indemnify, and hold harmless the Agency and its members, officers, agents (other than the Company), servants and employees from and against every expense, liability, or claim arising out of the failure of the Company to fulfill its obligations under the provisions of this Section 2.6.

(k) The Company acknowledges, restates and affirms the obligations, representations, warranties and covenants set forth in Sections 2.2 and 11.12 of the Dupli Building 1 Agency Lease as if fully set forth herein.

(l) The Company shall be jointly and severally liable hereunder.

ARTICLE III DISPUTE RESOLUTION

3.1 GOVERNING LAW.

This Dupli Building 1 Company Lease shall be governed in all respects by the laws of the State of New York.

3.2 WAIVER OF TRIAL BY JURY.

THE COMPANY AND THE AGENCY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE ARISING UNDER THIS COMPANY LEASE, AND THIS PROVISION SHALL SURVIVE THE TERMINATION OF THIS COMPANY LEASE.

**ARTICLE IV
MISCELLANEOUS CLAUSES**

4.1 NOTICES.

All notices, certificates, and other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the Person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

4.2 NO RECOURSE UNDER THIS COMPANY LEASE.

No provision, covenant or agreement contained herein, in any other agreement entered into in connection herewith, or any obligations herein imposed, upon the Agency, or any breach thereof, shall constitute or give rise to or impose upon the Agency, a debt or other pecuniary liability or a charge upon its general credit, and all covenants, stipulations, promises, agreements and obligations of the Agency contained in this Dupli Building 1 Company Lease shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency, and not of any member, director, officer, employee or agent of the Agency in his individual capacity.

4.3 ENTIRE AGREEMENT.

This Dupli Building 1 Company Lease contains the entire agreement between the parties and all prior negotiations and agreements are merged in this Dupli Building 1 Company Lease. This Dupli Building 1 Company Lease may not be changed, modified or discharged, in whole or in part, except by a written instrument executed by the party against whom enforcement of the change, modification or discharge is sought.

4.4 AGENCY REPRESENTATIONS.

The Company expressly acknowledges that neither the Agency nor the Agency's directors, members, employees or agents has made or is making, and the Company, in executing and delivering this Dupli Building 1 Company Lease, is not relying upon warranties, representations, promises or statements, except to the extent that the same are expressly set forth in this Dupli Building 1 Company Lease, and no rights, easements or licenses are or shall be acquired by the Company by implication or otherwise unless expressly set forth in this Dupli Building 1 Company Lease.

4.5 BINDING EFFECT.

This Dupli Building 1 Company Lease shall be binding upon and inure to the benefit of the parties, their respective successors and assigns.

4.6 PARAGRAPH HEADINGS.

Paragraph headings are for convenience only and shall not affect the construction or interpretation of this Dupli Building 1 Company Lease.

4.7 CONSENT TO AGENCY LEASE; SUBORDINATION.

The Company hereby consents to the sublease by the Agency of the Project Facility to the Company pursuant to the Dupli Building 1 Agency Lease. The Company acknowledges and agrees that this Dupli Building 1 Company Lease and the Dupli Building 1 Agency Lease shall be subordinate in all respects to the Mortgages.

4.8 HOLD HARMLESS PROVISIONS.

(a) The Company hereby releases the Agency and its members, officers, agents, and employees from, agree that the Agency and its members, officers, agents, and employees shall not be liable for, and agree to indemnify, defend, and hold the Agency and its members, officers, agents, and employees harmless from and against any and all claims arising as a result of the Agency's undertaking of the Project, including, but not limited to:

(1) Liability for loss or damage to Property or bodily injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project Facility, or arising by reason of or in connection with the occupation or the use thereof, or the presence on, in, or about the Project Facility;

(2) Liability arising from or expense incurred by the Agency's acquisition of a leasehold interest in the Project Facility and the subleasing of the Project Facility, including, without limiting the generality of the foregoing, all liabilities or claims arising as a result of the Agency's obligations under the Dupli Building 1 Agency Lease, the Company Lease or the Mortgage;

(3) All claims arising from the exercise by the Company of the authority conferred upon it and performance of the obligations assumed under Article II hereof;

(4) All causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities, or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents, or employees.

The foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants, or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents, or employees by any employee of the Company, or any contractor of the Company, or

anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Company such contractor under workers' compensation laws, disability benefit laws, or other employee benefit laws.

(c) Notwithstanding any other provisions of this Dupli Building 1 Company Lease, the obligations of the Company pursuant to this Section 4.8 shall remain in full force and effect after the termination of the Dupli Building 1 Agency Lease and this Dupli Building 1 Company Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company), or employees, relating thereto.

(d) For purposes of this Section 4.8, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

4.9 NO RECOURSE; SPECIAL OBLIGATION.

The obligations and agreements of the Agency contained herein and in the other Agency Documents and in any other instrument or document executed in connection herewith or therewith, and any instrument or document supplemental hereto or thereto, shall be deemed the obligations and agreements of the Agency and not of any member, officer, agent, or employee of the Agency in his individual capacity; and the members, officers, agents, and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. The obligations and agreements of the Agency contained herein or therein shall not constitute or give rise to an obligation of the State New York or of the City of Syracuse, and neither the State of New York nor the City of Syracuse shall be liable hereon or thereon. Further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived, and to be derived from, the lease, sale, or other disposition of the Project Facility, other than revenues derived from or constituting Unassigned Rights. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless:

(a) The party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and thirty (30) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or if compliance therewith would reasonably be expected to take longer than thirty (30) days, shall have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period; and

(b) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party

seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses; and

(c) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents, or employees shall be subject to potential liability, the party seeking such order or decree shall (1) agree to indemnify and hold harmless the Agency and its members, officers, agents, and employees against any liability incurred as a result of its compliance with such demand; and (2) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents, and employees against all liability expected to be incurred as a result of compliance with such request.

Any failure to provide notice, indemnity, or security to the Agency pursuant to this Section 4.9 shall not alter the full force and effect of any Event of Default under the Dupli Building 1 Agency Lease.

(d) For purposes of this Section 4.9, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

4.10 MERGER OF AGENCY.

(a) Nothing contained in this Dupli Building 1 Company Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to any other body corporate and politic and public instrumentality of the State of New York, or political subdivision thereof, which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger, or assignment, the due and punctual performance and observance of all the agreements and conditions of this Dupli Building 1 Company Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public instrumentality or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests hereunder shall be assigned.

(b) As of the date of any such consolidation, merger, or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger, or assignment as the Company reasonably may request.

4.11 COUNTERPARTS; ELECTRONIC SIGNATURE.

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall

be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

4.12 EVENT OF DEFAULT.

A default in the performance or the observance of any covenants, conditions, or agreements on the part of the Company in this Dupli Building 1 Company Lease, the Dupli Building 1 Agency Lease or the Project Agreement.

4.13 REMEDIES.

Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- 1) Terminate the Company Lease; or
- 2) Take any other action at law or in equity, which may appear necessary or desirable to collect any amounts then due, or thereafter to become due, hereunder.

4.14 AMENDMENTS, CHANGES AND MODIFICATIONS.

This Dupli Building 1 Company Lease may not be amended, changed, modified, altered, or terminated except by an instrument in writing signed by the parties hereto.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

DUPLI BUILDING 2 COMPANY LEASE AGREEMENT

DUPLI ASSOCIATES, LLC

AND

156 SOLAR STREET LLC

AND

**CITY OF SYRACUSE
INDUSTRIAL DEVELOPMENT AGENCY**

COMPANY LEASE AGREEMENT

DATED AS OF DECEMBER 1, 2020

DUPLI BUILDING 2 COMPANY LEASE AGREEMENT

THIS DUPLI BUILDING 2 COMPANY LEASE AGREEMENT (the “*Dupli Building 2 Company Lease*”), is made and entered into as of December 1, 2020, by and among DUPLI ASSOCIATES LLC, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and 156 SOLAR STREET LLC, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 (“*156 Solar*” and together with Dupli, collectively, the “*Company*”) and CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY, a body corporate and politic and a public instrumentality of the State of New York, having its office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the “*Agency*”).

WITNESSETH:

WHEREAS, Title 1 of Article 18-A of the New York General Municipal Law (the “*Enabling Act*”) was duly enacted into law as Chapter 1030 of the New York Laws of 1969; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages, and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip, and dispose of land and any buildings or other improvements, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, or industrial purposes, in order to advance the job opportunities, health, general prosperity, and economic welfare of the people of the State of New York and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease or sell any or all of its properties, to mortgage and pledge any or all of its properties, whether then owned or thereafter acquired, and to pledge the revenues and receipts from the lease or sale thereof; and

WHEREAS, the Agency was created pursuant to and in accordance with the provisions of the Enabling Act by Chapter 641 of the Laws of 1979 of the State of New York (collectively with the Enabling Act, the “*Act*”) and is empowered under the Act to undertake the Project (as hereinafter defined); and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification number 118.-06-01.0) (the “*Building 2 Land*”), each in the City of Syracuse, New York (the “*City*”) (Building 1 Land together with Building 2 Land, collectively referred to as the “*Original*”).

Land"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, by resolutions adopted April 21, 2020 and October 20, 2020, the Agency authorized the Bifurcated Agreements to accommodate the Ownership Structure such that the applicable Bifurcated Agreements for the Building 2 Project will govern the Building 2 Project

consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2'**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, 156 Solar is the current owner of the Land and the Facility. For the duration of this Dupli Building 2 Company Lease Dupli shall maintain a ninety (90) percent ownership interest in 156 Solar; and

WHEREAS, the Agency proposes to assist the Company's acquisition/continuation, construction and equipping of the Project Facility, and grant the Financial Assistance to the Project by, among other things: (1) appointing 156 Solar, or its designee, as its agent with respect to undertaking and completing the Project Facility; (2) accepting a leasehold interest in the Land and Facility from the Company pursuant to this Dupli Building 2 Company Lease and acquiring an interest in the Equipment pursuant a bill of sale from each Dupli and 156 Solar; and (3) subleasing the Project Facility to the Company pursuant to the Dupli Building 2 Agency Lease; and

WHEREAS, the Agency now proposes to lease, or continue its leasehold interest, in the Land and Facility from the Company pursuant to the terms and conditions set forth herein; and

WHEREAS, all things necessary to constitute this Dupli Building 2 Company Lease a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution and delivery of this Dupli Building 2 Company Lease have, in all respects, been duly authorized.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto hereby formally covenant, agree and bind themselves as follows, to wit:

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development [Syracuse Consolidated Plan](http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf)
http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

**ARTICLE I
RECITALS AND DEFINITIONS**

1.0 RECITALS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

1.1 DEFINITIONS.

For all purposes of this Dupli Building 2 Company Lease and any agreement supplemental thereto, all defined terms indicated by the capitalization of the first letter of such term shall have the meanings specified in the Table of Definitions which is attached to the Dupli Building 2 Agency Lease Agreement dated as of December 1, 2020 between the Agency and the Company (the "*Dupli Building 2 Agency Lease*") as Exhibit "C" thereto except as otherwise expressly defined herein or the context hereof otherwise requires.

1.2 INTERPRETATION.

In this Dupli Building 2 Company Lease, unless the context otherwise requires:

(a) The terms "hereby," "hereof," "herein," "hereunder," and any similar terms as used in this Dupli Building 2 Company Lease refer to this Dupli Building 2 Company Lease; the term "heretofore" shall mean before and the term "hereafter" shall mean after the date of this Dupli Building 2 Company Lease;

(b) Words of masculine gender shall mean and include correlative words of feminine and neuter genders, and words importing the singular number shall mean and include the plural number and vice versa; and

(a) Any certificates, letters, or opinions required to be given pursuant to this Dupli Building 2 Company Lease shall mean a signed document attesting to or acknowledging the circumstances, representations, opinions of law, or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Dupli Building 2 Company Lease.

(b) Unless otherwise so indicated, the term Company shall refer jointly to 156 Solar and Dupli.

**ARTICLE II
DEMISE; PREMISES; TERM**

2.1 DEMISE.

The Company hereby leases, or continues its lease, to the Agency, and the Agency hereby leases from the Company, the Land and the Facility for the stated term for the rents, covenants and conditions set forth herein subject only to the Permitted Encumbrances.

2.2 DESCRIPTION OF PREMISES LEASED.

The leased premises are the Land and the Facility described in the recitals of this Dupli Building 2 Company Lease and as more fully described on **Exhibit "A"** attached hereto.

2.3 TERM.

The Project is leased for a term which shall commence as of December 1, 2020 and shall end on the expiration or earlier termination of the Dupli Building 2 Agency Lease.

2.4 MANDATORY CONVEYANCE.

At the expiration of the term hereof or any extension thereof by mutual agreement, or as otherwise provided in the Dupli Building 2 Agency Lease, this Dupli Building 2 Company Lease shall automatically expire without any further action by the parties hereto. The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing, delivering and recording terminations of leases and bill of sale together with any other documents therewith and to take such other and further actions reasonably necessary to confirm the termination of the Agency's interest in the Project, all at the Company's sole cost and expense. At no time shall the Agency be required to determine, as amongst the Company, which entity has what interests, if any.

2.5 CONSIDERATION.

The Agency is paying to the Company concurrently with the execution hereof consideration of \$1.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Company.

2.6 REPRESENTATIONS AND COVENANTS OF THE COMPANY.

Dupli and 156 Solar, each as noted or jointly as the Company, make the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) Dupli is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 2 Company Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 2 Company Lease and the other Company Documents; and

(b) 156 Solar is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 2 Company Lease and the other Franklin Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 2 Company Lease and the other Franklin Company Documents; and

(c) Each Dupli and 156 Solar for itself represent and covenant that, for each respectively, this Dupli Building 2 Company Lease and the other applicable Company Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of Dupli and 156 Solar enforceable in accordance with their respective terms; and

(d) Dupli has, contemporaneously with the execution and delivery hereof, transferred fee title of the Project Facility to 156 Solar. During the term of the Dupli Building 2 Agency Lease, Dupli shall hold 90% of the membership interests in 156 Solar; and

(e) 156 Solar is the fee title owner of the Project Facility. 156 Solar shall remain the fee owner of the Project Facility for the term of the Dupli Building 2 Agency Lease unless otherwise consented to in writing by the Agency; and

(f) For the duration of the term hereof, and in accordance with the Agency's Uniform Tax Exemption Policy ("**UTEP**"), the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by US Department of Housing and Urban Development ("**HUD**"), inclusive of utilities (the "**HUD Rates**") (collectively, the "**Rental Restrictions**"). Rental rates in the leases for these residential units must be tied to the annual HUD Rates. It is the Company's obligation to obtain the annual HUD Rates each year. Generally, the HUD Rates are published in or about June of each year; and

(g) Neither the execution and delivery of this Dupli Building 2 Company Lease and the other Company Documents, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions thereof will:

(1) Result in a breach of, or conflict with any term or provision in, Dupli's or 156 Solar's Articles of Organization and Operating Agreement;

(2) Require consent under (which has not been heretofore received) or result in a breach of or default under any credit agreement, indenture, purchase agreement, mortgage, deed of trust, commitment, guaranty or other agreement or instrument to which either Dupli or 156 Solar is a party or by which either Dupli or 156 Solar or any of its respective property may be bound or affected; or

(3) Conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction, or decree of any Governmental Authority or court (domestic or foreign) having jurisdiction over the Company or any of the property of the Company.

(h) So long as the Agency holds an interest in the Project Facility, the Project Facility is and will continue to be a “project” (as such quoted term is defined in the Act), and the Company will not take any action (or omit to take any action required by the Company Documents or which the Agency, together with Agency’s counsel, advise the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way cause the Project Facility not to constitute a “project” (as such quoted term is defined in the Act).

(i) The Company shall cause all notices as required by law to be given and shall comply or cause compliance with all laws, ordinances, municipal rules, and regulations and requirements of all Governmental Authorities applying to or affecting the construction, equipping and operation of the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company, were the owner of the Project Facility), and the Company will defend and save the Agency and its officers, members, agents (other than the Company), and employees harmless from all fines and penalties due to failure to comply therewith.

(j) The Company shall perform, or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency (which is within the control of the Company) under and pursuant to the Dupli Building 2 Agency Lease, this Dupli Building 2 Company Lease and the other Company Documents and shall defend, indemnify, and hold harmless the Agency and its members, officers, agents (other than the Company), servants and employees from and against every expense, liability, or claim arising out of the failure of the Company to fulfill its obligations under the provisions of this Section 2.6.

(k) The Company acknowledges, restates and affirms the obligations, representations, warranties and covenants set forth in Sections 2.2 and 11.12 of the Dupli Building 2 Agency Lease as if fully set forth herein.

(l) The Company shall be jointly and severally liable hereunder.

ARTICLE III DISPUTE RESOLUTION

3.1 GOVERNING LAW.

This Dupli Building 2 Company Lease shall be governed in all respects by the laws of the State of New York.

3.2 WAIVER OF TRIAL BY JURY.

THE COMPANY AND THE AGENCY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE ARISING UNDER THIS COMPANY LEASE, AND THIS PROVISION SHALL SURVIVE THE TERMINATION OF THIS COMPANY LEASE.

**ARTICLE IV
MISCELLANEOUS CLAUSES**

4.1 NOTICES.

All notices, certificates, and other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the Person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

4.2 NO RECOURSE UNDER THIS COMPANY LEASE.

No provision, covenant or agreement contained herein, in any other agreement entered into in connection herewith, or any obligations herein imposed, upon the Agency, or any breach thereof, shall constitute or give rise to or impose upon the Agency, a debt or other pecuniary liability or a charge upon its general credit, and all covenants, stipulations, promises, agreements and obligations of the Agency contained in this Dupli Building 2 Company Lease shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency, and not of any member, director, officer, employee or agent of the Agency in his individual capacity.

4.3 ENTIRE AGREEMENT.

This Dupli Building 2 Company Lease contains the entire agreement between the parties and all prior negotiations and agreements are merged in this Dupli Building 2 Company Lease. This Dupli Building 2 Company Lease may not be changed, modified or discharged, in whole or in part, except by a written instrument executed by the party against whom enforcement of the change, modification or discharge is sought.

4.4 AGENCY REPRESENTATIONS.

The Company expressly acknowledges that neither the Agency nor the Agency's directors, members, employees or agents has made or is making, and the Company, in executing and delivering this Dupli Building 2 Company Lease, is not relying upon warranties, representations, promises or statements, except to the extent that the same are expressly set forth in this Dupli Building 2 Company Lease, and no rights, easements or licenses are or shall be acquired by the Company by implication or otherwise unless expressly set forth in this Dupli Building 2 Company Lease.

4.5 BINDING EFFECT.

This Dupli Building 2 Company Lease shall be binding upon and inure to the benefit of the parties, their respective successors and assigns.

4.6 PARAGRAPH HEADINGS.

Paragraph headings are for convenience only and shall not affect the construction or interpretation of this Dupli Building 2 Company Lease.

4.7 CONSENT TO AGENCY LEASE; SUBORDINATION.

The Company hereby consents to the sublease by the Agency of the Project Facility to the Company pursuant to the Dupli Building 2 Agency Lease. The Company acknowledges and agrees that this Dupli Building 2 Company Lease and the Dupli Building 2 Agency Lease shall be subordinate in all respects to the Mortgages.

4.8 HOLD HARMLESS PROVISIONS.

(a) The Company hereby releases the Agency and its members, officers, agents, and employees from, agree that the Agency and its members, officers, agents, and employees shall not be liable for, and agree to indemnify, defend, and hold the Agency and its members, officers, agents, and employees harmless from and against any and all claims arising as a result of the Agency's undertaking of the Project, including, but not limited to:

(1) Liability for loss or damage to Property or bodily injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project Facility, or arising by reason of or in connection with the occupation or the use thereof, or the presence on, in, or about the Project Facility;

(2) Liability arising from or expense incurred by the Agency's acquisition of a leasehold interest in the Project Facility and the subleasing of the Project Facility, including, without limiting the generality of the foregoing, all liabilities or claims arising as a result of the Agency's obligations under the Dupli Building 2 Agency Lease, the Company Lease or the Mortgage;

(3) All claims arising from the exercise by the Company of the authority conferred upon it and performance of the obligations assumed under Article II hereof;

(4) All causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities, or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents, or employees.

The foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants, or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents, or employees by any employee of the Company, or any contractor of the Company, or anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Company such contractor under workers' compensation laws, disability benefit laws, or other employee benefit laws.

(c) Notwithstanding any other provisions of this Dupli Building 2 Company Lease, the obligations of the Company pursuant to this Section 4.8 shall remain in full force and effect after the termination of the Dupli Building 2 Agency Lease and this Dupli Building 2 Company Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company), or employees, relating thereto.

(d) For purposes of this Section 4.8, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

4.9 NO RECOURSE; SPECIAL OBLIGATION.

The obligations and agreements of the Agency contained herein and in the other Agency Documents and in any other instrument or document executed in connection herewith or therewith, and any instrument or document supplemental hereto or thereto, shall be deemed the obligations and agreements of the Agency and not of any member, officer, agent, or employee of the Agency in his individual capacity; and the members, officers, agents, and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. The obligations and agreements of the Agency contained herein or therein shall not constitute or give rise to an obligation of the State New York or of the City of Syracuse, and neither the State of New York nor the City of Syracuse shall be liable hereon or thereon. Further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived, and to be derived from, the lease, sale, or other disposition of the Project Facility, other than revenues derived from or constituting Unassigned Rights. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless:

(a) The party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and thirty (30) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or if compliance therewith would reasonably be expected to take longer than thirty (30) days, shall have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period; and

(b) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses; and

(c) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents, or

employees shall be subject to potential liability, the party seeking such order or decree shall (1) agree to indemnify and hold harmless the Agency and its members, officers, agents, and employees against any liability incurred as a result of its compliance with such demand; and (2) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents, and employees against all liability expected to be incurred as a result of compliance with such request.

Any failure to provide notice, indemnity, or security to the Agency pursuant to this Section 4.9 shall not alter the full force and effect of any Event of Default under the Dupli Building 2 Agency Lease.

(d) For purposes of this Section 4.9, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

4.10 MERGER OF AGENCY.

(a) Nothing contained in this Dupli Building 2 Company Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to any other body corporate and politic and public instrumentality of the State of New York, or political subdivision thereof, which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger, or assignment, the due and punctual performance and observance of all the agreements and conditions of this Dupli Building 2 Company Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public instrumentality or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests hereunder shall be assigned.

(b) As of the date of any such consolidation, merger, or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger, or assignment as the Company reasonably may request.

4.11 COUNTERPARTS; ELECTRONIC SIGNATURE

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal

Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

4.12 EVENT OF DEFAULT.

A default in the performance or the observance of any covenants, conditions, or agreements on the part of the Company in this Dupli Building 2 Company Lease, the Dupli Building 2 Agency Lease or the Project Agreement.

4.13 REMEDIES.

Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- 1) Terminate the Company Lease; or
- 2) Take any other action at law or in equity, which may appear necessary or desirable to collect any amounts then due, or thereafter to become due, hereunder.

4.14 AMENDMENTS, CHANGES AND MODIFICATIONS.

This Dupli Building 2 Company Lease may not be amended, changed, modified, altered, or terminated except by an instrument in writing signed by the parties hereto.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Company and the Agency have duly executed this Dupli Building 2 Company Lease, as of the day and year first above written.

EXHIBIT "A"

LEGAL DESCRIPTION OF THE LAND

600 Franklin Street North to Solar Street

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Salina Marsh Lot 39 in said City, being part of lands conveyed to Borden's Food Products Company, Inc., and/or Borden, Inc. by the following 3 deeds:

1. from Borden's Milk Products Company, Inc. dated January 4, 1936 and recorded in Onondaga County Clerk's Office in Book of Deeds 800 at Page 192;
2. from James A. Jacobs and Susan Jacobs dated July 28, 1988 and recorded in Onondaga County Clerk's Office in Book 3496 of Deeds at Page 341;
3. from Woodstead Enterprises, LTD. dated November 28, 1988 and recorded in Onondaga County Clerk's Office in Book 3496 of Deeds at Page 337;

and being more particularly described as follows:

Beginning at a drill hole set in the northeasterly boundary of Solar Street, said point being the most westerly corner of lands conveyed by Borden, Inc. to the City of Syracuse for public purposes by deed recorded in Onondaga County Clerk's Office in Book 3507 at Page 168, said point also being 126.68 feet distant northwesterly, measured along said northeasterly street boundary, from its intersection with the northwesterly boundary of Plum Street; running thence N 28° 09' 10" W along said northeasterly boundary of Solar Street, a distance of 292.22 feet to a capped iron pin found at its intersection with the division line between said lands of Borden, Inc. on the south and lands of Syracuse Scale Co., Inc. (reputed owner) on the north; thence N 80° 59' 20" E along said division line, a distance of 76.21 feet to an iron pipe set; thence N 61° 50' 50" E, continuing along said division line, a distance of 112.76 feet to a capped iron pin found at a point of curvature; thence northeasterly, continuing along said division line and along the division line between said lands of Borden, Inc. on the southeast and lands of 667 N. Clinton Street Associates (reputed owner) on the northwest, following a curve to the right having a radius of 371.02 feet, a central angle of 12° 13' 48", and a chord bearing N 67° 57' 44" E, 79.05 feet, an arc distance of 79.20 feet to an iron pipe set; thence N 61° 50' 50" E, continuing along the last mentioned division line, a distance of 330.83 feet to a lag bolt in concrete set at its intersection with the southwesterly boundary of North Clinton Street; thence S 28° 09' 10" E along said street boundary, a distance of 212.14 feet to a nail and flag in concrete found; thence S 61° 50' 50" W along the division line between said lands of Borden, Inc. on the northwest and lands of Franklin Square Rousing Associates (reputed owner) on the southeast, a distance of 245.00 feet to a capped iron pin found; thence S 28° 09' 10" E continuing along said division line, a distance of 33.00 feet to a capped iron pin found; thence S 61° 50' 50" W continuing along said division line, a distance of 30.00 feet to a capped iron pin found at its intersection with the northeasterly boundary of North Franklin Street; thence N 28° 09' 10" W along said street boundary, a distance

of 33.00 feet to a PK nail set at the most northerly corner of said North Franklin Street; thence s 61° 50' 50" W along the northwesterly boundary of North Franklin Street, a distance of 60.00 feet to a masonry anchor set at the most westerly corner thereof; thence S 28° 09' 10" E along the southwesterly boundary of said North Clinton Street, a distance of 46.67 feet to an iron pipe set at the most northerly corner of the aforementioned lands conveyed by Borden, Inc. to the City of Syracuse for public purposes; thence s 61° 50' 50" w along the northwesterly boundary of said lands, said boundary also being the northwesterly boundary of Gail Borden Drive, a distance of 259.18 feet to the point of beginning.

156 Solar Street & Division Street West

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a portion of Block No. 461 of said City of Syracuse being former Block 261 and being more particularly described as follows:

BEGINNING at the intersection formed by the easterly road boundary of Solar Street (60 feet wide) and the southerly road boundary of West Division Street (66 feet wide); thence N. 59° 57' 30" E. along the easterly road boundary of said West Division Street, a distance of 260.97 feet to its intersection with the westerly line of lands now or formerly owned by Robert Medina and Ted Kinder as recorded in the Onondaga County Clerk's Office in Book 3979 of Deeds a Page 126; thence S. 28° 01' 45" E. along the southerly line of said Medina and Kinder a distance of 153.70 feet to its intersection with the northerly line of lands now or formerly owned by Lakefront Lofts, LLC as recorded in the Onondaga County Clerk's Office in Book 5014 of Deeds at Page 582; thence S. 62° 00' 40" W. along the northerly line of said Lakefront Lofts, LLC a distance of 10.79 feet to the northwesterly corner of said Lakefront Lofts, LLC; thence S. 27° 59' 20" E. along the westerly line of said Lakefront Lofts, LLC a distance of 220.09 feet to a point; thence southwesterly on a curve to the left having a radius of 422.80 feet an arc distance of 65.66 feet to a point of tangency; thence S. 62° 00' 40" W. along the northerly line of lands now or formerly owned by Dupli Associates, LLC a distance of 112.73 feet to a point; thence S. 81° 09' 10" W. continuing along the northerly line of said Dupli Associates, LLC a distance of 76.21 feet to its intersection with the easterly road boundary of said Solar Street; thence N. 27° 59' 20" W. along the easterly road boundary of said Solar Street a distance of 334.35 feet to the point of beginning.

Combined Real Estate Transfer Tax Return, Credit Line Mortgage Certificate, and Certification of Exemption from the Payment of Estimated Personal Income Tax

See Form TP-584-I, Instructions for Form TP-584, before completing this form. Print or type.

- 2 Continuing lien deduction (see instructions if property is taken subject to mortgage or lien)
- 3 Taxable consideration (subtract line 2 from line 1)
- 4 Tax: \$2 for each \$500, or fractional part thereof, of consideration on line 3
- 5 Amount of credit claimed for tax previously paid (see instructions and attach Form TP-584.1, Schedule G)
- 6 Total tax due* (subtract line 5 from line 4)

1.	0	00
2.	0	00
3.	0	00
4.	0	00
5.	0	00
6.	0	00

Part 2 – Computation of additional tax due on the conveyance of residential real property for \$1 million or more

- 1 Enter amount of consideration for conveyance (from Part 1, line 1)
- 2 Taxable consideration (multiply line 1 by the percentage of the premises which is residential real property, as shown in Schedule A) ...
- 3 Total additional transfer tax due* (multiply line 2 by 1% (.01))

1.		
2.		
3.		

Part 3 – Explanation of exemption claimed on Part 1, line 1 (mark an X in all boxes that apply)

The conveyance of real property is exempt from the real estate transfer tax for the following reason:

- a. Conveyance is to the United Nations, the United States of America, New York State, or any of their instrumentalities, agencies, or political subdivisions (or any public corporation, including a public corporation created pursuant to agreement or compact with another state or Canada) a
- b. Conveyance is to secure a debt or other obligation..... b
- c. Conveyance is without additional consideration to confirm, correct, modify, or supplement a prior conveyance..... c
- d. Conveyance of real property is without consideration and not in connection with a sale, including conveyances conveying realty as bona fide gifts..... d
- e. Conveyance is given in connection with a tax sale..... e
- f. Conveyance is a mere change of identity or form of ownership or organization where there is no change in beneficial ownership. (This exemption cannot be claimed for a conveyance to a cooperative housing corporation of real property comprising the cooperative dwelling or dwellings.) Attach Form TP-584.1, Schedule F f
- g. Conveyance consists of deed of partition..... g
- h. Conveyance is given pursuant to the federal Bankruptcy Act..... h
- i. Conveyance consists of the execution of a contract to sell real property, without the use or occupancy of such property, or the granting of an option to purchase real property, without the use or occupancy of such property..... i
- j. Conveyance of an option or contract to purchase real property with the use or occupancy of such property where the consideration is less than \$200,000 and such property was used solely by the grantor as the grantor's personal residence and consists of a one-, two-, or three-family house, an individual residential condominium unit, or the sale of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold covering an individual residential cooperative apartment..... j
- k. Conveyance is not a conveyance within the meaning of Tax Law, Article 31, § 1401(e) (attach documents supporting such claim) k

* The total tax (from Part 1, line 6 and Part 2, line 3 above) is due within 15 days from the date of conveyance. Make check(s) payable to the county clerk where the recording is to take place. For conveyances of real property within New York City, use Form TP-584-NYC. If a recording is not required, send this return and your check(s) made payable to the **NYS Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-0045. If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*.

Schedule C – Credit Line Mortgage Certificate (Tax Law Article 11)

Complete the following only if the interest being transferred is a fee simple interest.
This is to certify that: (mark an X in the appropriate box)

1. The real property being sold or transferred is not subject to an outstanding credit line mortgage.
2. The real property being sold or transferred is subject to an outstanding credit line mortgage. However, an exemption from the tax is claimed for the following reason:
 - a The transfer of real property is a transfer of a fee simple interest to a person or persons who held a fee simple interest in the real property (whether as a joint tenant, a tenant in common or otherwise) immediately before the transfer.
 - b The transfer of real property is (A) to a person or persons related by blood, marriage or adoption to the original obligor or to one or more of the original obligors or (B) to a person or entity where 50% or more of the beneficial interest in such real property after the transfer is held by the transferor or such related person or persons (as in the case of a transfer to a trustee for the benefit of a minor or the transfer to a trust for the benefit of the transferor).
 - c The transfer of real property is a transfer to a trustee in bankruptcy, a receiver, assignee, or other officer of a court.
 - d The maximum principal amount secured by the credit line mortgage is \$3 million or more, and the real property being sold or transferred is not principally improved nor will it be improved by a one- to six-family owner-occupied residence or dwelling.

Note: for purposes of determining whether the maximum principal amount secured is \$3 million or more as described above, the amounts secured by two or more credit line mortgages may be aggregated under certain circumstances. See TSB-M-98(6)-R for more information regarding these aggregation requirements.

 - e Other (attach detailed explanation).
3. The real property being transferred is presently subject to an outstanding credit line mortgage. However, no tax is due for the following reason:
 - a A certificate of discharge of the credit line mortgage is being offered at the time of recording the deed.
 - b A check has been drawn payable for transmission to the credit line mortgagee or mortgagee's agent for the balance due, and a satisfaction of such mortgage will be recorded as soon as it is available.
4. The real property being transferred is subject to an outstanding credit line mortgage recorded in _____ (insert liber and page or reel or other identification of the mortgage). The maximum principal amount of debt or obligation secured by the mortgage is _____. No exemption from tax is claimed and the tax of _____ is being paid herewith. (Make check payable to county clerk where deed will be recorded.)

Signature (both the grantors and grantees must sign)

The undersigned certify that the above information contained in Schedules A, B, and C, including any return, certification, schedule, or attachment, is to the best of their knowledge, true and complete, and authorize the person(s) submitting such form on their behalf to receive a copy for purposes of recording the deed or other instrument effecting the conveyance.

Schedule D – Certification of exemption from the payment of estimated personal income tax (Tax Law Article 22, § 663)

Complete the following only if a fee simple interest or a cooperative unit is being transferred by an individual or estate or trust.

If the property is being conveyed by a referee pursuant to a foreclosure proceeding, proceed to Part 2, mark an X in the second box under *Exemption for nonresident transferors/sellers*, and sign at bottom.

Part 1 – New York State residents

If you are a New York State resident transferor/seller listed in Form TP-584, Schedule A (or an attachment to Form TP-584), you must sign the certification below. If one or more transferor/seller of the real property or cooperative unit is a resident of New York State, each resident transferor/seller must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all resident transferors/sellers.

Certification of resident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller as signed below was a resident of New York State, and therefore is not required to pay estimated personal income tax under Tax Law § 663(a) upon the sale or transfer of this real property or cooperative unit.

Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date

Note: A resident of New York State may still be required to pay estimated tax under Tax Law § 685(c), but not as a condition of recording a deed.

Part 2 – Nonresidents of New York State

If you are a nonresident of New York State listed as a transferor/seller in Form TP-584, Schedule A (or an attachment to Form TP-584) but are not required to pay estimated personal income tax because one of the exemptions below applies under Tax Law § 663(c), mark an X in the box of the appropriate exemption below. If any one of the exemptions below applies to the transferor/seller, that transferor/seller is not required to pay estimated personal income tax to New York State under Tax Law § 663. Each nonresident transferor/seller who qualifies under one of the exemptions below must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all nonresident transferors/sellers.

If none of these exemption statements apply, you must complete Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*, or Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*. For more information, see *Payment of estimated personal income tax*, on Form TP-584-I, page 1.

Exemption for nonresident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller (grantor) of this real property or cooperative unit was a nonresident of New York State, but is not required to pay estimated personal income tax under Tax Law § 663 due to one of the following exemptions:

- The real property or cooperative unit being sold or transferred qualifies in total as the transferor's/seller's principal residence (within the meaning of Internal Revenue Code, section 121) from _____ Date _____ to _____ Date _____ (see instructions).
- The transferor/seller is a mortgagor conveying the mortgaged property to a mortgagee in foreclosure, or in lieu of foreclosure with no additional consideration.
- The transferor or transferee is an agency or authority of the United States of America, an agency or authority of New York State, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, or a private mortgage insurance company.

DATED AS OF DECEMBER 1, 2020

DUPLI BUILDING 2 COMPANY LEASE AGREEMENT

THIS DUPLI BUILDING 2 COMPANY LEASE AGREEMENT (the “*Dupli Building 2 Company Lease*”), is made and entered into as of December 1, 2020, by and among DUPLI ASSOCIATES LLC, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and 156 SOLAR STREET LLC, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 (“*156 Solar*” and together with Dupli, collectively, the “*Company*”) and CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY, a body corporate and politic and a public instrumentality of the State of New York, having its office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the “*Agency*”).

WITNESSETH:

WHEREAS, Title 1 of Article 18-A of the New York General Municipal Law (the “*Enabling Act*”) was duly enacted into law as Chapter 1030 of the New York Laws of 1969; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages, and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip, and dispose of land and any buildings or other improvements, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, or industrial purposes, in order to advance the job opportunities, health, general prosperity, and economic welfare of the people of the State of New York and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease or sell any or all of its properties, to mortgage and pledge any or all of its properties, whether then owned or thereafter acquired, and to pledge the revenues and receipts from the lease or sale thereof; and

WHEREAS, the Agency was created pursuant to and in accordance with the provisions of the Enabling Act by Chapter 641 of the Laws of 1979 of the State of New York (collectively with the Enabling Act, the “*Act*”) and is empowered under the Act to undertake the Project (as hereinafter defined); and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification number 118.-06-01.0) (the “*Building 2 Land*”), each in the City of Syracuse, New York (the “*City*”) (Building 1 Land together with Building 2 Land, collectively referred to as the “*Original*”).

Land"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, by resolutions adopted April 21, 2020 and October 20, 2020, the Agency authorized the Bifurcated Agreements to accommodate the Ownership Structure such that the applicable Bifurcated Agreements for the Building 2 Project will govern the Building 2 Project

consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, 156 Solar is the current owner of the Land and the Facility. For the duration of this Dupli Building 2 Company Lease Dupli shall maintain a ninety (90) percent ownership interest in 156 Solar; and

WHEREAS, the Agency proposes to assist the Company's acquisition/continuation, construction and equipping of the Project Facility, and grant the Financial Assistance to the Project by, among other things: (1) appointing 156 Solar, or its designee, as its agent with respect to undertaking and completing the Project Facility; (2) accepting a leasehold interest in the Land and Facility from the Company pursuant to this Dupli Building 2 Company Lease and acquiring an interest in the Equipment pursuant a bill of sale from each Dupli and 156 Solar; and (3) subleasing the Project Facility to the Company pursuant to the Dupli Building 2 Agency Lease; and

WHEREAS, the Agency now proposes to lease, or continue its leasehold interest, in the Land and Facility from the Company pursuant to the terms and conditions set forth herein; and

WHEREAS, all things necessary to constitute this Dupli Building 2 Company Lease a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution and delivery of this Dupli Building 2 Company Lease have, in all respects, been duly authorized.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto hereby formally covenant, agree and bind themselves as follows, to wit:

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development [Syracuse Consolidated Plan](http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf)
http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

**ARTICLE I
RECITALS AND DEFINITIONS**

1.0 RECITALS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

1.1 DEFINITIONS.

For all purposes of this Dupli Building 2 Company Lease and any agreement supplemental thereto, all defined terms indicated by the capitalization of the first letter of such term shall have the meanings specified in the Table of Definitions which is attached to the Dupli Building 2 Agency Lease Agreement dated as of December 1, 2020 between the Agency and the Company (the "*Dupli Building 2 Agency Lease*") as Exhibit "C" thereto except as otherwise expressly defined herein or the context hereof otherwise requires.

1.2 INTERPRETATION.

In this Dupli Building 2 Company Lease, unless the context otherwise requires:

(a) The terms "hereby," "hereof," "herein," "hereunder," and any similar terms as used in this Dupli Building 2 Company Lease refer to this Dupli Building 2 Company Lease; the term "heretofore" shall mean before and the term "hereafter" shall mean after the date of this Dupli Building 2 Company Lease;

(b) Words of masculine gender shall mean and include correlative words of feminine and neuter genders, and words importing the singular number shall mean and include the plural number and vice versa; and

(a) Any certificates, letters, or opinions required to be given pursuant to this Dupli Building 2 Company Lease shall mean a signed document attesting to or acknowledging the circumstances, representations, opinions of law, or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Dupli Building 2 Company Lease.

(b) Unless otherwise so indicated, the term Company shall refer jointly to 156 Solar and Dupli.

**ARTICLE II
DEMISE; PREMISES; TERM**

2.1 DEMISE.

The Company hereby leases, or continues its lease, to the Agency, and the Agency hereby leases from the Company, the Land and the Facility for the stated term for the rents, covenants and conditions set forth herein subject only to the Permitted Encumbrances.

2.2 DESCRIPTION OF PREMISES LEASED.

The leased premises are the Land and the Facility described in the recitals of this Dupli Building 2 Company Lease and as more fully described on **Exhibit "A"** attached hereto.

2.3 TERM.

The Project is leased for a term which shall commence as of December 1, 2020 and shall end on the expiration or earlier termination of the Dupli Building 2 Agency Lease.

2.4 MANDATORY CONVEYANCE.

At the expiration of the term hereof or any extension thereof by mutual agreement, or as otherwise provided in the Dupli Building 2 Agency Lease, this Dupli Building 2 Company Lease shall automatically expire without any further action by the parties hereto. The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing, delivering and recording terminations of leases and bill of sale together with any other documents therewith and to take such other and further actions reasonably necessary to confirm the termination of the Agency's interest in the Project, all at the Company's sole cost and expense. At no time shall the Agency be required to determine, as amongst the Company, which entity has what interests, if any.

2.5 CONSIDERATION.

The Agency is paying to the Company concurrently with the execution hereof consideration of \$1.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Company.

2.6 REPRESENTATIONS AND COVENANTS OF THE COMPANY.

Dupli and 156 Solar, each as noted or jointly as the Company, make the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) Dupli is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 2 Company Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 2 Company Lease and the other Company Documents; and

(b) 156 Solar is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 2 Company Lease and the other Franklin Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 2 Company Lease and the other Franklin Company Documents; and

(c) Each Dupli and 156 Solar for itself represent and covenant that, for each respectively, this Dupli Building 2 Company Lease and the other applicable Company Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of Dupli and 156 Solar enforceable in accordance with their respective terms; and

(d) Dupli has, contemporaneously with the execution and delivery hereof, transferred fee title of the Project Facility to 156 Solar. During the term of the Dupli Building 2 Agency Lease, Dupli shall hold 90% of the membership interests in 156 Solar; and

(e) 156 Solar is the fee title owner of the Project Facility. 156 Solar shall remain the fee owner of the Project Facility for the term of the Dupli Building 2 Agency Lease unless otherwise consented to in writing by the Agency; and

(f) For the duration of the term hereof, and in accordance with the Agency's Uniform Tax Exemption Policy ("**UTEP**"), the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by US Department of Housing and Urban Development ("**HUD**"), inclusive of utilities (the "**HUD Rates**") (collectively, the "**Rental Restrictions**"). Rental rates in the leases for these residential units must be tied to the annual HUD Rates. It is the Company's obligation to obtain the annual HUD Rates each year. Generally, the HUD Rates are published in or about June of each year; and

(g) Neither the execution and delivery of this Dupli Building 2 Company Lease and the other Company Documents, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions thereof will:

(1) Result in a breach of, or conflict with any term or provision in, Dupli's or 156 Solar's Articles of Organization and Operating Agreement;

(2) Require consent under (which has not been heretofore received) or result in a breach of or default under any credit agreement, indenture, purchase agreement, mortgage, deed of trust, commitment, guaranty or other agreement or instrument to which either Dupli or 156 Solar is a party or by which either Dupli or 156 Solar or any of its respective property may be bound or affected; or

(3) Conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction, or decree of any Governmental Authority or court (domestic or foreign) having jurisdiction over the Company or any of the property of the Company.

(h) So long as the Agency holds an interest in the Project Facility, the Project Facility is and will continue to be a “project” (as such quoted term is defined in the Act), and the Company will not take any action (or omit to take any action required by the Company Documents or which the Agency, together with Agency’s counsel, advise the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way cause the Project Facility not to constitute a “project” (as such quoted term is defined in the Act).

(i) The Company shall cause all notices as required by law to be given and shall comply or cause compliance with all laws, ordinances, municipal rules, and regulations and requirements of all Governmental Authorities applying to or affecting the construction, equipping and operation of the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company, were the owner of the Project Facility), and the Company will defend and save the Agency and its officers, members, agents (other than the Company), and employees harmless from all fines and penalties due to failure to comply therewith.

(j) The Company shall perform, or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency (which is within the control of the Company) under and pursuant to the Dupli Building 2 Agency Lease, this Dupli Building 2 Company Lease and the other Company Documents and shall defend, indemnify, and hold harmless the Agency and its members, officers, agents (other than the Company), servants and employees from and against every expense, liability, or claim arising out of the failure of the Company to fulfill its obligations under the provisions of this Section 2.6.

(k) The Company acknowledges, restates and affirms the obligations, representations, warranties and covenants set forth in Sections 2.2 and 11.12 of the Dupli Building 2 Agency Lease as if fully set forth herein.

(l) The Company shall be jointly and severally liable hereunder.

ARTICLE III DISPUTE RESOLUTION

3.1 GOVERNING LAW.

This Dupli Building 2 Company Lease shall be governed in all respects by the laws of the State of New York.

3.2 WAIVER OF TRIAL BY JURY.

THE COMPANY AND THE AGENCY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE ARISING UNDER THIS COMPANY LEASE, AND THIS PROVISION SHALL SURVIVE THE TERMINATION OF THIS COMPANY LEASE.

**ARTICLE IV
MISCELLANEOUS CLAUSES**

4.1 NOTICES.

All notices, certificates, and other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the Person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

4.2 NO RECOURSE UNDER THIS COMPANY LEASE.

No provision, covenant or agreement contained herein, in any other agreement entered into in connection herewith, or any obligations herein imposed, upon the Agency, or any breach thereof, shall constitute or give rise to or impose upon the Agency, a debt or other pecuniary liability or a charge upon its general credit, and all covenants, stipulations, promises, agreements and obligations of the Agency contained in this Dupli Building 2 Company Lease shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency, and not of any member, director, officer, employee or agent of the Agency in his individual capacity.

4.3 ENTIRE AGREEMENT.

This Dupli Building 2 Company Lease contains the entire agreement between the parties and all prior negotiations and agreements are merged in this Dupli Building 2 Company Lease. This Dupli Building 2 Company Lease may not be changed, modified or discharged, in whole or in part, except by a written instrument executed by the party against whom enforcement of the change, modification or discharge is sought.

4.4 AGENCY REPRESENTATIONS.

The Company expressly acknowledges that neither the Agency nor the Agency's directors, members, employees or agents has made or is making, and the Company, in executing and delivering this Dupli Building 2 Company Lease, is not relying upon warranties, representations, promises or statements, except to the extent that the same are expressly set forth in this Dupli Building 2 Company Lease, and no rights, easements or licenses are or shall be acquired by the Company by implication or otherwise unless expressly set forth in this Dupli Building 2 Company Lease.

4.5 BINDING EFFECT.

This Dupli Building 2 Company Lease shall be binding upon and inure to the benefit of the parties, their respective successors and assigns.

4.6 PARAGRAPH HEADINGS.

Paragraph headings are for convenience only and shall not affect the construction or interpretation of this Dupli Building 2 Company Lease.

4.7 CONSENT TO AGENCY LEASE; SUBORDINATION.

The Company hereby consents to the sublease by the Agency of the Project Facility to the Company pursuant to the Dupli Building 2 Agency Lease. The Company acknowledges and agrees that this Dupli Building 2 Company Lease and the Dupli Building 2 Agency Lease shall be subordinate in all respects to the Mortgages.

4.8 HOLD HARMLESS PROVISIONS.

(a) The Company hereby releases the Agency and its members, officers, agents, and employees from, and agree that the Agency and its members, officers, agents, and employees shall not be liable for, and agree to indemnify, defend, and hold the Agency and its members, officers, agents, and employees harmless from and against any and all claims arising as a result of the Agency's undertaking of the Project, including, but not limited to:

(1) Liability for loss or damage to Property or bodily injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project Facility, or arising by reason of or in connection with the occupation or the use thereof, or the presence on, in, or about the Project Facility;

(2) Liability arising from or expense incurred by the Agency's acquisition of a leasehold interest in the Project Facility and the subleasing of the Project Facility, including, without limiting the generality of the foregoing, all liabilities or claims arising as a result of the Agency's obligations under the Dupli Building 2 Agency Lease, the Company Lease or the Mortgage;

(3) All claims arising from the exercise by the Company of the authority conferred upon it and performance of the obligations assumed under Article II hereof;

(4) All causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities, or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents, or employees.

The foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants, or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents, or employees by any employee of the Company, or any contractor of the Company, or anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Company such contractor under workers' compensation laws, disability benefit laws, or other employee benefit laws.

(c) Notwithstanding any other provisions of this Dupli Building 2 Company Lease, the obligations of the Company pursuant to this Section 4.8 shall remain in full force and effect after the termination of the Dupli Building 2 Agency Lease and this Dupli Building 2 Company Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company), or employees, relating thereto.

(d) For purposes of this Section 4.8, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

4.9 NO RECOURSE; SPECIAL OBLIGATION.

The obligations and agreements of the Agency contained herein and in the other Agency Documents and in any other instrument or document executed in connection herewith or therewith, and any instrument or document supplemental hereto or thereto, shall be deemed the obligations and agreements of the Agency and not of any member, officer, agent, or employee of the Agency in his individual capacity; and the members, officers, agents, and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. The obligations and agreements of the Agency contained herein or therein shall not constitute or give rise to an obligation of the State New York or of the City of Syracuse, and neither the State of New York nor the City of Syracuse shall be liable hereon or thereon. Further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived, and to be derived from, the lease, sale, or other disposition of the Project Facility, other than revenues derived from or constituting Unassigned Rights. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless:

(a) The party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and thirty (30) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or if compliance therewith would reasonably be expected to take longer than thirty (30) days, shall have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period; and

(b) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses; and

(c) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents, or

employees shall be subject to potential liability, the party seeking such order or decree shall (1) agree to indemnify and hold harmless the Agency and its members, officers, agents, and employees against any liability incurred as a result of its compliance with such demand; and (2) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents, and employees against all liability expected to be incurred as a result of compliance with such request.

Any failure to provide notice, indemnity, or security to the Agency pursuant to this Section 4.9 shall not alter the full force and effect of any Event of Default under the Dupli Building 2 Agency Lease.

(d) For purposes of this Section 4.9, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

4.10 MERGER OF AGENCY.

(a) Nothing contained in this Dupli Building 2 Company Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to any other body corporate and politic and public instrumentality of the State of New York, or political subdivision thereof, which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger, or assignment, the due and punctual performance and observance of all the agreements and conditions of this Dupli Building 2 Company Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public instrumentality or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests hereunder shall be assigned.

(b) As of the date of any such consolidation, merger, or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger, or assignment as the Company reasonably may request.

4.11 COUNTERPARTS; ELECTRONIC SIGNATURE

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal

Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

4.12 EVENT OF DEFAULT.

A default in the performance or the observance of any covenants, conditions, or agreements on the part of the Company in this Dupli Building 2 Company Lease, the Dupli Building 2 Agency Lease or the Project Agreement.

4.13 REMEDIES.

Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- 1) Terminate the Company Lease; or
- 2) Take any other action at law or in equity, which may appear necessary or desirable to collect any amounts then due, or thereafter to become due, hereunder.

4.14 AMENDMENTS, CHANGES AND MODIFICATIONS.

This Dupli Building 2 Company Lease may not be amended, changed, modified, altered, or terminated except by an instrument in writing signed by the parties hereto.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Company and the Agency have duly executed this Dupli Building 2 Company Lease, as of the day and year first above written.

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a portion of Block No. 461 of said City of Syracuse being former Block 261 and being more particularly described as follows:

BEGINNING at the intersection formed by the easterly road boundary of Solar Street (60 feet wide) and the southerly road boundary of West Division Street (66 feet wide); thence N. 59° 57' 30" E. along the easterly road boundary of said West Division Street, a distance of 260.97 feet to its intersection with the westerly line of lands now or formerly owned by Robert Medina and Ted Kinder as recorded in the Onondaga County Clerk's Office in Book 3979 of Deeds a Page 126; thence S. 28° 01' 45" E. along the southerly line of said Medina and Kinder a distance of 153.70 feet to its intersection with the northerly line of lands now or formerly owned by Lakefront Lofts, LLC as recorded in the Onondaga County Clerk's Office in Book 5014 of Deeds at Page 582; thence S. 62° 00' 40" W. along the northerly line of said Lakefront Lofts, LLC a distance of 10.79 feet to the northwesterly corner of said Lakefront Lofts, LLC; thence S. 27° 59' 20" E. along the westerly line of said Lakefront Lofts, LLC a distance of 220.09 feet to a point; thence southwesterly on a curve to the left having a radius of 422.80 feet an arc distance of 65.66 feet to a point of tangency; thence S. 62° 00' 40" W. along the northerly line of lands now or formerly owned by Dupli Associates, LLC a distance of 112.73 feet to a point; thence S. 81° 09' 10" W. continuing along the northerly line of said Dupli Associates, LLC a distance of 76.21 feet to its intersection with the easterly road boundary of said Solar Street; thence N. 27° 59' 20" W. along the easterly road boundary of said Solar Street a distance of 334.35 feet to the point of beginning.

Combined Real Estate Transfer Tax Return, Credit Line Mortgage Certificate, and Certification of Exemption from the Payment of Estimated Personal Income Tax

See Form TP-584-I, Instructions for Form TP-584, before completing this form. Print or type.

Schedule A - Information relating to conveyance

Form with sections for Grantor/Transferor and Grantee/Transferee, including fields for Name, Mailing address, City, State, ZIP code, and Social Security number (SSN).

Location and description of property conveyed

Table with 5 columns: Tax map designation, SWIS code, Street address, City, town, or village, and County. Row 1: 118.-06-01.0, 311500, 156 Solar Street, Syracuse, Onondaga.

Type of property conveyed (mark an X in applicable box)

Form with checkboxes for property types (One- to three-family house, Residential cooperative, etc.) and a date of conveyance field (12/01/2020).

Condition of conveyance (mark an X in all that apply)

Form with multiple checkboxes (a-s) describing conditions of conveyance such as 'Conveyance of fee interest', 'Leasehold grant', etc.

Table for recording officer's use with columns: Amount received, Date received, and Transaction number. Includes sub-rows for Schedule B, Part 1 and Part 2.

Schedule B – Real estate transfer tax return (Tax Law Article 31)

Part 1 – Computation of tax due

- 1 Enter amount of consideration for the conveyance (if you are claiming a total exemption from tax, mark an X in the Exemption claimed box, enter consideration and proceed to Part 3) Exemption claimed
- 2 Continuing lien deduction (see instructions if property is taken subject to mortgage or lien)
- 3 Taxable consideration (subtract line 2 from line 1)
- 4 Tax: \$2 for each \$500, or fractional part thereof, of consideration on line 3
- 5 Amount of credit claimed for tax previously paid (see instructions and attach Form TP-584.1, Schedule G)
- 6 Total tax due* (subtract line 5 from line 4)

1.	0	00
2.	0	00
3.	0	00
4.	0	00
5.	0	00
6.	0	00

Part 2 – Computation of additional tax due on the conveyance of residential real property for \$1 million or more

- 1 Enter amount of consideration for conveyance (from Part 1, line 1)
- 2 Taxable consideration (multiply line 1 by the percentage of the premises which is residential real property, as shown in Schedule A) ...
- 3 Total additional transfer tax due* (multiply line 2 by 1% (.01))

1.		
2.		
3.		

Part 3 – Explanation of exemption claimed on Part 1, line 1 (mark an X in all boxes that apply)

The conveyance of real property is exempt from the real estate transfer tax for the following reason:

- a. Conveyance is to the United Nations, the United States of America, New York State, or any of their instrumentalities, agencies, or political subdivisions (or any public corporation, including a public corporation created pursuant to agreement or compact with another state or Canada) a
- b. Conveyance is to secure a debt or other obligation..... b
- c. Conveyance is without additional consideration to confirm, correct, modify, or supplement a prior conveyance..... c
- d. Conveyance of real property is without consideration and not in connection with a sale, including conveyances conveying realty as bona fide gifts..... d
- e. Conveyance is given in connection with a tax sale..... e
- f. Conveyance is a mere change of identity or form of ownership or organization where there is no change in beneficial ownership. (This exemption cannot be claimed for a conveyance to a cooperative housing corporation of real property comprising the cooperative dwelling or dwellings.) Attach Form TP-584.1, Schedule F f
- g. Conveyance consists of deed of partition..... g
- h. Conveyance is given pursuant to the federal Bankruptcy Act..... h
- i. Conveyance consists of the execution of a contract to sell real property, without the use or occupancy of such property, or the granting of an option to purchase real property, without the use or occupancy of such property..... i
- j. Conveyance of an option or contract to purchase real property with the use or occupancy of such property where the consideration is less than \$200,000 and such property was used solely by the grantor as the grantor's personal residence and consists of a one-, two-, or three-family house, an individual residential condominium unit, or the sale of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold covering an individual residential cooperative apartment..... j
- k. Conveyance is not a conveyance within the meaning of Tax Law, Article 31, § 1401(e) (attach documents supporting such claim) k

* The total tax (from Part 1, line 6 and Part 2, line 3 above) is due within 15 days from the date of conveyance. Make check(s) payable to the county clerk where the recording is to take place. For conveyances of real property within New York City, use Form TP-584-NYC. If a recording is not required, send this return and your check(s) made payable to the **NYS Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-0045. If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*.

Schedule C – Credit Line Mortgage Certificate (Tax Law Article 11)

Complete the following only if the interest being transferred is a fee simple interest.
This is to certify that: (mark an X in the appropriate box)

1. The real property being sold or transferred is not subject to an outstanding credit line mortgage.
2. The real property being sold or transferred is subject to an outstanding credit line mortgage. However, an exemption from the tax is claimed for the following reason:
 - a. The transfer of real property is a transfer of a fee simple interest to a person or persons who held a fee simple interest in the real property (whether as a joint tenant, a tenant in common or otherwise) immediately before the transfer.
 - b. The transfer of real property is (A) to a person or persons related by blood, marriage or adoption to the original obligor or to one or more of the original obligors or (B) to a person or entity where 50% or more of the beneficial interest in such real property after the transfer is held by the transferor or such related person or persons (as in the case of a transfer to a trustee for the benefit of a minor or the transfer to a trust for the benefit of the transferor).
 - c. The transfer of real property is a transfer to a trustee in bankruptcy, a receiver, assignee, or other officer of a court.
 - d. The maximum principal amount secured by the credit line mortgage is \$3 million or more, and the real property being sold or transferred is not principally improved nor will it be improved by a one- to six-family owner-occupied residence or dwelling.

Note: for purposes of determining whether the maximum principal amount secured is \$3 million or more as described above, the amounts secured by two or more credit line mortgages may be aggregated under certain circumstances. See TSB-M-96(8)-R for more information regarding these aggregation requirements.

 - e. Other (attach detailed explanation).
3. The real property being transferred is presently subject to an outstanding credit line mortgage. However, no tax is due for the following reason:
 - a. A certificate of discharge of the credit line mortgage is being offered at the time of recording the deed.
 - b. A check has been drawn payable for transmission to the credit line mortgagee or mortgagee's agent for the balance due, and a satisfaction of such mortgage will be recorded as soon as it is available.
4. The real property being transferred is subject to an outstanding credit line mortgage recorded in _____ (insert liber and page or reel or other identification of the mortgage). The maximum principal amount of debt or obligation secured by the mortgage is _____. No exemption from tax is claimed and the tax of _____ is being paid herewith. (Make check payable to county clerk where deed will be recorded.)

Signature (both the grantors and grantees must sign)

The undersigned certify that the above information contained in Schedules A, B, and C, including any return, certification, schedule, or attachment, is to the best of their knowledge, true and complete, and authorize the person(s) submitting such form on their behalf to receive a copy for purposes of recording the deed or other instrument effecting the conveyance.

Schedule D – Certification of exemption from the payment of estimated personal income tax (Tax Law Article 22, § 663)

Complete the following only if a fee simple interest or a cooperative unit is being transferred by an individual or estate or trust.

If the property is being conveyed by a referee pursuant to a foreclosure proceeding, proceed to Part 2, mark an X in the second box under *Exemption for nonresident transferors/sellers*, and sign at bottom.

Part 1 – New York State residents

If you are a New York State resident transferor/seller listed in Form TP-584, Schedule A (or an attachment to Form TP-584), you must sign the certification below. If one or more transferor/seller of the real property or cooperative unit is a resident of New York State, each resident transferor/seller must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all resident transferors/sellers.

Certification of resident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller as signed below was a resident of New York State, and therefore is not required to pay estimated personal income tax under Tax Law § 663(a) upon the sale or transfer of this real property or cooperative unit.

Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date

Note: A resident of New York State may still be required to pay estimated tax under Tax Law § 665(c), but not as a condition of recording a deed.

Part 2 – Nonresidents of New York State

If you are a nonresident of New York State listed as a transferor/seller in Form TP-584, Schedule A (or an attachment to Form TP-584) but are not required to pay estimated personal income tax because one of the exemptions below applies under Tax Law § 663(c), mark an X in the box of the appropriate exemption below. If any one of the exemptions below applies to the transferor/seller, that transferor/seller is not required to pay estimated personal income tax to New York State under Tax Law § 663. Each nonresident transferor/seller who qualifies under one of the exemptions below must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all nonresident transferors/sellers.

If none of these exemption statements apply, you must complete Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*, or Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*. For more information, see *Payment of estimated personal income tax*, on Form TP-584-I, page 1.

Exemption for nonresident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller (grantor) of this real property or cooperative unit was a nonresident of New York State, but is not required to pay estimated personal income tax under Tax Law § 663 due to one of the following exemptions:

- The real property or cooperative unit being sold or transferred qualifies in total as the transferor's/seller's principal residence (within the meaning of Internal Revenue Code, section 121) from _____ Date _____ to _____ Date _____ (see instructions).
- The transferor/seller is a mortgagor conveying the mortgaged property to a mortgagee in foreclosure, or in lieu of foreclosure with no additional consideration.
- The transferor or transferee is an agency or authority of the United States of America, an agency or authority of New York State, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, or a private mortgage insurance company.

AGENCY LEASE AGREEMENT

THIS AGENCY LEASE AGREEMENT, dated as of July 1, 2017 (the "**Agency Lease**"), by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a body corporate and politic and a public instrumentality of the State of New York, having its office at 201 East Washington Street, 7th Floor, Syracuse, New York 13202 (the "**Agency**"), and **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive), Syracuse, New York 13204 (the "**Company**").

WITNESSETH:

WHEREAS, the Agency is authorized and empowered by Title I of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the "**Act**"), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act, among other things, to: (i) make contracts and leases, and to execute such documents as necessary or convenient, with a public or private person, firm, partnership, or corporation; (ii) to acquire, construct, reconstruct, lease, improve, maintain, equip or furnish one or more projects (as defined in the Act); and (iii) to sell, lease and otherwise dispose of any such property; and

WHEREAS, the Agency, by resolution adopted on May 16, 2017, agreed, at the request of the Company to undertake a project (the "**Project**") consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**"); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**"), each in the City of Syracuse, New York (the foregoing collectively referred to as the "**Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax

(except as limited by Section 874 of the General Municipal Law) (collectively the “*Financial Assistance*”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, the Agency proposes to assist the Company’s acquisition, construction and equipping of the Project Facility and grant the Financial Assistance to the Project by, among other things: (1) appointing the Company and/or its designee as its agent with respect to completing the Project; (2) accepting a leasehold interest in the Land and the Facility from the Company and a fee interest in the Equipment pursuant to a bill of sale from the Company; and (2) subleasing the Project Facility to the Company pursuant to this Agency Lease; and

WHEREAS, the Company is the current owner of the Land and the Facility and has leased the Land and the Facility to the Agency pursuant to the Company Lease Agreement dated as of July 1, 2017 (the “*Company Lease*”); and

WHEREAS, the Company has conveyed title to the Equipment to the Agency pursuant to the Bill of Sale dated as of July 1, 2017 (the “*Bill of Sale*”); and

WHEREAS, the Agency now proposes to sublease the Project Facility to the Company pursuant to the terms and conditions herein set forth; and

WHEREAS, all things necessary to constitute this Agency Lease a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution, and delivery of this Agency Lease have, in all respects, been duly authorized.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto hereby formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I
RECITALS AND DEFINITIONS

1.0 RECITALS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

1.1 DEFINITIONS.

For all purposes of this Agency Lease and any agreement supplemental thereto, all defined terms indicated by the capitalization of the first letter of such term shall have the meanings specified in the Table of Definitions attached hereto as **Exhibit "C"** except as otherwise expressly defined herein or the context hereof otherwise requires.

1.2 INTERPRETATION.

In this Agency Lease, unless the context otherwise requires:

(a) The terms "hereby," "hereof," "herein," "hereunder," and any similar terms as used in this Agency Lease refer to this Agency Lease; the term "heretofore" shall mean before and the term "hereafter" shall mean after the date of this Agency Lease;

(b) Words of masculine gender shall mean and include correlative words of feminine and neuter genders, and words importing the singular number shall mean and include the plural number and vice versa; and

(c) Any certificates, letters, or opinions required to be given pursuant to this Agency Lease shall mean a signed document attesting to or acknowledging the circumstances, representations, opinions of law, or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Agency Lease.

ARTICLE II
REPRESENTATIONS AND COVENANTS

2.1 REPRESENTATIONS OF THE AGENCY.

The Agency makes the following representations to the Company as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established under the provisions of the Act and has the power to enter into this Agency Lease and to carry out its obligations hereunder. Based upon the representations of the Company as to the utilization of the Project Facility, the Project Facility will constitute a "project," as such quoted term is defined in the Act. By proper official action,

the Agency has been duly authorized to execute, deliver, and perform this Agency Lease and the other Agency Documents.

(b) Neither the execution and delivery of this Agency Lease, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions of this Agency Lease and the other Agency Documents by the Agency will conflict with or result in a breach by the Agency of any of the terms, conditions, or provisions of the Act, the By-Laws of the Agency, or any order, judgment, restriction, agreement, or instrument to which the Agency is a party or by which it is bound or will constitute a default by the Agency under any of the foregoing.

(c) This Agency Lease and the other Agency Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Agency, enforceable in accordance with their respective terms.

2.2 REPRESENTATIONS AND COVENANTS OF THE COMPANY.

The Company acknowledges, represents, warrants and covenants to the Agency as follows:

(a) The Company is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Agency Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Agency Lease and the other Company Documents.

(b) This Agency Lease and the other Company Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Company, enforceable in accordance with their respective terms.

(c) The Company is the present fee owner of the Project Facility and shall remain the fee owner of the Project Facility for the term of this Agency Lease unless otherwise consented to in writing by the Agency.

(d) This Project is located in a Highly Distressed Area (as that term is defined in the Act).

(e) Neither the execution and delivery of this Agency Lease and the other Company Documents, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions thereof will:

(1) Result in a breach of, or conflict with any term or provision in, the Company's Articles of Organization and Operating Agreement;

(2) Require consent under (which has not been heretofore received) or result in a breach of or default under any credit agreement, indenture, purchase agreement,

mortgage, deed of trust, commitment, guaranty or other agreement or instrument to which the Company is a party or by which the Company or any of its property may be bound or affected; or

(3) Conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction, or decree of any Governmental Authority or court (domestic or foreign) having jurisdiction over the Company or any of the property of the Company.

(f) The providing of Financial Assistance to the Project by the Agency:

(1) Has been an important consideration in the Company's decision to acquire, reconstruct, renovate and equip the Project Facility in the City of Syracuse;

(2) Will not result in the removal of an industrial or manufacturing plant or commercial activity of any Project Facility occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of any user, occupant, or proposed user or occupant of the Project Facility located within the State, except as permitted by the Act; and

(3) Will help advance job opportunities, prosperity, the standard of living and help prevent economic deterioration.

(g) So long as the Agency holds a leasehold interest in the Project Facility, the Project Facility is and will continue to be a "project" (as such quoted term is defined in the Act), and the Company will not take any action (or omit to take any action required by the Company Documents or which the Agency, together with Agency's counsel, advise the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way cause the Project Facility not to constitute a "project" (as such quoted term is defined in the Act).

(h) The Company shall cause all notices as required by law to be given and shall comply or cause compliance with all laws, ordinances, municipal rules, and regulations and requirements of all Governmental Authorities applying to or affecting the construction, equipping and operation of the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company, were the owner of the Project Facility), and the Company will defend and save the Agency and its officers, members, agents (other than the Company), and employees harmless from all fines and penalties due to failure to comply therewith.

(i) The Project will not have a significant effect on the environment" (within the meaning of such term as used in SEQRA) and the Company hereby covenants to comply with all mitigating measures, requirements and conditions, if any, enumerated in the SEQR Resolution under SEQRA applicable to the acquisition, construction and installation of the Project Facility and in any other approvals issued by any other Governmental Authority with respect to the Project. No material changes with respect to any aspect of the Project Facility have arisen from the date of the issuance of such negative declaration which would cause the determination contained therein to be untrue.

(j) The Company understands and agrees that it is the preference of the Agency that the Company provide opportunities for the purchase of goods and services from: (i) business enterprises located in the City; (ii) certified minority and or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. The Company further understands and acknowledges that consideration will be given by the Agency to the Company's efforts to comply, and compliance, with this objective at any time an extension of benefits is sought or involvement by the Agency with the Project is requested by the Company.

(k) The Agency's undertaking of the Project and the provision of Financial Assistance for the Project will not have a significant impact on the environment within the meaning of SEQRA.

(l) The acquisition, construction, reconstruction, renovation and equipping of the Project Facility will promote employment opportunities and help prevent economic deterioration in the City by the creation and/or preservation of both full and part-time jobs.

(m) The Company has, or will have as of the first date of construction and equipping, all then necessary permits, licenses, and governmental approvals and consents (collectively, "**Approvals**") for the construction and equipping of the Project Facility and has or will have such Approvals timely for each phase of, and throughout the, construction, reconstruction, renovation and equipping of the Project Facility.

(n) The Company will not sublease the whole or any portion of the Project Facility for an unlawful purpose.

(o) No part of the Project Facility will be located outside of the City.

(p) The Company shall perform, or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency (which is within the control of the Company) under and pursuant to this Agency Lease, the Company Lease and the other Company Documents and shall defend, indemnify, and hold harmless the Agency and its members, officers, agents (other than the Company), servants and employees from and against every expense, liability, or claim arising out of the failure of the Company to fulfill its obligations under the provisions of this Section 2.2.

(q) The Company agrees that except as is otherwise provided by collective bargaining contracts or agreements applicable to the Project, new employment opportunities created as a result of the Project shall be listed with the New York State Department of Labor Community Services Division, and with the administrative entity of the service delivery area created by the Federal Job Training Partnership Act (P.L. No. 97-300) in which the Project is located. The Company further agrees that except as is otherwise provided by collective bargaining contracts or agreements applicable to the Project, it will first consider persons eligible to participate in the Federal Job Training Partnership (P.L. No. 97-300) programs who shall be referred by administrative entities of service delivery areas created pursuant to such act or by the Community Services Division of the Department of Labor for such new employment opportunities.

(p) The Company shall provide to the Agency any and all documentation or information requested by the Agency so that the Agency can comply with all of its reporting requirements under the Act.

(q) As a condition precedent to receiving or benefiting from any State sales and use tax exemption benefits, the Company acknowledges and agrees to all terms and conditions of Section 875(3) of the Act. Section 875(3) of the Act is herein incorporated by reference. As part of such conditions precedent:

(1) The Company shall not take any State or local Sales and Use Tax exemptions to which it is not entitled, which are in excess of the amount authorized by the Agency in reliance on the Company's Application or which are for property or services not authorized.

(2) The Company shall comply with all material terms and conditions to use property or services in the manner required by the Agency Documents.

(3) The Company shall cooperate with the Agency in the Agency's efforts to recover, recapture, receive or otherwise obtain from the Company any Recapture Amount (as defined in Section 8.12(g) hereof), and shall, upon the Agency's request, immediately pay to the Agency any Recapture Amount, together with any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise, as provided in Section 8.12(g) hereof. The Company acknowledges and agrees that the failure of the Company to promptly pay such Recapture Amount to the Agency will be grounds for the State Commissioner of Taxation and Finance to collect sales and use taxes from the Company under Article 28 of the State Tax Law, together with interest and penalties.

(r) The amount of State and local sales and use tax benefits comprising the Financial Assistance approved by the Agency shall not exceed \$31,300. The Company shall not request, obtain nor claim State and local sales and use tax exemptions in excess of this amount.

(s) The Company hereby acknowledges that the exemption from mortgage recording tax authorized by the Agency as part of the Financial Assistance is limited by Section 874 of the Act.

ARTICLE III

CONVEYANCE OF LEASEHOLD INTEREST IN PROJECT FACILITY

3.1 AGREEMENT TO CONVEY LEASEHOLD INTEREST TO COMPANY.

The Company has conveyed to the Agency, pursuant to the Company Lease, a leasehold interest in the Land and Facility, as more fully described in **Exhibit "A"** attached hereto, any improvements now or hereafter constructed and installed thereon, subject to Permitted Encumbrances and all of its right, title and interest in the Equipment via a Bill of Sale, as more fully described in **Exhibit "B"** attached hereto. Under this Agency Lease, the Agency

will convey, or will cause to be conveyed, to the Company, a subleasehold interest in the Project Facility subject to Permitted Encumbrances and exclusive of the Agency's Unassigned Rights.

3.2 USE OF PROJECT FACILITY.

Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by this Agency Lease, the Company Lease and other Company Documents, provided that such use causes the Project Facility to qualify or continue to qualify as a "project" under the Act.

ARTICLE IV

RECONSTRUCTION, RENOVATION, CONSTRUCTION AND EQUIPPING OF THE PROJECT

4.1 RECONSTRUCTION, RENOVATION, CONSTRUCTION AND EQUIPPING OF THE PROJECT FACILITY.

(a) The Company shall promptly construct and equip the Project Facility, all in accordance with the Plans and Specifications. Unless a written waiver is first obtained from the Agency, in accordance with the Agency's Local Access Policy, the Company and its Additional Agents (as defined herein), shall utilize local labor, contractors and suppliers for the construction, reconstruction, renovation and equipping of the Project Facility. For purposes of this Agency Lease, and in particular this Section 4.1, the term "*local*" shall mean Onondaga, Oswego, Oneida, Madison, Cayuga and Cortland Counties. Failure to comply with the local labor requirements of this Section 4.1 (collectively, "*Local Labor Requirements*") may result in the revocation or recapture of all benefits provided/approved to the Project by the Agency. The Company further agrees to complete and supply the Agency, quarterly, starting the first quarter following the date hereof, the "Contract Status Report" the form of which is attached hereto at **Exhibit "D"**. Failure to comply with any portion of Article 4 may result in the loss of all benefits provided to or for the benefit of the Project in the Agency's sole discretion.

(b) The Agency hereby confirms the appointment of the Company as its true and lawful agent to perform the following in compliance with the terms, purposes, and intent of this Agency Lease, the Act and the other Company Documents, and the Company hereby accepts such appointment:

(1) To construct, reconstruct, renovate, equip and complete the Project Facility and to acquire the Equipment in accordance with the terms hereof;

(2) To make, execute, acknowledge, and deliver any contracts, orders, receipts, writings, and instructions with any other Persons and, in general, to do all things which may be requisite or proper, all for the construction, reconstruction, renovation, equipping and completion of the Project Facility with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the Agency shall have no liability for the payment of any sums due thereunder;

(3) To pay all fees, costs and expenses incurred in the construction, reconstruction, renovation, equipping and completion of the Project Facility from funds made available therefore from the funds of the Company; and

(4) To ask, demand, sue for, levy, recover, and receive all such sums of money, debts, dues, and other demands whatsoever which may be due, owing, and payable to the Agency under the terms of any contract, order, receipt, or writing in connection with the construction, reconstruction, renovation, equipping and completion of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond, or other performance security.

(c) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1, provided, however, that the Agency shall have no liability for the payment of any sums due thereunder.

(d) The Company has given, or will give or cause to be given, all notices and have complied, or will comply or cause compliance with, all laws, ordinances, rules, regulations, and requirements of all Governmental Authorities applying to or affecting the conduct of work on the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company were the owner of the Project Facility), and the Company will defend, indemnify, and save the Agency and its officers, members, agents, servants, and employees harmless from all fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(e) The Company understands and agrees that it is the preference of the Agency that the Company provide opportunities for the purchase of goods and services relative to the Project from: (i) business enterprises located in the City; (ii) certified minority and/or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. Consideration will be given by the Agency to the Company's efforts to comply, and compliance with, this objective at any time an extension of benefits is requested, or further involvement by the Agency with the Project, is requested by the Company.

4.2 COMPLETION OF PROJECT FACILITY.

(a) The Company will proceed with due diligence to acquire, construct, reconstruct, renovate, equip and complete the Project Facility. Completion of the acquisition, construction, reconstruction, renovation and equipping of the Project Facility shall be evidenced by a certificate signed by an Authorized Representative of the Company and approved by the Agency, stating:

(1) The date of such completion;

(2) That all labor, services, materials, and supplies used therefor and all costs and expenses in connection therewith have been paid;

(3) That the Company has good and valid title to all Property constituting the Project Facility subject to the interest of the Agency therein and to this Agency Lease, the Company Lease and the Bill of Sale; and

(4) That the Project Facility is ready for occupancy, use and operation for its intended purposes.

(b) Notwithstanding the foregoing, such certificate may state that (1) it is given without prejudice to any rights of the Company against third parties which exist at the date of such certificate or which may subsequently come into being; (2) it is given only for the purposes of this Section 4.2; and (3) no Person other than the Agency may benefit therefrom.

(c) Such certificate shall be accompanied by (1) copy of a certificate of occupancy, if required, and any and all permissions, licenses, or consents required of Governmental Authorities for the occupancy, operation, and use of the Project Facility for its intended purposes; and (2) Lien releases from the Company's contractor and any subcontractors under a contract with a price in excess of \$100,000.

4.3 COSTS OF COMPLETION PAID BY COMPANY.

(a) The Company agrees to complete the Project and to pay in full all costs of the construction, reconstruction, renovation, equipping and completion of the Project Facility.

(b) No payment by the Company pursuant to this Section 4.3 shall entitle the Company to any diminution or abatement of any amounts payable by the Company under this Agency Lease.

4.4 REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES.

In the event of a default by any materialman or Additional Agent (as defined herein) under any contract made by them in connection with construction, reconstruction, renovation, equipping and completion of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship, or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company against the materialman or Additional Agent so in default and against each surety for the performance of such contract. The Company may prosecute or defend any action or proceeding or take any other action involving any such materialman or Additional Agent or surety which the Company deems reasonably necessary. The Company shall advise the Agency of any actions or proceedings taken hereunder. No such suit shall relieve the Company of any of its obligations under this Agency Lease and the other Company Documents.

4.5 COOPERATION IN EXECUTION OF ADDITIONAL MORTGAGES AND MODIFICATIONS OF MORTGAGES.

The Agency agrees, upon written request of an Authorized Representative of the Company and subject to the provisions of the Act, to use its commercially reasonable efforts to execute and deliver one or more Mortgages and such additional instruments and documents may be requested by the Company and approved by counsel to the Agency and as may be required in connection with the Company's financing or refinancing for the costs of construction, reconstruction, renovation and equipping of the Project Facility, provided that:

(a) No Event of Default under this Agency Lease, the Company Lease, the PILOT Agreement or the Mortgage shall have occurred and be continuing; and

(b) The execution and delivery of such documents by the Agency (i) is permitted by law in effect at the time; and (ii) will serve the public purposes of the Act; and

(c) The Company will be responsible for and shall pay, from the proceeds thereof or otherwise, the Agency's fee and the costs and expenses of the Agency incidental to such additional financing, refinancing or modification thereof, including without limitation the reasonable attorneys' fees of the Agency; and

(d) The documents to be signed by the Agency shall contain the provisions set forth in Sections 8.2 and 11.11 hereof, and shall not impose any duties or obligations upon the Agency except as may be acceptable to the Agency.

(e) Any and all Mortgages, shall, by its terms, be subordinate to the Agency's right to receive payments under the PILOT Agreement.

ARTICLE V

AGREEMENT TO LEASE PROJECT FACILITY; RENTAL PAYMENTS

5.1 AGREEMENT TO LEASE PROJECT FACILITY.

In consideration of the Company's covenant herein to make rental payments, and the other covenants of the Company contained herein, including the covenant to make additional rent and other payments required hereby, the Agency hereby agrees to lease to the Company, and the Company hereby agrees to lease from the Agency, the Project Facility for and during the term provided herein and upon and subject to the terms and conditions herein set forth and subject to Permitted Encumbrances.

The Agency's acceptance of the leasehold interest in and to the Land and Facility pursuant to the Company Lease, and its acquisition of an interest in the Equipment pursuant to the Bill of Sale, and the holding of said interests were effected and performed solely at the request of the Company pursuant to the requirements of the Act. The Agency hereby transfers and conveys all of its beneficial and equitable interests, if any, in the Project Facility to the Company, except for its Unassigned Rights. As a result, the parties hereby acknowledge and

agree that subject to the terms and conditions of this Agency Lease, the Company has all of the equitable and beneficial ownership and other interest in the Project Facility (except for the Unassigned Rights), and will have all the equitable and beneficial ownership and other interest in the Project Facility (except for the Unassigned Rights), such that the Company, and not the Agency, shall have an:

(i) unconditional obligation to bear the economic risk of depreciation and diminution in value of the Project Facility due to obsolescence or exhaustion, and shall bear the risk of loss if the Project Facility is destroyed or damaged;

(ii) unconditional obligation to keep the Project Facility in good condition and repair;

(iii) unconditional and exclusive right to the possession of the Project Facility, and shall have sole control of and responsibility for the Project Facility;

(iv) unconditional obligation to maintain insurance coverage on, and such reserves with respect to, the Project Facility as may be required by the Company, the Agency and the Mortgagee with respect to the Project;

(v) unconditional obligation to pay all taxes levied on, or payments in lieu thereof, and assessments made with respect to, the Project Facility;

(vi) subject to the Unassigned Rights, unconditional and exclusive right to receive rental and any other income and other benefits of the Project Facility and from the operation of the Project;

(vii) unconditional obligation to pay for all of the capital investment in the Project Facility;

(viii) unconditional obligation to bear all expenses and burdens of the Project Facility and to pay for all maintenance and operating costs in connection with the Project Facility; and

(ix) unconditional and exclusive right to include all income earned from the operation of the Project Facility and claim all deductions and credits generated with respect to the Project Facility on its annual federal, state and local tax returns.

5.2 TERM OF LEASE; EARLY TERMINATION; SURVIVAL.

(a) The term of this Agency Lease shall commence on the date hereof and continue in full force and effect until the earlier of: (1) June 30, 2028 or (2) the early termination of this Agency Lease as provided herein.

(b) The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing, delivering and recording terminations of the Agency Lease, the Company Lease, preparing a bill of sale together with any other

documents therewith and to take such other and further actions reasonably necessary to confirm the termination of the Agency's interest in the Project.

(c) The Company shall have the option, at any time during the term of this Agency Lease, to terminate this Agency Lease. In the event that the Company shall exercise its option to terminate this Agency Lease pursuant to this Section 5.2(c), the Company shall file with the Agency a certificate stating the Company's intention to do so pursuant to this Section 5.2(c) and to comply with the requirements set forth in Section 5.2(d) hereof.

(d) As a condition to the effectiveness of the Company's exercise of its right to early termination, the following payments shall be made:

(1) **To the Agency:** an amount certified by the Agency as sufficient to pay all unpaid fees and expenses of the Agency incurred under this Agency Lease, the Company Lease and the PILOT Agreement (including, but not limited to those in connection with the early termination of this Agency Lease); and

(2) **To the Appropriate Person:** an amount sufficient to pay all other fees, expenses or charges, if any, then due and payable under this Agency Lease and the other Agency Documents.

(e) The certificate required to be filed pursuant to Section 5.2(c), setting forth the provision thereof permitting early termination of this Agency Lease shall also specify the date upon which the payments pursuant to subdivision (d) of this Section 5.2 shall be made, which date shall not be less than thirty (30) nor more than sixty (60) days from the date such certificate is filed with the Agency.

(f) Contemporaneously with the termination of this Agency Lease in accordance with Sections 5.1 or 5.2 hereof, the Agency shall transfer, and the Company shall accept, all of the Agency's right, title and interest in the Project Facility, including the Equipment, for a purchase price of One Dollar (\$1.00) plus the payment of all other sums due hereunder and all legal fees and costs associated therewith. Contemporaneously with the termination of this Agency Lease, the Company Lease and the PILOT Agreement shall terminate.

(g) The Agency shall, upon payment by the Company of the amounts pursuant hereto and to Sections 5.2(d) above and Section 5.3, deliver to the Company all documents furnished to the Agency by the Company, or prepared by the Agency at the sole expense of the Company, and reasonably necessary to evidence termination of the Company Lease and the Agency Lease, including, but not limited to, lease terminations and a bill of sale from the Agency with respect to its interest in the Equipment, without representation or warranty, subject to the following: (1) any Liens to which such Project Facility was subject when conveyed to the Agency, (2) any Liens created at the request of the Company or to the creation of which the Company consented or in the creation of which the Company acquiesced, (3) any Permitted Encumbrances, and (4) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Agency Lease.

(h) The obligation of the Agency under this Section 5.2 to convey the Project Facility to the Company will be subject to: (i) there being no Event of Default existing hereunder or under any payment in lieu of tax agreement now or hereafter entered into with respect to all or any portion of the Project Facility or under any other Company Documents, or any other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default; and (ii) the Company's payment of all expenses, fees and taxes, if any, applicable to or arising from such transfer.

5.3 RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE.

(a) The Company shall pay basic rental payments for the Project Facility consisting of: (i) to the Agency in an amount sufficient to pay the sums due under the PILOT Agreement at the times and in the manner provides for therein, and an amount sufficient to pay any and all other amounts due hereunder; and (ii) to the Mortgagee, an amount equal to the debt service and amounts becoming due and payable under the Mortgage and the indebtedness secured thereby on the due date thereof.

(b) The Company shall pay to the Agency, as additional rent, within ten (10) days after the receipt of a demand therefor from the Agency, any annual administrative fees of the Agency, the sum of the reasonable fees, costs and expenses of the Agency and the officers, members, agents, and employees thereof incurred by the reason of the Agency's lease or sublease of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Agency Lease, the Company Lease or any of the other Agency Documents and any other fee or expense of the Agency with respect to the Project Facility, or any of the other Agency Documents, the payment of which is not otherwise provided for under this Agency Lease, including, without limitation, reasonable fees and disbursements of Agency counsel, including fees and expenses incurred in connection with the Agency's enforcement of any rights hereunder or incurred after the occurrence and during the continuance of an Event of Default, in connection with any waiver, consent, modification or amendment to this Agency Lease or any other Agency Document that may be requested by the Company, or, in connection with any action by the Agency at the request of or on behalf of the Company hereunder or under any other Agency Document. Any additional rent not received within ten (10) business days after demand shall accrue interest after the expiration of such ten days at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is less.

(c) The administrative fee payable by the Company to the Agency in conjunction with this Project and the Agency's granting of Financial Assistance and all outstanding counsel fees and costs shall be paid at closing.

(d) The Company agrees to make the above-mentioned payments, without any further notice, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event that the Company shall fail to make or cause to be made any of the payments required under this Agency Lease, the item or installment not so paid shall continue as an obligation of the Company until such item or installment is paid in full.

5.4 NATURE OF OBLIGATIONS OF COMPANY HEREUNDER.

(a) The obligations of the Company to make the payments required by this Agency Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein are general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue, or abate any payment required by, or fail to observe any of its other covenants or agreements contained in this Agency Lease for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the construction, reconstruction, renovation and equipping of the Project Facility, any defect in the title, design, operation, merchantability, fitness, or condition of the Project Facility, or any part thereof, or in the suitability of the Project Facility, or any part thereof, for the Company's purposes or needs, or failure of consideration for, destruction of or damage to, or Condemnation of title to, or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State of New York, or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection with this Agency Lease or the Company Lease.

(b) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Agency Lease or the Company Lease, and in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance (subject to the provisions of Section 11.11).

ARTICLE VI

MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

6.1 MAINTENANCE AND MODIFICATIONS OF PROJECT FACILITY.

The Company shall:

(a) Keep the Project Facility in good condition and repair and preserve the same against waste, loss and damage, ordinary wear and tear excepted;

(b) Make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural, or non-structural, foreseen or unforeseen) which is damaged, destroyed, or condemned; and

(c) Operate the Project Facility in a sound and economic manner in general accordance with the Project pro-forma statements Company previously provided to the Agency.

6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

(a) The Company shall pay as the same respectively become due:

(1) Any and all taxes and governmental charges of any kind, whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility;

(2) All utility and other charges, including "service charges," incurred or imposed for the operation, maintenance, use, occupancy, upkeep, and improvement of the Project Facility, the non-payment of which would create, or entitle the obligee to impose, a Lien on the Project Facility;

(3) All assessments and charges of any kind whatsoever lawfully made by any Governmental Authority for public improvements; and

(4) Any and all payments of taxes, if applicable, or all payments in lieu of taxes, if any, required to be made to the Agency under the terms of the PILOT agreement or any other agreement with respect thereto.

(b) Subject to the terms of the PILOT Agreement, the Company may in good faith actively contest any such taxes, assessments, and other charges, provided that (1) the Company shall have first notified the Agency of such contest; (2) no Event of Default under this Agency Lease or any of the other Company Documents shall have occurred and be continuing; and (3) the Company shall have set aside adequate reserves for any such taxes, assessments and other charges. If the Company demonstrates to the reasonable satisfaction of the Agency and certifies to the Agency by delivery of a written certificate, that the non-payment of any such items will not endanger any part of the Project Facility or subject the Project Facility, or any part thereof, to loss or forfeiture, the Company may permit the taxes, assessments, and other charges so contested to remain unpaid during the period of such contest and any appeal therefrom. Otherwise, such taxes, assessments, or charges shall be paid promptly by the Company or secured by the Company's posting a bond in form and substance satisfactory to the Agency.

6.3 INSURANCE REQUIRED.

During the term of this Agency Lease, the Company shall maintain or cause to be maintained insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type and as required of the Agency, paying (as the same becomes due and payable) all premiums with respect thereto, including:

(a) Insurance against loss or damage by fire, lightning, and other casualties customarily insured against (with a uniform standard extended coverage endorsement), such insurance to be in an amount not less than the full replacement value of the completed Project Facility, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the Company.

(b) Workers' compensation insurance, disability benefits' insurance, and each other form of insurance which the Company is required by law to provide covering loss resulting

from injury, sickness, disability, or death of employees of the Company who are located at or assigned to the Project Facility;

(c) A policy of commercial general liability insurance with a limit of liability of not less than \$1,000,000 per occurrence on an "occurrence" basis and \$2,000,000 in the aggregate for bodily injury, including death, and property damage, including but not limited to, contractual liability under this Agency Lease and personal injury, with blanket excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and Equipment and the Company's and the Agency's use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

6.4 ADDITIONAL PROVISIONS RESPECTING INSURANCE.

All insurance required by Section 6.3 shall be with insurance companies of recognized financial standing selected by the Company and licensed to write such insurance in the State of New York. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other Persons engaged in businesses similar in size, character, and other respects to those in which the Company are engaged. All policies evidencing such insurance except the Workers' Compensation policy shall name the Company as insured and the Agency as an additional insured, as its interests may appear, and shall provide that such coverage with respect to the Agency be primary and non-contributory with any insurance secured by the Agency and require at least thirty (30) days' prior written notice to the Agency of cancellation, reduction in policy limits, or material change in coverage thereof.

Prior to the Closing Date, the Company shall deliver to the Agency, satisfactory to the Agency in form and substance: (i) certificates evidencing all insurance required hereby; (ii) the additional insured endorsement(s) applicable to the Agency; (iii) the final insurance binder addressed to the Company covering the Project Facility; and (iv) evidence that the insurance so required is on a primary and non-contributory basis. In addition, the Company shall provide, if so requested by the Agency, a final and complete copy of each insurance policy within thirty (30) days of the Closing Date.

The Company shall deliver or cause to be delivered to the Agency on or before the first business day of each January thereafter each of the items set forth in the immediately preceding paragraph, dated not earlier than the immediately preceding month, reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4. The Company shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agency Lease each year throughout the term of this Agency Lease.

All premiums with respect to the insurance required by Section 6.3 shall be paid by the Company, provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency, together with interest at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is less.

6.5 APPLICATION OF NET PROCEEDS OF INSURANCE.

The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 shall be applied as follows:

(a) The Net Proceeds of the insurance required by subsection 6.3(a) shall be paid and applied as provided in Section 7.1 hereof; and

(b) The Net Proceeds of the insurance required by subsections 6.3(b) and 6.3(c) shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

6.6 PAYMENTS IN LIEU OF REAL ESTATE TAXES.

The Company, the City and the Agency have entered into a PILOT Agreement with respect to payments in lieu of real estate taxes for the Project Facility.

ARTICLE VII

DAMAGE, DESTRUCTION, AND CONDEMNATION

7.1 DAMAGE OR DESTRUCTION.

(a) If the Mortgage shall be in effect or the Mortgagee shall have any interest in the Project Facility arising under or related to the Mortgage, whether by foreclosure or otherwise and the Project Facility shall be damaged or destroyed, in whole or in part, then insurance proceeds shall be paid in accordance with the relevant provisions of the Mortgage regarding the distribution of such insurance proceeds, provided that there shall be no abatement or reduction in amounts payable to the Agency hereunder. If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and the Project Facility shall be damaged or destroyed, in whole or in part:

(1) There shall be no abatement or reduction in the amounts payable by the Company under this Agency Lease or otherwise (whether or not the Project Facility is replaced, repaired, rebuilt, or restored); and

(2) The Company shall promptly give notice thereof to the Agency;
and

(3) Except as otherwise provided in subsections 7.1(b) and 7.1(c) hereof, upon receipt of the insurance proceeds, the Company shall promptly replace, repair, rebuild, or restore the Project Facility to substantially the same condition as existed prior to such damage or destruction, with such changes, alterations, and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations, or modifications do not change the nature of the Project Facility, such that it does not constitute a "project" (as such quoted term is defined in the Act); and in the event such Net Proceeds are not

sufficient to pay in full the costs of such replacement, repair, rebuilding, or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility, then notwithstanding anything to the contrary contained in subsection 7.1(a), the Company shall not be obligated to replace, repair, rebuild, or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection 7.1(a) if the Company shall notify the Agency that, in the Company's sole judgment, the Company does not deem it practical or desirable to replace, repair, rebuild, or restore the Project Facility. In such event, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) any other sums payable to the Agency pursuant to this Agency Lease and the other Agency and Company Documents, shall be applied to the repayment of all amounts due to the Agency under this Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay any and all amounts payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of all such insurance settlements so that any and all amounts payable under this Agency Lease, the Company Lease, the PILOT Agreement and the other Agency Documents to the Agency shall be paid in full. If all amounts due under this Agency Lease, the Company Lease, the Mortgage, the PILOT Agreement and the other Agency Documents are paid in full, all such Net Proceeds, or the balance thereof, shall be paid to the Company for its purposes.

(c) The Company and the Mortgagee may adjust all claims under any policies of insurance required by subsections 6.3(a) and 6.3(c) hereof with the prior written consent of the Agency, which consent shall not be unreasonably withheld.

7.2 CONDEMNATION.

(a) If the Mortgage shall be in effect or the Mortgagee shall have any interest in the Project Facility arising under or related to the Mortgage, whether by foreclosure or otherwise and title to, or the use of, all, substantially all or less than substantially all of the Project Facility shall be taken by Condemnation, then Condemnation proceeds shall be paid in accordance with the relevant provisions of the Mortgage regarding the distribution of such Condemnation proceeds, provided that there shall be no abatement or reduction in amounts payable to the Agency hereunder. If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and if title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation:

(1) There shall be no abatement or reduction in the amounts payable by the Company under this Agency Lease or otherwise (whether or not the Project Facility is restored); and

(2) The Company shall promptly give notice thereof to the Agency;
and

(3) Except as otherwise provided in subsections 7.2(b) and 7.2(c) hereof, upon receipt of the Condemnation proceeds, the Company shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) to substantially the condition and value as an operating entity as existed prior to such Condemnation; and the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and if title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation, then notwithstanding anything to the contrary contained in subsection 7.2(a), the Company shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection 7.2(a) if the Company shall notify the Agency that, in the Company's sole judgment, the Company does not deem it practical or desirable to restore the Project Facility. In such event, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to pay the Agency pursuant to this Agency Lease, the Company Lease, the PILOT Agreement and the other Agency Documents, shall be applied to payment of all amounts due to the Agency under this Agency Lease, the Company Lease and other Agency Documents. If the Net Proceeds of any Condemnation award are less than the amount necessary to pay any and all amounts payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of such Condemnation award so that any and all amounts payable under this Agency Lease, the Company Lease and other Agency Documents to the Agency shall be paid in full. If all amounts due under this Agency Lease, the Company Lease, the PILOT Agreement, the Mortgage and the other Agency Documents have been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes.

(c) The Company and the Mortgagee with the prior written consent of the Agency (which consent shall not be unreasonably withheld), shall have sole control of any Condemnation proceeding with respect to the Project Facility, or any part thereof, and may negotiate the settlement of any such proceeding.

7.3 ADDITIONS TO PROJECT FACILITY.

All replacements, repairs, rebuilding, or restoration made pursuant to Sections 7.1 or 7.2 hereof, whether or not requiring the expenditure of the Company's own moneys, shall automatically become part of the Project Facility as if the same were specifically described herein.

ARTICLE VIII

SPECIAL COVENANTS

8.1 NO WARRANTY OF CONDITION OR SUITABILITY BY THE AGENCY; ACCEPTANCE "AS IS."

THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY, OR FITNESS OF THE PROJECT FACILITY, OR ANY PART THEREOF, OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE, WHETHER PATENT OR LATENT, THE AGENCY SHALL NOT HAVE ANY RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO.

8.2 HOLD HARMLESS PROVISIONS.

(a) The Company hereby releases the Agency and its members, officers, agents and employees from, agrees that the Agency and its members, officers, agents and employees shall not be liable for, and agrees to indemnify, defend, and hold the Agency and its members, officers, agents and employees harmless from and against any and all claims arising as a result of the Agency's undertaking the Project, including, but not limited to:

(1) Liability for loss or damage to Project Facility or bodily injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project Facility, or arising by reason of or in connection with the occupation or the use thereof, or the presence on, in, or about the Project Facility;

(2) Liability arising from or expense incurred by the Agency's acquisition of a leasehold interest in the Project Facility and the subleasing of the Project Facility, including, without limiting the generality of the foregoing, all liabilities or claims arising as a result of the Agency's obligations under this Agency Lease, the Company Lease, the Mortgage or any other documents executed by the Agency at the direction of the Company in conjunction with the Project Facility;

(3) All claims arising from the exercise by the Company, and or its Additional Agents (as defined herein) of the authority conferred upon it and performance of the obligations assumed under Section 4.1 hereof;

(4) Any and all claims arising from the non-disclosure of information, if any, requested by the Company in accordance with Section 11.14 hereof;

(5) All causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities, or expenses of the Agency are not

incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents or employees.

To the fullest extent permitted by law, the foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents, or employees by any employee of the Company, or any materialman or Additional Agent of the Company, or anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefit laws, or other employee benefit laws.

(c) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3, its liabilities assumed pursuant to this Section 8.2.

(d) Notwithstanding any other provisions of this Agency Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Agency Lease and the Company Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents or employees relating thereto.

(e) For purposes of this Section 8.2 and Section 11.11 hereof, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

8.3 RIGHT OF ACCESS TO PROJECT FACILITY.

During the term of this Agency Lease, the Company agrees that the Agency and its duly authorized agents shall have the right to enter upon and to examine and inspect the Project Facility upon reasonable notice to the Company and with the least disturbance of Project Facility tenants as reasonably possible.

8.4 MAINTENANCE OF EXISTENCE.

During the term of this Agency Lease, the Company will maintain its existence and will not dissolve or otherwise dispose of all or substantially all of its assets.

8.5 AGREEMENT TO PROVIDE INFORMATION.

During the term of this Agency Lease, and no less frequently than annually, the Company agrees, whenever reasonably requested by the Agency or the Agency's auditor, to provide and certify, or cause to be certified, such information concerning the Project and/or the Company, its finances, and for itself and each of its Additional Agents, information regarding job creation¹, Local Labor Requirements, exemptions from State and local sales and use tax, real property and mortgage recording taxes and other topics as the Agency from time to time reasonably considers necessary or appropriate including, but not limited to those reports, in substantially the form as set forth in **Exhibit "E"** attached hereto, and such other information necessary as to enable the Agency to monitor and/or make any reports required by law or governmental regulation, including but not limited to §875 of the Act. Notwithstanding anything in this Section 8.5 to the contrary, the Company shall provide the Contract Status Report in accordance with Section 4.1 hereof.

8.6 BOOKS OF RECORD AND ACCOUNT; FINANCIAL STATEMENTS.

During the term of this Agency Lease, the Company agrees to maintain proper accounts, records, and books, in which full and correct entries shall be made in accordance with generally accepted accounting principles, of all business and affairs of the Company.

8.7 COMPLIANCE WITH ORDERS, ORDINANCES, ETC.

(a) The Company agrees that it will, during any period in which the amounts due under this Agency Lease remain unpaid, promptly comply with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions, and requirements of all Governmental Authorities, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter affect the Company's obligations hereunder or be applicable to the Project Facility, or any part thereof, or to any use, manner of use, or condition of the Project Facility, or any part thereof, the applicability of the same to be determined both as if the Agency were the owner of the Project Facility and as if the Company were the owner of the Project Facility.

(b) Notwithstanding the provisions of subsection 8.7(a), the Company may, in good faith, actively contest the validity or the applicability of any requirement of the nature referred to in said subsection 8.7(a), provided that the Company shall have first notified the Agency of such contest, no Event of Default shall be continuing under this Agency Lease, or any of the other Company Documents; and such contest and failure to comply with such requirement shall not subject the Project Facility to loss or forfeiture. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency or its members, officers, agents, or employees may be

¹ To the extent the Project includes commercial space and/or tenants for which the Company calculated job creation as part of its projections in its Application, the Company is obligated, through its lease or other rental agreement with those commercial tenants, to require that such tenants report to the Company, in accordance with the terms of Section 8.5 hereof, the number of full and part time jobs created and maintained by each such tenant for inclusion in the Company's reporting to or at the request of the Agency.

liable for prosecution for failure to comply therewith, in which event the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

8.8 DISCHARGE OF LIENS AND ENCUMBRANCES.

During the term of this Agency Lease, the Company hereby covenants that, except for Permitted Encumbrances, the Company agrees not to create, or suffer to be created, any Lien on the Project Facility, or any part thereof without the prior written consent of the Agency. The Company shall promptly notify the Agency of any Permitted Encumbrances created, or suffered to be created, on the Project Facility.

8.9 PERFORMANCE BY AGENCY OF COMPANY'S OBLIGATIONS.

Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but need not, upon ten (10) days' prior written notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company, or the Agency and paying all expenses, including, without limitation, reasonable attorneys' fees; and the Company shall pay immediately upon demand all sums so expended by the Agency under the authority hereof, together with the interest thereon at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is greater.

8.10 DEPRECIATION DEDUCTIONS AND TAX CREDITS.

The parties agree that as between them, the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other State and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

8.11 EMPLOYMENT OPPORTUNITIES.

The Company shall insure that all employees and applicants for employment with regard to the Project are afforded equal employment opportunities without discrimination.

8.12 SALES AND USE TAX EXEMPTION.

(a) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain State and local sales use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. The Agency makes no representations or warranties that any property is exempt from the payment of State or local sales or use taxes. Any exemption from the payment of State or local sales or use taxes resulting from the involvement of the Agency with the Project shall be subject to Section 875 of the Act and shall be limited to purchases of services and tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency as a part of the Project prior to the

Completion Date, or incorporated within the Project Facility prior to the Completion Date. No operating expenses of the Project Facility, and no other purchases of services or property shall be subject to an exemption from the payment of State sales or use tax. It is the intention of the parties hereto that the Company will receive a State and local sales and use tax exemption with respect to the Project, said sales tax exemption to be evidenced by a letter to be issued by the Agency on the date of the execution of this Agency Lease. The Company acknowledges that as an agent of the Agency, it must complete and provide to each vendor Form ST-123 for purchases. The failure to furnish a completed Form ST-123 (IDA Agent or Project Operator Exempt Purchase Certificate) with each purchase will result in loss of the exemption for that purchase.

(b) The Company may use and appoint a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively, "***Additional Agents***") in furtherance of the completion of the Project. However, for each Additional Agent, the Company must first: (i) cause the each such appointed Additional Agent to execute and deliver a sub-agent agreement, in the form attached hereto at **Exhibit "F"**, and provide a fully executed copy to the Agency; and (ii) submit a completed Form ST-60 to the Agency for execution and filing with the New York State Department of Taxation and Finance.

(c) The Company acknowledges and agrees that an Additional Agent must be appointed as an agent of the Agency in order to avail itself of the Agency's sales and use tax exemption for purchases or rentals of equipment, tools and supplies with respect to the Project Facility.

(d) Pursuant to Section 874(8) of the Act, the Company agrees to annually file and cause each Additional Agent or other operator of the Project Facility to file annually, with the New York State Department of Taxation and Finance, and provide the Agency with a copy of same, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "***Annual Sales Tax Report***"), a statement of the value of all sales and use tax exemptions claimed by the Company and all other Additional Agents under the authority granted to the Company pursuant to Section 4.1(b) of this Agency Lease. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Sales Tax Report shall be removal of authority to act as agent of the Agency. Therefore, if the Company shall fail to comply with the requirements of this subsection (d), irrespective of any notice and cure period afforded, the Company and each Additional Agent shall immediately cease to be the agent of the Agency in connection with the Project. The Company is responsible for obtaining from the New York State Department of Taxation and Finance the current version of such Annual Sales Tax Report.

(e) The Company agrees to furnish to the Agency a copy of each such Annual Sales Tax Report submitted to the New York State Department of Taxation and Finance by the Company pursuant to Section 874(8) of the Act for itself and any Additional Agent.

(f) Pursuant to Section 874(9) of the Act, the Agency agrees to file within thirty (30) days of the Closing Date with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "***Thirty-Day Sales Tax Report***"), a statement identifying the

Company, or 30 days from the appointment of any Additional Agent appointed in accordance with the terms herein, as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating the estimated value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(g) Pursuant to Section 875(3) of the Act, and in conjunction with Agency policy, the Agency shall and in some circumstances may, recover, recapture, receive or otherwise obtain from the Company the portion of the Financial Assistance (the "*Recapture Amount*") consisting of State and local sales and use tax exemption in accordance with the Agency's Recapture Policy, a copy of which is attached hereto at **Exhibit "G"**, and the Project Agreement.

8.13. IDENTIFICATION OF THE EQUIPMENT.

All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

ARTICLE IX

ASSIGNMENTS; TRANSFERS; MERGER OF AGENCY

9.1 ASSIGNMENT OF AGENCY LEASE.

This Agency Lease may not be assigned by the Company, in whole or in part, nor all or any part of the Project Facility subleased, nor any part of the Project Facility sold, leased, transferred, conveyed or otherwise disposed of without the prior written consent of the Agency, which consent shall be in the Agency's sole and absolute discretion; provided however, that the Company may enter into leases for individual rental units that are part of the Project Facility without the consent of the Agency. Any assignment or sublease of this Agency Lease shall not effect a release of the Company from its obligations hereunder or under the PILOT Agreement.

9.2 TRANSFERS OF INTERESTS.

Company shall not assign or otherwise transfer or allow an assignment or transfer, of a controlling interest in the Company, whether by operation of law or otherwise (including, without limitation, by way of a merger, consolidation or a change of control whereby the current existing equity holders of the Company, as of the date of the application to the Agency, would own, in the aggregate, less than a majority of the total combined voting power of all classes of equity interest of the Company or any surviving entity), without the prior written consent of Agency, which consent shall be in the Agency's sole and absolute discretion.

9.3 MERGER OF AGENCY.

(a) Nothing contained in this Agency Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to any other body corporate and politic and public instrumentality of the State of New York, or political subdivision thereof, which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger, or assignment, the due and punctual performance and observance of all the agreements and conditions of this Agency Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public instrumentality or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests hereunder shall be assigned.

(b) Promptly following the effective date of any such consolidation, merger, or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger, or assignment as the Company reasonably may request.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

10.1 EVENTS OF DEFAULT DEFINED.

The following shall be "Events of Default" under this Agency Lease, and the terms "Event of Default" or "Default" shall mean, whenever they are used in this Agency Lease, any one or more of the following events:

(a) A default by the Company in the due and punctual payment of the amounts specified to be paid pursuant to subsection 5.3 or 8.12(g); or

(b) Failure by the Company to maintain the insurance required by Section 6.3;
or

(c) A default in the performance or the observance of any other of the covenants, conditions, or agreements on the part of the Company in this Agency Lease and the continuance thereof for a period of thirty (30) days after written notice is given by the Agency or, if such covenant, condition, or agreement is capable of cure but cannot reasonably be cured within such thirty-day period, the failure of the Company to commence to cure within such thirty-day period and to prosecute the same with due diligence and cure the same within an additional thirty (30) days; or

(d) A transfer in contravention of Article 9 hereof;

(e) The occurrence of an "Event of Default" under the Mortgage, the PILOT Agreement, the Company Lease, the Project Agreement or any of the other Company Documents which is not timely cured as provided therein; or

(f) The Company shall generally not pay its debts as such debts become due or is unable to pay its debts as they become due.

(g) The Company shall conceal, remove, or permit to be concealed or removed any part of its Property with intent to hinder, delay, or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance, or similar law, or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid, or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within thirty (30) days from the date thereof; or

(h) By order of a court of competent jurisdiction, a trustee, receiver, or liquidator of the Project Facility, or any part thereof, or of the Company shall be appointed and such order shall not be discharged or dismissed within sixty (60) days after such appointment; or

(i) The filing by the Company of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy statute; the failure by the Company within sixty (60) days to lift any execution, garnishment, or attachment of such consequence as will impair the Company's ability to carry out its obligations hereunder; the commencement of a case under Title 11 of the United States Code against the Company as the debtor, or commencement under any other federal or state bankruptcy statute of a case, action, or proceeding against the Company, and continuation of such case, action, or proceeding without dismissal for a period of sixty (60) days; the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or in connection with any insolvency or bankruptcy case, action, or proceeding, appointment by final order, judgment, or decree of a court of competent jurisdiction of a receiver or trustee of the whole or a substantial portion of the Property of the Company unless such order, judgment, or decree is vacated, dismissed, or dissolved within sixty (60) days of its issuance.

(j) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance.

10.2 REMEDIES ON DEFAULT.

(a) Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- 1) Terminate this Agency Lease;
- 2) Terminate the Company Lease; or
- 3) Terminate the PILOT Agreement;

4) Take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due, or thereafter to become due, hereunder or under the Company Lease, the Project Agreement, or the PILOT Agreement, and/or to enforce the Company's obligations and duties under the Company Documents and the Agency's rights under the Agency Documents, including but not limited to, specific performance; or

5) Seek to recover the recapture amount set forth in Article 8 hereof as well as any and all other components of Financial Assistance provided to the Company in accordance with the Agency's Recapture Policy.

(b) No action taken pursuant to this Section 10.2 shall relieve the Company from its obligations to make all payments required by Sections 5.3(b) and 8.2 hereof.

10.3 REMEDIES CUMULATIVE.

No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Agency Lease, the Company Lease and the other Company Documents or the PILOT Agreement now or hereafter existing at law or in equity to collect any amounts then due, or thereafter to become due, hereunder and thereunder and to enforce the Agency's right to terminate this Agency Lease, the PILOT Agreement and the Company Lease. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article 10, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Agency Lease.

10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES.

In the event the Company should Default under any of the provisions of this Agency Lease, or a dispute arises hereunder, and the Agency should employ attorneys or incur other expenses to preserve or enforce its rights hereunder or for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees and costs of such attorneys and such other expenses so incurred.

10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER.

In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI
MISCELLANEOUS

11.1 NOTICES.

All notices, certificates, and other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the Person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

(a) If to the Agency, to:

City of Syracuse Industrial Development Agency
201 East Washington Street, 7th Floor
Syracuse, New York 13202
Attn: Chairman

With a copy to:

Corporation Counsel
City of Syracuse
233 East Washington Street
Syracuse, New York 13202

(b) If to the Company, to:

Dupli Associates LLC
1 Dupli Park Drive
P.O. Box 11500
Syracuse, New York 13218

With a copy to:

McKenzie Hughes LLP
440 South Warren Street, Suite 400
Syracuse, New York 13202
Attn: Clayton Hale, Esq.

The Agency and the Company, may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, and other communications shall be sent.

11.2 BINDING EFFECT.

This Agency Lease shall inure to the benefit of and shall be binding upon the Agency and the Company and, as permitted by this Agency Lease, upon their respective heirs, successors and assigns.

11.3 SEVERABILITY.

If any one or more of the covenants or agreements provided herein on the part of the Agency or the Company to be performed shall for any reason be held, or shall in fact be, inoperative, unenforceable, or contrary to law in any particular circumstance; such circumstance shall not render the provision in question inoperative or unenforceable in any other circumstance. Further, if any one or more of the sentences, clauses, paragraphs, or sections herein is contrary to law, then such covenant(s) or agreement(s) shall be deemed severable of remaining covenants and agreements hereof and shall in no way affect the validity of the other provisions of this Agency Lease.

11.4 AMENDMENTS, CHANGES AND MODIFICATIONS.

This Agency Lease may not be amended, changed, modified, altered, or terminated except by an instrument in writing signed by the parties hereto.

11.5 EXECUTION OF COUNTERPARTS.

This Agency Lease may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

11.6 APPLICABLE LAW.

This Agency Lease shall be governed exclusively by the applicable laws of the State of New York.

11.7 WAIVER OF TRIAL BY JURY.

THE COMPANY AND THE AGENCY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE ARISING UNDER THIS AGENCY LEASE, AND THIS PROVISION SHALL SURVIVE THE TERMINATION OF THIS AGENCY LEASE.

11.8 SUBORDINATION.

This Agency Lease shall be subject and subordinate to the Company Lease and the Mortgage and all Permitted Encumbrances in all respects.

11.9 SURVIVAL OF OBLIGATIONS.

(a) The obligations of the Company to repay, defend and/or provide the indemnity required by Section 8.2 and 8.12 hereof shall survive the termination of this Agency Lease and all such payments and obligations after such termination shall be made upon demand of the party to whom such payment and/or obligation is due.

(b) The obligations of the Company to repay, defend and/or provide the indemnity required by Sections 8.2 and 8.12 shall survive the termination of this Agency Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency or its officers, members, agents (other than the Company) or employees relating thereto.

(c) The obligations of the Company required by Article 4 and Sections 2.2 8.4 and 11.14 hereof shall similarly survive the termination of this Agency Lease.

11.10 TABLE OF CONTENTS AND SECTION HEADINGS NOT CONTROLLING.

The Table of Contents and the Section headings in this Agency Lease have been prepared for convenience of reference only and shall not control, affect the meaning of, or be taken as an interpretation of any provision of this Agency Lease.

11.11 NO RECOURSE; SPECIAL OBLIGATION.

The obligations and agreements of the Agency contained herein and in the other Agency Documents and in any other instrument or document executed in connection herewith or therewith, and any instrument or document supplemental hereto or thereto, shall be deemed the obligations and agreements of the Agency and not of any member, officer, agent or employee of the Agency in his individual capacity; and the members, officers, agents and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. The obligations and agreements of the Agency contained herein or therein shall not constitute or give rise to an obligation of the State New York or of the City of Syracuse, and neither the State of New York nor the City of Syracuse shall be liable hereon or thereon. Further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived, and to be derived from, the lease, sale, or other disposition of the Project Facility, other than revenues derived from or constituting Unassigned Rights. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless:

(a) The party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and thirty (30) days shall have elapsed from the date of receipt of such request, and the Agency shall

have refused to comply with such request (or if compliance therewith would reasonably be expected to take longer than thirty (30) days, shall have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period; and

(b) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses; and

(c) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents or employees shall be subject to potential liability, the party seeking such order or decree shall (1) agree to indemnify and hold harmless the Agency and its members, officers, agents and employees against any liability incurred as a result of its compliance with such demand; and (2) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents and employees against all liability expected to be incurred as a result of compliance with such request.

(d) For purposes of this Section 11.11, neither the Company nor any Additional Agent shall be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

Any failure to provide notice, indemnity, or security to the Agency pursuant to this Section 11.11 shall not alter the full force and effect of any Event of Default under this Agency Lease.

11.12 OBLIGATION TO SELL AND PURCHASE THE EQUIPMENT.

(a) Contemporaneously with the termination of this Agency Lease in accordance with Section 5.2 hereof, the Agency shall sell and the Company shall purchase all the Agency's right, title and interest in and to all of the Equipment for a purchase price equal to the sum of One Dollar (\$1.00), plus payment of all sums due and payable to the Agency or any other Person pursuant to this Agency Lease and the other Company Documents. The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing and delivering the bill of sale together with any other documents therewith, including lease terminations in accordance with Section 5.2 hereof, and to take such other and further actions reasonably necessary to confirm the termination of the Agency's interest in the Equipment.

(b) The sale and conveyance of the Agency's right, title and interest in and to the Equipment shall be effected by the execution and delivery by the Agency to the Company of a bill of sale to Company. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from such transfer of title.

(c) The Company agrees to prepare the bill of sale to Company and all schedules thereto, together with all necessary documentation, and to forward same to the Agency at least thirty (30) days prior to the date that title to the Equipment is to be conveyed to the Company.

11.13 ENTIRE AGREEMENT.

This Agency Lease and the Company Lease contain the entire agreement between the parties and all prior negotiations and agreements are merged therein.

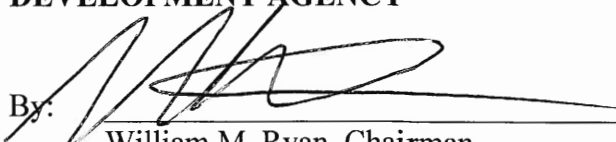

11.14 DISCLOSURE.

Section 875(7) of the New York General Municipal Law (“GML”) requires that the Agency post on its website all resolutions and agreements relating to the Company’s appointment as an agent of the Agency or otherwise related to the Project; and Article 6 of the New York Public Officers Law declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Company feels that there are elements of the Project or information about the Company in the Agency’s possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Company’s competitive position, the Company must identify such elements in writing, supply same to the Agency on or before the Closing Date, and request that such elements be kept confidential in accordance with Article 6 of the Public Officers Law. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the GML.

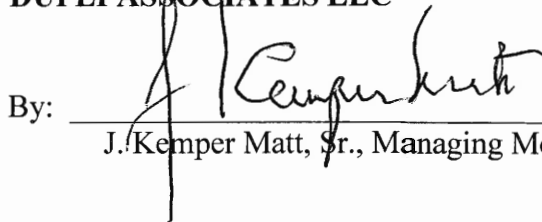

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Agency and the Company have caused this Agency Lease to be executed in their respective names by their duly authorized representatives as of the day and year first written above.

EXHIBIT A

PARCEL A:

Parcel I:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a part of **Marsh Lots Nos. 37 and 38 of the Onondaga Salt Springs Reservation**, and known and described upon a map made by R. Griffin, Jr., and on file in the **Onondaga County Clerk's Office** as Lots Nos. 26 and 28 in Block No. 461 (formerly 261). Said lots being each about **33 feet front on Division Street** and extending by parallel lines southerly to the south line of said tract about 150 feet, **be the same more or less.**

Parcel II:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being more specifically known as Lot No. 30, Block 461 (formerly 261), Syracuse. Said lot being 33 feet front on Division Street and extending by parallel lines in a southerly direction to the south line of said tract. Said lot having a depth of 145 feet, more less.

Parcel III:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, State of New York, County of Onondaga, being part of Lots 37 and 38 of the 15 Acre Marsh Lots **Salina** being known as Lot No. 32, Block No. 461, Syracuse, according to a map made by R. Griffin, Jr., on file in the Onondaga County Clerk's Office, said lot being 33 feet on Division Street extending by parallel lines in a southerly direction about 145 feet to the south line of said tract being the same more or less.

Parcel IV:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being part of Marsh Lots Nos. 37 and 38 of the Onondaga Salt Springs Reservation, and known and described upon a map made by R. Griffin, Jr., and on file in the Onondaga County Clerk's Office as Lot Number Thirty-Four in Block Number Four Hundred and Sixty-One (formerly 261) and lot being thirty-three feet front on Division Street, and extending by parallel lines southerly to the south line of said tract, be the same more or less, about one hundred forty feet deep.

Parcel V:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lots Thirty-Eight (38) and Thirty-Nine (39) of the Onondaga Salt Springs Reservation, bounded and described as follows:

BEGINNING at the stone monument marking the intersection of the southerly line of West Division Street and the easterly line of Solar Street; running thence along the easterly line of Solar Street South 28° 09' 10" E. 144.35 feet to the south line of Block 461 extended marking the true point of beginning of the parcel hereafter described; thence along the southerly line of Block 461 North 61° 50' 50" E. a distance of 250.16 feet to a stake; thence along the center line of a brick wall and parallel to the westerly line of North Clinton Street South 28° 09' 10" E. 220.09 feet to lands owned by the New York Central and Hudson River Railroad Company acquired by deed recorded in the Onondaga County Clerk's Office June 8, 1905, in Book 360 of Deeds at Page 199; thence westerly along said lands of the New York Central and Hudson River Railroad Company to the east line of Solar Street; said course being more particularly described as follows: westerly along an arc to the left of radius 422.8 feet a distance of 65.66 feet to a point twelve and one-half (12'1/2) feet northerly from an iron rail monument measured at right angles to the southerly line of Marsh Lot No. 38; thence South 61° 50' 50" W. 112.73 feet parallel with said south line of said Marsh Lot No. 38; thence South 80° 59' 20" W. 76.21 feet to a point in the east line of Solar Street 33.41 feet northerly from the intersection of the south line of Marsh Lot 38 with the east line of Solar Street; thence North 28° 09' 10" W. along the east line of Solar Street 190.0 feet to the place of beginning.

TOGETHER WITH a right of way and easement for the passage of engines and cars over the following described premises situate in the City, County and State; beginning at the southeasterly corner of the foregoing described parcel at the intersection of the easterly line of said premises with the northerly line of said lands of the New York Central and Hudson River Railroad Company; thence North 28° 09' 10" W. 40 feet along the easterly line of the

foregoing premises; thence South 80° 28' 00" E.

97.93 feet to the point of intersection of said line with the arc of curve to the right of radius 422.8 feet, said arc being the northerly boundary of the said lands owned by the New York Central and Hudson River Railroad Company; thence southwesterly along said arc and along the northerly line of said land owned by the New York Central and Hudson River Railroad Company 80 feet to the place of beginning; together with the right and privilege to the second party at any time to enter upon the premises for the purposes of laying and maintaining, altering and repairing railroad tracks, switches and appliances thereon connecting with railroad tracks on the premises owned by the New York Central and Hudson River Railroad Company.

Parcel VI:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lots 37 and 38 of the Onondaga Salt Springs Reservation and known and described upon a map made by R. Griffin, Jr., as Lot 36 in Block Four Hundred and Sixty-One (formerly 261), said Lot being about forty-seven (47) feet front on Division Street and extending by parallel lines southerly to the south line of said tract about one hundred and forty (140) feet, be the same more or less.

Parcel VII:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lot Number Thirty-Eight and being more particularly described as follows:

BEGINNING at a stone monument at the point of intersection of the southerly line of West Division Street and the easterly line of Solar Street; thence southerly along the easterly line of Solar Street, one hundred and forty-four and one-tenth (144.1) feet to the northerly line of land belonging to the Syracuse Wall Paper Company; thence easterly along said northerly line about forty-two and three tenths (42.3) feet to the westerly line of the Walters Tract; thence northerly along said westerly line of the Walters Tract to the southerly line of said West Division Street; thence westerly along the southerly line of said West Division Street forty and twenty-two hundredths (40.22) feet to the place of beginning.

Also being described as **ALL THAT TRACT OR PARCEL OF LAND**, situate in the City of Syracuse, County of Onondaga and State of New York, more particularly described as follows:

BEGINNING at the intersection of the southerly line of West Division Street with the easterly line of Solar Street; running thence North 59° 47' 40" East a distance of 260.97 feet along the southerly line of Division Street to a point; thence South 28° 11' 35" East a distance of 153.70 feet to a point; thence South 61° 50' 50" West a distance of 10.79 feet to a point; thence South 28° 09' 10" East a distance of 220.09 feet to a point (said point being in a line of curve in the northerly line of lands of the New York Central and Hudson River Railroad); thence westerly and southerly on a curve to the left with a radius of 422.80 feet a distance of 65.66 feet along the northerly line of said railroad to a point of tangent; thence South 61° 50' 50" West a distance of 112.73 feet along the northerly line of said railroad to a point; thence South 80° 59' 20" West a distance of 76.21 feet along the northerly line of lands of said railroad to a point in the easterly line of Solar Street; thence North 28° 09' 10" West a distance of 334.35 feet along the easterly line of Solar Street to a point in the southerly line of West Division Street and the place of beginning.

The above described premises is more modernly and correctly described as follows:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a portion of Block No. 461 of said City of Syracuse being former Block 261 and being more particularly described as follows:

BEGINNING at the intersection formed by the easterly road boundary of Solar Street (60 feet wide) and the southerly road boundary of West Division Street (66 feet wide); thence N. 59° 57' 30" E. along the easterly road boundary of said West Division Street, a distance of 260.97 feet to its intersection with the westerly line of lands now or formerly owned by Robert Medina and Ted Kinder as recorded in the Onondaga County Clerk's Office in Book 3979 of Deeds a Page 126; thence S. 28° 01' 45" E. along the southerly line of said Medina and Kinder a distance of 153.70 feet to its intersection with the northerly line of lands now or formerly owned by Lakefront Lofts, LLC as recorded in the Onondaga County Clerk's Office in Book 5014 of Deeds at Page 582; thence S. 62° 00' 40" W. along the northerly line of said Lakefront Lofts, LLC a distance of 10.79 feet to the northwesterly corner of said Lakefront Lofts, LLC; thence S. 27° 59' 20" E. along the westerly line of said Lakefront Lofts, LLC a distance of

220.09 feet to a point; thence southwesterly on a curve to the left having a radius of 422.80 feet an arc distance of 65.66 feet to a point of tangency; thence S. 62° 00' 40" W. along the northerly line of lands now or formerly owned by Dupli Associates, LLC a distance of 112.73 feet to a point; thence S. 81° 09' 10" W. continuing along the northerly line of said Dupli Associates, LLC a distance of 76.21 feet to its intersection with the easterly road boundary of said Solar Street; thence N. 27° 59' 20" W. along the easterly road boundary of said Solar Street a distance of 334.35 feet to the point of beginning.

PARCEL B:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Salina Marsh Lot 39 in said City, being part of lands conveyed to Borden's Food Products Company, Inc. and/or Borden, Inc. by the following 3 deeds:

1. From Borden's Milk Products Company, Inc. dated January 4, 1936, and recorded in the Onondaga County Clerk's Office in Book of Deeds 800 at Page 192;
- 2 From James A. Jacobs and Susan Jacobs dated July 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 341;
3. From Woodstock Enterprises, Ltd. dated November 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 337;

and being more particularly described as follows:

BEGINNING at a drill hole set in the northeasterly boundary of Solar Street, said point being the most westerly corner of lands conveyed to Borden, Inc. to the City of Syracuse for public purposes by deed recorded in the Onondaga County Clerk's Office in Book 3507 at Page 168, said point also being 126.68 feet distant northwesterly, measured along said northeasterly street boundary, from its intersection with the northwesterly boundary of Plum Street; running thence N. 28° 09' 10" W. along said northeasterly boundary of Solar Street, a distance of 292.22 feet to a capped iron pin found at its intersection with the division line between said lands of Borden, Inc. on the south and lands of Syracuse Scale Co., Inc. (reputed owner) on the north; thence N. 80° 59' 20" E along said division line, a distance of 76.21 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along said division line, a distance of 112.76 feet to a capped iron pin found at a point of curvature; thence northeasterly continuing along said division line and along the division line between said lands of Borden, Inc. on the southeast and lands of 667 North Clinton Street Associates (reputed owner) on the northwest, following a curve to the right having a radius of 371.02 feet, a central angle of 12° 1' 48" and a chord bearing N. 67° 57' 44" E. 79.05 feet, an arc distance of 79.20 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along the last mentioned division line a distance of 330.83 feet to a lag bolt in concrete set at its intersection with the southwesterly boundary of North Clinton Street; thence S. 28° 09' 10" E. along said street boundary, a distance of 212.14 feet to a nail and flag in concrete found; thence S. 61° 50' 50" W. along the division line between said lands of Borden, Inc. on the northwest and lands of Franklin Square Housing Associates (reputed owner) on the southeast, a distance of 245.00 feet to a capped iron pin found; thence S. 28° 09' 10" E. continuing along said division line, a distance of 33.00 feet to a capped iron pin found; thence S. 61° 50' 50" W. continuing along said division line, a distance of 30.00 feet to a capped iron pin found at its intersection with the northeasterly boundary of North Franklin Street; thence N. 28° 09' 10" W. along said street boundary, a distance of 33.00 feet to a PK nail set at the most northerly corner of said North Franklin Street; thence S. 61° 50' 50" W. along the northwesterly boundary of North Franklin Street, a distance of 60.00 feet to a masonry anchor set at the most westerly corner thereof; thence S. 28° 09' 10" E. along the southwesterly boundary of said North Clinton Street, a distance of 46.67 feet to an iron pipe set at the most northerly corner of the aforementioned lands conveyed by Borden, Inc. to the City of Syracuse for public purposes; thence S. 61° 50' 50" W. along the northwesterly boundary of said lands, said boundary also being the northwesterly boundary of Gail Borden Drive, a distance of 259.18 feet to the point of beginning.

EXHIBIT "C"

TABLE OF DEFINITIONS

The following terms shall have the meanings set forth below, unless the context or use clearly indicate another or different meaning and the singular form of such defined words and terms shall include the plural and vice versa:

Act: means the New York State Industrial Development Agency Act (N.Y. Gen. Municipal Law §§ 850 et seq.) as amended, together with Section 926 of the N.Y. General Municipal Law, as amended from time to time.

Additional Agents: means a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents appointed by the Company in furtherance of the completion of the Project in accordance with the terms of the Agency Lease.

Agency: means the City of Syracuse Industrial Development Agency and its successors and assigns.

Agency Documents: means the Agency Lease, the Company Lease, the Mortgage, the PILOT Agreement and any other documents executed by the Agency in connection with the Project or the Financial Assistance granted in connection therewith.

Agency Lease: means the Agency Lease Agreement dated as of July 1, 2017, by and between the Agency and the Company, as the same may be amended or supplemented from time to time.

Application: means the application submitted by the Company to the Agency dated April 13, 2017, requesting the Agency undertake the Project, as same may be amended or supplemented from time to time.

Authorized Representative: means for the Agency, the Chairman or Vice Chairman of the Agency; for the Company, its Managing Member or any officer designated in a certificate signed by an Authorized Representative of such Company and, for either the Agency or the Company, any additional persons designated to act on behalf of the Agency or the Company by written certificate furnished by the designating party containing the specimen signature of each designated person.

Bill of Sale: means that certain Bill of Sale from the Company to the Agency dated as of July 1, 2017 in connection with the Equipment.

City: means the City of Syracuse.

Closing Date: means July 21, 2017.

Closing Memorandum: means the closing memorandum of the Agency relating to the Project.

Company: means Dupli Associates LLC, a limited liability company, organized and existing under the laws of the State of New York having an address at 1 Dupli Drive, P.O. Box 11500, Syracuse, New York 13218, and its permitted successors and assigns.

Company Documents: means the Company Lease, the Agency Lease, the Project Agreement, the PILOT Agreement, the Mortgage, the Environmental Compliance and Indemnification Agreement, the Bill of Sale, the Company Certification and any other documents executed by the Company in connection with the Project or the Financial Assistance granted in connection therewith.

Company Lease: means the Company Lease Agreement dated as of July 1, 2017 from the Company to the Agency, pursuant to which the Company leased the Project Facility to the Agency, as the same may be amended or supplemented from time to time.

Condemnation: means the taking of title to, or the use of, Property under the exercise of the power of eminent domain by any governmental entity or other Person acting under governmental authority.

County: means the County of Onondaga in the State of New York.

Environmental Compliance and Indemnification Agreement: means the Environmental Compliance and Indemnification Agreement dated as of July 1, 2017 by the Company to the Agency.

Equipment: means all materials, machinery, furnishings, fixtures and equipment installed or used at the Project Facility, as of the Closing Date and thereafter acquired for or installed in, or upon, the Project Facility, as more fully described in **Exhibit "B"** to the Agency Lease.

Facility: means the buildings and other improvements located or to be constructed on the Land.

Financial Assistance: has the meaning given to such term in Section 854(14) of the Act.

Governmental Authority: means any federal, state, municipal, or other governmental department, commission, board, bureau, agency, or instrumentality, domestic or foreign.

Land: means the improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) and 156 Solar Street and Division Street W. in the City of Syracuse, County of Onondaga, State of New York, more particularly described on **Exhibit "A"** attached to the Agency Lease.

Lien: means any interest in Property securing an obligation owed to a Person, whether such interest is based on the common law, statute or contract, and including, but not limited to, a security interest arising from a mortgage, encumbrance, pledge, conditional sale, or trust receipt or a lease, consignment or bailment for security purposes. The term "Lien" includes reservations, exceptions, encroachments, projections, easements, rights of way, covenants, conditions, restrictions, leases, and other similar title exceptions and encumbrances, including, but not limited to mechanics, materialmen, warehousemen, and carriers liens and other similar encumbrances effecting real property. For purposes hereof, a Person shall be deemed to be the owner of any property which it has acquired or holds subject to a conditional sale agreement or other arrangement pursuant to which title to the property has been retained by or vested in some other person for security purposes.

Mortgage: means one or more mortgages from the Agency and the Company to the Mortgagee and recorded in the Onondaga County Clerk's office subsequent to the filing and recording of the Memorandum of Agency Lease, securing construction and/or permanent financing for the Project Facility, executed in accordance with Section 4.5 of the Agency Lease, and securing the Note.

Mortgagee: means a lender, its successors and assigns, providing financing pursuant to the Note and Mortgage, relative to the costs of construction and/or equipping of the Project Facility.

Net Proceeds: means so much of the gross proceeds with respect to which that term is used as remain after payment of all expenses, costs and taxes (including attorneys' fees) incurred in obtaining such gross proceeds.

Note: means one or more notes given by the Company to the Mortgagee in connection with the Mortgage for construction or permanent financing relative to the Project Facility.

Permitted Encumbrances: means (A) utility, access and other easements and rights of way, and restrictions, encroachments and exceptions, that benefit or do not materially impair the utility or the value of the Property affected thereby for the purposes for which it is intended, (B) artisans', mechanics', materialmen's, warehousemen's, carriers', landlords', bankers', workmen's compensation, unemployment compensation and social security, and other similar Liens to the extent permitted by the Agency Lease, including the lien of the Mortgage, (C) Liens for taxes (1) to the extent permitted by the Agency Lease or (2) at the time not delinquent, (D) any Lien on the Project Facility obtained through any Agency Document or Company Document or the Mortgage, (E) Liens of judgments or awards in respect of which an appeal or proceeding for review shall be pending (or is pending within ten days after entry) and a stay of execution shall have been obtained (or is obtained within ten days after entry), or in connection with any claim or proceeding, (F) Liens on any Property hereafter acquired by the Company or any subsidiary which liens are created contemporaneously with such acquisition to secure or provide for the payment or financing of any part of the purchase price thereof, (G) Liens consisting solely of restrictions under any applicable laws or any negative covenants in any applicable agreements (but only to the extent that such restrictions and covenants do not prohibit the

execution, delivery and performance by the Company of the Agency Lease and the Mortgage, and (H) existing mortgages or encumbrances on the Project Facility as of the Closing Date or thereafter incurred with the consent of the Mortgagee and the Agency.

Person: means an individual, partnership, corporation, limited liability company, trust, or unincorporated organization, and any government or agency or political subdivision or branch thereof.

PILOT Agreement : means the Payment in Lieu of Taxes Agreement dated as of July 1, 2107 among the City, the Agency and the Company, as amended or supplemented from time to time.

Plans and Specifications: means the representations, plans and specifications, if any, and presented by the Company to the Agency in its application and any presentation relating to the construction, reconstruction, renovation and equipping of the Project Facility; and any plans and specifications approved by the Mortgagee.

Project: shall have the meaning ascribed thereto in the third **WHEREAS** clause of this Agency Lease.

Project Agreement: means the Project Agreement dated as of July 1, 2017 between the Company and the Agency setting forth rights and obligations of the parties with respect to the Financial Assistance.

Project Facility: means the Land, the Facility and the Equipment.

Property: means any interest in any kind of property or asset, whether real, personal, or mixed, or tangible or intangible.

Resolution or Resolutions: means the Agency's resolutions adopted on May 16, 2017 authorizing the undertaking of the Project and the execution and delivery of certain documents by the Agency in connection therewith.

Sales and Use Tax or State Sales and Use Taxes: means, when used with respect to State sales and use taxes, sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

SEQRA: means the State Environmental Quality Review Act constituting Article 8 of the State Environmental Conservation Law and the regulations promulgated thereunder, as amended.

State: means the State of New York.

Unassigned Rights: means:

(i) the right of the Agency in its own behalf to receive all opinions of counsel, reports, financial statements, certificates, insurance policies, binders or certificates, or other notices or communications, if any, required to be delivered to the Agency under the Agency Lease;

(ii) the right of the Agency to grant or withhold any consents or approvals required of the Agency under the Agency Lease;

(iii) the right of the Agency to enforce or otherwise exercise in its own behalf all agreements of the Company with respect to ensuring that the Project Facility shall always constitute a qualified “project” as defined in and as contemplated by the Act;

(iv) the right of the Agency to require and enforce any right of defense and any indemnity from any Person;

(v) the right of the Agency in its own behalf (or on behalf of the appropriate taxing authorities) to enforce, receive amounts payable under or otherwise exercise its rights under Sections 2.2(f), 2.2(h), 2.2(m), 2.2(q), 4.1, 4.5, 5.3, 5.4, 6.2, 6.3, 6.4, 8.2, 8.3, 8.5, 8.7, 8.9, 8.12, 10.2, 10.4, 11.9, 11.11 and 11.12 of the Agency Lease and Sections 2.6(g), 4.8 and 4.9 of the Company Lease; and

(vi) the right of the Agency in its own behalf to declare an Event of Default and enforce its remedies under Article X of the Agency Lease or with respect to any of the Agency’s Unassigned Rights.

FORM OF SUB-AGENT AGREEMENT

THIS SUB-AGENT APPOINTMENT AGREEMENT (the "**Agreement**"), dated as of _____, 20__, is by and between **DUPLI ASSOCIATES LLC** (the "**Company**"), with a mailing address of 1 Dupli Park Drive, P.O. Box 11500, Syracuse, New York 13218 (the "**Company**"), and [NAME OF SUB-AGENT], a _____ of the State of New York, having an office for the transaction of business at _____ (the "**Sub-Agent**").

WITNESSETH:

WHEREAS, the City of Syracuse Industrial Development Agency (the "**Agency**") was created by Chapter 641 of the Laws of 1979 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "**Act**") as a body corporate and politic and as a public benefit corporation of the State of New York (the "**State**"); and

WHEREAS, by resolution of its members adopted on May 16, 2017 (the "**Resolution**"), the Agency agreed to undertake a project for the benefit of the Company (the "**Project**") consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**"); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**"), each in the City of Syracuse, New York (the foregoing collectively referred to as the "**Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 sq. ft climbing gym and an approximately 6,000 sq. ft restaurant in the northwest corner of Building 1 (collectively, the "**Facility**"); (iii) the acquisition and installation in and at Building of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, under the Resolution and in the Agency Lease Agreement by and between the Company and the Agency dated as of July 1, 2017 (the "**Agency Lease**") the Agency appointed the Company as its agent for purposes of completing the Project and delegated to the Company the authority to appoint as agents of the Agency a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (the

“*Additional Agents*” or “*Sub-Agents*”), for the purpose of completing the Project and benefitting from the State and local sales and use tax exemption that forms a portion of the Financial Assistance all in accordance with the terms of the Resolution and the Agency Lease; and

WHEREAS, the Company and the Agency entered into a an Agency Agreement dated as of May 16, 2017 (the “*Agency Agreement*”),

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. The Company hereby appoints the Sub-Agent as an Additional Agent of the Agency for the purpose of assisting the Company and the Agency in the completion of the Project and benefitting from the State and local sales and use tax exemption relative to expenditures made in furtherance thereof. The Sub-Agent is only an agent of the Agency for the aforementioned purposes. The Sub-Agent hereby agrees to limit its activities as agent for the Agency under the authority of this Agreement to acts reasonably related to the completion of the Project Facility.

2. The Sub-Agent covenants, agrees and acknowledges:

a. to make all records and information regarding State and local sales and use tax exemption benefits claimed by it in connection with the Project available to the Company and the Agency upon request. The Sub-Agent agrees to comply with all procedures and policies established by the State Department of Taxation and Finance, or any similar entity, regarding the documenting or reporting of any State and local sales and use tax exemption benefits, including providing to the Company all information of the Sub-Agent necessary for the Company to complete the State Department of Taxation and Finance’s “Annual Report of Sales and Use Tax Exemptions” (Form ST-340).

b. to be bound by and comply with the terms and conditions of the Agency’s policies, the Resolution and Section 875(3) of the Act (as if such section were fully set forth herein). Without limiting the scope of the foregoing, the Sub-Agent acknowledges and agrees to be bound by the Agency’s Suspension, Discontinuation and Recapture of Benefits Policy (the “*Recapture Policy*”), a copy of which is attached hereto as **Schedule “A”**.

c. that the failure of the Sub-Agent to promptly pay such Recapture Amount to the Agency will be grounds for the Agency, the State Commissioner of Taxation and Finance or such other entity, to collect sales and use taxes from the Sub-Agent under Article 28 of the Tax Law, or other applicable law, policy or contract, together with interest and penalties. In addition to the foregoing, the Sub-Agent acknowledges and agrees that for purposes of exemption from State sales and use taxation, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the Tax Law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

d. that all purchases made by the Sub-Agent in connection with the Project shall be made using Form ST-123 (IDA Agent or Project Operator Exempt Purchase Certificate),

a copy of which is attached hereto as **Exhibit “A”**). It shall be the responsibility of the Sub-Agent (and not the Company or the Agency) to complete Form ST-123. The failure to furnish a completed Form ST-123 with each purchase will result in loss of the exemption for that purchase.

e. that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Sub-Agent is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Sub-Agent acknowledges and agrees that the bill of invoice should state, “I, [NAME OF SUB-AGENT], certify that I am a duly appointed agent of the City of Syracuse Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following Agency project and that such purchases qualify as exempt from sales and use taxes under my Sub-Agent Appointment Agreement.” The Sub-Agent further acknowledges and agrees that the following information shall be used by the Sub-Agent to identify the Project on each bill and invoice: Dupli Associates LLC Project, 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) and 156 Solar Street and Division Street W., IDA Project Number: 31021709.

f. that for purposes of any exemption from the State sales and use taxation as part of any Financial Assistance requested, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

g. that the Sub-Agent shall indemnify and hold the Agency harmless from all losses, expenses, claims, damages and liabilities arising out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the Project Facility (including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), for such claims or liabilities that arise as a result of the Sub-Agent acting as agent for the Agency pursuant to this Agreement or otherwise.

The Sub-Agent shall indemnify and hold the Agency, its members, officers, employees and agents and anyone for whose acts or omissions the Agency or any one of them may be liable, harmless from all claims and liabilities for loss or damage to property or any injury to or death of any person that may be occasioned subsequent to the date hereof by any cause whatsoever in relation only to Sub-Agent’s work on or for the Project Facility, including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

The foregoing defenses and indemnities shall survive expiration or termination of this Agreement and shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule

of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

h. that as agent for the Agency or otherwise, the Sub-Agent will comply at the Sub-Agent's sole cost and expense with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Sub-Agent with respect to the Project Facility.

i. that Section 875(7) of the Act requires the Agency to post on its website all resolutions and agreements relating to the Sub-Agent's appointment as an agent of the Agency or otherwise related to the Project, including this Agreement, and that Public Officers Law Article 6 declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Sub-Agent feels that there is information about the Sub-Agent in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Sub-Agent's competitive position, the Sub-Agent must identify such elements in writing, supply same to the Agency prior to or contemporaneously with the execution hereof and request that such elements be kept confidential in accordance with Public Officers Law Article 6. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the Act.

j. The Sub-Agent agrees Local contractors and suppliers will be used for the construction and equipping of the Project unless a waiver is first received from the Agency in writing. Such waiver shall be in the Agency's sole discretion. The Sub-Agent agrees that such Local contractors shall be provided the opportunity to bid on contracts related to the Project. Local shall mean, for the purposes of this Agreement, Onondaga, Oswego, Madison, Cayuga, Cortland and Oneida Counties. Failure to comply with the local labor requirements of this Section (j) (collectively, the "**Local Labor Requirements**") may result in the revocation or recapture of benefits provided/approved to the Project by the Agency.

k. that the Sub-Agent must timely provide the Company with the necessary information to permit the Company, pursuant to General Municipal Law §874(8), to timely file an Annual Statement with the New York State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (Form ST-340) regarding the value of sales and use tax exemptions the Additional Agent claimed pursuant to the agency conferred on it by the Company with respect to this Project on an annual basis.

l. that the failure to comply with the foregoing will result in the loss of the exemption.

m. that if the Sub-Agent is the general contractor for the Project, then at all times following the execution of this Agreement, and during the term thereof, the Sub-Agent shall maintain or cause to be maintained the following insurance policies with an insurance company licensed in the State that has an A.M. Best rating of not less than A-:

(a) Insurance against loss or damage by fire, lightning, and other casualties customarily insured against (with a uniform standard extended coverage endorsement),

such insurance to be in an amount not less than the full replacement value of the completed Project Facility, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the general contractor.

(b) compensation insurance, disability benefits' insurance, and each other form of insurance which the general contractor is required by law to provide covering loss resulting from injury, sickness, disability, or death of employees of the general contractor who are located at or assigned to the Project Facility;

(c) A policy of commercial general liability insurance with a limit of liability of not less than \$1,000,000 per occurrence on an "occurrence" basis and \$2,000,000 in the aggregate for bodily injury, including death, and property damage, including but not limited to, contractual liability under this Agency Lease and personal injury, with blanket excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and Equipment and the Company's and the Agency's use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

In addition, all insurance required by this section shall be with insurance companies of recognized financial standing selected by the general contractor and licensed to write such insurance in the State of New York. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other Persons engaged in businesses similar in size, character, and other respects to those in which the general contractor is engaged. All policies evidencing such insurance except the Workers' Compensation policy shall name the general contractor as insured and the Agency as an additional insured, as its interests may appear, and shall provide that such coverage with respect to the Agency be primary and non-contributory with any insurance secured by the Agency and require at least thirty (30) days' prior written notice to the Agency of cancellation, reduction in policy limits, or material change in coverage thereof.

Prior to the effective date of this Agreement, the general contractor shall deliver to the Agency, satisfactory to the Agency in form and substance: (i) Certificates evidencing all insurance required hereby; (ii) the additional insured endorsement(s) applicable to the Agency; (iii) the final insurance binder addressed to the general contractor covering the Project Facility; and (iv) evidence that the insurance so required is on a primary and non-contributory basis. In addition, the general contractor shall provide, if so requested by the Agency, a final and complete copy of each insurance policy within thirty (30) days of the execution of this Agreement.

The general contractor shall deliver or cause to be delivered to the Agency on or before the first business day of each January thereafter each of the items set forth in the immediately preceding paragraphs, dated not earlier than the immediately preceding month, reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required hereby for so long as the general contractor is performing, supervising or causing work to be done on or at the Project Facility. The general contractor shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agreement in each such year.

n. that every controversy, dispute or claim arising out of or relating to this Agreement shall be governed by the laws of the State of New York, without regard to its conflicts-of-laws provisions that if applied might require the application of the laws of another jurisdiction; and that the Sub-Agent irrevocably and expressly submits to the exclusive personal jurisdiction of the Supreme Court of the State of New York and the United States District Court for the Northern District of New York, to the exclusion of all other courts, for the purposes of litigating every controversy, dispute or claim arising out of or relating to this Agreement.

3. Failure of the Sub-Agent to comply with any of the provisions of this Agreement shall result in the immediate nullification of the appointment of the Sub-Agent and the immediate termination of this Agreement and may result in the loss of the Company's State and local sales and use tax exemption with respect to the Project at the sole discretion of the Agency. In addition, such failure may result in the recapture of the State and local sales and use taxes avoided.

4. The Company acknowledges that the assumption of certain obligations by the Sub-Agent in accordance with this Agreement does not relieve the Company of its obligations under any provisions of the Agency Lease or of any other agreement entered into by the Company in connection with the Project.

5. The Company and the Sub-Agent agree that the Agency is a third-party beneficiary of this Agreement.

6. This Agreement shall be in effect until the earlier of: (i) the completion of the work on the Project by the Sub-Agent; or (ii) the Sub-Agent's loss of status as an agent of the Agency as set forth herein. Notwithstanding the foregoing, the provisions of Sections 2(b), 2(c), 2(f), 2(g), 2(j), and 2(l) shall survive the termination of this Agreement.

IN WITNESS WHEREOF, the Company and the Sub-Agent have caused this Agreement to be executed in their respective names by their respective duty authorized officers, all as of the day and year first above written.

EXHIBIT "A"
to Sub-Agent Agreement

FORM ST-123

**IDA Agent or Project Operator
Exempt Purchase Certificate**

Effective for projects beginning on or after June 1, 2014

This certificate is not valid unless all entries have been completed.

Note: To be completed by the purchaser and given to the seller. Do not use this form to purchase motor fuel or diesel motor fuel exempt from tax. See Form FT-123, *IDA Agent or Project Operator Exempt Purchase Certificate for Fuel*.

Name of seller			Name of agent or project operator		
Street address			Street address		
City, town, or village	State	ZIP code	City, town, or village	State	ZIP code
Agent or project operator sales tax ID number (see instructions)					

Mark an **X** in one: Single-purchase certificate Blanket-purchase certificate (valid only for the project listed below)

To the seller:

You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

Project information

I certify that I am a duly appointed agent or project operator of the named IDA and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my agreement with the IDA.

Name of IDA		
Name of project	IDA project number (see OSC number)	
Street address of project site		
City, town, or village	State	ZIP code
Enter the date that you were appointed agent or project operator (month/day/yy)	/	/
Enter the date that agent or project operator status ends (month/day/yy)	/	/

Exempt purchases

(Mark an **X** in boxes that apply)

- A. Tangible personal property or services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) used to complete the project, but not to operate the completed project.
- B. Certain utility services (gas, propane in containers of 100 pounds or more, electricity, refrigeration, or steam) used to complete the project, but not to operate the completed project.
- C. Motor vehicle or tangible personal property installed in a qualifying motor vehicle.

Certification: I certify that the above statements are true, complete, and correct, and that no material information has been omitted. I make these statements and issue this exemption certificate with the knowledge that this document provides evidence that state and local sales or use taxes do not apply to a transaction or transactions for which I tendered this document and that willfully issuing this document with the intent to evade any such tax may constitute a felony or other crime under New York State Law, punishable by a substantial fine and a possible jail sentence. I understand that this document is required to be filed with, and delivered to, the vendor as agent for the Tax Department for the purposes of Tax Law section 1838 and is deemed a document required to be filed with the Tax Department for the purpose of prosecution of offenses. I also understand that the Tax Department is authorized to investigate the validity of tax exclusions or exemptions claimed and the accuracy of any information entered on this document.

Signature of purchaser or purchaser's representative (include title and relationship)	Date
Type or print the name, title, and relationship that appear in the signature box	

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, **Contractor Exempt Purchase Certificate**, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your Certificate of Authority, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Privacy notification

New York State Law requires all government agencies that maintain a system of records to provide notification of the legal authority for any request, the principal purpose(s) for which the information is to be collected, and where it will be maintained. RECAPTURE POLICY

City of Syracuse
Industrial Development Agency
201 East Washington Street, 7th Floor
Syracuse, NY 13202
Tel (315) 473-3275 Fax (315) 435-3669

RECAPTURE POLICY

I. STATEMENT OF PURPOSE

The City of Syracuse Industrial Development Agency (the “Agency”) has adopted this Recapture Policy (the “*Recapture Policy*”) in accordance with Sections 874(10) and 874(11) of the New York State General Municipal Law. This Recapture Policy shall be consistent with and in compliance with the provisions of Chapter 1030 of Laws of 1969 of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “*Enabling Act*”) and Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (said Chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”), and any other applicable law.

II. MANDATORY RECAPTURE OF THE NEW YORK STATE PORTION OF SALES AND USE TAX

The Agency shall recapture from project applicants New York State sales and use tax benefits, in accordance with the provisions of the General Municipal Law, from projects that utilized State sales and use tax exemptions:

- a) To which the project was not entitled;
- b) In excess of the amounts authorized by the Agency;
- c) For property or services not authorized by the Agency; and/or
- d) For a project that has failed to comply with a material term or condition to use the property or services in the manner required by any of the project documents between the company and the Agency.

The approving resolution(s) and project documents granting financial assistance in the form of State sales and use tax exemption benefits shall include the terms and conditions of the foregoing recapture provision. Within thirty (30) days of the recapture, the recapture amount shall be remitted to the New York State Department of Taxation and Finance. Such remittances shall include interest, at the legal rate, imposed by the Agency. The failure to pay over such amounts to the Agency shall be grounds for the New York State Tax Commissioner to assess and

determine State sales and use taxes due from the company under article twenty-eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

In order to determine if one of the foregoing events have occurred (a “*State Mandated Recapture Event*”) and to effectuate this recapture of New York State sales and use tax benefits the Agency shall:

- a) Keep records of the New York State and local sales tax exemptions provided to each project, with such records available to the New York State Tax Commissioner upon request.
- b) Report within thirty days of providing any financial assistance in the form of a sales and use tax exemption, the project, the estimated amount of the exemption and other information as may be required by the New York State Tax Commissioner (Form ST-60).
- c) The Agency shall file an annual report with the New York State Tax Commissioner detailing its terms and conditions and its activities in recapturing any unauthorized New York State sales and use tax exemptions.

III. SUSPENSION, DISCONTINUATION, RECAPTURE AND TERMINATION OF OTHER FORMS OF FINANCIAL ASSISTANCE

With respect to all other financial assistance provided to a project (other than the State portion of sales and use tax exemptions) the Agency shall have the right to suspend, discontinue, recapture or terminate financial assistance to any company for a project to the extent that:

- a) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “*Local Sales Tax Benefit Violation*”);
- b) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“*Job Deficit*”);
- c) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“*Investment Deficit*”);
- d) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, and other objectives of the Project (“*Reporting Failure*”); or

- e) there otherwise occurs any event of default under any project document (each, an “Event of Default”) or a material violation of the terms and conditions of any project document (a “*Material Violation*”).

IV. ANNUAL ASSESSMENT

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State Mandated Recapture Event, a Local Sales Tax Benefit Violation, Job Deficit, Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “*Noncompliance Event*”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any project document in accordance with the terms of the project document.

At the time of any Noncompliance Event (other than a State Mandated Recapture Event), the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the financial assistance provided to a project, and shall consider the following in making its determination:

- a) Whether the company has proceeded in good faith.
- b) Whether the project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the company.
- c) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create a more adverse situation for the company, such as the company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- d) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create an adverse situation for the residents of the City of Syracuse.
- e) The assessment prepared in accordance with the Agency’s Annual Assessment Policy.
- f) Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the financial assistance (the “*Determination*”). The Determination shall provide terms, if any, by which a company may remedy any Noncompliance Event (other than a State Mandated Recapture Event) upon which the Determination was based. The

company must submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume financial assistance to the company (which will be at the Agency's sole discretion).

The project agreement entered into between the Agency and the company (the "*Project Agreement*") shall include the terms and conditions of the foregoing provisions. The Agency shall also include in the Project Agreement a requirement that the company comply with the Agency's right to suspend, discontinue, recapture or terminate the financial assistance and that the company shall repay all or a portion of the financial assistance granted by the Agency to the company pursuant to any Determination.

Any such amount constituting local tax exemptions shall be redistributed to the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction.

IV. RECAPTURE PERIOD

Except as otherwise provided by the General Municipal Law, the recapture period will be the longer of: (1) the term of the Lease Agreement; or (2) five years following the project's completion date. A project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the term of the Project Agreement.

Adopted: June 21, 2016

RECAPTURE POLICY

I. STATEMENT OF PURPOSE

The City of Syracuse Industrial Development Agency (the “Agency”) has adopted this Recapture Policy (the “*Recapture Policy*”) in accordance with Sections 874(10) and 874(11) of the New York State General Municipal Law. This Recapture Policy shall be consistent with and in compliance with the provisions of Chapter 1030 of Laws of 1969 of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “*Enabling Act*”) and Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (said Chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”), and any other applicable law.

II. MANDATORY RECAPTURE OF THE NEW YORK STATE PORTION OF SALES AND USE TAX

The Agency shall recapture from project applicants New York State sales and use tax benefits, in accordance with the provisions of the General Municipal Law, from projects that utilized State sales and use tax exemptions:

- e) To which the project was not entitled;
- f) In excess of the amounts authorized by the Agency;
- g) For property or services not authorized by the Agency; and/or
- h) For a project that has failed to comply with a material term or condition to use the property or services in the manner required by any of the project documents between the company and the Agency.

The approving resolution(s) and project documents granting financial assistance in the form of State sales and use tax exemption benefits shall include the terms and conditions of the foregoing recapture provision. Within thirty (30) days of the recapture, the recapture amount shall be remitted to the New York State Department of Taxation and Finance. Such remittances shall include interest, at the legal rate, imposed by the Agency. The failure to pay over such amounts to the Agency shall be grounds for the New York State Tax Commissioner to assess and

determine State sales and use taxes due from the company under article twenty-eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

In order to determine if one of the foregoing events have occurred (a “*State Mandated Recapture Event*”) and to effectuate this recapture of New York State sales and use tax benefits the Agency shall:

- d) Keep records of the New York State and local sales tax exemptions provided to each project, with such records available to the New York State Tax Commissioner upon request.
- e) Report within thirty days of providing any financial assistance in the form of a sales and use tax exemption, the project, the estimated amount of the exemption and other information as may be required by the New York State Tax Commissioner (Form ST-60).
- f) The Agency shall file an annual report with the New York State Tax Commissioner detailing its terms and conditions and its activities in recapturing any unauthorized New York State sales and use tax exemptions.

III. SUSPENSION, DISCONTINUATION, RECAPTURE AND TERMINATION OF OTHER FORMS OF FINANCIAL ASSISTANCE

With respect to all other financial assistance provided to a project (other than the State portion of sales and use tax exemptions) the Agency shall have the right to suspend, discontinue, recapture or terminate financial assistance to any company for a project to the extent that:

- f) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “*Local Sales Tax Benefit Violation*”);
- g) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“*Job Deficit*”);
- h) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“*Investment Deficit*”);
- i) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, and other objectives of the Project (“*Reporting Failure*”); or

- j) there otherwise occurs any event of default under any project document (each, an “Event of Default”) or a material violation of the terms and conditions of any project document (a “*Material Violation*”).

IV. ANNUAL ASSESSMENT

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State Mandated Recapture Event, a Local Sales Tax Benefit Violation, Job Deficit, Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “*Noncompliance Event*”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any project document in accordance with the terms of the project document.

At the time of any Noncompliance Event (other than a State Mandated Recapture Event), the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the financial assistance provided to a project, and shall consider the following in making its determination:

- g) Whether the company has proceeded in good faith.
- h) Whether the project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the company.
- i) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create a more adverse situation for the company, such as the company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- j) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create an adverse situation for the residents of the City of Syracuse.
- k) The assessment prepared in accordance with the Agency’s Annual Assessment Policy.
- l) Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the financial assistance (the “*Determination*”). The Determination shall provide terms, if any, by which a company may remedy any Noncompliance Event (other than a State Mandated Recapture Event) upon which the Determination was based. The

company must submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume financial assistance to the company (which will be at the Agency's sole discretion).

The project agreement entered into between the Agency and the company (the "*Project Agreement*") shall include the terms and conditions of the foregoing provisions. The Agency shall also include in the Project Agreement a requirement that the company comply with the Agency's right to suspend, discontinue, recapture or terminate the financial assistance and that the company shall repay all or a portion of the financial assistance granted by the Agency to the company pursuant to any Determination.

Any such amount constituting local tax exemptions shall be redistributed to the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction.

IV. RECAPTURE PERIOD

Except as otherwise provided by the General Municipal Law, the recapture period will be the longer of: (1) the term of the Lease Agreement; or (2) five years following the project's completion date. A project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the term of the Project Agreement.

EXHIBIT A

PARCEL A:

Parcel I:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a part of **Marsh Lots Nos. 37 and 38 of the Onondaga Salt Springs Reservation**, and known and described upon a map made by R. Griffin, Jr., and on file in the **Onondaga County Clerk's Office** as Lots Nos. 26 and 28 in Block No. 461 (formerly 261). Said lots **being each about 33 feet front on Division Street** and extending by parallel lines southerly to the south line of said tract about 150 feet, **be the same more or less.**

Parcel II:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being more specifically known as Lot No. 30, Block 461 (formerly 261), Syracuse. Said lot being 33 feet front on Division Street and extending by parallel lines in a southerly direction to the south line of said tract. Said lot having a depth of 145 feet, more less.

Parcel III:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, State of New York, County of Onondaga, being part of Lots 37 and 38 of the 15 Acre Marsh Lots **Salina** being known as Lot No. 32, Block No. 461, Syracuse, according to a map made by R. Griffin, Jr., on file in the Onondaga County Clerk's Office, said lot being 33 feet on Division Street extending by parallel lines in a southerly direction about 145 feet to the south line of said tract being the same more or less.

Parcel IV:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being part of Marsh Lots Nos. 37 and 38 of the Onondaga Salt Springs Reservation, and known and described upon a map made by R. Griffin, Jr., and on file in the Onondaga County Clerk's Office as Lot Number Thirty-Four in Block Number Four Hundred and Sixty-One (formerly 261) and lot being thirty-three feet front on Division Street, and extending by parallel lines southerly to the south line of said tract, be the same more or less, about one hundred forty feet deep.

Parcel V:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lots Thirty-Eight (38) and Thirty-Nine (39) of the Onondaga Salt Springs Reservation, bounded and described as follows:

BEGINNING at the stone monument marking the intersection of the southerly line of West Division Street and the easterly line of Solar Street; running thence along the easterly line of Solar Street South 28° 09' 10" E. 144.35 feet to the south line of Block 461 extended marking the true point of beginning of the parcel hereafter described; thence along the southerly line of Block 461 North 61° 50' 50" E. a distance of 250.16 feet to a stake; thence along the center line of a brick wall and parallel to the westerly line of North Clinton Street South 28° 09' 10" E. 220.09 feet to lands owned by the New York Central and Hudson River Railroad Company acquired by deed recorded in the Onondaga County Clerk's Office June 8, 1905, in Book 360 of Deeds at Page 199; thence westerly along said lands of the New York Central and Hudson River Railroad Company to the east line of Solar Street; said course being more particularly described as follows: westerly along an arc to the left of radius 422.8 feet a distance of 65.66 feet to a point twelve and one-half (12 1/2) feet northerly from an iron rail monument measured at right angles to the southerly line of Marsh Lot No. 38; thence South 61° 50' 50" W. 112.73 feet parallel with said south line of said Marsh Lot No. 38; thence South 80° 59' 20" W. 76.21 feet to a point in the east line of Solar Street 33.41 feet northerly from the intersection of the south line of Marsh Lot 38 with the east line of Solar Street; thence North 28° 09' 10" W. along the east line of Solar Street 190.0 feet to the place of beginning.

TOGETHER WITH a right of way and easement for the passage of engines and cars over the following described premises situate in the City, County and State; beginning at the southeasterly corner of the foregoing described parcel at the intersection of the easterly line of said premises with the northerly line of said lands of the New York Central and Hudson River Railroad Company; thence North 28° 09' 10" W. 40 feet along the easterly line of the

foregoing premises; thence South 80° 28' 00" E.

97.93 feet to the point of intersection of said line with the arc of curve to the right of radius 422.8 feet, said arc being the northerly boundary of the said lands owned by the New York Central and Hudson River Railroad Company; thence southwesterly along said arc and along the northerly line of said land owned by the New York Central and Hudson River Railroad Company 80 feet to the place of beginning; together with the right and privilege to the second party at any time to enter upon the premises for the purposes of laying and maintaining, altering and repairing railroad tracks, switches and appliances thereon connecting with railroad tracks on the premises owned by the New York Central and Hudson River Railroad Company.

Parcel VI:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lots 37 and 38 of the Onondaga Salt Springs Reservation and known and described upon a map made by R. Griffin, Jr., as Lot 36 in Block Four Hundred and Sixty-One (formerly 261), said Lot being about forty-seven (47) feet front on Division Street and extending by parallel lines southerly to the south line of said tract about one hundred and forty (140) feet, be the same more or less.

Parcel VII:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lot Number Thirty-Eight and being more particularly described as follows:

BEGINNING at a stone monument at the point of intersection of the southerly line of West Division Street and the easterly line of Solar Street; thence southerly along the easterly line of Solar Street, one hundred and forty-four and one-tenth (144.1) feet to the northerly line of land belonging to the Syracuse Wall Paper Company; thence easterly along said northerly line about forty-two and three tenths (42.3) feet to the westerly line of the Walters Tract; thence northerly along said westerly line of the Walters Tract to the southerly line of said West Division Street; thence westerly along the southerly line of said West Division Street forty and twenty-two hundredths (40.22) feet to the place of beginning.

Also being described as **ALL THAT TRACT OR PARCEL OF LAND**, situate in the City of Syracuse, County of Onondaga and State of New York, more particularly described as follows:

BEGINNING at the intersection of the southerly line of West Division Street with the easterly line of Solar Street; running thence North 59° 47' 40" East a distance of 260.97 feet along the southerly line of Division Street to a point; thence South 28° 11' 35" East a distance of 153.70 feet to a point; thence South 61° 50' 50" West a distance of 10.79 feet to a point; thence South 28° 09' 10" East a distance of 220.09 feet to a point (said point being in a line of curve in the northerly line of lands of the New York Central and Hudson River Railroad); thence westerly and southerly on a curve to the left with a radius of 422.80 feet a distance of 65.66 feet along the northerly line of said railroad to a point of tangent; thence South 61° 50' 50" West a distance of 112.73 feet along the northerly line of said railroad to a point; thence South 80° 59' 20" West a distance of 76.21 feet along the northerly line of lands of said railroad to a point in the easterly line of Solar Street; thence North 28° 09' 10" West a distance of 334.35 feet along the easterly line of Solar Street to a point in the southerly line of West Division Street and the place of beginning.

The above described premises is more modernly and correctly described as follows:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a portion of Block No. 461 of said City of Syracuse being former Block 261 and being more particularly described as follows:

BEGINNING at the intersection formed by the easterly road boundary of Solar Street (60 feet wide) and the southerly road boundary of West Division Street (66 feet wide); thence N. 59° 57' 30" E. along the easterly road boundary of said West Division Street, a distance of 260.97 feet to its intersection with the westerly line of lands now or formerly owned by Robert Medina and Ted Kinder as recorded in the Onondaga County Clerk's Office in Book 3979 of Deeds a Page 126; thence S. 28° 01' 45" E. along the southerly line of said Medina and Kinder a distance of 153.70 feet to its intersection with the northerly line of lands now or formerly owned by Lakefront Lofts, LLC as recorded in the Onondaga County Clerk's Office in Book 5014 of Deeds at Page 582; thence S. 62° 00' 40" W. along the northerly line of said Lakefront Lofts, LLC a distance of 10.79 feet to the northwesterly corner of said Lakefront Lofts, LLC; thence S. 27° 59' 20" E. along the westerly line of said Lakefront Lofts, LLC a distance of

220.09 feet to a point; thence southwesterly on a curve to the left having a radius of 422.80 feet an arc distance of 65.66 feet to a point of tangency; thence S. 62° 00' 40" W. along the northerly line of lands now or formerly owned by Dupli Associates, LLC a distance of 112.73 feet to a point; thence S. 81° 09' 10" W. continuing along the northerly line of said Dupli Associates, LLC a distance of 76.21 feet to its intersection with the easterly road boundary of said Solar Street; thence N. 27° 59' 20" W. along the easterly road boundary of said Solar Street a distance of 334.35 feet to the point of beginning.

PARCEL B:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Salina Marsh Lot 39 in said City, being part of lands conveyed to Borden's Food Products Company, Inc. and/or Borden, Inc. by the following 3 deeds:

1. From Borden's Milk Products Company, Inc. dated January 4, 1936, and recorded in the Onondaga County Clerk's Office in Book of Deeds 800 at Page 192;
- 2 From James A. Jacobs and Susan Jacobs dated July 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 341;
3. From Woodstock Enterprises, Ltd. dated November 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 337;

and being more particularly described as follows:

BEGINNING at a drill hole set in the northeasterly boundary of Solar Street, said point being the most westerly corner of lands conveyed to Borden, Inc. to the City of Syracuse for public purposes by deed recorded in the Onondaga County Clerk's Office in Book 3507 at Page 168, said point also being 126.68 feet distant northwesterly, measured along said northeasterly street boundary, from its intersection with the northwesterly boundary of Plum Street; running thence N. 28° 09' 10" W. along said northeasterly boundary of Solar Street, a distance of 292.22 feet to a capped iron pin found at its intersection with the division line between said lands of Borden, Inc. on the south and lands of Syracuse Scale Co., Inc. (reputed owner) on the north; thence N. 80° 59' 20" E along said division line, a distance of 76.21 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along said division line, a distance of 112.76 feet to a capped iron pin found at a point of curvature; thence northeasterly continuing along said division line and along the division line between said lands of Borden, Inc. on the southeast an lands of 667 North Clinton Street Associates (reputed owner) on the northwest, following a curve to the right having a radius of 371.02 feet, a central angle of 12° 1' 48" and a chord bearing N. 67° 57' 44" E. 79.05 feet, an arc distance of 79.20 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along the last mentioned division line a distance of 330.83 feet to a lag bolt in concrete set at its intersection with the southwesterly boundary of North Clinton Street; thence S. 28° 09' 10" E. along said street boundary, a distance of 212.14 feet to a nail and flag in concrete found; thence S. 61° 50' 50" W. along the division line between said lands of Borden, Inc. on the northwest and lands of Franklin Square Housing Associates (reputed owner) on the southeast, a distance of 245.00 feet to a capped iron pin found; thence S. 28° 09' 10" E. continuing along said division line, a distance of 33.00 feet to a capped iron pin found; thence S. 61° 50' 50" W. continuing along said division line, a distance of 30.00 feet to a capped iron pin found at its intersection with the northeasterly boundary of North Franklin Street; thence N. 28° 09' 10" W. along said street boundary, a distance of 33.00 feet to a PK nail set at the most northerly corner of said North Franklin Street; thence S. 61° 50' 50" W. along the northwesterly boundary of North Franklin Street, a distance of 60.00 feet to a masonry anchor set at the most westerly corner thereof; thence S. 28° 09' 10" E. along the southwesterly boundary of said North Clinton Street, a distance of 46.67 feet to an iron pipe set at the most northerly corner of the aforementioned lands conveyed by Borden, Inc. to the City of Syracuse for public purposes; thence S. 61° 50' 50" W. along the northwesterly boundary of said lands, said boundary also being the northwesterly boundary of Gail Borden Drive, a distance of 259.18 feet to the point of beginning.

Schedule B – Real estate transfer tax return (Tax Law, Article 31)

Part I – Computation of tax due

1	Enter amount of consideration for the conveyance (if you are claiming a total exemption from tax, check the exemption claimed box, enter consideration and proceed to Part III) <input checked="" type="checkbox"/> Exemption claimed	1.		0	00
2	Continuing lien deduction (see instructions if property is taken subject to mortgage or lien)	2.		0	00
3	Taxable consideration (subtract line 2 from line 1)	3.		0	00
4	Tax: \$2 for each \$500, or fractional part thereof, of consideration on line 3	4.		0	00
5	Amount of credit claimed for tax previously paid (see instructions and attach Form TP-584.1, Schedule G)	5.		0	00
6	Total tax due* (subtract line 5 from line 4)	6.		0	00

Part II – Computation of additional tax due on the conveyance of residential real property for \$1 million or more

1	Enter amount of consideration for conveyance (from Part I, line 1)	1.		
2	Taxable consideration (multiply line 1 by the percentage of the premises which is residential real property, as shown in Schedule A) ...	2.		
3	Total additional transfer tax due* (multiply line 2 by 1% (.01))	3.		

Part III – Explanation of exemption claimed on Part I, line 1 (check any boxes that apply)

The conveyance of real property is exempt from the real estate transfer tax for the following reason:

- a. Conveyance is to the United Nations, the United States of America, the state of New York, or any of their instrumentalities, agencies, or political subdivisions (or any public corporation, including a public corporation created pursuant to agreement or compact with another state or Canada) a
- b. Conveyance is to secure a debt or other obligation..... b
- c. Conveyance is without additional consideration to confirm, correct, modify, or supplement a prior conveyance..... c
- d. Conveyance of real property is without consideration and not in connection with a sale, including conveyances conveying realty as bona fide gifts d
- e. Conveyance is given in connection with a tax sale..... e
- f. Conveyance is a mere change of identity or form of ownership or organization where there is no change in beneficial ownership. (This exemption cannot be claimed for a conveyance to a cooperative housing corporation of real property comprising the cooperative dwelling or dwellings.) Attach Form TP-584.1, Schedule F..... f
- g. Conveyance consists of deed of partition..... g
- h. Conveyance is given pursuant to the federal Bankruptcy Act h
- i. Conveyance consists of the execution of a contract to sell real property, without the use or occupancy of such property, or the granting of an option to purchase real property, without the use or occupancy of such property i
- j. Conveyance of an option or contract to purchase real property with the use or occupancy of such property where the consideration is less than \$200,000 and such property was used solely by the grantor as the grantor's personal residence and consists of a one-, two-, or three-family house, an individual residential condominium unit, or the sale of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold covering an individual residential cooperative apartment..... j
- k. Conveyance is not a conveyance within the meaning of Tax Law, Article 31, section 1401(e) (attach documents supporting such claim) ...See Schedule "A"..... k

*The total tax (from Part I, line 6 and Part II, line 3 above) is due within 15 days from the date conveyance. Please make check(s) payable to the county clerk where the recording is to take place. If the recording is to take place in the New York City boroughs of Manhattan, Bronx, Brooklyn, or Queens, make check(s) payable to the **NYC Department of Finance**. If a recording is not required, send this return and your check(s) made payable to the **NYS Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-5045.

Schedule C – Credit Line Mortgage Certificate (Tax Law, Article 11)

Complete the following only if the interest being transferred is a fee simple interest.

I (we) certify that: (check the appropriate box)

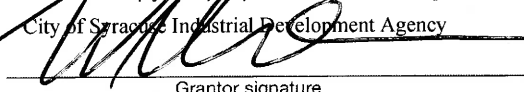

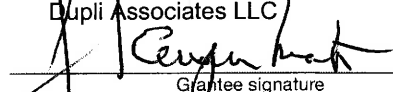

1. The real property being sold or transferred is not subject to an outstanding credit line mortgage.
2. The real property being sold or transferred is subject to an outstanding credit line mortgage. However, an exemption from the tax is claimed for the following reason:
 - The transfer of real property is a transfer of a fee simple interest to a person or persons who held a fee simple interest in the real property (whether as a joint tenant, a tenant in common or otherwise) immediately before the transfer.
 - The transfer of real property is (A) to a person or persons related by blood, marriage or adoption to the original obligor or to one or more of the original obligors or (B) to a person or entity where 50% or more of the beneficial interest in such real property after the transfer is held by the transferor or such related person or persons (as in the case of a transfer to a trustee for the benefit of a minor or the transfer to a trust for the benefit of the transferor).
 - The transfer of real property is a transfer to a trustee in bankruptcy, a receiver, assignee, or other officer of a court.
 - The maximum principal amount secured by the credit line mortgage is \$3,000,000 or more, and the real property being sold or transferred is **not** principally improved nor will it be improved by a one- to six-family owner-occupied residence or dwelling.

Please note: for purposes of determining whether the maximum principal amount secured is \$3,000,000 or more as described above, the amounts secured by two or more credit line mortgages may be aggregated under certain circumstances. See TSB-M-96(6)-R for more information regarding these aggregation requirements.

- Other (attach detailed explanation).
3. The real property being transferred is presently subject to an outstanding credit line mortgage. However, no tax is due for the following reason:
 - A certificate of discharge of the credit line mortgage is being offered at the time of recording the deed.
 - A check has been drawn payable for transmission to the credit line mortgagee or his agent for the balance due, and a satisfaction of such mortgage will be recorded as soon as it is available.
 4. The real property being transferred is subject to an outstanding credit line mortgage recorded in _____ (insert liber and page or reel or other identification of the mortgage). The maximum principal amount of debt or obligation secured by the mortgage is _____. No exemption from tax is claimed and the tax of _____ is being paid herewith. (Make check payable to county clerk where deed will be recorded or, if the recording is to take place in New York City but not in Richmond County, make check payable to the **NYC Department of Finance**.)

Signature (both the grantor(s) and grantee(s) must sign)

The undersigned certify that the above information contained in schedules A, B, and C, including any return, certification, schedule, or attachment, is to the best of his/her knowledge, true and complete, and authorize the person(s) submitting such form on their behalf to receive a copy for purposes of recording the deed or other instrument effecting the conveyance.

<p>City of Syracuse Industrial Development Agency</p>  <p>_____ Grantor signature William M. Ryan</p>	<p>Dupli Associates LLC</p>  <p>_____ Grantee signature J. Kemper Matt, Sr.</p>	<p>Managing Member</p> <p>_____ Title</p>	
<p>_____ Grantor signature</p>	<p>_____ Title</p>	<p>_____ Grantee signature</p>	<p>_____ Title</p>

Reminder: Did you complete all of the required information in Schedules A, B, and C? Are you required to complete Schedule D? If you checked e, f, or g in Schedule A, did you complete Form TP-584.1? Have you attached your check(s) made payable to the county clerk where recording will take place or, if the recording is in the New York City boroughs of Manhattan, Bronx, Brooklyn, or Queens, to the **NYC Department of Finance**? If no recording is required, send your check(s), made payable to the **Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-5045.

Schedule D - Certification of exemption from the payment of estimated personal income tax (Tax Law, Article 22, section 663)

Complete the following only if a fee simple interest or a cooperative unit is being transferred by an individual or estate or trust.

If the property is being conveyed by a referee pursuant to a foreclosure proceeding, proceed to Part II, and check the second box under *Exemptions for nonresident transferor(s)/seller(s)* and sign at bottom.

Part I - New York State residents

If you are a New York State resident transferor(s)/seller(s) listed in Schedule A of Form TP-584 (or an attachment to Form TP-584), you must sign the certification below. If one or more transferors/sellers of the real property or cooperative unit is a resident of New York State, **each** resident transferor/seller must sign in the space provided. If more space is needed, please photocopy this Schedule D and submit as many schedules as necessary to accommodate all resident transferors/sellers.

Certification of resident transferor(s)/seller(s)

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor(s)/seller(s) as signed below was a resident of New York State, and therefore is not required to pay estimated personal income tax under Tax Law, section 663(a) upon the sale or transfer of this real property or cooperative unit.

Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date

Note: A resident of New York State may still be required to pay estimated tax under Tax Law, section 685(c), but not as a condition of recording a deed.

Part II - Nonresidents of New York State

If you are a nonresident of New York State listed as a transferor/seller in Schedule A of Form TP-584 (or an attachment to Form TP-584) but are not required to pay estimated personal income tax because one of the exemptions below applies under Tax Law, section 663(c), check the box of the appropriate exemption below. If any one of the exemptions below applies to the transferor(s)/seller(s), that transferor(s)/seller(s) is not required to pay estimated personal income tax to New York State under Tax Law, section 663. **Each** nonresident transferor/seller who qualifies under one of the exemptions below must sign in the space provided. If more space is needed, please photocopy this Schedule D and submit as many schedules as necessary to accommodate all nonresident transferors/sellers.

If none of these exemption statements apply, you must complete Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*, or Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*. For more information, see *Payment of estimated personal income tax*, on page 1 of Form TP-584-I.

Exemption for nonresident transferor(s)/seller(s)

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor(s)/seller(s) (grantor) of this real property or cooperative unit was a nonresident of New York State, but is not required to pay estimated personal income tax under Tax Law, section 663 due to one of the following exemptions:

- The real property or cooperative unit being sold or transferred qualifies in total as the transferor's/seller's principal residence (within the meaning of Internal Revenue Code, section 121) from _____ Date to _____ Date (see instructions).
- The transferor/seller is a mortgagor conveying the mortgaged property to a mortgagee in foreclosure, or in lieu of foreclosure with no additional consideration.
- The transferor or transferee is an agency or authority of the United States of America, an agency or authority of the state of New York, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, or a private mortgage insurance company.

SCHEDULE "A"

The document being recorded for which this NYS Form TP-584 is being provided is a Memorandum of Lease between the Grantor and the Grantee. The sum of the term of the lease and any options for renewal do not exceed forty-nine (49) years, and therefore said lease is not a Conveyance within the meaning of Article 31 of the Tax Law.

**FIRST AMENDMENT TO
AGENCY LEASE AGREEMENT**

THIS FIRST AMENDMENT TO THE AGENCY LEASE AGREEMENT, (the "**First Amendment**") made as of the 1 day of December, 2020 (the "**Effective Date**"), by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a body corporate and politic and a public instrumentality of the State of New York, having its office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the "**Agency**") and **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (the "**Company**"), amending that certain Agency Lease Agreement dated as of July 1, 2017 by and between the Agency and the Company (the "**First Agency Lease**") and together with this First Amendment, collectively the "**Original Agency Lease**").

WITNESSETH:

THE MEANING OF CAPITALIZED TERMS NOT OTHERWISE DEFINED HEREIN
SHALL HAVE THE MEANINGS ATTACHED TO THEM IN THE FIRST AGENCY LEASE.

WHEREAS, the Agency is authorized and empowered by Title I of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the "**Act**"), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, the Enabling Act further authorizes each such agency to acquire property by lease, lease any or all of its properties, to mortgage and pledge any or all of its properties, whether then owned or thereafter acquired, and to pledge the revenues and receipts from the lease thereof; and

WHEREAS, at the request of Dupli Associates, LLC (the "**Company**"), by resolution dated May 16, 2017 (the "**Original Inducement Resolution**") the Agency undertook a project (the "**Original Project**") consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0) (the "**Building 1 Land**"); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an

approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Original Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, in July 2017, the Company and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Original Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, the Company and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, the First Agency Lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, by supplemental application dated February 4, 2020 (the "**Application**"), the Company requested the Agency revise the Original Project (the "**Project**") as follows: (A)(i) the continuation of an interest in the Original Land; (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Building 1 Facility**"); and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the AMI; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the "**Building 2 Facility**" and together with the Building 1 Facility, collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%20001-06-2016.pdf

Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 600 Franklin Owner LLC, the SPE for the Building 1 Project ("**600 Franklin**") and 156 Solar Street LLC ("**156 Solar**"), the SPE for the Building 2 Project. 600 Franklin will be a party to the Bifurcated Agreements for the Building 1 Project and 156 Solar will be a part to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, by resolution adopted October 20, 2020, the Agency authorized the Bifurcation Agreements to accommodate the Ownership Structure requirements; and

WHEREAS, Dupli is the current owner of the Land and the Facility but contemporaneously with the execution and delivery of the Dupli Building 1 Agency Lease (as defined herein), Dupli shall transfer fee ownership of the Building 1 Land and the Building 1 Facility and all improvements thereon to 600 Franklin, in which Dupli has and shall continue to have for the duration of the Dupli Building 1 Agency Lease, a 90% membership interest; and

WHEREAS, this First Amendment is in accordance with Section 11.4 of the Original Agency Lease and reflects the amendments and other changes set forth herein; and

WHEREAS, the Company represents and warrants that there is no event of default under the Original Lease Documents or any other Company Document and all such documents are in full force and effect; and

WHEREAS, it is the intent of the parties hereto that the First Agency Lease be bifurcated into two separate leases to provide for the Ownership Structure.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants herein set forth, and in accordance with Section 11.4 of the Original Agency Lease, the Agency and the Company hereby agree as follows:

1.0 RECITALS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

2.0 AMENDMENTS

(1) The parties agree, as of and following the Effective Date hereof, to bifurcate the First Agency Lease into two leases, each lease controlling the parties' rights and obligations with respect to a portion of the Project relative to *either* Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "***Building 1 Project***") or Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "***Building 2 Project***"), as applicable, by: (i) executing and delivering the lease agreement attached hereto at **Exhibit "A"** continuing the parties' interests in the Building 1 Project, adding the applicable SPE as a party to the lease and evidencing each of the parties' rights and obligations with respect thereto (the "***Dupli Building 1 Agency Lease***"); and (ii) executing and delivering the lease agreement attached hereto at **Exhibit "B"** continuing the parties' interests in the Building 2 Project, adding the applicable SPE as a party to the lease and evidencing each of the parties' and evidencing their rights and obligations with respect thereto (the "***Dupli Building 2 Agency Lease***").

(2) Section 11.1 (b) of the First Agency Lease shall be is deleted in its entirety and replaced with the following:

(b) If to the Company, to:

Dupli Associates, LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

With a copy to:

Lynn D'Elia Temes & Stanczyk LLC
100 Madison Street
Tower 1 – Suite 1905
Syracuse, New York 13202
Attn: Timothy M. Lynn, Esq.

3.0 INCORPORATION OF AMENDMENTS IN COMPANY DOCUMENTS AND AGENCY DOCUMENTS.

Notwithstanding anything herein to the contrary, or anything to the contrary in any other Company Document or Agency Document, the parties agree and consent to the changes made

herein being incorporated into each and every other Company Document and Agency Document by reference without any further action or ratification by the parties thereto.

4.0 INTENT OF PARTIES.

To eliminate any doubt, it is the explicit intent of the parties hereto that as of and following the Effective Date hereof, the Dupli Building 1 Agency Lease shall govern the rights and responsibilities of the parties with respect to the Building 1 Project and the Dupli Building 2 Agency Lease shall govern the rights and responsibilities of the parties with respect to the Building 2 Project.

5.0 RATIFICATION OF FIRST AGENCY LEASE.

(a) The Agency and the Company agree that all of the other terms, covenants and conditions of the First Agency Lease, except as amended herein, are hereby ratified and confirmed and, as herein modified and amended, shall remain in full force and effect, and each term, covenant and condition shall apply to this First Amendment as if it were fully set forth herein, including but not limited to, Sections 8.2 and 11.11.

(b) This First Amendment amends and supplements the First Agency Lease, as and to the extent set forth herein and is executed in accordance with Section 11.4 of the First Agency Lease. This First Amendment forms a part of the First Agency Lease, and all the terms and conditions contained herein shall be deemed a part of the terms and conditions of the First Agency Lease for any and all purposes and the respective rights, duties and obligations under the First Agency Lease of the Agency and the Company shall be determined, exercised and enforced under the First Agency Lease, as amended by this First Amendment. References to the First Agency Lease in the Agency and Company Documents shall be deemed to refer to the First Agency Lease, as amended by this First Amendment, and the First Agency Lease, as so amended and supplemented hereby, shall be read, taken and construed as one in the same instrument. The Agency and the Company hereby ratify and confirm the terms, conditions and covenants set forth in the First Agency Lease, as amended by this First Amendment.

(c) Each the Company and the Agency confirm and restate their respective representations and covenants contained in the First Agency Lease, as amended by the First Amendment.

(d) This First Amendment shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

5.0 EFFECTIVE DATE.

This First Amendment shall be effective as of December 1, 2020 (the “*Effective Date*”).

6.0 INVALIDITY.

If any part, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of

this First Amendment shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such part, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this First Amendment shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

7.0 NON-RECOURSE.

(a) All covenants, stipulations, promises, agreements and obligations of the Agency contained in this First Amendment and the other documents and instruments executed and/or delivered connected therewith shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, agent or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in the this First Amendment or the other documents and instruments executed and/or delivered connected therewith or any documents supplemental hereto, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent or employee, as such, of the Agency, or of any successor public benefit corporation or political subdivision, or any person executing this First Amendment or the other documents and instruments executed and/or delivered connected therewith, either directly or through the Agency or any successor public benefit corporation or political subdivision, it being expressly understood that no such personal liability whatsoever shall attach to, or is or shall be incurred by, any such member, officer, agent or employee of the Agency or of any such successor public benefit corporation or political subdivision, or any person executing this First Amendment and the other documents and instruments executed and/or delivered connected therewith, because of or by reason of the obligations, covenants or agreements contained in therein or implied therefrom.

(b) Nothing contained herein shall be construed to increase in any material respect the rights of the Agency under the Original Agency Lease or decrease in any material respect the rights of the Agency thereunder.

8.0 AUTHORITY.

Each of the Agency and the Company represents and warrants that it has the requisite power and authority to enter into and execute this First Amendment.

9.0 COUNTERPARTS; ELECTRONIC SIGNATURE.

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall

be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

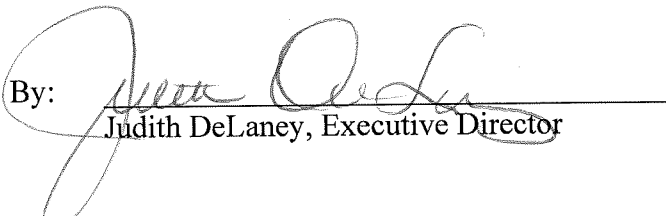

10.0 GOVERNING LAW.

This First Amendment shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding hereunder shall be in the respective State or Federal court located in Onondaga County.

**DUPLI BUILDING 1
AGENCY LEASE AGREEMENT**

THIS DUPLI BUILDING 1 AGENCY LEASE AGREEMENT, dated as of December 1, 2020 (the “*Dupli Building 1 Agency Lease*”), is by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a body corporate and politic and a public instrumentality of the State of New York, having its office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the “*Agency*”), **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **600 FRANKLIN OWNER LLC**, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York (“*600 Franklin*” and together with Dupli, collectively, the *Company*”).

WITNESSETH:

WHEREAS, the Agency is authorized and empowered by Title I of Article 18-A of the General Municipal Law of the State of New York (the “*State*”), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the “*Act*”), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act, among other things, to: (i) make contracts and leases, and to execute such documents as necessary or convenient, with a public or private person, firm, partnership, or corporation; (ii) to acquire, construct, reconstruct, lease, improve, maintain, equip or furnish one or more projects (as defined in the Act); and (iii) to sell, lease and otherwise dispose *of* any such property; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification number 118.-06-01.0) (the “*Building 2 Land*”), each in the City of Syracuse, New York (the “*City*”) (Building 1 Land together with Building 2 Land, collectively referred to as the “*Original Land*”);

(ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, by correspondence dated October 5, 2020, Dupli advised that it was ready to proceed with the rehabilitation and renovations to Building 1 located at 600 North Franklin Street and has identified a historic tax credit investor for that portion of the Project. Building 2 is not ready to proceed as it is awaiting approval from New York State Historic Preservation Office and National Park Service relative to its historic designation; and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 600 Franklin Owner LLC, the SPE for the Building 1 Project ("**600 Franklin**" and together with Dupli, collectively, the "**Company**"), 600 Franklin will be a party to the Bifurcated Agreements for the Building 2

Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, authorized the Project and the Bifurcated Agreements to accommodate the Ownership Structure such that the applicable Bifurcated Agreements for the Building 1 Project will govern the Building 1 Project consisting of: (A)(i) the continuation of an interest in 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^[1] (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 1 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 600 Franklin or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, the Agency proposes to assist the Company's acquisition, construction and equipping of the Project Facility and grant the Financial Assistance to the Project by, among other things: (1) appointing the Company and/or its designee as its agent with respect to the undertaking and completing the Project; (2) continuing its leasehold interest in the Land and the Facility from the Company and a fee interest in the Equipment pursuant to a bill of sale from the Company; and (2) subleasing the Project Facility to the Company pursuant to this Dupli Building 1 Agency Lease; and

WHEREAS, 600 Franklin is the current owner of the Land and the Facility; and

WHEREAS, in accordance with the terms of that certain company lease agreement dated as of July 21, 2017, as amended by the first amendment First Amendment to Company Lease dated as of December 1, 2020 , each between Dupli and the Agency (collectively, the "**Original Company Lease**"), the Company has leased or continued its lease of the Land and the Facility to the Agency; and

^[1] As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

WHEREAS, Dupli has conveyed title to the Equipment to the Agency pursuant to an bill of sale dated as of December 1, 2020 (the "**Dupli Bill of Sale**") and 600 Franklin has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**600 Bill of Sale**") and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**"; and

WHEREAS, the Agency now proposes to sublease the Project Facility to 600 Franklin pursuant to the terms and conditions herein set forth; and

WHEREAS, all things necessary to constitute this Dupli Building 1 Agency Lease a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution, and delivery of this Dupli Building 1 Agency Lease have, in all respects, been duly authorized.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto hereby formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I RECITALS AND DEFINITIONS

1.0 RECITALS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

1.1 DEFINITIONS.

For all purposes of this Dupli Building 1 Agency Lease and any agreement supplemental thereto, all defined terms indicated by the capitalization of the first letter of such term shall have the meanings specified in the Table of Definitions attached hereto as **Exhibit "A"** except as otherwise expressly defined herein or the context hereof otherwise requires.

1.2 INTERPRETATION.

In this Dupli Building 1 Agency Lease, unless the context otherwise requires:

(a) The terms "hereby," "hereof," "herein," "hereunder," and any similar terms as used in this Dupli Building 1 Agency Lease refer to this Dupli Building 1 Agency Lease; the term "heretofore" shall mean before and the term "hereafter" shall mean after the date of this Dupli Building 1 Agency Lease;

(b) Words of masculine gender shall mean and include correlative words of feminine and neuter genders, and words importing the singular number shall mean and include the plural number and vice versa; and

(c) Any certificates, letters, or opinions required to be given pursuant to this Dupli Building 1 Agency Lease shall mean a signed document attesting to or acknowledging the

circumstances, representations, opinions of law, or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Dupli Building 1 Agency Lease.

(d) Unless otherwise so indicated, the term Company shall refer jointly to 600 Franklin and Dupli.

ARTICLE II REPRESENTATIONS AND COVENANTS

2.1 REPRESENTATIONS OF THE AGENCY.

The Agency makes the following representations to the Company as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established under the provisions of the Act and has the power to enter into this Dupli Building 1 Agency Lease and to carry out its obligations hereunder. Based upon the representations of the Company as to the utilization of the Project Facility, the Project Facility will constitute a “project,” as such quoted term is defined in the Act. By proper official action, the Agency has been duly authorized to execute, deliver, and perform this Dupli Building 1 Agency Lease and the other Agency Documents.

(b) Neither the execution and delivery of this Dupli Building 1 Agency Lease, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions of this Dupli Building 1 Agency Lease and the other Agency Documents by the Agency will conflict with or result in a breach by the Agency of any of the terms, conditions, or provisions of the Act, the By-Laws of the Agency, or any order, judgment, restriction, agreement, or instrument to which the Agency is a party or by which it is bound or will constitute a default by the Agency under any of the foregoing.

(c) This Dupli Building 1 Agency Lease and the other Agency Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Agency, enforceable in accordance with their respective terms.

2.2 REPRESENTATIONS AND COVENANTS OF THE COMPANY.

Dupli and 600 Franklin, each as noted or jointly as the Company, acknowledge, represent, warrants and covenant to the Agency as follows:

(a) Dupli is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 1 Agency Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 1 Agency Lease and the other Company Documents; and

(b) 600 Franklin is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 1 Agency Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 1 Agency Lease and the other Company Documents; and

(c) Each Dupli and 600 Franklin for itself represent and covenant that, for each respectively, this Dupli Building 1 Agency Lease and the other Company Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of Dupli and 600 Franklin enforceable in accordance with their respective terms; and

(d) Dupli has, contemporaneously with the execution and delivery of this Dupli Building 1 Agency Lease, transferred fee title of the Project Facility to 600 Franklin. During the term of this Dupli Building 1 Agency Lease, Dupli shall hold 90% of the membership interests in 600 Franklin; and

(e) 600 Franklin is the fee title owner of the Project Facility. 600 Franklin shall remain the fee owner of the Project Facility for the term of this Dupli Building 1 Agency Lease unless otherwise consented to in writing by the Agency; and

(f) The Company shall complete the Project Facility on or before the Completion Date; and.

(g) This Project is not primarily used for retail as set forth in the Act; and

(h) For the duration of the term hereof, the Company shall operate the Project Facility as the Project Facility and for the purposes presented herein and in the Application and Plans and Specifications presented to the Agency; and.

(i) For the duration of the term hereof, and in accordance with the Agency's Uniform Tax Exemption Policy ("**UTE**P"), the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by US Department of Housing and Urban Development ("**HUD**"), inclusive of utilities (the "**HUD Rates**") (collectively, the "**Rental Restrictions**"). The 2020 HUD Rates are attached hereto at **Exhibit "B"**. Rental rates in the leases for these residential units must be tied to the annual HUD Rates. It is the Company's obligation to obtain the annual HUD Rates each year. Generally, the HUD Rates are published in or about June of each year; and

(j) During the Reporting Period, the Company shall provide the reporting and certifications required relative to the Rent Restrictions as more fully set forth in Section 8.5 hereof. The Company acknowledges that failure to maintain and/or report on the Rent Restrictions as set forth herein, shall give rise to the Agency's right to recapture all Recapture Amounts;

(k) Neither the execution and delivery of this Dupli Building 1 Agency Lease and the other Company Documents, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions thereof will:

(1) Result in a breach of, or conflict with any term or provision in, Dupli's or 600 Franklin's Articles of Organization and Operating Agreement;

(2) Require consent under (which has not been heretofore received) or result in a breach of or default under any credit agreement, indenture, purchase agreement, mortgage, deed of trust, commitment, guaranty or other agreement or instrument to which either Dupli or 600 Franklin is a party or by which either Dupli or 600 Franklin or any of its respective property may be bound or affected; or

(3) Conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction, or decree of any Governmental Authority or court (domestic or foreign) having jurisdiction over the Company or any of the property of the Company.

(l) The providing of Financial Assistance to the Project by the Agency:

(1) Has been an important consideration in the Company's decision to acquire, reconstruct, renovate, equip and complete the Project Facility in the City of Syracuse;

(2) Will not result in the removal of an industrial or manufacturing plant or commercial activity of any Project Facility occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of any user, occupant, or proposed user or occupant of the Project Facility located within the State, except as permitted by the Act; and

(3) Will help eliminate blight and advance job opportunities, prosperity, and standard of living and help prevent economic deterioration.

(m) So long as the Agency holds a leasehold interest in the Project Facility, the Project Facility is and will continue to be a "project" (as such quoted term is defined in the Act), and the Company will not take any action (or omit to take any action required by the Company Documents or which the Agency, together with Agency's counsel, advise the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way cause the Project Facility not to constitute a "project" (as such quoted term is defined in the Act); and

(n) The Company shall cause all notices as required by law to be given and shall comply or cause compliance with all laws, ordinances, municipal rules, and regulations and requirements of all Governmental Authorities applying to or affecting the construction, equipping and operation of the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company, were the owner of the Project Facility), and the Company will defend and save the Agency and its officers, members, agents (other than the Company), and employees harmless from all fines and penalties due to failure to comply therewith; and

(o) The Project will not have a significant effect on the environment” (within the meaning of such term as used in SEQRA) and the Company hereby covenants to comply with all mitigating measures, requirements and conditions, if any, enumerated in the SEQR Resolution under SEQRA applicable to the acquisition, construction and installation of the Project Facility and in any other approvals issued by any other Governmental Authority with respect to the Project. No material changes with respect to any aspect of the Project Facility have arisen from the date of the issuance of such negative declaration which would cause the determination contained therein to be untrue; and

(p) The Company acknowledges the Agency's Local Access Policy and the Company's obligation to comply. The Company further understands and agrees that it is the preference of the Agency that the Company provide opportunities for the purchase of goods and services from: (i) business enterprises located in the City; (ii) certified minority and or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. The Company further understands and acknowledges that consideration will be given by the Agency to the Company's efforts to comply, and compliance, with this objective at any time an extension of benefits is sought or involvement by the Agency with the Project is requested by the Company; and

(q) The Agency's undertaking of the Project and the provision of Financial Assistance for the Project will not have a significant impact on the environment within the meaning of SEQRA; and

(r) The acquisition, reconstruction, renovation, equipping and completion of the Project Facility will promote employment opportunities and help prevent economic deterioration in the City by the creation and/or preservation of both full and part-time jobs; and

(s) The Company has, or will have as of the first date of construction and equipping, all then necessary permits, licenses, and governmental approvals and consents (collectively, “*Approvals*”) for the construction and equipping of the Project Facility and has or will have such Approvals timely for each phase of, and throughout the reconstruction renovation and equipping of the Project Facility; and

(t) The Company will not sublease the whole or any portion of the Project Facility for an unlawful purpose; and

(u) No part of the Project Facility will be located outside of the City; and

(v) The Company shall perform, or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency (which is within the control of the Company) under and pursuant to this Dupli Building 1 Agency Lease, the Company Lease and the other Company Documents and shall defend, indemnify, and hold harmless the Agency and its members, officers, agents (other than the Company), servants and employees from and against every expense, liability, or claim arising out of the failure of the Company to fulfill its obligations under the provisions of this Section 2.2; and

(w) The Company agrees that except as is otherwise provided by collective bargaining contracts or agreements applicable to the Project, new employment opportunities created as a result of the Project shall be listed with the New York State Department of Labor Community Services Division, and with the administrative entity of the service delivery area created by the Federal Job Training Partnership Act (P.L. No. 97-300) in which the Project is located. The Company further agrees that except as is otherwise provided by collective bargaining contracts or agreements applicable to the Project, it will first consider persons eligible to participate in the Federal Job Training Partnership (P.L. No. 97-300) programs who shall be referred by administrative entities of service delivery areas created pursuant to such act or by the Community Services Division of the Department of Labor for such new employment opportunities; and

(x) The Company shall provide to the Agency any and all documentation or information requested by the Agency so that the Agency can comply with all of its reporting requirements under the Act; and

(y) As a condition precedent to receiving or benefiting from any State sales and use tax exemption benefits, the Company acknowledges and agrees to all terms and conditions of Section 875(3) of the Act. Section 875(3) of the Act is herein incorporated by reference. As part of such conditions precedent:

(1) The Company shall not take any State or local Sales and Use Tax exemptions to which it is not entitled, which are in excess of the amount authorized by the Agency in reliance on the Company's Application or which are for property or services not authorized.

(2) The Company shall comply with all material terms and conditions to use property or services in the manner required by the Agency Documents.

(3) The Company shall cooperate with the Agency in the Agency's efforts to recover, recapture, receive or otherwise obtain from the Company any Sales Tax Recapture Amount (as defined in Section 8.12(g) hereof) and shall, upon the Agency's request, immediately pay to the Agency any Sales Tax Recapture Amount, together with any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise. The Company acknowledges and agrees that the failure of the Company to promptly pay any Sales Tax Recapture Amount to the Agency will be grounds for the State Commissioner of Taxation and Finance to collect sales and use taxes from the Company under Article 28 of the State Tax Law, together with interest and penalties.

(z) The amount of State and local sales and use tax benefits comprising the Financial Assistance approved by the Agency shall not exceed **\$466,914**. The Company shall not request, obtain nor claim State and local sales and use tax exemptions in excess of this amount; and

(aa) The Company hereby acknowledges that any exemption from mortgage recording tax authorized by the Agency as part of the Financial Assistance is subject to Section 874 of the Act; and

(bb) The Company hereby acknowledges, agrees and covenants to timely pay all costs of reconstruction, renovation, equipping and completing the Project, and its obligations hereunder including, but not limited to, Article 4 hereof; and

(cc) The Company hereby represents, warrants and covenants that no properties owned or leased by the Company in the City are currently the subject of any violations, including but not limited to zoning and/or permitting, by any governmental agency nor are any such properties delinquent in any taxes or payments in lieu thereof to any municipality. The Company further represents, warrants and covenants that all Company owned or leased properties are in compliance with, all laws, ordinances, rules, regulations, and requirements of all Governmental Authorities and that there are no pending or threatened law suits against the City or County; and

(dd) The Company shall cooperate with the Agency in the Agency's efforts to recover, recapture, receive or otherwise obtain from the Company any Recapture Amount, and shall, upon the Agency's request, immediately pay to the Agency any Recapture Amount, together with any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise.

ARTICLE III CONVEYANCE OF LEASEHOLD INTEREST IN PROJECT FACILITY

3.1 AGREEMENT TO CONVEY LEASEHOLD INTEREST TO COMPANY.

The Company has conveyed to the Agency, pursuant to the Company Lease, a leasehold interest in the Land and Facility, as more fully described in **Exhibit "C"** attached hereto, any improvements now or hereafter constructed and installed thereon, subject to Permitted Encumbrances and all of its right, title and interest in the Equipment via a Bill of Sale, as more fully described in **Exhibit "D"** attached hereto. Under this Dupli Building 1 Agency Lease, the Agency will convey, or will cause to be conveyed, to 600 Franklin, a subleasehold interest in the Project Facility subject to Permitted Encumbrances and exclusive of the Agency's Unassigned Rights.

3.2 USE OF PROJECT FACILITY.

Subsequent to the Closing Date, 600 Franklin shall be entitled to use the Project Facility in accordance with the terms of this Dupli Building 1 Agency Lease and for the purposes described in the third WHEREAS clause of this Dupli Building 1 Agency Lease; provided that such use causes the Project Facility to qualify or continue to qualify as a "project" under the Act.

**ARTICLE IV
RECONSTRUCTION, RENOVATION, CONSTRUCTION AND EQUIPPING
OF THE PROJECT**

**4.1 RECONSTRUCTION, RENOVATION, CONSTRUCTION AND
EQUIPPING OF THE PROJECT FACILITY.**

(a) The Company shall promptly construct, equip and complete the Project Facility, all in accordance with the Plans and Specifications on or before the Completion Date. Unless a written waiver is first obtained from the Agency, in accordance with the Agency's Local Access Policy, the Company and its Additional Agents (as defined herein), shall utilize local labor, contractors and suppliers for the reconstruction, renovation, equipping and completion of the Project Facility. For purposes of this Dupli Building 1 Agency Lease, and in particular this Section 4.1, the term "*local*" shall mean Onondaga, Oswego, Oneida, Madison, Cayuga and Cortland Counties. Failure to comply with the local labor requirements of this Section 4.1 (collectively, "*Local Labor Requirements*") may result in the revocation or recapture of all benefits provided/approved to the Project by the Agency. Failure to comply with any portion of Article 4 may result in the loss of all benefits provided or for the benefit of the Project in the Agency's sole discretion. In furtherance thereof, the Agency's Local Access Agreement has been completed and is attached hereto as **Exhibit "E"**.

(b) The Agency hereby confirms the appointment of 600 Franklin as its true and lawful agent to perform the following in compliance with the terms, purposes, and intent of this Dupli Building 1 Agency Lease, the Act and the other Company Documents, and 600 Franklin hereby accepts such appointment:

(1) To reconstruct, renovate, equip and complete the Project Facility and to acquire the Equipment in accordance with the terms hereof;

(2) To make, execute, acknowledge, and deliver any contracts, orders, receipts, writings, and instructions with any other Persons and, in general, to do all things which may be requisite or proper, all for the reconstruction, renovation, equipping and completion of the Project Facility with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the Agency shall have no liability for the payment of any sums due thereunder;

(3) To pay all fees, costs and expenses incurred in the reconstruction, renovation, equipping and completion of the Project Facility from funds made available therefore from the funds of the Company; and

(4) To ask, demand, sue for, levy, recover, and receive all such sums of money, debts, dues, and other demands whatsoever which may be due, owing, and payable to the Agency under the terms of any contract, order, receipt, or writing in connection with the reconstruction, renovation, equipping and completion of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond, or other performance security.

(c) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1, provided, however, that the Agency shall have no liability for the payment of any sums due thereunder.

(d) The Company has given, or will give or cause to be given, all notices and have complied, or will comply or cause compliance with, all laws, ordinances, rules, regulations, and requirements of all Governmental Authorities applying to or affecting the conduct of work on the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company were the owner of the Project Facility), and the Company will defend, indemnify, and save the Agency and its officers, members, agents, servants, and employees harmless from all fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(e) The Company understands and agrees that it is the preference of the Agency that the Company provide opportunities for the purchase of goods and services relative to the Project from: (i) business enterprises located in the City; (ii) certified minority and/or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. Consideration will be given by the Agency to the Company's efforts to comply, and compliance with, this objective at any time an extension of benefits is requested, or further involvement by the Agency with the Project, is requested by the Company.

4.2 COMPLETION OF PROJECT FACILITY.

(a) The Company will proceed with due diligence to acquire, reconstruct, renovate, equip and complete the Project Facility on or before the Completion Date. Completion of the acquisition, reconstruction, renovation and equipping of the Project Facility shall be evidenced by a certificate signed by an Authorized Representative of the Company and approved by the Agency, on or before the Completion Date, stating:

(1) The date of such completion;

(2) That all labor, services, materials, and supplies used therefor and all costs and expenses in connection therewith have been paid;

(3) That the Company has good and valid title to all Property constituting the Project Facility subject to the interest of the Agency therein and to this Dupli Building 1 Agency Lease, the Company Lease and the Bill of Sale; and

(4) That the Project Facility is ready for occupancy, use and operation for its intended purposes.

(b) Notwithstanding the foregoing, such certificate may state that (1) it is given without prejudice to any rights of the Company against third parties which exist at the date of such certificate or which may subsequently come into being; (2) it is given only for the purposes of this Section 4.2; and (3) no Person other than the Agency may benefit therefrom.

(c) Such certificate shall be accompanied by (1) copy of a certificate of occupancy, if required, and any and all permissions, licenses, or consents required of Governmental Authorities for the occupancy, operation, and use of the Project Facility for its intended purposes; and (2) Lien releases from the Company's contractor and any subcontractors under a contract with a price in excess of \$100,000.

4.3 COSTS OF COMPLETION PAID BY COMPANY.

(a) The Company agrees to complete the Project and to pay in full all costs of the reconstruction, renovation, equipping and completion of the Project Facility.

(b) No payment by the Company pursuant to this Section 4.3 shall entitle the Company to any diminution or abatement of any amounts payable by the Company under this Dupli Building 1 Agency Lease.

4.4 REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES.

In the event of a default by any materialman or Additional Agent (as defined herein) under any contract made by them in connection with reconstruction, renovation, equipping and completion of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship, or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company against the materialman or Additional Agent so in default and against each surety for the performance of such contract. The Company may prosecute or defend any action or proceeding or take any other action involving any such materialman or Additional Agent or surety which the Company deems reasonably necessary. The Company shall advise the Agency of any actions or proceedings taken hereunder. No such suit shall relieve the Company of any of its obligations under this Dupli Building 1 Agency Lease and the other Company Documents.

4.5 COOPERATION IN EXECUTION OF ADDITIONAL MORTGAGES AND MODIFICATIONS OF MORTGAGES.

The Agency agrees, upon written request of an Authorized Representative of 600 Franklin and subject to the provisions of the Act, to use its commercially reasonable efforts to execute and deliver one or more Mortgages and such additional instruments and documents may be requested by 600 Franklin and approved by counsel to the Agency and as may be required in connection with 600 Franklin's financing or refinancing for the costs of reconstruction, renovation and equipping of the Project Facility, provided that:

(a) No Event of Default under this Dupli Building 1 Agency Lease, the Company Lease, the PILOT Agreement, the Project Agreement or the Mortgage shall have occurred and be continuing; and

(b) The execution and delivery of such documents by the Agency (i) is permitted by law in effect at the time; and (ii) will serve the public purposes of the Act; and

(c) 600 Franklin will be responsible for and shall pay, from the proceeds thereof or otherwise, the Agency's fee and the costs and expenses of the Agency incidental to such additional financing, refinancing or modification thereof, including without limitation the reasonable attorneys' fees of the Agency; and

(d) The documents to be signed by the Agency shall contain the provisions set forth in Sections 8.2 and 11.11 hereof, and shall not impose any duties or obligations upon the Agency except as may be acceptable to the Agency.

(e) Any and all Mortgages, shall, by its terms, be subordinate to the Agency's right to receive payments under the PILOT Agreement.

ARTICLE V AGREEMENT TO LEASE PROJECT FACILITY; RENTAL PAYMENTS

5.1 AGREEMENT TO LEASE PROJECT FACILITY.

In consideration of the Company's covenant herein to make rental payments, and the other covenants of the Company contained herein, including the covenant to make additional rent and other payments required hereby, the Agency hereby agrees to lease to the Company, and the Company hereby agrees to lease from the Agency, the Project Facility for and during the term provided herein and upon and subject to the terms and conditions herein set forth and subject to Permitted Encumbrances.

The Agency's acceptance of the leasehold interest in and to the Land and Facility pursuant to the Company Lease, and its acquisition of an interest in the Equipment pursuant to the Bill of Sale, and the holding of said interests were effected and performed solely at the request of the Company pursuant to the requirements of the Act. The Agency hereby transfers and conveys all of its beneficial and equitable interests, if any, in the Project Facility to the Company, except for its Unassigned Rights. As a result, the parties hereby acknowledge and agree that subject to the terms and conditions of this Dupli Building 1 Agency Lease, 600 Franklin has all of the equitable and beneficial ownership and other interest in the Project Facility (except for the Unassigned Rights), and will have all the equitable and beneficial ownership and other interest in the Project Facility (except for the Unassigned Rights), such that 600 Franklin, and not the Agency, shall have an:

(i) unconditional obligation to bear the economic risk of depreciation and diminution in value of the Project Facility due to obsolescence or exhaustion, and shall bear the risk of loss if the Project Facility is destroyed or damaged;

(ii) unconditional obligation to keep the Project Facility in good condition and repair;

(iii) unconditional and exclusive right to the possession of the Project Facility, and shall have sole control of and responsibility for the Project Facility;

(iv) unconditional obligation to maintain insurance coverage on, and such reserves with respect to, the Project Facility as may be required by 600 Franklin, the Agency and the Mortgagee with respect to the Project;

(v) unconditional obligation to pay all taxes levied on, or payments in lieu thereof, and assessments made with respect to, the Project Facility;

(vi) subject to the Unassigned Rights, unconditional and exclusive right to receive rental and any other income and other benefits of the Project Facility and from the operation of the Project;

(vii) unconditional obligation to pay for all of the capital investment in the Project Facility;

(viii) unconditional obligation to bear all expenses and burdens of the Project Facility and to pay for all maintenance and operating costs in connection with the Project Facility; and

(ix) unconditional and exclusive right to include all income earned from the operation of the Project Facility and claim all deductions and credits generated with respect to the Project Facility on its annual federal, state and local tax returns.

5.2 TERM OF LEASE; EARLY TERMINATION; SURVIVAL.

(a) The term of this Dupli Building 1 Agency Lease shall commence on the date hereof and continue in full force and effect until **June 30, 2033** (the "**Term**"), unless earlier terminated as provided herein. Notwithstanding anything herein to the contrary, the obligations of the Company to report hereunder and the Agency's rights to recapture shall continue during the Term of this Dupli Building 1 Agency Lease, but in the event of an early termination as provided for herein, the Company's obligation to report and the Agency's right to recapture shall not be less than the Reporting Period (as defined herein). As a condition to the termination of this Dupli Building 1 Agency Lease, the Company shall be obligated to execute and deliver the certification attached hereto at **Schedule "1"** regarding the Company's ongoing obligations.

(b) The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing, delivering and recording terminations of the Agency Lease, the Company Lease, preparing a bill of sale together with any other documents therewith and to take such other and further actions reasonably necessary to confirm the termination date of the Agency's interest in the Project.

(c) 600 Franklin shall have the option, at any time during the Term of this Dupli Building 1 Agency Lease, to terminate this Dupli Building 1 Agency Lease. In the event that 600 Franklin shall exercise its option to terminate this Dupli Building 1 Agency Lease pursuant to this Section 5.2(c), 600 Franklin shall file with the Agency a certificate stating 600 Franklin's intention to do so pursuant to this Section 5.2(c) and to comply with the requirements set forth in Section 5.2(d) hereof.

(d) As a condition to the effectiveness of 600 Franklin's exercise of its right to early termination, the following payments shall be made:

(1) **To the Agency:** an amount certified by the Agency as sufficient to pay all unpaid fees and expenses of the Agency incurred under this Dupli Building 1 Agency Lease, the Company Lease and the PILOT Agreement (including, but not limited to those in connection with the early termination of this Dupli Building 1 Agency Lease); and

(2) **To the Appropriate Person:** an amount sufficient to pay all other fees, expenses or charges, if any, then due and payable under this Dupli Building 1 Agency Lease and the other Agency Documents.

(e) The certificate required to be filed pursuant to Section 5.2(c), setting forth the provision thereof permitting early termination of this Dupli Building 1 Agency Lease shall also specify the date upon which the payments pursuant to subdivision (d) of this Section 5.2 shall be made, which date shall not be less than thirty (30) nor more than sixty (60) days from the date such certificate is filed with the Agency.

(f) Contemporaneously with the termination of this Dupli Building 1 Agency Lease in accordance with Sections 5.1 or 5.2 hereof, the Agency shall transfer, and 600 Franklin shall accept, all of the Agency's right, title and interest in the Project Facility, including the Equipment, for a purchase price of One Dollar (\$1.00) plus the payment of all other sums due hereunder and all legal fees and costs associated therewith. Contemporaneously with the termination of this Dupli Building 1 Agency Lease, the Company Lease and the PILOT Agreement shall terminate; however, the Project Agreement shall survive in accordance with its terms.

(g) The Agency shall, upon payment by the Company of the amounts pursuant hereto and to Sections 5.2(d) above and Section 5.3, deliver to 600 Franklin all documents furnished to the Agency by the Company, or prepared by the Agency at the sole expense of the Company, and reasonably necessary to evidence termination of the Company Lease and the Agency Lease, including, but not limited to, lease terminations and a bill of sale from the Agency with respect to its interest in the Equipment, without representation or warranty, subject to the following: (1) any Liens to which such Project Facility was subject when conveyed to the Agency, (2) any Liens created at the request of the Company or to the creation of which the Company consented or in the creation of which the Company acquiesced, (3) any Permitted Encumbrances, and (4) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Dupli Building 1 Agency Lease.

(h) The obligation of the Agency under this Section 5.2 to convey the Project Facility to 600 Franklin will be subject to: (i) there being no uncured Event of Default existing hereunder or under any payment in lieu of tax agreement now or hereafter entered into with respect to all or any portion of the Project Facility or under any other Company Documents, or any other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default; and (ii) the Company's payment of all expenses, fees and taxes, if any, applicable to or arising from such transfer.

5.3 RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE.

(a) The Company shall pay basic rental payments for the Project Facility consisting of: (i) to the Agency an amount sufficient to pay the sums due under the PILOT Agreement at the times and in the manner provides for therein, and an amount sufficient to pay any and all other amounts due hereunder; and (ii) to the Mortgagee, an amount equal to the debt service and amounts becoming due and payable under the Mortgage and the indebtedness secured thereby on the due date thereof.

(b) The Company shall pay to the Agency, as additional rent, within ten (10) days after the receipt of a demand therefor from the Agency, any annual administrative fees of the Agency, the sum of the reasonable fees, costs and expenses of the Agency and the officers, members, agents, and employees thereof incurred by the reason of the Agency's lease or sublease of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Dupli Building 1 Agency Lease, the Company Lease or any of the other Agency Documents and any other fee or expense of the Agency with respect to the Project Facility, or any of the other Agency Documents, the payment of which is not otherwise provided for under this Dupli Building 1 Agency Lease, including, without limitation, reasonable fees and disbursements of Agency counsel, including fees and expenses incurred in connection with the Agency's enforcement of any rights hereunder or incurred after the occurrence and during the continuance of an Event of Default, in connection with any waiver, consent, modification or amendment to this Dupli Building 1 Agency Lease or any other Agency Document that may be requested by the Company, or, in connection with any action by the Agency at the request of or on behalf of the Company hereunder or under any other Agency Document. Any additional rent not received within ten (10) business days after demand shall accrue interest after the expiration of such ten days at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is less.

(c) The administrative fee payable by the Company to the Agency in conjunction with this Project and the Agency's granting of Financial Assistance and all outstanding counsel fees and costs shall be paid at closing.

(d) The Company agrees to make the above-mentioned payments, without any further notice, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event that the Company shall fail to make or cause to be made any of the payments required under this Dupli Building 1 Agency Lease, the item or installment not so paid shall continue as an obligation of the Company until such item or installment is paid in full.

5.4 NATURE OF OBLIGATIONS OF COMPANY HEREUNDER.

(a) The obligations of the Company to make the payments required by this Dupli Building 1 Agency Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein, including but not limited to the Rental Restrictions, are joint and several general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue, or abate any

payment required by, or fail to observe any of its other covenants or agreements contained in this Dupli Building 1 Agency Lease for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the reconstruction, renovation and equipping of the Project Facility, any defect in the title, design, operation, merchantability, fitness, or condition of the Project Facility, or any part thereof, or in the suitability of the Project Facility, or any part thereof, for the Company's purposes or needs, or failure of consideration for, destruction of or damage to, or Condemnation of title to, or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State of New York, or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection with this Dupli Building 1 Agency Lease or the Company Lease.

(b) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Dupli Building 1 Agency Lease or the Company Lease, and in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance (subject to the provisions of Section 11.11).

ARTICLE VI MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

6.1 MAINTENANCE AND MODIFICATIONS OF PROJECT FACILITY.

The Company shall:

(a) Keep the Project Facility in good condition and repair and preserve the same against waste, loss and damage, ordinary wear and tear excepted;

(b) Make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural, or non-structural, foreseen or unforeseen) which is damaged, destroyed, or condemned; and

(c) Operate the Project Facility in a sound and economic manner in general accordance with the Project description as set forth herein and in the Application and the Plans and Specifications the Company previously provided to the Agency in the Application or otherwise.

6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

(a) The Company shall pay as the same respectively become due:

(1) Any and all taxes and governmental charges of any kind, whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility;

(2) All utility and other charges, including "service charges," incurred or imposed for the operation, maintenance, use, occupancy, upkeep, and improvement of the

Project Facility, the non-payment of which would create, or entitle the obligee to impose, a Lien on the Project Facility;

(3) All assessments and charges of any kind whatsoever lawfully made by any Governmental Authority for public improvements; and

(4) Any and all payments of taxes, if applicable, or all payments in lieu of taxes, if any, required to be made to the Agency under the terms of the PILOT Agreement or any other agreement with respect thereto.

(b) Subject to the terms of the PILOT Agreement, 600 Franklin may in good faith actively contest any such taxes, assessments, and other charges, provided that (1) 600 Franklin shall have first notified the Agency of such contest; (2) no Event of Default under this Dupli Building 1 Agency Lease or any of the other Company Documents shall have occurred and be continuing; and (3) 600 Franklin shall have set aside adequate reserves for any such taxes, assessments and other charges. If 600 Franklin demonstrates to the reasonable satisfaction of the Agency and certifies to the Agency by delivery of a written certificate, that the non-payment of any such items will not endanger any part of the Project Facility or subject the Project Facility, or any part thereof, to loss or forfeiture, 600 Franklin may permit the taxes, assessments, and other charges so contested to remain unpaid during the period of such contest and any appeal therefrom. Otherwise, such taxes, assessments, or charges shall be paid promptly by 600 Franklin or secured by 600 Franklin's posting a bond in form and substance satisfactory to the Agency.

6.3 INSURANCE REQUIRED.

During the Term of this Dupli Building 1 Agency Lease, 600 Franklin shall maintain or cause to be maintained insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type and as required of the Agency, paying (as the same becomes due and payable) all premiums with respect thereto, including:

(a) Insurance against loss or damage by fire, lightning, and other casualties customarily insured against (with a uniform standard extended coverage endorsement), such insurance to be in an amount not less than the full replacement value of the completed Project Facility, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the Company.

(b) Workers' compensation insurance, disability benefits' insurance, and each other form of insurance which the Company is required by law to provide covering loss resulting from injury, sickness, disability, or death of employees of the Company who are located at or assigned to the Project Facility;

(c) A policy of commercial general liability insurance with a limit of liability of not less than \$1,000,000 per occurrence on an "occurrence" basis and \$2,000,000 in the aggregate for bodily injury, including death, and property damage, including but not limited to, contractual liability under this Dupli Building 1 Agency Lease and personal injury, with blanket

excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and Equipment and the Company's and the Agency's use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

6.4 ADDITIONAL PROVISIONS RESPECTING INSURANCE.

All insurance required by Section 6.3 shall be with insurance companies of recognized financial standing selected by 600 Franklin and licensed to write such insurance in the State of New York. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other Persons engaged in businesses similar in size, character, and other respects to those in which 600 Franklin are engaged. All policies evidencing such insurance except the Workers' Compensation policy shall name 600 Franklin as insured and the Agency as an additional insured, as its interests may appear, and shall provide that such coverage with respect to the Agency be primary and non-contributory with any insurance secured by the Agency and require at least thirty (30) days' prior written notice to the Agency of cancellation, reduction in policy limits, or material change in coverage thereof.

Prior to the Closing Date, 600 Franklin shall deliver to the Agency, satisfactory to the Agency in form and substance: (i) certificates evidencing all insurance required hereby; (ii) the additional insured endorsement(s) applicable to the Agency; (iii) the final insurance binder addressed to 600 Franklin covering the Project Facility; and (iv) evidence that the insurance so required is on a primary and non-contributory basis. In addition, 600 Franklin shall provide, if so requested by the Agency, a final and complete copy of each insurance policy within thirty (30) days of the Closing Date.

600 Franklin shall deliver or cause to be delivered to the Agency on or before the first business day of each January thereafter each of the items set forth in the immediately preceding paragraph, dated not earlier than the immediately preceding month, reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4. 600 Franklin shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Dupli Building 1 Agency Lease each year throughout the Term of this Dupli Building 1 Agency Lease.

All premiums with respect to the insurance required by Section 6.3 shall be paid by 600 Franklin, provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and 600 Franklin shall pay immediately upon demand all sums so expended by the Agency, together with interest at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is less.

6.5 APPLICATION OF NET PROCEEDS OF INSURANCE.

The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 shall be applied as follows:

(a) The Net Proceeds of the insurance required by subsection 6.3(a) shall be paid and applied as provided in Section 7.1 hereof; and

(b) The Net Proceeds of the insurance required by subsections 6.3(b) and 6.3(c) shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

6.6 PAYMENTS IN LIEU OF REAL ESTATE TAXES.

The Company and the Agency have entered into a PILOT Agreement with respect to payments in lieu of real estate taxes for the Project Facility. 600 Franklin and Dupli each agree that the obligations hereunder and under the PILOT Agreement with respect to the payment of taxes, or payments in lieu thereof, are joint and several.

ARTICLE VII DAMAGE, DESTRUCTION, AND CONDEMNATION

7.1 DAMAGE OR DESTRUCTION.

(a) If the Mortgage shall be in effect or the Mortgagee shall have any interest in the Project Facility arising under or related to the Mortgage, whether by foreclosure or otherwise and the Project Facility shall be damaged or destroyed, in whole or in part, then insurance proceeds shall be paid in accordance with the relevant provisions of the Mortgage regarding the distribution of such insurance proceeds, provided that there shall be no abatement or reduction in amounts payable to the Agency hereunder. If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and the Project Facility shall be damaged or destroyed, in whole or in part:

(1) There shall be no abatement or reduction in the amounts payable by the Company under this Dupli Building 1 Agency Lease or otherwise (whether or not the Project Facility is replaced, repaired, rebuilt, or restored); and

(2) The Company shall promptly give notice thereof to the Agency; and

(3) Except as otherwise provided in subsections 7.1(b) and 7.1(c) hereof, upon receipt of the insurance proceeds, 600 Franklin shall promptly replace, repair, rebuild, or restore the Project Facility to substantially the same condition as existed prior to such damage or destruction, with such changes, alterations, and modifications as may be desired by 600 Franklin and consented to in writing by the Agency, provided that such changes, alterations, or modifications do not change the nature of the Project Facility, such that it does not constitute a “project” (as such quoted term is defined in the Act); and in the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, or restoration, 600 Franklin shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility, then notwithstanding anything to the contrary contained in

subsection 7.1(a), 600 Franklin shall not be obligated to replace, repair, rebuild, or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection 7.1(a) if 600 Franklin shall notify the Agency that, in 600 Franklin's sole judgment, 600 Franklin does not deem it practical or desirable to replace, repair, rebuild, or restore the Project Facility. In such event, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) any other sums due and payable to the Agency pursuant to this Dupli Building 1 Agency Lease and the other Agency and Company Documents, shall be applied to the repayment of all amounts due to the Agency under this Dupli Building 1 Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay any and all amounts payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of all such insurance settlements so that any and all amounts then due and payable under this Dupli Building 1 Agency Lease, the Company Lease, the PILOT Agreement and the other Agency Documents to the Agency shall be paid in full. If all amounts due under this Dupli Building 1 Agency Lease, the Company Lease, the Mortgage, the PILOT Agreement and the other Agency Documents are paid in full, all such Net Proceeds, or the balance thereof, shall be paid to the Company for its purposes.

(c) 600 Franklin and the Mortgagee may adjust all claims under any policies of insurance required by subsections 6.3(a) and 6.3(c) hereof with the prior written consent of the Agency, which consent shall not be unreasonably withheld.

7.2 CONDEMNATION.

(a) If the Mortgage shall be in effect or the Mortgagee shall have any interest in the Project Facility arising under or related to the Mortgage, whether by foreclosure or otherwise and title to, or the use of, all, substantially all or less than substantially all of the Project Facility shall be taken by Condemnation, then Condemnation proceeds shall be paid in accordance with the relevant provisions of the Mortgage regarding the distribution of such Condemnation proceeds, provided that there shall be no abatement or reduction in amounts payable to the Agency hereunder. If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and if title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation:

(1) There shall be no abatement or reduction in the amounts payable by 600 Franklin under this Dupli Building 1 Agency Lease or otherwise (whether or not the Project Facility is restored); and

(2) The Company shall promptly give notice thereof to the Agency; and

(3) Except as otherwise provided in subsections 7.2(b) and 7.2(c) hereof, upon receipt of the Condemnation proceeds, 600 Franklin shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) to substantially the condition and value as an operating entity as existed prior to such Condemnation; and 600 Franklin shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and if title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation, then notwithstanding anything to the contrary contained in subsection 7.2(a), 600 Franklin shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection 7.2(a) if the Company shall notify the Agency that, in 600 Franklin's sole judgment, 600 Franklin does not deem it practical or desirable to restore the Project Facility. In such event, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to pay the Agency pursuant to this Dupli Building 1 Agency Lease, the Company Lease, the PILOT Agreement and the other Agency Documents, shall be applied to payment of all amounts then due and payable to the Agency under this Dupli Building 1 Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents. If the Net Proceeds of any Condemnation award are less than the amount necessary to pay any and all amounts then due and payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of such Condemnation award so that any and all amounts then due and payable under this Dupli Building 1 Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents to the Agency shall be paid in full. If all amounts due under this Dupli Building 1 Agency Lease, the Company Lease, the PILOT Agreement, the Mortgage and the other Agency Documents have been paid in full, all such Net Proceeds or the balance thereof shall be paid to 600 Franklin for its purposes.

(c) 600 Franklin and the Mortgagee with the prior written consent of the Agency (which consent shall not be unreasonably withheld), shall have sole control of any Condemnation proceeding with respect to the Project Facility, or any part thereof, and may negotiate the settlement of any such proceeding.

7.3 ADDITIONS TO PROJECT FACILITY.

All replacements, repairs, rebuilding, or restoration made pursuant to Sections 7.1 or 7.2 hereof, whether or not requiring the expenditure of the Company's own moneys, shall automatically become part of the Project Facility as if the same were specifically described herein.

ARTICLE VIII SPECIAL COVENANTS

8.1 NO WARRANTY OF CONDITION OR SUITABILITY BY THE AGENCY; ACCEPTANCE "AS IS."

THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY, OR FITNESS OF THE PROJECT FACILITY, OR ANY PART THEREOF, OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE, WHETHER PATENT OR LATENT, THE

AGENCY SHALL NOT HAVE ANY RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO.

8.2 HOLD HARMLESS PROVISIONS.

(a) The Company hereby releases the Agency and its members, officers, agents and employees from, agrees that the Agency and its members, officers, agents and employees shall not be liable for, and agrees to indemnify, defend, and hold the Agency and its members, officers, agents and employees harmless from and against any and all claims arising as a result of the Agency's undertaking the Project, including, but not limited to:

(1) Liability for loss or damage to Project Facility or bodily injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project Facility, or arising by reason of or in connection with the occupation or the use thereof, or the presence on, in, or about the Project Facility;

(2) Liability arising from or expense incurred by the Agency's acquisition of a leasehold interest in the Project Facility and the subleasing of the Project Facility, including, without limiting the generality of the foregoing, all liabilities or claims arising as a result of the Agency's obligations under this Dupli Building 1 Agency Lease, the Company Lease, the Mortgage or any other documents executed by the Agency at the direction of the Company in conjunction with the Project Facility;

(3) All claims arising from the exercise by the Company, and or its Additional Agents (as defined herein) of the authority conferred upon it and performance of the obligations assumed under Section 4.1 hereof;

(4) Any and all claims arising from the non-disclosure of information, if any, requested by the Company in accordance with Section 11.14 hereof;

(5) All causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities, or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents or employees.

To the fullest extent permitted by law, the foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportional liability.

(b) In the event of any claim against the Agency or its members, officers, agents, or employees by any employee of the Company, or any materialman or Additional Agent of the Company, or anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable

by or for the Company or such contractor under workers' compensation laws, disability benefit laws, or other employee benefit laws.

(c) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3, its liabilities assumed pursuant to this Section 8.2.

(d) Notwithstanding any other provisions of this Dupli Building 1 Agency Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Dupli Building 1 Agency Lease and the Company Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents or employees relating thereto.

(e) For purposes of this Section 8.2 and Section 11.11 hereof, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

8.3 RIGHT OF ACCESS TO PROJECT FACILITY.

During the Term of this Dupli Building 1 Agency Lease, the Company agrees that the Agency and its duly authorized agents shall have the right to enter upon and to examine and inspect the Project Facility upon reasonable notice to the Company and with the least disturbance of Project Facility tenants as reasonably possible.

8.4 MAINTENANCE OF EXISTENCE.

During the Term of this Dupli Building 1 Agency Lease, the Company will maintain its existence and will not dissolve or otherwise dispose of all or substantially all of its assets.

8.5 AGREEMENT TO PROVIDE INFORMATION.

The Company shall have an obligation to report and provide information, as set forth herein during the Term hereof, but, in the event this Dupli Building 1 Agency Lease is terminated early in accordance with Section 5.2 hereof, the Company shall nonetheless report and provide information for a period of five (5) years from the termination date, unless the early termination occurs less than five years from the original Term hereof, in which case the Company shall continue to provide the required information and reporting for the remaining Term hereof (the "**Reporting Period**"); and no less frequently than annually, the Company agrees, whenever reasonably requested by the Agency or the Agency's auditor, to provide and certify, or cause to be certified, such information concerning the Project and/or the Company, its finances, Rent Restrictions and for itself and each of its Additional Agents, information regarding job creation^[1],

^[1] To the extent the Project includes commercial space and/or tenants for which the

Local Labor Requirements, exemptions from State and local sales and use tax, real property and mortgage recording taxes and other topics as the Agency from time to time reasonably considers necessary or appropriate including, but not limited to, the rent certification tenant form and annual reporting questionnaire, in substantially the form as set forth in **Exhibit "F"** attached hereto, those reports set forth in Section 8.12 hereof, and such other information necessary as to enable the Agency to monitor and/or make any reports required by law or governmental regulation, including but not limited to §875 of the Act (all of the foregoing collectively, the "**Reporting Requirements**").

Notwithstanding anything herein to the contrary, the Agency's ability to recapture benefits in accordance with its policy and the terms hereof, shall be for a period of time no less than the Reporting Period.

8.6 BOOKS OF RECORD AND ACCOUNT; FINANCIAL STATEMENTS.

During the Term of this Dupli Building 1 Agency Lease, the Company agrees to maintain proper accounts, records, and books, in which full and correct entries shall be made in accordance with generally accepted accounting principles, of all business and affairs of the Company.

8.7 COMPLIANCE WITH ORDERS, ORDINANCES, ETC.

(a) The Company agrees that it will, during any period in which the amounts due under this Dupli Building 1 Agency Lease remain unpaid, promptly comply with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions, and requirements of all Governmental Authorities, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter affect the Company's obligations hereunder or be applicable to the Project Facility, or any part thereof, or to any use, manner of use, or condition of the Project Facility, or any part thereof, the applicability of the same to be determined both as if the Agency were the owner of the Project Facility and as if the Company were the owner of the Project Facility.

(b) Notwithstanding the provisions of subsection 8.7(a), the Company may, in good faith, actively contest the validity or the applicability of any requirement of the nature referred to in said subsection 8.7(a), provided that the Company shall have first notified the Agency of such contest, no Event of Default shall be continuing under this Dupli Building 1 Agency Lease, or any of the other Company Documents; and such contest and failure to comply with such requirement shall not subject the Project Facility to loss or forfeiture. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency or its members, officers, agents, or employees

Company calculated job creation as part of its projections in its Application, the Company is obligated, through its lease or other rental agreement with those commercial tenants, to require that such tenants report to the Company, in accordance with the terms of Section 8.5 hereof, the number of full and part time jobs created and maintained by each such tenant for inclusion in the Company's reporting to or at the request of the Agency.

may be liable for prosecution for failure to comply therewith, in which event the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

8.8 DISCHARGE OF LIENS AND ENCUMBRANCES.

During the Term of this Dupli Building 1 Agency Lease, the Company hereby covenants that, except for Permitted Encumbrances, the Company agrees not to create, or suffer to be created, any Lien on the Project Facility, or any part thereof without the prior written consent of the Agency. The Company shall promptly notify the Agency of any Permitted Encumbrances created, or suffered to be created, on the Project Facility.

8.9 PERFORMANCE BY AGENCY OF COMPANY'S OBLIGATIONS.

Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but need not, upon ten (10) days' prior written notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company, or the Agency and paying all expenses, including, without limitation, reasonable attorneys' fees; and the Company shall pay immediately upon demand all sums so expended by the Agency under the authority hereof, together with the interest thereon at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is greater.

8.10 DEPRECIATION DEDUCTIONS AND TAX CREDITS.

The parties agree that as between them, 600 Franklin shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other State and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

8.11 EMPLOYMENT OPPORTUNITIES.

The Company shall insure that all employees and applicants for employment with regard to the Project are afforded equal employment opportunities without discrimination.

8.12 SALES AND USE TAX EXEMPTION.

(a) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain State and local sales use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. The Agency makes no representations or warranties that any property is exempt from the payment of State or local sales or use taxes. Any exemption from the payment of State or local sales or use taxes resulting from the involvement of the Agency with the Project shall be subject to Section 875 of the Act and shall be limited to purchases of services and tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency as a part of the Project prior to the Completion Date, or

incorporated within the Project Facility prior to the Completion Date. No operating expenses of the Project Facility, and no other purchases of services or property shall be subject to an exemption from the payment of State sales or use tax. It is the intention of the parties hereto that 600 Franklin will receive a State and local sales and use tax exemption with respect to the Project, said sales tax exemption to be evidenced by a letter to be issued by the Agency on the date of the execution of this Dupli Building 1 Agency Lease. 600 Franklin acknowledges that as an agent of the Agency, it must complete and provide to each vendor Form ST-123 for purchases. The failure to furnish a completed Form ST-123 (IDA Agent or Project Operator Exempt Purchase Certificate) with each purchase will result in loss of the exemption for that purchase.

(b) 600 Franklin may use and appoint a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively, “***Additional Agents***”) in furtherance of the completion of the Project. However, for each Additional Agent, 600 Franklin must first: (i) cause the each such appointed Additional Agent to execute and deliver a sub-agent agreement, in the form attached hereto at **Exhibit “G”**, and provide a fully executed copy to the Agency; and (ii) submit a completed Form ST-60 to the Agency for execution and filing with the New York State Department of Taxation and Finance.

(c) 600 Franklin acknowledges and agrees that an Additional Agent must be appointed as an agent of the Agency in order to avail itself of the Agency’s sales and use tax exemption for purchases or rentals of equipment, tools and supplies with respect to the Project Facility.

(d) Pursuant to Section 874(8) of the Act, the Company agrees to annually file and cause each Additional Agent or other operator of the Project Facility to file annually, with the New York State Department of Taxation and Finance, and provide the Agency with a copy of same, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the “***Annual Sales Tax Report***”), a statement of the value of all sales and use tax exemptions claimed by 600 Franklin and all other Additional Agents under the authority granted to 600 Franklin pursuant to Section 4.1(b) of this Dupli Building 1 Agency Lease. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Sales Tax Report shall be removal of authority to act as agent of the Agency. Therefore, if the Company shall fail to comply with the requirements of this subsection (d), irrespective of any notice and cure period afforded, 600 Franklin and each Additional Agent shall immediately cease to be the agent of the Agency in connection with the Project. 600 Franklin is responsible for obtaining from the New York State Department of Taxation and Finance the current version of such Annual Sales Tax Report.

(e) The Company agrees to furnish to the Agency a copy of each such Annual Sales Tax Report submitted to the New York State Department of Taxation and Finance by the Company pursuant to Section 874(8) of the Act for itself and any Additional Agent.

(f) Pursuant to Section 874(9) of the Act, the Agency agrees to file within thirty (30) days of the Closing Date with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the “***Thirty-Day Sales Tax Report***”), a statement identifying 600 Franklin, or 30 days

from the appointment of any Additional Agent appointed in accordance with the terms herein, as agent of the Agency, setting forth the taxpayer identification number of 600 Franklin, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating the estimated value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(g) Pursuant to Section 875(3) of the Act, and in conjunction with Agency policy, the Agency shall and in some circumstances may, recover, recapture, receive or otherwise obtain from the Company the portion of the Financial Assistance consisting of State and local sales and use tax exemption (the “*Sales Tax Recapture Amount*”) in accordance with the Agency’s Recapture Policy, a copy of which is attached hereto at **Exhibit “H”**, this Dupli 1 Agency Lease and the Project Agreement.

8.13. IDENTIFICATION OF THE EQUIPMENT.

All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

ARTICLE IX ASSIGNMENTS; TRANSFERS; MERGER OF AGENCY

9.1 ASSIGNMENT OF AGENCY LEASE.

This Dupli Building 1 Agency Lease may not be assigned by the Company, in whole or in part, nor all or any part of the Project Facility subleased, nor any part of the Project Facility sold, leased, transferred, conveyed or otherwise disposed of without the prior written consent of the Agency, which consent shall be in the Agency’s sole and absolute discretion; provided however, that 600 Franklin may enter into leases for individual rental units that are part of the Project Facility without the consent of the Agency. Any assignment or sublease of this Dupli Building 1 Agency Lease shall not effect a release of the Company from its obligations hereunder or under the PILOT Agreement.

9.2 TRANSFERS OF INTERESTS.

Company shall not assign or otherwise transfer or allow an assignment or transfer, of a controlling interest in the Company, whether by operation of law or otherwise (including, without limitation, by way of a merger, consolidation or a change of control whereby the current existing equity holders of the Company, as of the date of the application to the Agency, would own, in the aggregate, less than a majority of the total combined voting power of all classes of equity interest of the Company or any surviving entity), without the prior written consent of Agency, which consent shall be in the Agency’s sole and absolute discretion.

9.3 MERGER OF AGENCY.

(a) Nothing contained in this Dupli Building 1 Agency Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to any other body corporate and politic and public instrumentality of the State of New York, or political subdivision thereof, which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger, or assignment, the due and punctual performance and observance of all the agreements and conditions of this Dupli Building 1 Agency Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public instrumentality or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests hereunder shall be assigned.

(b) Promptly following the effective date of any such consolidation, merger, or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger, or assignment as the Company reasonably may request.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

10.1 EVENTS OF DEFAULT DEFINED.

The following shall be "Events of Default" under this Dupli Building 1 Agency Lease, and the terms "Event of Default" or "Default" shall mean, whenever they are used in this Dupli Building 1 Agency Lease, any one or more of the following events:

(a) A default by either Company in the due and punctual payment of the amounts specified to be paid pursuant to subsection 5.3 or 8.12(g); or

(b) Failure by 600 Franklin to maintain the insurance required by Section 6.3;
or

(c) A default in the performance or the observance of any other of the covenants, conditions, or agreements on the part of 600 Franklin and/or Dupli, as applicable, in this Dupli Building 1 Agency Lease and the continuance thereof for a period of thirty (30) days after written notice is given by the Agency or, if such covenant, condition, or agreement is capable of cure but cannot reasonably be cured within such thirty-day period, the failure of either Company to commence to cure within such thirty-day period and to prosecute the same with due diligence and cure the same within an additional thirty (30) days; or

(d) A transfer in contravention of Article 9 hereof;

(e) The occurrence of an "Event of Default" under the Mortgage, the PILOT Agreement, the Company Lease, the Project Agreement or any of the other Company Documents which is not timely cured as provided therein; or

(f) Either Company shall generally not pay its debts as such debts become due or is unable to pay its debts as they become due.

(g) Either Company shall conceal, remove, or permit to be concealed or removed any part of its Property with intent to hinder, delay, or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance, or similar law, or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid, or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within thirty (30) days from the date thereof; or

(h) By order of a court of competent jurisdiction, a trustee, receiver, or liquidator of the Project Facility, or any part thereof, or of the Company shall be appointed and such order shall not be discharged or dismissed within sixty (60) days after such appointment; or

(i) The filing by the Company of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy statute; the failure by the Company within sixty (60) days to lift any execution, garnishment, or attachment of such consequence as will impair the Company's ability to carry out its obligations hereunder; the commencement of a case under Title 11 of the United States Code against the Company as the debtor, or commencement under any other federal or state bankruptcy statute of a case, action, or proceeding against the Company, and continuation of such case, action, or proceeding without dismissal for a period of sixty (60) days; the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or in connection with any insolvency or bankruptcy case, action, or proceeding, appointment by final order, judgment, or decree of a court of competent jurisdiction of a receiver or trustee of the whole or a substantial portion of the Property of the Company unless such order, judgment, or decree is vacated, dismissed, or dissolved within sixty (60) days of its issuance; or

(j) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance; or

(k) Failure by the Company to maintain and comply with the Rental Restrictions and to provide the required reporting and certifications to the Agency.

For the avoidance of doubt, a default by either Dupli or 600 Franklin constitutes an Event of Default hereunder giving rise to the Agency's remedies and all liability is joint and several.

10.2 REMEDIES ON DEFAULT.

(a) Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- 1) Terminate this Dupli Building 1 Agency Lease;

- 2) Terminate the Company Lease;
- 3) Terminate the PILOT Agreement;
- 4) Terminate the Company's appointment as agent of the Agency; or
- 5) Take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due, or thereafter to become due, hereunder or under the Company Lease, the Project Agreement, or the PILOT Agreement, and/or to enforce the Company's obligations and duties under the Company Documents and the Agency's rights under the Agency Documents, including but not limited to, specific performance; or
- 6) Seek to recover all or some of the Recapture Amount in accordance with the Agency's Recapture Policy, this Dupli Building 1 Agency Lease and the Project Agreement.

(b) No action taken pursuant to this Section 10.2 shall relieve the Company from its obligations to make all payments required by Sections 5.3(b) and 8.2 hereof.

10.3 REMEDIES CUMULATIVE.

No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Dupli Building 1 Agency Lease, the Company Lease and the other Company Documents or the PILOT Agreement now or hereafter existing at law or in equity to collect any amounts then due, or thereafter to become due, hereunder and thereunder and to enforce the Agency's right to terminate this Dupli Building 1 Agency Lease, the PILOT Agreement and the Company Lease. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article 10, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Dupli Building 1 Agency Lease.

10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES.

In the event the Company should Default under any of the provisions of this Dupli Building 1 Agency Lease, or a dispute arises hereunder, and the Agency should employ attorneys or incur other expenses to preserve or enforce its rights hereunder or for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees and costs of such attorneys and such other expenses so incurred.

10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER.

In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

**ARTICLE XI
MISCELLANEOUS**

11.1 NOTICES.

All notices, certificates, and other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the Person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

(a) If to the Agency, to: City of Syracuse Industrial Development Agency

Attn: Timothy M. Lynn, Esq.

(c) If to 600 Franklin, to: 600 Franklin Owner LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

With a copy to: Lynn D'Elia Temes & Stanczyk LLC
100 Madison Street
Tower 1 – Suite 1905
Syracuse, New York 13202
Attn: Timothy M. Lynn, Esq.

The Agency and the Company, may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, and other communications shall be sent.

11.2 BINDING EFFECT.

This Dupli Building 1 Agency Lease shall inure to the benefit of and shall be binding upon the Agency and the Company and, as permitted by this Dupli Building 1 Agency Lease, upon their respective heirs, successors and assigns.

11.3 SEVERABILITY.

If any one or more of the covenants or agreements provided herein on the part of the Agency or the Company to be performed shall for any reason be held, or shall in fact be, inoperative, unenforceable, or contrary to law in any particular circumstance; such circumstance shall not render the provision in question inoperative or unenforceable in any other circumstance. Further, if any one or more of the sentences, clauses, paragraphs, or sections herein is contrary to law, then such covenant(s) or agreement(s) shall be deemed severable of remaining covenants and agreements hereof and shall in no way affect the validity of the other provisions of this Dupli Building 1 Agency Lease.

11.4 AMENDMENTS, CHANGES AND MODIFICATIONS.

This Dupli Building 1 Agency Lease may not be amended, changed, modified, altered, or terminated except by an instrument in writing signed by the parties hereto.

11.5 COUNTERPARTS; ELECTRONIC SIGNATURE.

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be

signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

11.6 APPLICABLE LAW.

This Dupli Building 1 Agency Lease shall be governed exclusively by the applicable laws of the State of New York.

11.7 WAIVER OF TRIAL BY JURY.

THE COMPANY AND THE AGENCY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE ARISING UNDER THIS DUPLI BUILDING 1 AGENCY LEASE, AND THIS PROVISION SHALL SURVIVE THE TERMINATION OF THIS DUPLI BUILDING 1 AGENCY LEASE.

11.8 SUBORDINATION.

This Dupli Building 1 Agency Lease shall be subject and subordinate to the Company Lease and the Mortgage and all Permitted Encumbrances in all respects.

11.9 SURVIVAL OF OBLIGATIONS.

(a) The obligations of the Company to repay, defend and/or provide the indemnity or information required by Sections 8.2, 8.5 and 8.12 hereof shall survive the termination of this Dupli Building 1 Agency Lease and all such payments and obligations after such termination shall be made upon demand of the party to whom such payment and/or obligation is due.

(b) The obligations of the Company to repay, defend and/or provide the indemnity required by Sections 8.2 and 8.12 shall survive the termination of this Dupli Building 1 Agency Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency or its officers, members, agents (other than the Company) or employees relating thereto.

(c) The obligations of the Company required by Articles 4 and 5 and Sections 2.2, 8.4, 8.5 and 11.14 hereof shall similarly survive the termination of this Dupli Building 1 Agency Lease.

11.10 TABLE OF CONTENTS AND SECTION HEADINGS NOT CONTROLLING.

The Table of Contents and the Section headings in this Dupli Building 1 Agency Lease have been prepared for convenience of reference only and shall not control, affect the meaning of, or be taken as an interpretation of any provision of this Dupli Building 1 Agency Lease.

11.11 NO RECOURSE; SPECIAL OBLIGATION.

The obligations and agreements of the Agency contained herein and in the other Agency Documents and in any other instrument or document executed in connection herewith or therewith, and any instrument or document supplemental hereto or thereto, shall be deemed the obligations and agreements of the Agency and not of any member, officer, agent or employee of the Agency in his individual capacity; and the members, officers, agents and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. The obligations and agreements of the Agency contained herein or therein shall not constitute or give rise to an obligation of the State New York or of the City of Syracuse, and neither the State of New York nor the City of Syracuse shall be liable hereon or thereon. Further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived, and to be derived from, the lease, sale, or other disposition of the Project Facility, other than revenues derived from or constituting Unassigned Rights. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless:

(a) The party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and thirty (30) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or if compliance therewith would reasonably be expected to take longer than thirty (30) days, shall have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period; and

(b) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses; and

(c) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents or employees shall be subject to potential liability, the party seeking such order or decree shall (1)

agree to indemnify and hold harmless the Agency and its members, officers, agents and employees against any liability incurred as a result of its compliance with such demand; and (2) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents and employees against all liability expected to be incurred as a result of compliance with such request.

(d) For purposes of this Section 11.11, neither the Company nor any Additional Agent shall be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

Any failure to provide notice, indemnity, or security to the Agency pursuant to this Section 11.11 shall not alter the full force and effect of any Event of Default under this Dupli Building 1 Agency Lease.

11.12 OBLIGATION TO SELL AND PURCHASE THE EQUIPMENT.

(a) Contemporaneously with the termination of this Dupli Building 1 Agency Lease in accordance with Section 5.2 hereof, the Agency shall sell and 600 Franklin shall purchase all the Agency's right, title and interest in and to all of the Equipment for a purchase price equal to the sum of One Dollar (\$1.00), plus payment of all sums due and payable to the Agency or any other Person pursuant to this Dupli Building 1 Agency Lease and the other Company Documents. The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing and delivering the bill of sale together with any other documents therewith, including lease terminations in accordance with Section 5.2 hereof, and to take such other and further actions reasonably necessary to confirm the termination of the Agency's interest in the Equipment.

(b) The sale and conveyance of the Agency's right, title and interest in and to the Equipment shall be effected by the execution and delivery by the Agency to 600 Franklin of a bill of sale. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from such transfer of title. 600 Franklin agrees to prepare the bill of sale to 600 Franklin and all schedules thereto, together with all necessary documentation, and to forward same to the Agency at least thirty (30) days prior to the date that title to the Equipment is to be conveyed to 600 Franklin. Dupli by executing this agreement consents to the foregoing.

(b) The Company agrees to prepare bill(s) of sale to the appropriate Company and all schedules thereto, together with all necessary documentation, and to forward same to the Agency at least thirty (30) days prior to the date that title to the Equipment is to be conveyed to the Company. The Agency shall have no obligation to determine, as between them, the respective interests of the Companies in and to the Equipment so transferred. In the event the Company fails to prepare such bill(s) of sale, the Agency may prepare one or more bills of sale in the name of any one or more of the Companies without regard to each Company's respective interest in the Equipment.

11.13 ENTIRE AGREEMENT.

This Dupli Building 1 Agency Lease and the Company Lease contain the entire agreement between the parties and all prior negotiations and agreements are merged therein.

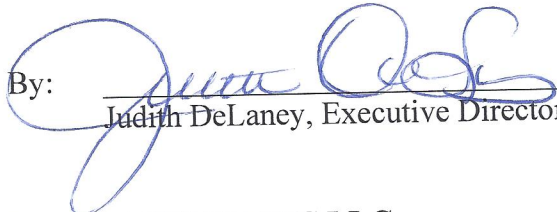

11.14 DISCLOSURE.

Section 875(7) of the New York General Municipal Law (“GML”) requires that the Agency post on its website all resolutions and agreements relating to the Company’s appointment as an agent of the Agency or otherwise related to the Project; and Article 6 of the New York Public Officers Law declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Company feels that there are elements of the Project or information about the Company in the Agency’s possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Company’s competitive position, the Company must identify such elements in writing, supply same to the Agency on or before the Closing Date, and request that such elements be kept confidential in accordance with Article 6 of the Public Officers Law. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the GML.

EXHIBIT "A"

TABLE OF DEFINITIONS

The following terms shall have the meanings set forth below, unless the context or use clearly indicate another or different meaning and the singular form of such defined words and terms shall include the plural and vice versa:

600 Franklin: means 600 Franklin Owner LLC, a limited liability company, organized and existing under the laws of the State of New York having an address at 113 Court Street, Binghamton, New York 13901, and its permitted successors and assigns.

600 Franklin Bill of Sale: means that certain Bill of Sale from 600 Franklin to the Agency dated as of December 1, 2020 in connection with the Equipment.

Act: means the New York State Industrial Development Agency Act (N.Y. Gen. Municipal Law §§ 850 et seq.) as amended, together with Section 926 of the N.Y. General Municipal Law, as amended from time to time.

Additional Agents: means a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents appointed by the Company in furtherance of the completion of the Project in accordance with the terms of the Agency Lease.

Agency: means the City of Syracuse Industrial Development Agency and its successors and assigns.

Agency Documents: means the Project Agreement, the Agency Lease, the Company Lease, the Mortgage, the PILOT Agreement and any other documents executed by the Agency in connection with the Project or the Financial Assistance granted in connection therewith.

Agency Lease: means collectively, the Original Agency Lease and the Dupli Building 1 Agency Lease, as the same may be further amended or supplemented from time to time.

Application: means collectively the application submitted by the Company to the Agency dated April 13, 2017, the supplemental application dated February 4, 2020, requesting the Agency undertake the Project as same may be amended or supplemented from time to time.

Authorized Representative: means for the Agency, the Executive Director, Chair or Vice Chair of the Agency; for Dupli, its Manager; and for 600 Franklin, its Managing Member (each designated by resolution) or any officer designated in a certificate signed by an Authorized Representative of such Company and, for either the Agency or the Company, any additional persons designated to act on behalf of the Agency or the Company by written certificate furnished by the designating party containing the specimen signature of each designated person.

Bill of Sale: means collectively, the 600 Franklin Bill of Sale and the Dupli Bill of Sale.

City: means the City of Syracuse.

Closing Date: means December 17, 2020.

Closing Memorandum: means the closing memorandum of the Agency relating to the Project.

Company: means collectively, Dupli and 600 Franklin.

Company Certification: means that certain Certification by Dupli and 600 Franklin dated as of December 1, 2020 regarding compliance with the Agency's Local Labor Policy.

Company Documents: means collectively, the Franklin Company Documents and the Dupli Company Documents.

Company Lease: means collectively, the Original Company Lease and the Dupli Building 1 Company Lease, as the same may be further amended or supplemented from time to time.

Completion Date: means 16 months following the Company's receipt of the building permit by the City of Syracuse but in no event later than October 31, 2022.

Condemnation: means the taking of title to, or the use of, Property under the exercise of the power of eminent domain by any governmental entity or other Person acting under governmental authority.

County: means the County of Onondaga in the State of New York.

Dupli: means Dupli Associates LLC, a limited liability company organized and existing under the laws of the State of New York having an address at 113 Court Street, Binghamton, New York 13901, and its permitted successors and assigns.

Dupli Bill of Sale: means that certain Bill of Sale from Dupli to the Agency dated as of December 1, 2020 in connection with the Equipment.

Dupli Building 1 Agency Lease: means the Dupli Building 1 Agency Lease Agreement dated as of December 1, 2020 by and between the Agency, Dupli and 600 Franklin, as the same may be amended or supplemented from time to time.

Dupli Building 1 Company Lease: means the Dupli Building 1 Company Lease Agreement dated as of December 1, 2020 between Dupli, 600 Franklin and the Agency, as the same may be amended or supplemented from time to time.

Dupli Building 1 PILOT Agreement: means the payment in lieu of taxes agreement dated as of December 1, 2020 between 600 Franklin, Dupli and the Agency, as the same may be further amended or supplemented from time to time.

Dupli Building 1 Project Agreement: means the project agreement dated as of December 1, 2020 between the Agency, Dupli and 600 Franklin, as the same may be further amended or supplemented from time to time.

Dupli Company Documents: means the Company Lease, the Agency Lease, the Project Agreement, the PILOT Agreement, the Mortgage, the Environmental Compliance and Indemnification Agreement, the Dupli Bill of Sale, the Company Certification and any other documents executed by Dupli in connection with the Project or the Financial Assistance granted in connection therewith.

Environmental Compliance and Indemnification Agreement: means the Environmental Compliance and Indemnification Agreement dated as of December 1, 2020 by the Company to the Agency.

Equipment: means all materials, machinery, furnishings, fixtures and equipment installed or used at the Project Facility, as of the Closing Date and thereafter acquired for or installed in, or upon, the Project Facility, as more fully described in **Exhibit “D”** to the Dupli Building 1 Agency Lease.

Facility: means the buildings and other improvements located or to be constructed on the Land.

Financial Assistance: has the meaning given to such term in Section 854(14) of the Act.

Financial Assistance Recapture Amounts: means any and all other components of Financial Assistance, including any payment in lieu of taxes benefits received under the PILOT Agreement or any mortgage recording tax exemptions provided to the Company.

Franklin Company Documents: means the Dupli Building 1 Company Lease, the Dupli Building 1 Agency Lease, the Dupli Building 1 Project Agreement, the Dupli Building 1 PILOT Agreement, the Mortgage, the Environmental Compliance and Indemnification Agreement, the 600 Franklin Bill of Sale, the Company Certification and any other documents executed by the 600 Franklin in connection with the Project or the Financial Assistance granted in connection therewith.

Governmental Authority: means any federal, state, municipal, or other governmental department, commission, board, bureau, agency, or instrumentality, domestic or foreign.

Land: means the improved real property located at 600 Franklin Street in the City of Syracuse, County of Onondaga, New York, more particularly described on **Exhibit “C”** attached to the Dupli Building 1 Agency Lease.

Lien: means any interest in Property securing an obligation owed to a Person, whether such interest is based on the common law, statute or contract, and including, but not limited to, a security interest arising from a mortgage, encumbrance, pledge, conditional sale, or trust receipt or a lease, consignment or bailment for security purposes. The term “Lien” includes reservations, exceptions, encroachments, projections, easements, rights of way, covenants, conditions, restrictions, leases, and other similar title exceptions and encumbrances, including, but not limited to mechanics, materialmen, warehousemen, and carriers liens and other similar encumbrances effecting real property. For purposes hereof, a Person shall be deemed to be the owner of any property which it has acquired or holds subject to a conditional sale agreement or other arrangement pursuant to which title to the property has been retained by or vested in some other person for security purposes.

Mortgage: means one or more mortgages from the Agency and the Company to the Mortgagee and recorded in the Onondaga County Clerk’s office subsequent to the filing and recording of the Memorandum of Dupli Building 1 Agency Lease, securing construction and/or permanent financing for the Project Facility, executed in accordance with Section 4.5 of the Dupli Building 1 Agency Lease, and securing the Note.

Mortgagee: means a lender, its successors and assigns, providing financing pursuant to the Note and Mortgage, relative to the costs of construction and/or equipping of the Project Facility.

Net Proceeds: means so much of the gross proceeds with respect to which that term is used as remain after payment of all expenses, costs and taxes (including attorneys’ fees) incurred in obtaining such gross proceeds.

Note: means one or more notes given by the Company to the Mortgagee in connection with the Mortgage for construction or permanent financing relative to the Project Facility.

Original Company Lease: means the Company Lease Agreement dated as of July 1, 2017 from Dupli to the Agency, pursuant to which Dupli leased the Project Facility to the Agency, as amended by that certain First Amendment to Company Lease dated as of December 1, 2020, by and among Dupli and the Agency, as the same may be further amended or supplemented from time to time.

Original Agency Lease: means the Agency Lease Agreement dated as of July 1, 2017 by and between the Agency and the Dupli, as amended by that certain First Amendment to Agency Lease dated as of December 1, 2020, by and among the Agency and Dupli, as the same may be further amended or supplemented from time to time.

Original PILOT Agreement: means the Payment in Lieu of Taxes Agreement dated as of July 1, 2017 between the Agency and Dupli, as amended by the First Amendment to PILOT Agreement dated as of December 1, 2020 between Dupli and the Agency and as the same may be further amended or supplemented from time to time.

Original Project Agreement: means the Project Agreement dated as of July 1, 2017 between the Agency and Dupli, as amended by the First Amendment to Project Agreement dated as of December 1, 2020 between Dupli and the Agency, as the same may be further amended or supplemented from time to time.

Permitted Encumbrances: means (A) utility, access and other easements and rights of way, and restrictions, encroachments and exceptions, that benefit or do not materially impair the utility or the value of the Property affected thereby for the purposes for which it is intended, (B) artisans', mechanics', materialmen's, warehousemen's, carriers', landlords', bankers', workmen's compensation, unemployment compensation and social security, and other similar Liens to the extent permitted by the Agency Lease, including the lien of the Mortgage, (C) Liens for taxes (1) to the extent permitted by the Agency Lease or (2) at the time not delinquent, (D) any Lien on the Project Facility obtained through any Agency Document or Company Document or the Mortgage, (E) Liens of judgments or awards in respect of which an appeal or proceeding for review shall be pending (or is pending within ten days after entry) and a stay of execution shall have been obtained (or is obtained within ten days after entry), or in connection with any claim or proceeding, (F) Liens on any Property hereafter acquired by the Company or any subsidiary which liens are created contemporaneously with such acquisition to secure or provide for the payment or financing of any part of the purchase price thereof, (G) Liens consisting solely of restrictions under any applicable laws or any negative covenants in any applicable agreements (but only to the extent that such restrictions and covenants do not prohibit the execution, delivery and performance by the Company of the Agency Lease and the Mortgage, and (H) existing mortgages or encumbrances on the Project Facility as of the Closing Date or thereafter incurred with the consent of the Mortgagee and the Agency.

Person: means an individual, partnership, corporation, limited liability company, trust, or unincorporated organization, and any government or agency or political subdivision or branch thereof.

Plans and Specifications: means the representations, plans and specifications presented by the Company to the Agency in its Application and as described in the Project description in the third WHEREAS cause of this Dupli Building 1 Agency Lease, and any other presentation made by the Company to the Agency relating to the construction, reconstruction, renovation, equipping and completion of the Project Facility; and any additional plans and specifications approved by the Mortgagee.

Project or Building 1 Project: shall have the meaning ascribed thereto in the sixth **WHEREAS** clause of this Dupli Building 1 Agency Lease.

Project Agreement: means collectively, the Original Project Agreement and the Dupli Building 1 Project Agreement, as the same may be further amended or supplemented from time to time.

Project Facility: means the Land, the Facility and the Equipment.

Property: means any interest in any kind of property or asset, whether real, personal, or mixed, or tangible or intangible.

Recapture Amount: means collectively, the Sales Tax Recapture Amount and the Financial Assistance Recapture Amounts.

Rental Restrictions: means, in accordance with the Agency's Uniform Tax Exemption Policy, the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by US Department of Housing and Urban Development, inclusive of utilities.

Resolution or Resolutions: means the Agency's resolutions adopted on May 16, 2017, April 21, 2020 and October 20, 2020 authorizing the undertaking of the Project and the execution and delivery of certain documents by the Agency in connection therewith.

Sales and Use Tax or State Sales and Use Taxes: means, when used with respect to State sales and use taxes, sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

Sales Tax Recapture Amount: means the portion of the Financial Assistance consisting of State and local sales and use tax exemption the Agency shall and in some circumstances may, recover, recapture, receive or otherwise obtain from the Company pursuant to Section 875(3) of the Act, and in conjunction with Agency policy, in accordance with the Agency's Recapture Policy.

SEQRA: means the State Environmental Quality Review Act constituting Article 8 of the State Environmental Conservation Law and the regulations promulgated thereunder, as amended.

State: means the State of New York.

Unassigned Rights: means:

(i) the right of the Agency in its own behalf to receive all opinions of counsel, reports, financial statements, certificates, insurance policies, binders or certificates, or other notices or communications, if any, required to be delivered to the Agency under the Agency Lease;

(ii) the right of the Agency to grant or withhold any consents or approvals required of the Agency under the Agency Lease;

(iii) the right of the Agency to enforce or otherwise exercise in its own behalf all agreements of the Company with respect to ensuring that the Project Facility shall always constitute a qualified "project" as defined in and as contemplated by the Act;

(iv) the right of the Agency to require and enforce any right of defense and any indemnity from any Person;

(v) the right of the Agency in its own behalf (or on behalf of the appropriate taxing authorities) to enforce, receive amounts payable under or otherwise exercise its rights under Sections 2.2(f), 2.2(h), 2.2(m), 2.2(q), 4.1, 4.5, 5.3, 5.4, 6.2, 6.3, 6.4, 8.2, 8.3, 8.5, 8.7, 8.9, 8.12, 10.2, 10.4, 11.9, 11.11 and 11.12 of the Agency Lease and Sections 2.6(g), 4.8 and 4.9 of the Company Lease; and

(vi) the right of the Agency in its own behalf to declare an Event of Default and enforce its remedies under Article X of the Agency Lease or with respect to any of the Agency's Unassigned Rights.

Date

COMPANY
COMPANY ADDRESS

Dear _____:

Our auditors, _____, CPAs are conducting an audit of our financial statements for the year ended December 31, _____. In connection with that audit, we request that you furnish certain information directly to our auditor with regard to the following security issued by/through the City of Syracuse Industrial Development Agency:

Sale - Leaseback Financing

Project: _____

Date of Financing:

Principal Amount Financed:

Maturity Date:

Original Interest Rate:

Please provide the following information as of December 31, [year]:

Name of Lender

Debt Retired in [year] Yes/No

Debt Refinanced in [year] Yes/No

(If Yes, please update information in Paragraph 1 above)

Debt in Default as of [date] Yes/No

Current Interest Rate(s)

Rate range, if Variable

Principal balance outstanding as of [date]

Principal payments made during [year]

Payments in Lieu of Taxes (PILOT)

paid in [year]

Total cost of goods/services purchased: \$ _____

New York State Sales Tax Exemptions Claimed [year]

New York Local Sales Tax Exemptions Claimed: [year]

New York State Mortgage Recording

Tax Exemption: [year]

Form of Syracuse Industrial Development Agency — Project Jobs Data [year]

From:

To: _____, CPAs

Re:

The following jobs information is furnished to you with regard to the above cited project:

A. Job Retention/Creation:

I. Construction Jobs:

Provide the name of your general contractor: _____.

Provide the address (including county) of your general contractor: _____.

Is the general contractor MWBE qualified? _____.

Is the general contractor Service-Disabled Veteran-Owned Business Enterprises (SDVOBE) qualified? _____.

For each contractor and/or sub-contractor, provide the following information for the reporting period:

Bid awarded to (Name/Address/County*)	Value of contract	MWBE (Yes/No)	SDVOBE (Yes/No)	Number of jobs (FTE)

***Must include county**

II. Permanent (non-construction) Jobs:

Number of FTEs retained at the Project prior to date of application: _____.

Number of FTEs created by the Project during the reporting calendar year (*exclusive of construction jobs*): _____.

Of the jobs created by the Project during the reporting year (*exclusive of construction jobs*) identify how many are in each of the following categories:

Professional/Managerial/Technical - includes jobs which involve skill or competence of extraordinary degree and may include supervisory responsibilities (examples: architect, engineer, accountant, scientist, medical doctor, financial manager, programmer). **Number of jobs created in reporting year** _____.

Skilled - includes jobs that require specific skill sets, education, training, and experience and are generally characterized by high education or expertise level (examples: electrician, computer operator, administrative assistant, carpenter, sales representative). **Number of jobs created in reporting year** _____.

Unskilled or Semi-Skilled - includes jobs that require little or no prior acquired skills and involve the performance of simple duties that require the exercise of little or no independent judgment (examples: general cleaner, truck driver, typist, gardener, parking lot attendant, line operator, messenger, information desk clerk, crop harvester, retail salesperson, security guard, telephone solicitor, file clerk). **Number of jobs created in reporting year** _____.

Identify:

the average annual salary range of the FTEs (*exclusive of construction jobs*) created during the reporting year: \$ _____.

the total number of jobs (*exclusive of construction jobs*) created by the Project from the date of application through the reporting date: _____.

the total number of jobs (retained and created, *but exclusive of construction jobs*) at the Project from the date of application through the reporting date: _____.

What is the annual average salary range of the FTEs (*exclusive of construction jobs*) created at the Project to date: \$ _____.

B. Geographical Hiring Data:

1. Construction jobs:

Of the construction jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

2. FTEs hired (*exclusive of construction jobs*)

Of the FTE jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

Provide the same information reflecting FTEs hired from the date of application through the reporting date at the Project.

FORM OF SUB-AGENT AGREEMENT

THIS SUB-AGENT APPOINTMENT AGREEMENT (the "**Agreement**"), dated as of _____, 20__, is by and between **600 Franklin Owner, LLC** (the "**Company**"), with a mailing address of 113 Court Street, Binghamton, New York 13901 (and [NAME OF SUB-AGENT], a _____ of the State of New York, having an office for the transaction of business at _____ (the "**Sub-Agent**").

WITNESSETH:

WHEREAS, the City of Syracuse Industrial Development Agency (the "**Agency**") was created by Chapter 641 of the Laws of 1979 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "**Act**") as a body corporate and politic and as a public benefit corporation of the State of New York (the "**State**"); and

WHEREAS, by resolutions of its members adopted on May 16, 2017, April 21, 2020 and October 20, 2020 (the "**Resolution**"), the Agency agreed to undertake a project for the benefit of the Company (the "**Project**") consisting of: (A)(i) the continuation of an interest in 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^[1] (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement; and

^[1] As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%20001-06-2016.pdf

WHEREAS, under the Resolution and in the Agency Lease Agreement by and between the Company and the Agency dated as of December 1, 2020 (the “**Agency Lease**”) the Agency appointed the Company as its agent for purposes of completing the Project and delegated to the Company the authority to appoint as agents of the Agency a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (the “**Additional Agents**” or “**Sub-Agents**”), for the purpose of completing the Project and benefitting from the State and local sales and use tax exemption that forms a portion of the Financial Assistance all in accordance with the terms of the Resolution and the Agency Lease; and

WHEREAS, the Company and the Agency entered into a Project Agreement dated as of December 1, 2020 (the “**Project Agreement**”).

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. The Company hereby appoints the Sub-Agent as an Additional Agent of the Agency for the purpose of assisting the Company and the Agency in the completion of the Project and benefitting from the State and local sales and use tax exemption relative to expenditures made in furtherance thereof. The Sub-Agent is only an agent of the Agency for the aforementioned purposes. The Sub-Agent hereby agrees to limit its activities as agent for the Agency under the authority of this Agreement to acts reasonably related to the completion of the Project Facility.

2. The Sub-Agent covenants, agrees and acknowledges:

a. to make all records and information regarding State and local sales and use tax exemption benefits claimed by it in connection with the Project available to the Company and the Agency upon request. The Sub-Agent agrees to comply with all procedures and policies established by the State Department of Taxation and Finance, or any similar entity, regarding the documenting or reporting of any State and local sales and use tax exemption benefits, including providing to the Company all information of the Sub-Agent necessary for the Company to complete the State Department of Taxation and Finance’s “Annual Report of Sales and Use Tax Exemptions” (Form ST-340).

b. to be bound by and comply with the terms and conditions of the Agency’s policies, the Resolution and Section 875(3) of the Act (as if such section were fully set forth herein). Without limiting the scope of the foregoing, the Sub-Agent acknowledges and agrees to be bound by the Agency’s Suspension, Discontinuation and Recapture of Benefits Policy (the “**Recapture Policy**”), a copy of which is attached hereto as **Schedule “A”**.

c. that the failure of the Sub-Agent to promptly pay any Sales Tax Recapture Amount in accordance with the Recapture Policy, the Agency Lease and/or the Resolution to the Agency will be grounds for the Agency, the State Commissioner of Taxation and Finance or such other entity, to collect sales and use taxes from the Sub-Agent under Article 28 of the Tax Law, or other applicable law, policy or contract, together with interest and penalties. In addition to the foregoing, the Sub-Agent acknowledges and agrees that for purposes of exemption from State sales

and use taxation, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the Tax Law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

d. that all purchases made by the Sub-Agent in connection with the Project shall be made using Form ST-123 (IDA Agent or Project Operator Exempt Purchase Certificate), a copy of which is attached hereto as **Exhibit “A”**). It shall be the responsibility of the Sub-Agent (and not the Company or the Agency) to complete Form ST-123. The failure to furnish a completed Form ST-123 with each purchase will result in loss of the exemption for that purchase.

e. that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Sub-Agent is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Sub-Agent acknowledges and agrees that the bill of invoice should state, “I, [NAME OF SUB-AGENT], certify that I am a duly appointed agent of the City of Syracuse Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following Agency project and that such purchases qualify as exempt from sales and use taxes under my Sub-Agent Appointment Agreement.” The Sub-Agent further acknowledges and agrees that the following information shall be used by the Sub-Agent to identify the Project on each bill and invoice: DUPLI ASSOCIATES, LLC PROJECT – BUILDING 1, 600 Franklin Street, IDA Project No.: 31022005.

f. that for purposes of any exemption from the State sales and use taxation as part of any Financial Assistance requested, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

g. that the Sub-Agent shall indemnify and hold the Agency harmless from all losses, expenses, claims, damages and liabilities arising out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the Project Facility (including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), for such claims or liabilities that arise as a result of the Sub-Agent acting as agent for the Agency pursuant to this Agreement or otherwise.

The Sub-Agent shall indemnify and hold the Agency, its members, officers, employees and agents and anyone for whose acts or omissions the Agency or any one of them may be liable, harmless from all claims and liabilities for loss or damage to property or any injury to or death of any person that may be occasioned subsequent to the date hereof by any cause whatsoever in relation only to Sub-Agent’s work on or for the Project Facility, including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

The foregoing defenses and indemnities shall survive expiration or termination of this Agreement and shall apply whether or not the claim, liability, cause of action or expense is caused

or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

h. that as agent for the Agency or otherwise, the Sub-Agent will comply at the Sub-Agent's sole cost and expense with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Sub-Agent with respect to the Project Facility.

i. that Section 875(7) of the Act requires the Agency to post on its website all resolutions and agreements relating to the Sub-Agent's appointment as an agent of the Agency or otherwise related to the Project, including this Agreement, and that Public Officers Law Article 6 declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Sub-Agent feels that there is information about the Sub-Agent in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Sub-Agent's competitive position, the Sub-Agent must identify such elements in writing, supply same to the Agency prior to or contemporaneously with the execution hereof and request that such elements be kept confidential in accordance with Public Officers Law Article 6. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the Act.

j. The Sub-Agent agrees Local contractors and suppliers will be used for the construction and equipping of the Project unless a waiver is first received from the Agency in writing. Such waiver shall be in the Agency's sole discretion. The Sub-Agent agrees that such Local contractors shall be provided the opportunity to bid on contracts related to the Project. Local shall mean, for the purposes of this Agreement, Onondaga, Oswego, Madison, Cayuga, Cortland and Oneida Counties. Failure to comply with the local labor requirements of this Section (j) (collectively, the "**Local Labor Requirements**") may result in the revocation or recapture of benefits provided/approved to the Project by the Agency.

k. that the Sub-Agent must timely provide the Company with the necessary information to permit the Company, pursuant to General Municipal Law §874(8), to timely file an Annual Statement with the New York State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (Form ST-340) regarding the value of sales and use tax exemptions the Additional Agent claimed pursuant to the agency conferred on it by the Company with respect to this Project on an annual basis.

l. that the failure to comply with the foregoing will result in the loss of the exemption.

m. that if the Sub-Agent is the general contractor for the Project, then at all times following the execution of this Agreement, and during the term thereof, the Sub-Agent shall

maintain or cause to be maintained the following insurance policies with an insurance company licensed in the State that has an A.M. Best rating of not less than A-:

(a) Insurance against loss or damage by fire, lightning, and other casualties customarily insured against (with a uniform standard extended coverage endorsement), such insurance to be in an amount not less than the full replacement value of the completed Project Facility, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the general contractor.

(b) Workers' compensation insurance, disability benefits' insurance, and each other form of insurance which the general contractor is required by law to provide covering loss resulting from injury, sickness, disability, or death of employees of the general contractor who are located at or assigned to the Project Facility;

(c) A policy of commercial general liability insurance with a limit of liability of not less than \$1,000,000 per occurrence on an "occurrence" basis and \$2,000,000 in the aggregate for bodily injury, including death, and property damage, including but not limited to, contractual liability under the Agency Lease and personal injury, with blanket excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and Equipment and the Company's and the Agency's use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

In addition, all insurance required by this section shall be with insurance companies of recognized financial standing selected by the general contractor and licensed to write such insurance in the State of New York. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other Persons engaged in businesses similar in size, character, and other respects to those in which the general contractor is engaged. All policies evidencing such insurance except the Workers' Compensation policy shall name the general contractor as insured and the Agency as an additional insured, as its interests may appear, and shall provide that such coverage with respect to the Agency be primary and non-contributory with any insurance secured by the Agency and require at least thirty (30) days' prior written notice to the Agency of cancellation, reduction in policy limits, or material change in coverage thereof.

Prior to the effective date of this Agreement, the general contractor shall deliver to the Agency, satisfactory to the Agency in form and substance: (i) Certificates evidencing all insurance required hereby; (ii) the additional insured endorsement(s) applicable to the Agency; (iii) the final insurance binder addressed to the general contractor covering the Project Facility; and (iv) evidence that the insurance so required is on a primary and non-contributory basis. In addition, the general contractor shall provide, if so requested by the Agency, a final and complete copy of each insurance policy within thirty (30) days of the execution of this Agreement.

The general contractor shall deliver or cause to be delivered to the Agency on or before the first business day of each January thereafter each of the items set forth in the immediately preceding paragraphs, dated not earlier than the immediately preceding month, reciting that there is in full force and effect, with a term covering at least the next succeeding

calendar year, insurance in the amounts and of the types required hereby for so long as the general contractor is performing, supervising or causing work to be done on or at the Project Facility. The general contractor shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agreement in each such year.

n. that every controversy, dispute or claim arising out of or relating to this Agreement shall be governed by the laws of the State of New York, without regard to its conflicts-of-laws provisions that if applied might require the application of the laws of another jurisdiction; and that the Sub-Agent irrevocably and expressly submits to the exclusive personal jurisdiction of the Supreme Court of the State of New York and the United States District Court for the Northern District of New York, to the exclusion of all other courts, for the purposes of litigating every controversy, dispute or claim arising out of or relating to this Agreement.

3. Failure of the Sub-Agent to comply with any of the provisions of this Agreement shall result in the immediate nullification of the appointment of the Sub-Agent and the immediate termination of this Agreement and may result in the loss of the Company's State and local sales and use tax exemption with respect to the Project at the sole discretion of the Agency. In addition, such failure may result in the recapture of the State and local sales and use taxes avoided.

4. The Company acknowledges that the assumption of certain obligations by the Sub-Agent in accordance with this Agreement does not relieve the Company of its obligations under any provisions of the Agency Lease or of any other agreement entered into by the Company in connection with the Project.

5. The Company and the Sub-Agent agree that the Agency is a third-party beneficiary of this Agreement.

6. This Agreement shall be in effect until the earlier of: (i) the completion of the work on the Project by the Sub-Agent; or (ii) the Sub-Agent's loss of status as an agent of the Agency as set forth herein. Notwithstanding the foregoing, the provisions of Sections 2(b), 2(c), 2(f), 2(g), 2(j), and 2(l) shall survive the termination of this Agreement.

IN WITNESS WHEREOF, the Company and the Sub-Agent have caused this Agreement to be executed in their respective names by their respective duty authorized officers, all as of the day and year first above written.

FORM ST-123

New York State Department of Taxation and Finance

New York State Sales and Use Tax

IDA Agent or Project Operator

Exempt Purchase Certificate

Effective for projects beginning on or after June 1, 2014

ST-123

(7/14)

This certificate is not valid unless all entries have been completed.

Note: To be completed by the purchaser and given to the seller. Do not use this form to purchase motor fuel or diesel motor fuel exempt from tax. See Form FT-123, *IDA Agent or Project Operator Exempt Purchase Certificate for Fuel*.

Name of seller			Name of agent or project operator		
Street address			Street address		
City, town, or village	State	ZIP code	City, town, or village	State	ZIP code
Agent or project operator sales tax ID number (see instructions)					

Mark an **X** in one: Single-purchase certificate Blanket-purchase certificate (valid only for the project listed below)

To the seller:

You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

Project information

I certify that I am a duly appointed agent or project operator of the named IDA and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my agreement with the IDA.

Name of IDA		
Name of project	IDA project number (see OSC number)	
Street address of project site		
City, town, or village	State	ZIP code
Enter the date that you were appointed agent or project operator (mm/yy)	/	/
Enter the date that agent or project operator status ends (mm/yy)	/	/

Exempt purchases

(Mark an **X** in boxes that apply)

- A. Tangible personal property or services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) used to complete the project, but not to operate the completed project
- B. Certain utility services (gas, propane in containers of 100 pounds or more, electricity, refrigeration, or steam) used to complete the project, but not to operate the completed project
- C. Motor vehicle or tangible personal property installed in a qualifying motor vehicle

Certification: I certify that the above statements are true, complete, and correct, and that no material information has been omitted. I make these statements and issue this exemption certificate with the knowledge that this document provides evidence that state and local sales or use taxes do not apply to a transaction or transactions for which I tendered this document and that willfully issuing this document with the intent to evade any such tax may constitute a felony or other crime under New York State Law, punishable by a substantial fine and a possible jail sentence. I understand that this document is required to be filed with, and delivered to, the vendor as agent for the Tax Department for the purposes of Tax Law section 1838 and is deemed a document required to be filed with the Tax Department for the purpose of prosecution of offenses. I also understand that the Tax Department is authorized to investigate the validity of tax exclusions or exemptions claimed and the accuracy of any information entered on this document.

Signature of purchaser or purchaser's representative (include title and relationship)	Date
Type or print the name, title, and relationship that appear in the signature box	

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1118(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Privacy notification

New York State Law requires all government agencies that maintain a system of records to provide notification of the legal authority for any request, the principal purpose(s) for which the information is to be collected, and where it will be maintained. To view this information, visit our Web site, or, if you do not have Internet access, call and request Publication 54, *Privacy Notification*. SCHEDULE "A"
to Sub-Agent Agreement
RECAPTURE POLICY

RECAPTURE POLICY

I. STATEMENT OF PURPOSE

The City of Syracuse Industrial Development Agency (the “*Agency*”) has adopted this Recapture Policy (the “*Recapture Policy*”) in accordance with Sections 874(10) and 874(11) of the New York State General Municipal Law. This Recapture Policy shall be consistent with and in compliance with the provisions of Chapter 1030 of Laws of 1969 of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “*Enabling Act*”) and Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (said Chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”), and any other applicable law.

II. MANDATORY RECAPTURE OF THE NEW YORK STATE PORTION OF SALES AND USE TAX

The Agency shall recapture from project applicants New York State sales and use tax benefits, in accordance with the provisions of the General Municipal Law, from projects that utilized State sales and use tax exemptions:

- a) To which the project was not entitled;
- b) In excess of the amounts authorized by the Agency;
- c) For property or services not authorized by the Agency; and/or
- d) For a project that has failed to comply with a material term or condition to use the property or services in the manner required by any of the project documents between the company and the Agency.

The approving resolution(s) and project documents granting financial assistance in the form of State sales and use tax exemption benefits shall include the terms and conditions of the foregoing recapture provision. Within thirty (30) days of the recapture, the recapture amount shall be remitted to the New York State Department of Taxation and Finance. Such remittances shall include interest, at the legal rate, imposed by the Agency. The failure to pay over such amounts to the Agency shall be grounds for the New York State Tax Commissioner to assess and determine

State sales and use taxes due from the company under article twenty-eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

In order to determine if one of the foregoing events have occurred (a “*State Mandated Recapture Event*”) and to effectuate this recapture of New York State sales and use tax benefits the Agency shall:

- a) Keep records of the New York State and local sales tax exemptions provided to each project, with such records available to the New York State Tax Commissioner upon request.
- b) Report within thirty days of providing any financial assistance in the form of a sales and use tax exemption, the project, the estimated amount of the exemption and other information as may be required by the New York State Tax Commissioner (Form ST-60).
- c) The Agency shall file an annual report with the New York State Tax Commissioner detailing its terms and conditions and its activities in recapturing any unauthorized New York State sales and use tax exemptions.

III. SUSPENSION, DISCONTINUATION, RECAPTURE AND TERMINATION OF OTHER FORMS OF FINANCIAL ASSISTANCE

With respect to all other financial assistance provided to a project (other than the State portion of sales and use tax exemptions) the Agency shall have the right to suspend, discontinue, recapture or terminate financial assistance to any company for a project to the extent that:

- a) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “*Local Sales Tax Benefit Violation*”);
- b) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“*Job Deficit*”);
- c) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“*Investment Deficit*”);
- d) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, and other objectives of the Project (“*Reporting Failure*”); or

- e) there otherwise occurs any event of default under any project document (each, an “Event of Default”) or a material violation of the terms and conditions of any project document (a “*Material Violation*”).

IV. ANNUAL ASSESSMENT

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State Mandated Recapture Event, a Local Sales Tax Benefit Violation, Job Deficit, Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “*Noncompliance Event*”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any project document in accordance with the terms of the project document.

At the time of any Noncompliance Event (other than a State Mandated Recapture Event), the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the financial assistance provided to a project, and shall consider the following in making its determination:

- a) Whether the company has proceeded in good faith.
- b) Whether the project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the company.
- c) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create a more adverse situation for the company, such as the company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- d) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create an adverse situation for the residents of the City of Syracuse.
- e) The assessment prepared in accordance with the Agency’s Annual Assessment Policy.
- f) Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the financial assistance (the “*Determination*”). The Determination shall provide terms, if any, by which a company may remedy any Noncompliance Event (other than a State Mandated Recapture Event) upon which the Determination was based. The company must

submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume financial assistance to the company (which will be at the Agency's sole discretion).

The project agreement entered into between the Agency and the company (the "*Project Agreement*") shall include the terms and conditions of the foregoing provisions. The Agency shall also include in the Project Agreement a requirement that the company comply with the Agency's right to suspend, discontinue, recapture or terminate the financial assistance and that the company shall repay all or a portion of the financial assistance granted by the Agency to the company pursuant to any Determination.

Any such amount constituting local tax exemptions shall be redistributed to the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction.

IV. RECAPTURE PERIOD

Except as otherwise provided by the General Municipal Law, the recapture period will be the longer of: (1) the term of the Lease Agreement; or (2) five years following the project's completion date. A project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the term of the Project Agreement.

RECAPTURE POLICY

I. STATEMENT OF PURPOSE

The City of Syracuse Industrial Development Agency (the “Agency”) has adopted this Recapture Policy (the “*Recapture Policy*”) in accordance with Sections 874(10) and 874(11) of the New York State General Municipal Law. This Recapture Policy shall be consistent with and in compliance with the provisions of Chapter 1030 of Laws of 1969 of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “*Enabling Act*”) and Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (said Chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”), and any other applicable law.

II. MANDATORY RECAPTURE OF THE NEW YORK STATE PORTION OF SALES AND USE TAX

The Agency shall recapture from project applicants New York State sales and use tax benefits, in accordance with the provisions of the General Municipal Law, from projects that utilized State sales and use tax exemptions:

- e) To which the project was not entitled;
- f) In excess of the amounts authorized by the Agency;
- g) For property or services not authorized by the Agency; and/or
- h) For a project that has failed to comply with a material term or condition to use the property or services in the manner required by any of the project documents between the company and the Agency.

The approving resolution(s) and project documents granting financial assistance in the form of State sales and use tax exemption benefits shall include the terms and conditions of the foregoing recapture provision. Within thirty (30) days of the recapture, the recapture amount shall be remitted to the New York State Department of Taxation and Finance. Such remittances shall include interest, at the legal rate, imposed by the Agency. The failure to pay over such amounts to the Agency shall be grounds for the New York State Tax Commissioner to assess and determine

State sales and use taxes due from the company under article twenty-eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

In order to determine if one of the foregoing events have occurred (a “*State Mandated Recapture Event*”) and to effectuate this recapture of New York State sales and use tax benefits the Agency shall:

- d) Keep records of the New York State and local sales tax exemptions provided to each project, with such records available to the New York State Tax Commissioner upon request.
- e) Report within thirty days of providing any financial assistance in the form of a sales and use tax exemption, the project, the estimated amount of the exemption and other information as may be required by the New York State Tax Commissioner (Form ST-60).
- f) The Agency shall file an annual report with the New York State Tax Commissioner detailing its terms and conditions and its activities in recapturing any unauthorized New York State sales and use tax exemptions.

III. SUSPENSION, DISCONTINUATION, RECAPTURE AND TERMINATION OF OTHER FORMS OF FINANCIAL ASSISTANCE

With respect to all other financial assistance provided to a project (other than the State portion of sales and use tax exemptions) the Agency shall have the right to suspend, discontinue, recapture or terminate financial assistance to any company for a project to the extent that:

- f) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “*Local Sales Tax Benefit Violation*”);
- g) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“*Job Deficit*”);
- h) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“*Investment Deficit*”);
- i) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, and other objectives of the Project (“*Reporting Failure*”); or

- j) there otherwise occurs any event of default under any project document (each, an “Event of Default”) or a material violation of the terms and conditions of any project document (a “*Material Violation*”).

IV. ANNUAL ASSESSMENT

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State Mandated Recapture Event, a Local Sales Tax Benefit Violation, Job Deficit, Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “*Noncompliance Event*”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any project document in accordance with the terms of the project document.

At the time of any Noncompliance Event (other than a State Mandated Recapture Event), the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the financial assistance provided to a project, and shall consider the following in making its determination:

- g) Whether the company has proceeded in good faith.
- h) Whether the project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the company.
- i) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create a more adverse situation for the company, such as the company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- j) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create an adverse situation for the residents of the City of Syracuse.
- k) The assessment prepared in accordance with the Agency’s Annual Assessment Policy.
- l) Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the financial assistance (the “*Determination*”). The Determination shall provide terms, if any, by which a company may remedy any Noncompliance Event (other than a State Mandated Recapture Event) upon which the Determination was based. The company must

submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume financial assistance to the company (which will be at the Agency's sole discretion).

The project agreement entered into between the Agency and the company (the "*Project Agreement*") shall include the terms and conditions of the foregoing provisions. The Agency shall also include in the Project Agreement a requirement that the company comply with the Agency's right to suspend, discontinue, recapture or terminate the financial assistance and that the company shall repay all or a portion of the financial assistance granted by the Agency to the company pursuant to any Determination.

Any such amount constituting local tax exemptions shall be redistributed to the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction.

IV. RECAPTURE PERIOD

Except as otherwise provided by the General Municipal Law, the recapture period will be the longer of: (1) the term of the Lease Agreement; or (2) five years following the project's completion date. A project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the term of the Project Agreement.

FORM OF CERTIFICATION REGARDING ONGOING OBLIGATIONS UPON TERMINATION OF LEASES

CERTIFICATION

In December, 2020, at the request of **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 ("**Dupli**") and **600 FRANKLIN OWNER LLC**, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 ("**600 Franklin**" and together with Dupli, collectively, the "**Company**"), the City of Syracuse Industrial Development Agency (the "**Agency**") undertook undertake an amended project (the "**Project**" or "**Building 1 Project**") consisting of: (A)(i) the continuation of an interest in 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^[1] (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement.

The meaning of capitalized terms not otherwise defined herein shall have the meanings attached to them in the agency lease, dated as of December 1, 2020 between the Agency and the Company (the "**Agency Lease**").

On December 17, 2020 the Agency and the Company closed on a straight lease transaction with respect to the Project and the Financial Assistance (the "**Original Closing**") pursuant to which the parties executed and delivered the Company Documents and the Agency Documents (collectively

^[1] As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%20001-06-2016.pdf

the "**Lease Documents**").

Pursuant to the Company's request, the Agency terminated their leasehold interest in the Project Facility as of _____, 20__ (the "**Termination**").

Pursuant to the terms of the Agency lease, the Company is obligated to perform certain reporting requirements to the Agency.

- (1) certain provisions and obligations of the Lease Documents survive the Termination, including: Article 4 of the Agency Lease and Sections 2.2, 8.2, 8.5, 8.12, 11.7 and 11.14 of the Agency Lease;
- (2) in accordance with its terms, the entire Project Agreement, and the Company's obligations thereunder, shall survive the Termination;
- (3) the Company is familiar with all of the Agency's policies, including but not limited to, its Recapture Policy, and is bound thereby; and
- (4) in furtherance of (i) above, but without limiting the foregoing, the Company continues to be obligated to comply with the following reporting obligation in accordance with Article 4 of the Project Agreement:

Section 4.01. Compliance Commitments. The Company agrees and covenants that it shall meet and maintain the commitments set forth in (a) below beginning in the first year after completion of the Project. The Company further agrees and covenants that it shall meet and maintain the commitments set forth in (b) below with respect to retained jobs set forth in the Application starting in the first year in which Financial Assistance is claimed and/or provided; and with respect to new jobs, the Company shall create, in years one (1) through five (5) following completion of the Project the new jobs set forth in the Company's Application. The reporting of, and the commitment to, each of (a), (b) and (c) below continuing for a five (5) year period following completion of the Project (the "**Term**"):

(a) The total investment made with respect to the Project at the Project's completion date shall equal to or exceed \$8,992,896, being the total project cost as stated in the Company's Application for Financial Assistance (the "**Investment Commitment**").

(b) There were eight (8) full time equivalent ("**FTE**") employees retained by the Project Facility as of the date of the Application for Financial Assistance (the "**Baseline FTE**"). The Company agrees to maintain, as of the first year in which Financial Assistance is claimed and/or provided the Baseline FTE. The Company's application estimated the creation of four (4) new FTEs (the "**New FTEs**") at the Project Facility within the first five (5) years following the Completion Date of the Project Facility. The Company covenants and agrees to create the New FTEs set forth in the first five (5) years following completion of the Project Facility as of and in the years set forth in the Application. The Company shall be required to meet and maintain all of the foregoing employment commitments during the Term (as defined in Section 6.07 below)

hereof (the “*Employment Commitment*”).

(c) The Company shall annually provide to the Agency certain information to confirm that the Project is achieving the investment, job retention, job creation, and other objectives of the Project for the Term (the “*Reporting Commitment*”).

Section 4.02. Reporting Requirement. As part of the commitments set forth in Section 4.01, the Company shall provide annually, to the Agency, a certified statement and supporting documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the Project location, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. **Exhibit A** contains a form of annual certification that the Company must complete and submit to the Agency on an annual basis. The Agency reserves the right to modify such form to require additional information that the Agency must have in order to comply with its reporting requirements under the Act.

COMPANY ADDRESS

Dear _____:

Our auditors, _____, CPAs are conducting an audit of our financial statements for the year ended December 31, _____. In connection with that audit, we request that you furnish certain information directly to our auditor with regard to the following security issued by/through the City of Syracuse Industrial Development Agency:

Sale - Leaseback Financing

Project:

Date of Financing:

Principal Amount Financed:

Maturity Date:

Original Interest Rate:

Please provide the following information as of December 31, [year]:

Name of Lender

Debt Retired in [year] Yes/No

Debt Refinanced in [year] Yes/No

(If Yes, please update information in Paragraph 1 above)

Debt in Default as of [date] Yes/No

Current Interest Rate(s)

Rate range, if Variable

Principal balance outstanding as of [date]

Principal payments made during [year]

Payments in Lieu of Taxes (PILOT)

paid in [year]

Total cost of goods/services purchased: \$ _____

New York State Sales Tax Exemptions Claimed [year]

New York Local Sales Tax Exemptions Claimed: [year]

New York State Mortgage Recording

Tax Exemption: [year]

Form of Syracuse Industrial Development Agency — Project Jobs Data [year]

From:

To: _____, CPAs

Re:

The following jobs information is furnished to you with regard to the above cited project:

A. Job Retention/Creation:

III. Construction Jobs:

Provide the name of your general contractor: _____.

Provide the address (including county) of your general contractor: _____.

Is the general contractor MWBE qualified? _____.

Is the general contractor Service-Disabled Veteran-Owned Business Enterprises (SDVOBE) qualified? _____.

For each contractor and/or sub-contractor, provide the following information for the reporting period:

Bid awarded to (Name/Address/County*)	Value of contract	MWBE (Yes/No)	SDVOBE (Yes/No)	Number of jobs (FTE)

***Must include county**

IV. Permanent (non-construction) Jobs:

Number of FTEs retained at the Project prior to date of application: _____.

Number of FTEs created by the Project during the reporting calendar year (*exclusive of construction jobs*): _____.

Of the jobs created by the Project during the reporting year (*exclusive of construction jobs*) identify how many are in each of the following categories:

Professional/Managerial/Technical - includes jobs which involve skill or competence of extraordinary degree and may include supervisory responsibilities (examples: architect, engineer, accountant, scientist, medical doctor, financial manager, programmer). **Number of jobs created in reporting year** _____.

Skilled - includes jobs that require specific skill sets, education, training, and experience and are generally characterized by high education or expertise level (examples: electrician, computer operator, administrative assistant, carpenter, sales representative). **Number of jobs created in reporting year** _____.

Unskilled or Semi-Skilled - includes jobs that require little or no prior acquired skills and involve the performance of simple duties that require the exercise of little or no independent judgment (examples: general cleaner, truck driver, typist, gardener, parking lot attendant, line operator, messenger, information desk clerk, crop harvester, retail salesperson, security guard, telephone solicitor, file clerk). **Number of jobs created in reporting year** _____.

Identify:

the average annual salary range of the FTEs (*exclusive of construction jobs*) created during the reporting year: \$ _____.

the total number of jobs (*exclusive of construction jobs*) created by the Project from the date of application through the reporting date: _____.

the total number of jobs (retained and created, *but exclusive of construction jobs*) at the Project from the date of application through the reporting date: _____.

What is the annual average salary range of the FTEs (*exclusive of construction jobs*) created at the Project to date: \$ _____.

B. Geographical Hiring Data:

3. Construction jobs:

Of the construction jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

4. FTEs hired (*exclusive of construction jobs*)

Of the FTE jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

Provide the same information reflecting FTEs hired from the date of application through the reporting date at the Project.

**DUPLI BUILDING 2
AGENCY LEASE AGREEMENT**

THIS DUPLI BUILDING 2 AGENCY LEASE AGREEMENT, dated as of December 1, 2020 (the “*Dupli Building 2 Agency Lease*”), is by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a body corporate and politic and a public instrumentality of the State of New York, having its office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the “*Agency*”), **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **156 SOLAR STREET LLC**, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 (“*156 Solar*” and together with Dupli, collectively, the “*Company*”).

WITNESSETH:

WHEREAS, the Agency is authorized and empowered by Title I of Article 18-A of the General Municipal Law of the State of New York (the “*State*”), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the “*Act*”), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act, among other things, to: (i) make contracts and leases, and to execute such documents as necessary or convenient, with a public or private person, firm, partnership, or corporation; (ii) to acquire, construct, reconstruct, lease, improve, maintain, equip or furnish one or more projects (as defined in the Act); and (iii) to sell, lease and otherwise dispose *of* any such property; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification number 118.-06-01.0) (the “*Building 2 Land*”), each in the City of Syracuse, New York (the “*City*”) (Building 1 Land together with Building 2 Land, collectively referred to as the “*Original Land*”);

(ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, the Project and the Bifurcated Agreements to accommodate the Ownership Structure such that the applicable Bifurcated Agreements for the Building 2 Project will govern the Building 2 Project consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W.

improved by an approximate 62,800 square foot building (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, the Agency proposes to assist the Company's acquisition, construction and equipping of the Project Facility and grant the Financial Assistance to the Project by, among other things: (1) appointing the Company and/or its designee as its agent with respect to the undertaking and completing the Project; (2) continuing its leasehold interest in the Land and the Facility from the Company and a fee interest in the Equipment pursuant to a bill of sale from the Company; and (2) subleasing the Project Facility to the Company pursuant to this Dupli Building 2 Agency Lease; and

WHEREAS, 156 Solar is the current owner of the Land and the Facility; and

WHEREAS, in accordance with the terms of that certain company lease agreement dated as of July 21, 2017, as amended by the first amendment First Amendment to Company Lease dated as of December 1, 2020, each between Dupli and the Agency (collectively, the "**Original Company Lease**"), the Company has leased or continued its lease of the Land and the Facility to the Agency; and

WHEREAS, Dupli has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**Dupli Bill of Sale**") and 156 Solar has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**156 Solar Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**"); and

WHEREAS, the Agency now proposes to sublease the Project Facility to 156 Solar pursuant to the terms and conditions herein set forth; and

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

WHEREAS, all things necessary to constitute this Dupli Building 2 Agency Lease a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution, and delivery of this Dupli Building 2 Agency Lease have, in all respects, been duly authorized.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto hereby formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I RECITALS AND DEFINITIONS

1.0 RECITALS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

1.1 DEFINITIONS.

For all purposes of this Dupli Building 2 Agency Lease and any agreement supplemental thereto, all defined terms indicated by the capitalization of the first letter of such term shall have the meanings specified in the Table of Definitions attached hereto as **Exhibit “A”** except as otherwise expressly defined herein or the context hereof otherwise requires.

1.2 INTERPRETATION.

In this Dupli Building 2 Agency Lease, unless the context otherwise requires:

(a) The terms “hereby,” “hereof,” “herein,” “hereunder,” and any similar terms as used in this Dupli Building 2 Agency Lease refer to this Dupli Building 2 Agency Lease; the term “heretofore” shall mean before and the term “hereafter” shall mean after the date of this Dupli Building 2 Agency Lease;

(b) Words of masculine gender shall mean and include correlative words of feminine and neuter genders, and words importing the singular number shall mean and include the plural number and vice versa; and

(c) Any certificates, letters, or opinions required to be given pursuant to this Dupli Building 2 Agency Lease shall mean a signed document attesting to or acknowledging the circumstances, representations, opinions of law, or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Dupli Building 2 Agency Lease.

(d) Unless otherwise so indicated, the term Company shall refer jointly to 156 Solar and Dupli.

**ARTICLE II
REPRESENTATIONS AND COVENANTS**

2.1 REPRESENTATIONS OF THE AGENCY.

The Agency makes the following representations to the Company as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established under the provisions of the Act and has the power to enter into this Dupli Building 2 Agency Lease and to carry out its obligations hereunder. Based upon the representations of the Company as to the utilization of the Project Facility, the Project Facility will constitute a “project,” as such quoted term is defined in the Act. By proper official action, the Agency has been duly authorized to execute, deliver, and perform this Dupli Building 2 Agency Lease and the other Agency Documents.

(b) Neither the execution and delivery of this Dupli Building 2 Agency Lease, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions of this Dupli Building 2 Agency Lease and the other Agency Documents by the Agency will conflict with or result in a breach by the Agency of any of the terms, conditions, or provisions of the Act, the By-Laws of the Agency, or any order, judgment, restriction, agreement, or instrument to which the Agency is a party or by which it is bound or will constitute a default by the Agency under any of the foregoing.

(c) This Dupli Building 2 Agency Lease and the other Agency Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Agency, enforceable in accordance with their respective terms.

2.2 REPRESENTATIONS AND COVENANTS OF THE COMPANY.

Dupli and 156 Solar, each as noted or jointly as the Company, acknowledge, represent, warrants and covenant to the Agency as follows:

(a) Dupli is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 2 Agency Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 2 Agency Lease and the other Company Documents; and

(b) 156 Solar is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 2 Agency Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 2 Agency Lease and the other Company Documents; and

(c) Each Dupli and 156 Solar for itself represent and covenant that, for each respectively, this Dupli Building 2 Agency Lease and the other Company Documents constitute,

or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of Dupli and 156 Solar enforceable in accordance with their respective terms; and

(d) Dupli has, contemporaneously with the execution and delivery of this Dupli Building 2 Agency Lease, transferred fee title of the Project Facility to 156 Solar. During the term of this Dupli Building 2 Agency Lease, Dupli shall hold 90% of the membership interests in 156 Solar; and

(e) 156 Solar is the fee title owner of the Project Facility. 156 Solar shall remain the fee owner of the Project Facility for the term of this Dupli Building 2 Agency Lease unless otherwise consented to in writing by the Agency; and

(f) The Company shall complete the Project Facility on or before the Completion Date; and.

(g) This Project is not primarily used for retail as set forth in the Act; and

(h) For the duration of the term hereof, the Company shall operate the Project Facility as the Project Facility and for the purposes presented herein and in the Application and Plans and Specifications presented to the Agency; and.

(i) For the duration of the term hereof, and in accordance with the Agency's Uniform Tax Exemption Policy ("**UTEF**"), the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by US Department of Housing and Urban Development ("**HUD**"), inclusive of utilities (the "**HUD Rates**") (collectively, the "**Rental Restrictions**"). The 2020 HUD Rates are attached hereto at **Exhibit "B"**. Rental rates in the leases for these residential units must be tied to the annual HUD Rates. It is the Company's obligation to obtain the annual HUD Rates each year. Generally, the HUD Rates are published in or about June of each year; and

(j) During the Reporting Period, the Company shall provide the reporting and certifications required relative to the Rent Restrictions as more fully set forth in Section 8.5 hereof. The Company acknowledges that failure to maintain and/or report on the Rent Restrictions as set forth herein, shall give rise to the Agency's right to recapture all Recapture Amounts;

(k) Neither the execution and delivery of this Dupli Building 2 Agency Lease and the other Company Documents, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions thereof will:

(1) Result in a breach of, or conflict with any term or provision in, Dupli's or 156 Solar's Articles of Organization and Operating Agreement;

(2) Require consent under (which has not been heretofore received) or result in a breach of or default under any credit agreement, indenture, purchase agreement, mortgage, deed of trust, commitment, guaranty or other agreement or instrument to which either

Dupli or 156 Solar is a party or by which either Dupli or 156 Solar or any of its respective property may be bound or affected; or

(3) Conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction, or decree of any Governmental Authority or court (domestic or foreign) having jurisdiction over the Company or any of the property of the Company.

(l) The providing of Financial Assistance to the Project by the Agency:

(1) Has been an important consideration in the Company's decision to acquire, reconstruct, renovate, equip and complete the Project Facility in the City of Syracuse;

(2) Will not result in the removal of an industrial or manufacturing plant or commercial activity of any Project Facility occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of any user, occupant, or proposed user or occupant of the Project Facility located within the State, except as permitted by the Act; and

(3) Will help eliminate blight and advance job opportunities, prosperity, and standard of living and help prevent economic deterioration.

(m) So long as the Agency holds a leasehold interest in the Project Facility, the Project Facility is and will continue to be a "project" (as such quoted term is defined in the Act), and the Company will not take any action (or omit to take any action required by the Company Documents or which the Agency, together with Agency's counsel, advise the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way cause the Project Facility not to constitute a "project" (as such quoted term is defined in the Act); and

(n) The Company shall cause all notices as required by law to be given and shall comply or cause compliance with all laws, ordinances, municipal rules, and regulations and requirements of all Governmental Authorities applying to or affecting the construction, equipping and operation of the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company, were the owner of the Project Facility), and the Company will defend and save the Agency and its officers, members, agents (other than the Company), and employees harmless from all fines and penalties due to failure to comply therewith; and

(o) The Project will not have a significant effect on the environment" (within the meaning of such term as used in SEQRA) and the Company hereby covenants to comply with all mitigating measures, requirements and conditions, if any, enumerated in the SEQR Resolution under SEQRA applicable to the acquisition, construction and installation of the Project Facility and in any other approvals issued by any other Governmental Authority with respect to the Project. No material changes with respect to any aspect of the Project Facility have arisen from the date of the issuance of such negative declaration which would cause the determination contained therein to be untrue; and

(p) The Company acknowledges the Agency's Local Access Policy and the Company's obligation to comply. The Company further understands and agrees that it is the preference of the Agency that the Company provide opportunities for the purchase of goods and services from: (i) business enterprises located in the City; (ii) certified minority and or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. The Company further understands and acknowledges that consideration will be given by the Agency to the Company's efforts to comply, and compliance, with this objective at any time an extension of benefits is sought or involvement by the Agency with the Project is requested by the Company; and

(q) The Agency's undertaking of the Project and the provision of Financial Assistance for the Project will not have a significant impact on the environment within the meaning of SEQRA; and

(r) The acquisition, reconstruction, renovation, equipping and completion of the Project Facility will promote employment opportunities and help prevent economic deterioration in the City by the creation and/or preservation of both full and part-time jobs; and

(s) The Company has, or will have as of the first date of construction and equipping, all then necessary permits, licenses, and governmental approvals and consents (collectively, "**Approvals**") for the construction and equipping of the Project Facility and has or will have such Approvals timely for each phase of, and throughout the reconstruction renovation and equipping of the Project Facility; and

(t) The Company will not sublease the whole or any portion of the Project Facility for an unlawful purpose; and

(u) No part of the Project Facility will be located outside of the City; and

(v) The Company shall perform, or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency (which is within the control of the Company) under and pursuant to this Dupli Building 2 Agency Lease, the Company Lease and the other Company Documents and shall defend, indemnify, and hold harmless the Agency and its members, officers, agents (other than the Company), servants and employees from and against every expense, liability, or claim arising out of the failure of the Company to fulfill its obligations under the provisions of this Section 2.2; and

(w) The Company agrees that except as is otherwise provided by collective bargaining contracts or agreements applicable to the Project, new employment opportunities created as a result of the Project shall be listed with the New York State Department of Labor Community Services Division, and with the administrative entity of the service delivery area created by the Federal Job Training Partnership Act (P.L. No. 97-300) in which the Project is located. The Company further agrees that except as is otherwise provided by collective bargaining contracts or agreements applicable to the Project, it will first consider persons eligible to participate in the Federal Job Training Partnership (P.L. No. 97-300) programs who shall be referred by administrative entities

of service delivery areas created pursuant to such act or by the Community Services Division of the Department of Labor for such new employment opportunities; and

(x) The Company shall provide to the Agency any and all documentation or information requested by the Agency so that the Agency can comply with all of its reporting requirements under the Act; and

(y) As a condition precedent to receiving or benefiting from any State sales and use tax exemption benefits, the Company acknowledges and agrees to all terms and conditions of Section 875(3) of the Act. Section 875(3) of the Act is herein incorporated by reference. As part of such conditions precedent:

(1) The Company shall not take any State or local Sales and Use Tax exemptions to which it is not entitled, which are in excess of the amount authorized by the Agency in reliance on the Company's Application or which are for property or services not authorized.

(2) The Company shall comply with all material terms and conditions to use property or services in the manner required by the Agency Documents.

(3) The Company shall cooperate with the Agency in the Agency's efforts to recover, recapture, receive or otherwise obtain from the Company any Sales Tax Recapture Amount (as defined in Section 8.12(g) hereof) and shall, upon the Agency's request, immediately pay to the Agency any Sales Tax Recapture Amount, together with any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise. The Company acknowledges and agrees that the failure of the Company to promptly pay any Sales Tax Recapture Amount to the Agency will be grounds for the State Commissioner of Taxation and Finance to collect sales and use taxes from the Company under Article 28 of the State Tax Law, together with interest and penalties.

(z) The amount of State and local sales and use tax benefits comprising the Financial Assistance approved by the Agency shall not exceed **\$430,998**. The Company shall not request, obtain nor claim State and local sales and use tax exemptions in excess of this amount; and

(aa) The Company hereby acknowledges that any exemption from mortgage recording tax authorized by the Agency as part of the Financial Assistance is subject to Section 874 of the Act; and

(bb) The Company hereby acknowledges, agrees and covenants to timely pay all costs of reconstruction, renovation, equipping and completing the Project, and its obligations hereunder including, but not limited to, Article 4 hereof; and

(cc) The Company hereby represents, warrants and covenants that no properties owned or leased by the Company in the City are currently the subject of any violations, including but not limited to zoning and/or permitting, by any governmental agency nor are any such properties delinquent in any taxes or payments in lieu thereof to any municipality. The Company

further represents, warrants and covenants that all Company owned or leased properties are in compliance with, all laws, ordinances, rules, regulations, and requirements of all Governmental Authorities and that there are no pending or threatened law suits against the City or County; and

(dd) The Company shall cooperate with the Agency in the Agency's efforts to recover, recapture, receive or otherwise obtain from the Company any Recapture Amount, and shall, upon the Agency's request, immediately pay to the Agency any Recapture Amount, together with any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise.

ARTICLE III CONVEYANCE OF LEASEHOLD INTEREST IN PROJECT FACILITY

3.1 AGREEMENT TO CONVEY LEASEHOLD INTEREST TO COMPANY.

The Company has conveyed to the Agency, pursuant to the Company Lease, a leasehold interest in the Land and Facility, as more fully described in **Exhibit "C"** attached hereto, any improvements now or hereafter constructed and installed thereon, subject to Permitted Encumbrances and all of its right, title and interest in the Equipment via a Bill of Sale, as more fully described in **Exhibit "D"** attached hereto. Under this Dupli Building 2 Agency Lease, the Agency will convey, or will cause to be conveyed, to 156 Solar, a subleasehold interest in the Project Facility subject to Permitted Encumbrances and exclusive of the Agency's Unassigned Rights.

3.2 USE OF PROJECT FACILITY.

Subsequent to the Closing Date, 156 Solar shall be entitled to use the Project Facility in accordance with the terms of this Dupli Building 2 Agency Lease and for the purposes described in the third WHEREAS clause of this Dupli Building 2 Agency Lease; provided that such use causes the Project Facility to qualify or continue to qualify as a "project" under the Act.

ARTICLE IV RECONSTRUCTION, RENOVATION, CONSTRUCTION AND EQUIPPING OF THE PROJECT

4.1 RECONSTRUCTION, RENOVATION, CONSTRUCTION AND EQUIPPING OF THE PROJECT FACILITY.

(a) The Company shall promptly construct, equip and complete the Project Facility, all in accordance with the Plans and Specifications on or before the Completion Date. Unless a written waiver is first obtained from the Agency, in accordance with the Agency's Local Access Policy, the Company and its Additional Agents (as defined herein), shall utilize local labor, contractors and suppliers for the reconstruction, renovation, equipping and completion of the Project Facility. For purposes of this Dupli Building 2 Agency Lease, and in particular this Section 4.1, the term "**local**" shall mean Onondaga, Oswego, Oneida, Madison, Cayuga and Cortland Counties. Failure to comply with the local labor requirements of this Section 4.1 (collectively, "**Local Labor Requirements**") may result in the revocation or recapture of all benefits

provided/approved to the Project by the Agency. Failure to comply with any portion of Article 4 may result in the loss of all benefits provided or for the benefit of the Project in the Agency's sole discretion. In furtherance thereof, the Agency's Local Access Agreement has been completed and is attached hereto as **Exhibit "E"**.

(b) The Agency hereby confirms the appointment of 156 Solar as its true and lawful agent to perform the following in compliance with the terms, purposes, and intent of this Dupli Building 2 Agency Lease, the Act and the other Company Documents, and 156 Solar hereby accepts such appointment:

(1) To reconstruct, renovate, equip and complete the Project Facility and to acquire the Equipment in accordance with the terms hereof;

(2) To make, execute, acknowledge, and deliver any contracts, orders, receipts, writings, and instructions with any other Persons and, in general, to do all things which may be requisite or proper, all for the reconstruction, renovation, equipping and completion of the Project Facility with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the Agency shall have no liability for the payment of any sums due thereunder;

(3) To pay all fees, costs and expenses incurred in the reconstruction, renovation, equipping and completion of the Project Facility from funds made available therefore from the funds of the Company; and

(4) To ask, demand, sue for, levy, recover, and receive all such sums of money, debts, dues, and other demands whatsoever which may be due, owing, and payable to the Agency under the terms of any contract, order, receipt, or writing in connection with the reconstruction, renovation, equipping and completion of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond, or other performance security.

(c) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1, provided, however, that the Agency shall have no liability for the payment of any sums due thereunder.

(d) The Company has given, or will give or cause to be given, all notices and have complied, or will comply or cause compliance with, all laws, ordinances, rules, regulations, and requirements of all Governmental Authorities applying to or affecting the conduct of work on the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company were the owner of the Project Facility), and the Company will defend, indemnify, and save the Agency and its officers, members, agents, servants, and employees harmless from all fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(e) The Company understands and agrees that it is the preference of the Agency that the Company provide opportunities for the purchase of goods and services relative to the

Project from: (i) business enterprises located in the City; (ii) certified minority and/or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. Consideration will be given by the Agency to the Company's efforts to comply, and compliance with, this objective at any time an extension of benefits is requested, or further involvement by the Agency with the Project, is requested by the Company.

4.2 COMPLETION OF PROJECT FACILITY.

(a) The Company will proceed with due diligence to acquire, reconstruct, renovate, equip and complete the Project Facility on or before the Completion Date. Completion of the acquisition, reconstruction, renovation and equipping of the Project Facility shall be evidenced by a certificate signed by an Authorized Representative of the Company and approved by the Agency, on or before the Completion Date, stating:

(1) The date of such completion;

(2) That all labor, services, materials, and supplies used therefor and all costs and expenses in connection therewith have been paid;

(3) That the Company has good and valid title to all Property constituting the Project Facility subject to the interest of the Agency therein and to this Dupli Building 2 Agency Lease, the Company Lease and the Bill of Sale; and

(4) That the Project Facility is ready for occupancy, use and operation for its intended purposes.

(b) Notwithstanding the foregoing, such certificate may state that (1) it is given without prejudice to any rights of the Company against third parties which exist at the date of such certificate or which may subsequently come into being; (2) it is given only for the purposes of this Section 4.2; and (3) no Person other than the Agency may benefit therefrom.

(c) Such certificate shall be accompanied by (1) copy of a certificate of occupancy, if required, and any and all permissions, licenses, or consents required of Governmental Authorities for the occupancy, operation, and use of the Project Facility for its intended purposes; and (2) Lien releases from the Company's contractor and any subcontractors under a contract with a price in excess of \$100,000.

4.3 COSTS OF COMPLETION PAID BY COMPANY.

(a) The Company agrees to complete the Project and to pay in full all costs of the reconstruction, renovation, equipping and completion of the Project Facility.

(b) No payment by the Company pursuant to this Section 4.3 shall entitle the Company to any diminution or abatement of any amounts payable by the Company under this Dupli Building 2 Agency Lease.

4.4 REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES.

In the event of a default by any materialman or Additional Agent (as defined herein) under any contract made by them in connection with reconstruction, renovation, equipping and completion of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship, or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company against the materialman or Additional Agent so in default and against each surety for the performance of such contract. The Company may prosecute or defend any action or proceeding or take any other action involving any such materialman or Additional Agent or surety which the Company deems reasonably necessary. The Company shall advise the Agency of any actions or proceedings taken hereunder. No such suit shall relieve the Company of any of its obligations under this Dupli Building 2 Agency Lease and the other Company Documents.

4.5 COOPERATION IN EXECUTION OF ADDITIONAL MORTGAGES AND MODIFICATIONS OF MORTGAGES.

The Agency agrees, upon written request of an Authorized Representative of 156 Solar and subject to the provisions of the Act, to use its commercially reasonable efforts to execute and deliver one or more Mortgages and such additional instruments and documents may be requested by 156 Solar and approved by counsel to the Agency and as may be required in connection with 156 Solar's financing or refinancing for the costs of reconstruction, renovation and equipping of the Project Facility, provided that:

(a) No Event of Default under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement, the Project Agreement or the Mortgage shall have occurred and be continuing; and

(b) The execution and delivery of such documents by the Agency (i) is permitted by law in effect at the time; and (ii) will serve the public purposes of the Act; and

(c) 156 Solar will be responsible for and shall pay, from the proceeds thereof or otherwise, the Agency's fee and the costs and expenses of the Agency incidental to such additional financing, refinancing or modification thereof, including without limitation the reasonable attorneys' fees of the Agency; and

(d) The documents to be signed by the Agency shall contain the provisions set forth in Sections 8.2 and 11.11 hereof, and shall not impose any duties or obligations upon the Agency except as may be acceptable to the Agency.

(e) Any and all Mortgages, shall, by its terms, be subordinate to the Agency's right to receive payments under the PILOT Agreement.

ARTICLE V
AGREEMENT TO LEASE PROJECT FACILITY; RENTAL PAYMENTS

5.1 AGREEMENT TO LEASE PROJECT FACILITY.

In consideration of the Company's covenant herein to make rental payments, and the other covenants of the Company contained herein, including the covenant to make additional rent and other payments required hereby, the Agency hereby agrees to lease to the Company, and the Company hereby agrees to lease from the Agency, the Project Facility for and during the term provided herein and upon and subject to the terms and conditions herein set forth and subject to Permitted Encumbrances.

The Agency's acceptance of the leasehold interest in and to the Land and Facility pursuant to the Company Lease, and its acquisition of an interest in the Equipment pursuant to the Bill of Sale, and the holding of said interests were effected and performed solely at the request of the Company pursuant to the requirements of the Act. The Agency hereby transfers and conveys all of its beneficial and equitable interests, if any, in the Project Facility to the Company, except for its Unassigned Rights. As a result, the parties hereby acknowledge and agree that subject to the terms and conditions of this Dupli Building 2 Agency Lease, 156 Solar has all of the equitable and beneficial ownership and other interest in the Project Facility (except for the Unassigned Rights), and will have all the equitable and beneficial ownership and other interest in the Project Facility (except for the Unassigned Rights), such that 156 Solar, and not the Agency, shall have an:

(i) unconditional obligation to bear the economic risk of depreciation and diminution in value of the Project Facility due to obsolescence or exhaustion, and shall bear the risk of loss if the Project Facility is destroyed or damaged;

(ii) unconditional obligation to keep the Project Facility in good condition and repair;

(iii) unconditional and exclusive right to the possession of the Project Facility, and shall have sole control of and responsibility for the Project Facility;

(iv) unconditional obligation to maintain insurance coverage on, and such reserves with respect to, the Project Facility as may be required by 156 Solar, the Agency and the Mortgagee with respect to the Project;

(v) unconditional obligation to pay all taxes levied on, or payments in lieu thereof, and assessments made with respect to, the Project Facility;

(vi) subject to the Unassigned Rights, unconditional and exclusive right to receive rental and any other income and other benefits of the Project Facility and from the operation of the Project;

(vii) unconditional obligation to pay for all of the capital investment in the Project Facility;

(viii) unconditional obligation to bear all expenses and burdens of the Project Facility and to pay for all maintenance and operating costs in connection with the Project Facility; and

(ix) unconditional and exclusive right to include all income earned from the operation of the Project Facility and claim all deductions and credits generated with respect to the Project Facility on its annual federal, state and local tax returns.

5.2 TERM OF LEASE; EARLY TERMINATION; SURVIVAL.

(a) The term of this Dupli Building 2 Agency Lease shall commence on the date hereof and continue in full force and effect until **June 30, 2033** (the "**Term**"), unless earlier terminated as provided herein. Notwithstanding anything herein to the contrary, the obligations of the Company to report hereunder and the Agency's rights to recapture shall continue during the Term of this Dupli Building 2 Agency Lease, but in the event of an early termination as provided for herein, the Company's obligation to report and the Agency's right to recapture shall not be less than the Reporting Period (as defined herein). As a condition to the termination of this Dupli Building 2 Agency Lease, the Company shall be obligated to execute and deliver the certification attached hereto at **Schedule "1"** regarding the Company's ongoing obligations.

(b) The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing, delivering and recording terminations of the Agency Lease, the Company Lease, preparing a bill of sale together with any other documents therewith and to take such other and further actions reasonably necessary to confirm the termination date of the Agency's interest in the Project.

(c) 156 Solar shall have the option, at any time during the Term of this Dupli Building 2 Agency Lease, to terminate this Dupli Building 2 Agency Lease. In the event that 156 Solar shall exercise its option to terminate this Dupli Building 2 Agency Lease pursuant to this Section 5.2(c), 156 Solar shall file with the Agency a certificate stating 156 Solar's intention to do so pursuant to this Section 5.2(c) and to comply with the requirements set forth in Section 5.2(d) hereof.

(d) As a condition to the effectiveness of 156 Solar's exercise of its right to early termination, the following payments shall be made:

(1) **To the Agency:** an amount certified by the Agency as sufficient to pay all unpaid fees and expenses of the Agency incurred under this Dupli Building 2 Agency Lease, the Company Lease and the PILOT Agreement (including, but not limited to those in connection with the early termination of this Dupli Building 2 Agency Lease); and

(2) **To the Appropriate Person:** an amount sufficient to pay all other fees, expenses or charges, if any, then due and payable under this Dupli Building 2 Agency Lease and the other Agency Documents.

(e) The certificate required to be filed pursuant to Section 5.2(c), setting forth the provision thereof permitting early termination of this Dupli Building 2 Agency Lease shall also specify the date upon which the payments pursuant to subdivision (d) of this Section 5.2 shall be

made, which date shall not be less than thirty (30) nor more than sixty (60) days from the date such certificate is filed with the Agency.

(f) Contemporaneously with the termination of this Dupli Building 2 Agency Lease in accordance with Sections 5.1 or 5.2 hereof, the Agency shall transfer, and 156 Solar shall accept, all of the Agency's right, title and interest in the Project Facility, including the Equipment, for a purchase price of One Dollar (\$1.00) plus the payment of all other sums due hereunder and all legal fees and costs associated therewith. Contemporaneously with the termination of this Dupli Building 2 Agency Lease, the Company Lease and the PILOT Agreement shall terminate; however, the Project Agreement shall survive in accordance with its terms.

(g) The Agency shall, upon payment by the Company of the amounts pursuant hereto and to Sections 5.2(d) above and Section 5.3, deliver to 156 Solar all documents furnished to the Agency by the Company, or prepared by the Agency at the sole expense of the Company, and reasonably necessary to evidence termination of the Company Lease and the Agency Lease, including, but not limited to, lease terminations and a bill of sale from the Agency with respect to its interest in the Equipment, without representation or warranty, subject to the following: (1) any Liens to which such Project Facility was subject when conveyed to the Agency, (2) any Liens created at the request of the Company or to the creation of which the Company consented or in the creation of which the Company acquiesced, (3) any Permitted Encumbrances, and (4) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Dupli Building 2 Agency Lease.

(h) The obligation of the Agency under this Section 5.2 to convey the Project Facility to 156 Solar will be subject to: (i) there being no uncured Event of Default existing hereunder or under any payment in lieu of tax agreement now or hereafter entered into with respect to all or any portion of the Project Facility or under any other Company Documents, or any other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default; and (ii) the Company's payment of all expenses, fees and taxes, if any, applicable to or arising from such transfer.

5.3 RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE.

(a) The Company shall pay basic rental payments for the Project Facility consisting of: (i) to the Agency an amount sufficient to pay the sums due under the PILOT Agreement at the times and in the manner provides for therein, and an amount sufficient to pay any and all other amounts due hereunder; and (ii) to the Mortgagee, an amount equal to the debt service and amounts becoming due and payable under the Mortgage and the indebtedness secured thereby on the due date thereof.

(b) The Company shall pay to the Agency, as additional rent, within ten (10) days after the receipt of a demand therefor from the Agency, any annual administrative fees of the Agency, the sum of the reasonable fees, costs and expenses of the Agency and the officers, members, agents, and employees thereof incurred by the reason of the Agency's lease or sublease of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Dupli Building 2 Agency Lease, the Company Lease or any of the other Agency Documents and any other fee or expense of the Agency with respect to the Project Facility, or any

of the other Agency Documents, the payment of which is not otherwise provided for under this Dupli Building 2 Agency Lease, including, without limitation, reasonable fees and disbursements of Agency counsel, including fees and expenses incurred in connection with the Agency's enforcement of any rights hereunder or incurred after the occurrence and during the continuance of an Event of Default, in connection with any waiver, consent, modification or amendment to this Dupli Building 2 Agency Lease or any other Agency Document that may be requested by the Company, or, in connection with any action by the Agency at the request of or on behalf of the Company hereunder or under any other Agency Document. Any additional rent not received within ten (10) business days after demand shall accrue interest after the expiration of such ten days at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is less.

(c) The administrative fee payable by the Company to the Agency in conjunction with this Project and the Agency's granting of Financial Assistance and all outstanding counsel fees and costs shall be paid at closing.

(d) The Company agrees to make the above-mentioned payments, without any further notice, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event that the Company shall fail to make or cause to be made any of the payments required under this Dupli Building 2 Agency Lease, the item or installment not so paid shall continue as an obligation of the Company until such item or installment is paid in full.

5.4 NATURE OF OBLIGATIONS OF COMPANY HEREUNDER.

(a) The obligations of the Company to make the payments required by this Dupli Building 2 Agency Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein, including but not limited to the Rental Restrictions, are joint and several general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue, or abate any payment required by, or fail to observe any of its other covenants or agreements contained in this Dupli Building 2 Agency Lease for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the reconstruction, renovation and equipping of the Project Facility, any defect in the title, design, operation, merchantability, fitness, or condition of the Project Facility, or any part thereof, or in the suitability of the Project Facility, or any part thereof, for the Company's purposes or needs, or failure of consideration for, destruction of or damage to, or Condemnation of title to, or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State of New York, or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection with this Dupli Building 2 Agency Lease or the Company Lease.

(b) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Dupli Building 2 Agency Lease or the Company Lease, and in the event the Agency should fail to perform any

such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance (subject to the provisions of Section 11.11).

**ARTICLE VI
MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE**

6.1 MAINTENANCE AND MODIFICATIONS OF PROJECT FACILITY.

The Company shall:

- (a) Keep the Project Facility in good condition and repair and preserve the same against waste, loss and damage, ordinary wear and tear excepted;
- (b) Make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural, or non-structural, foreseen or unforeseen) which is damaged, destroyed, or condemned; and
- (c) Operate the Project Facility in a sound and economic manner in general accordance with the Project description as set forth herein and in the Application and the Plans and Specifications the Company previously provided to the Agency in the Application or otherwise.

6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

- (a) The Company shall pay as the same respectively become due:
 - (1) Any and all taxes and governmental charges of any kind, whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility;
 - (2) All utility and other charges, including “service charges,” incurred or imposed for the operation, maintenance, use, occupancy, upkeep, and improvement of the Project Facility, the non-payment of which would create, or entitle the obligee to impose, a Lien on the Project Facility;
 - (3) All assessments and charges of any kind whatsoever lawfully made by any Governmental Authority for public improvements; and
 - (4) Any and all payments of taxes, if applicable, or all payments in lieu of taxes, if any, required to be made to the Agency under the terms of the PILOT Agreement or any other agreement with respect thereto.
- (b) Subject to the terms of the PILOT Agreement, 156 Solar may in good faith actively contest any such taxes, assessments, and other charges, provided that (1) 156 Solar shall have first notified the Agency of such contest; (2) no Event of Default under this Dupli Building 2 Agency Lease or any of the other Company Documents shall have occurred and be continuing; and (3) 156 Solar shall have set aside adequate reserves for any such taxes, assessments and other charges. If 156 Solar demonstrates to the reasonable satisfaction of the Agency and certifies to

the Agency by delivery of a written certificate, that the non-payment of any such items will not endanger any part of the Project Facility or subject the Project Facility, or any part thereof, to loss or forfeiture, 156 Solar may permit the taxes, assessments, and other charges so contested to remain unpaid during the period of such contest and any appeal therefrom. Otherwise, such taxes, assessments, or charges shall be paid promptly by 156 Solar or secured by 156 Solar's posting a bond in form and substance satisfactory to the Agency.

6.3 INSURANCE REQUIRED.

During the Term of this Dupli Building 2 Agency Lease, 156 Solar shall maintain or cause to be maintained insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type and as required of the Agency, paying (as the same becomes due and payable) all premiums with respect thereto, including:

(a) Insurance against loss or damage by fire, lightning, and other casualties customarily insured against (with a uniform standard extended coverage endorsement), such insurance to be in an amount not less than the full replacement value of the completed Project Facility, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the Company.

(b) Workers' compensation insurance, disability benefits' insurance, and each other form of insurance which the Company is required by law to provide covering loss resulting from injury, sickness, disability, or death of employees of the Company who are located at or assigned to the Project Facility;

(c) A policy of commercial general liability insurance with a limit of liability of not less than \$1,000,000 per occurrence on an "occurrence" basis and \$2,000,000 in the aggregate for bodily injury, including death, and property damage, including but not limited to, contractual liability under this Dupli Building 2 Agency Lease and personal injury, with blanket excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and Equipment and the Company's and the Agency's use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

6.4 ADDITIONAL PROVISIONS RESPECTING INSURANCE.

All insurance required by Section 6.3 shall be with insurance companies of recognized financial standing selected by 156 Solar and licensed to write such insurance in the State of New York. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other Persons engaged in businesses similar in size, character, and other respects to those in which 156 Solar are engaged. All policies evidencing such insurance except the Workers' Compensation policy shall name 156 Solar as insured and the Agency as an additional insured, as its interests may appear, and shall provide that such coverage with respect to the Agency be primary and non-contributory with any insurance secured by the Agency and

require at least thirty (30) days' prior written notice to the Agency of cancellation, reduction in policy limits, or material change in coverage thereof.

Prior to the Closing Date, 156 Solar shall deliver to the Agency, satisfactory to the Agency in form and substance: (i) certificates evidencing all insurance required hereby; (ii) the additional insured endorsement(s) applicable to the Agency; (iii) the final insurance binder addressed to 156 Solar covering the Project Facility; and (iv) evidence that the insurance so required is on a primary and non-contributory basis. In addition, 156 Solar shall provide, if so requested by the Agency, a final and complete copy of each insurance policy within thirty (30) days of the Closing Date.

156 Solar shall deliver or cause to be delivered to the Agency on or before the first business day of each January thereafter each of the items set forth in the immediately preceding paragraph, dated not earlier than the immediately preceding month, reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4. 156 Solar shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Dupli Building 2 Agency Lease each year throughout the Term of this Dupli Building 2 Agency Lease.

All premiums with respect to the insurance required by Section 6.3 shall be paid by 156 Solar, provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and 156 Solar shall pay immediately upon demand all sums so expended by the Agency, together with interest at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is less.

6.5 APPLICATION OF NET PROCEEDS OF INSURANCE.

The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 shall be applied as follows:

(a) The Net Proceeds of the insurance required by subsection 6.3(a) shall be paid and applied as provided in Section 7.1 hereof; and

(b) The Net Proceeds of the insurance required by subsections 6.3(b) and 6.3(c) shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

6.6 PAYMENTS IN LIEU OF REAL ESTATE TAXES.

The Company and the Agency have entered into a PILOT Agreement with respect to payments in lieu of real estate taxes for the Project Facility. 156 Solar and Dupli each agree that the obligations hereunder and under the PILOT Agreement with respect to the payment of taxes, or payments in lieu thereof, are joint and several.

**ARTICLE VII
DAMAGE, DESTRUCTION, AND CONDEMNATION**

7.1 DAMAGE OR DESTRUCTION.

(a) If the Mortgage shall be in effect or the Mortgagee shall have any interest in the Project Facility arising under or related to the Mortgage, whether by foreclosure or otherwise and the Project Facility shall be damaged or destroyed, in whole or in part, then insurance proceeds shall be paid in accordance with the relevant provisions of the Mortgage regarding the distribution of such insurance proceeds, provided that there shall be no abatement or reduction in amounts payable to the Agency hereunder. If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and the Project Facility shall be damaged or destroyed, in whole or in part:

(1) There shall be no abatement or reduction in the amounts payable by the Company under this Dupli Building 2 Agency Lease or otherwise (whether or not the Project Facility is replaced, repaired, rebuilt, or restored); and

(2) The Company shall promptly give notice thereof to the Agency; and

(3) Except as otherwise provided in subsections 7.1(b) and 7.1(c) hereof, upon receipt of the insurance proceeds, 156 Solar shall promptly replace, repair, rebuild, or restore the Project Facility to substantially the same condition as existed prior to such damage or destruction, with such changes, alterations, and modifications as may be desired by 156 Solar and consented to in writing by the Agency, provided that such changes, alterations, or modifications do not change the nature of the Project Facility, such that it does not constitute a “project” (as such quoted term is defined in the Act); and in the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, or restoration, 156 Solar shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility, then notwithstanding anything to the contrary contained in subsection 7.1(a), 156 Solar shall not be obligated to replace, repair, rebuild, or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection 7.1(a) if 156 Solar shall notify the Agency that, in 156 Solar’s sole judgment, 156 Solar does not deem it practical or desirable to replace, repair, rebuild, or restore the Project Facility. In such event, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) any other sums due and payable to the Agency pursuant to this Dupli Building 2 Agency Lease and the other Agency and Company Documents, shall be applied to the repayment of all amounts due to the Agency under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay any and all amounts payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of all such insurance settlements so that any and all amounts then due and payable under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement and the other Agency Documents to

the Agency shall be paid in full. If all amounts due under this Dupli Building 2 Agency Lease, the Company Lease, the Mortgage, the PILOT Agreement and the other Agency Documents are paid in full, all such Net Proceeds, or the balance thereof, shall be paid to the Company for its purposes.

(c) 156 Solar and the Mortgagee may adjust all claims under any policies of insurance required by subsections 6.3(a) and 6.3(c) hereof with the prior written consent of the Agency, which consent shall not be unreasonably withheld.

7.2 CONDEMNATION.

(a) If the Mortgage shall be in effect or the Mortgagee shall have any interest in the Project Facility arising under or related to the Mortgage, whether by foreclosure or otherwise and title to, or the use of, all, substantially all or less than substantially all of the Project Facility shall be taken by Condemnation, then Condemnation proceeds shall be paid in accordance with the relevant provisions of the Mortgage regarding the distribution of such Condemnation proceeds, provided that there shall be no abatement or reduction in amounts payable to the Agency hereunder. If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and if title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation:

(1) There shall be no abatement or reduction in the amounts payable by 156 Solar under this Dupli Building 2 Agency Lease or otherwise (whether or not the Project Facility is restored); and

(2) The Company shall promptly give notice thereof to the Agency; and

(3) Except as otherwise provided in subsections 7.2(b) and 7.2(c) hereof, upon receipt of the Condemnation proceeds, 156 Solar shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) to substantially the condition and value as an operating entity as existed prior to such Condemnation; and 156 Solar shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and if title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation, then notwithstanding anything to the contrary contained in subsection 7.2(a), 156 Solar shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection 7.2(a) if the Company shall notify the Agency that, in 156 Solar's sole judgment, 156 Solar does not deem it practical or desirable to restore the Project Facility. In such event, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to pay the Agency pursuant to this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement and the other Agency Documents, shall be applied to payment of all amounts then due and payable to the Agency under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents. If the Net Proceeds of any Condemnation award are less than the amount necessary to pay any and all amounts then due and payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of such Condemnation award so that any

and all amounts then due and payable under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents to the Agency shall be paid in full. If all amounts due under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement, the Mortgage and the other Agency Documents have been paid in full, all such Net Proceeds or the balance thereof shall be paid to 156 Solar for its purposes.

(c) 156 Solar and the Mortgagee with the prior written consent of the Agency (which consent shall not be unreasonably withheld), shall have sole control of any Condemnation proceeding with respect to the Project Facility, or any part thereof, and may negotiate the settlement of any such proceeding.

7.3 ADDITIONS TO PROJECT FACILITY.

All replacements, repairs, rebuilding, or restoration made pursuant to Sections 7.1 or 7.2 hereof, whether or not requiring the expenditure of the Company's own moneys, shall automatically become part of the Project Facility as if the same were specifically described herein.

ARTICLE VIII SPECIAL COVENANTS

8.1 NO WARRANTY OF CONDITION OR SUITABILITY BY THE AGENCY; ACCEPTANCE "AS IS."

THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY, OR FITNESS OF THE PROJECT FACILITY, OR ANY PART THEREOF, OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE, WHETHER PATENT OR LATENT, THE AGENCY SHALL NOT HAVE ANY RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO.

8.2 HOLD HARMLESS PROVISIONS.

(a) The Company hereby releases the Agency and its members, officers, agents and employees from, agrees that the Agency and its members, officers, agents and employees shall not be liable for, and agrees to indemnify, defend, and hold the Agency and its members, officers, agents and employees harmless from and against any and all claims arising as a result of the Agency's undertaking the Project, including, but not limited to:

(1) Liability for loss or damage to Project Facility or bodily injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project Facility, or arising by reason of or in connection with the occupation or the use thereof, or the presence on, in, or about the Project Facility;

(2) Liability arising from or expense incurred by the Agency's acquisition of a leasehold interest in the Project Facility and the subleasing of the Project Facility, including, without limiting the generality of the foregoing, all liabilities or claims arising as a result of the Agency's obligations under this Dupli Building 2 Agency Lease, the Company Lease, the Mortgage or any other documents executed by the Agency at the direction of the Company in conjunction with the Project Facility;

(3) All claims arising from the exercise by the Company, and or its Additional Agents (as defined herein) of the authority conferred upon it and performance of the obligations assumed under Section 4.1 hereof;

(4) Any and all claims arising from the non-disclosure of information, if any, requested by the Company in accordance with Section 11.14 hereof;

(5) All causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities, or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents or employees.

To the fullest extent permitted by law, the foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportional liability.

(b) In the event of any claim against the Agency or its members, officers, agents, or employees by any employee of the Company, or any materialman or Additional Agent of the Company, or anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefit laws, or other employee benefit laws.

(c) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3, its liabilities assumed pursuant to this Section 8.2.

(d) Notwithstanding any other provisions of this Dupli Building 2 Agency Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Dupli Building 2 Agency Lease and the Company Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents or employees relating thereto.

(e) For purposes of this Section 8.2 and Section 11.11 hereof, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

8.3 RIGHT OF ACCESS TO PROJECT FACILITY.

During the Term of this Dupli Building 2 Agency Lease, the Company agrees that the Agency and its duly authorized agents shall have the right to enter upon and to examine and inspect the Project Facility upon reasonable notice to the Company and with the least disturbance of Project Facility tenants as reasonably possible.

8.4 MAINTENANCE OF EXISTENCE.

During the Term of this Dupli Building 2 Agency Lease, the Company will maintain its existence and will not dissolve or otherwise dispose of all or substantially all of its assets.

8.5 AGREEMENT TO PROVIDE INFORMATION.

The Company shall have an obligation to report and provide information, as set forth herein during the Term hereof, but, in the event this Dupli Building 2 Agency Lease is terminated early in accordance with Section 5.2 hereof, the Company shall nonetheless report and provide information for a period of five (5) years from the termination date, unless the early termination occurs less than five years from the original Term hereof, in which case the Company shall continue to provide the required information and reporting for the remaining Term hereof (the "**Reporting Period**"); and no less frequently than annually, the Company agrees, whenever reasonably requested by the Agency or the Agency's auditor, to provide and certify, or cause to be certified, such information concerning the Project and/or the Company, its finances, Rent Restrictions and for itself and each of its Additional Agents, information regarding job creation^[1], Local Labor Requirements, exemptions from State and local sales and use tax, real property and mortgage recording taxes and other topics as the Agency from time to time reasonably considers necessary or appropriate including, but not limited to, the rent certification tenant form and annual reporting questionnaire, in substantially the form as set forth in **Exhibit "F"** attached hereto, those reports set forth in Section 8.12 hereof, and such other information necessary as to enable the Agency to monitor and/or make any reports required by law or governmental regulation, including but not limited to §875 of the Act (all of the foregoing collectively, the "**Reporting Requirements**").

Notwithstanding anything herein to the contrary, the Agency's ability to recapture benefits in accordance with its policy and the terms hereof, shall be for a period of time no less than the Reporting Period.

^[1] To the extent the Project includes commercial space and/or tenants for which the Company calculated job creation as part of its projections in its Application, the Company is obligated, through its lease or other rental agreement with those commercial tenants, to require that such tenants report to the Company, in accordance with the terms of Section 8.5 hereof, the number of full and part time jobs created and maintained by each such tenant for inclusion in the Company's reporting to or at the request of the Agency.

8.6 BOOKS OF RECORD AND ACCOUNT; FINANCIAL STATEMENTS.

During the Term of this Dupli Building 2 Agency Lease, the Company agrees to maintain proper accounts, records, and books, in which full and correct entries shall be made in accordance with generally accepted accounting principles, of all business and affairs of the Company.

8.7 COMPLIANCE WITH ORDERS, ORDINANCES, ETC.

(a) The Company agrees that it will, during any period in which the amounts due under this Dupli Building 2 Agency Lease remain unpaid, promptly comply with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions, and requirements of all Governmental Authorities, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter affect the Company's obligations hereunder or be applicable to the Project Facility, or any part thereof, or to any use, manner of use, or condition of the Project Facility, or any part thereof, the applicability of the same to be determined both as if the Agency were the owner of the Project Facility and as if the Company were the owner of the Project Facility.

(b) Notwithstanding the provisions of subsection 8.7(a), the Company may, in good faith, actively contest the validity or the applicability of any requirement of the nature referred to in said subsection 8.7(a), provided that the Company shall have first notified the Agency of such contest, no Event of Default shall be continuing under this Dupli Building 2 Agency Lease, or any of the other Company Documents; and such contest and failure to comply with such requirement shall not subject the Project Facility to loss or forfeiture. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency or its members, officers, agents, or employees may be liable for prosecution for failure to comply therewith, in which event the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

8.8 DISCHARGE OF LIENS AND ENCUMBRANCES.

During the Term of this Dupli Building 2 Agency Lease, the Company hereby covenants that, except for Permitted Encumbrances, the Company agrees not to create, or suffer to be created, any Lien on the Project Facility, or any part thereof without the prior written consent of the Agency. The Company shall promptly notify the Agency of any Permitted Encumbrances created, or suffered to be created, on the Project Facility.

8.9 PERFORMANCE BY AGENCY OF COMPANY'S OBLIGATIONS.

Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but need not, upon ten (10) days' prior written notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company, or the Agency and paying all expenses, including, without limitation, reasonable attorneys' fees; and the Company shall pay immediately upon demand all sums so

expended by the Agency under the authority hereof, together with the interest thereon at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is greater.

8.10 DEPRECIATION DEDUCTIONS AND TAX CREDITS.

The parties agree that as between them, 156 Solar shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other State and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

8.11 EMPLOYMENT OPPORTUNITIES.

The Company shall insure that all employees and applicants for employment with regard to the Project are afforded equal employment opportunities without discrimination.

8.12 SALES AND USE TAX EXEMPTION.

(a) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain State and local sales use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. The Agency makes no representations or warranties that any property is exempt from the payment of State or local sales or use taxes. Any exemption from the payment of State or local sales or use taxes resulting from the involvement of the Agency with the Project shall be subject to Section 875 of the Act and shall be limited to purchases of services and tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency as a part of the Project prior to the Completion Date, or incorporated within the Project Facility prior to the Completion Date. No operating expenses of the Project Facility, and no other purchases of services or property shall be subject to an exemption from the payment of State sales or use tax. It is the intention of the parties hereto that 156 Solar will receive a State and local sales and use tax exemption with respect to the Project, said sales tax exemption to be evidenced by a letter to be issued by the Agency on the date of the execution of this Dupli Building 2 Agency Lease. 156 Solar acknowledges that as an agent of the Agency, it must complete and provide to each vendor Form ST-123 for purchases. The failure to furnish a completed Form ST-123 (IDA Agent or Project Operator Exempt Purchase Certificate) with each purchase will result in loss of the exemption for that purchase.

(b) 156 Solar may use and appoint a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively, "***Additional Agents***") in furtherance of the completion of the Project. However, for each Additional Agent, 156 Solar must first: (i) cause the each such appointed Additional Agent to execute and deliver a sub-agent agreement, in the form attached hereto at **Exhibit "G"**, and provide a fully executed copy to the Agency; and (ii) submit a completed Form ST-60 to the Agency for execution and filing with the New York State Department of Taxation and Finance.

(c) 156 Solar acknowledges and agrees that an Additional Agent must be appointed as an agent of the Agency in order to avail itself of the Agency's sales and use tax exemption for purchases or rentals of equipment, tools and supplies with respect to the Project Facility.

(d) Pursuant to Section 874(8) of the Act, the Company agrees to annually file and cause each Additional Agent or other operator of the Project Facility to file annually, with the New York State Department of Taxation and Finance, and provide the Agency with a copy of same, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "**Annual Sales Tax Report**"), a statement of the value of all sales and use tax exemptions claimed by 156 Solar and all other Additional Agents under the authority granted to 156 Solar pursuant to Section 4.1(b) of this Dupli Building 2 Agency Lease. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Sales Tax Report shall be removal of authority to act as agent of the Agency. Therefore, if the Company shall fail to comply with the requirements of this subsection (d), irrespective of any notice and cure period afforded, 156 Solar and each Additional Agent shall immediately cease to be the agent of the Agency in connection with the Project. 156 Solar is responsible for obtaining from the New York State Department of Taxation and Finance the current version of such Annual Sales Tax Report.

(e) The Company agrees to furnish to the Agency a copy of each such Annual Sales Tax Report submitted to the New York State Department of Taxation and Finance by the Company pursuant to Section 874(8) of the Act for itself and any Additional Agent.

(f) Pursuant to Section 874(9) of the Act, the Agency agrees to file within thirty (30) days of the Closing Date with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "**Thirty-Day Sales Tax Report**"), a statement identifying 156 Solar, or 30 days from the appointment of any Additional Agent appointed in accordance with the terms herein, as agent of the Agency, setting forth the taxpayer identification number of 156 Solar, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating the estimated value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(g) Pursuant to Section 875(3) of the Act, and in conjunction with Agency policy, the Agency shall and in some circumstances may, recover, recapture, receive or otherwise obtain from the Company the portion of the Financial Assistance consisting of State and local sales and use tax exemption (the "**Sales Tax Recapture Amount**") in accordance with the Agency's Recapture Policy, a copy of which is attached hereto at **Exhibit "H"**, this Dupli 1 Agency Lease and the Project Agreement.

8.13. IDENTIFICATION OF THE EQUIPMENT.

All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

ARTICLE IX ASSIGNMENTS; TRANSFERS; MERGER OF AGENCY

9.1 ASSIGNMENT OF AGENCY LEASE.

This Dupli Building 2 Agency Lease may not be assigned by the Company, in whole or in part, nor all or any part of the Project Facility subleased, nor any part of the Project Facility sold, leased, transferred, conveyed or otherwise disposed of without the prior written consent of the Agency, which consent shall be in the Agency's sole and absolute discretion; provided however, that 156 Solar may enter into leases for individual rental units that are part of the Project Facility without the consent of the Agency. Any assignment or sublease of this Dupli Building 2 Agency Lease shall not effect a release of the Company from its obligations hereunder or under the PILOT Agreement.

9.2 TRANSFERS OF INTERESTS.

Company shall not assign or otherwise transfer or allow an assignment or transfer, of a controlling interest in the Company, whether by operation of law or otherwise (including, without limitation, by way of a merger, consolidation or a change of control whereby the current existing equity holders of the Company, as of the date of the application to the Agency, would own, in the aggregate, less than a majority of the total combined voting power of all classes of equity interest of the Company or any surviving entity), without the prior written consent of Agency, which consent shall be in the Agency's sole and absolute discretion.

9.3 MERGER OF AGENCY.

(a) Nothing contained in this Dupli Building 2 Agency Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to any other body corporate and politic and public instrumentality of the State of New York, or political subdivision thereof, which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger, or assignment, the due and punctual performance and observance of all the agreements and conditions of this Dupli Building 2 Agency Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public instrumentality or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests hereunder shall be assigned.

(b) Promptly following the effective date of any such consolidation, merger, or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency

shall promptly furnish to the Company such additional information with respect to any such consolidation, merger, or assignment as the Company reasonably may request.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

10.1 EVENTS OF DEFAULT DEFINED.

The following shall be “Events of Default” under this Dupli Building 2 Agency Lease, and the terms “Event of Default” or “Default” shall mean, whenever they are used in this Dupli Building 2 Agency Lease, any one or more of the following events:

(a) A default by either Company in the due and punctual payment of the amounts specified to be paid pursuant to subsection 5.3 or 8.12(g); or

(b) Failure by 156 Solar to maintain the insurance required by Section 6.3; or

(c) A default in the performance or the observance of any other of the covenants, conditions, or agreements on the part of 156 Solar and/or Dupli, as applicable, in this Dupli Building 2 Agency Lease and the continuance thereof for a period of thirty (30) days after written notice is given by the Agency or, if such covenant, condition, or agreement is capable of cure but cannot reasonably be cured within such thirty-day period, the failure of either Company to commence to cure within such thirty-day period and to prosecute the same with due diligence and cure the same within an additional thirty (30) days; or

(d) A transfer in contravention of Article 9 hereof;

(e) The occurrence of an “Event of Default” under the Mortgage, the PILOT Agreement, the Company Lease, the Project Agreement or any of the other Company Documents which is not timely cured as provided therein; or

(f) Either Company shall generally not pay its debts as such debts become due or is unable to pay its debts as they become due.

(g) Either Company shall conceal, remove, or permit to be concealed or removed any part of its Property with intent to hinder, delay, or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance, or similar law, or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid, or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within thirty (30) days from the date thereof; or

(h) By order of a court of competent jurisdiction, a trustee, receiver, or liquidator of the Project Facility, or any part thereof, or of the Company shall be appointed and such order shall not be discharged or dismissed within sixty (60) days after such appointment; or

(i) The filing by the Company of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy statute; the failure by the Company within sixty (60) days to lift any execution, garnishment, or attachment of such consequence as will impair the Company's ability to carry out its obligations hereunder; the commencement of a case under Title 11 of the United States Code against the Company as the debtor, or commencement under any other federal or state bankruptcy statute of a case, action, or proceeding against the Company, and continuation of such case, action, or proceeding without dismissal for a period of sixty (60) days; the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or in connection with any insolvency or bankruptcy case, action, or proceeding, appointment by final order, judgment, or decree of a court of competent jurisdiction of a receiver or trustee of the whole or a substantial portion of the Property of the Company unless such order, judgment, or decree is vacated, dismissed, or dissolved within sixty (60) days of its issuance; or

(j) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance; or

(k) Failure by the Company to maintain and comply with the Rental Restrictions and to provide the required reporting and certifications to the Agency.

For the avoidance of doubt, a default by either Dupli or 156 Solar constitutes an Event of Default hereunder giving rise to the Agency's remedies and all liability is joint and several.

10.2 REMEDIES ON DEFAULT.

(a) Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- 1) Terminate this Dupli Building 2 Agency Lease;
- 2) Terminate the Company Lease;
- 3) Terminate the PILOT Agreement;
- 4) Terminate the Company's appointment as agent of the Agency; or
- 5) Take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due, or thereafter to become due, hereunder or under the Company Lease, the Project Agreement, or the PILOT Agreement, and/or to enforce the Company's obligations and duties under the Company Documents and the Agency's rights under the Agency Documents, including but not limited to, specific performance; or
- 6) Seek to recover all or some of the Recapture Amount in accordance with the Agency's Recapture Policy, this Dupli Building 2 Agency Lease and the Project Agreement.

(b) No action taken pursuant to this Section 10.2 shall relieve the Company from its obligations to make all payments required by Sections 5.3(b) and 8.2 hereof.

10.3 REMEDIES CUMULATIVE.

No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Dupli Building 2 Agency Lease, the Company Lease and the other Company Documents or the PILOT Agreement now or hereafter existing at law or in equity to collect any amounts then due, or thereafter to become due, hereunder and thereunder and to enforce the Agency's right to terminate this Dupli Building 2 Agency Lease, the PILOT Agreement and the Company Lease. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article 10, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Dupli Building 2 Agency Lease.

10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES.

In the event the Company should Default under any of the provisions of this Dupli Building 2 Agency Lease, or a dispute arises hereunder, and the Agency should employ attorneys or incur other expenses to preserve or enforce its rights hereunder or for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees and costs of such attorneys and such other expenses so incurred.

10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER.

In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI MISCELLANEOUS

11.1 NOTICES.

All notices, certificates, and other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the Person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

Syracuse, New York 13202
Attn: Timothy M. Lynn, Esq.

The Agency and the Company, may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, and other communications shall be sent.

11.2 BINDING EFFECT.

This Dupli Building 2 Agency Lease shall inure to the benefit of and shall be binding upon the Agency and the Company and, as permitted by this Dupli Building 2 Agency Lease, upon their respective heirs, successors and assigns.

11.3 SEVERABILITY.

If any one or more of the covenants or agreements provided herein on the part of the Agency or the Company to be performed shall for any reason be held, or shall in fact be, inoperative, unenforceable, or contrary to law in any particular circumstance; such circumstance shall not render the provision in question inoperative or unenforceable in any other circumstance. Further, if any one or more of the sentences, clauses, paragraphs, or sections herein is contrary to law, then such covenant(s) or agreement(s) shall be deemed severable of remaining covenants and agreements hereof and shall in no way affect the validity of the other provisions of this Dupli Building 2 Agency Lease.

11.4 AMENDMENTS, CHANGES AND MODIFICATIONS.

This Dupli Building 2 Agency Lease may not be amended, changed, modified, altered, or terminated except by an instrument in writing signed by the parties hereto.

11.5 COUNTERPARTS; ELECTRONIC SIGNATURE.

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

11.6 APPLICABLE LAW.

This Dupli Building 2 Agency Lease shall be governed exclusively by the applicable laws of the State of New York.

11.7 WAIVER OF TRIAL BY JURY.

THE COMPANY AND THE AGENCY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE ARISING UNDER THIS DUPLI BUILDING 2 AGENCY LEASE, AND THIS PROVISION SHALL SURVIVE THE TERMINATION OF THIS DUPLI BUILDING 2 AGENCY LEASE.

11.8 SUBORDINATION.

This Dupli Building 2 Agency Lease shall be subject and subordinate to the Company Lease and the Mortgage and all Permitted Encumbrances in all respects.

11.9 SURVIVAL OF OBLIGATIONS.

(a) The obligations of the Company to repay, defend and/or provide the indemnity or information required by Sections 8.2, 8.5 and 8.12 hereof shall survive the termination of this Dupli Building 2 Agency Lease and all such payments and obligations after such termination shall be made upon demand of the party to whom such payment and/or obligation is due.

(b) The obligations of the Company to repay, defend and/or provide the indemnity required by Sections 8.2 and 8.12 shall survive the termination of this Dupli Building 2 Agency Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency or its officers, members, agents (other than the Company) or employees relating thereto.

(c) The obligations of the Company required by Articles 4 and 5 and Sections 2.2, 8.4, 8.5 and 11.14 hereof shall similarly survive the termination of this Dupli Building 2 Agency Lease.

11.10 TABLE OF CONTENTS AND SECTION HEADINGS NOT CONTROLLING.

The Table of Contents and the Section headings in this Dupli Building 2 Agency Lease have been prepared for convenience of reference only and shall not control, affect the meaning of, or be taken as an interpretation of any provision of this Dupli Building 2 Agency Lease.

11.11 NO RECOURSE; SPECIAL OBLIGATION.

The obligations and agreements of the Agency contained herein and in the other Agency Documents and in any other instrument or document executed in connection herewith or therewith, and any instrument or document supplemental hereto or thereto, shall be deemed the obligations and agreements of the Agency and not of any member, officer, agent or employee of the Agency in his individual capacity; and the members, officers, agents and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. The obligations and agreements of the Agency contained herein or therein shall not constitute or give rise to an obligation of the State New York or of the City of Syracuse, and neither the State of New York nor the City of Syracuse shall be liable hereon or thereon. Further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived, and to be derived from, the lease, sale, or other disposition of the Project Facility, other than revenues derived from or constituting Unassigned Rights. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless:

(a) The party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and thirty (30) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or if compliance therewith would reasonably be expected to take longer than thirty (30) days, shall have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period; and

(b) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses; and

(c) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents or employees shall be subject to potential liability, the party seeking such order or decree shall (1) agree to indemnify and hold harmless the Agency and its members, officers, agents and employees against any liability incurred as a result of its compliance with such demand; and (2) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents and employees against all liability expected to be incurred as a result of compliance with such request.

(d) For purposes of this Section 11.11, neither the Company nor any Additional Agent shall be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

Any failure to provide notice, indemnity, or security to the Agency pursuant to this Section 11.11 shall not alter the full force and effect of any Event of Default under this Dupli Building 2 Agency Lease.

11.12 OBLIGATION TO SELL AND PURCHASE THE EQUIPMENT.

(a) Contemporaneously with the termination of this Dupli Building 2 Agency Lease in accordance with Section 5.2 hereof, the Agency shall sell and 156 Solar shall purchase all the Agency's right, title and interest in and to all of the Equipment for a purchase price equal to the sum of One Dollar (\$1.00), plus payment of all sums due and payable to the Agency or any other Person pursuant to this Dupli Building 2 Agency Lease and the other Company Documents. The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing and delivering the bill of sale together with any other documents therewith, including lease terminations in accordance with Section 5.2 hereof, and to take such other and further actions reasonably necessary to confirm the termination of the Agency's interest in the Equipment.

(b) The sale and conveyance of the Agency's right, title and interest in and to the Equipment shall be effected by the execution and delivery by the Agency to 156 Solar of a bill of sale. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from such transfer of title. 156 Solar agrees to prepare the bill of sale to 156 Solar and all schedules thereto, together with all necessary documentation, and to forward same to the Agency at least thirty (30) days prior to the date that title to the Equipment is to be conveyed to 156 Solar. Dupli by executing this agreement consents to the foregoing.

(b) The Company agrees to prepare bill(s) of sale to the appropriate Company and all schedules thereto, together with all necessary documentation, and to forward same to the Agency at least thirty (30) days prior to the date that title to the Equipment is to be conveyed to the Company. The Agency shall have no obligation to determine, as between them, the respective interests of the Companies in and to the Equipment so transferred. In the event the Company fails to prepare such bill(s) of sale, the Agency may prepare one or more bills of sale in the name of any one or more of the Companies without regard to each Company's respective interest in the Equipment.

11.13 ENTIRE AGREEMENT.

This Dupli Building 2 Agency Lease and the Company Lease contain the entire agreement between the parties and all prior negotiations and agreements are merged therein.

11.14 DISCLOSURE.

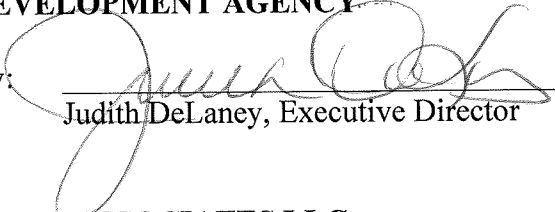

Section 875(7) of the New York General Municipal Law (“GML”) requires that the Agency post on its website all resolutions and agreements relating to the Company's appointment as an agent of the Agency or otherwise related to the Project; and Article 6 of the New York Public Officers Law declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Company feels that there are elements of the Project or information about the Company in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause

substantial injury to the Company's competitive position, the Company must identify such elements in writing, supply same to the Agency on or before the Closing Date, and request that such elements be kept confidential in accordance with Article 6 of the Public Officers Law. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the GML.

Original Agency Lease: means the Agency Lease Agreement dated as of July 1, 2017 by and between the Agency and the Dupli, as amended by that certain First Amendment to Agency Lease dated as of December 1, 2020, by and among the Agency and Dupli, as the same may be further amended or supplemented from time to time.

Original PILOT Agreement: means the Payment in Lieu of Taxes Agreement dated as of July 1, 2017 between the Agency and Dupli, as amended by the First Amendment to PILOT Agreement dated as of December 1, 2020 between Dupli and the Agency and as the same may be further amended or supplemented from time to time.

Original Project Agreement: means the Project Agreement dated as of July 1, 2017 between the Agency and Dupli, as amended by the First Amendment to Project Agreement dated as of December 1, 2020 between Dupli and the Agency, as the same may be further amended or supplemented from time to time.

Permitted Encumbrances: means (A) utility, access and other easements and rights of way, and restrictions, encroachments and exceptions, that benefit or do not materially impair the utility or the value of the Property affected thereby for the purposes for which it is intended, (B) artisans', mechanics', materialmen's, warehousemen's, carriers', landlords', bankers', workmen's compensation, unemployment compensation and social security, and other similar Liens to the extent permitted by the Agency Lease, including the lien of the Mortgage, (C) Liens for taxes (1) to the extent permitted by the Agency Lease or (2) at the time not delinquent, (D) any Lien on the Project Facility obtained through any Agency Document or Company Document or the Mortgage, (E) Liens of judgments or awards in respect of which an appeal or proceeding for review shall be pending (or is pending within ten days after entry) and a stay of execution shall have been obtained (or is obtained within ten days after entry), or in connection with any claim or proceeding, (F) Liens on any Property hereafter acquired by the Company or any subsidiary which liens are created contemporaneously with such acquisition to secure or provide for the payment or financing of any part of the purchase price thereof, (G) Liens consisting solely of restrictions under any applicable laws or any negative covenants in any applicable agreements (but only to the extent that such restrictions and covenants do not prohibit the execution, delivery and performance by the Company of the Agency Lease and the Mortgage, and (H) existing mortgages or encumbrances on the Project Facility as of the Closing Date or thereafter incurred with the consent of the Mortgagee and the Agency.

Person: means an individual, partnership, corporation, limited liability company, trust, or unincorporated organization, and any government or agency or political subdivision or branch thereof.

Plans and Specifications: means the representations, plans and specifications presented by the Company to the Agency in its Application and as described in the Project description in the third WHEREAS cause of this Dupli Building 2 Agency Lease, and any other presentation made by the Company to the Agency relating to the construction, reconstruction, renovation, equipping and completion of the Project Facility; and any additional plans and specifications approved by the Mortgagee.

Project or Building 2 Project: shall have the meaning ascribed thereto in the sixth WHEREAS clause of this Dupli Building 2 Agency Lease.

Project Agreement: means collectively, the Original Project Agreement and the Dupli Building 2 Project Agreement, as the same may be further amended or supplemented from time to time.

Project Facility: means the Land, the Facility and the Equipment.

Property: means any interest in any kind of property or asset, whether real, personal, or mixed, or tangible or intangible.

Recapture Amount: means collectively, the Sales Tax Recapture Amount and the Financial Assistance Recapture Amounts.

Rental Restrictions: means, in accordance with the Agency's Uniform Tax Exemption Policy, the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by US Department of Housing and Urban Development , inclusive of utilities.

Resolution or Resolutions: means the Agency's resolutions adopted on May 16, 2017, April 21, 2020 and October 20, 2020 authorizing the undertaking of the Project and the execution and delivery of certain documents by the Agency in connection therewith.

Sales and Use Tax or State Sales and Use Taxes: means, when used with respect to State sales and use taxes, sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

Sales Tax Recapture Amount: means the portion of the Financial Assistance consisting of State and local sales and use tax exemption the Agency shall and in some circumstances may, recover, recapture, receive or otherwise obtain from the Company pursuant to Section 875(3) of the Act, and in conjunction with Agency policy, in accordance with the Agency's Recapture Policy.

SEQRA: means the State Environmental Quality Review Act constituting Article 8 of the State Environmental Conservation Law and the regulations promulgated thereunder, as amended.

Solar Company Documents: means the Dupli Building 2 Company Lease, the Dupli Building 2 Agency Lease, the Dupli Building 2 Project Agreement, the Dupli Building 2 PILOT 156 Solar Bill of Sale, the Company Certification and any other documents executed by the 156 Solar in connection with the Project or the Financial Assistance granted in connection therewith.

State: means the State of New York.

Unassigned Rights: means:

(i) the right of the Agency in its own behalf to receive all opinions of counsel, reports, financial statements, certificates, insurance policies, binders or certificates, or other notices or communications, if any, required to be delivered to the Agency under the Agency Lease;

(ii) the right of the Agency to grant or withhold any consents or approvals required of the Agency under the Agency Lease;

(iii) the right of the Agency to enforce or otherwise exercise in its own behalf all agreements of the Company with respect to ensuring that the Project Facility shall always constitute a qualified "project" as defined in and as contemplated by the Act;

(iv) the right of the Agency to require and enforce any right of defense and any indemnity from any Person;

(v) the right of the Agency in its own behalf (or on behalf of the appropriate taxing authorities) to enforce, receive amounts payable under or otherwise exercise its rights under Sections 2.2(f), 2.2(h), 2.2(m), 2.2(q), 4.1, 4.5, 5.3, 5.4, 6.2, 6.3, 6.4, 8.2, 8.3, 8.5, 8.7, 8.9, 8.12, 10.2, 10.4, 11.9, 11.11 and 11.12 of the Agency Lease and Sections 2.6(g), 4.8 and 4.9 of the Company Lease; and

(vi) the right of the Agency in its own behalf to declare an Event of Default and enforce its remedies under Article X of the Agency Lease or with respect to any of the Agency's Unassigned Rights.

FORM OF ANNUAL REPORTING QUESTIONNAIRE

SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY
201 East Washington Street, 6th Floor, Syracuse, New York 13202

Date

COMPANY
COMPANY ADDRESS

Dear _____:

Our auditors, _____, CPAs are conducting an audit of our financial statements for the year ended December 31, _____. In connection with that audit, we request that you furnish certain information directly to our auditor with regard to the following security issued by/through the City of Syracuse Industrial Development Agency:

Sale - Leaseback Financing

Project: _____

Date of Financing:

Principal Amount Financed:

Maturity Date:

Original Interest Rate:

Please provide the following information as of December 31, [year]:

Name of Lender

Debt Retired in [year] Yes/No

Debt Refinanced in [year] Yes/No

(If Yes, please update information in Paragraph 1 above)

Debt in Default as of [date] Yes/No

Current Interest Rate(s)

Rate range, if Variable

Principal balance outstanding as of [date]

Principal payments made during [year]

Payments in Lieu of Taxes (PILOT)

paid in [year]

Total cost of goods/services purchased: \$ _____

New York State Sales Tax Exemptions Claimed [year]

New York Local Sales Tax Exemptions Claimed: [year]

New York State Mortgage Recording

Tax Exemption: [year]

Form of Syracuse Industrial Development Agency — Project Jobs Data [year]

From:

To: _____, CPAs

Re:

The following jobs information is furnished to you with regard to the above cited project:

A. Job Retention/Creation:

I. Construction Jobs:

Provide the name of your general contractor: _____.

Provide the address (including county) of your general contractor: _____.

Is the general contractor MWBE qualified? _____.

Is the general contractor Service-Disabled Veteran-Owned Business Enterprises (SDVOBE) qualified? _____.

For each contractor and/or sub-contractor, provide the following information for the reporting period:

Bid awarded to (Name/Address/County*)	Value of contract	MWBE (Yes/No)	SDVOBE (Yes/No)	Number of jobs (FTE)

***Must include county**

II. Permanent (non-construction) Jobs:

Number of FTEs retained at the Project prior to date of application: _____.

Number of FTEs created by the Project during the reporting calendar year (*exclusive of construction jobs*): _____.

Of the jobs created by the Project during the reporting year (*exclusive of construction jobs*) identify how many are in each of the following categories:

Professional/Managerial/Technical - includes jobs which involve skill or competence of extraordinary degree and may include supervisory responsibilities (examples: architect, engineer, accountant, scientist, medical doctor, financial manager, programmer). **Number of jobs created in reporting year** _____.

Skilled - includes jobs that require specific skill sets, education, training, and experience and are generally characterized by high education or expertise level (examples: electrician, computer operator, administrative assistant, carpenter, sales representative). **Number of jobs created in reporting year** _____.

Unskilled or Semi-Skilled - includes jobs that require little or no prior acquired skills and involve the performance of simple duties that require the exercise of little or no independent judgment (examples: general cleaner, truck driver, typist, gardener, parking lot attendant, line operator, messenger, information desk clerk, crop harvester, retail salesperson, security guard, telephone solicitor, file clerk). **Number of jobs created in reporting year** _____.

Identify:

the average annual salary range of the FTEs (*exclusive of construction jobs*) created during the reporting year: \$ _____.

the total number of jobs (*exclusive of construction jobs*) created by the Project from the date of application through the reporting date: _____.

the total number of jobs (retained and created, *but exclusive of construction jobs*) at the Project from the date of application through the reporting date: _____.

What is the annual average salary range of the FTEs (*exclusive of construction jobs*) created at the Project to date: \$ _____.

B. Geographical Hiring Data:

1. Construction jobs:

Of the construction jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

2. FTEs hired (*exclusive of construction jobs*)

Of the FTE jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

Provide the same information reflecting FTEs hired from the date of application through the reporting date at the Project.

FORM OF SUB-AGENT AGREEMENT

THIS SUB-AGENT APPOINTMENT AGREEMENT (the "*Agreement*"), dated as of _____, 20__, is by and between **156 SOLAR STREET, LLC** (the "*Company*"), with a mailing address of 113 Court Street, Binghamton, New York 13901 (and [NAME OF SUB-AGENT], a _____ of the State of New York, having an office for the transaction of business at _____ (the "*Sub-Agent*").

WITNESSETH:

WHEREAS, the City of Syracuse Industrial Development Agency (the "*Agency*") was created by Chapter 641 of the Laws of 1979 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "*Act*") as a body corporate and politic and as a public benefit corporation of the State of New York (the "*State*"); and

WHEREAS, by resolutions of its members adopted on May 16, 2017, April 21, 2020 and October 20, 2020 (the "*Resolution*"), the Agency agreed to undertake a project for the benefit of the Company (the "*Project*") consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("*Building 2*") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "*City*") (the "*Land*"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City² (the "*AMI*"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "*Facility*"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "*Equipment*" and together with the Land and the Facility, the "*Project Facility*"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "*Financial Assistance*"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement; and

² As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan*
http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

WHEREAS, under the Resolution and in the Agency Lease Agreement by and between the Company and the Agency dated as of December 1, 2020 (the “**Agency Lease**”) the Agency appointed the Company as its agent for purposes of completing the Project and delegated to the Company the authority to appoint as agents of the Agency a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (the “**Additional Agents**” or “**Sub-Agents**”), for the purpose of completing the Project and benefitting from the State and local sales and use tax exemption that forms a portion of the Financial Assistance all in accordance with the terms of the Resolution and the Agency Lease; and

WHEREAS, the Company and the Agency entered into a Project Agreement dated as of December 1, 2020 (the “**Project Agreement**”).

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. The Company hereby appoints the Sub-Agent as an Additional Agent of the Agency for the purpose of assisting the Company and the Agency in the completion of the Project and benefitting from the State and local sales and use tax exemption relative to expenditures made in furtherance thereof. The Sub-Agent is only an agent of the Agency for the aforementioned purposes. The Sub-Agent hereby agrees to limit its activities as agent for the Agency under the authority of this Agreement to acts reasonably related to the completion of the Project Facility.

2. The Sub-Agent covenants, agrees and acknowledges:

a. to make all records and information regarding State and local sales and use tax exemption benefits claimed by it in connection with the Project available to the Company and the Agency upon request. The Sub-Agent agrees to comply with all procedures and policies established by the State Department of Taxation and Finance, or any similar entity, regarding the documenting or reporting of any State and local sales and use tax exemption benefits, including providing to the Company all information of the Sub-Agent necessary for the Company to complete the State Department of Taxation and Finance’s “Annual Report of Sales and Use Tax Exemptions” (Form ST-340).

b. to be bound by and comply with the terms and conditions of the Agency’s policies, the Resolution and Section 875(3) of the Act (as if such section were fully set forth herein). Without limiting the scope of the foregoing, the Sub-Agent acknowledges and agrees to be bound by the Agency’s Suspension, Discontinuation and Recapture of Benefits Policy (the “**Recapture Policy**”), a copy of which is attached hereto as **Schedule “A”**.

c. that the failure of the Sub-Agent to promptly pay any Sales Tax Recapture Amount in accordance with the Recapture Policy, the Agency Lease and/or the Resolution to the Agency will be grounds for the Agency, the State Commissioner of Taxation and Finance or such other entity, to collect sales and use taxes from the Sub-Agent under Article 28 of the Tax Law, or other applicable law, policy or contract, together with interest and penalties. In addition to the foregoing, the Sub-Agent acknowledges and agrees that for purposes of exemption from State sales and use taxation, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the Tax Law but excluding such taxes

imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

d. that all purchases made by the Sub-Agent in connection with the Project shall be made using Form ST-123 (IDA Agent or Project Operator Exempt Purchase Certificate), a copy of which is attached hereto as **Exhibit “A”**). It shall be the responsibility of the Sub-Agent (and not the Company or the Agency) to complete Form ST-123. The failure to furnish a completed Form ST-123 with each purchase will result in loss of the exemption for that purchase.

e. that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Sub-Agent is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Sub-Agent acknowledges and agrees that the bill of invoice should state, “I, [NAME OF SUB-AGENT], certify that I am a duly appointed agent of the City of Syracuse Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following Agency project and that such purchases qualify as exempt from sales and use taxes under my Sub-Agent Appointment Agreement.” The Sub-Agent further acknowledges and agrees that the following information shall be used by the Sub-Agent to identify the Project on each bill and invoice: DUPLI ASSOCIATES, LLC PROJECT – BUILDING 2, 156 Solar Street, IDA Project No.: 31022006.

f. that for purposes of any exemption from the State sales and use taxation as part of any Financial Assistance requested, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

g. that the Sub-Agent shall indemnify and hold the Agency harmless from all losses, expenses, claims, damages and liabilities arising out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the Project Facility (including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), for such claims or liabilities that arise as a result of the Sub-Agent acting as agent for the Agency pursuant to this Agreement or otherwise.

The Sub-Agent shall indemnify and hold the Agency, its members, officers, employees and agents and anyone for whose acts or omissions the Agency or any one of them may be liable, harmless from all claims and liabilities for loss or damage to property or any injury to or death of any person that may be occasioned subsequent to the date hereof by any cause whatsoever in relation only to Sub-Agent’s work on or for the Project Facility, including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

The foregoing defenses and indemnities shall survive expiration or termination of this Agreement and shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of

them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

h. that as agent for the Agency or otherwise, the Sub-Agent will comply at the Sub-Agent's sole cost and expense with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Sub-Agent with respect to the Project Facility.

i. that Section 875(7) of the Act requires the Agency to post on its website all resolutions and agreements relating to the Sub-Agent's appointment as an agent of the Agency or otherwise related to the Project, including this Agreement, and that Public Officers Law Article 6 declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Sub-Agent feels that there is information about the Sub-Agent in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Sub-Agent's competitive position, the Sub-Agent must identify such elements in writing, supply same to the Agency prior to or contemporaneously with the execution hereof and request that such elements be kept confidential in accordance with Public Officers Law Article 6. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the Act.

j. The Sub-Agent agrees Local contractors and suppliers will be used for the construction and equipping of the Project unless a waiver is first received from the Agency in writing. Such waiver shall be in the Agency's sole discretion. The Sub-Agent agrees that such Local contractors shall be provided the opportunity to bid on contracts related to the Project. Local shall mean, for the purposes of this Agreement, Onondaga, Oswego, Madison, Cayuga, Cortland and Oneida Counties. Failure to comply with the local labor requirements of this Section (j) (collectively, the "**Local Labor Requirements**") may result in the revocation or recapture of benefits provided/approved to the Project by the Agency.

k. that the Sub-Agent must timely provide the Company with the necessary information to permit the Company, pursuant to General Municipal Law §874(8), to timely file an Annual Statement with the New York State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (Form ST-340) regarding the value of sales and use tax exemptions the Additional Agent claimed pursuant to the agency conferred on it by the Company with respect to this Project on an annual basis.

l. that the failure to comply with the foregoing will result in the loss of the exemption.

m. that if the Sub-Agent is the general contractor for the Project, then at all times following the execution of this Agreement, and during the term thereof, the Sub-Agent shall maintain or cause to be maintained the following insurance policies with an insurance company licensed in the State that has an A.M. Best rating of not less than A-:

(a) Insurance against loss or damage by fire, lightning, and other casualties customarily insured against (with a uniform standard extended coverage endorsement), such insurance to be in an amount not less than the full replacement value of the completed Project Facility, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the general contractor.

(b) Workers' compensation insurance, disability benefits' insurance, and each other form of insurance which the general contractor is required by law to provide covering loss resulting from injury, sickness, disability, or death of employees of the general contractor who are located at or assigned to the Project Facility;

(c) A policy of commercial general liability insurance with a limit of liability of not less than \$1,000,000 per occurrence on an "occurrence" basis and \$2,000,000 in the aggregate for bodily injury, including death, and property damage, including but not limited to, contractual liability under the Agency Lease and personal injury, with blanket excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and Equipment and the Company's and the Agency's use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

In addition, all insurance required by this section shall be with insurance companies of recognized financial standing selected by the general contractor and licensed to write such insurance in the State of New York. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other Persons engaged in businesses similar in size, character, and other respects to those in which the general contractor is engaged. All policies evidencing such insurance except the Workers' Compensation policy shall name the general contractor as insured and the Agency as an additional insured, as its interests may appear, and shall provide that such coverage with respect to the Agency be primary and non-contributory with any insurance secured by the Agency and require at least thirty (30) days' prior written notice to the Agency of cancellation, reduction in policy limits, or material change in coverage thereof.

Prior to the effective date of this Agreement, the general contractor shall deliver to the Agency, satisfactory to the Agency in form and substance: (i) Certificates evidencing all insurance required hereby; (ii) the additional insured endorsement(s) applicable to the Agency; (iii) the final insurance binder addressed to the general contractor covering the Project Facility; and (iv) evidence that the insurance so required is on a primary and non-contributory basis. In addition, the general contractor shall provide, if so requested by the Agency, a final and complete copy of each insurance policy within thirty (30) days of the execution of this Agreement.

The general contractor shall deliver or cause to be delivered to the Agency on or before the first business day of each January thereafter each of the items set forth in the immediately preceding paragraphs, dated not earlier than the immediately preceding month, reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required hereby for so long as the general contractor is performing, supervising or causing work to be done on or at the Project Facility. The

general contractor shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agreement in each such year.

n. that every controversy, dispute or claim arising out of or relating to this Agreement shall be governed by the laws of the State of New York, without regard to its conflicts-of-laws provisions that if applied might require the application of the laws of another jurisdiction; and that the Sub-Agent irrevocably and expressly submits to the exclusive personal jurisdiction of the Supreme Court of the State of New York and the United States District Court for the Northern District of New York, to the exclusion of all other courts, for the purposes of litigating every controversy, dispute or claim arising out of or relating to this Agreement.

3. Failure of the Sub-Agent to comply with any of the provisions of this Agreement shall result in the immediate nullification of the appointment of the Sub-Agent and the immediate termination of this Agreement and may result in the loss of the Company's State and local sales and use tax exemption with respect to the Project at the sole discretion of the Agency. In addition, such failure may result in the recapture of the State and local sales and use taxes avoided.

4. The Company acknowledges that the assumption of certain obligations by the Sub-Agent in accordance with this Agreement does not relieve the Company of its obligations under any provisions of the Agency Lease or of any other agreement entered into by the Company in connection with the Project.

5. The Company and the Sub-Agent agree that the Agency is a third-party beneficiary of this Agreement.

6. This Agreement shall be in effect until the earlier of: (i) the completion of the work on the Project by the Sub-Agent; or (ii) the Sub-Agent's loss of status as an agent of the Agency as set forth herein. Notwithstanding the foregoing, the provisions of Sections 2(b), 2(c), 2(f), 2(g), 2(j), and 2(l) shall survive the termination of this Agreement.

IN WITNESS WHEREOF, the Company and the Sub-Agent have caused this Agreement to be executed in their respective names by their respective duty authorized officers, all as of the day and year first above written.

to Sub-Agent Agreement

FORM ST-123

IDA Agent or Project Operator

Exempt Purchase Certificate

Effective for projects beginning on or after June 1, 2014

This certificate is not valid unless all entries have been completed.

Note: To be completed by the purchaser and given to the seller. Do not use this form to purchase motor fuel or diesel motor fuel exempt from tax. See Form FT-123, *IDA Agent or Project Operator Exempt Purchase Certificate for Fuel*.

Name of seller			Name of agent or project operator		
Street address			Street address		
City, town, or village	State	ZIP code	City, town, or village	State	ZIP code
Agent or project operator sales tax ID number (see instructions)					

Mark an **X** in one: Single-purchase certificate Blanket-purchase certificate (valid only for the project listed below)

To the seller:

You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

Project information

I certify that I am a duly appointed agent or project operator of the named IDA and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my agreement with the IDA.

Name of IDA		
Name of project	IDA project number (see OSC number)	
Street address of project site		
City, town, or village	State	ZIP code
Enter the date that you were appointed agent or project operator (mm/yy)	/	/
Enter the date that agent or project operator status ends (mm/yy)	/	/

Exempt purchases

(Mark an **X** in boxes that apply)

- A. Tangible personal property or services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) used to complete the project, but not to operate the completed project
- B. Certain utility services (gas, propane in containers of 100 pounds or more, electricity, refrigeration, or steam) used to complete the project, but not to operate the completed project
- C. Motor vehicle or tangible personal property installed in a qualifying motor vehicle

Certification: I certify that the above statements are true, complete, and correct, and that no material information has been omitted. I make these statements and issue this exemption certificate with the knowledge that this document provides evidence that state and local sales or use taxes do not apply to a transaction or transactions for which I tendered this document and that willfully issuing this document with the intent to evade any such tax may constitute a felony or other crime under New York State Law, punishable by a substantial fine and a possible jail sentence. I understand that this document is required to be filed with, and delivered to, the vendor as agent for the Tax Department for the purposes of Tax Law section 1838 and is deemed a document required to be filed with the Tax Department for the purpose of prosecution of offenses. I also understand that the Tax Department is authorized to investigate the validity of tax exclusions or exemptions claimed and the accuracy of any information entered on this document.

Signature of purchaser or purchaser's representative (include title and relationship)	Date
Type or print the name, title, and relationship that appear in the signature box	

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1118(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Privacy notification

New York State Law requires all government agencies that maintain a system of records to provide notification of the legal authority for any request, the principal purpose(s) for which the information is to be collected, and where it will be maintained. RECAPTURE POLICY

RECAPTURE POLICY

I. STATEMENT OF PURPOSE

The City of Syracuse Industrial Development Agency (the “*Agency*”) has adopted this Recapture Policy (the “*Recapture Policy*”) in accordance with Sections 874(10) and 874(11) of the New York State General Municipal Law. This Recapture Policy shall be consistent with and in compliance with the provisions of Chapter 1030 of Laws of 1969 of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “*Enabling Act*”) and Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (said Chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”), and any other applicable law.

II. MANDATORY RECAPTURE OF THE NEW YORK STATE PORTION OF SALES AND USE TAX

The Agency shall recapture from project applicants New York State sales and use tax benefits, in accordance with the provisions of the General Municipal Law, from projects that utilized State sales and use tax exemptions:

- a) To which the project was not entitled;
- b) In excess of the amounts authorized by the Agency;
- c) For property or services not authorized by the Agency; and/or
- d) For a project that has failed to comply with a material term or condition to use the property or services in the manner required by any of the project documents between the company and the Agency.

The approving resolution(s) and project documents granting financial assistance in the form of State sales and use tax exemption benefits shall include the terms and conditions of the foregoing recapture provision. Within thirty (30) days of the recapture, the recapture amount shall be remitted to the New York State Department of Taxation and Finance. Such remittances shall include interest, at the legal rate, imposed by the Agency. The failure to pay over such amounts to the Agency shall be grounds for the New York State Tax Commissioner to assess and determine

State sales and use taxes due from the company under article twenty-eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

In order to determine if one of the foregoing events have occurred (a “*State Mandated Recapture Event*”) and to effectuate this recapture of New York State sales and use tax benefits the Agency shall:

- a) Keep records of the New York State and local sales tax exemptions provided to each project, with such records available to the New York State Tax Commissioner upon request.
- b) Report within thirty days of providing any financial assistance in the form of a sales and use tax exemption, the project, the estimated amount of the exemption and other information as may be required by the New York State Tax Commissioner (Form ST-60).
- c) The Agency shall file an annual report with the New York State Tax Commissioner detailing its terms and conditions and its activities in recapturing any unauthorized New York State sales and use tax exemptions.

III. SUSPENSION, DISCONTINUATION, RECAPTURE AND TERMINATION OF OTHER FORMS OF FINANCIAL ASSISTANCE

With respect to all other financial assistance provided to a project (other than the State portion of sales and use tax exemptions) the Agency shall have the right to suspend, discontinue, recapture or terminate financial assistance to any company for a project to the extent that:

- a) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “*Local Sales Tax Benefit Violation*”);
- b) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“*Job Deficit*”);
- c) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“*Investment Deficit*”);
- d) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, and other objectives of the Project (“*Reporting Failure*”); or

- e) there otherwise occurs any event of default under any project document (each, an “Event of Default”) or a material violation of the terms and conditions of any project document (a “*Material Violation*”).

IV. ANNUAL ASSESSMENT

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State Mandated Recapture Event, a Local Sales Tax Benefit Violation, Job Deficit, Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “*Noncompliance Event*”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any project document in accordance with the terms of the project document.

At the time of any Noncompliance Event (other than a State Mandated Recapture Event), the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the financial assistance provided to a project, and shall consider the following in making its determination:

- a) Whether the company has proceeded in good faith.
- b) Whether the project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the company.
- c) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create a more adverse situation for the company, such as the company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- d) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create an adverse situation for the residents of the City of Syracuse.
- e) The assessment prepared in accordance with the Agency’s Annual Assessment Policy.
- f) Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the financial assistance (the “*Determination*”). The Determination shall provide terms, if any, by which a company may remedy any Noncompliance Event (other than a State Mandated Recapture Event) upon which the Determination was based. The company must

submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume financial assistance to the company (which will be at the Agency's sole discretion).

The project agreement entered into between the Agency and the company (the "*Project Agreement*") shall include the terms and conditions of the foregoing provisions. The Agency shall also include in the Project Agreement a requirement that the company comply with the Agency's right to suspend, discontinue, recapture or terminate the financial assistance and that the company shall repay all or a portion of the financial assistance granted by the Agency to the company pursuant to any Determination.

Any such amount constituting local tax exemptions shall be redistributed to the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction.

IV. RECAPTURE PERIOD

Except as otherwise provided by the General Municipal Law, the recapture period will be the longer of: (1) the term of the Lease Agreement; or (2) five years following the project's completion date. A project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the term of the Project Agreement.

RECAPTURE POLICY

I. STATEMENT OF PURPOSE

The City of Syracuse Industrial Development Agency (the “Agency”) has adopted this Recapture Policy (the “*Recapture Policy*”) in accordance with Sections 874(10) and 874(11) of the New York State General Municipal Law. This Recapture Policy shall be consistent with and in compliance with the provisions of Chapter 1030 of Laws of 1969 of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “*Enabling Act*”) and Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (said Chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”), and any other applicable law.

II. MANDATORY RECAPTURE OF THE NEW YORK STATE PORTION OF SALES AND USE TAX

The Agency shall recapture from project applicants New York State sales and use tax benefits, in accordance with the provisions of the General Municipal Law, from projects that utilized State sales and use tax exemptions:

- e) To which the project was not entitled;
- f) In excess of the amounts authorized by the Agency;
- g) For property or services not authorized by the Agency; and/or
- h) For a project that has failed to comply with a material term or condition to use the property or services in the manner required by any of the project documents between the company and the Agency.

The approving resolution(s) and project documents granting financial assistance in the form of State sales and use tax exemption benefits shall include the terms and conditions of the foregoing recapture provision. Within thirty (30) days of the recapture, the recapture amount shall be remitted to the New York State Department of Taxation and Finance. Such remittances shall include interest, at the legal rate, imposed by the Agency. The failure to pay over such amounts to the Agency shall be grounds for the New York State Tax Commissioner to assess and determine

State sales and use taxes due from the company under article twenty-eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

In order to determine if one of the foregoing events have occurred (a “*State Mandated Recapture Event*”) and to effectuate this recapture of New York State sales and use tax benefits the Agency shall:

- d) Keep records of the New York State and local sales tax exemptions provided to each project, with such records available to the New York State Tax Commissioner upon request.
- e) Report within thirty days of providing any financial assistance in the form of a sales and use tax exemption, the project, the estimated amount of the exemption and other information as may be required by the New York State Tax Commissioner (Form ST-60).
- f) The Agency shall file an annual report with the New York State Tax Commissioner detailing its terms and conditions and its activities in recapturing any unauthorized New York State sales and use tax exemptions.

III. SUSPENSION, DISCONTINUATION, RECAPTURE AND TERMINATION OF OTHER FORMS OF FINANCIAL ASSISTANCE

With respect to all other financial assistance provided to a project (other than the State portion of sales and use tax exemptions) the Agency shall have the right to suspend, discontinue, recapture or terminate financial assistance to any company for a project to the extent that:

- f) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “*Local Sales Tax Benefit Violation*”);
- g) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“*Job Deficit*”);
- h) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“*Investment Deficit*”);
- i) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, and other objectives of the Project (“*Reporting Failure*”); or

- j) there otherwise occurs any event of default under any project document (each, an “Event of Default”) or a material violation of the terms and conditions of any project document (a “*Material Violation*”).

IV. ANNUAL ASSESSMENT

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State Mandated Recapture Event, a Local Sales Tax Benefit Violation, Job Deficit, Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “*Noncompliance Event*”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any project document in accordance with the terms of the project document.

At the time of any Noncompliance Event (other than a State Mandated Recapture Event), the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the financial assistance provided to a project, and shall consider the following in making its determination:

- g) Whether the company has proceeded in good faith.
- h) Whether the project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the company.
- i) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create a more adverse situation for the company, such as the company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- j) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create an adverse situation for the residents of the City of Syracuse.
- k) The assessment prepared in accordance with the Agency’s Annual Assessment Policy.
- l) Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the financial assistance (the “*Determination*”). The Determination shall provide terms, if any, by which a company may remedy any Noncompliance Event (other than a State Mandated Recapture Event) upon which the Determination was based. The company must

submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume financial assistance to the company (which will be at the Agency's sole discretion).

The project agreement entered into between the Agency and the company (the "*Project Agreement*") shall include the terms and conditions of the foregoing provisions. The Agency shall also include in the Project Agreement a requirement that the company comply with the Agency's right to suspend, discontinue, recapture or terminate the financial assistance and that the company shall repay all or a portion of the financial assistance granted by the Agency to the company pursuant to any Determination.

Any such amount constituting local tax exemptions shall be redistributed to the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction.

IV. RECAPTURE PERIOD

Except as otherwise provided by the General Municipal Law, the recapture period will be the longer of: (1) the term of the Lease Agreement; or (2) five years following the project's completion date. A project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the term of the Project Agreement.

Adopted: June 21, 2016

SCHEDULE 1

FORM OF CERTIFICATION REGARDING ONGOING OBLIGATIONS UPON TERMINATION OF LEASES

CERTIFICATION

In December, 2020, at the request of **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive), Syracuse, New York 13204 ("**Dupli**") and **156 SOLAR STREET LLC**, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), the City of Syracuse Industrial Development Agency (the "**Agency**") undertook undertake an amended project (the "**Project**" or "**Building 2 Project**") consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City³ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement.

The meaning of capitalized terms not otherwise defined herein shall have the meanings attached to them in the agency lease, dated as of December 1, 2020 between the Agency and the Company (the "**Agency Lease**").

On December 17, 2020 the Agency and the Company closed on a straight lease transaction with respect to the Project and the Financial Assistance (the "**Original Closing**") pursuant to which the parties executed and delivered the Company Documents and the Agency Documents (collectively the "**Lease Documents**").

³ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan*
http://www.syr.gov/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%202001-06-2016.pdf

Pursuant to the Company's request, the Agency terminated their leasehold interest in the Project Facility as of _____, 20__ (the "**Termination**").

Pursuant to the terms of the Agency lease, the Company is obligated to perform certain reporting requirements to the Agency.

- (1) certain provisions and obligations of the Lease Documents survive the Termination, including: Article 4 of the Agency Lease and Sections 2.2, 8.2, 8.5, 8.12, 11.7 and 11.14 of the Agency Lease;
- (2) in accordance with its terms, the entire Project Agreement, and the Company's obligations thereunder, shall survive the Termination;
- (3) the Company is familiar with all of the Agency's policies, including but not limited to, its Recapture Policy, and is bound thereby; and
- (4) in furtherance of (i) above, but without limiting the foregoing, the Company continues to be obligated to comply with the following reporting obligation in accordance with Article 4 of the Project Agreement:

Section 4.01. Compliance Commitments. The Company agrees and covenants that it shall meet and maintain the commitments set forth in (a) below beginning in the first year after completion of the Project. The Company further agrees and covenants that it shall meet and maintain the commitments set forth in (b) below with respect to retained jobs set forth in the Application starting in the first year in which Financial Assistance is claimed and/or provided; and with respect to new jobs, the Company shall create, in years one (1) through five (5) following completion of the Project the new jobs set forth in the Company's Application. The reporting of, and the commitment to, each of (a), (b) and (c) below continuing for a five (5) year period following completion of the Project (the "**Term**"):

(a) The total investment made with respect to the Project at the Project's completion date shall equal to or exceed \$8,992,896, being the total project cost as stated in the Company's Application for Financial Assistance (the "**Investment Commitment**").

(b) There were no full time equivalent ("**FTE**") employees retained by the Project Facility as of the date of the Application for Financial Assistance (the "**Baseline FTE**"). The Company's application estimated the creation of thirty-four (34) new FTEs (the "**New FTEs**") at the Project Facility within the first five (5) years following the Completion Date of the Project Facility. The Company covenants and agrees to create the New FTEs set forth in the first five (5) years following completion of the Project Facility as of and in the years set forth in the Application. The Company shall be required to meet and maintain all of the foregoing employment commitments during the Term (as defined in Section 6.07 below) hereof (the "**Employment Commitment**").

(c) The Company shall annually provide to the Agency certain information to confirm that the Project is achieving the investment, job retention, job creation, and other objectives of the Project for the Term (the “**Reporting Commitment**”).

Section 4.02. Reporting Requirement. As part of the commitments set forth in Section 4.01, the Company shall provide annually, to the Agency, a certified statement and supporting documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the Project location, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. **Exhibit A** contains a form of annual certification that the Company must complete and submit to the Agency on an annual basis. The Agency reserves the right to modify such form to require additional information that the Agency must have in order to comply with its reporting requirements under the Act.

New York State Mortgage Recording

Tax Exemption: [year]

Form of Syracuse Industrial Development Agency — Project Jobs Data [year]

From:

To: _____, CPAs

Re:

The following jobs information is furnished to you with regard to the above cited project:

A. Job Retention/Creation:

III. Construction Jobs:

Provide the name of your general contractor: _____.

Provide the address (including county) of your general contractor: _____.

Is the general contractor MWBE qualified? _____.

Is the general contractor Service-Disabled Veteran-Owned Business Enterprises (SDVOBE) qualified? _____.

For each contractor and/or sub-contractor, provide the following information for the reporting period:

Bid awarded to (Name/Address/County*)	Value of contract	MWBE (Yes/No)	SDVOBE (Yes/No)	Number of jobs (FTE)

***Must include county**

IV. Permanent (non-construction) Jobs:

Number of FTEs retained at the Project prior to date of application: _____.

Number of FTEs created by the Project during the reporting calendar year (*exclusive of construction jobs*): _____.

Of the jobs created by the Project during the reporting year (*exclusive of construction jobs*) identify how many are in each of the following categories:

Professional/Managerial/Technical - includes jobs which involve skill or competence of extraordinary degree and may include supervisory responsibilities (examples: architect, engineer, accountant, scientist, medical doctor, financial manager, programmer). **Number of jobs created in reporting year** _____.

Skilled - includes jobs that require specific skill sets, education, training, and experience and are generally characterized by high education or expertise level (examples: electrician, computer operator, administrative assistant, carpenter, sales representative). **Number of jobs created in reporting year** _____.

Unskilled or Semi-Skilled - includes jobs that require little or no prior acquired skills and involve the performance of simple duties that require the exercise of little or no independent judgment (examples: general cleaner, truck driver, typist, gardener, parking lot attendant, line operator, messenger, information desk clerk, crop harvester, retail salesperson, security guard, telephone solicitor, file clerk). **Number of jobs created in reporting year** _____.

Identify:

the average annual salary range of the FTEs (*exclusive of construction jobs*) created during the reporting year: \$ _____.

the total number of jobs (*exclusive of construction jobs*) created by the Project from the date of application through the reporting date: _____.

the total number of jobs (retained and created, *but exclusive of construction jobs*) at the Project from the date of application through the reporting date: _____.

What is the annual average salary range of the FTEs (*exclusive of construction jobs*) created at the Project to date: \$ _____.

B. Geographical Hiring Data:

3. Construction jobs:

Of the construction jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

4. FTEs hired (*exclusive of construction jobs*)

Of the FTE jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

Provide the same information reflecting FTEs hired from the date of application through the reporting date at the Project.

EXHIBIT "A"

LEGAL DESCRIPTION OF THE LAND

600 Franklin Street North to Solar Street

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Salina Marsh Lot 39 in said City, being part of lands conveyed to Borden's Food Products Company, Inc., and/or Borden, Inc. by the following 3 deeds:

1. from Borden's Milk Products Company, Inc. dated January 4, 1936 and recorded in Onondaga County Clerk's Office in Book of Deeds 800 at Page 192;
2. from James A. Jacobs and Susan Jacobs dated July 28, 1988 and recorded in Onondaga County Clerk's Office in Book 3496 of Deeds at Page 341;
3. from Woodstead Enterprises, LTD. dated November 28, 1988 and recorded in Onondaga County Clerk's Office in Book 3496 of Deeds at Page 337;

and being more particularly described as follows:

Beginning at a drill hole set in the northeasterly boundary of Solar Street, said point being the most westerly corner of lands conveyed by Borden, Inc. to the City of Syracuse for public purposes by deed recorded in Onondaga County Clerk's Office in Book 3507 at Page 168, said point also being 126.68 feet distant northwesterly, measured along said northeasterly street boundary, from its intersection with the northwesterly boundary of Plum Street; running thence N 28° 09' 10" W along said northeasterly boundary of Solar Street, a distance of 292.22 feet to a capped iron pin found at its intersection with the division line between said lands of Borden, Inc. on the south and lands of Syracuse Scale Co., Inc. (reputed owner) on the north; thence N 80° 59' 20" E along said division line, a distance of 76.21 feet to an iron pipe set; thence N 61° 50' 50" E, continuing along said division line, a distance of 112.76 feet to a capped iron pin found at a point of curvature; thence northeasterly, continuing along said division line and along the division line between said lands of Borden, Inc. on the southeast and lands of 667 N. Clinton Street Associates (reputed owner) on the northwest, following a curve to the right having a radius of 371.02 feet, a central angle of 12° 13' 48", and a chord bearing N 67° 57' 44" E, 79.05 feet, an arc distance of 79.20 feet to an iron pipe set; thence N 61° 50' 50" E, continuing along the last mentioned division line, a distance of 330.83 feet to a lag bolt in concrete set at its intersection with the southwesterly boundary of North Clinton Street; thence S 28° 09' 10" E along said street boundary, a distance of 212.14 feet to a nail and flag in concrete found; thence S 61° 50' 50" W along the division line between said lands of Borden, Inc. on the northwest and lands of Franklin Square Rousing Associates (reputed owner) on the southeast, a distance of 245.00 feet to a capped iron pin found; thence S 28° 09' 10" E continuing along said division line, a distance of 33.00 feet to a capped iron pin found; thence S 61° 50' 50" W continuing along said division line, a distance of 30.00 feet to a capped iron pin found at its intersection with the northeasterly boundary of North Franklin Street; thence N 28° 09' 10" W along said street boundary, a distance

of 33.00 feet to a PK nail set at the most northerly corner of said North Franklin Street; thence s 61° 50' 50" W along the northwesterly boundary of North Franklin Street, a distance of 60.00 feet to a masonry anchor set at the most westerly corner thereof; thence S 28° 09' 10" E along the southwesterly boundary of said North Clinton Street, a distance of 46.67 feet to an iron pipe set at the most northerly corner of the aforementioned lands conveyed by Borden, Inc. to the City of Syracuse for public purposes; thence s 61° 50' 50" w along the northwesterly boundary of said lands, said boundary also being the northwesterly boundary of Gail Borden Drive, a distance of 259.18 feet to the point of beginning.

156 Solar Street & Division Street West

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a portion of Block No. 461 of said City of Syracuse being former Block 261 and being more particularly described as follows:

BEGINNING at the intersection formed by the easterly road boundary of Solar Street (60 feet wide) and the southerly road boundary of West Division Street (66 feet wide); thence N. 59° 57' 30" E. along the easterly road boundary of said West Division Street, a distance of 260.97 feet to its intersection with the westerly line of lands now or formerly owned by Robert Medina and Ted Kinder as recorded in the Onondaga County Clerk's Office in Book 3979 of Deeds a Page 126; thence S. 28° 01' 45" E. along the southerly line of said Medina and Kinder a distance of 153.70 feet to its intersection with the northerly line of lands now or formerly owned by Lakefront Lofts, LLC as recorded in the Onondaga County Clerk's Office in Book 5014 of Deeds at Page 582; thence S. 62° 00' 40" W. along the northerly line of said Lakefront Lofts, LLC a distance of 10.79 feet to the northwesterly corner of said Lakefront Lofts, LLC; thence S. 27° 59' 20" E. along the westerly line of said Lakefront Lofts, LLC a distance of 220.09 feet to a point; thence southwesterly on a curve to the left having a radius of 422.80 feet an arc distance of 65.66 feet to a point of tangency; thence S. 62° 00' 40" W. along the northerly line of lands now or formerly owned by Dupli Associates, LLC a distance of 112.73 feet to a point; thence S. 81° 09' 10" W. continuing along the northerly line of said Dupli Associates, LLC a distance of 76.21 feet to its intersection with the easterly road boundary of said Solar Street; thence N. 27° 59' 20" W. along the easterly road boundary of said Solar Street a distance of 334.35 feet to the point of beginning.

Combined Real Estate Transfer Tax Return, Credit Line Mortgage Certificate, and Certification of Exemption from the Payment of Estimated Personal Income Tax

See Form TP-584-I, Instructions for Form TP-584, before completing this form. Print or type.

Part 1 – Computation of tax due

- 1 Enter amount of consideration for the conveyance (if you are claiming a total exemption from tax, mark an X in the Exemption claimed box, enter consideration and proceed to Part 3) Exemption claimed
- 2 Continuing lien deduction (see instructions if property is taken subject to mortgage or lien)
- 3 Taxable consideration (subtract line 2 from line 1)
- 4 Tax: \$2 for each \$500, or fractional part thereof, of consideration on line 3
- 5 Amount of credit claimed for tax previously paid (see instructions and attach Form TP-584.1, Schedule G)
- 6 Total tax due* (subtract line 5 from line 4)

1.	0	00
2.	0	00
3.	0	00
4.	0	00
5.	0	00
6.	0	00

Part 2 – Computation of additional tax due on the conveyance of residential real property for \$1 million or more

- 1 Enter amount of consideration for conveyance (from Part 1, line 1)
- 2 Taxable consideration (multiply line 1 by the percentage of the premises which is residential real property, as shown in Schedule A) ...
- 3 Total additional transfer tax due* (multiply line 2 by 1% (.01))

1.		
2.		
3.		

Part 3 – Explanation of exemption claimed on Part 1, line 1 (mark an X in all boxes that apply)

The conveyance of real property is exempt from the real estate transfer tax for the following reason:

- a. Conveyance is to the United Nations, the United States of America, New York State, or any of their instrumentalities, agencies, or political subdivisions (or any public corporation, including a public corporation created pursuant to agreement or compact with another state or Canada) a
- b. Conveyance is to secure a debt or other obligation..... b
- c. Conveyance is without additional consideration to confirm, correct, modify, or supplement a prior conveyance..... c
- d. Conveyance of real property is without consideration and not in connection with a sale, including conveyances conveying realty as bona fide gifts..... d
- e. Conveyance is given in connection with a tax sale..... e
- f. Conveyance is a mere change of identity or form of ownership or organization where there is no change in beneficial ownership. (This exemption cannot be claimed for a conveyance to a cooperative housing corporation of real property comprising the cooperative dwelling or dwellings.) Attach Form TP-584.1, Schedule F f
- g. Conveyance consists of deed of partition g
- h. Conveyance is given pursuant to the federal Bankruptcy Act..... h
- i. Conveyance consists of the execution of a contract to sell real property, without the use or occupancy of such property, or the granting of an option to purchase real property, without the use or occupancy of such property i
- j. Conveyance of an option or contract to purchase real property with the use or occupancy of such property where the consideration is less than \$200,000 and such property was used solely by the grantor as the grantor's personal residence and consists of a one-, two-, or three-family house, an individual residential condominium unit, or the sale of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold covering an individual residential cooperative apartment..... j
- k. Conveyance is not a conveyance within the meaning of Tax Law, Article 31, § 1401(e) (attach documents supporting such claim)See Schedule "A" k

* The total tax (from Part 1, line 6 and Part 2, line 3 above) is due within 15 days from the date of conveyance. Make check(s) payable to the county clerk where the recording is to take place. For conveyances of real property within New York City, use Form TP-584-NYC. If a recording is not required, send this return and your check(s) made payable to the **NYS Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-0045. If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*.

Schedule C – Credit Line Mortgage Certificate (Tax Law Article 11)

Complete the following only if the interest being transferred is a fee simple interest.
This is to certify that: (mark an X in the appropriate box)

1. The real property being sold or transferred is not subject to an outstanding credit line mortgage.
2. The real property being sold or transferred is subject to an outstanding credit line mortgage. However, an exemption from the tax is claimed for the following reason:
 - a The transfer of real property is a transfer of a fee simple interest to a person or persons who held a fee simple interest in the real property (whether as a joint tenant, a tenant in common or otherwise) immediately before the transfer.
 - b The transfer of real property is (A) to a person or persons related by blood, marriage or adoption to the original obligor or to one or more of the original obligors or (B) to a person or entity where 50% or more of the beneficial interest in such real property after the transfer is held by the transferor or such related person or persons (as in the case of a transfer to a trustee for the benefit of a minor or the transfer to a trust for the benefit of the transferor).
 - c The transfer of real property is a transfer to a trustee in bankruptcy, a receiver, assignee, or other officer of a court.
 - d The maximum principal amount secured by the credit line mortgage is \$3 million or more, and the real property being sold or transferred is not principally improved nor will it be improved by a one- to six-family owner-occupied residence or dwelling.

Note: for purposes of determining whether the maximum principal amount secured is \$3 million or more as described above, the amounts secured by two or more credit line mortgages may be aggregated under certain circumstances. See TSB-M-96(6)-R for more information regarding these aggregation requirements.

 - e Other (attach detailed explanation).
3. The real property being transferred is presently subject to an outstanding credit line mortgage. However, no tax is due for the following reason:
 - a A certificate of discharge of the credit line mortgage is being offered at the time of recording the deed.
 - b A check has been drawn payable for transmission to the credit line mortgagee or mortgagee's agent for the balance due, and a satisfaction of such mortgage will be recorded as soon as it is available.
4. The real property being transferred is subject to an outstanding credit line mortgage recorded in _____ (insert liber and page or reel or other identification of the mortgage). The maximum principal amount of debt or obligation secured by the mortgage is _____. No exemption from tax is claimed and the tax of _____ is being paid herewith. (Make check payable to county clerk where deed will be recorded.)

Signature (both the grantors and grantees must sign)

The undersigned certify that the above information contained in Schedules A, B, and C, including any return, certification, schedule, or attachment, is to the best of their knowledge, true and complete, and authorize the person(s) submitting such form on their behalf to receive a copy for purposes of recording the deed or other instrument effecting the conveyance.

Schedule D – Certification of exemption from the payment of estimated personal income tax (Tax Law, Article 22, § 663)

Complete the following only if a fee simple interest or a cooperative unit is being transferred by an individual or estate or trust.

If the property is being conveyed by a referee pursuant to a foreclosure proceeding, proceed to Part 2, mark an X in the second box under *Exemption for nonresident transferors/sellers*, and sign at bottom.

Part 1 – New York State residents

If you are a New York State resident transferor/seller listed in Form TP-584, Schedule A (or an attachment to Form TP-584), you must sign the certification below. If one or more transferor/seller of the real property or cooperative unit is a resident of New York State, each resident transferor/seller must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all resident transferors/sellers.

Certification of resident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller as signed below was a resident of New York State, and therefore is not required to pay estimated personal income tax under Tax Law § 663(a) upon the sale or transfer of this real property or cooperative unit.

Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date

Note: A resident of New York State may still be required to pay estimated tax under Tax Law § 685(c), but not as a condition of recording a deed.

Part 2 – Nonresidents of New York State

If you are a nonresident of New York State listed as a transferor/seller in Form TP-584, Schedule A (or an attachment to Form TP-584) but are not required to pay estimated personal income tax because one of the exemptions below applies under Tax Law § 663(c), mark an X in the box of the appropriate exemption below. If any one of the exemptions below applies to the transferor/seller, that transferor/seller is not required to pay estimated personal income tax to New York State under Tax Law § 663. Each nonresident transferor/seller who qualifies under one of the exemptions below must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all nonresident transferors/sellers.

If none of these exemption statements apply, you must complete Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*, or Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*. For more information, see *Payment of estimated personal income tax*, on Form TP-584-I, page 1.

Exemption for nonresident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller (grantor) of this real property or cooperative unit was a nonresident of New York State, but is not required to pay estimated personal income tax under Tax Law § 663 due to one of the following exemptions:

- The real property or cooperative unit being sold or transferred qualifies in total as the transferor's/seller's principal residence (within the meaning of Internal Revenue Code, section 121) from _____ Date _____ to _____ Date _____ (see instructions).
- The transferor/seller is a mortgagor conveying the mortgaged property to a mortgagee in foreclosure, or in lieu of foreclosure with no additional consideration.
- The transferor or transferee is an agency or authority of the United States of America, an agency or authority of New York State, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, or a private mortgage insurance company.

SCHEDULE "A"

The document being recorded for which this NYS Form TP-584 is being provided is a Memorandum of Lease between the Grantor and the Grantee. The sum of the term of the lease and any options for renewal do not exceed forty-nine (49) years, and therefore said lease is not a Conveyance within the meaning of Article 31 of the Tax Law.

**DUPLI BUILDING 2
AGENCY LEASE AGREEMENT**

THIS DUPLI BUILDING 2 AGENCY LEASE AGREEMENT, dated as of December 1, 2020 (the “*Dupli Building 2 Agency Lease*”), is by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a body corporate and politic and a public instrumentality of the State of New York, having its office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the “*Agency*”), **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **156 SOLAR STREET LLC**, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 (“*156 Solar*” and together with Dupli, collectively, the “*Company*”).

WITNESSETH:

WHEREAS, the Agency is authorized and empowered by Title I of Article 18-A of the General Municipal Law of the State of New York (the “*State*”), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the “*Act*”), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act, among other things, to: (i) make contracts and leases, and to execute such documents as necessary or convenient, with a public or private person, firm, partnership, or corporation; (ii) to acquire, construct, reconstruct, lease, improve, maintain, equip or furnish one or more projects (as defined in the Act); and (iii) to sell, lease and otherwise dispose *of* any such property; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification number 118.-06-01.0) (the “*Building 2 Land*”), each in the City of Syracuse, New York (the “*City*”) (Building 1 Land together with Building 2 Land, collectively referred to as the “*Original Land*”);

(ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, the Project and the Bifurcated Agreements to accommodate the Ownership Structure such that the applicable Bifurcated Agreements for the Building 2 Project will govern the Building 2 Project consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W.

improved by an approximate 62,800 square foot building (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, the Agency proposes to assist the Company's acquisition, construction and equipping of the Project Facility and grant the Financial Assistance to the Project by, among other things: (1) appointing the Company and/or its designee as its agent with respect to the undertaking and completing the Project; (2) continuing its leasehold interest in the Land and the Facility from the Company and a fee interest in the Equipment pursuant to a bill of sale from the Company; and (2) subleasing the Project Facility to the Company pursuant to this Dupli Building 2 Agency Lease; and

WHEREAS, 156 Solar is the current owner of the Land and the Facility; and

WHEREAS, in accordance with the terms of that certain company lease agreement dated as of July 21, 2017, as amended by the first amendment First Amendment to Company Lease dated as of December 1, 2020, each between Dupli and the Agency (collectively, the "**Original Company Lease**"), the Company has leased or continued its lease of the Land and the Facility to the Agency; and

WHEREAS, Dupli has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**Dupli Bill of Sale**") and 156 Solar has conveyed title to the Equipment to the Agency pursuant to a bill of sale dated as of December 1, 2020 (the "**156 Solar Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**"); and

WHEREAS, the Agency now proposes to sublease the Project Facility to 156 Solar pursuant to the terms and conditions herein set forth; and

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

WHEREAS, all things necessary to constitute this Dupli Building 2 Agency Lease a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution, and delivery of this Dupli Building 2 Agency Lease have, in all respects, been duly authorized.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto hereby formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I RECITALS AND DEFINITIONS

1.0 RECITALS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

1.1 DEFINITIONS.

For all purposes of this Dupli Building 2 Agency Lease and any agreement supplemental thereto, all defined terms indicated by the capitalization of the first letter of such term shall have the meanings specified in the Table of Definitions attached hereto as **Exhibit “A”** except as otherwise expressly defined herein or the context hereof otherwise requires.

1.2 INTERPRETATION.

In this Dupli Building 2 Agency Lease, unless the context otherwise requires:

(a) The terms “hereby,” “hereof,” “herein,” “hereunder,” and any similar terms as used in this Dupli Building 2 Agency Lease refer to this Dupli Building 2 Agency Lease; the term “heretofore” shall mean before and the term “hereafter” shall mean after the date of this Dupli Building 2 Agency Lease;

(b) Words of masculine gender shall mean and include correlative words of feminine and neuter genders, and words importing the singular number shall mean and include the plural number and vice versa; and

(c) Any certificates, letters, or opinions required to be given pursuant to this Dupli Building 2 Agency Lease shall mean a signed document attesting to or acknowledging the circumstances, representations, opinions of law, or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Dupli Building 2 Agency Lease.

(d) Unless otherwise so indicated, the term Company shall refer jointly to 156 Solar and Dupli.

**ARTICLE II
REPRESENTATIONS AND COVENANTS**

2.1 REPRESENTATIONS OF THE AGENCY.

The Agency makes the following representations to the Company as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established under the provisions of the Act and has the power to enter into this Dupli Building 2 Agency Lease and to carry out its obligations hereunder. Based upon the representations of the Company as to the utilization of the Project Facility, the Project Facility will constitute a “project,” as such quoted term is defined in the Act. By proper official action, the Agency has been duly authorized to execute, deliver, and perform this Dupli Building 2 Agency Lease and the other Agency Documents.

(b) Neither the execution and delivery of this Dupli Building 2 Agency Lease, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions of this Dupli Building 2 Agency Lease and the other Agency Documents by the Agency will conflict with or result in a breach by the Agency of any of the terms, conditions, or provisions of the Act, the By-Laws of the Agency, or any order, judgment, restriction, agreement, or instrument to which the Agency is a party or by which it is bound or will constitute a default by the Agency under any of the foregoing.

(c) This Dupli Building 2 Agency Lease and the other Agency Documents constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Agency, enforceable in accordance with their respective terms.

2.2 REPRESENTATIONS AND COVENANTS OF THE COMPANY.

Dupli and 156 Solar, each as noted or jointly as the Company, acknowledge, represent, warrants and covenant to the Agency as follows:

(a) Dupli is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 2 Agency Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 2 Agency Lease and the other Company Documents; and

(b) 156 Solar is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of New York, has the power to enter into this Dupli Building 2 Agency Lease and the other Company Documents and to carry out its obligations hereunder and thereunder, and has duly authorized the execution, delivery, and performance of this Dupli Building 2 Agency Lease and the other Company Documents; and

(c) Each Dupli and 156 Solar for itself represent and covenant that, for each respectively, this Dupli Building 2 Agency Lease and the other Company Documents constitute,

or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of Dupli and 156 Solar enforceable in accordance with their respective terms; and

(d) Dupli has, contemporaneously with the execution and delivery of this Dupli Building 2 Agency Lease, transferred fee title of the Project Facility to 156 Solar. During the term of this Dupli Building 2 Agency Lease, Dupli shall hold 90% of the membership interests in 156 Solar; and

(e) 156 Solar is the fee title owner of the Project Facility. 156 Solar shall remain the fee owner of the Project Facility for the term of this Dupli Building 2 Agency Lease unless otherwise consented to in writing by the Agency; and

(f) The Company shall complete the Project Facility on or before the Completion Date; and.

(g) This Project is not primarily used for retail as set forth in the Act; and

(h) For the duration of the term hereof, the Company shall operate the Project Facility as the Project Facility and for the purposes presented herein and in the Application and Plans and Specifications presented to the Agency; and.

(i) For the duration of the term hereof, and in accordance with the Agency's Uniform Tax Exemption Policy ("**UTE**P"), the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by US Department of Housing and Urban Development ("**HUD**"), inclusive of utilities (the "**HUD Rates**") (collectively, the "**Rental Restrictions**"). The 2020 HUD Rates are attached hereto at **Exhibit "B"**. Rental rates in the leases for these residential units must be tied to the annual HUD Rates. It is the Company's obligation to obtain the annual HUD Rates each year. Generally, the HUD Rates are published in or about June of each year; and

(j) During the Reporting Period, the Company shall provide the reporting and certifications required relative to the Rent Restrictions as more fully set forth in Section 8.5 hereof. The Company acknowledges that failure to maintain and/or report on the Rent Restrictions as set forth herein, shall give rise to the Agency's right to recapture all Recapture Amounts;

(k) Neither the execution and delivery of this Dupli Building 2 Agency Lease and the other Company Documents, the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the provisions thereof will:

(1) Result in a breach of, or conflict with any term or provision in, Dupli's or 156 Solar's Articles of Organization and Operating Agreement;

(2) Require consent under (which has not been heretofore received) or result in a breach of or default under any credit agreement, indenture, purchase agreement, mortgage, deed of trust, commitment, guaranty or other agreement or instrument to which either

Dupli or 156 Solar is a party or by which either Dupli or 156 Solar or any of its respective property may be bound or affected; or

(3) Conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction, or decree of any Governmental Authority or court (domestic or foreign) having jurisdiction over the Company or any of the property of the Company.

(l) The providing of Financial Assistance to the Project by the Agency:

(1) Has been an important consideration in the Company's decision to acquire, reconstruct, renovate, equip and complete the Project Facility in the City of Syracuse;

(2) Will not result in the removal of an industrial or manufacturing plant or commercial activity of any Project Facility occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of any user, occupant, or proposed user or occupant of the Project Facility located within the State, except as permitted by the Act; and

(3) Will help eliminate blight and advance job opportunities, prosperity, and standard of living and help prevent economic deterioration.

(m) So long as the Agency holds a leasehold interest in the Project Facility, the Project Facility is and will continue to be a "project" (as such quoted term is defined in the Act), and the Company will not take any action (or omit to take any action required by the Company Documents or which the Agency, together with Agency's counsel, advise the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way cause the Project Facility not to constitute a "project" (as such quoted term is defined in the Act); and

(n) The Company shall cause all notices as required by law to be given and shall comply or cause compliance with all laws, ordinances, municipal rules, and regulations and requirements of all Governmental Authorities applying to or affecting the construction, equipping and operation of the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company, were the owner of the Project Facility), and the Company will defend and save the Agency and its officers, members, agents (other than the Company), and employees harmless from all fines and penalties due to failure to comply therewith; and

(o) The Project will not have a significant effect on the environment" (within the meaning of such term as used in SEQRA) and the Company hereby covenants to comply with all mitigating measures, requirements and conditions, if any, enumerated in the SEQR Resolution under SEQRA applicable to the acquisition, construction and installation of the Project Facility and in any other approvals issued by any other Governmental Authority with respect to the Project. No material changes with respect to any aspect of the Project Facility have arisen from the date of the issuance of such negative declaration which would cause the determination contained therein to be untrue; and

(p) The Company acknowledges the Agency's Local Access Policy and the Company's obligation to comply. The Company further understands and agrees that it is the preference of the Agency that the Company provide opportunities for the purchase of goods and services from: (i) business enterprises located in the City; (ii) certified minority and or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. The Company further understands and acknowledges that consideration will be given by the Agency to the Company's efforts to comply, and compliance, with this objective at any time an extension of benefits is sought or involvement by the Agency with the Project is requested by the Company; and

(q) The Agency's undertaking of the Project and the provision of Financial Assistance for the Project will not have a significant impact on the environment within the meaning of SEQRA; and

(r) The acquisition, reconstruction, renovation, equipping and completion of the Project Facility will promote employment opportunities and help prevent economic deterioration in the City by the creation and/or preservation of both full and part-time jobs; and

(s) The Company has, or will have as of the first date of construction and equipping, all then necessary permits, licenses, and governmental approvals and consents (collectively, "**Approvals**") for the construction and equipping of the Project Facility and has or will have such Approvals timely for each phase of, and throughout the reconstruction renovation and equipping of the Project Facility; and

(t) The Company will not sublease the whole or any portion of the Project Facility for an unlawful purpose; and

(u) No part of the Project Facility will be located outside of the City; and

(v) The Company shall perform, or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency (which is within the control of the Company) under and pursuant to this Dupli Building 2 Agency Lease, the Company Lease and the other Company Documents and shall defend, indemnify, and hold harmless the Agency and its members, officers, agents (other than the Company), servants and employees from and against every expense, liability, or claim arising out of the failure of the Company to fulfill its obligations under the provisions of this Section 2.2; and

(w) The Company agrees that except as is otherwise provided by collective bargaining contracts or agreements applicable to the Project, new employment opportunities created as a result of the Project shall be listed with the New York State Department of Labor Community Services Division, and with the administrative entity of the service delivery area created by the Federal Job Training Partnership Act (P.L. No. 97-300) in which the Project is located. The Company further agrees that except as is otherwise provided by collective bargaining contracts or agreements applicable to the Project, it will first consider persons eligible to participate in the Federal Job Training Partnership (P.L. No. 97-300) programs who shall be referred by administrative entities

of service delivery areas created pursuant to such act or by the Community Services Division of the Department of Labor for such new employment opportunities; and

(x) The Company shall provide to the Agency any and all documentation or information requested by the Agency so that the Agency can comply with all of its reporting requirements under the Act; and

(y) As a condition precedent to receiving or benefiting from any State sales and use tax exemption benefits, the Company acknowledges and agrees to all terms and conditions of Section 875(3) of the Act. Section 875(3) of the Act is herein incorporated by reference. As part of such conditions precedent:

(1) The Company shall not take any State or local Sales and Use Tax exemptions to which it is not entitled, which are in excess of the amount authorized by the Agency in reliance on the Company's Application or which are for property or services not authorized.

(2) The Company shall comply with all material terms and conditions to use property or services in the manner required by the Agency Documents.

(3) The Company shall cooperate with the Agency in the Agency's efforts to recover, recapture, receive or otherwise obtain from the Company any Sales Tax Recapture Amount (as defined in Section 8.12(g) hereof) and shall, upon the Agency's request, immediately pay to the Agency any Sales Tax Recapture Amount, together with any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise. The Company acknowledges and agrees that the failure of the Company to promptly pay any Sales Tax Recapture Amount to the Agency will be grounds for the State Commissioner of Taxation and Finance to collect sales and use taxes from the Company under Article 28 of the State Tax Law, together with interest and penalties.

(z) The amount of State and local sales and use tax benefits comprising the Financial Assistance approved by the Agency shall not exceed **\$430,998**. The Company shall not request, obtain nor claim State and local sales and use tax exemptions in excess of this amount; and

(aa) The Company hereby acknowledges that any exemption from mortgage recording tax authorized by the Agency as part of the Financial Assistance is subject to Section 874 of the Act; and

(bb) The Company hereby acknowledges, agrees and covenants to timely pay all costs of reconstruction, renovation, equipping and completing the Project, and its obligations hereunder including, but not limited to, Article 4 hereof; and

(cc) The Company hereby represents, warrants and covenants that no properties owned or leased by the Company in the City are currently the subject of any violations, including but not limited to zoning and/or permitting, by any governmental agency nor are any such properties delinquent in any taxes or payments in lieu thereof to any municipality. The Company

further represents, warrants and covenants that all Company owned or leased properties are in compliance with, all laws, ordinances, rules, regulations, and requirements of all Governmental Authorities and that there are no pending or threatened law suits against the City or County; and

(dd) The Company shall cooperate with the Agency in the Agency's efforts to recover, recapture, receive or otherwise obtain from the Company any Recapture Amount, and shall, upon the Agency's request, immediately pay to the Agency any Recapture Amount, together with any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise.

ARTICLE III CONVEYANCE OF LEASEHOLD INTEREST IN PROJECT FACILITY

3.1 AGREEMENT TO CONVEY LEASEHOLD INTEREST TO COMPANY.

The Company has conveyed to the Agency, pursuant to the Company Lease, a leasehold interest in the Land and Facility, as more fully described in **Exhibit "C"** attached hereto, any improvements now or hereafter constructed and installed thereon, subject to Permitted Encumbrances and all of its right, title and interest in the Equipment via a Bill of Sale, as more fully described in **Exhibit "D"** attached hereto. Under this Dupli Building 2 Agency Lease, the Agency will convey, or will cause to be conveyed, to 156 Solar, a subleasehold interest in the Project Facility subject to Permitted Encumbrances and exclusive of the Agency's Unassigned Rights.

3.2 USE OF PROJECT FACILITY.

Subsequent to the Closing Date, 156 Solar shall be entitled to use the Project Facility in accordance with the terms of this Dupli Building 2 Agency Lease and for the purposes described in the third WHEREAS clause of this Dupli Building 2 Agency Lease; provided that such use causes the Project Facility to qualify or continue to qualify as a "project" under the Act.

ARTICLE IV RECONSTRUCTION, RENOVATION, CONSTRUCTION AND EQUIPPING OF THE PROJECT

4.1 RECONSTRUCTION, RENOVATION, CONSTRUCTION AND EQUIPPING OF THE PROJECT FACILITY.

(a) The Company shall promptly construct, equip and complete the Project Facility, all in accordance with the Plans and Specifications on or before the Completion Date. Unless a written waiver is first obtained from the Agency, in accordance with the Agency's Local Access Policy, the Company and its Additional Agents (as defined herein), shall utilize local labor, contractors and suppliers for the reconstruction, renovation, equipping and completion of the Project Facility. For purposes of this Dupli Building 2 Agency Lease, and in particular this Section 4.1, the term "**local**" shall mean Onondaga, Oswego, Oneida, Madison, Cayuga and Cortland Counties. Failure to comply with the local labor requirements of this Section 4.1 (collectively, "**Local Labor Requirements**") may result in the revocation or recapture of all benefits

provided/approved to the Project by the Agency. Failure to comply with any portion of Article 4 may result in the loss of all benefits provided or for the benefit of the Project in the Agency's sole discretion. In furtherance thereof, the Agency's Local Access Agreement has been completed and is attached hereto as **Exhibit "E"**.

(b) The Agency hereby confirms the appointment of 156 Solar as its true and lawful agent to perform the following in compliance with the terms, purposes, and intent of this Dupli Building 2 Agency Lease, the Act and the other Company Documents, and 156 Solar hereby accepts such appointment:

(1) To reconstruct, renovate, equip and complete the Project Facility and to acquire the Equipment in accordance with the terms hereof;

(2) To make, execute, acknowledge, and deliver any contracts, orders, receipts, writings, and instructions with any other Persons and, in general, to do all things which may be requisite or proper, all for the reconstruction, renovation, equipping and completion of the Project Facility with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the Agency shall have no liability for the payment of any sums due thereunder;

(3) To pay all fees, costs and expenses incurred in the reconstruction, renovation, equipping and completion of the Project Facility from funds made available therefore from the funds of the Company; and

(4) To ask, demand, sue for, levy, recover, and receive all such sums of money, debts, dues, and other demands whatsoever which may be due, owing, and payable to the Agency under the terms of any contract, order, receipt, or writing in connection with the reconstruction, renovation, equipping and completion of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond, or other performance security.

(c) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1, provided, however, that the Agency shall have no liability for the payment of any sums due thereunder.

(d) The Company has given, or will give or cause to be given, all notices and have complied, or will comply or cause compliance with, all laws, ordinances, rules, regulations, and requirements of all Governmental Authorities applying to or affecting the conduct of work on the Project Facility (the applicability of such laws, ordinances, rules, and regulations to be determined both as if the Agency were the owner of the Project Facility and as if the Company were the owner of the Project Facility), and the Company will defend, indemnify, and save the Agency and its officers, members, agents, servants, and employees harmless from all fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(e) The Company understands and agrees that it is the preference of the Agency that the Company provide opportunities for the purchase of goods and services relative to the

Project from: (i) business enterprises located in the City; (ii) certified minority and/or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. Consideration will be given by the Agency to the Company's efforts to comply, and compliance with, this objective at any time an extension of benefits is requested, or further involvement by the Agency with the Project, is requested by the Company.

4.2 COMPLETION OF PROJECT FACILITY.

(a) The Company will proceed with due diligence to acquire, reconstruct, renovate, equip and complete the Project Facility on or before the Completion Date. Completion of the acquisition, reconstruction, renovation and equipping of the Project Facility shall be evidenced by a certificate signed by an Authorized Representative of the Company and approved by the Agency, on or before the Completion Date, stating:

(1) The date of such completion;

(2) That all labor, services, materials, and supplies used therefor and all costs and expenses in connection therewith have been paid;

(3) That the Company has good and valid title to all Property constituting the Project Facility subject to the interest of the Agency therein and to this Dupli Building 2 Agency Lease, the Company Lease and the Bill of Sale; and

(4) That the Project Facility is ready for occupancy, use and operation for its intended purposes.

(b) Notwithstanding the foregoing, such certificate may state that (1) it is given without prejudice to any rights of the Company against third parties which exist at the date of such certificate or which may subsequently come into being; (2) it is given only for the purposes of this Section 4.2; and (3) no Person other than the Agency may benefit therefrom.

(c) Such certificate shall be accompanied by (1) copy of a certificate of occupancy, if required, and any and all permissions, licenses, or consents required of Governmental Authorities for the occupancy, operation, and use of the Project Facility for its intended purposes; and (2) Lien releases from the Company's contractor and any subcontractors under a contract with a price in excess of \$100,000.

4.3 COSTS OF COMPLETION PAID BY COMPANY.

(a) The Company agrees to complete the Project and to pay in full all costs of the reconstruction, renovation, equipping and completion of the Project Facility.

(b) No payment by the Company pursuant to this Section 4.3 shall entitle the Company to any diminution or abatement of any amounts payable by the Company under this Dupli Building 2 Agency Lease.

4.4 REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES.

In the event of a default by any materialman or Additional Agent (as defined herein) under any contract made by them in connection with reconstruction, renovation, equipping and completion of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship, or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company against the materialman or Additional Agent so in default and against each surety for the performance of such contract. The Company may prosecute or defend any action or proceeding or take any other action involving any such materialman or Additional Agent or surety which the Company deems reasonably necessary. The Company shall advise the Agency of any actions or proceedings taken hereunder. No such suit shall relieve the Company of any of its obligations under this Dupli Building 2 Agency Lease and the other Company Documents.

4.5 COOPERATION IN EXECUTION OF ADDITIONAL MORTGAGES AND MODIFICATIONS OF MORTGAGES.

The Agency agrees, upon written request of an Authorized Representative of 156 Solar and subject to the provisions of the Act, to use its commercially reasonable efforts to execute and deliver one or more Mortgages and such additional instruments and documents may be requested by 156 Solar and approved by counsel to the Agency and as may be required in connection with 156 Solar's financing or refinancing for the costs of reconstruction, renovation and equipping of the Project Facility, provided that:

(a) No Event of Default under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement, the Project Agreement or the Mortgage shall have occurred and be continuing; and

(b) The execution and delivery of such documents by the Agency (i) is permitted by law in effect at the time; and (ii) will serve the public purposes of the Act; and

(c) 156 Solar will be responsible for and shall pay, from the proceeds thereof or otherwise, the Agency's fee and the costs and expenses of the Agency incidental to such additional financing, refinancing or modification thereof, including without limitation the reasonable attorneys' fees of the Agency; and

(d) The documents to be signed by the Agency shall contain the provisions set forth in Sections 8.2 and 11.11 hereof, and shall not impose any duties or obligations upon the Agency except as may be acceptable to the Agency.

(e) Any and all Mortgages, shall, by its terms, be subordinate to the Agency's right to receive payments under the PILOT Agreement.

ARTICLE V
AGREEMENT TO LEASE PROJECT FACILITY; RENTAL PAYMENTS

5.1 AGREEMENT TO LEASE PROJECT FACILITY.

In consideration of the Company's covenant herein to make rental payments, and the other covenants of the Company contained herein, including the covenant to make additional rent and other payments required hereby, the Agency hereby agrees to lease to the Company, and the Company hereby agrees to lease from the Agency, the Project Facility for and during the term provided herein and upon and subject to the terms and conditions herein set forth and subject to Permitted Encumbrances.

The Agency's acceptance of the leasehold interest in and to the Land and Facility pursuant to the Company Lease, and its acquisition of an interest in the Equipment pursuant to the Bill of Sale, and the holding of said interests were effected and performed solely at the request of the Company pursuant to the requirements of the Act. The Agency hereby transfers and conveys all of its beneficial and equitable interests, if any, in the Project Facility to the Company, except for its Unassigned Rights. As a result, the parties hereby acknowledge and agree that subject to the terms and conditions of this Dupli Building 2 Agency Lease, 156 Solar has all of the equitable and beneficial ownership and other interest in the Project Facility (except for the Unassigned Rights), and will have all the equitable and beneficial ownership and other interest in the Project Facility (except for the Unassigned Rights), such that 156 Solar, and not the Agency, shall have an:

(i) unconditional obligation to bear the economic risk of depreciation and diminution in value of the Project Facility due to obsolescence or exhaustion, and shall bear the risk of loss if the Project Facility is destroyed or damaged;

(ii) unconditional obligation to keep the Project Facility in good condition and repair;

(iii) unconditional and exclusive right to the possession of the Project Facility, and shall have sole control of and responsibility for the Project Facility;

(iv) unconditional obligation to maintain insurance coverage on, and such reserves with respect to, the Project Facility as may be required by 156 Solar, the Agency and the Mortgagee with respect to the Project;

(v) unconditional obligation to pay all taxes levied on, or payments in lieu thereof, and assessments made with respect to, the Project Facility;

(vi) subject to the Unassigned Rights, unconditional and exclusive right to receive rental and any other income and other benefits of the Project Facility and from the operation of the Project;

(vii) unconditional obligation to pay for all of the capital investment in the Project Facility;

(viii) unconditional obligation to bear all expenses and burdens of the Project Facility and to pay for all maintenance and operating costs in connection with the Project Facility; and

(ix) unconditional and exclusive right to include all income earned from the operation of the Project Facility and claim all deductions and credits generated with respect to the Project Facility on its annual federal, state and local tax returns.

5.2 TERM OF LEASE; EARLY TERMINATION; SURVIVAL.

(a) The term of this Dupli Building 2 Agency Lease shall commence on the date hereof and continue in full force and effect until **June 30, 2033** (the "**Term**"), unless earlier terminated as provided herein. Notwithstanding anything herein to the contrary, the obligations of the Company to report hereunder and the Agency's rights to recapture shall continue during the Term of this Dupli Building 2 Agency Lease, but in the event of an early termination as provided for herein, the Company's obligation to report and the Agency's right to recapture shall not be less than the Reporting Period (as defined herein). As a condition to the termination of this Dupli Building 2 Agency Lease, the Company shall be obligated to execute and deliver the certification attached hereto at **Schedule "1"** regarding the Company's ongoing obligations.

(b) The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing, delivering and recording terminations of the Agency Lease, the Company Lease, preparing a bill of sale together with any other documents therewith and to take such other and further actions reasonably necessary to confirm the termination date of the Agency's interest in the Project.

(c) 156 Solar shall have the option, at any time during the Term of this Dupli Building 2 Agency Lease, to terminate this Dupli Building 2 Agency Lease. In the event that 156 Solar shall exercise its option to terminate this Dupli Building 2 Agency Lease pursuant to this Section 5.2(c), 156 Solar shall file with the Agency a certificate stating 156 Solar's intention to do so pursuant to this Section 5.2(c) and to comply with the requirements set forth in Section 5.2(d) hereof.

(d) As a condition to the effectiveness of 156 Solar's exercise of its right to early termination, the following payments shall be made:

(1) **To the Agency:** an amount certified by the Agency as sufficient to pay all unpaid fees and expenses of the Agency incurred under this Dupli Building 2 Agency Lease, the Company Lease and the PILOT Agreement (including, but not limited to those in connection with the early termination of this Dupli Building 2 Agency Lease); and

(2) **To the Appropriate Person:** an amount sufficient to pay all other fees, expenses or charges, if any, then due and payable under this Dupli Building 2 Agency Lease and the other Agency Documents.

(e) The certificate required to be filed pursuant to Section 5.2(c), setting forth the provision thereof permitting early termination of this Dupli Building 2 Agency Lease shall also specify the date upon which the payments pursuant to subdivision (d) of this Section 5.2 shall be

made, which date shall not be less than thirty (30) nor more than sixty (60) days from the date such certificate is filed with the Agency.

(f) Contemporaneously with the termination of this Dupli Building 2 Agency Lease in accordance with Sections 5.1 or 5.2 hereof, the Agency shall transfer, and 156 Solar shall accept, all of the Agency's right, title and interest in the Project Facility, including the Equipment, for a purchase price of One Dollar (\$1.00) plus the payment of all other sums due hereunder and all legal fees and costs associated therewith. Contemporaneously with the termination of this Dupli Building 2 Agency Lease, the Company Lease and the PILOT Agreement shall terminate; however, the Project Agreement shall survive in accordance with its terms.

(g) The Agency shall, upon payment by the Company of the amounts pursuant hereto and to Sections 5.2(d) above and Section 5.3, deliver to 156 Solar all documents furnished to the Agency by the Company, or prepared by the Agency at the sole expense of the Company, and reasonably necessary to evidence termination of the Company Lease and the Agency Lease, including, but not limited to, lease terminations and a bill of sale from the Agency with respect to its interest in the Equipment, without representation or warranty, subject to the following: (1) any Liens to which such Project Facility was subject when conveyed to the Agency, (2) any Liens created at the request of the Company or to the creation of which the Company consented or in the creation of which the Company acquiesced, (3) any Permitted Encumbrances, and (4) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Dupli Building 2 Agency Lease.

(h) The obligation of the Agency under this Section 5.2 to convey the Project Facility to 156 Solar will be subject to: (i) there being no uncured Event of Default existing hereunder or under any payment in lieu of tax agreement now or hereafter entered into with respect to all or any portion of the Project Facility or under any other Company Documents, or any other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default; and (ii) the Company's payment of all expenses, fees and taxes, if any, applicable to or arising from such transfer.

5.3 RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE.

(a) The Company shall pay basic rental payments for the Project Facility consisting of: (i) to the Agency an amount sufficient to pay the sums due under the PILOT Agreement at the times and in the manner provides for therein, and an amount sufficient to pay any and all other amounts due hereunder; and (ii) to the Mortgagee, an amount equal to the debt service and amounts becoming due and payable under the Mortgage and the indebtedness secured thereby on the due date thereof.

(b) The Company shall pay to the Agency, as additional rent, within ten (10) days after the receipt of a demand therefor from the Agency, any annual administrative fees of the Agency, the sum of the reasonable fees, costs and expenses of the Agency and the officers, members, agents, and employees thereof incurred by the reason of the Agency's lease or sublease of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Dupli Building 2 Agency Lease, the Company Lease or any of the other Agency Documents and any other fee or expense of the Agency with respect to the Project Facility, or any

of the other Agency Documents, the payment of which is not otherwise provided for under this Dupli Building 2 Agency Lease, including, without limitation, reasonable fees and disbursements of Agency counsel, including fees and expenses incurred in connection with the Agency's enforcement of any rights hereunder or incurred after the occurrence and during the continuance of an Event of Default, in connection with any waiver, consent, modification or amendment to this Dupli Building 2 Agency Lease or any other Agency Document that may be requested by the Company, or, in connection with any action by the Agency at the request of or on behalf of the Company hereunder or under any other Agency Document. Any additional rent not received within ten (10) business days after demand shall accrue interest after the expiration of such ten days at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is less.

(c) The administrative fee payable by the Company to the Agency in conjunction with this Project and the Agency's granting of Financial Assistance and all outstanding counsel fees and costs shall be paid at closing.

(d) The Company agrees to make the above-mentioned payments, without any further notice, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event that the Company shall fail to make or cause to be made any of the payments required under this Dupli Building 2 Agency Lease, the item or installment not so paid shall continue as an obligation of the Company until such item or installment is paid in full.

5.4 NATURE OF OBLIGATIONS OF COMPANY HEREUNDER.

(a) The obligations of the Company to make the payments required by this Dupli Building 2 Agency Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein, including but not limited to the Rental Restrictions, are joint and several general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue, or abate any payment required by, or fail to observe any of its other covenants or agreements contained in this Dupli Building 2 Agency Lease for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the reconstruction, renovation and equipping of the Project Facility, any defect in the title, design, operation, merchantability, fitness, or condition of the Project Facility, or any part thereof, or in the suitability of the Project Facility, or any part thereof, for the Company's purposes or needs, or failure of consideration for, destruction of or damage to, or Condemnation of title to, or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State of New York, or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection with this Dupli Building 2 Agency Lease or the Company Lease.

(b) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Dupli Building 2 Agency Lease or the Company Lease, and in the event the Agency should fail to perform any

such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance (subject to the provisions of Section 11.11).

**ARTICLE VI
MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE**

6.1 MAINTENANCE AND MODIFICATIONS OF PROJECT FACILITY.

The Company shall:

- (a) Keep the Project Facility in good condition and repair and preserve the same against waste, loss and damage, ordinary wear and tear excepted;
- (b) Make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural, or non-structural, foreseen or unforeseen) which is damaged, destroyed, or condemned; and
- (c) Operate the Project Facility in a sound and economic manner in general accordance with the Project description as set forth herein and in the Application and the Plans and Specifications the Company previously provided to the Agency in the Application or otherwise.

6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

- (a) The Company shall pay as the same respectively become due:
 - (1) Any and all taxes and governmental charges of any kind, whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility;
 - (2) All utility and other charges, including “service charges,” incurred or imposed for the operation, maintenance, use, occupancy, upkeep, and improvement of the Project Facility, the non-payment of which would create, or entitle the obligee to impose, a Lien on the Project Facility;
 - (3) All assessments and charges of any kind whatsoever lawfully made by any Governmental Authority for public improvements; and
 - (4) Any and all payments of taxes, if applicable, or all payments in lieu of taxes, if any, required to be made to the Agency under the terms of the PILOT Agreement or any other agreement with respect thereto.
- (b) Subject to the terms of the PILOT Agreement, 156 Solar may in good faith actively contest any such taxes, assessments, and other charges, provided that (1) 156 Solar shall have first notified the Agency of such contest; (2) no Event of Default under this Dupli Building 2 Agency Lease or any of the other Company Documents shall have occurred and be continuing; and (3) 156 Solar shall have set aside adequate reserves for any such taxes, assessments and other charges. If 156 Solar demonstrates to the reasonable satisfaction of the Agency and certifies to

the Agency by delivery of a written certificate, that the non-payment of any such items will not endanger any part of the Project Facility or subject the Project Facility, or any part thereof, to loss or forfeiture, 156 Solar may permit the taxes, assessments, and other charges so contested to remain unpaid during the period of such contest and any appeal therefrom. Otherwise, such taxes, assessments, or charges shall be paid promptly by 156 Solar or secured by 156 Solar's posting a bond in form and substance satisfactory to the Agency.

6.3 INSURANCE REQUIRED.

During the Term of this Dupli Building 2 Agency Lease, 156 Solar shall maintain or cause to be maintained insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type and as required of the Agency, paying (as the same becomes due and payable) all premiums with respect thereto, including:

(a) Insurance against loss or damage by fire, lightning, and other casualties customarily insured against (with a uniform standard extended coverage endorsement), such insurance to be in an amount not less than the full replacement value of the completed Project Facility, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the Company.

(b) Workers' compensation insurance, disability benefits' insurance, and each other form of insurance which the Company is required by law to provide covering loss resulting from injury, sickness, disability, or death of employees of the Company who are located at or assigned to the Project Facility;

(c) A policy of commercial general liability insurance with a limit of liability of not less than \$1,000,000 per occurrence on an "occurrence" basis and \$2,000,000 in the aggregate for bodily injury, including death, and property damage, including but not limited to, contractual liability under this Dupli Building 2 Agency Lease and personal injury, with blanket excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and Equipment and the Company's and the Agency's use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

6.4 ADDITIONAL PROVISIONS RESPECTING INSURANCE.

All insurance required by Section 6.3 shall be with insurance companies of recognized financial standing selected by 156 Solar and licensed to write such insurance in the State of New York. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other Persons engaged in businesses similar in size, character, and other respects to those in which 156 Solar are engaged. All policies evidencing such insurance except the Workers' Compensation policy shall name 156 Solar as insured and the Agency as an additional insured, as its interests may appear, and shall provide that such coverage with respect to the Agency be primary and non-contributory with any insurance secured by the Agency and

require at least thirty (30) days' prior written notice to the Agency of cancellation, reduction in policy limits, or material change in coverage thereof.

Prior to the Closing Date, 156 Solar shall deliver to the Agency, satisfactory to the Agency in form and substance: (i) certificates evidencing all insurance required hereby; (ii) the additional insured endorsement(s) applicable to the Agency; (iii) the final insurance binder addressed to 156 Solar covering the Project Facility; and (iv) evidence that the insurance so required is on a primary and non-contributory basis. In addition, 156 Solar shall provide, if so requested by the Agency, a final and complete copy of each insurance policy within thirty (30) days of the Closing Date.

156 Solar shall deliver or cause to be delivered to the Agency on or before the first business day of each January thereafter each of the items set forth in the immediately preceding paragraph, dated not earlier than the immediately preceding month, reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4. 156 Solar shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Dupli Building 2 Agency Lease each year throughout the Term of this Dupli Building 2 Agency Lease.

All premiums with respect to the insurance required by Section 6.3 shall be paid by 156 Solar, provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and 156 Solar shall pay immediately upon demand all sums so expended by the Agency, together with interest at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is less.

6.5 APPLICATION OF NET PROCEEDS OF INSURANCE.

The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 shall be applied as follows:

(a) The Net Proceeds of the insurance required by subsection 6.3(a) shall be paid and applied as provided in Section 7.1 hereof; and

(b) The Net Proceeds of the insurance required by subsections 6.3(b) and 6.3(c) shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

6.6 PAYMENTS IN LIEU OF REAL ESTATE TAXES.

The Company and the Agency have entered into a PILOT Agreement with respect to payments in lieu of real estate taxes for the Project Facility. 156 Solar and Dupli each agree that the obligations hereunder and under the PILOT Agreement with respect to the payment of taxes, or payments in lieu thereof, are joint and several.

**ARTICLE VII
DAMAGE, DESTRUCTION, AND CONDEMNATION**

7.1 DAMAGE OR DESTRUCTION.

(a) If the Mortgage shall be in effect or the Mortgagee shall have any interest in the Project Facility arising under or related to the Mortgage, whether by foreclosure or otherwise and the Project Facility shall be damaged or destroyed, in whole or in part, then insurance proceeds shall be paid in accordance with the relevant provisions of the Mortgage regarding the distribution of such insurance proceeds, provided that there shall be no abatement or reduction in amounts payable to the Agency hereunder. If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and the Project Facility shall be damaged or destroyed, in whole or in part:

(1) There shall be no abatement or reduction in the amounts payable by the Company under this Dupli Building 2 Agency Lease or otherwise (whether or not the Project Facility is replaced, repaired, rebuilt, or restored); and

(2) The Company shall promptly give notice thereof to the Agency; and

(3) Except as otherwise provided in subsections 7.1(b) and 7.1(c) hereof, upon receipt of the insurance proceeds, 156 Solar shall promptly replace, repair, rebuild, or restore the Project Facility to substantially the same condition as existed prior to such damage or destruction, with such changes, alterations, and modifications as may be desired by 156 Solar and consented to in writing by the Agency, provided that such changes, alterations, or modifications do not change the nature of the Project Facility, such that it does not constitute a “project” (as such quoted term is defined in the Act); and in the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, or restoration, 156 Solar shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility, then notwithstanding anything to the contrary contained in subsection 7.1(a), 156 Solar shall not be obligated to replace, repair, rebuild, or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection 7.1(a) if 156 Solar shall notify the Agency that, in 156 Solar’s sole judgment, 156 Solar does not deem it practical or desirable to replace, repair, rebuild, or restore the Project Facility. In such event, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) any other sums due and payable to the Agency pursuant to this Dupli Building 2 Agency Lease and the other Agency and Company Documents, shall be applied to the repayment of all amounts due to the Agency under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay any and all amounts payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of all such insurance settlements so that any and all amounts then due and payable under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement and the other Agency Documents to

the Agency shall be paid in full. If all amounts due under this Dupli Building 2 Agency Lease, the Company Lease, the Mortgage, the PILOT Agreement and the other Agency Documents are paid in full, all such Net Proceeds, or the balance thereof, shall be paid to the Company for its purposes.

(c) 156 Solar and the Mortgagee may adjust all claims under any policies of insurance required by subsections 6.3(a) and 6.3(c) hereof with the prior written consent of the Agency, which consent shall not be unreasonably withheld.

7.2 CONDEMNATION.

(a) If the Mortgage shall be in effect or the Mortgagee shall have any interest in the Project Facility arising under or related to the Mortgage, whether by foreclosure or otherwise and title to, or the use of, all, substantially all or less than substantially all of the Project Facility shall be taken by Condemnation, then Condemnation proceeds shall be paid in accordance with the relevant provisions of the Mortgage regarding the distribution of such Condemnation proceeds, provided that there shall be no abatement or reduction in amounts payable to the Agency hereunder. If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and if title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation:

(1) There shall be no abatement or reduction in the amounts payable by 156 Solar under this Dupli Building 2 Agency Lease or otherwise (whether or not the Project Facility is restored); and

(2) The Company shall promptly give notice thereof to the Agency; and

(3) Except as otherwise provided in subsections 7.2(b) and 7.2(c) hereof, upon receipt of the Condemnation proceeds, 156 Solar shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) to substantially the condition and value as an operating entity as existed prior to such Condemnation; and 156 Solar shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such Net Proceeds.

(b) If the Mortgage shall not be in effect and the Mortgagee shall have no interest in the Project Facility and if title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation, then notwithstanding anything to the contrary contained in subsection 7.2(a), 156 Solar shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection 7.2(a) if the Company shall notify the Agency that, in 156 Solar's sole judgment, 156 Solar does not deem it practical or desirable to restore the Project Facility. In such event, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to pay the Agency pursuant to this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement and the other Agency Documents, shall be applied to payment of all amounts then due and payable to the Agency under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents. If the Net Proceeds of any Condemnation award are less than the amount necessary to pay any and all amounts then due and payable to the Agency, the Company shall pay the difference between such amounts and the Net Proceeds of such Condemnation award so that any

and all amounts then due and payable under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement and other Agency Documents to the Agency shall be paid in full. If all amounts due under this Dupli Building 2 Agency Lease, the Company Lease, the PILOT Agreement, the Mortgage and the other Agency Documents have been paid in full, all such Net Proceeds or the balance thereof shall be paid to 156 Solar for its purposes.

(c) 156 Solar and the Mortgagee with the prior written consent of the Agency (which consent shall not be unreasonably withheld), shall have sole control of any Condemnation proceeding with respect to the Project Facility, or any part thereof, and may negotiate the settlement of any such proceeding.

7.3 ADDITIONS TO PROJECT FACILITY.

All replacements, repairs, rebuilding, or restoration made pursuant to Sections 7.1 or 7.2 hereof, whether or not requiring the expenditure of the Company's own moneys, shall automatically become part of the Project Facility as if the same were specifically described herein.

ARTICLE VIII SPECIAL COVENANTS

8.1 NO WARRANTY OF CONDITION OR SUITABILITY BY THE AGENCY; ACCEPTANCE "AS IS."

THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY, OR FITNESS OF THE PROJECT FACILITY, OR ANY PART THEREOF, OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE, WHETHER PATENT OR LATENT, THE AGENCY SHALL NOT HAVE ANY RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO.

8.2 HOLD HARMLESS PROVISIONS.

(a) The Company hereby releases the Agency and its members, officers, agents and employees from, agrees that the Agency and its members, officers, agents and employees shall not be liable for, and agrees to indemnify, defend, and hold the Agency and its members, officers, agents and employees harmless from and against any and all claims arising as a result of the Agency's undertaking the Project, including, but not limited to:

(1) Liability for loss or damage to Project Facility or bodily injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project Facility, or arising by reason of or in connection with the occupation or the use thereof, or the presence on, in, or about the Project Facility;

(2) Liability arising from or expense incurred by the Agency's acquisition of a leasehold interest in the Project Facility and the subleasing of the Project Facility, including, without limiting the generality of the foregoing, all liabilities or claims arising as a result of the Agency's obligations under this Dupli Building 2 Agency Lease, the Company Lease, the Mortgage or any other documents executed by the Agency at the direction of the Company in conjunction with the Project Facility;

(3) All claims arising from the exercise by the Company, and or its Additional Agents (as defined herein) of the authority conferred upon it and performance of the obligations assumed under Section 4.1 hereof;

(4) Any and all claims arising from the non-disclosure of information, if any, requested by the Company in accordance with Section 11.14 hereof;

(5) All causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities, or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents or employees.

To the fullest extent permitted by law, the foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportional liability.

(b) In the event of any claim against the Agency or its members, officers, agents, or employees by any employee of the Company, or any materialman or Additional Agent of the Company, or anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefit laws, or other employee benefit laws.

(c) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3, its liabilities assumed pursuant to this Section 8.2.

(d) Notwithstanding any other provisions of this Dupli Building 2 Agency Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Dupli Building 2 Agency Lease and the Company Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents or employees relating thereto.

(e) For purposes of this Section 8.2 and Section 11.11 hereof, the Company shall not be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

8.3 RIGHT OF ACCESS TO PROJECT FACILITY.

During the Term of this Dupli Building 2 Agency Lease, the Company agrees that the Agency and its duly authorized agents shall have the right to enter upon and to examine and inspect the Project Facility upon reasonable notice to the Company and with the least disturbance of Project Facility tenants as reasonably possible.

8.4 MAINTENANCE OF EXISTENCE.

During the Term of this Dupli Building 2 Agency Lease, the Company will maintain its existence and will not dissolve or otherwise dispose of all or substantially all of its assets.

8.5 AGREEMENT TO PROVIDE INFORMATION.

The Company shall have an obligation to report and provide information, as set forth herein during the Term hereof, but, in the event this Dupli Building 2 Agency Lease is terminated early in accordance with Section 5.2 hereof, the Company shall nonetheless report and provide information for a period of five (5) years from the termination date, unless the early termination occurs less than five years from the original Term hereof, in which case the Company shall continue to provide the required information and reporting for the remaining Term hereof (the "**Reporting Period**"); and no less frequently than annually, the Company agrees, whenever reasonably requested by the Agency or the Agency's auditor, to provide and certify, or cause to be certified, such information concerning the Project and/or the Company, its finances, Rent Restrictions and for itself and each of its Additional Agents, information regarding job creation^[1], Local Labor Requirements, exemptions from State and local sales and use tax, real property and mortgage recording taxes and other topics as the Agency from time to time reasonably considers necessary or appropriate including, but not limited to, the rent certification tenant form and annual reporting questionnaire, in substantially the form as set forth in **Exhibit "F"** attached hereto, those reports set forth in Section 8.12 hereof, and such other information necessary as to enable the Agency to monitor and/or make any reports required by law or governmental regulation, including but not limited to §875 of the Act (all of the foregoing collectively, the "**Reporting Requirements**").

Notwithstanding anything herein to the contrary, the Agency's ability to recapture benefits in accordance with its policy and the terms hereof, shall be for a period of time no less than the Reporting Period.

^[1] To the extent the Project includes commercial space and/or tenants for which the Company calculated job creation as part of its projections in its Application, the Company is obligated, through its lease or other rental agreement with those commercial tenants, to require that such tenants report to the Company, in accordance with the terms of Section 8.5 hereof, the number of full and part time jobs created and maintained by each such tenant for inclusion in the Company's reporting to or at the request of the Agency.

8.6 BOOKS OF RECORD AND ACCOUNT; FINANCIAL STATEMENTS.

During the Term of this Dupli Building 2 Agency Lease, the Company agrees to maintain proper accounts, records, and books, in which full and correct entries shall be made in accordance with generally accepted accounting principles, of all business and affairs of the Company.

8.7 COMPLIANCE WITH ORDERS, ORDINANCES, ETC.

(a) The Company agrees that it will, during any period in which the amounts due under this Dupli Building 2 Agency Lease remain unpaid, promptly comply with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions, and requirements of all Governmental Authorities, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter affect the Company's obligations hereunder or be applicable to the Project Facility, or any part thereof, or to any use, manner of use, or condition of the Project Facility, or any part thereof, the applicability of the same to be determined both as if the Agency were the owner of the Project Facility and as if the Company were the owner of the Project Facility.

(b) Notwithstanding the provisions of subsection 8.7(a), the Company may, in good faith, actively contest the validity or the applicability of any requirement of the nature referred to in said subsection 8.7(a), provided that the Company shall have first notified the Agency of such contest, no Event of Default shall be continuing under this Dupli Building 2 Agency Lease, or any of the other Company Documents; and such contest and failure to comply with such requirement shall not subject the Project Facility to loss or forfeiture. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency or its members, officers, agents, or employees may be liable for prosecution for failure to comply therewith, in which event the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

8.8 DISCHARGE OF LIENS AND ENCUMBRANCES.

During the Term of this Dupli Building 2 Agency Lease, the Company hereby covenants that, except for Permitted Encumbrances, the Company agrees not to create, or suffer to be created, any Lien on the Project Facility, or any part thereof without the prior written consent of the Agency. The Company shall promptly notify the Agency of any Permitted Encumbrances created, or suffered to be created, on the Project Facility.

8.9 PERFORMANCE BY AGENCY OF COMPANY'S OBLIGATIONS.

Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but need not, upon ten (10) days' prior written notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company, or the Agency and paying all expenses, including, without limitation, reasonable attorneys' fees; and the Company shall pay immediately upon demand all sums so

expended by the Agency under the authority hereof, together with the interest thereon at a rate of ten percent (10%) per annum or the highest rate permitted by law, whichever is greater.

8.10 DEPRECIATION DEDUCTIONS AND TAX CREDITS.

The parties agree that as between them, 156 Solar shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other State and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

8.11 EMPLOYMENT OPPORTUNITIES.

The Company shall insure that all employees and applicants for employment with regard to the Project are afforded equal employment opportunities without discrimination.

8.12 SALES AND USE TAX EXEMPTION.

(a) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain State and local sales use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. The Agency makes no representations or warranties that any property is exempt from the payment of State or local sales or use taxes. Any exemption from the payment of State or local sales or use taxes resulting from the involvement of the Agency with the Project shall be subject to Section 875 of the Act and shall be limited to purchases of services and tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency as a part of the Project prior to the Completion Date, or incorporated within the Project Facility prior to the Completion Date. No operating expenses of the Project Facility, and no other purchases of services or property shall be subject to an exemption from the payment of State sales or use tax. It is the intention of the parties hereto that 156 Solar will receive a State and local sales and use tax exemption with respect to the Project, said sales tax exemption to be evidenced by a letter to be issued by the Agency on the date of the execution of this Dupli Building 2 Agency Lease. 156 Solar acknowledges that as an agent of the Agency, it must complete and provide to each vendor Form ST-123 for purchases. The failure to furnish a completed Form ST-123 (IDA Agent or Project Operator Exempt Purchase Certificate) with each purchase will result in loss of the exemption for that purchase.

(b) 156 Solar may use and appoint a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively, "***Additional Agents***") in furtherance of the completion of the Project. However, for each Additional Agent, 156 Solar must first: (i) cause the each such appointed Additional Agent to execute and deliver a sub-agent agreement, in the form attached hereto at **Exhibit "G"**, and provide a fully executed copy to the Agency; and (ii) submit a completed Form ST-60 to the Agency for execution and filing with the New York State Department of Taxation and Finance.

(c) 156 Solar acknowledges and agrees that an Additional Agent must be appointed as an agent of the Agency in order to avail itself of the Agency's sales and use tax exemption for purchases or rentals of equipment, tools and supplies with respect to the Project Facility.

(d) Pursuant to Section 874(8) of the Act, the Company agrees to annually file and cause each Additional Agent or other operator of the Project Facility to file annually, with the New York State Department of Taxation and Finance, and provide the Agency with a copy of same, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "**Annual Sales Tax Report**"), a statement of the value of all sales and use tax exemptions claimed by 156 Solar and all other Additional Agents under the authority granted to 156 Solar pursuant to Section 4.1(b) of this Dupli Building 2 Agency Lease. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Sales Tax Report shall be removal of authority to act as agent of the Agency. Therefore, if the Company shall fail to comply with the requirements of this subsection (d), irrespective of any notice and cure period afforded, 156 Solar and each Additional Agent shall immediately cease to be the agent of the Agency in connection with the Project. 156 Solar is responsible for obtaining from the New York State Department of Taxation and Finance the current version of such Annual Sales Tax Report.

(e) The Company agrees to furnish to the Agency a copy of each such Annual Sales Tax Report submitted to the New York State Department of Taxation and Finance by the Company pursuant to Section 874(8) of the Act for itself and any Additional Agent.

(f) Pursuant to Section 874(9) of the Act, the Agency agrees to file within thirty (30) days of the Closing Date with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "**Thirty-Day Sales Tax Report**"), a statement identifying 156 Solar, or 30 days from the appointment of any Additional Agent appointed in accordance with the terms herein, as agent of the Agency, setting forth the taxpayer identification number of 156 Solar, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating the estimated value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(g) Pursuant to Section 875(3) of the Act, and in conjunction with Agency policy, the Agency shall and in some circumstances may, recover, recapture, receive or otherwise obtain from the Company the portion of the Financial Assistance consisting of State and local sales and use tax exemption (the "**Sales Tax Recapture Amount**") in accordance with the Agency's Recapture Policy, a copy of which is attached hereto at **Exhibit "H"**, this Dupli 1 Agency Lease and the Project Agreement.

8.13. IDENTIFICATION OF THE EQUIPMENT.

All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

ARTICLE IX ASSIGNMENTS; TRANSFERS; MERGER OF AGENCY

9.1 ASSIGNMENT OF AGENCY LEASE.

This Dupli Building 2 Agency Lease may not be assigned by the Company, in whole or in part, nor all or any part of the Project Facility subleased, nor any part of the Project Facility sold, leased, transferred, conveyed or otherwise disposed of without the prior written consent of the Agency, which consent shall be in the Agency's sole and absolute discretion; provided however, that 156 Solar may enter into leases for individual rental units that are part of the Project Facility without the consent of the Agency. Any assignment or sublease of this Dupli Building 2 Agency Lease shall not effect a release of the Company from its obligations hereunder or under the PILOT Agreement.

9.2 TRANSFERS OF INTERESTS.

Company shall not assign or otherwise transfer or allow an assignment or transfer, of a controlling interest in the Company, whether by operation of law or otherwise (including, without limitation, by way of a merger, consolidation or a change of control whereby the current existing equity holders of the Company, as of the date of the application to the Agency, would own, in the aggregate, less than a majority of the total combined voting power of all classes of equity interest of the Company or any surviving entity), without the prior written consent of Agency, which consent shall be in the Agency's sole and absolute discretion.

9.3 MERGER OF AGENCY.

(a) Nothing contained in this Dupli Building 2 Agency Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to any other body corporate and politic and public instrumentality of the State of New York, or political subdivision thereof, which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger, or assignment, the due and punctual performance and observance of all the agreements and conditions of this Dupli Building 2 Agency Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public instrumentality or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests hereunder shall be assigned.

(b) Promptly following the effective date of any such consolidation, merger, or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency

shall promptly furnish to the Company such additional information with respect to any such consolidation, merger, or assignment as the Company reasonably may request.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

10.1 EVENTS OF DEFAULT DEFINED.

The following shall be “Events of Default” under this Dupli Building 2 Agency Lease, and the terms “Event of Default” or “Default” shall mean, whenever they are used in this Dupli Building 2 Agency Lease, any one or more of the following events:

(a) A default by either Company in the due and punctual payment of the amounts specified to be paid pursuant to subsection 5.3 or 8.12(g); or

(b) Failure by 156 Solar to maintain the insurance required by Section 6.3; or

(c) A default in the performance or the observance of any other of the covenants, conditions, or agreements on the part of 156 Solar and/or Dupli, as applicable, in this Dupli Building 2 Agency Lease and the continuance thereof for a period of thirty (30) days after written notice is given by the Agency or, if such covenant, condition, or agreement is capable of cure but cannot reasonably be cured within such thirty-day period, the failure of either Company to commence to cure within such thirty-day period and to prosecute the same with due diligence and cure the same within an additional thirty (30) days; or

(d) A transfer in contravention of Article 9 hereof;

(e) The occurrence of an “Event of Default” under the Mortgage, the PILOT Agreement, the Company Lease, the Project Agreement or any of the other Company Documents which is not timely cured as provided therein; or

(f) Either Company shall generally not pay its debts as such debts become due or is unable to pay its debts as they become due.

(g) Either Company shall conceal, remove, or permit to be concealed or removed any part of its Property with intent to hinder, delay, or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance, or similar law, or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid, or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within thirty (30) days from the date thereof; or

(h) By order of a court of competent jurisdiction, a trustee, receiver, or liquidator of the Project Facility, or any part thereof, or of the Company shall be appointed and such order shall not be discharged or dismissed within sixty (60) days after such appointment; or

(i) The filing by the Company of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy statute; the failure by the Company within sixty (60) days to lift any execution, garnishment, or attachment of such consequence as will impair the Company's ability to carry out its obligations hereunder; the commencement of a case under Title 11 of the United States Code against the Company as the debtor, or commencement under any other federal or state bankruptcy statute of a case, action, or proceeding against the Company, and continuation of such case, action, or proceeding without dismissal for a period of sixty (60) days; the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or in connection with any insolvency or bankruptcy case, action, or proceeding, appointment by final order, judgment, or decree of a court of competent jurisdiction of a receiver or trustee of the whole or a substantial portion of the Property of the Company unless such order, judgment, or decree is vacated, dismissed, or dissolved within sixty (60) days of its issuance; or

(j) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance; or

(k) Failure by the Company to maintain and comply with the Rental Restrictions and to provide the required reporting and certifications to the Agency.

For the avoidance of doubt, a default by either Dupli or 156 Solar constitutes an Event of Default hereunder giving rise to the Agency's remedies and all liability is joint and several.

10.2 REMEDIES ON DEFAULT.

(a) Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- 1) Terminate this Dupli Building 2 Agency Lease;
- 2) Terminate the Company Lease;
- 3) Terminate the PILOT Agreement;
- 4) Terminate the Company's appointment as agent of the Agency; or
- 5) Take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due, or thereafter to become due, hereunder or under the Company Lease, the Project Agreement, or the PILOT Agreement, and/or to enforce the Company's obligations and duties under the Company Documents and the Agency's rights under the Agency Documents, including but not limited to, specific performance; or
- 6) Seek to recover all or some of the Recapture Amount in accordance with the Agency's Recapture Policy, this Dupli Building 2 Agency Lease and the Project Agreement.

(b) No action taken pursuant to this Section 10.2 shall relieve the Company from its obligations to make all payments required by Sections 5.3(b) and 8.2 hereof.

10.3 REMEDIES CUMULATIVE.

No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Dupli Building 2 Agency Lease, the Company Lease and the other Company Documents or the PILOT Agreement now or hereafter existing at law or in equity to collect any amounts then due, or thereafter to become due, hereunder and thereunder and to enforce the Agency's right to terminate this Dupli Building 2 Agency Lease, the PILOT Agreement and the Company Lease. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article 10, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Dupli Building 2 Agency Lease.

10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES.

In the event the Company should Default under any of the provisions of this Dupli Building 2 Agency Lease, or a dispute arises hereunder, and the Agency should employ attorneys or incur other expenses to preserve or enforce its rights hereunder or for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees and costs of such attorneys and such other expenses so incurred.

10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER.

In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI MISCELLANEOUS

11.1 NOTICES.

All notices, certificates, and other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the Person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

(a) If to the Agency, to: City of Syracuse Industrial Development Agency
201 East Washington Street, 6th Floor
Syracuse, New York 13202
Attn: Chair

With a copy to: Corporation Counsel
City of Syracuse
233 East Washington Street
Syracuse, New York 13202

and

Bousquet Holstein PLLC
One Lincoln Center, Suite 1000
110 West Fayette Street
Syracuse, New York 13202
Attn: Susan R. Katzoff, Esq.

(b) If to Dupli, to: Dupli Associates, LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

With a copy to: Lynn D'Elia Temes & Stanczyk LLC
100 Madison Street
Tower 1 – Suite 1905
Syracuse, New York 13202
Attn: Timothy M. Lynn, Esq.

(c) If to 156 Solar, to: 156 Solar Street LLC
113 Court Street
Binghamton, New York 13901
Attn: Mark E. Lane

With a copy to: Lynn D'Elia Temes & Stanczyk LLC
100 Madison Street
Tower 1 – Suite 1905
Syracuse, New York 13202
Attn: Timothy M. Lynn, Esq.

The Agency and the Company, may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, and other communications shall be sent.

11.2 BINDING EFFECT.

This Dupli Building 2 Agency Lease shall inure to the benefit of and shall be binding upon the Agency and the Company and, as permitted by this Dupli Building 2 Agency Lease, upon their respective heirs, successors and assigns.

11.3 SEVERABILITY.

If any one or more of the covenants or agreements provided herein on the part of the Agency or the Company to be performed shall for any reason be held, or shall in fact be, inoperative, unenforceable, or contrary to law in any particular circumstance; such circumstance shall not render the provision in question inoperative or unenforceable in any other circumstance. Further, if any one or more of the sentences, clauses, paragraphs, or sections herein is contrary to law, then such covenant(s) or agreement(s) shall be deemed severable of remaining covenants and agreements hereof and shall in no way affect the validity of the other provisions of this Dupli Building 2 Agency Lease.

11.4 AMENDMENTS, CHANGES AND MODIFICATIONS.

This Dupli Building 2 Agency Lease may not be amended, changed, modified, altered, or terminated except by an instrument in writing signed by the parties hereto.

11.5 COUNTERPARTS; ELECTRONIC SIGNATURE.

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

11.6 APPLICABLE LAW.

This Dupli Building 2 Agency Lease shall be governed exclusively by the applicable laws of the State of New York.

11.7 WAIVER OF TRIAL BY JURY.

THE COMPANY AND THE AGENCY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE ARISING UNDER THIS DUPLI BUILDING 2 AGENCY LEASE, AND THIS PROVISION SHALL SURVIVE THE TERMINATION OF THIS DUPLI BUILDING 2 AGENCY LEASE.

11.8 SUBORDINATION.

This Dupli Building 2 Agency Lease shall be subject and subordinate to the Company Lease and the Mortgage and all Permitted Encumbrances in all respects.

11.9 SURVIVAL OF OBLIGATIONS.

(a) The obligations of the Company to repay, defend and/or provide the indemnity or information required by Sections 8.2, 8.5 and 8.12 hereof shall survive the termination of this Dupli Building 2 Agency Lease and all such payments and obligations after such termination shall be made upon demand of the party to whom such payment and/or obligation is due.

(b) The obligations of the Company to repay, defend and/or provide the indemnity required by Sections 8.2 and 8.12 shall survive the termination of this Dupli Building 2 Agency Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action, or prosecution may be brought, and the payment in full or the satisfaction of such claim, cause of action, or prosecution, and the payment of all expenses and charges incurred by the Agency or its officers, members, agents (other than the Company) or employees relating thereto.

(c) The obligations of the Company required by Articles 4 and 5 and Sections 2.2, 8.4, 8.5 and 11.14 hereof shall similarly survive the termination of this Dupli Building 2 Agency Lease.

11.10 TABLE OF CONTENTS AND SECTION HEADINGS NOT CONTROLLING.

The Table of Contents and the Section headings in this Dupli Building 2 Agency Lease have been prepared for convenience of reference only and shall not control, affect the meaning of, or be taken as an interpretation of any provision of this Dupli Building 2 Agency Lease.

11.11 NO RECOURSE; SPECIAL OBLIGATION.

The obligations and agreements of the Agency contained herein and in the other Agency Documents and in any other instrument or document executed in connection herewith or therewith, and any instrument or document supplemental hereto or thereto, shall be deemed the obligations and agreements of the Agency and not of any member, officer, agent or employee of the Agency in his individual capacity; and the members, officers, agents and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. The obligations and agreements of the Agency contained herein or therein shall not constitute or give rise to an obligation of the State New York or of the City of Syracuse, and neither the State of New York nor the City of Syracuse shall be liable hereon or thereon. Further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived, and to be derived from, the lease, sale, or other disposition of the Project Facility, other than revenues derived from or constituting Unassigned Rights. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless:

(a) The party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and thirty (30) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or if compliance therewith would reasonably be expected to take longer than thirty (30) days, shall have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period; and

(b) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses; and

(c) If the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents or employees shall be subject to potential liability, the party seeking such order or decree shall (1) agree to indemnify and hold harmless the Agency and its members, officers, agents and employees against any liability incurred as a result of its compliance with such demand; and (2) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents and employees against all liability expected to be incurred as a result of compliance with such request.

(d) For purposes of this Section 11.11, neither the Company nor any Additional Agent shall be deemed to constitute an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

Any failure to provide notice, indemnity, or security to the Agency pursuant to this Section 11.11 shall not alter the full force and effect of any Event of Default under this Dupli Building 2 Agency Lease.

11.12 OBLIGATION TO SELL AND PURCHASE THE EQUIPMENT.

(a) Contemporaneously with the termination of this Dupli Building 2 Agency Lease in accordance with Section 5.2 hereof, the Agency shall sell and 156 Solar shall purchase all the Agency's right, title and interest in and to all of the Equipment for a purchase price equal to the sum of One Dollar (\$1.00), plus payment of all sums due and payable to the Agency or any other Person pursuant to this Dupli Building 2 Agency Lease and the other Company Documents. The Company hereby irrevocably designates the Agency as its attorney-in-fact, coupled with an interest, for the purpose of executing and delivering the bill of sale together with any other documents therewith, including lease terminations in accordance with Section 5.2 hereof, and to take such other and further actions reasonably necessary to confirm the termination of the Agency's interest in the Equipment.

(b) The sale and conveyance of the Agency's right, title and interest in and to the Equipment shall be effected by the execution and delivery by the Agency to 156 Solar of a bill of sale. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from such transfer of title. 156 Solar agrees to prepare the bill of sale to 156 Solar and all schedules thereto, together with all necessary documentation, and to forward same to the Agency at least thirty (30) days prior to the date that title to the Equipment is to be conveyed to 156 Solar. Dupli by executing this agreement consents to the foregoing.

(b) The Company agrees to prepare bill(s) of sale to the appropriate Company and all schedules thereto, together with all necessary documentation, and to forward same to the Agency at least thirty (30) days prior to the date that title to the Equipment is to be conveyed to the Company. The Agency shall have no obligation to determine, as between them, the respective interests of the Companies in and to the Equipment so transferred. In the event the Company fails to prepare such bill(s) of sale, the Agency may prepare one or more bills of sale in the name of any one or more of the Companies without regard to each Company's respective interest in the Equipment.

11.13 ENTIRE AGREEMENT.

This Dupli Building 2 Agency Lease and the Company Lease contain the entire agreement between the parties and all prior negotiations and agreements are merged therein.

11.14 DISCLOSURE.

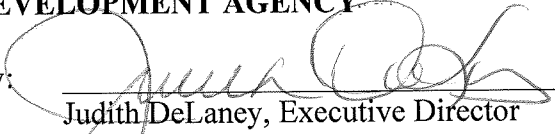

Section 875(7) of the New York General Municipal Law (“GML”) requires that the Agency post on its website all resolutions and agreements relating to the Company's appointment as an agent of the Agency or otherwise related to the Project; and Article 6 of the New York Public Officers Law declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Company feels that there are elements of the Project or information about the Company in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause

substantial injury to the Company's competitive position, the Company must identify such elements in writing, supply same to the Agency on or before the Closing Date, and request that such elements be kept confidential in accordance with Article 6 of the Public Officers Law. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the GML.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Agency and the Company have caused this Dupli Building 2 Agency Lease to be executed in their respective names by their duly authorized representatives as of the day and year first written above.

Equipment: means all materials, machinery, furnishings, fixtures and equipment installed or used at the Project Facility, as of the Closing Date and thereafter acquired for or installed in, or upon, the Project Facility, as more fully described in **Exhibit "D"** to the Dupli Building 2 Agency Lease.

Facility: means the buildings and other improvements located or to be constructed on the Land.

Financial Assistance: has the meaning given to such term in Section 854(14) of the Act.

Financial Assistance Recapture Amounts: means any and all other components of Financial Assistance, including any payment in lieu of taxes benefits received under the PILOT Agreement or any mortgage recording tax exemptions provided to the Company.

Governmental Authority: means any federal, state, municipal, or other governmental department, commission, board, bureau, agency, or instrumentality, domestic or foreign.

Land: means the improved real property located at 156 Solar Street in the City of Syracuse, County of Onondaga, New York, more particularly described on **Exhibit "C"** attached to the Dupli Building 2 Agency Lease.

Lien: means any interest in Property securing an obligation owed to a Person, whether such interest is based on the common law, statute or contract, and including, but not limited to, a security interest arising from a mortgage, encumbrance, pledge, conditional sale, or trust receipt

or a lease, consignment or bailment for security purposes. The term “Lien” includes reservations, exceptions, encroachments, projections, easements, rights of way, covenants, conditions, restrictions, leases, and other similar title exceptions and encumbrances, including, but not limited to mechanics, materialmen, warehousemen, and carriers liens and other similar encumbrances effecting real property. For purposes hereof, a Person shall be deemed to be the owner of any property which it has acquired or holds subject to a conditional sale agreement or other arrangement pursuant to which title to the property has been retained by or vested in some other person for security purposes.

Mortgage: means one or more mortgages from the Agency and the Company to the Mortgagee and recorded in the Onondaga County Clerk’s office subsequent to the filing and recording of the Memorandum of Dupli Building 2 Agency Lease, securing construction and/or permanent financing for the Project Facility, executed in accordance with Section 4.5 of the Dupli Building 2 Agency Lease, and securing the Note.

Mortgagee: means a lender, its successors and assigns, providing financing pursuant to the Note and Mortgage, relative to the costs of construction and/or equipping of the Project Facility.

Net Proceeds: means so much of the gross proceeds with respect to which that term is used as remain after payment of all expenses, costs and taxes (including attorneys’ fees) incurred in obtaining such gross proceeds.

Note: means one or more notes given by the Company to the Mortgagee in connection with the Mortgage for construction or permanent financing relative to the Project Facility.

Original Company Lease: means the Company Lease Agreement dated as of July 1, 2017 from Dupli to the Agency, pursuant to which Dupli leased the Project Facility to the Agency, as amended by that certain First Amendment to Company Lease dated as of December 1, 2020, by and among Dupli and the Agency, as the same may be further amended or supplemented from time to time.

Original Agency Lease: means the Agency Lease Agreement dated as of July 1, 2017 by and between the Agency and the Dupli, as amended by that certain First Amendment to Agency Lease dated as of December 1, 2020, by and among the Agency and Dupli, as the same may be further amended or supplemented from time to time.

Original PILOT Agreement: means the Payment in Lieu of Taxes Agreement dated as of July 1, 2017 between the Agency and Dupli, as amended by the First Amendment to PILOT Agreement dated as of December 1, 2020 between Dupli and the Agency and as the same may be further amended or supplemented from time to time.

Original Project Agreement: means the Project Agreement dated as of July 1, 2017 between the Agency and Dupli, as amended by the First Amendment to Project Agreement dated as of December 1, 2020 between Dupli and the Agency, as the same may be further amended or supplemented from time to time.

Permitted Encumbrances: means (A) utility, access and other easements and rights of way, and restrictions, encroachments and exceptions, that benefit or do not materially impair the utility or the value of the Property affected thereby for the purposes for which it is intended, (B) artisans', mechanics', materialmen's, warehousemen's, carriers', landlords', bankers', workmen's compensation, unemployment compensation and social security, and other similar Liens to the extent permitted by the Agency Lease, including the lien of the Mortgage, (C) Liens for taxes (1) to the extent permitted by the Agency Lease or (2) at the time not delinquent, (D) any Lien on the Project Facility obtained through any Agency Document or Company Document or the Mortgage, (E) Liens of judgments or awards in respect of which an appeal or proceeding for review shall be pending (or is pending within ten days after entry) and a stay of execution shall have been obtained (or is obtained within ten days after entry), or in connection with any claim or proceeding, (F) Liens on any Property hereafter acquired by the Company or any subsidiary which liens are created contemporaneously with such acquisition to secure or provide for the payment or financing of any part of the purchase price thereof, (G) Liens consisting solely of restrictions under any applicable laws or any negative covenants in any applicable agreements (but only to the extent that such restrictions and covenants do not prohibit the execution, delivery and performance by the Company of the Agency Lease and the Mortgage, and (H) existing mortgages or encumbrances on the Project Facility as of the Closing Date or thereafter incurred with the consent of the Mortgagee and the Agency.

Person: means an individual, partnership, corporation, limited liability company, trust, or unincorporated organization, and any government or agency or political subdivision or branch thereof.

Plans and Specifications: means the representations, plans and specifications presented by the Company to the Agency in its Application and as described in the Project description in the third WHEREAS cause of this Dupli Building 2 Agency Lease, and any other presentation made by the Company to the Agency relating to the construction, reconstruction, renovation, equipping and completion of the Project Facility; and any additional plans and specifications approved by the Mortgagee.

Project or Building 2 Project: shall have the meaning ascribed thereto in the sixth WHEREAS clause of this Dupli Building 2 Agency Lease.

Project Agreement: means collectively, the Original Project Agreement and the Dupli Building 2 Project Agreement, as the same may be further amended or supplemented from time to time.

Project Facility: means the Land, the Facility and the Equipment.

Property: means any interest in any kind of property or asset, whether real, personal, or mixed, or tangible or intangible.

Recapture Amount: means collectively, the Sales Tax Recapture Amount and the Financial Assistance Recapture Amounts.

Rental Restrictions: means, in accordance with the Agency's Uniform Tax Exemption Policy, the Company shall incorporate and rent twenty percent (20%) of the residential units in the Project Facility at the annual 65% AMI rent limit for the City as designated annually by US Department of Housing and Urban Development , inclusive of utilities.

Resolution or Resolutions: means the Agency's resolutions adopted on May 16, 2017, April 21, 2020 and October 20, 2020 authorizing the undertaking of the Project and the execution and delivery of certain documents by the Agency in connection therewith.

Sales and Use Tax or State Sales and Use Taxes: means, when used with respect to State sales and use taxes, sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

Sales Tax Recapture Amount: means the portion of the Financial Assistance consisting of State and local sales and use tax exemption the Agency shall and in some circumstances may, recover, recapture, receive or otherwise obtain from the Company pursuant to Section 875(3) of the Act, and in conjunction with Agency policy, in accordance with the Agency's Recapture Policy.

SEQRA: means the State Environmental Quality Review Act constituting Article 8 of the State Environmental Conservation Law and the regulations promulgated thereunder, as amended.

Solar Company Documents: means the Dupli Building 2 Company Lease, the Dupli Building 2 Agency Lease, the Dupli Building 2 Project Agreement, the Dupli Building 2 PILOT 156 Solar Bill of Sale, the Company Certification and any other documents executed by the 156 Solar in connection with the Project or the Financial Assistance granted in connection therewith.

State: means the State of New York.

Unassigned Rights: means:

(i) the right of the Agency in its own behalf to receive all opinions of counsel, reports, financial statements, certificates, insurance policies, binders or certificates, or other notices or communications, if any, required to be delivered to the Agency under the Agency Lease;

(ii) the right of the Agency to grant or withhold any consents or approvals required of the Agency under the Agency Lease;

(iii) the right of the Agency to enforce or otherwise exercise in its own behalf all agreements of the Company with respect to ensuring that the Project Facility shall always constitute a qualified "project" as defined in and as contemplated by the Act;

(iv) the right of the Agency to require and enforce any right of defense and any indemnity from any Person;

(v) the right of the Agency in its own behalf (or on behalf of the appropriate taxing authorities) to enforce, receive amounts payable under or otherwise exercise its rights under Sections 2.2(f), 2.2(h), 2.2(m), 2.2(q), 4.1, 4.5, 5.3, 5.4, 6.2, 6.3, 6.4, 8.2, 8.3, 8.5, 8.7, 8.9, 8.12, 10.2, 10.4, 11.9, 11.11 and 11.12 of the Agency Lease and Sections 2.6(g), 4.8 and 4.9 of the Company Lease; and

(vi) the right of the Agency in its own behalf to declare an Event of Default and enforce its remedies under Article X of the Agency Lease or with respect to any of the Agency's Unassigned Rights.

Form of Syracuse Industrial Development Agency — Project Jobs Data [year]

From:

To: _____, CPAs

Re:

The following jobs information is furnished to you with regard to the above cited project:

A. Job Retention/Creation:

I. Construction Jobs:

Provide the name of your general contractor: _____.

Provide the address (including county) of your general contractor: _____.

Is the general contractor MWBE qualified? _____.

Is the general contractor Service-Disabled Veteran-Owned Business Enterprises (SDVOBE) qualified? _____.

For each contractor and/or sub-contractor, provide the following information for the reporting period:

Bid awarded to (Name/Address/County*)	Value of contract	MWBE (Yes/No)	SDVOBE (Yes/No)	Number of jobs (FTE)

***Must include county**

II. Permanent (non-construction) Jobs:

Number of FTEs retained at the Project prior to date of application: _____.

Number of FTEs created by the Project during the reporting calendar year (*exclusive of construction jobs*): _____.

Of the jobs created by the Project during the reporting year (*exclusive of construction jobs*) identify how many are in each of the following categories:

Professional/Managerial/Technical - includes jobs which involve skill or competence of extraordinary degree and may include supervisory responsibilities (examples: architect, engineer, accountant, scientist, medical doctor, financial manager, programmer). **Number of jobs created in reporting year** _____.

Skilled - includes jobs that require specific skill sets, education, training, and experience and are generally characterized by high education or expertise level (examples: electrician, computer operator, administrative assistant, carpenter, sales representative). **Number of jobs created in reporting year** _____.

Unskilled or Semi-Skilled - includes jobs that require little or no prior acquired skills and involve the performance of simple duties that require the exercise of little or no independent judgment (examples: general cleaner, truck driver, typist, gardener, parking lot attendant, line operator, messenger, information desk clerk, crop harvester, retail salesperson, security guard, telephone solicitor, file clerk). **Number of jobs created in reporting year** _____.

Identify:

the average annual salary range of the FTEs (*exclusive of construction jobs*) created during the reporting year: \$ _____.

the total number of jobs (*exclusive of construction jobs*) created by the Project from the date of application through the reporting date: _____.

the total number of jobs (retained and created, *but exclusive of construction jobs*) at the Project from the date of application through the reporting date: _____.

What is the annual average salary range of the FTEs (*exclusive of construction jobs*) created at the Project to date: \$ _____.

B. Geographical Hiring Data:

1. Construction jobs:

Of the construction jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

2. FTEs hired (*exclusive of construction jobs*)

Of the FTE jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

Provide the same information reflecting FTEs hired from the date of application through the reporting date at the Project.

FORM OF SUB-AGENT AGREEMENT

THIS SUB-AGENT APPOINTMENT AGREEMENT (the "**Agreement**"), dated as of _____, 20 __, is by and between **156 SOLAR STREET, LLC** (the "**Company**"), with a mailing address of 113 Court Street, Binghamton, New York 13901 (and [NAME OF SUB-AGENT], a _____ of the State of New York, having an office for the transaction of business at _____ (the "**Sub-Agent**").

WITNESSETH:

WHEREAS, the City of Syracuse Industrial Development Agency (the "**Agency**") was created by Chapter 641 of the Laws of 1979 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "**Act**") as a body corporate and politic and as a public benefit corporation of the State of New York (the "**State**"); and

WHEREAS, by resolutions of its members adopted on May 16, 2017, April 21, 2020 and October 20, 2020 (the "**Resolution**"), the Agency agreed to undertake a project for the benefit of the Company (the "**Project**") consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City² (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement; and

² As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan*
http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

WHEREAS, under the Resolution and in the Agency Lease Agreement by and between the Company and the Agency dated as of December 1, 2020 (the “**Agency Lease**”) the Agency appointed the Company as its agent for purposes of completing the Project and delegated to the Company the authority to appoint as agents of the Agency a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (the “**Additional Agents**” or “**Sub-Agents**”), for the purpose of completing the Project and benefitting from the State and local sales and use tax exemption that forms a portion of the Financial Assistance all in accordance with the terms of the Resolution and the Agency Lease; and

WHEREAS, the Company and the Agency entered into a Project Agreement dated as of December 1, 2020 (the “**Project Agreement**”).

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. The Company hereby appoints the Sub-Agent as an Additional Agent of the Agency for the purpose of assisting the Company and the Agency in the completion of the Project and benefitting from the State and local sales and use tax exemption relative to expenditures made in furtherance thereof. The Sub-Agent is only an agent of the Agency for the aforementioned purposes. The Sub-Agent hereby agrees to limit its activities as agent for the Agency under the authority of this Agreement to acts reasonably related to the completion of the Project Facility.

2. The Sub-Agent covenants, agrees and acknowledges:

a. to make all records and information regarding State and local sales and use tax exemption benefits claimed by it in connection with the Project available to the Company and the Agency upon request. The Sub-Agent agrees to comply with all procedures and policies established by the State Department of Taxation and Finance, or any similar entity, regarding the documenting or reporting of any State and local sales and use tax exemption benefits, including providing to the Company all information of the Sub-Agent necessary for the Company to complete the State Department of Taxation and Finance’s “Annual Report of Sales and Use Tax Exemptions” (Form ST-340).

b. to be bound by and comply with the terms and conditions of the Agency’s policies, the Resolution and Section 875(3) of the Act (as if such section were fully set forth herein). Without limiting the scope of the foregoing, the Sub-Agent acknowledges and agrees to be bound by the Agency’s Suspension, Discontinuation and Recapture of Benefits Policy (the “**Recapture Policy**”), a copy of which is attached hereto as **Schedule “A”**.

c. that the failure of the Sub-Agent to promptly pay any Sales Tax Recapture Amount in accordance with the Recapture Policy, the Agency Lease and/or the Resolution to the Agency will be grounds for the Agency, the State Commissioner of Taxation and Finance or such other entity, to collect sales and use taxes from the Sub-Agent under Article 28 of the Tax Law, or other applicable law, policy or contract, together with interest and penalties. In addition to the foregoing, the Sub-Agent acknowledges and agrees that for purposes of exemption from State sales and use taxation, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the Tax Law but excluding such taxes

imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

d. that all purchases made by the Sub-Agent in connection with the Project shall be made using Form ST-123 (IDA Agent or Project Operator Exempt Purchase Certificate), a copy of which is attached hereto as **Exhibit “A”**). It shall be the responsibility of the Sub-Agent (and not the Company or the Agency) to complete Form ST-123. The failure to furnish a completed Form ST-123 with each purchase will result in loss of the exemption for that purchase.

e. that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Sub-Agent is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Sub-Agent acknowledges and agrees that the bill of invoice should state, “I, [NAME OF SUB-AGENT], certify that I am a duly appointed agent of the City of Syracuse Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following Agency project and that such purchases qualify as exempt from sales and use taxes under my Sub-Agent Appointment Agreement.” The Sub-Agent further acknowledges and agrees that the following information shall be used by the Sub-Agent to identify the Project on each bill and invoice: DUPLI ASSOCIATES, LLC PROJECT – BUILDING 2, 156 Solar Street, IDA Project No.: 31022006.

f. that for purposes of any exemption from the State sales and use taxation as part of any Financial Assistance requested, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

g. that the Sub-Agent shall indemnify and hold the Agency harmless from all losses, expenses, claims, damages and liabilities arising out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the Project Facility (including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), for such claims or liabilities that arise as a result of the Sub-Agent acting as agent for the Agency pursuant to this Agreement or otherwise.

The Sub-Agent shall indemnify and hold the Agency, its members, officers, employees and agents and anyone for whose acts or omissions the Agency or any one of them may be liable, harmless from all claims and liabilities for loss or damage to property or any injury to or death of any person that may be occasioned subsequent to the date hereof by any cause whatsoever in relation only to Sub-Agent’s work on or for the Project Facility, including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

The foregoing defenses and indemnities shall survive expiration or termination of this Agreement and shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of

them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

h. that as agent for the Agency or otherwise, the Sub-Agent will comply at the Sub-Agent's sole cost and expense with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Sub-Agent with respect to the Project Facility.

i. that Section 875(7) of the Act requires the Agency to post on its website all resolutions and agreements relating to the Sub-Agent's appointment as an agent of the Agency or otherwise related to the Project, including this Agreement, and that Public Officers Law Article 6 declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Sub-Agent feels that there is information about the Sub-Agent in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Sub-Agent's competitive position, the Sub-Agent must identify such elements in writing, supply same to the Agency prior to or contemporaneously with the execution hereof and request that such elements be kept confidential in accordance with Public Officers Law Article 6. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the Act.

j. The Sub-Agent agrees Local contractors and suppliers will be used for the construction and equipping of the Project unless a waiver is first received from the Agency in writing. Such waiver shall be in the Agency's sole discretion. The Sub-Agent agrees that such Local contractors shall be provided the opportunity to bid on contracts related to the Project. Local shall mean, for the purposes of this Agreement, Onondaga, Oswego, Madison, Cayuga, Cortland and Oneida Counties. Failure to comply with the local labor requirements of this Section (j) (collectively, the "**Local Labor Requirements**") may result in the revocation or recapture of benefits provided/approved to the Project by the Agency.

k. that the Sub-Agent must timely provide the Company with the necessary information to permit the Company, pursuant to General Municipal Law §874(8), to timely file an Annual Statement with the New York State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (Form ST-340) regarding the value of sales and use tax exemptions the Additional Agent claimed pursuant to the agency conferred on it by the Company with respect to this Project on an annual basis.

l. that the failure to comply with the foregoing will result in the loss of the exemption.

m. that if the Sub-Agent is the general contractor for the Project, then at all times following the execution of this Agreement, and during the term thereof, the Sub-Agent shall maintain or cause to be maintained the following insurance policies with an insurance company licensed in the State that has an A.M. Best rating of not less than A-:

(a) Insurance against loss or damage by fire, lightning, and other casualties customarily insured against (with a uniform standard extended coverage endorsement), such insurance to be in an amount not less than the full replacement value of the completed Project Facility, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the general contractor.

(b) Workers' compensation insurance, disability benefits' insurance, and each other form of insurance which the general contractor is required by law to provide covering loss resulting from injury, sickness, disability, or death of employees of the general contractor who are located at or assigned to the Project Facility;

(c) A policy of commercial general liability insurance with a limit of liability of not less than \$1,000,000 per occurrence on an "occurrence" basis and \$2,000,000 in the aggregate for bodily injury, including death, and property damage, including but not limited to, contractual liability under the Agency Lease and personal injury, with blanket excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and Equipment and the Company's and the Agency's use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

In addition, all insurance required by this section shall be with insurance companies of recognized financial standing selected by the general contractor and licensed to write such insurance in the State of New York. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other Persons engaged in businesses similar in size, character, and other respects to those in which the general contractor is engaged. All policies evidencing such insurance except the Workers' Compensation policy shall name the general contractor as insured and the Agency as an additional insured, as its interests may appear, and shall provide that such coverage with respect to the Agency be primary and non-contributory with any insurance secured by the Agency and require at least thirty (30) days' prior written notice to the Agency of cancellation, reduction in policy limits, or material change in coverage thereof.

Prior to the effective date of this Agreement, the general contractor shall deliver to the Agency, satisfactory to the Agency in form and substance: (i) Certificates evidencing all insurance required hereby; (ii) the additional insured endorsement(s) applicable to the Agency; (iii) the final insurance binder addressed to the general contractor covering the Project Facility; and (iv) evidence that the insurance so required is on a primary and non-contributory basis. In addition, the general contractor shall provide, if so requested by the Agency, a final and complete copy of each insurance policy within thirty (30) days of the execution of this Agreement.

The general contractor shall deliver or cause to be delivered to the Agency on or before the first business day of each January thereafter each of the items set forth in the immediately preceding paragraphs, dated not earlier than the immediately preceding month, reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required hereby for so long as the general contractor is performing, supervising or causing work to be done on or at the Project Facility. The

general contractor shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agreement in each such year.

n. that every controversy, dispute or claim arising out of or relating to this Agreement shall be governed by the laws of the State of New York, without regard to its conflicts-of-laws provisions that if applied might require the application of the laws of another jurisdiction; and that the Sub-Agent irrevocably and expressly submits to the exclusive personal jurisdiction of the Supreme Court of the State of New York and the United States District Court for the Northern District of New York, to the exclusion of all other courts, for the purposes of litigating every controversy, dispute or claim arising out of or relating to this Agreement.

3. Failure of the Sub-Agent to comply with any of the provisions of this Agreement shall result in the immediate nullification of the appointment of the Sub-Agent and the immediate termination of this Agreement and may result in the loss of the Company's State and local sales and use tax exemption with respect to the Project at the sole discretion of the Agency. In addition, such failure may result in the recapture of the State and local sales and use taxes avoided.

4. The Company acknowledges that the assumption of certain obligations by the Sub-Agent in accordance with this Agreement does not relieve the Company of its obligations under any provisions of the Agency Lease or of any other agreement entered into by the Company in connection with the Project.

5. The Company and the Sub-Agent agree that the Agency is a third-party beneficiary of this Agreement.

6. This Agreement shall be in effect until the earlier of: (i) the completion of the work on the Project by the Sub-Agent; or (ii) the Sub-Agent's loss of status as an agent of the Agency as set forth herein. Notwithstanding the foregoing, the provisions of Sections 2(b), 2(c), 2(f), 2(g), 2(j), and 2(l) shall survive the termination of this Agreement.

IN WITNESS WHEREOF, the Company and the Sub-Agent have caused this Agreement to be executed in their respective names by their respective duty authorized officers, all as of the day and year first above written.

FORM ST-123

New York State Department of Taxation and Finance

New York State Sales and Use Tax

IDA Agent or Project Operator

Exempt Purchase Certificate

Effective for projects beginning on or after June 1, 2014

ST-123

(7/14)

This certificate is not valid unless all entries have been completed.

Note: To be completed by the purchaser and given to the seller. Do not use this form to purchase motor fuel or diesel motor fuel exempt from tax. See Form FT-123, *IDA Agent or Project Operator Exempt Purchase Certificate for Fuel*.

Name of seller			Name of agent or project operator		
Street address			Street address		
City, town, or village	State	ZIP code	City, town, or village	State	ZIP code
Agent or project operator sales tax ID number (see instructions)					

Mark an **X** in one: Single-purchase certificate Blanket-purchase certificate (valid only for the project listed below)

To the seller:

You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

Project information

I certify that I am a duly appointed agent or project operator of the named IDA and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my agreement with the IDA.

Name of IDA		
Name of project	IDA project number (see OSC number)	
Street address of project site		
City, town, or village	State	ZIP code
Enter the date that you were appointed agent or project operator (mm/yy)	/	/
Enter the date that agent or project operator status ends (mm/yy)	/	/

Exempt purchases

(Mark an **X** in boxes that apply)

- A. Tangible personal property or services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) used to complete the project, but not to operate the completed project
- B. Certain utility services (gas, propane in containers of 100 pounds or more, electricity, refrigeration, or steam) used to complete the project, but not to operate the completed project
- C. Motor vehicle or tangible personal property installed in a qualifying motor vehicle

Certification: I certify that the above statements are true, complete, and correct, and that no material information has been omitted. I make these statements and issue this exemption certificate with the knowledge that this document provides evidence that state and local sales or use taxes do not apply to a transaction or transactions for which I tendered this document and that willfully issuing this document with the intent to evade any such tax may constitute a felony or other crime under New York State Law, punishable by a substantial fine and a possible jail sentence. I understand that this document is required to be filed with, and delivered to, the vendor as agent for the Tax Department for the purposes of Tax Law section 1838 and is deemed a document required to be filed with the Tax Department for the purpose of prosecution of offenses. I also understand that the Tax Department is authorized to investigate the validity of tax exclusions or exemptions claimed and the accuracy of any information entered on this document.

Signature of purchaser or purchaser's representative (include title and relationship)	Date
Type or print the name, title, and relationship that appear in the signature box	

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1118(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You must identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Privacy notification

New York State Law requires all government agencies that maintain a system of records to provide notification of the legal authority for any request, the principal purpose(s) for which the information is to be collected, and where it will be maintained. SCHEDULE "A"
to Sub-Agent Agreement
RECAPTURE POLICY

RECAPTURE POLICY

I. STATEMENT OF PURPOSE

The City of Syracuse Industrial Development Agency (the “*Agency*”) has adopted this Recapture Policy (the “*Recapture Policy*”) in accordance with Sections 874(10) and 874(11) of the New York State General Municipal Law. This Recapture Policy shall be consistent with and in compliance with the provisions of Chapter 1030 of Laws of 1969 of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “*Enabling Act*”) and Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (said Chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”), and any other applicable law.

II. MANDATORY RECAPTURE OF THE NEW YORK STATE PORTION OF SALES AND USE TAX

The Agency shall recapture from project applicants New York State sales and use tax benefits, in accordance with the provisions of the General Municipal Law, from projects that utilized State sales and use tax exemptions:

- a) To which the project was not entitled;
- b) In excess of the amounts authorized by the Agency;
- c) For property or services not authorized by the Agency; and/or
- d) For a project that has failed to comply with a material term or condition to use the property or services in the manner required by any of the project documents between the company and the Agency.

The approving resolution(s) and project documents granting financial assistance in the form of State sales and use tax exemption benefits shall include the terms and conditions of the foregoing recapture provision. Within thirty (30) days of the recapture, the recapture amount shall be remitted to the New York State Department of Taxation and Finance. Such remittances shall include interest, at the legal rate, imposed by the Agency. The failure to pay over such amounts to the Agency shall be grounds for the New York State Tax Commissioner to assess and determine

State sales and use taxes due from the company under article twenty-eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

In order to determine if one of the foregoing events have occurred (a “*State Mandated Recapture Event*”) and to effectuate this recapture of New York State sales and use tax benefits the Agency shall:

- a) Keep records of the New York State and local sales tax exemptions provided to each project, with such records available to the New York State Tax Commissioner upon request.
- b) Report within thirty days of providing any financial assistance in the form of a sales and use tax exemption, the project, the estimated amount of the exemption and other information as may be required by the New York State Tax Commissioner (Form ST-60).
- c) The Agency shall file an annual report with the New York State Tax Commissioner detailing its terms and conditions and its activities in recapturing any unauthorized New York State sales and use tax exemptions.

III. SUSPENSION, DISCONTINUATION, RECAPTURE AND TERMINATION OF OTHER FORMS OF FINANCIAL ASSISTANCE

With respect to all other financial assistance provided to a project (other than the State portion of sales and use tax exemptions) the Agency shall have the right to suspend, discontinue, recapture or terminate financial assistance to any company for a project to the extent that:

- a) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “*Local Sales Tax Benefit Violation*”);
- b) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“*Job Deficit*”);
- c) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“*Investment Deficit*”);
- d) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, and other objectives of the Project (“*Reporting Failure*”); or

- e) there otherwise occurs any event of default under any project document (each, an “Event of Default”) or a material violation of the terms and conditions of any project document (a “*Material Violation*”).

IV. ANNUAL ASSESSMENT

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State Mandated Recapture Event, a Local Sales Tax Benefit Violation, Job Deficit, Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “*Noncompliance Event*”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any project document in accordance with the terms of the project document.

At the time of any Noncompliance Event (other than a State Mandated Recapture Event), the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the financial assistance provided to a project, and shall consider the following in making its determination:

- a) Whether the company has proceeded in good faith.
- b) Whether the project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the company.
- c) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create a more adverse situation for the company, such as the company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- d) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create an adverse situation for the residents of the City of Syracuse.
- e) The assessment prepared in accordance with the Agency’s Annual Assessment Policy.
- f) Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the financial assistance (the “*Determination*”). The Determination shall provide terms, if any, by which a company may remedy any Noncompliance Event (other than a State Mandated Recapture Event) upon which the Determination was based. The company must

submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume financial assistance to the company (which will be at the Agency's sole discretion).

The project agreement entered into between the Agency and the company (the "*Project Agreement*") shall include the terms and conditions of the foregoing provisions. The Agency shall also include in the Project Agreement a requirement that the company comply with the Agency's right to suspend, discontinue, recapture or terminate the financial assistance and that the company shall repay all or a portion of the financial assistance granted by the Agency to the company pursuant to any Determination.

Any such amount constituting local tax exemptions shall be redistributed to the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction.

IV. RECAPTURE PERIOD

Except as otherwise provided by the General Municipal Law, the recapture period will be the longer of: (1) the term of the Lease Agreement; or (2) five years following the project's completion date. A project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the term of the Project Agreement.

Adopted: June 21, 2016

EXHIBIT "H"
RECAPTURE POLICY

City of Syracuse
Industrial Development Agency

RECAPTURE POLICY

I. STATEMENT OF PURPOSE

The City of Syracuse Industrial Development Agency (the “Agency”) has adopted this Recapture Policy (the “*Recapture Policy*”) in accordance with Sections 874(10) and 874(11) of the New York State General Municipal Law. This Recapture Policy shall be consistent with and in compliance with the provisions of Chapter 1030 of Laws of 1969 of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “*Enabling Act*”) and Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (said Chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”), and any other applicable law.

II. MANDATORY RECAPTURE OF THE NEW YORK STATE PORTION OF SALES AND USE TAX

The Agency shall recapture from project applicants New York State sales and use tax benefits, in accordance with the provisions of the General Municipal Law, from projects that utilized State sales and use tax exemptions:

- e) To which the project was not entitled;
- f) In excess of the amounts authorized by the Agency;
- g) For property or services not authorized by the Agency; and/or
- h) For a project that has failed to comply with a material term or condition to use the property or services in the manner required by any of the project documents between the company and the Agency.

The approving resolution(s) and project documents granting financial assistance in the form of State sales and use tax exemption benefits shall include the terms and conditions of the foregoing recapture provision. Within thirty (30) days of the recapture, the recapture amount shall be remitted to the New York State Department of Taxation and Finance. Such remittances shall include interest, at the legal rate, imposed by the Agency. The failure to pay over such amounts to the Agency shall be grounds for the New York State Tax Commissioner to assess and determine

State sales and use taxes due from the company under article twenty-eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

In order to determine if one of the foregoing events have occurred (a “*State Mandated Recapture Event*”) and to effectuate this recapture of New York State sales and use tax benefits the Agency shall:

- d) Keep records of the New York State and local sales tax exemptions provided to each project, with such records available to the New York State Tax Commissioner upon request.
- e) Report within thirty days of providing any financial assistance in the form of a sales and use tax exemption, the project, the estimated amount of the exemption and other information as may be required by the New York State Tax Commissioner (Form ST-60).
- f) The Agency shall file an annual report with the New York State Tax Commissioner detailing its terms and conditions and its activities in recapturing any unauthorized New York State sales and use tax exemptions.

III. SUSPENSION, DISCONTINUATION, RECAPTURE AND TERMINATION OF OTHER FORMS OF FINANCIAL ASSISTANCE

With respect to all other financial assistance provided to a project (other than the State portion of sales and use tax exemptions) the Agency shall have the right to suspend, discontinue, recapture or terminate financial assistance to any company for a project to the extent that:

- f) for projects that utilized local sales and use tax exemptions, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency, and/or such exemptions were for property or services not authorized by the Agency (each, a “*Local Sales Tax Benefit Violation*”);
- g) the company, upon completion of the project, fails to reach and maintain at least 85 percent of its employment requirements for job creation and/or retention (“*Job Deficit*”);
- h) the total investment actually made with respect to the project at the project’s completion date is less than 85 percent of its investment requirement (“*Investment Deficit*”);
- i) the company fails to provide annually to the Agency certain information to confirm that the project is achieving the investment, job retention, job creation, and other objectives of the Project (“*Reporting Failure*”); or

- j) there otherwise occurs any event of default under any project document (each, an “Event of Default”) or a material violation of the terms and conditions of any project document (a “*Material Violation*”).

IV. ANNUAL ASSESSMENT

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a State Mandated Recapture Event, a Local Sales Tax Benefit Violation, Job Deficit, Investment Deficit, Reporting Failure Event of Default or Material Violation (each a “*Noncompliance Event*”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any project document in accordance with the terms of the project document.

At the time of any Noncompliance Event (other than a State Mandated Recapture Event), the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the financial assistance provided to a project, and shall consider the following in making its determination:

- g) Whether the company has proceeded in good faith.
- h) Whether the project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the company.
- i) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create a more adverse situation for the company, such as the company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- j) Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance would create an adverse situation for the residents of the City of Syracuse.
- k) The assessment prepared in accordance with the Agency’s Annual Assessment Policy.
- l) Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of financial assistance.

The Agency shall document its evaluation of the above criteria in writing and based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the financial assistance (the “*Determination*”). The Determination shall provide terms, if any, by which a company may remedy any Noncompliance Event (other than a State Mandated Recapture Event) upon which the Determination was based. The company must

submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume financial assistance to the company (which will be at the Agency's sole discretion).

The project agreement entered into between the Agency and the company (the "*Project Agreement*") shall include the terms and conditions of the foregoing provisions. The Agency shall also include in the Project Agreement a requirement that the company comply with the Agency's right to suspend, discontinue, recapture or terminate the financial assistance and that the company shall repay all or a portion of the financial assistance granted by the Agency to the company pursuant to any Determination.

Any such amount constituting local tax exemptions shall be redistributed to the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction.

IV. RECAPTURE PERIOD

Except as otherwise provided by the General Municipal Law, the recapture period will be the longer of: (1) the term of the Lease Agreement; or (2) five years following the project's completion date. A project will remain "active" for purposes of Section 874(12) of General Municipal Law and the Agency's Annual Assessment Policy during the term of the Project Agreement.

Adopted: June 21, 2016

SCHEDULE 1

FORM OF CERTIFICATION REGARDING ONGOING OBLIGATIONS UPON TERMINATION OF LEASES

CERTIFICATION

In December, 2020, at the request of **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive), Syracuse, New York 13204 ("**Dupli**") and **156 SOLAR STREET LLC**, a New York limited liability company, having its office at 113 Court Street, Binghamton, New York 13901 ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), the City of Syracuse Industrial Development Agency (the "**Agency**") undertook undertake an amended project (the "**Project**" or "**Building 2 Project**") consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City³ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement.

The meaning of capitalized terms not otherwise defined herein shall have the meanings attached to them in the agency lease, dated as of December 1, 2020 between the Agency and the Company (the "**Agency Lease**").

On December 17, 2020 the Agency and the Company closed on a straight lease transaction with respect to the Project and the Financial Assistance (the "**Original Closing**") pursuant to which the parties executed and delivered the Company Documents and the Agency Documents (collectively the "**Lease Documents**").

³ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan*
http://www.syr.gov/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%202001-06-2016.pdf

Pursuant to the Company's request, the Agency terminated their leasehold interest in the Project Facility as of _____, 20__ (the "**Termination**").

Pursuant to the terms of the Agency lease, the Company is obligated to perform certain reporting requirements to the Agency.

- (1) certain provisions and obligations of the Lease Documents survive the Termination, including: Article 4 of the Agency Lease and Sections 2.2, 8.2, 8.5, 8.12, 11.7 and 11.14 of the Agency Lease;
- (2) in accordance with its terms, the entire Project Agreement, and the Company's obligations thereunder, shall survive the Termination;
- (3) the Company is familiar with all of the Agency's policies, including but not limited to, its Recapture Policy, and is bound thereby; and
- (4) in furtherance of (i) above, but without limiting the foregoing, the Company continues to be obligated to comply with the following reporting obligation in accordance with Article 4 of the Project Agreement:

Section 4.01. Compliance Commitments. The Company agrees and covenants that it shall meet and maintain the commitments set forth in (a) below beginning in the first year after completion of the Project. The Company further agrees and covenants that it shall meet and maintain the commitments set forth in (b) below with respect to retained jobs set forth in the Application starting in the first year in which Financial Assistance is claimed and/or provided; and with respect to new jobs, the Company shall create, in years one (1) through five (5) following completion of the Project the new jobs set forth in the Company's Application. The reporting of, and the commitment to, each of (a), (b) and (c) below continuing for a five (5) year period following completion of the Project (the "**Term**"):

(a) The total investment made with respect to the Project at the Project's completion date shall equal to or exceed \$8,992,896, being the total project cost as stated in the Company's Application for Financial Assistance (the "**Investment Commitment**").

(b) There were no full time equivalent ("**FTE**") employees retained by the Project Facility as of the date of the Application for Financial Assistance (the "**Baseline FTE**"). The Company's application estimated the creation of thirty-four (34) new FTEs (the "**New FTEs**") at the Project Facility within the first five (5) years following the Completion Date of the Project Facility. The Company covenants and agrees to create the New FTEs set forth in the first five (5) years following completion of the Project Facility as of and in the years set forth in the Application. The Company shall be required to meet and maintain all of the foregoing employment commitments during the Term (as defined in Section 6.07 below) hereof (the "**Employment Commitment**").

(c) The Company shall annually provide to the Agency certain information to confirm that the Project is achieving the investment, job retention, job creation, and other objectives of the Project for the Term (the “**Reporting Commitment**”).

Section 4.02. Reporting Requirement. As part of the commitments set forth in Section 4.01, the Company shall provide annually, to the Agency, a certified statement and supporting documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the Project location, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. **Exhibit A** contains a form of annual certification that the Company must complete and submit to the Agency on an annual basis. The Agency reserves the right to modify such form to require additional information that the Agency must have in order to comply with its reporting requirements under the Act.

SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY
201 East Washington Street, 6th Floor, Syracuse, New York 13202

Date

COMPANY
COMPANY ADDRESS

Dear _____:

Our auditors, _____, CPAs are conducting an audit of our financial statements for the year ended December 31, _____. In connection with that audit, we request that you furnish certain information directly to our auditor with regard to the following security issued by/through the City of Syracuse Industrial Development Agency:

Sale - Leaseback Financing

Project:

Date of Financing:

Principal Amount Financed:

Maturity Date:

Original Interest Rate:

Please provide the following information as of December 31, [year]:

Name of Lender

Debt Retired in [year] Yes/No

Debt Refinanced in [year] Yes/No

(If Yes, please update information in Paragraph 1 above)

Debt in Default as of [date] Yes/No

Current Interest Rate(s)

Rate range, if Variable

Principal balance outstanding as of [date]

Principal payments made during [year]

Payments in Lieu of Taxes (PILOT)

paid in [year]

Total cost of goods/services purchased: \$ _____

New York State Sales Tax Exemptions Claimed [year]

New York Local Sales Tax Exemptions Claimed: [year]

New York State Mortgage Recording

Tax Exemption: [year]

Form of Syracuse Industrial Development Agency — Project Jobs Data [year]

From:

To: _____, CPAs

Re:

The following jobs information is furnished to you with regard to the above cited project:

A. Job Retention/Creation:

III. Construction Jobs:

Provide the name of your general contractor: _____.

Provide the address (including county) of your general contractor: _____.

Is the general contractor MWBE qualified? _____.

Is the general contractor Service-Disabled Veteran-Owned Business Enterprises (SDVOBE) qualified? _____.

For each contractor and/or sub-contractor, provide the following information for the reporting period:

Bid awarded to (Name/Address/County*)	Value of contract	MWBE (Yes/No)	SDVOBE (Yes/No)	Number of jobs (FTE)

***Must include county**

IV. Permanent (non-construction) Jobs:

Number of FTEs retained at the Project prior to date of application: _____.

Number of FTEs created by the Project during the reporting calendar year (*exclusive of construction jobs*): _____.

Of the jobs created by the Project during the reporting year (*exclusive of construction jobs*) identify how many are in each of the following categories:

Professional/Managerial/Technical - includes jobs which involve skill or competence of extraordinary degree and may include supervisory responsibilities (examples: architect, engineer, accountant, scientist, medical doctor, financial manager, programmer). **Number of jobs created in reporting year** _____.

Skilled - includes jobs that require specific skill sets, education, training, and experience and are generally characterized by high education or expertise level (examples: electrician, computer operator, administrative assistant, carpenter, sales representative). **Number of jobs created in reporting year** _____.

Unskilled or Semi-Skilled - includes jobs that require little or no prior acquired skills and involve the performance of simple duties that require the exercise of little or no independent judgment (examples: general cleaner, truck driver, typist, gardener, parking lot attendant, line operator, messenger, information desk clerk, crop harvester, retail salesperson, security guard, telephone solicitor, file clerk). **Number of jobs created in reporting year** _____.

Identify:

the average annual salary range of the FTEs (*exclusive of construction jobs*) created during the reporting year: \$ _____.

the total number of jobs (*exclusive of construction jobs*) created by the Project from the date of application through the reporting date: _____.

the total number of jobs (retained and created, *but exclusive of construction jobs*) at the Project from the date of application through the reporting date: _____.

What is the annual average salary range of the FTEs (*exclusive of construction jobs*) created at the Project to date: \$ _____.

B. Geographical Hiring Data:

3. Construction jobs:

Of the construction jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

4. FTEs hired (*exclusive of construction jobs*)

Of the FTE jobs created during the reporting period, provide the zip codes for the hires (based upon hire's residence); and, if more than one (1) FTE hired during the reporting period, identify the number of FTEs hired from each zip code.

Provide the same information reflecting FTEs hired from the date of application through the reporting date at the Project.

Combined Real Estate Transfer Tax Return, Credit Line Mortgage Certificate, and Certification of Exemption from the Payment of Estimated Personal Income Tax

See Form TP-584-I, Instructions for Form TP-584, before completing this form. Print or type.

Schedule A - Information relating to conveyance

Form with sections for Grantor/Transferor and Grantee/Transferee, including fields for Name, Mailing address, City, State, ZIP code, Social Security number (SSN), and Employer Identification Number (EIN).

Location and description of property conveyed

Table with 5 columns: Tax map designation - Section, block & lot; SWIS code (six digits); Street address; City, town, or village; County. Row 1: 118.-06-01.0, 311500, 156 Solar Street, Syracuse, Onondaga.

Type of property conveyed (mark an X in applicable box)

Form with checkboxes for property types (1-9) and date of conveyance (12/01/2020). Includes percentage of real property conveyed which is residential real property.

Form with checkboxes for conditions of conveyance (a-s), including fee interest, acquisition of controlling interest, cooperative housing, syndication, etc.

Table for recording officer's use with columns: Amount received (Schedule B, Part 1 and 2), Date received, Transaction number.

Schedule B – Real estate transfer tax return (Tax Law Article 31)

Part 1 – Computation of tax due

- 1 Enter amount of consideration for the conveyance (if you are claiming a total exemption from tax, mark an X in the Exemption claimed box, enter consideration and proceed to Part 3) Exemption claimed
- 2 Continuing lien deduction (see instructions if property is taken subject to mortgage or lien)
- 3 Taxable consideration (subtract line 2 from line 1)
- 4 Tax: \$2 for each \$500, or fractional part thereof, of consideration on line 3
- 5 Amount of credit claimed for tax previously paid (see instructions and attach Form TP-584.1, Schedule G)
- 6 Total tax due* (subtract line 5 from line 4)

1.	0	00
2.	0	00
3.	0	00
4.	0	00
5.	0	00
6.	0	00

Part 2 – Computation of additional tax due on the conveyance of residential real property for \$1 million or more

- 1 Enter amount of consideration for conveyance (from Part 1, line 1)
- 2 Taxable consideration (multiply line 1 by the percentage of the premises which is residential real property, as shown in Schedule A) ...
- 3 Total additional transfer tax due* (multiply line 2 by 1% (.01))

1.		
2.		
3.		

Part 3 – Explanation of exemption claimed on Part 1, line 1 (mark an X in all boxes that apply)

The conveyance of real property is exempt from the real estate transfer tax for the following reason:

- a. Conveyance is to the United Nations, the United States of America, New York State, or any of their instrumentalities, agencies, or political subdivisions (or any public corporation, including a public corporation created pursuant to agreement or compact with another state or Canada) a
- b. Conveyance is to secure a debt or other obligation..... b
- c. Conveyance is without additional consideration to confirm, correct, modify, or supplement a prior conveyance..... c
- d. Conveyance of real property is without consideration and not in connection with a sale, including conveyances conveying realty as bona fide gifts..... d
- e. Conveyance is given in connection with a tax sale..... e
- f. Conveyance is a mere change of identity or form of ownership or organization where there is no change in beneficial ownership. (This exemption cannot be claimed for a conveyance to a cooperative housing corporation of real property comprising the cooperative dwelling or dwellings.) Attach Form TP-584.1, Schedule F f
- g. Conveyance consists of deed of partition g
- h. Conveyance is given pursuant to the federal Bankruptcy Act..... h
- i. Conveyance consists of the execution of a contract to sell real property, without the use or occupancy of such property, or the granting of an option to purchase real property, without the use or occupancy of such property..... i
- j. Conveyance of an option or contract to purchase real property with the use or occupancy of such property where the consideration is less than \$200,000 and such property was used solely by the grantor as the grantor's personal residence and consists of a one-, two-, or three-family house, an individual residential condominium unit, or the sale of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold covering an individual residential cooperative apartment..... j
- k. Conveyance is not a conveyance within the meaning of Tax Law, Article 31, § 1401(e) (attach documents supporting such claim) See Schedule "A"..... k

* The total tax (from Part 1, line 6 and Part 2, line 3 above) is due within 15 days from the date of conveyance. Make check(s) payable to the county clerk where the recording is to take place. For conveyances of real property within New York City, use Form TP-584-NYC. If a recording is not required, send this return and your check(s) made payable to the **NYS Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-0045. If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*.

Schedule C – Credit Line Mortgage Certificate (Tax Law Article 11)

Complete the following only if the interest being transferred is a fee simple interest.

This is to certify that: (mark an X in the appropriate box)

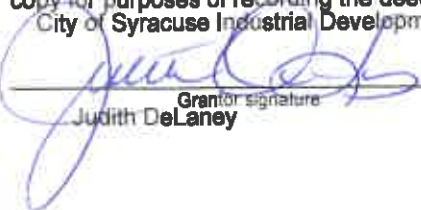

1. The real property being sold or transferred is not subject to an outstanding credit line mortgage.
2. The real property being sold or transferred is subject to an outstanding credit line mortgage. However, an exemption from the tax is claimed for the following reason:
 - a. The transfer of real property is a transfer of a fee simple interest to a person or persons who held a fee simple interest in the real property (whether as a joint tenant, a tenant in common or otherwise) immediately before the transfer.
 - b. The transfer of real property is (A) to a person or persons related by blood, marriage or adoption to the original obligor or to one or more of the original obligors or (B) to a person or entity where 50% or more of the beneficial interest in such real property after the transfer is held by the transferor or such related person or persons (as in the case of a transfer to a trustee for the benefit of a minor or the transfer to a trust for the benefit of the transferor).
 - c. The transfer of real property is a transfer to a trustee in bankruptcy, a receiver, assignee, or other officer of a court.
 - d. The maximum principal amount secured by the credit line mortgage is \$3 million or more, and the real property being sold or transferred is not principally improved nor will it be improved by a one- to six-family owner-occupied residence or dwelling.

Note: for purposes of determining whether the maximum principal amount secured is \$3 million or more as described above, the amounts secured by two or more credit line mortgages may be aggregated under certain circumstances. See TSB-M-96(6)-R for more information regarding these aggregation requirements.

- e. Other (attach detailed explanation).
3. The real property being transferred is presently subject to an outstanding credit line mortgage. However, no tax is due for the following reason:
 - a. A certificate of discharge of the credit line mortgage is being offered at the time of recording the deed.
 - b. A check has been drawn payable for transmission to the credit line mortgagee or mortgagee's agent for the balance due, and a satisfaction of such mortgage will be recorded as soon as it is available.
4. The real property being transferred is subject to an outstanding credit line mortgage recorded in _____ (insert liber and page or reel or other identification of the mortgage). The maximum principal amount of debt or obligation secured by the mortgage is _____. No exemption from tax is claimed and the tax of _____ is being paid herewith. (Make check payable to county clerk where deed will be recorded.)

Signature (both the grantors and grantees must sign)

The undersigned certify that the above information contained in Schedules A, B, and C, including any return, certification, schedule, or attachment, is to the best of their knowledge, true and complete, and authorize the person(s) submitting such form on their behalf to receive a copy for purposes of recording the deed or other instrument effecting the conveyance.

Schedule C – Credit Line Mortgage Certificate (Tax Law Article 11)

Complete the following only if the interest being transferred is a fee simple interest.

This is to certify that: (mark an X in the appropriate box)

1. The real property being sold or transferred is not subject to an outstanding credit line mortgage.
2. The real property being sold or transferred is subject to an outstanding credit line mortgage. However, an exemption from the tax is claimed for the following reason:
 - a. The transfer of real property is a transfer of a fee simple interest to a person or persons who held a fee simple interest in the real property (whether as a joint tenant, a tenant in common or otherwise) immediately before the transfer.
 - b. The transfer of real property is (A) to a person or persons related by blood, marriage or adoption to the original obligor or to one or more of the original obligors or (B) to a person or entity where 50% or more of the beneficial interest in such real property after the transfer is held by the transferor or such related person or persons (as in the case of a transfer to a trustee for the benefit of a minor or the transfer to a trust for the benefit of the transferor).
 - c. The transfer of real property is a transfer to a trustee in bankruptcy, a receiver, assignee, or other officer of a court.
 - d. The maximum principal amount secured by the credit line mortgage is \$3 million or more, and the real property being sold or transferred is not principally improved nor will it be improved by a one- to six-family owner-occupied residence or dwelling.

Note: for purposes of determining whether the maximum principal amount secured is \$3 million or more as described above, the amounts secured by two or more credit line mortgages may be aggregated under certain circumstances. See TSB-M-96(6)-R for more information regarding these aggregation requirements.

- e. Other (attach detailed explanation).
3. The real property being transferred is presently subject to an outstanding credit line mortgage. However, no tax is due for the following reason:
 - a. A certificate of discharge of the credit line mortgage is being offered at the time of recording the deed.
 - b. A check has been drawn payable for transmission to the credit line mortgagee or mortgagee's agent for the balance due, and a satisfaction of such mortgage will be recorded as soon as it is available.
4. The real property being transferred is subject to an outstanding credit line mortgage recorded in _____ (Insert liber and page or reel or other identification of the mortgage). The maximum principal amount of debt or obligation secured by the mortgage is _____. No exemption from tax is claimed and the tax of _____ is being paid herewith. (Make check payable to county clerk where deed will be recorded.)

Signature (both the grantors and grantees must sign)

The undersigned certify that the above information contained in Schedules A, B, and C, including any return, certification, schedule, or attachment, is to the best of their knowledge, true and complete, and authorize the person(s) submitting such form on their behalf to receive a copy for purposes of recording the deed or other instrument effecting the conveyance.

City of Syracuse Industrial Development Agency _____ Judith DeLaney Grantor signature	Executive Director _____ Title	Dupli Associates LLC by FS Development Associates, LLC, its Manager _____ Mark E. Lane Grantee signature	Managing Member _____ Title
_____ Grantor signature	_____ Title	156 Solar Street LLC, By: Dupli Associates LLC, its Managing Member By: FS Development Associates, LLC, its Manager _____ Mark E. Lane Grantee signature	Managing Member _____ Title

Reminder: Did you complete all of the required information in Schedules A, B, and C? Are you required to complete Schedule D? If you marked e, f, or g in Schedule A, did you complete Form TP-584.1? Have you attached your check(s) made payable to the county clerk where recording will take place? If no recording is required, send this return and your check(s), made payable to the **NYS Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-0045. If not using U.S. Mail, see Publication 55, Designated Private Delivery Services.

Schedule D – Certification of exemption from the payment of estimated personal income tax (Tax Law, Article 22, § 663)

Complete the following only if a fee simple interest or a cooperative unit is being transferred by an individual or estate or trust.

If the property is being conveyed by a referee pursuant to a foreclosure proceeding, proceed to Part 2, mark an X in the second box under *Exemption for nonresident transferors/sellers*, and sign at bottom.

Part 1 – New York State residents

If you are a New York State resident transferor/seller listed in Form TP-584, Schedule A (or an attachment to Form TP-584), you must sign the certification below. If one or more transferor/seller of the real property or cooperative unit is a resident of New York State, each resident transferor/seller must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all resident transferors/sellers.

Certification of resident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller as signed below was a resident of New York State, and therefore is not required to pay estimated personal income tax under Tax Law § 663(a) upon the sale or transfer of this real property or cooperative unit.

Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date

Note: A resident of New York State may still be required to pay estimated tax under Tax Law § 685(c), but not as a condition of recording a deed.

Part 2 – Nonresidents of New York State

If you are a nonresident of New York State listed as a transferor/seller in Form TP-584, Schedule A (or an attachment to Form TP-584) but are not required to pay estimated personal income tax because one of the exemptions below applies under Tax Law § 663(c), mark an X in the box of the appropriate exemption below. If any one of the exemptions below applies to the transferor/seller, that transferor/seller is not required to pay estimated personal income tax to New York State under Tax Law § 663. Each nonresident transferor/seller who qualifies under one of the exemptions below must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all nonresident transferors/sellers.

If none of these exemption statements apply, you must complete Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*, or Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*. For more information, see *Payment of estimated personal income tax*, on Form TP-584-I, page 1.

Exemption for nonresident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller (grantor) of this real property or cooperative unit was a nonresident of New York State, but is not required to pay estimated personal income tax under Tax Law § 663 due to one of the following exemptions:

- The real property or cooperative unit being sold or transferred qualifies in total as the transferor's/seller's principal residence (within the meaning of Internal Revenue Code, section 121) from _____ Date _____ to _____ Date _____ (see instructions).
- The transferor/seller is a mortgagor conveying the mortgaged property to a mortgagee in foreclosure, or in lieu of foreclosure with no additional consideration.
- The transferor or transferee is an agency or authority of the United States of America, an agency or authority of New York State, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, or a private mortgage insurance company.

k. Contract assignment
l. Option assignment or surrender
m. Leasehold assignment or surrender
n. [X] Leasehold grant
o. Conveyance of an easement
p. [X] Conveyance for which exemption from transfer tax claimed
q. Conveyance of property partly within and partly outside the state
r. Conveyance pursuant to divorce or separation
s. Other (describe)

Table for recording officer's use with columns: Amount received, Date received, and Transaction number. Includes sub-rows for Schedule B, Part 1 and Part 2.

Schedule B – Real estate transfer tax return (Tax Law Article 31)

Part 1 – Computation of tax due

- 1 Enter amount of consideration for the conveyance (if you are claiming a total exemption from tax, mark an X in the Exemption claimed box, enter consideration and proceed to Part 3) Exemption claimed
- 2 Continuing lien deduction (see instructions if property is taken subject to mortgage or lien)
- 3 Taxable consideration (subtract line 2 from line 1)
- 4 Tax: \$2 for each \$500, or fractional part thereof, of consideration on line 3
- 5 Amount of credit claimed for tax previously paid (see instructions and attach Form TP-584.1, Schedule G)
- 6 Total tax due* (subtract line 5 from line 4)

1.	0	00
2.	0	00
3.	0	00
4.	0	00
5.	0	00
6.	0	00

Part 2 – Computation of additional tax due on the conveyance of residential real property for \$1 million or more

- 1 Enter amount of consideration for conveyance (from Part 1, line 1)
- 2 Taxable consideration (multiply line 1 by the percentage of the premises which is residential real property, as shown in Schedule A) ...
- 3 Total additional transfer tax due* (multiply line 2 by 1% (.01))

1.		
2.		
3.		

Part 3 – Explanation of exemption claimed on Part 1, line 1 (mark an X in all boxes that apply)

The conveyance of real property is exempt from the real estate transfer tax for the following reason:

- a. Conveyance is to the United Nations, the United States of America, New York State, or any of their instrumentalities, agencies, or political subdivisions (or any public corporation, including a public corporation created pursuant to agreement or compact with another state or Canada) a
- b. Conveyance is to secure a debt or other obligation..... b
- c. Conveyance is without additional consideration to confirm, correct, modify, or supplement a prior conveyance..... c
- d. Conveyance of real property is without consideration and not in connection with a sale, including conveyances conveying realty as bona fide gifts..... d
- e. Conveyance is given in connection with a tax sale..... e
- f. Conveyance is a mere change of identity or form of ownership or organization where there is no change in beneficial ownership. (This exemption cannot be claimed for a conveyance to a cooperative housing corporation of real property comprising the cooperative dwelling or dwellings.) Attach Form TP-584.1, Schedule F f
- g. Conveyance consists of deed of partition g
- h. Conveyance is given pursuant to the federal Bankruptcy Act..... h
- i. Conveyance consists of the execution of a contract to sell real property, without the use or occupancy of such property, or the granting of an option to purchase real property, without the use or occupancy of such property..... i
- j. Conveyance of an option or contract to purchase real property with the use or occupancy of such property where the consideration is less than \$200,000 and such property was used solely by the grantor as the grantor's personal residence and consists of a one-, two-, or three-family house, an individual residential condominium unit, or the sale of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold covering an individual residential cooperative apartment..... j
- k. Conveyance is not a conveyance within the meaning of Tax Law, Article 31, § 1401(e) (attach documents supporting such claim) See Schedule "A"..... k

* The total tax (from Part 1, line 6 and Part 2, line 3 above) is due within 15 days from the date of conveyance. Make check(s) payable to the county clerk where the recording is to take place. For conveyances of real property within New York City, use Form TP-584-NYC. If a recording is not required, send this return and your check(s) made payable to the **NYS Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-0045. If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*.

Schedule C – Credit Line Mortgage Certificate (Tax Law Article 11)

Complete the following only if the interest being transferred is a fee simple interest.

This is to certify that: (mark an X in the appropriate box)

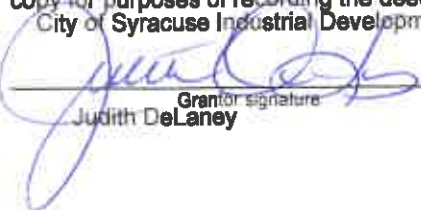

1. The real property being sold or transferred is not subject to an outstanding credit line mortgage.
2. The real property being sold or transferred is subject to an outstanding credit line mortgage. However, an exemption from the tax is claimed for the following reason:
 - a The transfer of real property is a transfer of a fee simple interest to a person or persons who held a fee simple interest in the real property (whether as a joint tenant, a tenant in common or otherwise) immediately before the transfer.
 - b The transfer of real property is (A) to a person or persons related by blood, marriage or adoption to the original obligor or to one or more of the original obligors or (B) to a person or entity where 50% or more of the beneficial interest in such real property after the transfer is held by the transferor or such related person or persons (as in the case of a transfer to a trustee for the benefit of a minor or the transfer to a trust for the benefit of the transferor).
 - c The transfer of real property is a transfer to a trustee in bankruptcy, a receiver, assignee, or other officer of a court.
 - d The maximum principal amount secured by the credit line mortgage is \$3 million or more, and the real property being sold or transferred is not principally improved nor will it be improved by a one- to six-family owner-occupied residence or dwelling.

Note: for purposes of determining whether the maximum principal amount secured is \$3 million or more as described above, the amounts secured by two or more credit line mortgages may be aggregated under certain circumstances. See TSB-M-96(6)-R for more information regarding these aggregation requirements.

- e Other (attach detailed explanation).
3. The real property being transferred is presently subject to an outstanding credit line mortgage. However, no tax is due for the following reason:
 - a A certificate of discharge of the credit line mortgage is being offered at the time of recording the deed.
 - b A check has been drawn payable for transmission to the credit line mortgagee or mortgagee's agent for the balance due, and a satisfaction of such mortgage will be recorded as soon as it is available.
4. The real property being transferred is subject to an outstanding credit line mortgage recorded in _____ (insert liber and page or reel or other identification of the mortgage). The maximum principal amount of debt or obligation secured by the mortgage is _____. No exemption from tax is claimed and the tax of _____ is being paid herewith. (Make check payable to county clerk where deed will be recorded.)

Signature (both the grantors and grantees must sign)

The undersigned certify that the above information contained in Schedules A, B, and C, including any return, certification, schedule, or attachment, is to the best of their knowledge, true and complete, and authorize the person(s) submitting such form on their behalf to receive a copy for purposes of recording the deed or other instrument effecting the conveyance.

Schedule D – Certification of exemption from the payment of estimated personal income tax (Tax Law, Article 22, § 663)

Complete the following only if a fee simple interest or a cooperative unit is being transferred by an individual or estate or trust.

If the property is being conveyed by a referee pursuant to a foreclosure proceeding, proceed to Part 2, mark an X in the second box under *Exemption for nonresident transferors/sellers*, and sign at bottom.

Part 1 – New York State residents

If you are a New York State resident transferor/seller listed in Form TP-584, Schedule A (or an attachment to Form TP-584), you must sign the certification below. If one or more transferor/seller of the real property or cooperative unit is a resident of New York State, each resident transferor/seller must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all resident transferors/sellers.

Certification of resident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller as signed below was a resident of New York State, and therefore is not required to pay estimated personal income tax under Tax Law § 663(a) upon the sale or transfer of this real property or cooperative unit.

Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date
Signature	Print full name	Date

Note: A resident of New York State may still be required to pay estimated tax under Tax Law § 685(c), but not as a condition of recording a deed.

Part 2 – Nonresidents of New York State

If you are a nonresident of New York State listed as a transferor/seller in Form TP-584, Schedule A (or an attachment to Form TP-584) but are not required to pay estimated personal income tax because one of the exemptions below applies under Tax Law § 663(c), mark an X in the box of the appropriate exemption below. If any one of the exemptions below applies to the transferor/seller, that transferor/seller is not required to pay estimated personal income tax to New York State under Tax Law § 663. Each nonresident transferor/seller who qualifies under one of the exemptions below must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all nonresident transferors/sellers.

If none of these exemption statements apply, you must complete Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*, or Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*. For more information, see *Payment of estimated personal income tax*, on Form TP-584-I, page 1.

Exemption for nonresident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller (grantor) of this real property or cooperative unit was a nonresident of New York State, but is not required to pay estimated personal income tax under Tax Law § 663 due to one of the following exemptions:

- The real property or cooperative unit being sold or transferred qualifies in total as the transferor's/seller's principal residence (within the meaning of Internal Revenue Code, section 121) from _____ Date _____ to _____ Date _____ (see instructions).
- The transferor/seller is a mortgagor conveying the mortgaged property to a mortgagee in foreclosure, or in lieu of foreclosure with no additional consideration.
- The transferor or transferee is an agency or authority of the United States of America, an agency or authority of New York State, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, or a private mortgage insurance company.

SCHEDULE "A"

The document being recorded for which this NYS Form TP-584 is being provided is a Memorandum of Lease between the Grantor and the Grantee. The sum of the term of the lease and any options for renewal do not exceed forty-nine (49) years, and therefore said lease is not a Conveyance within the meaning of Article 31 of the Tax Law.

CERTIFICATION

Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Dupli Building 2 Agency Lease Agreement by and between the parties dated as of December 1, 2020.

Each of the undersigned, authorized signatories for 156 Solar Street LLC (the "156 Solar") and Dupli Associates LLC ("Dupli" and together with 156 Solar, the "Company"), respectively, do hereby certify and confirm, solely for the entity for which they are executing:

(1) that the Company has reviewed and understands the Agency's Local Access Policy (the "Policy") which states as follows:

The Company understands and agrees that local labor, contractors and suppliers will be used for the construction, renovation and equipping of the Project unless a written waiver is first received in accordance with the terms of the Policy. Failure to comply may result in the revocation or recapture of benefits awarded to the Project by the Agency.

For purposes of this Policy, the term "local" shall mean: Cayuga, Cortland, Madison, Onondaga, Oneida and Oswego Counties.

(2) that the Company has complied, and will, for so long as the Agency has an interest in the Project, continue to comply with, the Agency's Local Labor Policy.

**ADDITIONAL REMARKS SCHEDULE**

AGENCY Insurance Office of America		NAMED INSURED 156 Solar Street LLC 113 Court Street Binghamton, NY 13901	
POLICY NUMBER CP 1743793		EFFECTIVE DATE: 12/16/2020	
CARRIER United States Liability Insurance Company	NAIC CODE 25895		

ADDITIONAL REMARKS

THIS ADDITIONAL REMARKS FORM IS A SCHEDULE TO ACORD FORM,
FORM NUMBER: ACORD 28 FORM TITLE: EVIDENCE OF COMMERCIAL PROPERTY INSURANCE

Additional Named Insureds:
Dupli Associates LLC

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED - MORTGAGEE, ASSIGNEE OR RECEIVER

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name of Person(s) or Organization(s):

Effective Date: 12/16/2020

CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY

201 E WASHINGTON ST
SYRACUSE, NY 13202

Designation of Premises

156 SOLAR STREET
SYRACUSE, NY 13204

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. Section II - Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to their liability as mortgagee, assignee, or receiver and arising out of the ownership, maintenance, or use of the premises by you and shown in the Schedule. However:
- The insurance afforded to such additional insured only applies to the extent permitted by law; and
 - If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.
- B. This insurance does not apply to structural alterations, new construction and demolition operations performed by or for that person or organization.
- C. With respect to the insurance afforded to these additional insureds, the following is added to Section III - Limits Of Insurance:
- If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:
- Required by the contract or agreement; or
 - Available under the applicable Limits of Insurance shown in the Declarations;
- whichever is less.
- This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

PRIMARY AND NON-CONTRIBUTORY - WRITTEN CONTRACT

SCHEDULE

Name of Person or Organization:

Effective Date: 12/16/2020

CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY
201 E WASHINGTON ST
SYRACUSE, NY 13202

(If no entry appears above, the information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement)

SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS, Paragraph 4. OTHER INSURANCE, a. Primary Insurance is amended with the addition of the following:

The coverage afforded by this policy to the person(s) or organization(s) listed above is primary and non-contributory if:

1. This insurance is required to be primary and non-contributory under a written contract; and
2. The loss to be covered occurs on or after the effective date of the written contract; and
3. The loss to be covered resulted solely and exclusively from your ongoing acts or omissions or the ongoing acts or omissions of those acting on your behalf in performing "your work" under a written contract referred to above.
4. The person(s) or organization(s) is an additional insured under this policy.

However, the coverage provided by this endorsement does not apply to any coverage provided for an "auto" on a "non-owned auto", "hired auto", uninsured motorists coverage, underinsured motorists coverage, personal injury protection, property protection or similar no-fault coverage by whatever name called and/or an "auto" coverage of any type.

SECTION V - DEFINITIONS is hereby amended by the addition of the following:

"Hired auto" means any "auto" you lease, hire, rent or borrow. This does not include any "auto" you lease for a period of more than thirty (30) consecutive days nor does it include any "auto" you lease, hire, rent or borrow from any of your "employees", your partner or your "executive officers" or members of their household.

"Non-owned auto" means any "auto" you do not own, lease, hire, rent or borrow which is used in connection with your business. However, if you are a partnership, a "non-owned auto" does not include any "auto" owned by any partner.

All other terms and conditions of this policy remain unchanged. This endorsement is a part of your policy and takes effect on the effective date of your policy unless another effective date is shown.

ENVIRONMENTAL COMPLIANCE AND INDEMNIFICATION AGREEMENT

THIS ENVIRONMENTAL COMPLIANCE AND INDEMNIFICATION AGREEMENT (the “*Agreement*”) is made as of July 1, 2017, between **DUPLI ASSOCIATES LLC** (the “*Indemnitor*” or the “*Company*”), for the benefit of the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY** (the “*Agency*”).

RECITALS

WHEREAS, the Agency has undertaken at the request of the Indemnitor, a project (the “*Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”), each in the City of Syracuse, New York (the foregoing collectively referred to as the “*Land*”) as more particularly described in Schedule “A” attached hereto; (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the “*Facility*”); (iii) the acquisition and installation in and at Building of furniture, fixtures and equipment (the “*Equipment*” and together with the Land and the Facility, the “*Project Facility*”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “*Financial Assistance*”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Project Facility back to the Company pursuant to a sublease agreement.

NOW, THEREFORE, in consideration of the premises, Ten Dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Indemnitor, intending to be legally bound, hereby agrees as follows:

1. **Recitals; Definitions.**

(a) The foregoing recitals are incorporated into this Agreement by this reference.

(b) Capitalized terms used herein and not otherwise defined shall have the meaning set forth in the Schedule of Definitions attached to the Agency Lease as Exhibit “C.”

2. **Representations and Warranties.**

(a) Except as disclosed in Schedule B annexed hereto, Indemnitor represents and warrants that it has no knowledge of any deposit, storage, disposal, burial, discharge,

spillage, uncontrolled loss, seepage or filtration of oil, petroleum or chemical liquids or solids, liquid or gaseous products or any hazardous wastes or hazardous substances (collectively, "**Hazardous Substances**"), as those terms are used in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 or in any other federal, state or local law governing hazardous substances, as such laws may be amended from time to time (collectively, the "**Hazardous Waste Laws**"), at, upon, under or within the Project Facility or any contiguous real estate, and (ii) it has not caused or permitted to occur, and shall not permit to exist, any condition which may cause a discharge of any Hazardous Substances at, upon, under or within the Project Facility or on any contiguous real estate.

(b) Except as disclosed in the reports listed on Schedule B annexed hereto, Indemnitor further represents and warrants that (i) it has not been nor will be involved in operations at or near the Project Facility which operations could lead to (A) the imposition of liability on Indemnitor or on any subsequent or former owner of the Project Facility or (B) the creation of a lien on the Project Facility under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) it has not permitted, and will not permit, any tenant or occupant of the Project Facility to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, on Agency, the Indemnitor or on any other owner of any of the Project Facility.

3. **Covenants.**

(a) Indemnitor shall comply strictly and in all respects with the requirements of the Hazardous Waste Laws and related regulations and with all similar laws and regulations and shall notify Agency immediately in the event of any discharge or discovery of any Hazardous Substance at, upon, under or within the Project Facility which is not otherwise already disclosed in Schedule B. Indemnitor shall promptly forward to Agency copies of all orders, notices, permits, applications or other communications and reports in connection with any discharge or the presence of any Hazardous Substance or any other matters relating to the Hazardous Waste Laws or any similar laws or regulations, as they may affect the Project Facility.

(b) Promptly upon the written request of Agency, Indemnitor shall provide Agency, at Indemnitor's expense, with an environmental site assessment or environmental audit report prepared by an environmental engineering firm acceptable to the requesting Person, to assess with a reasonable degree of certainty the presence or absence of any Hazardous Substances and the potential costs in connection with abatement, cleanup or removal of any Hazardous Substances found on, under, at or within the Project Facility.

4. **Indemnity.**

(a) Indemnitor shall at all times indemnify and hold harmless Agency against and from any and all claims, suits, actions, debts, damages, costs, losses, obligations, judgments, charges, and expenses, of any nature whatsoever suffered or incurred by Agency, whether as contract vendor, owner, mortgagee, as mortgagee in possession, or as successor-in-interest to Indemnitor by foreclosure deed or deed in lieu of foreclosure, under or on account of the

Hazardous Waste Laws or any similar laws or regulations, including the assertion of any lien thereunder, with respect to:

(1) any discharge of Hazardous Substances, the threat of a discharge of any Hazardous Substances, or the presence of any Hazardous Substances affecting the Project Facility whether or not the same originates or emanates from the Project Facility or any contiguous real estate including any loss of value of the Project Facility as a result of any of the foregoing;

(2) any costs of removal or remedial action incurred by the United States Government or any costs incurred by any other person or damages from injury to, destruction of, or loss of natural resources, including reasonable costs of assessing such injury, destruction or loss incurred pursuant to any Hazardous Waste Laws;

(3) liability for personal injury or property damage arising under any statutory or common law tort theory, including, without limitation, damages assessed for the maintenance of a public or private nuisance or for the carrying on of an abnormally dangerous activity at or near the Project Facility; and/or

(4) any other environmental matter affecting the Project Facility within the jurisdiction of the Environmental Protection Agency, any other federal agency, or any state or local agency.

The obligations of Indemnitor under this Agreement shall arise whether or not the Environmental Protection Agency, any other federal agency or any state or local agency has taken or threatened any action in connection with the presence of any Hazardous Substances.

(b) In the event of any discharge of Hazardous Substances, the threat of a discharge of any Hazardous Substances, or the presence of any Hazardous Substances affecting the Project Facility, whether or not the same originates or emanates from the Project Facility or any contiguous real estate, and/or if Indemnitor shall fail to comply with any of the requirements of the Hazardous Waste Laws or related regulations or any other environmental law or regulation, Agency may at its election, but without the obligation so to do, give such notices and/or cause such work to be performed at the Project Facility and/or take any and all other actions as Agency shall deem necessary or advisable in order to abate the discharge of any Hazardous Substance, remove the Hazardous Substance or cure the noncompliance of Indemnitor.

(c) Indemnitor acknowledges that Agency has relied upon the representations, warranties, covenants and indemnities of Indemnitor in this Agreement. All of the representations, warranties, covenants and indemnities of this Agreement shall survive the repayment of Indemnitor's obligations under the Agency Lease or other Company Documents.

5. **Attorney's Fees.** If Agency retains the services of any attorney in connection with the subject of the indemnity herein, Indemnitor shall pay Agency's costs and reasonable attorneys' fees thereby incurred. Agency may employ an attorney of its own choice.

6. **Interest.** In the event that Agency incurs any obligations, costs or expenses under this Agreement, Indemnitor shall pay such Person immediately on demand, and if such payment is not received within ten (10) days, interest on such amount shall, after the expiration of the ten-day period, accrue at the interest rate set forth in the Agency Lease until such amount, plus interest, is paid in full.

7. **No Waiver.** Notwithstanding any terms of the Company Documents to the contrary, the liability of Indemnitor under this Agreement shall in no way be limited or impaired by: (i) any extensions of time for performance required by any of the Company Documents; (ii) any sale, assignment or foreclosure of the Agency Lease or any sale or transfer of all or part of the Project Facility; (iii) the accuracy or inaccuracy of the representations and warranties made by Indemnitor under any of the Company Documents; or (iv) the release of Indemnitor or any other person from performance or observance of any of the agreements, covenants, terms or conditions contained in the Company Documents by operation of law, Agency's voluntary act, or otherwise; and, in any such case, whether with or without notice to Indemnitor and with or without consideration.

8. **Waiver by Indemnitor.** Indemnitor waives any right or claim of right to cause a marshalling of Indemnitor's assets or to cause Agency to proceed against any of the security for the Agency Lease before proceeding under this Agreement against Indemnitor or to proceed against Indemnitor in any particular order; Indemnitor agrees that any payments required to be made hereunder shall become due on demand; Indemnitor expressly waives and relinquishes all rights and remedies (including any rights of subrogation) accorded by applicable law to indemnitors or guarantors.

9. **Releases.** Any one or more of Indemnitor and any other party liable upon or in respect of this Agreement or the Agency Lease may be released without affecting the liability of any party not so released.

10. **Amendments.** No provision of this Agreement may be changed, waived, discharged or terminated orally, by telephone or by any other means except by an instrument in writing signed by the party against whom enforcement of the change, waiver, discharge or termination is sought.

11. **Joint and Several Liability.** In the event that this Agreement is executed by more than one party as Indemnitor, the liability of such parties is joint and several. A separate action or actions may be brought and prosecuted against each Indemnitor, whether or not an action is brought against any other person or whether or not any other person is joined in such action or actions.

12. **Consent to Jurisdiction.** Indemnitor consents to the exercise of personal jurisdiction over Indemnitor by any federal or state court in the State of New York and consent to the laying of venue in any jurisdiction or locality in the City of Syracuse. Service shall be effected by any means permitted by the court in which any action is filed.

13. **Notices.** All notices, certificates, and other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the

applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the Person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

Attn: Clayton Hale, Esq.

The Agency and the Company, may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, and other communications shall be sent.

14. **Waivers.** The parties waive trial by jury in any action brought on, under or by virtue of this Agreement. Indemnitor waives any right to require Agency at any time to pursue any remedy in such Person's power whatsoever. The failure of Agency to insist upon strict compliance with any of the terms hereof shall not be considered to be a waiver of any such terms, nor shall it prevent Agency from insisting upon strict compliance with this Agreement or any other Company Document at any time thereafter.

15. **Severability.** If any clause or provisions herein contained operates or would prospectively operate to invalidate this Agreement in whole or in part, then such clause or provision shall be held for naught as though not contained herein, and the remainder of this Agreement shall remain operative and in full force and effect.

16. **Inconsistencies Among the Company Documents.** Nothing contained herein is intended to modify in any way the obligations of Indemnitor under the Agency Lease or any other Company Document. Any inconsistencies among the Company Documents shall be construed, interpreted and resolved so as to benefit Agency.

17. **Successors and Assigns.** This Agreement shall be binding upon Indemnitor's successors, assigns, heirs, personal representatives and estate and shall inure to the benefit of Agency and its successors and assigns.

18. **Controlling Laws.** This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Indemnitor has executed this Agreement as of the date first above written.

SCHEDULE A

PARCEL A:

Parcel I:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a part of **Marsh Lots Nos. 37 and 38** of the Onondaga Salt Springs Reservation, and known and described upon a map made by R. Griffin, Jr., and on file in the Onondaga County Clerk's Office as Lots Nos. 26 and 28 in Block No. 461 (formerly 261). Said lots being each about 33 feet front on Division Street and extending by parallel lines southerly to the south line of said tract about 150 feet, be the same more or less.

Parcel II:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being more specifically known as Lot No. 30, Block 461 (formerly 261), Syracuse. Said lot being 33 feet front on Division Street and extending by parallel lines in a southerly direction to the south line of said tract. Said lot having a depth of 145 feet, more less.

Parcel III:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, State of New York, County of Onondaga, being part of Lots 37 and 38 of the 15 Acre Marsh Lots **Salina** being known as Lot No. 32, Block No. 461, Syracuse, according to a map made by R. Griffin, Jr., on file in the Onondaga County Clerk's Office, said lot being 33 feet on Division Street extending by parallel lines in a southerly direction about 145 feet to the south line of said tract being the same more or less.

Parcel IV:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being part of Marsh Lots Nos. 37 and 38 of the Onondaga Salt Springs Reservation, and known and described upon a map made by R. Griffin, Jr., and on file in the Onondaga County Clerk's Office as Lot Number Thirty-Four in Block Number Four Hundred and Sixty-One (formerly 261) and lot being thirty-three feet front on Division Street, and extending by parallel lines southerly to the south line of said tract, be the same more or less, about one hundred forty feet deep.

Parcel V:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of March Lots Thirty-Eight (38) and Thirty-Nine (39) of the Onondaga Salt Springs Reservation, bounded and described as follows:

BEGINNING at the stone monument marking the intersection of the southerly line of West Division Street and the easterly line of Solar Street; running thence along the easterly line of Solar Street South 28° 09' 10" E. 144.35 feet to the south line of Block 461 extended marking the true point of beginning of the parcel hereafter described; thence along the southerly line of Block 461 North 61° 50' 50" E. a distance of 250.16 feet to a stake; thence along the center line of a brick wall and parallel to the westerly line of North Clinton Street South 28° 09' 10" E. 220.09 feet to lands owned by the New York Central and Hudson River Railroad Company acquired by deed recorded in the Onondaga County Clerk's Office June 8, 1905, in Book 360 of Deeds at Page 199; thence westerly along said lands of the New York Central and Hudson River Railroad Company to the east line of Solar Street; said course being more particularly described as follows: westerly along an arc to the left of radius 422.8 feet a distance of 65.66 feet to a point twelve and one-half (12'1/2) feet northerly from an iron rail monument measured at right angles to the southerly line of Marsh Lot No. 38; thence South 61° 50' 50" W. 112.73 feet parallel with said south line of said Marsh Lot No. 38; thence South 80° 59' 20" W. 76.21 feet to a point in the east line of Solar Street 33.41 feet northerly from the intersection of the south line of Marsh Lot 38 with the east line of Solar Street; thence North 28° 09' 10" W. along the east line of Solar Street 190.0 feet to the place of beginning.

TOGETHER WITH a right of way and easement for the passage of engines and cars over the following described premises situate in the City, County and State; beginning at the southeasterly corner of the foregoing described parcel at the intersection of the easterly line of said premises with the northerly line of said lands of the New York Central and Hudson River Railroad Company; thence North 28° 09' 10" W. 40 feet along the easterly line of the

foregoing premises; thence South 80° 28' 00" E.

97.93 feet to the point of intersection of said line with the arc of curve to the right of radius 422.8 feet, said arc being the northerly boundary of the said lands owned by the New York Central and Hudson River Railroad Company; thence southwesterly along said arc and along the northerly line of said land owned by the New York Central and Hudson River Railroad Company 80 feet to the place of beginning; together with the right and privilege to the second party at any time to enter upon the premises for the purposes of laying and maintaining, altering and repairing railroad tracks, switches and appliances thereon connecting with railroad tracks on the premises owned by the New York Central and Hudson River Railroad Company.

Parcel VI:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lots 37 and 38 of the Onondaga Salt Springs Reservation and known and described upon a map made by R. Griffin, Jr., as Lot 36 in Block Four Hundred and Sixty-One (formerly 261), said Lot being about forty-seven (47) feet front on Division Street and extending by parallel lines southerly to the south line of said tract about one hundred and forty (140) feet, be the same more or less.

Parcel VII:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Marsh Lot Number Thirty-Eight and being more particularly described as follows:

BEGINNING at a stone monument at the point of intersection of the southerly line of West Division Street and the easterly line of Solar Street; thence southerly along the easterly line of Solar Street, one hundred and forty-four and one-tenth (144.1) feet to the northerly line of land belonging to the Syracuse Wall Paper Company; thence easterly along said northerly line about forty-two and three tenths (42.3) feet to the westerly line of the Walters Tract; thence northerly along said westerly line of the Walters Tract to the southerly line of said West Division Street; thence westerly along the southerly line of said West Division Street forty and twenty-two hundredths (40.22) feet to the place of beginning.

Also being described as **ALL THAT TRACT OR PARCEL OF LAND**, situate in the City of Syracuse, County of Onondaga and State of New York, more particularly described as follows:

BEGINNING at the intersection of the southerly line of West Division Street with the easterly line of Solar Street; running thence North 59° 47' 40" East a distance of 260.97 feet along the southerly line of Division Street to a point; thence South 28° 11' 35" East a distance of 153.70 feet to a point; thence South 61° 50' 50" West a distance of 10.79 feet to a point; thence South 28° 09' 10" East a distance of 220.09 feet to a point (said point being in a line of curve in the northerly line of lands of the New York Central and Hudson River Railroad); thence westerly and southerly on a curve to the left with a radius of 422.80 feet a distance of 65.66 feet along the northerly line of said railroad to a point of tangent; thence South 61° 50' 50" West a distance of 112.73 feet along the northerly line of said railroad to a point; thence South 80° 59' 20" West a distance of 76.21 feet along the northerly line of lands of said railroad to a point in the easterly line of Solar Street; thence North 28° 09' 10" West a distance of 334.35 feet along the easterly line of Solar Street to a point in the southerly line of West Division Street and the place of beginning.

The above described premises is more modernly and correctly described as follows:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a portion of Block No. 461 of said City of Syracuse being former Block 261 and being more particularly described as follows:

BEGINNING at the intersection formed by the easterly road boundary of Solar Street (60 feet wide) and the southerly road boundary of West Division Street (66 feet wide); thence N. 59° 57' 30" E. along the easterly road boundary of said West Division Street, a distance of 260.97 feet to its intersection with the westerly line of lands now or formerly owned by Robert Medina and Ted Kinder as recorded in the Onondaga County Clerk's Office in Book 3979 of Deeds a Page 126; thence S. 28° 01' 45" E. along the southerly line of said Medina and Kinder a distance of 153.70 feet to its intersection with the northerly line of lands now or formerly owned by Lakefront Lofts, LLC as recorded in the Onondaga County Clerk's Office in Book 5014 of Deeds at Page 582; thence S. 62° 00' 40" W. along the northerly line of said Lakefront Lofts, LLC a distance of 10.79 feet to the northwesterly corner of said Lakefront Lofts, LLC; thence S. 27° 59' 20" E. along the westerly line of said Lakefront Lofts, LLC a distance of

220.09 feet to a point; thence southwesterly on a curve to the left having a radius of 422.80 feet an arc distance of 65.66 feet to a point of tangency; thence S. 62° 00' 40" W. along the northerly line of lands now or formerly owned by Dupli Associates, LLC a distance of 112.73 feet to a point; thence S. 81° 09' 10" W. continuing along the northerly line of said Dupli Associates, LLC a distance of 76.21 feet to its intersection with the easterly road boundary of said Solar Street; thence N. 27° 59' 20" W. along the easterly road boundary of said Solar Street a distance of 334.35 feet to the point of beginning.

PARCEL B:

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, being part of Salina Marsh Lot 39 in said City, being part of lands conveyed to Borden's Food Products Company, Inc. and/or Borden, Inc. by the following 3 deeds:

1. From Borden's Milk Products Company, Inc. dated January 4, 1936, and recorded in the Onondaga County Clerk's Office in Book of Deeds 800 at Page 192;
- 2 From James A. Jacobs and Susan Jacobs dated July 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 341;
3. From Woodstock Enterprises, Ltd. dated November 28, 1988, and recorded in the Onondaga County Clerk's Office in Book 3496 of Deeds at Page 337;

and being more particularly described as follows:

BEGINNING at a drill hole set in the northeasterly boundary of Solar Street, said point being the most westerly corner of lands conveyed to Borden, Inc. to the City of Syracuse for public purposes by deed recorded in the Onondaga County Clerk's Office in Book 3507 at Page 168, said point also being 126.68 feet distant northwesterly, measured along said northeasterly street boundary, from its intersection with the northwesterly boundary of Plum Street; running thence N. 28° 09' 10" W. along said northeasterly boundary of Solar Street, a distance of 292.22 feet to a capped iron pin found at its intersection with the division line between said lands of Borden, Inc. on the south and lands of Syracuse Scale Co., Inc. (reputed owner) on the north; thence N. 80° 59' 20" E along said division line, a distance of 76.21 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along said division line, a distance of 112.76 feet to a capped iron pin found at a point of curvature; thence northeasterly continuing along said division line and along the division line between said lands of Borden, Inc. on the southeast and lands of 667 North Clinton Street Associates (reputed owner) on the northwest, following a curve to the right having a radius of 371.02 feet, a central angle of 12° 1' 48" and a chord bearing N. 67° 57' 44" E. 79.05 feet, an arc distance of 79.20 feet to an iron pipe set; thence N. 61° 50' 50" E. continuing along the last mentioned division line a distance of 330.83 feet to a lag bolt in concrete set at its intersection with the southwesterly boundary of North Clinton Street; thence S. 28° 09' 10" E. along said street boundary, a distance of 212.14 feet to a nail and flag in concrete found; thence S. 61° 50' 50" W. along the division line between said lands of Borden, Inc. on the northwest and lands of Franklin Square Housing Associates (reputed owner) on the southeast, a distance of 245.00 feet to a capped iron pin found; thence S. 28° 09' 10" E. continuing along said division line, a distance of 33.00 feet to a capped iron pin found; thence S. 61° 50' 50" W. continuing along said division line, a distance of 30.00 feet to a capped iron pin found at its intersection with the northeasterly boundary of North Franklin Street; thence N. 28° 09' 10" W. along said street boundary, a distance of 33.00 feet to a PK nail set at the most northerly corner of said North Franklin Street; thence S. 61° 50' 50" W. along the northwesterly boundary of North Franklin Street, a distance of 60.00 feet to a masonry anchor set at the most westerly corner thereof; thence S. 28° 09' 10" E. along the southwesterly boundary of said North Clinton Street, a distance of 46.67 feet to an iron pipe set at the most northerly corner of the aforementioned lands conveyed by Borden, Inc. to the City of Syracuse for public purposes; thence S. 61° 50' 50" W. along the northwesterly boundary of said lands, said boundary also being the northwesterly boundary of Gail Borden Drive, a distance of 259.18 feet to the point of beginning.

SCHEDULE "B"

EXCEPTIONS

NONE

ENVIRONMENTAL COMPLIANCE AND INDEMNIFICATION AGREEMENT

THIS ENVIRONMENTAL COMPLIANCE AND INDEMNIFICATION AGREEMENT (the "**Agreement**") is made as of the 1st day of December between **DUPLI ASSOCIATES LLC** ("**Dupli**") and **156 SOLAR STREET LLC** ("**156 Solar**") and together with Dupli, collectively, the "**Company**" or the "**Indemnitor**", for the benefit of the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY** (the "**Agency**").

RECITALS

WHEREAS, the Agency has undertaken at the request of the Indemnitor, a project (the "**Project**") consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") as more fully described on Schedule A annexed hereto (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to one or more bill(s) of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement.

Dupli holds, and shall continue to maintain, a ninety (90) percent membership interest in 156 Solar. Dupli had been the fee owner of the Project Facility but contemporaneously with the execution of the Dupli Building 2 Agency Lease Agreement, dated as of December 1, 2020 among the Agency, Dupli and 156 Solar (the "**Dupli Building 2 Agency Lease**"), Dupli transferred ownership of the Project Facility to 156 Solar.

NOW, THEREFORE, in consideration of the premises, Ten Dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Indemnitor, intending to be legally bound, hereby agrees as follows:

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

1. **Recitals; Definitions.**

(a) The foregoing recitals are incorporated into this Agreement by this reference.

(b) Capitalized terms used herein and not otherwise defined shall have the meaning set forth in the Table of Definitions attached to the Agency Lease as Exhibit "C."

2. **Representations and Warranties.**

(a) Except as disclosed in Schedule B annexed hereto, Indemnitor represents and warrants that it has no knowledge of any deposit, storage, disposal, burial, discharge, spillage, uncontrolled loss, seepage or filtration of oil, petroleum or chemical liquids or solids, liquid or gaseous products or any hazardous wastes or hazardous substances (collectively, "***Hazardous Substances***"), as those terms are used in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 or in any other federal, state or local law governing hazardous substances, as such laws may be amended from time to time (collectively, the "***Hazardous Waste Laws***"), at, upon, under or within the Project Facility or any contiguous real estate, and (ii) it has not caused or permitted to occur, and shall not permit to exist, any condition which may cause a discharge of any Hazardous Substances at, upon, under or within the Project Facility or on any contiguous real estate.

(b) Except as disclosed in the reports listed on Schedule B annexed hereto, Indemnitor further represents and warrants that (i) it has not been nor will be involved in operations at or near the Project Facility which operations could lead to (A) the imposition of liability on Indemnitor or on any subsequent or former owner of the Project Facility or (B) the creation of a lien on the Project Facility under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) it has not permitted, and will not permit, any tenant or occupant of the Project Facility to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, on Agency, the Indemnitor or on any other owner of any of the Project Facility.

3. **Covenants.**

(a) Indemnitor shall comply strictly and in all respects with the requirements of the Hazardous Waste Laws and related regulations and with all similar laws and regulations and shall notify Agency immediately in the event of any discharge or discovery of any Hazardous Substance at, upon, under or within the Project Facility which is not otherwise already disclosed in Schedule B. Indemnitor shall promptly forward to Agency copies of all orders, notices, permits, applications or other communications and reports in connection with any discharge or the presence of any Hazardous Substance or any other matters relating to the Hazardous Waste Laws or any similar laws or regulations, as they may affect the Project Facility.

(b) Promptly upon the written request of Agency, Indemnitor shall provide Agency, at Indemnitor's expense, with an environmental site assessment or environmental audit

report prepared by an environmental engineering firm acceptable to the requesting Person, to assess with a reasonable degree of certainty the presence or absence of any Hazardous Substances and the potential costs in connection with abatement, cleanup or removal of any Hazardous Substances found on, under, at or within the Project Facility.

4. **Indemnity.**

(a) Indemnitor shall at all times indemnify and hold harmless Agency against and from any and all claims, suits, actions, debts, damages, costs, losses, obligations, judgments, charges, and expenses, of any nature whatsoever suffered or incurred by Agency, whether as contract vendor, owner, mortgagee, as mortgagee in possession, or as successor-in-interest to Indemnitor by foreclosure deed or deed in lieu of foreclosure, under or on account of the Hazardous Waste Laws or any similar laws or regulations, including the assertion of any lien thereunder, with respect to:

(1) any discharge of Hazardous Substances, the threat of a discharge of any Hazardous Substances, or the presence of any Hazardous Substances affecting the Project Facility whether or not the same originates or emanates from the Project Facility or any contiguous real estate including any loss of value of the Project Facility as a result of any of the foregoing;

(2) any costs of removal or remedial action incurred by the United States Government or any costs incurred by any other person or damages from injury to, destruction of, or loss of natural resources, including reasonable costs of assessing such injury, destruction or loss incurred pursuant to any Hazardous Waste Laws;

(3) liability for personal injury or property damage arising under any statutory or common law tort theory, including, without limitation, damages assessed for the maintenance of a public or private nuisance or for the carrying on of an abnormally dangerous activity at or near the Project Facility; and/or

(4) any other environmental matter affecting the Project Facility within the jurisdiction of the Environmental Protection Agency, any other federal agency, or any state or local agency.

The obligations of Indemnitor under this Agreement shall arise whether or not the Environmental Protection Agency, any other federal agency or any state or local agency has taken or threatened any action in connection with the presence of any Hazardous Substances.

(b) In the event of any discharge of Hazardous Substances, the threat of a discharge of any Hazardous Substances, or the presence of any Hazardous Substances affecting the Project Facility, whether or not the same originates or emanates from the Project Facility or any contiguous real estate, and/or if Indemnitor shall fail to comply with any of the requirements of the Hazardous Waste Laws or related regulations or any other environmental law or regulation, Agency may at its election, but without the obligation so to do, give such notices and/or cause such work to be performed at the Project Facility and/or take any and all other actions as Agency shall deem necessary or advisable in order to abate the discharge of any

Hazardous Substance, remove the Hazardous Substance or cure the noncompliance of Indemnitor.

(c) Indemnitor acknowledges that Agency has relied upon the representations, warranties, covenants and indemnities of Indemnitor in this Agreement. All of the representations, warranties, covenants and indemnities of this Agreement shall survive the repayment of Indemnitor's obligations under the Dupli Building 1 Agency Lease or other Company Documents.

5. **Attorney's Fees.** If Agency retains the services of any attorney in connection with the subject of the indemnity herein, Indemnitor shall pay Agency's costs and reasonable attorneys' fees thereby incurred. Agency may employ an attorney of its own choice.

6. **Interest.** In the event that Agency incurs any obligations, costs or expenses under this Agreement, Indemnitor shall pay such Person immediately on demand, and if such payment is not received within ten (10) days, interest on such amount shall, after the expiration of the ten-day period, accrue at the interest rate set forth in the Dupli Building 1 Agency Lease until such amount, plus interest, is paid in full.

7. **No Waiver.** Notwithstanding any terms of the Company Documents to the contrary, the liability of Indemnitor under this Agreement shall in no way be limited or impaired by: (i) any extensions of time for performance required by any of the Company Documents; (ii) any sale, assignment or foreclosure of the Dupli Building 1 Agency Lease or any sale or transfer of all or part of the Project Facility; (iii) the accuracy or inaccuracy of the representations and warranties made by Indemnitor under any of the Company Documents; or (iv) the release of Indemnitor or any other person from performance or observance of any of the agreements, covenants, terms or conditions contained in the Company Documents by operation of law, Agency's voluntary act, or otherwise; and, in any such case, whether with or without notice to Indemnitor and with or without consideration.

8. **Waiver by Indemnitor.** Indemnitor waives any right or claim of right to cause a marshalling of Indemnitor's assets or to cause Agency to proceed against any of the security for the Dupli Building 1 Agency Lease before proceeding under this Agreement against Indemnitor or to proceed against Indemnitor in any particular order; Indemnitor agrees that any payments required to be made hereunder shall become due on demand; Indemnitor expressly waives and relinquishes all rights and remedies (including any rights of subrogation) accorded by applicable law to indemnitors or guarantors.

9. **Releases.** Any one or more of Indemnitor and any other party liable upon or in respect of this Agreement or the Dupli Building 1 Agency Lease may be released without affecting the liability of any party not so released.

10. **Amendments.** No provision of this Agreement may be changed, waived, discharged or terminated orally, by telephone or by any other means except by an instrument in writing signed by the party against whom enforcement of the change, waiver, discharge or termination is sought.

11. **Joint and Several Liability.** In the event that this Agreement is executed by more than one party as Indemnitor, the liability of such parties is joint and several. A separate action or actions may be brought and prosecuted against each Indemnitor, whether or not an action is brought against any other person or whether or not any other person is joined in such action or actions.

12. **Consent to Jurisdiction.** Indemnitor consents to the exercise of personal jurisdiction over Indemnitor by any federal or state court in the State of New York and consent to the laying of venue in any jurisdiction or locality in the City of Syracuse. Service shall be effected by any means permitted by the court in which any action is filed.

13. **Notices.** All notices, certificates, and other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the Person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

The Agency and the Company, may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, and other communications shall be sent.

14. **Waivers.** The parties waive trial by jury in any action brought on, under or by virtue of this Agreement. Indemnitor waives any right to require Agency at any time to pursue any remedy in such Person's power whatsoever. The failure of Agency to insist upon strict compliance with any of the terms hereof shall not be considered to be a waiver of any such terms, nor shall it prevent Agency from insisting upon strict compliance with this Agreement or any other Company Document at any time thereafter.

15. **Severability.** If any clause or provisions herein contained operates or would prospectively operate to invalidate this Agreement in whole or in part, then such clause or provision shall be held for naught as though not contained herein, and the remainder of this Agreement shall remain operative and in full force and effect.

16. **Inconsistencies Among the Company Documents.** Nothing contained herein is intended to modify in any way the obligations of Indemnitor under the Dupli Building 1 Agency Lease or any other Company Document. Any inconsistencies among the Company Documents shall be construed, interpreted and resolved so as to benefit Agency.

17. **Successors and Assigns.** This Agreement shall be binding upon Indemnitor's successors, assigns, heirs, personal representatives and estate and shall inure to the benefit of Agency and its successors and assigns.

18. **Controlling Laws.** This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

19. **Counterparts; Electronic Signature.** This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart

hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Indemnitor has executed this Agreement as of the date first above written.

STATE OF NEW YORK)
) SS.:
COUNTY OF ONONDAGA)

On the 4th day of December, in the year 2020 before me, the undersigned, a Notary Public in and for said state, personally appeared MARK E. LANE, personally known to me or proved to me on the basis of satisfactory evidence to be the individual whose name is subscribed to the within instrument and acknowledged to me that he executed the same in his capacity, and that by his signature on the instrument, the individual or the person upon behalf of which the individual acted, executed the instrument.

Notary Public

STEPHANIE A. SMITH
Notary Public, State of New York
No. 01514997504
Qualified in Madison County, NY
My Commission Expires April 27, 2022

SCHEDULE "A"

LEGAL DESCRIPTION

156 Solar Street & Division Street West

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Syracuse, County of Onondaga and State of New York, and being a portion of Block No. 461 of said City of Syracuse being former Block 261 and being more particularly described as follows:

BEGINNING at the intersection formed by the easterly road boundary of Solar Street (60 feet wide) and the southerly road boundary of West Division Street (66 feet wide); thence N. 59° 57' 30" E. along the easterly road boundary of said West Division Street, a distance of 260.97 feet to its intersection with the westerly line of lands now or formerly owned by Robert Medina and Ted Kinder as recorded in the Onondaga County Clerk's Office in Book 3979 of Deeds a Page 126; thence S. 28° 01' 45" E. along the southerly line of said Medina and Kinder a distance of 153.70 feet to its intersection with the northerly line of lands now or formerly owned by Lakefront Lofts, LLC as recorded in the Onondaga County Clerk's Office in Book 5014 of Deeds at Page 582; thence S. 62° 00' 40" W. along the northerly line of said Lakefront Lofts, LLC a distance of 10.79 feet to the northwesterly corner of said Lakefront Lofts, LLC; thence S. 27° 59' 20" E. along the westerly line of said Lakefront Lofts, LLC a distance of 220.09 feet to a point; thence southwesterly on a curve to the left having a radius of 422.80 feet an arc distance of 65.66 feet to a point of tangency; thence S. 62° 00' 40" W. along the northerly line of lands now or formerly owned by Dupli Associates, LLC a distance of 112.73 feet to a point; thence S. 81° 09' 10" W. continuing along the northerly line of said Dupli Associates, LLC a distance of 76.21 feet to its intersection with the easterly road boundary of said Solar Street; thence N. 27° 59' 20" W. along the easterly road boundary of said Solar Street a distance of 334.35 feet to the point of beginning.

1.0 EXECUTIVE SUMMARY

Plumley Engineering performed a Phase I Environmental Site Assessment (ESA) for Dupli Envelop and Graphics Corporation on Property located at 156-158 Solar Street in the City of Syracuse, Onondaga County, New York. This investigation was conducted in general conformance with the scope and limitations of American Society for Testing and Materials (ASTM) Standard E 1527-13 and standard engineering practices in order to identify recognized environmental conditions concerning the Property. This assessment included a historical records search, interviews and an inspection of the site.

The Property consists of one parcel, with tax identification number 118.-06-01.0. Onondaga County tax records indicate the Property totals approximately 2.0 acres in size. The Property is located on the corner of Solar Street and West Division Street. The Property has approximately 334 feet of road frontage along Solar Street and approximately 260 feet of frontage along West Division Street. The surrounding area is utilized for commercial and residential purposes.

Aerial photographs and topographic maps indicate the Property has been utilized for industrial purposes. The current Property owner, Syracuse Scale Company, Inc. acquired the Property in 1954. These documents indicate a historic use of the Property related to industrial operations that present an environmental concern.

A building is currently located on the Property. Syracuse Scale Company, a scale sales and repair firm, occupies a portion of the building. The remainder of the building is vacant.

This assessment revealed two recognized environmental conditions associated with the Property.

- Contaminated soil was discovered during the removal of a former onsite underground gasoline tank. Although contaminated soil was excavated from the site, the spill incident associated with this tank removal was closed as not meeting cleanup standards. The spill area should be further investigated to determine the amount of contamination remaining and the potential for completing the cleanup.

- This Property has been utilized for industrial purposes for over 100 years. Although the general nature of the known occupants suggests a low risk for environmental releases, environmental and occupant records prior to the 1970's are fragmented. The Property should be investigated for evidence of past releases, particularly if any portions of the building are to be demolished.

2.0 INTRODUCTION

2.1 PURPOSE

This ESA was performed to provide information regarding Recognized Environmental Conditions (RECs) and potential environmental concerns in connection with the Property.

2.2 SPECIAL TERMS AND CONDITIONS

The ESA incorporated a site walkover inspection, interviews in the form of questionnaires, and a historical records search conducted in general conformance with ASTM E 1527-13, *Standard Practice for Environmental Site Assessments: Phase I Environmental Site Assessment Process*.

ASTM defines Recognized Environmental Conditions as “...*the presence or likely presence of any hazardous substances or petroleum products in, on, or at a property: (1) due to release to the environment; (2) under conditions indicative of a release to the environment; or (3) under conditions that pose a material threat of a future release to the environment.*”

This definition is not intended to include *de minimis* conditions that generally would “...*not present a threat to human health or the environment and that generally would not be the subject of an enforcement action if brought to the attention of appropriate governmental agencies.*”

RECs can also be classified as “controlled” or “historical”. ASTM defines a controlled REC as “...*resulting from a past release of hazardous substances or petroleum products that has been addressed to the satisfaction of the applicable regulatory authority (for example, as evidenced by the issuance of a no further action letter or equivalent, or meeting risk-based criteria established by regulatory authority), with hazardous substances or petroleum products allowed to remain in place subject to the implementation of required controls (for example, property use restrictions, activity and use limitations, institutional controls, or engineering controls).*” A historical REC is defined as “*a past release of any*

hazardous substances or petroleum products that has occurred in connection with the property and has been addressed to the satisfaction of the applicable regulatory authority or meeting unrestricted use criteria established by a regulatory authority, without subjecting the property to any required controls (for example, property use restrictions, activity and use limitations, institutional controls, or engineering controls).”

Services performed by Plumley Engineering in preparation of this report were conducted in a manner consistent with the level of care and skill ordinarily exercised by members of the engineering profession practicing contemporaneously under similar conditions in the locality of the project. No environmental site assessment can wholly eliminate uncertainty regarding the potential for recognized environmental conditions in connection with a property. Under no circumstances is any warranty, expressed or implied, made in connection with providing these services. Refer to *Appendix A – Qualification Information* for company and individual qualifications.

2.3 USER RELIANCE

This report and the information contained herein have been prepared solely for the use of Dupli Envelope and Graphics Corporation and their agents.

2.4 LIMITATIONS AND EXCEPTIONS OF ASSESSMENT

The investigation for potential lead, asbestos and radon sources is not within the scope of an ASTM E 1527-13 Phase I ESA, and therefore these issues were not addressed during this assessment.

2.5 DETAILED SCOPE-OF-SERVICES AND METHODOLOGY USED

Current and historic information on the Property was obtained from the review of historic databases and maps and a questionnaire completed by Anita J. Salerno, the current Property owner (refer to *Appendix B – Phase I Environmental Questionnaire*).

Records were reviewed from pertinent State and Federal environmental databases, and Freedom of Information Law (FOIL) requests specific to the Property were made of the following agencies:

- The New York State Department of Environmental Conservation (DEC).
- The New York State Department of Health (NYSDOH).
- The Onondaga County Health Department.
- The City of Syracuse.

Jesse D. Plumley, E.I.T. of Plumley Engineering inspected the site on August 9, 2016.

3.0 SITE DESCRIPTION

3.1 LOCATION AND LEGAL DESCRIPTION

The Property is located at 156-158 Solar Street in the City of Syracuse, Onondaga County, New York. The Property consists of one parcel, with tax identification number 118.-06-01.0. Onondaga County tax records indicate the Property totals approximately 2.0 acres in size. Refer to *Figure 1 – Site Location Map* and *Figure 2 – Aerial Photo* for additional information.

3.2 SITE AND VICINITY GENERAL CHARACTERISTICS

The Property is located in an urban area. The Property has approximately 334 feet of frontage along Solar Street and approximately 260 feet of frontage along West Division Street.

The Property is accessible from driveways off Solar Street and West Division Street. The surrounding area is utilized for commercial and multi-family residential purposes.

3.3 CURRENT USE OF THE PROPERTY

A building is currently located on the Property. Syracuse Scale Company, a scale sales and repair firm, occupies a portion of the building. The remainder of the building is vacant.

3.4 DESCRIPTION OF SITE IMPROVEMENTS

The onsite building has three distinct sections: a single-story block section (150 feet by 100 feet) currently occupied by Syracuse Scale Company, Inc. [Photo 1], a three-story factory section (240 feet by 75 feet) partially used for storage [Photo 2] and a single-story steel clad section (100 feet by 75 feet) that is currently unoccupied [Photo 3].

Paved driveways and parking areas are located on the northwest and southeast sides of the building [Photos 4 and 5]. Lawn and landscaped areas surround the structures.

The Property is connected to municipal water and sewer systems. National Grid provides electric and natural gas service to the Property.

3.5 CURRENT USE OF ADJOINING PROPERTIES

A multi-family residential building with some commercial space on the first floor is located to the north [Photo 6]. Dupli Graphics and Envelopes Corporation is located to the east. Vacant lots and a commercial building are located to the south [Photo 7]. Two commercial buildings and a multi-family residential building are located to the west [Photos 8, 9 and 10].

4.0 USER PROVIDED INFORMATION

4.1 ABSTRACT OF TITLE RECORDS

Abstract of Title documents for the subject Property were not provided for review.

4.2 INFORMATION REPORTED BY USER REGARDING ENVIRONMENTAL LIENS, RECOGNIZED ENVIRONMENTAL CONDITIONS OR ACTIVITY AND USE LIMITATIONS

J. Kemper Matt of Dupli Envelope and Graphics Corporation, the prospective Property purchaser, reported that he is not aware of any environmental liens or activity and use limitations in connection with the Property.

4.3 SPECIALIZED KNOWLEDGE

Mr. Matt reported that he does not have any specialized knowledge of environmental conditions regarding the current use or known former uses of the Property.

4.4 REASON FOR PERFORMING PHASE I

This ESA was completed in order to understand potential environmental conditions that could materially impact the ownership and/or future sale or development of the Property.

5.0 RECORDS REVIEW

Federal and New York State database records were reviewed to help identify the potential for RECs related to the Property. Refer to *Appendix C – Environmental Data Resources, Inc. Report* for additional information.

5.1 STANDARD ENVIRONMENTAL RECORD SOURCES

5.1.1 FEDERAL RECORDS

The following Federal environmental databases were reviewed as part of this assessment:

5.1.1.1 NATIONAL PRIORITIES LIST

The National Priorities List (NPL) is the EPA's list of uncontrolled or abandoned hazardous waste sites identified for possible long-term remedial action under "Superfund".

The Property is not listed on the NPL. One NPL site is indicated to be located within a 1-mile radius of the Property. The Onondaga Sediments site is composed of the lake itself, its tributaries and the upland hazardous waste sites which have contributed or are contributing contamination to the lake. The subject Property is not currently included as a listed upland site contributing to the contamination to the lake.

5.1.1.2 SUPERFUND ENTERPRISE MANAGEMENT SYSTEM

Formerly known as the Comprehensive Environmental Response, Compensation and Liability Information System (CERCLIS), this list was renamed the Superfund Enterprise Management System (SEMS) by the EPA in 2015. The list contains data on potentially hazardous waste sites that have been reported to the EPA pursuant to

Section 103 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). SEMS tracks hazardous waste sites, potentially hazardous waste sites and remedial activities performed in support of the EPA Superfund Program across the United States. This dataset also contains sites which are being considered for inclusion or are on the NPL.

The Property is not listed in the SEMS database. Two SEMS sites are indicated to be located within a ½-mile radius of the Property. Records for these facilities have been reviewed and neither are thought to present an environmental concern to the subject Property.

The SEMS-ARCHIVE list (formerly known as CERCLIS-NFRAP) tracks sites that have been removed from the SEMS list due to site cleanup or other reasons. The Property is not listed as a SEMS-ARCHIVE site. One SEMS-ARCHIVE site is indicated to be located within a ½-mile radius of the Property. This site is on adjacent property across West Division Street. Records for this facility have been reviewed and, despite its proximity to the Property, it is not thought to present an environmental concern to the subject Property.

5.1.1.3 RESOURCE CONSERVATION AND RECOVERY ACT

The Resource Conservation and Recovery Act (RCRA) databases contain information on hazardous waste treatment, storage and disposal (TSDS) facilities (both corrective action sites and non-corrective action sites), large quantity generators (LQG), small quantity generators (SQG) and conditionally exempt small quantity generators (CESQG).

The Property is not listed as a RCRA corrective action facility. Four RCRA corrective action sites are indicated to be located within 1 mile of the Property. Records for these facilities have been reviewed and they are not thought to present an environmental concern to the subject Property.

The Property is not listed as a RCRA TSDS facility. One TSDS facility is indicated to be located within a ½-mile radius of the Property. Records for this facility have been reviewed and it is not thought to present an environmental concern to the subject Property.

The Property is not listed as a LQG, SQG or CESQG facility. Four LQG, one SQG and no CESQG facilities were identified within a ¼ mile of the Property. Inclusion in these databases does not indicate that releases have occurred and do not represent RECs.

5.1.1.4 EMERGENCY RESPONSE NOTIFICATION SYSTEM

The Emergency Response Notification System (ERNS) is a national database system used to store information on the sudden and/or accidental release of hazardous substances and petroleum into the environment. The information reviewed indicated there have been no reported incidents on the Property that required emergency response notification.

5.1.2 NEW YORK STATE RECORDS

5.1.2.1 NEW YORK INACTIVE HAZARDOUS WASTE DISPOSAL SITES

The DEC maintains a database listing Inactive Hazardous Waste Disposal Sites (SHWS) in New York.

The information reviewed indicated the Property is not listed on the SHWS database.

Six SHWS facilities are reported to be located within a 1-mile radius of the Property. Records for these facilities have been reviewed and none are thought to present an environmental concern to the subject Property.

5.1.2.2 DEC SPILL PREVENTION AND RESPONSE DATA SECTION

The DEC also maintains records that include information regarding sites with reported spills (hazardous waste, petroleum and other), leaking tank incidents and registered underground storage tanks, chemical bulk storage tanks and/or petroleum bulk storage tanks. These records were reviewed to determine the status of the Property and surrounding properties.

➤ SPILLS

The DEC Spills database includes records of petroleum spills to State waterways or the ground surface.

No spills are listed for the Property on the DEC Spills database.

Seventeen spill incidents are reported to have occurred within 1/8 mile of the Property. Sixteen of the identified incidents have been closed by the DEC. The one open incident is listed below. None of these incidents are likely to have impacted the subject Property.

- *DEC Spill No. 1504188 – Equipment Failure*

Spill incident was reported on July 20, 2015. A leak was discovered during the removal of a heating oil tank. Twelve to 15 cubic yards of soil were excavated to remove contamination. The DEC is reportedly waiting for the results of sampling conducted during the dig-out.

➤ LEAKING STORAGE TANK INCIDENT REPORTS

DEC records contain an inventory of reported leaking storage tank incidents (LTANKS) from April 1, 1986 through the most recent update. These incidents can be either leaking underground or aboveground storage tanks.

The causes of these incidents are tank test failures, tank failures or tank overfills.

One LTANK incident is listed for the Property on the DEC database. Records indicate contaminated soil was discovered during the removal of an underground tank. The DEC was notified and Spill No. 9511787 was assigned. The incident was closed by the DEC on December 31, 1996 as not meeting cleanup standards. This is considered a REC.

Twenty-seven LTANK incidents are reported to have occurred within ½ mile of the subject Property. All of the reported incidents have been closed by the DEC and are not thought to present an environmental concern to the subject Property.

➤ **PETROLEUM BULK STORAGE TANKS**

Underground Storage Tanks (USTs)

The UST database contains a listing of registered USTs. One 2,000-gallon gasoline UST is registered for the Property (DEC PBS No. 7-600407). Records indicate this tank was removed and is considered part of the REC associated with the above-referenced LTANK incident.

No registered UST facilities are reported to be located on adjacent property.

Aboveground Storage Tanks (ASTs)

The AST database contains a listing of registered ASTs. No ASTs are listed for the Property on the DEC database.

Three heating oil tanks ASTs are registered for the adjacent Lofts at Franklin Square apartment building (DEC PBS No. 7-600934). All three tanks have been closed.

➤ CHEMICAL BULK STORAGE TANKS

DEC records do not indicate the presence of any registered chemical bulk storage (CBS) tanks on the Property.

Two registered CBS facilities are reported to be located within a ¼-mile radius of the Property. Both facilities are reportedly closed and are not thought to present an environmental concern to the subject Property.

5.1.2.3 DEC BUREAU OF RESOURCE RECOVERY - SOLID WASTE FACILITIES

The DEC's Bureau of Resource Recovery maintains a listing of solid waste landfills (State Landfill) and processing facilities (Waste Tire Storage and Recycling Facilities, Vehicle Dismantler, etc.) currently operating in New York.

The Property is not listed as a solid waste facility. Records indicate the presence of three solid waste facilities within a ½-mile radius of the Property. Information concerning these facilities has been reviewed and none are thought to present an environmental concern to the subject Property.

The Property is not listed as a Registered Waste Tire Storage Facility (SWTIRE) or a Registered Recycling Facility (SWRCY). No SWTIRE or SWRCY facilities are indicated to be located within a ½-mile radius of the Property.

5.1.2.4 VOLUNTARY CLEANUP AGREEMENTS

New York State established their Voluntary Cleanup Program (VCP) to address the environmental, legal and financial barriers that often hinder the redevelopment and reuse of contaminated properties. The Property is not listed as a VCP site. Records indicate the presence of two VCP agreement sites within ½ mile of the Property.

Information concerning these facilities has been reviewed and neither is thought to present an environmental concern to the subject Property.

5.1.2.5 BROWNFIELD SITES

A Brownfield is any real property where redevelopment or reuse may be complicated by the presence or potential presence of a hazardous waste, petroleum, pollutant or contaminant. The DEC has two programs that address Brownfield sites – the Environmental Restoration Program (ERP) for municipally owned sites and the Brownfield Cleanup Program (BCP) for privately owned sites. The Property is not listed as a Brownfield site. Records indicate the presence of four listed Brownfield sites within ½ mile of the Property, one of which is located on adjacent vacant property across Solar Street to the southwest. None of the listed sites are thought to present an environmental concern to the subject Property.

5.1.2.6 INSTITUTIONAL CONTROL/ENGINEERING CONTROL REGISTRIES

Institutional and Engineering Controls are legal or administrative restrictions or physical modifications on the use of, or access to, a site or facility that may contain hazardous substance or petroleum product contamination. These controls are put in place in order to ensure maintenance of specified conditions that are required for the protection of public health and/or the environment. Records do not indicate the Property is listed on the New York State or United States Institutional Control/Engineering Control registries.

5.1.3 HISTORICAL ENVIRONMENTALLY-SENSITIVE SITES

Records of historical facilities of an environmentally sensitive nature (manufactured gas plants (MGPs), automotive repair facilities, dry cleaners, etc.) are provided in the EDR report. Records indicate two MPG sites and two historical automotive repair facilities were located in the vicinity of the subject Property.

5.1.4 UNMAPPED AND ORPHAN SITES

All unmapped and orphan sites identified in environmental databases were reviewed to determine if they present a threat of environmental impact to the subject Property. The Rotondo Warehouse, located northeast of the Property, appears to be on the SHWS and HSWDS databases due to drums that were removed from the warehouse. None of the other sites were identified as being in the vicinity of the subject Property or presenting an environmental concern to the subject Property.

5.1.5 CITY DIRECTORY

The City Directory records list various box manufacturing companies at the Property from 1938 to 1978. Syracuse Scale Company was first listed at the property in 1983. Richlar Industries, Inc., an insulating materials manufacturer, was also listed at the Property in 1983. Salerno Industries and Atlas Scales were also listed at the Property from 1992 to 1999. Salerno Industries was also listed at the Property in 2003. Records from 2008 and 2013 only list Syracuse Scale Company at the Property.

Refer to *Appendix D – City Directory Image Report* for additional information.

5.2 ADDITIONAL ENVIRONMENTAL RECORD SOURCES

5.2.1 LOCAL RECORDS

5.2.1.1 FREEDOM OF INFORMATION LAW (FOIL) REQUESTS

FOIL requests specific to the Property were made of the following agencies:

- The DEC.
- The NYSDOH.
- The Onondaga County Health Department.
- The City of Syracuse.

The NYSDOH and Onondaga County Health Department have responded, indicating they have no information on file for the Property. The City of Syracuse provided records regarding the onsite gasoline tank and its closure, however, they did not have a closure letter from the DEC. The DEC also provided records of the tank and its closure, but did not include a closure report. As previously noted, this tank is listed on the LTANK database as closed but not meeting cleanup standards.

5.3 PHYSICAL SETTING SOURCES

5.3.1 SANBORN FIRE INSURANCE MAPS

Sanborn fire insurance maps showing the subject Property were available for the following years:

1911: Single family dwellings are shown on the majority of the subject Property. A forge shop, labeled as powered by steam and showing a 10 horse power engine, is located on the corner of West Division Street and Solar Street. Single family dwellings are located to the north. Industrial sites are located on other surrounding properties.

1950: Two dwellings are shown on the northern portion of the Property. An industrial building is shown on the remainder of the Property, generally in the same shape and size as the current building. Much of the print on the map is illegible. Industrial development on surrounding properties has increased, including what appears to be an iron gas holder located to the southeast. These structures can be associated with manufactured gas sites.

1953: No significant changes to the Property appear to have occurred. The building appears to be listed as United Board and Carton Corporation. Much of the print on the map is illegible.

1961: No significant changes to the Property appear to have occurred.

1968: No significant changes to the Property appear to have occurred.

1971: No significant changes to the Property appear to have occurred.

1990: No significant changes to the Property appear to have occurred.

Refer to *Appendix E – Sanborn Map Report* for additional documentation.

5.3.2 USGS TOPOGRAPHIC MAPS

The Property location is shown on *Figure 1 – Site Location Map*. The elevation of the Property is approximately 375 feet (USGS datum) above sea level. The nearest body of water is Onondaga Creek, located approximately 1,000 feet west of the Property.

Based on the local topography, the anticipated groundwater flow direction is likely to be toward the west.

The 1895, 1898, 1939, 1947, 1958, 1973, 1978 and 2013 editions of the USGS topographic map were reviewed. The Property is shown in a large area labeled “Salt Sheds” on the 1895 and 1898 maps. The Property is shown in the densely developed part of the City of Syracuse throughout the remaining series of maps.

Refer to *Appendix F – EDR Historical Topographic Map Report* for additional information.

5.3.3 HISTORICAL AERIAL PHOTOGRAPHS

Historical aerial photographs of the Property were available for the years 1938, 1951, 1959, 1966, 1978, 1986, 1988, 1995, 2006, 2008, 2009 and 2011. The Property is shown generally as it appears today throughout the series of photographs. Industrial development increases through the 1988 photograph. Image quality does not allow for details to be discerned.

Refer to *Appendix G – EDR Aerial Photo Decade Package* for additional information.

5.4 HISTORICAL USE INFORMATION ON THE PROPERTY

Review of records and historical topographic maps and aerials indicates the Property has been utilized for industrial purposes.

5.5 HISTORICAL USE INFORMATION ON ADJOINING PROPERTIES

Review of records and historical topographic maps and aerials indicates adjacent properties have been utilized for industrial, commercial and residential purposes.

5.6 VAPOR INTRUSION EVALUATION

As part of this assessment, a Tier 1 Assessment of Vapor Intrusion was completed in general conformance with ASTM E 2600-10 “*Standard Practices for Assessment of Vapor Intrusion into Structures on Property Involved in Real Estate Transactions.*” This assessment revealed that, according to available site information, vapor intrusion is unlikely to be an issue of concern in connection with the existing or planned structures on the subject Property. This is based on EPA screening criteria and the lack of any information identifying a groundwater impact plume within the separation distances in the guidance. However, this report recommends the former gasoline UST area be investigated for potential past releases. The conclusions of a subsurface investigation may change this vapor intrusion evaluation.

6.0 INTERVIEWS

6.1 INTERVIEWS WITH OWNER/OPERATOR

Anita J. Salerno, the current Property owner, reported in the Phase I Environmental Questionnaire that the Property has been utilized for manufacturing purposes. She reported that an underground tank was previously located on the Property.

Ms. Salerno is not aware of environmental liens or activity and use limitations in connection with the Property.

6.2 INTERVIEWS WITH OTHERS

No additional interviews were conducted.

7.0 INFORMATION FROM SITE RECONNAISSANCE

7.1 HAZARDOUS SUBSTANCES IN CONNECTION WITH IDENTIFIED USES

Numerous hazardous substances in connection with identified uses were observed on the Property, including cleaning and maintenance supplies. These substances were generally stored in a manner to prevent release to the environment [Photos 11, 12 and 13].

7.2 HAZARDOUS AND/OR UNIDENTIFIED SUBSTANCE CONTAINERS

No hazardous and/or unidentified substance containers were observed on the Property.

7.3 STORAGE TANKS AND DRUMS

No USTs or ASTs were observed on the Property. Two 55-gallon metal drums, reportedly containing oils, were observed on the Property. Minor staining of the concrete floor around the drums was noted [Photo 14].

7.4 PCBs

Several floor mounted transformers and other electrical equipment was observed inside the building. Labeling did not provide a clear indication of the transformer contents, although some of these transformers appeared to be dry-types that do not contain oils. No evidence of releases was observed. If found to contain PCBs, these transformers should be replaced with non-PCB containing transformers [Photos 15 and 16].

Three pole mounted transformers were observed on the Property near West Division Street. No evidence of a release was observed [Photo 17].

7.5 SOLID WASTE

Solid waste is collected in onsite dumpsters and disposed of by a commercial waste hauler. Scrap metal from onsite activities is collected in a bin that is reportedly brought to a private scrap facility on a regular basis [Photo 18].

7.6 WASTEWATER

Wastewater generated on the Property discharges to the municipal sewer system.

7.7 ADDITIONAL SITE CONDITIONS

7.7.1 STAINED AREAS, STRESSED VEGETATION AND DEBRIS

No stained areas, stressed vegetation or debris were observed on the subject Property, with the exception of minor staining of the concrete floor inside the building that was not located near any floor drains [Photos 19 and 20].

7.7.2 MOUNDS, DEPRESSIONS, DISTURBANCES

No mounds, depressions or land disturbances of suspicious origin were observed on the Property.

7.7.3 PITS, PONDS AND LAGOONS

No pits, ponds or lagoons were observed on the Property.

7.7.4 MISCELLANEOUS CONCERNS

Several floor drains and trench drains were observed onsite [Photo 21 and 22]. It is unknown if these drains go directly to the sewer system or drain to an on-site system. This should be further investigated if releases are thought to have occurred to these drains.

8.0 FINDINGS AND CONCLUSIONS

Plumley Engineering performed a Phase I ESA for Dupli Envelop and Graphics Corporation on Property located at 156-158 Solar Street in the City of Syracuse, Onondaga County, New York. This investigation was conducted in general conformance with the scope and limitations of ASTM Standard E 1527-13 and standard engineering practices in order to identify recognized environmental conditions concerning the Property. This assessment included a historical records search, interviews and an inspection of the site.

The Property consists of one parcel, with tax identification number 118.-06-01.0. Onondaga County tax records indicate the Property totals approximately 2.0 acres in size. The Property is located on the corner of Solar Street and West Division Street. The Property has approximately 334 feet of road frontage along Solar Street and approximately 260 feet of frontage along West Division Street. The surrounding area is utilized for commercial and residential purposes.

Aerial photographs and topographic maps indicate the Property has been utilized for industrial purposes. The current Property owner, Syracuse Scale Company, Inc. acquired the Property in 1954. These documents indicate a historic use of the Property related to industrial operations that present an environmental concern.

A building is currently located on the Property. Syracuse Scale Company, a scale sales and repair firm, occupies a portion of the building. The remainder of the building is vacant.

This assessment revealed two recognized environmental conditions associated with the Property.

- Contaminated soil was discovered during the removal of a former onsite underground gasoline tank. Although contaminated soil was excavated from the site, the spill incident associated with this tank removal was closed as not meeting cleanup standards. The spill area should be further investigated to determine the amount of contamination remaining and the potential for completing the cleanup.

- This Property has been utilized for industrial purposes for over 100 years. Although the general nature of the known occupants suggests a low risk for environmental releases, environmental and occupant records prior to the 1970's are fragmented. The Property should be investigated for evidence of past releases, particularly if any portions of the building are to be demolished.

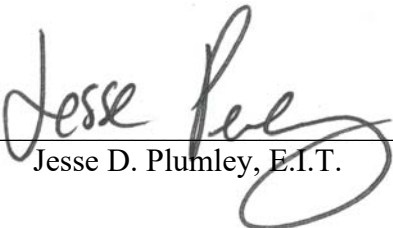

9.0 DECLARATION AND SIGNATURES OF ENVIRONMENTAL PROFESSIONALS

We declare that, to the best of our professional knowledge and belief, we meet the definition of *Environmental Professional* as defined in Title 40 of the Code of Federal Regulations (40 CFR) Part 312, paragraph 312.10, and we have the specific qualifications based on education, training and experience to assess a *property* of the nature, history and setting of the subject *Property*. We have developed and performed the appropriate inquiries in general conformance with the standards and practices set forth in ASTM Standard E 1527-13.

The following representatives of Plumley Engineering, P.C. participated in the preparation, execution and reporting of this Environmental Site Assessment.

David K. Meixell, P.E.

Jesse D. Plumley, E.I.T.

APPENDICES

APPENDIX A

QUALIFICATION INFORMATION

ENVIRONMENTAL SITE ASSESSMENTS

Phase I ESA:

The purpose of performing a Phase I Environmental Site Assessment (ESA) is to identify *recognized environmental conditions*¹ prior to the transfer of a parcel of commercial land. The American Society for Testing and Materials (ASTM) has developed a standard practice (ASTM Standard E 1527-13) for the Phase I ESA process, which has been widely accepted by property owners and lending institutions. Plumley Engineering performs the ESA process in general conformance with this standard. An ESA includes a records review, site reconnaissance survey, interviews and a report.

The objective of the records review is to obtain and review records that will help identify recognized environmental conditions in connection with the property. The objective of the site reconnaissance is to identify any obvious indications of recognized environmental conditions in connection with the property. An inspection of the interior and exterior of any buildings and the grounds of the property under investigation is typically performed. Interviews are performed to obtain information about uses and conditions of the property, past and present. Interviews are sought with individuals knowledgeable about the property and the history of the area. The Phase I ESA does not include any sampling.

A report of the findings will be provided in the general format of the ASTM standard. The report includes an executive summary, a discussion of the observations of recognized environmental conditions and our opinion of the impact of those conditions, findings and conclusions, and a certification.

¹Described as “*the presence or likely presence of any hazardous substances or petroleum products on a property under conditions that indicate an existing release, a past release, or a material threat of a release of any hazardous substances or petroleum products into structures on the property or into the ground, groundwater, or surface water of the property.*”

ENVIRONMENTAL SITE ASSESSMENTS

Phase II ESA:

The purpose of a Phase II ESA is to determine the presence or absence of contamination related to recognized environmental conditions observed in Phase I. A Phase II investigation involves invasive sampling, including one or more specific tests for air, groundwater and/or soil contamination.

The work involved in a Phase II investigation is site specific. A typical Phase II may require test pits be excavated to sample soil and/or groundwater. If the groundwater is deep, soil borings and monitoring wells may be necessary. The results of the Phase I will give a clearer indication of what will be needed in the Phase II.

Experience:

Plumley Engineering has performed numerous Phase I and II ESAs. A partial client list is provided below.

CURRICULUM VITAE

DAVID K. MEIXELL, P.E.

QUALIFICATIONS AND EXPERIENCE

2014-Present **PLUMLEY ENGINEERING, P.C.**
Baldwinsville, New York

As Senior Engineer in the Environmental Department, responsible for project management of a variety of civil and environmental engineering projects, including the following:

- Brownfields redevelopment, including municipal-owned properties managed under New York's Environmental Restoration Program (ERP).
- Petroleum and hazardous waste site investigations, including soil and groundwater contamination assessment, remedial feasibility studies, remediation systems design and construction management. Contaminated sites have included petroleum products, PCBs, chlorinated solvents and metals.
- Environmental site assessments (Phase 1 and 2) for property transfers, including petroleum service stations, commercial and industrial property. Assessments are performed in accordance with latest ASTM guidance.
- Spill prevention and response planning, and secondary containment evaluation and design. Facilities include a variety of institutional, industrial and municipal facilities.
- Permitting and other services associated with industrial wastewater treatment facilities design and construction management for a variety of manufacturing processes.
- Industrial compliance services, including environmental compliance audits, wastewater and stormwater management, solid and hazardous waste management, training, air emissions surveys and permit application preparations.
- Litigation support, including technical review and supporting documentation. Cases have involved issues associated with environmental compliance and site contamination.

1986-2014 **O'BRIEN & GERE ENGINEERS, INC.**
Syracuse, New York

As Senior Project Engineer responsible for overseeing a large variety of projects as regulations and the marketplace evolved. Major practice areas included Brownfield investigations and remediation, all levels of environmental due diligence, wastewater and stormwater permitting, environmental site assessments, environmental compliance audits and support, Spill Prevention, Control and Countermeasure (SPCC) Plans, tank and general facility closures, air permitting, hazardous and solid waste management, and petroleum and chemical bulk storage.

Other projects included environmental compliance, general environmental support services and permitting, preparation of water withdrawal permit applications, and the demolition of former industrial facilities.

1980-1986 **CALOCERINOS & SPINA CONSULTING ENGINEERS, P.C.**
Syracuse, New York

As Environmental Scientist and Assistant Engineer, prepared municipal industrial wastewater pretreatment programs, assisted industrial clients during the initial implementation of federal and state hazardous waste regulations, conducted subsurface environmental investigations and assisted in the design of industrial landfills.

1978-1979 **HEATH CONSULTANTS, INC.**
Stoughton, Massachusetts

As Field Consultant, performed leakage surveys on natural gas distribution and transmission lines, as well as public building surveys of natural gas service lines.

EDUCATION

1987 Masters of Science in Resource Management and Policy
SUNY College of Environmental Science and Forestry
Syracuse, New York

1977 Bachelor of Science in Environmental Resource Management
SUNY College of Environmental Science and Forestry
Syracuse, New York

REGISTRATION

Professional Engineer Licensed in the State of New York, 1998

MEMBERSHIPS

Air & Waste Management Association - Central New York Chapter
New York Forest Owners Association

SPECIAL TRAINING

OSHA 40-Hour Course in Hazardous Waste Operations Safety, 1991
8-Hour Refresher Course, annually since 1991

PHASE I ENVIRONMENTAL QUESTIONNAIRE

PHASE I ENVIRONMENTAL QUESTIONNAIRE

PROPERTY NAME: 156-158 Solar Street Property
PROPERTY ADDRESS: 156-158 Solar Street, Syracuse, New York 13204
COMPLETED BY / TITLE: _____ TELEPHONE: _____

(to be filled out by the Applicant/Seller/Occupant; please check or circle your response, and comment/explain any "Yes" answers)

1. Who is the current operator (person responsible for overall operation (including environmental matters) of the property/facility? _____
- 2.* What is the current use of the property? (check all that apply)
- Residential - Single Family
 - Residential - Multifamily
 - Commercial
 - Industrial/Manufacturing
 - Unimproved/Raw Land
 - Agriculture
 - Other: _____
3. What is the date of construction of any structures? [If no structures, skip to Question 8]
- | <u>Name</u> | <u>Description</u> | <u>Date</u> |
|-------------|--------------------|-------------|
| _____ | _____ | _____ |
| _____ | _____ | _____ |
| _____ | _____ | _____ |
4. Do you believe asbestos may be present in any of the structures?
- Yes If Yes, describe: _____
 - No _____
 - Unknown _____
5. It is possible that lead-based paint has been used on any of the structures?
- Yes If Yes, describe: _____
 - No _____
 - Unknown _____
6. Has an asbestos survey ever been conducted?
- Yes If Yes, please provide a copy.
 - No
 - Unknown
7. Do any of the buildings have fluorescent light fixtures?
- Yes If Yes, when were these fixtures installed? _____
 - No
8. What is the past use of the property? (check all that apply)

- Residential - Single Family
- Residential - Multifamily
- Commercial
- Industrial/Manufacturing
- Unimproved/Raw Land
- Agriculture
- Other: _____

9.* Is the property currently used, or has it previously been used, as any of the following: an industrial or manufacturing operation, a gasoline station, a motor repair facility, a commercial printing facility, a dry cleaners, a photo-developing laboratory, a junkyard or a landfill, or as a waste treatment, storage, disposal, processing or recycling facility?

- Yes If Yes, describe: Just Manufacturing - Sewing
- No
- Unknown

10.* Are any adjoining properties currently used, or have they previously been used, as any of the following: an industrial or manufacturing operation, a gas station, a motor repair facility, a commercial printing facility, a dry cleaners, a photo-developing laboratory, a junkyard or a landfill, or as a waste treatment storage, disposal, processing or recycling facility?

- Yes If Yes, describe: _____
- No
- Unknown

11.* Are there currently, or have there been previously, any damaged or discarded automotive or industrial batteries, pesticides, paints or other chemicals in individual containers of greater than five gallons in volume or fifty gallons in aggregate, stored on or used at the property?

- Yes If Yes, describe: _____
- No
- Unknown

12.* Are there currently, or have there been previously, any industrial drums (typically 55 gallons) or sacks of chemicals located on the property?

- Yes If Yes, describe: _____
- No
- Unknown

13.* Has fill material been brought to the site?

- Yes If Yes, describe: _____
- No
- Unknown

13a. What type of fill material?

- Construction debris

- Trash
- Clean soil
- Potentially contaminated soil
- Unknown origin

14. Has there been any mining (such as a gravel bed) on the property?
 Yes If Yes, describe: _____
 No _____
 Unknown _____

15.* Are there currently, or have there been previously, any pits, ponds or lagoons on the property connected with waste treatment or waste disposal?
 Yes If Yes, describe: _____
 No _____
 Unknown _____

16.* Are there currently, or have there been previously, any underground storage tanks on the property?
 Yes If Yes, provide list with capacity, material stored, installation date and closure date.
 No If No, skip to Question 17.
 Unknown

1980

If 16 is answered "Yes":

16a. Were any tanks installed after 1985?
 Yes
 No

If 16a is answered "Yes":

16b. Has leak detection, overflow prevention and cathodic protection equipment been installed with the tank?
 Yes
 No

16c. Did any tanks replace an old tank?
 Yes If Yes, describe tanks removed: _____
 No _____

If 16c is answered "Yes":

16d. Was contamination found when the old tank was removed?
 Yes
 No

If 16d is answered "Yes":

16e. Was the contamination cleaned up?

Yes

No

If 16e is answered "Yes":

16f. Did regulatory authorities approve the cleanup?

Yes

No

If 16a is answered "No":

16g. Have the tanks been tested for leaks?

Yes

If Yes, please provide copy of test results.

No

If 16g is answered "Yes":

16h. Did the tank fail the tightness test?

Yes

No

16i. Are you aware of any leaks or spills?

Yes

If Yes, describe: _____

No

If 16i is answered "Yes":

16j. Was the leak or spill cleaned?

Yes

No

16k. Did regulatory authorities approve the cleanup?

Yes

No

17.* Are there currently, or have there been previously, any *aboveground* storage tanks on the property?

Yes

If Yes, provide listing.

No

If No, skip to Question 18.

Unknown

If 17 is answered "Yes":

17a. Has the tank ever leaked or has there ever been a spill?

- Yes If Yes, describe: _____
 No _____
 Unknown _____

If 17a is answered "Yes":

17b. Was the leak or spill cleaned?

- Yes
 No

17c. Were regulatory authorities notified?

- Yes
 No

18. Are you aware of any spills, leaks or discharges of petroleum or hazardous substances onto or from the property from sources other than tanks?

- Yes If Yes, describe: _____
 No _____
 Unknown _____

19.* Are there currently, or have there been previously, any drains, or floor or wall surfaces located within the facility that are, or have been, stained by substances other than water or which are emanating foul odors?

- Yes If Yes, describe: _____
 No _____
 Unknown _____

20.* Is there currently, or has there been previously, any stained soil on the property?

- Yes If Yes, describe: _____
 No _____
 Unknown _____

21.* Has any groundwater testing been performed at the property?

- Yes If Yes, please provide copies of results.
 No If No, skip to Question 22.

If 21 is answered "Yes":

21a. Have any contaminants been identified which exceed State or Federal standards?

- Yes
 No

21b. Has the water been designated as contaminated by any governmental agency?

Yes

No

22.* Is the property served, or has the property been served, by a private well?

Yes

If Yes, describe: _____

No

23. Are there any groundwater monitoring wells on the property?

Yes

If Yes, describe: _____

No

24.* Are you aware of any environmental liens or governmental notification relating to past or current violations of environmental laws with respect to the property, to any facility located on the property, or to any properties in the vicinity?

Yes

If Yes, describe: _____

No

25.* Has an environmental assessment ever been performed on the property?

Yes

If Yes, please provide a copy.

No

If No, skip to Question 26.

If 25 is answered "Yes":

25a.* Did the environmental assessment indicate the presence of any potential contamination?

Yes

If Yes, describe: _____

No

If 25a is answered "Yes":

25b. Was the contamination cleaned up?

Yes

If Yes, describe: _____

No

26.* Are you aware of any environmental litigation or administrative action related to a release or threatened release of any hazardous substance or petroleum product involving the property or an abutting property?

Yes

If Yes, describe: _____

No

Unknown

27.* Other than stormwater or water discharged into a sanitary sewer system, does the property discharge wastewater onto the subject property or onto any adjacent property?

Yes

If Yes, describe: _____

No

Unknown

28. Are there any septic systems, dry wells or leach fields on the property?
 Yes If Yes, describe: _____
 No _____
 Unknown _____

If 28 is answered "Yes":

- 28a. Have hazardous substances or petroleum products ever been discharged to these systems?
 Yes If Yes, describe: _____
 No _____

- 29.* Have any demolition debris, hazardous substances, petroleum products, unidentified waste materials, automotive or industrial batteries, tires, trash or refuse been dumped, buried and/or burned on the property?
 Yes If Yes, describe: _____
 No _____
 Unknown _____

- 30.* Is there a transformer, capacitor or any hydraulic equipment on the property?
 Yes If Yes, describe: _____
 No _____

If 30 is answered "Yes":

- 30a.* Do records indicate the presence of PCBs?
 Yes If Yes, describe: _____
 No _____
 Unknown _____

31. Are there wetlands on the property?
 Yes If Yes, describe: _____
 No _____

32. Are you aware of any activity and land use limitations, such as engineering controls, land use restrictions or institutional controls that are in place at the site and/or have been filed or recorded in a registry under federal, tribal, state or local law??
 Yes If Yes, describe: _____
 No _____

*Reflects information (in whole or in part) required by ASTM Transaction Screen Standard E.50.02.1.

EXECUTIVE SUMMARY

A search of available environmental records was conducted by Environmental Data Resources, Inc (EDR). The report was designed to assist parties seeking to meet the search requirements of EPA's Standards and Practices for All Appropriate Inquiries (40 CFR Part 312), the ASTM Standard Practice for Environmental Site Assessments (E 1527-13) or custom requirements developed for the evaluation of environmental risk associated with a parcel of real estate.

TARGET PROPERTY INFORMATION

ADDRESS

156 SOLAR STREET
SYRACUSE, NY 13204

COORDINATES

Latitude (North): 43.0582640 - 43° 3' 29.75"
Longitude (West): 76.1580690 - 76° 9' 29.04"
Universal Transverse Mercator: Zone 18
UTM X (Meters): 405693.8
UTM Y (Meters): 4767720.5
Elevation: 378 ft. above sea level

SURROUNDING SITES: SEARCH RESULTS

Surrounding sites were identified in the following databases.

Elevations have been determined from the USGS Digital Elevation Model and should be evaluated on a relative (not an absolute) basis. Relative elevation information between sites of close proximity should be field verified. Sites with an elevation equal to or higher than the target property have been differentiated below from sites with an elevation lower than the target property. Page numbers and map identification numbers refer to the EDR Radius Map report where detailed data on individual sites can be reviewed.

Sites listed in **bold italics** are in multiple databases.

Unmappable (orphan) sites are not considered in the foregoing analysis.

TC4679337.2s EXECUTIVE SUMMARY 7

EXECUTIVE SUMMARY

STANDARD ENVIRONMENTAL RECORDS

Federal NPL site list

NPL: Also known as Superfund, the National Priority List database is a subset of CERCLIS and identifies over 1,200 sites for priority cleanup under the Superfund program. The source of this database is the U.S. EPA.

A review of the NPL list, as provided by EDR, and dated 03/07/2016 has revealed that there is 1 NPL site within approximately 1 mile of the target property.

Equal/Higher Elevation	Address	Direction / Distance	Map ID	Page
ONONDAGA LAKE	POSTAL ADDRESS IS UN	W 1/8 - 1/4 (0.180 mi.)	0	9

Federal CERCLIS list

SEMS: SEMS (Superfund Enterprise Management System) tracks hazardous waste sites, potentially hazardous waste sites, and remedial activities performed in support of EPA's Superfund Program across the United States. The list was formerly known as CERCLIS, renamed to SEMS by the EPA in 2015. The list contains data on potentially hazardous waste sites that have been reported to the USEPA by states, municipalities, private companies and private persons, pursuant to Section 103 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). This dataset also contains sites which are either proposed to or on the National Priorities List (NPL) and the sites which are in the screening and assessment phase for possible inclusion on the NPL.

A review of the SEMS list, as provided by EDR, and dated 03/07/2016 has revealed that there are 2 SEMS sites within approximately 0.5 miles of the target property.

Equal/Higher Elevation	Address	Direction / Distance	Map ID	Page
ONONDAGA LAKE	POSTAL ADDRESS IS UN	W 1/8 - 1/4 (0.180 mi.)	0	9
OTISCA OIL	900 NORTH MCBRIDE ST	E 1/4 - 1/2 (0.444 mi.)	W94	539

Federal CERCLIS NFRAP site list

SEMS-ARCHIVE: SEMS-ARCHIVE (Superfund Enterprise Management System Archive) tracks sites that have no further interest under the Federal Superfund Program based on available information. The list was formerly known as the CERCLIS-NFRAP, renamed to SEMS-ARCHIVE by the EPA in 2015. EPA may perform a minimal level of assessment work at a site while it is archived if site conditions change and/or new information becomes available. Archived sites have been removed and archived from the inventory of SEMS sites. Archived status indicates that, to the best of EPA's knowledge, assessment at a site has been completed and that EPA has determined no further steps will be taken to list the site on the National Priorities List (NPL), unless information indicates this decision was not appropriate or other considerations require a recommendation for listing at a later time. The decision does not necessarily mean that there is no hazard associated with a given site; it only means that, based upon available information, the location is not judged to be potential NPL site.

A review of the SEMS-ARCHIVE list, as provided by EDR, and dated 03/07/2016 has revealed that there is 1 SEMS-ARCHIVE site within approximately 0.5 miles of the target property.

ROTONDO WAREHOUSE	212 W DIVISION ST	NNE 0 - 1/8 (0.053 mi.)	D19	194

Federal RCRA CORRACTS facilities list

CORRACTS: CORRACTS is a list of handlers with RCRA Corrective Action Activity. This report shows which nationally-defined corrective action core events have occurred for every handler that has had corrective action activity.

A review of the CORRACTS list, as provided by EDR, and dated 12/09/2015 has revealed that there are 4 CORRACTS sites within approximately 1 mile of the target property.

Federal RCRA non-CORRACTS TSD facilities list

RCRA-TSDF: RCRAInfo is EPA's comprehensive information system, providing access to data supporting the Resource Conservation and Recovery Act (RCRA) of 1976 and the Hazardous and Solid Waste Amendments (HSWA) of 1984. The database includes selective information on sites which generate, transport, store, treat and/or dispose of hazardous waste as defined by the Resource Conservation and Recovery Act (RCRA). Transporters are individuals or entities that move hazardous waste from the generator offsite to a facility that can recycle, treat, store, or dispose of the waste. TSDFs treat, store, or dispose of the waste.

A review of the RCRA-TSDF list, as provided by EDR, and dated 12/09/2015 has revealed that there is 1 RCRA-TSDF site within approximately 0.5 miles of the target property.

Federal RCRA generators list

RCRA-LQG: RCRAInfo is EPA's comprehensive information system, providing access to data supporting the Resource Conservation and Recovery Act (RCRA) of 1976 and the Hazardous and Solid Waste Amendments (HSWA) of 1984. The database includes selective information on sites which generate, transport, store, treat and/or dispose of hazardous waste as defined by the Resource Conservation and Recovery Act (RCRA). Large quantity generators (LQGs) generate over 1,000 kilograms (kg) of hazardous waste, or over 1 kg of acutely hazardous waste per month.

A review of the RCRA-LQG list, as provided by EDR, and dated 12/09/2015 has revealed that there are 4

EXECUTIVE SUMMARY

State- and tribal - equivalent CERCLIS

NY SHWS: The State Hazardous Waste Sites records are the states' equivalent to CERCLIS. These sites may or may not already be listed on the federal CERCLIS list. Priority sites planned for cleanup using state funds (state equivalent of Superfund) are identified along with sites where cleanup will be paid for by potentially responsible parties. The data come from the Department of Environmental Conservation's Inactive Hazardous waste Disposal Sites in New York State.

A review of the NY SHWS list, as provided by EDR, and dated 05/17/2016 has revealed that there are 6 NY SHWS sites within approximately 1 mile of the target property.

NY VAPOR REOPENED: "Vapor intrusion" refers to the process by which volatile chemicals move from a subsurface source into the indoor air of overlying or adjacent buildings. The subsurface source can either be contaminated groundwater or contaminated soil which releases vapors into the pore spaces in the soil. Improvements in analytical techniques and knowledge gained from site investigations in New York and other states has led to an increased awareness of soil vapor as a medium of concern and of the potential for exposure from the soil vapor intrusion pathway. Based on this additional information, New York is currently re-evaluating previous assumptions and decisions regarding the potential for soil vapor intrusion exposures at sites. As a result, all past, current, and future contaminated sites will be evaluated to determine whether these sites have the potential for exposures related to soil vapor intrusion.

A review of the NY VAPOR REOPENED list, as provided by EDR, and dated 08/01/2015 has revealed that there is 1 NY VAPOR REOPENED site within approximately 1 mile of the target property.

NY ERP: In an effort to spur the cleanup and redevelopment of brownfields, New Yorkers approved a \$200 million Environmental Restoration or Brownfields Fund as part of the \$1.75 billion Clean Water/Clean Air Bond Act of 1996 (1996 Bond Act). Enhancements to the program were enacted on October 7, 2003. Under the Environmental Restoration Program, the State provides grants to municipalities to reimburse up to 90 percent of on-site eligible costs and 100% of off-site eligible costs for site investigation and remediation activities. Once remediated, the property may then be reused for commercial, industrial, residential or public use.

A review of the NY ERP list, as provided by EDR, and dated 05/17/2016 has revealed that there is 1 NY ERP site within approximately 0.5 miles of the target property.

NY HIST UST: The Underground Storage Tank database contains registered USTs. USTs are regulated under Subtitle 1 of the Resource Conservation and Recovery Act (RCRA). The data come from the Department of Environmental Conservation's Petroleum Bulk Storage (PBS) Database.

A review of the NY HIST UST list, as provided by EDR, and dated 01/01/2002 has revealed that there are 7 NY HIST UST sites within approximately 0.25 miles of the target property.

Records of Emergency Release Reports

NY Spills: Data collected on spills reported to NYSDEC, is required by one or more of the following: Article 12 of the Navigation Law, 6 NYCRR Section 613.8 (from PBS regs), or 6 NYCRR Section 595.2 (from CBS regs). It includes spills active as of April 1, 1986, as well as spills occurring since this date.

A review of the NY Spills list, as provided by EDR, and dated 05/17/2016 has revealed that there are 17 NY Spills sites within approximately 0.125 miles of the target property.

Other Ascertainable Records

RCRA NonGen / NLR: RCRAInfo is EPA's comprehensive information system, providing access to data supporting the Resource Conservation and Recovery Act (RCRA) of 1976 and the Hazardous and Solid Waste Amendments (HSWA) of 1984. The database includes selective information on sites which generate, transport, store, treat and/or dispose of hazardous waste as defined by the Resource Conservation and Recovery Act (RCRA). Non-Generators do not presently generate hazardous waste.

A review of the RCRA NonGen / NLR list, as provided by EDR, and dated 12/09/2015 has revealed that there are 27 RCRA NonGen / NLR sites within approximately 0.25 miles of the target property.

ROD: Record of Decision. ROD documents mandate a permanent remedy at an NPL (Superfund) site containing technical and health information to aid the cleanup.

A review of the ROD list, as provided by EDR, and dated 11/25/2013 has revealed that there is 1 ROD site within approximately 1 mile of the target property.

Equal/Higher Elevation	Address	Direction / Distance	Map ID	Page
ONONDAGA LAKE	POSTAL ADDRESS IS UN	W 1/8 - 1/4 (0.180 mi.)	0	9

NY HSWDS: The List includes any known or suspected hazardous substance waste disposal sites. Also included are sites delisted from the Registry of Inactive Hazardous Waste Disposal Sites and non-registry sites that U.S. EPA Preliminary Assessment (PA) reports or Site Investigation (SI) reports were prepared. Hazardous Substance Waste Disposal Sites are eligible to be Superfund sites now that the New York State Superfund has been refinanced and changed. This means that the study inventory has served its purpose and will no longer be maintained as a separate entity. The latest version of the study is frozen in time. The sites on the study will not automatically be made superfund sites, rather each site will be further evaluated for listing in the registry. So overtime they will be added to the registry or not.

A review of the NY HSWDS list, as provided by EDR, and dated 01/01/2003 has revealed that there is 1 NY HSWDS site within approximately 0.5 miles of the target property.

EDR HIGH RISK HISTORICAL RECORDS

EDR Exclusive Records

EDR MGP: The EDR Proprietary Manufactured Gas Plant Database includes records of coal gas plants (manufactured gas plants) compiled by EDR's researchers. Manufactured gas sites were used in the United States from the 1800's to 1950's to produce a gas that could be distributed and used as fuel. These plants used waste oil, rosin, coal, or a mixture of coal, oil, and water that also produced a significant amount of waste. Many of the byproducts of the gas production, such as coal tar (oil waste containing volatile and non-volatile chemicals), sludges, oils and other compounds are potentially hazardous to human health and the environment. The byproduct from this process was frequently disposed of directly at the plant site and can remain or spread slowly, serving as a continuous source of soil and groundwater contamination.

A review of the EDR MGP list, as provided by EDR, has revealed that there are 2 EDR MGP sites within approximately 1 mile of the target property.

TC4679337.2s EXECUTIVE SUMMARY 24

EXECUTIVE SUMMARY

EDR Hist Auto: EDR has searched selected national collections of business directories and has collected listings of potential gas station/filling station/service station sites that were available to EDR researchers. EDR's review was limited to those categories of sources that might, in EDR's opinion, include gas station/filling station/service station establishments. The categories reviewed included, but were not limited to gas, gas station, gasoline station, filling station, auto, automobile repair, auto service station, service station, etc. This database falls within a category of information EDR classifies as "High Risk Historical Records", or HRHR. EDR's HRHR effort presents unique and sometimes proprietary data about past sites and operations that typically create environmental concerns, but may not show up in current government records searches.

A review of the EDR Hist Auto list, as provided by EDR, has revealed that there are 2 EDR Hist Auto sites within approximately 0.125 miles of the target property.

Summary Details:

Conditions at Proposal May 10, 1993: The Onondaga Lake site is located in the City of Syracuse and in the Towns of Salina, Geddes, and Camillus, Onondaga County, New York. Onondaga Lake is approximately 4.5 miles long and averages 1 mile in width. Seven major tributaries flow into the lake; water exits the lake via a barge canal at its northwest end and flows into the Seneca River. The land immediately adjacent to the lake consists primarily of industrial properties and county parks. The site is composed of the lake itself, its tributaries and the upland hazardous waste sites which have contributed or are contributing contamination to the lake sub-sites). A ban was placed on public fishing from the lake in 1970 due to high concentrations of mercury in several species of fish. The lake was re-opened to fishing in 1988 on a catch and release basis only. Population and industrial growth in the areas surrounding Onondaga Lake has resulted in extensive biological, chemical, and physical degradation of its waters. In addition to mercury contamination in the lake, analyses of sediment samples detected barium, cadmium, chromium, cobalt, lead, ben ene, chlorobenzene, total xylenes, various polycyclic aromatic hydrocarbons, pesticides, and PCBs. Historical information indicates that the lake received surface water discharges from various industrial processes and municipal waste water treatment plants. Initially, the Environmental Protection Agency (EPA) has evaluated only operations of Allied Signal, Inc. (AS) and/or its predecessors, and Linden Chemicals and Plastics, Inc. (LCP), now owned by the Hanlin Group. EPA is attempting to identify additional potentially responsible parties. The AS facilities manufactured numerous organic and inorganic chemicals. AS's Willis Avenue plant and LCP's Bridge Street plant located west of the Main Plant complex, used a mercury cell process to produce chlorine, sodium hydroxide, and potassium hydroxide. Each plant discharged aqueous waste streams containing mercury as part of normal operations. Other waste sources include AS's Solvay Waste Beds containing by-products generated from soda ash production and Semet Residue Ponds containing wastes generated from acid washing of light oil. Several consent orders have been signed in recent years between AS and the New York State Department of Environmental Conservation (NYSDEC) related to the Solvay Waste Beds, the Semet Residue Ponds and ground-water contamination at the location of the Willis Avenue Plant. In early 1992, AS and the NYSDEC signed a consent decree to perform a Remedial Investigation/Feasibility Study (RI/FS) to determine the type and extent of contamination at Onondaga Lake and to identify alternatives for remedial action. NYSDEC has also filed an action against the Hanlin Group under Subtitle C of the Resource Conservation and Recovery Act (RCRA). The Hanlin Group commenced bankruptcy proceedings on July 10, 1991. Status December 1994: Presently, AS is performing the Onondaga Lake RI/FS and RI/FSs for the Solvay Waste Beds, Semet Residue Ponds, and Willis Avenue Plant. EPA has entered into a cooperative agreement with NYSDEC to provide funds so that NYSDEC can coordinate, manage, and oversee the ongoing work at the subsites and prepare a comprehensive RI/FS for the Onondaga Lake NPL site. NYSDEC, together with EPA, has started mailing information request letters to companies located in the Onondaga Lake watershed in an attempt to identify other potentially responsible parties. The description of the site release(s) is based on information available at the time the site was scored. The description may change as additional information is gathered on the sources and extent of contamination. See 56 FR 5600, February 11, 1991, or subsequent FR notices.)

Alias Comments:
 Site Description: In 1994, Onondaga Lake, its tributaries and the upland hazardous substance sites which were found to be releasing or threatening to release contamination to the Lake was added to the EPA's Superfund National Priorities List (NPL). The Semet Residue Ponds Site is contributing such contamination and, therefore, is considered a "Sub-Site" of the Onondaga Lake NPL site. The Semet Residue Ponds/Onondaga Lake (the Site) is approximately 40 acres, located in the Village of Solway Onondaga County, New York, and is situated in an industrial area approximately 400 feet from the southern shore of Onondaga Lake. The Site is bordered on the west and south by materials manufacturing company, on the south by railroad tracks and an industrial complex, on the north by Interstate Route 690, and on the east by the former Willis Avenue Facility. The Site also includes a 12-acre brushy cleared area also known as the "Brushy Cleared Area". The property is presently zoned industrial. The current land use in the immediate vicinity of the Site is industrial. Based on a number of factors, including the reported history of land use in the area of the Site since the early 1900's, the existing zoning for the Site property, and subsequent communications between the New York State Department of Environmental

ONONDAGA LAKE (Continued) 1000481580

Conservation (NYSDEC) and the Zoning Board Chairman for the Village of Solway, NYSDEC determined that the reasonably-anticipated future use for the Site is industrial. Currently, the on-Site aquifers are not used for drinking water. Residents located in the vicinity of the Site use the public water supply provided by Onondaga County. Groundwater near the Site will not be used as a source of potable water under future-use scenarios. The Site, which is enclosed by a 6-foot high fence that was installed in 1970 to limit access, includes a triangular-shaped area that has five irregularly-shaped ponds used from 1917 to 1970 as depositories for waste material and two small areas bordering the southern and western portions of the Site that were built to contain leakage from the ponds. The Ponds cover approximately 11 acres, have an estimated average depth of 5 feet, and are estimated to contain approximately 20 million gallons of waste material, including a separate aqueous phase. Based on monitoring well data there is a plume of contaminated groundwater that originates at the Site and migrates toward Onondaga Lake and Tributary 5A. Tributary 5A is a small drainage way which flows south of the Site near the railroad tracks, then flows north to Onondaga Lake on the western side of the Site. Tributary 5A is being evaluated as part of the Remedial Investigation/Feasibility Study (RI/FS) for the former Willis Avenue Facility, which is also a Sub-Site of the Onondaga Lake NPL site. Impacts within Onondaga Lake from the Semet Residue Ponds will be addressed in the ongoing Onondaga Lake Bottom RI/FS. From 1917 to 1970 Semet Residue Ponds were used as depositories for a tarry organic-based residue generated by the acid washing of coke light oil during the production of benzene, toluene, naphthalene, xylene, and "motor benzol" at its BTX (Benzol) Plant located immediately south of the above-noted railroad tracks. Prior to that time, the area was used as a settling basin for disposal of Solway Waste, a grayish-white colored material consisting largely of calcium carbonate that was a waste by-product from the production of soda ash. This settling basin is known as Solway Waste Bed A. The ponds were constructed via drag line and bulldozer excavation into Waste Bed A. The dikes bordering the ponds were reportedly built from fill materials including concrete rubble, old electrolytic cell parts, ashes, cinders, soil, Solway Waste, bricks, stone, etc. Two small containment areas to the south and west of the Site were built to contain leakage from the ponds. In addition to the Solway Waste material, the area received coarse ash and cinders via conveyor buckets from near by stoker-fired boilers. A calcium carbonate-rich waste material, which originated from a former ammonium chloride operation, was also disposed of adjacent to Pond 2 prior to 1951. The surfaces of the ponds are approximately four inches thick and appear as a weathered black to brown granular material. Below the granular material is a highly viscous, black material which resembles tar. A Consent Order for an RI/FS for the Site was signed by Potentially Responsible Party (PRP) and the NYSDEC in 1989. Field work for the RI has been completed. Draft RI Reports were submitted in 1991 and 1992 and were reviewed by NYSDEC. The RI was approved by NYSDEC in August 1995. In June 1999, NYSDEC received the draft FS Report from the PRP. Addendums to the FS report and additional Site-related submittals that are included in the Administrative Record were received on January 3, 2000; July 26, 2000; August 1, 2000; and August 17, 2001. As an Interim Remedial Measure (IRM), a fly-ash/cement cover of a few inches thick was applied to the pond residues to control odors and reduce air emissions. This cover was applied over Ponds 3 and 4 in 1995 and over the remaining ponds in mid-1997, with the exception of one of the "containment" ponds in the southern portion of the Site that was inaccessible to the equipment used to apply the covers. Since that time, this cover material has been applied annually. While this cover has no significant strength or weight-bearing capacity, it has been effective in reducing odors. A Record of Decision (ROD) was completed for operable unit 6 of the Onondaga Lake site March 28, 2002. On June 23, 1989, Onondaga Lake

ONONDAGA LAKE (Continued) 1000481580

was added to the New York State Registry of Inactive Hazardous Waste disposal sites. On December 16, 1994, Onondaga Lake and areas upland that contribute or have contributed contamination to the lake system were added to the U.S. Environmental Protection Agency's (EPA's) National Priorities List (NPL). This NPL listing means that the lake system is among the nation's highest priorities for remedial evaluation and response under the federal Superfund law for sites where there has been a release of hazardous substances, pollutants, or contaminants. Onondaga Lake itself is a 4.6-square-mile (sq. mi) (12-square-kilometer [sq. km]), 3,000-acre lake, approximately 4.5 mi (7.2 km) long and 1 mi (1.6 km) wide, with an average water depth of 36 ft (11 m). The lake has two deep basins, a northern basin and a southern basin, that have maximum water depths of approximately 62 and 65 ft (19 and 20 m), respectively. The basins are separated by a saddle region at a water depth of approximately 56 ft (17 m). Most of the lake has a broad nearshore shelf in water depths of less than 12 ft (3.7 m). This nearshore shelf is bordered by a steep offshore slope in water depths of 12 to 24 ft (3.7 to 7.3 m). During the summer months, the upper water of Onondaga Lake warms to a greater degree than the deeper water. This causes the water in the lake to stratify (separate) into two layers of water: the epilimnion, which is the warmer, less dense upper layer and is about 30 ft (9 m) thick, and the hypolimnion, which is the colder, denser, bottom layer. During the summer, the hypolimnion becomes anoxic (runs out of oxygen), which has numerous implications for the lake's chemistry and biota (e.g., fish and insect life). The two largest tributaries to Onondaga Lake, namely Ninemile Creek and Onondaga Creek, contribute 30.4 and 31.4 percent, respectively, of the total water flow to the lake. Other tributaries, in a clockwise direction from the southeast section of the lake, include Ley Creek, Harbor Brook, the East Flume, Tributary 5A, Sawmill Creek, and Bloody Brook. In addition to the tributary streams, the treated effluent from the Onondaga County Metropolitan Wastewater Treatment Plant (Metro), located between Onondaga Lake and Harbor Brook, provides a significant portion (approximately 19 percent) of the water entering the lake. Various local entities have discharged wastewater directly to these tributary streams and/or have waste sites that have, or potentially have, impacted these tributaries and the lake itself. In general, the eastern shore of Onondaga Lake is urban and residential, and the northern shore is dominated by parkland, wooded areas, and wetlands. There are approximately 320 acres of state-regulated wetlands and numerous smaller wetlands directly connected to Onondaga Lake or within its floodplains. The northwest upland areas in Liverpool and Lakeland are mainly residential, with interspersed urban structures and several undeveloped areas. Much of the western and southern lakeshore is covered by wastelands that received wastes generated from Honeywell's former Solway operations and, to a lesser extent, dredge spoils from the lake. Many of these wastelands have been abandoned and recolonized by vegetation. Urban centers and industrial zones in Syracuse and Solway dominate the landscape surrounding the southern and eastern shores of Onondaga Lake from approximately the New York State Fairgrounds to Ley Creek. The area around Onondaga Lake is the most urban in central New York State. The region experienced significant growth in the twentieth century, and in 2000, Onondaga County was the tenth most populous county in the state. The city of Syracuse is located at the southern end of Onondaga Lake, and numerous towns, villages, and hamlets are located around the lake. Onondaga Lake has been the recipient of industrial and municipal sewage discharges for over 100 years. Honeywell has been a major contributor, however, other industries in the area have contributed contamination as well. Other contaminant sources to the lake include the Metro facility, industrial facilities and landfills along Ley Creek, the Crucible Materials Corporation (via Tributary 5A), and the former Oil City. Honeywell International, Inc., and its predecessor companies operated manufacturing facilities in Solway, New

ONONDAGA LAKE (Continued) 1000481580

York, from 1881 until 1986. When Honeywell merged with its predecessor companies on December 1, 1999, it became liable for the contamination those companies introduced into the environment. Honeywell, as a major contributor of contamination to the lake, has been named a potentially responsible party (PRP). In the late 1800s and early 1900s, Onondaga Lake supported a thriving resort industry based upon the recreational utilization of the lake, including swimming and recreational fishing. The lake also had a plentiful cold-water fishery, which supported a commercial fishing industry until the late 1800s. However, from the late 1800s to the present, Onondaga Lake has been a receptacle for both industrial and municipal wastes. Salt production in the vicinity of Onondaga Lake supported a major salt recovery industry throughout the 1800s and were associated with the development of railroads and the Erie Canal in the region. This infrastructure supported the growth of additional industries, including former Honeywell operations, petroleum product storage (once known as "Oil City") adjacent to the southern shore of Onondaga Lake, fertilizer production, a steel foundry, a vehicle accessory manufacturing facility, pottery and china manufacturing, manufactured gas plants, and many other industries in the Syracuse area. An evolving municipal wastewater management system (initially with the development of a sewer system and later wastewater treatment facilities), now known as Metro, has been in existence since around 1896. Honeywell's manufacturing processes were based on four major product lines collectively known as the Syracuse Works. These processes resulted in releases of primarily mercury, organic contaminants, and calcirelated compounds, as described below. - Soda ash (sodium carbonate) and related products such as baking soda (sodium bicarbonate), sodium nitrite, sodium sesquicarbonate, ammonium bicarbonate, ammonium chloride, calcium chloride, and caustic soda (sodium hydroxide) were produced by a non-electrolytic cell process. The primary dissolved waste/contaminant associated with this process was ionic constituents (calcium, sodium, and chloride ions [Ca²⁺, Na⁺, and Cl⁻, respectively]), and the primary solid component was Solway waste, which is a white, chalky, calcite-related material. - Benzene, toluene, xylene, naphthalene, and tar products from the recovery of coal distillation (coking) byproducts. The primary wastes/contaminants associated with this product line were benzene, toluene, ethylbenzene, and PAHs, especially naphthalene. - Chlorinated benzenes, aromatic hydrocarbons (PAHs), especially naphthalene. - Chlorinated benzenes and byproduct hydrochloric acid from the chlorination of benzene. The primary wastes/contaminants associated with this product line were BTEX, chlorinated benzenes, and PAHs, especially naphthalene. - Chlor-alkali products, including chlorine, caustic potash (potassium hydroxide), caustic soda (sodium hydroxide) produced by an electrolytic cell process, and related products such as potassium carbonate, hydrogen gas, and hydrogen peroxide produced by further reacting chlor-alkali byproducts with other chemicals. The primary wastes/contaminants associated with this product line were mercury, polychlorinated biphenyls (PCBs), and polychlorinated dibenzo-p-dioxin/polychlorinated dibenzofurans (PCDD/PCDFs). Soda ash production at the Main Plant relied on local supplies of sodium chloride brine and limestone. Benzene, toluene, xylene, and naphthalene production at the Main Plant were based on fractional distillation of light oil, a byproduct that was produced by the coke ovens at the Syracuse Works until 1924, after which it was shipped to Syracuse from other locations. Benzene produced at the Main Plant served as the raw material for production of chlorinated benzenes at the Willis Avenue Plant, while xylene and other imported chemicals were used to produce hydrogen peroxide at the Bridge Street Plant. Chlor-alkali production at both the Willis Avenue Plant and the Bridge Street Plant used mercury cells and diaphragm cells. Both types of cells are used in electrolytic processes for the production of chlorine, sodium hydroxide, and potassium hydroxide from purified

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

sodium chloride and potassium chloride brine. In addition to the four major product lines, Honeywell facilities produced coke and producer gas (a mixture of carbon monoxide, nitrogen, hydrogen, methane, carbon dioxide, and oxygen). Other products were produced for short periods of time as pilot plant or developmental laboratory activity or as start-up operations that were later relocated. These products included: - Nitric and picric acids, - Salicylic acid and methylsalicylate, - Benzyl chloride, benzoic acid, benzaldehyde, and phthalic anhydride, - Phenol, - Ammonia (via nitrogen fixation at the Bridge Street Plant). Although not generally considered part of the Syracuse Works, the Barrett Division of the Semet-Solvay Chemical Company (one of Honeywell's predecessor companies) operated a paving material production facility from 1919 to 1983 at a location that is now part of the Wastebed B/Harbor Brook sub-site. This part of the Wastebed B/Harbor Brook sub-site consists of several buildings, aboveground storage tanks, and a gravel parking lot. Waste was generated by most manufacturing processes at the Syracuse Works. Waste streams for disposal were discharged from the three plants to at least four different destinations: the Semet Residue Ponds (coke byproduct recovery only), Geddes Brook and Ninemile Creek (via the West Flume), the Solvay wastebeds, and directly to the lake (via the East Flume). The Solvay wastebeds are located in the towns of Camillus and Geddes, and in the city of Syracuse. From approximately 1881 to 1986, these wastebeds were the primary means of disposal for the wastes produced by the Solvay operations. Initial Solvay waste disposal practices consisted of filling lowlying land adjacent to Onondaga Lake. Later, unlined wastebeds designed specifically for Solvay waste disposal were built using containment dikes constructed of native soils, Solvay waste, and cinders, or by using bulkheads made with timber along the lakeshore. The Syracuse Works also had a landfill in the center of Solvay Wastebed 15. The discharge of Honeywell waste through the East Flume caused the formation of a large in-lake waste disposal (ILWD). The ILWD extends approximately 2,000 ft (610 m) into the lake, approximately 4,000 ft (1,219 m) along the lakeshore, and contains waste up to 45 ft (13.7 m) thick. The majority of the ILWD is within the boundaries of Sediment Management Unit (SMU) 1, although some of the ILWD extends into the adjoining SMUs 2 and 7. The ILWD contains waste from all Honeywell's product lines. The discharges of waste to Geddes Brook and Ninemile Creek through the West Flume, as well as the overflow from Solvay Wastebeds 9 to 15, also caused the formation of deposits of Honeywell wastes and resulted in the development of the deposits in the Ninemile Creek delta in the lake in SMU 4. The seeps overflow from Solvay Wastebeds 1 to 8 contributed to the formation of Honeywell wastes in the lake itself. Two additional sites (the Mathews Avenue Landfill and the Willis Avenue Ballfield site) were used for disposal of industrial wastes and construction and demolition (C&D) debris from the Syracuse Works. A site known as the dredge spoils area located on the lakeshore northwest of the mouth of Ninemile Creek was used for disposal of dredged material from the Ninemile Creek delta and nearshore areas north of Ninemile Creek. In 1970, the Syracuse Works' Main Plant ceased production of benzene, toluene, xylene, and naphthalene. In addition, releases of mercury from the Willis Avenue Plant and the Bridge Street Plant were reduced. In 1977, when the Willis Avenue Plant closed, the production of chlorinated benzenes and other chlorinated products at the plant ceased. In 1979, the Bridge Street Plant was sold to Linden Chemicals and Plastics (LCP), which operated the plant until it closed in 1988. In 1986, the Main Plant ceased production of soda ash and related products, marking the end of manufacturing by Honeywell at the Syracuse Works. The State of New York, Onondaga County, and the City of Syracuse have jointly sponsored the preparation of a land-use master plan to guide future development of the Onondaga Lake area. The primary objective of land-use planning efforts is to enhance the quality of the lake and lakeshore for recreational and commercial uses. Anticipated recreational uses of the lake include fishing without

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

consumption restrictions and swimming. The Onondaga Nation similarly asserts it seeks to safely make greater use of lake. In general, the eastern shore of Onondaga Lake is mainly urban and residential, and the northern shore is dominated by parkland, wooded areas, and wetlands. The northwest upland is primarily residential, with interspersed urban structures and several undeveloped areas. Solvay wastebeds cover much of the western lakeshore. Urban centers and industrial zones dominate the landscape surrounding the south end of Onondaga Lake from approximately the New York State Fairgrounds to Ley Creek. Land around the southwest corner and southern portion of the lake is generally industrial and has been significantly modified as part of long-term development of the Syracuse area. Land around much of the lake is recreational, providing hiking and biking trails, picnicking, sports, and other recreational activities. Approximately the northern two-thirds of Onondaga Lake is classified by the State of New York as Class B water (best usages defined as "primary and secondary contact recreation and fishing. These waters shall be suitable for fish propagation and survival" [6 NYCRR Part 701.7]). The southern third of Onondaga Lake and the area at the mouth of Ninemile Creek are classified as Class C water (best usage defined as "fishing. These waters shall be suitable for fish propagation and survival. The water quality shall be suitable for primary and secondary contact recreation, although other factors may limit the use for these purposes" [6 NYCRR Part 701.8]). No permitted swimming beaches or sanctioned swimming areas exist at Onondaga Lake. Fishing occurs, but the New York State Department of Health (NYSDOH) has a specific, restrictive advisory for Onondaga Lake which warns against eating walleye (*Stizostedion vitreum*), with consumption of all other species limited to no more than once per month. The specific advisory also stipulates that infants, children under 15, and women of childbearing age should eat no fish from the lake. The more general, statewide advisory for the state's fresh waters advises that consumption be limited to no more than one meal per week. Onondaga Lake and the associated tributaries do not serve as potable water sources. The shoreline of the lake (especially in the park) is used for water-related recreation such as fishing and boating. In 1990, more than one million people used Onondaga Lake County Park, located along the northern half of the lake. Operable Unit 2: For investigation and remediation purposes, the site has been divided into eight SMUs based on water depth, sources of water entering the lake, and physical, ecological, and chemical characteristics. The division of the site into SMUs allowed the development and evaluation of remedial alternatives appropriate to each area. The remedial alternatives evaluated for each SMU were then used in combination to develop comprehensive, lake-wide remedial alternatives which would reduce site risks to humans and the environment. SMUs 1 through 7 are located in the littoral zone of the lake (i.e., water depths of 0 to 30 ft [0 to 9 m]), and SMU 8 covers the profundal zone (i.e., water depths of greater than 30 ft [9 m]). SMU 1 is located at the southern end of Onondaga Lake and encompasses the majority of the ILWD. The ILWD was formed primarily through the deposition of calcium carbonate and other wastes from the overflow of dikes around Wastebed B and through discharges via the East Flume. These discharges into the lake are believed to have included a combination of cooling water, sanitary wastes, Solvay waste, mercury wastes, and organic chemical wastes, which settled out and formed a large delta that is at a higher elevation than surrounding areas of the lake bottom. This waste material is typically described as very soft to soft, although there are some harder crusts. This softness, along with geophysical evidence of historical failures (i.e., underwater slumping or "landslides" associated with the ILWD), causes concern as to whether the wastes in their current configuration are sufficiently stable to prevent a portion of the ILWD from slumping in the future. SMU 1 is located directly offshore of Wastebed B, and the East Flume and Harbor Brook enter Onondaga Lake here. SMU 1

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

extends approximately 3,850 ft (1,170 m) west from the mouth of Harbor Brook, encompassing a surface area of approximately 84 acres. At its widest point, SMU 1 extends approximately 2,200 ft (671 m) into the lake. Lake bathymetry indicates that the nearshore shelf (at water depths less than 13 ft [4 m]) is relatively broad and is bordered by a steeper offshore slope at water depths from 13 to 30 ft (4 to 9 m). SMU 2 is located in the southern portion of the lake offshore from the causeway formerly used by Honeywell for loading and unloading materials. The SMU extends approximately 3,000 ft (914 m) along the southern shore of the lake, from the border with SMU 1 toward Tributary 5A. At its widest point, SMU 2 extends approximately 550 ft (170 m) into the lake. Lake bathymetry indicates that the nearshore shelf is relatively broad, except near the mouth of Tributary 5A, where it becomes steeper (i.e., greater than 15 percent slope). Storm drains associated with I-690 discharge into this SMU. SMU 3 is located offshore of Honeywell's inactive Solvay Wastebeds 1 through 8, which were used to dispose of waste from the manufacturing of soda ash via the Solvay process. SMU 3 extends approximately 8,000 ft (2,440 m) west from SMU 2. At its widest point, it extends approximately 825 ft (250 m) into the lake. Lake bathymetry indicates that the shelf is relatively steep in the southern part of SMU 3, becoming broader to the north. SMU 4 is located along the shore of Onondaga Lake west of SMU 3 and includes the delta where Ninemile Creek discharges into the lake. SMU 4 extends approximately 3,300 ft (1,006 m) along the shore of the lake. At its widest point, it extends approximately 1,375 ft (420 m) into the lake. Lake bathymetry indicates that the shelf is relatively steep in the northern part of SMU 4, becoming broader to the south. The sediment load at the mouth of Ninemile Creek drives the depositional processes along the central portion of this SMU by discharging fine- and coarse-grained material to the lake. The sediment load from the creek influences the bathymetry and water depth in the central portion of this SMU. SMU 5 includes the littoral zone along the northern and western shores of the lake. Sawmill Creek and Bloody Brook discharge into SMU 5. The Seneca River, the main discharge point for Onondaga Lake, is also located within SMU 5 at the northwestern end of the lake. SMU 5 extends approximately 30,000 ft (9,144 m) from the Ninemile Creek delta to the Ley Creek delta. At its widest point, it extends approximately 1,375 ft (420 m) into the lake. Lake bathymetry indicates that the nearshore shelf (at water depths less than 13 ft [4 m]) is relatively broad and is bordered by a steep offshore slope at water depths from 13 to 30 ft (4 to 9 m). SMU 6 extends approximately 5,000 ft (1,500 m) along the eastern end of Onondaga Lake from the mouth of Ley Creek to 700 ft (213 m) south of the mouth of Onondaga Creek, and includes where Ley Creek, Onondaga Creek, and Metro discharge into Onondaga Lake. At its widest point, it extends approximately 1,925 ft (590 m) north into the lake. Lake bathymetry indicates that the nearshore shelf is relatively broad. SMU 7 is located at the southern corner of Onondaga Lake and includes the littoral zone located between SMU 1 and SMU 6. SMU 7 is located between Harbor Brook to the west and the Onondaga Creek delta to the east and extends approximately 1,375 ft (420 m) along the shore of the lake. At its widest point, it extends approximately 2,200 ft (670 m) into the lake. Lake bathymetry indicates that the shelf is relatively broad near the shore, becoming slightly steeper at a water depth greater than 13 ft (4 m). SMU 8 includes the entire profundal zone of Onondaga Lake, where the water depth is greater than 30 ft (9 m). It is approximately 22,000 ft (6,710 m) long and approximately 5,225 ft (1,590 m) wide at its widest part. SMU 8 has two basins, northern and southern, which are separated by a slight ridge, or saddle, that is approximately 56 ft (17 m) deep. The maximum depths of the northern and southern basins are 62 ft (19 m) and 65 ft (20 m), respectively. Lake bathymetry indicates that the profundal nearshore shelf is relatively steep, becoming broader towards the center of the lake. A Record of Decision addressing Operable Unit 2 was completed in July

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

2005. Subsequent to the issuance of the Record of Decision (ROD), an extensive pre-design investigation was conducted in Sediment Management Unit (SMU) 2 in the Fall of 2005 and the Spring of 2006 to identify the extent of pooled non-aqueous-phase liquids (NAPLs) and to characterize the subsurface conditions. Based on these investigations, it was determined that NAPLs in the causeway area extend a short distance into the adjacent SMU 1, but the overall extent of pooled NAPLs beneath the lake bottom in SMU 2 is significantly smaller than was anticipated. The ROD assumed that the NAPLs were present beneath the lake bottom over an area of approximately 4.8 acres. The pre-design investigation results indicate, however, that the NAPLs extend over an area of approximately 2 acres which includes the causeway area in SMU 2, and an adjacent portion of SMU 1. An Explanation of Significant Differences addressing Operable Unit 2 was completed in December 2006. Operable Unit (OU) 8: The Town of Salina Landfill site, approximately 55 acres in size, is located in the Town of Salina, Onondaga County, New York. It is designated a Class 2 Inactive Hazardous Disposal Waste Site by the New York State Department of Environmental Conservation (NYSDEC) (New York Registry No. 7-34-036). The Site is bounded by the New York State Thruway to the north and by Route 11 (Wolf Street) to the east. An Onondaga County Resource Recovery Agency Transfer Station is located immediately to the west of the landfill. Ley Creek, a Class B stream, runs through the approximate eastern half of the Site and along the southern border of the approximate western half of the Site. The eastern half of the Site is bounded to the south by the banks of a separate tributary, known as the Old Ley Creek Channel (OLCC). A portion of Ley Creek was moved in the early 1970s to its current location. Landfilled materials have been identified both north of Ley Creek and south of Ley Creek in the land area located between the current Ley Creek and the OLCC, (i.e., north and south of Ley Creek). The sediments, surface waters and banks of Ley Creek under and downstream of the Route 11 bridge, as well as the sediments, surface waters, and banks of the OLCC are collectively a separate Class 2 New York State Class 2 hazardous waste disposal site known as the "Old Ley Creek Channel Site" (Site Number 734074). Further investigation of the Old Ley Creek Channel site is necessary. Access to the Site has historically been gained from Route 11. Until March 2006, trespassers could enter the Site on foot or by vehicle. Although one entrance to the Site has a locked gate, it is possible to walk or drive around the gate on another dirt road. Once on the Site, several well-worn paths provide vehicle access to most of the Site. Recently, the Town has attempted to limit access to the Site by placing barriers across the dirt access road. It has also placed signs indicating that no dumping is allowed on-site. A 48-inch abandoned sewer line runs across the Site. A 48-inch corrugated metal pipe (CMP) culvert is located in the eastern part of the Site, and drainage ditches are located along the western, northern, and eastern borders of the Site. Storm water from the Site drains to Ley Creek via the drainage ditches and the culvert. The land containing the Site is currently owned by five parties. The Town of Salina owns 28 acres of the Site comprising approximately the western half of the Site. The eastern part of the Site (from the Town's property line to west of Route 11) is privately owned. East Plaza, Inc. owns the portion of the Site located between the current Ley Creek and old Ley Creek. Onondaga County owns a strip of land trending east-west across the Site. Niagara Mohawk owns a strip of land trending east-west across the Site. The Onondaga County Resource Recovery Agency owns the property immediately west of the Site. The Salina Landfill is located within an area zoned as an Industrial District. Land located immediately to the south and to the west of the Site is also zoned as an Industrial District. The land directly east of the Site, on the opposite side of Wolf Street, is zoned both as a Highway Commercial District and a One-Family Residential District. The land located to the north of the Site, on the opposite side of the New York State Thruway, is

ONONDAGA LAKE (Continued)

1000481580

zoned as Open-land District, Planned Commercial District, and One-Family Residential District. Based on the Code of the Town of Salina, land within each zoning district has specific intended uses. The Town is considering other options to the current industrial zoning of the landfill property. These may include use of the property for passive recreational purposes (park, walking trails, etc.). There is also the potential for commercial development at and around the vicinity of the landfill. Any written proposals submitted to NYSDEC for the future use of the Site will be considered for incorporation into the remedial plans, as appropriate. Currently, the on-Site aquifers are not used for drinking water. Residents located in the vicinity of the Site use the public water supply provided by Onondaga County. Groundwater near the Site will not be used as a source of potable water under future-use scenarios. The Town of Salina could not produce records indicating the actual date the Salina Landfill opened. However, in 1962, the Town Board closed the dump known as the "Matlydale Dump" pursuant to a court action. The Matlydale Dump was located in the vicinity of the current town garage off of Factory Avenue, approximately 1/2-mile to the east of the Site. With the closure of the Matlydale Dump, it is believed that the Town proceeded to work with a Site property owner (East Plaza, Inc.) to start landfill operations at the current location of the Town of Salina Landfill. In the same year, the Town adopted a garbage collection ordinance to regulate the collection of solid waste within the boundaries of the Town and to promote the public health, safety and welfare of the residents. The Town of Salina established residential refuse districts as early as 1941. As such, the Town Board would solicit bids from independent haulers and enter into a contract each year. Licensing procedures were adopted to monitor the disposal of waste and permits were issued to haulers doing business in the Town. In 1970, periodic checks on the landfill indicated that in addition to waste generated within the Town, additional tonnage was coming from outside areas. The Highway Superintendent reported that the Landfill was reaching capacity and suggested that the boundaries be expanded up to Route 81 or additional property be purchased. During the period the landfill was open, in addition to accepting municipal solid waste, the landfill also accepted hazardous wastes including paint sludge, paint thinner, polychlorinated biphenyl (PCB)-contaminated wastes, and contaminated sediment dredged from Ley Creek. In 1971, several complaints were made by the New York State Thruway Authority because refuse was being left uncovered and debris was blowing onto the Thruway. The Thruway Authority requested that the Town cover the landfill. Due to the capacity problems, the Town Board started looking into other solid waste disposal options, such as purchasing additional property to start another landfill/building an incinerator, or using a shredding plant which was being constructed by the City of Syracuse. Between 1971 and 1974, landfill operations continued with little or no control over the refuse haulers that were dumping in the landfill. Town records indicate that the trucks with permit stickers were on the "honor system" and were not checked for source or quantity of refuse and that only those town residents that brought their own refuse to the landfill were checked. Reaching its capacity, the landfill was officially closed sometime in late 1974 or early 1975, pursuant to an order by NYSDEC. In 1975, landfill cover specifications were issued by NYSDEC for dirt fill and grading of the Site. However, litigation proceedings commenced between the Town of Salina and the property owner East Plaza, Inc. In 1981, the Town purchased the western portion of the Site (approximately 29 acres) from East Plaza, Inc. Once again, landfill cover specifications were issued for the Site by the NYSDEC in July 1981. In September 1981, the Town awarded a contract to cover the landfill with a two-foot clay-type soil. Once the soil was placed, the area was hydroseeded to establish a vegetative cover. This project was completed in November 1982. There were no further remedial activities undertaken at the Site thereafter to the present time. Since that time, a number of investigations

ONONDAGA LAKE (Continued)

1000481580

have been performed at the Town of Salina Landfill. The investigations have largely been focused on gathering only enough data to determine whether the landfill was a threat to human health and to the environment. In 1986, NYSDEC and the Onondaga County Department of Health collected three soil samples adjacent to the north bank of Ley Creek along the landfill and four surface water samples from the same stretch of Ley Creek and drainage ditches north and east of the landfill. PCBs were not detected in the water samples, but were detected in the soil samples collected adjacent to Ley Creek. In 1987, EPA's contractor collected five soil samples from the main fill area north of Ley Creek and three surface water and sediment samples were collected from Ley Creek as follows - one surface water and one sediment sample were collected from an upstream location in Ley Creek (west of Route 11), one surface water and one sediment sample were collected along the landfill (in the drainage swale in the northeast section of the landfill), and one surface water and one sediment sample were collected from just downstream of the landfill in Ley Creek. The soil samples contained polycyclic aromatic hydrocarbon compounds (PAHs), metals, volatile organic compounds (VOCs) and pesticides in low levels, but no PCBs. The surface water and sediment samples collected downstream from the landfill did not contain higher concentrations of contaminants than the samples collected upstream from the landfill. In 1987, NYSDEC's contractor attempted to install three groundwater monitoring wells on-Site. Only one well was completed, as drilling for the other two wells encountered wastes in the form of black oil and petroleum-saturated soil in two boreholes. The soils in these borings contained PCBs, low levels of semi-volatile organic compounds (SVOCs) and dibenzofuran and elevated levels of cadmium, chromium, nickel and zinc. One upgradient monitoring well was installed. The groundwater from this well contained low levels of VOCs and SVOCs, high iron and manganese, but no PCBs. In 1989, a bioaccumulation study conducted by General Motors Corporation's contractor on fish caught in Ley Creek showed that the fish contained up to 6.8 milligrams per kilogram (mg/kg) PCBs. In 1991, during an inspection of the landfill by NYSDEC's contractor, a leachate outbreak was observed along the northern bank of Ley Creek downgradient of an area within the southwestern corner of the landfill. In 1994, NYSDEC's contractor completed a Preliminary Site Assessment. This investigation included the collection of 10 surface water and sediment samples from locations in Ley Creek alongside the landfill, (including one upstream of the landfill), and in the adjacent drainage ditches situated to the north and west of the landfill within the Site. Additionally, five surface soil samples were collected on or around the landfilled area, and three leachate samples were collected from the north bank of Ley Creek (two along the southwestern corner of the landfill, and one near the power lines that pass over Ley Creek). The results indicated low levels of VOCs and SVOCs in the surface water (but no PCBs were detected). PCBs, pesticides, VOCs, and SVOCs were detected in the sediment samples, soil samples, and leachate samples. In 1994, EPA designated Onondaga Lake, its tributaries, and the upland areas which have contributed or are contributing hazardous substance to the lake (subsites) as a Superfund National Priorities List (NPL) site. In 1997, NYSDEC and EPA jointly notified the Town that the Salina Landfill was a subsite of the Onondaga Lake NPL Site due to releases or the threat of releases of hazardous substances, pollutants or contaminants into the environment. In 1996, NYSDEC's contractor prepared a Preliminary Site Assessment Addendum. This supplemental investigation was conducted to provide further information on potential groundwater contamination at the landfill. Five new monitoring wells were installed, developed and sampled in the southwestern corner of the landfill. The groundwater from most wells contained low levels of VOCs and SVOCs. A PCB compound was detected in one well at a low concentration. One of the downgradient wells (MW-4) contained almost no organic compounds, but did show elevated levels of a number of metals. Two surface

ONONDAGA LAKE (Continued)

1000481580

water and sediment samples collected by NYSDEC from drainage ditches on-Site indicated PCBs were present in the sediment, but were absent from the surface water. In 1996, NYSDEC designated the Town of Salina Landfill as a Class 2 Inactive Hazardous Waste Site. This designation means that NYSDEC considers the Site a significant threat to human health and/or the environment, which requires remedial action. This Site was designated a subsite to the Onondaga Lake Superfund Site in June 1997 by NYSDEC and EPA, due to the fact that Site contaminants had migrated to Ley Creek, which flows into the lake. In 1997, representatives from NYSDEC collected three sediment samples from the OLLC. The results of that sampling indicated detectable concentrations of VOCs, SVOCs, and PCBs are present in Old Ley Creek Channel. The portion of Ley Creek adjacent to the landfill is not part of the Site due to the presence of upstream sources of contamination that need to be addressed. Upstream contaminated surface water and sediments in Ley Creek are currently being investigated under an Order of Consent by the General Motors Former Inland Fisher Guide Facility and Ley Creek Deferred Media subsite of the Onondaga Lake Site. The sediments, surface waters and banks of Ley Creek under and downstream of the Route 11 Bridge as well as the sediments, surface waters and banks of the OLLC are collectively being addressed as the "Old Ley Creek Channel Site," which is a separate Class 2 New York State inactive hazardous waste disposal site (Site Number 734074) On October 29, 1997, the Town of Salina entered into an Order of Consent with the NYSDEC to perform the Remedial Investigation/Feasibility Study (RIFS), remedial design, and remedial action for the Site. On November 17, 1997, the Town also entered into a State Assistance Contract under the 1986 Environmental Quality Bond Act of New York State. This contract stated that the Town would be reimbursed 75% of the eligible costs during the RIFS. This contract may be amended for the remedial design and remedial action costs. The RI started on June 29, 1998. Two phases of sampling occurred over two summers. An RI report was submitted to NYSDEC by the Town, through its consultants, in May 2000. The report was reviewed by the EPA and NYSDEC, and then revised by the Town's consultants. The RI Report was approved in March 2001. The Town submitted a Draft FS Report in January 2001. The report was reviewed by the EPA and NYSDEC, and then revised by the Town's consultants. The FS Report was approved in May 2002. In January 2003, NYSDEC and EPA released a Proposed Plan describing the remedial alternatives considered for the Site and identifying the preferred remedy with the rationale for the preference. The primary elements of the preferred remedy included constructing impermeable caps over the landfill areas north and south of Ley Creek, constructing groundwater/leachate collection trenches north and south of Ley Creek, and pumping the collected groundwater/leachate to the Metropolitan Syracuse Wastewater Treatment Plant (METRO) for treatment. Comments received during the public comment period indicated that Onondaga County has a policy not to accept wastewater from inactive hazardous waste sites for treatment at METRO. The Town of Salina and the County participated in extended negotiations for an agreement to allow the landfill's groundwater/leachate to be treated at METRO (with or without pretreatment). No agreement was reached. Therefore, two on-Site groundwater/leachate treatment alternatives were evaluated in a September 2006 Addendum to the May 2002 Town of Salina Landfill Feasibility Study Report. A revised Proposed Plan was released to the public for comment in December 2006. A ROD addressing OUS was completed in March 2007. In 1994, Onondaga Lake, its tributaries and the upland hazardous substance sites which have contributed or are contributing contamination to the lake was added to the EPA's Superfund National Priorities List (NPL). The Town of Salina Landfill is contributing such contamination and, therefore, is considered a "Subsite" of the Onondaga Lake NPL site. The sediments, surface waters and banks of Ley Creek downstream of the Route 11 bridge are known as the "Lower Ley Creek Site." The sediments, surface waters, and banks of the Old Ley Creek Channel

ONONDAGA LAKE (Continued)

1000481580

(OLCC) are a separate Class 2 New York State inactive hazardous waste disposal site known as the "Old Ley Creek Channel Site". Investigations at the lower Ley Creek and Old Ley Creek Channel sites are currently underway. Access to the Town of Salina Landfill has historically been gained from Route 11. In the past, trespassers could enter the Site on foot or by vehicle. The Town has attempted to limit access to the Site by installing a locked gate at the Site entrance and placing barriers across the dirt access road. It has also placed signs indicating that no dumping is allowed on-Site. The Town is considering other options to the current industrial zoning of the landfill property. These may include use of the property for passive recreational purposes (park, walking trails, etc.). There is also the potential for commercial development at and around the vicinity of the landfill. Any written proposals submitted to the New York State Department of Environmental Conservation (NYSDEC) for the future use of the Site will be considered for incorporation into the remedial plans, as appropriate. The area is served by municipal water. Several complaints were made by the New York State Thruway Authority because refuse was being left uncovered and debris was blowing onto the Thruway. The Thruway Authority requested that the Town cover the landfill. Due to the capacity problems, the Town Board started looking into other solid waste disposal options, such as purchasing additional property to start another landfill, building an incinerator, or using a shredding plant which was being constructed by the City of Syracuse. The portion of Ley Creek adjacent to the landfill was not included as part of the Site due to the presence of upstream sources of contamination that need to be addressed. Upstream contaminated surface water and sediments in Ley Creek are currently being investigated under an Remedial Investigation/Feasibility Study (RIFS) for the General Motors Former Inland Fisher Guide Facility and Ley Creek Deferred Media Subsite of the Onondaga Lake Site. As is stated in the "Site Description" section above, the sediments, surface waters and banks of Ley Creek downstream of the Route 11 Bridge as well as the sediments, surface waters and banks of the OLLC are being addressed separately. In January 2003, NYSDEC and EPA released a Proposed Plan describing the remedial alternatives considered for the Site and identifying the preferred remedy with the rationale for the preference. The primary elements of the preferred remedy included constructing impermeable caps over the landfill areas north and south of Ley Creek, constructing groundwater/leachate collection trenches north and south of Ley Creek, and pumping the collected groundwater/leachate to the Metropolitan Syracuse Wastewater Treatment Plant (METRO) for treatment. During the public comment period, it was learned that Onondaga County has a policy not to accept wastewater from inactive hazardous waste sites for treatment at METRO. The Town of Salina and the County participated in extended negotiations in an effort to reach an agreement to allow the landfill's groundwater/leachate to be treated at METRO. At the time that the Record of Decision (ROD) was signed in March 2007, no agreement had been reached. Therefore, a contingency remedy was selected. In the negotiations between the Town of Salina and Onondaga County related to the utilization of METRO to treat the collected contaminated groundwater/leachate were successful, then the collected groundwater/leachate would be pretreated on-Site and conveyed to METRO in lieu of the groundwater leachate undergoing complete treatment at an on-Site treatment facility and thereafter being discharged to Ley Creek. On September 2008, the Town of Salina and the County entered into an agreement for METRO to accept the pretreated groundwater/leachate. In July 2007, the Town of Salina's contractor commenced the design of the selected remedy. In the ROD, Alternative 5 (waste excavation south of Ley Creek and consolidation north of Ley Creek, capping of landfill north of Ley Creek, and contaminated leachate collection with off-Site discharge of treated effluent) was eliminated from consideration due to concerns that significant quantities of hazardous waste

ONONDAGA LAKE (Continued)

1000481580

were commingled with the municipal refuse in the landfill located south of Ley Creek, which would have significantly increased the cost of the remedy since these wastes would require off-site disposal. After the issuance of the ROD, samples were collected from the waste in the landfill area south of Ley Creek as part of the design. Upon analysis of these samples, it was concluded that the landfill likely contains a heterogeneous mixture of municipal refuse with only low concentrations of hazardous substances typically associated with municipal refuse. Based upon a review of sample results from on-site monitoring wells, it was noted that the VOC concentration in monitoring well MW-10 exceeded the other monitoring wells by several orders-of-magnitude. This finding led to the conclusion that there was likely a source in the vicinity of monitoring well MW-10. In mid-January 2010, NYSDEC performed a trenchless pit investigation to locate this source area. In this investigation, two trenches and 14 test pits were excavated. Based on the results of the investigation, the source area was located. In March 2010, approximately 1,810 tons of volatile organic compounds (VOCs)-contaminated soil and waste was excavated and properly disposed off-site. Information related to the reassessment of the contamination in the landfill area located south of Ley Creek can be found in the September 2009 Geotechnical Report, the November 2009 Monitoring Well Installation and Sampling Report, and the December 2009 Cost Estimates to Relocate Waste Vs. Cap in Place, all of which are available in the administrative record files. Based upon the conclusion that the landfill likely contains a heterogeneous mixture of municipal refuse with only low concentrations of hazardous substances and as a result of the removal of source area VOC-contaminated soil and waste, the remedy selected in the ROD was reevaluated and a modified remedy was proposed. A Record of Decision Amendment for operable unit (OU) 05 for the Onondaga Lake Superfund Site was completed in September 2010. OU 10. The Ley Creek polychlorinated Biphenyl (PCB) Dredgings Site is approximately 18 acres in size and is located along the south bank of Ley Creek in the Town of Salina, Onondaga County, New York. The Site is bounded by Factory Avenue on the south and Ley Creek to the north. The New York State Thruway is located immediately to the north of Ley Creek. The eastern limit of the site is the General Motors Outfall 003, which is located just west of Townline Road, and the western limit is located approximately 4,000 feet downstream near the Town of Salina Highway Department garage. A fence extends along the south side of the study area approximately 10 feet north of Factory Avenue and to the east and west, however, access along the bank of Ley Creek, which forms the northern site boundary, remains unrestricted. In the vicinity of the site, Ley Creek is generally less than 15 feet wide and less than 2 feet deep. The dredged materials were generated during channel improvement programs for Ley Creek, conducted by the Onondaga County Department of Drainage and Sanitation from 1970-1983, and for the most part are located on the south bank. The PCB contamination is the result of discharges of contaminated water primarily from the General Motors (GM)-Inland Fisher Guide Plant. Ley Creek drains an area of approximately 30 square miles and is part of the Onondaga County Ley Creek Drainage District. Portions of the cities and towns of Syracuse, North Syracuse, East Syracuse, Cicero, Clay, Dewitt, Manlius, and Salina are located in the Ley Creek drainage basin. The Ley Creek PCB Dredgings Site is adjacent to the northern boundary of the General Motors; Fisher Guide Site, Site No. 7-34-057, and the Syracuse China Site, Site No. 7-34-053. Prior to the early 1970's, the combination of poor channel conditions and large impermeable areas in the Ley Creek watershed resulted in extensive flooding, some of the worst of which was near the GM facility in 1969. The formation of the Ley Creek Drainage District and clearing and dredging of the creek channel was initiated following the 1969 flooding event. Dredging of Ley Creek was performed by the Onondaga County Department of Drainage and Sanitation. In 1970, the section of the creek between Route 11 and

ONONDAGA LAKE (Continued)

1000481580

Seventh North Street was dredged and in 1971 additional portions of the creek between Seventh North Street and Onondaga Lake were dredged. Additional dredging of Ley Creek from Townline Road to Onondaga Lake took place in 1975 and in 1983, the section of the Creek between Townline Road and Route 11 was dredged. Dredged materials generated during these activities were placed along the south bank of the creek or used for land restoration projects. The presence of PCBs in the stream sediments was not identified prior to 1985. This proposed remedial action plan (PRAP) addresses only the piles of dredge materials and contaminated soil located on the banks of Ley Creek in the area designated as the site. While the groundwater, surface water and sediments in the Creek were also the subject of sampling during the Ley Creek remedial investigation/feasibility study (RI/FS), alternatives for these media will be addressed as part of a comprehensive RI/FS to be undertaken for the adjacent GM, Fisher Guide site. Remedial History A Hydrogeologic Investigation Report, dated September 1985, performed pursuant to a state pollution discharge elimination system (SPDES) Consent Order with GM, identified the presence of PCBs in the dredged materials at the site. This investigation which included sampling for volatile and semivolatile organic compounds, as well as metals, ruled out these other compounds as contaminants of concern. The major source of the PCBs was believed to be oil used in hydraulic equipment for die casting operations at the GM plant. 1985: A program to evaluate the occurrence and concentration of PCBs in the sediments and water of Ley Creek was completed by GM. Sediment and water were collected at 500 foot intervals along a 4,000 foot length of Ley Creek, which included a 1,000 foot length upstream of the GM Outfall 003. The pattern of PCB occurrence observed in sediments was irregular and this irregularity was attributed to the Ley Creek dredging program conducted from 1970 to 1983. During this study, fish from Ley Creek were also sampled and analyzed for PCBs. Elevated levels of PCBs were identified in the fish tissue. Pursuant to a New York State Department of Environmental Conservation (NYSDEC) consent order, GM completed an investigation of dredged material/soil and groundwater in the area between Factory Avenue and Ley Creek beginning at Townline Road and continuing for 1600 feet downstream. Groundwater flow was determined to be north towards Ley Creek. PCBs were detected in dredged material/soil and groundwater samples. While the investigation was underway, the NYSDEC Division of Environmental Enforcement (DEE), New York State Department of Health (NYSDOH) and the Onondaga County Department of Health also sampled offsite areas that had received some of the Creek dredge material as fill. This resulted in an agreement between GM and Onondaga County for a soil removal program in the Meadowbrook Road/Hookway area. The soils were removed by Onondaga County and brought back to the GM Plant for placement in a former treatment lagoon that was subsequently closed under the oversight of the NYSDEC resource conservation and recovery act (RCRA) program. 1989: As a result of the 1987 investigation, NYSDEC determined that a more comprehensive evaluation of the Ley Creek dredged material/soil would be necessary to define the extent of PCBs along the north and south banks of Ley Creek and to evaluate any impacts to public health and the environment. GM completed a Field Investigation Report (FIR) of the site in 1989 which included sampling of groundwater, dredged material/soil, sediment, and surface water. 1991: Based on the FIR, NYSDEC determined that GM needed to perform a RI/FS at the site to complete the characterization of theareal and vertical extent of contamination present. GM was also required to prepare habitat based assessment according to NYSDEC guidelines. GM and NYSDEC entered into an Administrative Order on Consent for performance of a RI/FS at the site, effective May 23, 1991. GM performed an Interim Remedial Measure (IRM) soil removal program under a June 1991 NYSDEC Consent Order. The IRM was conducted to allow the installation of a sewer force main on Factory Ave through an area of identified PCB subsurface soil contamination. 1992: The Work Plan for the Ley Creek RI/FS was approved and

ONONDAGA LAKE (Continued)

1000481580

field work commenced in July 1992. The RI was completed in accordance with the RI/FS Work Plan. The GM, Fisher Guide site was listed on the Registry of Inactive Hazardous Waste Disposal Sites, as a Class 2 site, in July of 1993. GM submitted the first draft of the Ley Creek Feasibility Study to the NYSDEC. As a component of the RI/FS, a leachability study was undertaken for the dredge material. 1995: Property owner input was sought in the review of remedial alternatives when multiple site owners, other than the county, were identified. 1996: The Feasibility Study was approved. In response to a determination that the presence of hazardous waste at the Site presents a significant threat to human health and the environment, General Motors has recently completed a Remedial Investigation/Feasibility Study (RI/FS). Summary of the Remedial Investigation The purpose of the RI was to define the nature and extent of any contamination resulting from previous activities at the site. The RI was conducted in two phases. The first phase was conducted between July and August of 1992 and the second phase between July and August of 1993. A report entitled "Ley Creek Dredged Material Area, November 1993" has been prepared describing the field activities and findings of the RI in detail. The RI included the following activities: -Installation of soil borings and monitoring wells for analysis of soils and groundwater as well as physical properties of soil and hydrogeologic conditions. -Sampling of the Creek sediments, water and fish. To determine which media (soil, groundwater, etc.) contain contamination at levels of concern, the RI analytical data was compared to New York State (NYS) Standards, Criteria, and Guidance (SCGs). Groundwater, drinking water, and surface water SCGs identified for the Ley Creek site were based on NYSDEC Ambient Water Quality Standards and Guidance Values and Part V of NYS Sanitary Code. NYSDEC Technical and Administrative Guidance Memorandum (TAGM) 4030 soil cleanup guidelines for the protection of groundwater, background conditions, and risk-based remediation criteria were used as SCGs for soil and the Division of Fish and Wildlife Technical Guidance for Protecting Contaminated Sediments is used for surface water sediments. Based upon the results of the remedial investigation in comparison to the SCGs and potential public health and environmental exposure routes, certain areas and media of the site require remediation. These are summarized below. More complete information can be found in the RI Report. Chemical concentrations are reported in mg/kg (parts per million). For comparison purposes, SCGs are given for each medium. Nature of Contamination As described in the RI Report, many soil, groundwater and sediment samples were collected at the Site to characterize the nature and extent of contamination. Preliminary investigations at the site had narrowed the contaminant of concern to the PCBs which had been released from the GM Plant. The PCBs were constituents of a hydraulic fluid used at the GM Plant in the operation of their injection molding machines. PCBs are comprised of a number of chemical isomers, which are generally referred to by the trade name "Aroclor" followed by a number which indicates the number of carbon atoms and the percentage of chlorine by weight for that Aroclor. The PCBs found at the Ley Creek Site are primarily Aroclor 1242 and Aroclor 1248. Extent of Contamination The following is a summary of the findings of the investigation. As stated previously, the groundwater sediments, and surface water will be addressed as part of the RI/FS for the adjacent General Motors; Fisher Guide Site. Dredge material/soil piles along the south bank of Ley Creek extend for over 4,000 feet. Aroclors 1242 and 1248 have been found to be the major constituents of the PCB contamination at the site. Elevated PCB levels have been identified throughout the dredged materials at the site. The PCB concentrations range from non-detect to 466 mg/kg. An area where elevated concentrations of PCBs were detected also exists along the north bank of Ley Creek, around soil boring B-19. The dredge piles have been intermixed with the surface and subsurface soils and, as they have been on the

ONONDAGA LAKE (Continued)

1000481580

banks of the Ley Creek for more than 20 years, are overgrown with vegetation. The volume of materials to be addressed which exceeds the remedial goals of 1 mg/kg at the surface and 10 mg/kg in the subsurface is approximately 1,100,000 cubic yards. As shown by the RI data, the concentrations and frequency of PCBs identified in the dredge materials and soils at levels exceeding SCGs decreases as the sampling locations move downstream from the outfall. The greatest number of detections exceeding the SCGs occurred in the first two reaches, with the number of locations exceeding 50 ppm significantly higher in the first reach than in any of the others. This is consistent with the location of the outfall/drainage swale area being the primary source of PCBs detected at the site and also demonstrates based on the distribution, that the PCBs are present throughout the area in question at levels requiring remediation. Interim Remedial Measures: Interim Remedial Measures (IRMs) are conducted at sites when a source of contamination or exposure pathway can be effectively addressed before completion of the RI/FS. GM performed an Interim Remedial Measure (IRM) under a NYSDEC IRM consent order in 1991. The IRM was conducted to allow for the installation of a sanitary sewer force main south of Factory Avenue, which encountered an area of PCB subsurface soil contamination. This contamination was attributed to a fill in drainage swale from the GM Facility prior to the construction of outfall pipe 003. The IRM involved sampling to identify the limits of the PCB contaminated buried swale and once the swale was located, the excavation and off-site disposal of the contaminated soils. Sheet piling was then put in place so that the installation of the 48 inch sanitary sewer force main could proceed. At the time, this IRM was performed in 1991, the contamination identified was believed to be associated with the Ley Creek Site. However, since then the GM Plant has been listed as a class 2 inactive Hazardous Waste Site, in part due to the migration of the PCBs, some of which were addressed by this IRM. Based on the information generated and the location of the IRM, this contamination will now be addressed as part of the GM, Fisher Guide Site. Summary of Human Exposure Pathways: This section describes the types of human exposures that may present added health risks to persons at or around the site. An exposure pathway is how an individual may come into contact with a contaminant. The five elements of an exposure pathway are 1) the source of contamination; 2) the environmental media and transport mechanisms; 3) the point of exposure; 4) the route of exposure; and 5) the receptor population. These elements of an exposure pathway may be based on past, present, or future events. Soil and dredge materials present at the site exceed the soil cleanup criteria of 1 mg/kg at the surface and 10 mg/kg subsurface (greater than 12 inches in depth), established for PCB contaminated soils (USEPA Guidelines on Remedial Actions for Superfund Sites with PCB Contamination, EPA/5400--/607, August 1990), therefore the NYSDOH has determined that action is necessary to be protective of human health. Completed pathways which are known to or may exist at the site include: -Dermal contact with, or ingestion of dredge materials/soils by workers maintaining the sewer or power lines and by the public should they enter the site. -Inhalation of dust leaving the site. -Ingestion of fish from Ley Creek in the vicinity of the site. Fish tissue sampling shows the presence of PCBs similar to those at the site in fish from Ley Creek. This may be an indicator that larger species could be contaminated as well. There is a fish consumption advisory covering Onondaga Lake and its tributaries. A copy of this advisory is available at the document repositories. Summary of Environmental Exposure Pathways: This section summarizes the types of environmental exposures which may be presented by the site. The Fish and Wildlife Impact Assessment included in the RI presents a more detailed discussion of the potential impacts from the site to fish and wildlife resources, including any impacts to endangered species or protected environments. The following pathways for environmental exposure have been

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

Identified: -Dredge materials/soils and sediments in Ley Creek have been contaminated with PCBs in excess of NYSDEC soil criteria for the protection of groundwater and NYSDEC sediment guidance criteria for identifying potential risk to aquatic life. -Groundwater beneath the dredge materials/soils contains PCBs in excess of groundwater standards. -Dredge materials placed in areas of the regulated fresh water wetland along Ley Creek prior to 1975, have impacted the function of the wetland. -Soils at the surface adjacent to the Creek exceed 1 mg/kg PCBs, which represents a potential continued loading of PCBs to the Creek and sediments by surface runoff or from erosion. These soils also represent a potential exposure pathway to terrestrial wildlife or birds from contacting the soil or eating soil organisms. -Fish from Ley Creek have been shown to contain the same PCBs in their tissue as found on the site. This results in exposure not only of the fish to the detrimental effects of PCB contamination, but also piscivorous (fish eating) wildlife higher on the food chain, as well. The dredge material/soils have been determined to represent a threat to the environment as a contributing source of PCBs to the fish, sediments and groundwater in the vicinity of the site. Ecological risk calculations have also indicated that the unremediated PCB-contaminated dredge material/soils at the site may pose an unacceptable risk to terrestrial species and their predators, such as the short-tailed shrew and the red-tailed hawk. The Division of Fish, Wildlife and Marine Resources has accepted site specific surface soil remedial level of 1 mg/kg for PCBs at this site. This decision was based on the expected significant reduction in fish and wildlife exposure; practical limitations; plans for reviews to monitor the effectiveness of the remedy in protecting the environment and future remedial efforts at the adjacent GM, Fisher Guide Plant site. A ROD addressing OU 10, Ley Creek PCB Dredgings Site at the Onondaga Lake site was completed in February, 1998. OUI3. The Niagara Mohawk (NiMo)-Hiawatha Boulevard-Syracuse Former Manufactured Gas Plant (MGP) site (Site) was included as a sub-site of the Onondaga Lake Superfund site on March 11, 2010. Onondaga Lake and the surrounding areas have been significantly altered over the last two centuries through human activities. The lake level was lowered in the early 1800s to drain marsh lands adjacent to the lake in order to accommodate the construction of the Erie Canal and raised in the 1850s to its present day elevation. The salt industry, chemical industry, urban development and transportation corridors have all changed the lake and its shoreline. The original Site area was the result of filling into low-lying areas associated with the construction of the Erie Canal and the eventual routing of Onondaga Creek. In the late 1800s, the Site was used as a fill area for Solvay process waste. A fertilizer manufacturer, the Syracuse Reduction and Manufacturing Company, operated on this Site in the early 1900s. An MGP is a facility where gas for lighting and heating homes and businesses was produced. Manufactured gas was produced at this Site by both the gasification and carburetted water gas processes. In 1924, the facility was operated by the Syracuse Lighting Company and was then, in 1937, consolidated into Niagara Hudson Public Service Corporation. The company was renamed in late 1937, to the Central New York Power Corporation and operated under that name until 1950 when the facility was taken over by the Niagara Mohawk Power Corporation. Coal gas was produced on-site until 1941, and then carburetted water gas was produced from 1941 to 1953. Coal gas was produced by heating coal in retorts or beehive ovens, carbonizing the coal in the absence of air. The carburetted water gas process involved the passage of steam through burning coal. This formed a gaseous mixture (water gas or blue gas) which was then passed through a super heater which had an oil spray. The oil spray would generate additional gas, enhancing the heat and light capacity of the overall gas mixture. In each process, the gas produced was cooled and purified prior to distribution. During the cooling, an oily liquid known as coal tar would condense from the hot gas and settle in

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

the bottom of gas holders, pipes, and other structures. Typically, these structures were built below the ground surface, and would utilize groundwater as a bottom seal for cooling and pressure purposes. Hence, these structures have a significant potential to introduce byproducts from the coal gasification and carburetted water gas processes directly into the Site groundwater and subsurface soils. The production of manufactured gas and the generation of related by-products resulted in the release of hazardous substances, including MGP tars and purifier waste into the soil and groundwater at the Site. These wastes contain benzene, toluene, ethylbenzene and xylene (BTEX), as well as a number of polycyclic aromatic hydrocarbons (PAHs) and cyanide. Investigations and remedial actions were performed at the Site preceding the remedial investigation (RI) and reports were prepared by the various entities that were involved. A subsurface soil investigation was conducted by O'Brien & Gere Engineers, Inc. from March 1970 to May 1971 on a large, multi-parcel area which included a majority of the Site. The purpose of this investigation was to characterize the area for the pending construction of upgrades to the Metro STP. No environmental sampling or analysis was performed as part of this investigation. Construction records indicate that during the construction of the treatment plant expansion in the 1970s, the subsurface portions of the former gas distribution holder, the former relief holder, and the former tar separator were removed. The secondary clarifiers extend over the entire tar separator footprint, most of the relief holder footprint, and a portion of the distribution holder footprint. The bottom of the clarifier foundations slope from approximately 10.5 feet below ground surface (bgs) to approximately 23 feet bgs, indicating that the entire subsurface portion of these structures were completely removed. The analytical data from subsequent soil and groundwater sampling investigations support that there are likely no continuous or ongoing sources of impacted soils related to these former MGP structures. In 1985, a test pit sampling program was conducted as part of the design for a proposed fuel island installation at Niagara Mohawk's service center. Three soil samples were collected from the test pit area. Laboratory analysis indicated low levels of arsenic and selenium which fell within background concentrations for the Eastern United States. In November 1987, EPA conducted a preliminary site assessment at the "Hiawatha Gas Plant," consisting of a site visit and walk-around, but no environmental samples were obtained for analysis. The Site was the subject of a Preliminary Site Assessment (PSA) conducted between August 1995 and September 1998. The PSA characterized subsurface conditions and the nature and occurrence of chemical contaminants in the soil and groundwater at the Site, as well as near-shore sediments in Onondaga Lake. The study also included a fish and wildlife impact assessment and a preliminary risk assessment to evaluate potential exposure pathways of contaminants detected in soil and groundwater on-site. Interim remedial measures (IRMs) are conducted at sites when a source of contamination or exposure pathway can be effectively addressed before completion of the RI and feasibility study (RIFS). Concurrent with the RI activities at the Site, Onondaga County acquired the Niagara Mohawk property to construct an ammonia removal/stage II phosphorus facility. Work on this project began in September 2001. Preliminary results of the PSA and RI indicated that contaminant soils were located within the proposed limits of the excavation of the foundations for the facility. Based on the construction schedule required for the County's project, impacted soils in the construction zone required remediation (removal) before the RIFS for the Site could be completed. Therefore, the removal of these soils was performed as an IRM between September 2001 and May 2002. The IRM included the removal of soils beneath the footprint of the County's facility upgrade and the excavation of trenches for the 72-inch and 84-inch diameter force mains and other piping, such as public water, storm and sanitary sewers, and electric utilities. Soils were excavated to a depth of

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

approximately 15 feet throughout the footprint and to a depth of approximately 20 feet in an area where stained soils and nonaqueous phase liquid (NAPL) lenses and globules were observed in deeper soil samples. More than 100 wood foundation pilings associated with former MGP structures were also removed from the main excavation during the IRM. Approximately 73,000 cubic yards (CY) of contaminated soil was excavated from the Site during the IRM. In February 2003, an additional 325 CY of impacted soil was excavated from the area located adjacent to the northeast corner of the IRM footprint when a water line was connected to the County's administration building. These soils were disposed at permitted soil waste disposal facilities. Between September 2001 and May 2002, approximately 85,000,000 gallons of impacted groundwater was extracted and treated in the on-site treatment unit prior to discharge under permit to the Metro STP. Dewatering operations continued through February 2003 during the construction phase of the Metro STP upgrade, resulting in the total extraction and treatment of more than 293,000,000 gallons of groundwater and associated groundwater. An RIFS was conducted to determine the nature and extent of the contamination at and emanating from the Site and to identify and evaluate remedial alternatives to address the contamination. The RI was conducted in phases between 2000 and 2006 to accommodate a court-mandated Onondaga County Metro STP expansion, culminating in the completion of an RI report in October 2006. An FS report was completed in October 2009. Potentially Responsible Parties (PRPs) (past or present owners and operators, waste generators, and haulers) may be legally liable for investigating and remediating contamination at Superfund sites. NYSDEC and National Grid/Niagara Mohawk (NiMo), a PRP, entered into multi-site Consent Orders on December 7, 1992 and on November 7, 2003. These Consent Orders obligate NiMo to investigate and implement a full remedial program for 21 former MGP sites across the State, including the Site. The State of New York, Onondaga County, and the City of Syracuse have jointly sponsored the preparation of a land-use master plan to guide future development of the Onondaga Lake area (Syracuse-Onondaga County Planning Agency, 1998). The primary objective of land-use planning efforts is to enhance the quality of the Onondaga Lake area for recreational and commercial uses. Anticipated recreational uses of the lake include fishing without consumption restrictions and swimming. In general, the southeast upland of the lake, which includes the Site and the primarily commercial and industrial areas around much of the rest of the lake is recreational, providing hiking and biking trails, picnicking, sports, and other recreational activities. The Site is located in an industrial area at the southeast end of Onondaga Lake. The MGP was located on the northern portion of property which is currently occupied by the Metro STP. Much of the property is covered with structures associated with the treatment plant, including clarifiers, aeration tanks and an ammonia and phosphorus removal facility. The remainder of the Site is primarily covered by driveways, paved parking lots, and a county maintenance building. The southern third of Onondaga Lake and the area at the mouth of the New York State Barge Canal are classified as Class C water. Onondaga Creek is also a Class C stream where it discharges into the Barge Canal. The Barge Canal upstream of the Site has been affected by several former petroleum bulk storage facilities and by combined sewer overflow discharges to Onondaga Creek. While fishing occurs, NYSDOH has a specific, restrictive consumption advisory for Onondaga Lake including its tributaries which warns against eating walleye (*Stizostedion vitreum*), largemouth bass (*Micropterus salmoides*), and smallmouth bass (*Micropterus dolomieu*) larger than 15 inches, with consumption of all other species limited to no more than once per month. The specific advisory also stipulates that infants, children under 15, and women of childbearing age should eat no fish from the lake and its tributaries. The more general, statewide advisory for the state's fresh waters advises that consumption be limited to no more than one meal per week. Onondaga Lake and the associated

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

tributaries do not serve as potable-water sources. A Record of Decision (ROD) for the Niagara Mohawk (NiMo)-Hiawatha Boulevard-Syracuse Former MGP site, which is OUI3 (subsite) of the Onondaga Lake Superfund Site, was signed in March 2010. Geddes Brook Interim Remedial Measure Honeywell entered into a consent order with NYSDEC (Index No. DT-0003-01-09), effective April 16, 2002, to perform an Interim Remedial Measure (IRM) to address contaminated channel sediments and floodplain soils/sediments associated with lower Geddes Brook. The purpose of the IRM is to mitigate the potential risks to human health and ecological receptors identified during the preparation of the human health and ecological risk assessments, which were finalized in November 2001 and described in the Streamlined Risk Evaluation in Appendix A of the Geddes Brook IRM Engineering Evaluation/Cost Analysis (EE/CA). The risk assessments identified a number of contaminants of potential concern, including mercury and other metals, polycyclic aromatic hydrocarbons (PAH), polychlorinated hydrocarbons (PCHs), and polychlorinated Dibenz-p-Dioxin-Dibenzofurans (PCDD/PCDF). Unacceptable risks were identified for human consumption of fish and for all trophic levels in the environment, based on several lines of evidence. Affected media include lower Geddes Brook channel sediment, surface water, floodplain soil, and fish. The objectives of the Geddes Brook IRM are to: - Eliminate, to the extent practicable, within the scope of the IRM, the transport of mercury into Ninemile Creek from lower Geddes Brook channel sediments and floodplain soils/sediments. - Eliminate, to the extent practicable, within the scope of the IRM, potential impacts to human health and fish and wildlife resources associated with site related impacts. Pursuant to the consent order and the Environmental Protection Agency's (EPA) Guidance on Conducting Non-Time-Critical Removal Actions Under Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA), an EE/CA was prepared to identify and evaluate alternatives for disposal of contaminated sediments and soils that will be generated from the implementation of the IRM. The Preliminary (50%) Design related to sediments and soils was submitted to the agencies on August 18, 2003 and was revised in accordance with agency comments dated December 23, 2003. Additional design documents are being prepared by Honeywell. Approximately 4,200 cubic yards (cy) or (3,200 cubic meters [m³]) of contaminated sediments will be removed from the channel as part of the Geddes Brook IRM. The estimated depths of sediment to be removed range from approximately 2 to 6 ft (0.6 to 1.8 m) and will result in the removal of sediments down to the underlying clay layer beneath lower Geddes Brook. Sediments will first be removed from the upstream portion of lower Geddes Brook at the confluence with the West Flume (which has been remediated) and removal will proceed downstream by section to reduce the potential for accumulating remediated areas. Sediments will also be removed from two 60-inch (1.5-m) culverts that channel lower Geddes Brook beneath the Conrail railroad tracks and an existing access road. The removal of sediments within these culverts will take place once upstream sediments and soils have been removed. In addition to sediment removal, contaminated layer to sediments and soils will be removed from the floodplain immediately adjacent to lower Geddes Brook. The estimated depths of floodplain soil/sediment will be excavated within the floodplain footprint down to an underlying clay layer that is typically 2 to 4 ft (0.6 to 1.2 m) below ground surface. The final depths of excavation will be determined during design of the IRM. The final design will include additional sampling to confirm the design areas. The bermed areas in the floodplain immediately adjacent to lower Geddes Brook, which are comprised of previously excavated contaminated sediments, will be removed. Remedial actions for the inactive utility berm that bisects the floodplain will be determined during design, and could include full or partial removal and covering with clean soil, and will consider habitat and public use. Stream and wetland restoration will follow the removal of sediments from lower Geddes Brook and from the adjacent floodplain. Restoration

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

will include the relocation of the portion of the stream between the culvert and Ninemile Creek to the west in the remediated floodplain area, to provide sinuously, better connectivity with the floodplain, and ability for channel migration. The wetland restoration will consist of the establishment of wetland conditions at a generally lower topography than existing conditions so that a diverse emergent wetland can be established. In general, the wetland will be restored with approximately 11 (30 cm) of clean material. However, the actual depth may vary to allow for the establishment of variable microtopography and a diversity of wetland habitats. Channel and floodplain areas that undergo removal will be restored consistent with a restoration plan to be developed for the Geddes Brook IRM. The objective is to restore wetland areas disturbed by the removal of channel sediments and floodplain soils/sediments and to create wetlands in the current Geddes Brook channel. The total remediation/restoration area of this IRM is estimated to be about 16 acres (6.5 hectares). The remediation pursuant to this IRM is expected to remove nearly 100 percent of the mass of mercury within the remedial boundaries of the lower Geddes Brook IRM area (estimated to be about 1,000 pounds (450 kg)). Based on the EECOA, the selected disposal option for the approximately 87,000 cu yd (81,000 m³) of sediments and soils is on-site containment at Honeywell's Linden Chemicals and Plastics (LCP) Bridge Street subsite. LCP Bridge Street Subsite The LCP Bridge Street subsite, which includes the West Flume, was a source of mercury and other contaminants to Geddes Brook. Geddes Brook receives discharges from the West Flume, a drainage ditch that passes through the LCP Bridge Street facility. The remediation of the LCP Bridge Street subsite included the removal of contaminated sediments from the West Flume. The LCP Bridge Street subsite consists of 20 acres (8 hectare) of land used for various industrial activities (including a chlor-alkali production facility that operated from 1953 to 1986). The wastes from the LCP Bridge Street plant were discharged into the West Flume. A ROD was issued in September 2000. The buildings at the subsite were demolished as part of two IRMs. The LCP Bridge Street subsite remediation was substantially completed in 2007. The remediation included a temporary cap which will be replaced with a final cap following the placement of material from the remediation of Geddes Brook and Ninemile Creek, Solvay Wastebeds. The primary method of waste disposal at the Syracuse Works was to pump wastes to wastebeds located along the lake shore and along Ninemile Creek. The wastes, which were primarily made up of Solvay waste from the manufacturing of soda ash, were pumped in a slurry of about 5 percent solids. These solids settled out in the beds, and the remaining wastewater overflowed into the lake or Ninemile Creek. Wastebeds 1 through 15 are located along Ninemile Creek and were utilized as follows: - From the 1920s to 1944, Wastebeds 1 through 8 were used to dispose of Honeywell's wastes. The mouth of Ninemile Creek was re-routed to allow for the construction of these wastebeds. The ownership of Wastebeds 1 through 8 were subsequently transferred by Allied to New York State and Onondaga County. Groundwater from Wastebeds 1 through 8 discharges predominantly into Onondaga Lake. - From 1944 to 1986, wastes were disposed of in Wastebeds 9 through 11 and 12 through 15. Ninemile Creek was re-routed to allow for the construction of these wastebeds. Groundwater, leachate seeps, and surface water from Wastebeds 9 through 15 discharges to Ninemile Creek and serves as a migration pathway for wastebed constituents. - Other uses were as landfills for slag and wastewater treatment sludges from the Crucible Materials Corporation (a portion of Wastebed 5); for Metropolitan Syracuse Sewage Treatment Plant (Metro) sewage sludge disposal (portions of Wastebeds 5 and 12 through 15); and as sites for construction of parking lots for the New York State Fairgrounds (portions of Wastebeds 5, 7, and 8). In addition, I-690 and Route 695 were constructed over portions of Wastebeds 7 and 8. Honeywell is currently performing an RI/FS for Wastebeds 1 through 8 under the direction of NYSDEC. Closure of Wastebeds 9 through 15 is currently being evaluated by

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

NYSDEC's Solid Waste Program. The sources and potential sources of contaminants influencing the Geddes Brook/Ninemile Creek site, including these wastebeds, are discussed in more detail below in the section entitled "Results of the Remedial Investigation." The State of New York, Onondaga County, and the City of Syracuse have jointly sponsored the preparation of a land-use master plan to guide future development of the Onondaga Lake area. The primary objective of land-use planning efforts is to enhance the quality of the Onondaga Lake area for recreational and commercial uses. Anticipated recreational uses of the lake and Geddes Brook/Ninemile Creek area include fishing without consumption restrictions and swimming. In general, the northwest upland of the lake, which includes the Geddes Brook/Ninemile Creek site area, is primarily residential, with interspersed urban structures and several undeveloped areas. Solvay wastebeds cover much of the western lakeshore and areas of the Site. Land around much of the lake is recreational, providing hiking and biking trails, picnicking, sports, and other recreational activities. Approximately the northern two-thirds of Onondaga Lake is classified by the State of New York as Class B water (best usages defined as "primary and secondary contact recreation and fishing. These waters shall be suitable for fish propagation and survival" [6 New York Rules and Regulations (NYCRR) Part 701.7]). The southern third of Onondaga Lake and the area at the mouth of Ninemile Creek are classified as Class C water (best usage defined as "fishing. These waters shall be suitable for fish propagation and survival. The water quality shall be suitable for primary and secondary contact recreation, although other factors may limit the use for these purposes" [6 NYCRR Part 701.8]). Ninemile Creek is a Class C stream below the former Honeywell water intake and C(T) upstream. Geddes Brook is a Class C stream below the Old Erie Canal and C(T) upstream. No permitted swimming beaches or sanctioned swimming areas exist at the Geddes Brook/Ninemile Creek site. Fishing occurs, but the New York State Department of Health (NYSDOH) has a specific, restrictive, consumption advisory for Onondaga Lake including its tributaries which warns against eating walleye (*Stizostedion vitreum*), largemouth bass (*Micropterus salmoides*), and smallmouth bass (*Micropterus dolomieu*) larger than 15 inches, with consumption of all other species limited to no more than once per month. The specific advisory also stipulates that infants, children under 15, and women of childbearing age should eat no fish from the lake and its tributaries. The more general, statewide advisory for the state's fresh waters advises that consumption be limited to no more than one meal per week. Onondaga Lake and the associated tributaries do not serve as potable-water sources. A ROD addressing Operable Unit 20 (Geddes Brook/Ninemile Creek Site) was completed in April 2009. Operable Unit 24: On June 23, 1989, the Onondaga Lake site was added to the New York State Registry of Inactive Hazardous Waste disposal sites. On December 16, 1994, Onondaga Lake and its tributaries and the upland hazardous waste sites which have contributed or are ongoing contamination to the lake (sub-sites) were added to EPA's National Priority List (NPL). This NPL listing means that the lake system is among the nation's highest priorities for remedial evaluation and response under the federal Superfund law for sites where there have been a release of hazardous substances, pollutants, or contaminants. Geddes Brook and Ninemile Creek are located south of Onondaga Lake. Ninemile Creek, a Class C stream below the former Honeywell water intake and a class C and trout stream upstream, originates at Otisco Lake and flows approximately 16 mile (mi) (26 kilometer [km]) northeast to its mouth at Onondaga Lake. Ninemile Creek receives surface inflow from Beaver Meadow Brook and Geddes Brook at approximately 2.6 mi (4.5 km) and 1.3 mi (2.1 km), respectively, upstream from Onondaga Lake. Between Ambury Dam and Onondaga Lake, Ninemile Creek flows adjacent to Solvay Wastebeds 1 through 8, 9 through 11, and 12 through 15. During the time that Honeywell utilized the Solvay process for the production of soda ash (1881 to 1986), wastes from this process were

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

disposed of in numerous wastebeds along the lake and Ninemile Creek. Wastebeds 1 through 8 were used until 1944 and Wastebeds 9 through 15 were used from 1944 until 1986. Upstream of the dam, Ninemile Creek flows through woodlands, farmlands, and some light industrial/commercial areas. Ground surface elevations range from approximately 400 ft (122 m) above mean sea level (AMSL) at the most upstream section of Ninemile Creek addressed in this study, to approximately 363 ft (111 m) AMSL where the stream enters Onondaga Lake. The Geddes Brook/Ninemile Creek site is defined as the channel sediments, floodplain soils/sediments, and surface water of Geddes Brook and Ninemile Creek that have been impacted or have the potential to be impacted by the disposal of hazardous and industrial wastes by Honeywell. This definition was based on the understanding at the time of the remedial investigation and feasibility study (RI/FS) work plan (1998) that contaminants from Honeywell sites (e.g., Linden Chemicals and Plastics (LCP) Bridge Street, Solvay Wastebeds) were directed (directly or indirectly) to Geddes Brook and Ninemile Creek, where they settled into the stream beds, banks, and floodplains. This Record of Decision (ROD) focuses only on the Operable Unit (OU) 2 (referred to as OU24 by EPA) portion of the Geddes Brook/Ninemile Creek site (lower Ninemile Creek channel sediments, surface water, and floodplain soils and sediments). The stretch of Ninemile Creek downstream of the area just above the confluence with Geddes Brook has been designated as "lower Ninemile Creek," which has been further subdivided into three reaches (AB, BC, and CD). This section summarizes the industrial pollution of Geddes Brook/Ninemile Creek and key historical information regarding Honeywell International and its predecessor companies' manufacturing operations (e.g., Allied Chemical Corporation), and is based on the RI/FS reports. "Honeywell" is used throughout this ROD to refer to Honeywell International, Inc. and its predecessor companies. Honeywell has been named a PRP as a major contributor of contamination to this Site and Onondaga Lake. Honeywell consented to investigate this Site and the lake pursuant to the terms of a Consent Decree. The availability of natural deposits of salt and limestone in greater Onondaga County was the primary reason for locating the Solvay Process Company in Solvay, New York. Founded in 1881, the company initially used brine collected locally, but, in 1889, it started utilizing the salt formations in the Tully Valley about 40 mi (65 km) away. The Solvay Process Company used the ammonia soda process (subsequently known as the Solvay Process) to produce soda ash, a product used to manufacture neutralizing agents, detergent, industrial chemicals, and glass. Honeywell subsequently expanded its operation to three locations - the Main Plant, the Willis Avenue plant, and the Bridge Street plant - which were collectively known as the Syracuse Works. These processes resulted in releases of mercury as well as organic contamination and Solvay Waste. The Main Plant at the Syracuse Works manufactured soda ash and related products from 1884 to 1986 and benzene, toluene, xylenes, and naphthalene from 1917 to 1970. The Willis Avenue plant manufactured chlorinated benzenes and chlor-alkali products from 1918 to 1977. Chlor-alkali production by the diaphragm cell process was in operation at the Willis Avenue plant from 1918 until 1977. The mercury cell process was used at the Willis Avenue plant for chlor-alkali production from approximately 1947 (or possibly earlier) until 1977. Starting in 1953, the Bridge Street plant produced chlor-alkali products, as well as hydrogen peroxide, using the mercury cell electrolytic process. Diaphragm cells were added to the Bridge Street operation in 1968. The plant was sold to LCP of New York in 1979 and operated until 1988. Pursuant to the 1992 Consent Decree noted above, Honeywell commenced a Remedial Investigation/Feasibility Study (RI/FS) associated with the Geddes Brook/Ninemile Creek site. After the completion of a draft FS report, it was determined that additional investigation was necessary. Additional investigative work was conducted by Honeywell in 2007 and 2008 and a

MAP FINDINGS

ONONDAGA LAKE (Continued)

1000481580

Supplemental FS report for OU1 was completed in November 2008 and a Supplemental FS report for OU2 was completed in May 2009. The LCP Bridge Street subsite, which includes the West Flume, was a source of mercury and other contaminants to Geddes Brook. Geddes Brook receives discharges from the West Flume, a drainage ditch that passes through the LCP Bridge Street facility. The remediation of the LCP Bridge Street subsite included the removal of contaminated sediments from the West Flume. The LCP Bridge Street subsite consists of 20 acres (8 hectare) of land used for various industrial activities (including a chlor-alkali production facility that operated from 1953 to 1986). The wastes from the LCP Bridge Street plant were discharged into the West Flume. A ROD was issued in September 2000 to address the LCP Bridge Street subsite. The buildings at the subsite were demolished as part of two Interim Remedial Measures (IRMs). The LCP Bridge Street subsite remediation was substantially completed in 2007. This effort included the construction of a temporary cap which will be replaced with a final cap following the placement of material from the remediation of Geddes Brook and possibly Ninemile Creek. The primary method of waste disposal at the Syracuse Works was to pump wastes to wastebeds located along the lake shore and along Ninemile Creek. The wastes, which were primarily made up of Solvay waste from the manufacturing of soda ash, were pumped in a slurry of about 5 percent solids. These solids settled out in the beds, and the remaining wastewater overflowed into the lake or Ninemile Creek. Wastebeds 1 through 15 are located along Ninemile Creek and were utilized as follows: -From the 1920s to 1944, Wastebeds 1 through 8 were used to dispose of Honeywell's wastes. The mouth of Ninemile Creek was re-routed to allow for the construction of these wastebeds. The ownership of Wastebeds 1 through 8 was subsequently transferred by Allied to New York State and Onondaga County. Groundwater from Wastebeds 1 through 8 discharges predominantly into Onondaga Lake. -From 1944 to 1986, wastes were disposed of in Wastebeds 9 through 11 and 12 through 15. Ninemile Creek was re-routed to allow for the construction of these wastebeds. Groundwater, leachate seeps, and surface water from Wastebeds 9 through 15 discharges to Ninemile Creek and serves as a migration pathway for wastebed constituents. -Other uses were as landfills for slag and wastewater treatment sludges from the Crucible Materials Corporation (a portion of Wastebed 5); for Metropolitan Syracuse Sewage Treatment Plant (Metro) sewage sludge disposal (portions of Wastebeds 5 and 12 through 15); and as sites for construction of parking lots for the New York State Fairgrounds (portions of Wastebeds 5, 7, and 8). In addition, I-690 and Route 695 were constructed over portions of Wastebeds 7 and 8. Honeywell is currently performing an RI/FS for Wastebeds 1 through 8 under the direction of New York State Department of Environmental Conservation (NYSDEC). Closure of Wastebeds 9 through 15 is currently being evaluated by NYSDEC's Solid Waste Program. The sources and potential sources of contaminants influencing the Site, including these wastebeds, are discussed in more detail below in the section entitled "Results of the Remedial Investigation." The primary objective of this response action is to address the risks to human health and the environment due to mercury and other chemical parameters of interest in the contaminated channel sediments, surface water, and floodplain soils/sediments within Reach AB of lower Ninemile Creek. A Record of Decision for Operable Unit 24 of the Onondaga Lake Site was completed in October 2009.
