Notes and Definitions

D	Data reported from a dilution
GS1	Sample dilution required for high concentration of target analytes to be within the instrument calibration range.
J	Detected above the Method Detection Limit but below the Reporting Limit; therefore, result is an estimated concentration (CLP J-Flag).
QC2	Analyte out of acceptance range in QC spike but no reportable concentration present in sample.
QM7	The spike recovery was outside acceptance limits for the MS and/or MSD. The batch was accepted based on acceptable LCS recovery.
QM9	The spike recovery for this QC sample is outside the established control limits. The sample results for the QC batch were accepted based on LCS/LCSD or SRM recoveries within the control limits.
R01	The Reporting Limit has been raised to account for matrix interference.
SGCMSVOC	Surrogate recovery outside of control limits. The data was accepted based on valid recovery of the remaining surrogates with three required by program methods.
U	Analyte included in the analysis, but not detected at or above the MDL.
UJL	Non-detect is potentially biased low (per NYSDEC).
VOC8	Reporting limits reflect SW846 5035A High Level extraction technique due to interference and/or QC issues using SW846 5035A Low Level extraction technique.
dry	Sample results reported on a dry weight basis
NR	Not Reported
RPD	Relative Percent Difference
[2C]	Indicates concentration was reported from the secondary, confirmation column.

Laboratory Control Sample (LCS): A known matrix spiked with compound(s) representative of the target analytes, which is used to document laboratory performance.

Matrix Duplicate: An intra-laboratory split sample which is used to document the precision of a method in a given sample matrix.

Matrix Spike: An aliquot of a sample spiked with a known concentration of target analyte(s). The spiking occurs prior to sample preparation and analysis. A matrix spike is used to document the bias of a method in a given sample matrix.

Method Blank: An analyte-free matrix to which all reagents are added in the same volumes or proportions as used in sample processing. The method blank should be carried through the complete sample preparation and analytical procedure. The method blank is used to document contamination resulting from the analytical process.

Method Detection Limit (MDL): The minimum concentration of a substance that can be measured and reported with 99% confidence that the analyte concentration is greater than zero and is determined from analysis of a sample in a given matrix type containing the analyte.

Reportable Detection Limit (RDL): The lowest concentration that can be reliably achieved within specified limits of precision and accuracy during routine laboratory operating conditions. For many analytes the RDL analyte concentration is selected as the lowest non-zero standard in the calibration curve. While the RDL is approximately 5 to 10 times the MDL, the RDL for each sample takes into account the sample volume/weight, extract/digestate volume, cleanup procedures and, if applicable, dry weight correction. Sample RDLs are highly matrix-dependent.

Surrogate: An organic compound which is similar to the target analyte(s) in chemical composition and behavior in the analytical process, but which is not normally found in environmental samples. These compounds are spiked into all blanks, standards, and samples prior to analysis. Percent recoveries are calculated for each surrogate.

Continuing Calibration Verification: The calibration relationship established during the initial calibration must be verified at periodic intervals. Concentrations, intervals, and criteria are method specific.

Eurofins Spectrum Analytical holds primary NELAC certification in the State of New York for the analytes as indicated with an X in the "Cert." column within this report. Please note that the State of New York does not offer certification for all analytes. Please refer to our website for specific certification holdings in each state.

Please note that this report contains 36 pages of analytical data plus Chain of Custody document(s). When the Laboratory Report is indicated as revised, this report supersedes any previously dated reports for the laboratory ID(s) referenced above. Where this report identifies subcontracted analyses, copies of the subcontractor's test report are available upon request. This report may not be reproduced, except in full, without written approval from Eurofins Spectrum Analytical, Inc.

Eurofins Spectrum Analytical, Inc. is a NELAC accredited laboratory organization and meets NELAC testing standards. Use of the NELAC logo however does not insure that Eurofins Spectrum Analytical, Inc. is currently accredited for the specific method or analyte indicated. Please refer to our Quality web page at www.spectrum-analytical.com for a full listing of our current certifications and fields of accreditation. States in which Eurofins Spectrum Analytical, Inc. holds NELAC certification are New York, New Hampshire, New Jersey, Pennsylvania and Florida. All analytical work for Volatile Organic and Air analysis are transferred to and conducted at our 830 Silver Street location (PA-68-04426).

Please contact the Laboratory or Technical Director at 800-789-9115 with any questions regarding the data contained in this laboratory report.

CASE NARRATIVE:

Data has been reported to the RDL. This report excludes estimated concentrations detected below the RDL and above the MDL (J-Flag).

All non-detects and all results below the reporting limit are reported as "<" (less than) the reporting limit in this report.

The samples were received 5.9 degrees Celsius, please refer to the Chain of Custody for details specific to temperature upon receipt. An infrared thermometer with a tolerance of +/- 1.0 degrees Celsius was used immediately upon receipt of the samples.

If a Matrix Spike (MS), Matrix Spike Duplicate (MSD) or Duplicate (DUP) was not requested on the Chain of Custody, method criteria may have been fulfilled with a source sample not of this Sample Delivery Group. If method or program required MS/MSD/Dup were not performed, sufficient sample was not provided to the laboratory.

See below for any non-conformances and issues relating to quality control samples and/or sample analysis/matrix.

Sample Acceptance Check Form

Client: AECC Environmental Consulting
 Project: Syracuse Scale - Solar St - NY / 17-258
 Work Order: SC42975
 Sample(s) received on: 1/9/2018

The following outlines the condition of samples for the attached Chain of Custody upon receipt.

	<u>Yes</u>	<u>No</u>	<u>N/A</u>
Were custody seals present?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Were custody seals intact?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Were samples received at a temperature of $\leq 6^{\circ}\text{C}$?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Were samples cooled on ice upon transfer to laboratory representative?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Were sample containers received intact?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Were samples properly labeled (labels affixed to sample containers and include sample ID, site location, and/or project number and the collection date)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Were samples accompanied by a Chain of Custody document?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Does Chain of Custody document include proper, full, and complete documentation, which shall include sample ID, site location, and/or project number, date and time of collection, collector's name, preservation type, sample matrix and any special remarks concerning the sample?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Did sample container labels agree with Chain of Custody document?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Were samples received within method-specific holding times?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Notes and Definitions

D	Data reported from a dilution
GS1	Sample dilution required for high concentration of target analytes to be within the instrument calibration range.
QM9	The spike recovery for this QC sample is outside the established control limits. The sample results for the QC batch were accepted based on LCS/LCSD or SRM recoveries within the control limits.
dry	Sample results reported on a dry weight basis
NR	Not Reported
RPD	Relative Percent Difference

Laboratory Control Sample (LCS): A known matrix spiked with compound(s) representative of the target analytes, which is used to document laboratory performance.

Matrix Duplicate: An intra-laboratory split sample which is used to document the precision of a method in a given sample matrix.

Matrix Spike: An aliquot of a sample spiked with a known concentration of target analyte(s). The spiking occurs prior to sample preparation and analysis. A matrix spike is used to document the bias of a method in a given sample matrix.

Method Blank: An analyte-free matrix to which all reagents are added in the same volumes or proportions as used in sample processing. The method blank should be carried through the complete sample preparation and analytical procedure. The method blank is used to document contamination resulting from the analytical process.

Method Detection Limit (MDL): The minimum concentration of a substance that can be measured and reported with 99% confidence that the analyte concentration is greater than zero and is determined from analysis of a sample in a given matrix type containing the analyte.

Reportable Detection Limit (RDL): The lowest concentration that can be reliably achieved within specified limits of precision and accuracy during routine laboratory operating conditions. For many analytes the RDL analyte concentration is selected as the lowest non-zero standard in the calibration curve. While the RDL is approximately 5 to 10 times the MDL, the RDL for each sample takes into account the sample volume/weight, extract/digestate volume, cleanup procedures and, if applicable, dry weight correction. Sample RDLs are highly matrix-dependent.

Surrogate: An organic compound which is similar to the target analyte(s) in chemical composition and behavior in the analytical process, but which is not normally found in environmental samples. These compounds are spiked into all blanks, standards, and samples prior to analysis. Percent recoveries are calculated for each surrogate.

Continuing Calibration Verification: The calibration relationship established during the initial calibration must be verified at periodic intervals. Concentrations, intervals, and criteria are method specific.

Eurofins Spectrum Analytical holds primary NELAC certification in the State of New York for the analytes as indicated with an X in the "Cert." column within this report. Please note that the State of New York does not offer certification for all analytes. Please refer to our website for specific certification holdings in each state.

Please note that this report contains 14 pages of analytical data plus Chain of Custody document(s). When the Laboratory Report is indicated as revised, this report supersedes any previously dated reports for the laboratory ID(s) referenced above. Where this report identifies subcontracted analyses, copies of the subcontractor's test report are available upon request. This report may not be reproduced, except in full, without written approval from Eurofins Spectrum Analytical, Inc.

Eurofins Spectrum Analytical, Inc. is a NELAC accredited laboratory organization and meets NELAC testing standards. Use of the NELAC logo however does not insure that Eurofins Spectrum Analytical, Inc. is currently accredited for the specific method or analyte indicated. Please refer to our Quality web page at www.spectrum-analytical.com for a full listing of our current certifications and fields of accreditation. States in which Eurofins Spectrum Analytical, Inc. holds NELAC certification are New York, New Hampshire, New Jersey, Pennsylvania and Florida. All analytical work for Volatile Organic and Air analysis are transferred to and conducted at our 830 Silver Street location (PA-68-04426).

Please contact the Laboratory or Technical Director at 800-789-9115 with any questions regarding the data contained in this laboratory report.

CASE NARRATIVE:

Data has been reported to the RDL. This report includes estimated concentrations detected below the RDL and above the MDL (J-Flag).

All non-detects and all results below the detection limit are reported as "<" (less than) the detection limit in this report.

The samples were received 1.0 degrees Celsius, please refer to the Chain of Custody for details specific to temperature upon receipt. An infrared thermometer with a tolerance of +/- 1.0 degrees Celsius was used immediately upon receipt of the samples.

If a Matrix Spike (MS), Matrix Spike Duplicate (MSD) or Duplicate (DUP) was not requested on the Chain of Custody, method criteria may have been fulfilled with a source sample not of this Sample Delivery Group. If method or program required MS/MSD/Dup were not performed, sufficient sample was not provided to the laboratory.

See below for any non-conformances and issues relating to quality control samples and/or sample analysis/matrix.

Notes and Definitions

D	Data reported from a dilution
GS1	Sample dilution required for high concentration of target analytes to be within the instrument calibration range.
J	Detected above the Method Detection Limit but below the Reporting Limit; therefore, result is an estimated concentration (CLP J-Flag).
SGCMSVOC	Surrogate recovery outside of control limits. The data was accepted based on valid recovery of the remaining surrogates with three required by program methods.
U	Analyte included in the analysis, but not detected at or above the MDL.
dry	Sample results reported on a dry weight basis
NR	Not Reported
RPD	Relative Percent Difference

Laboratory Control Sample (LCS): A known matrix spiked with compound(s) representative of the target analytes, which is used to document laboratory performance.

Matrix Duplicate: An intra-laboratory split sample which is used to document the precision of a method in a given sample matrix.

Matrix Spike: An aliquot of a sample spiked with a known concentration of target analyte(s). The spiking occurs prior to sample preparation and analysis. A matrix spike is used to document the bias of a method in a given sample matrix.

Method Blank: An analyte-free matrix to which all reagents are added in the same volumes or proportions as used in sample processing. The method blank should be carried through the complete sample preparation and analytical procedure. The method blank is used to document contamination resulting from the analytical process.

Method Detection Limit (MDL): The minimum concentration of a substance that can be measured and reported with 99% confidence that the analyte concentration is greater than zero and is determined from analysis of a sample in a given matrix type containing the analyte.

Reportable Detection Limit (RDL): The lowest concentration that can be reliably achieved within specified limits of precision and accuracy during routine laboratory operating conditions. For many analytes the RDL analyte concentration is selected as the lowest non-zero standard in the calibration curve. While the RDL is approximately 5 to 10 times the MDL, the RDL for each sample takes into account the sample volume/weight, extract/digestate volume, cleanup procedures and, if applicable, dry weight correction. Sample RDLs are highly matrix-dependent.

Surrogate: An organic compound which is similar to the target analyte(s) in chemical composition and behavior in the analytical process, but which is not normally found in environmental samples. These compounds are spiked into all blanks, standards, and samples prior to analysis. Percent recoveries are calculated for each surrogate.

Continuing Calibration Verification: The calibration relationship established during the initial calibration must be verified at periodic intervals. Concentrations, intervals, and criteria are method specific.

Re: City of Syracuse Industrial Development Agency
156 Solar Street LLC – Dupli Building 2 Project
Sales Tax Appointment Letter

Dear Mr. Lane:

Pursuant to a resolution duly adopted on April 21, 2020 and October 20, 2020, the City of Syracuse Industrial Development Agency (the "**Agency**") appointed 156 Solar Street LLC ("**156 Solar**") the true and lawful agent of the Agency to undertake a project (the "**Project**") consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to one or more bill(s) of sale from the 156 Solar and Dupli Associates LLC ("**Dupli**" and together with 156 Solar, collectively, the "**Company**") to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement.

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

The amount of State and local sales and use tax exemption benefits comprising the Financial Assistance approved by the Agency for the benefit of the Project shall not exceed \$430,998.

This appointment includes, and this letter evidences, authority to purchase on behalf of the Agency all materials to be incorporated into and made an integral part of the Project Facility and the following activities as they relate to any renovation, improvement, equipping and completion of any of any buildings, whether or not any materials, equipment or supplies described below are incorporated into or become an integral part of such buildings: (1) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with renovation, improvement and equipping; (2) all purchases, rentals, uses or consumption of supplies, materials, utilities and services of every kind and description used in connection with renovation, improvement and equipping; and (3) all purchases, leases, rentals and uses of equipment, machinery and other tangible personal property (including installation costs), installed or placed in, upon or under such building or facility, including all repairs and replacements of such property, and with respect to such specific purchases or rentals, are exempt from any sales or use tax imposed by the State of New York or any governmental instrumentality located within the State of New York.

This agency appointment includes the power to delegate such agency, in whole or in part, to a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively, "**Additional Agents**"). Additional Agents must be specifically appointed by 156 Solar in accordance and compliance with the terms of the Dupli Building 2 Agency Lease Agreement dated as of December 1, 2020 by and between the Agency, 156 Solar and Dupli (the "**Dupli Building 2 Agency Lease**"). 156 Solar hereby agrees to complete "IDA Appointment of Project Operator or Agent for Sales Tax Purposes" (Form ST-60) for itself and each Additional Agent who provide materials, equipment, supplies or services to the Project Facility and deliver said form to the Agency within fifteen (15) days of appointment such that the Agency can execute and deliver said form to the State Department of Taxation and Finance within thirty (30) days of appointment. The Agency's obligation to execute any Form ST-60 relative to an Additional Agent is subject to the satisfaction of the conditions in the Dupli Building 2 Agency Lease relative to such appointments.

156 Solar agrees, whenever requested by the Agency, to provide, or cause its Additional Agents to provide and certify, or cause to be certified, such information regarding use of local labor, job creation, exemptions from State and local sales and use tax, real property taxes and mortgage recording taxes and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by law or governmental regulation, including but not limited to those required by §875 of the Act.

156 Solar acknowledges and agrees that pursuant to Section 875(3) of the Act, and in conjunction with the Agency's Recapture of Benefits Policy (the "**Recapture Policy**") dated as of June 21, 2016 and the Dupli Building 2 Project Agreement between the Agency, 156 Solar and

Dupli dated as of December 1, 2020, the Agency shall, and in some circumstances may, recover, recapture, receive or otherwise obtain from 156 Solar some or all of the Financial Assistance (the "**Recapture Amount**").

Each supplier or vendor should identify the Project Facility on each bill or invoice and indicate thereon which of 156 Solar or its Additional Agents acted as agent for the Agency in making the purchase.

In order to be entitled to use this exemption, you and each Additional Agent should present to the supplier or other vendor of materials for the Project Facility, a completed "IDA Agent or Project Operator Exempt Purchase Certificate" (Form ST-123).

In addition, General Municipal Law §874(8) requires you to file an Annual Statement with the New York State Department of Taxation and Finance ("**NYSDTF**") on "Annual Report of Sales and Use Tax Exemptions" (Form ST-340) regarding the value of sales and use tax exemptions you and your Additional Agents have claimed pursuant to the agency we have conferred on you with respect to this Project. The penalty for failure to file such statement is the removal of your authority to act as our agent. In addition, you must provide a copy of the completed Form ST-340 to the Agency within ten (10) days of the date it is due to be filed with the NYSDTF.

The agency created by this letter is limited to the Project Facility and will expire on the earlier of: (i) sixty (60) days after the issuance of a certificate of occupancy or similar document by the applicable municipality in which the Project Facility is located; or (i) **October 31, 2022**; unless the Dupli Building 2 Agency Lease is terminated early in accordance with its terms in which case this appointment shall terminate at that time.

This letter is provided for the sole purpose of evidencing, in part, the exemption from New York State Sales and Use Taxes **for this project only**. No other principal/agent relationship is intended or may be implied or inferred by this letter.

The Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and 156 Solar shall be the sole party liable thereunder. By acceptance of this letter, the vendor hereby acknowledges the limitations on liability described herein.

DUPLI ASSOCIATES LLC

PAYMENT IN LIEU OF TAX AGREEMENT

Dated as of: July 1, 2017

Dupli Associates LLC

Federal Tax ID #:16-1545537

THIS PAYMENT IN LIEU OF TAX AGREEMENT, (this *“Agreement”*) dated as of July 1, 2017 by and among the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a corporate governmental agency constituting a body corporate and politic and a public benefit corporation organized and existing under the laws of the State of New York (hereinafter referred to as the *“Agency”*), having an office at 201 East Washington Street, 7th Floor, Syracuse, New York 13202, and **DUPLI ASSOCIATES LLC**, a limited liability company organized under the laws of the State of New York, with offices at 1 Dupli Park Drive, Syracuse, New York 13204 (hereinafter referred to as the *“Company”*).

W I T N E S S E T H:

WHEREAS, the New York State Industrial Development Agency Act, being Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended (hereinafter referred to as the *“Enabling Act”*) authorizes the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and furnish real and personal property, whether or not now in existence or under construction, which shall be suitable for, among others, manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease and to sell its projects, to charge and collect rent therefor, to issue its bonds or notes for the purpose of carrying out any of its corporate purposes and, as security for the payment of the principal and redemption price of, and interest on, any such bonds or notes, to mortgage any or all of its facilities and to pledge the revenues and receipts therefrom to the payment of such bonds or notes; and

WHEREAS, pursuant to and in accordance with the provisions of the Enabling Act, Chapter 641 of the 1979 Laws of the State of New York, as amended (said chapter and the Enabling Act being hereinafter collectively referred to as the *“Act”*) created the Agency for the benefit of the City of Syracuse (hereinafter referred to as the *“Municipality”*) and the inhabitants thereof; and

WHEREAS, the Agency, by Resolution adopted on May 16, 2017, (the *“Resolution”*),

resolved to undertake the “**Project**” (as hereinafter defined); and

WHEREAS, the Project will consist of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“**Building 1**”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“**Building 2**”), each in the City of Syracuse, New York (the foregoing collectively referred to as the “**Land**”); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the “**Facility**”); (iii) the acquisition and installation in and at Building of furniture, fixtures and equipment (the “**Equipment**” and together with the Land and the Facility, the “**Project Facility**”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “**Financial Assistance**”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, the Agency will lease the Land and Facility from the Company pursuant to that certain Company Lease Agreement dated as of July 1, 2017 (the “**Company Lease Agreement**”), between the Company and the Agency, obtain an interest in the Equipment pursuant to a bill of sale dated as of July 1, 2017 from the Company (the “**Bill of Sale**”), and sublease the Project Facility back to the Company pursuant to that certain Agency Lease Agreement dated as of July 1, 2017 (the “**Agency Lease Agreement**”), between the Agency and the Company (the Company Lease Agreement, the Bill of Sale and the Agency Lease Agreement are hereinafter collectively referred to as the “**Lease Agreement**”); and

WHEREAS, under the present provisions of the Act and Section 412-a of the Real Property Tax Law of the State of New York, the Agency is required to pay no taxes or assessments upon any

of the property acquired by it or under its jurisdiction or supervision or control; and

NOW, THEREFORE, in consideration of the matters above recited, the parties hereto formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I

REPRESENTATIONS AND WARRANTIES

Section 1.01. Representations and Warranties by Agency

The Agency does hereby represent and warrant as follows:

(a) Existence and Power. The Agency has been duly established under the provisions of the Act and has the power to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder.

(b) Intentions. The Agency intends to acquire a leasehold interest in the Project Facility from the Company and to sublease the Project Facility back to the Company, all pursuant to the provisions of the Lease Agreement.

(c) Authorization. The Agency is authorized and has the corporate power under the Act, its by-laws and the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all the covenants and obligations on its part to be performed under and pursuant to this Agreement. By proper corporate action on the part of its members, the Agency has duly authorized the execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated.

(d) Validity. The Agency is not prohibited from entering into this Agreement and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by the terms, conditions or provisions of the Act, any other law, any order of any court or other agency or authority of government, or any agreement or instrument to which the Agency is a party or by which the Agency is bound, and this Agreement is a legal, valid and binding obligation of the Agency enforceable in accordance with its terms.

Section 1.02. Representations and Warranties by Company

The Company does hereby represent and warrant as follows:

(a) Existence. The Company is a New York limited liability company duly organized, validly existing and in good standing under the laws of the State of New York.

(b) Authorization. The Company is authorized and has the power under the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all covenants and obligations on its part to be performed under and pursuant to this Agreement. The Company has duly authorized the execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated. The Company is not prohibited from entering into this Agreement and discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by (and the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby and the fulfillment of and compliance with the provisions of this Agreement will not conflict with or violate or constitute a breach of or a default under) the terms, conditions or provisions of its Articles of Organization, Operating Agreement or any other restriction or any law, rule, regulation or order of any court or other agency or authority of government, or any contractual limitation, restriction or outstanding indenture, deed of trust, mortgage, loan agreement, other evidence of indebtedness or any other agreement or instrument to which the Company is a party or by which it or any of its property is bound, and the Company's discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement will neither be in conflict with or result in a breach of or constitute (with due notice and/or lapse of time) a default under any of the foregoing, nor result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any of the foregoing, and this Agreement is a legal, valid and binding obligation of the Company enforceable in accordance with its terms.

(c) Title. The Company has valid and marketable fee title to the Project Facility, free and clear of all liens and encumbrances except for Permitted Encumbrances (as defined in the Lease Agreement).

(d) Governmental Consent. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental or public authority on the part of the Company is required as a condition to the execution, delivery or performance of this Agreement by the Company or as a condition to the validity of this Agreement.

ARTICLE II
COVENANTS AND AGREEMENTS

Section 2.01. Tax-Exempt Status of the Project Facility

(a) Assessment of the Project Facility. Pursuant to the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of ownership or control of the Project Facility by the Agency, and for so long thereafter as the Agency shall own or control the Project Facility, the Project Facility shall be entitled to an exemption upon the first available assessment roll of the Municipality prepared subsequent to the acquisition by the Agency of ownership or control of the Project Facility. The time of commencement of the Agency's exemption shall be controlled by the Municipality's taxable status date, in conformity with Section 412-a of the Real Property Tax Law. The Company will be required to pay to the Municipality all taxes and assessments lawfully levied and/or assessed against the Project Facility, in spite of the Agency's actual ownership or control of the Project Facility, until the Project Facility shall be entitled to exempt status on the tax roll of the Municipality.

(b) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. The Company will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

Section 2.02. Payments in Lieu of Taxes

(a) Agreement to Make Payments. The Company agrees that it shall make periodic payments in lieu of real property taxes in the amounts hereinafter provided. The said payments due to the Agency hereunder shall be paid by the Company, to the Municipality, by check made payable to "*Commissioner of Finance*". Upon receipt of the Company's payment, it shall be the Municipality's obligation to appropriately disburse any portion of the said payment to the County of Onondaga, or such other taxing jurisdiction, pursuant to the Act. This Company obligation shall exist for so long as the Agency retains an interest in the Project Facility. Notwithstanding the appearance of the Agency's exemption on the Municipality's tax roll for the 2018/2019 City and School portion of the real property tax due on the Land and Facility, the year 1 payment due for the

City and School portion of the year 1 payment under **Exhibit "A"** shall commence on July 1, 2018. The year 1 payment due for the County and Water District portion of the year 1 payment under **Exhibit "A"** shall commence on January 1, 2019. Without regard to the Agency exemption, the Company shall continue paying real property tax through June 30, 2018 with respect to the City and School portion of the real property tax and through December 31, 2018 with respect to the County and Water District portion of the real property tax, based upon the assessment and the combined real property tax rate in effect for that period as if the Project Facility were privately owned and the Agency had no interest in the same.

(b) Amount of Payments in Lieu of Taxes. Unless otherwise stated, the Company's agreed upon annual payment in lieu of tax hereunder shall be an amount determined by reference to **Exhibit "A"**, attached hereto and made a part hereof. The payments in lieu of tax due, as set forth in **Exhibit "A"**, include any real property tax exemptions that might be afforded to the Company if the Project Facility were owned by the Company and not the Agency. As consideration for the benefits conferred on the Company pursuant to this Agreement, the Company hereby agrees to be bound by any determination by the City of Syracuse Board of Assessment Review resulting from a review of the assessment pertaining to the Project Facility and/or Additional Property throughout the term of this Agreement. The Company hereby agrees to waive any and all right to challenge or contest in a court of law (a "**Legal Challenge**"), those payments or the basis for those payments due pursuant to Exhibit "A." It shall also be an event of default under Article IV of this Agreement should the Company bring a Legal Challenge on the Project Facility and/or Additional Property.

(c) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facilities, or any new or additional building shall be constructed on the real property described in **Exhibit "B"** that is in addition to the Facilities (such structural additions and additional buildings being hereinafter referred to as "**Additional Property**"), the Company agrees to make additional periodic payments in lieu of real property taxes (such additional payments being hereinafter collectively referred to as "**Additional Payments**") to the Municipality with respect to such Additional Property. Such Additional Payments shall be computed as follows:

By multiplying (1) the value placed on such Additional Property, as value is

determined by the Municipality's Assessor by (2) the tax rate or rates of the Municipality that would be applicable to such Additional Property if such Additional Property were owned or controlled by the Company and not the Agency, and (3) then reducing the amount so determined by the amounts of any properly acquired tax exemptions that would be afforded to the Company by the Municipality for such Additional Property as if it was owned or controlled by the Company and not the Agency.

(d) Revaluation. In the event of a real property assessment revaluation by the Municipality, the Company shall continue to make its payments in accordance with this Agreement; however, in the event that Exhibit "A" is no longer in effect, but payments are still being made hereunder for any reason, (including, but not limited to, the Agency still having an interest in the Project Facility), and would be effected by revaluation, each year's payments subsequent to such revaluation shall be adjusted to properly reflect revaluation, it being the intent of the parties that the level of payments following revaluation shall be equal to those payments contemplated by this Agreement.

(e) Damage or Destruction. In the event that all or substantially all of the Project Facility is damaged or destroyed, the Company shall continue to make the payments required by this Agreement for as long as the Agency shall own or control the Project Facility, without regard to such damage or destruction.

(f) Time of Payments. The Company agrees to pay the amounts due the Agency hereunder to the Municipality for each year of this Agreement, within the period that the Municipality allows payment of taxes levied in such calendar year without penalty. The Company shall be entitled to receive receipts from the Municipality for such payments.

(g) Method of Payment. All payments by the Company hereunder shall be paid to the Municipality in lawful money of the United States of America, cash, money order or check.

Section 2.03. Obligation of Municipality

The Municipality and/or the Agency shall submit to the Company written semi-annual statements specifying the amount and due date or dates of any payments due to the Agency hereunder. Each said semi-annual statement shall be submitted to the Company at the same time that tax bills are mailed by the Municipality to the owners of privately owned property. Failure to

receive a tax bill shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate tax bill, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Municipality and to have such a bill issued, and thereafter to make payment of the same no later than the due dates provided herein.

Section 2.04. Obligations of Agency

(a) Requirement that any Project Facility Agreements Require Payments in Lieu of Taxes. So long as the Project Facility shall be entitled to exemption from real property taxes as provided in Section 2.01(a) hereof, the Agency agrees, to the extent permitted by law, that it shall not make any agreement regarding the leasing or sale of the Project Facility which does not require that payments in lieu of taxes shall be paid to the Municipality in at least the amounts set forth in Article II hereof.

(b) Requirement that Mortgagees Subordinate to Payments. The Agency and the Company agree that any mortgages on the Project Facility, given by either of them, shall provide that the rights of the mortgagees thereunder shall be subordinate to this Agreement and to the right of the Municipality to receive payments in lieu of taxes pursuant to Article II hereof.

Section 2.05. Company to Furnish Information

The Company agrees to promptly comply with the reporting and information requirements of the Agency and the Act, and to promptly furnish the applicable information required or requested by the Agency and/or the State of New York. The Company further agrees to assist the Agency with the preparation of any reports, or answer any inquiries, required by the State of New York in connection with the Act or the Agency's participation in the Project.

Section 2.06. Interest

(a) Agreement to Pay Interest on Missed Payments. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest thereon, to the extent permitted by law, at the greater of **(i) eighteen per cent (18%) per annum, or (ii) the rate per annum which would be payable if such amounts were delinquent taxes, until so**

paid in full.

(b) Maximum Legal Rate. It is the intent of the Agency, the Municipality, and Company that in no event shall interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "*Maximum Legal Rate*"). Solely to the extent necessary to prevent interest under this Agreement from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled, and, if received by the Agency or Municipality, shall be refunded to the Company.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

Section 3.01. No Recourse; Limited Obligation of the Agency

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Agreement, or otherwise based on or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent, servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement. It is expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent, servant or employee under or by reason of the obligations, covenants or

agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the Municipality, and neither the State of New York nor the Municipality shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (i) the Agency shall have been requested to do so in writing by the Company and (ii) if compliance with such request is expected to result in the incurrence by the Agency (or any of its members, directors, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

Section 4.01. Events of Default

Any one or more of the following events shall constitute an event of default under this Agreement, and the terms “*Event of Default*” or “*Default*” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement or the Lease Agreement.

(b) Commencement by the Company of a Legal Challenge, as defined in Section 2.02(b), to those payments or the basis for those payments due pursuant to Exhibit “A.”

(c) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed under this Agreement (other than as referred to

in paragraph (a) above) or the Lease Agreement, and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure hereunder, or with respect to the Lease Agreement, continuance of such failure for the duration of any applicable cure period set forth therein after receipt of any required notice thereunder.

(d) Any warranty, representation or other statement by or on behalf of the Company contained in this Agreement or the Lease Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement or the Lease Agreement.

(e) The Company violates any federal, state or local environmental law or allows or causes any Hazardous Materials (as Hazardous Materials is defined and described in any federal, state or local law) to be released at, on, to, into or from the Project Facility, except as permitted by the Lease Agreement or within the terms and conditions of a permit, certificate, license or other written approval of an authorized governmental body, and fails to remedy such violation within thirty (30) days; or if such failure cannot be cured within thirty (30) days, fails to commence a cure within thirty (30) days and thereafter diligently prosecute the cure thereof.

(f) The occurrence of any Event of Default or Default under this Agreement, the Lease Agreement or any other Project documents.

(g) Failure of the Company to commence renovation of the Project Facility within eight (8) months of the date of this Agreement.

The payment schedule contained in Exhibit "A" is for the benefit of the Company and its Project Facility. In the event that the Company defaults hereunder, and the Lease Agreement cannot be terminated, and/or the Agency's participation in the Project and this Agreement is not or cannot be terminated, the Company, or any assignee, or successor shall no longer be entitled to make payments under this Agreement pursuant to Exhibit "A". In such an event, payments shall be made hereunder, for any remaining term of the Project, as if the Project Facility was privately owned and assessed and without any further regard to Exhibit "A".

Section 4.02. Remedies on Company Default

Whenever any Event of Default under Sections 4.01(a), 4.01(b), 4.01(c), 4.01(d), 4.01(e), 4.01 (f) or 4.01(g) shall have occurred and be continuing with respect to this Agreement, and/or the

Company shall be in default under the Lease Agreement, the Agency may take whatever action at law or in equity, following applicable notice, as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement and/or the Lease Agreement. Notwithstanding anything herein to the contrary, if the Lease Agreement is terminated for any reason, this Agreement shall automatically terminate without any further notice or action required hereunder.

Section 4.03. Recording of Lease Terminations and Other Documents

Whenever any Event of Default under Sections 4.01(a), 4.01(b), 4.01(c), 4.01(d), 4.01(e) 4.01 (f) or 4.01(g) shall have occurred and be continuing with respect to this Agreement or the Lease Agreement, the Agency may, upon notice to the Company provided for in this Agreement or the Lease Agreement, if any, terminate the Lease Agreement and record such termination or other necessary documents in the Onondaga County Clerk's Office, terminating the Agency's interest in the Project Facility and terminating this Agreement.

The recording of such a termination and any other documentation shall constitute delivery to, and acceptance of such, by the Company. In order to facilitate such a termination, the Company hereby appoints the Chairman or the Vice Chairman of the Agency as its agent for the purpose of executing and delivering all documents necessary to allow such termination by the Agency.

In the event that the Lease Agreement, for any reason, is extended by its terms, or for any reason this Agreement expires or terminates, but the Agency retains an interest or remains in title to the Project Facility, the Company shall continue to make payments in lieu of taxes to the Municipality for as long as the Agency retains an interest in, or remains in title to, the Project Facility. Those payments shall be the equivalent of the real property taxes that would be due on the Project Facility if it were owned by the Company and the Agency had no interest therein. It is the intention of the parties hereto, that for so long as the Agency shall possess title to, or an interest in, the Property, the Company, or any permitted successors or assigns, shall make payments in lieu of taxes to the Municipality that are either based upon Exhibit "A", or if Exhibit "A" is no longer applicable for any reason, are the equivalent of the real property taxes that would be due and owing if the Project Facility were privately owned and the Agency had no interest therein.

Section 4.04. Payment of Attorney's Fees and Expenses

If the Company should default in performing any of its obligations, covenants and agreements under this Agreement and the Agency or the Municipality should employ attorneys (whether in-house or outside counsel) or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency and/or the Municipality the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred.

Furthermore, should the Company bring a Legal Challenge on the Project Facility and/or Additional Property during the term of this Agreement, and the Agency and/or the Municipality waives its right to declare a default under this Agreement in regard to such Legal Challenge, or such Legal Challenge is determined not to be a default of this Agreement by any Court of competent jurisdiction, the Company agrees that in the event that the Company is unsuccessful in its Legal Challenge, it will, on demand, pay to the Agency and/or the Municipality the reasonable fees and disbursements of any attorneys employed (whether in-house or outside counsel) for the defense of such Legal Challenge as well as such other reasonable expenses so incurred.

Section 4.05. Remedies; Waiver and Notice

(a) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(d) No Waiver. In the event any provision contained in this Agreement should be

breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

ARTICLE V

MISCELLANEOUS

Section 5.01. Term of Agreement

(a) General. This Agreement shall become effective and the obligations of the Agency and the Company shall arise absolutely and unconditionally upon the execution and delivery of this Agreement. This Agreement shall terminate on the earliest to occur of (i) the same date that the Agency Lease Agreement terminates; (ii) on any earlier date permitted under the Agency Lease Agreement; or (iii) upon the expiration on June 30, 2028, of the PILOT Schedule set forth in **Exhibit "A"** hereto. In the event of a termination of the Agency's interest in the Project Facility, the Company's payments due hereunder shall be pro-rated to the extent necessary to allow the Municipality to issue a supplemental tax bill based upon the Agency's transfer of ownership or control of the Project Facility to the Company, and the loss of the Agency's tax exemption on the said Project Facility.

(b) Conflict. In the event of a conflict between this Agreement or any of its terms on the one hand, and the Lease Agreement or any other Project documents on the other hand, the provisions most favorable to the Agency shall govern. The Agency and the Company agree that the Agency's participation in the Project is for the benefit of the Company and that the Municipality must receive payments from the Company hereunder, during the entire term of this Agreement and/or the Agency's ownership or control of the Project Facility.

Section 5.02. Company Acts

Where the Company is required to do or accomplish any act or thing hereunder, the Company may cause the same to be done or accomplished with the same force and effect as if done or accomplished by the Company.

Section 5.03. Amendment of Agreement

This Agreement may not be amended, changed, modified or altered unless such amendment, change, modification or alteration is in writing and signed by the Agency and the Company.

Section 5.04. Notices

All notices, certificates or other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

The Agency and Company may, by notice given hereunder to each of the others, designate any further or different addresses to which the subsequent notices, certificates or other communications to them shall be sent.

Section 5.05. Binding Effect

This Agreement shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

Section 5.06. Severability

If any article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this Agreement shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this Agreement shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

Section 5.07. Counterparts

This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 5.08. Applicable Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding brought hereunder shall be in the State or Federal Courts located in Onondaga County, New York.

Section 5.09. Assignment

This Agreement may not be assigned by the Company without the prior written consent of the Agency.

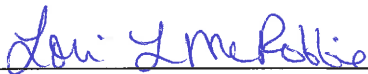

IN WITNESS WHEREOF, the Agency and Company have caused this Agreement to be executed in their respective names on the date first above written.

**FIRST AMENDMENT TO
PILOT AGREEMENT**

THIS FIRST AMENDMENT TO THE PILOT AGREEMENT, (the "**First Amendment**") made as of the 1st day of December, 2020 (the "**Effective Date**"), by and between the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a body corporate and politic and a public instrumentality of the State of New York, having its office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the "**Agency**") and **DUPLI ASSOCIATES LLC**, a New York limited liability company having its office at 113 Court Street, Binghamton, New York 13901 (the "**Company**"), amending that certain payment in lieu of tax agreement dated as of July 1, 2017 by and between the Agency and the Company (the "**First PILOT Agreement**") and together with this Amendment, collectively the "**Original PILOT Agreement**").

W I T N E S S E T H:

THE MEANING OF CAPITALIZED TERMS NOT OTHERWISE DEFINED HEREIN SHALL HAVE THE MEANINGS ATTACHED TO THEM IN THE AGENCY LEASE, DATED AS OF JULY 1, 2017 BY AND BETWEEN DUPLI AND THE AGENCY, AS AMENDED BY THE FIRST AMENDMENT TO AGENCY LEASE AGREEMENT DATED AS OF DECEMBER 1, 2020 BY AND BETWEEN DUPLI AND THE AGENCY.

WHEREAS, the Agency is authorized and empowered by Title I of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the "**Act**"), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, the Enabling Act further authorizes each such agency to acquire property by lease, lease any or all of its properties, to mortgage and pledge any or all of its properties, whether then owned or thereafter acquired, and to pledge the revenues and receipts from the lease thereof; and

WHEREAS, at the request of the Company, by resolution dated May 16, 2017 (the "**Original Inducement Resolution**") the Agency undertook a project (the "**Original Project**") consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0) (the "**Building 1 Land**"); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000

square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Original Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, in July 2017, the Company and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, the Company and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, the First Agency Lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, by supplemental application dated February 4, 2020 (the "**Supplemental Application**"), the Company requested the Agency revise the Original Project (the "**Project**") as follows: (A)(i) the continuation of an interest in the Land; (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Building 1 Facility**"); and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the AMI; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the "**Building 2 Facility**" and together with the Building 1 Facility, collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

the Agency and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original PILOT Agreement, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 600 Franklin Owner LLC, the SPE for the Building 1 Project ("**600 Franklin**") and 156 Solar Street LLC ("**156 Solar**"), the SPE for the Building 2 Project. 600 Franklin will be a party to the Bifurcated Agreements for the Building 1 Project and 156 Solar will be a part to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, this First Amendment is in accordance with Section 5.03 of the First PILOT Agreement and reflects the amendments and other changes set forth herein; and

WHEREAS, the Company represents and warrants that there is no event of default under the First PILOT Agreement or any other Company Document and all such documents are in full force and effect; and

WHEREAS, it is the intent of the parties hereto that the First PILOT Agreement be bifurcated into two separate payment in lieu of taxes agreements to provide for the Ownership Structure.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants herein set forth, and in accordance with Section 5.03 of the First PILOT Agreement, the Agency and the Company hereby agree as follows:

1.0 RECITALS.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

2.0 AMENDMENTS

(1) The parties agree, as of and following the Effective Date hereof, to bifurcate the First PILOT Agreement into two separate payment in lieu of taxes agreement, each agreement controlling the parties' rights and obligations with respect to the payment of taxes or payments in

lieu thereof with respect to a portion of the Project relative to *either* Building 1, the Building 1 Land and the improvements located or to be located thereon (collectively, the "***Building 1 Project***") or Building 2, the Building 2 Land and the improvements located or to be located thereon (collectively, the "***Building 2 Project***"), as applicable, by: (i) executing and delivering the payment in lieu of taxes agreement attached hereto at **Exhibit "A"** with respect to the Building 1 Project and evidencing the parties' rights and obligations with respect thereto (the "***Dupli Building 1 PILOT Agreement***"); and (ii) executing and delivering the payment in lieu of taxes agreement attached hereto at **Exhibit "B"** with respect to the Building 2 Project and evidencing the parties' rights and obligations with respect thereto (the "***Dupli Building 2 PILOT Agreement***").

(2) Section 5.04(a) of the First PILOT agreement is deleted in its entirety and replaced with the following:

3.0 INCORPORATION OF AMENDMENTS IN COMPANY DOCUMENTS AND AGENCY DOCUMENTS.

Notwithstanding anything herein to the contrary, or anything to the contrary in any other Company Document or Agency Document, the parties agree and consent to the changes made herein being incorporated into each and every other Company Document and Agency Document by reference without any further action or ratification by the parties thereto.

4.0 INTENT OF PARTIES.

To eliminate any doubt, it is the explicit intent of the parties hereto that as of and following the Effective Date hereof, with respect to real property taxes, the Dupli Building 1 PILOT Agreement shall govern the rights and responsibilities of the parties with respect to the Building 1 Project and the Dupli Building 2 PILOT Agreement shall govern the rights and responsibilities of the parties with respect to the Building 2 Project.

5.0 RATIFICATION OF FIRST PILOT AGREEMENT.

(a) The Agency and the Company agree that all of the other terms, covenants and conditions of the First PILOT Agreement, except as amended herein, are hereby ratified and confirmed and, as herein modified and amended, shall remain in full force and effect, and each term, covenant and condition shall apply to this First Amendment as if it were fully set forth herein.

(b) This First Amendment amends and supplements the First PILOT Agreement, as and to the extent set forth herein and is executed in accordance with Section 5.03 of the First PILOT Agreement. This First Amendment forms a part of the First PILOT Agreement, and all the terms and conditions contained herein shall be deemed a part of the terms and conditions of the First PILOT Agreement for any and all purposes and the respective rights, duties and obligations under the First PILOT Agreement of the Agency and the Company shall be determined, exercised and enforced under the First PILOT Agreement, as amended by this First Amendment. References to the First PILOT Agreement in the Agency and Company Documents shall be deemed to refer to the First PILOT Agreement, as amended by this First Amendment, and the First PILOT Agreement, as so amended and supplemented hereby, shall be read, taken and construed as one in the same instrument. The Agency and the Company hereby ratify and confirm the terms, conditions and covenants set forth in the First PILOT Agreement, as amended by this First Amendment.

(c) Each the Company and the Agency confirm and restate their respective representations and covenants contained in the First PILOT Agreement, as amended by the First Amendment.

(d) This First Amendment shall inure to the benefit of, and shall be binding upon, the Agency and the Company, and their respective successors and assigns.

5.0 EFFECTIVE DATE.

This First Amendment shall be effective as of December 1, 2020 (the “*Effective Date*”).

6.0 INVALIDITY.

If any part, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this First Amendment shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such part, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this First Amendment shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

7.0 NON-RECOURSE.

(a) All covenants, stipulations, promises, agreements and obligations of the Agency contained in this First Amendment and the other documents and instruments executed and/or delivered connected therewith shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, agent or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in the this First Amendment or the other documents and instruments executed and/or delivered connected therewith or any documents supplemental hereto, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent or employee, as such, of the Agency, or of any successor public benefit corporation or political subdivision, or any person executing this First Amendment or the other documents and instruments executed and/or delivered connected therewith, either directly or through the Agency or any successor public benefit corporation or political subdivision, it being expressly understood that no such personal liability whatsoever shall attach to, or is or shall be incurred by, any such member, officer, agent or employee of the Agency or of any such successor public benefit corporation or political subdivision, or any person executing this First Amendment and the other documents and instruments executed and/or delivered connected therewith, because of or by reason of the obligations, covenants or agreements contained in therein or implied therefrom.

(b) Nothing contained herein shall be construed to increase in any material respect the rights of the Agency under the Original PILOT Agreement or decrease in any material respect the rights of the Agency thereunder.

8.0 AUTHORITY.

Each of the Agency and the Company represents and warrants that it has the requisite power and authority to enter into and execute this First Amendment.

9.0 COUNTERPARTS; ELECTRONIC SIGNATURE.

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

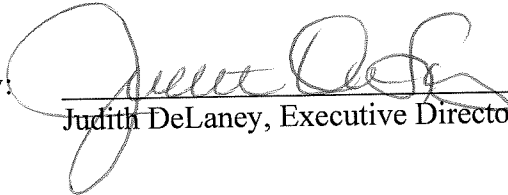

10.0 GOVERNING LAW.

This First Amendment shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding hereunder shall be in the respective State or Federal court located in Onondaga County.

THE MEANING OF CAPITALIZED TERMS NOT OTHERWISE DEFINED HEREIN SHALL HAVE THE MEANINGS ATTACHED TO THEM IN THE AGENCY LEASE, DATED AS OF JULY 1, 2017 BY AND BETWEEN DUPLI AND THE AGENCY, AS AMENDED BY THE FIRST AMENDMENT TO AGENCY LEASE AGREEMENT DATED AS OF DECEMBER 1, 2020 BY AND BETWEEN THE DUPLI AND THE AGENCY.

WHEREAS, the New York State Industrial Development Agency Act, being Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended (hereinafter referred to as the “*Enabling Act*”) authorizes the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and furnish real and personal property, whether or not now in existence or under construction, which shall be suitable for, among others, manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease and to sell its projects, to charge and collect rent therefor, to issue its bonds or notes for the purpose of carrying out any of its corporate purposes and, as security for the payment of the principal and redemption price of, and interest on, any such bonds or notes, to mortgage any or all of its facilities and to pledge the revenues and receipts therefrom to the payment of such bonds or notes; and

WHEREAS, pursuant to and in accordance with the provisions of the Enabling Act, Chapter 641 of the 1979 Laws of the State of New York, as amended (said chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”) created the Agency for the benefit of the City of Syracuse (hereinafter referred to as the “*Municipality*”) and the inhabitants thereof; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an

approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 600 Franklin Owner LLC, the SPE for the Building 1 Project ("**600 Franklin**" and together with Dupli, collectively, the "**Company**"), 600 Franklin will be a party to the Bifurcated Agreements for the Building 1 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, authorized the Bifurcated Agreements to provide for the Ownership Structure such that the applicable Bifurcated Agreements for the Building 1 Project will govern the Building 1 Project consisting of: (A)(i) the continuation of an interest in 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^[1] (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 1 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the 600 Franklin or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, the Agency has leased the Land and Facility from Dupli pursuant to that certain company lease agreement dated as of July 1, 2017, as amended by the First Amendment to Company Lease Agreement, dated as of December 1, 2020, by and between Dupli and the Agency and that certain Dupli Building 1 Company Lease Agreement, dated as of December 1, 2020, by and among Dupli, 600 Franklin and the Agency (collectively, the "**Company Lease Agreement**"), obtained an interest in the Equipment pursuant to an bill of sale from Dupli to the Agency (the "**Dupli Bill of Sale**") and a bill of sale from 600 Franklin to the Agency (the "**600 Franklin Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**"), each dated as of December 1, 2020; and subleased the Project Facility back to the Company pursuant to that certain Agency Lease Agreement dated as of July 1, 2017, as amended by the First Amendment to Agency Lease, dated as of December 1, 2020, by and between the Agency and Dupli and that certain Dupli Building 1 Agency Lease Agreement dated as of December 1, 2020, by and among the Agency, Dupli and 600 Franklin (collectively, the "**Agency Lease Agreement**"), (the Company Lease Agreement, the Bill of Sale and the Agency Lease Agreement are hereinafter collectively referred to as the "**Lease Agreements**"); and

WHEREAS, the Company acknowledges that the award of this Agreement was conditioned upon the Company's commitment to reserving and renting twenty percent (20%) of the residential

units in the Project for tenants at the annual 65% area median income rent limit for the City as designated by US Department of Housing and Urban Development ("*HUD*"), inclusive of utilities, and published annually (the "*HUD Rates*") (collectively, the "*Rental Restrictions*"); and

WHEREAS, under the present provisions of the Act and Section 412-a of the Real Property Tax Law of the State of New York, the Agency is required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction or supervision or control; and

NOW, THEREFORE, in consideration of the matters above recited, the parties hereto formally covenant, agree and bind themselves as follows, to wit:

ARTICLE I
REPRESENTATIONS AND WARRANTIES

Section 1.00 Recitals.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

Section 1.01. Representations and Warranties by Agency

The Agency does hereby represent and warrant as follows:

(a) Existence and Power. The Agency has been duly established under the provisions of the Act and has the power to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder.

(b) Intentions. The Agency intends to acquire a leasehold interest in the Project Facility from the Company and to sublease the Project Facility back to the Company, all pursuant to the provisions of the Lease Agreements.

(c) Authorization. The Agency is authorized and has the corporate power under the Act, its by-laws and the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all the covenants and obligations on its part to be performed under and pursuant to this Agreement. By proper corporate action on the part of its members, the Agency has duly authorized the execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated.

(d) Validity. The Agency is not prohibited from entering into this Agreement and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by the terms, conditions or provisions of the Act, any other law, any order of any court or other agency or authority of government, or any agreement or instrument to which the Agency is a party or by which the Agency is bound, and this Agreement is a legal, valid and binding obligation of the Agency enforceable in accordance with its terms.

Section 1.02. Representations and Warranties by Company

Dupli and 600 Franklin, each as noted or jointly as the Company, acknowledge, represent, warrants and covenant to the Agency as follows:

(a) Existence. Each Dupli and 600 Franklin is a New York limited liability company duly organized, validly existing and in good standing under the laws of the State of New York.

(b) Authorization. Each Dupli and 600 Franklin is authorized and has the power under the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all covenants and obligations on its part to be performed under and pursuant to this Agreement. Each Dupli and Franklin has duly authorized the execution, delivery and performance of the Lease Agreements, this Agreement, and the other Company Documents (as that term is defined in the Agency Lease), and the consummation of the transactions therein and herein contemplated. Each Dupli and 600 Franklin is not prohibited from entering into this Agreement and discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by (and the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby and the fulfillment of and compliance with the provisions of this Agreement will not conflict with or violate or constitute a breach of or a default under) the terms, conditions or provisions of its Articles of Organization, Operating Agreement or any other restriction or any law, rule, regulation or order of any court or other agency or authority of government, or any contractual limitation, restriction or outstanding indenture, deed of trust, mortgage, loan agreement, other evidence of indebtedness or any other agreement or instrument to which either Dupli or 600 Franklin is a party or by which it or any of its property is bound, and Dupli or 600 Franklin's discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement will neither be in conflict with or result in a breach of or constitute (with due notice and/or lapse of time) a default under any of the foregoing, nor result in the creation or imposition of any lien of any nature upon any of the property of Dupli and 600 Franklin under the terms of any of the foregoing, and this Agreement is a legal, valid and binding obligation of Dupli and 600 Franklin enforceable in accordance with its terms.

(c) Title. 600 Franklin has valid and marketable fee title to the Project Facility, free and clear of all liens and encumbrances except for Permitted Encumbrances (as defined in the Lease Agreements).

(d) Membership Interests. For the term of this Agreement, Dupli shall hold 90% of the membership interests of 600 Franklin and the tax credit investor shall hold 10% of such membership interests.

(e) Rental Restrictions. For the term of this Agreement, the Company shall comply with the Rental Restrictions as set forth herein.

(f) Governmental Consent. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental or public authority on the part of the Company is required as a condition to the execution, delivery or performance of this Agreement by the Company or as a condition to the validity of this Agreement.

(g) The obligations of the Company to make the payments required by this Agreement and to perform and observe any and all of the other covenants and agreements on its part contained herein, including but not limited to the Rental Restrictions, are joint and several general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency.

ARTICLE II **COVENANTS AND AGREEMENTS**

Section 2.01. Tax-Exempt Status of the Project Facility

(a) Assessment of the Project Facility. Pursuant to the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of ownership or control of the Project Facility by the Agency, and for so long thereafter as the Agency shall own or control the Project Facility, the Project Facility shall be entitled to an exemption upon the first available assessment roll of the Municipality prepared subsequent to the acquisition by the Agency of ownership or control of the Project Facility. The time of commencement of the Agency's exemption shall be controlled by the Municipality's taxable status date, in conformity with Section 412-a of the Real Property Tax Law. The Company will be required to pay to the Municipality all taxes and assessments lawfully levied and/or assessed against the Project Facility, in spite of the Agency's actual ownership or control of the Project Facility, until the Project Facility shall be entitled to exempt status on the tax roll of the Municipality. The Project Facility is currently exempt on the tax roll of the Municipality by reason of a 412-a exemption pursuant to the Original Lease Documents and such exemption shall continue uninterrupted upon the effective date of this Agreement.

(b) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. The Company will be required at all times to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

Section 2.02. Payments in Lieu of Taxes

(a) Agreement to Make Payments. The Company agrees that it shall make periodic payments in lieu of real property taxes in the amounts hereinafter provided. The said payments due to the Agency hereunder shall be paid by the Company, to the Municipality, on behalf of the Agency, by check made payable to "*Commissioner of Finance*". Upon receipt of the Company's payment, the Municipality, on behalf of the Agency, will disburse the appropriate portion of the said payment to the County of Onondaga and the Municipality, or such other taxing jurisdiction, pursuant to the Act. This Company obligation shall exist for so long as the Agency retains an interest in the Project Facility. In accordance with the Original PILOT Agreement the year 1 payment due for the City and School portion of the year 1 payment under **Exhibit "A"** commenced on July 1, 2018. Likewise, the year 1 payment due for the County and Water District portion of the year 1 payment under **Exhibit "A"** commenced on January 1, 2019. The balance of the payments due under this Agreement are set forth on **Exhibit "A"** attached hereto.

(b) Amount of Payments in Lieu of Taxes. Unless otherwise stated, the Company's agreed upon annual payment in lieu of tax hereunder shall be an amount determined by reference to **Exhibit "A"**, attached hereto and made a part hereof. The payments in lieu of tax due, as set forth in **Exhibit "A"**, include any real property tax exemptions that might be afforded to 600 Franklin if the Project Facility were owned by 600 Franklin and not the Agency. As consideration for the benefits conferred on the Company pursuant to this Agreement, the Company hereby agrees to be bound by any determination by the City of Syracuse Board of Assessment Review resulting from a review of the assessment pertaining to the Project Facility and/or Additional Property throughout the term of this Agreement. The Company hereby agrees to waive any and all right to challenge or contest in a court of law (a "**Legal Challenge**"), those payments or the basis for those payments due pursuant to Exhibit "A." It shall also be an event of default under Article IV of this Agreement should the Company bring a Legal Challenge on the Project Facility and/or Additional Property.

(c) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facilities, or any new or additional building shall be constructed on the real property described in **Exhibit "B"** that is in addition to the Facilities (such structural additions and additional buildings being hereinafter referred to as "**Additional Property**"), the Company agrees to make additional periodic payments in lieu of real property taxes (such additional payments being hereinafter collectively referred to as "**Additional Payments**") to the Municipality on behalf of the Agency with respect to such Additional Property. Such Additional Payments shall be computed as follows:

By multiplying (1) the value placed on such Additional Property, as value is determined by the Municipality's assessor by (2) the tax rate or rates of the Municipality that would be applicable to such Additional Property if such Additional Property were owned or controlled by the Company and not the Agency; and (3) then reducing the amount so determined by the amounts of any properly acquired tax exemptions that would be afforded to the Company by the Municipality for such Additional Property as if it was owned or controlled by the Company and not the Agency.

(d) Revaluation. In the event of a real property assessment revaluation by the Municipality, the Company shall continue to make its payments in accordance with this Agreement; however, in the event that Exhibit "A" is no longer in effect, but payments are still being made hereunder for any reason, (including, but not limited to, the Agency still having an interest in the Project Facility), and would be effected by revaluation, each year's payments subsequent to such revaluation shall be adjusted to properly reflect revaluation, it being the intent of the parties that the level of payments following revaluation shall be equal to those payments contemplated by this Agreement.

(e) Damage or Destruction. In the event that all or substantially all of the Project Facility is damaged or destroyed, the Company shall continue to make the payments required by this Agreement for as long as the Agency shall own or control the Project Facility, without regard to such damage or destruction.

(f) Time of Payments. The Company agrees to pay the amounts due the Agency hereunder to the Municipality for each year of this Agreement, within the period that the Municipality

allows payment of taxes levied in such calendar year without penalty. 600 Franklin shall be entitled to receive receipts from the Municipality for such payments.

(g) Method of Payment. All payments by the Company hereunder shall be paid to the Municipality in lawful money of the United States of America, cash, money order or check.

Section 2.03. PILOT Statements

The Municipality and/or the Agency shall submit to 600 Franklin written semi-annual statements specifying the amount and due date or dates of any payments due to the Agency hereunder. Each semi-annual PILOT statement shall be submitted to 600 Franklin at the same time that tax statements/bills are mailed by the Municipality to the owners of privately owned property. Failure to receive a PILOT statement shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate PILOT Statement, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Municipality and the Agency and to have such a statement issued, and thereafter to make payment of the same no later than the due dates provided herein.

Section 2.04. Obligations of Agency

Requirement that Mortgagees Subordinate to Payments. The Agency and 600 Franklin agree that any mortgages on the Project Facility, given by either of them, shall provide that the rights of the mortgagees thereunder shall be subordinate to this Agreement and to the right of the Municipality to receive payments in lieu of taxes pursuant to Article II hereof.

Section 2.05. Company to Furnish Information

The Company agrees to promptly comply with the reporting and information requirements of the Agency and the Act, and to promptly furnish the applicable information required or requested by the Agency and/or the State of New York. The Company further agrees to assist the Agency with the preparation of any reports, or answer any inquiries, required by the State of New York in connection with the Act or the Agency's participation in the Project.

In addition, during the Reporting Period (as defined in the Dupli Building 1 Agency Lease), the Company shall provide the reporting and certifications required relative to the Rental Restrictions as more fully set forth in Section 8.5 of the Dupli Building 1 Agency Lease. The Company acknowledges that failure to maintain and/or report on the Rental Restrictions as set forth herein and therein, shall give rise to the Agency's right to recapture all Recapture Amounts.

Section 2.06. Interest

(a) Agreement to Pay Interest on Missed Payments. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest thereon, to the extent permitted by law, at the greater of: **(i) eighteen per cent (18%) per annum; or (ii) the rate per**

annum which would be payable if such amounts were delinquent taxes, until so paid in full.

(b) Maximum Legal Rate. It is the intent of the Agency, the Municipality, and the Company that in no event shall interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "*Maximum Legal Rate*"). Solely to the extent necessary to prevent interest under this Agreement from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled, and, if received by the Agency or Municipality, shall be refunded to 600 Franklin.

ARTICLE III **LIMITED OBLIGATION OF THE AGENCY**

Section 3.01. No Recourse; Limited Obligation of the Agency

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Agreement, or otherwise based on or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent, servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement. It is expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the Municipality, and neither the State of New York nor the Municipality shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (i) the Agency shall have been requested to do so in writing by 600 Franklin and (ii) if compliance with such request is expected to result in the incurrence by the Agency (or any of its

members, directors, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from 600 Franklin security or indemnity satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV **EVENTS OF DEFAULT**

Section 4.01. Events of Default

Any one or more of the following events shall constitute an event of default under this Agreement, and the terms “*Event of Default*” or “*Default*” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement, the Lease Agreements or the Company Documents.

(b) Commencement by the Company of a Legal Challenge, as defined in Section 2.02(b), to those payments or the basis for those payments due pursuant to Exhibit “A.”

(c) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed under this Agreement (other than as referred to in paragraph (a) above), the Lease Agreements, or any other Company Document and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure hereunder, or with respect to the Lease Agreements, continuance of such failure for the duration of any applicable cure period set forth therein after receipt of any required notice thereunder.

(d) Any warranty, representation or other statement by or on behalf of the Company contained in this Agreement or the Lease Agreements shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement or the Lease Agreements.

(e) The Company violates any federal, state or local environmental law or allows or causes any Hazardous Materials (as Hazardous Materials is defined and described in any federal, state or local law) to be released at, on, to, into or from the Project Facility, except as permitted by the Lease Agreements or within the terms and conditions of a permit, certificate, license or other written approval of an authorized governmental body, and fails to remedy such violation within thirty (30) days; or if such failure cannot be cured within thirty (30) days, fails to commence a cure within thirty (30) days and thereafter diligently prosecute the cure thereof.

(f) The occurrence of any Event of Default or Default under this Agreement, the Lease Agreements or any other Company Documents.

(g) Failure of the Company to commence and complete the Project Facility on or before the Completion Date as set forth in the Agency Lease.

(h) Failure to maintain the Rental Restrictions and/or provide the required reporting relative thereto as set forth herein.

Section 4.02. Remedies on Company Default

Whenever any Event of Default under Section 4.01 shall have occurred and be continuing with respect to this Agreement, and/or the Company shall be in default under the Lease Agreements, the Agency may take whatever action at law or in equity, including but not limited to recapture in accordance with the Agency's Recapture Policy dated June 21, 2016 or pursuant to the terms of any Company Document, following applicable notice, as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement and/or the Lease Agreements. Notwithstanding anything herein to the contrary, if the Lease Agreements are terminated for any reason, this Agreement shall automatically terminate without any further notice or action required hereunder and the Project Facility shall immediately become taxable and revert to the tax roll.

The payment schedule contained in Exhibit "A" is for the benefit of 600 Franklin and its Project Facility. In the event that the Company defaults hereunder, and the Lease Agreements cannot be terminated, and/or the Agency's participation in the Project and this Agreement is not or cannot be terminated, the Company, or any assignee, or successor shall no longer be entitled to make payments under this Agreement pursuant to Exhibit "A". In such an event, payments shall be made hereunder, for any remaining term of this Agreement, as if the Project Facility was privately owned and assessed and without any further regard to Exhibit "A".

Section 4.03. Recording of Lease Terminations and Other Documents

Whenever any Event of Default under Sections 4.01 shall have occurred and be continuing with respect to this Agreement or the Lease Agreements, the Agency may, upon notice to the Company provided for in this Agreement or the Lease Agreements, if any, terminate the Lease Agreements and record such termination or other necessary documents in the Onondaga County Clerk's Office, terminating the Agency's interest in the Project Facility thereby terminating this Agreement.

The recording of such a termination and any other documentation shall constitute delivery to, and acceptance of such, by the Company. In order to facilitate such a termination, the Company hereby appoints the Chair or the Vice Chair of the Agency as its agent for the purpose of executing and delivering all documents necessary to allow such termination by the Agency.

In the event that the Lease Agreements, for any reason, are extended by their terms, or for any reason this Agreement expires or terminates, but the Agency retains an interest or remains in title to the Project Facility, the Company shall continue to make payments in lieu of taxes to the Municipality, on behalf of the Agency, for as long as the Agency retains an interest in, or remains in title to, the Project Facility in accordance with Exhibit "A". Those payments shall be the equivalent of the real property taxes that would be due on the Project Facility if it were owned by 600 Franklin and the Agency had no interest therein. It is the intention of the parties hereto, that for so long as the Agency

shall possess title to, or an interest in, the Property, the Company, or any permitted successors or assigns, shall make payments in lieu of taxes to the Municipality, on behalf of the Agency, that are either based upon Exhibit "A", or if Exhibit "A" is no longer applicable for any reason, are the equivalent of the real property taxes that would be due and owing if the Project Facility were privately owned and the Agency had no interest therein.

Section 4.04. Payment of Attorney's Fees and Expenses

If the Company should default in performing any of its obligations, covenants and agreements under this Agreement and the Agency or the Municipality should employ attorneys (whether in-house or outside counsel) or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency and/or the Municipality the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred.

Furthermore, should 600 Franklin bring a Legal Challenge on the Project Facility and/or Additional Property during the term of this Agreement, and the Agency and/or the Municipality waives its right to declare a default under this Agreement in regard to such Legal Challenge, or such Legal Challenge is determined not to be a default of this Agreement by any Court of competent jurisdiction, 600 Franklin agrees that in the event that 600 Franklin is unsuccessful in its Legal Challenge, it will, on demand, pay to the Agency and/or the Municipality the reasonable fees and disbursements of any attorneys employed (whether in-house or outside counsel) for the defense of such Legal Challenge as well as such other reasonable expenses so incurred.

Section 4.05. Remedies; Waiver and Notice

(a) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(d) No Waiver. In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

(e) Recapture. Seek to recover all or some of the Recapture Amount in accordance with the Agency's Recapture Policy, the Agency Lease, the Project Agreement and this PILOT Agreement.

ARTICLE V **MISCELLANEOUS**

Section 5.01. Term of Agreement

(a) General. This Agreement shall become effective and the obligations of the Agency and the Company shall arise absolutely and unconditionally upon the execution and delivery of this Agreement. This Agreement shall terminate on the earliest to occur of: (i) the same date that the Dupli Building 1 Agency Lease Agreement terminates; (ii) on any earlier date permitted under the Dupli Building 1 Agency Lease Agreement; or (iii) upon the expiration on **June 30, 2033** of the PILOT Schedule set forth in **Exhibit "A"** hereto. In the event of a termination of the Agency's interest in the Project Facility, the Company's payments due hereunder shall be pro-rated to the extent necessary to allow the Municipality to issue a supplemental PILOT Statement based upon the Agency's transfer of ownership or control of the Project Facility to the Company, and the loss of the Agency's tax exemption on the said Project Facility.

(b) Conflict. In the event of a conflict between this Agreement or any of its terms on the one hand, and the Lease Agreements or any other Project documents on the other hand, the provisions most favorable to the Agency shall govern. The Agency and the Company agree that the Agency's participation in this Agreement is for the benefit of the Company and that the Municipality must receive payments from the Company hereunder, during the entire term of this Agreement and/or the Agency's ownership or control of the Project Facility.

Section 5.02. Company Acts

Where the Company is required to do or accomplish any act or thing hereunder, the Company may cause the same to be done or accomplished with the same force and effect as if done or accomplished by the Company.

Section 5.03. Amendment of Agreement

This Agreement may not be amended, changed, modified or altered unless such amendment, change, modification or alteration is in writing and signed by the Agency and the Company.

Section 5.04. Notices

All notices, certificates or other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the person

who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

The Agency and the Company may, by notice given hereunder to each of the others, designate

any further or different addresses to which the subsequent notices, certificates or other communications to them shall be sent.

Section 5.05. Binding Effect

This Agreement shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

Section 5.06. Severability

If any article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this Agreement shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this Agreement shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

Section 5.07. Counterparts; Electronic Signatures

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

Section 5.08. Applicable Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding brought hereunder shall be in the State or Federal Courts located in Onondaga County, New York.

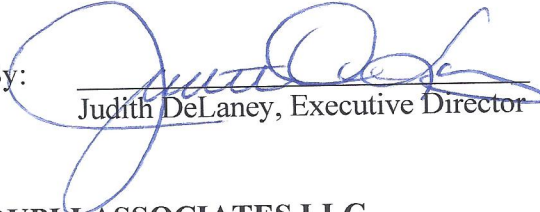

Section 5.09. Assignment

This Agreement may not be assigned by the Company without the prior written consent of the Agency.

THIS PAYMENT IN LIEU OF TAX AGREEMENT, (this “*Agreement*”) dated as of December 1, 2020 by and among the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a corporate governmental agency constituting a body corporate and politic and a public benefit corporation organized and existing under the laws of the State of New York (hereinafter referred to as the “*Agency*”), having an office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202, **DUPLI ASSOCIATES LLC**, a limited liability company organized under the laws of the State of New York, with offices at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **156 SOLAR STREET LLC**, a limited liability company organized under the laws of the State of New York, with offices at 113 Court Street, Binghamton, New York 13901 (“*156 Solar Street*” and together with Dupli, collectively, the “*Company*”).

W I T N E S S E T H:

THE MEANING OF CAPITALIZED TERMS NOT OTHERWISE DEFINED HEREIN SHALL HAVE THE MEANINGS ATTACHED TO THEM IN THE AGENCY LEASE, DATED AS OF JULY 1, 2017 BY AND BETWEEN DUPLI AND THE AGENCY, AS AMENDED BY THE FIRST AMENDMENT TO AGENCY LEASE AGREEMENT DATED AS OF DECEMBER 1, 2020 BY AND BETWEEN THE DUPLI AND THE AGENCY.

WHEREAS, the New York State Industrial Development Agency Act, being Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended (hereinafter referred to as the “*Enabling Act*”) authorizes the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and furnish real and personal property, whether or not now in existence or under construction, which shall be suitable for, among others, manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease and to sell its projects, to charge and collect rent therefor, to issue its bonds or notes for the purpose of carrying out any of its corporate purposes and, as security for the payment of the principal and redemption price of, and interest on, any such bonds or notes, to mortgage any or all of its facilities and to pledge the revenues and receipts therefrom to the payment of such bonds or notes; and

WHEREAS, pursuant to and in accordance with the provisions of the Enabling Act, Chapter 641 of the 1979 Laws of the State of New York, as amended (said chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”) created the Agency for the benefit of the City of Syracuse (hereinafter referred to as the “*Municipality*”) and the inhabitants thereof; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an

approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, the authorized the Bifurcated Agreements to provide for the Ownership Structure such that the applicable Bifurcated Agreements for the Building 2 Project will govern the Building 2 Project consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, the Agency has leased the Land and Facility from Dupli pursuant to that certain company lease agreement dated as of July 1, 2017, as amended by the First Amendment to Company Lease Agreement, dated as of December 1, 2020, by and between Dupli and the Agency and that certain Dupli Building 2 Company Lease Agreement, dated as of December 1, 2020, by and among Dupli, 600 Franklin and the Agency (collectively, the "**Company Lease Agreement**"), obtained an interest in the Equipment pursuant to a bill of sale from Dupli to the Agency (the "**Dupli Bill of Sale**") and a bill of sale from 600 Franklin to the Agency (the "**600 Franklin Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**"), each dated as of December 1, 2020; and subleased the Project Facility back to the Company pursuant to that certain Agency Lease Agreement dated as of July 1, 2017, as amended by the First Amendment to Agency Lease, dated as of December 1, 2020, by and between the Agency and Dupli and that certain Dupli Building 2 Agency Lease Agreement dated as of December 1, 2020, by and among the Agency, Dupli and 600 Franklin (collectively, the "**Agency Lease Agreement**"), (the Company Lease Agreement, the Bill of Sale and the Agency Lease Agreement are hereinafter collectively referred to as the "**Lease Agreements**"); and

WHEREAS, the Company acknowledges that the award of this Agreement was conditioned upon the Company's commitment to reserving and renting twenty percent (20%) of the residential units in the Project for tenants at the annual 65% area median income rent limit for the City as

ARTICLE I **REPRESENTATIONS AND WARRANTIES**

Section 1.00 Recitals.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

Section 1.01. Representations and Warranties by Agency

The Agency does hereby represent and warrant as follows:

(a) Existence and Power. The Agency has been duly established under the provisions of the Act and has the power to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder.

(b) Intentions. The Agency intends to acquire a leasehold interest in the Project Facility from the Company and to sublease the Project Facility back to the Company, all pursuant to the provisions of the Lease Agreements.

(c) Authorization. The Agency is authorized and has the corporate power under the Act, its by-laws and the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all the covenants and obligations on its part to be performed under and pursuant to this Agreement. By proper corporate action on the part of its members, the Agency has duly authorized the execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated.

(d) Validity. The Agency is not prohibited from entering into this Agreement and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by the terms, conditions or provisions of the Act, any other law, any order of any court or other agency or authority of government, or any agreement or instrument to which the Agency is a party or by which the Agency is bound, and this Agreement is a legal, valid and binding obligation of the Agency enforceable in accordance with its terms.

Section 1.02. Representations and Warranties by Company

Dupli and 156 Solar, each as noted or jointly as the Company, acknowledge, represent,

warrants and covenant to the Agency as follows:

(a) Existence. Each Dupli and 156 Solar is a New York limited liability company duly organized, validly existing and in good standing under the laws of the State of New York.

(b) Authorization. Each Dupli and 156 Solar is authorized and has the power under the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all covenants and obligations on its part to be performed under and pursuant to this Agreement. Each Dupli and Franklin has duly authorized the execution, delivery and performance of the Lease Agreements, this Agreement, and the other Company Documents (as that term is defined in the Agency Lease), and the consummation of the transactions therein and herein contemplated. Each Dupli and 156 Solar is not prohibited from entering into this Agreement and discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by (and the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby and the fulfillment of and compliance with the provisions of this Agreement will not conflict with or violate or constitute a breach of or a default under) the terms, conditions or provisions of its Articles of Organization, Operating Agreement or any other restriction or any law, rule, regulation or order of any court or other agency or authority of government, or any contractual limitation, restriction or outstanding indenture, deed of trust, mortgage, loan agreement, other evidence of indebtedness or any other agreement or instrument to which either Dupli or 156 Solar is a party or by which it or any of its property is bound, and Dupli or 156 Solar's discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement will neither be in conflict with or result in a breach of or constitute (with due notice and/or lapse of time) a default under any of the foregoing, nor result in the creation or imposition of any lien of any nature upon any of the property of Dupli and 156 Solar under the terms of any of the foregoing, and this Agreement is a legal, valid and binding obligation of Dupli and 156 Solar enforceable in accordance with its terms.

(c) Title. 156 Solar has valid and marketable fee title to the Project Facility, free and clear of all liens and encumbrances except for Permitted Encumbrances (as defined in the Lease Agreements).

(d) Membership Interests. For the term of this Agreement, Dupli shall hold 90% of the membership interests of 156 Solar and the tax credit investor shall hold 10% of such membership interests.

(e) Rental Restrictions. For the term of this Agreement, the Company shall comply with the Rental Restrictions as set forth herein.

(f) Governmental Consent. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental or public authority on the part of the Company is required as a condition to the execution, delivery or performance of this Agreement by the Company or as a condition to the validity of this Agreement.

(g) The obligations of the Company to make the payments required by this Agreement and to perform and observe any and all of the other covenants and agreements on its part contained

herein, including but not limited to the Rental Restrictions, are joint and several general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency.

ARTICLE II

COVENANTS AND AGREEMENTS

Section 2.01. Tax-Exempt Status of the Project Facility

(a) Assessment of the Project Facility. Pursuant to the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of ownership or control of the Project Facility by the Agency, and for so long thereafter as the Agency shall own or control the Project Facility, the Project Facility shall be entitled to an exemption upon the first available assessment roll of the Municipality prepared subsequent to the acquisition by the Agency of ownership or control of the Project Facility. The time of commencement of the Agency's exemption shall be controlled by the Municipality's taxable status date, in conformity with Section 412-a of the Real Property Tax Law. The Company will be required to pay to the Municipality all taxes and assessments lawfully levied and/or assessed against the Project Facility, in spite of the Agency's actual ownership or control of the Project Facility, until the Project Facility shall be entitled to exempt status on the tax roll of the Municipality. The Project Facility is currently exempt on the tax roll of the Municipality by reason of a 412-a exemption pursuant to the Original Lease Documents and such exemption shall continue uninterrupted upon the effective date of this Agreement.

(b) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. The Company will be required at all times to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

Section 2.02. Payments in Lieu of Taxes

(a) Agreement to Make Payments. The Company agrees that it shall make periodic payments in lieu of real property taxes in the amounts hereinafter provided. The said payments due to the Agency hereunder shall be paid by the Company, to the Municipality, on behalf of the Agency, by check made payable to "*Commissioner of Finance*". Upon receipt of the Company's payment, the Municipality, on behalf of the Agency, will disburse the appropriate portion of the said payment to the County of Onondaga and the Municipality, or such other taxing jurisdiction, pursuant to the Act. This Company obligation shall exist for so long as the Agency retains an interest in the Project Facility. In accordance with the Original PILOT Agreement the year 1 payment due for the City and School portion of the year 1 payment under **Exhibit "A"** commenced on July 1, 2018. Likewise, the year 1 payment due for the County and Water District portion of the year 1 payment under **Exhibit "A"** commenced on January 1, 2019. The balance of the payments due under this Agreement are set forth on **Exhibit "A"** attached hereto.

(b) Amount of Payments in Lieu of Taxes. Unless otherwise stated, the Company's agreed upon annual payment in lieu of tax hereunder shall be an amount determined by reference to

Exhibit “A”, attached hereto and made a part hereof. The payments in lieu of tax due, as set forth in **Exhibit “A”**, include any real property tax exemptions that might be afforded to 156 Solar if the Project Facility were owned by 156 Solar and not the Agency. As consideration for the benefits conferred on the Company pursuant to this Agreement, the Company hereby agrees to be bound by any determination by the City of Syracuse Board of Assessment Review resulting from a review of the assessment pertaining to the Project Facility and/or Additional Property throughout the term of this Agreement. The Company hereby agrees to waive any and all right to challenge or contest in a court of law (a “**Legal Challenge**”), those payments or the basis for those payments due pursuant to Exhibit “A.” It shall also be an event of default under Article IV of this Agreement should the Company bring a Legal Challenge on the Project Facility and/or Additional Property.

(c) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facilities, or any new or additional building shall be constructed on the real property described in **Exhibit “B”** that is in addition to the Facilities (such structural additions and additional buildings being hereinafter referred to as “**Additional Property**”), the Company agrees to make additional periodic payments in lieu of real property taxes (such additional payments being hereinafter collectively referred to as “**Additional Payments**”) to the Municipality on behalf of the Agency with respect to such Additional Property. Such Additional Payments shall be computed as follows:

By multiplying (1) the value placed on such Additional Property, as value is determined by the Municipality's assessor by (2) the tax rate or rates of the Municipality that would be applicable to such Additional Property if such Additional Property were owned or controlled by the Company and not the Agency; and (3) then reducing the amount so determined by the amounts of any properly acquired tax exemptions that would be afforded to the Company by the Municipality for such Additional Property as if it was owned or controlled by the Company and not the Agency.

(d) Revaluation. In the event of a real property assessment revaluation by the Municipality, the Company shall continue to make its payments in accordance with this Agreement; however, in the event that Exhibit “A” is no longer in effect, but payments are still being made hereunder for any reason, (including, but not limited to, the Agency still having an interest in the Project Facility), and would be effected by revaluation, each year's payments subsequent to such revaluation shall be adjusted to properly reflect revaluation, it being the intent of the parties that the level of payments following revaluation shall be equal to those payments contemplated by this Agreement.

(e) Damage or Destruction. In the event that all or substantially all of the Project Facility is damaged or destroyed, the Company shall continue to make the payments required by this Agreement for as long as the Agency shall own or control the Project Facility, without regard to such damage or destruction.

(f) Time of Payments. The Company agrees to pay the amounts due the Agency hereunder to the Municipality for each year of this Agreement, within the period that the Municipality allows payment of taxes levied in such calendar year without penalty. 156 Solar shall be entitled to receive receipts from the Municipality for such payments.

(g) Method of Payment. All payments by the Company hereunder shall be paid to the Municipality in lawful money of the United States of America, cash, money order or check.

Section 2.03. PILOT Statements

The Municipality and/or the Agency shall submit to 156 Solar written semi-annual statements specifying the amount and due date or dates of any payments due to the Agency hereunder. Each semi-annual PILOT statement shall be submitted to 156 Solar at the same time that tax statements/bills are mailed by the Municipality to the owners of privately owned property. Failure to receive a PILOT statement shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate PILOT Statement, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Municipality and the Agency and to have such a statement issued, and thereafter to make payment of the same no later than the due dates provided herein.

Section 2.04. Obligations of Agency

Requirement that Mortgagees Subordinate to Payments. The Agency and 156 Solar agree that any mortgages on the Project Facility, given by either of them, shall provide that the rights of the mortgagees thereunder shall be subordinate to this Agreement and to the right of the Municipality to receive payments in lieu of taxes pursuant to Article II hereof.

Section 2.05. Company to Furnish Information

The Company agrees to promptly comply with the reporting and information requirements of the Agency and the Act, and to promptly furnish the applicable information required or requested by the Agency and/or the State of New York. The Company further agrees to assist the Agency with the preparation of any reports, or answer any inquiries, required by the State of New York in connection with the Act or the Agency's participation in the Project.

In addition, during the Reporting Period (as defined in the Dupli Building 2 Agency Lease), the Company shall provide the reporting and certifications required relative to the Rental Restrictions as more fully set forth in Section 8.5 of the Dupli Building 2 Agency Lease. The Company acknowledges that failure to maintain and/or report on the Rental Restrictions as set forth herein and therein, shall give rise to the Agency's right to recapture all Recapture Amounts.

Section 2.06. Interest

(a) Agreement to Pay Interest on Missed Payments. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest thereon, to the extent permitted by law, at the greater of: **(i) eighteen per cent (18%) per annum; or (ii) the rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.**

(b) Maximum Legal Rate. It is the intent of the Agency, the Municipality, and the Company that in no event shall interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "*Maximum Legal Rate*"). Solely to the extent necessary to prevent interest under this Agreement from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled, and, if received by the Agency or Municipality, shall be refunded to 600 Franklin.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

Section 3.01. No Recourse; Limited Obligation of the Agency

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Agreement, or otherwise based on or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent, servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement. It is expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the Municipality, and neither the State of New York nor the Municipality shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (i) the Agency shall have been requested to do so in writing by 156 Solar and (ii) if compliance with such request is expected to result in the incurrence by the Agency (or any of its members, directors, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from 156 Solar security or indemnity satisfactory to the

Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

Section 4.01. Events of Default

Any one or more of the following events shall constitute an event of default under this Agreement, and the terms “*Event of Default*” or “*Default*” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement, the Lease Agreements or the Company Documents.

(b) Commencement by the Company of a Legal Challenge, as defined in Section 2.02(b), to those payments or the basis for those payments due pursuant to Exhibit “A.”

(c) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed under this Agreement (other than as referred to in paragraph (a) above), the Lease Agreements, or any other Company Document and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure hereunder, or with respect to the Lease Agreements, continuance of such failure for the duration of any applicable cure period set forth therein after receipt of any required notice thereunder.

(d) Any warranty, representation or other statement by or on behalf of the Company contained in this Agreement or the Lease Agreements shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement or the Lease Agreements.

(e) The Company violates any federal, state or local environmental law or allows or causes any Hazardous Materials (as Hazardous Materials is defined and described in any federal, state or local law) to be released at, on, to, into or from the Project Facility, except as permitted by the Lease Agreements or within the terms and conditions of a permit, certificate, license or other written approval of an authorized governmental body, and fails to remedy such violation within thirty (30) days; or if such failure cannot be cured within thirty (30) days, fails to commence a cure within thirty (30) days and thereafter diligently prosecute the cure thereof.

(f) The occurrence of any Event of Default or Default under this Agreement, the Lease Agreements or any other Company Documents.

(g) Failure of the Company to commence the construction, renovation, and equipping of the Project Facility within thirty days of receiving approval from the State Historic Preservation Office and National Parks Service of its historic designation (collectively, the “*Designation*”) and be completed within twelve months of such Designation and failure of the Company to complete the

Project Facility in accordance herewith and with the terms of the Agency Lease.

(h) Failure to maintain the Rental Restrictions and/or provide the required reporting relative thereto as set forth herein.

Section 4.02. Remedies on Company Default

Whenever any Event of Default under Section 4.01 shall have occurred and be continuing with respect to this Agreement, and/or the Company shall be in default under the Lease Agreements, the Agency may take whatever action at law or in equity, including but not limited to recapture in accordance with the Agency's Recapture Policy dated June 21, 2016 or pursuant to the terms of any Company Document, following applicable notice, as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement and/or the Lease Agreements. Notwithstanding anything herein to the contrary, if the Lease Agreements are terminated for any reason, this Agreement shall automatically terminate without any further notice or action required hereunder and the Project Facility shall immediately become taxable and revert to the tax roll.

The payment schedule contained in Exhibit "A" is for the benefit of 156 Solar and its Project Facility. In the event that the Company defaults hereunder, and the Lease Agreements cannot be terminated, and/or the Agency's participation in the Project and this Agreement is not or cannot be terminated, the Company, or any assignee, or successor shall no longer be entitled to make payments under this Agreement pursuant to Exhibit "A". In such an event, payments shall be made hereunder, for any remaining term of this Agreement, as if the Project Facility was privately owned and assessed and without any further regard to Exhibit "A".

Section 4.03. Recording of Lease Terminations and Other Documents

Whenever any Event of Default under Sections 4.01 shall have occurred and be continuing with respect to this Agreement or the Lease Agreements, the Agency may, upon notice to the Company provided for in this Agreement or the Lease Agreements, if any, terminate the Lease Agreements and record such termination or other necessary documents in the Onondaga County Clerk's Office, terminating the Agency's interest in the Project Facility thereby terminating this Agreement.

The recording of such a termination and any other documentation shall constitute delivery to, and acceptance of such, by the Company. In order to facilitate such a termination, the Company hereby appoints the Chair or the Vice Chair of the Agency as its agent for the purpose of executing and delivering all documents necessary to allow such termination by the Agency.

In the event that the Lease Agreements, for any reason, are extended by their terms, or for any reason this Agreement expires or terminates, but the Agency retains an interest or remains in title to the Project Facility, the Company shall continue to make payments in lieu of taxes to the Municipality, on behalf of the Agency, for as long as the Agency retains an interest in, or remains in title to, the Project Facility in accordance with Exhibit "A". Those payments shall be the equivalent of the real

property taxes that would be due on the Project Facility if it were owned by 156 Solar and the Agency had no interest therein. It is the intention of the parties hereto, that for so long as the Agency shall possess title to, or an interest in, the Property, the Company, or any permitted successors or assigns, shall make payments in lieu of taxes to the Municipality, on behalf of the Agency, that are either based upon Exhibit "A", or if Exhibit "A" is no longer applicable for any reason, are the equivalent of the real property taxes that would be due and owing if the Project Facility were privately owned and the Agency had no interest therein.

Section 4.04. Payment of Attorney's Fees and Expenses

If the Company should default in performing any of its obligations, covenants and agreements under this Agreement and the Agency or the Municipality should employ attorneys (whether in-house or outside counsel) or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency and/or the Municipality the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred.

Furthermore, should 156 Solar bring a Legal Challenge on the Project Facility and/or Additional Property during the term of this Agreement, and the Agency and/or the Municipality waives its right to declare a default under this Agreement in regard to such Legal Challenge, or such Legal Challenge is determined not to be a default of this Agreement by any Court of competent jurisdiction, 156 Solar agrees that in the event that 156 Solar is unsuccessful in its Legal Challenge, it will, on demand, pay to the Agency and/or the Municipality the reasonable fees and disbursements of any attorneys employed (whether in-house or outside counsel) for the defense of such Legal Challenge as well as such other reasonable expenses so incurred.

Section 4.05. Remedies; Waiver and Notice

(a) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(d) No Waiver. In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other

breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

(e) Recapture. Seek to recover all or some of the Recapture Amount in accordance with the Agency's Recapture Policy, the Agency Lease, the Project Agreement and this PILOT Agreement.

ARTICLE V **MISCELLANEOUS**

Section 5.01. Term of Agreement

(a) General. This Agreement shall become effective and the obligations of the Agency and the Company shall arise absolutely and unconditionally upon the execution and delivery of this Agreement. This Agreement shall terminate on the earliest to occur of: (i) the same date that the Dupli Building 2 Agency Lease Agreement terminates; (ii) on any earlier date permitted under the Dupli Building 2 Agency Lease Agreement; or (iii) upon the expiration on **June 30, 2033** of the PILOT Schedule set forth in **Exhibit "A"** hereto. In the event of a termination of the Agency's interest in the Project Facility, the Company's payments due hereunder shall be pro-rated to the extent necessary to allow the Municipality to issue a supplemental PILOT Statement based upon the Agency's transfer of ownership or control of the Project Facility to the Company, and the loss of the Agency's tax exemption on the said Project Facility.

(b) Conflict. In the event of a conflict between this Agreement or any of its terms on the one hand, and the Lease Agreements or any other Project documents on the other hand, the provisions most favorable to the Agency shall govern. The Agency and the Company agree that the Agency's participation in this Agreement is for the benefit of the Company and that the Municipality must receive payments from the Company hereunder, during the entire term of this Agreement and/or the Agency's ownership or control of the Project Facility.

Section 5.02. Company Acts

Where the Company is required to do or accomplish any act or thing hereunder, the Company may cause the same to be done or accomplished with the same force and effect as if done or accomplished by the Company.

Section 5.03. Amendment of Agreement

This Agreement may not be amended, changed, modified or altered unless such amendment, change, modification or alteration is in writing and signed by the Agency and the Company.

Section 5.04. Notices

All notices, certificates or other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient

or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

The Agency and the Company may, by notice given hereunder to each of the others, designate any further or different addresses to which the subsequent notices, certificates or other communications to them shall be sent.

Section 5.05. Binding Effect

This Agreement shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

Section 5.06. Severability

If any article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this Agreement shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this Agreement shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

Section 5.07. Counterparts; Electronic Signatures

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

Section 5.08. Applicable Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding brought hereunder shall be in the State or Federal

Courts located in Onondaga County, New York.

Section 5.09. Assignment

This Agreement may not be assigned by the Company without the prior written consent of the Agency.

THIS PAYMENT IN LIEU OF TAX AGREEMENT, (this “*Agreement*”) dated as of December 1, 2020 by and among the **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a corporate governmental agency constituting a body corporate and politic and a public benefit corporation organized and existing under the laws of the State of New York (hereinafter referred to as the “*Agency*”), having an office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202, **DUPLI ASSOCIATES LLC**, a limited liability company organized under the laws of the State of New York, with offices at 113 Court Street, Binghamton, New York 13901 (“*Dupli*”) and **156 SOLAR STREET LLC**, a limited liability company organized under the laws of the State of New York, with offices at 113 Court Street, Binghamton, New York 13901 (“*156 Solar Street*”) and together with Dupli, collectively, the “*Company*”).

W I T N E S S E T H:

THE MEANING OF CAPITALIZED TERMS NOT OTHERWISE DEFINED HEREIN SHALL HAVE THE MEANINGS ATTACHED TO THEM IN THE AGENCY LEASE, DATED AS OF JULY 1, 2017 BY AND BETWEEN DUPLI AND THE AGENCY, AS AMENDED BY THE FIRST AMENDMENT TO AGENCY LEASE AGREEMENT DATED AS OF DECEMBER 1, 2020 BY AND BETWEEN THE DUPLI AND THE AGENCY.

WHEREAS, the New York State Industrial Development Agency Act, being Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended (hereinafter referred to as the “*Enabling Act*”) authorizes the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and furnish real and personal property, whether or not now in existence or under construction, which shall be suitable for, among others, manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease and to sell its projects, to charge and collect rent therefor, to issue its bonds or notes for the purpose of carrying out any of its corporate purposes and, as security for the payment of the principal and redemption price of, and interest on, any such bonds or notes, to mortgage any or all of its facilities and to pledge the revenues and receipts therefrom to the payment of such bonds or notes; and

WHEREAS, pursuant to and in accordance with the provisions of the Enabling Act, Chapter 641 of the 1979 Laws of the State of New York, as amended (said chapter and the Enabling Act being hereinafter collectively referred to as the “*Act*”) created the Agency for the benefit of the City of Syracuse (hereinafter referred to as the “*Municipality*”) and the inhabitants thereof; and

WHEREAS, at the request of Dupli, by resolution dated May 16, 2017 (the “*Original Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0) (the “*Building 1 Land*”); and 156 Solar Street and Division Street W. improved by an

approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0) (the "**Building 2 Land**"), each in the City of Syracuse, New York (the "**City**") (Building 1 Land together with Building 2 Land, collectively referred to as the "**Original Land**"); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the "**Original Facility**"); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the "**Original Equipment**" and together with the Original Land and the Original Facility, the "**Original Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Original Financial Assistance**"); (C) the appointment of Dupli or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Original Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from Dupli to the Agency; and the sublease of the Original Project Facility back to Dupli pursuant to a sublease agreement; and

WHEREAS, in July 2017, Dupli and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**"); and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

WHEREAS, to accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

WHEREAS, the Agency, by resolutions adopted April 21, 2020 and October 20, 2020, the authorized the Bifurcated Agreements to provide for the Ownership Structure such that the applicable Bifurcated Agreements for the Building 2 Project will govern the Building 2 Project consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**"); and

WHEREAS, the Agency has leased the Land and Facility from Dupli pursuant to that certain company lease agreement dated as of July 1, 2017, as amended by the First Amendment to Company Lease Agreement, dated as of December 1, 2020, by and between Dupli and the Agency and that certain Dupli Building 2 Company Lease Agreement, dated as of December 1, 2020, by and among Dupli, 600 Franklin and the Agency (collectively, the "**Company Lease Agreement**"), obtained an interest in the Equipment pursuant to a bill of sale from Dupli to the Agency (the "**Dupli Bill of Sale**") and a bill of sale from 600 Franklin to the Agency (the "**600 Franklin Bill of Sale**" and together with the Dupli Bill of Sale, collectively, the "**Bill of Sale**"), each dated as of December 1, 2020; and subleased the Project Facility back to the Company pursuant to that certain Agency Lease Agreement dated as of July 1, 2017, as amended by the First Amendment to Agency Lease, dated as of December 1, 2020, by and between the Agency and Dupli and that certain Dupli Building 2 Agency Lease Agreement dated as of December 1, 2020, by and among the Agency, Dupli and 600 Franklin (collectively, the "**Agency Lease Agreement**"), (the Company Lease Agreement, the Bill of Sale and the Agency Lease Agreement are hereinafter collectively referred to as the "**Lease Agreements**"); and

WHEREAS, the Company acknowledges that the award of this Agreement was conditioned upon the Company's commitment to reserving and renting twenty percent (20%) of the residential units in the Project for tenants at the annual 65% area median income rent limit for the City as

ARTICLE I **REPRESENTATIONS AND WARRANTIES**

Section 1.00 Recitals.

The foregoing recitals are incorporated herein by reference as if fully set forth hereinbelow.

Section 1.01. Representations and Warranties by Agency

The Agency does hereby represent and warrant as follows:

(a) Existence and Power. The Agency has been duly established under the provisions of the Act and has the power to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder.

(b) Intentions. The Agency intends to acquire a leasehold interest in the Project Facility from the Company and to sublease the Project Facility back to the Company, all pursuant to the provisions of the Lease Agreements.

(c) Authorization. The Agency is authorized and has the corporate power under the Act, its by-laws and the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all the covenants and obligations on its part to be performed under and pursuant to this Agreement. By proper corporate action on the part of its members, the Agency has duly authorized the execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated.

(d) Validity. The Agency is not prohibited from entering into this Agreement and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by the terms, conditions or provisions of the Act, any other law, any order of any court or other agency or authority of government, or any agreement or instrument to which the Agency is a party or by which the Agency is bound, and this Agreement is a legal, valid and binding obligation of the Agency enforceable in accordance with its terms.

Section 1.02. Representations and Warranties by Company

Dupli and 156 Solar, each as noted or jointly as the Company, acknowledge, represent,

warrants and covenant to the Agency as follows:

(a) Existence. Each Dupli and 156 Solar is a New York limited liability company duly organized, validly existing and in good standing under the laws of the State of New York.

(b) Authorization. Each Dupli and 156 Solar is authorized and has the power under the laws of the State of New York to enter into this Agreement and the transactions contemplated hereby and to perform and carry out all covenants and obligations on its part to be performed under and pursuant to this Agreement. Each Dupli and Franklin has duly authorized the execution, delivery and performance of the Lease Agreements, this Agreement, and the other Company Documents (as that term is defined in the Agency Lease), and the consummation of the transactions therein and herein contemplated. Each Dupli and 156 Solar is not prohibited from entering into this Agreement and discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement by (and the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby and the fulfillment of and compliance with the provisions of this Agreement will not conflict with or violate or constitute a breach of or a default under) the terms, conditions or provisions of its Articles of Organization, Operating Agreement or any other restriction or any law, rule, regulation or order of any court or other agency or authority of government, or any contractual limitation, restriction or outstanding indenture, deed of trust, mortgage, loan agreement, other evidence of indebtedness or any other agreement or instrument to which either Dupli or 156 Solar is a party or by which it or any of its property is bound, and Dupli or 156 Solar's discharging and performing all covenants and obligations on its part to be performed under and pursuant to this Agreement will neither be in conflict with or result in a breach of or constitute (with due notice and/or lapse of time) a default under any of the foregoing, nor result in the creation or imposition of any lien of any nature upon any of the property of Dupli and 156 Solar under the terms of any of the foregoing, and this Agreement is a legal, valid and binding obligation of Dupli and 156 Solar enforceable in accordance with its terms.

(c) Title. 156 Solar has valid and marketable fee title to the Project Facility, free and clear of all liens and encumbrances except for Permitted Encumbrances (as defined in the Lease Agreements).

(d) Membership Interests. For the term of this Agreement, Dupli shall hold 90% of the membership interests of 156 Solar and the tax credit investor shall hold 10% of such membership interests.

(e) Rental Restrictions. For the term of this Agreement, the Company shall comply with the Rental Restrictions as set forth herein.

(f) Governmental Consent. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental or public authority on the part of the Company is required as a condition to the execution, delivery or performance of this Agreement by the Company or as a condition to the validity of this Agreement.

(g) The obligations of the Company to make the payments required by this Agreement and to perform and observe any and all of the other covenants and agreements on its part contained

herein, including but not limited to the Rental Restrictions, are joint and several general obligations of the Company and are absolute and unconditional irrespective of any defense or any rights of set-off, recoupment, or counterclaim it may otherwise have against the Agency.

ARTICLE II

COVENANTS AND AGREEMENTS

Section 2.01. Tax-Exempt Status of the Project Facility

(a) Assessment of the Project Facility. Pursuant to the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of ownership or control of the Project Facility by the Agency, and for so long thereafter as the Agency shall own or control the Project Facility, the Project Facility shall be entitled to an exemption upon the first available assessment roll of the Municipality prepared subsequent to the acquisition by the Agency of ownership or control of the Project Facility. The time of commencement of the Agency's exemption shall be controlled by the Municipality's taxable status date, in conformity with Section 412-a of the Real Property Tax Law. The Company will be required to pay to the Municipality all taxes and assessments lawfully levied and/or assessed against the Project Facility, in spite of the Agency's actual ownership or control of the Project Facility, until the Project Facility shall be entitled to exempt status on the tax roll of the Municipality. The Project Facility is currently exempt on the tax roll of the Municipality by reason of a 412-a exemption pursuant to the Original Lease Documents and such exemption shall continue uninterrupted upon the effective date of this Agreement.

(b) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. The Company will be required at all times to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

Section 2.02. Payments in Lieu of Taxes

(a) Agreement to Make Payments. The Company agrees that it shall make periodic payments in lieu of real property taxes in the amounts hereinafter provided. The said payments due to the Agency hereunder shall be paid by the Company, to the Municipality, on behalf of the Agency, by check made payable to "*Commissioner of Finance*". Upon receipt of the Company's payment, the Municipality, on behalf of the Agency, will disburse the appropriate portion of the said payment to the County of Onondaga and the Municipality, or such other taxing jurisdiction, pursuant to the Act. This Company obligation shall exist for so long as the Agency retains an interest in the Project Facility. In accordance with the Original PILOT Agreement the year 1 payment due for the City and School portion of the year 1 payment under **Exhibit "A"** commenced on July 1, 2018. Likewise, the year 1 payment due for the County and Water District portion of the year 1 payment under **Exhibit "A"** commenced on January 1, 2019. The balance of the payments due under this Agreement are set forth on **Exhibit "A"** attached hereto.

(b) Amount of Payments in Lieu of Taxes. Unless otherwise stated, the Company's agreed upon annual payment in lieu of tax hereunder shall be an amount determined by reference to

Exhibit “A”, attached hereto and made a part hereof. The payments in lieu of tax due, as set forth in **Exhibit “A”**, include any real property tax exemptions that might be afforded to 156 Solar if the Project Facility were owned by 156 Solar and not the Agency. As consideration for the benefits conferred on the Company pursuant to this Agreement, the Company hereby agrees to be bound by any determination by the City of Syracuse Board of Assessment Review resulting from a review of the assessment pertaining to the Project Facility and/or Additional Property throughout the term of this Agreement. The Company hereby agrees to waive any and all right to challenge or contest in a court of law (a “**Legal Challenge**”), those payments or the basis for those payments due pursuant to Exhibit “A.” It shall also be an event of default under Article IV of this Agreement should the Company bring a Legal Challenge on the Project Facility and/or Additional Property.

(c) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facilities, or any new or additional building shall be constructed on the real property described in **Exhibit “B”** that is in addition to the Facilities (such structural additions and additional buildings being hereinafter referred to as “**Additional Property**”), the Company agrees to make additional periodic payments in lieu of real property taxes (such additional payments being hereinafter collectively referred to as “**Additional Payments**”) to the Municipality on behalf of the Agency with respect to such Additional Property. Such Additional Payments shall be computed as follows:

By multiplying (1) the value placed on such Additional Property, as value is determined by the Municipality's assessor by (2) the tax rate or rates of the Municipality that would be applicable to such Additional Property if such Additional Property were owned or controlled by the Company and not the Agency; and (3) then reducing the amount so determined by the amounts of any properly acquired tax exemptions that would be afforded to the Company by the Municipality for such Additional Property as if it was owned or controlled by the Company and not the Agency.

(d) Revaluation. In the event of a real property assessment revaluation by the Municipality, the Company shall continue to make its payments in accordance with this Agreement; however, in the event that Exhibit “A” is no longer in effect, but payments are still being made hereunder for any reason, (including, but not limited to, the Agency still having an interest in the Project Facility), and would be effected by revaluation, each year's payments subsequent to such revaluation shall be adjusted to properly reflect revaluation, it being the intent of the parties that the level of payments following revaluation shall be equal to those payments contemplated by this Agreement.

(e) Damage or Destruction. In the event that all or substantially all of the Project Facility is damaged or destroyed, the Company shall continue to make the payments required by this Agreement for as long as the Agency shall own or control the Project Facility, without regard to such damage or destruction.

(f) Time of Payments. The Company agrees to pay the amounts due the Agency hereunder to the Municipality for each year of this Agreement, within the period that the Municipality allows payment of taxes levied in such calendar year without penalty. 156 Solar shall be entitled to receive receipts from the Municipality for such payments.

(g) Method of Payment. All payments by the Company hereunder shall be paid to the Municipality in lawful money of the United States of America, cash, money order or check.

Section 2.03. PILOT Statements

The Municipality and/or the Agency shall submit to 156 Solar written semi-annual statements specifying the amount and due date or dates of any payments due to the Agency hereunder. Each semi-annual PILOT statement shall be submitted to 156 Solar at the same time that tax statements/bills are mailed by the Municipality to the owners of privately owned property. Failure to receive a PILOT statement shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate PILOT Statement, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Municipality and the Agency and to have such a statement issued, and thereafter to make payment of the same no later than the due dates provided herein.

Section 2.04. Obligations of Agency

Requirement that Mortgagees Subordinate to Payments. The Agency and 156 Solar agree that any mortgages on the Project Facility, given by either of them, shall provide that the rights of the mortgagees thereunder shall be subordinate to this Agreement and to the right of the Municipality to receive payments in lieu of taxes pursuant to Article II hereof.

Section 2.05. Company to Furnish Information

The Company agrees to promptly comply with the reporting and information requirements of the Agency and the Act, and to promptly furnish the applicable information required or requested by the Agency and/or the State of New York. The Company further agrees to assist the Agency with the preparation of any reports, or answer any inquiries, required by the State of New York in connection with the Act or the Agency's participation in the Project.

In addition, during the Reporting Period (as defined in the Dupli Building 2 Agency Lease), the Company shall provide the reporting and certifications required relative to the Rental Restrictions as more fully set forth in Section 8.5 of the Dupli Building 2 Agency Lease. The Company acknowledges that failure to maintain and/or report on the Rental Restrictions as set forth herein and therein, shall give rise to the Agency's right to recapture all Recapture Amounts.

Section 2.06. Interest

(a) Agreement to Pay Interest on Missed Payments. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest thereon, to the extent permitted by law, at the greater of: **(i) eighteen per cent (18%) per annum; or (ii) the rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.**

(b) Maximum Legal Rate. It is the intent of the Agency, the Municipality, and the Company that in no event shall interest be payable at a rate in excess of the maximum rate permitted by applicable law (the "*Maximum Legal Rate*"). Solely to the extent necessary to prevent interest under this Agreement from exceeding the Maximum Legal Rate, any amount that would be treated as excessive under a final judicial interpretation of applicable law shall be deemed to have been a mistake and automatically canceled, and, if received by the Agency or Municipality, shall be refunded to 600 Franklin.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

Section 3.01. No Recourse; Limited Obligation of the Agency

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Agreement, or otherwise based on or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent, servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement. It is expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the Municipality, and neither the State of New York nor the Municipality shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (i) the Agency shall have been requested to do so in writing by 156 Solar and (ii) if compliance with such request is expected to result in the incurrence by the Agency (or any of its members, directors, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from 156 Solar security or indemnity satisfactory to the

Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

Section 4.01. Events of Default

Any one or more of the following events shall constitute an event of default under this Agreement, and the terms “*Event of Default*” or “*Default*” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement, the Lease Agreements or the Company Documents.

(b) Commencement by the Company of a Legal Challenge, as defined in Section 2.02(b), to those payments or the basis for those payments due pursuant to Exhibit “A.”

(c) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed under this Agreement (other than as referred to in paragraph (a) above), the Lease Agreements, or any other Company Document and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure hereunder, or with respect to the Lease Agreements, continuance of such failure for the duration of any applicable cure period set forth therein after receipt of any required notice thereunder.

(d) Any warranty, representation or other statement by or on behalf of the Company contained in this Agreement or the Lease Agreements shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement or the Lease Agreements.

(e) The Company violates any federal, state or local environmental law or allows or causes any Hazardous Materials (as Hazardous Materials is defined and described in any federal, state or local law) to be released at, on, to, into or from the Project Facility, except as permitted by the Lease Agreements or within the terms and conditions of a permit, certificate, license or other written approval of an authorized governmental body, and fails to remedy such violation within thirty (30) days; or if such failure cannot be cured within thirty (30) days, fails to commence a cure within thirty (30) days and thereafter diligently prosecute the cure thereof.

(f) The occurrence of any Event of Default or Default under this Agreement, the Lease Agreements or any other Company Documents.

(g) Failure of the Company to commence the construction, renovation, and equipping of the Project Facility within thirty days of receiving approval from the State Historic Preservation Office and National Parks Service of its historic designation (collectively, the “*Designation*”) and be completed within twelve months of such Designation and failure of the Company to complete the

Project Facility in accordance herewith and with the terms of the Agency Lease.

(h) Failure to maintain the Rental Restrictions and/or provide the required reporting relative thereto as set forth herein.

Section 4.02. Remedies on Company Default

Whenever any Event of Default under Section 4.01 shall have occurred and be continuing with respect to this Agreement, and/or the Company shall be in default under the Lease Agreements, the Agency may take whatever action at law or in equity, including but not limited to recapture in accordance with the Agency's Recapture Policy dated June 21, 2016 or pursuant to the terms of any Company Document, following applicable notice, as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement and/or the Lease Agreements. Notwithstanding anything herein to the contrary, if the Lease Agreements are terminated for any reason, this Agreement shall automatically terminate without any further notice or action required hereunder and the Project Facility shall immediately become taxable and revert to the tax roll.

The payment schedule contained in Exhibit "A" is for the benefit of 156 Solar and its Project Facility. In the event that the Company defaults hereunder, and the Lease Agreements cannot be terminated, and/or the Agency's participation in the Project and this Agreement is not or cannot be terminated, the Company, or any assignee, or successor shall no longer be entitled to make payments under this Agreement pursuant to Exhibit "A". In such an event, payments shall be made hereunder, for any remaining term of this Agreement, as if the Project Facility was privately owned and assessed and without any further regard to Exhibit "A".

Section 4.03. Recording of Lease Terminations and Other Documents

Whenever any Event of Default under Sections 4.01 shall have occurred and be continuing with respect to this Agreement or the Lease Agreements, the Agency may, upon notice to the Company provided for in this Agreement or the Lease Agreements, if any, terminate the Lease Agreements and record such termination or other necessary documents in the Onondaga County Clerk's Office, terminating the Agency's interest in the Project Facility thereby terminating this Agreement.

The recording of such a termination and any other documentation shall constitute delivery to, and acceptance of such, by the Company. In order to facilitate such a termination, the Company hereby appoints the Chair or the Vice Chair of the Agency as its agent for the purpose of executing and delivering all documents necessary to allow such termination by the Agency.

In the event that the Lease Agreements, for any reason, are extended by their terms, or for any reason this Agreement expires or terminates, but the Agency retains an interest or remains in title to the Project Facility, the Company shall continue to make payments in lieu of taxes to the Municipality, on behalf of the Agency, for as long as the Agency retains an interest in, or remains in title to, the Project Facility in accordance with Exhibit "A". Those payments shall be the equivalent of the real

property taxes that would be due on the Project Facility if it were owned by 156 Solar and the Agency had no interest therein. It is the intention of the parties hereto, that for so long as the Agency shall possess title to, or an interest in, the Property, the Company, or any permitted successors or assigns, shall make payments in lieu of taxes to the Municipality, on behalf of the Agency, that are either based upon Exhibit "A", or if Exhibit "A" is no longer applicable for any reason, are the equivalent of the real property taxes that would be due and owing if the Project Facility were privately owned and the Agency had no interest therein.

Section 4.04. Payment of Attorney's Fees and Expenses

If the Company should default in performing any of its obligations, covenants and agreements under this Agreement and the Agency or the Municipality should employ attorneys (whether in-house or outside counsel) or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency and/or the Municipality the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred.

Furthermore, should 156 Solar bring a Legal Challenge on the Project Facility and/or Additional Property during the term of this Agreement, and the Agency and/or the Municipality waives its right to declare a default under this Agreement in regard to such Legal Challenge, or such Legal Challenge is determined not to be a default of this Agreement by any Court of competent jurisdiction, 156 Solar agrees that in the event that 156 Solar is unsuccessful in its Legal Challenge, it will, on demand, pay to the Agency and/or the Municipality the reasonable fees and disbursements of any attorneys employed (whether in-house or outside counsel) for the defense of such Legal Challenge as well as such other reasonable expenses so incurred.

Section 4.05. Remedies; Waiver and Notice

(a) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(d) No Waiver. In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other

breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

(e) Recapture. Seek to recover all or some of the Recapture Amount in accordance with the Agency's Recapture Policy, the Agency Lease, the Project Agreement and this PILOT Agreement.

ARTICLE V **MISCELLANEOUS**

Section 5.01. Term of Agreement

(a) General. This Agreement shall become effective and the obligations of the Agency and the Company shall arise absolutely and unconditionally upon the execution and delivery of this Agreement. This Agreement shall terminate on the earliest to occur of: (i) the same date that the Dupli Building 2 Agency Lease Agreement terminates; (ii) on any earlier date permitted under the Dupli Building 2 Agency Lease Agreement; or (iii) upon the expiration on **June 30, 2033** of the PILOT Schedule set forth in **Exhibit "A"** hereto. In the event of a termination of the Agency's interest in the Project Facility, the Company's payments due hereunder shall be pro-rated to the extent necessary to allow the Municipality to issue a supplemental PILOT Statement based upon the Agency's transfer of ownership or control of the Project Facility to the Company, and the loss of the Agency's tax exemption on the said Project Facility.

(b) Conflict. In the event of a conflict between this Agreement or any of its terms on the one hand, and the Lease Agreements or any other Project documents on the other hand, the provisions most favorable to the Agency shall govern. The Agency and the Company agree that the Agency's participation in this Agreement is for the benefit of the Company and that the Municipality must receive payments from the Company hereunder, during the entire term of this Agreement and/or the Agency's ownership or control of the Project Facility.

Section 5.02. Company Acts

Where the Company is required to do or accomplish any act or thing hereunder, the Company may cause the same to be done or accomplished with the same force and effect as if done or accomplished by the Company.

Section 5.03. Amendment of Agreement

This Agreement may not be amended, changed, modified or altered unless such amendment, change, modification or alteration is in writing and signed by the Agency and the Company.

Section 5.04. Notices

All notices, certificates or other communications hereunder shall be in writing, shall be sufficiently given, and shall be deemed given when (a) sent to the applicable address stated below by registered or certified mail, return receipt requested, and actually received by the intended recipient

or by overnight courier or such other means as shall provide the sender with documentary evidence of such delivery, or (b) delivery is refused by the addressee as evidenced by the affidavit of the person who attempted to effect such delivery. The addresses to which notices, certificates, and other communications hereunder shall be delivered are as follows:

Attn: Timothy M. Lynn, Esq.

The Agency and the Company may, by notice given hereunder to each of the others, designate any further or different addresses to which the subsequent notices, certificates or other communications to them shall be sent.

Section 5.05. Binding Effect

This Agreement shall inure to the benefit of, and shall be binding upon the Agency and the Company, and their respective successors and assigns.

Section 5.06. Severability

If any article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion of this Agreement shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, such article, section, subdivision, paragraph, sentence, clause, phrase, provision or portion so adjudged invalid, illegal or unenforceable shall be deemed separate, distinct and independent and the remainder of this Agreement shall be and remain in full force and effect and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such holding or adjudication.

Section 5.07. Counterparts; Electronic Signatures

This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed signature page counterpart hereof by telecopy, emailed .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic association of signatures and records on electronic platforms, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, any other similar state laws based on the Uniform Electronic Transactions Act, the Uniform Commercial Code, each as amended, and the parties hereto hereby waive any objection to the contrary, provided that (x) nothing herein shall require the Agency to accept electronic signature counterparts in any form or format and (y) the Agency reserves the right to require, at any time and at its sole discretion, the delivery of manually executed counterpart signature pages to this agreement and the parties hereto agree to promptly deliver such manually executed counterpart signature pages.

Section 5.08. Applicable Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. Venue of any action or proceeding brought hereunder shall be in the State or Federal

Courts located in Onondaga County, New York.

Section 5.09. Assignment

This Agreement may not be assigned by the Company without the prior written consent of the Agency.

GRANTING CLAUSE

In order to secure payment of the Debt and to secure the performance of all of the obligations of Borrower under all of the Loan Documents, Mortgagor and Agency hereby mortgages, and grants a security interest to Lender in and to the Property and excepting therefrom all of the Agency’s Unassigned Rights, as that term is defined in the Dupli Building 2 Agency Lease Agreement dated as of December 1, 2020 between the Agency and the Mortgagor (the **“Agency Lease”**).

DESCRIPTION OF PROPERTY

1. Premises:

- (a) Those lands and interest in lands located in the City of Syracuse, County of Onondaga and State of New York commonly known as 156 Solar Street and as more particularly set forth in Schedule A attached hereto.
- (b) All buildings and other improvements and fixtures, tenements, hereditaments, privileges, appurtenances, reversions, remainders, riparian rights, waterways, easements, strips and gores of land, land under water, land lying in the bed of any road, adjoining, attached, appertaining or benefiting the Premises, owned by, or in which Mortgagor has a legal interest (including any ground leases) to the extent of that legal interest, now or in the future.

{M0728595.1}

- (c) All fixtures, articles of or personal property owned by, or in which Mortgagor has a legal interest to the extent of that legal interest, that now or hereafter affixed to or used in the operation of the property set forth in paragraph "1. Premises: (a) and (b)" above including but not limited to all plumbing, heating, refrigerating, air conditioning, electrical systems, incinerating, sprinklers, or other fire prevention or extinguishing systems, machinery, motors, pumps, steam and hot water boilers and heaters, oil burners, ventilators, partitions, mirrors, blinds, awnings, screens, screen doors, storm doors, storm windows, window boxes, window shades, stoves, bathtub, bathroom cabinets, water closets, sinks, dishwashers, disposals, basins, drinking fountains, floor coverings, furnishings, and equipment installed for tenants on a furnished basis, private telephone and communications equipment, TV antennas, CATV equipment and other personal property constituting a part of or used in connection with the operation of the property set forth in paragraph "1. Premises: (a) and (b)" above together with any and all replacements thereof and additions thereto.
2. All proceeds of the conversion, voluntary or involuntary of any of the foregoing into cash or liquidated claims, including without limitation, proceeds of insurance and awards for taking by condemnation or otherwise and any unearned premiums accrued, accruing or to accrue under all insurance policies now or hereafter obtained by Mortgagor.
 3. The leases to the Premises or any part thereof now or hereafter entered into and all rights, title and interest of Mortgagor thereunder; and including without limitation, cash or securities deposited thereunder (whether the same was deposited to secure performance by the parties thereto of their obligations thereunder or to be held until the expiration of the terms of their leases to be held and applied to one or more installments of rent or other charges coming due or otherwise), including, the right upon the happening of an Event of Default, as herein defined below, to receive and collect the rents and other charges thereunder, excluding therefrom that certain Dupli Building 1 Company Lease Agreement dated as of December 1, 2020 between the Mortgagor and the Agency (the "Company Lease") and the Agency Lease (collectively, the "Agency Leases").
 4. The right, title and interest of Mortgagor and/or Agency in, to and under all agreements, if any, including the proceeds from time to time payable thereunder, now or hereafter entered into for the sale and purchase of the Premises.
 5. To the extent assignable, any and all plans, specifications, drawings, renderings and schematics, from time to time prepared for use in connection with the construction of the Premises.
 6. To the extent assignable, all contracts and agreements now or hereafter entered into, relating to or involving the performance of any work, rendering of any services, the supply of any materials or the conduct of operations in and the management of the Premises including, without limitation, construction contracts, architect agreements, management agreements, options and other agreements, affecting the Premises.

7. To the extent assignable, any and all permits, certificates, approvals, and authorizations, for the operation and use of the Premises, including, without limitation, building permits, environmental certificates, certificates of operation, warranties and guarantees.
8. All mineral, oil and gas rights and profits that are part of the Premises.
9. All of the amounts that are paid to Lender under paragraph 4 below.

PARTICULAR AGREEMENTS, WARRANTIES AND REPRESENTATIONS

Mortgagor agrees with, and warrants and represents to Lender as follows:

1. **Payment of the Debt.** Borrower will punctually pay the Debt in accordance with the terms of Loan Documents and shall conform and comply with all agreements contained in Loan Documents.
2. **Payment of Taxes, Assessments, etc.** Mortgagor shall pay when due and payable and before interest or penalties are due thereon, all taxes, assessments, water and sewer rents and all other charges or claims which may be assessed, levied, or filed at any time against Mortgagor, the Premises, or which by any present or future law may have priority over the Debt secured hereby and Mortgagor shall deliver to Lender upon Lender's request, receipts for payment thereof not later than one month after such payment.
3. **Insurance Requirements and Use of Insurance Proceeds.** Mortgagor, will continuously keep the Premises insured against fire, casualty and such other hazard as may be required from time to time by Lender. Mortgagor shall name and/or list Lender at Lender's address of 6761 Thompson Road, Syracuse, New York 13211, in any insurance certificate or document as required by Lender. Provided that: (a) no Event of Default (as herein below defined) or no event which but for the passage of time, the giving of notice or both would constitute an Event of Default has occurred; (b) Mortgagor has provided Lender with a certificate (the "Certificate") from an engineer or other party acceptable to Lender that: (i) the damage in question can be repaired on or before the maturity date of the Note; and (ii) the cost of repair or restoration will not exceed a sum stated in the Certificate (the "Restoration Cost"); (c) the Lender has on deposit between insurance proceeds and funds made available by Mortgagor a sum at least equal to the Restoration Cost; and (d) any leases applicable to the Premises damaged or destroyed will remain in full force and effect during the period of repair or restoration except that rental may abate during said repair period, provided that all rental payments shall recommence at completion of repair or restoration, the proceeds or insurance paid to the Lender may be used for repair or restoration of the Premises. If Mortgagor does not elect to repair or restore, the proceeds of any insurance shall be paid to the Lender for application to any sums secured by this Mortgage.
4. **Maintenance of the Premises.** Mortgagor shall maintain or cause the Premises to be maintained in good and tenantable condition and repair, will not commit or suffer any waste to be committed thereon, and shall at all times keep the Premises secured. None of the Premises shall be removed, demolished or materially altered. Mortgagor shall promptly comply with all laws, regulations and

orders of any governmental entity and shall promptly repair, replace or rebuild the Premises which may be damaged by any casualty. Mortgagor hereby consents that Lender, its agents and employees may, upon reasonable notice to Mortgagor, and at reasonable times enter the Premises owned by Mortgagor, and may enter the Premises leased by Mortgagor to tenants subject to the terms of each applicable tenant lease for the purpose of inspecting the same.

5. **Impositions.** Upon the occurrence of an Event of Default, Lender shall have the right to require Mortgagor to pay to Lender on the first day of each month, until the Debt has been paid in full, a sum (herein "Funds") equal to one-twelfth of (a) the yearly water and sewer rates and taxes and assessments on the Property and (b) the yearly premium installments for fire and other hazard insurance, and such other insurance covering the Property as Lender may require. The Funds shall be held by Lender and shall be applied to pay such rates, rents, taxes, assessments, insurance premiums. Lender shall not be required to pay Mortgagor any interest on the Funds unless required by applicable law or if Lender specifically agrees in writing. The Funds are pledged as additional security for the Debt and shall be subject to set off. If, at any time, the amount of the Funds held by Lender shall be less than the amount deemed necessary by Lender, Mortgagor shall, on demand, pay such deficiency. Lender may apply, in Lender's sole discretion, any Funds held by Lender at the time of application to pay rates, rents, taxes, assessments, insurance premiums that are now or shall hereafter become due; or as a credit against sums secured by this Mortgage. Upon release of this Mortgage and payment in full of the Debt, Lender shall promptly refund to Mortgagor any Funds held by Lender.
6. **Estoppel Certificates.** Mortgagor and/or Borrower within ten (10) days upon notice from Lender will deliver to Lender a written statement duly acknowledged setting forth the Debt due on this Mortgage, and offsets or defenses, if any, which Borrower has against the Debt.
7. **Use of Condemnation Proceeds.** In the event the Premises are taken by condemnation or otherwise, by any public or quasi-public entity the award or compensation payable by such entity to Mortgagor for or on account of Mortgagor's interest in the Premises, equal to the amount of the Debt is hereby assigned free and clear of any liens to Lender. Mortgagor shall file and prosecute Mortgagor's claim for such award or compensation with due diligence and in good faith and cause the same to be paid over to Lender to the extent of the Debt. Mortgagor hereby irrevocably authorizes and empowers Lender in the name of Mortgagor or otherwise to collect and receive such award or compensation to the extent of the Debt. Notwithstanding such taking Borrower shall continue to pay the Debt in the manner provided for in Loan Documents. The Debt shall not be reduced and Interest shall continue to be owed and payable on the Debt until the award or compensation is actually received by Lender. Such award or compensation may be applied to the Debt in such proportions and priority as Lender in Lender's sole discretion may elect, with any remaining condemnation proceeds being promptly forwarded to Mortgagor. If prior to the receipt by Lender of such award or compensation the Premises shall have been sold by foreclosure, Lender shall have the right to receive said award or payment and apply it on the Debt remaining unsatisfied after such sale and the costs and expenses including reasonable attorneys' fees incurred by Lender in such foreclosure and in the collection of such award or payment whether or not a deficiency judgment on this Mortgage shall have been recovered.

8. **Warranty of Title.** Mortgagor warrants that it has good and marketable title to and indefeasible fee estate in the Premises subject only to the leasehold interest of the Agency and will do and execute without expense to Lender such further acts, conveyances, and assurances as Lender shall require for the assuring and mortgaging the Premises to Lender.
9. **Leases and Rents.** To the extent not inconsistent with other assignments to Lender, Mortgagor hereby assigns to Lender the rents under each tenancy of the Premises as security for the payment of the Debt and if Borrower is in default of payment of the Debt beyond any notice and cure period, then Mortgagor grants to Lender the right to collect such rents and to apply the same to the Debt until the Debt is paid in full; Mortgagor agrees to timely perform all of Mortgagor's obligations on all such tenancies as provided under the leases therefore. Mortgagor agrees that it will not assign or conditionally assign any of the rents or profits from the Property. Mortgagor agrees that all tenancies and renewals thereof entered into in the future shall be subject to the approval of Lender provided such approval is not unreasonably withheld or delayed. As provided in Section 291- (f) of the Real Property Law of the State of New York to which reference is made, Mortgagor agrees not to cancel or modify any of such tenancies or to accept prepayments of rent greater than one (1) month. For the avoidance of doubt, the Agency Leases are not being assigned pursuant hereto.
10. **Right to File Financing Statements.** Mortgagor authorizes and agrees Lender can file in the appropriate office at Mortgagor's expense financing statement(s) as required by law to perfect and maintain the security interest of Lender in the Property. This Mortgage shall be deemed to be a Security Agreement pursuant to the Uniform Commercial Code of the State of New York.
11. **Lien Law Covenant.** Mortgagor will receive the advances to be made hereunder subject to the trust provisions of Section 13 of the Lien Law of the State of New York, and will hold the right to receive such advances as a trust fund to be applied first for the purpose of paying the cost of constructing the improvements to the Premises and will apply the same first to such payment before using any part of the same for any other purpose, but nothing herein shall be construed to impose upon Lender any obligation to see to the proper allocation of such advances by Mortgagor.
12. **Transfer or Encumbrance of the Property.** Mortgagor agrees not to sell, transfer, pledge, further encumber, grant a beneficial interest in, or lease (not in the ordinary course of Mortgagor's business) the Premises whether voluntarily, involuntarily or by operation of law, by deed, land installment contract, mortgage, deed-in-trust, contract, lease or otherwise without the prior written consent of Lender. Mortgagor, if not a natural person, agrees that it will not cause or suffer to be caused any change in its effective voting control either voluntarily, involuntarily, by operation of law, transfer, pledge or otherwise without the prior written consent of Lender. The terms "effective voting control" means the possession direct or indirect, of the power to direct or cause the direction of the management and policies of Mortgagor whether through ownership of voting securities, by contract or otherwise. If Mortgagor is a limited liability company, then no member of Mortgagor shall create, effect, contract for, commit or consent to, or shall suffer or permit any sale, conveyance, transfer, assignment, collateral assignment, lien, pledge, deed, security interest, or other hypothecation, encumbrance or alienation of any equity interest in Mortgagor.

13. **Recovery of Sums Required to be Paid.** If an action or proceeding is commenced involving Lenders' rights under the Loan Documents in which Lender is made a party, all sums paid by Lender for the expense of defending its rights under Loan Documents including actual, reasonable and necessary attorneys' fee, shall be paid by Mortgagor to Lender together with Interest upon demand and if not paid upon such demand such amount shall be added to Principal and become a lien against the Premises prior to any right or claim upon the Premises attaching or accruing subsequent to the lien of this Mortgage and shall be deemed to be secured by this Mortgage.
14. **Performance of Other Agreements.** Borrower and Mortgagor shall observe and perform all agreements contained in Loan Documents or any other agreements entered into by Borrower and/or Mortgagor pertaining to the Premises.
15. **Events of Default.** The Debt as provided for in Loan Documents shall become immediately due and payable to Lender upon the occurrence of any of the following beyond any notice and/or cure period, each of which shall be considered an "Event of Default":
- (a) Non-payment after the same shall become due and payable of: (i) any installment of Interest; (ii) any payment of principal or any other sum to be paid Lender according to the terms of Loan Documents; or (iii) non-payment after more than thirty (30) days after the same shall become due of any real estate taxes, water and sewer rents, special assessment charges or claims and any other items.
 - (b) If Borrower, Mortgagor, or any Guarantor fails to keep, observe and perform any agreements contained in Loan Documents or in any other loan document relating to any other loan(s) with Lender for thirty (30) days after written notice, or if any representation, warranty, certificate, report, financial statement in Loan Documents, or in any other instrument delivered to Lender by Borrower, Mortgagor, or any Guarantor in inducing Lender to make this loan shall be false or misleading in any material matter.
 - (c) On the expiration of thirty (30) days from the effective date of any law deducting from the value of the Premises for the purpose of taxation, any lien thereon or changing in any way the taxation of mortgages or debts secured thereby so as to impose a tax on this Mortgage or the Debt unless after notice from Lender, Mortgagor agrees to pay such tax when due and does so.
 - (d) In the event of the entry of a final judgment for the payment of money against Borrower, Mortgagor, or any Guarantor, and Borrower, Mortgagor or Guarantor fails to discharge such judgment or to have it stayed pending an appeal within thirty (30) days from the entry thereof, or if such judgment shall be affirmed on appeal, failure to discharge such judgment within thirty (30) days from the entrance of such affirmation.
 - (e) If by Order of a Court a trustee, receiver or liquidator of the Property shall be appointed and such order shall not be discharged or dismissed within (90) days after such appointment; or if Borrower or Mortgagor is a limited liability company, a member thereof, shall file a petition or make a similar action in bankruptcy or for an arrangement or for a reorganization pursuant

to the Federal Bankruptcy Act or the Federal Bankruptcy Code or any similar law Federal or State; or if Borrower or Mortgagor is a limited liability company, a member thereof, shall be adjudicated bankrupt or declared insolvent or shall make an assignment for the benefit of creditors or shall admit in writing an inability to pay debts as they become due or shall consent to the appointment of receiver(s) of the Premises; or if any of the creditors of Borrower or Mortgagor, or if Borrower or Mortgagor is a limited liability company, a member thereof, shall file a petition in bankruptcy or a similar action against any of them or for reorganization of any of them pursuant to the Federal Bankruptcy Act, the Federal Bankruptcy Code, or an similar law Federal or State and if such petition shall not be discharged or dismissed within ninety (90) days after the date which such petition was filed.

- (f) In the event a mechanics lien(s) are not vacated, satisfied or bonded within thirty (30) days of filing.
- (g) If any proceedings are commenced for the taking by condemnation or otherwise of the Premises which taking results in the appraised value of the Premises being materially less than the value established by the appraisal relied upon by Lender in making the loan secured hereby.
- (h) Borrower or Mortgagor defaults under the provisions of any other superior or subordinate mortgage encumbering the Premises.
- (i) If any representation or warranty of Borrower or Mortgagor or of any person providing any guaranty, indemnity or assurance in connection with this loan whether made herein or in any such indemnity or assurance, or in any certificate, report, financial statement or other instrument furnished in connection with the making of the Note, this Mortgage, or any other Loan Document, shall prove to be false or misleading in any material respect.
- (j) If Mortgagor abandons the Premises or shall sell, convey or transfer (or contract to sell, convey or transfer) all or any part of the Premises without first obtaining the Lender's written consent.
- (k) If Mortgagor shall assign any part of the rents other than to Borrower, or shall in any manner affect any existing lease, so that the security for payment of the Debt shall be impaired.
- (l) If Borrower or Mortgagor shall fail to pay any debt owed by it or is in default under any other obligation or agreement with Lender or any other party and such failure or default continues after any applicable grace period specified in the instrument or agreement relating thereto.
- (m) The death of any Guarantor.

16. **Appointment of Receiver.** Lender upon the occurrence of an Event of Default can without notice have a Receiver of the Property appointed without regard to the value of the Property or the solvency or insolvency of Mortgagor.

{M0728595.1}

17. **Right to Cure Defaults.** If an Event of Default occurs and continues beyond any applicable notice and cure period, Lender may, at its option, remedy such Default and enter the Premises without becoming liable to Mortgagor or any person in possession of Premises for the purpose of remedying such Default. Lender may expend sums as required to remedy such Default and such sums and all other costs and expenses incurred by Lender in remedying such Default together with Interest shall be paid by Mortgagor to Lender upon demand and if not paid such amount shall be added to Principal and become a lien against the Premises prior to any right or claim upon Premises attaching or accruing subsequent to the lien of this Mortgage, and shall be deemed to be secured by this Mortgage.
18. **Default Rent Payments.** If an Event of Default occurs and continues beyond any applicable notice and cure period, and Mortgagor is occupying the Premises, Mortgagor agrees to pay Lender each month upon demand as a monthly rental in advance a sum equal to 1/12th of the Interest due for the prior month. If Mortgagor does not pay such sums, then such sum together with Interest shall be added to Principal and become a lien against Premises prior to any right or claim upon the Premises attaching or accruing subsequent to the lien of this Mortgage, and shall be deemed to be secured by this Mortgage. Further, upon such default Lender shall have the right to institute summary proceedings to obtain possession of Premises in the manner provided by law for the recovery of demised real property upon a default in the payment of rent.
19. **Sale in Parcels.** If this Mortgage is foreclosed, the Premises may at the discretion of Lender, be sold in one or more parcels or in several interests or portions and in any order or manner.
20. **Foreclosure Expenses.** If an Event of Default under Loan Documents occurs and continues beyond any applicable notice and cure period, and an action is commenced to foreclose this Mortgage, Lender shall be entitled to recover all the Debt and such reasonable costs and additional allowances provided for under the laws of the State of New York and in addition thereto, actual, reasonable and necessary attorneys' fees.
21. **Non-Waiver.** The failure of Lender to insist upon strict performance of any term of this Mortgage shall not be deemed to be a waiver thereof. Borrower shall not be relieved of any of Borrower's obligations set forth in Loan Documents by reason of: (i) failure of Lender to take any action to foreclose this Mortgage or enforce any other provisions of Loan Documents, whether or not requested by Borrower, (ii) the release of the Property from the lien of this Mortgage, or (iii) any agreement made by Lender modifying any term of Loan Documents or (iv) the release of any entity liable for the payment of the Debt or any part thereof. Further, any subordinate lienor or interest owner is put on notice that Lender has the right to release any entity obligated on the Debt or any part thereof, or release the Property from the lien of this Mortgage, or modify any term of Loan Documents or Borrower's rights thereunder, or resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its sole discretion, may elect, without changing or affecting in any way Lender's lien position and priority against the Property. Lender may take action to recover the Debt, or any portion thereof, or to enforce any agreement of Loan Documents without prejudice to the right of Lender thereafter to seek any other remedy it has pursuant to Loan Documents. Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every additional right and remedy now or hereafter afforded by law.

22. **Notices.** All notices permitted or required under Loan Documents shall be in writing and be served in person or by mail, provided that if by mail, the same be sent certified mail, return receipt requested, or by overnight delivery service such as FedEx addressed to Mortgagor, Agency or Lender at the address set forth above. Lender, Agency and Mortgagor may designate a different address in the future by notifying the other of such different address in writing in accordance with this paragraph.
23. **Lender's Right to Possession.** Lender may upon the occurrence of any Event of Default and beyond the expiration of any applicable notice and cure period, enter Premises, take possession thereof remove Mortgagor from the Property and operate the Property, paying the costs and expenses of such operation and collecting all rents, debts and accounts receivable due Mortgagor from such operation. Further, unless Lender has agreed otherwise, Lender may evict according to law any occupant of the Premises whose occupancy is subject to the lien of this Mortgage. All such rents, debts or accounts so collected shall be credited to the Debt and such costs and expenses and the costs and expenses of obtaining possession including actual, reasonable and necessary attorneys' fees shall be added to Principal and become a lien against Premises prior to any right or claim upon the Premises attaching or accruing subsequent to the lien of this Mortgage, and shall be deemed to be secured by this Mortgage.
24. **Indemnification of Lender.** Mortgagor shall indemnify and hold harmless Lender against any claims, actions, proceedings, losses, costs, penalties, interest and reasonable legal fees which Lender may incur by reason of any matter relating directly or indirectly to Loan Documents or the ownership, condition, transfer, leasing or mortgaging of the Property, or to the Premises having been or being in violation of any Environmental Law, except for claims, actions, proceedings, losses, costs, penalties, interest and legal fees which Lender incurs as a result of its own negligence or willful misconduct.
25. **Mortgagor's Authority.** Mortgagor, if not a natural person, represents and warrants that, it is duly organized and validly existing, it has full power and lawful authority to execute Loan Documents, such execution is in accordance and compliance with all requirements of law and its agreements, and is in furtherance of its purposes.
26. **Purpose of Loan.** That the loan will be used primarily for business purposes. To the best of Mortgagor's knowledge, the Premises is not located in an area identified by the Secretary of Housing and Urban Development as having special flood hazards. Further, to the best of Mortgagor's knowledge, the Premises is not in an area in which a Native American Indian Nation is making a claim in Court based on the title of such area being owned by such Nation.
27. **Mortgagor's Representations, Warranties and Covenants.** Mortgagor represents, warrants and covenants as follows:
- (a) Mortgagor has not used Hazardous Materials at or affecting the Premises in any manner which violates Federal, State or local laws, ordinances, rules or regulations governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.

- (b) To the best of Mortgagor's actual knowledge, no prior owner, occupant or operator of the Premises have used Hazardous Materials at or affecting the Premises in any manner which violates Federal, State or local laws, ordinances, rules or regulations governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.
- (c) Mortgagor shall keep or cause the Premises to be kept free of Hazardous Materials and not cause or permit the Premises to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, produce or process Hazardous Materials, except in compliance with all applicable Federal, State and local laws or regulations.
- (d) Mortgagor shall ensure compliance by all operators and occupants of the Premises with all applicable Federal, State and local laws, ordinances, rules and regulations and will ensure that all such operators and occupants obtain and comply with any and all required approvals, registrations or permits.
- (e) Mortgagor shall defend, indemnify, and hold harmless Lender, its employees, agents, officers and directors from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature known or unknown, contingent or otherwise, arising out of or in any way related to Hazardous Materials at or affecting the Premises or the soil, water, vegetation, buildings, personal property, person, animals or otherwise and any personal injury (including wrongful death) or property damage arising out of or related to such Hazardous Materials.
- (f) Foreclosure shall not operate as a discharge of Mortgagor's engagements as to Hazardous Materials; and in the event Mortgagor tender a deed in lieu of foreclosure, Mortgagor shall deliver the Premises to Lender (or its designee) free of any and all Hazardous Materials.
- (g) In the event Mortgagor does not timely perform any of the above obligations, Lender may perform said obligations at the expense of Mortgagor and such expense shall be added to the amount secured by the lien of this Mortgage.
- (h) To furnish from time to time such further information regarding the business and financial condition of the Mortgagor or the fair market value or physical condition of the mortgaged the Premises as Lender may reasonably request. In the event Mortgagor fails to furnish such information or appraisal, Lender may hire outside professionals to conduct such audits and appraisals at Mortgagor's expense and said expense shall be secured by this Mortgage and shall be reimbursed to Lender upon demand.
- (i) These representations, warranties and covenants are made for the benefit of the Lender named in this Mortgage and for the benefit of any subsequent holder or assignee of the Note and this Mortgage, with the intentions that such subsequent holder or assignee shall rely upon this certification in purchasing the Note and this Mortgage.
- (j) This Mortgage grants Lender a first priority mortgage lien encumbering the Premises.

28. **Prepayment Penalty.** The prepayment prohibitions or penalties constituting a portion of the Note, if any, are incorporated herein by reference and made a part hereof.
29. **Inapplicable Provision.** In the event any of the agreements contained in Loan Documents shall for any reason be held to be invalid, illegal or unenforceable, such event shall not affect the validity, legality or enforceability of any other agreement of Loan Documents, and Loan Documents shall be construed as if such agreement had never been set forth.
30. **Construction.** This Mortgage shall be governed and construed in accordance with the laws of the State of New York for purposes of determining procedural rights and remedies and shall otherwise be governed and construed in accordance with the laws of the State of New York.
31. **Modifications and Amendments.** This Mortgage cannot be modified except by an agreement in writing executed by the party against whom enforcement of the modification is sought.
32. **Waiver of Counterclaim.** Mortgagor hereby waives the right to assert a counterclaim, other than a mandatory or compulsory counterclaim, in any action or proceeding brought against it by Lender, and waives trial by jury in any action or proceeding brought by either party hereto against the other or in any counterclaim asserted by Lender against Mortgagor, or in any matters whatsoever arising out of or in any way connected with this Mortgage, the Note, any of the other Loan Documents or the Debt.
33. **Assignment.** Mortgagor shall not assign its obligations pursuant to this Mortgage without Lender's prior written consent.
34. **Limits on Agency Liability.**

The obligations and agreements of the Agency contained herein and in the other Loan Documents and in any other instrument or document executed in connection herewith or therewith, and any instrument or documents supplemental hereto or thereto, shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the Mortgagor) or employee of the Agency in his individual capacity, and the members, officers, agents and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. The obligations and agreements of the Agency contained herein or therein shall not constitute or give rise to an obligation of the State or of the City of Syracuse, and neither the State nor the City of Syracuse shall be liable hereon or thereon, and, further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived and to be derived from the Agency Lease or Company Lease, sale or other disposition of the Premises. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless (A) the party seeking such order or decree shall first have requested the Agency, in writing, to take the action sought in such order or decree of specific performance, and thirty (30) days shall have elapsed from the date of receipt of

such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than thirty (30) days, shall have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period, and (B) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses, and (C) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its agents' (other than the Mortgagor) or employees' reasonable good faith belief or judgment that it or they shall be subject to potential liability, the party seeking such order or decree shall (1) agree to indemnify and hold harmless the Agency and its members, officers and agents (other than the Mortgagor) and employees against any liability incurred as a result of its compliance with such demand, and (2) if requested by the Agency, furnish to the agency satisfactory security to protect the Agency and its members, officers, agents (other than the Mortgagor) and employees against all liability expected to be incurred as a result of compliance with such request. Any failure to provide notice, indemnify or security to the Agency pursuant to this Paragraph shall not alter the full force and effect of any Event of Default under this Agreement.

Agency Executing at the Direction of Mortgagor. The Mortgagor directs the Agency to execute and deliver this Mortgage to the Mortgagee, and further agrees to indemnify the Agency (its members, officers, directors, agents, servants and employees) for all fees and costs incurred in connection with the execution, delivery, recording, performing and enforcing of this Mortgage, including but not limited to reasonable attorney's fees.

Mortgagor's Obligations to Comply with the Agency Lease, the Company Lease and the Payment in Lieu of Taxes Agreement. Mortgagor shall: (i) pay the all other sums of money due and payable at any time and from time to time under the Agency Lease, the Company Lease and the Payment in Lieu of Taxes Agreement, dated as of December 1, 2020 between the Agency and the Mortgagor (the "PILOT Agreement"), as and when such sums become due and payable, but in any event before the expiration of any grace period provided in the Agency Lease, the Company Lease and the PILOT Agreement for the payment of any such sum; and (ii) at all times fully perform, observe and comply with all other terms, covenants and conditions of the Agency Lease, the Company Lease and the PILOT Agreement to be performed, observed or complied with by Mortgagor as lessor under the Company Lease and lessee under the Agency Lease and as a party under the PILOT Agreement. If the Agency Lease, the Company Lease and/or the PILOT Agreement do not provide for a grace period for the payment of a sum of money, Mortgagor shall make the payment on or before the date on which the payment becomes due and payable. Mortgagor shall deliver evidence of the payment to Mortgagee within ten (10) days after receipt of a written request from Mortgagee for evidence of the payment.

Subordination Provisions. Notwithstanding anything herein to the contrary, Mortgagee by accepting this Mortgage, acknowledges and agrees that the rights of Mortgagee hereunder shall be subordinate to the rights of the Agency to receive payments in lieu of taxes pursuant to the PILOT Agreement and that such payments in lieu of taxes to be made by Mortgagor to the Agency shall have

the same force, priority and effect as a real property tax lien under New York State law against the Premises.

Miscellaneous Provision. The Mortgagor and the Mortgagee hereto, by accepting this Mortgage, acknowledge that the Agency is executing this Mortgage solely to subject its interest in the Premises, if any, to this Mortgage. Notwithstanding anything herein to the contrary, the Mortgagee acknowledges and agrees that their sole recourse against the Agency for any default hereunder shall be with respect to the Agency's interest in the Premises

Hold Harmless Provisions.

(a) The Mortgagor hereby releases the Agency and its members, officers, agents and employees from, agrees that the Agency and its members, officers, agents and employees shall not be liable for, and agrees to indemnify, defend, and hold the Agency and its members, officers, agents and employees harmless from and against any and all claims arising as a result of the Agency's undertaking the Project, including but not limited to:

(1) Liability for loss or damage to property or bodily injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project Facility, or arising by reason of or in connection with the occupation or the use thereof, or the presence on, in, or about the Project Facility (as defined in the Agency Lease);

(2) All causes of action and attorney's fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that such losses, damages, liabilities, or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents or employees.

The foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents, or employees by any employee of the Mortgagor, or any contractor of the Mortgagor, or anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Mortgagor hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Mortgagor or such contractor under worker's compensation laws, disability benefit laws, or other employee benefit laws.

CORRECTIVE MORTGAGE

THIS MORTGAGE IS GIVEN TO CORRECT AN ORIGINAL MORTGAGE from 156 Solar Street LLC and the City of Syracuse Industrial Development Agency and Matt Industries Inc., J. Kemper Matt, J. Kemper Matt, Jr., Julie Morgan Matt, Alec Matt, Stephen Elliott and Central New York Community Foundation, Inc., dated December 16, 2020 (“Original Mortgage”) which Original Mortgage was recorded on December 22, 2020 in the Onondaga County Clerk’s Office as Instrument Number 2020-00050189

The correction consists of substitution of Exhibit A, Legal Description. The legal description for an incorrect parcel of property was inadvertently attached to the Original Mortgage. This Corrective Mortgage attached the correct legal description of 156 Solar Street which correct legal description attached hereto as Exhibit A.

Contemporaneously herewith, the Mortgagors under the Original Mortgage are executing a release to release the lien of the Original Mortgage from the incorrect parcel of property inadvertently made subject to the Original Mortgage.

2. All proceeds of the conversion, voluntary or involuntary of any of the foregoing into cash or liquidated claims, including without limitation, proceeds of insurance and awards for taking by condemnation or otherwise and any unearned premiums accrued, accruing or to accrue under all insurance policies now or hereafter obtained by Mortgagor.
3. The leases to the Premises or any part thereof now or hereafter entered into and all rights, title and interest of Mortgagor thereunder; and including without limitation, cash or securities deposited thereunder (whether the same was deposited to secure performance by the parties thereto of their obligations thereunder or to be held until the expiration of the terms of their leases to be held and applied to one or more installments of rent or other charges coming due or otherwise), including, the right upon the happening of an Event of Default, as herein defined below, to receive and collect the rents and other charges thereunder, excluding therefrom that certain Dupli Building 1 Company Lease Agreement dated as of December 1, 2020 between the Mortgagor and the Agency (the "Company Lease") and the Agency Lease (collectively, the "Agency Leases").

4. The right, title and interest of Mortgagor and/or Agency in, to and under all agreements, if any, including the proceeds from time to time payable thereunder, now or hereafter entered into for the sale and purchase of the Premises.
5. To the extent assignable, any and all plans, specifications, drawings, renderings and schematics, from time to time prepared for use in connection with the construction of the Premises.
6. To the extent assignable, all contracts and agreements now or hereafter entered into, relating to or involving the performance of any work, rendering of any services, the supply of any materials or the conduct of operations in and the management of the Premises including, without limitation, construction contracts, architect agreements, management agreements, options and other agreements, affecting the Premises.
7. To the extent assignable, any and all permits, certificates, approvals, and authorizations, for the operation and use of the Premises, including, without limitation, building permits, environmental certificates, certificates of operation, warranties and guarantees.
8. All mineral, oil and gas rights and profits that are part of the Premises.
9. All of the amounts that are paid to Lender under paragraph 4 below.

PARTICULAR AGREEMENTS, WARRANTIES AND REPRESENTATIONS

Mortgagor agrees with, and warrants and represents to Lender as follows:

1. **Payment of the Debt.** Borrower will punctually pay the Debt in accordance with the terms of Loan Documents and shall conform and comply with all agreements contained in Loan Documents.
2. **Payment of Taxes, Assessments, etc.** Mortgagor shall pay when due and payable and before interest or penalties are due thereon, all taxes, assessments, water and sewer rents and all other charges or claims which may be assessed, levied, or filed at any time against Mortgagor, the Premises, or which by any present or future law may have priority over the Debt secured hereby and Mortgagor shall deliver to Lender upon Lender's request, receipts for payment thereof not later than one month after such payment.
3. **Insurance Requirements and Use of Insurance Proceeds.** Mortgagor, will continuously keep the Premises insured against fire, casualty and such other hazard as may be required from time to time by Lender. Mortgagor shall name and/or list Lender at Lender's address of 6761 Thompson Road, Syracuse, New York 13211, in any insurance certificate or document as required by Lender. Provided that: (a) no Event of Default (as herein below defined) or no event which but for the passage of time, the giving of notice or both would constitute an Event of Default has occurred; (b) Mortgagor has provided Lender with a certificate (the "Certificate") from an engineer or other party acceptable to Lender that: (i) the damage in question can be repaired on or before the maturity date of the Note; and (ii) the cost of repair or restoration will not exceed a sum stated in the Certificate (the "Restoration Cost"); (c) the Lender has on deposit between insurance proceeds and funds made available by

Mortgagor a sum at least equal to the Restoration Cost; and (d) any leases applicable to the Premises damaged or destroyed will remain in full force and effect during the period of repair or restoration except that rental may abate during said repair period, provided that all rental payments shall recommence at completion of repair or restoration, the proceeds or insurance paid to the Lender may be used for repair or restoration of the Premises. If Mortgagor does not elect to repair or restore, the proceeds of any insurance shall be paid to the Lender for application to any sums secured by this Mortgage.

4. **Maintenance of the Premises.** Mortgagor shall maintain or cause the Premises to be maintained in good and tenantable condition and repair, will not commit or suffer any waste to be committed thereon, and shall at all times keep the Premises secured. None of the Premises shall be removed, demolished or materially altered. Mortgagor shall promptly comply with all laws, regulations and orders of any governmental entity and shall promptly repair, replace or rebuild the Premises which may be damaged by any casualty. Mortgagor hereby consents that Lender, its agents and employees may, upon reasonable notice to Mortgagor, and at reasonable times enter the Premises owned by Mortgagor, and may enter the Premises leased by Mortgagor to tenants subject to the terms of each applicable tenant lease for the purpose of inspecting the same.
5. **Impositions.** Upon the occurrence of an Event of Default, Lender shall have the right to require Mortgagor to pay to Lender on the first day of each month, until the Debt has been paid in full, a sum (herein "Funds") equal to one-twelfth of (a) the yearly water and sewer rates and taxes and assessments on the Property and (b) the yearly premium installments for fire and other hazard insurance, and such other insurance covering the Property as Lender may require. The Funds shall be held by Lender and shall be applied to pay such rates, rents, taxes, assessments, insurance premiums. Lender shall not be required to pay Mortgagor any interest on the Funds unless required by applicable law or if Lender specifically agrees in writing. The Funds are pledged as additional security for the Debt and shall be subject to set off. If, at any time, the amount of the Funds held by Lender shall be less than the amount deemed necessary by Lender, Mortgagor shall, on demand, pay such deficiency. Lender may apply, in Lender's sole discretion, any Funds held by Lender at the time of application to pay rates, rents, taxes, assessments, insurance premiums that are now or shall hereafter become due; or as a credit against sums secured by this Mortgage. Upon release of this Mortgage and payment in full of the Debt, Lender shall promptly refund to Mortgagor any Funds held by Lender.
6. **Estoppel Certificates.** Mortgagor and/or Borrower within ten (10) days upon notice from Lender will deliver to Lender a written statement duly acknowledged setting forth the Debt due on this Mortgage, and offsets or defenses, if any, which Borrower has against the Debt.
7. **Use of Condemnation Proceeds.** In the event the Premises are taken by condemnation or otherwise, by any public or quasi-public entity the award or compensation payable by such entity to Mortgagor for or on account of Mortgagor's interest in the Premises, equal to the amount of the Debt is hereby assigned free and clear of any liens to Lender. Mortgagor shall file and prosecute Mortgagor's claim for such award or compensation with due diligence and in good faith and cause the same to be paid over to Lender to the extent of the Debt. Mortgagor hereby irrevocably authorizes and empowers Lender in the name of Mortgagor or otherwise to collect and receive such award or compensation to the extent of the Debt. Notwithstanding such taking Borrower shall continue to pay

the Debt in the manner provided for in Loan Documents. The Debt shall not be reduced and Interest shall continue to be owed and payable on the Debt until the award or compensation is actually received by Lender. Such award or compensation may be applied to the Debt in such proportions and priority as Lender in Lender's sole discretion may elect, with any remaining condemnation proceeds being promptly forwarded to Mortgagor. If prior to the receipt by Lender of such award or compensation the Premises shall have been sold by foreclosure, Lender shall have the right to receive said award or payment and apply it on the Debt remaining unsatisfied after such sale and the costs and expenses including reasonable attorneys' fees incurred by Lender in such foreclosure and in the collection of such award or payment whether or not a deficiency judgment on this Mortgage shall have been recovered.

8. **Warranty of Title.** Mortgagor warrants that it has good and marketable title to and indefeasible fee estate in the Premises subject only to the leasehold interest of the Agency and will do and execute without expense to Lender such further acts, conveyances, and assurances as Lender shall require for the assuring and mortgaging the Premises to Lender.
9. **Leases and Rents.** To the extent not inconsistent with other assignments to Lender, Mortgagor hereby assigns to Lender the rents under each tenancy of the Premises as security for the payment of the Debt and if Borrower is in default of payment of the Debt beyond any notice and cure period, then Mortgagor grants to Lender the right to collect such rents and to apply the same to the Debt until the Debt is paid in full; Mortgagor agrees to timely perform all of Mortgagor's obligations on all such tenancies as provided under the leases therefore. Mortgagor agrees that it will not assign or conditionally assign any of the rents or profits from the Property. Mortgagor agrees that all tenancies and renewals thereof entered into in the future shall be subject to the approval of Lender provided such approval is not unreasonably withheld or delayed. As provided in Section 291- (f) of the Real Property Law of the State of New York to which reference is made, Mortgagor agrees not to cancel or modify any of such tenancies or to accept prepayments of rent greater than one (1) month. For the avoidance of doubt, the Agency Leases are not being assigned pursuant hereto.
10. **Right to File Financing Statements.** Mortgagor authorizes and agrees Lender can file in the appropriate office at Mortgagor's expense financing statement(s) as required by law to perfect and maintain the security interest of Lender in the Property. This Mortgage shall be deemed to be a Security Agreement pursuant to the Uniform Commercial Code of the State of New York.
11. **Lien Law Covenant.** Mortgagor will receive the advances to be made hereunder subject to the trust provisions of Section 13 of the Lien Law of the State of New York, and will hold the right to receive such advances as a trust fund to be applied first for the purpose of paying the cost of constructing the improvements to the Premises and will apply the same first to such payment before using any part of the same for any other purpose, but nothing herein shall be construed to impose upon Lender any obligation to see to the proper allocation of such advances by Mortgagor.
12. **Transfer or Encumbrance of the Property.** Mortgagor agrees not to sell, transfer, pledge, further encumber, grant a beneficial interest in, or lease (not in the ordinary course of Mortgagor's business) the Premises whether voluntarily, involuntarily or by operation of law, by deed, land installment contract, mortgage, deed-in-trust, contract, lease or otherwise without the prior written consent of Lender. Mortgagor, if not a natural person, agrees that it will not cause or suffer to be

caused any change in its effective voting control either voluntarily, involuntarily, by operation of law, transfer, pledge or otherwise without the prior written consent of Lender. The terms "effective voting control" means the possession direct or indirect, of the power to direct or cause the direction of the management and policies of Mortgagor whether through ownership of voting securities, by contract or otherwise. If Mortgagor is a limited liability company, then no member of Mortgagor shall create, effect, contract for, commit or consent to, or shall suffer or permit any sale, conveyance, transfer, assignment, collateral assignment, lien, pledge, deed, security interest, or other hypothecation, encumbrance or alienation of any equity interest in Mortgagor.

13. **Recovery of Sums Required to be Paid.** If an action or proceeding is commenced involving Lenders' rights under the Loan Documents in which Lender is made a party, all sums paid by Lender for the expense of defending its rights under Loan Documents including actual, reasonable and necessary attorneys' fee, shall be paid by Mortgagor to Lender together with Interest upon demand and if not paid upon such demand such amount shall be added to Principal and become a lien against the Premises prior to any right or claim upon the Premises attaching or accruing subsequent to the lien of this Mortgage and shall be deemed to be secured by this Mortgage.
14. **Performance of Other Agreements.** Borrower and Mortgagor shall observe and perform all agreements contained in Loan Documents or any other agreements entered into by Borrower and/or Mortgagor pertaining to the Premises.
15. **Events of Default.** The Debt as provided for in Loan Documents shall become immediately due and payable to Lender upon the occurrence of any of the following beyond any notice and/or cure period, each of which shall be considered an "Event of Default":
 - (a) Non-payment after the same shall become due and payable of: (i) any installment of Interest; (ii) any payment of principal or any other sum to be paid Lender according to the terms of Loan Documents; or (iii) non-payment after more than thirty (30) days after the same shall become due of any real estate taxes, water and sewer rents, special assessment charges or claims and any other items.
 - (b) If Borrower, Mortgagor, or any Guarantor fails to keep, observe and perform any agreements contained in Loan Documents or in any other loan document relating to any other loan(s) with Lender for thirty (30) days after written notice, or if any representation, warranty, certificate, report, financial statement in Loan Documents, or in any other instrument delivered to Lender by Borrower, Mortgagor, or any Guarantor in inducing Lender to make this loan shall be false or misleading in any material matter.
 - (c) On the expiration of thirty (30) days from the effective date of any law deducting from the value of the Premises for the purpose of taxation, any lien thereon or changing in any way the taxation of mortgages or debts secured thereby so as to impose a tax on this Mortgage or the Debt unless after notice from Lender, Mortgagor agrees to pay such tax when due and does so.
 - (d) In the event of the entry of a final judgment for the payment of money against Borrower, Mortgagor, or any Guarantor, and Borrower, Mortgagor or Guarantor fails to discharge such

judgment or to have it stayed pending an appeal within thirty (30) days from the entry thereof, or if such judgment shall be affirmed on appeal, failure to discharge such judgment within thirty (30) days from the entrance of such affirmation.

- (e) If by Order of a Court a trustee, receiver or liquidator of the Property shall be appointed and such order shall not be discharged or dismissed within (90) days after such appointment; or if Borrower or Mortgagor is a limited liability company, a member thereof, shall file a petition or make a similar action in bankruptcy or for an arrangement or for a reorganization pursuant to the Federal Bankruptcy Act or the Federal Bankruptcy Code or any similar law Federal or State; or if Borrower or Mortgagor is a limited liability company, a member thereof, shall be adjudicated bankrupt or declared insolvent or shall make an assignment for the benefit of creditors or shall admit in writing an inability to pay debts as they become due or shall consent to the appointment of receiver(s) of the Premises; or if any of the creditors of Borrower or Mortgagor, or if Borrower or Mortgagor is a limited liability company, a member thereof, shall file a petition in bankruptcy or a similar action against any of them or for reorganization of any of them pursuant to the Federal Bankruptcy Act, the Federal Bankruptcy Code, or an similar law Federal or State and if such petition shall not be discharged or dismissed within ninety (90) days after the date which such petition was filed.
- (f) In the event a mechanics lien(s) are not vacated, satisfied or bonded within thirty (30) days of filing.
- (g) If any proceedings are commenced for the taking by condemnation or otherwise of the Premises which taking results in the appraised value of the Premises being materially less than the value established by the appraisal relied upon by Lender in making the loan secured hereby.
- (h) Borrower or Mortgagor defaults under the provisions of any other superior or subordinate mortgage encumbering the Premises.
- (i) If any representation or warranty of Borrower or Mortgagor or of any person providing any guaranty, indemnity or assurance in connection with this loan whether made herein or in any such indemnity or assurance, or in any certificate, report, financial statement or other instrument furnished in connection with the making of the Note, this Mortgage, or any other Loan Document, shall prove to be false or misleading in any material respect.
- (j) If Mortgagor abandons the Premises or shall sell, convey or transfer (or contract to sell, convey or transfer) all or any part of the Premises without first obtaining the Lender's written consent.
- (k) If Mortgagor shall assign any part of the rents other than to Borrower, or shall in any manner affect any existing lease, so that the security for payment of the Debt shall be impaired.
- (l) If Borrower or Mortgagor shall fail to pay any debt owed by it or is in default under any other obligation or agreement with Lender or any other party and such failure or default

continues after any applicable grace period specified in the instrument or agreement relating thereto.

(m) The death of any Guarantor.

16. **Appointment of Receiver.** Lender upon the occurrence of an Event of Default can without notice have a Receiver of the Property appointed without regard to the value of the Property or the solvency or insolvency of Mortgagor.
17. **Right to Cure Defaults.** If an Event of Default occurs and continues beyond any applicable notice and cure period, Lender may, at its option, remedy such Default and enter the Premises without becoming liable to Mortgagor or any person in possession of Premises for the purpose of remedying such Default. Lender may expend sums as required to remedy such Default and such sums and all other costs and expenses incurred by Lender in remedying such Default together with Interest shall be paid by Mortgagor to Lender upon demand and if not paid such amount shall be added to Principal and become a lien against the Premises prior to any right or claim upon Premises attaching or accruing subsequent to the lien of this Mortgage, and shall be deemed to be secured by this Mortgage.
18. **Default Rent Payments.** If an Event of Default occurs and continues beyond any applicable notice and cure period, and Mortgagor is occupying the Premises, Mortgagor agrees to pay Lender each month upon demand as a monthly rental in advance a sum equal to 1/12th of the Interest due for the prior month. If Mortgagor does not pay such sums, then such sum together with Interest shall be added to Principal and become a lien against Premises prior to any right or claim upon the Premises attaching or accruing subsequent to the lien of this Mortgage, and shall be deemed to be secured by this Mortgage. Further, upon such default Lender shall have the right to institute summary proceedings to obtain possession of Premises in the manner provided by law for the recovery of demised real property upon a default in the payment of rent.
19. **Sale in Parcels.** If this Mortgage is foreclosed, the Premises may at the discretion of Lender, be sold in one or more parcels or in several interests or portions and in any order or manner.
20. **Foreclosure Expenses.** If an Event of Default under Loan Documents occurs and continues beyond any applicable notice and cure period, and an action is commenced to foreclose this Mortgage, Lender shall be entitled to recover all the Debt and such reasonable costs and additional allowances provided for under the laws of the State of New York and in addition thereto, actual, reasonable and necessary attorneys' fees.
21. **Non-Waiver.** The failure of Lender to insist upon strict performance of any term of this Mortgage shall not be deemed to be a waiver thereof. Borrower shall not be relieved of any of Borrower's obligations set forth in Loan Documents by reason of: (i) failure of Lender to take any action to foreclose this Mortgage or enforce any other provisions of Loan Documents, whether or not requested by Borrower, (ii) the release of the Property from the lien of this Mortgage, or (iii) any agreement made by Lender modifying any term of Loan Documents or (iv) the release of any entity liable for the payment of the Debt or any part thereof. Further, any subordinate lienor or interest owner is put on notice that Lender has the right to release any entity obligated on the Debt or any part thereof, or release the Property from the lien of this Mortgage, or modify any term of Loan Documents or

Borrower's rights thereunder, or resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its sole discretion, may elect, without changing or affecting in any way Lender's lien position and priority against the Property. Lender may take action to recover the Debt, or any portion thereof, or to enforce any agreement of Loan Documents without prejudice to the right of Lender thereafter to seek any other remedy it has pursuant to Loan Documents. Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every additional right and remedy now or hereafter afforded by law.

22. **Notices.** All notices permitted or required under Loan Documents shall be in writing and be served in person or by mail, provided that if by mail, the same be sent certified mail, return receipt requested, or by overnight delivery service such as FedEx addressed to Mortgagor, Agency or Lender at the address set forth above. Lender, Agency and Mortgagor may designate a different address in the future by notifying the other of such different address in writing in accordance with this paragraph.
23. **Lender's Right to Possession.** Lender may upon the occurrence of any Event of Default and beyond the expiration of any applicable notice and cure period, enter Premises, take possession thereof remove Mortgagor from the Property and operate the Property, paying the costs and expenses of such operation and collecting all rents, debts and accounts receivable due Mortgagor from such operation. Further, unless Lender has agreed otherwise, Lender may evict according to law any occupant of the Premises whose occupancy is subject to the lien of this Mortgage. All such rents, debts or accounts so collected shall be credited to the Debt and such costs and expenses and the costs and expenses of obtaining possession including actual, reasonable and necessary attorneys' fees shall be added to Principal and become a lien against Premises prior to any right or claim upon the Premises attaching or accruing subsequent to the lien of this Mortgage, and shall be deemed to be secured by this Mortgage.
24. **Indemnification of Lender.** Mortgagor shall indemnify and hold harmless Lender against any claims, actions, proceedings, losses, costs, penalties, interest and reasonable legal fees which Lender may incur by reason of any matter relating directly or indirectly to Loan Documents or the ownership, condition, transfer, leasing or mortgaging of the Property, or to the Premises having been or being in violation of any Environmental Law, except for claims, actions, proceedings, losses, costs, penalties, interest and legal fees which Lender incurs as a result of its own negligence or willful misconduct.
25. **Mortgagor's Authority.** Mortgagor, if not a natural person, represents and warrants that, it is duly organized and validly existing, it has full power and lawful authority to execute Loan Documents, such execution is in accordance and compliance with all requirements of law and its agreements, and is in furtherance of its purposes.
26. **Purpose of Loan.** That the loan will be used primarily for business purposes. To the best of Mortgagor's knowledge, the Premises is not located in an area identified by the Secretary of Housing and Urban Development as having special flood hazards. Further, to the best of Mortgagor's knowledge, the Premises is not in an area in which a Native American Indian Nation is making a claim in Court based on the title of such area being owned by such Nation.
27. **Mortgagor's Representations, Warranties and Covenants.** Mortgagor represents, warrants and covenants as follows:

- (a) Mortgagor has not used Hazardous Materials at or affecting the Premises in any manner which violates Federal, State or local laws, ordinances, rules or regulations governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.
- (b) To the best of Mortgagor's actual knowledge, no prior owner, occupant or operator of the Premises have used Hazardous Materials at or affecting the Premises in any manner which violates Federal, State or local laws, ordinances, rules or regulations governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.
- (c) Mortgagor shall keep or cause the Premises to be kept free of Hazardous Materials and not cause or permit the Premises to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, produce or process Hazardous Materials, except in compliance with all applicable Federal, State and local laws or regulations.
- (d) Mortgagor shall ensure compliance by all operators and occupants of the Premises with all applicable Federal, State and local laws, ordinances, rules and regulations and will ensure that all such operators and occupants obtain and comply with any and all required approvals, registrations or permits.
- (e) Mortgagor shall defend, indemnify, and hold harmless Lender, its employees, agents, officers and directors from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature known or unknown, contingent or otherwise, arising out of or in any way related to Hazardous Materials at or affecting the Premises or the soil, water, vegetation, buildings, personal property, person, animals or otherwise and any personal injury (including wrongful death) or property damage arising out of or related to such Hazardous Materials.
- (f) Foreclosure shall not operate as a discharge of Mortgagor's engagements as to Hazardous Materials; and in the event Mortgagor tender a deed in lieu of foreclosure, Mortgagor shall deliver the Premises to Lender (or its designee) free of any and all Hazardous Materials.
- (g) In the event Mortgagor does not timely perform any of the above obligations, Lender may perform said obligations at the expense of Mortgagor and such expense shall be added to the amount secured by the lien of this Mortgage.
- (h) To furnish from time to time such further information regarding the business and financial condition of the Mortgagor or the fair market value or physical condition of the mortgaged the Premises as Lender may reasonably request. In the event Mortgagor fails to furnish such information or appraisal, Lender may hire outside professionals to conduct such audits and appraisals at Mortgagor's expense and said expense shall be secured by this Mortgage and shall be reimbursed to Lender upon demand.

- (i) These representations, warranties and covenants are made for the benefit of the Lender named in this Mortgage and for the benefit of any subsequent holder or assignee of the Note and this Mortgage, with the intentions that such subsequent holder or assignee shall rely upon this certification in purchasing the Note and this Mortgage.
 - (j) This Mortgage grants Lender a first priority mortgage lien encumbering the Premises.
28. **Prepayment Penalty.** The prepayment prohibitions or penalties constituting a portion of the Note, if any, are incorporated herein by reference and made a part hereof.
29. **Inapplicable Provision.** In the event any of the agreements contained in Loan Documents shall for any reason be held to be invalid, illegal or unenforceable, such event shall not affect the validity, legality or enforceability of any other agreement of Loan Documents, and Loan Documents shall be construed as if such agreement had never been set forth.
30. **Construction.** This Mortgage shall be governed and construed in accordance with the laws of the State of New York for purposes of determining procedural rights and remedies and shall otherwise be governed and construed in accordance with the laws of the State of New York.
31. **Modifications and Amendments.** This Mortgage cannot be modified except by an agreement in writing executed by the party against whom enforcement of the modification is sought.
32. **Waiver of Counterclaim.** Mortgagor hereby waives the right to assert a counterclaim, other than a mandatory or compulsory counterclaim, in any action or proceeding brought against it by Lender, and waives trial by jury in any action or proceeding brought by either party hereto against the other or in any counterclaim asserted by Lender against Mortgagor, or in any matters whatsoever arising out of or in any way connected with this Mortgage, the Note, any of the other Loan Documents or the Debt.
33. **Assignment.** Mortgagor shall not assign its obligations pursuant to this Mortgage without Lender's prior written consent.
34. **Limits on Agency Liability.**

The obligations and agreements of the Agency contained herein and in the other Loan Documents and in any other instrument or document executed in connection herewith or therewith, and any instrument or documents supplemental hereto or thereto, shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the Mortgagor) or employee of the Agency in his individual capacity, and the members, officers, agents and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby. The obligations and agreements of the Agency contained herein or therein shall not constitute or give rise to an obligation of the State or of the City of Syracuse, and neither the State nor the City of Syracuse shall be liable hereon or thereon, and, further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency, payable solely from the revenues of the Agency derived and to be derived

from the Agency Lease or Company Lease, sale or other disposition of the Premises. No order or decree of specific performance with respect to any of the obligations of the Agency hereunder or thereunder shall be sought or enforced against the Agency unless (A) the party seeking such order or decree shall first have requested the Agency, in writing, to take the action sought in such order or decree of specific performance, and thirty (30) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than thirty (30) days, shall have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period, and (B) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses, and (C) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its agents' (other than the Mortgagor) or employees' reasonable good faith belief or judgment that it or they shall be subject to potential liability, the party seeking such order or decree shall (1) agree to indemnify and hold harmless the Agency and its members, officers and agents (other than the Mortgagor) and employees against any liability incurred as a result of its compliance with such demand, and (2) if requested by the Agency, furnish to the agency satisfactory security to protect the Agency and its members, officers, agents (other than the Mortgagor) and employees against all liability expected to be incurred as a result of compliance with such request. Any failure to provide notice, indemnify or security to the Agency pursuant to this Paragraph shall not alter the full force and effect of any Event of Default under this Agreement.

Agency Executing at the Direction of Mortgagor. The Mortgagor directs the Agency to execute and deliver this Mortgage to the Mortgagee, and further agrees to indemnify the Agency (its members, officers, directors, agents, servants and employees) for all fees and costs incurred in connection with the execution, delivery, recording, performing and enforcing of this Mortgage, including but not limited to reasonable attorney's fees.

Mortgagor's Obligations to Comply with the Agency Lease, the Company Lease and the Payment in Lieu of Taxes Agreement. Mortgagor shall: (i) pay the all other sums of money due and payable at any time and from time to time under the Agency Lease, the Company Lease and the Payment in Lieu of Taxes Agreement, dated as of December 1, 2020 between the Agency and the Mortgagor (the "PILOT Agreement"), as and when such sums become due and payable, but in any event before the expiration of any grace period provided in the Agency Lease, the Company Lease and the PILOT Agreement for the payment of any such sum; and (ii) at all times fully perform, observe and comply with all other terms, covenants and conditions of the Agency Lease, the Company Lease and the PILOT Agreement to be performed, observed or complied with by Mortgagor as lessor under the Company Lease and lessee under the Agency Lease and as a party under the PILOT Agreement. If the Agency Lease, the Company Lease and/or the PILOT Agreement do not provide for a grace period for the payment of a sum of money, Mortgagor shall make the payment on or before the date on which the payment becomes due and payable. Mortgagor shall deliver evidence of the payment to Mortgagee within ten (10) days after receipt of a written request from Mortgagee for evidence of the payment.

Subordination Provisions. Notwithstanding anything herein to the contrary, Mortgagee by accepting this Mortgage, acknowledges and agrees that the rights of Mortgagee hereunder shall be subordinate to the rights of the Agency to receive payments in lieu of taxes pursuant to the PILOT Agreement and that such payments in lieu of taxes to be made by Mortgagor to the Agency shall have the same force, priority and effect as a real property tax lien under New York State law against the Premises.

Miscellaneous Provision. The Mortgagor and the Mortgagee hereto, by accepting this Mortgage, acknowledge that the Agency is executing this Mortgage solely to subject its interest in the Premises, if any, to this Mortgage. Notwithstanding anything herein to the contrary, the Mortgagee acknowledges and agrees that their sole recourse against the Agency for any default hereunder shall be with respect to the Agency's interest in the Premises

Hold Harmless Provisions.

(a) The Mortgagor hereby releases the Agency and its members, officers, agents and employees from, agrees that the Agency and its members, officers, agents and employees shall not be liable for, and agrees to indemnify, defend, and hold the Agency and its members, officers, agents and employees harmless from and against any and all claims arising as a result of the Agency's undertaking the Project, including but not limited to:

(1) Liability for loss or damage to property or bodily injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project Facility, or arising by reason of or in connection with the occupation or the use thereof, or the presence on, in, or about the Project Facility (as defined in the Agency Lease);

(2) All causes of action and attorney's fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing, provided that such losses, damages, liabilities, or expenses of the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents or employees.

The foregoing indemnities shall apply notwithstanding the fault or negligence (other than gross negligence or willful misconduct) on the part of the Agency or any of its officers, members, agents, servants or employees and irrespective of any breach of statutory obligation or any rule of comparative or apportioned liability.

(b) In the event of any claim against the Agency or its members, officers, agents, or employees by any employee of the Mortgagor, or any contractor of the Mortgagor, or anyone directly or indirectly employed by any of them, or any one for whose acts any of them may be liable, the obligations of the Mortgagor hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Mortgagor or such contractor under worker's compensation laws, disability benefit laws, or other employee benefit laws.

AFFIDAVIT UNDER SECTION 255 OF THE NEW YORK TAX LAW

STATE OF NEW YORK)
COUNTY OF ONONDAGA) ss.:

ANTHONY J. D’ELIA, being duly sworn, deposes and says that:

1. I am the attorney for **156 SOLAR STREET LLC** (“Borrower”). I make this affidavit to set for the facts and circumstances giving rise to the need to record a Corrective Mortgage (defined below) and as to those facts and circumstances, I have personal knowledge.

2. Borrower and City of Syracuse Industrial Development Agency executed a mortgage to and Matt Industries Inc., J. Kemper Matt, J. Kemper Matt, Jr., Julie Morgan Matt, Alec Matt, Stephen Elliott and Central New York Community Foundation, Inc., (“Lender”) dated December 16, 2020 (“**Original Mortgage**”) which Original Mortgage was recorded on December 22, 2020 in the Onondaga County Clerk’s Office as Instrument Number 2020-00050189.

3. It was discovered after recording the Original Mortgage that the Original Mortgage recited that it was a first priority lien on real property known as 156 Solar Street, Syracuse, the Original Mortgage inadvertently contained the incorrect legal description – the incorrect legal description described 600 North Franklin Street in error, rather than correctly describing 156 Solar Street.

4. The Borrower and City of Syracuse Industrial Development Agency executed a Corrective Mortgage to and Lender (“**Corrective Mortgage**”) which is presenting for recording contemporaneously herewith.

5. Also presented for recording herewith is a release (“**Release**”) from Lender which releases the lien of the Original Mortgage from 600 North Franklin Street.

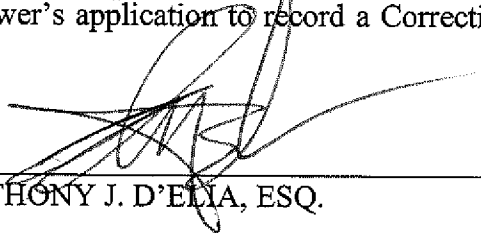

6. The aggregate outstanding principal balancing secured by the Original Mortgage as \$1,650,000.00. This amount is the same amount secured by the Corrective Mortgage, and to this date no re-loans or readvances have become secured thereunder. The Corrective Mortgage merely corrects an error in the legal description appended to the Original Mortgage. No new or additional money is being advanced on account of the Corrective Mortgage.

7. At the time of the recording of the Original Mortgage, all mortgage tax due thereof was paid in full, such amount being equal to \$4,125.00 – or .25%, which was the result of a mortgage tax exemption affidavit presented by the Syracuse Industrial Development Agency. Consequently, no mortgage tax is due.

8. This affidavit is being made to show that the Corrective Mortgage is exempt from taxation under Section 255 of the New York Tax Law.

SIGNATURE AND NOTARY ON THE FOLLOWING PAGE

WHEREFORE, the undersigned executes this affidavit pursuant to Section 255 of the Tax Law of the State of New York in support of Borrower's application to record a Corrective Mortgage exempt from mortgage tax.

RELEASE OF MORTGAGE

Know All Men By These Presents

That **MATT INDUSTRIES INC., J. KEMPER MATT, J. KEMPER MATT, JR., JULIE MORGAN MATT, ALEC MATT, STEPHEN ELLIOTT, AND CENTRAL NEW YORK COMMUNITY FOUNDATION, INC.**, having an address in care of Matt Industries Inc., 6761 Thompson Road, Syracuse, New York 13211 (hereinafter “Mortgagee”), is the holder of a certain Mortgage and Security Agreement bearing the date of December 16, 2020 (hereinafter, the “Original Mortgage”), made and executed by **156 SOLAR STREET LLC**, a New York limited liability company having an address of 113 Court Street, Binghamton, New York 13091 (hereinafter the “Mortgagor”), and **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation duly existing under the laws of the State of New York with offices at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (hereinafter the “Agency”), and recorded on December 22, 2020, in the Onondaga County Clerk’s office as Instrument Number 2020-00050189, which mortgage formed a lien against the real property described in **Exhibit A** attached hereto.

The Mortgagor and the Mortgagee intended that the Original Mortgage was to form a lien against the real property described in **Exhibit B** attached hereto, and not against the real property described in **Exhibit A** attached hereto.

In order for the Original Mortgage to correctly form a lien against the real property described in **Exhibit B**, the parties executed a certain Corrective Mortgage and Security Agreement (the “Corrective Mortgage”), dated even herewith and recorded in the Onondaga County Clerk’s Office immediately prior to this Release of Mortgage.

The Mortgagee is executing this Release of Mortgage in order to release the lien of the Original Mortgage from the real property described in **Exhibit A**.

That the Mortgagee, in consideration of \$1.00, lawful money of the United States paid by the Mortgagor, does grant, release, and quitclaim unto the Mortgagor, all that part of said mortgaged lands described as follows ALL THAT TRACT OR PARCEL OF LAND all as more particularly described in **Exhibit A** attached hereto.

TOGETHER WITH the hereditaments and appurtenances thereto belonging, and all the right, title and interest of the Mortgagee of, in and to the same, to the intent that the lands hereby released may be discharged from the Original Mortgage.

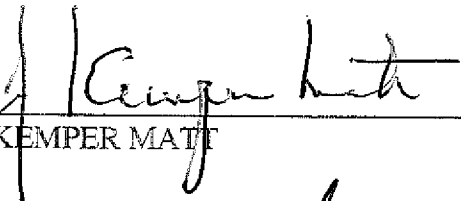

TO HAVE AND TO HOLD the lands and premises hereby released and quitclaimed to the Mortgagor, and its successors and assigns, to their own proper use and benefit, forever, free, clear and discharged of and from all lien and claim under and by virtue of the Mortgage.

IT BEING EXPRESSLY UNDERSTOOD, that nothing herein shall be deemed to release the lien of the Original Mortgage, as corrected by the Corrective Mortgage, from the real property more particularly described in Exhibit B attached hereto.

IN WITNESS WHEREOF, the Mortgagee has executed these presents and caused same to be signed as of this 21st day of June, 2021.

I, the undersigned Executive Director of the Agency, Do Hereby Certify:

1. I am an officer of the Agency and am duly authorized to execute and deliver this certificate in the name of the Agency.

2. The Agency is an industrial development agency duly established under Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended (the "**Enabling Act**") and Chapter 641 of the Laws of 1979 of the State (said Chapter with the Enabling Act, the "**Act**") (a certified copy of Chapter 641 of the Laws of 1979 of the State is attached hereto as **Exhibit "A"**), and it is a corporate governmental agency constituting a public benefit corporation of the State.

3. The Act empowers the Agency, among other things, to acquire, construct reconstruct, lease, improve, maintain, equip, sell and dispose of land and any building or other improvement, and all real and personal property, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, recreation or industrial facilities, including industrial pollution control facilities, in order to advance job opportunities, health, general prosperity and the economic welfare of the people of the City of Syracuse and the State and to improve their standard of living. The Act further authorizes the Agency to lease any and all of its facilities on such terms and conditions as it deems advisable, to acquire, construct, lease, improve, and equip one or more projects as defined in the Act, to mortgage any or all of its facilities and to pledge the revenues and receipts from the sale or transfer of its facilities.

4. The Agency has full legal power and authority to own its property, conduct its business and execute, deliver, and perform its obligations under the Agency Documents and has taken all actions and obtained all approvals required in connection therewith by the Act and any other applicable laws and regulations, and no legislation has been enacted affecting the powers or authority of the Agency to execute and deliver the Agency Documents, affecting the financing of the Project, or affecting the validity thereof or of the Agency Documents, or contesting the existence and powers of the Agency or the appointment of the members and officers of the Agency to their respective offices.

5. Pursuant to the Act, the governing body of the City of Syracuse, New York, for whose benefit the Agency was established, duly filed or caused to be filed within six (6) months after the effective date of Chapter 641 of the Laws of 1979 of the State in the office of the Secretary of State of the State the Certificate of Establishment of the Agency pursuant to Section 926 of the New York General Municipal Law. The Certificate of Establishment of the Agency described in the preceding sentence also named the members and officers of the Agency as appointed by the Mayor of the City of Syracuse. Attached hereto as **Exhibit "B"** are certified copies of said Certificates of Establishment and copies of the Certificates of Appointment relating to all of the current members of the Agency, who are:

Kathleen Murphy, Chair
Steven Thompson, Vice Chair
Rickey T. Brown, Secretary
Kenneth Kinsey, Treasurer
Dirk Sonneborn, Member

6. Attached hereto as **Exhibit “C”** is a true, correct and complete copy of the by-laws of the Agency, together with all amendments thereto or modifications thereof; and said by-laws as so amended and modified are in full force and effect in accordance with their terms as of the date of this certificate.

7. That a resolution determining that the acquisition, construction, renovation, equipping and completion of the Building 2 Project constitutes a Project and describing the financial assistance in connection therewith and authorizing a public hearing (the “**Public Hearing Resolution**”) was adopted by the Agency on February 18, 2020 and remains in full force and effect and has not been rescinded, repealed or modified. A copy of the Public Hearing Resolution is attached hereto at **Exhibit “D.”**

8. Attached hereto as **Exhibit “E”** is proof of publication of a notice of the public hearing with respect to the Project (the “**Public Hearing Notice**”), required pursuant to Section 859-a of the Act and held on March 17, 2020, and proof of mailing of notice thereof pursuant to Section 859-a of the Act to the chief executive officers of the affected tax jurisdictions (as defined in Section 854(16) of the Act) on March 4, 2020.

9. That a resolution classifying a certain project as a as a Type 1 Action pursuant to SEQRA and declaring the intent of the Agency to be lead agency for purposes of an coordinated review thereunder and determining that the Project will not have a significant effect on the environment (the “**SEQRA Lead Agency Resolution**”) was adopted by the Agency on March 17, 2020 and remains in full force and effect and has not been rescinded, repealed or modified. A copy of the SEQRA Lead Resolution is attached hereto at **Exhibit “F.”**

10. That a resolution determining that the undertaking of a certain project at the request of the Company will not have a significant effect on the environment (the “**SEQRA Resolution**”) was adopted by the Agency on April 21, 2020 and remains in full force and effect and has not been rescinded, repealed or modified. A copy of the SEQRA Resolution is attached hereto at **Exhibit “G.”**

11. On April 21, 2020, the Agency adopted a resolution, amending a certain Inducement Resolution previously adopted by the Agency on May 16, 2017, approving the undertaking of the acquisition, reconstruction, renovation, equipping and completion of the Project, appointing the Company as agent of the Agency for the purpose of the acquisition, reconstruction, renovation, equipping and completion of the Project, and authorizing the execution and delivery of an agreement between the Agency and the Company (the “**Amended Inducement Resolution**”) which remains in full force and effect and has not been rescinded, repealed or modified. A copy of the Amended Inducement Resolution is attached hereto at **Exhibit “H.”**

12. On April 21, 2020, the Agency adopted a resolution, amending a certain PILOT Resolution previously adopted by the Agency on May 16, 2017, approving a payment in lieu of tax schedule and authorizing the execution and delivery of certain documents by the Agency in connection with the Project (the “*Amended PILOT Resolution*”), which remains in full force and effect and has not been rescinded, repealed or modified. A copy of the Amended PILOT Resolution is attached hereto to **Exhibit “I”**.

13. On April 21, 2020, the Agency adopted a resolution, amending a certain PILOT Resolution previously adopted by the Agency on May 16, 2017, authorizing the execution and delivery of certain documents by the Agency in connection with the Project (the “*Amended Final Approving Resolution*”), which remains in full force and effect and has not been rescinded, repealed or modified. A copy of the Amended Final Approving Resolution is attached hereto at **Exhibit “J”**.

14. That a resolution authorizing the addition of a project owner or operator, amendments to certain transactional documents and the execution and delivery thereof was adopted by the Agency on October 20, 2020 (the “*Approving Resolution*”) and remains in full force and effect and has not been rescinded, repealed or modified. A copy of the Approving Resolution is attached hereto at **Exhibit “K”**.

15. The execution, delivery and performance of all Agency Documents, certificates and documents required to be executed, delivered and performed by the Agency in order to carry out, give effect to and consummate the transactions contemplated by the Agency Documents have been duly authorized by all necessary action of the Agency, and the Agency Documents have been duly authorized, executed and delivered. The Agency Documents are in full force and effect on and as of the date hereof, and no authority or proceeding for the execution, delivery or performance of the Agency Documents has been materially amended, repealed, revoked or rescinded; and no event or circumstance has occurred or exists which constitutes, or with the giving of notice or the passage of time would constitute, a default on the part of the Agency under the Agency Documents.

16. The execution, delivery, and performance of the Agency Documents, the consummation of the transactions therein contemplated and compliance with the provisions of each do not and will not: (a) violate the Act or the by-laws of the Agency; (b) require consent (which has not heretofore been received) under or result in a breach or default of any credit agreement, purchase agreement, indenture, deed of trust, commitment, guaranty, lease, or other agreement or instrument to which the Agency is a party or by which the Agency may be bound or affected; or (c) conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction, or decree of any government, governmental instrumentality, or court, domestic or foreign, having jurisdiction over the Agency or any of its Property.

17. The Agency has not received written notice that any event of default has occurred and is continuing, or that any event has occurred which with the lapse of time or the giving of notice or both would constitute an event of default by any party to the Agency Documents.

18. There is no action, suit, proceeding or investigation at law or in equity, before or by any court, public board or body of the United States of America or the State of New York, pending or, to the best of my knowledge, threatened against or affecting the Agency (or to my knowledge any basis therefor): (a) wherein an unfavorable decision or finding would adversely affect: (i) the SEQRA Resolution, the Amended Inducement Resolution, the Amended PILOT Resolution, the Amended Final Approving Resolution, the Approving Resolution, the First Amendment to Project Agreement, the Dupli Building 2 Project Agreement, the First Amendment to Company Lease, the Dupli Building 2 Company Lease, the First Amendment to Agency Lease, the Dupli Building 2 Agency Lease, the First Amendment to PILOT Agreement, the Dupli Building 2 PILOT Agreement or the other Agency Documents; or (ii) the existence or organization of the Agency; or (iii) restrain or enjoin the financing, acquisition or construction of the Project or the performance by the Agency of the Agency Documents; or (b) in any manner questioning the proceedings or authority of the financing of the Project, or affecting the validity thereof or of the Agency Documents, or contesting the existence and powers of the Agency or the appointment of the directors and officers of the Agency to their respective offices.

19. December 17, 2020 has been duly designated as the date for the Closing.

20. The Agency has complied with all agreements and satisfied all conditions on its part to be performed or satisfied at or prior to the Closing Date.

21. In accordance with the Act, the Agency has determined:

(a) to assist the Company's acquisition, construction, renovation, equipping and completion of the Project Facility;

(b) to grant the Financial Assistance to the Company;

(c) to designate 156 Solar as the Agency's agent for the acquisition, construction, renovation, equipping and completion of the Project Facility and to authorize 156 Solar to appoint additional agents;

(d) that the Project will promote employment opportunities and prevent economic deterioration in the City by the preservation and/or the creation of both full and part-time jobs; and

(e) to pledge its interest in the Company Lease and the Dupli Building 2 Agency Lease (except the Agency's Unassigned Rights) to the Mortgagee and grant the Mortgagee a security interest in the Agency's leasehold interest in the Project Facility.

22. That I did officially cause all certificates necessary for the granting of the Financial Assistance and included in the official transcript of closing, to be executed, as required, in the name of the Agency by the signing of each of such certificates with the signature of the Executive Director of the Agency.

23. That I did officially cause the following Agency Documents to be executed in the name of the Agency by the signing of each of the following Agency Documents with the signature of the Judith DeLaney, Executive Director of the Agency:

(a) a First Amendment to Project Agreement between the Agency and the Company, dated as of December 1, 2020, by and between the Agency and Dupli, amending that certain project agreement dated as of July 1, 2017 by and between the Agency and Dupli;

(b) the Dupli Building 2 Project Agreement, dated as of December 1, 2020, by and among the Agency, Dupli and 156 Solar;

(c) the First Amendment to Company Lease, dated as of December 1, 2020, by and between the Agency and Dupli, amending that certain company lease agreement dated as of July 1, 2017, by and between the Agency and Dupli;

(d) the Dupli Building 2 Company Lease, dated as of December 1, 2020, by and among the Agency, Dupli and 156 Solar pursuant to which the Company agrees to lease, or continue to lease, the Land and the Facility to the Agency;

(e) the First Amendment to Agency Lease, dated as of December 1, 2020, by and between the Agency and Dupli, amending that certain agency lease agreement dated as of July 1, 2017, by and among the Agency and Dupli;

(f) the Dupli Building 2 Agency Lease, dated as of December 1, 2020, by and among the Agency, Dupli and 156 Solar pursuant to which the Agency agrees to sublease, or continue to sublease, the Project Facility to the Company;

(g) the Mortgage(s) pursuant to which the Mortgagee has been granted a security interest in the Project Facility;

(h) the First Amendment to PILOT Agreement, dated as of December 1, 2020, by and among the Agency and Dupli, amending that certain payment in lieu of taxes agreement dated as of July 1, 2017, by and among the Agency and Dupli; and

(i) the Dupli Building 2 PILOT Agreement, dated as of December 1, 2020 by and among the Agency, Dupli and 156 Solar.

24. No member, officer or employee of the Agency having power to: (i) negotiate, prepare, authorize or approve any of the Agency Documents; (ii) audit bills or claims under any of the Agency Documents; or (iii) appoint an officer or employee who has any of the powers or duties set forth in (i) or (ii):

(a) directly or indirectly owns any stock of the Company;

(b) is a partner, director or employee of the Company;

(c) is related to the Company within the meaning of Section 800.3(a) of the New York General Municipal Law.

No member, officer, or employee of the Agency has publicly disclosed, in a writing included as part of the official minutes of the Agency, any Interest (as defined in Section 800.3 of the New York General Municipal Law), direct or indirect, in the Company.

**CHAPTER 641 OF THE LAWS OF 1979
OF THE STATE OF NEW YORK**

LAWS OF NEW YORK, 1979

CHAPTER 641

AN ACT to amend the general municipal law, in relation to creating and establishing for the city of Syracuse industrial development agency and, providing for its functions and duties

Became a law July 11, 1979, with the approval of the Governor. Passed on Home Rule request pursuant to Article IX, section 2 (b) (2) of the Constitution, by a majority vote, three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The general municipal law is amended by adding a new section nine hundred twenty-six to read as follows:

§ 926. *City of Syracuse industrial development agency. (a) For the benefit of the city of Syracuse and the inhabitants thereof, an industrial development agency, to be known as the CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY, is hereby established for the accomplishment of any or all of the purposes specified in title one of article eighteen-A of this chapter. It shall constitute a body corporate and politic, and be perpetual in duration. It shall consist of five members who shall be appointed by the mayor of the city of Syracuse and its chairman shall be designated by such mayor. It shall have the powers and duties now or hereafter conferred by title one of article eighteen-A of this chapter upon industrial development agencies. It shall organize in a manner prescribed by and be subject to the provisions of title one of article eighteen-A of this chapter. The agency, its members, officers and employees, and its operations and activities shall in all respects be governed by the provisions of title one of article eighteen-A of this chapter.*

(b) The city shall have the power to make, or contract to make grants or loans, including but not limited to grants or loans of money, to the agency in such amounts, upon such terms and conditions and for such period or periods of time as in the judgment of the city and the agency are necessary or appropriate for the accomplishment of any of the purposes of the agency.

§ 2. This act shall take effect immediately.

**AGENCY'S CERTIFICATE OF ESTABLISHMENT
AND
CERTIFICATES OF APPOINTMENT OF CURRENT MEMBERS**

CERTIFICATE OF THE CITY OF SYRACUSE
INDUSTRIAL DEVELOPMENT AGENCY

Pursuant to Article 18-A of the General Municipal Law, Lee Alexander, Mayor of the City of Syracuse, certifies as follows:

1) The name of the industrial development agency herein is the City of Syracuse Industrial Development Agency.

2) Chapter 641 of the Laws of 1979, the special act of the New York State Legislature establishing the City of Syracuse Industrial Development Agency, was adopted by the New York State Legislature on June 16, 1979 and signed by the Governor on July 18, 1979.

3) The names of the Chairman and the Members, respectively, of the City of Syracuse Industrial Development Agency and their terms of office are as follows:

(a)	Frank L. Canino	Chairman
	David M. Garber	Member
	David S. Michel	Member
	Erwin G. Schultz	Member
	Irwin L. Davis	Member

(b) The term of office of the Chairman and of the Members of the City of Syracuse Industrial Development Agency is at the pleasure of the Mayor and continues until a successor is appointed and has qualified.

4) The facts establishing the need for the creation of a City of Syracuse Industrial Development Agency are as follows:

Expansion of its industrial-commercial base is essential to the City of Syracuse, especially in a time of mounting economic pressures. To achieve this goal of expansion, the City has designed a comprehensive economic development program, requiring an Industrial Development Agency.

The existing potential for economic development will be augmented by the financial incentives of an Industrial Development Agency. Various City agencies and departments, such as the Department of Community Development and the Office of Federal and State Aid Coordination will interface with the Syracuse Industrial Development Agency to strengthen the business and industrial climate of the community.

Access to the Department of Community Development will make available to the Syracuse Industrial Development Agency an array of staff assistance, technical expertise, and various other development services. The City's Office of Federal and State Aid Coordination will provide assistance to it in locating, analyzing, and obtaining various forms of federal and state assistance and participation.

AGENCY’S BY-LAWS

**BY-LAWS OF
THE CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY
(as amended August 18, 2009)**

Article I

THE AGENCY

Section 1. Name

The name of the agency shall be "City of Syracuse Industrial Development Agency", and it shall be referred to in these by-laws as the Agency.

Section 2. Seal

The seal of the Agency shall be in such form as may be determined by the members of the Agency.

Section 3. Office

The principal office of the Agency shall be located in the City of Syracuse, New York, County of Onondaga, and State of New York. The Agency may have such other offices at such other places as the members of the Agency may, from time to time, designate by resolution.

Article II

MEMBERS

Section 1. Members

(a) There shall be five members of the Agency. All references in these by-laws to members shall be references to Members of the Agency. The persons designated in the certificates of appointment filed in the office of the Secretary of State as members of the Agency and their successors in office and such other persons as may, from time to time, be appointed as

Members of the Agency by the Mayor of the City of Syracuse, or by special act of the Legislature, shall constitute all the members.

(b) Members shall hold office at the pleasure of the Mayor and shall continue to hold office until his or her successor is appointed and has qualified. The Mayor may remove any Member at his discretion, with or without cause.

(c) Upon the resignation or removal of a Member, a successor shall be selected by the Mayor.

(d) Members may resign at any time by giving written notice to the Mayor and to the Chairman of the Agency. Unless otherwise specified in the notice the resignation shall take effect upon receipt of the notice by the Chairman or the Mayor. Acceptance of the resignation shall not be necessary to make it effective.

Section 2. Meeting of the Members

(a) The Annual Meeting of the members shall be held on such date or dates as shall be fixed, from time to time, by the Members of the Agency. The first Annual Meeting of Members shall be held on a date within twelve (12) months after the filing of the Certificate of the Agency with the Secretary of State as required by General Municipal Law §856 (l) (a). Each successive Annual Meeting of Members shall be held on a date not more than twelve (12) months following the preceding Annual Meeting of Members.

(b) Regular meetings of the Agency may be held at such time and place as, from time to time, may be determined by the Members.

(c) Upon the written request of the Mayor, the Chairman or two (2) Members of the Agency, the Chairman of the Agency shall call a special meeting of the Members. Special meetings may be held on such date or dates as may be fixed in the call for such special meetings.

The call for a special meeting may be personally delivered to each Member of the Agency or may be mailed to the business or home address of such Member. A waiver of notice may be signed by any Member failing to receive a proper notice.

Section 3. Procedure at Meetings of Members

(a) The Chairman shall preside over the meetings of the Agency. In the absence of the Chairman, the Vice-Chairman shall preside. In the absence of both the Chairman and Vice-Chairman, any Member directed by the Chairman may preside.

(b) At all meetings of Members, a majority of the Members of the Agency shall constitute a quorum for the purpose of transacting business. If less than a quorum is present for any meeting, the Members then present may adjourn the meeting to such other time or until a quorum is present. Except to the extent provided for by law, all actions shall be by a majority of the votes cast, provided that the majority of the votes cast shall be at least equal to a quorum.

(c) When determined by the Agency that a matter pending before it is confidential in nature, it may, upon motion, establish an executive session and exclude any non-member from such session.

(d) Order of business

At all meetings of the Agency, the following shall be the order of business:

- (1) Roll Call;
- (2) Proof of Notice of Meeting;
- (3) Reading and approval of the minutes of the previous meeting;
- (4) bills and communications;
- (5) Report of the Treasurer;
- (6) Reports of Committees;

- (7) Unfinished business;
- (8) New business;
- (9) Adjournment.

The order of business may be altered or suspended at any meeting by the Members of the Agency.

(e) All resolutions shall be in writing and shall be recorded in the journal of the proceedings of the Agency.

Article III

OFFICERS AND PERSONNEL

Section 1. Officers

The officers of the Agency shall be Chairman or Co-Chairman, Vice-Chairman, Secretary and Treasurer and such other offices as may be prescribed, from time to time, by the Agency. The Chairman or Co-Chairman and other officers shall be appointed by the Mayor of the City of Syracuse and may be removed with or without cause at his discretion. Each officer shall be a Member of the Agency during his or her term of office.

Section 2. Chairman or Co-Chairmen

The Chairman shall be chief executive officer of the Agency, and shall serve as an ex officio member of all duly constituted committees, shall supervise the general management and the affairs of the Agency, and shall carry out the orders and resolutions of the Agency. Except as otherwise authorized by resolution of the Agency, the Chairman shall execute (manually and by facsimile signature) all agreements, contracts, deeds, bonds, notes or other evidence of indebtedness and any other instruments of the Agency on behalf of the Agency. The Mayor may from time to time appoint two Co-Chairmen in place of the Chairman. During their term of office the Co-

Chairmen shall share equally the duties, rights, powers and responsibilities of the Chairman. The action of either Co-Chairman or execution (manually or by facsimile signature) by either Co-Chairman of any agreement, contract, deed, bond, note or other evidence of indebtedness or any other instrument of the Agency on behalf of the Agency shall have the same force and effect as such action or execution by the Chairman.

Section 3. Vice-Chairman

The Vice-Chairman shall have all the powers and functions of the Chairman or Co-Chairmen in the absence or disability of the Chairman or Co-Chairmen, as the case may be. The Vice-Chairman shall perform such other duties as the Members of the Agency shall prescribe or as delegated by the Chairman or Co-Chairmen.

Section 4. Secretary

The Secretary shall keep the minutes of the Agency, shall have the custody of the seal of the Agency and shall affix and attest the same to documents when duly authorized by the Agency, shall attest to the giving or serving of all notices of the Agency, shall have charge of such books and papers as the Members of the Agency may order, shall attest to such correspondence as may be assigned, and shall perform all the duties incidental to his office.

Section 5. Treasurer

The Treasurer shall have the care and custody of all the funds and securities of the Agency, shall deposit such funds in the name of the Agency, in such bank or trust company as the members of the Agency may elect, shall sign such instrument as may require the Treasurer's signature, but only with the approval of the Chairman or Co-Chairman, as the case may be, shall at all reasonable times exhibit the books and accounts of the Agency to the Mayor or any Member of

the Agency, and at the end of each fiscal year shall present an annual report setting forth in full the financial condition of the Agency.

Section 6. Additional Personnel

The Agency, with the consent of the Mayor, may appoint an Administrative or Executive Director to supervise the administration of the business and affairs of the Agency, subject to the direction of the Agency. The Agency may, from time to time, employ such other personnel as it deems necessary to execute its powers, duties and functions as prescribed by the New York State Industrial Development Agency Act (General Municipal Law, Article 18-A), as amended, and all other laws of the State of New York applicable thereto.

Section 7. Compensation of Chairman, Co-Chairmen, Members, Officers, and Other Personnel

The Chairman, Co-Chairmen, Members and Officers shall receive no compensation for their services but shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of their duties. The compensation of other personnel, including the Administrative Director, shall be determined by the Members of the Agency.

Article IV

AMENDMENTS

Section 1. Amendments to By-Laws

These by-laws may be amended or revised, from time to time, by a two-third (2/3) vote of the Agency, but no such amendment or revision shall be adopted unless written notice of the proposed action shall have been given by mail to each Member and the Mayor at least ten (10) days prior to the date of the meeting at which it is proposed that such action be taken; provided, however,

that this provision and other provisions relating to the appointment, renewal and terms of office of Members and officers may be amended only with the prior written approval of the Mayor.

Article V

MISCELLANEOUS

Section 1. Sureties and Bonds

In case the Agency shall so require, any officer, employee or agent of the Agency shall execute to the Agency a bond in such sum and with such surety or sureties as the Agency may direct, conditioned upon the faithful performance of his or her duties to the Agency and including responsibility for negligence and for the accounting for all property, funds or securities of the Agency which may come into the hands of the officer, employee or agent.

Section 2. Indemnification

(a) Upon compliance by a Member or Officer of the Agency (including a former Member or Officer, the estate of a Member or Officer or a judicially appointed personal representative thereof) (referred to in this Section 2 collectively as "Member") with the provisions of subdivision (i) of this Section 2, the Agency shall provide for the defense of the Member in any civil action or proceeding, state or federal, arising out of any alleged act or omission which occurred or allegedly occurred while the Member was acting within the scope of the public employment or duties of such Member. This duty to provide for a defense shall not arise where such civil action or proceeding is brought by or at the behest of the Agency.

(b) Subject to the conditions set forth in paragraph (a) of this subdivision, the Member shall be entitled to be represented by private counsel of the Member's choice in any civil action or proceeding whenever the chief legal officer of the Agency or other counsel designated by the

Agency determines that a conflict of interest exists, or whenever a court, upon appropriate motion or otherwise by a special proceeding, determines that a conflict of interest exists and that the Member is entitled to be represented by counsel of the Member's choice, provided, however, that the chief legal officer or other counsel designated by the Agency may require, as a condition to payment of the fees and expenses of such representation, that appropriate groups of such Members be represented by the same counsel. Reasonable attorneys' fees and litigation expenses shall be paid by the Agency to such private counsel from time to time during the pendency of the civil action or proceeding with the approval of a majority of the Members of the Agency eligible to vote thereon.

(c) Any dispute with respect to representation of multiple Members by a single counsel or the amount of litigation expenses or the reasonableness of attorneys' fees shall be resolved by the court upon motion or by way of a special proceeding.

(d) Where the Member delivers process and a written request for a defense to the Agency under subdivision (i) of this Section 2, the Agency shall take the necessary steps on behalf of the Member to avoid entry of a default judgment pending resolution of any question pertaining to the obligation to provide for a defense.

(e) The Agency shall indemnify and save harmless its Members in the amount of any judgment obtained against such Members in a State or Federal court, or in the amount of any settlement of a claim, provided that the act or omission from which such judgment or claim arose occurred while the Member was acting within the scope of the Member's public employment or duties; provided further that in the case of a settlement, the duty to indemnify and save harmless shall be conditioned upon the approval of the amount of settlement by a majority of the Members of the Agency eligible to vote thereon.

(f) Except as otherwise provided by law, the duty to indemnify and save harmless prescribed by this Section 2 shall not arise where the injury or damage resulted from intentional wrongdoing or recklessness on the part of the Member seeking indemnification.

(g) Nothing in this subdivision shall authorize the Agency to indemnify or save harmless any Member with respect to punitive or exemplary damages, fines or penalties; provided, however, that the Agency shall indemnify and save harmless its Members in the amount of any costs, attorneys' fees, damages, fines or penalties which may be imposed by reason of an adjudication that the Member, acting within the scope of the Member's public employment or duties, has, without willfulness or intent on the Member's part, violated a prior order, judgment, consent decree or stipulation of settlement entered in any court of the State or of the United States.

(h) Upon entry of a final judgment against the Member, or upon the settlement of the claim, the Member shall serve a copy of such judgment or settlement, personally or by certified or registered mail within thirty (30) days of the date of entry or settlement, upon the Chairman and the chief administrative officer of the Agency; and if not inconsistent with the provisions of this Section 2, the amount of such judgment or settlement shall be paid by the Agency.

(i) The duty to defend or indemnify and save harmless prescribed by this Section 2 shall be conditioned upon: (i) delivery by the Member to the Chairman of the Agency and the chief legal officer of the Agency or to its chief administrative officer of a written request to provide for such Member's defense together with the original or a copy of any summons, complaint, process, notice, demand or pleading within ten (10) days after the Member is served with such document, and (ii) the full cooperation of the Member in the defense of such action or

proceeding and in defense of any action or proceeding against the Agency based upon the same act or omission, and in the prosecution of any appeal.

(j) The benefits of this Section shall inure only to Members as defined in subdivision (a) of this Section 2 and shall not enlarge or diminish the rights of any other party.

(k) This Section 2 shall not in any way affect the obligation of any claimant to give notice to the Agency under Section 10 of the Court of Claims Act, Section 880 of the General Municipal Law, or any other provision of law.

(l) The Agency is hereby authorized and empowered to purchase insurance from any insurance company created by or under the laws of the State, or authorized by law to transact business in the State, against any liability imposed by the provisions of this Section 2, or to act as a self-insurer with respect thereto. The provisions of this Section 2 shall not be construed to impair, alter, limit or modify the rights and obligations of any insurer under any policy of insurance.

(m) All payments made under the terms of this Section 2, whether for insurance or otherwise, shall be deemed to be for a public purpose and shall be audited and paid in the same manner as other public charges.

(n) Except as otherwise specifically provided in this Section 2, the provisions of this Section 2 shall not be construed in any way to impair, alter, limit, modify, abrogate or restrict any immunity to liability available to or conferred upon any Member of the Agency by, in accordance with, or by reason of, any other provision of State or Federal statutory or common law. The benefits under this Section 2 shall supplement, and be available in addition to, defense or indemnification protection conferred by any law or enactment. This Section 2 is intended to confer upon Members of the Agency all of the benefits of Section 18 of the Public Officers Law

and to impose upon the Agency liability for costs incurred under the provisions hereof and thereof.

Section 3. Fiscal Year

The fiscal year of the Agency shall be fixed by the Members, subject to the applicable law.

Section 4. Powers of the Agency

The Agency shall have all the powers of an Industrial Development Agency authorized by Article 18-A of the General Municipal Law and shall have the power to do all things necessary or convenient to carry out its purposes and exercise the powers authorized herein.

RESOLUTION DETERMINING THAT THE ACQUISITION, RECONSTRUCTION, RENOVATION, EQUIPPING AND COMPLETION OF A MIXED-USE FACILITY AT THE REQUEST OF THE COMPANY CONSTITUTES A PROJECT; DESCRIBING THE FINANCIAL ASSISTANCE IN CONNECTION THEREWITH; AND AUTHORIZING A PUBLIC HEARING

WHEREAS, the City of Syracuse Industrial Development Agency (the "**Agency**") is authorized and empowered by Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the "**Act**"), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, for the purpose of promoting economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to grant "financial assistance" (as defined in the Act) in connection with the acquisition, reconstruction and equipping of one or more "projects" (as defined in the Act); and

WHEREAS, at the request of Dupli Associates, LLC (the "**Company**"), by resolution dated May 16, 2017 (the "**Inducement Resolution**") the Agency agreed to undertake a project

(the “**Original Project**”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“**Building 1**”); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“**Building 2**”), each in the City of Syracuse, New York (the “**City**”) (the foregoing collectively referred to as the “**Property**”); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the “**Facility**”); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the “**Original Equipment**” and together with the Property and the Facility, the “**Original Project Facility**”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “**Original Financial Assistance**”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Property and Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, in or about July, 2017, the Company and Agency entered into a lease transaction to effectuate the undertaking of the Project and the conference of the approved Financial Assistance (the “**Lease Transaction**”); and

WHEREAS, by supplemental application dated February 4, 2020 (the “**Application**”), the Company requested the Agency revise the Project to be undertaken in two phases (the “**Project**”) as follows: (A)(i) the continuation of an interest in two parcels of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by Building 1 (bearing tax parcel identification number 118.-06-08.0); and 156 Solar Street and Division Street W. improved by Building 2 (bearing tax parcel identification number 118.-06-01.0), each in the City (the foregoing collectively referred to as the “**Land**”); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the “**AMI**”); and approximately 3,500 sq.ft. of retail space; and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the AMI; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the “**Facilities**”); (iii) (iv) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the “**Equipment**” and together with the Land and the Facilities, the

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

"**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, the Company further requested approval of the transfer of some or all of the membership interests in the Company to FS Development Associates LLC whose members are Mark Lane, Joseph Gehm and Timothy Lynn; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law of the State of New York, as amended, and the regulations of the Department of Environmental Conservation of the State of New York promulgated thereunder (collectively referred to hereinafter as "**SEQRA**"), the Agency is required to make a determination whether the "action" (as said quoted term is defined in SEQRA) to be taken by the Agency may have a "significant impact on the environment" (as said quoted term is utilized in SEQRA), and the preliminary agreement of the Agency to undertake the Project constitutes such an action; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law of the State of New York, as amended, and the regulations of the Department of Environmental Conservation of the State of New York promulgated thereunder (collectively referred to hereinafter as "**SEQRA**"), the Agency is required to make a determination with respect to the environmental impact of any "action" (as said quoted term is defined in SEQRA) to be taken by the Agency and the approval of the Project constitutes such an action; and

WHEREAS, the Agency has not yet made a determination under SEQRA; and

WHEREAS, the Agency has not approved undertaking the Project or granting the Financial Assistance; and

WHEREAS, the grant of Financial Assistance to the Project is subject to, among other things, the Agency finding after a public hearing pursuant to Section 859-a of the Act that the Project will serve the public purposes of the Act by promoting economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State or increasing the overall number of permanent, private sector jobs in the State.

NOW, THEREFORE, be it resolved by the members of the City of Syracuse Industrial Development Agency, as follows:

(1) Based upon the representations made by the Company to the Agency, the Agency makes the following findings and determinations:

(A) The Project constitutes a “project” within the meaning of the Act;

(B) The Project is located in a “Highly Distressed Area” as defined in Section 854(18) of the Act;

(C) The Financial Assistance contemplated with respect to the Project consists of assistance in the form of exemptions from real property taxes, State and local sales and use taxation and mortgage recording tax; and

(2) The Agency hereby directs that pursuant to Section 859-a of the Act, a public hearing with respect to the Project and Financial Assistance shall be scheduled with notice thereof published, and such notice, as applicable, shall further be sent to affected tax jurisdictions within which the Project is located.

(3) The Secretary or the Executive Director of the Agency is hereby authorized to and may distribute copies of this Resolution to the Company and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

(4) A copy of this Resolution shall be placed on file in the office of the Agency where the same shall be available for public inspection during business hours.

The question of the adoption of the foregoing resolution was duly put to vote on a roll call, which resulted as follows:

	<u>AYE</u>	<u>NAY</u>
Kathleen Murphy	X	
Rickey T. Brown	X	
Kenneth Kinsey	X	

The foregoing Resolution was thereupon declared duly adopted.

The meeting was called to order by the Chair and upon roll being called, the following members of the Agency were:

PRESENT: Kathleen Murphy, Steven Thompson

PRESENT VIA TELECONFERENCE: Kenneth Kinsey, Rickey T. Brown, Dirk Sonneborn (in accordance with the Governor's Executive Order 202.1).

THE FOLLOWING PERSONS WERE ALSO PRESENT: Staff Present: Judith DeLaney, Susan Katzoff, Esq., John Vavonese, Lori McRobbie

The following resolution was offered by Steven Thompson and seconded by Kenneth Kinsey:

RESOLUTION CLASSIFYING A CERTAIN PROJECT AS A TYPE I ACTION AND DECLARING THE INTENT OF THE CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY TO BE LEAD AGENCY FOR PURPOSES OF A COORDINATED REVIEW PURSUANT TO THE STATE ENVIRONMENTAL QUALITY REVIEW ACT

WHEREAS, the City of Syracuse Industrial Development Agency (the "**Agency**") is authorized and empowered by Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the "**Act**"), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, for the purpose of promoting economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to grant "financial assistance" (as defined in the Act) in connection with the acquisition, construction, renovation, reconstruction and equipping of one or more "projects" (as defined in the Act); and

WHEREAS, by application dated February 4, 2020 (the "**Application**"), Dupli Associates, LLC (the "**Company**") requested the Agency undertake a project to be in two phases

(the "**Project**") as follows: (A)(i) the continuation of an interest in two parcels of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximately 149,000 sq.ft. building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0); and 156 Solar Street and Division Street W. improved by an approximately 62,800 sq.ft. building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), each in the City of Syracuse (the foregoing collectively referred to as the "**Land**"); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units; and approximately 3,500 sq.ft. of retail space; and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law of the State of New York, as amended, and the regulations of the Department of Environmental Conservation of the State of New York promulgated thereunder (collectively referred to hereinafter as "**SEQRA**"), the Agency is required to make a determination whether the "action" (as said quoted term is defined in SEQRA) to be taken by the Agency may have a "significant impact on the environment" (as said quoted term is utilized in SEQRA) and the preliminary agreement of the Agency to undertake the Project constitutes such an action; and

WHEREAS, to aid the Agency in determining whether undertaking the Project may have a significant impact upon the environment, the Company has prepared and submitted to the Agency an Environmental Assessment Form (the "**EAF**") with respect to the Project, a copy of which is attached here as **Exhibit A**, with a copy of the EAF on file at the office of the Agency; and

WHEREAS, the Agency has examined the EAF in order to classify the Project; and

WHEREAS, the Agency has not approved the Project or the grant of Financial Assistance to the Project; and

NOW, THEREFORE, be it resolved by the members of the City of Syracuse Industrial Development Agency as follows:

(1) Based upon an internal review of the EAF prepared by the Company and the criteria contained in 6 NYCRR §617.4 the Agency makes the following findings and determinations with respect to the Project pursuant to SEQRA:

(A) The Project consists of the components described above in the third WHEREAS clause of this resolution; and

(B) The Project constitutes a “Type I Action” (as said quoted term is defined in SEQRA); and

(C) As a consequence of the foregoing, the Agency hereby declares its intent to act as Lead Agency (as said term is defined in SEQRA) with respect to a coordinated review of the Project pursuant to SEQRA; and

(D) The Agency’s counsel shall arrange for distribution of its notice of intent to be “Lead Agency” and is hereby authorized to take such actions as are necessary and appropriate to assist the Agency in fulfilling the requirements under SEQRA for the Project and to work with the Company in connection therewith.

(2) A copy of this Resolution, together with the attachments hereto, shall be placed on file in the office of the Agency where the same shall be available for public inspection during business hours.

(3) This Resolution shall take effect immediately. The Secretary and/or Executive Director of the Agency is hereby authorized to distribute copies of this Resolution and do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

The question of the adoption of the foregoing resolution was duly put to vote on a roll call, which resulted as follows:

	<u>AYE</u>	<u>NAY</u>
Kathleen Murphy	X	
Steven Thompson	X	
Kenneth Kinsey	X	
Ricky T. Brown	X

i. What is the purpose of the excavation or dredging? _____
 ii. How much material (including rock, earth, sediments, etc.) is proposed to be removed from the site?
 • Volume (specify tons or cubic yards): _____
 • Over what duration of time? _____
 iii. Describe nature and characteristics of materials to be excavated or dredged, and plans to use, manage or dispose of them. _____

iv. Will there be onsite dewatering or processing of excavated materials? Yes No
 If yes, describe. _____

v. What is the total area to be dredged or excavated? _____ acres
 vi. What is the maximum area to be worked at any one time? _____ acres
 vii. What would be the maximum depth of excavation or dredging? _____ feet
 viii. Will the excavation require blasting? Yes No
 ix. Summarize site reclamation goals and plan: _____

b. Would the proposed action cause or result in alteration of, increase or decrease in size of, or encroachment into any existing wetland, waterbody, shoreline, beach or adjacent area? Yes No
 If Yes:
 i. Identify the wetland or waterbody which would be affected (by name, water index number, wetland map number or geographic description): _____

ii. Describe how the proposed action would affect that waterbody or wetland, e.g. excavation, fill, placement of structures, or alteration of channels, banks and shorelines. Indicate extent of activities, alterations and additions in square feet or acres:

iii. Will the proposed action cause or result in disturbance to bottom sediments? Yes No
 If Yes, describe: _____

iv. Will the proposed action cause or result in the destruction or removal of aquatic vegetation? Yes No
 If Yes:

- acres of aquatic vegetation proposed to be removed: _____
- expected acreage of aquatic vegetation remaining after project completion: _____
- purpose of proposed removal (e.g. beach clearing, invasive species control, boat access): _____
- proposed method of plant removal: _____
- if chemical/herbicide treatment will be used, specify product(s): _____

v. Describe any proposed reclamation/mitigation following disturbance: _____

c. Will the proposed action use, or create a new demand for water? Yes No
 If Yes:

i. Total anticipated water usage/demand per day: _____ 3,000 gallons/day

ii. Will the proposed action obtain water from an existing public water supply? Yes No
 If Yes:

- Name of district or service area: OCWA
- Does the existing public water supply have capacity to serve the proposal? Yes No
- Is the project site in the existing district? Yes No
- Is expansion of the district needed? Yes No
- Do existing lines serve the project site? Yes No

iii. Will line extension within an existing district be necessary to supply the project? Yes No
 If Yes:

- Describe extensions or capacity expansions proposed to serve this project: _____
- Source(s) of supply for the district: _____

iv. Is a new water supply district or service area proposed to be formed to serve the project site? Yes No
 If Yes:

- Applicant/sponsor for new district: _____
- Date application submitted or anticipated: _____
- Proposed source(s) of supply for new district: _____

v. If a public water supply will not be used, describe plans to provide water supply for the project: _____

vi. If water supply will be from wells (public or private), what is the maximum pumping capacity: _____ gallons/minute.

d. Will the proposed action generate liquid wastes? Yes No
 If Yes:

i. Total anticipated liquid waste generation per day: _____ 1,180 gallons/day

ii. Nature of liquid wastes to be generated (e.g., sanitary wastewater, industrial; if combination, describe all components and approximate volumes or proportions of each): Sanitary wastewater

iii. Will the proposed action use any existing public wastewater treatment facilities? Yes No
 If Yes:

- Name of wastewater treatment plant to be used: Onondaga County Sanitation
- Name of district: CSW15- Onondaga County
- Does the existing wastewater treatment plant have capacity to serve the project? Yes No
- Is the project site in the existing district? Yes No
- Is expansion of the district needed? Yes No

Yes No
 Yes No

• Do existing sewer lines serve the project site?
 • Will a line extension within an existing district be necessary to serve the project?
 If Yes:
 • Describe extensions or capacity expansions proposed to serve this project: _____

iv. Will a new wastewater (sewage) treatment district be formed to serve the project site? Yes No
 If Yes:
 • Applicant/sponsor for new district: _____
 • Date application submitted or anticipated: _____
 • What is the receiving water for the wastewater discharge? _____

v. If public facilities will not be used, describe plans to provide wastewater treatment for the project, including specifying proposed receiving water (name and classification if surface discharge or describe subsurface disposal plans):

vi. Describe any plans or designs to capture, recycle or reuse liquid waste: _____

e. Will the proposed action disturb more than one acre and create stormwater runoff, either from new point sources (i.e. ditches, pipes, swales, curbs, gutters or other concentrated flows of stormwater) or non-point source (i.e. sheet flow) during construction or post construction? Yes No
 If Yes:
 i. How much impervious surface will the project create in relation to total size of project parcel?
 _____ Square feet or _____ acres (impervious surface)
 _____ Square feet or _____ acres (parcel size)
 ii. Describe types of new point sources. _____

iii. Where will the stormwater runoff be directed (i.e. on-site stormwater management facility/structures, adjacent properties, groundwater, on-site surface water or off-site surface waters)?

 • If to surface waters, identify receiving water bodies or wetlands: _____

• Will stormwater runoff flow to adjacent properties? Yes No

iv. Does the proposed plan minimize impervious surfaces, use pervious materials or collect and re-use stormwater? Yes No

f. Does the proposed action include, or will it use on-site, one or more sources of air emissions, including fuel combustion, waste incineration, or other processes or operations? Yes No
 If Yes, identify:
 i. Mobile sources during project operations (e.g., heavy equipment, fleet or delivery vehicles)

 ii. Stationary sources during construction (e.g., power generation, structural heating, batch plant, crushers)

 iii. Stationary sources during operations (e.g., process emissions, large boilers, electric generation)

g. Will any air emission sources named in D.2.f (above), require a NY State Air Registration, Air Facility Permit, or Federal Clean Air Act Title IV or Title V Permit? Yes No
 If Yes:
 i. Is the project site located in an Air quality non-attainment area? (Area routinely or periodically fails to meet ambient air quality standards for all or some parts of the year) Yes No
 ii. In addition to emissions as calculated in the application, the project will generate:
 • _____ Tons/year (short tons) of Carbon Dioxide (CO₂)
 • _____ Tons/year (short tons) of Nitrous Oxide (N₂O)
 • _____ Tons/year (short tons) of Perfluorocarbons (PFCs)
 • _____ Tons/year (short tons) of Sulfur Hexafluoride (SF₆)
 • _____ Tons/year (short tons) of Carbon Dioxide equivalent of Hydrofluorocarbons (HFCs)
 • _____ Tons/year (short tons) of Hazardous Air Pollutants (HAPs)

h. Will the proposed action generate or emit methane (including, but not limited to, sewage treatment plants, landfills, composting facilities)? Yes No

If Yes:

- i. Estimate methane generation in tons/year (metric): _____
- ii. Describe any methane capture, control or elimination measures included in project design (e.g., combustion to generate heat or electricity, flaring): _____

i. Will the proposed action result in the release of air pollutants from open-air operations or processes, such as quarry or landfill operations? Yes No

If Yes: Describe operations and nature of emissions (e.g., diesel exhaust, rock particulates/dust): _____

j. Will the proposed action result in a substantial increase in traffic above present levels or generate substantial new demand for transportation facilities or services? Yes No

If Yes:

- i. When is the peak traffic expected (Check all that apply): Morning Evening Weekend
 Randomly between hours of _____ to _____.
- ii. For commercial activities only, projected number of truck trips/day and type (e.g., semi trailers and dump trucks): _____
- iii. Parking spaces: Existing _____ Proposed _____ Net increase/decrease _____
- iv. Does the proposed action include any shared use parking? Yes No
- v. If the proposed action includes any modification of existing roads, creation of new roads or change in existing access, describe: _____
- vi. Are public/private transportation service(s) or facilities available within 1/2 mile of the proposed site? Yes No
- vii. Will the proposed action include access to public transportation or accommodations for use of hybrid, electric or other alternative fueled vehicles? Yes No
- viii. Will the proposed action include plans for pedestrian or bicycle accommodations for connections to existing pedestrian or bicycle routes? Yes No

k. Will the proposed action (for commercial or industrial projects only) generate new or additional demand for energy? Yes No

If Yes:

- i. Estimate annual electricity demand during operation of the proposed action: 700,000 kWh per year
- ii. Anticipated sources/suppliers of electricity for the project (e.g., on-site combustion, on-site renewable, via grid/local utility, or other): Grid/Local Utility
- iii. Will the proposed action require a new, or an upgrade, to an existing substation? Yes No

l. Hours of operation. Answer all items which apply.

i. During Construction:

- Monday - Friday: 8 am - 6 pm
- Saturday: _____
- Sunday: _____
- Holidays: _____

ii. During Operations:

- Monday - Friday: 24 hours
- Saturday: 24 hours
- Sunday: 24 hours
- Holidays: 24 hours

m. Will the proposed action produce noise that will exceed existing ambient noise levels during construction, operation, or both?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If yes: i. Provide details including sources, time of day and duration: _____ _____	
ii. Will the proposed action remove existing natural barriers that could act as a noise barrier or screen?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Describe: _____ _____	
n. Will the proposed action have outdoor lighting?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If yes: i. Describe source(s), location(s), height of fixture(s), direction/aim, and proximity to nearest occupied structures: _____ _____	
ii. Will proposed action remove existing natural barriers that could act as a light barrier or screen?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Describe: _____ _____	
o. Does the proposed action have the potential to produce odors for more than one hour per day?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If Yes, describe possible sources, potential frequency and duration of odor emissions, and proximity to nearest occupied structures: _____ _____	
p. Will the proposed action include any bulk storage of petroleum (combined capacity of over 1,100 gallons) or chemical products 185 gallons in above ground storage or any amount in underground storage?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If Yes: i. Product(s) to be stored _____ ii. Volume(s) _____ per unit time _____ (e.g., month, year) iii. Generally, describe the proposed storage facilities: _____ _____	
q. Will the proposed action (commercial, industrial and recreational projects only) use pesticides (i.e., herbicides, insecticides) during construction or operation?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If Yes: i. Describe proposed treatment(s): _____ _____ _____	
ii. Will the proposed action use Integrated Pest Management Practices?	<input type="checkbox"/> Yes <input type="checkbox"/> No
r. Will the proposed action (commercial or industrial projects only) involve or require the management or disposal of solid waste (excluding hazardous materials)?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If Yes: i. Describe any solid waste(s) to be generated during construction or operation of the facility: <ul style="list-style-type: none"> • Construction: _____ tons per _____ (unit of time) • Operation : _____ tons per _____ (unit of time) ii. Describe any proposals for on-site minimization, recycling or reuse of materials to avoid disposal as solid waste: <ul style="list-style-type: none"> • Construction: _____ • Operation: _____ iii. Proposed disposal methods/facilities for solid waste generated on-site: <ul style="list-style-type: none"> • Construction: _____ • Operation: _____ 	

s. Does the proposed action include construction or modification of a solid waste management facility? Yes No

If Yes:

i. Type of management or handling of waste proposed for the site (e.g., recycling or transfer station, composting, landfill, or other disposal activities): _____

ii. Anticipated rate of disposal/processing:

- _____ Tons/month, if transfer or other non-combustion/thermal treatment, or
- _____ Tons/hour, if combustion or thermal treatment

iii. If landfill, anticipated site life: _____ years

t. Will the proposed action at the site involve the commercial generation, treatment, storage, or disposal of hazardous waste? Yes No

If Yes:

i. Name(s) of all hazardous wastes or constituents to be generated, handled or managed at facility: _____

ii. Generally describe processes or activities involving hazardous wastes or constituents: _____

iii. Specify amount to be handled or generated _____ tons/month

iv. Describe any proposals for on-site minimization, recycling or reuse of hazardous constituents: _____

v. Will any hazardous wastes be disposed at an existing offsite hazardous waste facility? Yes No

If Yes: provide name and location of facility: _____

If No: describe proposed management of any hazardous wastes which will not be sent to a hazardous waste facility:
There is no hazardous waste at the site

E. Site and Setting of Proposed Action

E.1. Land uses on and surrounding the project site

a. Existing land uses.

i. Check all uses that occur on, adjoining and near the project site.

Urban Industrial Commercial Residential (suburban) Rural (non-farm)

Forest Agriculture Aquatic Other (specify): _____

ii. If mix of uses, generally describe: _____

b. Land uses and covertypes on the project site.

Land use or Covertype	Current Acreage	Acreage After Project Completion	Change (Acres +/-)
• Roads, buildings, and other paved or impervious surfaces			0
• Forested			0
• Meadows, grasslands or brushlands (non-agricultural, including abandoned agricultural)			0
• Agricultural (includes active orchards, field, greenhouse etc.)			0
• Surface water features (lakes, ponds, streams, rivers, etc.)			0
• Wetlands (freshwater or tidal)			0
• Non-vegetated (bare rock, earth or fill)			0
• Other Describe: _____			0

c. Is the project site presently used by members of the community for public recreation? i. If Yes: explain: _____	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No						
d. Are there any facilities serving children, the elderly, people with disabilities (e.g., schools, hospitals, licensed day care centers, or group homes) within 1500 feet of the project site? If Yes, i. Identify Facilities: _____	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No						
e. Does the project site contain an existing dam? If Yes: i. Dimensions of the dam and impoundment: <ul style="list-style-type: none"> • Dam height: _____ feet • Dam length: _____ feet • Surface area: _____ acres • Volume impounded: _____ gallons OR acre-feet ii. Dam's existing hazard classification: _____ iii. Provide date and summarize results of last inspection: _____	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No						
f. Has the project site ever been used as a municipal, commercial or industrial solid waste management facility, or does the project site adjoin property which is now, or was at one time, used as a solid waste management facility? If Yes: i. Has the facility been formally closed? • If yes, cite sources/documentation: _____ ii. Describe the location of the project site relative to the boundaries of the solid waste management facility: _____ iii. Describe any development constraints due to the prior solid waste activities: _____	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> Yes <input type="checkbox"/> No						
g. Have hazardous wastes been generated, treated and/or disposed of at the site, or does the project site adjoin property which is now or was at one time used to commercially treat, store and/or dispose of hazardous waste? If Yes: i. Describe waste(s) handled and waste management activities, including approximate time when activities occurred: _____	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No						
h. Potential contamination history. Has there been a reported spill at the proposed project site, or have any remedial actions been conducted at or adjacent to the proposed site? If Yes: i. Is any portion of the site listed on the NYSDEC Spills Incidents database or Environmental Site Remediation database? Check all that apply: <table style="width: 100%; border: none;"> <tr> <td style="width: 40%;"><input type="checkbox"/> Yes – Spills Incidents database</td> <td>Provide DEC ID number(s): _____</td> </tr> <tr> <td><input type="checkbox"/> Yes – Environmental Site Remediation database</td> <td>Provide DEC ID number(s): _____</td> </tr> <tr> <td><input type="checkbox"/> Neither database</td> <td></td> </tr> </table> ii. If site has been subject of RCRA corrective activities, describe control measures: _____	<input type="checkbox"/> Yes – Spills Incidents database	Provide DEC ID number(s): _____	<input type="checkbox"/> Yes – Environmental Site Remediation database	Provide DEC ID number(s): _____	<input type="checkbox"/> Neither database		<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<input type="checkbox"/> Yes – Spills Incidents database	Provide DEC ID number(s): _____						
<input type="checkbox"/> Yes – Environmental Site Remediation database	Provide DEC ID number(s): _____						
<input type="checkbox"/> Neither database							
iii. Is the project within 2000 feet of any site in the NYSDEC Environmental Site Remediation database? If yes, provide DEC ID number(s): 734060, V00588, C734089, 88, 88A, C734143 iv. If yes to (i), (ii) or (iii) above, describe current status of site(s): _____	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No						

v. Is the project site subject to an institutional control limiting property uses? Yes No

- If yes, DEC site ID number: _____
- Describe the type of institutional control (e.g., deed restriction or easement): _____
- Describe any use limitations: _____
- Describe any engineering controls: _____
- Will the project affect the institutional or engineering controls in place? Yes No
- Explain: _____

E.2. Natural Resources On or Near Project Site

a. What is the average depth to bedrock on the project site? _____ feet

b. Are there bedrock outcroppings on the project site? Yes No
 If Yes, what proportion of the site is comprised of bedrock outcroppings? _____ %

c. Predominant soil type(s) present on project site: _____ %
 _____ %
 _____ %

d. What is the average depth to the water table on the project site? Average: _____ feet

e. Drainage status of project site soils: Well Drained: _____ % of site
 Moderately Well Drained: _____ % of site
 Poorly Drained _____ % of site

f. Approximate proportion of proposed action site with slopes: 0-10%: _____ % of site
 10-15%: _____ % of site
 15% or greater: _____ % of site

g. Are there any unique geologic features on the project site? Yes No
 If Yes, describe: _____

h. Surface water features.

i. Does any portion of the project site contain wetlands or other waterbodies (including streams, rivers, ponds or lakes)? Yes No

ii. Do any wetlands or other waterbodies adjoin the project site? Yes No

If Yes to either i or ii, continue. If No, skip to E.2.i.

iii. Are any of the wetlands or waterbodies within or adjoining the project site regulated by any federal, state or local agency? Yes No

iv. For each identified regulated wetland and waterbody on the project site, provide the following information:

- Streams: Name _____ Classification _____
- Lakes or Ponds: Name _____ Classification _____
- Wetlands: Name _____ Approximate Size _____
- Wetland No. (if regulated by DEC) _____

v. Are any of the above water bodies listed in the most recent compilation of NYS water quality-impaired waterbodies? Yes No
 If yes, name of impaired water body/bodies and basis for listing as impaired: _____

i. Is the project site in a designated Floodway? Yes No

j. Is the project site in the 100-year Floodplain? Yes No

k. Is the project site in the 500-year Floodplain? Yes No

l. Is the project site located over, or immediately adjoining, a primary, principal or sole source aquifer? Yes No
 If Yes:
 i. Name of aquifer: _____

m. Identify the predominant wildlife species that occupy or use the project site: Urban city acquainted wildlife _____ _____ _____	
n. Does the project site contain a designated significant natural community? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes:	
i. Describe the habitat/community (composition, function, and basis for designation): _____ _____	
ii. Source(s) of description or evaluation: _____	
iii. Extent of community/habitat:	
<ul style="list-style-type: none"> • Currently: _____ acres • Following completion of project as proposed: _____ acres • Gain or loss (indicate + or -): _____ acres 	
o. Does project site contain any species of plant or animal that is listed by the federal government or NYS as endangered or threatened, or does it contain any areas identified as habitat for an endangered or threatened species? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes:	
i. Species and listing (endangered or threatened): _____ _____ _____	
p. Does the project site contain any species of plant or animal that is listed by NYS as rare, or as a species of special concern? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes:	
i. Species and listing: _____ _____	
q. Is the project site or adjoining area currently used for hunting, trapping, fishing or shell fishing? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If yes, give a brief description of how the proposed action may affect that use: _____ _____	
E.3. Designated Public Resources On or Near Project Site	
a. Is the project site, or any portion of it, located in a designated agricultural district certified pursuant to Agriculture and Markets Law, Article 25-AA, Section 303 and 304? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes, provide county plus district name/number: _____	
b. Are agricultural lands consisting of highly productive soils present? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No i. If Yes: acreage(s) on project site? _____ ii. Source(s) of soil rating(s): _____	
c. Does the project site contain all or part of, or is it substantially contiguous to, a registered National Natural Landmark? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes:	
i. Nature of the natural landmark: <input type="checkbox"/> Biological Community <input type="checkbox"/> Geological Feature ii. Provide brief description of landmark, including values behind designation and approximate size/extent: _____ _____ _____	
d. Is the project site located in or does it adjoin a state listed Critical Environmental Area? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes:	
i. CEA name: _____ ii. Basis for designation: _____ iii. Designating agency and date: _____	

e. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places? If Yes: i. Nature of historic/archaeological resource: <input type="checkbox"/> Archaeological Site <input checked="" type="checkbox"/> Historic Building or District ii. Name: <u>Dupli Building and Amphion Piano Player Company Building</u> iii. Brief description of attributes on which listing is based: <u>historic buildings</u>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
f. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
g. Have additional archaeological or historic site(s) or resources been identified on the project site? If Yes: i. Describe possible resource(s): _____ ii. Basis for identification: _____	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
h. Is the project site within five miles of any officially designated and publicly accessible federal, state, or local scenic or aesthetic resource? If Yes: i. Identify resource: _____ ii. Nature of, or basis for, designation (e.g., established highway overlook, state or local park, state historic trail or scenic byway, etc.): _____ iii. Distance between project and resource: _____ miles.	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
i. Is the project site located within a designated river corridor under the Wild, Scenic and Recreational Rivers Program 6 NYCRR 666? If Yes: i. Identify the name of the river and its designation: _____ ii. Is the activity consistent with development restrictions contained in 6NYCRR Part 666?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> Yes <input type="checkbox"/> No

F. Additional Information

Attach any additional information which may be needed to clarify your project.

If you have identified any adverse impacts which could be associated with your proposal, please describe those impacts plus any measures which you propose to avoid or minimize them.

II. PROJECT INFORMATION

C. Description of Project

Phase 1

The original project description submitted to and approved by the Agency was as follows:

Our goal is to bring back to life a building that has been tremendously underutilized for the last 30 years. As a production facility much of the beauty of the building has been covered up. Our goal is to restore the historic beauty and create a vibrant, active environment. To do this, we have under contract the adjacent property at a very inflated price. Unfortunately the acquisition of this property is necessary to obtain parking that will enable us to activate the building.

This specific project entails the acquisition of the adjacent property and the construction of two areas of our building. 1) 15,000 feet of our warehouse that will be converted into a climbing gym. 2) 6,000 feet of the northwest corner of the building that will become a restaurant. Both uses will cater to the younger, active community that is growing in Franklin Square.

Upon completion of these two projects we will continue to develop roughly another 50,000 square feet of space left in the building.

Of this original project description, the first phase of the climbing gym has been completed. The Central Rock Gym occupies approximately 16,000 square feet in the Merrell Soule Building.¹

The completed portion of the original application is referred to herein as Phase 1. The costs of Phase 1 are as follows:

Description of Cost Type	Phase 1 Costs (original)	Phase 1 Costs (actual)
Land Acquisition	2,000,000	2,000,000
Site Work/Demo	600,000	
Building Construction & Renovation	962,000	700,000
Furniture & Fixtures		
Equipment		
Engineering/Architect Fees		
Financial Charges		
Legal Fees		
Other		
Management/Developer Fee		
Total	3,562,000	2,700,000

¹ It has been a very successful startup operation, with strong membership and acting as a tourist draw. The success is evidenced by the desire to expand. As part of this Amended Application, as part of Phase 2, Central Rock Gym is expanding by approximately 7,000 square feet, adding additional climbing walls and studio space for yoga and classes. Completed, Central Rock Gym will cement its position as the region's premier climbing gym.

Phase 2

Phase 2 consists of a full certified historic rehabilitation of the Merrell Soule Nonesuch Mincemeat Company Building (a/k/a the Dupli Building). The rehabilitation will be certified by the New York State Historic Preservation Office and National Park Service.

Merrell Soule is an approximately 160,000 sf historic building located in Franklin Square (in fact, the building faces Franklin Park). It is currently underutilized with only approximately 50,000 sf occupied. The building is mostly vacant and is in a mostly unfinished condition. In Phase 2, Applicant will invest almost \$9 million in a complete interior and exterior rehabilitation, all in compliance with New York State and National Park Service standards for rehabilitation of historic buildings. Applicant estimates the costs as follows:

Description of Cost Type	Phase 2 Costs - Merrell Soule Rehabilitation
Land Acquisition	-
Site Work/Demo	550,000
Building Construction & Renovation	5,931,746
Furniture & Fixtures	10,000
Equipment	946,000
Engineering/Architect Fees	225,000
Financial Charges	840,221
Legal Fees	195,000
Other	294,929
Management/Developer Fee	-
Total	8,992,896

When completed, the building will contain 37,500 sf of commercial office space, a 23,000 sf climbing gym and exercise/training facility, 25,000 sf of commercial storage, 45,000 sf in residential space (39 units) and 3,500 sf of retail space.

Phase 3

Phase 3 will be the rehabilitation of the Amphion Piano Player Company Building (a/k/a Syracuse Scale). Amphion is an historic 62,000 sf former factory. In a state of severe disrepair (the roof is failing and the interior is rotting and deteriorating, restoring this property will require a significant capital investment. Applicant's estimated costs are:

Description of Cost Type	Phase 3 Costs - Amphion Piano Player Factory Rehabilitation
Land Acquisition	-
Site Work/Demo	1,075,489
Building Construction & Renovation	7,285,146
Furniture & Fixtures	12,282
Equipment	1,161,841
Engineering/Architect Fees	217,596
Financial Charges	495,000
Legal Fees	175,000
Other	332,549
Management/Developer Fee	-
Total	10,754,903

When completed, Amphion will have approximately 24,000 sf of residential space (approximately 20 units), 20,000 sf of commercial office space, and 9,500 sf in retail space.

Schedule

Phase 1 is completed. To the extent the project described in the original application has not been completed, it is being replaced by the work being completed in Phase 2.

Phase 2 will begin on or about June 1, 2020 with a completion projected for October 2021. Phase 3 of the Project is subject to approval by SHPO and National Park Service. It is expected that these approvals will not be in hand until late 2020. It is expected that Phase 3 construction will not begin until early 2021 with a completion in early 2022.

SEQRA RESOLUTION

SEQRA RESOLUTION

As a result of the public health emergency created by COVID-19, the Federal, State and local bans on meetings or gatherings, and pursuant to Governor Cuomo's Executive Order 202.1 issued on March 12, 2020, as amended from time to time, the City of Syracuse Industrial Development Agency (the "**Agency**") held a meeting on the 21st day of April, 2020, at 8:00 a.m., local time, electronically which was made available via Webex at: <https://bit.ly/syrsida-04082020> (or by accessing the link on the Agency's website) and using meeting number 713 934 932 and password SIDA; or via telephone at (408) 418-9388 with access code: 713 934 932, in conjunction with the matter set forth below.

The meeting was called to order by the Chair and upon the roll being duly called, the following members were:

PRESENT VIA TELE/VIDEOCONFERENCE (in accordance with the Governor's Executive Order 202.1): Kathleen Murphy, Steven Thompson, Kenneth Kinsey, Rickey T. Brown and Dirk Sonneborn

THE FOLLOWING PERSONS WERE ALSO PRESENT VIA TELE/VIDEOCONFERENCE (in accordance with the Governor's Executive Order 202.1): Staff Present: Judith DeLaney, Susan Katzoff, Esq., John Vavonese, Lori McRobbie; Others Present: Timothy Lynn, Esq., Chuck Sangster, Kate Maguire, Esq., Jen Tiff; Media Present: Rick Moriarty

The following resolution was offered by Steven Thompson and seconded by Kenneth Kinsey:

**RESOLUTION DETERMINING THAT THE
UNDERTAKING OF A CERTAIN PROJECT AT THE
REQUEST OF DUPLI ASSOCIATES, LLC WILL NOT
HAVE A SIGNIFICANT EFFECT ON THE
ENVIRONMENT**

WHEREAS, the Agency is authorized and empowered by Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the "**Act**"), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, for the purpose of promoting economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, Dupli Associates, LLC, or an entity to be formed (the "**Company**"), by application dated February 4, 2020 (the "**Application**"), requested the Agency undertake a project (the "**Project**") consisting of: (A)(i) the continuation of an interest in two parcels of

improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximately 149,000 sq.ft. building ("**Building 1**") (bearing tax parcel identification number 118.-06-08.0); and 156 Solar Street and Division Street W. improved by an approximately 62,800 sq.ft. building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), each in the City of Syracuse (the foregoing collectively referred to as the "**Land**"); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units; and approximately 3,500 sq.ft. of retail space; and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, pursuant to State Environmental Quality Review Act and the regulations promulgated thereunder ("**SEQRA**"), the Agency is required to make a determination with respect to the environmental impact of any "action" (as defined by SEQRA) to be taken by the Agency and the approval of a project and grant of financial assistance constitute such an action; and

WHEREAS, to aid the Agency in determining whether undertaking the Project may have a significant impact upon the environment, the Company has prepared and submitted to the Agency Part 1 of an Environmental Assessment Form (the "**EAF**") with respect to the Project, a copy of which is attached here as **Exhibit "A"** and on file at the office of the Agency; and

WHEREAS, the Agency examined the EAF in order to classify the Project; and

WHEREAS, by resolution adopted March 17, 2020, the Agency classified the Project as a Type 1 Action and declared the intent of the Agency to be "lead agency" (as defined by SEQRA) for the purposes of a conducting a coordinated environmental review pursuant to SEQRA; and

WHEREAS, by letter dated March 18, 2020 notice was given to each "involved agency" (as defined by SEQRA) identified by the Company of the Agency's declaration to act as lead agency; and

WHEREAS, as a result of its careful review and examination of the Project, the Agency finds that, on balance, and after careful consideration of all relevant Project documentation, it has more than adequate information to evaluate as required by SEQRA all of the relevant benefits and potential impacts of the Project; and

WHEREAS, the Agency has prepared a negative declaration that summarizes its consideration of potential impacts in accordance with SEQRA; and

NOW, THEREFORE, be it resolved by the members of the City of Syracuse Industrial Development Agency, as follows:

(1) Based upon an examination of the EAF prepared and other information furnished by the Company, the criteria contained in 6 NYCRR §617.7(c), and based further upon the Agency's knowledge of the area surrounding the Project Facility, all the representations made by the Company in connection with the Project, and such further investigation of the Project and its environmental effects as the Agency has deemed appropriate, the Agency makes the following findings and determinations with respect to the Project pursuant to SEQRA:

(a) The Project consists of the components described above in the second WHEREAS clause of this Resolution and constitutes a "project" as such term is defined in the Act;

(b) The Project constitutes a Type 1 Action;

(c) The Agency declared itself lead agency with respect to a coordinated review of the Project pursuant to SEQRA;

(d) The Project will not have a significant effect on the environment, and the Agency will not require the preparation of an Environmental Impact Statement with respect to the Project; and

(e) As a consequence of the foregoing, the Agency has prepared a Parts 2 and 3 of the Full EAF with respect to the Project, a copy of which is attached hereto as **Exhibit "B"**, which shall be filed in the office of the Agency in a file that is readily accessible to the public and the Executive Director of the Agency is hereby authorized to execute and cause publication of and distribution of this negative declaration in accordance with SEQRA.

(2) A copy of this Resolution, together with the attachments hereto, shall be placed on file in the office of the Agency where the same shall be available for public inspection during business hours.

(3) The Secretary of the Agency is hereby authorized and directed to distribute copies of this Resolution to the Company and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

The question of the adoption of the foregoing resolution was duly put to vote on a roll call, which resulted as follows:

PART 1 OF FULL EAF

Full Environmental Assessment Form
Part 1 - Project and Setting

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either “Yes” or “No”. If the answer to the initial question is “Yes”, complete the sub-questions that follow. If the answer to the initial question is “No”, proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the applicant or project sponsor to verify that the information contained in Part 1 is accurate and complete.

C. Planning and Zoning

C.1. Planning and zoning actions.

Will administrative or legislative adoption, or amendment of a plan, local law, ordinance, rule or regulation be the only approval(s) which must be granted to enable the proposed action to proceed? Yes No

- **If Yes**, complete sections C, F and G.
- **If No**, proceed to question C.2 and complete all remaining sections and questions in Part 1

C.2. Adopted land use plans.

a. Do any municipally- adopted (city, town, village or county) comprehensive land use plan(s) include the site where the proposed action would be located? Yes No

If Yes, does the comprehensive plan include specific recommendations for the site where the proposed action would be located? Yes No

b. Is the site of the proposed action within any local or regional special planning district (for example: Greenway; Brownfield Opportunity Area (BOA); designated State or Federal heritage area; watershed management plan; or other?) Yes No

If Yes, identify the plan(s):

c. Is the proposed action located wholly or partially within an area listed in an adopted municipal open space plan, or an adopted municipal farmland protection plan? Yes No

If Yes, identify the plan(s):

C.3. Zoning

a. Is the site of the proposed action located in a municipality with an adopted zoning law or ordinance. Yes No
If Yes, what is the zoning classification(s) including any applicable overlay district?

b. Is the use permitted or allowed by a special or conditional use permit? Yes No

c. Is a zoning change requested as part of the proposed action? Yes No

If Yes,

i. What is the proposed new zoning for the site? _____

C.4. Existing community services.

a. In what school district is the project site located? _____

b. What police or other public protection forces serve the project site?

c. Which fire protection and emergency medical services serve the project site?

d. What parks serve the project site?

D. Project Details

D.1. Proposed and Potential Development

a. What is the general nature of the proposed action (e.g., residential, industrial, commercial, recreational; if mixed, include all components)?

b. a. Total acreage of the site of the proposed action? _____ acres
b. Total acreage to be physically disturbed? _____ acres
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor? _____ acres

c. Is the proposed action an expansion of an existing project or use? Yes No
i. If Yes, what is the approximate percentage of the proposed expansion and identify the units (e.g., acres, miles, housing units, square feet)? % _____ Units: _____

d. Is the proposed action a subdivision, or does it include a subdivision? Yes No
If Yes,
i. Purpose or type of subdivision? (e.g., residential, industrial, commercial; if mixed, specify types)

ii. Is a cluster/conservation layout proposed? Yes No

iii. Number of lots proposed? _____

iv. Minimum and maximum proposed lot sizes? Minimum _____ Maximum _____

e. Will the proposed action be constructed in multiple phases? Yes No

i. If No, anticipated period of construction: _____ months

ii. If Yes:

- Total number of phases anticipated _____
- Anticipated commencement date of phase 1 (including demolition) _____ month _____ year
- Anticipated completion date of final phase _____ month _____ year

• Generally describe connections or relationships among phases, including any contingencies where progress of one phase may determine timing or duration of future phases: Construction financing must be completed on each phase prior to the commencement of the ensuing phase.

f. Does the project include new residential uses? Yes No
 If Yes, show numbers of units proposed.

	<u>One Family</u>	<u>Two Family</u>	<u>Three Family</u>	<u>Multiple Family (four or more)</u>
Initial Phase	_____	_____	_____	_____
At completion	_____	_____	_____	_____
of all phases	_____	_____	_____	_____

g. Does the proposed action include new non-residential construction (including expansions)? Yes No
 If Yes,

i. Total number of structures _____

ii. Dimensions (in feet) of largest proposed structure: _____ height; _____ width; and _____ length

iii. Approximate extent of building space to be heated or cooled: _____ square feet

h. Does the proposed action include construction or other activities that will result in the impoundment of any liquids, such as creation of a water supply, reservoir, pond, lake, waste lagoon or other storage? Yes No
 If Yes,

i. Purpose of the impoundment: _____

ii. If a water impoundment, the principal source of the water: Ground water Surface water streams Other specify: _____

iii. If other than water, identify the type of impounded/contained liquids and their source. _____

iv. Approximate size of the proposed impoundment. Volume: _____ million gallons; surface area: _____ acres

v. Dimensions of the proposed dam or impounding structure: _____ height; _____ length

vi. Construction method/materials for the proposed dam or impounding structure (e.g., earth fill, rock, wood, concrete): _____

D.2. Project Operations

a. Does the proposed action include any excavation, mining, or dredging, during construction, operations, or both? Yes No
 (Not including general site preparation, grading or installation of utilities or foundations where all excavated materials will remain onsite)
 If Yes:

i. What is the purpose of the excavation or dredging? _____

ii. How much material (including rock, earth, sediments, etc.) is proposed to be removed from the site?

- Volume (specify tons or cubic yards): _____
- Over what duration of time? _____

iii. Describe nature and characteristics of materials to be excavated or dredged, and plans to use, manage or dispose of them. _____

iv. Will there be onsite dewatering or processing of excavated materials? Yes No
 If yes, describe. _____

v. What is the total area to be dredged or excavated? _____ acres

vi. What is the maximum area to be worked at any one time? _____ acres

vii. What would be the maximum depth of excavation or dredging? _____ feet

viii. Will the excavation require blasting? Yes No

ix. Summarize site reclamation goals and plan: _____

b. Would the proposed action cause or result in alteration of, increase or decrease in size of, or encroachment into any existing wetland, waterbody, shoreline, beach or adjacent area? Yes No
 If Yes:

i. Identify the wetland or waterbody which would be affected (by name, water index number, wetland map number or geographic description): _____

ii. Describe how the proposed action would affect that waterbody or wetland, e.g. excavation, fill, placement of structures, or alteration of channels, banks and shorelines. Indicate extent of activities, alterations and additions in square feet or acres:

iii. Will the proposed action cause or result in disturbance to bottom sediments? Yes No

If Yes, describe: _____

iv. Will the proposed action cause or result in the destruction or removal of aquatic vegetation? Yes No

If Yes:

- acres of aquatic vegetation proposed to be removed: _____
- expected acreage of aquatic vegetation remaining after project completion: _____
- purpose of proposed removal (e.g. beach clearing, invasive species control, boat access): _____
- proposed method of plant removal: _____
- if chemical/herbicide treatment will be used, specify product(s): _____

v. Describe any proposed reclamation/mitigation following disturbance: _____

c. Will the proposed action use, or create a new demand for water? Yes No

If Yes:

i. Total anticipated water usage/demand per day: _____ gallons/day

ii. Will the proposed action obtain water from an existing public water supply? Yes No

If Yes:

- Name of district or service area: _____
- Does the existing public water supply have capacity to serve the proposal? Yes No
- Is the project site in the existing district? Yes No
- Is expansion of the district needed? Yes No
- Do existing lines serve the project site? Yes No

iii. Will line extension within an existing district be necessary to supply the project? Yes No

If Yes:

- Describe extensions or capacity expansions proposed to serve this project: _____
- Source(s) of supply for the district: _____

iv. Is a new water supply district or service area proposed to be formed to serve the project site? Yes No

If Yes:

- Applicant/sponsor for new district: _____
- Date application submitted or anticipated: _____
- Proposed source(s) of supply for new district: _____

v. If a public water supply will not be used, describe plans to provide water supply for the project: _____

vi. If water supply will be from wells (public or private), what is the maximum pumping capacity: _____ gallons/minute.

d. Will the proposed action generate liquid wastes? Yes No

If Yes:

i. Total anticipated liquid waste generation per day: _____ gallons/day

ii. Nature of liquid wastes to be generated (e.g., sanitary wastewater, industrial; if combination, describe all components and approximate volumes or proportions of each): Sanitary wastewater

iii. Will the proposed action use any existing public wastewater treatment facilities? Yes No

If Yes:

- Name of wastewater treatment plant to be used: _____
- Name of district: _____
- Does the existing wastewater treatment plant have capacity to serve the project? Yes No
- Is the project site in the existing district? Yes No
- Is expansion of the district needed? Yes No

• Do existing sewer lines serve the project site? Yes No
 • Will a line extension within an existing district be necessary to serve the project? Yes No
 If Yes:
 • Describe extensions or capacity expansions proposed to serve this project: _____

iv. Will a new wastewater (sewage) treatment district be formed to serve the project site? Yes No
 If Yes:
 • Applicant/sponsor for new district: _____
 • Date application submitted or anticipated: _____
 • What is the receiving water for the wastewater discharge? _____

v. If public facilities will not be used, describe plans to provide wastewater treatment for the project, including specifying proposed receiving water (name and classification if surface discharge or describe subsurface disposal plans):

vi. Describe any plans or designs to capture, recycle or reuse liquid waste: _____

e. Will the proposed action disturb more than one acre and create stormwater runoff, either from new point sources (i.e. ditches, pipes, swales, curbs, gutters or other concentrated flows of stormwater) or non-point source (i.e. sheet flow) during construction or post construction? Yes No
 If Yes:
 i. How much impervious surface will the project create in relation to total size of project parcel?
 _____ Square feet or _____ acres (impervious surface)
 _____ Square feet or _____ acres (parcel size)
 ii. Describe types of new point sources. _____

iii. Where will the stormwater runoff be directed (i.e. on-site stormwater management facility/structures, adjacent properties, groundwater, on-site surface water or off-site surface waters)?

 • If to surface waters, identify receiving water bodies or wetlands: _____

 • Will stormwater runoff flow to adjacent properties? Yes No

iv. Does the proposed plan minimize impervious surfaces, use pervious materials or collect and re-use stormwater? Yes No

f. Does the proposed action include, or will it use on-site, one or more sources of air emissions, including fuel combustion, waste incineration, or other processes or operations? Yes No
 If Yes, identify:
 i. Mobile sources during project operations (e.g., heavy equipment, fleet or delivery vehicles)

 ii. Stationary sources during construction (e.g., power generation, structural heating, batch plant, crushers)

 iii. Stationary sources during operations (e.g., process emissions, large boilers, electric generation)

g. Will any air emission sources named in D.2.f (above), require a NY State Air Registration, Air Facility Permit, or Federal Clean Air Act Title IV or Title V Permit? Yes No
 If Yes:
 i. Is the project site located in an Air quality non-attainment area? (Area routinely or periodically fails to meet ambient air quality standards for all or some parts of the year) Yes No
 ii. In addition to emissions as calculated in the application, the project will generate:
 • _____ Tons/year (short tons) of Carbon Dioxide (CO₂)
 • _____ Tons/year (short tons) of Nitrous Oxide (N₂O)
 • _____ Tons/year (short tons) of Perfluorocarbons (PFCs)
 • _____ Tons/year (short tons) of Sulfur Hexafluoride (SF₆)
 • _____ Tons/year (short tons) of Carbon Dioxide equivalent of Hydroflouorocarbons (HFCs)
 • _____ Tons/year (short tons) of Hazardous Air Pollutants (HAPs)

h. Will the proposed action generate or emit methane (including, but not limited to, sewage treatment plants, landfills, composting facilities)? Yes No
 If Yes:
 i. Estimate methane generation in tons/year (metric): _____
 ii. Describe any methane capture, control or elimination measures included in project design (e.g., combustion to generate heat or electricity, flaring): _____

i. Will the proposed action result in the release of air pollutants from open-air operations or processes, such as quarry or landfill operations? Yes No
 If Yes: Describe operations and nature of emissions (e.g., diesel exhaust, rock particulates/dust): _____

j. Will the proposed action result in a substantial increase in traffic above present levels or generate substantial new demand for transportation facilities or services? Yes No
 If Yes:
 i. When is the peak traffic expected (Check all that apply): Morning Evening Weekend
 Randomly between hours of _____ to _____.
 ii. For commercial activities only, projected number of truck trips/day and type (e.g., semi trailers and dump trucks): _____
 iii. Parking spaces: Existing _____ Proposed _____ Net increase/decrease _____
 iv. Does the proposed action include any shared use parking? Yes No
 v. If the proposed action includes any modification of existing roads, creation of new roads or change in existing access, describe: _____
 vi. Are public/private transportation service(s) or facilities available within 1/2 mile of the proposed site? Yes No
 vii. Will the proposed action include access to public transportation or accommodations for use of hybrid, electric or other alternative fueled vehicles? Yes No
 viii. Will the proposed action include plans for pedestrian or bicycle accommodations for connections to existing pedestrian or bicycle routes? Yes No

k. Will the proposed action (for commercial or industrial projects only) generate new or additional demand for energy? Yes No
 If Yes:
 i. Estimate annual electricity demand during operation of the proposed action: 700,000 kWh per year
 ii. Anticipated sources/suppliers of electricity for the project (e.g., on-site combustion, on-site renewable, via grid/local utility, or other): Grid/Local Utility
 iii. Will the proposed action require a new, or an upgrade, to an existing substation? Yes No

l. Hours of operation. Answer all items which apply.
 i. During Construction:
 • Monday - Friday: _____
 • Saturday: _____
 • Sunday: _____
 • Holidays: _____
 ii. During Operations:
 • Monday - Friday: _____
 • Saturday: _____
 • Sunday: _____
 • Holidays: _____

m. Will the proposed action produce noise that will exceed existing ambient noise levels during construction, operation, or both? Yes No
 If yes:
 i. Provide details including sources, time of day and duration:

ii. Will the proposed action remove existing natural barriers that could act as a noise barrier or screen? Yes No
 Describe: _____

n. Will the proposed action have outdoor lighting? Yes No
 If yes:
 i. Describe source(s), location(s), height of fixture(s), direction/aim, and proximity to nearest occupied structures:

ii. Will proposed action remove existing natural barriers that could act as a light barrier or screen? Yes No
 Describe: _____

o. Does the proposed action have the potential to produce odors for more than one hour per day? Yes No
 If Yes, describe possible sources, potential frequency and duration of odor emissions, and proximity to nearest occupied structures: _____

p. Will the proposed action include any bulk storage of petroleum (combined capacity of over 1,100 gallons) or chemical products 185 gallons in above ground storage or any amount in underground storage? Yes No
 If Yes:
 i. Product(s) to be stored _____
 ii. Volume(s) _____ per unit time _____ (e.g., month, year)
 iii. Generally, describe the proposed storage facilities: _____

q. Will the proposed action (commercial, industrial and recreational projects only) use pesticides (i.e., herbicides, insecticides) during construction or operation? Yes No
 If Yes:
 i. Describe proposed treatment(s):

ii. Will the proposed action use Integrated Pest Management Practices? Yes No

r. Will the proposed action (commercial or industrial projects only) involve or require the management or disposal of solid waste (excluding hazardous materials)? Yes No
 If Yes:
 i. Describe any solid waste(s) to be generated during construction or operation of the facility:
 • Construction: _____ tons per _____ (unit of time)
 • Operation : _____ tons per _____ (unit of time)
 ii. Describe any proposals for on-site minimization, recycling or reuse of materials to avoid disposal as solid waste:
 • Construction: _____

 • Operation: _____

 iii. Proposed disposal methods/facilities for solid waste generated on-site:
 • Construction: _____

 • Operation: _____

s. Does the proposed action include construction or modification of a solid waste management facility? Yes No
 If Yes:
 i. Type of management or handling of waste proposed for the site (e.g., recycling or transfer station, composting, landfill, or other disposal activities): _____
 ii. Anticipated rate of disposal/processing:
 • _____ Tons/month, if transfer or other non-combustion/thermal treatment, or
 • _____ Tons/hour, if combustion or thermal treatment
 iii. If landfill, anticipated site life: _____ years

t. Will the proposed action at the site involve the commercial generation, treatment, storage, or disposal of hazardous waste? Yes No
 If Yes:
 i. Name(s) of all hazardous wastes or constituents to be generated, handled or managed at facility: _____

 ii. Generally describe processes or activities involving hazardous wastes or constituents: _____

 iii. Specify amount to be handled or generated _____ tons/month
 iv. Describe any proposals for on-site minimization, recycling or reuse of hazardous constituents: _____

 v. Will any hazardous wastes be disposed at an existing offsite hazardous waste facility? Yes No
 If Yes: provide name and location of facility: _____

 If No: describe proposed management of any hazardous wastes which will not be sent to a hazardous waste facility:
There is no hazardous waste at the site

E. Site and Setting of Proposed Action

E.1. Land uses on and surrounding the project site

a. Existing land uses.
 i. Check all uses that occur on, adjoining and near the project site.
 Urban Industrial Commercial Residential (suburban) Rural (non-farm)
 Forest Agriculture Aquatic Other (specify): _____
 ii. If mix of uses, generally describe:

b. Land uses and covertypes on the project site.

Land use or Covertypes	Current Acreage	Acreage After Project Completion	Change (Acres +/-)
• Roads, buildings, and other paved or impervious surfaces			
• Forested			
• Meadows, grasslands or brushlands (non-agricultural, including abandoned agricultural)			
• Agricultural (includes active orchards, field, greenhouse etc.)			
• Surface water features (lakes, ponds, streams, rivers, etc.)			
• Wetlands (freshwater or tidal)			
• Non-vegetated (bare rock, earth or fill)			
• Other Describe: _____ _____			

c. Is the project site presently used by members of the community for public recreation? Yes No
i. If Yes: explain: _____

d. Are there any facilities serving children, the elderly, people with disabilities (e.g., schools, hospitals, licensed day care centers, or group homes) within 1500 feet of the project site? Yes No
If Yes,
i. Identify Facilities:

e. Does the project site contain an existing dam? Yes No
If Yes:
i. Dimensions of the dam and impoundment:

- Dam height: _____ feet
- Dam length: _____ feet
- Surface area: _____ acres
- Volume impounded: _____ gallons OR acre-feet

ii. Dam's existing hazard classification: _____
iii. Provide date and summarize results of last inspection:

f. Has the project site ever been used as a municipal, commercial or industrial solid waste management facility, or does the project site adjoin property which is now, or was at one time, used as a solid waste management facility? Yes No
If Yes:
i. Has the facility been formally closed? Yes No

- If yes, cite sources/documentation: _____

ii. Describe the location of the project site relative to the boundaries of the solid waste management facility:

g. Have hazardous wastes been generated, treated and/or disposed of at the site, or does the project site adjoin property which is now or was at one time used to commercially treat, store and/or dispose of hazardous waste? Yes No
If Yes:
i. Describe waste(s) handled and waste management activities, including approximate time when activities occurred:

h. Potential contamination history. Has there been a reported spill at the proposed project site, or have any remedial actions been conducted at or adjacent to the proposed site? Yes No
If Yes:
i. Is any portion of the site listed on the NYSDEC Spills Incidents database or Environmental Site Remediation database? Check all that apply: Yes No
 Yes – Spills Incidents database Provide DEC ID number(s): _____
 Yes – Environmental Site Remediation database Provide DEC ID number(s): _____
 Neither database
ii. If site has been subject of RCRA corrective activities, describe control measures: _____

iii. Is the project within 2000 feet of any site in the NYSDEC Environmental Site Remediation database? Yes No
If yes, provide DEC ID number(s): _____
iv. If yes to (i), (ii) or (iii) above, describe current status of site(s):

v. Is the project site subject to an institutional control limiting property uses? Yes No

- If yes, DEC site ID number: _____
- Describe the type of institutional control (e.g., deed restriction or easement): _____
- Describe any use limitations: _____
- Describe any engineering controls: _____
- Will the project affect the institutional or engineering controls in place? Yes No
- Explain: _____

E.2. Natural Resources On or Near Project Site

a. What is the average depth to bedrock on the project site? _____ feet

b. Are there bedrock outcroppings on the project site? Yes No
 If Yes, what proportion of the site is comprised of bedrock outcroppings? _____%

c. Predominant soil type(s) present on project site: _____ %
 _____ %
 _____ %

d. What is the average depth to the water table on the project site? Average: _____ feet

e. Drainage status of project site soils: Well Drained: _____ % of site
 Moderately Well Drained: _____ % of site
 Poorly Drained _____ % of site

f. Approximate proportion of proposed action site with slopes: 0-10%: _____ % of site
 10-15%: _____ % of site
 15% or greater: _____ % of site

g. Are there any unique geologic features on the project site? Yes No
 If Yes, describe: _____

h. Surface water features.

i. Does any portion of the project site contain wetlands or other waterbodies (including streams, rivers, ponds or lakes)? Yes No

ii. Do any wetlands or other waterbodies adjoin the project site? Yes No
 If Yes to either *i* or *ii*, continue. If No, skip to E.2.i.

iii. Are any of the wetlands or waterbodies within or adjoining the project site regulated by any federal, state or local agency? Yes No

iv. For each identified regulated wetland and waterbody on the project site, provide the following information:

- Streams: Name _____ Classification _____
- Lakes or Ponds: Name _____ Classification _____
- Wetlands: Name _____ Approximate Size _____
- Wetland No. (if regulated by DEC) _____

v. Are any of the above water bodies listed in the most recent compilation of NYS water quality-impaired waterbodies? Yes No
 If yes, name of impaired water body/bodies and basis for listing as impaired: _____

i. Is the project site in a designated Floodway? Yes No

j. Is the project site in the 100-year Floodplain? Yes No

k. Is the project site in the 500-year Floodplain? Yes No

l. Is the project site located over, or immediately adjoining, a primary, principal or sole source aquifer? Yes No
 If Yes:
 i. Name of aquifer: _____

m. Identify the predominant wildlife species that occupy or use the project site: _____ _____ _____	
n. Does the project site contain a designated significant natural community? <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes: <i>i.</i> Describe the habitat/community (composition, function, and basis for designation): _____ _____ <i>ii.</i> Source(s) of description or evaluation: _____ <i>iii.</i> Extent of community/habitat: <ul style="list-style-type: none"> • Currently: _____ acres • Following completion of project as proposed: _____ acres • Gain or loss (indicate + or -): _____ acres 	
o. Does project site contain any species of plant or animal that is listed by the federal government or NYS as endangered or threatened, or does it contain any areas identified as habitat for an endangered or threatened species? <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes: <i>i.</i> Species and listing (endangered or threatened): _____ _____ _____	
p. Does the project site contain any species of plant or animal that is listed by NYS as rare, or as a species of special concern? <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes: <i>i.</i> Species and listing: _____ _____	
q. Is the project site or adjoining area currently used for hunting, trapping, fishing or shell fishing? <input type="checkbox"/> Yes <input type="checkbox"/> No If yes, give a brief description of how the proposed action may affect that use: _____ _____	
E.3. Designated Public Resources On or Near Project Site	
a. Is the project site, or any portion of it, located in a designated agricultural district certified pursuant to Agriculture and Markets Law, Article 25-AA, Section 303 and 304? <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes, provide county plus district name/number: _____	
b. Are agricultural lands consisting of highly productive soils present? <input type="checkbox"/> Yes <input type="checkbox"/> No <i>i.</i> If Yes: acreage(s) on project site? _____ <i>ii.</i> Source(s) of soil rating(s): _____	
c. Does the project site contain all or part of, or is it substantially contiguous to, a registered National Natural Landmark? <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes: <i>i.</i> Nature of the natural landmark: <input type="checkbox"/> Biological Community <input type="checkbox"/> Geological Feature <i>ii.</i> Provide brief description of landmark, including values behind designation and approximate size/extent: _____ _____ _____	
d. Is the project site located in or does it adjoin a state listed Critical Environmental Area? <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes: <i>i.</i> CEA name: _____ <i>ii.</i> Basis for designation: _____ <i>iii.</i> Designating agency and date: _____	

<p>e. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Nature of historic/archaeological resource: <input type="checkbox"/> Archaeological Site <input type="checkbox"/> Historic Building or District</p> <p>ii. Name: <u>Dupli Building and Amphion Piano Player Company Building</u></p> <p>iii. Brief description of attributes on which listing is based: <u>historic buildings</u></p>
<p>f. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>
<p>g. Have additional archaeological or historic site(s) or resources been identified on the project site? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Describe possible resource(s): _____</p> <p>ii. Basis for identification: _____</p>
<p>h. Is the project site within five miles of any officially designated and publicly accessible federal, state, or local scenic or aesthetic resource? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Identify resource: _____</p> <p>ii. Nature of, or basis for, designation (e.g., established highway overlook, state or local park, state historic trail or scenic byway, etc.): _____</p> <p>iii. Distance between project and resource: _____ miles.</p>
<p>i. Is the project site located within a designated river corridor under the Wild, Scenic and Recreational Rivers Program 6 NYCRR 666? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Identify the name of the river and its designation: _____</p> <p>ii. Is the activity consistent with development restrictions contained in 6NYCRR Part 666? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>

F. Additional Information

Attach any additional information which may be needed to clarify your project.

If you have identified any adverse impacts which could be associated with your proposal, please describe those impacts plus any measures which you propose to avoid or minimize them.

PARTS 2 AND 3 OF FULL EAF AND NARRATIVE

Full Environmental Assessment Form
Part 2 - Identification of Potential Project Impacts

Project :

Date :

Part 2 is to be completed by the lead agency. Part 2 is designed to help the lead agency inventory all potential resources that could be affected by a proposed project or action. We recognize that the lead agency’s reviewer(s) will not necessarily be environmental professionals. So, the questions are designed to walk a reviewer through the assessment process by providing a series of questions that can be answered using the information found in Part 1. To further assist the lead agency in completing Part 2, the form identifies the most relevant questions in Part 1 that will provide the information needed to answer the Part 2 question. When Part 2 is completed, the lead agency will have identified the relevant environmental areas that may be impacted by the proposed activity.

If the lead agency is a state agency **and** the action is in any Coastal Area, complete the Coastal Assessment Form before proceeding with this assessment.

Tips for completing Part 2:

- Review all of the information provided in Part 1.
- Review any application, maps, supporting materials and the Full EAF Workbook.
- Answer each of the 18 questions in Part 2.
- If you answer “**Yes**” to a numbered question, please complete all the questions that follow in that section.
- If you answer “**No**” to a numbered question, move on to the next numbered question.
- Check appropriate column to indicate the anticipated size of the impact.
- Proposed projects that would exceed a numeric threshold contained in a question should result in the reviewing agency checking the box “Moderate to large impact may occur.”
- The reviewer is not expected to be an expert in environmental analysis.
- If you are not sure or undecided about the size of an impact, it may help to review the sub-questions for the general question and consult the workbook.
- When answering a question consider all components of the proposed activity, that is, the “whole action”.
- Consider the possibility for long-term and cumulative impacts as well as direct impacts.
- Answer the question in a reasonable manner considering the scale and context of the project.

1. Impact on Land			
Proposed action may involve construction on, or physical alteration of, the land surface of the proposed site. (See Part 1. D.1)		<input type="checkbox"/> NO	<input type="checkbox"/> YES
<i>If “Yes”, answer questions a - j. If “No”, move on to Section 2.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may involve construction on land where depth to water table is less than 3 feet.	E2d	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may involve construction on slopes of 15% or greater.	E2f	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may involve construction on land where bedrock is exposed, or generally within 5 feet of existing ground surface.	E2a	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may involve the excavation and removal of more than 1,000 tons of natural material.	D2a	<input type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may involve construction that continues for more than one year or in multiple phases.	D1e	<input type="checkbox"/>	<input type="checkbox"/>
f. The proposed action may result in increased erosion, whether from physical disturbance or vegetation removal (including from treatment by herbicides).	D2e, D2q	<input type="checkbox"/>	<input type="checkbox"/>
g. The proposed action is, or may be, located within a Coastal Erosion hazard area.	B1i	<input type="checkbox"/>	<input type="checkbox"/>
h. Other impacts: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>

2. Impact on Geological Features The proposed action may result in the modification or destruction of, or inhibit access to, any unique or unusual land forms on the site (e.g., cliffs, dunes, minerals, fossils, caves). (See Part 1. E.2.g) <input type="checkbox"/> NO <input type="checkbox"/> YES <i>If "Yes", answer questions a - c. If "No", move on to Section 3.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. Identify the specific land form(s) attached: _____ _____	E2g	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may affect or is adjacent to a geological feature listed as a registered National Natural Landmark. Specific feature: _____	E3c	<input type="checkbox"/>	<input type="checkbox"/>
c. Other impacts: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>

3. Impacts on Surface Water The proposed action may affect one or more wetlands or other surface water bodies (e.g., streams, rivers, ponds or lakes). (See Part 1. D.2, E.2.h) <input type="checkbox"/> NO <input type="checkbox"/> YES <i>If "Yes", answer questions a - l. If "No", move on to Section 4.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may create a new water body.	D2b, D1h	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may result in an increase or decrease of over 10% or more than a 10 acre increase or decrease in the surface area of any body of water.	D2b	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may involve dredging more than 100 cubic yards of material from a wetland or water body.	D2a	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may involve construction within or adjoining a freshwater or tidal wetland, or in the bed or banks of any other water body.	E2h	<input type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may create turbidity in a waterbody, either from upland erosion, runoff or by disturbing bottom sediments.	D2a, D2h	<input type="checkbox"/>	<input type="checkbox"/>
f. The proposed action may include construction of one or more intake(s) for withdrawal of water from surface water.	D2c	<input type="checkbox"/>	<input type="checkbox"/>
g. The proposed action may include construction of one or more outfall(s) for discharge of wastewater to surface water(s).	D2d	<input type="checkbox"/>	<input type="checkbox"/>
h. The proposed action may cause soil erosion, or otherwise create a source of stormwater discharge that may lead to siltation or other degradation of receiving water bodies.	D2e	<input type="checkbox"/>	<input type="checkbox"/>
i. The proposed action may affect the water quality of any water bodies within or downstream of the site of the proposed action.	E2h	<input type="checkbox"/>	<input type="checkbox"/>
j. The proposed action may involve the application of pesticides or herbicides in or around any water body.	D2q, E2h	<input type="checkbox"/>	<input type="checkbox"/>
k. The proposed action may require the construction of new, or expansion of existing, wastewater treatment facilities.	D1a, D2d	<input type="checkbox"/>	<input type="checkbox"/>

I. Other impacts: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>
----------------------------------	--	--------------------------	--------------------------

4. Impact on groundwater The proposed action may result in new or additional use of ground water, or may have the potential to introduce contaminants to ground water or an aquifer. <input type="checkbox"/> NO <input type="checkbox"/> YES (See Part 1. D.2.a, D.2.c, D.2.d, D.2.p, D.2.q, D.2.t) <i>If "Yes", answer questions a - h. If "No", move on to Section 5.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may require new water supply wells, or create additional demand on supplies from existing water supply wells.	D2c	<input type="checkbox"/>	<input type="checkbox"/>
b. Water supply demand from the proposed action may exceed safe and sustainable withdrawal capacity rate of the local supply or aquifer. Cite Source: _____	D2c	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may allow or result in residential uses in areas without water and sewer services.	D1a, D2c	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may include or require wastewater discharged to groundwater.	D2d, E2l	<input type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may result in the construction of water supply wells in locations where groundwater is, or is suspected to be, contaminated.	D2c, E1f, E1g, E1h	<input type="checkbox"/>	<input type="checkbox"/>
f. The proposed action may require the bulk storage of petroleum or chemical products over ground water or an aquifer.	D2p, E2l	<input type="checkbox"/>	<input type="checkbox"/>
g. The proposed action may involve the commercial application of pesticides within 100 feet of potable drinking water or irrigation sources.	E2h, D2q, E2l, D2c	<input type="checkbox"/>	<input type="checkbox"/>
h. Other impacts: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>

5. Impact on Flooding The proposed action may result in development on lands subject to flooding. <input type="checkbox"/> NO <input type="checkbox"/> YES (See Part 1. E.2) <i>If "Yes", answer questions a - g. If "No", move on to Section 6.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may result in development in a designated floodway.	E2i	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may result in development within a 100 year floodplain.	E2j	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may result in development within a 500 year floodplain.	E2k	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may result in, or require, modification of existing drainage patterns.	D2b, D2e	<input type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may change flood water flows that contribute to flooding.	D2b, E2i, E2j, E2k	<input type="checkbox"/>	<input type="checkbox"/>
f. If there is a dam located on the site of the proposed action, is the dam in need of repair, or upgrade?	E1e	<input type="checkbox"/>	<input type="checkbox"/>

g. Other impacts: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>
----------------------------------	--	--------------------------	--------------------------

6. Impacts on Air			
The proposed action may include a state regulated air emission source. (See Part 1. D.2.f., D.2.h, D.2.g) <i>If "Yes", answer questions a - f. If "No", move on to Section 7.</i>		<input type="checkbox"/> NO	<input type="checkbox"/> YES
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. If the proposed action requires federal or state air emission permits, the action may also emit one or more greenhouse gases at or above the following levels: i. More than 1000 tons/year of carbon dioxide (CO ₂) ii. More than 3.5 tons/year of nitrous oxide (N ₂ O) iii. More than 1000 tons/year of carbon equivalent of perfluorocarbons (PFCs) iv. More than .045 tons/year of sulfur hexafluoride (SF ₆) v. More than 1000 tons/year of carbon dioxide equivalent of hydrochloroflourocarbons (HFCs) emissions vi. 43 tons/year or more of methane	D2g D2g D2g D2g D2g D2h	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
b. The proposed action may generate 10 tons/year or more of any one designated hazardous air pollutant, or 25 tons/year or more of any combination of such hazardous air pollutants.	D2g	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may require a state air registration, or may produce an emissions rate of total contaminants that may exceed 5 lbs. per hour, or may include a heat source capable of producing more than 10 million BTU's per hour.	D2f, D2g	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may reach 50% of any of the thresholds in "a" through "c", above.	D2g	<input type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may result in the combustion or thermal treatment of more than 1 ton of refuse per hour.	D2s	<input type="checkbox"/>	<input type="checkbox"/>
f. Other impacts: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>

7. Impact on Plants and Animals			
The proposed action may result in a loss of flora or fauna. (See Part 1. E.2. m.-q.) <i>If "Yes", answer questions a - j. If "No", move on to Section 8.</i>		<input type="checkbox"/> NO	<input type="checkbox"/> YES
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may cause reduction in population or loss of individuals of any threatened or endangered species, as listed by New York State or the Federal government, that use the site, or are found on, over, or near the site.	E2o	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may result in a reduction or degradation of any habitat used by any rare, threatened or endangered species, as listed by New York State or the federal government.	E2o	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may cause reduction in population, or loss of individuals, of any species of special concern or conservation need, as listed by New York State or the Federal government, that use the site, or are found on, over, or near the site.	E2p	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may result in a reduction or degradation of any habitat used by any species of special concern and conservation need, as listed by New York State or the Federal government.	E2p	<input type="checkbox"/>	<input type="checkbox"/>

e. The proposed action may diminish the capacity of a registered National Natural Landmark to support the biological community it was established to protect.	E3c	<input type="checkbox"/>	<input type="checkbox"/>
f. The proposed action may result in the removal of, or ground disturbance in, any portion of a designated significant natural community. Source: _____	E2n	<input type="checkbox"/>	<input type="checkbox"/>
g. The proposed action may substantially interfere with nesting/breeding, foraging, or over-wintering habitat for the predominant species that occupy or use the project site.	E2m	<input type="checkbox"/>	<input type="checkbox"/>
h. The proposed action requires the conversion of more than 10 acres of forest, grassland or any other regionally or locally important habitat. Habitat type & information source: _____	E1b	<input type="checkbox"/>	<input type="checkbox"/>
i. Proposed action (commercial, industrial or recreational projects, only) involves use of herbicides or pesticides.	D2q	<input type="checkbox"/>	<input type="checkbox"/>
j. Other impacts: _____		<input type="checkbox"/>	<input type="checkbox"/>

8. Impact on Agricultural Resources			
The proposed action may impact agricultural resources. (See Part 1. E.3.a. and b.)		<input type="checkbox"/> NO	<input type="checkbox"/> YES
<i>If "Yes", answer questions a - h. If "No", move on to Section 9.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may impact soil classified within soil group 1 through 4 of the NYS Land Classification System.	E2c, E3b	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may sever, cross or otherwise limit access to agricultural land (includes cropland, hayfields, pasture, vineyard, orchard, etc).	E1a, E1b	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may result in the excavation or compaction of the soil profile of active agricultural land.	E3b	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may irreversibly convert agricultural land to non-agricultural uses, either more than 2.5 acres if located in an Agricultural District, or more than 10 acres if not within an Agricultural District.	E1b, E3a	<input type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may disrupt or prevent installation of an agricultural land management system.	E1 a, E1b	<input type="checkbox"/>	<input type="checkbox"/>
f. The proposed action may result, directly or indirectly, in increased development potential or pressure on farmland.	C2c, C3, D2c, D2d	<input type="checkbox"/>	<input type="checkbox"/>
g. The proposed project is not consistent with the adopted municipal Farmland Protection Plan.	C2c	<input type="checkbox"/>	<input type="checkbox"/>
h. Other impacts: _____		<input type="checkbox"/>	<input type="checkbox"/>

9. Impact on Aesthetic Resources The land use of the proposed action are obviously different from, or are in sharp contrast to, current land use patterns between the proposed project and a scenic or aesthetic resource. (Part 1. E.1.a, E.1.b, E.3.h.) <i>If "Yes", answer questions a - g. If "No", go to Section 10.</i>				<input type="checkbox"/> NO	<input type="checkbox"/> YES
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur		
a. Proposed action may be visible from any officially designated federal, state, or local scenic or aesthetic resource.	E3h	<input type="checkbox"/>	<input type="checkbox"/>		
b. The proposed action may result in the obstruction, elimination or significant screening of one or more officially designated scenic views.	E3h, C2b	<input type="checkbox"/>	<input type="checkbox"/>		
c. The proposed action may be visible from publicly accessible vantage points: i. Seasonally (e.g., screened by summer foliage, but visible during other seasons) ii. Year round	E3h	<input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/>		
d. The situation or activity in which viewers are engaged while viewing the proposed action is: i. Routine travel by residents, including travel to and from work ii. Recreational or tourism based activities	E3h E2q, E1c	<input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/>		
e. The proposed action may cause a diminishment of the public enjoyment and appreciation of the designated aesthetic resource.	E3h	<input type="checkbox"/>	<input type="checkbox"/>		
f. There are similar projects visible within the following distance of the proposed project: 0-1/2 mile 1/2 -3 mile 3-5 mile 5+ mile	D1a, E1a, D1f, D1g	<input type="checkbox"/>	<input type="checkbox"/>		
g. Other impacts: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>		

10. Impact on Historic and Archeological Resources The proposed action may occur in or adjacent to a historic or archaeological resource. (Part 1. E.3.e, f. and g.) <i>If "Yes", answer questions a - e. If "No", go to Section 11.</i>				<input type="checkbox"/> NO	<input type="checkbox"/> YES
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur		
a. The proposed action may occur wholly or partially within, or substantially contiguous to, any buildings, archaeological site or district which is listed on the National or State Register of Historical Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places.	E3e	<input type="checkbox"/>	<input type="checkbox"/>		
b. The proposed action may occur wholly or partially within, or substantially contiguous to, an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory.	E3f	<input type="checkbox"/>	<input type="checkbox"/>		
c. The proposed action may occur wholly or partially within, or substantially contiguous to, an archaeological site not included on the NY SHPO inventory. Source: _____	E3g	<input type="checkbox"/>	<input type="checkbox"/>		

d. Other impacts: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>
e. If any of the above (a-d) are answered “Moderate to large impact may occur”, continue with the following questions to help support conclusions in Part 3:			
i. The proposed action may result in the destruction or alteration of all or part of the site or property.	E3e, E3g, E3f	<input type="checkbox"/>	<input type="checkbox"/>
ii. The proposed action may result in the alteration of the property’s setting or integrity.	E3e, E3f, E3g, E1a, E1b	<input type="checkbox"/>	<input type="checkbox"/>
iii. The proposed action may result in the introduction of visual elements which are out of character with the site or property, or may alter its setting.	E3e, E3f, E3g, E3h, C2, C3	<input type="checkbox"/>	<input type="checkbox"/>

11. Impact on Open Space and Recreation			
The proposed action may result in a loss of recreational opportunities or a reduction of an open space resource as designated in any adopted municipal open space plan. (See Part 1. C.2.c, E.1.c., E.2.q.) <i>If “Yes”, answer questions a - e. If “No”, go to Section 12.</i>		<input type="checkbox"/> NO	<input type="checkbox"/> YES
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may result in an impairment of natural functions, or “ecosystem services”, provided by an undeveloped area, including but not limited to stormwater storage, nutrient cycling, wildlife habitat.	D2e, E1b E2h, E2m, E2o, E2n, E2p	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may result in the loss of a current or future recreational resource.	C2a, E1c, C2c, E2q	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may eliminate open space or recreational resource in an area with few such resources.	C2a, C2c E1c, E2q	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may result in loss of an area now used informally by the community as an open space resource.	C2c, E1c	<input type="checkbox"/>	<input type="checkbox"/>
e. Other impacts: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>

12. Impact on Critical Environmental Areas			
The proposed action may be located within or adjacent to a critical environmental area (CEA). (See Part 1. E.3.d) <i>If “Yes”, answer questions a - c. If “No”, go to Section 13.</i>		<input type="checkbox"/> NO	<input type="checkbox"/> YES
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may result in a reduction in the quantity of the resource or characteristic which was the basis for designation of the CEA.	E3d	<input type="checkbox"/>	<input type="checkbox"/>

b. The proposed action will cause the permanent population of the city, town or village in which the project is located to grow by more than 5%.	C2	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action is inconsistent with local land use plans or zoning regulations.	C2, C2, C3	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action is inconsistent with any County plans, or other regional land use plans.	C2, C2	<input type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may cause a change in the density of development that is not supported by existing infrastructure or is distant from existing infrastructure.	C3, D1c, D1d, D1f, D1d, E1b	<input type="checkbox"/>	<input type="checkbox"/>
f. The proposed action is located in an area characterized by low density development that will require new or expanded public infrastructure.	C4, D2c, D2d D2j	<input type="checkbox"/>	<input type="checkbox"/>
g. The proposed action may induce secondary development impacts (e.g., residential or commercial development not included in the proposed action)	C2a	<input type="checkbox"/>	<input type="checkbox"/>
h. Other: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>

18. Consistency with Community Character			
The proposed project is inconsistent with the existing community character. (See Part 1. C.2, C.3, D.2, E.3) <i>If “Yes”, answer questions a - g. If “No”, proceed to Part 3.</i>		<input type="checkbox"/> NO	<input type="checkbox"/> YES
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may replace or eliminate existing facilities, structures, or areas of historic importance to the community.	E3e, E3f, E3g	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may create a demand for additional community services (e.g. schools, police and fire)	C4	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may displace affordable or low-income housing in an area where there is a shortage of such housing.	C2, C3, D1f D1g, E1a	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may interfere with the use or enjoyment of officially recognized or designated public resources.	C2, E3	<input type="checkbox"/>	<input type="checkbox"/>
e. The proposed action is inconsistent with the predominant architectural scale and character.	C2, C3	<input type="checkbox"/>	<input type="checkbox"/>
f. Proposed action is inconsistent with the character of the existing natural landscape.	C2, C3 E1a, E1b E2g, E2h	<input type="checkbox"/>	<input type="checkbox"/>
g. Other impacts: _____ _____		<input type="checkbox"/>	<input type="checkbox"/>

Full Environmental Assessment Form
Part 3 - Evaluation of the Magnitude and Importance of Project Impacts
and
Determination of Significance

Part 3 provides the reasons in support of the determination of significance. The lead agency must complete Part 3 for every question in Part 2 where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.

Based on the analysis in Part 3, the lead agency must decide whether to require an environmental impact statement to further assess the proposed action or whether available information is sufficient for the lead agency to conclude that the proposed action will not have a significant adverse environmental impact. By completing the certification on the next page, the lead agency can complete its determination of significance.

Reasons Supporting This Determination:

To complete this section:

- Identify the impact based on the Part 2 responses and describe its magnitude. Magnitude considers factors such as severity, size or extent of an impact.
- Assess the importance of the impact. Importance relates to the geographic scope, duration, probability of the impact occurring, number of people affected by the impact and any additional environmental consequences if the impact were to occur.
- The assessment should take into consideration any design element or project changes.
- Repeat this process for each Part 2 question where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.
- Provide the reason(s) why the impact may, or will not, result in a significant adverse environmental impact
- For Conditional Negative Declarations identify the specific condition(s) imposed that will modify the proposed action so that no significant adverse environmental impacts will result.
- Attach additional sheets, as needed.

Determination of Significance - Type 1 and Unlisted Actions

SEQR Status: Type 1 Unlisted

Identify portions of EAF completed for this Project: Part 1 Part 2 Part 3

Upon review of the information recorded on this EAF, as noted, plus this additional support information

and considering both the magnitude and importance of each identified potential impact, it is the conclusion of the _____ as lead agency that:

A. This project will result in no significant adverse impacts on the environment, and, therefore, an environmental impact statement need not be prepared. Accordingly, this negative declaration is issued.

B. Although this project could have a significant adverse impact on the environment, that impact will be avoided or substantially mitigated because of the following conditions which will be required by the lead agency:

There will, therefore, be no significant adverse impacts from the project as conditioned, and, therefore, this conditioned negative declaration is issued. A conditioned negative declaration may be used only for UNLISTED actions (see 6 NYCRR 617.7(d)).

C. This Project may result in one or more significant adverse impacts on the environment, and an environmental impact statement must be prepared to further assess the impact(s) and possible mitigation and to explore alternatives to avoid or reduce those impacts. Accordingly, this positive declaration is issued.

City of Syracuse Industrial Development Agency
DUPLI Associates, LLC Project
FEAF Part 3 – Additional Information

By application dated February 4, 2020, DUPLI Associates, LLC (the “*Company*”) requested the Agency undertake a project (the “*Project*”) consisting of: (A)(i) the continuation of an interest in two parcels of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximately 149,000 sq.ft. building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0); and 156 Solar Street and Division Street W. improved by an approximately 62,800 sq.ft. building (“*Building 2*”) (bearing tax parcel identification number 118.-06-01.0), each in the City of Syracuse (the foregoing collectively referred to as the “*Land*”); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units; and approximately 3,500 sq.ft. of retail space; and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the “*Facilities*”); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment.

1.) Impact on land – The proposed Project will not have an impact on land. No excavation is expected. In the unforeseen event of excavation, excavated materials will remain onsite. In the event contaminated soils are encountered, these soils will be handled in accordance with federal, state, and local regulations.

The duration of the Project is estimated at 18-months. Construction activities typically result in potential impacts associated with traffic, dust, stormwater, and noise. These potential impacts are minimized as a result of the following measures:

- The Company will be required to implement a maintenance and protection of traffic plan for use during construction. The plan will be reviewed and approved by the City of Syracuse.
- The Company will be required to implement best management practices for dust control.
- Stormwater impacts will be addressed by implementation of erosion and sediment controls during construction.
- The proposed Project will cause a temporary increase in ambient noise levels from the operation of construction equipment. Measures to minimize noise impacts during construction will include adherence to local ordinances for working hours and inspection of equipment for proper muffling.

As such, the impact on land associated with the Project is not considered a significant environmental impact.

2.) Impact on geological features – The Project site does not contain known unique or unusual land forms (e.g. cliffs, dunes, minerals, fossils, caves). No impact to significant geological features will occur because of the proposed Project.

3.) Impacts on surface water – The Project will not involve impacts to surface waters. There are no surface waters within the Project footprint. Potential impacts to nearby surface waters from construction will be avoided by implementation of appropriate soil erosion and sediment controls.

4.) Impact on groundwater – The Project is not located within the footprint of a sole source, or primary aquifer.

The Project does not involve use or disposal of hazardous materials, or the bulk storage of petroleum or chemical products that could potentially contaminate local groundwater supplies. In addition, no change in drainage patterns, or increase in impervious surfaces is anticipated as a result of the Project. Therefore, no significant impact to the local aquifer is expected to occur as a result of the Project.

5.) Impact on flooding – The proposed Project is located within the regulated 500-year floodplain. Project activities will be coordinated with the City of Syracuse. The City of Syracuse is a member of the National Flood Insurance Program and structures located in the flood zone must comply with the local flood ordinance. In addition, the City of Syracuse is designated as the FEMA flood management agency for this area and regulates construction within the designated floodplains. City of Syracuse Ordinance 17 deals with flood damage prevention and includes design criteria aimed at preventing flood damage to structures. As part of the permitting process, the City will review building plans for the Project and require that the Company incorporate appropriate floodplain mitigation requirements into the design. Grade changes are not proposed. Given the City permitting process and that the Project involves a renovation of existing structures, no significant impacts to the floodplain are anticipated.

6.) Impacts on air – The U. S. Environmental Protection Act (USEPA), through the federal Clean Air Act (CAA), has established National Ambient Air Quality Standards (NAAQS) for six criteria pollutants: carbon monoxide (CO), sulfur dioxide (SO₂), nitrogen dioxide (NO₂), particulate matter (PM₁₀ and PM_{2.5}), ozone, and lead. An area that violates a national primary or secondary NAAQS for one or more of the USEPA designated criteria pollutants is referred to as non-attainment. A maintenance area is one that has previously been in violation of the NAAQS but has since implemented an avoidance plan and has had no additional violations over an extended period of time.

The Project is located in Onondaga County. According to the USEPA Green Book (current as of February 28, 2019), Onondaga County is currently in attainment for all criteria pollutants, except CO, which is listed as “maintenance”. Based on a detailed review of the Green Book, Onondaga County was designated as a CO non-attainment area until 1992. Since 1993, the County has been in compliance (i.e., maintenance area) with the NAAQS for all criteria pollutants, including CO. An area that has remained in compliance with the NAAQS for an extended period of time is re-designated as “attainment”.

According to both the NYSDEC and USEPA, Onondaga County is in full attainment with the CO NAAQS. Specifically, Onondaga County was designated as a maintenance area in 1993 and has not had any violations of the NAAQS since that time. NYSDEC met the requirements specified in two Maintenance Plans, each lasting a period of ten years. Therefore, the 20-year maintenance period is over and NYSDEC has met its obligations; Onondaga County is in attainment with the CO NAAQS.

Air emission sources require consistency with State and federal air quality standards. The New York air permitting program regulates sources of air pollution. The program is required under provisions set forth in the CAA and New York State regulation (6 NYCRR Part 201). NYSDEC Division of Air Resources administers the air program. The proposed Project does not include equipment that requires registration or permitting from New York State’s air program.

7.) *Impacts on plants and animals* – The proposed Project is located in an urban environment. Habitat availability is limited; wildlife occupying the existing Project space are likely to re-occupy it after construction. No habitat exists for species considered rare, threatened, or endangered by federal or state regulations. No significant impact to plants and animals will occur as a result of the Project.

8.) *Impacts on agricultural resources* – The Project is not located in a New York State Agricultural District. No farmland soils occur within the proposed limits of disturbance. No significant impacts to agricultural resources will occur.

9.) *Impacts on aesthetic resources* – The Project site does not contain, and is not located adjacent to, identified scenic/aesthetic resources. There are no officially designated federal, state, or local scenic or aesthetic resources within the vicinity of the property.

10.) *Impacts on historical and archeological resources* – According to the State Historic Preservation Office (SHPO) Cultural Resource Information System (CRIS) website, the existing buildings are listed in the State or National Register for Historic Places. Coordination with the New York State Historic Preservation Office (SHPO) is complete for the project. The proposed renovation is not anticipated to result in adverse impacts to the listed buildings.

11.) *Impacts on open space and recreation* – The proposed action will not result in a loss of recreational opportunities, and/or open space. There are no existing recreational opportunities on-site, and the site is not located in a designated municipal open space plan.

12.) *Impacts on critical environmental areas* – No designated critical environmental areas occur within or immediately adjacent to the Project site. The current action will not involve impacts to designated critical environmental areas.

13.) *Impacts on transportation* – The proposed Project is not anticipated to involve a significant increase in existing traffic levels. The principal use of the existing buildings is changing from commercial and industrial to residential, therefore no or a minimal net increase in traffic is expected as a result of the Project. The Project is expected to generate fewer than 100 peak hour vehicle trips per hour. Based on the NYSDEC guidelines, it is assumed that projects generating fewer than 100 peak hour vehicle trips per hour will not result in significant increases in traffic.

14.) *Impacts on energy* – Electricity and natural gas in the Project location are supplied by National Grid. Water will be provided by the City of Syracuse's water system. Sewer service will be provided by the City of Syracuse and treated at the Metropolitan Syracuse Wastewater Treatment Plant.

Operation of the Project will result in increased use of electricity, natural gas, and/or water resources as well as increased discharge of wastewater into the sewer collection and treatment system. The Company has coordinated with the local utility providers regarding supply and availability of necessary services. Operation of the facility is not expected to exceed available natural resource or future energy supplies.

Additionally, renovation and/or operation of the facilities would not involve a need for unusual materials or those in short supply. As with any construction project, there will be short-term increases in electrical and gasoline usage to power construction equipment and for worker travel.

15.) Impacts on noise, odor, and light

Noise - The proposed Project will cause a temporary increase in ambient noise levels from the operation of construction equipment. Measures to minimize noise impacts during construction will include adherence to local ordinances for working hours and inspection of equipment for proper muffling. Noise levels will generally return to pre-construction levels following completion of the Project.

Odors - The proposed Project will not cause an increase in odors.

Light –No new lighting is proposed as part of the Project.

16.) Impact on Human Health – The proposed Project will not result in an impact to human health from exposure to new or existing sources of contaminants.

A Limited XRF Lead-Based Paint Inspection dated December 13, 2019 prepared by Envoy Environmental Consultants, Inc. and Asbestos Pre-Renovation Survey Report dated December 13, 2019 prepared by Paradigm Environmental, LLC for Building 1 (together, the "report") were furnished to the Agency and are attached hereto. The Building 1 contains asbestos-containing materials, and lead-based paint as identified in the report. The report indicates that the sampling was representative in nature, and additional sampling and analysis will be required based on the final scope of the Project. In addition, renovation activities, included necessary abatement, will be conducted consistent with New York State Code Rule 56, and additional local, state, and federal requirements. Consistency with applicable regulations limits the potential for construction workers and the public's exposure to harmful contaminants.

Four spills occurred on or adjacent to the Land, were reported to NYSDEC and have been closed.

17.) Consistency with community plans – The action will not result in population growth in the City of Syracuse that exceeds 5%, or in increasing density that will impact existing infrastructure. The Project does not require a change in zoning or resubdivision.

In summary, the proposed Project will not result in the following:

- An increase in population within the City of Syracuse.
- A change in zoning or existing land use plans.
- A change in the density of development that would exceed the capacity of existing infrastructure.
- Induced socioeconomic impacts from residential or commercial development.

18.) Consistency with community character – The proposed action is consistent with the existing community character as described below:

- The Project is located in an area with buildings of similar size and function.
- The Project will not result in any impacts to historic structures.
- It will not significantly increase the need for schools, parks, roads, infrastructure.
- It will not result in a significant increase in the need for emergency services.
- It will not result in any displacement of housing will occur.

Dear Ms. Everett,

Below please find the answers to the questions that were asked as part of the SIDA review regarding the Dupli project at 600 North Franklin Street. My answers will correspond to the list you sent in a prior email. I have attached that list for reference.

1. The State Historic Preservation Office as approved our submission and has passed it along to the National Park Service for part two approval. Karen Brant, Architect for the National Park Service had one question regarding the exiting flooring. MacKnight Architects (Project Architect) answered this question. I have attached the correspondence as Exhibit "A".
2. We have reached out to Neil Milcarek-Burke Transportation Planner for the City of Syracuse several times with no response. That said our interpretation of the requirements for the need of a traffic study will not apply to this project as we do not believe this project will add more than one hundred (100) daily trips to this property. I have attached the city requirements along with the existing and new parking drawings that show we will only be adding two (2) spaces. These documents are attached as Exhibit "B".
3. We have solicited National Grid for an official response regarding the impact this project will have on the their infrastructure. We have yet to get a response. However, it is the opinion of our Engineers that we will not exceed utility demand in comparison to the historical use of this existing building.
4. As this an existing building we do not anticipate the need for excavation. If excavation is necessary, material will remain on-site.

E-Mail: info@whlane.com <http://www.whlane.com>

5. All material, hazardous or universal will be handled per applicable codes and procedures. I have attached the environmental reports as Exhibit "C".
6. See question 5
7. As we don't anticipate excavation for this project, contaminated soil should not be an issue. If contaminated material is encountered, we will address appropriately.
8. We have been in contact with Kim Kelchner from the Syracuse Water Authority. Kim provided us with a drawing of the exiting water lines and water pressure at the closest hydrant. Kim does not believe this project will have an ill effect on the city water supply. I have attached the drawing and correspondence as Exhibit "D".
9. After OCDWEP review it was concluded that the wastewater lines in this area are owned by the City of Syracuse. We have contacted John Kizlehan from the city and are waiting for his official response. Because this is an existing building, our engineers are confident that wastewater demands should not exceed wastewater capacity.
10. I have attached all "spill records" in relation to this property as Exhibit "E". All records are designated "closed"

If you have any other questions please don't hesitate to contact me.

Kind regards,

Subject: Dupli - Follow UP Questions on EAF

Tim and Tony,

We have the following requests of the Project Sponsor in order for us to determine the project's potential to have a significant environmental impact:

1. Please provide a copy of coordination with the State Historic Preservation Office. If coordination is not complete, please provide a summary of steps you have either taken, or will follow, to ensure consistency with SHPO requirements.
2. Have you obtained a Traffic Impact Study? If so please provide a copy.
3. Please provide correspondence with National Grid that this project should not significantly impact existing infrastructure (i.e. require upgrades to substations, etc.)
4. Confirm that all excavated material will remain on-site
5. Provide pre-demolition asbestos survey and action plan., and commitment to conduct demolition consistent with NYS Code Rule 56
6. Provide pre-demolition hazardous materials (or universal waste) survey, or discussion of how such materials will be managed during demolition
7. Provide description of due diligence associated with potential to encounter soil/groundwater contamination. Provide a plan (i.e. soil management plan), or commitment to such plan, to appropriately address contaminated materials in the event they are found during construction.
8. Provide confirmation from the City that it has capacity to meet your anticipated water supply demands
9. Provide confirmation from OCDWEP with regard to ability to meet project's wastewater demands
10. Complete response to E.1.h(iv). Information is available on NYSDEC databases.

Please provide the information to me on or before April 10.

Thanks

Jean

Hello Karen,

Hope all is well with you. I'm sending this response to your inquiry regarding the treatment of the existing floors in the Merrill Soule None Such MinceMeat Factory, their condition and how we intend to treat them.

The first floor is a painted poured in place concrete slab. The concrete is in fairly good condition but is very uneven due to the fact that this portion of the building was built in 3 phases and the floors were built to slope to interior floor drains for cleaning purposes.

The second floor is a combination of poured concrete floors to the east and a wood deck with plywood sheathing and a painted cement wear surface to the west. The concrete floors are in good condition but are sloped to floor drains. The cement covered floors are in fair condition but are uneven due to settlement over the years.

The third floor is a combination of poured concrete floors to the east and a heavy tongue & groove deck with diagonal strip flooring finish surface. The concrete floors slope to drains. The wood floors are in poor condition due to wear and tear and moisture over the last 100+ years. These floors are very uneven due to structural settlement.

The plan is to use a leveling substrate such as gypcrete on all of the floors. The finish surface will be carpet tile in the common areas and corridors, and a combination of luxury vinyl plank and carpet in the apartments. I've attached photographs with descriptions along with floor plans with the photographs keyed in.

Please review and let me know what comments or questions you have.

Thank you,

Bruce MacKnight, A.I.A.

QUESTION 2

Traffic Studies (Dept. of Public Works)

Transportation Impact Studies (TIS) may be required when changes in land use, new development, or site access are proposed. A TIS evaluates the effects that a change in traffic volumes or travel patterns will have on the transportation network.

A TIS may be required for a project that is expected to result in 100 or more added (new) trips during the adjacent roadways peak hour or the development's peak hour. The TIS should include a site plan and capacity analysis of existing, future no-build and future build conditions. The TIS must use the latest version of SYNCHRO, and must include all site access points and all signalized intersections that are expected to see an increase of 100+ vehicles per hour.

All traffic impact study (TIS) scopes should be reviewed and accepted by the City prior to start of study to determine study area and what specific analysis may need to be included (shown below).

Depending on type of development or location, the TIS may include some or all of the following:

- > data used should be at the most 3 years old (maybe more recent depending upon location) and should be collected on Tuesday, Wednesday or Thursday during a typical week (no holidays/school is in session/no major construction in area) but this may change based on type of development
- > existing, future (design year) no-build and future analysis – all known development in area should be included in future analyses
- > gap analysis
- > queuing analysis
- > sight distance analysis for access points
- > accident analysis
- > inclusion of mode share/internal capture/pass-by credits
- > bike/pedestrian/transit considerations (counts at all intersections/accommodations)
- > parking considerations (gain/loss, assessment of access and control, etc.)
- > proposed on-street regulations noting loss of on-street parking, loading zones or relocation of bus stops
- > mitigation recommendations, if necessary
- > must submit electronic SYNCHRO files (signal timings/phasing should be requested if part of the City's interconnect system but should also be field verified)

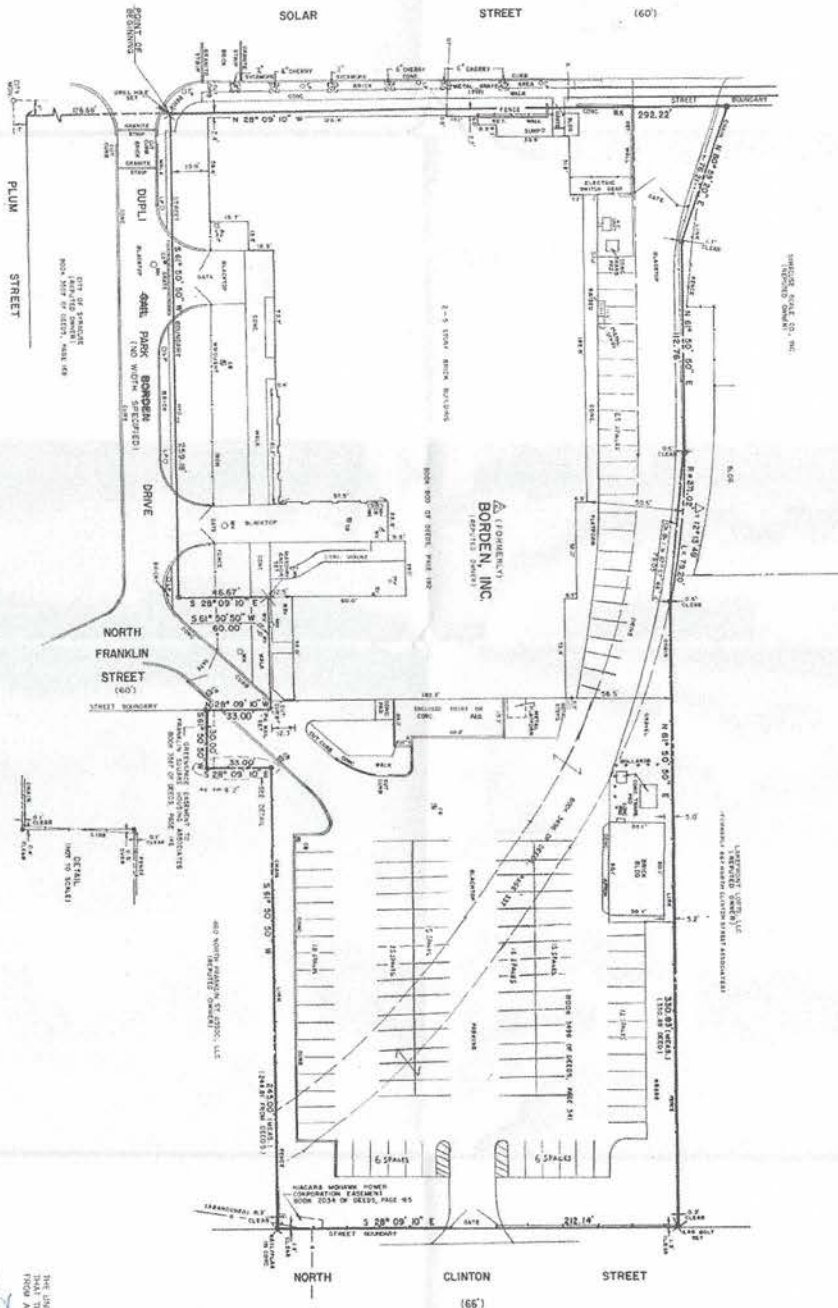

Additional information can be found in the Transportation Impact Analyses for Site Development from the Institute of Transportation Engineers.

For questions please contact Neil Milcarek-Burke, Transportation Planner, at [\(315\) 448-4742](tel:3154484742) or NMilcarek-Burke@syrgov.net.

Kim,

I greatly appreciate your time this morning. As we talked about, I work for William H. Lane Incorporated who is in the process of buying the building at 600 N Franklin Street in Franklin Square, Syracuse. The building already has both a Domestic Water Service along with a full operating sprinkler service as it currently houses several commercial tenants including the Central Rock Gym, Power Engineers, Resort Funding and Northland. These tenants will remain. Our plan is to repurpose a portion of the building to house 46 new residential apartment units. The city has required us to reach out to make sure that repurposing a part of this existing building to apartment units will not have an ill effect on the city water system. I understand that you need a maximum water demand study. I've notified my MEP Engineer who is working on that now. We would ask that the water department provide Fire flow information along with a Fire Flow Test if necessary. I greatly appreciate your help on this project.

Kind regards,

Rick

1.0 Executive Summary

- A limited XRF lead-based paint inspection was performed at 600 North Franklin Street, Syracuse, New York. The inspection was conducted on December 13, 2019.
- Fifteen (15) applications of Lead-based paint were identified on the surfaces tested. These results can be found in Appendix A of this report.
- This inspection is not intended to conform to U.S. Department of Housing and Urban Development (USHUD) requirements since it does not meet the definition of a surface by surface inspection as described in Chapter 7 of the USHUD Guidelines.
- Testing is limited to the specific building components identified in this report and does not represent painting histories in other portions of the building.

2.0 Introduction

Envoy Environmental Consultants, Inc. (Envoy) was retained by Paradigm, LLC on December 13, 2019 to conduct an inspection for the presence of lead-based paint through XRF analysis at 600 North Franklin Street, Syracuse, New York. The predominant construction materials observed were drywall, wood, metal, ceramic and brick. The construction date of the building is unknown.

Envoy holds a New York State Department of Health Radioactive Materials License to own and operate an X-Ray Fluorescence (XRF) lead paint analyzer. We have been certified under the Toxic Substances Control Act, Section 402(a)(1), allowing the company to conduct LBP activities pursuant to 40 CFR Part 745.226. Certified Lead Inspector, Mr. Geoff Siebert, conducted this inspection with procedures and guidelines required by the U.S. Environmental Protection Agency (USEPA).

All lead-based paint inspections are performed in accordance with Chapter 7 of The U.S. Department of Housing and Urban Development Guidelines (USHUD), and the U.S. Environmental Protection Agency, since they are the only regulatory agencies defining procedures for conducting XRF lead-based paint inspections. Paint is categorized as lead-based if the XRF analyzer registers a reading of 1.0 mg/cm² or above, according to the USHUD standard. Envoy reports lead-based paint levels in mg/cm² because this unit of measurement does not depend on the number of layers of non-lead-based paint and can usually be obtained without damaging the painted surfaces. Positive, negative, and inconclusive XRF readings are determined in accordance with the XRF instruments Performance Characteristic Sheets as described by the HUD Guidelines.

Envoy owns and operates a RMD LPA-1 Lead Paint Analyzer. The serial number of this instrument is 2829 and was sourced on February 16, 2018. The LPA-1 Lead Paint Analyzer is an analytical radiation instrument used in quantitative analysis of lead in paint for various substrates. The LPA-1 is a spectrum analyzer that resolves the lead X-Ray intensity from interfering radiation. The XRF LPA-1 instrument has a ³/₈ inch penetration depth for the detection of lead. Anything beyond this depth will cause no reading and can go undetected. A radioactive material, Cobalt 57, is used as the radiation source in this device for nondestructive method of sample analysis.

For each room, hallway, or exterior site to be inspected, testing combinations are identified based on the inspectors training. A testing combination represents the room equivalent, the component type, and the substrate. A room equivalent is an identifiable part of a building (e.g., classroom, hallway, basement, etc.). Painted surfaces include any surface coated with paint, shellac, varnish, stain, paint covered by wallpaper, or any other coating.

USHUD Guidelines recommend classifying substrates into one of the six substrate types listed in Table 1. Additionally, certain substrates may register a reading on the XRF lead paint analyzer in the inconclusive range.

Table 1

Substrate	Inconclusive Range
Brick	None
Concrete	None
Drywall	None
Metal	0.9 to 1.3 mg/cm ²
Plaster	0.9 to 1.3 mg/cm ²
Wood	None

When the XRF lead paint analyzer registers a reading in the inconclusive range, or a substrate cannot be tested due to irregular size and shape, the Certified Lead Inspector is then required to collect a paint chip sample to determine the presence of lead. If paint chip samples are collected, lead-based paint is present when the concentration is 0.5 percent by weight or above. The inspection conducted at this location did not register any readings in the inconclusive range.

3.0 Definitions

Abatement: A measure or set of measures designed to permanently eliminate lead-based paint hazards or lead-based paint. Abatement strategies include the removal of lead-based paint, enclosure, encapsulation, replacement of building components coated with lead-based paint, removal of lead-contaminated dust, and removal of lead-contaminated soil or overlaying of soil with a durable covering such as asphalt (grass and sod are considered interim control measures). All of these strategies require preparation; cleanup; waste disposal; post abatement clearance testing; recordkeeping; and, if applicable, monitoring.

Deteriorated lead-based paint: Any lead-based paint coating on a damaged or deteriorated surface or fixture, or any interior or exterior lead-based paint that is peeling, chipping, blistering, flaking, worn, chalking, alligating, cracking, or otherwise becoming separated from the substrate.

Encapsulation: Any covering or coating that acts as a barrier between lead-based paint and the environment, the durability of which relies on adhesion and the integrity of the existing bonds between multiple layers of paint and between the paint and the substrate.

Friction surface: An interior or exterior surface that is subject to abrasion or friction, including, but not limited to, certain window, floor, and stair surfaces.

Impact surface: An interior or exterior surface that is subject to damage by repeated sudden force such as certain parts of door frames.

Interim controls: A set of measures designed to temporarily reduce human exposure or possible exposure to lead-based paint hazards. Such measures include specialized cleaning, repairs, maintenance, painting, temporary containment, and management and resident education programs. Monitoring, conducted by owners, and reevaluations, conducted by professionals, are integral elements of interim control. Interim controls include dust removal; paint film stabilization; treatment of friction and impact surfaces; installation of soil coverings, such as grass or sod; and land-use controls.

USHUD Guidelines: The USHUD Guidelines for the Evaluation and Control of Lead-Based Paint Hazards in Housing (the Guidelines) provide detailed, comprehensive, technical information on how to identify lead-based paint hazards in housing and how to control such hazards safely and efficiently. The goal of the Guidelines is to help property owners, private contractors, and Government agencies sharply reduce children's exposure to lead without unnecessarily increasing the cost of housing.

Lead-based paint: Lead-based paint means paint or surface coatings that contain lead equal to or greater than 1.0 mg/cm² or 0.5 percent by weight. (Equivalent units are: 5,000 µg/g, 5,000 mg/kg, or 5,000 ppm by weight) Surface coatings include paint shellac, varnish, or any other coating, including wallpaper which covers painted surfaces.

Lead-based paint hazard: A condition in which exposure to lead from lead-contaminated dust, lead-contaminated soil, or deteriorated lead-based paint would have an adverse effect on human health (as established by the EPA Administrator under Title IV of the Toxic Substances Control Act). Lead-based paint hazards include for example, deteriorated lead-based paint, leaded dust levels above applicable standards, and bare leaded soil above applicable standards.

Monitoring: Surveillance to determine (1) that known or suspected lead-based paint is not deteriorating, (2) that lead-based paint hazard controls, such as paint stabilization, enclosure, or encapsulation have not failed, (3) that structural problems do not threaten the integrity of hazard controls or of known or suspected lead-based paint, and (4) that dust lead levels have not risen above applicable standards. There are two types of monitoring activities; visual surveys by property owners and reevaluations by certified risk assessors. Visual surveys are generally conducted annually for the purpose of making the first three determinations listed above.

OSHA: The occupational safety and health administration ensures safe and healthful working conditions for working men and women by setting and enforcing standards and by providing training, outreach, education and assistance. Section 1926.62 targets employee lead exposure during construction activities. The full standard can be found at:

http://www.osha.gov/pls/oshaweb/owadisp.show_document?p_table=STANDARDS&p_id=10641

Paint film stabilization: The process of wet scraping, priming, and repainting surfaces coated with deteriorated lead-based paint; paint film stabilization includes cleanup and clearance.

Renovation Repair and Painting Law 40 CFR Part 745: Requires that renovations required for compensation, must be performed by certified firms, using certified renovators. Renovation firms that anticipate on working in pre-1978 homes and child occupied facilities must apply to the EPA and pay a fee in order to be certified. Firms certified in the RRP law must follow lead safe work practices including initial and final lead testing.

Substrate: The substrate is the material underneath the paint. Substrates should be classified into one of six types: brick, concrete, drywall, metal, plaster, or wood. These substrates cover almost all building materials that are painted and are linked to those used in the *XRF Performance Characteristic Sheets*.

Target Housing: Any residential unit constructed before 1978, except dwellings that do not contain bedrooms or dwellings that were developed specifically for the elderly or persons with disabilities—unless a child younger than 6 resides or is expected to reside in the dwelling.

XRF analyzer: An instrument that determines lead concentration in milligrams per square centimeter (mg/cm²) using the principle of x-ray fluorescence (XRF). Two types of XRF analyzers are used—direct readers and spectrum analyzers. In the *HUD Guidelines*, the term XRF analyzer only refers to portable instruments manufactured to analyze paint, and does not refer to laboratory-grade units or portable instruments designed to analyze soil.

4.0 Limitations

The information provided in this report was compiled from field notes, instrument data, and visual assessment. Observations noted and recorded are intended to represent the conditions that existed at the subject site at the time and date that the observations were made. The results of this inspection are applicable to the specified buildings on the date(s) indicated in this report. Future activities at these buildings may alter the results of this report.

All surfaces tested have been assigned a paint condition. These designations are either intact, or deteriorated. Areas where deteriorated paint was observed (peeling, chipping, flaking and chalking) which may pose a lead hazard have been distinguished with the letter "D" in the Summary and Sequential Page of this report. Locations where lead-based paint has been considered intact by the inspector at the time of inspection have been distinguished with the letter "I".

Determinations of lead-based paint were subject to the accessibility of individual areas or spaces. Walls were assigned the letters A, B, C, or D for purposes of reading this report and understanding which wall in a particular room was sampled. The wall regarded as "A" wall will always be the address side wall of the school. Walls B, C, and D shall follow clockwise in succession.

Contractors shall be aware the XRF device is used for non-residential inspections as a screening tool only. According to OSHA, only personal air monitoring results can be used to clearly demonstrate that employees will not be exposed at, or above, the lead action level during any process, operation, or activity. For the purpose of the OSHA regulation, any paint chip or XRF result over zero must be considered lead-based paint.

5.0 Conclusions

A limited XRF lead-based paint inspection was performed by Envoy at 600 North Franklin Street, Syracuse New York. The inspection was conducted on December 13, 2019 in order to identify building components containing lead-based paint.

The limited XRF inspection identified fifteen (15) locations of lead-based paint (as defined by USHUD) on the surfaces tested.

The Summary page for XRF data is located in Appendix A. This summary includes all positive lead-based paint readings, which indicate the components that were determined to have instrument readings at or over the HUD abatement level of 1.0 mg/cm². The Sequential page for XRF data is located in Appendix B. This page represents each reading taken by the LPA-1 Lead Paint Analyzer.

A copy of this report will remain on file at Envoy's main office located at 57 Ambrose Street, Rochester, New York, 14608. EPA rules (40 CFR part 745) require all reports are maintained by the certified firm for no less than 3 years.

Envoy Environmental Services, Inc. appreciates this opportunity to provide these professional lead consulting services. For more information please contact our main office at (585) 454-1060.

Certified Lead Risk Assessor Ted Tronnes certifies the accuracy of this report on January 06, 2020.

Lead-Based Paint Summary Report

The Summary Report on the following page represents each positive reading taken by the LPA-1 Lead Based Paint Analyzer. Our investigation at the Sibley Corner project located at 600 North Franklin Street, Syracuse, New York resulted with fifteen (15) readings above the HUD/ EPA lead abatement standard of 1.0 mg/cm² in relation to the areas tested. These findings are based specifically on testing combinations selected by the inspector.

All parties shall be aware that any concentration of lead above zero, according to the OSHA standard, shall trigger the requirements set forth in 1926.62.

Interpreting the Summary of Lead Based Paint Inspection Report

EXAMPLE: Interior Room 001 6-1

- Interior Room - Interior room
- 001- Number of space/room/area tested. This does not correspond to room number.
- 6 - Refers to floor of building tested. In this case, the sixth floor.
- - 1 Refers to the room number where testing occurred on the specified floor. In this case, Room 1.

Lead Paint Standards

OSHA: >0.0 mg/cm², or >0.0% by weight

NYS/USHUD: >/= 1.0 mg/cm², or >/= 0.5% by weight

The following page consists of the Summary Report (lead-based paint readings) recorded by the LPA-1 Lead Based Paint Analyzer during the field inspection.

XRF Sequential Instrument Data

The Sequential Report on the following pages represents each reading taken by the LPA-1 Lead Based Paint Analyzer. These findings illustrate all testing combinations selected by the inspector including readings above and below the HUD abatement level of 1.0 mg/cm².

Before XRF testing begins, the inspector must ensure the instrument is operating properly. This is performed by calibrating the instrument. Readings on the Sequential Page specified as CALIBRATION are the instruments calibration readings taken before and after each inspection. If an inspection takes longer than 4 hours, CALIBRATION is then performed mid-shift.

During calibration, three readings are taken on a painted portion of the standard reference material and three readings are taken on the non-painted portion of the standard reference material. The standard reference material used in this inspection is commonly referred to as a NIST (Nation Institute of Standards and Technology) block which is composed of lead paint in the value of 1.0 mg/cm². The last three readings are taken on the back of the NIST block which is composed on a non-painted wood surface providing readings below the HUD/EPA standard of 1.0 mg/cm². These readings typically range from -0.1 mg/cm² to 0.3 mg/cm².

Once all CALIBRATION readings have been averaged representing successful results using the instruments Performance Characteristic Sheets, the XRF Lead-based inspection can begin.

FIELD OPERATION GUIDANCE

OPERATING PARAMETERS:

Quick mode or 30-second equivalent standard (Time Corrected) mode readings.

XRF CALIBRATION CHECK LIMITS:

0.7 to 1.3 mg/cm ² (inclusive)

SUBSTRATE CORRECTION:

For XRF results below 4.0 mg/cm², substrate correction is recommended for:

Metal using 30-second equivalent standard (Time Corrected) mode readings.
None using quick mode readings.

Substrate correction is not needed for:

Brick, Concrete, Drywall, Plaster, and Wood using 30-second equivalent standard (Time Corrected) mode readings
Brick, Concrete, Drywall, Metal, Plaster, and Wood using quick mode readings

THRESHOLDS:

30-SECOND EQUIVALENT STANDARD MODE READING DESCRIPTION	SUBSTRATE	THRESHOLD (mg/cm ²)
Results corrected for substrate bias on metal substrate only	Brick	1.0
	Concrete	1.0
	Drywall	1.0
	Metal	0.9
	Plaster	1.0
	Wood	1.0

QUICK MODE READING DESCRIPTION	SUBSTRATE	THRESHOLD (mg/cm ²)
Readings not corrected for substrate bias on any substrate	Brick	1.0

	Drywall	1.0
	Metal	1.0
	Plaster	1.0
	Wood	1.0

BACKGROUND INFORMATION

EVALUATION DATA SOURCE AND DATE:

This sheet is supplemental information to be used in conjunction with Chapter 7 of the HUD *Guidelines for the Evaluation and Control of Lead-Based Paint Hazards in Housing* ("HUD Guidelines"). Performance parameters shown on this sheet are calculated from the EPA/HUD evaluation using archived building components. Testing was conducted on approximately 150 test locations in July 1995. The instrument that performed testing in September had a new source installed in June 1995 with 12 mCi initial strength.

OPERATING PARAMETERS:

Performance parameters shown in this sheet are applicable only when properly operating the instrument using the manufacturer's instructions and procedures described in Chapter 7 of the HUD Guidelines.

XRF CALIBRATION CHECK:

The calibration of the XRF instrument should be checked using the paint film nearest 1.0 mg/cm² in the NIST Standard Reference Material (SRM) used (e.g., for NIST SRM 2579, use the 1.02 mg/cm² film).

If readings are outside the acceptable calibration check range, follow the manufacturer's instructions to bring the instruments into control before XRF testing proceeds.

SUBSTRATE CORRECTION VALUE COMPUTATION :

Chapter 7 of the HUD Guidelines provides guidance on correcting XRF results for substrate bias. Supplemental guidance for using the paint film nearest 1.0 mg/cm² for substrate correction is provided:

XRF results are corrected for substrate bias by subtracting from each XRF result a correction value determined separately in each house for single-family housing or in each development for multifamily housing, for each substrate. The correction value is an average of XRF readings taken over the NIST SRM paint film nearest to 1.0 mg/cm² at test locations that have been scraped bare of their paint covering. Compute the correction values as follows:

Using the same XRF instrument, take three readings on a bare substrate area covered with the NIST SRM paint film nearest 1 mg/cm². Repeat this procedure by taking three more readings on a second bare substrate area of the same substrate covered with the NIST SRM.

Compute the correction value for each substrate type where XRF readings indicate substrate correction is needed by computing the average of all six readings as shown below.

For each substrate type (the 1.02 mg/cm² NIST SRM is shown in this example; use the actual lead loading of the NIST SRM used for substrate correction):

$$\text{Correction value} = (1^{\text{st}} + 2^{\text{nd}} + 3^{\text{rd}} + 4^{\text{th}} + 5^{\text{th}} + 6^{\text{th}} \text{ Reading}) / 6 - 1.02 \text{ mg/cm}^2$$

Repeat this procedure for each substrate requiring substrate correction in the house or housing development.

EVALUATING THE QUALITY OF XRF TESTING:

Randomly select ten testing combinations for retesting from each house or from two randomly selected units in multifamily housing. Use either the Quick Mode or 30-second equivalent standard (Time Corrected) Mode readings.

Conduct XRF re-testing at the ten testing combinations selected for retesting.

Determine if the XRF testing in the units or house passed or failed the test by applying the steps below.

Compute the Retest Tolerance Limit by the following steps:

Determine XRF results for the original and retest XRF readings. Do not correct the original or retest results for substrate bias. In single-family and multi-family housing, a result is defined as a single reading. Therefore, there will be ten original and ten retest XRF results for each house or for the two selected units.

Calculate the average of the original XRF result and retest XRF result for each testing combination.

Square the average for each testing combination.

Add the ten squared averages together. Call this quantity C.

Multiply the number C by 0.0072. Call this quantity D.

Add the number 0.032 to D. Call this quantity E.

Take the square root of E. Call this quantity F.

Multiply F by 1.645. The result is the Retest Tolerance Limit.

Compute the average of all ten original XRF results.

Compute the average of all ten re-test XRF results.

Find the absolute difference of the two averages.

If the difference is less than the Retest Tolerance Limit, the inspection has passed the retest. If the difference of the overall averages equals or exceeds the Retest Tolerance Limit, this procedure should be repeated with ten new testing combinations. If the difference of the overall averages is equal to or greater than the Retest Tolerance Limit a second time, then the inspection should be considered deficient.

Use of this procedure is estimated to produce a spurious result approximately 1% of the time. That is, results of this procedure will call for further examination when no examination is warranted in approximately 1 out of 100 dwelling units tested.

BIAS AND PRECISION:

Do not use these bias and precision data to correct for substrate bias. These bias and precision data were computed without substrate correction from samples with reported laboratory results less than 4.0 mg/cm² lead. The data which were used to determine the bias and precision estimates given in the table below have the following properties. During the July 1995 testing, there were 15 test locations with a laboratory-reported result equal to or greater than 4.0 mg/cm² lead. Of these, one 30-second standard mode reading was less than 1.0 mg/cm² and none of the quick mode readings were less than 1.0 mg/cm². The instrument that tested in July is representative of instruments sold or serviced after June 26, 1995. These data are for illustrative purposes only. Actual bias must be determined on the site. Results provided above already account for bias and precision. Bias and precision ranges are provided to show the variability found between machines of the same model.

CLASSIFICATION RESULTS:

XRF results are classified as positive if they are greater than the upper boundary of the inconclusive range, and negative if they are less than the lower boundary of the inconclusive range, or inconclusive if in between. The inconclusive range includes both its upper and lower bounds. Earlier editions of this *XRF Performance Characteristic Sheet* did not include both bounds of the inconclusive range as "inconclusive." While this edition of the Performance Characteristics Sheet uses a different system, the specific XRF readings that are considered positive, negative, or inconclusive for a given XRF model and substrate remain unchanged, so previous inspection results are not affected.

DOCUMENTATION:

An EPA document titled *Methodology for XRF Performance Characteristic Sheets* provides an explanation of the statistical methodology used to construct the data in the sheets, and provides empirical results from using the recommended inconclusive ranges or thresholds for specific XRF instruments. For a copy of this document call the National Lead Information Center Clearinghouse at 1-800-424-LEAD. A HUD document titled *A Nonparametric Method for Estimating the 5th and 95th Percentile Curves of Variable-Time XRF Readings Based on Monotone Regression* provides supplemental information on the methodology for variable-time XRF instruments. A copy of this document can be obtained from the HUD lead web site, www.hud.gov/offices/lead.

This XRF Performance Characteristic Sheet was developed by QuanTech, Inc., under a contract from the U.S. Department of Housing and Urban Development (HUD). HUD has determined that the information provided here is acceptable when used as guidance in conjunction with Chapter 7, Lead-Based Paint Inspection, of HUD's *Guidelines for the Evaluation and Control of Lead-Based Paint Hazards in Housing*.

Section #2: Project Overview

At your request, Paradigm Environmental, LLC. (**PARADIGM**) conducted a pre-renovation asbestos survey at 600 North Franklin Street, Syracuse, New York 13204. The survey was conducted in accordance with the requirements outlined in the New York State Department of Labor's (NYSDOL) asbestos standard (12 NYCRR Part 56) as specified in Subpart 56-5.1 "Asbestos Survey Requirements for Building/Structure Demolition, Renovation, Remodeling and Repair".

NYSDOL Certified Asbestos Inspector Mitchell Blackwell (NYSDOL Certificate AH17.25242) performed the asbestos survey.

Project services provided by **PARADIGM** included the following:

1. Inspection of the subject structure by NYSDOL certified asbestos inspectors;
2. Collection of bulk samples of suspect asbestos-containing materials (ACM) and subsequent analysis by New York State Department of Health (NYSDOH) approved laboratories;
3. Preparation of this report.

Section #3: Methodologies

Inspection Procedures:

The inspection done in accordance with the requirements outlined in the NYSDOL asbestos standard (12 NYCRR Part 56) as specified in subpart 56-5.1 “Asbestos Survey Requirements for Building/Structure Demolition, Renovation, Remodeling and Repair”.

This section of the regulation states that in the absence of applicable building plans or records, the identification of asbestos or asbestos material shall be by the sampling and analysis of suspect material with analysis by a NYSDOH certified laboratory (see 56-4.2).

Each area was inspected by visual means to identify potential ACM. Inspection personnel assessed each suspect material to determine whether it represented a friable, non-friable or non-friable organically bound (NOB) material. The materials were identified, quantified and sampled for subsequent laboratory analysis.

ACM quantities were obtained using measurements made in the field by inspection personnel. Quantities are estimates and should be field verified.

Analytical Services:

Paradigm Environmental, LLC. (NYSDOH ELAP #11555) performed Polarized Light Microscopy (PLM) on all friable samples. Paradigm Environmental Services, Inc. (NYSDOH ELAP #11955) performed PLM and Transmission Electron Microscopy (TEM) on all NOB samples.

Friable bulk samples were analyzed using the Stratified Point Count Method with Polarized Light Microscopy and Dispersion Staining (PLM/DS) techniques. Samples were examined for homogeneity and preliminary fiber identification using a low powered stereoscopic binocular microscope. Positive identification of any asbestos fibers present was made using the Polarized Light Microscope.

NYSDOH regulations require that Non-Friable Organically Bound (NOB) materials (i.e. roofing membranes and adhesives) that are found to be non-asbestos containing by the PLM/DS method must be re-analyzed by the TEM method to confirm the PLM/DS results or be assumed ACM. Non-friable Organically Bound materials were analyzed using Polarized Light Microscopy with Gravimetric Matrix Reduction (GMR). If no asbestos was detected utilizing PLM/GMR, the sample was then analyzed by TEM methods. TEM analysis was performed in accordance with ELAP “TEM Method for Identifying and Quantitating Asbestos in Non-Friable Organically Bound Bulk Samples”, Revision 198.4, 8/3/92.

The EPA defines ACM as any material that contains greater than 1% by weight of asbestos.

Section #4: Summary of Findings

All ACM identified by PARADIGM are listed in the tables below.

Invasive core sampling was performed to ensure all suspect materials were sampled, however, in the event that suspect materials are discovered during demolition, which were not recognized in this survey, additional samples should be collected and analyzed for asbestos content or should be assumed ACM.

Asbestos Containing Material

Ninety-four (94) samples were collected and analyzed for asbestos content. Suspect materials and analytical results are in Table I below. ACM is listed in Table II. If any suspect materials are found during demolition (TSI, flooring, etc.) that were not identified in this survey, those materials should be tested or assumed to be ACM.

As per NYSDOL ICR 56-2.1 (p), an Asbestos Containing Material (ACM) is defined as any material containing greater than one percent (1%) of asbestos, also known as Asbestos Material. Samples determined to be as ACM are identified by **bold type and are highlighted in yellow**.

Section #6: Recommendations

Introduction:

The Environmental Protection Agency (EPA) under the Asbestos Hazard Emergency Response Act (AHERA) divides ACM into three (3) categories. Although this legislation pertains to primary and secondary schools, it is widely referenced when organizing a management plan for the maintenance of ACM in buildings. The three categories of ACM used in buildings are as follows:

Thermal System Insulation

As the name suggests, these materials are limited to thermal applications. Examples of these materials include pipe insulation, pipe fitting insulation, boiler or furnace insulation and various gasket materials.

Surfacing Materials

Surfacing materials are sprayed or troweled onto a surface. Examples of surfacing materials include wall or ceiling plaster and fireproofing insulation.

Miscellaneous

All asbestos-containing materials found in buildings, which do not fall into the categories above, are considered to be miscellaneous materials. These materials include, but are not limited to, floor covering, adhesives, ceiling tiles and certain types of paneling (i.e. transite or galbestos panels). In addition, ACM can also be divided into two other classifications based on the likelihood of fiber release into the surrounding atmosphere (Friable vs. Non-Friable).

Friable Materials:

The materials that pose the greatest risk of airborne fiber release are friable materials. Friable materials are those materials, which can be crushed or pulverized, when dry, by hand pressure. These materials include, but are not limited to, pipe and pipe fitting insulation, boiler and hot water insulation, sprayed-on insulation (such as fireproofing) and troweled-on materials (such as decorative ceiling plaster). Particular attention should be paid to those materials that have been identified as in fair or poor condition. Since these materials are most likely to generate fiber release, and therefore pose the greatest risk of worker contamination, it is highly recommended that remedial action be implemented.

Non-friable Materials:

Non-friable materials are those materials that do not readily release fibers into the atmosphere since the fibers are locked within the matrix of the material. Examples of non-friable materials include floor tiles, linoleum, and adhesive-like materials such as mastics and roofing materials. Although these materials pose less of a risk to worker safety, they should still be taken seriously and properly maintained. It is important to realize that any ACM, when improperly or carelessly treated, poses a potential health risk.

Typical Remedial Measures:

Listed below are the four most common remedial actions generally available to prevent or limit the release of asbestos fibers from ACM.

- 1) **Implementation of an Operations & Maintenance (O&M) Program (12 NYCRR Part 56-3.2(d)(5) & OSHA Regulations):** A set of standard operating procedures is developed for use by in-house maintenance personnel. These procedures are developed to assist designated personnel in the cleanup of fibers previously released and to limit the potential for future asbestos exposure by instituting preventative measures (i.e. personnel training, material repairs, special clean-up procedures, etc.).
- 2) **Encapsulation (12 NYCRR Part 56-8.7):** Utilization of this remedial action is intended to limit potential fiber release by chemical means. This is accomplished by creating an impermeable barrier between the material and the environment with a bridging encapsulant, or by using a penetrating encapsulant that binds the material and its fibers together in a hard matrix.
- 3) **Encasement/Enclosure (12 NYCRR Part 56-8.8):** Enclosure of asbestos consists of constructing a permanent, physical, airtight impermeable barrier between the ACM and the environment. This is accomplished using material such as cement block, gypsum board, tongue and groove or spline jointed plywood, etc.
- 4) **Removal (12 NYCRR Part 56-1.1 to 56-12.4):** Removal of asbestos is the process by which ACM is stripped from its underlying substrate. Removal must be completed in a controlled manner to prevent building contamination. When completed properly, removal of ACM offers a permanent solution to the ACM problem by eliminating the material. However, removal can be very costly and time consuming. When done improperly, removal can result in significant contamination of a building or area and dramatically increase the potential for building occupant's exposure to airborne asbestos fibers.

Determining an appropriate remedial action is typically based on a hazard assessment that is prepared for ACM identified as a result of a completed building survey. These hazard assessments are generally based on several factors including the following:

- a. Whether or not the material is friable.
- b. The condition of the material (e.g. poor, fair, good).
- c. The potential for disturbance of the material.
- d. Activity in the area of the material (e.g. manufacturing processes, air current, etc.).
- e. Whether or not the area where the material is located is occupied.

A NYSDOL Licensed Asbestos Abatement Contractor must perform remedial activities in accordance with applicable local, state and federal regulations.

Section #7: Definitions

The following terms are used throughout this report. These definitions were derived from NYS DOL ICR 56-2.

Asbestos. Any naturally occurring hydrated mineral silicate separable into commercially usable fibers, including chrysotile (serpentine), Amosite (cumingtonite-grunerite), crocidolite (riebeckite), tremolite, anthophyllite and actinolite.

Asbestos Containing Material (ACM). Any material containing greater than one percent (1%) of asbestos, also known as **Asbestos Material**.

Asbestos Survey. A thorough inspection for and identification of all PACM, suspect ACM, or asbestos material throughout the building/structure or portion thereof to be demolished, renovated, remodeled, or repaired. (See Subpart 56-5)

Bulk Sampling. Accepted methods for collecting samples of suspect materials for appropriate analyses by NYS ELAP approved laboratories, to determine asbestos content.

Category I Non-Friable ACM. NESHAP classification - Asbestos-containing packings, gaskets, resilient floor covering, and asphalt roofing products, containing more than one percent (1%) asbestos, that when dry, cannot be crumbled, pulverized, or reduced to powder by hand pressure.

Category II Non-Friable ACM. NESHAP classification - Any material, excluding Category I Non-Friable ACM, containing more than one percent (1%) asbestos, that when dry, cannot be crumbled, pulverized, or reduced to powder by hand pressure

Demolition. The wrecking or removal of any load-supporting structural member of a building or structure.

Friable. Any material that when dry, can be crumbled, pulverized, or reduced to powder by hand pressure, or is capable of being released into the air by hand pressure.

Non-Asbestos Material. Any material documented to contain one percent (1%) or less of asbestos.

Non-Friable. Any material that when dry, cannot be crumbled, pulverized, or reduced to powder by hand pressure, and is not capable of being released into the air by hand pressure.

Non-Friable Organically Bound (NOB) Asbestos Material. Non-friable asbestos materials embedded in flexible-to-rigid asphalt or vinyl matrices, including but not limited to flooring materials, adhesives, mastics, asphalt shingles, roofing materials and caulks.

Presumed Asbestos Containing Material (PACM). All Thermal System Insulations and Surfacing Materials found in buildings constructed no later than 1980. PACM is considered to be ACM unless proven otherwise by appropriate bulk sampling and laboratory analyses.

Regulated Asbestos-Containing Material (RACM). Friable ACM or PACM, Category I Non-friable ACM that has become friable or has been or will be subjected to sanding, grinding, cutting or abrading, or Category II Non-friable ACM that has a high probability of becoming or has become crumbled, pulverized, or reduced to powder by the forces expected to act on the material in the course of demolition or renovation operations.

Remodel. For purposes of this code, remodel shall mean the same as renovation.

Removal. Abatement, consisting of operations where ACM, PACM or asbestos material is removed or stripped from structures or substrates. This includes demolition operations.

Renovation. The altering of an existing building/structure, or a portion of building/structure components or systems, including the stripping, removal or abatement of ACM from a building or structure. Operations in which load supporting structural members are wrecked or taken out are demolitions.

Repair (Asbestos). Abatement, consisting of corrective action for a Minor Asbestos Project using required work practices to control fiber release from damaged ACM, PACM or asbestos material.

Repair. The replacement, overhaul, rebuilding, reconstructing or reconditioning of any part of a building/structure component or system with like or similar material or parts, due to damage or excessive wear.

Suspect Miscellaneous ACM. Any suspect asbestos-containing material that is not PACM, such as floor tiles, ceiling tiles, mastics/adhesives, sealants, roofing materials, cementitious materials, etc. A listing of typical suspect miscellaneous ACM can be found in NYSDOL ICR 56-5. All suspect miscellaneous ACM must be assumed to be ACM, unless proven otherwise by appropriate bulk sampling and laboratory analyses.

Surfacing Material. Material that is sprayed-on, troweled-on, or otherwise applied to surfaces (such as acoustical or finish plaster on ceilings and walls, and fireproofing materials on structural members, or other materials on surfaces for acoustical, fireproofing, or other purposes).

Thermal System Insulation. Insulation material applied to pipes, fittings, boilers, breeching, tanks, ducts or other structural components to prevent heat gain or loss.

Section #8: Final Notes

If the building/structure asbestos survey finds that the portion of the building/structure to be demolished, renovated, remodeled, or have repair work contains ACM, PACM, suspect miscellaneous ACM assumed to be ACM, or asbestos material, the owner or the owner's agent shall conduct, or cause to have conducted, asbestos removal performed by a licensed asbestos abatement contractor in conformance with all standards set forth in ICR-56.

All ACM, PACM, suspect miscellaneous ACM assumed to be ACM, or asbestos material impacted by the demolition, renovation, remodeling or repair project shall be removed as per ICR-56, prior to access or disturbance by other uncertified trades or personnel. No demolition, renovation, remodeling or repair work shall be commenced by any owner or the owner's agent prior to the completion of the asbestos abatement in accordance with the notification requirements of ICR-56. For multi-phased work, the access restriction for uncertified trades or personnel applies to each intermediate portion of the entire project.

Upon completion of the intermediate portion of the asbestos project, other trades or personnel may access that portion of the work site.

Unidentified and Unassessed Asbestos:

When any construction activity, such as demolition, remodeling, renovation or repair work, reveals PACM or suspect miscellaneous ACM that has not been identified by the asbestos survey, or has not been identified by other inspections as per current OSHA or EPA requirements, all activities shall cease in the area where the PACM or suspect miscellaneous ACM is found and the Asbestos Control Bureau shall be notified by telephone followed with a written notice in accordance with the notification requirements of ICR-56. Unassessed PACM or suspect miscellaneous ACM shall be treated and handled as ACM and assumed to be ACM, unless proven otherwise by standard EPA and OSHA accepted methods, including multilayered systems sampling protocols; subsequent analyses performed by a laboratory that meets the requirements ICR-56; and the analyses satisfies both NYS ELAP and federal requirements, including multilayered sample analyses, to document non-asbestos containing material.

The report represents the opinion of the reporting inspector at the time of the asbestos survey and accurately reflects Federal, State, and Local guidelines.

Due to know dangers and health effects of human exposure to airborne asbestos fibers, there exist both Federal and State regulations and recommendations which must be followed in the asbestos removal process.

Re: 600 North Franklin Street, Syracuse, New York 13204: Asbestos Bulk Sampling & Analytical Services

Job Number: 2213-19S

The purpose of this letter is to explain the results of the Polarized Light Microscopy (PLM) and/or Transmission Electron Microscopy (TEM) Asbestos Bulk Sample Analysis that was performed on 12/3/2019, 12/4/2019 & 12/5/2019. A total of thirty-nine (39) Friable and twenty-eight (28) Non-friable Organically Bound (NOB) Bulk Sample(s) were analyzed.

Analysis Notes:

1. As per NYSDOL ICR 56-2.1 (p), an Asbestos Containing Material (ACM) is defined as any material containing greater than one percent (1%) of asbestos, also known as Asbestos Material. Samples determined to be ACM are identified by ***bold/italicized type and are highlighted in yellow***.
2. PLM Friable Analysis performed by Paradigm Environmental LLC. (NYSDOH ELAP #11555). PLM/TEM NOB Analysis performed by Paradigm Environmental, Inc. (NYSDOH ELAP #10958).

If you have any additional questions concerning this report, please do not hesitate to call me at 315.455.2714 or email me at kjoyce@paradigmenvllc.com. Thank you.

Re: 600 North Franklin Street, Syracuse, New York 13204: Asbestos Bulk Sampling & Analytical Services

Job Number: 2246-19S

The purpose of this letter is to explain the results of the Polarized Light Microscopy (PLM) and/or Transmission Electron Microscopy (TEM) Asbestos Bulk Sample Analysis that was performed on 12/5/2019, 12/10/2019 & 12/11/2019. A total of thirteen (13) Friable and eighteen (18) Non-friable Organically Bound (NOB) Bulk Sample(s) were analyzed.

Disclaimer: EPA NYS Friable 198.1 Polarized Light Microscope Methods for Identifying and Quantitating Asbestos in Bulk Samples. Polarized Light Microscopy is not reliable in detecting asbestos in floor coverings and similar non-friable organically bound materials. Quantitative Transmission Electron Microscopy (TEM) is currently the only method that can be used to determine if this material can be considered or treated as non-asbestos containing. Abbreviations: "NAD" = No Asbestos Detected; "ND" = Not Detected. This report may not be duplicated without the approval of Paradigm Environmental, LLC. (PARADIGM), and then only in full. As a result of the public health emergency created by COVID-19, the Federal, State and local bans on meetings or gatherings, and pursuant to Governor Cuomo's Executive Order 202.1 issued on March 12, 2020, as amended from time to time, the City of Syracuse Industrial Development Agency (the "**Agency**") held a meeting on the 21st day of April, 2020, at 8:00 a.m., local time, electronically which was made available via Webex at: <https://bit.ly/syrsida-04082020> (or by accessing the link on the Agency's website) and using meeting number 713 934 932 and password SIDA; or via telephone at (408) 418-9388 with access code: 713 934 932, in conjunction with the matter set forth below.

The meeting was called to order by the Chair and upon the roll being duly called, the following members were:

PRESENT VIA TELE/VIDEOCONFERENCE (in accordance with the Governor's Executive Order 202.1): Kathleen Murphy, Steven Thompson, Kenneth Kinsey, Rickey T. Brown and Dirk Sonneborn

THE FOLLOWING PERSONS WERE ALSO PRESENT VIA TELE/VIDEOCONFERENCE (in accordance with the Governor's Executive Order 202.1): Staff Present: Judith DeLaney, Susan Katzoff, Esq., John Vavonese, Lori McRobbie; Others Present: Timothy Lynn, Esq., Chuck Sangster, Kate Maguire, Esq., Jen Tifft; Media Present: Rick Moriarty

The following resolution was offered by Rickey T. Brown and seconded by Steven Thompson:

**RESOLUTION AUTHORIZING THE UNDERTAKING,
ACQUISITION, RECONSTRUCTION, RENOVATION,
EQUIPPING AND COMPLETION OF A PROJECT;
APPOINTING THE COMPANY AS AGENT OF THE
AGENCY FOR THE PURPOSE OF THE ACQUISITION,
RECONSTRUCTION, RENOVATION, EQUIPPING AND
COMPLETION OF THE PROJECT**

WHEREAS, the Agency is authorized and empowered by Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the "**Act**") to promote, develop, encourage and assist in the acquiring, constructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, lease and sell real property and grant financial assistance in connection with one or more “projects” (as defined in the Act); and

WHEREAS, at the request of Dupli Associates, LLC (the “*Company*”), by resolution dated May 16, 2017 (the “*Inducement Resolution*”) the Agency undertook a project (the “*Original Project*”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“*Building 2*”) (bearing tax parcel identification number 118.-06-01.0), each in the City of Syracuse, New York (the “*City*”) (the foregoing collectively referred to as the “*Land*”); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the “*Original Facility*”); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the “*Original Equipment*” and together with the Land and the Original Facility, the “*Original Project Facility*”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “*Original Financial Assistance*”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Original Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, in July 2017, the Company and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the “*Original Lease Transaction*”). As part of the Original Lease Transaction, the Company and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, and agency lease, a bill of sale, and environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the “*Lease Documents*”); and

WHEREAS, by supplemental application dated February 4, 2020 (the “*Application*”), the Company requested the Agency revise the Original Project (the “*Project*”) as follows: (A)(i) the continuation of an interest in the Land; (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent

limits for the City¹ (the "**AMI**"); and approximately 3,500 sq.ft. of retail space; and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the AMI; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, the Company has requested the Agency approve the Project, as set forth above, and amend the necessary Lease Documents to effectuate same; and

WHEREAS, as part of the Financial Assistance, the Company requested the Agency consider an amended payment in lieu of tax schedule, which schedule conforms with the Agency's UTEP and accounts for the additional parcels and amendments to the Project included in the Application, and in particular, the commitment to incorporate residential units at AMI; and

WHEREAS, the Company further requested approval of the transfer of some or all of the membership interests in the Company to FS Development Associates LLC whose members are Mark Lane, Joseph Gehm and Timothy Lynn; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law of the State of New York, as amended, and the regulations of the Department of Environmental Conservation of the State of New York promulgated thereunder (collectively referred to hereinafter as "**SEQRA**"), the Agency is required to make a determination whether the "action" (as said quoted term is defined in SEQRA) to be taken by the Agency may have a "significant impact on the environment" (as said quoted term is utilized in SEQRA), and the preliminary agreement of the Agency to undertake the Project constitutes such an action; and

WHEREAS, by resolution adopted March 17, 2020 (the "**SEQRA Lead Agency Resolution**"), the Agency classifying a certain project as a Type I Action and declaring the intent of the City Of Syracuse Industrial Development Agency to be lead agency for purposes of a coordinated review pursuant to SEQRA; and

WHEREAS, the Agency adopted a resolution on February 18, 2020 describing the

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

Project and the proposed financial assistance and authorizing a public hearing with respect thereto (“**Public Hearing Resolution**”); and

WHEREAS, the Agency scheduled a public hearing with respect to the Project and the proposed Financial Assistance to be held on March 17, 2020, pursuant to Section 859-a of the Act, notice of which was published on March 5, 2020, in the Post-Standard, a newspaper of general circulation in the City and given to the chief executive officers of the affected tax jurisdictions by letters dated March 4, 2020; however, the public hearing was postponed in order to comply with the restrictions on public gatherings/meetings pursuant to one or more executive orders issued by the Governor; and

WHEREAS, the Agency conducted a public hearing with respect to the Project and the proposed Financial Assistance on April 21, 2020 pursuant to Section 859-a of the Act and executive order 220.1 issued by the Governor on March 12, 2020, as amended from time to time, notice of which was published on April 9, 2020, in the Post-Standard, a newspaper of general circulation in the City and given to the chief executive officers of the affected tax jurisdictions by letters dated April 10, 2020; and

WHEREAS, by resolution adopted April 21, 2020 (the “**SEQRA Resolution**”), the Agency determined that the Project will not have a significant adverse effect on the environment and issued a negative declaration; and

WHEREAS, the Agency has considered the policy, purposes and requirements of the Act in making its determinations with respect to taking official action regarding the Project; and

WHEREAS, the Agency has given due consideration to the Application and to representations by the Company that the provision of Financial Assistance: (i) will induce the Company to develop the Project Facility in the City; (ii) will not result in the removal of a commercial, industrial or manufacturing plant or facility of the Company or any other proposed occupant of the Project Facility from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project Facility located in the State, except as may be permitted by the Act; and (iii) the Project will serve the purposes of the Act by advancing job opportunities and the economic welfare of the people of the State and the City and improve their standard of living.

NOW, THEREFORE, be it resolved by the members of the City of Syracuse Industrial Development Agency as follows:

Section 1. It is the policy of the State to promote the economic welfare, recreation opportunities and prosperity of its inhabitants and to actively promote, attract, encourage and develop recreation and economically sound commerce and industry for the purpose of preventing unemployment and economic deterioration. It is among the purposes of the Agency to promote, develop, encourage and assist in the acquiring, constructing, improving, maintaining, equipping and furnishing of certain facilities, including commercial facilities, and thereby advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their recreation opportunities, prosperity and standard of living.

Section 2. Based upon the representations and projections made by the Company to the Agency, the Agency hereby and makes the following determinations:

(A) Ratifies the findings in its SEQRA Resolution;

(B) The Project constitutes a “*project*” within the meaning of the Act;

(C) The acquisition or continuation of a controlling interest in the Project Facility by the Agency and the continued or extended designation of the Company as the Agency’s agent for completion of the Project will be an inducement to the Company to construct, reconstruct, renovate, equip and complete the Project Facility in the City, and will serve the purposes of the Act by, among other things, advancing job opportunities, the standard of living and economic welfare of the inhabitants of the City;

(D) The Project will not result in the removal of a commercial, industrial or manufacturing plant or facility of the Company or any other proposed occupant of the Project Facility from one area of the State to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project Facility located in the State, except as may be permitted by the Act;

(E) The Financial Assistance approved hereby includes an exemption from State and local sales and use taxes and mortgage recording taxes, and the appointment of the Company as agent of the Agency as further set forth herein.

Section 3. As a condition of the appointment or continuation of the Company as agent of the Agency, and the conference of any approved Financial Assistance, the Company and the Agency shall first execute and deliver amended, or amended and restated, Lease Documents and any and all other documents or certificates as the Agency may deem necessary to carry out the intent of this Resolution (collectively, the “*Amended Lease Documents*”). The Chair, Vice Chair or Executive Director of the Agency are each hereby authorized, on behalf of the Agency, to execute and deliver the Amended Lease Documents, with changes in terms and form as shall be consistent with this Resolution and as the Chair or Vice Chair shall approve. The execution thereof by the Chair, Vice Chair and/or Executive Director shall constitute conclusive evidence of such approval. Subject to the due execution and delivery by the Company of the Amended Lease Documents, the satisfaction of the conditions of this Resolution, the Amended Lease Documents and the payment by the Company of any attendant fees owed to the Agency for its administration or legal fees, the Company and its designees, are appointed the true and lawful agent of the Agency to proceed with the reconstruction, renovation, equipping and completion of the Project, all with the same powers and the same validity as if the Agency were acting in its own behalf. The amount of State and local sales and use tax exemption benefits comprising the Financial Assistance approved herein shall not exceed **\$897,912**.

Section 4. Subject to the terms of this Resolution, the Agency authorizes the execution and delivery of the Amended Lease Documents and the Agency authorizes the undertaking of the Project and will: (i) continue its interest in the Land and Facility; accept an

interest in the Equipment; (ii) sublease the Project Facility to the Company pursuant to the Amended Lease Documents to be entered into between the Agency and the Company; (iii) grant the approved Financial Assistance; and (iv) provided that no default shall have occurred and be continuing under the Lease Documents, and provided the Company has executed and delivered all documents and certificates required by the Agency in conjunction with the Agency's undertaking of the Project, execute and deliver all other certificates and documents necessary or appropriate for the grant of the approved Financial Assistance, in form and substance acceptable to the Agency.

Section 5. The Agency hereby authorizes the assignment of some or all of the membership interests in the Company to FS Development Associates LLC, whose members are Mark Lane, Joseph Gehm and Timothy Lynn provided that to the satisfaction of the Agency and its counsel, the new members assume the obligations and terms of the Amended Lease Documents.

Section 6. The terms and conditions of subdivision 3 of Section 875 of the Act are herein incorporated by reference and the Company shall agree to such terms as a condition precedent to receiving or benefiting from an exemption from State and local sales and use tax exemptions benefits.

Section 7. The Company may utilize, and subject to the terms of this Resolution, the Agreement and the Project Agreement (as defined in the Inducement Resolution and as such documents may be amended as part of the Amended Lease Documents) , is hereby authorized to appoint, a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively, "***Additional Agents***") to proceed with the reconstruction, renovation, equipping and completion of the Project, all with the same powers and the same validity as if the Agency were acting in its own behalf, provided the Company execute, deliver and comply with the Agreement. The Company shall provide, or cause its Additional Agents to provide, and the Agency shall maintain, records of the amount of State and local sales and use tax exemption benefits provided to the Project and the Company shall, and cause each Additional Agent, to make such records available to the State Commissioner of Taxation and Finance (the "***Commissioner***") upon request. The Agency shall, within thirty (30) days of providing any State sales and use tax exemption benefits, report to the Commissioner the amount of such benefits for the Project, identifying the Project, along with any such other information and specificity as the Commissioner may prescribe. As a condition precedent to the Company or Project's receipt of, or benefit from, any State or local sales and use tax exemptions, the Company must acknowledge and agree to make, or cause its Additional Agents to make, all records and information regarding State and local sales and use tax exemption benefits realized by the Project available to the Agency or its designee upon request. for purposes of exemption from New York State (the "***State***") sales and use taxation as part of the Financial Assistance requested, "sales and use taxation" shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the New York State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

Section 8. The Chair, Vice Chair and/or the Executive Director of the Agency, acting

individually, are each hereby authorized and directed, for and in the name and on behalf of the Agency, to execute and deliver the documents and agreements identified herein and any such additional certificates, instruments, documents or affidavits, to pay any such other fees, charges and expenses, to make such other changes, omissions, insertions, revisions, or amendments to the documents referred herein as the (Vice) Chair deems appropriate, and to do and cause to be done any such other acts and things, as they determine, on advice of counsel to the Agency, may be necessary or desirable to consummate the transactions contemplated by this Resolution and/or the Amended Lease Documents.

Section 9. The obligation of the Agency to consummate any transaction contemplated herein or hereby is subject to and conditioned upon the Company's execution and delivery of the Amended Lease Documents and any other documents necessary to carry out the intent of this Resolution.

Section 10. No covenant, stipulation, obligation or agreement contained in this resolution or any document referred to herein shall be deemed to be the covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency in his or her individual capacity. Neither the members nor officers of the Agency, nor any person executing any documents referred to above on behalf of the Agency, shall be liable thereon or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

Section 11. Should the Agency's participation in the Project, or the appointments made in accordance herewith, be challenged by any party, in the courts or otherwise, the Company shall defend, indemnify and hold harmless the Agency and its members, officers and employees from any and all losses arising from any such challenge including, but not limited to, the fees and disbursement of the Agency's counsel. Should any court of competent jurisdiction determine that the Agency is not authorized under the Act to participate in the Project, this Resolution shall automatically become null, void and of no further force and effect, and the Agency shall have no liability to the Company hereunder or otherwise.

Section 12. Bousquet Holstein PLLC, as counsel to the Agency, is hereby authorized to work with the Company and others to prepare for submission to the Agency, all documents necessary to effect the grant of Financial Assistance and consummate the Lease Documents.

Section 13. The Secretary and/or the Executive Director of the Agency are hereby authorized and may distribute copies of this Resolution and do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 14. This Resolution shall take effect immediately. A copy of this Resolution, together with the attachments hereto, shall be placed on file in the office of the Agency where the same shall be available for public inspection during business hours.

The question of the adoption of the foregoing resolution was duly put to vote on a roll call, which resulted as follows:

approximately 9,500 sq.ft. of retail space (collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, the Company has requested that the Agency undertake the Project, as set forth above, and amend the necessary Lease Documents to effectuate same; and

WHEREAS, as part of the Financial Assistance, the Company requested the Agency consider an amended payment in lieu of tax schedule (the "**PILOT Schedule**"), as more fully described on **Exhibit "A"** attached hereto, which schedule conforms with the Agency's UTEP and accounts for the additional parcels and amendments to the Project included in the Application, and in particular, the commitment to incorporate residential units at AMI; and

WHEREAS, the Company further requested approval of the transfer of some or all of the membership interests in the Company to FS Development Associates LLC whose members are Mark Lane, Joseph Gehm and Timothy Lynn; and

WHEREAS, the Agency scheduled a public hearing with respect to the Project and the proposed Financial Assistance to be held on March 17, 2020, pursuant to Section 859-a of the Act, notice of which was published on March 5, 2020, in the Post-Standard, a newspaper of general circulation in the City and given to the chief executive officers of the affected tax jurisdictions by letters dated March 4, 2020; however, the public hearing was postponed in order to comply with the restrictions on public gatherings/meetings pursuant to one or more executive orders issued by the Governor; and

WHEREAS, the Agency conducted a public hearing with respect to the Project and the proposed Financial Assistance on April 21, 2020 pursuant to Section 859-a of the Act and executive order 220.1 issued by the Governor on March 12, 2020, as amended from time to time, notice of which was published on April 9, 2020, in the Post-Standard, a newspaper of general circulation in the City and given to the chief executive officers of the affected tax jurisdictions by letters dated April 10, 2020; and

WHEREAS, on April 21, 2020, the Agency resolved to classify the Project as a Type 1 Action pursuant to Article 8 of the Environmental Conservation Law of the State of New York, as amended, and the regulations of the Department of Environmental Conservation of the State of New York promulgated thereunder (collectively referred to hereinafter as "**SEQRA**") and determined that the action will not have a significant effect on the environment (the "**SEQRA**");

Resolution"); and

WHEREAS, by resolution adopted April 21, 2020 (the “**Amended Inducement Resolution**”), the Agency approved the Project and the Financial Assistance; and

WHEREAS, the Agency has given due consideration to the Application and to representations by the Company that the proposed PILOT Schedule, as part of the Financial Assistance: (i) will induce the Company to develop the Project Facility in the City; (ii) will not result in the removal of a commercial, industrial or manufacturing plant or facility of the Company or any other proposed occupant of the Project Facility from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project Facility located in the State, except as may be permitted by the Act; and (iii) undertaking the Project will advance job opportunities in the State and promote the general prosperity and economic welfare of the inhabitants of the City in furtherance of the purposes of the Act.

NOW, THEREFORE, be it resolved by the members of the City of Syracuse Industrial Development Agency, as follows:

(1) Based upon the representations made by the Company to the Agency, and the reasons presented by the Company in support of its request for the PILOT Schedule, the Agency hereby approves the amended PILOT Schedule and the (Vice) Chair and Executive Director, acting individually, are each authorized to execute and deliver an amended payment in lieu of taxes agreement (the “**PILOT Agreement**”) providing for the PILOT Schedule attached as **Exhibit “A”** hereto, all in such form and substance as shall be substantially the same as approved by the Agency for other similar transactions and consistent with this Resolution and as approved by the Chair or Vice Chair of the Agency upon the advice of counsel to the Agency.

(2) The (Vice) Chair and/or Executive Director, acting individually, are each hereby authorized and directed, for and in the name and on behalf of the Agency, to execute and deliver the documents and agreements identified herein and any and all such additional certificates, instruments, documents or affidavits, to pay any such other fees, charges and expenses, to make such other changes, omissions, insertions, revisions, or amendments to the documents referred to herein as the (Vice) Chair shall approve, and to do and cause to be done any such other acts and things, as they determine, on advice of counsel to the Agency, may be necessary or desirable to consummate the transactions contemplated by this Resolution.

(3) No covenant, stipulation, obligation or agreement contained in this resolution or any document referred to above shall be deemed to be the covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency in his or her individual capacity. Neither the members nor officers of the Agency, nor any person executing any documents referred to above on behalf of the Agency, shall be liable thereon or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

(4) Bousquet Holstein PLLC, as counsel to the Agency, is hereby authorized to work with the Company and others to prepare for submission to the Agency, all documents necessary to effect the grant of Financial Assistance and consummate the Lease Documents.

(5) The Secretary and/or the Executive Director of the Agency are hereby authorized to distribute copies of this Resolution to the Company and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

(6) This Resolution shall take effect immediately, but is subject to execution by the Company of the PILOT Agreement and the Amended Lease Documents (as defined in the Amended Inducement Resolution) and compliance with all other resolutions and other related documents adopted and/or approved by the Agency in conjunction with the Project and/or as set forth herein.

(7) A copy of this Resolution, together with the attachments hereto, shall be placed on file in the office of the Agency where the same shall be available for public inspection during business hours.

The question of the adoption of the foregoing Resolution was duly put to vote on a roll call, which resulted as follows:

The following resolution was offered by Steven Thompson and seconded by Dirk Sonneborn:

RESOLUTION AUTHORIZING THE EXECUTION AND DELIVERY OF CERTAIN DOCUMENTS BY THE AGENCY IN CONNECTION WITH A COMMERCIAL PROJECT UNDERTAKEN AT THE REQUEST OF THE COMPANY

WHEREAS, the Agency is authorized and empowered by Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the "**Act**") to promote, develop, encourage and assist in the acquiring, constructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, lease and sell real property and grant financial assistance in connection

with one or more “projects” (as defined in the Act); and

WHEREAS, at the request of Dupli Associates, LLC (the “**Company**”), by resolution dated May 16, 2017 (the “**Inducement Resolution**”), the Agency undertook a project (the “**Original Project**”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“**Building 1**”) (bearing tax parcel identification number 118.-06-08.0); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“**Building 2**”) (bearing tax parcel identification number 118.-06-01.0), each in the City of Syracuse, New York (the “**City**”) (the foregoing collectively referred to as the “**Land**”); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the “**Facility**”); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the “**Original Equipment**” and together with the Property and the Facility, the “**Original Project Facility**”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “**Original Financial Assistance**”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Original Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, in July 2017, the Company and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the “**Original Lease Transaction**”). As part of the Original Lease Transaction, the Company and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the “**Lease Documents**”); and

WHEREAS, by supplemental application dated February 4, 2020 (the “**Application**”), the Company requested the Agency revise the Original Project (the “**Project**”) as follows: (A)(i) the continuation of an interest in the Land; (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the “**AMI**”); and approximately 3,500 sq.ft. of retail space; and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the AMI; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, the Company has requested the Agency approve the Project, as set forth above, and amend the necessary Lease Documents to effectuate same; and

WHEREAS, as part of the Financial Assistance, the Company requested the Agency consider an amended payment in lieu of tax schedule which schedule conforms with the Agency's UTEP and accounts for the additional parcels and amendments to the Project included in the Application, and in particular, the commitment to incorporate residential units at AMI; and

WHEREAS, the Company further requested approval of the transfer of some or all of the membership interests in the Company to FS Development Associates LLC whose members are Mark Lane, Joseph Gehm and Timothy Lynn; and

WHEREAS, the Agency scheduled a public hearing with respect to the Project and the proposed Financial Assistance to be held on March 17, 2020, pursuant to Section 859-a of the Act, notice of which was published on March 5, 2020, in the Post-Standard, a newspaper of general circulation in the City and given to the chief executive officers of the affected tax jurisdictions by letters dated March 4, 2020; however, the public hearing was postponed in order to comply with the restrictions on public gatherings/meetings pursuant to one or more executive orders issued by the Governor; and

WHEREAS, the Agency conducted a public hearing with respect to the Project and the proposed Financial Assistance on April 21, 2020 pursuant to Section 859-a of the Act and executive order 220.1 issued by the Governor on March 12, 2020, as amended from time to time, notice of which was published on April 9, 2020, in the Post-Standard, a newspaper of general circulation in the City and given to the chief executive officers of the affected tax jurisdictions by letters dated April 10, 2020; and

WHEREAS, the Agency adopted a resolution on February 18, 2020 (the “*SEQRA Lead Agency Resolution*”) entitled:

RESOLUTION CLASSIFYING A CERTAIN PROJECT AS A TYPE I ACTION AND DECLARING THE INTENT OF THE CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY TO BE LEAD AGENCY FOR PURPOSES OF A COORDINATED REVIEW PURSUANT TO THE STATE ENVIRONMENTAL QUALITY REVIEW ACT

which resolution is in full force and effect and has not been amended or modified; and

WHEREAS, the Agency adopted a resolution on April 21, 2020 (the “*SEQRA Resolution*”) entitled:

RESOLUTION DETERMINING THAT THE UNDERTAKING OF A CERTAIN PROJECT AT THE REQUEST OF DUPLI ASSOCIATES, LLC WILL NOT HAVE A SIGNIFICANT EFFECT ON THE ENVIRONMENT

which resolution is in full force and effect and has not been amended or modified; and

WHEREAS, the Agency adopted a resolution on April 21, 2020 (the “*Amended Inducement Resolution*”) entitled:

RESOLUTION AUTHORIZING THE UNDERTAKING, ACQUISITION, RECONSTRUCTION, RENOVATION, EQUIPPING AND COMPLETION OF A PROJECT; APPOINTING THE COMPANY AS AGENT OF THE AGENCY FOR THE PURPOSE OF THE ACQUISITION, RECONSTRUCTION, RENOVATION, EQUIPPING AND COMPLETION OF THE PROJECT

which resolution is in full force and effect and has not been amended or modified; and

WHEREAS, the Agency adopted a resolution on April 21, 2020 (the “*Amended PILOT Resolution*”) entitled:

RESOLUTION APPROVING A PAYMENT IN LIEU OF TAX ("PILOT") SCHEDULE AND AUTHORIZING THE EXECUTION AND DELIVERY OF CERTAIN DOCUMENTS BY THE AGENCY IN CONNECTION WITH THE PILOT SCHEDULE

which resolution is in full force and effect and has not been amended or modified.

NOW, THEREFORE, be it resolved by the members of the City of Syracuse Industrial Development Agency, as follows:

Section 1. Based upon the representations made by the Company to the Agency and after consideration of the comments received at the public hearing, if any, the Agency hereby ratifies the SEQRA Resolution, the Amended Inducement Resolution, the Amended PILOT Resolution and all other action with respect to the Project and Financial Assistance taken by the Agency, and makes the following findings and determinations:

(a) The acquisition or continuation of a controlling interest in the Project Facility by the Agency, the granting of the approved Financial Assistance in accordance with the Inducement Resolution and the Amended PILOT Resolution and the continued or extended designation of the Company as the Agency's agent for completion of the Project will be an inducement to, and permit, the Company to develop and operate the Project Facility in the City of Syracuse, thus serving the public purposes of Article 18-A of the General Municipal Law of New York State by promoting and preserving the job opportunities, general prosperity, health and economic welfare of the inhabitants of the City in furtherance of the purposes of the Act;

(b) The Project will not result in the removal of a commercial, industrial or manufacturing plant or facility of the Company or any other proposed occupant of the Project Facility from one area of the State to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project Facility located in the State, except as may be permitted by the Act;

(c) The commitment of the Agency to provide the approved Financial Assistance in accordance with the Inducement Resolution to the Company will enable and induce the Company to acquire, construct, equip and complete the Project Facility;

(d) The acquisition, construction, equipping and completion of the Project Facility and the attendant promotion of the local economy will advance the job opportunities, health, prosperity and economic welfare of the people of the City and the granting of the Financial Assistance is a necessary component to the financing of the Project;

(e) The Project Facility constitutes a "project" within the meaning of the Act;
and

(f) It is desirable and in the public interest for the Agency to grant Financial Assistance in connection with the Project.

Section 2. It is the policy of the State to promote the economic welfare, recreation opportunities and prosperity of its inhabitants and to actively promote, attract, encourage and develop recreation and economically sound commerce and industry for the purpose of preventing unemployment and economic deterioration. The Project will serve the

public purposes of Article 18-A of the General Municipal Law of the State of New York by advancing job opportunities and promoting economic development.

Section 3. It is among the purposes of the Agency to promote, develop, encourage and assist in the acquiring, reconstructing, improving, maintaining, equipping and furnishing of certain facilities, including commercial facilities, and thereby advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their recreation opportunities, prosperity and standard of living.

Section 4. Subject to the terms of this Resolution, the Amended Inducement Resolution and the Amended PILOT Resolution, the Agency authorizes the execution and delivery of the Amended Lease Documents and the Agency authorizes the undertaking of the Project and will: (i) continue its interest in the Land and Facility; accept an interest in the Equipment; (ii) sublease the Project Facility to the Company pursuant to the Amended Lease Documents to be entered into between the Agency and the Company; (iii) grant the approved Financial Assistance; and (iv) provided that no default shall have occurred and be continuing under the Lease Documents, and provided the Company has executed and delivered all documents and certificates required by the Agency in conjunction with the Agency's undertaking of the Project, execute and deliver all other certificates and documents necessary or appropriate for the grant of the approved Financial Assistance, in form and substance acceptable to the Agency.

Section 5. The (Vice) Chair and the Executive Director of the Agency, acting individually, are each hereby authorized and directed, for and in the name and on behalf of the Agency, to execute and deliver the Amended Lease Documents (as defined in the Amended Inducement Resolution) and any such additional certificates, instruments, documents or affidavits, to pay any such other fees, charges and expenses, to make such other changes, omissions, insertions, revisions, or amendments to the documents referred to herein and to do and cause to be done any such other acts and things, as they determine, on advice of counsel to the Agency, may be necessary or desirable to consummate the transactions contemplated by this Resolution.

Section 6. No covenant, stipulation, obligation or agreement contained in this resolution or any document referred to herein shall be deemed to be the covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency in his or her individual capacity. Neither the members nor officers of the Agency, nor any person executing any documents referred to above on behalf of the Agency, shall be liable thereon or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

Section 7. Bousquet Holstein PLLC, as counsel to the Agency, is hereby authorized to work with the Company and others to prepare, for submission to the (Vice)Chair and/or the Executive Director, all documents necessary to effect the undertaking of the Project and the grant of Financial Assistance in connection with the Project.

Section 8. The approvals provided for herein are contingent upon the Company's payment of all of the Agency's fees and costs, including but not limited to attorneys fees.

Section 9. The Secretary and/or Executive Director of the Agency is hereby authorized to distribute copies of this Resolution and do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 10. This Resolution shall take effect immediately. A copy of this Resolution, together with the attachments hereto, shall be placed on file in the office of the Agency where the same shall be available for public inspection during business hours.

The question of the adoption of the foregoing resolution was duly put to vote on a roll call, which resulted as follows:

	<u>AYE</u>	<u>NAY</u>

The following resolution was offered by Kenneth Kinsey and seconded by Steven Thompson:

RESOLUTION AUTHORIZING THE ADDITION OF A PROJECT OWNER OR OPERATOR, AMENDMENTS TO CERTAIN TRANSACTIONAL DOCUMENTS AND THE EXECUTION AND DELIVERY THEREOF

WHEREAS, the Agency is authorized and empowered by Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "**State**"), as amended, together with Chapter 641 of the Laws of 1979 of the State of New York, as amended from time to time (collectively, the "**Act**") to promote, develop, encourage and assist in the acquiring, constructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, and to improve their recreation opportunities, prosperity and standard of living; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, lease and sell real property and grant financial assistance in connection

with one or more “projects” (as defined in the Act); and

WHEREAS, at the request of Dupli Associates, LLC (the “**Company**”), by resolution dated May 16, 2017 (the “**Inducement Resolution**”), the Agency undertook a project (the “**Original Project**”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“**Building 1**”) (bearing tax parcel identification number 118.-06-08.0); and 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“**Building 2**”) (bearing tax parcel identification number 118.-06-01.0), each in the City of Syracuse, New York (the “**City**”) (the foregoing collectively referred to as the “**Land**”); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the “**Facility**”); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the “**Original Equipment**” and together with the Property and the Facility, the “**Original Project Facility**”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “**Original Financial Assistance**”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Original Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, in July 2017, the Company and Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Financial Assistance (the “**Original Lease Transaction**”). As part of the Original Lease Transaction, the Company and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, an agency lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the “**Lease Documents**”); and

WHEREAS, by supplemental application dated February 4, 2020 (the “**Application**”), the Company requested the Agency revise the Original Project (the “**Project**”) as follows: (A)(i) the continuation of an interest in the Land; (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the “**AMI**”); and approximately 3,500 sq.ft. of retail space; and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the AMI; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the "**Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facilities, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to a sublease agreement; and

WHEREAS, the Company advised that the project would take place in phases to accommodate the historic designation process; and

WHEREAS, as part of the Financial Assistance, the Company requested the Agency consider an amended payment in lieu of tax schedule for the Project (the "**Project PILOT Schedule**") which schedule conformed with the Agency's UTEP and accounts for the amendments to the Project included in the Application, and in particular, the commitment to incorporate residential units at AMI. A copy of the Project PILOT Schedule is attached hereto at **Exhibit "A"** and demonstrates a total savings of \$2,401,471.46 over the term of the Project PILOT Schedule; and

WHEREAS, the Agency conducted a public hearing with respect to the Project and the proposed Financial Assistance on April 21, 2020 pursuant to Section 859-a of the Act and executive order 220.1 issued by the Governor on March 12, 2020, as amended from time to time, notice of which was published on April 9, 2020, in the Post-Standard, a newspaper of general circulation in the City and given to the chief executive officers of the affected tax jurisdictions by letters dated April 10, 2020; and

WHEREAS, by resolution adopted April 21, 2020 (the "**SEQRA Resolution**"), the Agency determined that the Project will not have a significant adverse effect on the environment and issued a negative declaration; and

WHEREAS, by resolution adopted April 21, 2020 the Agency approved the Project and the Project PILOT Schedule, as set forth above, and the amendment of the necessary Lease Documents to effectuate same; and

WHEREAS, by correspondence dated October 5, 2020, the Company advised that it was ready to proceed with the rehabilitation and renovations to Building 1 located at 600 North Franklin Street and has identified a historic tax credit investor for that portion of the Project. Building 2 is not ready to proceed as it is awaiting approval from New York State Historic Preservation Office and National Park Service relative to its historic designation; and

WHEREAS, to satisfy the tax credit investor and separate financing sources to allow for the syndication of historical tax credits relative to Building 1, the Company is required to set up a separate single purpose entity to own Building 1 (with the same structure being applied to Building 2 upon its historic designation) (collectively, the "**Ownership Structure**"). In order to accommodate the Ownership Structure, the Company has requested that the Lease Documents be amended and bifurcated into two sets of agreements, one for each parcel with the Company *and* the applicable single purpose entity created to hold each property being a party to the respective amended Lease Documents, including an amendment to the payment in lieu of taxes agreement and the bifurcation of the Project PILOT Schedule to allow for separate payment in lieu of taxes agreements and schedules for each property which would provide for the same base assessment for each parcel as under the original Project PILOT Schedule; namely \$1,340,000 on Building 1 and \$510,000 on Building 2. The proposed new payment in lieu of taxes schedule for each Building 1 and Building 2 is attached hereto at **Exhibit "B"** (collectively, the "**New PILOT Schedules**"). While the New PILOT Schedules are split, the total aggregate benefit received under the New PILOT Schedules over the terms thereof is equal to \$2,401,471.46, the same savings as under the original Project PILOT Schedule. The amendments to the Lease Documents are hereafter collectively referred to as the "**Amendments**".

NOW, THEREFORE, be it resolved by the members of the City of Syracuse Industrial Development Agency as follows:

(1) Based upon the representations made by the Company to the Agency, the Agency hereby makes the following findings and determinations:

(a) The Amendments do not amount to a significant change in the Project from what was originally approved by the Agency, and therefore further review under SEQRA and amendment of the Agency's prior SEQRA negative declaration shall not be required.

(b) The Agency authorizes the Ownership Structure, the New PILOT Schedules and the Amendments.

(2) Provided there is no event of default under the Lease Documents, the Agency is authorized to execute all documents necessary to effectuate the Amendments and the Executive Director, the Chair and Vice Chair of the Agency are each hereby authorized, on behalf of the Agency, to execute and deliver the documents upon the advice of counsel to the Agency. The execution thereof by the Executive Director, the Chair or Vice Chair constitutes conclusive evidence of such approval.

(3) As a further condition of the Amendments, the Company will submit to the Agency: (i) any administrative fee associated with this request; (ii) any legal fees incurred by the Agency in connection with this request; and (iii) any other information requested by the Agency in order to comply with any State reporting requirements.

(4) No covenant, stipulation, obligation or agreement contained in this resolution or any document referred to herein shall be deemed to be the covenant, stipulation, obligation or

agreement of any member, officer, agent or employee of the Agency in his or her individual capacity. Neither the members nor officers of the Agency, nor any person executing any documents referred to above on behalf of the Agency, shall be liable thereon or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

(5) The Secretary of the Agency is hereby authorized and may distribute copies of this Resolution and do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

(6) A copy of this Resolution, together with any attachments hereto, shall be placed on file in the office of the Agency where the same shall be available for public inspection during business hours.

The question of the adoption of the foregoing resolution was duly put to vote on a roll call, which resulted as follows:

	<u>AYE</u>	<u>NAY</u>

AFFIDAVIT RE: MORTGAGE TAX EXEMPTION

STATE OF NEW YORK)
)
COUNTY OF ONONDAGA) **SS.**

JUDITH DELANEY, being duly sworn, deposes and says:

She is the Executive Director of the City of Syracuse Industrial Development Agency (the “*Agency*”).

The Agency is an industrial development agency duly established under Title I of Article 18-A of the General Municipal Law of the State of New York (the “*State*”), as amended, and Chapter 641 of the Laws of 1979 of the State (collectively, the “*Act*”), and it is a corporate governmental agency constituting a public benefit corporation of the State.

By resolutions adopted April 21, 2020 and October 20, 2020, the Agency, at the request of Dupli Associates LLC (“*Dupli*”) and 600 Franklin Owner LLC (“*600 Franklin*”) and together with Dupli, collectively, the “*Company*”) agreed to undertake a project (the “*Project*”) consisting of: (A)(i) the continuation of an interest in 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) improved by an approximate 149,000 square foot building (“*Building 1*”) (bearing tax parcel identification number 118.-06-08.0), located in the City of Syracuse, New York (the “*City*”) (the “*Land*”); (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City^[1] (the “*AMI*”); and approximately 3,500 sq.ft. of retail space (collectively, the “*Facility*”); and (iii) the acquisition and installation in and at the Land and Building 1 of furniture, fixtures and equipment (the “*Equipment*”) and together with the Land and the Facility, the “*Project Facility*”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “*Financial Assistance*”); (C) the appointment of 600 Franklin or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to one or more bill(s) of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement.

600 Franklin and the Agency are mortgaging their respective interests in the improved real property described on **Exhibit “A”** to **Matt Industries Inc., J. Kemper Matt, J. Kemper**

Matt, Jr., Julie Morgan Matt, Alec Matt, Stephen Elliott, and Central New York Community Foundation, Inc. (collectively, the “*Mortgagee*”), pursuant to a certain Mortgage and Security Agreement, dated December 16, 2020 in the amount of \$1,650,000 (the “*Mortgage*”). The Mortgage is pledged to secure a note given by the Company to the Mortgagee.

Pursuant to Article 18-A of the New York General Municipal Law, as amended from time to time (the “*Act*”), the Agency is regarded as performing a governmental function and is generally not required to pay taxes or assessments upon any property acquired by it or under its jurisdiction, control or supervision or upon its activities.

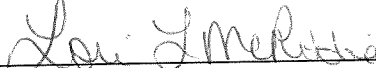

Deponent submits that no mortgage tax, other than as may be required in Section 874(1) of the Act and Section 252(2) of the Tax Law of the State of New York with respect to the portion of the tax allocable to the Central New York Regional Transportation District, should be imposed upon the Mortgage, insomuch as the Mortgage is being executed and delivered under the State authority creating the Agency, insomuch as the use by the Agency of its powers to secure the payment of principal and interest on the loan is deemed by Article 18-A public purpose essential to the public interest, and insomuch as both the New York State Department of Taxation and Finance and Counsel to the New York State Department of Taxation and Finance have expressed their opinion that the recording of similar documents by similar agencies organized under Article 18-A of the New York General Municipal Law are operations of said agencies entitled to exemption from the mortgage recording tax.

**GENERAL CERTIFICATE OF
DUPLI ASSOCIATES LLC**

This certificate is made in connection with the execution by Dupli Associates LLC, a New York State limited liability company (“**Dupli**”) of the Dupli Building 2 Project Agreement, the Dupli Building 2 Company Lease, the Dupli Building 2 Agency Lease, the Mortgage (if any), the Environmental Compliance and Indemnification Agreement, the Dupli Building 2 PILOT Agreement and any other document now or hereafter executed by Dupli in connection with the City of Syracuse Industrial Development Agency (the “**Agency**”) agreeing at the request of the Dupli and 156 Solar Street LLC (“**156 Solar**” and together with Dupli, the “**Company**”) to undertake a project (the “**Project**”) consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building (“**Building 2**”) (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the “**City**”) (the “**Land**”); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the “**AMI**”); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the “**Facility**”); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the “**Equipment**” and together with the Land and the Facility, the “**Project Facility**”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “**Financial Assistance**”); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to one or more bill(s) of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement.

Dupli was the owner of the Land and the Facility but contemporaneously with the execution and delivery of the Dupli Building 2 Agency Lease, dated as of December 1, 2020, by and among the Agency and the Company, Dupli transferred ownership of the Project Facility to 156 Solar.

Capitalized terms used herein which are not otherwise defined herein shall have the meanings ascribed to such terms in the Dupli Building 2 Agency Lease, except that, for purposes of this certificate: (A) all definitions with respect to any document shall be deemed to refer to such document only as it exists as of the date of this Certificate and not as of any future date; and (B) all definitions with respect to any Person shall be deemed to refer to such Person only as it exists as of the date of this certificate and not as of any future date or to any successor or assign.

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

The undersigned does hereby certify as follows:

1. Attached hereto as **Exhibit “A”** is a true, correct and complete copy of the Articles of Organization of Dupli and any amendments thereto filed with the New York State Secretary of State with proof of publication thereof attached thereto, which Articles (including any amendments) are in full force and effect on the date hereof.

2. Attached hereto as **Exhibit “B”** is a true, correct and complete copy of the Dupli’s Operating Agreement, and any amendments thereto, and such Operating Agreement, as may have been amended, is in full force and effect on the date hereof.

3. Dupli is, and at all times will be, a limited liability company, duly organized, validly existing and in good standing under the laws of New York State and authorized and licensed under the laws of New York State to transact business as a business corporation for the purpose of owning and operating the Project Facility in New York State. Attached hereto as **Exhibit “C”** is a true and correct copy of a Certificate of Good Standing of Dupli issued by the New York State Secretary of State.

4. For the term of the Dupli Building 2 Agency Lease, Dupli shall hold ninety (90) percent of 156 Solar's membership interests.

5. Dupli has full legal right, power and authority to execute and deliver the Dupli Company Documents and to consummate the transactions on the part of Dupli contemplated by the Company Documents. The Company Documents have been duly authorized, executed, and delivered by the Managing Member on behalf of Dupli and are in full force and effect as of the date hereof. Attached hereto as **Exhibit “D”** is a true, correct and complete copy of the authorizing resolutions of the Managing Member of Dupli (collectively, the “**Resolution**”) in respect of the execution, delivery and performance of the Dupli Company Documents.

6. Dupli acknowledges, and wherever applicable agrees, to comply with and be bound by all of the Agency's policies.

7. Dupli understands and agrees that it is the preference of the Agency that Dupli provide, or cause to be provided, opportunities for the purchase of goods and services from: (i) business enterprises located in the City; (ii) certified minority and or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. Dupli further understands and acknowledges that consideration will be given by the Agency to Dupli's efforts to comply, or cause 156 Solar to comply, and compliance with this objective at any time an extension of benefits is sought or involvement by the Agency with the Project is requested by Dupli.

8. All consents, approvals, authorizations or orders of, notices to, or filings, registrations or declarations with, any court or governmental authority, board, agency, commission or body having jurisdiction which are required on behalf of Dupli or for the execution and delivery by Dupli of the Dupli Company Documents or the consummation on the part of Dupli of the transactions contemplated thereby have been obtained.

9. After performing due diligence, there is no legal action, suit, proceeding, inquiry or investigation at law or in equity (before or by any court, agency, arbitrator, public board or body or other entity or person) pending or threatened against or affecting Dupli or, to the knowledge of Dupli, any basis therefor: (i) in any way affecting the organization, existence or good standing of Dupli; (ii) contesting or materially affecting the validity or enforceability of the Dupli Company Documents; (iii) contesting the powers of Dupli or its authority with respect to the Dupli Company Documents; (iv) contesting the authority of Dupli to act on behalf of Dupli or the authority of the representatives of Dupli to act on behalf of Dupli; (v) wherein an unfavorable decision, ruling or finding would have a material adverse effect on: (A) the financial condition or operations of Dupli; or (B) the consummation on the part of Dupli of the transactions contemplated by any Dupli Company Documents.

10. The execution and delivery by Dupli of the Dupli Company Documents and the consummation by Dupli of the transactions contemplated thereby are not prohibited by, do not violate any provision of, and will not result in a breach of or default under: (i) the organizational documents of Dupli; (ii) any applicable law, rule, regulation, order, writ, injunction, judgment or decree of any court or governmental body or other requirement to which Dupli is subject; or (iii) any contract, agreement, mortgage (if any), lease, guaranty, commitment or other obligation or instrument to which Dupli is a party or by which Dupli or its properties is bound.

11. All information concerning the Project Facility and Dupli submitted to the Agency and any Mortgagee by Dupli, and or 156 Solar, is true and correct in all material respects and does not omit to state a material fact necessary to make the statements therein not misleading. Dupli represents and warrants that it has no employees and therefore is not now required to carry worker's compensation insurance. Dupli represents and acknowledges that in the event it hires any employees in the future, it has an obligation pursuant to the Agency Lease, dated as of December 1, 2020 by and between the Company and the Agency, to obtain worker's compensation insurance and provide proof of same to the Agency.

12. Assuming the valid authorization, execution and delivery of the Dupli Building 2 Agency Lease and the other Dupli Company Documents by the other parties thereto, the Dupli Building 2 Agency Lease Agency Lease and the other Dupli Company Documents are the legal, valid and binding obligations of Dupli, enforceable against Dupli in accordance with their respective terms, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally or by the exercise of judicial discretion in accordance with general principles of equity. No default by Dupli or, to the best of knowledge of the undersigned, no event of default on the part of any other party to the Dupli Company Documents has occurred or is continuing and no event has occurred which, with the giving of notice or passage of time or both, would be such an event of default. Dupli has duly authorized the taking of and has taken all actions necessary to carry out and give effect to the transactions contemplated to be performed on its part by the Dupli Company Documents.

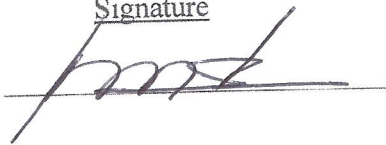

13. All permits (including building permits), licenses and authorizations necessary for the construction, ownership and operation of the Project in the manner contemplated by each of the Dupli Company Documents have been obtained or will be obtained, and said construction, ownership and operation will not, to the best knowledge of Dupli, conflict with any zoning or similar ordinance applicable to the Project. To the best of Dupli's knowledge, the Project conforms to all material environmental regulations.

14. OPERATING AGREEMENT

**AMENDED & RESTATED
OPERATING AGREEMENT OF
DUPLI ASSOCIATES LLC**

A NEW YORK LIMITED LIABILITY COMPANY

FS Development Associates, LLC, being its sole manager and member ("Member"), hereby declares the following to be the Operating Agreement of Dupli Associates LLC effective the 16th day of December 2020.

1. Name. The name of the limited liability company (the "LLC") is Dupli Associates LLC.

2. Purpose and Powers; Filings.

(a) The purpose of the LLC is to engage in any activity for which limited liability companies may be organized in the State of New York. The LLC shall possess and may exercise all of the powers and privileges granted by the New York State Limited Liability Company Law, as that statute is amended from time to time (the "Act") or by any other law or by this Agreement, together with any powers incidental thereto, so far as such powers and privileges are necessary or convenient to the conduct, promotion or attainment of the business purposes or activities of the LLC.

(b) The Manager shall cause to be done all such filing, recording, publishing, or other acts as may be necessary or appropriate from time to time to comply with the requirements of law for the formation and operation of a limited liability company in the State of New York and any such requirements in any other jurisdiction in which the LLC may do business. All costs incurred in connection with the foregoing, including, without limitation, legal fees in connection therewith, shall be expenses of the LLC and shall be reimbursed promptly by the LLC upon the completion of such action if paid by the Manager.

3. Designated Agent; Mailing Address. The Secretary of State is designated as agent of the Limited Liability Company upon whom process against it may be served. The post office address within or without the State to which the Secretary of State shall mail a copy of any process against the Limited Liability Company served upon him or her is 113 Court Street, Binghamton, New York 13901.

4. Admission of Member. FS Development Associates, LLC is admitted as the sole Member of the LLC.

5. Interest. "Interest" shall mean the membership interest of the Member in the LLC (as defined in the Act), including the rights and obligations of the Member under this Agreement.

6. Capital Contributions. The Member may contribute property, real, personal, tangible or intangible, to the Company from time to time as the Member may determine.

7. Tax Characterization and Returns. Until such time as the LLC has more than one Member, the LLC shall be a "disregarded entity" solely for the purposes of federal and state income tax reporting. All provisions of the LLC's Articles of Organization and this Agreement are to be construed so as to preserve that tax status under those circumstances. In the event one or more additional Members is admitted to the LLC, the LLC shall be treated as a partnership for federal and all relevant state tax purposes and shall make all available elections to be so treated.

8. Management.

(a) Manager. The management of the LLC shall be vested in a Manager selected by the Member. Unless the Member determines otherwise, the LLC shall have one Manager. The Member affirms the selection of FS Development Associates, LLC as the Manager of the LLC to serve until its successor is selected. A Manager shall remain in office until removed by a written instrument signed by the Member or until such Manager resigns in a written instrument delivered to the Member or such Manager dies or is unable to serve. In the event of any such vacancy, the Member or his personal representative may fill the vacancy. The Manager shall perform its duties in good faith, in a manner it reasonably believes to be in the best interests of the LLC, and with such care as an ordinarily prudent person in a like position would use under similar circumstances. A person who so performs his duties shall not have any liability by reason of serving or having served as a Manager. A Manager shall not be liable under a judgment, decree or order of court, or in any other manner, for a debt, obligation or liability of the LLC. All powers to control and manage the business and affairs of the LLC shall be exclusively vested in the Manager, and the Manager may exercise all powers of the LLC and do all such lawful acts as are not by statute, the Articles of Organization or this Agreement directed or required to be exercised or done by the Member and in so doing shall have the right and authority to take all actions which the Manager deems necessary, useful or appropriate for the management and conduct of the business of the LLC; provided, however, that the Member may amend this Agreement at any time and thereby broaden or limit the Manager's power and authority.

(b) Indemnification. The LLC hereby indemnifies and holds harmless the Member, Manager, Officers, and their successors, executors, and administrators against any loss or damage incurred by such Member or Manager by reason of acts or omissions in good faith on behalf of the LLC and in a manner reasonably believed by the

Member or Manager to be within the scope of the authority granted by this Agreement. However, no indemnification may be made to or on behalf of any Member or Manager if a judgment or other final adjudication adverse to such Member or Manager established (1) that the Member's or Manager's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated or (2) that the Member or Manager personally gained in fact a financial profit or other advantage to which the Member or Manager was not legally entitled.

(c) Rights and Powers of the Member. The Member shall not have any right or power to take part in the management or control of the LLC or its business and affairs or to act for or bind the LLC in any way. Notwithstanding the foregoing, the Member has all the rights and powers specifically set forth in this Agreement and, to the extent not inconsistent with this Agreement, in the Act. The Member has no voting rights except with respect to those matters specifically set forth in this Agreement and, to the extent not inconsistent herewith, as required in the Act. Notwithstanding any other provision of this Agreement, no action may be taken by the LLC (whether by the Manager or otherwise) in connection with any of the following matters without the written consent of the Member or his legal representative:

- (1) the dissolution or liquidation, in whole or in part, of the LLC, or the institution of proceedings to have the LLC adjudicated bankrupt or insolvent;
- (2) the admission of an additional member to the LLC;
- (3) the filing of a petition seeking or consenting to reorganization or relief under any applicable federal or state bankruptcy law;
- (4) consenting to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the LLC or a substantial part of its property;
- (5) the merger of the LLC with any other entity;
- (6) the sale of all or substantially all of the LLC's assets; or
- (7) the amendment of this Agreement.

9. Distributions. The Manager may cause, in the Manager's sole and absolute discretion, the LLC to distribute to the Member, at any time, any cash held by the LLC which is neither reasonably necessary for the operation of the LLC nor in violation of the Act.

10. Assignments. A Member may assign all or any part of his, her or its Interest only with the permission of the Manager, which permission may be granted or denied in the absolute and sole discretion of the Manager (an assignee of such Interest

is hereinafter referred to as a "Permitted Assignee"). A Permitted Assignee shall not be substituted as a member of the LLC for the Member unless and until the substitution is approved by the Manager, acting in his absolute and sole discretion.

11. Dissolution. The LLC shall dissolve, and its affairs shall be wound up, only upon the earlier to occur of (a) the decision of the Member acting with the approval of the Manager, or (b) in the event of a judicial dissolution of the LLC under the Act.

12. Distributions in Liquidation. Following dissolution of the LLC, the affairs of the LLC shall be forthwith wound-up and the proceeds from the liquidation of the property of the LLC shall be distributed in the following priority:

(a) First, to creditors of the LLC in satisfaction of liabilities of the LLC, whether by payment or by establishment of adequate reserves; and

(b) The balance, if any, is to be distributed to the Member.

In connection with any winding up and liquidation, the accountants for the LLC shall compile a balance sheet of the LLC as of the date of dissolution, and such balance sheet shall be furnished promptly to the Member.

13. Limited Liability. No Member, Manager, or Officer shall have any liability for the obligations of the LLC except to the minimum extent required by the Act.

14. Miscellaneous.

(a) Severability. Each provision hereof is intended to be severable, and the invalidity or illegality of any provision of this Agreement shall not affect the validity or legality of the remainder hereof.

(b) Captions. Paragraph captions contained in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit, extend, or describe the scope of this Agreement or the intent of any provision hereof.

(c) Variation of Pronouns. All pronouns and any variations thereof shall be deemed to refer to masculine, feminine or neuter, singular or plural, as the identity of the person or persons may require.

(d) Binding Agreement. Subject to the restrictions on assignment herein contained, the terms and provisions of this Agreement shall be binding upon, and inure to the benefit of the successors, assigns, personal representatives, estates, heirs, and legatees of the Member.

(e) Applicable Law. Notwithstanding the place where this Agreement may be executed by any of the parties hereto, the parties expressly agree that all the

terms and provisions hereof shall be construed under the laws of New York and that the Act and other applicable laws of New York as now adopted or as hereafter amended shall govern this Agreement.

(f) Entire Agreement. This Agreement constitutes the entire agreement of the parties hereto with respect to the matters set forth herein and supersedes any prior understanding or agreement, oral or written, with respect thereto.

(g) Qualification in Other States. In the event the business of the LLC is carried on or conducted in states in addition to New York, then this LLC shall exist under the laws of each state in which business is actually conducted by the LLC, and the Member and the Manager agree to execute such other and further documents as may be required or requested in order that the LLC may qualify in such states. An LLC office or principal place of business in any state may be designated from time to time by the Manager.

(h) Incorporation by Reference. Every exhibit, schedule and other appendix attached to this Agreement and referred to herein is hereby incorporated in this Agreement by reference.

(i) Amendment. This Agreement may be amended only in a writing signed by the Member and approved by the Manager.

156 Solar is the current owner of the Land and the Facility.

Capitalized terms used herein which are not otherwise defined herein shall have the meanings ascribed to such terms in the Dupli Building 2 Agency Lease, dated as of December 1, 2020, by and among the Agency, Dupli and 156 Solar, except that, for purposes of this certificate: (A) all definitions with respect to any document shall be deemed to refer to such document only as it exists as of the date of this Certificate and not as of any future date; and (B) all definitions with respect to any Person shall be deemed to refer to such Person only as it exists as of the date of this certificate and not as of any future date or to any successor or assign.

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

The undersigned does hereby certify as follows:

1. Attached hereto as **Exhibit “A”** is a true, correct and complete copy of the Articles of Organization of 156 Solar and any amendments thereto filed with the New York State Secretary of State with proof of publication thereof attached thereto, which Articles (including any amendments) are in full force and effect on the date hereof.

2. Attached hereto as **Exhibit “B”** is a true, correct and complete copy of the 156 Solar’s Operating Agreement, and any amendments thereto, and such Operating Agreement, as may have been amended, is in full force and effect on the date hereof.

3. 156 Solar is, and at all times will be, a limited liability company, duly organized, validly existing and in good standing under the laws of New York State and authorized and licensed under the laws of New York State to transact business as a business corporation for the purpose of owning and operating the Project Facility in New York State. Attached hereto as **Exhibit “C”** is a true and correct copy of a Certificate of Good Standing of 156 Solar issued by the New York State Secretary of State.

4. For the term of the Dupli Building 2 Agency Lease, ninety (90) percent of 156 Solar 's membership interests shall be held by Dupli.

5. 156 Solar has full legal right, power and authority to execute and deliver the Solar Company Documents and to consummate the transactions on the part of 156 Solar contemplated by the Solar Company Documents. The Solar Company Documents have been duly authorized, executed, and delivered by the Managing Member on behalf of 156 Solar and are in full force and effect as of the date hereof. Attached hereto as **Exhibit “D”** is a true, correct and complete copy of the authorizing resolution of the Managing Member of 156 Solar (the “**Resolution**”) in respect of the execution, delivery and performance of the Solar Company Documents.

6. 156 Solar understands and agrees that, unless a written waiver is first obtained from the Agency, 156 Solar and its Additional Agents shall utilize local labor, contractors and suppliers for the construction, renovation, reconstruction and equipping of the Project Facility. The term “**local**” shall mean Onondaga, Oswego, Madison, Cayuga, Oneida and Cortland Counties. 156 Solar further understands and agrees that failure to comply with these local labor requirements may result in the revocation or recapture of benefits provided/approved to the Project by the Agency. In furtherance thereof, Appendix I to the Agency’s Application entitled “Local Access Agreement” has been completed and is attached hereto as **Exhibit “E”**.

7. 156 Solar understands and agrees that it is the preference of the Agency that 156 Solar provide opportunities for the purchase of goods and services from: (i) business enterprises located in the City; (ii) certified minority and or women-owned business enterprises; and (iii) business enterprises that employ residents of the City. 156 Solar further understands and acknowledges that consideration will be given by the Agency to 156 Solar 's efforts to comply, and compliance, with this objective at any time an extension of benefits is sought or involvement by the Agency with the Project is requested by 156 Solar.

8. All consents, approvals, authorizations or orders of, notices to, or filings, registrations or declarations with, any court or governmental authority, board, agency, commission or body having jurisdiction which are required on behalf of 156 Solar or for the execution and delivery by 156 Solar of the Solar Company Documents or the consummation on the part of 156 Solar of the transactions contemplated thereby have been obtained.

9. After performing due diligence, there is no legal action, suit, proceeding, inquiry or investigation at law or in equity (before or by any court, agency, arbitrator, public board or body or other entity or person) pending or threatened against or affecting 156 Solar or, to the knowledge of 156 Solar, any basis therefor: (i) in any way affecting the organization, existence or good standing of 156 Solar; (ii) contesting or materially affecting the validity or enforceability of the Solar Company Documents; (iii) contesting the powers of 156 Solar or its authority with respect to the Solar Company Documents; (iv) contesting the authority of 156 Solar to act on behalf of 156 Solar or the authority of the representatives of 156 Solar to act on behalf of 156 Solar; (v) wherein an unfavorable decision, ruling or finding would have a material adverse effect on: (A) the financial condition or operations of 156 Solar; or (B) the consummation on the part of 156 Solar of the transactions contemplated by any Solar Company Documents.

10. The execution and delivery by 156 Solar of the Solar Company Documents and the consummation by 156 Solar of the transactions contemplated thereby are not prohibited by, do not violate any provision of, and will not result in a breach of or default under: (i) the organizational documents of 156 Solar; (ii) any applicable law, rule, regulation, order, writ, injunction, judgment or decree of any court or governmental body or other requirement to which 156 Solar is subject; or (iii) any contract, agreement, mortgage, lease, guaranty, commitment or other obligation or instrument to which 156 Solar is a party or by which 156 Solar or its properties is bound.

11. All information concerning the Project Facility and 156 Solar submitted to the Agency and any Mortgagee by 156 Solar and or Dupli is true and correct in all material respects and does not omit to state a material fact necessary to make the statements therein not misleading. 156 Solar represents and warrants that it has no employees and therefore is not now required to carry worker's compensation insurance. 156 Solar represents and acknowledges that in the event it hires any employees in the future, it has an obligation pursuant to the Agency Lease, dated as of December 1, 2020 by and between the Company and the Agency, to obtain worker's compensation insurance and provide proof of same to the Agency.

12. Assuming the valid authorization, execution and delivery of the Dupli Building 1 Agency Lease and the other Solar Company Documents by the other parties thereto, the Dupli Building 1 Agency Lease and the other Solar Company Documents are the legal, valid and binding obligations of 156 Solar, enforceable against 156 Solar in accordance with their respective terms, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally or by the exercise of judicial discretion in accordance with general principles of equity. No default by 156 Solar or, to the best of knowledge of the undersigned, no event of default on the part of any other party to the Solar Company Documents has occurred or is continuing and no event has occurred which, with the giving of notice or passage of time or both, would be such an event of default. 156 Solar has duly authorized the taking of and has taken all actions necessary to carry out and give effect to the transactions contemplated to be performed on its part by the Solar Company Documents.

13. All permits (including building permits), licenses and authorizations necessary for the construction, ownership and operation of the Project in the manner contemplated by each of the Solar Company Documents have been obtained or will be obtained, and said construction, ownership and operation will not, to the best knowledge of 156 Solar, conflict with any zoning or similar ordinance applicable to the Project. To the best of 156 Solar's knowledge, the Project conforms to all material environmental regulations.

14. There is no Event of Default or default on the part of 156 Solar under the Dupli Building 1 Project Agreement, the Dupli Building 1 Company Lease, the Dupli Building 1 Agency Lease, the Mortgage, the Dupli Building 1 PILOT Agreement, the Environmental Compliance and Indemnification Agreement or any other Solar Company Document, and no event has occurred and is continuing which, after notice or passage of time or both, would give rise to a default under any thereof.

15. The Dupli Building 1 Project Agreement, the Dupli Building 1 Company Lease, the Dupli Building 1 Agency Lease, the Mortgage, the Dupli Building 1 PILOT Agreement, the Environmental Compliance and Indemnification Agreement and the other Solar Company Documents are in full force and effect and 156 Solar has not assigned or pledged any of its rights under these documents.

16. 156 Solar restates and affirms all of the obligations, representations and covenants in the Dupli Building 1 Agency Lease and the Project Agreement and incorporates same herein by reference as if fully set forth herein.

17. The authorized representatives of 156 Solar who, pursuant to the Resolution, are authorized to execute the Solar Company Documents and the office held by each person are as set forth below. The signature set opposite the name of such officer, if any, is a genuine specimen of such officer's signature:

OPERATING AGREEMENT

OPERATING AGREEMENT FOR

156 SOLAR STREET LLC

A NEW YORK LIMITED LIABILITY COMPANY

Dupli Associates LLC, being its sole manager and member ("Member"), hereby declares the following to be the Operating Agreement of 156 Solar Street LLC effective the 21st day of October 2020.

1. Name. The name of the limited liability company (the "LLC") is 156 Solar Street LLC.

2. Purpose and Powers; Filings.

(a) The purpose of the LLC is to engage in any activity for which limited liability companies may be organized in the State of New York. The LLC shall possess and may exercise all of the powers and privileges granted by the New York State Limited Liability Company Law, as that statute is amended from time to time (the "Act") or by any other law or by this Agreement, together with any powers incidental thereto, so far as such powers and privileges are necessary or convenient to the conduct, promotion or attainment of the business purposes or activities of the LLC.

(b) The Manager shall cause to be done all such filing, recording, publishing, or other acts as may be necessary or appropriate from time to time to comply with the requirements of law for the formation and operation of a limited liability company in the State of New York and any such requirements in any other jurisdiction in which the LLC may do business. All costs incurred in connection with the foregoing, including, without limitation, legal fees in connection therewith, shall be expenses of the LLC and shall be reimbursed promptly by the LLC upon the completion of such action if paid by the Manager.

3. Designated Agent; Mailing Address. The Secretary of State is designated as agent of the Limited Liability Company upon whom process against it may be served. The post office address within or without the State to which the Secretary of State shall mail a copy of any process against the Limited Liability Company served upon him or her is 113 Court Street, Binghamton, New York 13901.

4. Admission of Member. Dupli Associates LLC is admitted as the sole Member of the LLC.

5. Interest. "Interest" shall mean the membership interest of the Member in the LLC (as defined in the Act), including the rights and obligations of the Member under this Agreement.

6. Capital Contributions. The Member may contribute property, real, personal, tangible or intangible, to the Company from time to time as the Member may determine.

7. Tax Characterization and Returns. Until such time as the LLC has more than one Member, the LLC shall be a "disregarded entity" solely for the purposes of federal and state income tax reporting. All provisions of the LLC's Articles of Organization and this Agreement are to be construed so as to preserve that tax status under those circumstances. In the event one or more additional Members is admitted to the LLC, the LLC shall be treated as a partnership for federal and all relevant state tax purposes and shall make all available elections to be so treated.

8. Management.

(a) Manager. The management of the LLC shall be vested in a Manager selected by the Member. Unless the Member determines otherwise, the LLC shall have one Manager. The Member affirms the selection of Dupli Associates LLC as the Manager of the LLC to serve until its successor is selected. A Manager shall remain in office until removed by a written instrument signed by the Member or until such Manager resigns in a written instrument delivered to the Member or such Manager dies or is unable to serve. In the event of any such vacancy, the Member or his personal representative may fill the vacancy. The Manager shall perform its duties in good faith, in a manner it reasonably believes to be in the best interests of the LLC, and with such care as an ordinarily prudent person in a like position would use under similar circumstances. A person who so performs his duties shall not have any liability by reason of serving or having served as a Manager. A Manager shall not be liable under a judgment, decree or order of court, or in any other manner, for a debt, obligation or liability of the LLC. All powers to control and manage the business and affairs of the LLC shall be exclusively vested in the Manager, and the Manager may exercise all powers of the LLC and do all such lawful acts as are not by statute, the Articles of Organization or this Agreement directed or required to be exercised or done by the Member and in so doing shall have the right and authority to take all actions which the Manager deems necessary, useful or appropriate for the management and conduct of the business of the LLC; provided, however, that the Member may amend this Agreement at any time and thereby broaden or limit the Manager's power and authority.

(b) Indemnification. The LLC hereby indemnifies and holds harmless the Member, Manager, Officers, and their successors, executors, and administrators against any loss or damage incurred by such Member or Manager by reason of acts or omissions in good faith on behalf of the LLC and in a manner reasonably believed by the Member or Manager to be within the scope of the authority granted by this Agreement. However, no indemnification may be made to or on behalf of any Member or Manager if a judgment or other final adjudication adverse to such Member or Manager established (1) that the Member's or Manager's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated or (2) that the Member or Manager personally gained in fact a financial profit or other advantage to which the Member or Manager was not legally entitled.

(c) Rights and Powers of the Member. The Member shall not have any right or power to take part in the management or control of the LLC or its business and affairs or to act for or bind the LLC in any way. Notwithstanding the foregoing, the Member has all the rights and powers specifically set forth in this Agreement and, to the extent not inconsistent with this Agreement, in the Act. The Member has no voting rights except with respect to those matters specifically set forth in this Agreement and, to the extent not inconsistent herewith, as required in the Act. Notwithstanding any other provision of this Agreement, no action may be taken by the

LLC (whether by the Manager or otherwise) in connection with any of the following matters without the written consent of the Member or his legal representative:

- (1) the dissolution or liquidation, in whole or in part, of the LLC, or the institution of proceedings to have the LLC adjudicated bankrupt or insolvent;
- (2) the admission of an additional member to the LLC;
- (3) the filing of a petition seeking or consenting to reorganization or relief under any applicable federal or state bankruptcy law;
- (4) consenting to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the LLC or a substantial part of its property;
- (5) the merger of the LLC with any other entity;
- (6) the sale of all or substantially all of the LLC's assets; or
- (7) the amendment of this Agreement.

9. Distributions. The Manager may cause, in the Manager's sole and absolute discretion, the LLC to distribute to the Member, at any time, any cash held by the LLC which is neither reasonably necessary for the operation of the LLC nor in violation of the Act.

10. Assignments. A Member may assign all or any part of his, her or its Interest only with the permission of the Manager, which permission may be granted or denied in the absolute and sole discretion of the Manager (an assignee of such Interest is hereinafter referred to as a "Permitted Assignee"). A Permitted Assignee shall not be substituted as a member of the LLC for the Member unless and until the substitution is approved by the Manager, acting in his absolute and sole discretion.

11. Dissolution. The LLC shall dissolve, and its affairs shall be wound up, only upon the earlier to occur of (a) the decision of the Member acting with the approval of the Manager, or (b) in the event of a judicial dissolution of the LLC under the Act.

12. Distributions in Liquidation. Following dissolution of the LLC, the affairs of the LLC shall be forthwith wound-up and the proceeds from the liquidation of the property of the LLC shall be distributed in the following priority:

- (a) First, to creditors of the LLC in satisfaction of liabilities of the LLC, whether by payment or by establishment of adequate reserves; and
- (b) The balance, if any, is to be distributed to the Member.

In connection with any winding up and liquidation, the accountants for the LLC shall compile a balance sheet of the LLC as of the date of dissolution, and such balance sheet shall be furnished promptly to the Member.

13. Limited Liability. No Member, Manager, or Officer shall have any liability for the obligations of the LLC except to the minimum extent required by the Act.

14. Miscellaneous.

(a) Severability. Each provision hereof is intended to be severable, and the invalidity or illegality of any provision of this Agreement shall not affect the validity or legality of the remainder hereof.

(b) Captions. Paragraph captions contained in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit, extend, or describe the scope of this Agreement or the intent of any provision hereof.

(c) Variation of Pronouns. All pronouns and any variations thereof shall be deemed to refer to masculine, feminine or neuter, singular or plural, as the identity of the person or persons may require.

(d) Binding Agreement. Subject to the restrictions on assignment herein contained, the terms and provisions of this Agreement shall be binding upon, and inure to the benefit of the successors, assigns, personal representatives, estates, heirs, and legatees of the Member.

(e) Applicable Law. Notwithstanding the place where this Agreement may be executed by any of the parties hereto, the parties expressly agree that all the terms and provisions hereof shall be construed under the laws of New York and that the Act and other applicable laws of New York as now adopted or as hereafter amended shall govern this Agreement.

(f) Entire Agreement. This Agreement constitutes the entire agreement of the parties hereto with respect to the matters set forth herein and supersedes any prior understanding or agreement, oral or written, with respect thereto.

(g) Qualification in Other States. In the event the business of the LLC is carried on or conducted in states in addition to New York, then this LLC shall exist under the laws of each state in which business is actually conducted by the LLC, and the Member and the Manager agree to execute such other and further documents as may be required or requested in order that the LLC may qualify in such states. An LLC office or principal place of business in any state may be designated from time to time by the Manager.

(h) Incorporation by Reference. Every exhibit, schedule and other appendix attached to this Agreement and referred to herein is hereby incorporated in this Agreement by reference.

(i) Amendment. This Agreement may be amended only in a writing signed by the Member and approved by the Manager.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Agreement as of the day and year first above written.

Re: City of Syracuse Industrial Development Agency
Lease/Leaseback Transaction
Dupli Associates LLC – Dupli Building 2 Project

Ladies and Gentlemen:

We have acted as counsel to the City of Syracuse Industrial Development Agency (the "**Agency**") in connection with an amended project (the "**Project**") undertaken by the Agency at the request of Dupli Associates LLC ("**Dupli**") and 156 Solar Street LLC ("**156 Solar**" and together with Dupli, collectively, the "**Company**") consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to one or more bill(s) of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement.

The Company also requested the Agency grant the Financial Assistance to the Project. In furtherance thereof, the Agency and Dupli previously entered into a payment in lieu of tax agreement dated as of July 1, 2017, as amended by the First Amendment to PILOT Agreement (collectively, the "**Original PILOT Agreement**") and the Company and the Agency entered into the Dupli Building 2 Payment in Lieu of Taxes Agreement dated as of December 1, 2020 (the "**Dupli Building 2 PILOT Agreement**" and together with the Original PILOT Agreement, collectively, the "**PILOT Agreement**") with respect to the Project.

Capitalized terms used herein which are not otherwise defined shall have the meanings ascribed to them in the Dupli Building 2 Agency Lease (as defined herein).

As counsel to the Agency, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such instruments, certificates, and documents as we have deemed necessary or appropriate for the purposes of the opinion expressed below. In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to the original documents of all documents submitted to us as copies, and have assumed the accuracy and truthfulness of the factual information, expectations, conclusions, representations, warranties, covenants and opinions of the Company and its counsel and representatives as set forth in the various documents executed and delivered by them or any of them and identified in the Closing Memorandum in connection with the Project.

We are of the opinion that:

1. The Agency is a duly organized and existing corporate governmental agency constituting a public benefit corporation of the State of New York.

2. The Agency is duly authorized and empowered by law to acquire, construct, reconstruct, renovate and equip the Project, to lease the Land and the Facility from the Company pursuant to that certain Company Lease Agreement dated as of July 1, 2017, as amended by the First Amendment to Company Lease, dated December 1, 2020, each by and between Dupli and the Agency (collectively, the "**Original Company Lease**") and the Dupli Building 2 Company Lease, dated December 1, 2020, by and among the Agency and the Company (the "**Dupli Building 2 Company Lease**" and together with the Original Company Lease, collectively, the

"*Company Lease*"); to accept an interest in the Equipment pursuant one or more bills of sale from the Company; to sublease the Project Facility back to the Company pursuant to that certain Agency Lease Agreement dated as of July 1, 2017, as amended by the First Amendment to Agency Lease, dated December 1, 2020, each between the Agency and Dupli (collectively, the "*Original Agency Lease*") and the Dupli Building 2 Agency Lease Agreement dated as of December 1, 2020 by and among the Agency and the Company (the "*Dupli Building 2 Agency Lease*" and together with the Original Agency Lease, the "*Agency Lease*"), to provide the Financial Assistance and to appoint 156 Solar as its agent for completion of the Project.

3. The Agency Documents have been authorized by and lawfully executed and delivered by the Agency and (assuming the authorization, execution, and delivery by the other respective parties thereto) are valid and legally binding obligations enforceable against the Agency in accordance with their respective terms.

In rendering this opinion, we advise you of the following:

The enforceability of the Agency Documents may be limited by any applicable bankruptcy, insolvency, reorganization, moratorium, or similar law or enactment now or hereafter enacted by the State of New York or the Federal government affecting the enforcement of creditors' rights generally and the general principles of equity, including limitations on the availability of the remedy of specific performance which is subject to discretion of the court.

This opinion is rendered to the addressees named above and their successors and/or assigns, and may not be relied upon by any other person without our prior, express written consent.

Very truly yours,

Dupli Associates LLC – Dupli Building 2 Project

Ladies and Gentlemen:

We have acted as counsel to Dupli Associates LLC ("**Dupli**") and 156 Solar Street LLC ("**156 Solar**" and together with Dupli, collectively, the "**Company**") in connection with a certain project (the "**Project**"¹) undertaken by the City of Syracuse Industrial Development Agency (the "**Agency**") at the Company's request. The Project consists of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median

income rent limits for the City² (the "**AMT**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to one or more bill(s) of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement.

The Agency has an interest in the Project Facility pursuant to that certain Company Lease Agreement dated as of July 1, 2017, as amended by the First Amendment to Company Lease, dated December 1, 2020, each by and between Dupli and the Agency (collectively, the "**Original Company Lease**") and the Dupli Building 2 Company Lease, dated December 1, 2020, by and among Dupli, 156 Solar and the Agency (the "**Dupli Building 2 Company Lease**" and together with the Original Company Lease, collectively, the "**Company Lease**"), an interest in the Equipment pursuant to one or more bills of sale from the Company dated as of December 1, 2020 (collectively, the "**Bill of Sale**") and the Agency has subleased the Project Facility back to the Company pursuant to that certain Agency Lease Agreement dated as of July 1, 2017, as amended by the First Amendment to Agency Lease, dated as of December 1, 2020, each between the Agency and Dupli (collectively, the "**Original Agency Lease**") and the Dupli Building 2 Agency Lease Agreement dated as of December 1, 2020 by and among the Agency, Dupli and 156 Solar (the "**Dupli Building 2 Agency Lease**" and together with the Original Agency Lease, the "**Agency Lease**"). Capitalized terms used herein and not otherwise defined shall have the meaning given to them in the Dupli Building 2 Agency Lease.

The Company also requested the Agency grant the Financial Assistance to the Project. In furtherance thereof, the Agency and Dupli previously entered into a payment in lieu of tax agreement dated as of July 1, 2017, as amended by the First Amendment to PILOT Agreement (collectively, the "**Original PILOT Agreement**") and the Company and the Agency entered into the Dupli Building 2 Payment in Lieu of Taxes Agreement dated as of December 1, 2020 (the "**Dupli Building 2 PILOT Agreement**" and together with the Original PILOT Agreement, collectively, the "**PILOT Agreement**") with respect to the Project.

In regard to the foregoing, we have examined that certain Project Agreement dated as of July 1, 2017, as amended by the First Amendment to Project Agreement, dated as of December 1, 2020, each between the Agency and Dupli (collectively, the "**Original Project Agreement**") and the Dupli Building 2 Project Agreement, dated as of December 1, 2020, by and among the Agency and the Company (the "**Dupli Building 2 Project Agreement**" and together with the Original

Project Agreement, the "***Project Agreement***") the Company Lease, the Agency Lease, the Bill of Sale, the Mortgages, the Environmental Compliance and Indemnification Agreement, the PILOT Agreement and all other documents both identified in the Closing Memorandum and as defined in the Dupli Building 2 Agency Lease to which the Company is a party in connection with the Project (collectively, the "***Company Documents***").

We have also examined corporate documents and records of the Company and made such investigation of law and/or fact that we deem necessary or advisable in order to render this opinion. For purposes of such examination, we have assumed the genuineness of all certificates and the authenticity of all documents submitted to us as original counterparts or as certified or photostatic copies; the genuineness of all signatures of all parties to the Company Documents other than on behalf of the Company; and the due authorization, execution and delivery of the Company Documents by and the enforceability thereof against all parties thereto other than the Company.

As to questions of fact material to our opinion, we have relied upon the representations and warranties made by each Dupli and 156 Solar in the Company Documents and upon one or more certificates of officers of each Company. Whenever the phrase "to the best of our knowledge" is used in this opinion, it refers to actual knowledge of members of this firm obtained from our representation of each Company and inquiries of responsible officers of each Company made in connection with this opinion, but no further investigation or review has been conducted.

Based upon the foregoing, it is our opinion that:

1. Each Dupli and 156 Solar are a duly formed and validly existing New York limited liability company and possesses full corporate power and authority to own its property, to conduct its business, to execute and deliver the Company Documents, to which they are signatories, and to carry out and perform its obligations thereunder.

2. The execution, delivery and performance of the Company Documents have been duly authorized by each Dupli and 156 Solar and the Company Documents have been duly executed and delivered by an Authorized Representative of each Dupli and 156 Solar as and where applicable.

3. The Company Documents to which each Company is a signatory constitute the legal, valid and binding obligations of that Company, enforceable against the applicable Company in accordance with their terms, except as enforceability may be limited by applicable bankruptcy and insolvency laws and laws affecting creditors' rights generally and to the extent that the availability of the remedy of specific performance or injunctive relief or other equitable remedies is subject to the discretion of the court before which any proceeding therefor may be brought.

4. To the best of our knowledge, in reliance on the certificates and opinions specified herein, the execution and delivery by each Company of the Company Documents, where applicable, the execution and compliance with the provisions of each and the consummation of the transactions contemplated therein do not and will not constitute a breach of, or default under either Dupli or 156 Solar's respective Articles of Organization, Operating Agreement or any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which

either Dupli or 156 Solar or any of its Property may be bound, for which a valid consent has not been secured; nor is any approval or any action by any governmental authority required in connection with the execution, delivery and performance thereof by Dupli or 156 Solar.

5. To the best of our knowledge, in reliance on the certificates and opinions specified herein, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, pending or threatened against, or affecting either Company wherein an unfavorable decision, ruling or finding would in any way adversely affect in a material fashion the validity or enforceability of the respective Company Documents.

Our examination of law relevant to matters herein is limited to the laws of the State of New York and also the Federal law, where appropriate, and we express no opinion as to matters governed by the laws of any other state or jurisdiction.

This opinion is only for the benefit of and may be relied upon only by the Agency, its successors and assigns. The opinions set forth in this letter are limited to those expressly stated and no other opinion may be inferred nor is any implied. No other use of this opinion may be made without prior written consent. This opinion is given as of the date hereof and we undertake no obligation, and hereby disclaim any obligation, to update or supplement this opinion in response to a subsequent change in the law or future events affecting the documents identified in this letter.

Very truly yours,

CLOSING MEMORANDUM

CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY

DUPLI ASSOCIATES, LLC – DUPLI BUILDING 2 PROJECT

DATE AND TIME OF CLOSING: December 17, 2020

PLACE OF CLOSING: Escrow Closing

I. Action Taken Prior to Closing

At the request of Dupli Associates, LLC (the “**Dupli**”), by resolution dated May 16, 2017 (the “**Original Inducement Resolution**”) the Agency undertook a project (the “**Original Project**”) consisting of: (A)(i) the acquisition of an interest in approximately 5 acres of improved real property located at 600 Franklin Street N. to Solar Street (a/k/a 1 Dupli Park Drive) (bearing tax parcel identification number 118.-06-08.0) (the “**Building 1 Land**”), improved by an approximate 149,000 square foot building (“**Building 1**”); and 156 Solar Street and Division Street W. (bearing tax parcel identification number 118.-06-01.0) (the “**Building 2 Land**”), improved by an approximate 62,800 square foot building (“**Building 2**”), each in the City of Syracuse, New York (the “**City**”) (Building 1 Land together with Building 2 Land, collectively referred to as the “**Original Land**”); (ii) the reconstruction and renovation of approximately 21,000 square feet of Building 1 consisting of an approximately 15,000 square foot climbing gym and an approximately 6,000 square foot restaurant in the northwest corner of Building 1 (collectively, the “**Original Facility**”); (iii) the acquisition and installation in and at Building 1 of furniture, fixtures and equipment (the “**Original Equipment**” and together with the Original Land and the Original Facility, the “**Original Project Facility**”); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the “**Original Financial Assistance**”); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the lease of the Land and Original Facility by the Agency pursuant to a lease agreement and the acquisition of an interest in the Original Equipment pursuant to a bill of sale from the Company to the Agency; and the sublease of the Original Project Facility back to the Company pursuant to a sublease agreement.

In July 2017, Dupli and the Agency entered into a lease transaction to effectuate the undertaking of the Original Project and the conference of the approved Original Financial Assistance (the "**Original Lease Transaction**"). As part of the Original Lease Transaction, Dupli and the Agency executed and delivered numerous documents, including but not limited to, an agency agreement, a company lease, the First Agency Lease, a bill of sale, an environmental compliance and indemnification agreement, a project agreement and a payment in lieu of taxes agreement (collectively, the "**Original Lease Documents**").

By supplemental application dated February 4, 2020 (the "**Amended Application**"), Dupli requested the Agency revise the Original Project (the "**Amended Project**") as follows: (A)(i) the continuation of an interest in the Original Land; (ii) the reconstruction and renovation of Building 1 consisting of a 7,000 sq.ft. expansion of the climbing gym for an aggregate approximately 23,000 sq.ft. climbing gym and exercise/training facility; approximately 37,500 sq.ft. of commercial office space; approximately 25,000 sq.ft. of commercial storage; approximately 45,000 sq.ft. of residential space containing approximately 39 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City¹ (the "**AMI**"); and approximately 3,500 sq.ft. of retail space (collectively, the "**Building 1 Facility**"); and the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the AMI; approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (collectively, the "**Building 2 Facility**" and together with the Building 1 Facility, collectively, the "**Amended Facilities**"); and (iii) the acquisition and installation in and at the Land and Building 1 and Building 2 of furniture, fixtures and equipment (the "**Amended Equipment**" and together with the Land and the Facilities, the "**Amended Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Amended Financial Assistance**"); (C) the appointment of the Company or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Amended Project Facility; and (D) the continuation of the lease of the Original Land and Amended Facilities by the Agency pursuant to a lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Amended Project Facility back to the Company pursuant to a sublease agreement.

To satisfy the tax credit investor and separate financing sources to allow for the syndication of historic tax credits relative to each Building 1 and Building 2, Dupli is required to set up separate single purpose entities ("**SPE**") to own each Building 1 and Building 2 (collectively, the "**Ownership Structure**"). At the time of the syndication of the tax credits, Dupli will own 90% of the SPE and the tax credit investor will own 10% of the SPE. To accommodate the Ownership Structure, Dupli requested, and the Agency approved, the amendment of the Original Lease Documents, including the Original Agency Lease, to bifurcate same into two sets of agreements (the "**Bifurcated Agreements**"), one for each parcel of Land

¹ As defined in the City of Syracuse Department of Neighborhood and Business Development *Syracuse Consolidated Plan* http://www.syr.gov.net/uploadedFiles/Departments/Neighborhood_and_Business_Development/Content/Consolidated%20Plan%202015-19%20Final%20-%2001-06-2016.pdf

and the corresponding improvements such that the amended/new agreements control the rights and obligations of the parties thereto with respect to that portion of the Project relative to Building 1, the Building 1 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 1 Project**") and Building 2, the Building 2 Land and the Financial Assistance and Equipment associated therewith (collectively, the "**Building 2 Project**"), respectively; and

To accommodate the Ownership Structure, Dupli formed 156 Solar Street LLC, the SPE for the Building 2 Project ("**156 Solar**" and together with Dupli, collectively, the "**Company**"), 156 Solar will be a party to the Bifurcated Agreements for the Building 2 Project; and

By resolutions adopted April 21, 2020 and October 20, 2020, the Agency authorized the Bifurcated Agreements to accommodate the Ownership Structure such that the applicable Bifurcated Agreements for the Building 1 Project will govern the Building 1 Project consisting of: (A)(i) the continuation of an interest in 156 Solar Street and Division Street W. improved by an approximate 62,800 square foot building ("**Building 2**") (bearing tax parcel identification number 118.-06-01.0), located in the City of Syracuse, New York (the "**City**") (the "**Land**"); (ii) the reconstruction and renovation of Building 2 consisting of 24,000 sq.ft. of residential space containing approximately 20 apartment units, twenty percent (20%) of such units shall be reserved for tenants at the annual 65% area median income rent limits for the City² (the "**AMI**"); approximately 20,000 sq.ft. of commercial office space and approximately 9,500 sq.ft. of retail space (the "**Facility**"); and (iii) the acquisition and installation in and at the Land and Building 2 of furniture, fixtures and equipment (the "**Equipment**" and together with the Land and the Facility, the "**Project Facility**"); (B) the granting of certain financial assistance in the form of exemptions from real property tax, State and local sales and use tax and mortgage recording tax (except as limited by Section 874 of the General Municipal Law) (collectively the "**Financial Assistance**"); (C) the appointment of 156 Solar or its designee as an agent of the Agency in connection with the acquisition, construction, reconstruction, equipping and completion of the Project Facility; and (D) the continuation of the lease of the Land and Facility by the Agency pursuant to an amended lease agreement and the acquisition of an interest in the Equipment pursuant to a bill of sale from the Company to the Agency and the sublease of the Project Facility back to the Company pursuant to an amended sublease agreement (all of the foregoing, collectively, the "**Project**").

The Company also requested that the Agency appoint 156 Solar as its agent for purposes of completing the Project and the granting of certain Financial Assistance.

The Company is, or will be at the time of closing, the owner of the Project Facility.

The Agency will continue its leasehold interest in the Land and Facility from the Company pursuant to a Company Lease Agreement dated as of July 1, 2017 from Dupli to the Agency, as amended by that First Amendment to Company Lease dated as of December 1, 2020, by and among Dupli and the Agency, and that certain Dupli Building 1 Company Lease Agreement
