5 PART A-4

6 Section 1. Paragraph c of subdivision 7 of section 3602 of the educa-  
7 tion law, as amended by section 22 of part C of chapter 57 of the laws  
8 of 2004, is amended to read as follows:

9 c. For the purposes of computing this apportionment for the two thou-  
10 sand five--two thousand six school year and thereafter, approved trans-  
11 portation capital, debt service, and lease expense shall be the amount  
12 computed based upon an assumed amortization determined pursuant to para-  
13 graph e of this subdivision for an expenditure incurred by a school  
14 district and approved by the commissioner for those items of transporta-  
15 tion capital, debt service and lease expense allowable under subdivision  
16 two of section thirty-six hundred twenty-three-a of this article for:  
17 (i) the regular aidable transportation of pupils, as such terms are  
18 defined in sections thirty-six hundred twenty-one and thirty-six hundred  
19 twenty-two-a of this article, (ii) the transportation of children with  
20 disabilities pursuant to article eighty-nine of this chapter, and (iii)  
21 the transportation of homeless children pursuant to paragraph c of  
22 subdivision four of section thirty-two hundred nine of this chapter,  
23 provided that the total approved cost of such transportation shall not  
24 exceed the amount of the total cost of the most cost-effective mode of  
25 transportation. Approvable expenses for the purchase of school buses  
26 shall be limited to the actual purchase price, or the expense as if the  
27 bus were purchased under state contract, whichever is less. If the  
28 commissioner determines that no comparable bus was available under state  
29 contract at the time of purchase, the approvable expenses shall be the  
30 actual purchase price or the state wide median price of such bus in the  
31 most recent base year in which such median price was established with an  
32 allowable year to year CPI increase as defined in subdivision fourteen  
33 of section three hundred five of this chapter; whichever is less. Such  
34 median shall be computed by the commissioner for the purposes of this  
35 subdivision. [Commencing with aid payable in the nineteen hundred nine-  
36 ty-six--ninety-seven school year, no aid shall be payable in the current  
37 year for costs incurred for the purchase or lease of a school bus in the  
38 base year unless (i) such costs were budgeted by the school district and  
39 so reported to the commissioner by November fifteenth of the base year  
40 or (ii) such costs were incurred on an emergency basis to replace a  
41 school bus that has been rendered unusable due to accident, fire or  
42 other similar circumstance, and such emergency and the cost of such  
43 replacement were reported to the commissioner within sixty days of such  
44 replacement; provided, however, that nothing herein shall prohibit the  
45 district from claiming aid for such purchase or lease of a school bus in  
46 the year following the current school year as if such costs were  
47 approved transportation expense incurred during the current year for the  
48 purposes of paragraph a of this subdivision and to the extent that such  
49 costs are identified to the commissioner by November first of the  
50 current year.]

51 § 2. Subdivision 1 of section 167 of chapter 169 of the laws of 1994  
52 relating to certain provisions related to the 1994-95 state operations,  
53 aid to localities, capital projects and debt service budgets, as amended

1 by section 26 of part I of chapter 57 of the laws of 2005, is amended to  
2 read as follows:

4 been in full force and effect as of April 1, 1994 provided, however,  
5 that sections one, two, twenty-four, twenty-five and twenty-seven  
6 through seventy of this act shall expire and be deemed repealed on March  
7 31, 2000; provided, however, that section twenty of this act shall apply  
8 only to hearings commenced prior to September 1, 1994, and provided  
9 further that section twenty-six of this act shall expire and be deemed  
10 repealed on March 31, 1997; and provided further that sections four  
11 through fourteen, sixteen, and eighteen, nineteen and twenty-one through  
12 twenty-one-a of this act shall expire and be deemed repealed on March  
13 31, 1997; and provided further that sections three, fifteen, seventeen,  
14 twenty, twenty-two and twenty-three of this act shall expire and be  
15 deemed repealed on March 31, [2007] 2008.

15 Such plan shall include: (a) an estimate of total costs to be financed,

23 mation concerning the potential persons to be involved in the financing  
24 and such person's role and responsibilities; (c) estimates on the

38 accountability for attainment of the diversity goals, what forms of  
39 monitoring would be used, and how such information would be publicly  
40 communicated.

41 Prior to the development of the comprehensive plan, the JSC board  
42 shall hold as many public hearings as may be necessary to ensure suffi-  
43 cient public input and allow for significant public discussion on the  
44 school building needs in such city, with at least one hearing to be held

46 The JSC board shall submit the components of such comprehensive plan  
47 outlined in subdivision (a) of this section to the comptroller, along  
48 with any other information requested by the comptroller, for his or her  
49 review and approval.

50 § 7. Notwithstanding any general, special or local law to the contrary  
51 and upon approval by the comptroller pursuant to section four of this  
52 act, the city school district may select projects to be undertaken  
53 pursuant to this act, as provided for in such approved comprehensive  
54 plan. After the city school district has selected a new project and  
55 plans and specifications for such project have been prepared and  
56 approved by the city school district, which are consistent with the

1 approved comprehensive plan, the city school district shall deliver such  
2 plans and specifications to the city, for approval by such city, acting  
3 through the common council, and after the common council has approved  
4 such plans and specifications, the city shall deliver them to the  
5 commissioner for his or her approval. After approval by the commission-  
6 er, the plans and specifications shall be returned to the city school  
7 district and such district shall then deliver them to the JSC board.  
8 All such specifications shall detail the number of students the  
9 completed project is intended to serve, the site description, the types  
10 of subjects to be taught, the types of activities for school, recre-  
11 ational, social, safety, or other purposes intended to be incorporated  
12 in the school building or on its site and such other information as the  
13 city school district, the city, the common council, and the commissioner  
14 shall deem necessary or advisable.

15 § 8. (a) Pursuant to the authority granted to it by an agreement and  
16 any amendment or supplemental agreement thereto, between the city and  
17 the city school district creating the JSC board with reference to the  
18 JSC board and any amendments to those sections, the JSC board, upon  
19 receipt of such plans and specifications for a project from the city,  
20 may enter into contracts on behalf of the city or the city school  
21 district, or both, for such project.

22 (b) Notwithstanding the provisions of any other general, special, or  
23 local law to the contrary, relating to the length, duration, and terms  
24 of contracts that the city or the city school district may enter into,  
25 the JSC board, on behalf of the city and the city school district, is  
26 hereby authorized and empowered to enter into contracts relating to  
27 projects undertaken pursuant to this act with any person, upon such  
28 terms and conditions and for such consideration and for such terms and  
29 duration, not to exceed thirty years, as may be agreed upon by the JSC  
30 board and such person, whereby such person is granted the right to  
31 design (pursuant to the plans and specifications delivered to it by the  
32 city), reconstruct, rehabilitate, finance or manage one or more projects  
33 in accordance with the design, plans, and specifications for such  
34 projects approved by the city school district, the commissioner and the  
35 city, as set forth in section five of this act. All such contracts shall  
36 comply with the provisions of section eight of this act.

37 (c) In the event the JSC board shall cease to exist for any reason  
38 whatsoever during the life of such contracts as it has entered into  
39 pursuant to this act, such contracts shall remain in full force and  
40 effect and the city and the city school district shall stand jointly in  
41 the place and stead of such JSC board with respect to all rights and  
42 obligations under such contracts and with respect to all powers granted  
43 to the JSC board by this act; provided, however, that such powers are  
44 exercised by the city and the city school district jointly and pursuant  
45 to their respective jurisdictions and the general laws applicable there-  
46 to, except as modified by this act.

47 § 9. (a) Notwithstanding the provisions of any general, special, or  
48 local law to the contrary, a contract entered into between the JSC board  
49 and any person pursuant to this act may be awarded either pursuant to  
50 public bidding in compliance with section 103 of the general municipal  
51 law or, in order to foster major investment in existing school buildings  
52 and to deliver quality products and services that are beneficial to the  
53 city and the city school district and the public they serve, pursuant to  
54 the following provisions of this act for the award of a contract based  
55 on evaluation of proposals submitted in response to a request for  
56 proposals prepared by or for the JSC board.

1 (b) Prior to the JSC board developing the requests for proposals, it  
2 shall consult with the comptroller and the commissioner in creating  
3 guidelines to be used by the JSC board in the preparation of individual  
4 requests for proposals. Such guidelines shall contain provisions requir-  
5 ing the compliance of the request for proposals with all applicable  
6 laws, rules and regulations.

7 (c) Prior to the issuance of a request for proposals pursuant to this  
8 act, the JSC board shall publish notice of such issuance in the official  
9 newspaper of the city, if any, and in at least one newspaper of general  
10 circulation. Concurrent with the publication of such notice, a draft  
11 request for proposals shall be filed with the JSC board. After allowing  
12 a thirty day comment period and an additional ten days to review such  
13 comments, the JSC board may publish the final request for proposals and  
14 concurrent with such publication shall publish notice of such issuance  
15 in the manner specified in this subdivision. Concurrent with the publi-  
16 cation of the final request for proposals, a set of comments filed in  
17 relation to the draft request for proposals and findings related to the  
18 substantive elements of such comments shall be filed along with the  
19 request for proposals with the JSC board and in the public library or  
20 libraries in proximity to the proposed project.

21 (d) The JSC board shall require that each proposal to be submitted  
22 shall include information relating to: (1) the background and experience  
23 of the person including any history of labor violations, and when appli-  
24 cable, the identity and experience of the person's general contractor,  
25 heating and plumbing contractor, electrical contractor, and design firm;  
26 (2) the ability of the person to secure adequate financing, if applica-  
27 ble, including the identification of the firm, if any, that will be used  
28 for financing the project; and (3) identification and specification of  
29 all elements of cost which would become a charge to the JSC board, the  
30 city school district or city, in whatever form, in return for the  
31 fulfillment by the person of all tasks and responsibilities established  
32 by the request for the proposal for the full lifetime of a proposed  
33 contract, including, as appropriate, but not limited to the costs,  
34 direct or indirect, relating to the project and such other information  
35 as the JSC board may determine to have a material bearing on its ability  
36 to evaluate any proposal.

37 (e) Proposals received in response to a request for proposals shall be  
38 evaluated by the JSC board, taking into account maximization of state  
39 building aid, as to net cost and in a manner consistent with the  
40 provisions set forth in the request for proposals, and may be evaluated  
41 on the basis of additional factors when applicable, including, but not  
42 limited to, quality and durability of materials, energy efficiency,  
43 facility design incorporating systems and approaches which provide maxi-  
44 mum facility value at the lowest possible cost for the reconstruction,  
45 rehabilitation, and equipping of such projects, and maximization of  
46 state building aid. In addition, evaluation of proposals received in  
47 response to a request for proposals for the position of program manager  
48 shall also include consideration of the criteria set forth in section  
49 nine of this act.

50 (f) The JSC board may make a contract award to any responsible person  
51 selected based on a determination by the JSC board that the selected  
52 proposal is most responsive to the request for proposals and may negoti-  
53 ate with any person; provided, however, that if an award is made to any  
54 person whose total proposal does not provide the lowest net cost, the  
55 JSC board shall adopt a resolution after a public hearing which includes  
56 particularized findings relevant to factors evaluated indicating that

1 the JSC board's requirements are met by such award and that such action  
2 is in the public interest.

3 § 10. Contracts. Notwithstanding the provisions of any general,  
4 special, or local law or judicial decision to the contrary:

5 (a) The JSC board may require a contractor awarded a contract, subcon-  
6 tract, lease, grant, bond, covenant or other agreement for a project to  
7 enter into a project labor agreement during and for the work involved  
8 with such project when such requirement is part of the JSC board's  
9 request for proposals for the project and when the JSC board determines  
10 that the record supporting the decision to enter into such an agreement  
11 establishes that it is justified by the interests underlying the compet-  
12 itive bidding laws.

13 (b) Any contract, subcontract, lease, grant, bond, covenant or other  
14 agreement for projects undertaken pursuant to this act shall not be  
15 subject to section 101 of the general municipal law when the JSC board  
16 has chosen to require a project labor agreement, pursuant to subdivision  
17 (a) of this section. This exemption shall only apply to the projects  
18 undertaken pursuant to this act and shall not apply to projects under-  
19 taken by any other school district or municipality unless otherwise  
20 specifically authorized.

21 (c) Notwithstanding any general, special, or local law or judicial  
22 decision to the contrary, whenever the JSC board enters into a contract,  
23 subcontract, lease, grant, bond, covenant or other agreement for the  
24 construction, reconstruction, demolition, excavation, rehabilitation,  
25 repair, renovation, alteration, or improvement for a project undertaken  
26 pursuant to this act, it shall be deemed to be a public works project  
27 for the purposes of article 8 of the labor law, and all the provisions  
28 of article 8 of the labor law shall be applicable to all the work  
29 involved with such project including the enforcement of prevailing wage  
30 requirements by the New York State department of labor.

31 (d) Every contract entered into by the JSC board for a project shall  
32 contain a provision that the design of such project shall be subject to  
33 the review and approval of the city school district and that the design  
34 and construction standards of such project shall be subject to the  
35 review and approval of the commissioner. In addition, every such  
36 contract shall contain a provision that the contractor shall furnish a  
37 labor and material bond guaranteeing prompt payment of moneys that are  
38 due to all persons furnishing labor and materials pursuant to the  
39 requirements of any contracts for a project undertaken pursuant to this  
40 act and a performance bond for the faithful performance of the project,  
41 which shall conform to the provisions of section 103-f of the general  
42 municipal law, and that a copy of such performance and payment bonds  
43 shall be kept by the city and shall be open to public inspection.

44 (e) For the purposes of article 15-A of the executive law, any person  
45 entering into a contract for a project authorized pursuant to this act  
46 shall be deemed a state agency as that term is defined in such article  
47 and such contracts shall be deemed state contracts within the meaning of  
48 that term as set forth in such article.

49 (f) Notwithstanding the provisions of this act or of any general or  
50 special law to the contrary, for any contract, subcontract, lease,  
51 grant, bond, covenant or other agreement for construction, recon-  
52 struction, demolition, excavation, rehabilitation, repair, renovation,  
53 alteration, or improvement with respect to each project undertaken  
54 pursuant to this act, the JSC board shall consider the financial and  
55 organizational capacity of contractors and subcontractors in relation to  
56 the magnitude of work they may perform, the record of performance of

1 contractors and subcontractors on previous work, the record of contrac-  
2 tors and subcontractors in complying with existing labor standards and  
3 maintaining harmonious labor relations, and the commitment of contrac-  
4 tors to work with minority and women owned business enterprises pursuant  
5 to article 15-A of the executive law through joint ventures or subcon-  
6 tractor relationships. The JSC board shall further require, on any  
7 contract for construction in excess of three million dollars with  
8 respect to any contract for construction, reconstruction, demolition,  
9 excavation, rehabilitation, repair, renovation, alteration, or improve-  
10 ment that each contractor and subcontractor shall participate in appren-  
11 tice training programs in the trades of work it employs that have been  
12 approved by the state department of labor for not less than three years.

13 § 11. (a) All contracts entered into by the JSC board for projects  
14 undertaken pursuant to this act shall be managed by an independent  
15 program manager. Selection of the program manager shall be pursuant to  
16 the competitive process established in section seven of this act. The  
17 program manager shall have experience in planning, designing, and  
18 constructing new and/or reconstructing existing school buildings, public  
19 facilities, commercial facilities, and/or infrastructure facilities, and  
20 in the negotiation and management of labor contracts and agreements,  
21 training programs, educational programs, and physical technological  
22 requirements for educational programs. The program manager shall manage  
23 all projects undertaken pursuant to this act, review project schedules,  
24 review payment schedules, prepare cost estimates and assess the safety  
25 programs of contractors and all training programs, if required. The  
26 program manager shall implement procedures for verification by it that  
27 all work for which payment has been requested has been satisfactorily  
28 completed.

29 (b) The program manager, and its affiliates or subsidiaries, if any,  
30 shall be prohibited from awarding contracts or being awarded contracts  
31 for or performing any work on projects undertaken pursuant to this act.

32 § 12. Notwithstanding any other provision of law, building aid that  
33 would otherwise be payable for the school district portion of expendi-  
34 tures for capital outlays and debt service for each project undertaken  
35 pursuant to the provisions of this act in accordance with subdivision 6  
36 of section 3602 of the education law, shall be paid to the city.

37 § 13. Notwithstanding any general, special, or local law or ordinance  
38 to the contrary, contracts entered into by the JSC board for projects  
39 undertaken pursuant to this act: (1) may be funded by certificates of  
40 participation issued by the city pursuant to this act; (2) may be  
41 installment purchased contracts; and (3) shall be subject to the  
42 provisions of section 109-b of the general municipal law, except for  
43 paragraph (a) of subdivision 3 of such section, subdivision 5 of such  
44 section, and paragraph (c) of subdivision 6 of such section, and except  
45 to the extent section 109-b of the general municipal law is inconsistent  
46 with the provisions of this act. All provisions with reference to  
47 installment purchase contracts or certificates of participation  
48 contained in section 109-b of the general municipal law, except any  
49 prohibition against using such installment purchase contracts or certifi-  
50 cates of participation for the purposes set forth in this act, shall  
51 apply to installment purchase contracts or certificates of participation  
52 entered into or issued pursuant to the authority of this section of this  
53 act.

54 § 14. (a) Notwithstanding any other provision of any general, special,  
55 or local law or provision of this act to the contrary, any project  
56 undertaken pursuant to this act shall be operated and maintained by the

1 board of education of the city school district in the same manner as  
2 existing school buildings owned by the city are operated and maintained  
3 by such board.

4 (b) Notwithstanding any other provision of any general, special, or  
5 local law to the contrary, any project undertaken pursuant to the  
6 provisions of this act shall be exempt from all taxes (including sales  
7 and use taxes), special assessments, and special ad valorem levies and  
8 from the payment of any and all charges and rents for sewer systems,  
9 both while such project is being constructed and during its use by the  
10 city school district for school purposes.

11 § 15. Nothing in this act shall be construed to exempt a project  
12 undertaken pursuant to this act from the review and approval procedures  
13 applied to such projects by the state department of education when  
14 undertaken by the city school district pursuant to the education law.

15 § 16. (a) Notwithstanding any limitations contained in article 18-A of  
16 the general municipal law, including subdivisions 4, 12 and 13 of  
17 section 854 and section 926 of the general municipal law, a project  
18 undertaken pursuant to this act shall be a "project" within the defi-  
19 nition and for the purposes of subdivision 4 of section 854 of the  
20 general municipal law, which may be financed by the city of Syracuse  
21 industrial development agency or any successor agency thereto. In  
22 connection with the city of Syracuse industrial development agency  
23 financing the costs of any project undertaken pursuant to this act, the  
24 city and the city school district may grant a leasehold or license  
25 interest in the project and school building site constituting such  
26 project to the city of Syracuse industrial development agency. All  
27 contracts involving any such projects shall be awarded by the JSC board  
28 pursuant to the competitive process outlined in section seven of this  
29 act and shall comply with the provisions of section eight of this act.  
30 A project undertaken pursuant to this act may be financed through a  
31 special program agreement with the state of New York municipal bond bank  
32 agency pursuant to the provisions of section 2435-a of the public  
33 authorities law. It shall be the duty of the JSC board, the city school  
34 district and the city to compare the financing available for such  
35 projects through the city of Syracuse industrial development agency with  
36 financing available through the state of New York municipal bond bank  
37 agency, and to employ the financing mechanism that will result in the  
38 lowest cost to the taxpayers of the city and the state. It shall be the  
39 duty of the JSC board, the city school district, the city and the city  
40 of Syracuse industrial development agency to share with the state of New  
41 York municipal bond bank agency any information in their possession that  
42 is required by the state of New York municipal bond bank agency to  
43 determine the cost of financing such projects and to compute the inter-  
44 est rate that would have been applicable to a bond issuance by the state  
45 of New York municipal bond bank agency in the event that financing is  
46 obtained through the city of Syracuse industrial development agency.  
47 Any failure to provide such information within thirty days of receipt of  
48 a request from the state of New York municipal bond bank agency shall be  
49 deemed to be a failure of the city school district to submit the data  
50 needed to compute the apportionment of state building aid, and the  
51 commissioner shall withhold such apportionment until such information is  
52 fully submitted. Upon request of the city school district, the director  
53 of the state of New York municipal bond bank agency shall submit such  
54 reports as the commissioner may require on the financing of such  
55 projects and/or the interest rate that would have been applicable to  
56 such projects if they had been financed through such agency.

1 (b) In the event that the city or city school district shall fail to  
2 make a payment in such amount and by such date as is provided to be made  
3 by such city or city school district under agreements entered into with  
4 the city of Syracuse industrial development agency or any successor  
5 agency thereto pursuant to subdivision (a) of this section, such agency  
6 shall so certify to the state comptroller. Such certificate shall be in  
7 such form as the agency deems desirable, but shall specify the amount by  
8 which such payment shall have been deficient. The state comptroller,  
9 upon receipt of such certificate from the agency, shall withhold such  
10 amount from such city or city school district any state and/or school  
11 aid payable to such city or city school district to the extent of the  
12 amount so stated in such certificate as not having been made, and shall  
13 immediately pay over to the agency the amount so withheld. Any amount so  
14 paid to the agency from such state and/or school aid shall not obligate  
15 the state to make, nor entitle the city or the city school district to  
16 receive, any additional amounts of state and/or school aid. Nothing  
17 contained herein shall be deemed to prevent the state from modifying,  
18 reducing or eliminating any program or programs of state and/or school  
19 aid; nor shall the state be obligated by the terms hereof to maintain  
20 state and/or school aid at any particular level or amount. In the event  
21 that the city or city school district shall fail to make a payment in  
22 such amount and by such date as is provided to be made by such city or  
23 city school district under agreements entered into with the state of New  
24 York municipal bond bank agency pursuant to subdivision (a) of this  
25 section and section 2435-a of the public authorities law, such agency  
26 shall so certify to the state comptroller pursuant to subdivision 4 of  
27 section 2436 of the public authorities law and the state comptroller  
28 shall be authorized to withhold state aid pursuant to such section 2436  
29 and pay it over to such agency.

30 § 17. Clause (a) of subparagraph 5 of paragraph e of subdivision 6 of  
31 section 3602 of the education law, as amended by section 21 of part C of  
32 chapter 57 of the laws of 2004, is amended to read as follows:

33 (a) Calculation of interest rates for the city school districts of the  
34 cities of Buffalo, Rochester, Syracuse and Yonkers. (i) By the first day  
35 of September of the current year, or by the date prescribed by the  
36 commissioner for the two thousand one--two thousand two school year, the  
37 chief fiscal officer of each of the cities of Buffalo, Rochester, Syra-  
38 cuse and Yonkers shall provide to the commissioner an analysis, as  
39 prescribed by the commissioner, of the actual average interest rate  
40 applied to all capital debt incurred by such city related to school  
41 construction purposes during the base year not including debt issued by  
42 the dormitory authority for the benefit of any school district and of  
43 the estimated average interest rate applied to all capital debt to be  
44 incurred by such city related to school construction purposes during the  
45 current year not including debt issued by the dormitory authority for  
46 the benefit of any school district. Such interest rates shall be  
47 expressed as a decimal to five places rounded to the nearest eighth of  
48 one-one hundredth. Except as otherwise provided in [item] items (ii) and  
49 (iii) of this clause, the interest rate of such city applicable to the  
50 base year for the purposes of this subparagraph shall be the actual  
51 average interest rate of such city in the base year, and the estimated  
52 average interest rate shall be tentatively established as the interest  
53 rate of such city applicable to the current year, except that all appor-  
54 tionments of aid payable during the current year based on such estimated  
55 average interest rate shall be recalculated in the following year and  
56 adjusted as appropriate based on the appropriate actual average interest

1 rate then established pursuant to this clause provided, however, that in  
2 any year in which such city has not incurred debt related to serial  
3 bonds or sinking fund bonds as defined in sections 21.00 and 22.10,  
4 respectively, of the local finance law, issued for school construction  
5 purposes, the assumed interest rate calculated pursuant to clause (b) of  
6 this subparagraph shall be tentatively established as the interest rate  
7 of such city applicable to the projects approved by the commissioner in  
8 such year, except that all apportionments of aid payable based on such  
9 interest rate for each such project shall be recalculated following the  
10 submission of a final cost report for such project and adjusted as  
11 appropriate based on the appropriate actual average interest rate appli-  
12 cable to the debt issued to fund such project, and provided further that  
13 where such city has entered into an agreement with the dormitory author-  
14 ity of the state of New York to finance debt related to school  
15 construction that is subject to subparagraph four of this paragraph or  
16 has entered into an agreement with the dormitory authority of the state  
17 of New York for the purpose of financing a school construction project  
18 that is subject to subparagraph three of this paragraph, the interest  
19 rate applicable to the obligations issued by the dormitory authority of  
20 the state of New York for such purpose shall be the interest rate estab-  
21 lished for such city applicable to such debt.

22 (ii) Notwithstanding the provisions of item (i) of this clause, where  
23 such city has entered into an agreement with the state of New York  
24 municipal bond bank agency pursuant to subdivision one of section twen-  
25 ty-four hundred thirty-five-a of the public authorities law and subdivi-  
26 sion (b) of section sixteen of chapter six hundred five of the laws of  
27 two thousand, or an agreement with the Erie county industrial develop-  
28 ment agency for projects described in subdivision (b) of section sixteen  
29 of such chapter six hundred five, to finance debt related to school  
30 renovation, rehabilitation or reconstruction that is subject to subpara-  
31 graph three of this paragraph, the lesser of: (A) the interest rate  
32 actually applicable to the obligations issued by the state of New York  
33 municipal bond bank agency or by the Erie county industrial development  
34 agency for such purpose; or (B) the interest rate that would have been  
35 applicable to bonds issued by the state of New York municipal bond bank  
36 agency if the project had been financed through such agency, as certi-  
37 fied to the commissioner by the executive director of the state of New  
38 York municipal bond bank agency, shall be the interest rate established  
39 for such city applicable to such debt.

40 (iii) Notwithstanding the provisions of item (i) of this clause, where  
41 such city has entered into an agreement with the state of New York  
42 municipal bond bank agency pursuant to subdivision one of section twen-  
43 ty-four hundred thirty-five-a of the public authorities law and subdivi-  
44 sion (a) of section fourteen of the city of Syracuse and the board of  
45 education of the city school district of the city of Syracuse cooper-  
46 ative school reconstruction act, or an agreement with the city of Syra-  
47 cuse industrial development agency for projects authorized pursuant to  
48 the city of Syracuse and the board of education of the city school  
49 district of the city of Syracuse cooperative school reconstruction act,  
50 to finance debt related to school rehabilitation or reconstruction that  
51 is subject to subparagraph three of this paragraph, the lesser of: (A)  
52 the net interest cost as defined by the commissioner, applicable to the  
53 obligations issued by the state of New York municipal bond bank agency  
54 or the city of Syracuse industrial development agency for such purpose;  
55 or (B) such net interest cost, as defined by the commissioner that would  
56 have been applicable to bonds issued by the state of New York municipal

1 bond bank agency if the project had been authorized to be financed and  
2 had been financed through such entity, as certified to the commissioner  
3 by the executive director of the state of New York municipal bond bank  
4 agency shall be the interest rate established for such city applicable  
5 to such debt.

6 § 18. The opening paragraph of subdivision 6 of section 3602 of the  
7 education law, as separately amended by chapter 59 and section 7 of part  
8 A2 of chapter 62 of the laws of 2003, is amended to read as follows:

9 Apportionment for capital outlays and debt service for school building  
10 purposes. Any apportionment to a school district pursuant to this  
11 subdivision shall be based upon base year approved expenditures for  
12 capital outlays incurred prior to July first, two thousand one from its  
13 general fund, capital fund or reserved funds and current year approved  
14 expenditures for debt service, including debt service for refunding bond  
15 issues eligible for an apportionment pursuant to paragraph g of this  
16 subdivision and lease or other annual payments to the New York city  
17 educational construction fund created by article ten of this chapter or  
18 the city of Yonkers educational construction fund created by article  
19 ten-B of this chapter which have been pledged to secure the payment of  
20 bonds, notes or other obligations issued by the fund to finance the  
21 construction, acquisition, reconstruction, rehabilitation or improvement  
22 of the school portion of combined occupancy structures, or for lease or  
23 other annual payments to the New York state urban development corpo-  
24 ration created by chapter one hundred seventy-four of the laws of nine-  
25 teen hundred sixty-eight, pursuant to agreement between such school  
26 district and such corporation relating to the construction, acquisition,  
27 reconstruction, rehabilitation or improvement of any school building, or  
28 for annual payments to the dormitory authority pursuant to any lease,  
29 sublease or other agreement relating to the financing, refinancing,  
30 acquisition, design, construction, reconstruction, rehabilitation,  
31 improvement, furnishing and equipping of, or otherwise provide for  
32 school district capital facilities or school district capital equipment  
33 made under the provisions of section sixteen hundred eighty of the  
34 public authorities law, or for annual payments pursuant to any lease,  
35 sublease or other agreement relating to the financing, refinancing,  
36 acquisition, design, construction, reconstruction, rehabilitation,  
37 improvement, furnishing and equipping of, or otherwise providing for  
38 educational facilities of a city school district under the provisions of  
39 section sixteen of chapter six hundred five of the laws of two thousand,  
40 for annual payments pursuant to any lease, sublease or other agreement  
41 relating to the financing, refinancing, design, reconstruction, rehabil-  
42 itation, improvement, furnishing and equipping of, or otherwise provid-  
43 ing for projects authorized pursuant to the city of Syracuse and the  
44 board of education of the city school district of the city of Syracuse  
45 cooperative school reconstruction act, or for lease, lease-purchase or  
46 other annual payments to another school district or person, partnership  
47 or corporation pursuant to an agreement made under the provisions of  
48 section four hundred three-b, subdivision eight of section twenty-five  
49 hundred three, or subdivision six of section twenty-five hundred fifty-  
50 four of this chapter, provided that the apportionment for such lease or  
51 other annual payments under the provisions of section four hundred  
52 three-b, subdivision eight of section twenty-five hundred three, or  
53 subdivision six of section twenty-five hundred fifty-four of this chap-  
54 ter, other than payments under a lease-purchase agreement or an equiv-  
55 alent agreement, shall be based upon approved expenditures in the  
56 current year. Approved expenditures for capital outlays from a school

1 district's general fund, capital fund or reserved funds that are  
2 incurred on or after July first, two thousand two, and are not aidable  
3 pursuant to subdivision six-f of this section, shall be aidable as debt  
4 service under an assumed amortization established pursuant to paragraphs  
5 e and j of this subdivision. In any such case approved expenditures  
6 shall be only for new construction, reconstruction, purchase of existing  
7 structures, for site purchase and improvement, for new garages, for  
8 original equipment, furnishings, machinery, or apparatus, and for  
9 professional fees and other costs incidental to such construction or  
10 reconstruction, or purchase of existing structures. In the case of a  
11 lease or lease-purchase agreement entered pursuant to section four  
12 hundred three-b, subdivision eight of section twenty-five hundred three  
13 or subdivision six of section twenty-five hundred fifty-four of this  
14 chapter, approved expenditures for the lease or other annual payments  
15 shall not include the costs of heat, electricity, water or other utili-  
16 ties or the costs of operation or maintenance of the leased facility. An  
17 apportionment shall be available pursuant to this subdivision for  
18 construction, reconstruction, rehabilitation or improvement in a build-  
19 ing, or portion thereof, being leased by a school district only if the  
20 lease is for a term of at least ten years subsequent to the date of the  
21 general construction contract for such construction, reconstruction,  
22 rehabilitation or improvement. Each school district shall prepare a five  
23 year capital facilities plan, pursuant to regulations developed by the  
24 commissioner for such purpose, provided that in the case of a city  
25 school district in a city having a population of one million inhabitants  
26 or more, such facilities plan shall comply with the provisions of  
27 section twenty-five hundred ninety-p of this chapter and this subdivi-  
28 sion. Such plan shall include, but not be limited to, a building inven-  
29 tory, and estimated expense of facility needs, for new construction,  
30 additions, alterations, reconstruction, major repairs, energy consump-  
31 tion and maintenance by school building, as appropriate. Such five year  
32 plan shall include a priority ranking of projects and shall be amended  
33 if necessary to reflect subsequent on-site evaluations of facilities  
34 conducted by state supported contractors.

35 § 19. On January 15, 2007 and annually thereafter, until completion of  
36 the seven projects authorized pursuant to this act, the JSC board shall  
37 issue a report to the governor, the comptroller, the commissioner, the

43 such terms, provisions and conditions as, in the judgment of the agency,  
44 shall be necessary or desirable. Each special program agreement shall

48 appropriation by the appropriate legislative body of such special  
49 program municipality, to make payments to the agency in the amounts and  
50 at the times determined by the agency to be necessary to provide for  
51 payment of such issue of special program bonds and such other fees,

city of Syracuse industrial development agency to share with the state of New York municipal bond bank agency any information in their possession that is required by the state of New York municipal bond bank agency to determine the cost of financing such projects and to compute the interest rate that would have been applicable to a bond issuance by the state of New York municipal bond bank agency in the event that financing is obtained through the city of Syracuse industrial development agency. Any failure to provide such information within thirty days of receipt of a request from the state of New York municipal bond bank agency shall be deemed to be a failure of the city school district to submit the data needed to compute the apportionment of state building aid, and the commissioner shall withhold such apportionment until such information is fully submitted. Upon request of the city school district, the director of the state of New York municipal bond bank agency shall submit such reports as the commissioner may require on the financing of such projects and/or the interest rate that would have been applicable to such projects if they had been financed through such agency.

**THIS LICENSE AGREEMENT** dated as of March 1, 2008 (the "*License Agreement*") by and among **CITY OF SYRACUSE**, a municipal corporation of the State of New York (the "*City*"), having its principal office at City Hall, 233 East Washington Street, Syracuse, New York 13202, **CITY SCHOOL DISTRICT OF THE CITY OF SYRACUSE**, a school district of the State of New York, acting by and through its Board of Education ("*SCSD*"), having its principal office at 725 Harrison Street, Syracuse, New York 13210, collectively as licensor, and **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York (the "*Agency*"), having an office for the transaction of business located at 233 East Washington Street, Syracuse, New York 13202, as licensee.

### WITNESSETH:

**WHEREAS**, the New York State Industrial Development Agency Act, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "*Enabling Act*") authorizes and provides for the creation of industrial development agencies in the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and furnish land, any building or other improvement, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial or industrial purposes to the end that such agencies may be able to promote, develop, encourage, assist and advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York (the "*State*") and to improve their prosperity and standard of living; and

**WHEREAS**, pursuant to and in accordance with the provisions of the Enabling Act, the Agency was established by Chapter 641 of the 1979 Laws of New York, as amended (together with the Enabling Act, the "*IDA Act*"), for the benefit of City and the inhabitants thereof; and

**WHEREAS**, the Legislature of the State has determined that many of the schools of the City are in need of substantial rehabilitation and reconstruction in order to improve the quality of education in the City; and

**WHEREAS**, the Legislature has further determined that proper educational facilities are necessary to provide a trained work force for commerce and industry in the City and thereby promote economically sound commerce and industry for the benefit of the City and its inhabitants; and

**WHEREAS**, pursuant to Chapter 5 Part A-4 of the Laws of 2006 of the State (the "*Syracuse Schools Act*"), "projects" (as defined in the Syracuse Schools Act) undertaken pursuant to the Syracuse Schools Act have been determined to be a qualified "project" under the IDA Act, which the Agency may finance, lease or license; and

**WHEREAS**, to accomplish the purposes of the IDA Act, the Agency has entered into negotiations and has received a proper application from Syracuse Joint Schools Construction Board (the "*JSCB*"), acting on behalf of the SCSD and the City, for the projects to be undertaken pursuant to the Comprehensive Syracuse District-Wide Reconstruction Master Plan of the SCSD's public schools (the "*Program*"), to induce the Agency to commence with the financing of the design, rehabilitation and/or reconstruction of certain existing public schools (including additions to an existing public school building and construction or reconstruction of athletic fields, playgrounds and other recreational facilities for such existing school building and/or the acquisition and installation of all equipment necessary and attendant to and for the use of such existing school building) of the City and the SCSD located within the City (collectively, the "*Facilities*"), at the sites listed in Exhibit A attached hereto and made a part hereof; and

**WHEREAS**, the Agency has determined that the financing of a portion of the costs of the Program will assist the SCSD and the City in improving the quality of education in the City and thereby effectuate its public purposes for the benefit of the inhabitants of the City; and

**WHEREAS**, as a result of such negotiations, the City and the SCSD have requested the Agency to issue its revenue bonds from time to time in one or more series through multiple indentures of trust in an aggregate principal amount not to exceed \$180,000,000 to effect such financing; and

**WHEREAS**, pursuant to the Syracuse Schools Act, in connection with the Agency financing of the costs of a "project" as defined in and undertaken pursuant to the Syracuse Schools Act, the City and SCSD may grant a leasehold or license interest in an existing school building and existing school building site comprising a Project; and

**WHEREAS**, the Agency adopted an inducement resolution on March 4, 2008 (the "*Inducement Resolution*") and a bond resolution on March 4, 2008, as amended by resolution adopted March 10, 2008 (as amended, the "*Bond Resolution*" and together with the Inducement Resolution, the "*Resolution*"), authorizing the issuance of its revenue bonds to effect the financing of a portion of the cost of the Program, the acceptance of a license and bill of sale in and to the Facilities by the Agency from the City and the SCSD, the appointment of the JSCB as agent of the Agency for purposes of completing the Facilities and the sale of such interests pursuant to an Installment Sale Agreement (Series 2008 Project) dated as of even date herewith (as the same may be amended or supplemented, the "*Installment Sale Agreement*"), among the Agency, the City, the SCSD and the JSCB; and

**WHEREAS**, in order to finance a portion of the costs of the design, rehabilitation, reconstruction and equipping of the Facilities in furtherance of the Program and for incidental and related costs and to provide funds to pay the costs and expenses of the issuance of the Series 2008A Bonds described herein and fund capitalized interest and a debt service reserve fund, the Agency has authorized the issuance of its School Facility Revenue Bonds (Syracuse City School District Project), Series 2008A in the aggregate principal amount of \$49,230,000 (the "*Series 2008A Bonds*"), pursuant to the IDA Act, the Syracuse Schools Act, the Resolution and an Indenture of Trust (Series 2008 Project), dated as of even date herewith (as the same may be amended or supplemented, the "*Indenture*"), between the Agency and Manufacturers and Traders Trust Company, as trustee (the "*Trustee*"); and

**WHEREAS**, for the purpose of undertaking and completing a Project, the Agency proposes to acquire from the City and SCSD the right to enter upon the existing school building and land comprising the existing school building site (as more fully described in Exhibit A attached hereto) (collectively the "*Premises*") pursuant to this License Agreement; and

**WHEREAS**, all events, conditions and actions necessary and required by the laws of the State of New York in connection with or which are conditions precedent to the due authorization, execution and delivery of this License Agreement have happened, occurred and been taken by the Agency, the City, the SCSD and the JSCB;

**NOW, THEREFORE**, in consideration of the premises and the respective representations and agreements hereinafter contained, the parties hereto agree as follows:

**SECTION 1. LICENSE TO COMPLETE PROJECT.** The City and the SCSD hereby grant to the Agency a non-exclusive license to enter upon the Premises for the purpose of undertaking and completing the Project, to have and to hold the same unto the Agency and its assigns from the date of the execution and delivery hereof until the completion date of the Series 2008 Project (as defined in the Indenture), as more particularly described in Section 2.3 of the Installment Sale Agreement.

**SECTION 2. LIMITED LIABILITY.**

(A) The obligations and agreements of the Agency contained herein and in any other instrument or document executed in connection herewith and any instrument or document supplemental hereto shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the JSCB) or employee of the Agency in his individual capacity, and the members, officers, agents (other than the JSCB) and employees of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby.

(C) No order or decree of specific performance with respect to any of the obligations of the Agency hereunder shall be sought or enforced against the Agency unless (1) the party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order of decree of specific performance, and ten days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request, (or if compliance therewith would reasonably be expected to take longer than ten days, shall

have failed to institute and diligently pursue action to cause compliance with such request) or failed to respond within such notice period, (2) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses and (3) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents (other than the JSCB) or employees shall be subject to potential liability, the party seeking such order or decree shall (a) agree to indemnify and hold harmless the Agency and its members, officers, agents (other than the JSCB) and employees against any liability incurred as a result of its compliance with such demand, and (b) if requested by the Agency shall furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents (other than the JSCB) and employees against all liability expected to be incurred as a result of compliance with such request.

All contractors, materialmen, vendors, suppliers and other companies, firms or persons furnishing labor, services, equipment, furnishings or materials for or in connection with the work with respect to a Facility shall be designated by the JSCB, either on its own or as agent for the Agency.

(d) In order to accomplish the purposes of the Agency, and to assure the effectuation of the Series 2008 Project in conformity with the Plans and Specifications, the School Parties have undertaken to proceed with the design of the Central Tech Project, all either on their own or, in the case of the JSCB, as agent for the Agency.

(e) As between the Agency on the one hand, and the School Parties on the other hand, the School Parties shall pay (i) all of the costs and expenses in connection with the preparation of any instruments of conveyance and transfer of an interest in the Facilities to the Agency pursuant to the License and Bill of Sale to Agency, the delivery of any instruments and documents and their filing and recording, if required, (ii) all taxes and charges payable, if any, in connection with such conveyance and transfer, or attributable to periods prior to such conveyance and transfer, and (iii) all expenses or claims incurred in connection with the Series 2008 Project and not funded from the proceeds of sale of the Series 2008A Bonds (or any Series of Additional Bonds).

(f) None of the School Parties will terminate the Intermunicipal Agreement or be excused from performing its obligations thereunder for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use of all or any part of any of the Facilities, or the failure of the Agency to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Agreement. The City and the SCSD covenant and agree to continue the Intermunicipal Agreement for its entire term and such additional terms as shall be required to complete the Series 2008 Project. The City and SCSD acknowledge that pursuant to the Syracuse Schools Act, all contracts, agreements and obligations of the JSCB are entered into and made on behalf of the City and the SCSD and in the event that the JSCB shall cease to exist for any reason whatsoever during the term of this Agreement, this Agreement, the Program Manager Agreement and any other contract, agreement or obligation of the JSCB relating to the Facilities shall remain in full force and effect and the City and SCSD shall stand jointly in the place and stead of the JSCB thereunder.

(g) The JSCB covenants that, at all times as it shall be effecting the work of the Series 2008 Project, it will comply with all laws, acts, rules, regulations, permits, orders and requirements lawfully made, of any Federal, State, legislative, executive, administrative or judicial body, commission or office exercising any power of regulation or supervision over such work or over the manner of construction or operation thereof and with the conditions and requirements of all policies of liability insurance as provided in Section 5.5 of this Agreement. Upon completion of the work with respect to a Facility, the JSCB will promptly obtain or cause to be obtained all required occupancy and operation permits, authorizations and licenses from

appropriate authorities, if any be required, authorizing the occupancy, operation and use of such Facility for the purposes contemplated by this Agreement and shall furnish copies of same to the Trustee immediately upon receipt thereof.

(h) The JSCB further covenants that all contracts entered into by the JSCB for the Series 2008 Project in connection with the design, construction, rehabilitation, reconstruction and/or equipping of a Facility shall (i) be made in accordance with applicable law, including, but not limited to, the Syracuse Schools Act; (ii) contain a provision that the design and construction standards therefor shall be subject to the review and approval of the New York State Education Department; and (iii) contain a provision that the contractor shall furnish a labor and material bond guaranteeing prompt payment of moneys that are due to all persons furnishing labor or materials pursuant to the related contract and a performance bond, complying with New York General Municipal Law § 103-f.

(i) The JSCB covenants to cause its contractors, architects, consultants and others with whom it contracts with respect to the design, construction, rehabilitation, reconstruction, and/or equipping of a Facility, to provide liability insurance coverage against all forms of risk which are appropriate, including general and professional liability insurance normally associated with the type and nature of the service, product or combination thereof, contracted to be provided by such contractors, architects, consultants and others, and to name the Agency as an additional insured as its interest may appear. The JSCB shall promptly deliver to the Agency appropriate certificates of insurance evidencing the amount and scope of all liability insurance provided by each contractor, architect, consultant or other person pursuant to a contract with the JSCB with respect to the design, construction, rehabilitation, reconstruction, equipping, operation, maintenance and/or repair or otherwise providing work with respect to a Facility.

(j) Upon the completion or abandonment by the JSCB of the Series 2008 Project or any portion thereof, the JSCB shall deliver a certificate of an Authorized Representative of the JSCB to the Agency and the Trustee to such effect.

(k) The City agrees to keep and make open to public inspection copies of all payment and performance bonds required by the Syracuse Schools Act and Section 3.1(h) hereof.

### **Section 3.2. Project Fund.**

(a) The Agency has in the Indenture authorized and directed the Trustee to make payments from the Project Fund from time to time to pay the cost of the construction, rehabilitation, reconstruction, and/or equipping of a Facility upon receipt of a requisition signed by an Authorized Representative of the JSCB, in the form set forth in the Indenture, *provided, however*, that for so long as an Event of Default shall exist, no such requisition shall be honored without the prior written consent of the Series 2008A Bond Insurer.

(b) The date of completion of the work for a Facility shall be evidenced to the Agency and the Trustee by a certificate of the JSCB executed by an Authorized Representative of the JSCB stating, except for any costs not then due and payable or the liability for payment of

which is being contested or disputed in good faith by the JSCB (i) the date of completion of such work; (ii) that the related Facility has been completed substantially in accordance with the Plans and Specifications and all labor, services, Equipment, materials and supplies used therefor have been paid for; (iii) that all other facilities necessary in connection with such Facility have been completed and all costs and expenses incurred in connection therewith have been paid; (iv) that all property of such Facility is subject to this Agreement; (v) that, in accordance with all applicable laws, regulations, ordinances and guidelines, such Facility has been made ready for occupancy, use and operation for its intended purposes; (vi) the amount, if any, required in his opinion for the payment of any remaining part of the costs with respect to such Facility; and (vii) the amount of the proceeds of the Series 2008A Bonds, including the investment earnings thereon, expended with respect to such Facility. The foregoing certificate shall be accompanied by a certificate executed by an Authorized Representative of the City certifying as to the determination of the Rebate Amount as provided in the Tax Compliance Documents and the Indenture. Notwithstanding the foregoing, such certificate shall state (x) that it is given without prejudice to any rights of the Agency, the Trustee or the School Parties against third parties which exist at the date of such certificate or which may subsequently come into being, (y) that it is given only for the purposes of this Section and Section 5.2 of the Indenture, and (z) that no Person other than the Agency and the Trustee may benefit therefrom. Such certificate of the Authorized Representative of the JSCB shall be accompanied by (i) a temporary or permanent certificate of occupancy and any and all permissions, approvals, licenses or consents required of governmental authorities for the occupancy, operation and use of the completed Facility for the purposes contemplated by this Agreement and the Syracuse Schools Act; (ii) a certificate of the JSCB executed by an Authorized Representative of the JSCB that all costs of the completed Facility have been paid in full, together with releases of mechanics' liens by all contractors and materialmen who supplied work, labor, services, machinery, equipment, materials or supplies in connection with such Facility (or, to the extent that any such costs shall be the subject of a bona fide dispute in excess of \$100,000, evidence to the Trustee that such costs have been appropriately bonded or that the JSCB shall have or caused to be posted a surety or security at least equal to the amount of such costs); and (iii) such additional documentation, if any, as required by the Indenture. Upon a determination by the JSCB that the amount on deposit in the Account in the Project Fund established with respect to the Central Tech Project and the Design Phase is sufficient to pay all remaining Project Costs thereof, the JSCB shall deliver to the Trustee a Project Fund Sufficiency Certificate (as defined in the Indenture) signed by an Authorized Representative of the JSCB.

**Section 3.3. Cooperation in Furnishing Documents.** The JSCB agrees to furnish to the Trustee any documents that are required to effect payments out of the Project Fund in accordance with Section 3.2 hereof. Such obligation is subject to any provisions of the Indenture requiring additional documentation with respect to such payments and shall not extend beyond the moneys in the Project Fund available for payment under the terms of the Indenture.

**Section 3.4. Default in Contractors' Performance.** In the event of default of any contractor or subcontractor under any contract made in connection with a particular Facility or Facilities, each School Party will exhaust its remedies against the contractor or subcontractor so in default and against each surety for the performance of such contractor. Any amounts recovered by way of damages, refunds, adjustments or otherwise in connection with the foregoing shall be paid into the Project Fund.

**Section 3.5. Issuance of Bonds.** Contemporaneously with the execution and delivery of this Agreement, the Agency will sell and deliver the Series 2008A Bonds in the aggregate principal amount of \$49,230,000 under and pursuant to a resolution adopted by the Agency on March 4, 2008, authorizing the issuance of the Series 2008A Bonds under and pursuant to the Indenture for the purpose of financing Project Costs of the Central Tech Project and the Design Phase. After the Closing Date, it is contemplated that Additional Bonds will be issued to finance the remaining Project Costs of the Series 2008 Project and for the other purposes set forth in Section 2.7 of the Indenture. It is contemplated that, thereafter, additional Series of Project Bonds may be issued from time to time pursuant to separate Series Indentures to finance the costs of construction, rehabilitation, reconstruction, and/or equipping of Additional Facilities pursuant to Phases II through IV of the Program. That portion of the proceeds of sale of the Bonds deposited in the Project Fund shall be applied to the payment of Project Costs in accordance with the provisions of the Indenture.

**Section 3.6. [Reserved].**

**Section 3.7. Expenses Chargeable to the JSCB.** As between the Agency on the one hand, and the School Parties on the other hand, the School Parties shall pay or cause to be paid all expenses or other costs incurred in connection with the Series 2008 Project, including, but not limited to:

- (a) all charges incurred in connection with the preparation, delivery, filing, recording (if required) or effectuation of any instruments of conveyance or transfer required by this Agreement, the License, Bill of Sale to Agency, the Program Manager Agreement, the Construction Contracts, the Indenture or any other Project Document;
- (b) any closing costs or costs relating to issuance of a Series of Bonds other than those costs referenced in paragraph (i) above;
- (c) all lawful claims which might or could if unpaid become a lien or charge on any of the Facilities;
- (d) all pre-closing and post-closing taxes, assessments or other governmental or utility charges or impositions relating to any of the Facilities;
- (e) the Agency's administrative fee;
- (f) any legal fees or expenses incurred by the Agency or the Trustee in connection with the foregoing items of costs related to the issuance of a Series of Bonds;
- (g) the State bond issuance charge; and
- (h) any other costs incurred by the Agency in carrying out the Series 2008 Project.

**Section 3.8. Additional Facilities.** The Agency and the School Parties recognize that, under the provisions of and subject to the conditions set forth in the related Series Indenture, one or more Series of Additional Bonds or additional Series of Project Bonds may be issued from

time to time pursuant to separate Series Indentures to finance the costs of the construction, rehabilitation, reconstruction, and/or equipping of Additional Facilities or one or more Facilities included in the Design Phase.

**Section 3.9. Use of Series 2008A Bond Proceeds.** The School Parties shall use, or permit or suffer to be used, the proceeds of the Series 2008A Bonds only for the purposes and costs permitted therefor under this Agreement, the Indenture and the Tax Compliance Documents.

**Section 3.10. No Warranty of Condition or Suitability.** THE AGENCY MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, FITNESS, DESIGN, OPERATION OR WORKMANSHIP OF ANY PART OF ANY OF THE FACILITIES, THEIR FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OR CAPACITY OF THE MATERIALS IN THE FACILITIES, OR THE SUITABILITY OF ANY OF THE FACILITIES FOR THE PURPOSES OR NEEDS OF THE SCHOOL PARTIES OR THE EXTENT TO WHICH PROCEEDS DERIVED FROM THE SALE OF THE SERIES 2008A BONDS WILL BE SUFFICIENT TO PAY THE COSTS OF THE SERIES 2008 PROJECT AND COMPLETE THE SERIES 2008 PROJECT. EACH SCHOOL PARTY IS SATISFIED THAT EACH OF THE FACILITIES IS SUITABLE AND FIT FOR ITS PURPOSES. THE AGENCY SHALL NOT BE LIABLE IN ANY MANNER WHATSOEVER TO A SCHOOL PARTY OR ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR EXPENSE OF ANY KIND OR NATURE CAUSED, DIRECTLY OR INDIRECTLY, BY THE PROPERTY OF ANY OF THE FACILITIES OR THE USE OR MAINTENANCE THEREOF OR THE FAILURE OF OPERATION THEREOF, OR THE REPAIR, SERVICE OR ADJUSTMENT THEREOF, OR BY ANY DELAY OR FAILURE TO PROVIDE ANY SUCH MAINTENANCE, REPAIRS, SERVICE OR ADJUSTMENT, OR BY ANY INTERRUPTION OF SERVICE OR LOSS OF USE THEREOF OR FOR ANY LOSS OF BUSINESS HOWSOEVER CAUSED.

## ARTICLE IV

### INSTALLMENT PURCHASE PAYMENTS AND OTHER PAYMENTS

#### Section 4.1. Payment of Installment Purchase Payments.

(a) Subject to Section 4.4 hereof, the City and the SCSD agree to pay or cause to be paid, the Base Installment Purchase Payments for the Facilities in the amounts as set forth in Schedule A attached hereto. Base Installment Purchase Payments must be deposited by or on behalf of the City and the SCSD, as provided in the State Aid Depository Agreement, with the Trustee by no later than each Base Installment Purchase Payment Date; *provided, however*, that there shall be credited against any Base Installment Purchase Payments any amounts available for such purpose and on deposit in the Bond Fund, including any amounts deposited to the Bond Fund pursuant to Section 5.4 of the Indenture and any amounts deposited to the Bond Fund pursuant to Section 4.1(a) of the Indenture and any Scheduled Debt Service Reserve Fund Earnings to the extent any such Scheduled Debt Service Reserve Fund Earnings shall not first be required when received to be deposited in any Account of the Project Fund or to satisfy any deficiency in the Debt Service Reserve Fund as required by Section 5.5 of the Indenture (such net amount being the “*Net Base Facilities Agreement Payment*”); provided, however, that upon receipt by the City and the SCSD of written notice from the Trustee that the Scheduled Debt Service Reserve Fund Earnings were not received in whole or in part, the City and the SCSD shall immediately pay to the Trustee, subject to Section 4.4 hereof, an amount equal to the deficiency (the City and the SCSD hereby acknowledging that such payment obligation is subject to the intercept provisions of the Syracuse Schools Act).

(b) Upon receipt by the City and the SCSD of notice from the Trustee pursuant to the Indenture that the amount on deposit in the Debt Service Reserve Fund (including any amounts deposited to the Debt Service Reserve Fund pursuant to Section 5.4 of the Indenture) shall be less than the Debt Service Reserve Requirement or upon receipt of notice that the provider of a Reserve Fund Credit Facility is owed any amounts in connection with a draw on such Reserve Account Credit Facility, the City and the SCSD shall immediately pay to the Trustee, subject to Section 4.4 hereof, for deposit in the Debt Service Reserve Fund, an amount equal to the deficiency or the amount so owed the provider of such Reserve Fund Credit Facility.

(c) The City and SCSD (at the direction of an Authorized Representative of the City) shall have the option to make from time to time prepayments in part of payments due as aforesaid of Base Installment Purchase Payments, together with interest accrued and to accrue and premium, if any, to be paid on a Series of Bonds, if, but only if, such prepayment is to be used for the redemption or defeasance of such Series of Bonds. The Trustee shall apply such prepayments in such manner consistent with the provisions of the Indenture as may be specified in writing by an Authorized Representative of the City at the time of making such prepayment. Upon any such prepayment, the Trustee shall, if necessary, recalculate the schedule of Base Installment Purchase Payments set forth in Schedule A attached hereto in accordance with the Indenture and deliver a revised schedule to the City, the SCSD and the Agency, and such revised schedule shall be deemed to replace the then-existing Schedule A attached hereto.

**Section 4.2. Direction as to Payment of Installment Purchase Payments.** Base Installment Purchase Payments shall be paid to the Trustee for credit to the Bond Fund and Reserve Payments shall be paid to the Trustee for deposit to the Debt Service Reserve Fund to the extent of any deficiency therein.

**Section 4.3. Indemnification of the Agency and Trustee and Limitation on Liability.**

(a) The SCSD shall, to the maximum extent permitted by law, at all times protect, defend and hold the Agency, the Trustee, the Bond Registrar, the Paying Agents and the Depository Bank and their respective officers, members, directors, employees and agents (collectively, the "*Indemnified Parties*") harmless of, from and against any and all claims (whether in tort, contract or otherwise), demands, expenses and liabilities for losses, damage, injury and liability of every kind and nature and however caused, and taxes (of any kind and by whomsoever imposed), other than, with respect to any Indemnified Party, losses arising from the gross negligence or willful misconduct of such Indemnified Party, arising upon or about any of the Facilities or resulting from, arising out of, or in any way connected with (i) the financing of the costs of the Series 2008 Project and the marketing, remarketing, issuance and sale of the Bonds from time to time for such purpose, (ii) the planning, design, acquisition, site preparation, construction, rehabilitation, equipping, or financing of the Facilities or any part of any thereof or the effecting of any work done in or about any of the Facilities, (iii) title to any Facility or any defects (whether latent or patent) in any of the Facilities, (iv) the maintenance, repair, replacement, restoration, rebuilding, upkeep, use, occupancy, ownership, leasing, subletting or operation of any of the Facilities or any portion thereof, or (v) this Agreement, the Indenture or any other Project Document or other document or instrument delivered in connection herewith or therewith or the enforcement of any of the terms or provisions hereof or thereof or the transactions contemplated hereby or thereby. Such indemnification set forth above shall be binding upon the SCSD for any and all claims, demands, expenses, liabilities and taxes set forth herein and shall survive the termination of this Agreement. Except as provided above, no Indemnified Party shall be liable for any damage or injury to the person or property of any School Party or its officials, members, directors, officers, employees, agents or servants or persons under the control or supervision of any School Party or any other Person who may be about any of the Facilities, due to any act or negligence of any Person other than for the gross negligence or willful misconduct of such Indemnified Party.

(b) Each School Party hereby releases each Indemnified Party from, and agrees, to the maximum extent permitted by law, that no Indemnified Party shall be liable for and the SCSD agrees to defend, indemnify and hold each Indemnified Party harmless against any expense, loss, damage, injury or liability incurred because of any lawsuit commenced as a result of action taken by such Indemnified Party with respect to any of the matters set forth in subdivision (i) through (v) of Section 4.3(a) hereof or at the direction of any School Party with respect to any of such matters above referred to; *provided, however*, that such indemnification by the SCSD shall not extend to any Indemnified Party whose gross negligence or willful misconduct resulted in such expense, loss, damage, injury or liability. An Indemnified Party shall promptly notify the SCSD in writing of any claim or action brought against such Indemnified Party in which indemnity may be sought against the SCSD pursuant to this Section 4.3; such notice shall be given in sufficient time to allow the SCSD to defend or

participate in such claim or action, but the failure to give such notice in sufficient time shall not constitute a defense hereunder nor in any way impair the obligations of the SCSD under this Section 4.3, except that if (i) the Indemnified Party shall have had knowledge or notice of such claim or action but shall not have timely notified the SCSD of any such claim or action, (ii) the SCSD shall have had no knowledge or notice of such claim or action, and (iii) the SCSD's ability to defend or participate in such claim or action is materially impaired by reason of not having received timely notice thereof from the Indemnified Party, then the SCSD's obligation to so defend and indemnify such Indemnified Party shall be qualified to the extent (and only to the extent) of such material impairment.

(c) The indemnifications and protections set forth in this Section 4.3 shall be extended, with respect to each Indemnified Party, to its members, directors, officers, employees, agents and servants and persons under its control or supervision.

(d) Anything to the contrary in this Agreement notwithstanding, the covenants of the School Parties contained in this Section 4.3 shall remain in full force and effect after the termination of this Agreement until the later of (i) the expiration of the period stated in the applicable statute of limitations during which a claim or cause of action may be brought and (ii) payment in full or the satisfaction of such claim or cause of action and of all expenses and charges incurred by the Indemnified Party relating to the enforcement of the provisions herein specified.

(e) For the purposes of this Section 4.3, none of the School Parties shall be deemed an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

(f) The obligations of the SCSD to the Indemnified Parties under this Section 4.3 and to the Trustee under Section 4.8 hereof shall survive the resignation or removal of the Trustee and the satisfaction and discharge of the Indenture.

#### **Section 4.4. Nature of Obligations of the City and the SCSD.**

(a) Except as hereinafter provided in this Section 4.4, the obligation of the City and SCSD to pay Installment Purchase Payments and Additional Payments shall be absolute and unconditional, and such Installment Purchase Payments and Additional Payments shall be payable without any rights of set-off, recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction it might otherwise have against the Agency, the Trustee, the Bond Insurer, any purchaser of any Bond or any other person, and whether or not the Facilities or any of them are used or occupied by the School Parties or available for use or occupancy by the School Parties.

(b) The obligation of the City and SCSD to pay Installment Purchase Payments shall be deemed executory only to the extent of State Aid to Education appropriated by the State and available to the City and/or the SCSD for the purpose of this Agreement and the State Aid Depository Agreement, moneys budgeted by the SCSD and appropriated by the City for such purpose and approved by the SCSD of payment thereof after appropriation by the City therefor, and no liability on account thereof shall be incurred by the SCSD or the City beyond the

amount of such moneys; *provided, however*, that the failure of the City and the SCSD for any reason (including a failure by the SCSD to budget for Installment Purchase Payments, a failure by the City to approve a budget for the SCSD providing for payment of Installment Purchase Payments or a failure by the State to appropriate State Aid to Education) to make an Installment Purchase Payment or an Additional Payment shall be deemed a failure to make a payment for purposes of this Agreement and the Syracuse Schools Act, and in such event, the Agency has appointed the Trustee to act as its agent for purposes of taking action under Section 5.4 of the Indenture. Further, the obligation of the SCSD and the City to pay Installment Purchase Payments is not a general obligation of the SCSD or the City. Neither the faith and credit nor the taxing power of the City are pledged to the payment of any Installment Purchase Payment or Additional Payment due under this Agreement. However, the obligations of the SCSD and the City under this Agreement to pay Additional Payments shall be a general obligation of the City and SCSD, executory, however, only to the extent of moneys budgeted by the SCSD and approved and appropriated therefor by the City. It is understood that neither this Agreement nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make moneys available for the purposes of this Agreement.

(c) The obligations of the City and the SCSD under this Agreement, including their respective obligation to pay the Installment Purchase Payments and Additional Payments in any Fiscal Year for which this Agreement is in effect, shall constitute a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness or moral obligation of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State. The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due hereunder shall be moneys comprising State Aid to Education lawfully appropriated by the State and available therefor from time to time to or for the benefit of the SCSD, and approved and appropriated for such purpose by the City.

(d) The SCSD agrees that (i) its proposed expense budget for each ensuing Fiscal Year commencing with the Fiscal Year ending June 30, 2009 shall include, either as a separate item of expenditure or as an expenditure within a budget item, the amount of Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year; and (ii) it shall approve payment of such Installment Purchase Payments and Additional Payments after appropriation by the City therefor. The City agrees that it shall approve a budget for the SCSD containing such item of expenditure or budget item and appropriate sufficient funds each ending Fiscal Year commencing with the Fiscal Year ending June 30, 2009 to make the Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year, *provided, however*, that any such appropriation (y) of Installment Purchase Payments shall only be payable by the City and the SCSD to the extent of State Aid to Education, and (z) of Additional Payments shall only be payable by the City and the SCSD to the extent contained in the SCSD budget approved by the City.

(e) Subject to the limitations contained in Section 4.4(b) hereof, none of the School Parties will terminate this Agreement (other than such termination as is provided for hereunder) or be excused from performing its obligations hereunder for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use

of all or any part of any of the Facilities, or the failure of the Agency to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Agreement.

(f) The School Parties presently intend to continue this Agreement for its entire term, and the City and the SCSD presently intend to pay all Base Installment Purchase Payments specified in Schedule A as such Base Installment Purchase Payments come due under the terms and provisions of this Agreement.

(g) No provision contained in this Section 4.4 shall be deemed to limit, impair or modify the intercept provisions of the Syracuse Schools Act or the application of the provisions of Section 5.4 of the Indenture.

(h) For purposes of this Section 4.4, references to the "approval" of the SCSD budget by the City shall include the affirmative approval of the SCSD budget by ordinance of the City's Common Council approved by the Mayor of the City or, in the absence of such an ordinance, the effectiveness by the passage of time of an SCSD budget pursuant to the charter of the City.

#### **Section 4.5. Directed State Aid Revenues.**

(a) Pursuant to instructions, the Commissioner of Finance of the City and the President of the Board of Education have directed the State Comptroller's Office to deposit all State Aid to Education into the State Aid Depository Fund established under the State Aid Depository Agreement, and the Commissioner of Finance of the City and the President of the Board of Education have further instructed the Depository Bank, pursuant to the terms and provisions of the State Aid Depository Agreement, to transfer State Aid to Education to the Trustee and each other Series Trustee in accordance with the State Aid Depository Agreement for the purpose of, in the case of the Indenture, making deposits in the Bond Fund with respect to amounts due on the Bonds and for replenishing deficiencies in the Debt Service Reserve Fund. The City and the SCSD agree not to modify the procedures set forth in the State Aid Depository Agreement for the collection, deposit or disbursement of State Aid to Education, except as and to the extent permitted under the State Aid Depository Agreement.

(b) Each of the City and the SCSD acknowledge that, pursuant to Section 5.4 of the Indenture (and the Syracuse Schools Act), in the event of a failure to make a payment under this Agreement in the amount and by the date the same is due (for any reason, including the failure of the SCSD or the City to budget and appropriate moneys for such purpose and approve payment thereof with moneys appropriated therefor), the Agency has appointed the Trustee to act as its agent under the Indenture for the purpose of delivering a certificate to the State Comptroller certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall be authorized to withhold from the City and the SCSD state and/or school aid as is payable to the City and/or the SCSD to the extent of the amount so stated in such certificate of the Trustee as not having been made, and the State Comptroller shall immediately pay over to the Trustee on behalf of the Agency, the amount of such state and/or school aid so withheld. Notwithstanding anything to the contrary contained herein, amounts of such state and/or school aid received by the Trustee on behalf of the Agency

and applied to the Installment Purchase Payments or Additional Payments shall be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received.

**Section 4.6. Assignment of Installment Purchase Payments by the Agency.** It is understood that this Agreement and all Installment Purchase Payments by the City and the SCSD hereunder (except Additional Payments pursuant to Sections 4.3 and 4.8 hereof and other Additional Payments and/or rights comprising the Reserved Rights) are to be pledged and assigned by the Agency to the Trustee pursuant to the Indenture, and the City and the SCSD hereby consent thereto. Except as provided in this Section 4.6 and the Indenture, the Agency shall not assign this Agreement or any Installment Purchase Payments hereunder.

**Section 4.7. [Reserved].**

**Section 4.8. Compensation and Expenses of Trustee, Depository Bank, Bond Insurer, Bond Registrar, Paying Agents and Agency.** The City and the SCSD shall, to the extent not paid out of the proceeds of the Bonds as financing expenses, pay the following annual fees, charges and expenses and other amounts: (1) the initial and annual fees of the Trustee for the ordinary services of the Trustee rendered and its ordinary expenses incurred under the Indenture, including the fees and expenses of any accountant or other agent engaged by the Trustee for performing such services, and the fees and expenses as Bond Registrar, and in connection with preparation of new Bonds upon exchanges or transfers or making any investments in accordance with the Indenture, (2) the reasonable fees and charges of the Trustee and any Paying Agents on the Bonds for acting as paying agents as provided in the Indenture, including the reasonable fees of its counsel, (3) the reasonable fees, charges, and expenses of the Trustee for extraordinary services rendered by it under the Indenture, including reasonable counsel fees, (4) the initial and annual fees of the Depository Bank for the ordinary services of the Depository Bank rendered and its ordinary expenses incurred under the State Aid Depository Agreement, and (5) the fees, costs and expenses of the Bond Registrar and the fees, costs and expenses (including legal, accounting and other administrative expenses) of the Agency. The City and the SCSD shall further pay the fees, costs and expenses of the Agency together with any reasonable fees and disbursements incurred by the Agency's bond counsel and general counsel in connection with (i) the Projects or this Agreement, including fees and expenses incurred by the Agency after the occurrence and during the continuance of an Event of Default as provided in Section 8.1 of this Agreement, (ii) the negotiation and execution of this Agreement, the Indenture and other Project Documents; and (iii) any waiver, modification or amendment to this Agreement, the Indenture or any other Project Document that may be requested by a School Party or any party thereto, and consented to by the City and the SCSD, or any action by the Agency requested by a School Party thereunder. The City and the SCSD shall further pay to the Agency on the date of issuance of the Series 2008A Bonds and on the date of issuance of any Additional Bonds an amount equal to one-half of one percent (1/2 of 1%) of the principal amount of such Series of Project Bonds.

The City and the SCSD shall pay or reimburse the Bond Insurer for any and all charges, fees, costs and expenses which the Bond Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Security Document; (ii) the pursuit of any remedies under the Indenture or any

Related Security Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, any Project Document whether or not executed or completed, (iv) the violation by the Agency or a School Party of any law, rule or regulation, or any judgment, order or decree applicable to it or (v) any litigation or other dispute in connection with the Indenture or any other Project Document or the transactions contemplated thereby, other than amounts resulting from the failure of the Bond Insurer to honor its obligations under the Bond Insurance Policy. The Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture or any other Project Document.

**Section 4.9. Net Agreement.** This Agreement shall be deemed and construed to be a “net agreement,” and the City and the SCSD shall pay absolutely net during the Agreement Term the Installment Purchase Payments and all other payments required hereunder, free of all deductions, without abatement, diminution and set off.

## ARTICLE V

### **OPERATION AND MAINTENANCE; INSURANCE; DAMAGE; DESTRUCTION AND CONDEMNATION**

**Section 5.1. Operation, Maintenance and Repair.** During the Agreement Term, the SCSD shall be responsible for, and pay all costs of, operating the Facilities, maintaining the same in good and safe condition, and making all necessary repairs and replacements, interior and exterior, structural and non-structural. All replacements, renewals and repairs shall be equal in quality, class and value to the original work and be made and installed in compliance with the requirements of all governmental bodies. The Agency shall be under no obligation to replace, service, test, adjust, erect, maintain or effect replacements, renewals or repairs of any of the Facilities, to effect the replacement of any inadequate, obsolete, worn-out or unsuitable parts of any of the Facilities, or to furnish any utilities or services for any of the Facilities and the SCSD hereby agrees to assume full responsibility therefor.

#### **Section 5.2. Utilities, Taxes and Governmental Charges.**

(a) The SCSD will pay or cause to be paid all charges for water, electricity, light, heat or power, sewage, telephone and other utility service, rendered or supplied upon or in connection with the Facilities during the Agreement Term.

(b) In addition, the SCSD shall (i) pay, or make provision for payment of, all lawful taxes and assessments, including income, profits, property or excise taxes, if any, or other municipal or governmental charges, levied or assessed by any Federal, state or any municipal government upon the Agency, the City or the SCSD with respect to or upon any of the Facilities or any part thereof or upon any payments hereunder when the same shall become due; (ii) duly observe and comply with all valid requirements of any governmental authority relative to the Facilities; (iii) not create or suffer to be created any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon the payments in respect thereof pursuant hereto; and (iv) pay or cause to be discharged or make adequate provision to satisfy and discharge, within sixty (60) days after the same shall come into force, any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon any payments hereunder and all lawful claims or demands for labor, materials, supplies or other charges which, if unpaid, might be or become a lien upon any payments hereunder.

**Section 5.3. Additions, Enlargements and Improvements.** The SCSD shall have the right at any time and from time to time during the Agreement Term, at its own cost and expense, to make such additions, enlargements, improvements and expansions to, or repairs, reconstruction and restorations of, any of the Facilities, as the SCSD shall deem necessary or desirable in connection with the use of such Facilities. All such additions, enlargements, improvements, expansions, repairs, reconstruction and restorations when completed shall be of such character as not to reduce or otherwise adversely affect the value of the related Facility or the rental value thereof. The cost of any such additions, enlargements, improvements, expansions, repairs, reconstruction or restorations shall be promptly paid or discharged so that the affected Facility shall at all times be free of liens for labor and materials supplied thereto.

**Section 5.4. Additional Rights of the SCSD.** The Agency agrees that the SCSD shall have the right, option and privilege of erecting, installing and maintaining at its own cost and expense equipment (not constituting part of the Series 2008 Project) in or upon any Facility as may in the SCSD's judgment be necessary for its purposes. It is further understood and agreed that any equipment erected or installed under the provisions of this Section shall be and remain the personal property of the SCSD and, if not constituting part of the Series 2008 Project, shall not become subject to this Agreement, and may be removed, altered or otherwise changed, upon or before the termination hereof.

**Section 5.5. Liability Insurance.**

(a) The JSCB shall maintain or cause to be maintained with responsible insurers, for the benefit of the Agency and the Trustee until completion of the Series 2008 Project in accordance with Section 3.2(b) hereof, the following kinds and the following amounts of insurance with respect to the Facilities, with such variations as shall reasonably be required to conform to customary insurance practice:

(i) During any period of construction or reconstruction of any of the Facilities, Builders' Special Form Insurance written on "100% builders' risk completed value, non-reporting form" including coverage therein for "completion and/or premises occupancy" and coverage for property damage insurance, all of which insurance shall include coverage for removal of debris, insuring the buildings, structures, facilities, machinery, equipment, fixtures and other property included within reconstruction of any of the Facilities against loss or damage by fire, lightning, vandalism, malicious mischief and other casualties, with standard extended coverage endorsement covering perils of windstorm, hail, explosion, aircraft, vehicles and smoke (except as limited in the standard form of extended coverage endorsement at the time in use in the State) at all times in an amount such that the proceeds of such insurance shall be sufficient to prevent the School Parties, the Agency or the Trustee from becoming a co-insurer of any loss under the insurance policies; any such insurance may limit coverage to \$20,000,000 for any one Facility;

(ii) During any period of construction or reconstruction of any of the Facilities, commercial public liability insurance with respect to the construction activities at the Facilities in a minimum amount of \$26,000,000 per occurrence and aggregate, which insurance may be effected under overall blanket or excess coverage policies, *provided, however*, that at least \$1,000,000 is effected by a comprehensive liability insurance policy; and

(iii) Workers' compensation insurance and such other forms of insurance which the City, the SCSD or the Agency is required by law to provide covering loss resulting from injury, sickness, disability or death of the employees of any contractor or subcontractor performing work with respect to any of the Facilities included within the Series 2008 Project; the JSCB shall require that all said contractors and subcontractors shall maintain all forms or types of insurance with respect to their employees required by law.

(b) Prior to the commencement of construction of the Facilities, the JSCB shall deliver or cause to be delivered to the Agency and to the Trustee duplicate copies of insurance policies obtained by the JSCB hereunder and/or binders evidencing compliance with the insurance requirements of this Section 5.5. If any change shall be made in any such insurance, a description and written notice of such change shall be furnished by the JSCB to the Agency and the Trustee thirty (30) days in advance of such change.

(c) At least thirty (30) days prior to the expiration of any insurance policy required under this Section 5.5, the JSCB shall furnish the Agency and the Trustee with evidence that such policy has been renewed or replaced or is no longer required by this Agreement.

(d) All insurance required by Section 5.5(a) above shall be procured and maintained in financially sound and generally recognized responsible insurance companies authorized to write such insurance in the State. Each of the policies or binders evidencing the insurance required above to be obtained shall:

(i) provide that there shall be no recourse against the Agency or the Trustee for the payment of premiums or commissions or (if such policies or binders provide for the payment thereof) additional premiums or assessments;

(ii) provide that in respect of the interests of the Agency and the Trustee in such policies, the insurance shall not be invalidated by any action or inaction of a School Party or any other Person and shall insure the Agency and the Trustee regardless of, and any losses shall be payable notwithstanding, any such action or inaction;

(iii) provide that such insurance shall be primary insurance without any right of contribution from any other insurance carried by the Agency or the Trustee to the extent that such other insurance provides the Agency or the Trustee with contingent and/or excess liability insurance with respect to its interest as such in the Facilities;

(iv) provide that if the insurers cancel such insurance for any reason whatsoever, including the insured's failure to pay any accrued premium, or the same is allowed to lapse or expire, or there be any reduction in amount, or any material change is made in the coverage, such cancellation, lapse, expiration, reduction or change shall not be effective as to the Agency or the Trustee until at least thirty (30) days after receipt by the Agency and the Trustee of written notice by such insurers of such cancellation, lapse, expiration, reduction or change;

(v) waive any right of subrogation of the insurers thereunder against any Person insured under such policy, and waive any right of the insurers to any setoff or counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of any Person insured under such policy; and

(vi) contain such other terms and provisions as any owner or operator of facilities similar to the Facilities would, in the prudent management of its properties, require to be contained in policies, binders or interim insurance contracts with respect to facilities similar to the Facilities owned or operated by it.

(e) The JSCB shall, at the cost and expense of the SCSD and the City, make all proofs of loss and take all other steps necessary or reasonably requested by the Agency or the Trustee to collect from insurers for any loss covered by any insurance required to be obtained by this Section 5.5. A School Party shall not do any act, or suffer or permit any act to be done, whereby any insurance required by this Section 5.5 would or might be suspended or impaired.

(f) The SCSD hereby assumes all risks that the proceeds of any insurance may be inadequate to fully indemnify the Agency and the Trustee against, or to reimburse the Agency and the Trustee for, any loss, liability, claim or judgment arising out of any risk, peril or insurable loss under the insurance required hereby. The SCSD acknowledges that the SCSD shall be solely responsible for the payment of any loss, liability, claim or judgment, or any portion thereof, falling within any deductible or self insured retention or which is in excess of any available insurance coverage.

#### **Section 5.6. Damage, Destruction or Condemnation.**

(a) The School Parties agree to notify the Agency and the Trustee immediately in the case of damage to or destruction of any Facility or any portion thereof in an amount exceeding \$100,000 resulting from fire or other casualty, and shall state the plans of the School Parties with respect to the repair, reconstruction and restoration of the affected Facility.

(b) If any Facility or portion thereof shall be condemned or taken by eminent domain, this Agreement (with respect to the affected Facility or portion thereof) and the interest of the City and the SCSD hereunder shall terminate when title to such Facility or portion thereof vests in the party condemning or taking the same (hereinafter referred to as the "*termination date*"), and the School Parties will promptly give notice thereof to the Agency and the Trustee, and shall state the plans of the School Parties with respect to the replacement or restoration of the affected Facility.

(c) If any Facility shall be damaged or destroyed (in whole or in part), or the whole or any part of any Facility shall be taken or condemned by a competent authority or by agreement between the City and/or the SCSD and those authorized to exercise such right or if the temporary use of any Facility or any part thereof shall be so taken by condemnation or agreement (a "*Loss Event*") at any time while this Agreement is in effect:

(i) the Agency shall have no obligation to replace, repair, rebuild, restore or relocate the affected Facility; and

(ii) there shall be no abatement or reduction in the amounts payable by the City and the SCSD under this Agreement (whether or not the affected Facility is replaced, repaired, rebuilt, restored or relocated); and

(iii) the proceeds derived from the insurance or any condemnation award (after payment of all reasonable expenses, costs and taxes (including attorneys' fees) (the "*Net Proceeds*") incurred in obtaining such proceeds) shall be deposited in the Project Fund, and, subject to the provisions of Section 5.6(a)(iv) below, at the option of the City, shall be applied to either (A) replace, repair, rebuild, restore or relocate the affected Facility, or

(B) redeem a principal amount of Bonds equal to such proceeds in accordance with the Indenture; and

(iv) If the School Parties replace, repair, rebuild, restore or relocate the affected Facility, the Trustee shall disburse such proceeds from the Project Fund in the manner set forth in Section 5.2 of the Indenture to pay or reimburse the School Parties for the cost of such replacement, repair, rebuilding, restoration or relocation. Notwithstanding anything to the contrary in Section 5.1(a) (iii) hereof, if (A) the aggregate net proceeds derived from insurance with respect to a particular loss are less than \$50,000, and (B) no Event of Default then exists under the Indenture or this Sale Agreement; the School Parties shall be entitled to withdraw such proceeds from the Project Fund for application to Project Costs in accordance herewith and with the Tax Compliance Documents.

(b) Any such replacements, repairs, rebuilding, restorations or relocations shall be subject to the following conditions:

(i) the restored Facility shall be in substantially the same condition and value as an operating entity as existed prior to the damage or destruction;

(ii) the restored Facility shall continue to constitute a "project" as such term is defined in the Syracuse Schools Act, and the tax-exempt status of the interest on the Bonds shall not, in the opinion of Bond Counsel, be adversely affected; and

(iii) the restored Facility will be subject to no Liens other than Permitted Encumbrances.

(c) All such repair, replacement, rebuilding, restoration or relocation of a Facility shall be affected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements and shall be promptly and fully paid for by the School Parties in accordance with the terms of the applicable contracts.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, restoration or relocation, the School Parties shall nonetheless complete the work and pay from their own moneys or from proceeds of Additional Bonds, if any, issued for such purpose that portion of the costs thereof in excess of such proceeds. All such replacements, repairs, rebuilding, restoration or relocations made pursuant to this Section, whether or not requiring the expenditure of the money of the School Parties, shall automatically become a part of a Facility as if the same were specifically described herein.

(e) Any balance of such proceeds remaining in the Project Fund after payment of all costs of replacement, repair, rebuilding, restoration or relocation of an affected Facility shall, subject to any rebate required to be made to the federal government pursuant to the Indenture or the Tax Compliance Documents, be used to redeem the Bonds as provided in the Indenture. If the entire amount of the Bonds and interest thereon has been fully paid, or provision therefor has been made in accordance with the Indenture, all such remaining proceeds shall be paid to the City for the benefit of the SCSD.

Release of Facilities.** Notwithstanding any other provision of this Agreement, so long as there exists no event of default hereunder, nor any event which upon the giving of notice or the passage of time or both, would constitute an event of default, the SCSD may, upon written notice to the Agency and the Trustee and compliance with the following, effect the release of a Facility, to no longer be used by the SCSD as a public school, or the costs with respect to which have been financed with the Bonds which are no longer Outstanding, from this Agreement and the License. Upon receipt of such notice, the Agency and the Trustee shall, at the sole cost and expense of the SCSD, execute and deliver any and all instruments necessary or appropriate to so release and remove such Facility from the Facilities subject to this Agreement and the License; *provided, however*, that in the event the release is of the last remaining Facility, the SCSD and the City must further pay Base Installment Purchase Payments necessary to effect the redemption in whole of the Bonds.

No conveyance or release effected under the provisions of this Section 7.15 shall entitle the SCSD or the City to any abatement or diminution of the Installment Purchase Payments payable under Section 4.1 hereof or the Additional Payments required to be made by the SCSD and the City under this Agreement.

**Section 7.16. No-Default Certificates.**

(a) Each School Party shall deliver to the Agency, the Series 2008A Bond Insurer and the Trustee within one hundred and twenty (120) days after the close of each Fiscal Year, a certificate of an Authorized Representative thereof as to whether or not, as of the close of such preceding Fiscal Year, and at all times during such Fiscal Year, the School Party was in compliance with all the provisions which relate to it in this Agreement and in any other Project Document to which it shall be a party, and if such Authorized Representative shall have obtained knowledge of any default in such compliance or notice of such default, he shall disclose in such certificate such default or defaults or notice thereof and the nature thereof, whether or not the same shall constitute an event of default hereunder, and any action proposed to be taken by the SCSD, the City and/or the JSCB, as applicable, with respect thereto, and, until such time as the Series 2008 Project has been completed and a certificate evidencing the same pursuant to Section 3.2(b) of this Agreement has been delivered to the Agency and the Trustee, a certificate of an Authorized Representative of the JSCB that the insurance it maintains and/or is required to provide complies with the provisions of Section 5.5 of this Agreement, that such insurance has been in full force and effect at all times during the preceding Fiscal Year, and that duplicate copies of all policies or certificates thereof have been filed with the Agency and the Trustee and are in full force and effect. In addition, upon twenty (20) days' prior request by the Agency, the Series 2008A Bond Insurer or the Trustee, each School Party will execute, acknowledge and deliver to the Agency, the Series 2008A Bond Insurer and the Trustee a certificate of an Authorized Representative thereof either stating that to his knowledge no default or breach exists hereunder or specifying each such default or breach of which he has knowledge.

(b) Each School Party shall immediately notify the Agency, the Series 2008A Bond Insurer and the Trustee of the occurrence of any event of default or any event which with

notice and/or lapse of time would constitute an event of default under any Project Document of which it has knowledge. Any notice required to be given pursuant to this subsection shall be signed by an Authorized Representative of the appropriate School Party and set forth a description of the default and the steps, if any, being taken to cure said default. If no steps have been taken, the notice shall state this fact.

**Section 7.17. Further Assurances.** Each School Party will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such further acts, instruments, conveyances, transfers and assurances, at the sole cost and expense of the SCSD and the City, as the Agency or the Trustee deems reasonably necessary or advisable for the implementation, effectuation, correction, confirmation or perfection of this Agreement and any rights of the Agency or the Trustee hereunder, under the Indenture or under any other Project Documents.

**Section 7.18. Recording and Filing.** The Pledge and Assignment and this Agreement as originally executed or a memorandum thereof shall be recorded by the SCSD in the appropriate office of the Clerk of the County, or in such other office as may at the time be provided by law as the proper place for the recordation thereof. The security interest of the Trustee created under the Indenture shall be perfected by the filing of financing statements by the SCSD which fully comply with the New York State Uniform Commercial Code - Secured Transactions in the office of the Secretary of State of the State, in the City of Albany, New York. The City shall file or cause to be filed all necessary continuation statements (and additional financing statements) within the time prescribed by the New York State Uniform Commercial Code - Secured Transactions in order to continue (or attach and perfect) the security interest created by the Indenture, to the end that the rights of the Agency, the Holders of the Bonds and the Trustee in this Agreement, in the Installment Purchase Payments payable under this Agreement and in the Trust Estate, shall be fully preserved as against creditors or purchasers for value from the Agency, the City or the SCSD. The Agency and the Trustee are authorized, if permitted by applicable law, to file one or more Uniform Commercial Code financing statements disclosing any security interest in this Agreement and the Installment Purchase Payments due under this Agreement.

**Section 7.19. Furnishing of Information.** Each School Party shall promptly furnish to the Agency and the Trustee such information, in such form and supported by such certifications as the Agency or the Trustee shall reasonably request, relating to such School Party and the Facilities, and the past, present and future employment by the SCSD at the Facilities.

**Section 7.20. Use of Bond Proceeds.** Each School Party shall use, or permit or suffer to be used, the proceeds of the Bonds only for the purposes and costs permitted therefor under this Agreement, the Indenture and the Tax Compliance Documents.

**Section 7.21. Compliance With Requirements for State Aid to Education and Other State and/or School Aid.** The School Parties will comply with all requirements necessary to ensure receipt of State Aid to Education or other state and/or school aid payable to the City or the SCSD over the term of this Agreement.

**Section 7.22. No Impairment of Pledge of State Aid to Education and Other State and/or School Aid .** Each of the SCSD and the City covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Facilities Agreement, in connection with a Series of Project Bonds under a Series Indenture, which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of state and/or school aid under the Syracuse Schools Act; *provided, however,* that nothing contained in this Agreement shall be deemed (y) to limit or deny the ability of the issuer of a Series of Project Bonds to pledge State Aid to Education on a parity with the pledge effected by the Agency under the Indenture, or (z) to require that any Series of Project Bonds issued under a Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Indenture, or that any lease rental payment dates or installment purchase payment dates, as applicable, under a Series Facilities Agreement be the same as provided for hereunder.

**Section 7.23. Financial and Other Information to the Series 2008A Bond Insurer.** Each of the SCSD and the City agrees, for the benefit of the Series 2008A Bond Insurer, to deliver to the Series 2008A Bond Insurer (w) its annual unaudited financial statements as soon as available, (x) its annual audited financial statements after the end of the Fiscal Year as soon as possible but not later than three hundred sixty (360) days after the end of the Fiscal Year (together with a certification by the City and the SCSD that they are not aware of any default or Event of Default under the Indenture), (y) its annual budget within thirty (30) days after the approval thereof, and (z) such other information, data or reports as the Series 2008A Bond Insurer shall reasonably request from time to time.

## ARTICLE VIII

### EVENTS OF DEFAULT AND REMEDIES

**Section 8.1. Events of Default.** An "event of default" or a "default" shall mean, whenever they are used herein, any one or more of the following events:

(a) Default in the due and punctual payment of any Installment Purchase Payment (other than failure to pay as a result of an Event of Nonappropriation);

(b) Default in the due and punctual payment of any Additional Payment, which default shall continue for a period of thirty (30) days after payment thereof was due;

(c) Failure by any School Party to observe and perform any of the terms and covenants on its part to be observed or performed set forth in Section 4.4(d), 4.4(e), 4.4(f), 7.12 or 7.21 hereof;

(d) Failure of the SCSD to observe and perform the covenants set forth in Section 4.3 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the SCSD of written notice specifying the nature of such default from the Agency or the Trustee;

(e) Failure of the JSCB to observe and perform the covenants set forth in Section 5.5 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the JSCB of written notice specifying the nature of such default from the Agency or the Trustee;

(f) Failure by any School Party to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in paragraphs (a), (b), (c), (d) and (e) of this Section, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the defaulting party and the other School Parties by the Agency, the Series 2008A Bond Insurer, the Trustee or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, unless by reason of the nature of such failure the same can not be remedied within such thirty (30) day period and the defaulting party has within such period commenced to take appropriate actions to remedy such failure and is diligently prosecuting such actions; *provided, however*, that unless the Series 2008A Bond Insurer shall consent in writing to a longer period, it shall constitute an Event of Default under this paragraph (f) if such failure shall not be remedied within sixty (60) days after receipt by the defaulting party of the above written notice;

(g) The City or the SCSD shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against the City or the SCSD seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors,

or seeking the entry of an order for relief or the appointment of a receiver; trustee, or other similar official for it for any substantial part of its property; or the City or the SCSD shall authorize any of the actions set forth above in this paragraph (g); or

(h) The entering of an order or decree appointing a receiver of the Facilities or any thereof with the consent or acquiescence of the City or the SCSD or the entering of such order or decree without the acquiescence or consent of the City or the SCSD if it shall not be vacated, discharged or stayed within ninety (90) days after entry.

Notwithstanding anything contained in this Section to the contrary, a failure by the City or the SCSD to pay when due any payment required to be made hereunder or a failure by the City or the SCSD to observe and perform any covenant, condition or agreement on its part to be observed or performed hereunder, resulting from a failure by the Board of Education to include such payment obligation and moneys for such purposes in the annual budget for the SCSD, failure by the City to approve such budget and appropriate moneys for such purpose, or a failure by the SCSD to approve payment thereof after appropriation by the City therefor shall not constitute an event of default hereunder. However, the failure by the City or the SCSD to pay when due any payment required to be made by it under this Agreement shall constitute a failure to make a payment under this Agreement for purposes of the Syracuse Schools Act, and in such event the Agency has appointed the Trustee to act as its agent for purposes of taking action under Section 5.4 of the Indenture. The City and the SCSD agree to provide written notice to the Trustee indicating either (i) the Board of Education submitted an annual budget for the SCSD to the Mayor of the City that fails to include a separate line item representing the full amount of Installment Purchase Payments payable during the applicable Fiscal Year, (ii) the City approved an annual budget for the SCSD that fails to include such a separate line item, or (iii) the SCSD failed to approve payment of such full amount after appropriation by the City therefor.

**Section 8.2. Remedies.** Whenever any event of default referred to in Section 8.1 hereof shall have happened and be continuing, or whenever an Event of Nonappropriation shall have occurred and be continuing, the Agency (with the prior written consent of the Trustee) or the Trustee, subject in all respects to Section 4.4 hereof, may take whatever action at law or in equity may appear necessary or desirable to collect the payments then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the School Parties hereunder. Notwithstanding the foregoing, for so long as any of the Bonds are Outstanding or any amounts remain due and payable by the City or the SCSD under this Agreement, neither the Agency nor the Trustee shall take any action which shall have the effect of terminating this Agreement or the interest in or rights of possession of the City or the SCSD in the Facilities, *provided, however*, that in addition to any other rights or remedies granted by this Section to the Agency, the Agency may enforce any of the Agency's Reserved Rights without the consent of the Trustee or any other person, by an action for damages, injunction or specific performance.

No action taken pursuant to this Section 8.2 shall relieve any School Party from its obligations hereunder, all of which shall survive any such action.

**Section 8.3. Cure.** Notwithstanding any remedy taken by the Agency or the Trustee pursuant to Section 8.2 hereof, if all arrears of Installment Purchase Payments, and all other

Additional Payments, shall have been paid, all other things shall have been performed in respect of which there was an event of default or Event of Nonappropriation and there shall have been paid the reasonable fees and expenses, including expenses of the Trustee (including reasonable attorneys' fees paid or incurred), then the event of default or Event of Nonappropriation shall be waived without further action by the Trustee or the Agency.

**Section 8.4. No Remedy Exclusive.** Subject to the provisions of the second sentence of Section 8.2 hereof, no remedy herein conferred upon or reserved to the Agency or the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency or the Trustee to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

**Section 8.5. Waiver and Non-Waiver.** In the event any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

**Section 8.6. Effect on Discontinuance of Proceedings.** In case any proceeding taken by the Trustee under the Indenture or this Agreement or under any other Security Document on account of any event of default or Event of Nonappropriation hereunder or under the Indenture shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then, and in every such case, the Agency, the Trustee, the Bond Insurer and the Holders of the Bonds shall be restored, respectively, to their former positions and rights hereunder and thereunder, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

**Section 8.7. Agreement to Pay Attorneys' Fees and Expenses.** In the event the Agency, the Bond Insurer or the Trustee should employ attorneys or incur other expenses for the collection of Installment Purchase Payments or Additional Payments payable hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the School Parties herein contained or contained in any other Project Document, each of the City or the SCSD agree that it will on demand therefor pay to the Agency, the Bond Insurer or the Trustee the reasonable fees and disbursements of such attorneys and such other expenses so incurred.

## ARTICLE IX

### LIMITATIONS ON TERMINATION OF AGREEMENT

**Section 9.1. Limitations on Termination of Agreement.** Notwithstanding any provisions of this Agreement to the contrary, neither the Agency, the Trustee nor any School Party shall take or fail to take any action which would cause this Agreement to terminate while any Bonds remain Outstanding or any amounts remain due and payable under this Agreement or prior to the discharge of the lien of the Indenture.

## ARTICLE X

### MISCELLANEOUS

**Section 10.1 [Reserved].**

**Section 10.2. Successors and Assigns.** This Agreement shall inure to the benefit of the School Parties, the Series 2008A Bond Insurer, the Agency and the Trustee and their respective successors and assigns, and shall be binding upon the Agency and the School Parties, subject, however, to the provisions of Sections 7.7 and 7.8 hereof.

**Section 10.3. Severability.** In the event any one or more of the covenants, stipulations, promises, obligations and agreements herein on the part of the Agency or a School Party to be performed should be contrary to law, then such covenant or covenants, stipulation or stipulations, promise or promises, obligation or obligations, or agreement or agreements shall be null and void, shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, obligations and agreements herein contained and shall in no way affect the validity or enforceability of the other provisions hereof.

**Section 10.4. Amendments, Changes and Modifications.** Except as otherwise provided herein or in the Indenture, subsequent to the issuance of Series 2008A Bonds, and prior to payment or provision for the payment of the Bonds in full, and payment or provision for the payment of all amounts due and payable to the Agency pursuant hereto or to any indemnity, this Agreement may not be amended, changed, modified, altered or terminated except as provided in the Indenture.

**Section 10.5. Amounts Remaining Under the Indenture.** It is agreed by the parties hereto that any amounts remaining in any fund or account created under the Indenture, upon expiration or sooner termination of the Agreement Term, as provided herein, after payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) and the fees, charges, indemnities and expenses of the Trustee, the Paying Agents, the Bond Insurer and the Agency in accordance herewith and with the Indenture, shall belong to and be paid to the City for the benefit of the SCSD.

**Section 10.7. Investment of Moneys.** The Agency hereby acknowledges that the City may in its sole discretion direct the investment of certain moneys held under the Indenture as provided therein. Neither the Agency nor the Trustee shall have any liability arising out of or in connection with the making or disposition of any investment authorized by the provisions of Section 5.6 of the Indenture in the manner provided therein, for any depreciation in value of any investment or for any loss, direct or indirect, resulting from any such investment or disposition.

**Section 10.8. Disclaimer of Personal Liability:** No recourse shall be had against or liability incurred by any official or member of any School Party or any officer or employee of any School Party, or any person executing this Agreement for any covenants and provisions hereof or for any claims based thereon, and no recourse shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or for any claim based thereon or hereunder against any official, member, officer or employee of a School Party.

All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency, and not of any member, director, officer, employee or agent of the Agency in his individual capacity, and no recourse shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or for any claim based thereon or hereunder against any member, director, officer, employee or agent of the Agency or any natural person executing the Bonds.

**Section 10.9. Effective Date; Counterparts.** This Agreement shall become effective upon its delivery. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

**Section 10.10. Headings.** The headings preceding the text of the several Articles and Sections hereof and any table of contents appended to copies hereof shall be solely for convenience of reference and shall not constitute a part hereof nor shall they affect its meaning, construction or effect.

Neither the Agency nor the Trustee nor any of their members, directors, officers, agents, servants or employees shall be liable for any depreciation in the value of any such investments or for any loss arising therefrom.

**Section 10.16. Waiver of Trial by Jury.** The parties do hereby expressly waive all rights to trial by jury on any cause of action directly or indirectly involving the terms, covenants or conditions of this Agreement or the Facilities or any matters whatsoever arising out of or in any way connected with this Agreement.

The provisions of this Agreement relating to waiver of a jury trial shall survive the termination or expiration of this Agreement.

**Section 10.17. Non-Discrimination.**

(a) At all times during the maintenance and operation of the Facilities, the SCSD shall not discriminate against any employee or applicant for employment because of race, color, creed, age, sex or national origin. The SCSD shall use its best efforts to ensure that employees and applicants for employment with the SCSD are treated without regard to their race, color, creed, age, sex or national origin. As used herein, the term “treated” shall mean and include, without limitation, the following: recruited, whether by advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for

(b) The SCSD shall, in all solicitations or advertisements for employees placed by or on behalf of the SCSD, state that all qualified applicants will be considered for employment without regard to race, color, creed, age, sex or national origin.

(c) The SCSD shall furnish to the Agency all information required by the Agency pursuant to this Section and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section.

**Section 10.18. Limitation on Liability of the Agency or the State.** The liability of the Agency to the School Parties under this Agreement and to the Trustee and the Holders of the Bonds shall be enforceable only out of, and limited to, the Agency's interest under this Agreement and under the License and the security interest created by the Indenture. There shall be no other recourse against the Agency, its members, directors, officers, agents, servants and employees and persons under the Agency's control or supervision, past, present or future, or against any of the property now or hereafter owned by it or them. Any obligation the Agency may incur for the payment of money in the performance of this Agreement shall not create a debt of the State, and the State shall be not liable on any obligation so incurred. Any such obligation shall be payable solely out of any payments or other proceeds or funds derived from this Agreement. All obligations of the Agency under this Agreement shall be deemed to be the obligation of the Agency, and not of any member, director, officer, servant, employee or agent of the Agency or person under the Agency's control or supervision, past, present or future, in his individual capacity. No recourse shall be had against any such persons, or against any natural person executing the Bonds, for any claim against the Agency arising under this Agreement, including, without limitation, any claim for the payment of the principal of, redemption premium, if any, or interest on the Bonds.

(e) This Eighth Amended Agreement and each other Project Document to which the City and/or the SCSD is a party or to which the JSCB is a party on behalf of the City, the SCSD or both, the execution and delivery hereof and thereof and the consummation of the transactions contemplated hereby and thereby (i) do not and will not in any material respect conflict with, or constitute on the part of such Person a breach of or default under (y) any existing law, administrative regulation, judgment, order, decree or ruling by or to which it or its revenues, properties or operations are bound or subject or (z) any agreement or other instrument to which the City, the SCSD or the JSCB, on behalf of the City, the SCSD or both, is a party or by which it or any of its revenues, properties or operations are bound or subject and (ii) will not result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the revenues, properties or operations of the City or the SCSD, as the case may be.

(f) All consents, approvals, authorizations or orders of, or filings, registrations or declarations with any court, governmental authority, legislative body, board, agency or commission which are required for the due authorization of, which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the SCSD and/or the City of its respective obligations hereunder or under any other Project Document to which the SCSD and/or the City or the JSCB, on behalf of the City, the SCSD or both, is a party or to which it is bound or the consummation of the transactions contemplated hereby or thereby have been duly obtained and are in full force and effect.

## ARTICLE II

### ESTABLISHMENT AND OPERATION OF THE FUND

**Section 201. Establishment of State Aid Depository Fund.** In order to facilitate the purposes of the Act and the payment of the Aggregate Facilities Payment Obligations, there is hereby established a special fund which shall be known, and is referred to, as the State Aid Depository Fund. The Fund shall be held by and maintained with the Depository Bank, and the School District and the City hereby agree with the Depository Bank that the City and the School District will duly and punctually pay or cause to be paid the Aggregate Facilities Payment Obligations from amounts received from the Fund, and that the City and the School District will maintain the Fund with the Depository Bank, and will operate the Fund in the manner set forth herein.

**Section 202. Operation of the Fund.** (a) Pursuant to written instructions to the New York State Comptroller dated March 12, 2008, the Commissioner of Finance and the President of the Board of Education of the School District have directed the New York State Comptroller's Office to deposit all State Aid to Education into the Fund except for any amount of State Aid to Education withheld from the City or School District in accordance with the provisions of the Act.

(b) Notwithstanding the following provisions of this Section 202, if the Depository Bank receives written instructions from the Commissioner of Finance with an accompanying monthly payment schedule from the Commissioner of Finance indicating that, pursuant to applicable State law and, if applicable, any credit enhancement agreement to which the City is a party, State Aid to Education must be set aside in a special bank account designated in such instructions to be used only for the payment in accordance with such payment schedule of outstanding revenue anticipation notes issued by the City (the "RAN Repayment Requirement"); then, each month, the Depository Bank shall immediately withdraw from the Fund all State Aid to Education that are received and cause the amounts so withdrawn to be immediately paid, before any further withdrawal or payment under this Section 202, to such special bank account, until the total amount of such withdrawals is equal to the portion of such RAN Repayment Requirement required, in accordance with such payment schedule, to be withdrawn and paid to such special bank account for such month or any prior month to the extent not yet paid.

(c) Commencing on April 1, 2008 through and including November 30, 2008, the Depository Bank shall immediately upon receipt of any payment of State Aid to Education pay over to the General Fund all such State Aid to Education.

(d) On or before July 15, 2008 for the Fiscal Year ending June 30, 2009, and on or before July 15 of each subsequent Fiscal Year, the Collecting Officer and the Commissioner of Finance shall prepare and deliver to the Depository Bank and each Series Trustee a certificate, substantially in the form of Exhibit A-1 hereto (the "State Aid Payment Certificate"), setting forth (i) a statement that the School District has budgeted and directed payment from appropriated funds of, and the City has appropriated, an amount of State Aid to Education necessary to fund the Aggregate Facilities Payment Obligations for such Fiscal Year,

(ii) the total amount of State Aid to Education expected to be received during the next Collection Period and the Collection Percentage applicable to each month of such Collection Period, and (iii) a statement developed with the assistance of the School District's financial advisor or a nationally recognized municipal securities underwriting firm, setting forth the long-term debt rating of each provider of a Qualified Debt Service Reserve Fund Investment Agreement by each of Fitch, Inc., Moody's Investors Service, Inc. and Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies, Inc. However, in the event that the City shall not have appropriated or the School District has not budgeted or directed payment from appropriated funds for such amount of State Aid to Education in its adopted budget for such Fiscal Year, the State Aid Payment Certificate for such Fiscal Year shall set forth a statement to such effect, shall not include any information regarding the collection of State Aid to Education during the Collection Period and shall be substantially in the form of Exhibit A-2 hereto. Thereafter and not later than the end of the third business day immediately preceding March 31 of such Fiscal Year, if circumstances warrant, the Collecting Officer and the Commissioner of Finance shall from time to time prepare and deliver to the Depository Bank a revised State Aid Payment Certificate setting forth, as appropriate (i) a statement that the City has, subsequent to adoption of its budget for such Fiscal Year, appropriated an amount of State Aid to Education necessary to fund the Aggregate Facilities Payment Obligations for such Fiscal Year, or (ii) a revised total amount of State Aid to Education expected to be received during the Collection Period for such Fiscal Year and, in either case, if applicable, Collection Percentages or revised Collection Percentages applicable to the remainder of such Collection Period.

(e) On or before November 10 of each Fiscal Year, commencing November 10, 2008, the Depository Bank shall receive from each Series trustee, in accordance with the Indenture pursuant to which such Series Trustee has been appointed, a certificate (the "Base Facilities Agreement Payment Certificate") setting forth the Net Base Facilities Agreement Payment (computed as of the immediately preceding last business day of October of such Fiscal Year) portion of the Facilities Payment Obligations due on the following April 1.

(f) On or before November 10 of each Fiscal Year, commencing November 10, 2008, the Depository Bank shall receive from each Series Trustee, in accordance with the Indenture pursuant to which such Series Trustee has been appointed, a certificate (the "Reserve Payment Certificate") setting forth the Reserve Payment (as defined in each Series Facilities Agreement and computed as of the immediately preceding last business day of October of such Fiscal Year) portion of the Facilities Payment Obligations due and the amount of the Debt Service Reserve Deficiency as of the date of such certificate.

(g) During each Collection Period, if the Depository Bank has received a State Aid Payment Certificate with respect to such Collection Period that sets forth the statements required by clauses (i) and (ii) of the first sentence of Section 202(d), the Depository Bank shall, immediately upon receipt of any payment of State Aid to Education, withdraw such State Aid to Education from the Fund and cause the amounts so withdrawn to be immediately paid in the following order of priority:

(i) *first*, to each Series Trustee for deposit in the Bond Fund established pursuant to the related Series Indenture until the total amount of such withdrawals during each month of such Collection Period shall equal the sum of

(A) the product of the Collection Percentage for such month multiplied by the Net Base Facilities Agreement Payment due the immediately following April 1 as set forth in the Base Facilities Agreement Payment Certificate most recently received by the Depository Bank, plus (B) during the months of January, February and March, the excess of the amount that should have been deposited in the Bond Fund in the immediately preceding month of the Collection Period pursuant to the provisions of this paragraph, over the amount in fact so deposited;

(ii) *second*, thereafter during each month of such Collection Period, to each Series Trustee for deposit in the Debt Service Reserve Fund established pursuant to the related Series Indenture until the total amount of such withdrawals is equal to the Reserve Payment due, if any, as set forth in the Reserve Payment Certificate most recently received by the Depository Bank, and

(iii) *third*, thereafter during each month of such Collection Period, to the General Fund.

In the event that any amount on deposit in the Fund in any month of the Collection Period, at any time, shall be less than the amount required to be paid to a Series Trustee under clauses (i) or (ii) above, the Depository Bank shall make payment to each Series Trustee on a Ratable Basis, in the priority indicated above. For purposes of the preceding sentence, "Ratable Basis" shall be first computed based on amounts payable to each Series Trustee under clause (i) above if there is not enough in the Fund to pay to each Series Trustee what is payable under clause (i) above, and, if the amounts payable under clause (i) have been paid in full, then computed based on the amount payable to each Series Trustee under clause (ii).

Thereafter from April 1 until the commencement of the next Collection Period, immediately upon receipt of any payment of State Aid to Education, the Depository Bank shall withdraw such State Aid to Education from the Fund and cause the amounts so withdrawn to be immediately paid to the General Fund.

If the Depository Bank has not received with respect to a Collection Period for any reason a State Aid Payment Certificate that includes the statements required by clauses (i) and (ii) of the first sentence of Section 202(d), the Depository Bank, both during and after such Collection Period until the next Collection Period, shall withdraw any State Aid to Education from the Fund and cause the amounts so withdrawn to be immediately paid to the General Fund.

Section 203. Procedure for Collection and Deposit of State Aid to Education. The procedure set forth in this Article for the operation of the Fund is related to the School District's current procedure for the collection, deposit and disbursement of State Aid to Education. Nothing herein contained shall prevent the City, the Depository Bank and the School District from effecting any change by amendment hereto modifying the procedures for the collection, deposit and disbursement of State Aid to Education, without the consent of any other party; provided, however, that the School District hereby agrees with the City and the Depository Bank that (i) prior to making any such change, the School District shall notify each Rating Agency of such change and that prior to any such change there shall be delivered to the Depository Bank a rating confirmation of each Rating Agency that the then current unenhanced

rating of the Project Bonds will not be withdrawn or reduced as a result of such change and (ii) the School District will not change or alter the procedure for the collection and deposit of State Aid to Education which in any manner would result in insufficient State Aid to Education being available to timely pay Facilities Payment Obligations in accordance with the terms of this Agreement.

Section 204. Accounts, Reports and Certificates. The Depository Bank agrees that it will keep, or cause to be kept, proper books of record in which complete and accurate entries shall be made of all transactions relating to the Fund. The School District at its sole cost and expense shall cause such books of record relating to the Fund to be audited annually by one or more certified public accountants duly licensed by the State, and such audit shall be filed by the School District with the Commissioner of Finance, the Depository Bank and each Series Trustee.

(b) Except as disclosed in Exhibit B, each of Indemnitor and the City further represents and warrants that (i) it has not been nor will be involved in operations at or near the Facilities which operations could lead to (A) the imposition of liability on Indemnitor, the City or on any subsequent or former owner of the Facilities or (B) the creation of a lien on the Facilities under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) it has not permitted, and will use its commercially reasonable best efforts to not permit, any tenant or occupant of the Facilities to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, the Agency, the Indemnitor, the City or any other owner of any of the Facilities.

The Agency has sold its interest in the Facilities to the City and the SCSD pursuant to Amendment No. 9 to Installment Sale Agreement (Series 2021A Project), dated as of even date herewith (the “*Ninth Amended Agreement*”), amendatory of a certain Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008 (the “*Original Agreement*”) as previously amended by Amendment No. 1 to Agreement dated as of March 1, 2009 (the “*First Amended Agreement*”); by Amendment No. 2 to Agreement (Series 2010 Project) dated as of December 1, 2010 (the “*Second Amended Agreement*”); by Amendment No. 3 to Agreement (Series 2011 Project) dated as of July 1, 2011 (the “*Third Amended Agreement*”); by Amendment No. 4 to Installment Sale Agreement (Series 2017 Project), dated as of April 1, 2017 (the “*Fourth Amended Agreement*”); by Amendment No. 5 to Installment Sale Agreement (Series 2018A Project), dated as of March 1, 2018 (the “*Fifth Amended Agreement*”); by Amendment No. 6 to Installment Sale Agreement (Series 2018B Project), dated as of June 1, 2018 (the “*Sixth Amended Agreement*”); by

Amendment No. 7 to Installment Sale Agreement (Series 2019A Project), dated as of April 1, 2019 (the "**Seventh Amended Agreement**"); and by Amendment No. 8 to Installment Sale Agreement (Series 2020A Project), dated as of March 1, 2020 (the "**Eighth Amended Agreement**" and together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement, the Third Amended Agreement, the Fourth Amended Agreement, the Fifth Amended Agreement, the Sixth Amended Agreement, the Seventh Amended Agreement and the Ninth Amended Agreement, collectively, the "**Installment Sale Agreement**" as same may further be amended or supplemented), each between the Agency, the City, the SCSD and the Joint School Construction Board (the "**JSCB**"). The Installment Sale Agreement requires, among other things, the payment by the City and the SCSD of Installment Purchase Payments as scheduled payments equal to the principal of and interest on the Series 2021A Bonds and any Additional Bonds that were or may be issued under a Series Indenture (collectively, the "**Bonds**") as the same become due, (the "**Installment Purchase Payments**"). Capitalized terms used herein and not otherwise defined shall have the meaning ascribed thereto in the Indenture.

**Pledge and Security.** The obligation of the City and the SCSD to pay Installment Purchase Payments under the Installment Sale Agreement is executory only to the extent of State Aid to Education (as defined in the State Aid Depository Agreement referred to below) appropriated by the State and available to the City and/or the SCSD, and budgeted by the SCSD and appropriated by the City and the SCSD for the payment of Installment Purchase Payments under the Installment Sale Agreement, and no liability on account thereof is incurred by the City and the SCSD beyond the amount of such moneys so available and appropriated, *provided, however,* that the failure of the City and the SCSD for any reason (including a failure by the State to appropriate State Aid to Education or a failure by the City or the SCSD to budget and appropriate funds) to make an Installment Purchase Payment or an Additional Payment under the Installment Sale Agreement is deemed a failure to make a payment for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the Indenture. Further, the obligation of the City and the SCSD to pay Installment Purchase Payments is not a general obligation of the City or the SCSD and neither the faith and credit nor the taxing powers of the City are pledged to the payment of Installment Purchase Payments. The obligations of the City and the SCSD under the Installment Sale Agreement to pay Installment Purchase Payments in any Fiscal Year of the City and the SCSD constitutes a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness or moral obligation of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State of New York (the "**State**"). The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due under the Installment Sale Agreement shall be moneys comprising State Aid to Education lawfully appropriated by the State and available therefor from time to time for the benefit of the SCSD, and budgeted and appropriated for such purpose by the City and the SCSD and, to the extent of any Installment Purchase Payment deficiency, state and/or school aid payable to the City or the SCSD received by the Trustee pursuant to the intercept by the State Comptroller.

Each of the SCSD, the City and Manufacturers and Traders Trust Company, Buffalo, New York, as depository bank (together with its successors or assigns, the "**Depository Bank**"), have entered into a State Aid Depository Agreement dated as of March 1, 2008 ("**Depository Agreement**") as previous amended by the First Amendment to State Aid Depository Agreement,

dated as of December 1, 2010 (the “*First Amendment to Depository Agreement*”, and together with the Depository Agreement, collectively the “*State Aid Depository Agreement*” as the same may be further amended or supplemented from time to time), to provide for, among other things, the payment of all State Aid to Education into the State Aid Depository Fund maintained with the Depository Bank for periodic transfer to the Bond Fund established under the Indenture (and the equivalent fund established under each other Series Indenture) toward payment of the Bonds and each other Series of Project Bonds issued under a Series Indenture, and to the extent of any deficiency therein, to a Debt Service Reserve Fund or equivalent fund, if any, established under any other Series Indenture (no such fund being established hereunder), and the balance to the General Fund (as defined in the State Aid Depository Agreement).

Copies of the Indenture, the Installment Sale Agreement, the License and the State Aid Depository Agreement are on file at the principal corporate trust office of the Trustee at 285 Delaware Avenue, 3<sup>rd</sup> Floor, Buffalo, New York, and reference is made to such documents for the provisions relating, among other things, to the terms and security of the Series 2021A Bonds, the charging and collection of Installment Purchase Payments for the Facilities, the custody and application of the proceeds of the Series 2021A Bonds, the rights and remedies of the holders of the Series 2021A Bonds, and the rights, duties and obligations of the Agency, the School Parties and the Trustee.

Pursuant to the Indenture, the Agency has assigned to the Trustee substantially all of its right, title and interest in and to the Installment Sale Agreement, including all rights to receive Installment Purchase Payments to pay the principal of and interest on the Series 2021A Bonds as the same become due, all to be made by the City and the SCSD pursuant to the Installment Sale Agreement, and all executory only to the extent of State Aid to Education as provided above.

The Series 2021A Bonds are special obligations of the Agency and shall never constitute a debt of the State of New York nor of the City, and neither the State of New York nor the City shall be liable thereon, nor shall the Series 2021A Bonds be payable out of any funds of the Agency other than those pledged therefor. Reference is hereby made to the Indenture for a description of the property pledged, assigned and otherwise available for the payment of the Series 2021A Bonds, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Agency, the Trustee and the holders of the Series 2021A Bonds, and the terms upon which the Series 2021A Bonds are issued and secured.

**Additional Bonds.** As provided in the Indenture, Additional Bonds may be issued from time to time in one or more series for the purpose of financing the Facilities, providing funds to repair, relocate, replace, rebuild, or restore an affected Facility in the event of damage, destruction or taking by eminent domain, providing additions, rehabilitation or recreational facilities to one or more Facilities, or refunding outstanding Bonds. All Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as may otherwise be expressly provided in the Indenture.

### **Redemption of Series 2021A Bonds.**

(a) *General Optional Redemption.* The Series 2021A Bonds are not subject to optional redemption prior to maturity thereof.

(b) *Mandatory Redemption.* The Series 2021A Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent: (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2021A Project; or (ii) moneys are transferred to the Bond Fund pursuant to Article V of the Indenture or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2021A Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) *Redemption Procedures.* If any of the Series 2021A Bonds are to be called for redemption, the Indenture requires a copy of the redemption notice to be mailed at least thirty (30) days prior to such redemption date to the registered owner of each Series 2021A Bond to be redeemed at the address for such owner shown on the registration books. All Series 2021A Bonds so called for redemption will cease to bear interest after the date fixed for redemption if funds for their redemption are on deposit at the place of payment at that time. If notice of redemption shall have been given as aforesaid, the Series 2021A Bonds called for redemption shall become due and payable on the redemption date. Upon presentation and surrender of Series 2021A Bonds so called for redemption at the place or places of payment, such Series 2021A Bonds shall be redeemed.

So long as the Securities Depository is effecting book-entry transfers of the Series 2021A Bonds, the Trustee shall provide the notices specified in the paragraph above only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Series 2021A Bond (having been mailed notice from the Trustee, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Series 2021A Bond so affected, shall not affect the validity of the redemption of such Series 2021A Bond.

**Payments Due on Saturdays, Sundays and Holidays.** In any case where any payment date of principal or Redemption Price, if any, and/or interest on this bond shall be (i) a Saturday or Sunday, (ii) a day in which banks in the State of New York, or in the city in which the corporate trust office of the Trustee is located, are authorized or required by law to close, or (iii) a day on which the New York Stock Exchange, Inc. is closed, then payment of such principal or Redemption Price, if any, and/or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the principal and/or Interest Payment Date or the date fixed for redemption, as the case may be, except that interest shall continue to accrue on any unpaid principal.

**Amendment of Indenture.** The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Agency and the rights of the holders of the Bonds at any time by the Agency with the consent of the Trustee, or, where so provided in the Indenture, the holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding thereunder; provided, however, that if any such amendment or modification would affect only a single series of Bonds, then the

consent of the holders of not less than a majority in aggregate principal amount of such series of Bonds at the time Outstanding thereunder shall instead be required. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each Bond and of any such Bond issued upon the transfer thereof, whether or not notation of such consent is made thereon.

**Book-Entry System.** The Series 2021A Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Indenture. One bond certificate with respect to each date on which the Series 2021A Bonds are stated to mature, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody or its agent. The book-entry system will evidence positions held in the Series 2021A Bonds by the Securities Depository's Participants, beneficial ownership of the Series 2021A Bonds in authorized denominations being evidenced in the records of such Participants. Transfers of ownership shall be effected on the records of the Securities Depository and its Participants pursuant to rules and procedures established by the Securities Depository and its Participants. The Agency and the Trustee will recognize the Securities Depository nominee, while the registered owner of this bond, as the owner of this bond for all purposes, including (i) payments of principal of, redemption premium, if any, and interest on this bond, (ii) notices, and (iii) voting. Transfer of principal, and interest and any redemption premium payments to Participants of the Securities Depository, and transfer of principal, Redemption Price, and interest payments to Beneficial Owners of the Series 2021A Bonds by Participants of the Securities Depository will be the responsibility of such Participants and other nominees of such Beneficial Owners. The Agency and the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its Participants or persons acting through such Participants. While the Securities Depository nominee is the owner of this bond, notwithstanding the provision hereinabove contained, payments of principal of, redemption premium, if any, and interest on this bond shall be made in accordance with existing arrangements among the Agency, the Trustee and the Securities Depository.

**Denominations.** The Series 2021A Bonds are issuable in the form of fully registered bonds in the minimum denomination of \$5,000 or any integral multiple thereof.

**Exchange of Series 2021A Bonds.** The holder of this bond may surrender the same, at the principal corporate trust office of the Trustee, in exchange for an equal aggregate principal amount of Series 2021A Bonds of any of the authorized denominations of the same maturity and maturities as this bond or the Series 2021A Bonds so surrendered, subject to the conditions and upon payment of the charges provided in the Indenture. However, the Trustee will not be required to (i) transfer or exchange any Series 2021A Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Series 2021A Bonds to be redeemed, or (ii) transfer or exchange any Series 2021A Bonds selected, called or being called for redemption in whole or in part.

**Transfer of Series 2021A Bonds.** This bond is transferable, as provided in the Indenture, only upon the books of the Agency kept for that purpose at the corporate trust office

Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15), and thereupon a new fully registered Series 2021A Bond in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Indenture and upon payment of the charges therein prescribed. The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof, and interest due hereon and for all other purposes whatsoever.

**No Acceleration of Series 2021A Bonds.** In no event shall the principal of any Series 2021A Bond be declared due and payable in advance of its final stated maturity.

**Limitation on Bondholder Enforcement Rights.** The holder of this bond shall have no right to enforce the provisions of the Indenture, to institute action to enforce the provisions and covenants thereof or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

## **GRANTING CLAUSES**

### **I**

All moneys and securities from time to time held by the Trustee under the terms of this Indenture including amounts set apart and transferred to the Project Fund, the Bond Fund or any special fund, and all investment earnings of any of the foregoing, subject to disbursements from such funds in accordance with the provisions of the Installment Sale Agreement and this Indenture (and when so disbursed, such amounts shall automatically be released from the assignment, pledge, lien and security interest of this Indenture); provided, however, there is expressly excluded from any assignment, pledge, lien or security interest any amounts set apart and transferred to the Rebate Fund.

### **II**

All right, title and interest of the Agency in and to the Installment Sale Agreement, including all installment purchase payments, revenues and receipts payable or receivable thereunder, excluding, however, the Agency's Reserved Rights, which Reserved Rights may be enforced by the Agency and/or the Trustee, jointly or severally; provided, however, that no

exercise by the Agency of the Agency's Reserved Rights shall limit or restrict the rights of the Trustee or the Bondholders to exercise their rights and remedies under the Security Documents.

### III

All right, title and interest of the Agency in and to the State Aid to Education pursuant to the Syracuse Schools Act, subject, however: (i) to the right of the Agency or any other public entity to make any future pledges, of no greater priority than the pledge effected under this Indenture, of its respective right, title and interest in and to the State Aid to Education; and (ii) to the right of the Agency to receive state and/or school aid payable to the City or the SCSD, for application in the priority set forth in Section 5.4 hereof, in satisfaction of the Agency's Reserved Rights (which Reserved Rights may be enforced by the Agency and/or the Trustee, jointly or severally).

(e) Whenever the Agency is named or referred to, it shall be deemed to include its successors and assigns whether so expressed or not. All of the covenants, stipulations, obligations and agreements by or on behalf of, and other provisions for the benefit of, the Agency contained in this Indenture shall bind and inure to the benefit of such successors and assigns and shall bind and inure to the benefit of any officer, board, commission, authority, agency or instrumentality to whom or to which there shall be transferred by or in accordance with law any right, power or duty of the Agency, or of its successors or assigns, the possession of which is necessary or appropriate in order to comply with any such covenants, stipulations, obligations, agreements or other provisions hereof.

(f) Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any Person, other than the Agency, the Trustee, the Bond Registrar, the School Parties, the Paying Agents and the Holders of the Bonds any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation thereof. All the covenants, stipulations, promises and agreements herein contained by and on behalf of the Agency shall be for the sole and exclusive benefit of the Agency, the Trustee, the Bond Registrar, the School Parties, the Paying Agents and the Holders of the Bonds.

### **Section 2.1. Authorized Amount of Bonds; Pledge Effected by this Indenture.**

(a) No Bond may be authenticated and delivered under the provisions of this Indenture except in accordance with this Article.

(b) The proceeds of the Bonds deposited in the Project Fund and certain of the installment purchase payments, receipts and revenues derived from or in connection with the Facilities, including moneys which are required to be set apart, transferred and pledged to the Bond Fund or to certain special funds (including the investments, if any, thereof) (subject to disbursements from such Funds in accordance with the provisions of this Indenture) are pledged by this Indenture for the payment of the principal or Redemption Price, if any, and interest on, the Bonds. The Rebate Fund (including amounts on deposit therein) shall not be subject to any assignment, pledge, lien or security interest in favor of the Trustee or any Bondholder or any other Person. The Bonds shall be the special obligations of the Agency and shall be payable by the Agency as to the principal or Redemption Price, if any, of the Bonds, and interest on the Bonds only from the Funds, special funds and installment purchase payments, revenues and receipts pledged therefor. The Bonds are additionally secured by a pledge and assignment of substantially all of the Agency's right, title and interest in and to the Installment Sale Agreement, including the Installment Purchase Payments payable thereunder. The Bonds shall never constitute a debt of the State nor the City, and neither the State nor the City shall be liable thereon, nor shall the Bonds be payable out of any funds of the Agency other than those pledged therefor.

05/01/2028	1,870,000	5.000%

Interest shall be computed on the basis of a 360-day year of twelve 30-day months. Notwithstanding anything herein to the contrary, the interest rate borne by the Series 2021A Bonds shall not exceed the maximum permitted by, or enforceable under, applicable law.

(c) The Series 2021A Bonds shall be numbered from R-1 upward in consecutive numerical order. Series 2021A Bonds issued upon any exchange or transfer hereunder shall be numbered in such manner as the Trustee in its discretion shall determine.

(d) The principal or Redemption Price of the Series 2021A Bonds shall be payable at the corporate trust office of the Trustee at Manufacturers and Traders Trust Company, Buffalo, New York, as Paying Agent, or at the corporate trust office of any successor Paying Agent.

(e) Interest on the Series 2021A Bonds shall be payable to the Person appearing on the registration books of the Trustee as the registered owner thereof on the Record Date next preceding the Interest Payment Date: (1) by check or draft mailed on the Interest Payment Date to the registered owner; or (2) by wire or bank transfer on the Interest Payment Date to any owner of at least \$1,000,000 in aggregate principal amount of Series 2021A Bonds upon written notice provided by the owner to the Trustee not later than five (5) days prior to the Record Date for such interest payment (which request shall remain in effect until revoked); except that if and to the extent there shall be a default in the payment of the interest due on any Interest Payment Date, the defaulted interest shall be paid to the owners in whose names the Series 2021A Bonds are registered at the close of business on a special record date to be fixed by the Trustee (the “*Special Record Date*”) which date shall be not more than fifteen (15) nor less than ten (10) days next preceding the date of payment of the defaulted interest. Notice of the payment of such defaulted interest and the Special Record Date so fixed will be mailed by the Trustee to each owner of the Series 2021A Bonds not less than ten (10) days prior to the Special Record Date. Interest payments made by check or draft shall be mailed to each owner at his address as it appears on the registration books of the Trustee on the applicable Record Date or at such other address as he or she may have filed with the Trustee for that purpose and appearing on

the registration books of the Trustee on the applicable Record Date. Wire transfer payments of interest shall be made at such wire transfer address as the owner shall specify in his notice requesting payment by wire transfer.

(f) Each Series 2021A Bond shall bear interest from the Bond Date indicated thereon, if authenticated prior to the first Interest Payment Date. If authenticated on or after the first Interest Payment Date, in exchange for or upon the registration of transfer of Series 2021A Bonds, such Series 2021A Bond shall bear interest from and including the Interest Payment Date next preceding the date of authentication thereof, unless the date of such authentication shall be an Interest Payment Date to which interest thereon has been paid in full or duly provided for, in which case, such Series 2021A Bond shall bear interest from and including such Interest Payment Date.

(g) The Series 2021A Bonds are issuable in the form of fully registered bonds in the minimum denomination of \$5,000 or any integral multiple thereof.

(h) Anything in the Series 2021A Bonds or in this Indenture to the contrary notwithstanding, the obligations of the Agency hereunder and under the Series 2021A Bonds shall be subject to the limitation that payments of interest or other amounts on the Series 2021A Bonds shall not be required to the extent that receipt of any such payment by a Holder of a Series 2021A Bond would be contrary to the provisions of law applicable to such Holder which would limit the maximum rate of interest which may be charged or collected by such Holder of a Series 2021A Bond.

### **Section 2.3. Redemption of Series 2021A Bonds.**

(a) *General Optional Redemption.* The Series 2021A Bonds are not subject to optional redemption prior to maturity.

(b) *Mandatory Redemption.* The Series 2021A Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent: (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2021A Project; or (ii) moneys are transferred to the Bond Fund pursuant to Article V hereof or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2021A Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) Redemption of Series 2021A Bonds permitted or required by this Article II shall be made as follows, and the Trustee shall give the notice of redemption required by Section 6.3 hereof in respect of each such redemption:

(1) The Series 2021A Bonds are not subject to optional redemption prior to maturity thereof.

(2) Redemption shall be made pursuant to the mandatory redemption provisions of Section 2.3(b) hereof on the dates specified therein, without the necessity of any instructions or further act of the School Parties.

(d) In the event of any redemption in part of the Series 2021A Bonds, in selecting Series 2021A Bonds for redemption, the Trustee shall treat each such Series 2021A Bond as representing that number of Series 2021A Bonds which is obtained by dividing the principal amount of such registered Bond by \$5,000 (referred to below as a “*unit*”) rounded down to the integral multiple of such minimum denomination. If it is determined that one or more, but not all, of the units of principal amount represented by any such Series 2021A Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Series 2021A Bond shall forthwith surrender such Series 2021A Bond to the Trustee for (y) payment to such Holder of the Redemption Price of the unit or units of principal amount called for redemption and (z) delivery to such Holder of a new Series 2021A Bond or Bonds in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Series 2021A Bond. New Series 2021A Bonds of the same maturity representing the unredeemed balance of the principal amount of such Series 2021A Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Series 2021A Bond of a denomination greater than \$5,000 shall fail to present such Series 2021A Bond to the Trustee for payment and exchange as aforesaid, such Series 2021A Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

**Section 2.4. Delivery of Series 2021A Bonds.** The Series 2021A Bonds shall be executed in the form and manner set forth in this Indenture and shall be deposited with the Trustee and thereupon shall be authenticated by the Trustee. Upon payment to the Trustee of the proceeds of sale of the Series 2021A Bonds including the interest, if any, accrued on the Series 2021A Bonds to the date of delivery, the Series 2021A Bonds shall be delivered by the Trustee on behalf of the Agency to or upon the order of the purchaser(s) thereof, but only upon receipt by the Trustee of:

- (a) a copy, duly certified by the Chairman, Vice Chairman, Secretary or Authorized Representative of the Agency, of the Bond Resolution;
- (b) an original executed counterpart of all Security Documents;
- (c) a written opinion by Bousquet Holstein PLLC to the effect that the issuance of the Series 2021A Bonds and the execution thereof have been duly authorized and that all conditions precedent to the delivery thereof have been fulfilled; and
- (d) the written order to the Trustee executed by an Authorized Representative of the Agency to authenticate and make available for delivery the Series 2021A Bonds to the purchaser(s) therein identified upon payment to the Trustee for the account of the Agency of the purchase price therein specified, plus accrued interest, if any.

**Section 2.5. Execution of Bonds.** The Bonds shall be executed on behalf of the Agency by the manual or facsimile signature of the Chairman, Vice Chairman or Authorized

Representative of the Agency, and the seal of the Agency shall be affixed thereto or imprinted thereon and attested by the manual or facsimile signature of the Secretary of the Agency. Any facsimile signatures shall have the same force and effect as if the appropriate officers had personally signed each of said Bonds. In case one or any of the officers who shall have signed or attested the Bonds or whose reproduced facsimile signature appears thereon shall cease to be such officer or officers before the Bonds so signed and attested shall have been actually issued and delivered, the Bonds may be issued and delivered as though the person who signed or attested or whose reproduced facsimile signature appears on the Bonds had not ceased to be such officer. Neither the members, directors, officers or agents of the Agency nor any person executing the Bonds shall be liable personally or be subject to any personal liability or accountability by reason of the issuance thereof.

**Section 2.6. Authentication.** Only such Bonds as shall have endorsed thereon a certificate of authentication, in substantially the form set forth in the Form of Bond in the recitals of this Indenture, duly executed by the Trustee, shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Indenture unless and until such certificate of authentication on such Bond shall have been duly executed by the Trustee, and such certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture. The Trustee shall note, with respect to each Bond to be authenticated under this Indenture in the space provided in the certificate of authentication for such Bond, the date of the authentication and delivery of such Bond. The Trustee's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds.

**Section 2.7. Additional Bonds.**

(a) So long as the Installment Sale Agreement is in effect and no Event of Default exists thereunder, one or more Series of Additional Bonds may be issued, authenticated and delivered upon original issuance for the purpose of: (i) financing Facilities in connection with the Program; (ii) providing funds to repair, relocate, replace, rebuild or restore an affected Facility in the event of damage, destruction or taking by eminent domain; (iii) providing additions, rehabilitation or recreational facilities to one or more Facilities, provided such additions, rehabilitation or recreational facilities constitute a "project" under the Syracuse Schools Act and the IDA Act; or (iv) refunding Outstanding Bonds. Such Series of Additional Bonds shall be payable from the Installment Purchase Payments under the Installment Sale Agreement. Prior to the issuance of a Series of Additional Bonds and the execution of a Supplemental Indenture or a Series Indenture in connection therewith (except in the case of Refunding Bonds (as defined herein), the City, the SCSD and the Agency shall enter into a license agreement or lease agreement to grant an interest in the Facilities to the Agency or an amendment to the License, as applicable, and the Agency and each of the School Parties shall enter into an amendment to the Installment Sale Agreement to subject the Facility(ies) to the Installment Sale Agreement and to provide, among other things, that the Installment Purchase Payments payable under the Installment Sale Agreement shall be increased and computed so as to amortize in full the principal of and interest on the Bonds, including such Series of Additional

Bonds. In addition, each of the School Parties and the Agency shall enter into an amendment to the Tax Compliance Documents.

(b) Each such Series of Additional Bonds shall be deposited with the Series Trustee and thereupon shall be authenticated by the Trustee. Upon payment to the Trustee of the proceeds of sale of the Additional Bonds, they shall be made available by the Trustee for pick-up by the order of the purchaser or purchasers thereof, but only upon receipt by the Trustee of:

(1) a copy of the resolution, duly certified by the Secretary of the Agency, authorizing, issuing and awarding the Additional Bonds to the purchaser or purchasers thereof and providing the terms thereof and authorizing the execution of any Supplemental Indenture or Series Indenture and any amendments of or supplements to the Tax Certificate, the License and the Installment Sale Agreement;

(2) original executed counterparts of the Supplemental Indenture or Series Indenture and an amendment of or supplement to the License and the Installment Sale Agreement, expressly providing that, to the extent applicable, for all purposes of the Supplemental Indenture or Series Indenture, the License and the Installment Sale Agreement, the Facilities referred to therein and the premises licensed pursuant to the License, as applicable, and sold under the Installment Sale Agreement, shall include the buildings, structures, improvements, machinery, equipment or other facilities being financed, and the Bonds referred to therein shall mean and include the Additional Bonds being issued as well as the Bonds now being issued and any Additional Bonds theretofore issued;

(3) a written opinion by Nationally Recognized Bond Counsel, to the effect that the issuance of the Additional Bonds and the execution thereof have been duly authorized, that all conditions precedent to the delivery thereof have been fulfilled, and that the issuance of the Additional Bonds will not cause the interest on any Series of Bonds Outstanding to become includable in gross income for federal income tax purposes;

(4) except in the case of Refunding Bonds (defined below) refunding all Outstanding Bonds, a certificate of an Authorized Representative of each of the School Parties to the effect that the License, the Arbitrage and Use of Proceeds Certificate and the Installment Sale Agreement continue in full force and effect and that there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default;

(5) to the extent applicable those documents required under the Installment Sale Agreement;

(6) an original, executed counterpart of the amendment, if any, to the Tax Compliance Documents; and

(7) a written order to the Trustee executed by an Authorized Representative of the Agency to authenticate and make available for pick-up the

Series of Additional Bonds to the purchaser or purchasers therein identified upon payment to the Trustee of the purchase price therein specified, plus accrued interest, if any.

(c) (1) Upon the request of the JSCB, one or more Series of Additional Bonds may be authenticated and made available for pick-up upon original issuance to refund (“**Refunding Bonds**”) all Outstanding Bonds or any Series of Outstanding Bonds or any part of one or more Series of Outstanding Bonds. Bonds of a Series of Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make such deposits required by the provisions of this Indenture and of the resolution authorizing said Series of Refunding Bonds. In the case of the refunding under this Section 2.7 of less than all Bonds Outstanding of any Series or of any maturity within such Series, the Trustee shall proceed to select such Bonds in accordance with Section 6.2 hereof.

(2) Refunding Bonds may be authenticated and made available for delivery only upon receipt by the Trustee (in addition to the receipt by it of the documents required by Section 2.7(b) hereof, as may be applicable) of:

(A) Irrevocable instructions from the Agency to the Trustee, satisfactory to it, to give due notice of redemption pursuant to Section 6.3 hereof to the Holders of all the Outstanding Bonds to be refunded prior to maturity on the redemption date specified in such instructions; and

(B) Either:

(i) moneys in an amount sufficient to effect payment at maturity or upon redemption at the applicable Redemption Price of the Bonds to be refunded, together with accrued interest on such Bonds to the maturity or redemption date, which moneys shall be held by the Trustee or any Paying Agent in a separate account irrevocably in trust for and assigned to the respective Holders of the Outstanding Bonds being refunded, or

(ii) Defeasance Obligations in such principal amounts, having such maturities, bearing such interest, and otherwise having such terms and qualifications, as shall be necessary to comply with the provisions of Section 10.1 hereof, and any moneys required pursuant to said Section (with respect to all Outstanding Bonds or any part of one or more series of Outstanding Bonds being refunded), which Defeasance Obligations and moneys shall be held in trust and used only as provided in said Section 10.1.

(3) The City shall furnish to the Trustee and the Agency at the time of delivery of the Series of Refunding Bonds a certificate of an independent certified public accountant stating that the Trustee and/or the Paying Agent (and/or any

escrow agent as shall be appointed in connection therewith) hold in trust the moneys or such Defeasance Obligations and moneys required to effect such payment at maturity or earlier redemption.

(d) Each Series of Additional Bonds issued pursuant to this Section shall be equally and ratably secured under this Indenture with the Series 2021A Bonds and all other Series of Additional Bonds, if any, issued pursuant to this Section, without preference, priority or distinction of any Bond over any other Bonds except as expressly provided in or permitted by this Indenture.

(e) Notwithstanding anything herein to the contrary no Series of Additional Bonds shall be issued unless the State Aid Depository Agreement, the Tax Compliance Documents and the Installment Sale Agreement are in effect and at the time of issuance there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default. Each Series of Additional Bonds shall be designated by name and by Series and shall have separate funds and accounts.

**Section 2.8. Limitation of Agency's Liability.** Anything in this Indenture, the Bonds, the Installment Sale Agreement or any other project document to the contrary notwithstanding, any obligations of the Agency under this Indenture or the Bonds or under the Installment Sale Agreement or under any other project document or related document for the payment of money shall not create a debt of the State or the City and neither the State nor the City shall be liable on any obligation so incurred, but any such obligation shall be a special obligation of the Agency secured and payable solely as provided in this Indenture.

### **Section 2.9. Book-Entry Bonds.**

(a) Except as provided in subsection (c) below, the Holder of all of the Series 2021A Bonds shall be DTC (the "**Securities Depository**") and the Series 2021A Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest for any Series 2021A Bonds registered in the name of Cede & Co. shall be made by wire transfer of New York Clearing House or equivalent same day funds to the account of Cede & Co. on the Interest Payment Date for the Series 2021A Bonds at the address indicated for Cede & Co. in the registration books of the Agency kept by the Trustee. It is anticipated that during the term of the Series 2021A Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, Redemption Price of and interest on the Series 2021A Bonds to the Participants until and unless the Trustee authenticates and delivers replacement bonds to the Beneficial Owners as described in paragraph (c) below.

(b) The Series 2021A Bonds shall be initially issued in the form of a separate single authenticated fully registered certificate for each maturity of the Series 2021A Bonds. Upon initial issuance, the ownership of such Series 2021A Bonds shall be registered in the registration books of the Agency kept by the Trustee in the name of Cede & Co., as nominee of DTC. The Trustee, the Bond Registrar, the Paying Agent and the Agency shall treat DTC (or its nominee) as the sole and exclusive Holder of the Series 2021A Bonds registered in its name for the purposes of payment of the principal or Redemption Price of or interest on the Series 2021A Bonds, selecting the Series 2021A Bonds or portions thereof to be redeemed, giving any notice

permitted or required to be given to Holders of Series 2021A Bonds under this Indenture, registering the transfer of Series 2021A Bonds, obtaining any consent or other action to be taken by Holders of the Series 2021A Bonds and for all other purposes whatsoever; and neither the Trustee, the Bond Registrar, the Paying Agent, the School Parties, nor the Agency shall be affected by any notice to the contrary. Neither the Trustee, the Bond Registrar, the Paying Agent nor the Agency shall have any responsibility or obligation to any Participant, any Person claiming a beneficial ownership interest in the Series 2021A Bonds under or through DTC or any Participant, or any other Person which is not shown on the registration books of the Trustee as being a Holder, with respect to the accuracy of any records maintained by DTC or any Participant; the payment of DTC or any Participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2021A Bonds; any notice which is permitted or required to be given to Bondholders under this Indenture or any other Security Documents; the selection by DTC or any Participant of any Person to receive payment in the event of a partial redemption of the Series 2021A Bonds; or any consent given or other action taken by DTC as Bondholder. The Trustee shall pay all principal of, redemption premium, if any, and interest on the Series 2021A Bonds only to or “upon the order of” (as that term is used in the Uniform Commercial Code as adopted in the State) DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Agency’s obligations with respect to the principal of, and redemption premium, if any, and interest on the Series 2021A Bonds to the extent of the sum or sums so paid. Except as otherwise provided in subsection (c) below, no Person other than DTC shall receive an authenticated Series 2021A Bonds certificate evidencing the obligation of the Agency to make payments of principal of, and redemption premium, if any, and interest pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Indenture with respect to transfers of Bonds, the word “Cede & Co.” in this Indenture shall refer to such new nominee of DTC.

(c) In the event the Agency determines that it is in the best interest of the Beneficial Owners that they be able to obtain Series 2021A Bonds certificates, the Agency may notify DTC and the Trustee, whereupon DTC will notify the Participants, of the availability through DTC of Series 2021A Bonds certificates. In such event, the Trustee shall issue, transfer and exchange Series 2021A Bonds certificates as requested by DTC in appropriate amounts within the guidelines set forth in this Indenture. DTC may determine to discontinue providing its services with respect to the Series 2021A Bonds at any time by giving written notice to the Agency and the Trustee and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the Agency and the Trustee shall be obligated to deliver Series 2021A Bonds certificates as described in this Indenture. In the event Series 2021A Bonds certificates are issued, the provisions of this Indenture shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of, redemption premium, if any, and interest on such certificates. Whenever DTC requests the Agency and the Trustee to do so, the Agency will direct the Trustee (at the sole cost and expense of the SCS D) to cooperate with DTC in taking appropriate action after reasonable notice: (i) to make available one or more separate certificates evidencing the Series 2021A Bonds to any DTC Participant having Series 2021A Bonds credited to its DTC account; or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2021A Bonds.

(d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Series 2021A Bonds is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, and redemption premium, if any, and interest on such Series 2021A Bonds and all notices with respect to such Series 2021A Bonds shall be made and given, respectively, to DTC as provided in the Representation Letter.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture or any other Security Document by the Agency or the Trustee with respect to any consent or other action to be taken by Bondholders, the Agency or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. Such notice to DTC shall be given only when DTC is the sole Bondholder.

(f) NEITHER THE AGENCY, THE SCHOOL PARTIES NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2021A BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; OR (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2021A BONDS.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2021A BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE SERIES 2021A BONDHOLDERS OR REGISTERED HOLDERS OF THE SERIES 2021A BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2021A BONDS.

(g) For so long as the Holder of all of the Series 2021A Bonds shall be DTC, and all Series 2021A Bonds shall be registered in the name of Cede & Co. as nominee for DTC, only DTC may tender Series 2021A Bonds upon redemption or retirement.

(h) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the City, with the consent of the Agency, which shall not be unreasonably withheld, may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Trustee upon its receipt of a Series 2021A Bond or Bonds for cancellation

shall cause the delivery of Series 2021A Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

### **ARTICLE III GENERAL TERMS AND PROVISIONS OF BONDS**

**Section 3.1. Date of Bonds.** The Series 2021A Bonds shall be dated their original date of issuance (subject to the provisions set forth below with respect to transfers and exchanges). Bonds authenticated prior to the first Interest Payment Date shall bear interest from their date. Bonds issued in exchange for or upon the registration of transfer of Bonds on or after the first Interest Payment Date thereon shall bear interest from and including the Interest Payment Date next preceding the date of the authentication thereof, unless the date of such authentication shall be an Interest Payment Date to which interest on the Bonds has been paid in full or duly provided for, in which case they shall bear interest from and including such Interest Payment Date; *provided that* if, as shown by the records of the Trustee, interest on the Bonds shall be in default, Bonds issued in exchange for or upon the registration of transfer of Bonds shall bear interest from the date to which interest has been paid in full on the Bonds, or if no interest has been paid on the Bonds, the date of the first delivery of fully executed and authenticated Bonds hereunder.

**Section 3.2. Form and Denominations.** Bonds shall be issued in fully registered form, without coupons, in the minimum denomination of \$5,000 and any integral multiple thereof not exceeding the aggregate principal amount of Bonds of the same series, maturity and interest rate as the Bond for which the denomination is to be specified. Subject to the provisions of Section 3.3 hereof, the Bonds shall be in substantially the form set forth in the recitals to this Indenture, with such variations, omissions and insertions as are permitted or required by this Indenture.

**Section 3.3. Legends.** Each Bond shall contain on the face thereof a statement to the effect that “THIS BOND SHALL NEVER CONSTITUTE A DEBT OR INDEBTEDNESS OR MORAL OBLIGATION OF THE STATE OF NEW YORK NOR OF CITY OF SYRACUSE, NEW YORK, AND NEITHER THE STATE OF NEW YORK NOR CITY OF SYRACUSE, NEW YORK SHALL BE LIABLE HEREON, NOR SHALL THIS BOND BE PAYABLE OUT OF ANY FUNDS OF THE CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY OTHER THAN THOSE PLEDGED THEREFOR.” The Bonds may in addition contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Indenture as may be necessary or desirable to comply with custom or otherwise as may be determined by the Agency prior to the delivery thereof.

**Section 3.4. Medium of Payment.** The principal or Redemption Price, if any, of, and interest on the Bonds shall be payable in any coin or currency of the United States of America which, on the respective dates of payment thereof, is legal tender for the payment of public and private debts. Such payment may be made as provided in Section 2.2 hereof.

**Section 3.5. Bond Details.** Subject to the provisions hereof, the Bonds shall be dated, shall mature in such years and such amounts, shall bear interest at such rate or rates per annum, shall be subject to redemption on such terms and conditions and shall be payable as to principal or Redemption Price, if any, and interest at such place or places as shall be specified in this

Indenture. All Bonds of a Series maturing in any particular year shall bear interest at the same rate or rates per annum.

### **Section 3.6. Interchangeability, Transfer and Registry.**

(a) Each Bond shall be transferable only upon compliance with the restrictions on transfer set forth on such Bond and only upon the books of the Agency, which shall be kept for the purpose at the principal office of the Trustee, by the registered owner thereof in person or by his duly authorized attorney-in-fact, with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, upon presentation thereof together with a written instrument of transfer in the form appearing on such Bond, duly executed by the registered owner or his duly authorized attorney-in-fact with signature guaranteed. Upon the transfer of any Bond, the Trustee shall prepare and issue in the name of the transferee one or more new Bonds of the same aggregate principal amount, Series and maturity as the surrendered Bond.

(b) Any Bond, upon surrender thereof at the corporate trust office of the Trustee with a written instrument of transfer in the form appearing on such Bond, duly executed by the registered owner or his duly authorized attorney-in-fact, with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, may, at the option of the owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series and maturity of any other authorized denominations. However, the Trustee will not be required to (i) transfer or exchange any Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Bonds to be redeemed, or (ii) transfer or exchange any Bonds selected, called or being called for redemption in whole or in part.

(c) The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent shall deem and treat the Person in whose name any Bond shall be registered as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of, and interest on such Bond and for all other purposes, and all payments made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Agency, the School Parties, the Bond Registrar, the Trustee nor any Paying Agent shall be affected by any notice to the contrary.

**Section 3.7. Bonds Mutilated, Destroyed, Stolen or Lost.** In case any Bond shall become mutilated or be destroyed, stolen or lost, the Agency shall execute, and thereupon the Trustee shall authenticate and deliver, a new Bond of like Series, maturity and unpaid principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and in substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee evidence reasonably satisfactory to it that such Bond has been destroyed, stolen or lost, and upon

furnishing the Agency and the Trustee with indemnity (an undertaking from an insurance company acceptable to the Trustee and the Agency) satisfactory to the Trustee and to the Agency and complying with such other reasonable regulations as the Trustee may prescribe and paying such expenses as the Agency and the Trustee may incur. All Bonds so surrendered to the Trustee shall be cancelled by it. Every new Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is destroyed, lost or stolen, shall, with respect to such Bond, constitute an additional contractual obligation of the Agency whether or not the destroyed, lost or stolen Bond shall be found and shall be enforceable at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder. In the event any such destroyed, stolen or lost Bond shall have matured, or be about to mature, the Agency may, instead of issuing a new Bond, cause the Trustee to pay the same without surrender thereof upon compliance with the condition in the first sentence of this Section out of moneys held by the Trustee and available for such purpose. All Bonds shall be held and owned upon the express condition (to the extent lawful) that the foregoing provisions are exclusive with respect to the replacement or payment of any mutilated, destroyed or lost or stolen Bond and shall preclude any and all other rights and remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

**Section 3.8. Cancellation and Destruction of Bonds.** All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds shall thereupon be promptly cancelled. Bonds so cancelled shall be destroyed by the Trustee.

**Section 3.9. Requirements With Respect to Transfers.** In all cases in which the privilege of transferring Bonds is exercised, the Agency shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such transfer shall forthwith be cancelled by the Trustee. For every such transfer of Bonds, the Agency or the Trustee may, as a condition precedent to the privilege of making such transfer, make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer and may charge a sum sufficient to pay the cost of preparing each new Bond issued upon such transfer, which sum or sums shall be paid by the Person requesting such transfer.

**Section 3.10. Bond Registrar.** The Trustee shall also be Bond Registrar for the Bonds, and shall maintain a register showing the names of all registered Holders of Bonds, Bond numbers and amounts, and other information appropriate to the discharge of its duties hereunder. The Trustee shall make available to the City and the SCSD for its inspection during normal business hours the registration books for the Bonds, as may be requested by the City and the SCSD in connection with any purchase or tender offer by one or both of them with respect to the Bonds.

Selection of Bonds to Be Redeemed.** In the event of redemption of less than all the Outstanding Bonds of the same Series and maturity for which there is more than one registered Bond, the particular Bonds or portions thereof to be redeemed shall be selected by the Trustee in such manner as the Trustee in its discretion may deem fair. In the event of redemption of less than all the Outstanding Bonds of the same Series stated to mature on different dates, the principal amount of such Series of Bonds to be redeemed shall be applied in such order of maturity as shall be directed by an Authorized Representative of the City delivered to the Trustee, or, in the absence of any such direction, inverse order of maturity of the Outstanding Series of Bonds to be redeemed and randomly within a maturity; provided, however, that in the case of any redemption of a Series of Bonds in accordance with Section 2.3(b) hereof, the Authorized Representative of the City shall select the Bonds to be redeemed only (x) in inverse order of maturity, or (y) proportionately to each Outstanding maturity of such Series of Bonds. If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Bond shall forthwith surrender such Bond to the Trustee for: (a) payment to such Holder of the Redemption Price of the unit or units of principal amount called for redemption; and (b) delivery to such Holder of a new Bond or Bonds of such Series in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of the same Series and maturity representing the unredeemed balance of the principal amount of such Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Bond of a denomination greater than a unit shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

**Section 6.3. Notice of Redemption.** When redemption of any Bonds is requested or required pursuant to this Indenture, the Trustee shall give notice of such redemption in the name of the Agency, specifying the name of the Series, CUSIP number, Bond numbers, the date of original issue of such Series, the date of mailing of the notice of redemption, maturities, interest rates and principal amounts of the Bonds or portions thereof to be redeemed, the redemption date, the Redemption Price, and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at the Trustee) and specifying the principal amounts of the Bonds or portions thereof to be payable and, if less than all of the Bonds of any maturity are to be redeemed, the numbers of such Bonds or portions thereof to be so redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond or portion thereof to be redeemed the Redemption Price thereof together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice may set forth any

additional information relating to such redemption. The Trustee, in the name and on behalf of the Agency: (i) shall mail a copy of such notice by first class mail, postage prepaid, not more than sixty (60) nor less than thirty (30) days prior to the date fixed for redemption, to the registered owners of any Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registration books, but any defect in such notice shall not affect the validity of the proceedings for the redemption of such Series of Bonds with respect to which proper mailing was effected; and (ii) cause notice of such redemption to be sent to Electronic Municipal Market Access (“EMMA”) or, if EMMA is no longer operational, another similar national information service that disseminates redemption notices. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. In the event of a postal strike, the Trustee shall give notice by other appropriate means selected by the Trustee in its discretion.

If notice of redemption shall have been given as aforesaid, the Bonds of such Series called for redemption shall become due and payable on the redemption date. Upon presentation and surrender of the Bonds of such Series so called for redemption at the place or places of payment, such Series of Bonds shall be redeemed.

#### **Section 6.4. Payment of Redeemed Bonds.**

(a) Notice having been given in the manner provided in Section 6.3 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption dates so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date. If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Paying Agents so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date: (i) interest on the Bonds or portions thereof so called for redemption shall cease to accrue and become payable; (ii) the Bonds or portions thereof so called for redemption shall cease to be entitled to any lien, benefit or security under this Indenture; and (iii) the Holders of the Bonds or portions thereof so called for redemption shall have no rights in respect thereof, except to receive payment of the Redemption Price together with interest accrued to the redemption date. If said moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

(b) Payment of the Redemption Price plus interest accrued to the redemption date shall be made to or upon the order of the registered owner only upon presentation of such Bonds for cancellation and exchange as provided in Section 6.5 hereof; provided, however, that any Holder of at least \$1,000,000 in aggregate principal amount of Bonds may, by written request to the Trustee, direct that payments of Redemption Price and accrued interest to the date of redemption be made by wire transfer as soon as practicable in federal funds at such wire transfer address as the owner shall specify to the Trustee in such written request.

**Section 6.5. Cancellation of Redeemed Bonds.**

(a) All Bonds redeemed in full under the provisions of this Article, or purchased in lieu of mandatory redemption, shall forthwith be cancelled and destroyed and no Bonds shall be executed, authenticated or issued hereunder in exchange or substitution therefor, or for or in respect of any paid portion of a Bond.

(b) If there shall be drawn for redemption less than all of a Bond, as described in Section 6.2 hereof, the Agency shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, a Bond or Bonds of like Series and maturity in any of the authorized denominations.

**Section 6.6 No Partial Redemption After Default.** Anything in this Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default hereunder, there shall be no redemption of less than all of the Bonds Outstanding other than a redemption pursuant to Section 2.3(b) hereof unless there shall have been delivered to the Trustee an opinion of Nationally Recognized Bond Counsel that the failure to redeem Bonds to the extent of proceeds described in Section 2.3(b) hereof shall not have an adverse effect on the tax-exempt status of interest on the Bonds.

## ARTICLE VII PARTICULAR COVENANTS

**Section 7.1. Agency's Obligations Not to Create a Pecuniary Liability.** Each and every covenant herein made, including all covenants made in the various sections of this Article VII, is predicated upon the condition that any obligation for the payment of money incurred by the Agency shall not create a debt of the State nor the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Agency other than those pledged therefor but shall be payable by the Agency solely from the Installment Purchase Payments pledged to the payment thereof in the manner and to the extent in this Indenture specified and nothing in the Bonds, in the Installment Sale Agreement, in this Indenture or in any other Project Document shall be considered as pledging any other funds or assets of the Agency.

**Section 7.2. Payment of Principal and Interest.** The Agency covenants that it will from the sources herein contemplated promptly pay or cause to be paid the principal of and interest on the Bonds, and the Redemption Price, if any, together with interest accrued thereon to the date of redemption, at the place, on the dates and in the manner provided in this Indenture and in the Bonds according to the true intent and meaning thereof. All covenants, stipulations, promises, agreements and obligations of the Agency contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, director, employee or agent thereof in his individual capacity, and no resort shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or the Redemption Price, if any, together with interest accrued thereon to the date of redemption or for any claim based thereon or hereunder against any such member, officer, director, employee or agent or against any natural person executing the Bonds. Neither the Bonds, the principal thereof, the interest thereon, nor the Redemption Price thereof, if any, together with interest accrued thereon to the date of redemption, shall ever constitute a debt of the State or of the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Agency other than those pledged therefor. The Agency shall not be required under this Indenture or the Installment Sale Agreement or any other Security Document to expend any of its funds other than (i) the proceeds of the Bonds, (ii) the Installment Purchase Payments pledged to the payment of the Bonds, and (iii) any income or gains therefrom.

**Section 7.3. Performance of Covenants; Authority.** The Agency covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings pertaining thereto. The Agency covenants that it is duly authorized under the Constitution and laws of the State, including particularly and without limitation the IDA Act and the Syracuse Schools Act, to issue the Bonds authorized hereby and to execute this Indenture, to sell its interest in the Facilities pursuant to the Installment Sale Agreement, to assign the Installment Sale Agreement and to pledge the Installment Purchase Payments hereby pledged in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture have been duly and effectively taken; and that the Bonds in the hands of the Holders thereof are and will be the valid and enforceable special obligations of the Agency according to the import thereof.

**Section 7.4. Books and Records; Certificate as to Defaults.** The Agency and the Trustee each covenants and agrees that, so long as any of the Bonds shall remain Outstanding, proper books of record and account will be kept showing complete and correct entries of all transactions relating to the Series 2021A Project and the Facilities, and that the School Parties and the Holders of any of the Bonds shall have the right at all reasonable times to inspect all records, accounts and data relating thereto. In this regard, so long as the Installment Sale Agreement is in full force and effect, records furnished by the Agency, and the School Parties to, or kept by, the Trustee in connection with its duties as such shall be deemed to be in compliance with the Agency's obligations under this Section 7.4. Within thirty (30) days after receiving the certificate from School Parties as provided in Section 7.16(a) of the Installment Sale Agreement, the Trustee shall render to the Agency and the City a statement that moneys received by the Trustee pursuant to the Installment Sale Agreement were applied by it to the payment of the principal or Redemption Price, if any, of, and interest on the Bonds, at the place, on the dates and in the manner provided in this Indenture and that the Trustee has no knowledge of any defaults under this Indenture or the Installment Sale Agreement or any other Security Document or specifying the particulars of such known defaults which may exist.

**Section 7.5. The Installment Sale Agreement.** It is understood and agreed that the Agency's interest in the Facilities has been sold to the City under the License and the SCSD under the Installment Sale Agreement. An executed copy of the Installment Sale Agreement will be on file in the office of the Agency and in the principal corporate trust office of the Trustee. Reference is hereby made to the Installment Sale Agreement for a detailed statement of the terms and conditions thereof and for a statement of the rights and obligations of the parties thereunder. All covenants and obligations of the School Parties under the Installment Sale Agreement shall be enforceable either by the Agency or by the Trustee, to whom, in its own name or in the name of the Agency, is hereby granted the right, to the extent provided therefor in this Section 7.5 and subject to the provisions of Section 9.2 hereof, to enforce all rights of the Agency and all obligations of the School Parties under the Installment Sale Agreement, whether or not the Agency is enforcing such rights and obligations. The Trustee shall take such action in respect of any matter as is provided to be taken by it in the Installment Sale Agreement upon compliance or noncompliance by the School Parties and the Agency to the same.

**Section 7.6. Creation of Liens; Indebtedness; Sale of Facilities.** Except to the extent contemplated in the last paragraph of Section 5.4 hereof with respect to the issuance of Project Bonds under a Series Indenture other than this Indenture, the Agency shall not create or suffer to be created, or incur or issue any evidences of indebtedness secured by, any lien or charge upon or pledge of the Trust Estate, except the lien, charge and pledge created by this Indenture, the Pledge and Assignment, and the Installment Sale Agreement. The Agency further covenants and agrees not to sell (except pursuant to the Installment Sale Agreement), convey, transfer, lease, mortgage or encumber the real property constituting part of the Facilities or any of them or any part of such real property, except as specifically permitted under this Indenture and the Installment Sale Agreement, so long as any of the Bonds are Outstanding. The Agency shall have no pecuniary liability for its covenants set forth in this Indenture, including under this Section 7.6.

**Section 7.7. Instruments of Further Assurance.** The Agency covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and

delivered, such Supplemental Indentures and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all and singular the property described herein, subject to the liens, pledge and security interests of this Indenture and the Installment Purchase Payments pledged hereby to the payment of the principal or Redemption Price, if any, of, and interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien, pledge and security interest hereof shall ipso facto, and without any further conveyance, assignment or act on the part of the Agency or the Trustee, become and be subject to the liens, pledge and security interests of this Indenture as fully and completely as though specifically described herein and therein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Agency heretofore made by this Section 7.7.

**Section 7.8. Recording and Filing.** The Pledge and Assignment shall be recorded and filed by the Agency in the appropriate office of the Clerk of Onondaga County, New York or in such other office as may be at the time provided by law as the proper place for the recordation thereof. The security interest of the Trustee created by this Indenture in the property, rights and interests herein and therein described, shall be perfected by the filing by the Agency in the office of the Secretary of State of the State in the City of Albany, New York, and in the office of such Clerk, of financing statements which fully comply with the New York State Uniform Commercial Code-Secured Transactions. This Indenture and the Pledge and Assignment shall be re-recorded, re-filed and re-indexed at the written direction of the City whenever in the Opinion of Counsel such action is necessary to preserve the lien and security interest hereof; and in addition, such financing or continuation statements as in the Opinion of Counsel become necessary to preserve the lien and security interest of this Indenture shall be filed by the Trustee at the written direction of the City in said office of the Secretary of State and in the office of such Clerk. Any such re-recordings, re-indexings, filings or re-filings shall be prepared by the City and accompanied with any fees or requisite charges.

The Agency and the Trustee mutually covenant and agree to take such action (including, as applicable, the filing of all New York State Uniform Commercial Code-Secured Transactions financing statements and continuation statements thereof) in accordance with the aforesaid direction of the City as shall be necessary from time to time to preserve the priority of the pledge by the Indenture of the Trust Estate under applicable law. Any action taken by the Agency under this Section 7.8 shall be taken only upon the request of the Trustee and at no cost to the Agency.

All costs (including reasonable attorneys' fees) incurred in connection with the effecting of the requirements specified in this Section shall be paid by the City and/or the SCSD.

**Section 7.9. Records Held by the Trustee.** Upon reasonable written request, the Trustee shall make available to the School Parties for its inspection during normal business hours, its records with respect to the Series 2021A Project and the Facilities.

**Section 7.10. Agency Tax Covenant.** The Agency covenants that it shall not take any action within its control, nor refrain from taking any action reasonably requested by the School Parties or the Trustee, which would cause the interest on the Bonds to become includable in

gross income for federal income tax purposes; provided, however, the breach of this covenant shall not result in any pecuniary liability of the Agency and the only remedy to which the Agency shall be subject shall be specific performance.

**Section 7.11. Annual Report of Trustee.** Within thirty (30) days after the end of each calendar year, the Trustee shall deliver to the Agency a statement of the payment status of the Bonds effective as of February 28 of the calendar year just ended, which statement shall include the then current principal balance of the Bonds, the interest rate accruing thereon, an amortization schedule for the repayment of the balance of the Bonds and such other information as the Agency may reasonably require.

## **ARTICLE VIII EVENTS OF DEFAULT; REMEDIES OF BONDHOLDERS**

### **Section 8.1. Events of Default; No Acceleration of Due Date.**

(a) Each of the following events is hereby defined as and shall constitute an “Event of Default”:

(1) Failure to duly and punctually pay the interest on any Bond when the same shall become due and payable;

(2) Failure to duly and punctually pay the principal or redemption premium, if any, of any Bonds, when the same shall become due and payable, whether at the stated maturity thereof or upon proceedings for redemption thereof or otherwise, or interest accrued thereon to the date of redemption after notice of redemption therefor or otherwise;

(3) Failure of the Agency to observe or perform any covenant, condition or agreement in the Bonds or hereunder on its part to be performed (except as set forth in Section 8.1(a)(1) or (2) hereof) and (A) continuance of such failure for a period of thirty (30) days after receipt by the Agency and the School Parties of written notice specifying the nature of such default from the Trustee or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, or (B) if by reason of the nature of such default the same can be remedied, but not within the said thirty (30) days, the Agency or the School Parties fail to proceed with reasonable diligence after receipt of said notice to cure the same or fails to continue with reasonable diligence its efforts to cure the same; and

(4) The occurrence of an “Event of Default” under Section 8.1(c) of the Installment Sale Agreement.

(b) In no event shall the principal of any Bond be declared due and payable in advance of its final stated maturity, anything in this Indenture or in any of the Bonds contained to the contrary notwithstanding.

## **Section 8.2. Enforcement of Remedies.**

(a) Subject to Section 8.1(b) hereof, upon the occurrence and continuance of any Event of Default, then and in every case the Trustee may proceed and, upon the written request of the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding to protect and enforce its rights and the rights of the Bondholders under the IDA Act, the Syracuse Schools Act, the Bonds, the Installment Sale Agreement, this Indenture and under any other Security Document forthwith by such suits, actions or special proceedings in equity (including mandamus) or at law, or by proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in this Indenture or in any other Security Document or in aid of the execution of any power granted in this Indenture or in any other Security Document or in the IDA Act or the Syracuse Schools Act or for the enforcement of any legal or equitable rights or remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights or to perform any of its duties under this Indenture or under any other Security Document. In addition to any rights or remedies available to the Trustee hereunder or elsewhere, upon the occurrence and continuance of an Event of Default the Trustee may take such action, without notice or demand, as it deems advisable, to the extent permitted by law.

(b) In the enforcement of any right or remedy under this Indenture, under any other Security Document, under the IDA Act or under the Syracuse Schools Act, the Trustee shall be entitled to sue for, enforce payment on and receive any or all amounts then or during any default becoming, and any time remaining, due from the Agency, for principal, interest, Redemption Price, or otherwise, under any of the provisions of this Indenture, of any other Security Document or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in the Bonds, together with any and all costs and expenses of collection and of all proceedings under this Indenture, under any such other Security Document and under the Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce judgment or decree against the Agency, but solely as provided in this Indenture and in the Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys in the Bond Fund and other moneys available therefor to the extent provided in this Indenture) in any manner provided by law, the moneys adjudged or decreed to be payable. The Trustee shall file proof of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Bondholders allowed in any judicial proceedings relative to the School Parties or the Agency or their creditors or property.

(c) Regardless of the occurrence of an Event of Default, the Trustee, if requested in writing by the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and in each case furnished with reasonable security and indemnity, shall institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under this Indenture or under any other Security Document by any acts which may be unlawful or in violation of this Indenture or of such other Security Document or of any resolution authorizing any Bonds, and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders; provided, that such request shall not be

otherwise than in accordance with the provisions of law and of this Indenture and shall not be unduly prejudicial to the interests of the Holders of the Bonds not making such request.

### **Section 8.3. Application of Revenues and Other Moneys After Default.**

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article or under any other Security Document shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, be deposited in the Bond Fund and all moneys so deposited and available for payment of the Bonds shall be applied, subject to Section 9.4 hereof, as follows:

*First:* To the payment to the Persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege; and

*Second:* To the payment to the Persons entitled thereto of the unpaid principal or Redemption Price, if any, of any of the Bonds or principal installments which shall have become due (other than Bonds or principal installments called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds, at the rate or rates expressed thereon, from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full Bonds or principal installments due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

After payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, the funds realized following the occurrence of an Event of Default shall be applied *first*, as provided in paragraph First and Second of this Section 8.3(a), *second*, to pay any amounts which the School Parties are required to rebate to the federal government pursuant to the Indenture and the Tax Compliance Documents, *third*, to satisfy any obligation of the SCSD under Section 4.3 of the Installment Sale Agreement, *fourth*, to satisfy any obligation of the JSCB and the SCSD under Section 5.5 of the Installment Sale Agreement, and *fifth*, to satisfy any other obligations of the School Parties under the Installment Sale Agreement. Nothing contained in this Section 8.3 shall be deemed to modify the application of state and/or school aid payable to the City or the SCSD pursuant to Section 5.4 hereof.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date upon which such application is to be made

and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such written notice to all Bondholders promptly upon receipt of the deposit with it of any such moneys of such deposit and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

**Section 8.4. Actions by Trustee.** All rights of actions under this Indenture, under any other Security Document or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 8.3 hereof, be for the equal benefit of the Holders of the Outstanding Bonds.

**Section 8.5. Majority Bondholders Control Proceedings.** The Holders of a majority in aggregate principal amount of the Bonds then Outstanding, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

**Section 8.6. Individual Bondholder Action Restricted.**

(a) No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provisions of this Indenture or of any other Security Document or the execution of any trust under this Indenture or for any remedy under this Indenture or under any other Security Document, unless such Holder shall have previously given to the Trustee written notice of the occurrence of an Event of Default as provided in this Article, and the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity either to exercise the powers granted in this Indenture or in such other Security Document or by the IDA Act or the Syracuse Schools Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his, its or their action to affect, disturb or prejudice the pledge created by this Indenture, or to enforce any right under this Indenture except in the manner herein provided; and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner provided in this Indenture and, subject to the provisions of Sections 8.3 and 8.5 hereof, be for the equal benefit of all Holders of the Outstanding Bonds, to the extent permitted by law.

(b) Nothing in this Indenture, in any other Security Document or in the Bonds contained shall affect or impair the right of any Bondholder to payment of the principal or

Redemption Price, if applicable, of, and interest on any Bond at and after the maturity thereof, or the obligation of the Agency to pay the principal or Redemption Price, if applicable, of, and interest on each of the Bonds to the respective Holders thereof at the time, place, from the source and in the manner herein and in said Bonds expressed.

**Section 8.7. Effect of Discontinuance of Proceedings.** In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case, the Agency, the Trustee and the Bondholders shall be restored, respectively, to their former positions and rights hereunder, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

**Section 8.8. Remedies Not Exclusive.** No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the Holders of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under this Indenture or now or hereafter existing at law or in equity or by statute.

**Section 8.9. Delay or Omission.** No delay or omission of the Trustee, of any Holder of the Bonds to exercise any right or power arising upon any default shall impair any right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Article to the Trustee and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient by the Trustee, by the Bondholders.

**Section 8.10. Notice of Default.** The Trustee shall promptly mail to the Agency, to registered Holders of Bonds and to the School Parties by registered or certified mail, postage prepaid, return receipt requested, written notice of the occurrence of any Event of Default. The Trustee shall not, however, be subject to any liability to any Bondholder by reason of its failure to mail any notice required by this Section.

**Section 8.11. Waivers of Default.** The Trustee shall waive any default hereunder and its consequences only upon the written request of the Holders of at least a majority in aggregate principal amount of all the Bonds then Outstanding; provided, however, that there shall not be waived without the consent of the Holders of all the Bonds Outstanding (a) any default in the payment of the principal of any Outstanding Bonds at the date specified therein or (b) any default in the payment when due of the interest on any such Bonds, unless, prior to such waiver, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest in respect of which such default shall have occurred, and all arrears of payment of principal when due, as the case may be, and all expenses of the Trustee and reasonable legal fees and expenses in connection with such default shall have been paid or provided for, and in case of any such waiver, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then and in every such case the Agency, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other default, or impair any right consequent thereon.

**ARTICLE IX  
TRUSTEE AND PAYING AGENTS**

**Section 9.1. Appointment and Acceptance of Duties.**

(a) Manufacturers and Traders Trust Company, Buffalo, New York, is hereby appointed as Trustee. The Trustee shall signify its acceptance of the duties and obligations of the Trustee hereunder and under each Security Document by executing this Indenture and agrees to perform said trusts as a corporate trustee ordinarily would under a corporate mortgage subject to the express terms and conditions herein. All provisions of this Article IX shall be construed as extending to and including all the rights, duties and obligations imposed upon the Trustee under the Installment Sale Agreement and under any other Security Document to which it shall be a party as fully for all intents and purposes as if this Article IX were contained in the Installment Sale Agreement and each such other Security Document.

(b) Manufacturers and Traders Trust Company, Buffalo, New York, is hereby appointed as Paying Agent for the Bonds. The Agency may also from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 9.9 hereof for the appointment of a successor Paying Agent. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Agency, and in the case of all Paying Agents other than the Trustee, to the Trustee a written acceptance thereof. The principal offices of the Paying Agents are designated as the respective offices or agencies of the Agency for the payment of the principal or Redemption Price, if any, of, and interest on the Bonds.

**Section 9.2. Indemnity.** The Trustee shall be under no obligation to institute any suit, or to take any remedial action under this Indenture or under any other Security Document or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers under this Indenture, or under any other Security Document, until it shall be indemnified to its satisfaction against any and all reasonable compensation for services, costs and expenses, outlays, and counsel fees and other disbursements, and against all liability not due to its willful misconduct, unlawful conduct or gross negligence.

**Section 9.3. Responsibilities of Trustee.**

(a) The Trustee shall have no responsibility in respect of the validity or sufficiency of this Indenture or of any other Security Document or the security provided hereunder or thereunder or the due execution of this Indenture by the Agency, or the due execution of any other Security Document by any party (other than the Trustee) thereto, or in respect of any interest in or the value of the Facilities, or in respect of the validity of the Bonds authenticated and delivered by the Trustee in accordance with this Indenture or to see to the recording or filing of this Indenture or any other document or instrument whatsoever except as otherwise provided in Section 7.8 hereof. The recitals, statements and representations contained in this Indenture and in the Bonds shall be taken and be construed as made by and on the part of the Agency and not by the Trustee, and the Trustee does not assume any responsibility for the

correctness of the same; provided, however, that the Trustee shall be responsible for its representation contained in its certificate on the Bonds.

(b) The Trustee shall not be liable or responsible because of the failure of the Agency to perform any act required of it by this Indenture or because of the loss of any moneys arising through the insolvency or the act or default or omission of any depository other than itself in which such moneys shall have been deposited under this Indenture or the Tax Compliance Documents. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, invested, withdrawn or transferred in accordance with this Indenture or the Tax Compliance Documents or for any loss resulting from any such investment. The Trustee shall not be liable in connection with the performance of its duties under the Installment Sale Agreement, under this Indenture or the Tax Compliance Documents or under any other Security Document except for its own willful misconduct or gross negligence. The immunities and exemptions from liability of the Trustee shall extend to its directors, officers, employees, agents and servants and persons under the Trustee's control or supervision.

(c) The Trustee, prior to the occurrence of an Event of Default and after curing of all Events of Default which may have occurred, if any, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise as a prudent man would exercise under the circumstances in the conduct of his own affairs. The Trustee shall not be charged with knowledge of the occurrence of an Event of Default unless, (i) the Trustee has not received payment of any amount required to be remitted to the Trustee under the Installment Sale Agreement or any other Security Document, (ii) an officer in the corporate trust department of the Trustee has actual knowledge thereof, or (iii) a Responsible Officer of the Trustee has received written notice thereof from the City and/or the SCSD, the Agency or any Bondholder.

(d) The Trustee shall execute all instruments required by it by Section 7.8 hereof at the expense of the SCSD.

(e) The Trustee shall prepare and deliver to the Depository Bank each certificate required of the Trustee pursuant to Sections 202(e) and 202(f) of the State Aid Depository Agreement. The Trustee shall otherwise comply with and perform the requirements imposed on the Trustee under the State Aid Depository Agreement.

(f) The Trustee shall on the same date as it shall render the statement required of it by Section 7.4 of this Indenture, make annual reports to the Agency and the School Parties of all moneys received and expended during the preceding year by it under this Indenture and of any Event of Default known to it under the Installment Sale Agreement or this Indenture or under any other Security Document.

(g) In performing its duties and obligations under the Tax Compliance Documents, the Trustee shall not be required to make any payment of a Rebate Requirement or any transfer of funds or take any other action required to be taken thereunder except upon the

receipt of a written certificate of direction of an Authorized Representative of the City delivered to the Trustee in accordance with the terms of the Tax Compliance Documents. Notwithstanding any provision of the Tax Compliance Documents or any other Security Document, nothing in the Tax Compliance Documents, either expressed or implied, shall be deemed to impose upon the Trustee any responsibility for the legal sufficiency of the Tax Compliance Documents to effect compliance with the Code.

**Section 9.4. Compensation.** The Trustee, the Bond Registrar and the Paying Agents shall be entitled to receive and collect from the City and/or the SCSD as provided in the Installment Sale Agreement payment or reimbursement for reasonable fees for all services rendered hereunder and under each other Security Document and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee, the Bond Registrar or the Paying Agents in connection therewith. Upon and following an Event of Default, but only while there remains an Event of Default that has not been cured or waived, the Trustee, the Bond Registrar and the Paying Agents shall have a first right of payment prior to payment on account of the principal of or interest on any Bonds, upon the revenues (but not including any amounts derived from the Bond Insurance Policy or held by the Trustee under Sections 5.4, 10.1 or 13.2 hereof) for the foregoing advances, fees, costs and expenses incurred.

**Section 9.5. Evidence on Which Trustee May Act.**

(a) In case at any time it shall be necessary or desirable for the Trustee to make any investigation respecting any fact preparatory to taking or not taking any action, or doing or not doing anything, as such Trustee, and in any case in which this Indenture provides for permitting or taking any action, it may rely upon any certificate required or permitted to be filed with it under the provisions of this Indenture, and any such certificate shall be evidence of such fact to protect it in any action that it may or may not take, or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact.

(b) The Trustee may conclusively rely and shall be fully protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Indenture (except for the Trustee's own willful misconduct, unlawful conduct or gross negligence), upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person, or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or, at the sole cost and expense of the City and/or the SCSD, and upon the written opinion of any attorney (who may be an attorney for the Agency or an employee of the City and/or the SCSD), engineer, appraiser, architect or accountant believed by the Trustee to be qualified in relation to the subject matter.

**Section 9.6. Trustee and Paying Agents May Deal in Bonds.** Any national banking association, bank or trust company acting as a Trustee or Paying Agent, and its directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the Bonds, and may join in any action which any Bondholder may be entitled to take with like effect as if such association, bank or trust company were not such Trustee or Paying Agent.

**Section 9.7. Resignation or Removal of Trustee.** The Trustee may resign and thereby become discharged from the trusts created under this Indenture for any reason by giving written notice by first class mail, postage prepaid, to the Agency, to the School Parties and to the Holders of all Bonds not less than sixty (60) days before such resignation is to take effect, but such resignation shall not take effect until the appointment and acceptance thereof of a successor Trustee pursuant to Section 9.8 hereof.

The Trustee may be removed at any time by an instrument or concurrent instruments in writing filed with the Trustee and signed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized. Such removal shall become effective either upon the appointment and acceptance of such appointment by a successor Trustee or at the date specified in the instrument of removal. The Trustee shall promptly give notice of such filing to the Agency and the School Parties. No removal shall take effect until the appointment and acceptance thereof of a successor Trustee pursuant to Section 9.8 hereof.

**Section 9.8. Successor Trustee.**

(a) If at any time the Trustee shall resign or shall be removed effective prior to the appointment and acceptance of a successor Trustee, be dissolved or otherwise become incapable of acting or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator thereof, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of Trustee shall thereupon become vacant. If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason or if the Trustee shall resign, the School Parties shall cooperate with the Agency and the Agency shall appoint a successor Trustee and shall use its best efforts to obtain acceptance of such trust by the successor Trustee within sixty (60) days from such vacancy or notice of resignation. Within twenty (20) days after such appointment and acceptance, the Agency shall notify in writing the School Parties and the Holders of all Bonds.

(b) In the event of any such vacancy or resignation and if a successor Trustee shall not have been appointed within sixty (60) days of such vacancy or notice of resignation, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding, by an instrument or concurrent instruments in writing, signed by such Bondholders or their attorneys-in-fact thereunto duly authorized and filed with the Agency, may appoint a successor Trustee which shall, immediately upon its acceptance of such trusts, and without further act, supersede the predecessor Trustee. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section 9.8, within 120 days of such vacancy or notice of resignation, the Holder of any Bond then Outstanding, the Agency or any retiring Trustee or the School Parties may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

(c) Any Trustee appointed under this Section shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States authorized to exercise corporate trust powers under the laws of the State and authorized by law and its charter to perform all the duties imposed upon it by this Indenture and each other

Security Document. Any entity acting as successor Trustee shall also act as Depository Bank under the State Aid Depository Agreement.

(d) Every successor Trustee shall execute, acknowledge and deliver to its predecessor, and also to the Agency, an instrument in writing accepting such appointment, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers and trusts, and subject to all the duties and obligations, of its predecessor, with like effect as if originally named as such Trustee; but such predecessor shall, nevertheless, on the written request of its successor or of the Agency, and upon payment of the compensation, expenses, charges and other disbursements of such predecessor which are due and payable pursuant to Section 9.4 hereof, execute and deliver an instrument transferring to such successor Trustee all the estate, properties, rights, immunities, powers and trusts of such predecessor; and every predecessor Trustee shall deliver all property and moneys, together with a full accounting thereof, held by it under this Indenture to its successor. Should any instrument in writing from the Agency be required by any successor Trustee for more fully and certainly vesting in such Trustee the estate, properties, rights, immunities, powers and trusts vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall, on request, be executed, acknowledged and delivered by the Agency. Any successor Trustee shall promptly notify other Notice Parties of its appointment as Trustee.

(e) Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States and shall be authorized by law and its charter to perform all the duties imposed upon it by this Indenture and each other Security Document shall be the successor to such Trustee without the execution or filing of any paper or the performance of any further act.

#### **Section 9.9. Resignation or Removal of Paying Agent; Successor.**

(a) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least sixty (60) days' prior written notice to the other Notice Parties. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by the Agency. Any successor Paying Agent shall be appointed by the Agency, with the approval of the Trustee, and shall be a commercial bank or trust company duly organized under the laws of any state of the United States or a national banking association, having a capital stock and surplus aggregating at least \$40,000,000, having an investment grade rating (y) if the Bonds are rated by Moody's of at least "Baa3" or "P-3" or be otherwise acceptable to Moody's, and (z) if the Bonds are rated by S&P, of at least "BBB-" or "A-3" or be otherwise acceptable to S&P, and willing and able to accept the office on

reasonable and customary terms and authorized by law and its charter to perform all the duties imposed upon it by this Indenture.

(b) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

#### **Section 9.10. Appointment of Co-Trustee.**

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or under any other Security Document, and in particular in case of the enforcement of any such documents on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional institution as a separate trustee or co-trustee at the expense of the City and the SCSD. The following provisions of this Section are adapted to these ends.

(b) In the event that the Trustee appoints an additional institution as a separate trustee or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate trustee or co-trustee but only to the extent necessary to enable such separate trustee or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate trustee or co-trustee shall run to and be enforceable by either of them. Such co-trustee may be removed by the Trustee at any time, with or without cause.

(c) Should any instrument in writing from the Agency be required by the separate trustee or co-trustee so appointed or removed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Agency. In case any separate trustee or co-trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

promptly following, the effective date of: (i) the appointment of any successor Trustee; (ii) any amendments to the Security Documents; or (iii) the redemption in whole or other payment in full of the Bonds. The Trustee agrees to inform the rating agencies of the above as a matter of courtesy and accommodation. However, the Trustee shall have no liability or obligation to the rating agencies or to any other Person in the event that it should fail to furnish any such information.

### **Section 10.1. Defeasance.**

At the time of such cessation, termination, discharge and satisfaction, the Trustee and the Paying Agents shall pay over or deliver to the City for the benefit of the SCSD or on its order all moneys or securities held by them pursuant to this Indenture which are not required: (i) for the payment of principal or Redemption Price, if applicable, or interest on Bonds not theretofore surrendered for such payment or redemption; (ii) for the payment of all such other amounts due or to become due under the Security Documents; or (iii) for the payment of any amounts to the federal government under the Tax Compliance Documents or this Indenture.

(b) Bonds or interest installments for the payment or redemption of which moneys (and/or Defeasance Obligations which shall not be subject to call or redemption or prepayment prior to maturity and the full and timely payment of the principal of and interest on which when due, together with the moneys, if any, set aside at the same time, will provide funds sufficient for such payment or redemption) shall then be set aside and held in trust by the Trustee or Paying Agents, whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section, if: (i) in case any such Bonds are to be redeemed prior to the maturity thereof, all action necessary to redeem such Bonds shall have been taken and notice of such redemption shall have been duly given or provision satisfactory under the requirements of this Indenture to the Trustee shall have been made for the giving of such notice; and (ii) if the maturity or redemption date of any such Bond shall not then have arrived, provision shall have been made by deposit with the Trustee or other methods satisfactory to the Trustee for the payment to the Holders of any such Bonds upon surrender thereof of the full amount to which they would be entitled by way of principal or Redemption Price and interest and all other

amounts then due under the Security Documents to the date of such maturity or redemption, and provision satisfactory to the Trustee shall have been made for the mailing of a notice to the Holders of such Bonds that such moneys are so available for such payment.

(c) Prior to any defeasance becoming effective as provided in Section 10.1(b) above, there shall have been delivered to the Agency and to the Trustee (A) an opinion of Nationally Recognized Bond Counsel addressed to, and acceptable in form and substance to, the Agency and the Trustee and to the effect that interest on any Bonds being discharged by such defeasance will not become subject to federal income taxation by reason of such defeasance, and that the Bonds being defeased are no longer “Outstanding” under the Indenture, (B) a verification report from an independent certified public accountant or firm of independent certified public accountants or other recognized consultant or verification agent (in each case reasonably acceptable to the Agency and to the Trustee and to the effect that the moneys and/or Defeasance Obligations are sufficient, without reinvestment, to pay the principal of, interest on, and redemption premium, if any, of the Bonds to be defeased on the maturity or redemption date, as applicable, (C) an escrow deposit agreement (reasonably acceptable to the Agency and the Trustee and (D) a certificate of discharge of the Trustee with respect to the Bonds being defeased.

## **ARTICLE XI AMENDMENTS OF INDENTURE**

**Section 11.1. Limitation on Modifications.** This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article.

### **Section 11.2. Supplemental Indentures Without Bondholders’ Consent.**

(a) The Agency and the Trustee may, from time to time and at any time, enter into Supplemental Indentures without consent of the Bondholders, for any of the following purposes:

(1) To cure any formal defect, omission or ambiguity in this Indenture or in any description of property subject to the lien hereof, if such action is not materially adverse to the interests of the Bondholders.

(6) To modify or amend such provisions of this Indenture as shall, in the opinion of Nationally Recognized Bond Counsel, be necessary to assure the federal tax exemption of the interest on the Bonds.

(7) To authorize the issuance of a Series of Additional Bonds and prescribe the terms, forms and details thereof not inconsistent with this Indenture.

(8) To effect any other change herein which, in the judgment of the Trustee, is not to the material prejudice of the Trustee or the Bondholders.

(9) To effect the delivery of a Credit Facility and/or a Qualified Swap for a Series of Bonds.

(11) To permit the appointment of a co-trustee under this Indenture.

(b) Before the Agency and the Trustee shall enter into any Supplemental Indenture pursuant to this Section, there shall have been filed with the Trustee an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Agency in accordance with its terms. ### **Section 11.3. Supplemental Indentures With Consent of Bondholders.**

(a) Subject to the terms and provisions contained in this Article, the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right from time to time, to consent to and approve the entering into by the Agency and the Trustee of any Supplemental Indenture as shall be deemed necessary or desirable by the Agency for the purpose of modifying, altering, amending, adding to or rescinding, in any

particular, any of the terms or provisions contained herein; provided, however, that if any such Supplemental Indenture would affect only the Holders of a single Series of Bonds then Outstanding, then only the consent of, (y) the Holders of a majority in aggregate principal amount of the affected Series of Bonds Outstanding, shall be required. Nothing herein contained shall permit, or be construed as permitting, (i) a change in the times, amounts or currency of payment of the principal of, redemption premium, if any, or interest on any Outstanding Bonds, a change in the terms of redemption or maturity of the principal of or the interest on any Outstanding Bonds, or a reduction in the principal amount of or the Redemption Price of any Outstanding Bond or the rate of interest thereon, or any extension of the time of payment thereof, or a change in the method of determining the rate of interest on any Bond, without the consent of the Holder of such Bond, (ii) the creation of a lien upon or pledge of Installment Purchase Payments other than the liens or pledge created by this Indenture, except as provided in this Indenture with respect to Additional Bonds, (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, (iv) a reduction in the aggregate principal amount of Bonds required for consent to such Supplemental Indenture, or (v) a modification, amendment or deletion with respect to any of the terms set forth in this Section 11.3(a), without, in the case of items (ii) through and including (v) of this Section 11.3(a), the written consents of one hundred percent (100%) of the Holders of the Outstanding Bonds.

(b) If at any time the Agency shall determine to enter into any Supplemental Indenture for any of the purposes of this Section, it shall cause notice of the proposed Supplemental Indenture to be mailed, postage prepaid, to S&P, Moody's and all Bondholders at least ten (10) days prior to the effective date thereof. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture, and shall state that a copy thereof is on file at the offices of the Trustee for inspection by all Bondholders.

(c) Within one year after the date of such notice, the Agency and the Trustee may enter into such Supplemental Indenture in substantially the form described in such notice only if there shall have first been filed with the Trustee (i) the written consents of the Holders of not less than a majority or 100%, as the case may be, in aggregate principal amount of the Bonds then Outstanding (or, if such Supplemental Indenture shall affect only a single Series of Bonds, then only the written consent of (y) the written consents of the Holders of not less than a majority in aggregate principal amount of the affected Series of Bonds Outstanding) and (ii) an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Agency in accordance with its terms. Each valid consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given. A certificate or certificates by the Trustee that it has examined such proof and that such proof is sufficient in accordance with this Indenture shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates. (d) The Holders of not less than the percentage of Bonds required by this Section shall have consented to and approved the execution thereof as herein provided, no Holder of any Bond shall have any right to object to the execution of such Supplemental Indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Agency from executing the same or from taking any action pursuant to the provisions thereof.

(e) Upon the execution of any Supplemental Indenture pursuant to the provisions of this Section, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Agency, the Trustee and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced under this Indenture, subject in all respects to such modifications and amendments.

**Section 11.4. Supplemental Indenture Part of this Indenture.** Any Supplemental Indenture executed in accordance with the provisions of this Article shall thereafter form a part of this Indenture and all the terms and conditions contained in any such Supplemental Indenture as to any provisions authorized to be contained therein shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes. The Trustee shall execute any Supplemental Indenture entered into in accordance with the provisions of Sections 11.2 or 11.3 hereof.

other experts) does not materially adversely affect the Bondholders. The Trustee shall have no liability to any Bondholder or any other Person for any action taken by it in good faith pursuant to this Section. Before the Agency or the Trustee shall enter into or consent to any amendment, change or modification to any of the Related Security Documents, there shall be filed with the Trustee an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change or modification will not adversely affect the exclusion from federal income taxation of interest on any Series of Bonds Outstanding. ## Section 5.4 of Series 2020A Indenture

**Section 5.4. State or School Aid Intercept.** Pursuant to the Syracuse Schools Act, in the event the City or the SCSD shall fail (for any reason, including the failure of the State to appropriate moneys for such purpose or the failure of the SCSD and the City to budget and appropriate moneys for such purpose) to make a payment under the Installment Sale Agreement in the amount and by the date the same is due, as set forth therein and herein, of which failure the Trustee has actual knowledge in the case of a failed Installment Purchase Payment (or other failed payment payable to the Trustee in its capacity as Trustee), or, in the case of any other failed payment of which the Trustee has received written notice from the party to whom such failed payment is owed under the Installment Sale Agreement, the Agency hereby irrevocably appoints the Trustee to act as its agent for the purpose of delivering a certificate to the State Comptroller (in substantially the form set forth in the appendices attached hereto), by no later than the next Business Day following the Trustee obtaining such actual knowledge or such notice of such failed payment, certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall, in accordance with the Syracuse Schools Act, withhold from the City and the SCSD any state and/or school aid payable to the City or the SCSD to the extent of the amount so stated in such certificate of the Trustee as not having been made, and the State Comptroller shall immediately pay over to the Trustee on behalf of the Agency, the amount of such state and/or school aid so withheld. In the event that the State Comptroller should receive more than one such certificate from one or more Series Trustee, the Comptroller shall disburse such amounts so withheld on a *pari passu* basis with respect to any and all outstanding Series of Bonds. All such state and/or school aid so received shall be applied, *first*, to deposit in the Interest Account of the Bond Fund to the extent of any deficiency therein, *second*, to deposit in the Principal Account of the Bond Fund to the extent of any deficiency therein, *third*, to deposit in the Redemption Account of the Bond Fund to the extent of any deficiency therein, *fourth*, to satisfy any obligation of the SCSD under Section 4.3 of the Installment Sale Agreement, *fifth*, to satisfy any obligation of the JSCB or the SCSD under Section 5.5 of the Installment Sale Agreement, and *sixth*, to satisfy any other obligations of any of the School Parties under the Installment Sale Agreement.

The appointment by the Agency of the Trustee as agent as above-described shall be deemed a non-exclusive but irrevocable appointment (coupled with an interest) and the Agency may appoint any other Series Trustee to similar purpose under the related Series Indenture. The Trustee hereby accepts such agency and agrees so to act on behalf of the Agency. Notwithstanding anything to the contrary contained herein, any amounts of such state and/or school aid received by the Trustee from the State Comptroller shall, subject to the priority set forth in the preceding paragraph, be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received. Any amounts of such state and/or school aid received by the Trustee from the State Comptroller that are not in respect of Installment Purchase Payments shall forthwith be forthwith paid to or upon the order of the Agency.

The Agency covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Indenture or Series Facilities Agreement, in connection

with the issuance of a Series of Project Bonds under a Series Indenture which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of under the Syracuse Schools Act of state and/or school aid payable to the City or SCSD than the pledge effected pursuant to this Indenture; provided, however, that nothing contained in this Indenture shall be deemed (y) to limit or deny the ability of the Agency or any other public entity, in connection with the issuance of another Series of Project Bonds, to pledge such State Aid to Education on a parity with the pledge effected under this Indenture, or (z) to require that any Series of Project Bonds issued under any other Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under this Indenture, or that any payment dates under a Series Facilities Agreement be the same as those under the Installment Sale Agreement.

All capitalized terms used herein, unless otherwise defined, shall have the meaning ascribed to such terms in the Indenture.

For value received, the receipt of which is hereby acknowledged, the Agency hereby pledges, assigns, transfers and sets over to the Trustee, and hereby grants the Trustee, a lien on and security interest in all of the Agency’s right, title and interest in any and all moneys due or to become due and any and all other rights and remedies of the Agency under or arising out of a certain Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, by and among the Agency, the City of Syracuse (the “*City*”), the City School District of the City of Syracuse (the “*SCSD*”) and the Syracuse Joint Schools Construction Board (the “*JSCB*” and together with the City and the JSCB, collectively, the “*School Parties*”), (the “*Original Agreement*”), as previously amended by the School Parties pursuant to Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009 (the “*First Amended Agreement*”); Amendment No. 2 to Installment Sale Agreement dated as of December 1, 2010 (the “*Second Amended Agreement*”); Amendment No. 3 to Installment Sale Agreement dated as of July 1, 2011 (the “*Third Amended Agreement*”); Amendment No. 4 to Installment Sale Agreement dated as of April 1, 2017 (the “*Fourth Amended Agreement*”); Amendment No. 5 to Installment Sale Agreement dated as of March 1, 2018 (the “*Fifth Amended Agreement*”); Amendment No. 6 to Installment Sale Agreement dated as of June 1, 2018 (the “*Sixth Amended Agreement*”); Amendment No. 7 to Installment Sale Agreement dated as of April 1, 2019 (the “*Seventh Amended Agreement*”); Amendment No. 8 to Installment Sale Agreement dated as of March 1, 2020 (the “*Eighth Amended Agreement*”); and Amendment No. 9 to Installment Sale Agreement dated as of February 1, 2021 (the “*Ninth Amended Agreement*” and together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement, the Third Amended Agreement, the Fourth Amended Agreement, the Fifth Amended Agreement, the Sixth Amended Agreement, the Seventh Amended Agreement and the Eighth Amended Agreement, collectively referred to as the “*Agreement*” or the “*Installment Sale Agreement*”) covering the real property described in Schedule A attached hereto (except for Reserved Rights and the moneys and investments in the Rebate Fund), *provided, however*, that the assignment

made hereby shall not permit the amendment of the Agreement without the prior written consent of the Agency.

The Trustee shall not have any obligation, duty or liability under the Agreement except as specifically set forth in the Agreement and accepted herewith, nor shall the Trustee be required or obligated in any manner to fulfill or perform any obligation, covenant, term or condition of the Agency thereunder or to make any inquiry as to the nature or sufficiency of any payment received by it, or to present or file any claim, or to take any other action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled hereunder at any time or times.

The Agency hereby irrevocably constitutes and appoints the Trustee its true and lawful attorney, with power of substitution for the Agency and in the name of the Agency or in the name of the Trustee, for the use and benefit of the Trustee, to ask, demand, require, receive, collect, compromise, compound and give discharges and releases of all claims for any and all moneys due or to become due under or arising out of the Agreement (except for claims relating to moneys due or to become due with respect to the Reserved Rights) and to endorse any checks and other instruments or orders in connection therewith, and, if any "Event of Default" specified in the Indenture or the Series 2021A Bonds shall occur: (a) to settle, compromise, compound and adjust any such claims (except for claims arising pursuant to the Reserved Rights); (b) to exercise and enforce any and all claims, rights, powers and remedies of the Agency under or arising out of the Agreement (except for rights of the Agency and moneys payable pursuant to the Reserved Rights); (c) to file, commence and prosecute any suits, actions and proceedings at law or in equity in any court of competent jurisdiction to collect any such sums assigned to the Trustee hereunder and to enforce any rights in respect thereto and all other claims, rights, powers and remedies of the Agency under or arising out of the Installment Sale Agreement (except for rights of the Agency and moneys payable pursuant to the Reserved Rights); and (d) generally to sell, assign, transfer, pledge or make any agreement with respect to and otherwise deal with any of such claims, rights, powers and remedies as fully and completely as though the Trustee was the absolute owner thereof for all purposes, and at such times and in such manner as may seem to the Trustee to be necessary or advisable in its absolute discretion.

The Agency further agrees that at any time and from time to time, upon the written request of the Trustee, and at the sole cost and expense of the SCSD, the Agency will promptly and duly execute and deliver any and all such further instruments and documents as the Trustee may deem desirable in order to obtain the full benefits of this Assignment and all rights and powers herein granted.

The Agency hereby warrants and represents: (a) that the Installment Sale Agreement is in full force and effect; (b) that the Agency is not in default under the Installment Sale Agreement; and (c) that the Agency has not assigned or pledged, and hereby covenants that it will not assign or pledge, so long as this Assignment shall remain in effect, the whole or any part of the moneys, rights or remedies hereby assigned to anyone other than the Trustee.

All moneys due and to become due to the Trustee under or pursuant to the Installment Sale Agreement shall be paid directly to the Trustee at 285 Delaware Avenue, 3<sup>rd</sup> Floor, Buffalo,

New York 14202, or at such other address as the Trustee may designate to School Parties and the Agency in writing from time to time.

All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Pledge and Assignment, the Indenture, the Series 2021A Bonds, the Installment Sale Agreement and the other documents and instruments connected herewith or therewith, and in any documents supplemental thereto (collectively, the “*Financing Documents*”) shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, agent (other than the JSCB), servant or employee of the Agency in his, her or its individual capacity, and no recourse under or upon any covenant, stipulation, promise, agreement or obligation in the Financing Documents contained or otherwise based upon or in respect of the Financing Documents, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent (other than the JSCB), servant or employee, as such, of the Agency or of any successor public benefit corporation or political subdivision or any person executing the Financing Documents on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person executing the Financing Documents on behalf of the Agency, it being expressly understood that the Financing Documents are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent (other than the JSCB), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person executing the Financing Documents on behalf of the Agency because of the creation of the indebtedness thereby authorized, or under or by reason of the covenants, stipulations, promises, agreements or obligations contained in the Financing Documents or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent (other than the JSCB), servant or employee because of the creation of the indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in the Financing Documents or implied therefrom, are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of the Financing Documents and the issuance of the Series 2021A Bonds.

The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York, or the City, and neither the State of New York, nor the City shall be liable thereon, and further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Facilities (except for revenues derived by the Agency with respect to the Reserved Rights).

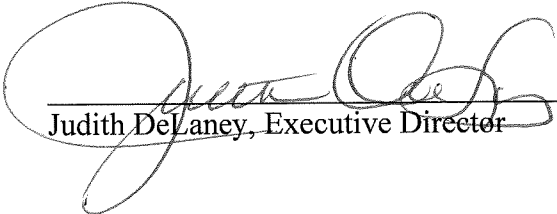

Notwithstanding any provision of this Assignment to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless: (a) the Agency shall have been requested to do so in writing by School Parties or the Trustee; and (b) if compliance with such request is reasonably expected to result in the incurrence by the Agency or any member, director, officer, agent (other than the JSCB), servant or employee of the Agency in any liability, fees, expenses or other costs, the Agency shall have received from the School Parties or the Trustee, as the case may be, security or indemnity satisfactory to the Agency for protection

against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

This Tax Certificate (the “Tax Certificate”) is executed by the City of Syracuse Industrial Development Agency (the “Issuer”) to set forth representations of fact, expectations, restrictions and covenants which are in furtherance of the covenants contained in the Indenture of Trust (Series 2021A Project) (the “Indenture”) dated as of February 1, 2021, between the Issuer and Manufacturers and Traders Trust Company, as trustee (the “Trustee”). On the date hereof, the Issuer is issuing \$26,440,000 City of Syracuse Industrial Development Agency School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A (the “Bonds”). In consideration of the covenants and undertakings set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in part pursuant to Section 1.148-2(b)(2) of the Treasury Regulations (as hereinafter defined), the Issuer hereby certifies, covenants, represents and agrees and Trustee hereby accepts as follows:

### ARTICLE I

#### IN GENERAL

**Section 1.1 General.** The Issuer is delivering this Tax Certificate (including all Exhibits hereto) to Bousquet Holstein PLLC (“Bond Counsel”) with the understanding and acknowledgment that Bond Counsel will rely upon this Tax Certificate (including all Exhibits hereto) in rendering its opinion that interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code (as hereinafter defined). The Issuer will acquire a license interest in certain facilities (the “Facilities”), which interest is being sold to the City of Syracuse (the “City”) and the City School District of the City of Syracuse (the “SCSD”) pursuant to the terms of the Installment Sale Agreement (Series 2008 Project) dated as of March 1, 2008, (the “2008 Original Installment Sale Agreement”), which was previously amended eight times, each amendment corresponding to an issuance of school facility revenue bonds to be used for the betterment of existing school buildings within SCSD between 2010 and 2020, and the current amendment being Amendment No. 9 to Installment Sale Agreement dated as of February 1, 2020 (the “Ninth Amended Agreement” and together with the 2008 Original Installment Sale Agreement and the eight prior amendments, collectively, the “Installment Sale Agreement”), each among the Issuer, the City, the SCSD and the Syracuse Joint Schools Construction Board (the “SJSCB”).

**Section 1.2 Authorization of Issuance.** The Bonds are being issued pursuant to the Constitution and statutes of the State of New York (the “State”), including particularly (A) the New York State Industrial Development Agency Act, constituting Title 1 of Article 18-A of the General Municipal Law, as amended (the “Enabling Act”); (B) Chapter 641 of the 1979 Laws of New York State, as amended (together with the Enabling Act, the “IDA Act”); (C) Chapter 5 Part A-4 of the Laws of 2006 of New York State, as amended (the “Syracuse Schools Act”); and (D) a Refunding Bond Sale Resolution adopted on December 16, 2020 by the members of the Issuer.

**Section 1.3 Delivery of the Bonds.** The Bonds are being delivered to Raymond James & Associates, Inc., as representative of the underwriters (the “Underwriter”), on the date hereof.

**Section 1.4 Reliance on Other Parties.** The expectations of the Issuer concerning uses of the Proceeds (as hereinafter defined) of the Bonds and other matters are based in whole or in part upon representations, certifications, warranties and covenants of the SJSCB, the City and the SCSD (referred to hereinafter collectively as the “Borrowing Entities”) and other parties set forth in this Tax Certificate and the Exhibits hereto, including the representations of the Underwriter (as defined below) contained in **Exhibit A** hereto. To the extent that the Issuer makes any representation in this Tax Certificate concerning any action to be taken or expected to be taken by the Borrowing Entities, it does so in reliance on the representations of the respective Borrowing Entities set forth in the Tax Questionnaire completed by the SCSD and the City and the Borrowing Entities’ Arbitrage and Use of Proceeds Certificate dated February 1, 2021 (the “Arbitrage Certificate”), all of which were delivered to the Issuer in connection with the issuance of the Bonds. **Section 2.1 Single Issue.** The Issuer represents that all of the Bonds have been sold at substantially the same time, have been sold pursuant to the same plan of financing and are reasonably expected to be paid from substantially the same source of funds, determined without regard to guarantees from unrelated parties. The Issuer represents that no other governmental obligations: (i) have been or will be sold within fifteen (15) days prior to or after the sale of the Bonds, (ii) have been or will be sold pursuant to the same plan of financing, and (iii) are reasonably expected to be paid out of substantially the same source of funds as the Bonds, determined without regard to guarantees from unrelated parties.

**Section 2.2 Registered Form.** The Bonds are being issued in registered form.

**Section 2.3 No Federal Guarantee.** The Issuer represents, warrants and covenants that it will not directly or indirectly use or permit the use of or otherwise invest any Proceeds of the Bonds or any other funds of the Issuer or take or omit to take any action that would cause the Bonds to be obligations which are “federally guaranteed” within the meaning of Section 149(b) of the Code. In furtherance thereof, the Issuer will not allow the payment of the principal or interest with respect to the Bonds to be guaranteed (directly or indirectly) in whole or in part by the United States or any agency or instrumentality thereof. The Issuer also will not, except as provided in the next sentence, use five percent (5%) or more of the Proceeds of the Bonds to make or finance loans the payment of the principal or interest with respect to which are guaranteed (directly or

indirectly) in whole or in part by the United States or any agency or instrumentality thereof, nor will the Issuer invest five percent (5%) or more of the Proceeds of the Bonds in federally insured deposits or accounts. However, Proceeds of the Bonds may be invested without regard to the limitation in this Section 2.3 as follows: investments in any bona fide debt service fund, investments in any reasonably required reserve or replacement fund (as defined in Section 148(d) of the Code), investments in obligations issued by the United States Department of the Treasury and other investments as permitted in Treasury Regulations (e.g., obligations issued pursuant to Section 21B(d)(3) of the Federal Home Loan Bank Act, as amended by Section 511 of the Financial Institutions Reform, Recovery and Enforcement Act of 1989, or any successor provision).

#### **Section 2.4 Purpose of Bonds.**

(a) The Refunded Series 2010 Bonds were issued pursuant to the Prior Indenture to finance all or a portion of the costs of, among other things: (i) the acquisition by the Issuer of an interest in the following existing school buildings (collectively the "2010 Buildings") known as the Institute of Technology at Syracuse Central (the former Central Technical High School) located at 258 East Adams Street, Shea Middle School located at 1607 South Geddes Street, Dr. Weeks Elementary located at 710 Hawley Avenue, Clary Middle School located at Amidon Drive, Fowler High School located at 227 Magnolia Street and H.W. Smith Pre-K-8 School located at 1130 Salt Springs Road; (ii) the reconstruction, rehabilitation and/or construction of the 2010 Buildings and additions thereto and the acquisition and installation therein of certain equipment, fixtures and furnishings (the "2010 Equipment" and with the 2010 Buildings and additions thereto, the "2010 Facilities") necessary and attendant to the use of the 2010 Buildings as schools by the City and the SCSD. The Series 2011A Bonds were issued pursuant to the Prior Indenture to finance all or a portion of the costs of, among other things: (A) the construction of an approximately 7,800 square foot, two-story, five classroom addition to, and the renovation and improvement of, H. W. Smith and the renovation and improvement of Dr. Weeks and Fowler (collectively, the "2011 Buildings"); (B) the acquisition and installation in and around the 2011 Buildings of certain items of equipment, furnishings, fixtures, and other incidental and appurtenant tangible personal property (the "2011 Equipment" and together with the 2011 Buildings, the "2011 Facilities" and the 2011 Facilities collectively with the 2010 Facilities, the "Facilities") necessary and attendant to the use of the 2011 Buildings as schools by the City and the SCSD. The portions of the Facilities to which the City and the SCSD allocated Proceeds of the Refunded Bonds are referred to herein as the "Project."

**Section 2.5 Useful Life.** The Issuer represents, warrants and covenants that the weighted average maturity of the Bonds does not exceed one hundred twenty percent (120%) of the average reasonably expected economic life of the Facilities financed by the Proceeds of the Bonds. Land was not taken into account in determining the average economic life of such Facilities and costs.

**Section 2.6 No Hedge Bonds.** The SCSD and the City represented with respect to the Refunded Bonds that they reasonably expected on the Issue Date of the Refunded Bonds that (a) at least 85% of the Spendable Proceeds of the Refunded Bonds would be expended on the costs associated with the construction and equipping of the Facilities within three years of the date of issuance thereof, and (b) not more than 50% of the proceeds of the Refunded Bonds would be

invested in Nonpurpose Investments having a substantially guaranteed yield for four years or more. Accordingly, the Bonds are not hedge bonds pursuant to Section 149(g)(3)(C) of the Code.

### **Section 2.7 Bonds Not Private Activity Bonds.**

(a) The Borrowing Entities have represented in the Arbitrage Certificate that the application of the Proceeds of the Bonds to the purposes contemplated by the Installment Sale Agreement and the Indenture would not cause the Bonds (a) to meet either (i) the “private business” tests of Section 141(b) of the Code, or (ii) the “private loan financing” test of Section 141(c) of the Code; or (b) to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(b) The Borrowing Entities have represented in the Arbitrage Certificate that: (i) the proceeds of the Bonds will be used exclusively to finance costs associated with the issuance of the Bonds and to refund the Refunded Bonds and costs related thereto, and (ii) except as set forth in Section 2.10 hereof, no portion of the Proceeds of the Bonds have been or will be used directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person (“Private Use”), excluding, however, use by a state or local government unit and use as a member of the general public. In addition, each Borrowing Entity covenanted that no portion of the principal of or interest on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Use or in payments in respect of property used or to be used for a Private Use or is to be derived from payments, whether or not to any of the Borrowing Entities, in respect of property or borrowed money used or to be used for a Private Use.

(c) In the event that the Issuer is contacted by the Borrowing Entities seeking to increase the Private Use of the Project or private loans beyond that delineated in Section 2.9(b) above, the Issuer shall not approve such actions unless an Opinion of Bond Counsel is delivered to the Issuer and the Trustee.

**Section 2.8 Debt Service on the Bonds.** The Bonds state that they are payable solely from: (a) the payment of base installment purchase payments and installment purchase payments by the SCSD and the City under the Installment Sale Agreement; and (b) the pledge of certain funds, including a Bond Fund, under the Indenture. The Syracuse Schools Act and the Indenture provide that in the event the SCSD and the City fail to make an installment purchase payment under the Installment Sale Agreement upon receipt by the New York State Comptroller (the “State Comptroller”) of a certificate from the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller will withhold any state and/or school aid payable to the SCSD or the City to the extent of the amount so stated in such certificate as not having been made, and immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. The Installment Sale Agreement provides that the obligation of the SCSD and the City to pay base installment purchase payments and installment purchase payments is not a general obligation of the SCSD or the City and neither the faith and credit nor the taxing powers of the City is pledged to the payment of base installment purchase payments and installment purchase payments under the Installment Sale Agreement. The Indenture provides that the only source of moneys available for the payment of the principal of and interest on the Bonds are Bond Proceeds set aside to fund capitalized interest, installment purchase payments made by the SCSD and the City under the Installment Sale Agreement to the extent of State Aid to Education appropriated by the State and available to the SCSD and/or the City and appropriated by the City and the SCSD to make such

payments, and the intercept by the State Comptroller of any other state and/or school aid payable to the City or the SCSD to the extent of any installment purchase payment deficiency.

**Section 2.9 Information Reporting.** The Issuer certifies that it has reviewed the Internal Revenue Service Form 8038-G to be filed in connection with the issuance of the Bonds (attached hereto as **Exhibit D**) and believes that all of the information contained in the Form 8038-G is true and complete. The Issuer covenants that such Form 8038-G will be filed no later than the fifteenth (15th) day of the second calendar month following the close of the calendar year quarter in which the Bonds are issued at the Internal Revenue Service Center, Ogden, Utah 84201.

## ARTICLE III

The Verification Agent, in its Verification Report, has verified the adequacy of the maturing SLGS in the applicable Escrow Fund and the interest thereon, together with the initial cash retained in such funds, (i) with respect to the Refunded Series 2010 Bonds, to pay the scheduled debt service requirements on the Refunded Series 2010 Bonds due on May 1, 2021 and to pay the redemption price on May 1, 2021 equal to 100% of par of the Refunded Series 2010 Bonds maturing May 1, 2022 and thereafter, and (ii) with respect to the Refunded Series 2011A Bonds, to pay the scheduled debt service requirements on the Refunded Series 2011A Bonds due May 1, 2021 and to pay the redemption price equal to 100% of par of the Refunded Series 2011A Bonds maturing on May 1, 2022 and thereafter.

**Section 3.4 Bond Fund Release; Debt Service Reserve Fund.** Based on the information received from the Trustee, there are no amounts on deposit in the Bond Fund for the Refunded Bonds and no Debt Service Reserve Fund has been established with respect to the Refunded Bonds.

**Section 3.5 No Overissuance.** The Borrowing Entities have represented in the Arbitrage Certificate that the total Proceeds to be received by the Issuer from the sale of the Bonds and anticipated investment earnings thereon do not exceed the total of the amount necessary to finance the government purposes for which the Bonds are issued as described above.

**Section 3.6 Funds and Accounts.**

(a) **General.** The following funds and accounts are created and established under the Indenture:

(i) Project Fund;

(ii) Bond Fund and, within such Bond Fund, the (A) Principal Account, (B) the Interest Account, and (C) the Redemption Account; and

(iii) **Rebate Fund.**

(b) **Project Fund.** In accordance with Section 5.2 of the Indenture, Sale Proceeds of the Bonds deposited in the Project Fund will be applied to pay costs relating to the issuance of the Bonds.

(c) **Bond Fund.** In accordance with Section 5.3 of the Indenture, amounts deposited to the Bond Fund will be applied, among other things, to the payment of principal, sinking fund installments and redemption price of and interest on the Bonds.

(d) **No Other Sinking or Pledge Fund.** Each of the Borrowing Entities has certified in the Arbitrage Certificate that, other than the funds described in Sections 3.5(d) and 3.6(c), there are no Pledge Fund or any funds or accounts of the Issuer (other than the Bond Fund) established pursuant to the Indenture which are reasonably expected to be used to pay debt service on the Bonds or which are pledged as collateral for the Bonds, for which there is a reasonable assurance that amounts therein or the investment income earned from such funds or accounts will be available to pay debt service on the Bonds in the event the SCSD or the City encounter financial difficulties.

(e) **Rebate Fund.** The Borrowing Entities in the Arbitrage Certificate have covenanted not to use moneys on deposit in any fund or account in connection with the Bonds in a manner which will cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code. To that end, the Rebate Fund is created under the Indenture. The Issuer shall deposit into the Rebate Fund any moneys received in accordance with this Tax Certificate for purposes of paying rebate to the United States Treasury Department and which is so identified. The amount required to be held in the Rebate Fund at any point in time is determined pursuant to the requirements of the Code, including particularly Section 148(f) of the Code and the Treasury Regulations promulgated thereunder. Moneys in the Rebate Fund are neither pledged to, nor expected to be used to, pay debt service on the Bonds.

**Section 3.7 Investment Restrictions.** The Borrowing Entities have covenanted in the Arbitrage Certificate that amounts derived from the sale of the Bonds and the amounts deposited in the funds or accounts described above shall be invested as follows:

(a) **Project Fund – Costs of Issuance.** Sale Proceeds of the Bonds deposited in the Project Fund to be applied to pay the costs of issuance of the Bonds may be invested at an unrestricted yield until expended, but in no event for a period to exceed 13 months from the date hereof. Investment earnings on such amounts may be invested at an unrestricted yield for a one year period from the date of receipt and, thereafter, at a yield not in excess of the yield on the Bonds. All such amounts deposited in the Project Fund will be subject to the arbitrage rebate requirements of Section 148(f) of the Code.

(b) **Restricted Investments.** Unless otherwise approved by an Opinion of Bond Counsel, amounts that may not be invested at an unrestricted Yield, if any, will be invested in either (i) Nonpurpose Investments at a Fair Market price which produces a Yield not Materially Higher than the Yield on the Bonds, (ii) Treasury Obligations which produce a Yield not Materially Higher than the Yield on the Bonds, or (iii) Tax-Exempt Bonds.

**Section 3.8 No Replacement.** Relying upon representations and covenants made by the Borrowing Entities in the Arbitrage Certificate, the Issuer represents, warrants and covenants that no portion of the Proceeds of the Bonds will be used directly or indirectly to replace funds of the Issuer or the City, the SJSCB or the SCSD, respectively, or any related persons (within the meaning of Section 147(a)(2) of the Code) and used directly or indirectly to acquire Investment Property reasonably expected to produce a yield higher than the yield on the Bonds.

**Section 3.9 No Abusive Arbitrage Device or Overburdening of the Market.** Relying upon representations and covenants made by the Borrowing Entities in the Arbitrage Certificate, the Issuer represents, warrants and covenants that the Bonds are not and will not be part of a transaction or series of transactions that has the effect of: (i) enabling the Issuer or any related persons (within the meaning of Section 147(a)(2) of the Code) to exploit the difference between tax-exempt and taxable interest rates to obtain a material financial advantage, and (ii) overburdening the market for tax-exempt obligations in any manner, including, without limitation, selling bonds that would not otherwise be sold, or selling more bonds, or issuing them sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

**Section 3.10 Refunding Plan.** The Bonds constitute a current refunding issue. The Bonds are being issued not more than 90 days before the proceeds thereof will be used to pay principal or interest on the Refunded Bonds. The Proceeds of the Bonds will be used to purchase SLGS and held in the respective Escrow Fund to be used to pay principal and interest on the Refunded Bonds on or before May 1, 2021. Each of the Borrowing Entities hereby certifies that there are no Unexpended Proceeds of the Refunded Bonds. Therefore, there are no Transferred Proceeds. Maturing SLGS in the applicable Escrow Fund and the interest thereon, together with the initial cash retained in such funds, will be used (i) with respect to the Refunded Series 2010 Bonds, to pay the scheduled debt service requirements on the Refunded Series 2010 Bonds due on May 1, 2021 and to pay the redemption price on May 1, 2021 equal to 100% of par of the Refunded Series 2010 Bonds maturing May 1, 2022 and thereafter, and (ii) with respect to the Refunded Series 2011A Bonds, to pay the scheduled debt service requirements on the Refunded Series 2011A Bonds due May 1, 2021 and to pay the redemption price equal to 100% of par of the Refunded Series 2011A Bonds maturing on May 1, 2022 and thereafter. Refunding Proceeds may be invested without restriction as to Yield for a temporary period of 90 days.

**Section 3.11 No Overissuance.**

(a) Each of the Borrowing Entities hereby certifies that the proceeds of the Bonds, including Investment Proceeds, will not exceed the amount necessary for the purposes of the Bonds. For purposes of this Agreement, the term “proceeds” means the net amount (after payment of all expenses of issuing the Bonds) beneficially received by the SCSD as a result of the sale of the Bonds, except that, for the purposes of this Article III, the term “proceeds” does not include pre-issuance accrued interest, if any, on the Bonds from their dated date to the Issue Date.

**ARTICLE IV**

**YIELD**

**Section 4.1 Yield.**

When used in this Tax Certificate, the term “yield” refers to the yield computed by the

actuarial or present worth method using a three hundred sixty (360) day year and semiannual compounding, and means that discount rate which, when used in computing the present value of all payments of principal and interest to be paid on an obligation, produces an amount equal to the purchase price in the case of investments purchased with Gross Proceeds of the Bonds and the issue price of the Bonds in the case of the Bonds.

The Bonds constitute a Fixed Yield Issue. None of the Bonds are subject to optional redemption. The Yield on the Bonds has been computed by the Underwriter to be not less than 0.369155%. The computation of the yield on the Bonds is included in **Exhibit C**.

The Issuer acknowledges that the yield on the Bonds will not be affected by subsequent unexpected events, except to the extent provided in Sections 1.148-4(h)(3) and 1.148-4(b)(4) of the Regulations when and if the Issuer enters into a Qualified Hedge or into any transaction transferring, waiving or modifying any right that is part of the terms of the Bonds. The Issuer agrees that it will consult with Bond Counsel prior to entering into any of the foregoing transactions.

## ARTICLE V

### REBATE

**Section 5.1 Undertakings.** The Issuer and the Borrowing Entities, pursuant to the Indenture and the Installment Sale Agreement, have covenanted to comply with certain requirements of the Code. The Issuer acknowledges that the United States Department of the Treasury has issued Treasury Regulations with respect to certain of these undertakings, including the proper method for computing whether any rebate amount is due the federal government under Section 148(f) of the Code. In the Arbitrage Certificate, the City has agreed that it will undertake to determine (or have determined on their behalf) what is required with respect to the rebate provisions contained in Section 148(f) of the Code from time to time and will undertake to comply with any requirements that may be applicable to the Bonds. The Issuer and the Borrowing Entities will undertake the methodology described in this Article V of this Tax Certificate, except to the extent inconsistent with any requirements of present or future law, regulations or future guidance issued by the United States Department of the Treasury or if the Issuer receives an Opinion of Bond Counsel.

**Section 5.2 Rebate Fund.** A special fund designated the “Rebate Fund” has been established pursuant to Section 5.1 of the Indenture. Pursuant to the Indenture, the Trustee shall keep the Rebate Fund separate and apart from all other funds and moneys held by it.

**Section 5.3 Recordkeeping.** In the Arbitrage Certificate, the Borrowing Entities have agreed to maintain all records relating to the Bonds, including, without limitation, the following documents that would be necessary for the calculation of arbitrage rebate pursuant to Section 148 of the Code (and the Treasury Regulations promulgated thereunder) until the later of three (3) years after the last outstanding Bonds have retired:

(a) Basic records and documents relating to the Bonds (including the Indenture, the Installment Sale Agreement and the opinion of Bond Counsel);

- (b) Documentation evidencing expenditure of Bond Proceeds;
- (c) Documentation evidencing use of the Project by public and private sources (e.g., copies of management contracts, research agreements, leases, etc.);
- (d) Documentation evidencing all sources of payment or security for the Bonds; and
- (e) Documentation pertaining to any investment of Bond proceeds (including the purchase and sale of securities, United States Treasury Securities - State and Local Government Series subscriptions, yield calculations for each class of investments, actual investment income received from the investment of Proceeds, guaranteed investment contracts, and rebate calculations).

The Issuer hereby covenants to maintain all records relating to the requirements of the Code, including the requirements promulgated by Section 148 of the Code and the Treasury Regulations promulgated thereunder, and the representations, certifications and covenants set forth in this Tax Certificate, including the documents described in this Section 5.3 until the date that is three (3) years after the last outstanding Bonds have been retired. If any of the Bonds are refunded by Tax-Exempt Obligations (the "Refunding Obligations"), the Issuer covenants to maintain all records required to be retained by this Section 5.3 until the later of the date three (3) years after the last outstanding Bonds have been retired or the date three (3) years after the last Refunding Obligations have been retired.

#### **Section 5.4 Rebate Requirement Calculation and Payment.**

(a) The Issuer represents, warrants and covenants that it will prepare or, with the City (see Section 5.8 below), cause to be prepared a calculation of the Rebate Requirement (which calculation shall be delivered to the Trustee upon request) with respect to the Bonds consistent with the rules described in this Section 5.4: (i) within fifty-eight (58) days after the close of the fifth Bond Year and each fifth Bond Year so long as any Bonds remain outstanding, and (ii) within fifty-eight (58) days after the first date on which there are no outstanding Bonds. The City and the SCSD have covenanted in the Arbitrage Certificate that the City and the SCSD, on behalf of the Issuer, shall deposit with the Trustee, or direct the Trustee to transfer from designated funds, an amount in the Rebate Fund as necessary to increase or decrease the sum held in the Rebate Fund for the Rebate Requirement.

(b) For purposes of calculating the Rebate Requirement, (i) the aggregate amount earned with respect to a Nonpurpose Investment shall be determined by assuming that the Nonpurpose Investment was acquired for an amount equal to its fair market value (determined as provided in Section 1.148-5(d)(6) of the Treasury Regulations) at the time it becomes a Nonpurpose Investment, and (ii) the aggregate amount earned with respect to any Nonpurpose Investment shall include any unrealized gain or loss with respect to the Nonpurpose Investment (based on the assumed purchase price at fair market value and adjusted to take into account amounts received with respect to the Nonpurpose Investment and earned original issue discount or premium) on the first date when there are no outstanding Bonds or when the investment ceases to be a Nonpurpose Investment.

(c) The Issuer hereby directs the City to direct the Trustee to pay to the United States Department of the Treasury, out of the Rebate Fund (A) not later than sixty (60) days after the end of each five (5) year period beginning with the Closing Date, a payment equal to at least ninety percent (90%) of the Rebate Requirement with respect to the Bonds, calculated as of the date of such payment; and (B) not later than sixty (60) days after the first date when there are no outstanding Bonds, an amount equal to one hundred percent (100%) of the Rebate Requirement (determined as of the first date when there are no outstanding Bonds) plus any actual or imputed earnings on such Rebate Requirement, all as set forth in Section 1.148-3 of the Treasury Regulations and as determined by or on behalf of the Issuer.

(d) Each payment required to be made pursuant hereto and relating to the Bonds shall be filed with the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T. The Issuer and the Trustee (to the extent such records were furnished or provided to the Trustee and were identified as such) must retain records of the calculations required by this Section 5.4 until six (6) years after the retirement of the last obligation of the Bonds.

### **Section 5.5 Exception from Rebate Requirement.**

(a) ***In General.*** Notwithstanding the foregoing provisions relating to the Rebate Requirement, the Rebate Requirement shall not be required to be paid if the Gross Proceeds of the Bonds are expended in a manner which satisfies one of the exceptions to the Rebate Requirement described in this Section 5.5. In the event that one of the exceptions to the Rebate Requirement is not satisfied, the Issuer shall calculate, or with the assistance of the City shall cause to be calculated, and the City or the SCSD on behalf of the Issuer shall pay, the Rebate Requirement with respect to such Proceeds in accordance with the provisions of this Article V.

(b) ***Eighteen-Month Expenditure Rule.*** The Issuer shall not be required to calculate the Rebate Requirement with respect to Eligible Gross Proceeds if the requirements of Treasury Regulation Section 1.148-7(d) (the “Eighteen-Month Expenditure Rule”) are satisfied.

(i) ***Eligibility.*** The Issuer will be eligible for the Eighteen-Month Expenditure Rule only if the following requirements are met: (a) the Eligible Gross Proceeds are expended for the governmental purposes of the issue in accordance with the spend-down schedule referred to in Section 5.5(c)(ii) hereof, and (b) all of the Eligible Gross Proceeds qualify for an initial three (3) year temporary period (as described in Treasury Regulation Section 1.148-2(e)(2)).

(ii) ***Spend-Down Schedule.*** The Eligible Gross Proceeds must be spent for the governmental purposes of the issue in accordance with the following amounts and time periods beginning on the Closing Date: (a) at least fifteen percent (15%) of such Eligible Gross Proceeds within six (6) months, (b) at least sixty percent (60%) of such Eligible Gross Proceeds within twelve (12) months, and (c) one hundred percent (100%) of such Eligible Gross Proceeds within eighteen (18) months. For purposes of determining compliance with the first and second spending periods described above, the amount of Investment Proceeds included in Eligible Gross Proceeds is determined based on the Issuer’s reasonable expectations based as of the Closing Date. The spending requirement for the third spending period will be satisfied if Eligible Gross Proceeds are held for a

period not to exceed thirty (30) months from the Closing Date as “reasonable retainage” required or permitted to be retained for reasonable business purposes relating to the property financed with the Bond Proceeds.

(c) ***De Minimis Rule for Purposes of the Eighteen-Month Expenditure Rule.*** Any failure to satisfy the final spending requirements of the Eighteen-Month Expenditure Rule is disregarded if due diligence is exercised to complete the projects for which the Bonds were issued and the amount of the failure does not exceed the lesser of three percent (3%) of the issue price of the Bonds or \$250,000.

(d) ***Six-Month Expenditure Rule.*** Pursuant to Section 148(f)(4)(B) of the Code (the “Six-Month Expenditure Rule”), if on or before the date six (6) months after the Closing Date the Eligible Gross Proceeds of the Bonds are expended for the purposes for which the Bonds are issued, no rebate calculations and no rebate payment will need to be made with respect to Eligible Gross Proceeds of the Bonds.

(e) ***Expenditures for Governmental Purposes of the Issue.*** For purposes of the Eighteen-Month Expenditure Rule and the Six-Month Expenditure Rule, the payment of interest on the Bonds (but not principal) shall constitute an expenditure of Proceeds of the Bonds.

**Section 5.6 Prohibited Investments and Dispositions.** No Investment Property may be acquired with Gross Proceeds for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) in excess of the Fair Market Value of such Investment Property. No Investment Property may be sold or otherwise disposed of for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) less than the Fair Market Value of the Investment Property.

**Section 5.7 Segregation of Proceeds.** In order to perform the calculations required by the Code, it is necessary to track separately all of the Gross Proceeds. To that end, the Issuer hereby agrees to instruct the Trustee to establish separate funds, accounts or subaccounts or take other accounting measures in order to account fully for all Gross Proceeds.

**Section 5.8 Filing Requirements.** The Issuer shall file or cause to be filed such reports or other documents with the Internal Revenue Service as may be required by the Code from time to time (e.g., Form 8038-G and Form 8038-T).

**Section 5.9 Retention of Rebate Analyst.** In Section 8.01 of the Arbitrage Certificate, the City, among other things, has represented, warranted and covenanted that it will undertake to determine what is required with respect to the rebate provisions under the Code and that it will comply with any and all Rebate Requirements that may apply to the Bonds in a timely manner. The Issuer hereby covenants that, pursuant to the aforementioned Section 8.01 of the Arbitrage Certificate, the Issuer will require the City to either develop the in-house expertise necessary to assist in the calculation of rebate owed in connection with the Bonds or to retain a qualified expert (i.e., a “rebate analyst”) to assist the City and the Issuer to compute any Rebate Requirement and to satisfy the rebate provisions under the Arbitrage Certificate and the Code.

## EXHIBIT A

### CERTIFICATE OF THE UNDERWRITER

Raymond James & Associates, Inc. has acted as representative of the underwriters (the “*Underwriter*”) in connection with the sale and issuance by the City of Syracuse Industrial Development Agency (the “*Issuer*”) of its School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A, in the aggregate principal amount of \$26,440,000 (the “*Bonds*”), issued February 1, 2021, and hereby certifies and represents the following, based upon the information available to us:

1. On January 21, 2021, the date of sale for the Bonds (the “*Sale Date*”), the Underwriter made a bona fide initial offering of the Bonds to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at prices no higher than those shown at the prices referred to in Schedule A, plus accrued interest, if any.

2. On the *Sale Date*, we reasonably expected that at least 10% of each maturity of the Bonds would initially be sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at prices equal to or less than the respective prices shown on Schedule A. Based upon the Underwriter’s assessment of then-prevailing market conditions and its experience with bonds similar to the Bonds, on the *Sale Date*, the prices shown on Schedule A were not higher than the respective fair market values of the Bonds.

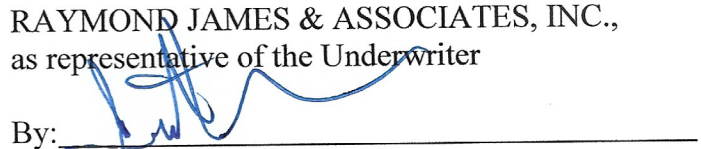

3. At least ten percent of each maturity of the Bonds has been sold to the general public (excluding bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at the initial offering referred to in Schedule A, plus accrued interest, if any.

4. Based on the respective prices shown on Schedule A, the aggregate of the initial offering prices of the Bonds to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) is \$30,394,638.35.

The Underwriter understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate to which this certificate is included as Exhibit A and with respect to compliance with the federal income tax rules affecting the Bonds, and by Bousquet Holstein PLLC, in connection with its opinion as to the exclusion of interest on the Bonds from federal gross income, the preparation of the Internal Revenue Service Form 8038, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds. The Representative is certifying only as to facts in existence on the date hereof. Nothing herein represents the Representative’s interpretation of any laws; in particular the Treasury Regulations under the Internal Revenue Code of 1986, or the application of any laws to these facts. The certifications contained herein are not necessarily based on personal knowledge but may instead be based on either inquiry deemed adequate by the undersigned or institutional knowledge (or both) regarding the matters set forth herein. Except as expressly set forth above, the certifications set forth herein may not be relied upon or used by any third party or for any other purpose. Capitalized terms used and not defined herein are as defined in the Tax Certificate to which this certification is attached as Exhibit A.

We have completed our engagement to verify the mathematical accuracy of the computations relating to the adequacy of cash plus U.S. Treasury Securities to be held in separate escrow accounts to pay the debt service requirements of the following bonds (herein collectively referred to as the “Refunded Bonds”) issued by the City of Syracuse Industrial Development Agency (herein referred to as the “Agency”) for the benefit of the Syracuse City School District (herein referred to as the “District”):

- School Facility Revenue Bonds (Syracuse City School District Project), Series 2010 (herein referred to as the “Refunded 2010 Bonds”), and
- School Facility Revenue Bonds (Tax Exempt Bonds) (Syracuse City School District Project) Series 2011A (herein referred to as the “Refunded 2011 Bonds”).

We express no opinion as to the attainability of the assumptions underlying the computations or the tax-exempt status of the School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021 (herein referred to as the “Refunding Bonds”) to be issued by the Agency for the benefit of the District. Our verification was performed solely on the schedules of proposed transactions provided by Raymond James & Associates, Inc. (herein referred to as the “Underwriter”). In the course of our engagement to verify the mathematical accuracy of the computations in the schedules provided to us, we prepared Exhibits A through A-3 and B through B-3 attached hereto and made a part hereof.

The scope of our engagement consisted of performing the procedures described herein. These procedures were performed in a manner that we deem to be appropriate.

The accompanying exhibits of proposed transactions were prepared on the basis of assumptions underlying the computations and in accordance with the procedures described herein. We did not independently confirm the information used with outside parties.

### **OUR UNDERSTANDING OF THE TRANSACTION**

The Agency intends to issue the Refunding Bonds on February 1, 2021 to currently refund the Refunded Bonds. A portion of the proceeds of the Refunding Bonds will be used to purchase a U.S. Treasury Security and to provide cash that will be placed into an escrow account to currently refund the Refunded Bonds.

The Escrow Agent will pay the scheduled debt service requirements of the Refunded 2010 Bonds on May 1, 2021 and will redeem those Refunded 2010 Bonds maturing on May 1, 2022 and thereafter, at a redemption price equal to 100% of par, on May 1, 2021, which is the first optional redemption date for these bonds.

The Escrow Agent will pay the scheduled debt service requirements of the Refunded 2011 Bonds on May 1, 2021 and will redeem those Refunded 2011 Bonds maturing on May 1, 2022 and thereafter, at a redemption price equal to 100% of par, on May 1, 2021, which is the first optional redemption date for these bonds.

### **ESCROW ACCOUNT TRANSACTIONS FOR THE REFUNDED 2010 BONDS**

We verified the mathematical accuracy of the accompanying calculations of the escrow account transactions proposed to currently refund the Refunded 2010 Bonds.

The presently outstanding debt service requirements of the Refunded 2010 Bonds, as described above, will be satisfied by the purchase of a U.S. Treasury Security (as described in Exhibit A-2) plus \$1.15 in cash. The security and cash will be placed in an irrevocable escrow account and held therein until the Refunded 2010 Bonds are redeemed as previously described.

We read a copy of the Official Statement dated December 17, 2010 for the Refunded 2010 Bonds insofar as these obligations are described with respect to principal amounts, interest rates, maturity dates, and redemption provisions. We assumed this document to be accurate and all debt service payments on the Refunded 2010 Bonds to be current as of February 1, 2021. We compared the above information set forth in this Official Statement with the related information contained in the schedules provided to us and found the information to be consistent.

We compared the subscribed interest rate of the U.S. Treasury Security (State and Local Government Series) to be purchased and placed in escrow with the maximum allowable interest rate as published in the SLGS Daily Rate Table by the Bureau of Fiscal Service for January 21, 2021 and found the subscribed rate to be less than or equal to the maximum allowable rate that was in effect on the subscription date for the applicable maturity date.

Based on the procedures and information set forth above, the computations provided to us and represented in Exhibits A through A-3, which indicate that the cash and security proposed to be placed in escrow by the Agency will produce the amount necessary to provide for the timely payment of the proposed debt payment schedule on the Refunded 2010 Bonds, are mathematically correct.

### **ESCROW ACCOUNT TRANSACTIONS FOR THE REFUNDED 2011 BONDS**

We verified the mathematical accuracy of the accompanying calculations of the escrow account transactions proposed to currently refund the Refunded 2011 Bonds.

The presently outstanding debt service requirements of the Refunded 2011 Bonds, as described above, will be satisfied by the purchase of a U.S. Treasury Security (as described in Exhibit B-2) plus \$1.22 in cash. The security and cash will be placed in an irrevocable escrow account and held therein until the Refunded 2011 Bonds are redeemed as previously described.

We read a copy of the Official Statement dated June 28, 2011 for the Refunded 2011 Bonds insofar as these obligations are described with respect to principal amounts, interest rates, maturity dates, and redemption provisions. We assumed this document to be accurate and all debt service payments on the Refunded 2011 Bonds to be current as of February 1, 2021. We compared the above information set forth in this Official Statement with the related information contained in the schedules provided to us and found the information to be consistent.

We compared the subscribed interest rate of the U.S. Treasury Security (State and Local Government Series) to be purchased and placed in escrow with the maximum allowable interest rate as published in the SLGS Daily Rate Table by the Bureau of Fiscal Service for January 21, 2021 and found the subscribed rate to be less than or equal to the maximum allowable rate that was in effect on the subscription date for the applicable maturity date.

Based on the procedures and information set forth above, the computations provided to us and represented in Exhibits B through B-3, which indicate that the cash and security proposed to be placed in escrow by the Agency will produce the amount necessary to provide for the timely payment of the proposed debt payment schedule on the Refunded 2011 Bonds, are mathematically correct.

**ARBITRAGE AND USE OF PROCEEDS CERTIFICATE**

**CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY  
SCHOOL FACILITY REVENUE REFUNDING BONDS  
(SYRACUSE CITY SCHOOL DISTRICT PROJECT), SERIES 2021A**

Each of the undersigned, being the Superintendent of the City School District of the City of Syracuse (the “SCSD”), the Chairman of the Syracuse Joint Schools Construction Board (the “SJSCB”) and the Commissioner of Finance of the City of Syracuse (the “City”) (the City, the SCSD and the SJSCB, each a “Borrowing Entity” and collectively the “Borrowing Entities”), DO HEREBY CERTIFY with respect to the \$26,440,000 aggregate principal amount of the City of Syracuse Industrial Development Agency School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A (the “Bonds”), dated February 1, 2021, which are being issued and delivered on the date hereof, as follows:

**I. GENERAL**

1.01. The Borrowing Entities are delivering this Arbitrage and Use of Proceeds Certificate (the “Certificate”) to the City of Syracuse Industrial Development Agency (the “Issuer”) and Bousquet Holstein PLLC, as bond counsel (“Bond Counsel”) to the Issuer, with the understanding that the Issuer will rely on this Certificate in making its representations and covenants in the Tax Certificate dated the date hereof and Bond Counsel will rely in part upon this Certificate in rendering its opinion that interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”).

1.02. This Certificate is being delivered for the purpose of establishing the reasonable expectations and setting forth certain covenants of the Borrowing Entities as to the amount and use of the Proceeds (as hereinafter defined) of the Bonds and of certain other amounts.

1.03. The Bonds are being issued pursuant to the Constitution and statutes of the State of New York (the “State”), including particularly A) the New York State Industrial Development Agency Act, constituting Title 1 of Article 18-A of the General Municipal Law, as amended (the “Enabling Act”), B) Chapter 641 of the 1979 Laws of New York State, as amended (together with the Enabling Act, the “IDA Act”) and C) Chapter 5 Part A-4 of the Laws of 2006 of New York State, as amended (the “Syracuse Schools Act”).

1.04. The Bonds have been authorized by a Refunding Bond Sale Resolution adopted by the members of the Issuer on December 16, 2020 (the “Resolution”) and are being issued pursuant to the terms of an Indenture of Trust (Series 2021A Project) dated as of February 1, 2021 (the “Indenture”), between the Issuer and Manufacturers and Traders Trust Company, as trustee (the “Trustee”).

1.05. The Bonds will be special limited obligations of the Issuer payable solely from payments received from the City and SCSD pursuant to the terms of the Installment Sale Agreement (Series 2008 Project) dated as of March 1, 2008 (the “2008 Original Installment Sale

Agreement”), which was previously amended eight times, each amendment corresponding to an issuance of school facility revenue bonds to be used for the betterment of existing school buildings within SCSD between 2010 and 2020, and the current amendment being Amendment No. 9 to Installment Sale Agreement dated as of February 1, 2020 (the “Ninth Amended Agreement” and together with the 2008 Original Installment Sale Agreement and the eight prior amendments, collectively, the “Installment Sale Agreement”), each among the Issuer and the Borrowing Entities and from other funds pledged under the Indenture.

1.06. The Bonds do not constitute a debt of the State nor the City, and neither the State nor the City will be liable thereon, nor will the Bonds be payable out of any funds of the Issuer other than those pledged under the Indenture. Except as provided in Section 4.4 of the Installment Sale Agreement, the obligation of the City and the SCSD to pay installment purchase payments and “Additional Payments” under the Installment Sale Agreement is absolute and unconditional.

1.07. This Certificate sets forth the facts, estimates and circumstances now in existence which are the basis for the expectation of each Borrowing Entity that the Proceeds (as hereinafter defined) of the Bonds and the Facilities (as defined in Section 3.02 below) financed or refinanced thereby will not be used in a manner that would cause the interest on the Bonds to be included in gross income for federal income tax purposes under the Code. To the best of my knowledge and belief, such expectation is reasonable and there are no other facts, estimates or circumstances that would materially change that expectation.

1.08 Each Borrowing Entity expects to be able to and will comply with all the procedures and provisions set forth in this Certificate applicable to it and will perform all acts and things necessary and desirable within its reasonable control in order to assure that interest paid on the Bonds shall, for the purpose of federal income taxation, not be included in gross income.

1.09 Each Borrowing Entities covenants to perform each of the covenants undertaken by them in this Certificate unless, in the Opinion of Bond Counsel, noncompliance therewith will not cause interest on the Bonds to be included in gross income for purposes of federal income taxation.

1.10. In making certain warranties, representations and certifications contained herein, each Borrowing Entity has consulted with its respective counsel and financial advisor.

## **II. DEFINITIONS**

Capitalized terms used herein and not defined shall have the meaning given to them in the Indenture or if not defined in the Indenture in Sections 103 and 141 through 150 of the Code and the applicable Treasury Regulations.

“*Bona Fide Debt Service Fund*” shall mean a fund, which may include proceeds of an issue, that is used primarily to achieve a proper matching of revenues with principal and interest payments within each Bond Year and is depleted at least once each Bond Year except for a

reasonable carry over amount (not in excess of the earnings on the fund for the immediately preceding Bond Year or one-twelfth (1/2) of the principal and interest payments on the issue for the immediately preceding Bond Year).

“*Bonds*” shall have the meaning set forth in the first paragraph of this Certificate.

“*Bond Year*” shall mean for federal income tax purposes, the period beginning on the Closing Date and ending on February 1, 2022 or such other shorter period that the Issuer may select, and each successive one-year or shorter period thereafter.

“*Borrowing Entities*” and “*Borrowing Entity*” shall have the meaning set forth in first paragraph of this Certificate.

“*Capital Expenditures*” shall mean any cost of a type that is properly chargeable to a capital account (or would be so chargeable to a capital account with a proper election or with the application of the definition of placed in service under Section 1.150-2(c) of the Treasury Regulations) under general federal income tax principles (e.g., costs incurred to acquire, construct or improve land, buildings and equipment generally are capital expenditures), it being understood that whether an expenditure is a capital expenditure is determined at the time the expenditure is paid with respect to the property and that future changes in law do not affect whether an expenditure is a capital expenditure.

“*Certificate*” shall have the meaning set forth in Section 1.01 of this Certificate.

“*City*” shall have the meaning set forth in first paragraph of this Certificate.

“*Closing Date*” shall mean February 1, 2021, the date of the initial issuance and physical delivery of the Bonds.

“*Code*” shall have the meaning set forth in Section 1.01 of this Certificate.

“*Controlled Group*” means a group of entities controlled directly or indirectly by the same entity or group of entities. In general, “direct control” exists while a controlling entity possesses either of the following rights or powers and such rights or powers are discretionary and non-ministerial: The right or power (a) both to approve and to remove without cause a controlling portion of the governing body of the controlled entity, or (b) to require the use of funds or assets of the controlled entity for any purpose of the controlling entity. If one entity (the “Controlling Entity”) directly controls another (the “Controlled Entity”), then the Controlling Entity indirectly controls any entity controlled directly or indirectly by such Controlled Entity. However, an entity is not a Controlled Entity if it possesses substantial taxing, eminent domain and police powers.

“*Escrow Agreement*” shall mean with respect to the Refunded Series 2010 Bonds, the Refunding Escrow Trust Agreement Series 2010 dated as of February 1, 2021, among the Issuer, the SCSD and Manufacturers and Traders Trust Company as the Refunded Bonds Trustee and escrow agent and with respect to the Refunded Series 2011A Bonds, the Refunding Escrow Trust

Agreement Series 2011A dated as of February 1, 2021, among the Issuer, the SCSD, and Manufacturers and Traders Trust Company as the Refunded Bonds Trustee and escrow agent.

“*Escrow Fund*” shall mean, with respect to the Refunded Series 2010 Bonds the irrevocable refunding escrow established with the Refunding Bonds Trustee under the Escrow Agreement and with respect to the Refunded Series 2011A Bonds the irrevocable refunding escrow established with the Refunding Bonds Trustee under the Escrow Agreement

“*Facilities*” shall have the meaning set forth in Section 3.02 of this Certificate.

“*Fair Market Value*” shall have the meaning given to it in Section 1.148-5(d)(6) of the Treasury Regulations.

“*Fixed Yield Issue*” shall mean any issue if each bond that is part of such issue is a bond whose Yield is fixed and determinable on the issue date. For purposes of this rule, two (2) bonds whose Yields are not so fixed and determinable are treated as a single fixed yield bond if such aggregate Yield treatment would result in the single bond being a fixed yield bond and the terms of the bond do not contain any feature that could distort the aggregate fixed Yield from what it would be if a single fixed yield bond were issued.

“*Gross Proceeds*” shall have the meaning used in Section 1.148-1(b) of the Treasury Regulations, and generally means all Proceeds and Replacement Proceeds.

“*Investment Proceeds*” shall mean any amounts actually or constructively received from investing Proceeds.

“*Investment Property*” shall mean any security or obligation (other than tax-exempt bonds which are not “specified private activity bonds” as defined in Section 57(a)(5)(C) of the Code), any annuity contract or any other investment-type property within the meaning of Section 1.148-1(b) of the Treasury Regulations.

“*Issuer*” shall have the meaning set forth in Section 1.01 of this Certificate.

“*Nationally Recognized Bond Counsel*” shall mean Bousquet Holstein PLLC or other counsel acceptable to the Issuer and the Trustee experienced in matters relating to tax exemption of interest on bonds issued by states and their political subdivisions.

“*Materially Higher*,” with respect to the Yield on Investments, has the meaning set forth in Section 1.148-2(d) of the Treasury Regulations.

“*Nonpurpose Investment*” shall mean any Investment Property in which Gross Proceeds are invested other than a Purpose Investment.

“*Opinion of Bond Counsel*” shall mean a written opinion of Nationally Recognized Bond Counsel to the effect that such action or inaction described in said opinion will not impair the exclusion of interest on the Bonds from gross income for purposes of federal income taxation.

“*Other Replacement Proceeds*” shall have the meaning set forth in Section 1.148-1(c)(4) of the Treasury Regulations. Other Replacement Proceeds arise to the extent that the SCSD reasonably expects as of the Closing Date that the term of the Bonds is longer than is reasonably necessary for the governmental purpose of the Bonds and that there will be available amounts created (within the meaning of Treasury Regulation Section 1.148-6(d)(3)(iii)) during the period that the Bonds remain outstanding longer than necessary. Other Replacement Proceeds do not arise for the portion of the Bonds that is to be used to: (a) finance restricted working capital expenditures if that portion of the Bonds is not outstanding longer than the temporary period under Treasury Regulation Section 1.148-2(e)(3) for which the Proceeds qualify; (b) finance or refinance capital projects (within the meaning of Treasury Regulation Section 1.148-1(b)) if that portion of the Bonds does not exceed one-hundred twenty percent (120%) of the average reasonably expected life of the financed capital projects; (c) refund a prior issue, if the weighted average maturity of such refunding issue does not exceed the remaining weighted average maturity of the prior issue and the issue of which the prior issue is a part satisfies Section 1.148-1(c)(4)(i)(B)(1) or 1.148-1(c)(4)(i)(B)(2) of the Treasury Regulations; or (d) finance working capital expenditures, if that portion of the Bonds satisfies Treasury Regulation Section 1.148-1(c)(4)(ii).

“*Outside User*” shall have the meaning set forth in Section 6.03 of this Certificate.

“*Pledged Fund*” shall have the meaning set forth in Section 1.148-1(c)(3) of the Treasury Regulations, and generally means any amount that is directly or indirectly pledged to pay principal or interest on the Bonds. A Pledged Fund need not be cast in any particular form but must provide a reasonable assurance to the bondowners that such amounts will be available to pay principal or interest on the Bonds even if the City or the SCSD encounters financial difficulties. An amount is also treated as pledged to pay principal or interest on the Bonds if it is held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of the bondowners or a guarantor of the Bonds, however, such amount will not be treated as pledged if: (a) the Issuer or any of the Borrowing Entities or a substantial beneficiary of the Bonds may grant rights in the amount that are superior to the rights of the bondowners, or (b) the amount is not in excess of the purpose for which it was established, the required level is tested no more frequently than every six (6) months, and the amount may be spent without any substantial restriction other than a requirement to replenish the amount by the next testing date.

“*Prior Indenture*” shall mean, with respect to the Refunded Series 2010 Bonds, the Indenture of Trust (Series 2010 Project) dated as of December 1, 2010, by and between the Issuer and the Refunded Bonds Trustee and with respect to the Refunded Series 2011A Bonds, the Indenture of Trust (Series 2011 Project) dated as of July 1, 2011, by and between the Issuer and the Refunded Bonds Trustee.

“*Private Use*” shall have the meaning set forth in Section 6.05 of this Certificate.

“*Proceeds*” shall mean any Sale Proceeds, Investment Proceeds, and Transferred Proceeds, if any, other than amounts actually or constructively received with respect to a Purpose Investment that are properly allocable to the immaterially higher yield under Section 1.148-2(d)

of the Treasury Regulations or to qualified administrative costs recoverable under Section 1.148-5(e) of the Treasury Regulations.

“*Project*” shall have the meaning set forth in Section 3.02 of this Certificate.

“*Purchase Contract*” shall mean the Purchase Contract dated January 21, 2021, among the Issuer, the SJSCB, the SCSD, the City and the Underwriter.

“*Purpose Investment*” shall mean an investment that is acquired to carry out the governmental purpose of the Bonds. For purposes of the Bonds, the Installment Sale Agreement is a Purpose Investment.

“*Refunded Bonds*” shall mean the Refunded Series 2010 Bonds and the Series 2011A Refundable Bonds.

“*Refunded Bonds Trustee*” shall mean, with respect to the Refunded Series 2010 Bonds, Manufacturers and Traders Trust Company, as trustee of the Refunded Series 2010 Bonds and with respect to the Refunded Series 2011A Bonds, Manufacturers and Traders Trust Company, as trustee of the Refunded Series 2011A Bonds.

“*Refunded Series 2010 Bonds*” shall mean City of Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 in the original aggregate principal amount of \$31,470,000.

“*Refunded Series 2011A Bonds*” shall mean the City of Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project), Series 2011A in the original aggregate principal amount of \$31,860,000.

“*Replacement Proceeds*” shall have the meaning set forth in Section 1.148-1(c) of the Treasury Regulations and generally means any Sinking Fund, Pledged Fund, or Other Replacement Proceeds to the extent that those funds or accounts are derived by or derived from a substantial beneficiary of the Bonds. A substantial beneficiary of the Bonds includes the Issuer, the State and the Borrowing Entities.

“*Sale Proceeds*” shall mean any amounts actually or constructively received by the Issuer from the sale of the Bonds (other than pre-issuance accrued interest).

“*SCSD*” shall have the meaning set forth in first paragraph of this Certificate.

“*Sinking Fund*” shall have the meaning set forth in Section 1.148-1(c)(2) of the Treasury Regulations, and generally means a debt service fund, redemption fund, reserve fund, replacement fund or any similar fund to the extent that such fund is reasonably expected to be used directly or indirectly to pay principal or interest on the Bonds.

“*SJSCB*” shall have the meaning set forth in first paragraph of this Certificate.

“*SLGS*” shall mean a U.S. Treasury Book Entry Securities, State and Local Government

Series.

“*Spendable Proceeds*” shall mean the Sale Proceeds, less any Sale Proceeds invested in a reasonably required reserve or replacement fund under Section 148(d) of the Code and as part of a minor portion under Section 148(e) of the Code.

“*State*” shall have the meaning set forth in Section 1.03 of this Certificate.

### **III. PURPOSE OF ISSUE**

3.01. The Bonds are being issued to (i) currently refund all of the Refunded Bonds and (ii) pay issuance costs of the Bonds and redemption costs of the Refunded Bonds.

3.02. The Refunded Series 2010 Bonds were issued pursuant to the Prior Indenture to finance all or a portion of the costs of, among other things: (i) the acquisition by the Issuer of an interest in the following existing school buildings (collectively the "2010 Buildings") known as the Institute of Technology at Syracuse Central (the former Central Technical High School) located at 258 East Adams Street, Shea Middle School located at 1607 South Geddes Street, Dr. Weeks Elementary located at 710 Hawley Avenue, Clary Middle School located at Amidon Drive, Fowler High School located at 227 Magnolia Street and H.W. Smith Pre-K-8 School located at 1130 Salt Springs Road; (ii) the reconstruction, rehabilitation and/or construction of the 2010 Buildings and additions thereto and the acquisition and installation therein of certain equipment, fixtures and furnishings (the "2010 Equipment" and with the 2010 Buildings and additions thereto, the "2010 Facilities") necessary and attendant to the use of the 2010 Buildings as schools by the City and the SCSD. The Series 2011A Bonds were issued pursuant to the Prior Indenture to finance all or a portion of the costs of, among other things: (A) the construction of an approximately 7,800 square foot, two-story, five classroom addition to, and the renovation and improvement of, H. W. Smith and the renovation and improvement of Dr. Weeks and Fowler (collectively, the "2011 Buildings"); (B) the acquisition and installation in and around the 2011 Buildings of certain items of equipment, furnishings, fixtures, and other incidental and appurtenant tangible personal property (the "2011 Equipment" and together with the 2011 Buildings, the "2011 Facilities" and the 2011 Facilities collectively with the 2010 Facilities, the "Facilities") necessary and attendant to the use of the 2011 Buildings as schools by the City and the SCSD. The portions of the Facilities to which the City and the SCSD allocated Proceeds of the Refunded Bonds are referred to herein as the "Project."

3.03. The refunding of the Refunded Bonds will result in debt service savings (the "Savings") to the SCSD having a net Present Value of approximately \$3,017,577.92 or 10.32% of the principal amount of the Refunded Bonds, using a discount factor equal to the Yield on the Bonds.

3.04. In addition, Chapter 127 of the Laws of 2016 requires that refunding savings must be spent on SCSD projects that are eligible for apportionment pursuant to subdivision 6 of Section 3602 of the New York Education Law.

3.05 The Bonds state that they are payable solely from: (a) the payment of base installment purchase payments and installment purchase payments by the SCSD and the City under the Installment Sale Agreement; and (b) the pledge of certain funds, including a Bond Fund, under the Indenture. The Syracuse Schools Act and the Indenture provide that in the event the SCSD and the City fail to make an installment purchase payment under the Installment Sale Agreement upon receipt by the New York State Comptroller (the "State Comptroller") of a certificate from the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller will withhold any State Aid to Education payable to the SCSD or the City to the extent of the amount so stated in such certificate as not having been made, and immediately

pay over to the Trustee on behalf of the Issuer the amount so withheld. The Installment Sale Agreement provides that the obligation of the SCSD and the City to pay base installment purchase payments and installment purchase payments is not a general obligation of the SCSD or the City and neither the faith and credit nor the taxing powers of the City is pledged to the payment of base installment purchase payments and installment purchase payments under the Installment Sale Agreement. The Indenture provides that the only source of moneys available for the payment of the principal of and interest on the Bonds are Bond Proceeds set aside to fund capitalized interest, installment purchase payments made by the SCSD and the City under the Installment Sale Agreement to the extent of State Aid to Education appropriated by the State and available to the SCSD and/or the City and appropriated by the City and the SCSD to make such payments, and the intercept by the State Comptroller of any other State Aid to Education payable to the City or the SCSD to the extent of any installment purchase payment deficiency.

#### **IV. SALE PROCEEDS AND OTHER AMOUNTS**

4.01. Sale Proceeds. The Bonds were sold pursuant to the Purchase Contract. As a result of the sale of the Bonds, the Issuer will receive \$30,287,271.13, which represents the aggregate principal amount of the Bonds in the amount \$26,440,000.00, plus original issue premium on the Bonds in the amount of \$3,954,638.35, for a subtotal of \$30,394,638.35 (the “Sale Proceeds”), less underwriting discount of \$107,367.22. The Sale Proceeds in the amount of \$29,933,832.37 will be deposited in the Escrow Fund on the Issue Date (the “Refunding Proceeds”). The remaining portion of the Sale Proceeds will be used to pay the costs of the issuance with respect to the Bonds in the amount of \$350,000.00 as set forth on Exhibit C attached hereto and the amount of \$3,438.76 of the Sale Proceeds will be deposited in the Bond Fund and used to pay debt service on the Bonds.

4.02. Bond Fund Release. Based on the information received from the Trustee, no amounts are on deposit in the Bond Fund for the Refunded Bonds.

4.03 Allocation of Proceeds to Expenditures. The SCSD understands that Proceeds of the Refunded Bonds are treated as expended on the date such proceeds are applied to the payment of costs characterized as Capital Expenditures. Each of the City and the SCSD covenants and agrees that no Proceeds of the Bonds will be used to make a grant or to pay working capital expenditures.

The Refunded Bonds are subject to the allocation and accounting rules described in Sections 1.141-6 and 1.148-6 of the Treasury Regulations for purposes of allocating Gross Proceeds to the Bonds, allocating Gross Proceeds to investments and allocating Gross Proceeds to expenditures. For example, the SCSD and the City understand that the allocation of Gross Proceeds to expenditures may be done on a specific tracing method, a “gross-proceeds-spent-first” method, a “first-in-first-out” method or a “ratable allocation” method, so long as the method used is consistently applied. The SCSD represents that it accounted for the allocation of Gross Proceeds to expenditures not later than (A) eighteen (18) months after the later of (1) the date the expenditure is paid, or (2) the date the Project is placed in service. Payments to a member of the Borrowing Entities’ Controlled Group are not expenditures for purposes of federal income tax accounting.

4.03. Application of Sale Proceeds of the Bonds and Other Amounts. The Sale Proceeds of the Bonds and other amounts described in Section 4.02 will be applied or deposited as follows:

## V. TERMS OF THE BONDS AND CALCULATION OF YIELD

5.01. Yield on the Bonds. When used in this Certificate, the term “*yield*” refers to the yield computed by the actuarial or present worth method using a three hundred sixty (360) day year and semiannual compounding, and means that discount rate which, when used in computing the present value of all payments of principal and interest to be paid on an obligation, produces an amount equal to the purchase price in the case of investments purchased with Gross Proceeds of the Bonds and the issue price of the Bonds in the case of the Bonds.

The Bonds constitute a Fixed Yield Issue. None of the Bonds are subject to optional redemption. The Yield on the Bonds has been computed by the Underwriter to be not less than 0.369155%. The computation of the Yield on the Bonds is included in Exhibit C.

The Borrowing Entities acknowledge that the yield on the Bonds will not be affected by subsequent unexpected events, except to the extent provided in Sections 1.148-4(h)(3) and 1.148-4(b)(4) of the Treasury Regulations when and if the Issuer enters into a Qualified Hedge or into any transaction transferring, waiving or modifying any right that is part of the terms of the Bonds.

### 5.02. Investment of Gross Proceeds of Refunded Bonds and Sale Proceed of the Bonds.

(a) As of the Issue Date, the Borrowing Entities represent that all of the Gross Proceeds of the Refunded Bonds have been expended.

(b) Refunding Proceeds may be invested without restriction as to Yield for a temporary period of 90 days.

(c) The Sale Proceeds used to pay costs of issuance of the Bonds may be invested without restriction as to Yield for a temporary period of thirteen (13) months after the Issue Date and may not be invested thereafter at a yield Materially Higher than the Yield on the Bonds.

(d) Investment Proceeds may be invested without restriction as to Yield for a temporary period of one (1) year after receipt.

(e) A minor portion of the Gross Proceeds of the Bonds (other than the Unexpended Proceeds) may be invested without restriction as to Yield in an amount not exceeding the lesser of (i) \$100,000 or (ii) five percent (5%) of the Sale Proceeds.

(f) Amounts that may not be invested at an unrestricted Yield, if any, will be invested in either (i) Nonpurpose Investments at Fair Market Value which produces a Yield not Materially Higher than the Yield on the Bonds, (ii) Treasury Obligations which produce a Yield not Materially Higher than the Yield on the Bonds, or (iii) Tax-Exempt Investments.

5.04. Economic Life of the Project. The SCSD hereby certifies that the average weighted maturity of the Bonds (3.4379 years, as shown in Exhibit C hereto) does not exceed

one hundred twenty percent (120%) of the remaining average reasonably expected economic life of the Project, all as determined under Section 147(b) of the Code.

5.05. No Overissuance and Current Refunding.

(a) Each of the Borrowing Entities hereby certifies that the proceeds of the Bonds, including Investment Proceeds, will not exceed the amount necessary for the purposes of the Bonds. For purposes of this Agreement, the term “proceeds” means the net amount (after payment of all expenses of issuing the Bonds) beneficially received by the SCSD as a result of the sale of the Bonds, except that, for the purposes of this Article V, the term “proceeds” does not include pre-issuance accrued interest, if any, on the Bonds from their dated date to the Issue Date.

(b) The Bonds constitute a current refunding issue. The Bonds are being issued not more than 90 days before the proceeds thereof will be used to pay principal or interest on the Refunded Bonds. The Proceeds of the Bonds will be used to purchase SLGS and held in the respective Escrow Fund to be used to pay principal and interest on the Refunded Bonds on or before May 1, 2021. Each of the Borrowing Entities hereby certifies that there are no Unexpended Proceeds of the Refunded Bonds. Therefore, there are no Transferred Proceeds.

5.06. Funds and Accounts Pledged to or Expected to be Used for Payment of Debt Service. The Indenture creates the following funds and accounts which are pledged to or expected to be used for payment of debt service on the Bonds: the Project Fund; the Bond Fund, including the Principal Account, the Interest Account and the Redemption Account therein. The State Aid Trust Agreement among the SCSD, the City and the Depository Bank thereunder creates the State Aid Depository Fund into which all State Aid Revenues are deposited, except for any amount of State Aid Revenues withheld from the City or the SCSD in accordance with the State Aid Trust Agreement or State law. The State Aid Depository Fund is not pledged as security for the payment of debt service on the Bonds. However, a portion of the State Aid Revenues is transferred periodically to the Trustee for deposit in the Bond Fund and to trustees of other revenue bonds of the Issuer issued for the Borrowing Entities.

(a) Project Fund. Other than proceeds of the Bonds that will be used to pay costs of issuance of the Bonds, no proceeds of the Bonds are expected to be deposited in the Project Fund.

(b) Bond Fund and State Aid Depository Fund. The SCSD certifies that the Bond Fund, including the Principal Account, the Interest Account and the Redemption Account therein, is to be used to pay debt service on and redemption price of the Bonds. The Bond Fund and the portion of the State Aid Depository Fund allocable to payment of debt service on the Bonds qualify as *Bona Fide* Debt Service Funds. Amounts deposited into such funds on and after the Issue Date may be invested without restriction as to Yield until used to pay debt service on the Bonds in the case of the Bond Fund and until transferred to the Bond Fund in the case of the State Aid Depository Fund; and any investment earnings will be expended on debt service on the Bonds within thirteen (13) months of initial receipt, subject to the rebate provisions of Article IV below.

(c) Rebate Fund. As set forth in the Indenture, the Rebate Fund is not pledged as security for the repayment of the Bonds. Proceeds of the Bonds deposited in the Rebate Fund may be invested without restriction as to Yield.

(d) No Other Sinking Funds/Pledge Funds. While other funds or accounts may be pledged under the Indenture as security for the Bonds, neither the Issuer nor the Borrowing Entities expect to use moneys in any of such funds or accounts to pay debt service on the Bonds. Moreover, there is no assurance that amounts in funds or accounts, other than the Bond Fund, would be available in fact (because of depletion for the purposes for which such funds or accounts were created) for payment of debt service on the Bonds. Moreover, neither the Issuer nor the Borrowing Entities have created, nor does either intend to create or establish, Pledge Funds, sinking fund or other funds, other than the Bond Fund, which they reasonably expect to be used for the payment of debt service on the Bonds.

5.07. Universal Cap. On each Valuation Date, the City on behalf of the Issuer will value the Universal Cap (as defined in Treasury Regulation Section 1.148-6(b)(2)) and the Nonpurpose Investments allocable to the Bonds under the Universal Cap. Nonpurpose Investments in a *Bona Fide* Debt Service Fund such as the Bond Fund do not reduce the aggregate value of Nonpurpose Investments that may be allocated to the Bonds under the Universal Cap. Nonpurpose Investments cease to be allocated to the Bonds to the extent such Nonpurpose Investments have been expended for the governmental purpose of the Bonds, or to the extent the value of such Nonpurpose Investments exceeds the value permitted to be allocated to the Bonds under the Universal Cap. To the extent Nonpurpose Investments cease to be allocated to the Bonds and the value of the Universal Cap exceeds the value of the remaining Nonpurpose Investment allocated to the Bonds, other Nonpurpose Investments may become allocated to the Bonds, provided that such Nonpurpose Investments are not already properly allocated to another bond issue and provided that such allocation does not cause the value of Nonpurpose Investments allocated to the Bonds to exceed the Universal Cap.

Generally, if Gross Proceeds of the Bonds invested in Nonpurpose Investments exceed the Universal Cap on a Valuation Date, such Nonpurpose Investments cease to be allocated to the Bonds in the following order:

- (i) amounts allocable to Replacement Proceeds,
- (ii) amounts allocable to Transferred Proceeds, if any,
- (iii) amounts allocable to Sale Proceeds and Investment Proceeds of the Bonds.

Where a Nonpurpose Investment ceases to be allocated to the Bonds, such Nonpurpose Investment may be reallocated to another bond issue subject, however, to the Universal Cap calculated with respect to such bond issue. A Nonpurpose Investment which is reallocated to another bond issue may be valued under the same valuation method pursuant to which it was valued for purposes of applying the Universal Cap with respect to the Bonds.

Notwithstanding anything in this Certificate to the contrary, the failure to perform the determination of Nonpurpose Investments allocable to the Bonds as of a Valuation Date shall not be considered a violation of this provision if the value of Nonpurpose Investments allocated to the Bonds did not exceed the value of the Bonds outstanding on such date.

5.08. No Prohibited Payments. The Borrowing Entities have not entered into and will not enter into any transaction to reduce the yield on the investment of the proceeds of the Bonds in such a manner that the amount to be rebated to the federal government is less than it would have been had the transaction been at arm's length and the Yield on the Bonds not been relevant to either party. In such regard, the Borrowing Entities understand that the purchase price of any security, certificate of deposit, guaranteed investment contract or other financial instrument in which proceeds of the Bonds are invested will be considered to be the Fair Market Value if the requirements for the determination of Fair Market Value for such security, certificate of deposit, guaranteed investment contract or other financial instrument are satisfied.

5.09. Disposition Receipts. The Borrowing Entities will consult with Bond Counsel as to how to invest and dispose of any amounts received from the condemnation, insurance or disposition of any part of the Project which are expected to be used for the payment of debt service on the Bonds.

5.10. Allocation of Proceeds to Expenditures. The City and the SCSD covenant and agree that no Proceeds of the Bonds or the Refunded Bonds were or will be used to make a grant or to pay working capital expenditures. The City and the SCSD have allocated Proceeds of the Refunded Bonds to Capital Expenditures of the Project and the proceeds of the Bonds are deemed to be allocated to such Capital Expenditures.

## **VI. TAX COVENANT; GENERAL PROVISIONS REGARDING USE OF PROCEEDS AND USE OF THE PROJECT**

6.01. Tax Covenant. Each of the Borrowing Entities represents, warrants and covenants that it will not take any action or inaction, nor fail to take any action or permit any action to be taken, with respect to the Project or the Bonds if any action or inaction would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds under Section 103 of the Code.

6.02. No Sale or Lease. Except as otherwise expressly stated in Exhibit D, each of the City and the SCSD represents, warrants and covenants that it owns and reasonably expects to continue to own all portions of the Project and that no portion of the Project has been or will be sold or otherwise disposed of (and no agreement entered into with respect to any sale or disposition) prior to consultation with the Issuer and the receipt by the Issuer of an Opinion of Bond Counsel. Except as otherwise expressly stated in Exhibit D, or as permitted in a written consent of the Issuer, which may be conditioned upon receipt by the Issuer of an Opinion of Bond Counsel, each of the City and the SCSD represents, warrants and covenants that it has not leased and will not lease any portion of the Project.

6.03. Outside Users. Except as otherwise expressly stated in Exhibit D, or quantified as “private use” with respect to the Bonds and described in Exhibit D, each of the City and the SCSD represents, warrants and covenants that periodic use of the Project by any person or entity other than a state or local governmental unit, including, but not limited to, persons or entities such as local community groups, members of the general public, nonprofit organizations and other non-governmental entities (the “Outside Users”) complies with the terms of this Section 7.03. Each use of the Project by an Outside User has satisfied and, in the future will satisfy, for the term of the Bonds, the following requirements: (a) the term of use under an arrangement with an Outside User, including any renewal options, is not longer than 50 days; (b) the arrangement for use is either: (i) negotiated at arm’s length with each Outside User, and compensation for the use is at fair market value, (ii) use of the Project is open on the same basis to any Outside User who wishes to use the Project at generally applicable and uniformly applied rates established by the City or the SCSD, or (iii) use of the Project is available by members of the general public for no charge on a first-come first-serve basis; and (c) the Project was not financed for the principal purpose of providing use to any such Outside User.

6.04. Management Contracts. Except as otherwise expressly stated in Exhibit D, each of the City and the SCSD represents, warrants and covenants that the City, the SCSD or any Related Party thereof will not enter into, and has not entered into, any contract, agreement or arrangement with any nongovernmental person which provides for such person or organization to manage, operate or provide services with respect to the Project, unless an Opinion of Bond Counsel is delivered to the Issuer that (a) the guidelines set forth in Revenue Procedure 97-13, published in Internal Revenue Bulletin 1997-5, dated February 3, 1997, as amplified by Notice 2014-67, 2014-46 I.R.B. 822, for a contract, agreement or arrangement executed on or prior to August 17, 2017, or (b) the guidelines set forth in Revenue Procedure 2016-44, as modified, amplified and superseded by Revenue Procedure 2017-13 or subsequent guidance are satisfied with respect to such contract, agreement or arrangement.

6.05. No Private Use. Each of the City and the SCSD represents, warrants and covenants that no portion of the Proceeds of the Bonds or the Project has been or will be used directly or indirectly in a trade or business carried on by a natural person, or in any activity carried on by a person other than a natural person (“Private Use”) excluding, however, use by a state or local governmental unit and use as a member of the general public including periodic use described in Section 6.03.

6.06. No Private Payment or Security. Each of the City and the SCSD represents, warrants and covenants that no portion of the principal of or interest on the Bonds during the term thereof is or will be, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Use, or in payments in respect of property used or to be used for a Private Use, or is to be or will be derived from payments, whether or not to the City or the SCSD, in respect of property or borrowed money used or to be used for a Private Use.

6.07. Educational Purpose. Each of the City and the SCSD represents, warrants and covenants that it reasonably expects to use all Bond Proceeds and the Project for educational

purposes in a manner that will not give rise to Private Use for the entire stated term to maturity of the Bonds.

6.08. No Output Facilities. Each of the City and the SCSD certifies that none of the proceeds of the Bonds will be used directly or indirectly for the acquisition of nongovernmental output property, and that any such use arising after the Closing Date will not exceed the lesser of five percent (5%) of the proceeds of the Bonds or \$15,000,000. The term “nongovernmental output property” means any property or interest in property which before acquisition was used or held for use by a non-exempt person in connection with an output facility (other than a facility for the furnishing of water) on or after October 14, 1987, but does not include any property which is to be converted to a use not in connection with an output facility unless the property is part of the output function of a nuclear power facility.

6.09. No Abuse or Overburdening of the Market. Each Borrowing Entity represents, warrants and covenants that the Bonds, including the investment earnings to be derived therefrom, are not and will not be a part of a transaction or series of transactions that: (a) enables the Borrowing Entities or any related person to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, or (b) overburdens the market for tax-exempt obligations in any manner, including, without limitation, by selling bonds that would not otherwise be sold, or selling more bonds, or issuing bonds sooner, or allowing bonds to remain outstanding longer, than would otherwise be necessary.

6.10. No Replacement. Each Borrowing Entity represents, warrants and covenants that no portion of the Proceeds of the Bonds will be used, directly or indirectly, to replace funds of any of the Borrowing Entities or any related person which were intended to be used for the purpose of the Bonds and will be used directly or indirectly to acquire Investment Property reasonably expected to produce a yield higher than the Yield on the Bonds. The SCSD and the City represent, warrant and covenant that the term of the Bonds is not longer than is reasonably necessary to accomplish the governmental purpose for which the Bonds are being issued.

6.11. No Federal Guaranty. Each Borrowing Entity represents, warrants and covenants that it will not directly or indirectly use or permit the use of any Proceeds of the Bonds or any other funds of the Borrowing Entities or any related party or take or omit to take any action that would cause the Bonds to be obligations that are “federally guaranteed” within the meaning of Section 149(b) of the Code. In furtherance of this representation, warranty and covenant, the Borrowing Entities will not allow the payment of principal or interest with respect to the Bonds to be guaranteed (directly or indirectly) in whole or in part by the United States or any agency or instrumentality thereof. Except as provided in the next sentence, the Borrowing Entities will not use 5% or more of the Proceeds of the Bonds to make or finance loans the payment of principal or interest with respect to which is guaranteed in whole or in part by the United States or any agency or instrumentality thereof, nor will it invest 5% or more of the Proceeds in federally-insured deposits or accounts. The preceding sentence shall not apply to: (a) investments in the Project Fund during applicable temporary periods, (b) investments in bona fide debt service funds; and (c) investments in obligations issued by the United States Department of the Treasury.

6.12. No Hedge Bonds. Each Borrowing Entity reasonably expected on the respective Issue Date of the Refunded Bonds (a) that at least eighty-five percent (85%) of the Net Sale Proceeds of the Refunded Bonds would be used to finance the Facilities within three (3) years of the date of issuance of such Refunded Bonds and that less than fifty percent (50%) of the Net Sale Proceeds of the Refunded Bonds would be invested in Nonpurpose Investments having a substantially guaranteed yield for four (4) years or more. Accordingly, the Bonds are not hedge bonds pursuant to Section 149(g)(3)(C) of the Code.

6.13. Investment Property.

(a) General Rule. No Investment Property may be acquired with Gross Proceeds for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) in excess of the Fair Market Value of such Investment Property. No Investment Property may be sold or otherwise disposed of for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) less than the Fair Market Value of the Investment Property.

6.14. Information Reporting. With respect to the Bonds, the Borrowing Entities direct the Issuer to file an Internal Revenue Service Form 8038-G with the Internal Revenue Service.

6.15. Single Issue. The City represents that all of the Bonds have been sold at substantially the same time, have been sold pursuant to the same plan of financing and are reasonably expected to be paid from substantially the same source of funds, determined without regard to guarantees from unrelated parties. The City represents that no other governmental obligations: (a) have been or will be sold within fifteen (15) days of the sale of the Bonds, (b) have been, or will be sold pursuant to the same plan of financing, and (c) are reasonably expected to be paid out of substantially the same source of funds as the Bonds, determined without regard to guarantees from unrelated parties.

## **VII. ARBITRAGE REBATE**

7.01. Each Borrowing Entity acknowledges that the United States Department of the Treasury has issued regulations with respect to the method of computing whether any rebate amount is due to the federal government under Section 148(f) of the Code.

7.02. Each Borrowing Entity specifically covenants and agrees to comply with all provisions of Section 148 of the Code and the Treasury Regulations promulgated thereunder for the purpose of assuring that none of the Bonds become “arbitrage bonds” with the meaning of such term in Section 148 of the Code.

7.03. In furtherance of the covenants and agreements made in other parts of this Article VIII, and without any limitation thereof, the City and SCSD covenant and agree, for itself and on behalf of the Issuer, that, in the event any Proceeds that are subject to Yield Restriction are found to have been invested in such a manner as the applicable Yield Restriction has been exceeded, the City and the SCSD will cause yield reduction payments to be made to the United States under the authority of, and pursuant to the requirements of Treasury Regulation 1.148-5(c). As

provided in Treasury Regulation 1.148-5(c), any such yield reduction payments are to be made within the times and in the manner provided for payments of Rebate Amount as provided in Treasury Regulation 1.148-3.

7.04. The City on behalf of the Issuer covenants that it will undertake to determine what is required with respect to the rebate provisions contained in Section 148(f) of the Code and will comply with any and all requirements that may apply to the Bonds in a timely manner and with Article V of the Tax Certificate. We have completed our engagement to verify the mathematical accuracy of the computations relating to the adequacy of cash plus U.S. Treasury Securities to be held in separate escrow accounts to pay the debt service requirements of the following bonds (herein collectively referred to as the “Refunded Bonds”) issued by the City of Syracuse Industrial Development Agency (herein referred to as the “Agency”) for the benefit of the Syracuse City School District (herein referred to as the “District”):

- School Facility Revenue Bonds (Syracuse City School District Project), Series 2010 (herein referred to as the “Refunded 2010 Bonds”), and
- School Facility Revenue Bonds (Tax Exempt Bonds) (Syracuse City School District Project) Series 2011A (herein referred to as the “Refunded 2011 Bonds”).

We express no opinion as to the attainability of the assumptions underlying the computations or the tax-exempt status of the School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021 (herein referred to as the “Refunding Bonds”) to be issued by the Agency for the benefit of the District. Our verification was performed solely on the schedules of proposed transactions provided by Raymond James & Associates, Inc. (herein referred to as the “Underwriter”). In the course of our engagement to verify the mathematical accuracy of the computations in the schedules provided to us, we prepared Exhibits A through A-3 and B through B-3 attached hereto and made a part hereof.

The scope of our engagement consisted of performing the procedures described herein. These procedures were performed in a manner that we deem to be appropriate.

The accompanying exhibits of proposed transactions were prepared on the basis of assumptions underlying the computations and in accordance with the procedures described herein. We did not independently confirm the information used with outside parties.

### **OUR UNDERSTANDING OF THE TRANSACTION**

The Agency intends to issue the Refunding Bonds on February 1, 2021 to currently refund the Refunded Bonds. A portion of the proceeds of the Refunding Bonds will be used to purchase a U.S. Treasury Security and to provide cash that will be placed into an escrow account to currently refund the Refunded Bonds.

The Escrow Agent will pay the scheduled debt service requirements of the Refunded 2010 Bonds on May 1, 2021 and will redeem those Refunded 2010 Bonds maturing on May 1, 2022 and thereafter, at a redemption price equal to 100% of par, on May 1, 2021, which is the first optional redemption date for these bonds.

The Escrow Agent will pay the scheduled debt service requirements of the Refunded 2011 Bonds on May 1, 2021 and will redeem those Refunded 2011 Bonds maturing on May 1, 2022 and thereafter, at a redemption price equal to 100% of par, on May 1, 2021, which is the first optional redemption date for these bonds.

### **ESCROW ACCOUNT TRANSACTIONS FOR THE REFUNDED 2010 BONDS**

We verified the mathematical accuracy of the accompanying calculations of the escrow account transactions proposed to currently refund the Refunded 2010 Bonds.

The presently outstanding debt service requirements of the Refunded 2010 Bonds, as described above, will be satisfied by the purchase of a U.S. Treasury Security (as described in Exhibit A-2) plus \$1.15 in cash. The security and cash will be placed in an irrevocable escrow account and held therein until the Refunded 2010 Bonds are redeemed as previously described.

We read a copy of the Official Statement dated December 17, 2010 for the Refunded 2010 Bonds insofar as these obligations are described with respect to principal amounts, interest rates, maturity dates, and redemption provisions. We assumed this document to be accurate and all debt service payments on the Refunded 2010 Bonds to be current as of February 1, 2021. We compared the above information set forth in this Official Statement with the related information contained in the schedules provided to us and found the information to be consistent.

We compared the subscribed interest rate of the U.S. Treasury Security (State and Local Government Series) to be purchased and placed in escrow with the maximum allowable interest rate as published in the SLGS Daily Rate Table by the Bureau of Fiscal Service for January 21, 2021 and found the subscribed rate to be less than or equal to the maximum allowable rate that was in effect on the subscription date for the applicable maturity date.

Based on the procedures and information set forth above, the computations provided to us and represented in Exhibits A through A-3, which indicate that the cash and security proposed to be placed in escrow by the Agency will produce the amount necessary to provide for the timely payment of the proposed debt payment schedule on the Refunded 2010 Bonds, are mathematically correct.

### **ESCROW ACCOUNT TRANSACTIONS FOR THE REFUNDED 2011 BONDS**

We verified the mathematical accuracy of the accompanying calculations of the escrow account transactions proposed to currently refund the Refunded 2011 Bonds.

The presently outstanding debt service requirements of the Refunded 2011 Bonds, as described above, will be satisfied by the purchase of a U.S. Treasury Security (as described in Exhibit B-2) plus \$1.22 in cash. The security and cash will be placed in an irrevocable escrow account and held therein until the Refunded 2011 Bonds are redeemed as previously described.

We read a copy of the Official Statement dated June 28, 2011 for the Refunded 2011 Bonds insofar as these obligations are described with respect to principal amounts, interest rates, maturity dates, and redemption provisions. We assumed this document to be accurate and all debt service payments on the Refunded 2011 Bonds to be current as of February 1, 2021. We compared the above information set forth in this Official Statement with the related information contained in the schedules provided to us and found the information to be consistent.

We compared the subscribed interest rate of the U.S. Treasury Security (State and Local Government Series) to be purchased and placed in escrow with the maximum allowable interest rate as published in the SLGS Daily Rate Table by the Bureau of Fiscal Service for January 21, 2021 and found the subscribed rate to be less than or equal to the maximum allowable rate that was in effect on the subscription date for the applicable maturity date.

Based on the procedures and information set forth above, the computations provided to us and represented in Exhibits B through B-3, which indicate that the cash and security proposed to be placed in escrow by the Agency will produce the amount necessary to provide for the timely payment of the proposed debt payment schedule on the Refunded 2011 Bonds, are mathematically correct.

### SECTION 3. Obligations to Provide Continuing Disclosure.

On an annual basis, no later than one calendar year after the end of each respective Fiscal Year, commencing with the Fiscal Year ended June 30, 2021, the JSCB shall provide, on behalf of the SCSD or shall cause the Dissemination Agent to provide, to the Repository, an Annual Report which is consistent with the requirements of Sections 3 and 4 of this Disclosure Agreement. In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information, as provided in Section 4(ii) hereof. If the Fiscal Year changes, the JSCB shall give

notice of such change in the same manner as required for a Listed Event. The JSCB shall provide sufficient copies of the Annual Reports to facilitate the Dissemination Agent's carrying out its duties, as set forth under this Disclosure Agreement.

If the Dissemination Agent has not received on or before the last business day of a Fiscal Year, an Annual Report from the JSCB, on behalf of the SCSD, for the preceding Fiscal Year, and the Dissemination Agent does not have actual knowledge that the Annual Report has been provided to the Repository, the Dissemination Agent shall send a notice to the Repository in substantially the form attached hereto as Exhibit A, with a copy to the SCSD and the City.

The Dissemination Agent shall file a report with the JSCB and (if the Dissemination Agent is not the Trustee) with the Trustee, certifying that the Annual Report has been provided to the Repository to this Disclosure Agreement, stating the date it was so provided.

SECTION 4. Content of Annual Report. The Annual Report shall contain or include by reference the following core financial information and operating data:

(i) Specified Information.

(a) The audited financial statements of the SCSD for the most recently ended Fiscal Year prepared in accordance with generally accepted accounting principles consistently applied, as promulgated from time to time by the Government Accounting Standards Board. If the SCSD's audited financial statements are not available by the time the Annual Report is required to be filed pursuant to Subsection 3(a) of this Disclosure Agreement, the Annual Report shall contain unaudited financial statements, and the audited financial statements shall be filed in the same manner as the Annual Report promptly after they become available; and

(b) Material historical quantitative data, including, but not limited to, information on State Aid to Education to be received by the SCSD and/or the City, as applicable, and all statutory intercepts applicable to the SCSD and/or the City, as applicable, as applicable, not otherwise described in the Final Official Statement dated January 21, 2021 ("Final Official Statement"), as well as any other revenues, expenditures, financial operations and indebtedness with respect to the Series 2021A Bonds generally of the type discussed in the sections and subsections of the Final Official Statement entitled, "THE PROGRAM," "PROGRAM PARTICIPANTS", and "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2021A BONDS —State Aid."

(c) A report consolidating the information required from the SCSD under subsection 4(i)(a) above.

(ii) Cross-Reference. All or any portion of the Annual Report may be incorporated in the Annual Report by cross-reference to any other documents which were and are being filed under the Rule with the Repository, through and in accordance with EMMA. The audited or unaudited financial statements of the SCSD may be provided in the same manner.

(iii) Information Categories. The requirements contained in this Disclosure Agreement under Section 4(i)(b) are intended to set forth a general description of the type of financial information and operating data to be provided; such descriptions are not intended to state more than general categories of financial information and operating data; and where the provisions of Section 4(i)(b) call for information that no longer can be generated because the operations to which it related have been materially changed or discontinued, a statement to that effect shall be provided.

SECTION 5. Reporting of Listed Events.

(a) The SCSD shall provide or shall cause the Dissemination Agent to provide in a timely manner, not in excess of ten (10) business days after the occurrence, to the Repository, written notice of any of the following events, in each case with respect to the Series 2021A Bonds (“Listed Events”):

17. Failure of the SCSD to comply with the requirements of Sections 3 and 4 of this Disclosure Agreement.

(b) Certain of the seven Listed Events subject to a materiality standard may not be applicable. Whenever the SCSD obtains knowledge of the occurrence of such a Listed Event, the SCSD shall as soon as possible determine if such event would constitute material information for Bondholders of the Series 2021A Bonds.

(c) The JSCB, on behalf of the SCSD, shall provide or shall cause the Dissemination Agent to provide in a timely manner to the Repository, written notice of a failure of any officer or other person authorized by the SCSD to comply with Sections 3, 4 and 5 hereof.

(d) Notwithstanding the preceding, neither the SCSD nor the Dissemination Agent will undertake to provide any of the following:

1. Notice with respect to (i) credit enhancement if (A) the credit enhancement is added after the primary offering of the Series 2021A Bonds, (B) the SCSD does not apply for or participate in obtaining the enhancement, and (C) the SCSD does not apply for or participate in obtaining the enhancement and the enhancement is not described in the Final Official Statement, or (ii) tax exemption other than pursuant to Section 103 of the Code;

2. The event notice, as described in Section 5(a)(8) above, with regard to a mandatory scheduled redemption not otherwise contingent upon the occurrence of an event, if (i) the terms, dates and amounts of redemption are set forth in detail in the Indenture, (ii) the only open issue is which Series 2021A Bonds will be redeemed in the case of a partial redemption, (iii) notice of redemption is given to the Bondholders as required under the terms of the Series 2021A Bonds, and (iv) public notice of the redemption is given pursuant to 1934 Act Release No. 23856 of the SEC, even if the originally scheduled amounts are reduced by prior optional redemptions or Bond purchases; and

3. Updates or revisions to any forward-looking statements contained in the Final Official Statement, including, but not limited to, those that include the words “expects,” “forecasts,” “projects,” “intends,” “anticipates,” “estimates,” “assumes,” “structured,” “targets” or analogous expressions.

SECTION 6. Termination of Reporting Obligation. The JSCB’s obligations under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption, or payment in full of all of the Series 2021A Bonds.

SECTION 7. Dissemination Agent. The JSCB may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the JSCB, on behalf of SCSD or the City pursuant to this Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be the Trustee. For so long as the Trustee shall be the Dissemination Agent, the JSCB shall pay the Dissemination Agent an annual fee of \$500.00 upon the execution of this Disclosure Agreement and on each anniversary thereof.

SECTION 8. Amendments. An amendment to the requirements set forth in this Disclosure Agreement (the “Requirements”) may only take effect if:

(a) The amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the SCSD, or type of business conducted; the Requirements, as amended, would have complied with the requirements of the Rule at the time of sale of the Series 2021A Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and the amendment does not materially impair the interests of Bondholders and/or Beneficial Owners, as determined by parties unaffiliated with the SCSD (such as, but without limitation, the SCSD's financial advisor or transaction counsel) and the annual financial information containing (if applicable) the amended operating data or financial information will explain, in narrative form, the reasons for the amendment and the "impact" (as that word is used in the letter from the SEC staff to the National Association of Bond Lawyers dated June 23, 1995) of the change in the type of operating data or financial information being provided; or

(b) All or any part of the Rule, as interpreted by the staff of the SEC at the date of the Series 2021A Bonds, ceases to be in effect for any reason, and the SCSD elects that the Requirements shall be deemed terminated or amended (as the case may be) accordingly.

(c) In addition to subsections (a) and (b) above, this Disclosure Agreement may be amended by written agreement of the parties, without the consent of the Bondholders and/or Beneficial Owners, of the Bonds, if all of the following conditions are satisfied: (1) the JSCB, on behalf of the SCSD, shall have delivered to the Trustee an opinion of Counsel, addressed to the SCSD, the City, the JSCB, the Issuer and the Trustee, to the effect that the amendment is permitted by rule, order or other official pronouncement, or is consistent with any interpretive advice or no-action positions of Staff of the SEC, and (2) the Trustee shall have delivered copies of such opinion and amendment to (i) the MSRB and (ii) the Issuer. The Trustee shall so deliver such opinion and amendment within one Business Day after receipt by the Trustee.

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the JSCB from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the JSCB, at the direction of the SCSD or the City, chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Agreement, the JSCB shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default; Venue. No Bondholder may institute any suit, action or proceeding at law or in equity ("Proceeding") for the enforcement of the Requirements (the "Undertaking") or for any remedy for breach thereof, unless such Bondholder shall have filed with the SCSD evidence of ownership and a written notice of and request to cure such breach, and the SCSD shall have refused to comply within a reasonable time. All Proceedings shall be instituted only as specified herein, in any federal or state court located in the State and for the equal benefit of all holders of the outstanding bonds benefited by the same or a substantially similar covenant, and no remedy shall be sought or granted other than specific performance of the covenant at issue.

SECTION 11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. The Dissemination Agent (if other than the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in this Disclosure Agreement, and the SCSD agrees to release the Dissemination Agent and the Trustee from any claim arising out of the discharge of any duties hereunder and to defend, indemnify and save the Trustee and the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorney's fees) of defending against any claim of liability, but excluding liabilities due to the Trustee and the Dissemination Agent's negligence or willful misconduct. The obligations of SCSD under this Section 11 shall survive resignation or removal of the Dissemination Agent and payment of the Series 2021A Bonds.

New York, NY 10041-0099

Ladies and Gentlemen:

This letter sets forth our understanding with respect to all issues (the "Securities") that Issuer shall request be made eligible for deposit by The Depository Trust Company ("DTC").

To induce DTC to accept the Securities as eligible for deposit at DTC, and to act in accordance with DTC's Rules with respect to the Securities, Issuer represents to DTC that Issuer will comply with the requirements stated in DTC's Operational Arrangements, as they may be amended from time to time.

Note:

Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfers of securities distributed through DTC, and certain related matters.

Very truly yours,

City of Syracuse Industrial Development Agency

SCHEDULE A

**SAMPLE OFFERING DOCUMENT LANGUAGE  
DESCRIBING BOOK-ENTRY-ONLY ISSUANCE**

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$200 million, one certificate will be issued with respect to each \$200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

The right, title and interest of the Debtor granted to Secured Party under the Trust Indenture dated as of February 1, 2021, in the property described below:

CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY (the "Agency") has entered into a certain Indenture of Trust (Series 2021A) dated as of February 1, 2021 (the "Indenture") by and between the Agency and Manufacturers and Traders Trust Company, as trustee (the "Trustee"), for the holders of the Agency's School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A in the principal par amount of \$26,440,000 (the "Series 2021A Bonds"). Capitalized terms used but not defined herein shall have the meanings assigned thereto in Schedule A attached to the Indenture.

Pursuant to the Indenture, the Agency assigned and granted a security interest in the following to the Trustee, and its successors in trust and assigns, for the securing of the performance of the obligations of the Agency set forth in the Indenture:

1. All moneys and securities from time to time held by the Trustee under the terms of the Indenture including amounts set apart and transferred to the Project Fund, the Bond Fund or any special fund, and all investment earnings of any of the foregoing, subject to disbursements from such funds in accordance with the provisions of the Installment Sale Agreement and the Indenture (and when so disbursed, such amounts shall automatically be released from the assignment, pledge, lien and security interest of the Indenture); provided, however, there is expressly excluded from any assignment, pledge, lien or security interest any amounts set apart and transferred to the Rebate Fund.

2. All right, title and interest of the Agency in and to the Installment Sale Agreement, including all installment purchase payments, revenues and receipts payable or receivable thereunder, excluding, however, the Agency's Reserved Rights, which Reserved Rights may be enforced by the Agency and/or the Trustee, jointly or severally; provided, however, that no exercise by the Agency of the Agency's Reserved Rights shall limit or restrict the rights of the Trustee or the Bondholders to exercise their rights and remedies under the Security Documents.

3. All right, title and interest of the Agency in and to the State Aid to Education pursuant to the Syracuse Schools Act, subject, however: (i) to the right of the Agency or any other public entity to make any future pledges, of no greater priority than the pledge effected under the Indenture, of its respective right, title and interest in and to the State Aid to Education; and (ii) to the right of the Agency to receive state and/or school aid payable to the City or the SCSD, for application in the priority set forth in Section 5.4 hereof, in satisfaction of the Agency's Reserved Rights (which Reserved Rights may be enforced by the Agency and/or the Trustee, jointly or severally).

4. The Installment Sale Agreement requires, among other things, the payment by the City and the SCSD of Installment Purchase Payments as scheduled payments equal to the principal of and interest on the Series 2021A Bonds and any Additional Bonds that were or may be issued under a Series Indenture (collectively, the “**Bonds**”) as the same become due, (the “**Installment Purchase Payments**”). Capitalized terms used herein and not otherwise defined shall have the meaning ascribed thereto in the Indenture.

**Pledge and Security.** The obligation of the City and the SCSD to pay Installment Purchase Payments under the Installment Sale Agreement is executory only to the extent of State Aid to Education (as defined in the State Aid Depository Agreement referred to below) appropriated by the State and available to the City and/or the SCSD, and budgeted by the SCSD and appropriated by the City and the SCSD for the payment of Installment Purchase Payments under the Installment Sale Agreement, and no liability on account thereof is incurred by the City and the SCSD beyond the amount of such moneys so available and appropriated, *provided, however*, that the failure of the City and the SCSD for any reason (including a failure by the State to appropriate State Aid to Education or a failure by the City or the SCSD to budget and appropriate funds) to make an Installment Purchase Payment or an Additional Payment under the Installment Sale Agreement is deemed a failure to make a payment for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the Indenture. Further, the obligation of the City and the SCSD to pay Installment Purchase Payments is not a general obligation of the City or the SCSD and neither the faith and credit nor the taxing powers of the City are pledged to the payment of Installment Purchase Payments. The obligations of the City and the SCSD under the Installment Sale Agreement to pay Installment Purchase Payments in any Fiscal Year of the City and the SCSD constitutes a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness or moral obligation of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State of New York (the “**State**”). The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due under the Installment Sale Agreement shall be moneys comprising State Aid to Education lawfully appropriated by the State and available therefor from time to time for the benefit of the SCSD, and budgeted and appropriated for such purpose by the City and the SCSD and, to the extent of any Installment Purchase Payment deficiency, state and/or school aid payable to the City or the SCSD received by the Trustee pursuant to the intercept by the State Comptroller.

Each of the SCSD, the City and Manufacturers and Traders Trust Company, Buffalo, New York, as depository bank (together with its successors or assigns, the “**Depository Bank**”), have entered into a State Aid Depository Agreement dated as of March 1, 2008 (“**Depository Agreement**”) as previously amended by the First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the “**First Amendment to Depository Agreement**”), and together with the Depository Agreement, collectively the “**State Aid Depository Agreement**” as the same may be further amended or supplemented from time to time), to provide for, among other things, the payment of all State Aid to Education into the State Aid Depository Fund maintained with the Depository Bank for periodic transfer to the Bond Fund established under the Indenture (and the equivalent fund established under each other Series Indenture) toward payment of the Bonds and

each other Series of Project Bonds issued under a Series Indenture, and to the extent of any deficiency therein, to a Debt Service Reserve Fund or equivalent fund, if any, established under any other Series Indenture (no such fund being established hereunder), and the balance to the General Fund (as defined in the State Aid Depository Agreement).

Copies of the Indenture, the Installment Sale Agreement, the License and the State Aid Depository Agreement are on file at the principal corporate trust office of the Trustee at 285 Delaware Avenue, 3<sup>rd</sup> Floor, Buffalo, New York, and reference is made to such documents for the provisions relating, among other things, to the terms and security of the Series 2021A Bonds, the charging and collection of Installment Purchase Payments for the Facilities, the custody and application of the proceeds of the Series 2021A Bonds, the rights and remedies of the holders of the Series 2021A Bonds, and the rights, duties and obligations of the Agency, the School Parties and the Trustee.

Pursuant to the Indenture, the Agency has assigned to the Trustee substantially all of its right, title and interest in and to the Installment Sale Agreement, including all rights to receive Installment Purchase Payments to pay the principal of and interest on the Series 2021A Bonds as the same become due, all to be made by the City and the SCSD pursuant to the Installment Sale Agreement, and all executory only to the extent of State Aid to Education as provided above.

The Series 2021A Bonds are special obligations of the Agency and shall never constitute a debt of the State of New York nor of the City, and neither the State of New York nor the City shall be liable thereon, nor shall the Series 2021A Bonds be payable out of any funds of the Agency other than those pledged therefor. Reference is hereby made to the Indenture for a description of the property pledged, assigned and otherwise available for the payment of the Series 2021A Bonds, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Agency, the Trustee and the holders of the Series 2021A Bonds, and the terms upon which the Series 2021A Bonds are issued and secured.

**Additional Bonds.** As provided in the Indenture, Additional Bonds may be issued from time to time in one or more series for the purpose of financing the Facilities, providing funds to repair, relocate, replace, rebuild, or restore an affected Facility in the event of damage, destruction or taking by eminent domain, providing additions, rehabilitation or recreational facilities to one or more Facilities, or refunding outstanding Bonds. All Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as may otherwise be expressly provided in the Indenture.

#### **Redemption of Series 2021A Bonds.**

(a) *General Optional Redemption.* The Series 2021A Bonds are not subject to optional redemption prior to maturity thereof.

(b) *Mandatory Redemption.* The Series 2021A Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent: (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2021A Project; or (ii) moneys are transferred to the Bond Fund pursuant to Article V of the Indenture or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into

the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2021A Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) *Redemption Procedures.* If any of the Series 2021A Bonds are to be called for redemption, the Indenture requires a copy of the redemption notice to be mailed at least thirty (30) days prior to such redemption date to the registered owner of each Series 2021A Bond to be redeemed at the address for such owner shown on the registration books. All Series 2021A Bonds so called for redemption will cease to bear interest after the date fixed for redemption if funds for their redemption are on deposit at the place of payment at that time. If notice of redemption shall have been given as aforesaid, the Series 2021A Bonds called for redemption shall become due and payable on the redemption date. Upon presentation and surrender of Series 2021A Bonds so called for redemption at the place or places of payment, such Series 2021A Bonds shall be redeemed.

So long as the Securities Depository is effecting book-entry transfers of the Series 2021A Bonds, the Trustee shall provide the notices specified in the paragraph above only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Series 2021A Bond (having been mailed notice from the Trustee, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Series 2021A Bond so affected, shall not affect the validity of the redemption of such Series 2021A Bond.

**Payments Due on Saturdays, Sundays and Holidays.** In any case where any payment date of principal or Redemption Price, if any, and/or interest on this bond shall be (i) a Saturday or Sunday, (ii) a day in which banks in the State of New York, or in the city in which the corporate trust office of the Trustee is located, are authorized or required by law to close, or (iii) a day on which the New York Stock Exchange, Inc. is closed, then payment of such principal or Redemption Price, if any, and/or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the principal and/or Interest Payment Date or the date fixed for redemption, as the case may be, except that interest shall continue to accrue on any unpaid principal.

**Amendment of Indenture.** The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Agency and the rights of the holders of the Bonds at any time by the Agency with the consent of the Trustee, or, where so provided in the Indenture, the holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding thereunder; provided, however, that if any such amendment or modification would affect only a single series of Bonds, then the consent of the holders of not less than a majority in aggregate principal amount of such series of Bonds at the time Outstanding thereunder shall instead be required. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each Bond and of any such Bond issued upon the transfer thereof, whether or not notation of such consent is made thereon.

**Book-Entry System.** The Series 2021A Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the

Indenture. One bond certificate with respect to each date on which the Series 2021A Bonds are stated to mature, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody or its agent. The book-entry system will evidence positions held in the Series 2021A Bonds by the Securities Depository's Participants, beneficial ownership of the Series 2021A Bonds in authorized denominations being evidenced in the records of such Participants. Transfers of ownership shall be effected on the records of the Securities Depository and its Participants pursuant to rules and procedures established by the Securities Depository and its Participants. The Agency and the Trustee will recognize the Securities Depository nominee, while the registered owner of this bond, as the owner of this bond for all purposes, including (i) payments of principal of, redemption premium, if any, and interest on this bond, (ii) notices, and (iii) voting. Transfer of principal, and interest and any redemption premium payments to Participants of the Securities Depository, and transfer of principal, Redemption Price, and interest payments to Beneficial Owners of the Series 2021A Bonds by Participants of the Securities Depository will be the responsibility of such Participants and other nominees of such Beneficial Owners. The Agency and the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its Participants or persons acting through such Participants. While the Securities Depository nominee is the owner of this bond, notwithstanding the provision hereinabove contained, payments of principal of, redemption premium, if any, and interest on this bond shall be made in accordance with existing arrangements among the Agency, the Trustee and the Securities Depository.

**Denominations.** The Series 2021A Bonds are issuable in the form of fully registered bonds in the minimum denomination of \$5,000 or any integral multiple thereof.

**Exchange of Series 2021A Bonds.** The holder of this bond may surrender the same, at the principal corporate trust office of the Trustee, in exchange for an equal aggregate principal amount of Series 2021A Bonds of any of the authorized denominations of the same maturity and maturities as this bond or the Series 2021A Bonds so surrendered, subject to the conditions and upon payment of the charges provided in the Indenture. However, the Trustee will not be required to (i) transfer or exchange any Series 2021A Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Series 2021A Bonds to be redeemed, or (ii) transfer or exchange any Series 2021A Bonds selected, called or being called for redemption in whole or in part.

**Transfer of Series 2021A Bonds.** This bond is transferable, as provided in the Indenture, only upon the books of the Agency kept for that purpose at the corporate trust office of the Trustee by the registered owner hereof in person, or by his duly authorized attorney-in-fact, upon surrender of this bond (together with a written instrument of transfer in the form appearing on this bond duly executed by the registered owner or his duly authorized attorney-in-fact with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of,

or on account of, the principal or Redemption Price hereof, and interest due hereon and for all other purposes whatsoever.

**No Acceleration of Series 2021A Bonds.** In no event shall the principal of any Series 2021A Bond be declared due and payable in advance of its final stated maturity.

**Limitation on Bondholder Enforcement Rights.** The holder of this bond shall have no right to enforce the provisions of the Indenture, to institute action to enforce the provisions and covenants thereof or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

4. All actions on the part of the City, including necessary and appropriate review by the City’s Corporation Counsel, necessary or appropriate for execution and delivery of the City Documents and issuance of the Series 2021A Bonds have been completed. All conditions precedent set forth in the Ordinances have occurred and have been satisfied, in each case for the execution and delivery of the City Documents by the undersigned or the JSCB in the name and on behalf of the City and the performance by the City of its obligations under the City Documents.
5. The execution and delivery of the City Documents by the City or by the JSCB on the City’s behalf have been duly authorized by all necessary corporate, administrative and legislative action and, when executed and delivered, the City Documents will constitute the valid and binding obligations of the City enforceable against the City in accordance with their terms (except as such enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws of general applicability affecting the enforcement of creditors’ rights and subject to general principles of equity, regardless of whether such enforceability is considered in equity or in law), and compliance with the provisions of all of them, under the circumstances contemplated thereby, did not, as of the date of the Purchase Contract and do not at the Closing Date, in any material respect conflict with, or constitute on the part of the City a breach of or default under, any agreement or other instrument to which the City is a party or any existing law, administrative regulation, court order or consent decree to which the City is subject and when executed and delivered, the City Documents will be valid and binding agreements of the City.

To the best of my knowledge, no event affecting the City has occurred since the date of the Official Statement which

should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information contained therein, in light of the circumstances under which they were made, not misleading in any material respect as of the Closing Date.

8. No action, suit, proceeding or investigation is pending or (to the best of my knowledge) threatened against the City or (to the best of my knowledge, no independent investigation having been made) any other person in any court or before any Court, governmental authority, legislative body, board, agency or commission: (a) seeking to restrain or enjoin the issuance or delivery of any of the Series 2021A Bonds; or (b) in any way contesting or affecting the validity of the Series 2021A Bonds, or the validity or enforceability of the Purchase Contract or the other City Documents or the transactions contemplated thereby; or (c) which if determined adversely to the City, would adversely affect the financial condition of the City.
9. The City is not in breach of, or in default under, any applicable law or administrative regulation of the State or the United States or any applicable judgment or decree or any loan agreement, note, resolution, agreement or other instrument to which the City is, a party or otherwise subject, which breach or default would in any way materially and adversely affect the issuance of the Series 2021A Bonds or the intercept of state and/or school aid pursuant to the Syracuse Schools Act; and no event has occurred and is continuing that with the passage of time or giving of notice, or both, would constitute such a breach or default; and the issuance, sale and delivery of the Series 2021A Bonds or the intercept of state and/or school aid pursuant to the Syracuse Schools Act will not conflict with or constitute a breach of or default under any agreement or other instrument to which the City is a party or otherwise subject.
10. No event of default or event which, with notice or lapse of time or both, would constitute an event of default under any of the City Documents has occurred and is continuing.
11. The statements and information contained in the Preliminary Official Statement and the Official Statement (with the exception of statements and information under the headings, “PROGRAM PARTICIPANTS - all subheadings other than the City,” “THE ISSUER,” “TAX MATTERS,” and “APPENDIX E —Form of Opinion of Bond Counsel”) do not, as of the date of the Purchase Contract and the Closing Date, contain any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements and information therein, in light of the circumstances under which they were made, not misleading.
12. Except as noted in the Official Statement, The City has not failed during the previous five years to comply in all material respects with any of its undertakings in previous written continuing disclosure contracts or agreements under Rule 15c2-12.

### CERTIFICATE OF APPROVAL OF PLANS AND SPECIFICATIONS

Building: Central Tech Voc Ctr

Facilities Planning Project Control Number

4	2	1	8	0	0	0	1	0	1	2	5	0	0	7	0	5	0	0	7	1	1	2	2	8	0	6
District BEDS Code							Facility Code			Project No.					Review Number					Approval Date						

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

**During Construction** - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision were sent to the district previously together with the letter acknowledging the original letter of intent.

**Construction Inspections** - Section 444.3(d) of 19NYCRR444 mandates construction inspections at such times as will permit the observation of the foundation, structural elements, electrical systems, plumbing systems, heating, ventilation and air conditioning systems, fire protection and detection systems and exit features. The purpose of such inspections is to ensure work in accordance with the

construction contract documents and compliance with applicable provisions of the Uniform Fire Prevention and Building Code. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

**Certification of Substantial Completion** - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Certification of Substantial Completion", form FP-CSC, when it is appropriate to do so. A copy of the form is enclosed. Carefully retain it for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

**Assurances** - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

**Fire Safety Inspection and Report** - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: [www.emisd.nysed.gov/facplan/](http://www.emisd.nysed.gov/facplan/) under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

**Occupancy** - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

**Final Building Project Report** - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

Richard P. Mills

The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

**Assurances** - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

**Fire Safety Inspection and Report** - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: [www.emsd.nysed.gov/facplan/](http://www.emsd.nysed.gov/facplan/) under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

**Occupancy** - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

**Final Building Project Report** - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

Richard P. Mills

**WHEREAS**, the Syracuse Joint School Construction Board (the "*JSCB*") was established pursuant Chapter 58 A-4 of the Laws of 2006 (the "*Act*") of the State of New York (the "*State*") and an agreement dated April 1, 2004 by and between the City of Syracuse (the "*City*") and the Board of Education of the City School District of the City of Syracuse (the "*School District*"); and

**WHEREAS**, pursuant to the Act, the JSCB, acting on behalf of the School District and the City, submitted the proposed financial plan (the "*Plan*") set forth in JSCB's proposed Comprehensive Syracuse District-Wide Reconstruction Master Plan of the School District's public schools (the "*Program*") to the Office of the Comptroller of the State of New York (the "*OSC*"); and

**WHEREAS**, by letter dated January 25, 2008, OSC notified the JSCB of its approval of the Plan; and

**WHEREAS**, the Program provides for the JSCB, on behalf of the City and the School District, to undertake Projects (as defined in the Act) in phases, the first phase of which consisted of substantial rehabilitation and reconstruction of seven existing public school buildings of the School District (the "*Series 2008 Project*") and financing of the costs of the Series 2008 Project with proceeds of revenue bonds to be issued by the City

of Syracuse Industrial Development Agency ("*SIDA*") in the principal amount of up to \$180,000,000 (the "*Bonds*"); and

**WHEREAS**, pursuant to Article 8 of the Environmental Conservation Law of the State, as amended, and the regulations of the Department of Environmental Conservation of the State promulgated thereunder (collectively referred to hereinafter as "*SEQRA*"), it was determined that the first stage of the work to be financed by the Series 2008A Bonds would not have a "significant effect on the environment" (as such quoted terms are defined in *SEQRA*) and a negative declaration was therefore issued; and

**WHEREAS**, in April of 2009 the JSCB, acting as "lead agency", reviewed the proposed additions, modifications and renovations that constituted the second phase of the Series 2008 Project and which were to be financed by the Series 2010 Bonds, determined that such work would not have a "significant effect on the environment" and issued a negative declaration; and

**WHEREAS**, in May of 2011 the JSCB, acting as "lead agency", reviewed the proposed additions, modifications and renovations that constituted the third phase of the 2008 Project and which are to be financed by the Series 2011 Bonds, determined that such work would not have a "significant effect on the environment" and issued a negative declaration; and

**WHEREAS**, pursuant to the Act and as contemplated in the Plan, the JSCB, on behalf of the City and the School District, previously requested, and *SIDA* did, issue and sell its revenue bonds in an aggregate principal amount of \$49,230,000 (the "*Series*

**WHEREAS**, the School District received a \$15,000,000 allocation of Federally Taxable Qualified School Construction Bonds ("*QSCABs*") from the New York State Department of Education ("*Allocation*") and intends to utilize such Allocation to finance all or a portion of the costs associated with the Facilities; and

**WHEREAS**, in furtherance of the School District's desire to utilize its Allocation as stated above, the School District by resolution adopted June 13, 2011 did transfer its Allocation to SIDA. Such transfer being conditioned upon SIDA issuing QSCABs in a like amount on behalf of the School District; and

**WHEREAS**, pursuant to Section 11 of the Act, the JSCB, on behalf of the City and the School District, had previously entered into a Program Manager Agreement dated as of December 5, 2007, as the same may be amended or supplemented from time to time, (the "*Program Manager Agreement*"), with Gilbane Building Company in conjunction with the Series 2008A Project; the JSCB, on behalf of the City and the School District, shall take all steps necessary to ensure that the Program Manager Agreement covers the Series 2011 Project, including but not limited to extending and/or renegotiating the Program Manager Agreement if necessary; and

**CERTIFICATE OF DETERMINATION  
BY THE CITY OF SYRACUSE CHIEF FINANCIAL OFFICER  
AS TO FINANCING COST AND INTEREST RATE**

I, Brad O'Connor, Chief Financial Officer for the City of Syracuse, New York (hereinafter called the "City"), **HEREBY CERTIFY** that, pursuant to the powers and duties delegated to me, as the Chief Fiscal Officer of the City and in accordance with Chapter 58 A-4 of the 2006 Laws of the State of New York, as amended (the "Syracuse Schools Act") and subject to the limitations prescribed therein, I have made the following determinations:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act to compare financing through the Syracuse Industrial Development Agency ("SIDA") with financing available through the State of New York Municipal Bond Bank Agency ("MBBA"), I have caused such a comparison to be made as to the interest rate for the financing of the Syracuse Schools Reconstruction Project through the issuance by SIDA of its \$26,440,000 aggregate principal amount of School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A ("Series 2021A Bonds") against the interest rate that would have been applicable to a like purpose, bond structure, method of sale, security and amount bond issuance by the MBBA.

2. Based on such comparison, I have determined that the financing mechanism utilized by SIDA in the issuance of the Series 2021A Bonds for the Syracuse Schools Reconstruction Project results in the lowest cost to the state and city taxpayers.

3. The relevant information, as referenced above, in our possession was transmitted to a duly authorized officer of the MBBA.

4. The cost information and other financial information contained in Exhibit "A" (Certificate of Public Resources Advisory Group) annexed hereto with attached Schedules is sufficient to conclude that the interest rate related to the issuance of the Series 2021A Bonds through the SIDA would not be greater than the interest rate applicable had the Series 2021A Bonds been issued by the MBBA.

5. I attach hereto as Exhibit "B" a form of the Certificate of the Director of Capital Markets of the MBBA, stating that such Director of Capital Markets received all requested and required information from the City School District of the City of Syracuse, the City, SIDA and the Joint Schools Construction Board of the City of Syracuse and determined that the interest rate on January 21, 2021 that would have been applicable to a like purpose, bond structure, method of sale, security and amount of bond issuance by the MBBA would be approximately 0.482% on a true interest cost basis.

6. The Record of the Proceedings in this matter, with sufficient information to make the necessary determinations required by the Syracuse Schools Act, is annexed hereto collectively in Exhibits "A" and "B" as fully described above in the preceding paragraphs.

**IN WITNESS WHEREOF**, I have hereunto set my signature and the official seal of the City this 21st day of January, 2021.

**CERTIFICATE OF DETERMINATION OF THE CHIEF OPERATING OFFICER OF  
THE STATE OF NEW YORK MUNICIPAL BOND BANK AGENCY**

I, James McIntyre, Director of Capital Markets of the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY DETERMINE, pursuant to the powers and duties delegated to me and in accordance with the applicable provisions set forth in Chapter 58-A Pt. The proceeds of the Series 2021A Bonds will be applied for the purpose of (i) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 (the "Series 2010 Bonds"); (ii) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2011A (the "Series 2011A Bonds"); and (ii)

**GROWTH. DIVERSITY. OPPORTUNITY FOR ALL.**

financing certain costs of issuance of the Series 2021A Bonds.

In accordance with the provisions in Chapter 58 Part A-4 of the Laws of 2006, as amended (the Syracuse Schools Act), I am requesting that MBBA determine the interest rate as of the day of pricing (currently anticipated to be Thursday, January 21, 2021\*) that would have been applicable to an MBBA bond issuance with a like purpose, bond structure, security and amount on a net interest cost basis, without determining whether the MBBA would by itself possess the requisite statutory authority to issue the Bonds. To assist the MBBA in making its determination, the following information is attached:

1. **A draft Preliminary Official Statement.** The Preliminary Official Statement is expected to be finalized and mailed on or about Thursday, January 14, 2021 (subject to change). The Official Statement will be available following the pricing of the Bonds.
2. **Information regarding the Syracuse IDA.** This is included in the draft Preliminary Official Statement under the heading "The Issuer".
3. **Proposed bond structure.** A preliminary bond sizing analysis is enclosed, which includes preliminary sources and uses, bond summary statistics, bond pricing and bond debt service.
4. **Ratings releases and analysis.** We will request ratings from Moody's and Standard & Poor's on the Bonds and expect Moody's and Standard & Poor's to assign "Aa3" and "AA" ratings, respectively. The final bond rating reports will be submitted to the MBBA when they are received. Bond insurance is not expected to be used for the Bonds.
5. **Underwriters' discount.** The detail of the underwriters' discount is included in the analysis of the proposed bond structure described in (3), above.
6. **Costs of issuance.** The preliminary costs of issuance are included on the sources and uses page of the analysis of the proposed bond structure described in (3), above.

Historically, the MBBA and/or its financial advisor have determined the net interest cost that would have been applicable to a bond issuance by MBBA based on the maturity dates, principal amounts, coupons, yields and dollar prices actually applicable to bonds issued by SIDA for the Syracuse City School District Project (collectively, the "SIDA Bond Pricing Information"). For the upcoming issue of Bonds, the SIDA Bond Pricing Information will be determined on various pricing conference calls that will include representatives of MBBA and its financial advisor, representatives of the City of Syracuse and the Syracuse City School

District and our financial advisor, as well as representatives of Raymond James & Associates, Inc., the senior book-running underwriter for the Series 2021A Bonds.

Please review this information and respond to this letter if there is any additional information that the MBBA requires to make its determination pursuant to the Syracuse Schools Act. Thank you for your attention to this matter. Please do not hesitate to call me at (315) 448-8323 with any questions.

Sincerely,

Brad O'Connor

### Rating Action: Moody's assigns Aa3 enhanced to Syracuse IDA, NY's revenue bonds

---

11 Jan 2021

New York, January 11, 2021 -- Moody's Investors Service has assigned a Aa3 enhanced rating to the Syracuse Industrial Development Agency (SIDA), NY's \$27.1 million School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A.

#### RATINGS RATIONALE

The Aa3 enhanced rating reflects the rating on the state's school district enhanced ratings supported by the New York Municipal School Aid Intercept Program, which is notched from the state's Aa2 general obligation rating. The school district will satisfy its obligation to make installment payments to the SIDA with funds derived from the intercept of its state aid to education revenues. These funds are expected to provide 100% of monies for debt service. The structure of the program provides sound state aid intercept mechanics that includes timely payments to bondholders and a flow of funds that provides full segregation of debt service 30 days before annual principal and interest payment.

The enhanced rating also reflects New York State's Aa2 general obligation rating and mechanics that require payment to the trustee directly from the state. Additional consideration is given to an anticipated healthy coverage of maximum debt service from pledged revenues, given the district's high reliance on state operating aid. Full year state aid in 2021 is projected at \$356 million, providing strong coverage (10 times) of projected maximum annual debt service (MADS). Coverage during the interceptable period (December through March) is projected to be a still strong six times MADS.

#### RATING OUTLOOK

Outlooks are not assigned to enhanced ratings.

#### FACTORS THAT COULD LEAD TO AN UPGRADE OF THE RATING

- Upgrade of New York State's general obligation rating
- Upgrade of the rating on the state's Aa3 school district enhanced ratings supported by the New York Municipal School Aid Intercept Program

#### FACTORS THAT COULD LEAD TO A DOWNGRADE OF THE RATING

- Downgrade of New York State's general obligation rating
- Downgrade of the rating on the state's Aa3 school district enhanced ratings supported by the New York Municipal School Aid Intercept Program
- Significant decline in coverage

#### LEGAL SECURITY

The bonds are special limited obligations of the Syracuse IDA secured by Installment purchase payments from the City of Syracuse CSD. The bonds are further secured by state aid intercept mechanics, which requires payments to flow from the state directly to the trustee.

#### USE OF PROCEEDS

The proceeds of the Series 2021A bonds will be used to refund all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 and Series 2011A.

#### PROFILE

The Syracuse City School District serves a k-12 student population of 19,668 in the City of Syracuse (A1 stable). The Syracuse IDA is a governmental agency created by the state legislature authorized to issue the School Facility Revenue Bonds.

<sup>(1)</sup>Certificates from MBBA and its FA are required to be delivered prior to signing the BPA for the SIDA Bonds and would be required by 10:00 a.m. on the date of the BPA signing (expected to be Friday, December 17<sup>th</sup>).

Pursuant to Chapter 58 Pt. A-4 of the Laws of 2006 of the State of New York (the "Syracuse Schools Act"), I am requesting that MBBA determine the interest rate as of the day of pricing that would have been applicable to a bond issuance by MBBA for the same purpose as the SIDA Bonds on a net interest cost basis. To assist the MBBA in making its determination, the following information is provided:

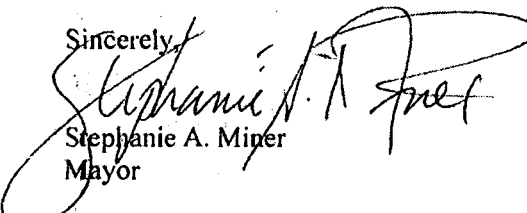

1. **Preliminary Official Statement.** Attached is the Preliminary Official Statement dated December 13, 2010. The Official Statement will be available following the pricing of the SIDA Bonds, which is scheduled for December 16, 2010.

2. **Information regarding SIDA.** This is included in the Preliminary Official Statement under the heading "The Issuer".
3. **Proposed bond structure.** The most recently prepared preliminary bond sizing analysis is attached, which includes preliminary sources and uses, bond summary statistics, bond pricing, bond debt service and net debt service.
4. **Ratings releases and/or analysis.** Enclosed are rating reports from Moody's Investors Service dated December 8, 2010 evidencing an underlying rating of "Aa3", from Standard & Poor's dated December 10, 2010, evidencing an underlying rating of "AA-", and from Fitch dated December 7, 2010 evidencing an underlying rating of "A+". Bond insurance is not expected to be used for the SIDA Bonds.
5. **Underwriters' discount.** The detail of the underwriters' discount is attached.
6. **Costs of issuance.** The detail of the costs of issuance is attached.
7. **Letter from the Office of the State Comptroller approving the JSCB Revised Financial Plan for Phase I of the Syracuse Schools Development Program.** Attached is the letter from the Office of the State Comptroller, dated June 24, 2009, approving the JSCB Revised Financial Plan for Phase I of the Syracuse Schools Development Program.

Historically, the MBBA and/or its financial advisor have determined the net interest cost that would have been applicable to a bond issuance by MBBA based on the maturity dates, principal amounts, coupons, yields and dollar prices actually applicable to bonds issued by SIDA for the Syracuse Schools Project (collectively, the "SIDA Bond Pricing Information"). For the upcoming issue of SIDA Bonds, the SIDA Bond Pricing Information will be determined on various pricing conference calls that will include representatives of MBBA and its financial advisor, representatives of the City of Syracuse and our financial advisor, as well as representatives of Jefferies & Company, the senior managing underwriter for the SIDA Bonds. We would ask for you to confirm that the MBBA and/or its financial advisor expects to determine the net interest cost in a similar manner as it has for the prior SIDA bond issue for the Syracuse Schools Project, based on the SIDA Bond Pricing Information for the SIDA Bonds.

Please review this information and respond to this letter if there is any additional information that the MBBA requires in order to make its determination pursuant to the Syracuse Schools Act. Thank you for your attention to this matter. Please do not hesitate to contact me should you have any questions.

Sincerely,

Stephanie A. Miner

Honorable Matthew Driscoll  
Chair, Syracuse Joint Schools Construction Board  
233 East Washington Street  
City Hall, Room 203  
Syracuse, New York 13202-1416

Dear Mayor Driscoll:

We have completed our review of the Revised Financial Plan submitted by the Syracuse Joint Schools Construction Board (JSCB) in accordance with Chapter 58 (Part A-4, §6) of the Laws of 2006 and I am pleased to inform you that we hereby approve the Revised Financial Plan for the second Tranche of Phase I of the Joint Schools Construction Program. That approval is based upon the assumptions, terms and conditions of the financial plan as presented by the JSCB on April 17, 2009 and the additional information provided on June 3, 2009.

We undertook an extensive review and analysis of the Financial Plan as it relates to the Phase I plan revision. We appreciate the difficult steps the JSCB took to ensure the affordability of the Plan and further reduce project costs from \$180 million to \$131.8 million. However, we continue to have concerns regarding the long-term affordability of the remaining Joint Schools Construction Program.

The City and the School District already face a challenging fiscal situation and this plan will have long-term financial consequences for each of their respective budgets. Significant budget gaps have previously been identified in the City's multiyear plan, and more recent data on sales tax, mortgage recording tax and State aid projections pose risks that those gaps could increase considerably. Further, although the School District's financial position appears to have improved in recent months, we are also concerned that it too is susceptible to potential State aid and other revenue shortfalls in the future.

There are a number of other concerns that we highlighted in our previous authorization letter that still apply despite the recent Plan revisions. Specifically:

- **Phase I debt service costs:** Debt service costs associated with the JSCB Plan will constrain the City's and School District's ability to issue debt for other capital purposes for the next decade. Unforeseen capital needs could therefore create significant operating budget consequences.

- **Capitalized interest costs:** The Plan again calls for capitalizing interest costs to align payment dates with the anticipated payment of State Building Aid. Significant use of capitalized interest is generally not a sound public finance practice.

We recommend that the JSCB explore the feasibility of utilizing the bond programs recently authorized in The American Recovery and Reinvestment Act (ARRA), such as the Qualified School Construction Bond Program, which would significantly reduce the cost of funds.

We continue to recommend that the JSCB closely monitor the implementation of Phase I of the plan in order to ensure project costs remain on target. We understand you are already working with the State Education Department to refine costs estimates and ensure continued maximization of State building aid. Furthermore, we urge the JSCB to regularly assess the implementation timeline of the School District's master capital plan in order to carefully balance capital needs and affordability for Phases II-IV.

Please be advised that, as provided in Chapter 58, our approval is limited to the components of the plan for Phase I specifically set forth in section 6(a) of Part 4-A of Chapter 58 and we express no opinion and grant no approval as to any other aspect of Phase I, including but not limited to any subsequent request that may be made by the City of Syracuse, the Syracuse City School District or the Syracuse JSCB that the Office of the State Comptroller transmit State aid to any particular account as a part of the program's financing structure. We will separately review and address any such request. Moreover, although the Revised Financial Plan as submitted also includes estimates for Phases II-IV, our review and approval role under Chapter 58 is limited to the specified components of the plan for Phase I only. Further, we are expressing no opinion on the legality or validity of any bonds proposed to be issued as part of this project.

We hope our review of the JSCB financing plan and observations are helpful to you. We appreciate your staff's effort in providing our Office with the information necessary for our evaluation. Please do not hesitate to contact us if we can be of any further assistance to the JSCB staff.

Sincerely,

Steven J. Hancox  
Deputy Comptroller

## **Fitch Rates Syracuse Industrial Development Agency, NY's School Facility Revs 'A+'; Outlook Stable** Ratings

07 Dec 2010 3:48 PM (EST)

Fitch Ratings-New York-07 December 2010: Fitch Ratings assigns an 'A+' rating to the following Syracuse Industrial Development Agency, New York (the district) obligations:

--\$32,000,000 school facility revenue bonds (Syracuse City School District Project), series 2010.

The bonds are scheduled for negotiated sale the week of Dec. 13, 2010. Proceeds will be used to renovate several school buildings.

In addition, Fitch affirms the following ratings:

--school facility revenue bonds (Syracuse City School District Project), series 2008 at 'A+'.

The Rating Outlook is Stable.

### RATING RATIONALE:

#### SECURITY:

--The bonds are secured solely by state aid revenues annually appropriated to the district by the state of New York (GOs rated 'AA' with a Stable Outlook by Fitch).

--The 2010 bonds are secured by a two prong structure, whereby if the district does not appropriate state aid to pay the bonds pursuant to the installment purchase agreement, then state aid is intercepted on a pre-default basis to pay the bonds and such amounts are not subject to appropriation.

--Fiscal 2010 state aid provides substantial coverage of aggregate maximum annual debt service (MADS) on all long-term debt obligations.

--Debt service coverage likely will be diluted due to the district's extensive future capital needs coupled with the state's current financial challenges that may limit growth in future state aid appropriations.

--Given the historical trend of tardy state budgets, the bonds are structured such that the state aid capture period begins well after the beginning of the state's fiscal year.

### KEY RATING DRIVERS:

--The credit quality of New York State, as this rating is directly linked to the state GO rating;

--The receipt of adequate state aid, which amount is directly impacted by, among other things, both decisions and financial constraints at the state level and enrollment trends at the district level.

### SECURITY:

The series 2008 bonds are payable from state aid remitted to the district during the period Dec. 1 through March 31 in each year (the collection period), subject to annual appropriation by the city of Syracuse (the city) and the district. If funds are either not appropriated by the district or amounts accumulated during the collection period are

insufficient to cover debt service for the next two subsequent debt service payments, beginning in April, state aid is intercepted until adequate funds are collected, including to replenish any reserve fund draw. The intercepted state aid is not subject to appropriation by the city or district. Since the interceptable state aid in April likely would not be adequate to support the entire debt service payment due on May 1, there is a debt service reserve to bridge the gap. The debt service reserve equals the IRS standard and is satisfied with an Assured Guaranty surety.

The series 2010 bonds also are payable from state aid remitted to the district during the collection period, subject to annual appropriation by the city and the district. If funds are not appropriated by Nov. 1, state aid is intercepted beginning Dec. 1 until adequate funds are collected to pay debt service for the next two subsequent debt service payments in May and November. Furthermore, if amounts accumulated during the collection period are insufficient, state aid is intercepted to pay debt service beginning in April. The intercepted state aid is not subject to appropriation by the city or district. Since the state aid intercept mechanism is triggered earlier and adequate amounts should be captured prior to the debt service payment, there is no debt service reserve.

#### CREDIT SUMMARY:

The Syracuse Schools Act was enacted by the New York State Legislature to encourage the city and the district to cooperatively renovate its public schools. The Syracuse Schools Act currently only authorizes Phase I not to exceed \$225 million. The total cost to complete all phases of the comprehensive plan is estimated at \$926 million.

The district is governed by an independently elected board of education. The district's audit is independent of the city; however, the city includes certain of district's statements in its financial statements. The city council approves the district's budget but does not otherwise exercise any other direct control. The district's enrollment trend has been stable for at least the past five years and currently totals 19,946 students. There are two charter schools operating within the district's borders that educate 900 students or 4% of total enrollment within the charter and public schools.

State aid is distributed to the district monthly; however, monthly amounts received are lumpy, and payments have been delayed in the downturn in response to the state's strained cash position. For fiscal 2010, the district received 50% (\$129.4 million) of its annual allocation of state aid during the collection period, which amount would cover MADS on both series of bonds 17.9 times (x). However, state aid may be intercepted as pledged payment for several other obligations including for outstanding general obligation debt, delinquent charter school payments, and to pay revenue anticipation notes (RAN). Total state aid received in fiscal 2010 would cover MADS on long-term debt obligations 14.1x and 2.8x on all long-term debt, charter school and RAN payments.

New York State has a history of tardy budget approvals of up to four and one-half months. To minimize this risk, the bonds are structured such that the December to March set-aside provision begins eight months after the beginning of the state's fiscal year. New York State's 'AA' GO rating is based on the state's substantial wealth, resources and broad economy, and also recognizes concerns regarding the outsized role that the financial services industry plays in the state's economy and revenue collections. The financial sector accounts for roughly 8% of employment and greater than 20% of earnings in the state, compared with 6% and 9% for the nation. This overweighting has made the state vulnerable to economic cyclicity, particularly given the prominence of personal income tax receipts in the state's revenue structure. Personal income performance has been meaningfully weaker than the nation during the current economic downturn.

New Issue: MOODY'S ASSIGNS Aa3 RATING TO CITY OF SYRACUSE IDA'S (NY) \$32.5 MILLION SCHOOL FACILITY REVENUE BONDS (SYRACUSE CITY SCHOOL DISTRICT PROJECT) SERIES 2010

### Moody's Rating

ISSUE	RATING
School Facility Revenue Bonds (Syracuse City School District Project), Series 2010	Aa3
Sale Amount	\$32,500,000
Expected Sale Date	12/14/10
Rating Description	Revenue

### Opinion

NEW YORK, Dec 8, 2010 -- Moody's Investors Service has assigned a Aa3 rating to the City of Syracuse Industrial Development Agency's (NY) \$32.5 million School Facility Revenue Bonds (Syracuse City School District Project), Series 2010. Concurrently Moody's has affirmed the Aa3 rating to the Series 2008 bonds affecting \$47 million in debt outstanding.

### RATINGS RATIONALE

The rating reflects the Syracuse City School District's (CSD) obligation to make installment payments to the Syracuse Industrial Development Agency (SIDA) to pay debt service, a state aid intercept in the event of non-appropriation, and a flow of funds that provides full segregation of debt service 30 days before annual principal and interest payment. The rating also reflects New York State's Aa2 general obligation rating, given projected 100% funding of debt service from state building aid (all state school aid can be used for debt service) and earnings on trustee-held funds, as well as mechanics that require payment to the trustee directly from the state. Proceeds of the bonds constitute the second portion of Phase 1 of the Program and will finance the general reconstruction of seven school facilities for the City School District of the City of Syracuse (a component unit of the City of Syracuse G.O rated A1).

### STATE APPROVES SPECIAL LEGISLATION FOR OVERHAUL OF SYRACUSE CSD FACILITIES; \$926 MILLION IN DEBT EXPECTED OVER 10 YEARS

In 2006, the state enabled a comprehensive redevelopment program for the CSD's construction of new schools and improvements to existing school facilities through the Syracuse Schools Act. The Series 2010 bonds constitute the second portion of Phase I of the program and will consist of building improvements and expansions and the upgrades of current facilities at seven CSD Schools. The total estimated cost of Phase 1 is expected to be approximately \$140 million with the project's completion date scheduled for March 2013. The total cost to complete all Phases of the project is estimated at \$926 million, with Phase's II-IV subject to future authorization by the State Legislature. Debt service for Phase I will be paid largely by state school building aid (98% of approved costs).

### SCHOOL DISTRICT OBLIGATED TO MAKE INSTALLMENT PAYMENTS EQUAL TO PRINCIPAL AND INTEREST

SIDA has no taxing authority and bondholder security is derived from an installment sale agreement between the CSD and SIDA under which the CSD will make annual payments equal to the annual debt service requirement. These payments are subject to annual appropriation by the CSD and are subject to annual appropriation of state aid to the CSD. Moody's fully anticipates that state aid, which on an annual basis was \$260 million in fiscal 2010 (on a cash flow basis) compared to maximum annual debt service of \$7.2 million, will continue to be paid, as state aid to the CSD has increased at an average annual rate of 8.9% over the past five years.

The current offering is the initial issue under the Indenture of Trust, Series 2010 Project. There is no additional bonds test and the district expects issuance to finance the full program, expected to reach \$926 million. Each subsequent series will enjoy a parity lien of state aid receipts of the district. Given the fact that this is an installment sale agreement between the SIDA and the CSD, and is supported predominantly by non-property tax sources, the debt is not legally indebtedness of the City of Syracuse (GO rated A1) and is not factored into the city's legal or Moody's-calculated adjusted debt burden.

### INTERCEPT MECHANICS OFFSET RISK OF NON-APPROPRIATION BY CSD AND ABSENCE OF DSRF

All state aid (state building and operating aid) will flow directly to the State Aid Depository Fund. On July 15th of each year, the CSD will provide to the trustee a "state aid payment certificate" which will delineate the percent of debt service to be deducted from state aid during the collection period (the aid-rich period between December 1st and March 31st during which time approximately 60% of annual state aid is typically received). Excess aid will be forwarded to the CSD General Fund every month after funding of Bond Fund and any deficiencies in prior series' DSRFs. In the event state aid is insufficient in any month to fund a payment, the difference will be added to the following month's required segregation such that by March 31st, the May 1st principal and interest and the November 1st interest payments will be fully segregated. For the prior series, in the event of non-appropriation by the CSD, the resulting deficiency in the Bond Fund as of April 1st would trigger notification to the State Comptroller to intercept all payable state aid for the benefit of bondholders. This intercept, along with funds available in the DSRF, provide satisfactory debt service coverage.

For the current issue, should the CSD fail to appropriate for installment payments or complete the "state aid payment certificate" by November 1st, the succeeding April 1st Series 2010 payment due date would be moved to November 15th, triggering the state aid intercept to begin as of December 1st, ensuring that the majority of state aid received during the interceptable period would be available for intercept to fund both the May 1st and November 1st debt service payments. This change in the timing of the state aid intercept mitigates the absence of a debt service reserve for this issue, given ample coverage during the collection period.

#### STATE AID DEPOSITORY FUND PROVIDES SATISFACTORY FLOW OF FUNDS

On July 15 of each year, the CSD will provide to the trustee a "state aid payment certificate" which will delineate the percent of debt service to be deducted from state aid during the collection period (December 1-March 31). All state aid (state building and operating aid) will flow directly to the State Aid Depository Fund, and beginning December 1 through March 31, as dictated by the state aid payment certificate, the percent of state aid due in that month will be paid from the State Aid Depository Fund directly to the Bond Fund, then to cure any deficiencies in the Debt Service Reserve Fund. Any excess will be returned to the CSD's General Fund. In the event state aid is insufficient in any month to fund a payment, the difference will be added to the following month's required segregation such that by March 31, debt service for both the May 1st and the following November 1st interest payments will be fully segregated.

This flow of funds provides for strong coverage levels given that the state generally makes two aid payments in March. In fiscal 2010, the CSD received \$61.4 million in March alone and \$129.4 million throughout the December-March collection period. Fiscal 2010 state aid provided 17.9 times MADS coverage during the four-month collection period. Additionally, the CSD has \$91.8 million of debt outstanding with security enhanced by a competing claim on state aid in the event of default. These bonds are outstanding general obligation debt subject to the 99-B post-default state aid intercept. In the event this intercept is triggered, coverage of all bonds would provide a solid 7.1 times coverage of MADS for the four-month collection period. State aid disbursements are, however, subject to change and to delay in the event of state cash flow limitations. The July 15 state aid payment certificate can be modified subsequently in the event state cash flow disbursements are altered. The repayment of Revenue Anticipation Notes issued by the City of Syracuse on behalf of the CSD has a priority claim on state aid, and could dilute coverage in a worst-case scenario, should a RAN borrowing require segregation as early as March. Cash flow borrowing has declined in recent years, from \$96 million borrowed in 2006 to the current \$75 million outstanding in the current fiscal year. The district's fiscal 2010 RAN segregation begins in May, providing sufficient timing for note repayment which would not compete with the collection of state aid during the December through March period.

### CERTIFICATE OF APPROVAL OF PLANS AND SPECIFICATIONS

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

---

**During Construction** - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision were sent to the district previously together with the letter acknowledging the original letter of intent.

**Construction Inspections** - Section 444.3(d) of 19NYCRR444 mandates construction inspections at such times as will permit the observation of the foundation, structural elements, electrical systems, plumbing systems, heating, ventilation and air conditioning systems, fire protection and detection systems and exit features. The purpose of such inspections is to ensure work in accordance with the

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

**Occupancy** - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

**Final Building Project Report** - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

David M. Steiner

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

---

**During Construction** - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision were sent to the district previously together with the letter acknowledging the original letter of intent.

**Construction Inspections** - Section 444.3(d) of 19NYCRR444 mandates construction inspections at such times as will permit the observation of the foundation, structural elements, electrical systems, plumbing systems, heating, ventilation and air conditioning systems, fire protection and detection systems and exit features. The purpose of such inspections is to ensure work in accordance with the

construction contract documents and compliance with applicable provisions of the Uniform Fire Prevention and Building Code. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

**Certification of Substantial Completion** - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Certification of Substantial Completion", form FP-CSC, when it is appropriate to do so. A copy of the form is enclosed. Carefully retain it for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

**Assurances** - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

**Fire Safety Inspection and Report** - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: [www.emsd.nysed.gov/facplan/](http://www.emsd.nysed.gov/facplan/) under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

**Occupancy** - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

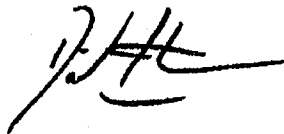

**Final Building Project Report** - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,
