Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

---

**During Construction** - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision were sent to the district previously together with the letter acknowledging the original letter of intent.

**Construction Inspections** - Section 444.3(d) of 19NYCRR444 mandates construction inspections at such times as will permit the observation of the foundation, structural elements, electrical systems, plumbing systems, heating, ventilation and air conditioning systems, fire protection and detection systems and exit features. The purpose of such inspections is to ensure work in accordance with the

construction contract documents and compliance with applicable provisions of the Uniform Fire Prevention and Building Code. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

**Certification of Substantial Completion** - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Certification of Substantial Completion", form FP-CSC, when it is appropriate to do so. A copy of the form is enclosed. Carefully retain it for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

**Assurances** - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

**Fire Safety Inspection and Report** - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: [www.emsd.nysed.gov/facplan/](http://www.emsd.nysed.gov/facplan/) under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

**Occupancy** - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

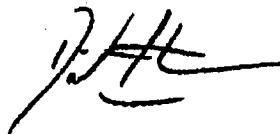

**Final Building Project Report** - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

David M. Steiner

These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

**Certification of Substantial Completion** - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Certification of Substantial Completion", form FP-CSC, when it is appropriate to do so. A copy of the form is enclosed. Carefully retain it for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

**Assurances** - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

**Fire Safety Inspection and Report** - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: [www.emsd.nysed.gov/facplan/](http://www.emsd.nysed.gov/facplan/) under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

**Occupancy** - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

**Final Building Project Report** - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

David M. Steiner

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

---

**During Construction** - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision were sent to the district previously together with the letter acknowledging the original letter of intent.

**Construction Inspections** - Section 444.3(d) of 19NYCRR444 mandates construction inspections at such times as will permit the observation of the foundation, structural elements, electrical systems, plumbing systems, heating, ventilation and air conditioning systems, fire protection and detection systems and exit features. The purpose of such inspections is to ensure work in accordance with the

construction contract documents and compliance with applicable provisions of the Uniform Fire Prevention and Building Code. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

**Certification of Substantial Completion** - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Certification of Substantial Completion", form FP-CSC, when it is appropriate to do so. A copy of the form is enclosed. Carefully retain it for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

**Assurances** - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

**Fire Safety Inspection and Report** - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: [www.emsd.nysed.gov/facplan/](http://www.emsd.nysed.gov/facplan/) under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

**Occupancy** - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

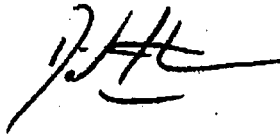

**Final Building Project Report** - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

District BEDS Code							Facility Code			Project No.			Review Number					Approval Date								

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

---

**During Construction** - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision were sent to the district previously together with the letter acknowledging the original letter of intent.

**Construction Inspections** - Section 444.3(d) of 19NYCRR444 mandates construction inspections at such times as will permit the observation of the foundation, structural elements, electrical systems, plumbing systems, heating, ventilation and air conditioning systems, fire protection and detection systems and exit features. The purpose of such inspections is to ensure work in accordance with the

construction contract documents and compliance with applicable provisions of the Uniform Fire Prevention and Building Code. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

**Certification of Substantial Completion** - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Certification of Substantial Completion", form FP-CSC, when it is appropriate to do so. A copy of the form is enclosed. Carefully retain it for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

**Assurances** - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

**Fire Safety Inspection and Report** - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: [www.emsd.nysed.gov/facplan/](http://www.emsd.nysed.gov/facplan/) under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

**Occupancy** - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

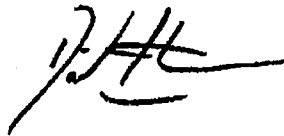

**Final Building Project Report** - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

David M. Steiner

I, Marian Zucker, President, Finance and Development of the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY DETERMINE, pursuant to the powers and duties delegated to me, as the President, Finance and Development of the MBBA, and in accordance with the applicable provisions set forth in Chapter 58 A-4 of the Laws of 2006 of the State of New York (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, as follows:

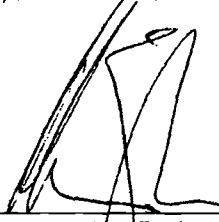

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act, on June 24, 2011, I received information required by the MBBA under the Syracuse Schools Act from the City of Syracuse (the "City"), the City School District of the City of Syracuse (the "School District"), the Syracuse Industrial Development Agency (the "SIDA") and the Joint Schools Construction Board of the City of Syracuse (the "JSCB"), including all information necessary to determine that the interest rate on June 28, 2011 that would have been applicable to a bond issue issued by the MBBA of similar purpose, structure, method of sale, security and amount to the SIDA's School Facility Revenue Bonds (Tax Exempt Bonds) (Syracuse City School District Project) Series 2011A and SIDA's School Facility Revenue Bonds (Federally Taxable Qualified School Construction Bonds) (Syracuse City School District Project) Series 2011B would have been 3.585% and 5.486% respectively on a net interest cost basis and am so certifying to the Commissioner of the New York State Department of Education (the "Commissioner").

2. In making these financial determinations, I am relying upon the Certificate made by an authorized officer of Lamont Financial Services Corporation, financial advisor to the MBBA, appended hereto as Exhibit A.

RE: \$46,860,000 City of Syracuse Industrial Development Agency, School Facility Revenue Bonds (Syracuse City School District Project), Series 2011 A and Series 2011 B (QSCB)

Ladies and Gentlemen:

Lamont Financial Services Corporation (“**Lamont**”) has served as financial advisor to the State of New York Municipal Bond Bank Agency (the “**MBBA**”) in connection with the sale of the \$46,860,000 City of Syracuse Industrial Development Agency, School Facility Revenue Bonds, Series 2011 A (\$31,860,000) and Series 2011 B (\$15,000,000 Federally Taxable). As such, we have advised the MBBA on the pricing of the 2011 Bonds and have independently reviewed the marketing of the 2011 Bonds undertaken by the Senior Managing Underwriter and syndicate responsible for offering the 2011 Bonds (the “**Underwriters**”).

Further, based on information provided to us by the Underwriters, Lamont Financial Services Corporation, financial advisor to the State of New York Municipal Bond Bank Agency, HEREBY CERTIFIES that, in our role as financial advisor to the MBBA and in accordance with the laws of the State of New York, we have analyzed the documentation and certain financial and related information that was provided and make the following determinations:

1. Lamont is duly authorized and qualified to act as financial advisor to the MBBA, and I, Christopher Valentino, am a duly authorized signatory and make this certification in such capacity.
2. Pursuant to the statutory requirements set forth in Chapter 58 Pt. A-4 of the Laws of 2006 of the State of New York (the “Syracuse Schools Act”) that the financing available through the Syracuse Industrial Development Agency (the “SIDA”) be compared with financing available through the MBBA, we have, based on financial information in **Exhibit A**, and assuming the same bond structure as for the proposed SIDA’s \$31,860,000 School Facility Revenue Bonds (Syracuse City School District Project), Series 2011A (the “Series 2011A Bonds”) and SIDA’s \$15,000,000 School Facility Revenue Bonds (Syracuse City School District Project), Series 2011B (the “Series 2011B Bonds”, together with the Series 2011A bonds, the “Series 2011 Bonds”), determined that, on June 28, 2011 the net interest cost of the bonds for the like purpose, bond structure, security, and

amount if issued by the MBBA would be 3.585% for the Series 2011A Bonds and 5.486% for the Series 2011B Bonds (prior to federal subsidy).

3. Based on our examination of factors influencing the marketing and sale of the bonds, including the State of New York's general obligation bond rating, we have determined that the identity of the issuer of the proposed Series 2011 Bonds would have no material bearing on the marketing and sale of the Series 2011 Bonds.
4. We attach hereto as Exhibit A certain financial information on which we have based the determinations set forth herein.

**CERTIFICATE OF DETERMINATION  
BY THE SYRACUSE CITY SCHOOL DISTRICT CHIEF FINANCIAL OFFICER  
AS TO FINANCING COST AND INTEREST RATE**

I, Suzanne Slack, Chief Financial Officer for the Syracuse City School District, Syracuse, New York (hereinafter called the “District”), **HEREBY CERTIFY** that, pursuant to the powers and duties delegated to me, as the Chief Fiscal Officer of the District and in accordance with Chapter 58 Pt. A-4 of the 2006 Laws of the State of New York, as amended (the “Syracuse Schools Act”) and subject to the limitations prescribed therein, I have made the following determinations:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act to compare financing through the Syracuse Industrial Development Agency (“SIDA”) with financing available through the State of New York Municipal Bond Bank Agency (“MBBA”), I have caused such a comparison to be made as to the interest rate for the financing of the Syracuse Schools Reconstruction Project through the issuance by SIDA of its \$26,440,000 aggregate principal amount of School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A (“Series 2021A Bonds”) against the interest rate that would have been applicable to a like purpose, bond structure, method of sale, security and amount of bond issuance by the MBBA.

2. Based on such comparison, I have determined that the financing mechanism utilized by SIDA in the issuance of the Series 2021A Bonds for the Syracuse Schools Reconstruction Project results in the lowest cost to the state and city taxpayers.

3. The relevant information, as referenced above, in our possession was transmitted to a duly authorized officer of the MBBA.

4. The cost information and other financial information contained in Exhibit “A” (Certificate of Public Resources Advisory Group) annexed hereto with attached Schedules is sufficient to conclude that the interest rate related to the issuance of the Series 2021A Bonds through the SIDA would not be greater than the interest rate applicable had the Series 2021A Bonds been issued by the MBBA.

5. I attach hereto as Exhibit “B” a form of the Certificate of the Director of Capital Markets of the MBBA, stating that such Certificate of the Director of Capital Markets of the MBBA received all requested and required information from the City School District of the City of Syracuse, the City, SIDA and the Joint Schools Construction Board of the City of Syracuse and determined that the interest rate on January 21, 2021 that would have been applicable to a like purpose, bond structure, method of sale, security and amount of bond issuance by the MBBA would be 0.482% on a true interest cost basis.

6. The Record of the Proceedings in this matter, with sufficient information to make the necessary determinations required by the Syracuse Schools Act, is annexed hereto collectively in Exhibits "A" and "B" as fully described above in the preceding paragraphs.

**IN WITNESS WHEREOF**, I have hereunto set my signature and the official seal of the City this 21st day of January, 2021.

The proceeds of the Series 2021A Bonds will be applied for the purpose of (i) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 (the "Series 2010 Bonds"); (ii) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2011A (the "Series 2011A Bonds"); and (ii)

**GROWTH. DIVERSITY. OPPORTUNITY FOR ALL.**

financing certain costs of issuance of the Series 2021A Bonds.

In accordance with the provisions in Chapter 58 Part A-4 of the Laws of 2006, as amended (the Syracuse Schools Act), I am requesting that MBBA determine the interest rate as of the day of pricing (currently anticipated to be Thursday, January 21, 2021\*) that would have been applicable to an MBBA bond issuance with a like purpose, bond structure, security and amount on a net interest cost basis, without determining whether the MBBA would by itself possess the requisite statutory authority to issue the Bonds. To assist the MBBA in making its determination, the following information is attached:

1. **A draft Preliminary Official Statement.** The Preliminary Official Statement is expected to be finalized and mailed on or about Thursday, January 14, 2021 (subject to change). The Official Statement will be available following the pricing of the Bonds.
2. **Information regarding the Syracuse IDA.** This is included in the draft Preliminary Official Statement under the heading "The Issuer".
3. **Proposed bond structure.** A preliminary bond sizing analysis is enclosed, which includes preliminary sources and uses, bond summary statistics, bond pricing and bond debt service.
4. **Ratings releases and analysis.** We will request ratings from Moody's and Standard & Poor's on the Bonds and expect Moody's and Standard & Poor's to assign "Aa3" and "AA" ratings, respectively. The final bond rating reports will be submitted to the MBBA when they are received. Bond insurance is not expected to be used for the Bonds.
5. **Underwriters' discount.** The detail of the underwriters' discount is included in the analysis of the proposed bond structure described in (3), above.
6. **Costs of issuance.** The preliminary costs of issuance are included on the sources and uses page of the analysis of the proposed bond structure described in (3), above.

Historically, the MBBA and/or its financial advisor have determined the net interest cost that would have been applicable to a bond issuance by MBBA based on the maturity dates, principal amounts, coupons, yields and dollar prices actually applicable to bonds issued by SIDA for the Syracuse City School District Project (collectively, the "SIDA Bond Pricing Information"). For the upcoming issue of Bonds, the SIDA Bond Pricing Information will be determined on various pricing conference calls that will include representatives of MBBA and its financial advisor, representatives of the City of Syracuse and the Syracuse City School

District and our financial advisor, as well as representatives of Raymond James & Associates, Inc., the senior book-running underwriter for the Series 2021A Bonds.

Please review this information and respond to this letter if there is any additional information that the MBBA requires to make its determination pursuant to the Syracuse Schools Act. Thank you for your attention to this matter. Please do not hesitate to call me at (315) 448-8323 with any questions.

Sincerely,

Brad O'Connor

### Rating Action: Moody's assigns Aa3 enhanced to Syracuse IDA, NY's revenue bonds

---

11 Jan 2021

New York, January 11, 2021 -- Moody's Investors Service has assigned a Aa3 enhanced rating to the Syracuse Industrial Development Agency (SIDA), NY's \$27.1 million School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A.

#### RATINGS RATIONALE

The Aa3 enhanced rating reflects the rating on the state's school district enhanced ratings supported by the New York Municipal School Aid Intercept Program, which is notched from the state's Aa2 general obligation rating. The school district will satisfy its obligation to make installment payments to the SIDA with funds derived from the intercept of its state aid to education revenues. These funds are expected to provide 100% of monies for debt service. The structure of the program provides sound state aid intercept mechanics that includes timely payments to bondholders and a flow of funds that provides full segregation of debt service 30 days before annual principal and interest payment.

The enhanced rating also reflects New York State's Aa2 general obligation rating and mechanics that require payment to the trustee directly from the state. Additional consideration is given to an anticipated healthy coverage of maximum debt service from pledged revenues, given the district's high reliance on state operating aid. Full year state aid in 2021 is projected at \$356 million, providing strong coverage (10 times) of projected maximum annual debt service (MADS). Coverage during the interceptable period (December through March) is projected to be a still strong six times MADS.

#### RATING OUTLOOK

Outlooks are not assigned to enhanced ratings.

#### FACTORS THAT COULD LEAD TO AN UPGRADE OF THE RATING

- Upgrade of New York State's general obligation rating
- Upgrade of the rating on the state's Aa3 school district enhanced ratings supported by the New York Municipal School Aid Intercept Program

#### FACTORS THAT COULD LEAD TO A DOWNGRADE OF THE RATING

- Downgrade of New York State's general obligation rating
- Downgrade of the rating on the state's Aa3 school district enhanced ratings supported by the New York Municipal School Aid Intercept Program
- Significant decline in coverage

#### LEGAL SECURITY

The bonds are special limited obligations of the Syracuse IDA secured by Installment purchase payments from the City of Syracuse CSD. The bonds are further secured by state aid intercept mechanics, which requires payments to flow from the state directly to the trustee.

#### USE OF PROCEEDS

The proceeds of the Series 2021A bonds will be used to refund all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 and Series 2011A.

#### PROFILE

The Syracuse City School District serves a k-12 student population of 19,668 in the City of Syracuse (A1 stable). The Syracuse IDA is a governmental agency created by the state legislature authorized to issue the School Facility Revenue Bonds.

transactions contemplated by the JSCB Documents or the issuance of the Series 2021A Bonds, and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a breach of or default under any such instrument; the JSCB has received and there remain currently in full force and effect all governmental consents and approvals necessary as of the date hereof which constitute a condition precedent to, or the failure of which to obtain would materially adversely affect, the performance by the JSCB of its obligations under the JSCB Documents; the Refunding Project, as described in the Offering Documents, is in compliance with the Syracuse Schools Act; and the JSCB has received and there remain currently in full force and effect all permits, licenses, accreditations and certifications necessary to (1) conduct its business as it is presently being conducted, subject to minor exceptions and deficiencies that are not material and do not affect the conduct of its business and (2) own and operate the Facilities.

8. 11. Except as disclosed in the Official Statement, the JSCB has not failed during the previous five years to comply in all material respects with any of its undertakings in previous written continuing disclosure contracts or agreements under Rule 15c2-12.

12. I hereby designate Bradley O'Connor to be an Authorized Officer and Authorized Representative of the JSCB authorized and directed to do and cause to be done any acts and things, to execute and deliver the JSCB Documents, to pay any such other fees, charges and expenses, and to make such other changes, omissions, insertions, revisions, or amendments to the JSCB Documents, as he determines may be necessary or desirable to consummate the transactions contemplated by the Resolutions. Appendix A  
State Environmental Quality Review  
FULL ENVIRONMENTAL ASSESSMENT FORM

*Purpose:* The full EAF is designed to help applicants and agencies determine, in an orderly manner, whether a project or action may be significant. The question of whether an action may be significant is not always easy to answer. Frequently, there are aspects of a project that are subjective or unmeasurable. It is also understood that those who determine significance may have little or no formal knowledge of the environment or may not be technically expert in environmental analysis. In addition, many who have knowledge in one particular area may not be aware of the broader concerns affecting the question of significance.

The full EAF is intended to provide a method whereby applicants and agencies can be assured that the determination process has been orderly, comprehensive in nature, yet flexible enough to allow introduction of information to fit a project or action.

Full EAF Components: The full EAF is comprised of three parts:

- Part 1: Provides objective data and information about a given project and its site. By identifying basic project data, it assists a reviewer in the analysis that takes place in Parts 2 and 3.
- Part 2: Focuses on identifying the range of possible impacts that may occur from a project or action. It provides guidance as to whether an impact is likely to be considered small to moderate or whether it is a potentially-large impact. The form also identifies whether an impact can be mitigated or reduced.
- Part 3: If any impact in Part 2 is identified as potentially-large, then Part 3 is used to evaluate whether or not the impact is actually important.

**THIS AREA FOR LEAD AGENCY USE ONLY**

**DETERMINATION OF SIGNIFICANCE -- Type 1 and Unlisted Actions**

Identify the Portions of EAF completed for this project:  Part 1  Part 2  Part 3  
Upon review of the information recorded on this EAF (Parts 1 and 2 and 3 if appropriate), and any other supporting information, and considering both the magnitude and importance of each impact, it is reasonably determined by the lead agency that:

- A. The project will not result in any large and important impact(s) and, therefore, is one which will not have a significant impact on the environment, therefore a negative declaration will be prepared.
- B. Although the project could have a significant effect on the environment, there will not be a significant effect for this Unlisted Action because the mitigation measures described in PART 3 have been required, therefore a CONDITIONED negative declaration will be prepared.\*
- C. The project may result in one or more large and important impacts that may have a significant impact on the environment, therefore a positive declaration will be prepared.

\*A Conditioned Negative Declaration is only valid for Unlisted Actions

## PART 2 - PROJECT IMPACTS AND THEIR MAGNITUDE

Responsibility of Lead Agency

**General Information (Read Carefully)**

In completing the form the reviewer should be guided by the question: Have my responses and determinations been reasonable? The reviewer is not expected to be an expert environmental analyst. The Examples provided are to assist the reviewer by showing types of Impacts and wherever possible the threshold of magnitude that would trigger a response in column 2. The examples are generally applicable throughout the State and for most situations. But, for any specific project or site other examples and/or lower thresholds may be appropriate for a Potential Large Impact response, thus requiring evaluation in Part 3. The impacts of each project, on each site, in each locality, will vary. Therefore, the examples are illustrative and have been offered as guidance. They do not constitute an exhaustive list of impacts and thresholds to answer each question. The number of examples per question does not indicate the importance of each question. In identifying impacts, consider long term, short term and cumulative effects.

**Instructions (Read carefully)**

- a. Answer each of the 20 questions in PART 2. Answer **Yes** if there will be any impact.
- b. **Maybe** answers should be considered as **Yes** answers.
- c. If answering **Yes** to a question then check the appropriate box (column 1 or 2) to indicate the potential size of the impact. If impact threshold equals or exceeds any example provided, check column 2. If impact will occur but threshold is lower than example, check column 1.
- d. Identifying that an impact will be potentially large (column 2) does not mean that it is also necessarily significant. Any large impact must be evaluated in PART 3 to determine significance. Identifying an impact in column 2 simply asks that it be looked at further.
- e. If reviewer has doubt about size of the impact then consider the impact as potentially large and proceed to PART 3.
- f. If a potentially large impact checked in column 2 can be mitigated by change(s) in the project to a small to moderate impact, also check the **Yes** box in column 3. A **No** response indicates that such a reduction is not possible. This must be explained in Part 3.

Instructions (If you need more space, attach additional sheets)

Discuss the following for each impact identified in Column 2 of Part 2:

1. Briefly describe the impact.
2. Describe (if applicable) how the impact could be mitigated or reduced to a small to moderate impact by project change(s).
3. Based on the information available, decide if it is reasonable to conclude that this impact is **important**.

To answer the question of importance, consider:

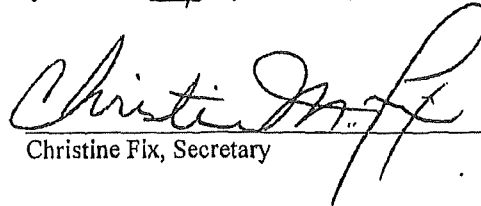

- ! The probability of the impact occurring
- ! The duration of the impact
- ! Its irreversibility, including permanently lost resources of value
- ! Whether the impact can or will be controlled
- ! The regional consequence of the impact
- ! Its potential divergence from local needs and goals
- ! Whether known objections to the project relate to this impact.

## Section 1 - INTRODUCTION

---

### INTRODUCTION

The Syracuse Joint Schools Construction Board (hereinafter referred to as the "JSCB") was created through the City of Syracuse and the Board of Education of the City School District of the City of Syracuse Cooperative School Reconstruction Act (the "Act") authorized by New York State through Chapter 58 A-4 of the Laws of 2006 and created through an agreement dated April 1, 2004 by and between the City of Syracuse (the "City") and the Board of Education of the City School District of the City of Syracuse (the "School District").

Pursuant to the Act, the JSCB intends to undertake a project consisting of the design, reconstruction, or rehabilitation of existing school buildings for their continued use as schools of the School District, which may include the addition to an existing school building, and which may also include (1) the construction or reconstruction of athletic fields, playgrounds, and other recreational facilities for such existing school buildings, and/or (2) the acquisition and installation of all equipment necessary and attendant to and for the use of such existing school buildings (collectively, "Phase I Projects").

Seven projects are authorized pursuant to the Act and make up the Phase I Projects for up to a total cost of \$225 million. Such Phase I Projects are located at:

- Central High School (also known as Central Tech or Institute of Technology)
- Blodgett School
- Shea Middle School
- H.W. Smith Elementary School
- Clary Middle School
- Dr. Weeks Elementary School
- Fowler High School

The Act authorizes new and innovative ways to renovate the school buildings and authorizes various financing techniques to accomplish the Financial Plan for the Phase I Projects. The Financial Plan presented to the Office of the State Comptroller in Section 2 herein was put together after careful consideration and a thorough analysis of all options available to the JSCB. The following is a synopsis overview of certain components introductory to the presentation of the complete Financial Plan.

### UNDERWRITING TEAM

The JSCB, through a comprehensive Request for Proposal process, selected the following firms to serve in their designated capacities for financing of the Phase I Projects. Each firm demonstrated ample qualifications and sufficiency to provide the requisite services as well as complied with the JSCB's Diversity Plan.

The JSCB selected the firm of **DEPFA First Albany Securities LLC** to serve as Senior Managing Underwriter for Phase I of the Schools Construction Program. The JSCB's review process for Underwriter(s) focussed on the capabilities and experience of each firm who proposed as it related to (a) knowledge of New York State school building aid; (b) the sale and distribution of tax-exempt securities; (c) financing through Industrial Development Agencies, the New York State Municipal Bond Bank Agency or Certificates of Participation; (d) the experience, abilities and the creativity of the professional staff; and (e) capital sufficiency of the firm. The JSCB received 19 proposals all of which were rated and ranked based on the above criteria. The field of potential underwriters being considered for Senior Managing Underwriter was eventually narrowed down to two firms who were each asked to make formal presentations to the JSCB. In the capacity of Senior Managing Underwriter, **DEPFA First Albany Securities** recommended, and it was accepted, the use of **Hawkins Delafield & Wood LLP** as Underwriters' Counsel.

It was desired by the JSCB to select co-managing underwriters based on Minority and/or Women-owned status, so long as they demonstrated sufficiency in the attributes necessary for successful performance by a co-managing underwriter. After a careful review of the proposals submitted, and a similar rating and ranking system adhered to for the Senior Managing Underwriter, the following firms were selected to serve as co-managing underwriters: **Ramirez & Co., Inc. jointly with Roosevelt & Cross, Incorporated, Loop Capital Markets, LLC, and Alta Capital Group, LLC.**

#### **EXPECTED COST**

While the Act provides for a total cost of up to \$225 million for the Phase I Projects, under prevailing market conditions and based on current estimates of project costs, including Program Manager, Architect and Engineers, and Building Commissioning, and cost of construction, the JSCB currently expects that **\$180 million** of available proceeds will be sufficient to complete the proposed projects as conceptually contemplated. As such, the Financial Plan has been prepared utilizing the requirement to provide for \$180 million in proceeds to the project construction fund for the JSCB to use for such costs. *Section 2.A. of the Financial Plan provides details of the \$180 million composition.*

#### **METHOD OF FINANCING**

The JSCB expects to utilize the **Syracuse Industrial Development Agency (SIDA)** as the conduit issuer and means of financing the Phase I Projects. Careful consideration was made to the alternative conduit issuer provided for in the Act, i.e. the New York State Municipal Bond Bank Agency, as well as alternative means of financing, i.e. City of Syracuse GOs. A number of weighing factors in each case were analyzed and the results are provided within the Financial Plan. *Section 2.C. and Section 2.F. of the Financial Plan provide the analyses and rationale used for the selection of SIDA.*

#### **EXPECTED FINANCING TIMEFRAME**

The Institute of Technology received all the necessary approvals by SED on December 28, 2006, providing for the reimbursement of state aid to commence in the 2007-08 FY (1/2 payment) and the ability for the JSCB to borrow the funds necessary to complete this project. Based on the estimation that the Office of the State Comptroller will complete its review of the Financial Plan in 60 days, the necessary application process that must be gone through for SIDA financing, and the documentation that must be prepared to allow for market participation, it is currently expected that financing for the Institute of Technology and up to \$10 million of soft costs for the remaining six schools ("Tranche I") will transpire in **February 2008**. Tranche II, which would provide for the balance of proceeds necessary to complete the construction of the Phase I projects is expected to transpire in **February 2009**, after final plans and specifications have been submitted and approved by SED.

---

## Section 2 - FINANCIAL PLAN

---

The Financial Plan presented herein extends well beyond the initial scope expectations of financing the Phase I Projects. Forward thinking consideration was made as to the financing requirements of Phases II-IV of the District-Wide Reconstruction Project Master Plan (the "Master Plan") as well and how the overall Master Plan fits within the confines and abilities of the City and School District to finance such overall needs and to provide for the payment of non-aidable costs. An outline of the foundation of the Master Plan is warranted in order to understand the magnitude of importance of each of its Phases and how the Financial Plan of Phase I is a precursor to the success of Phases II-IV.

### MASTER PLAN

The School District, located in Central New York, is the fifth-largest school district in the State and serves a diverse urban population of approximately 21,000 students. The School District currently occupies 42 buildings of which 37 house schools: 21 for elementary, six for middle, four for K-8, four for high school, and two for alternative programs. In addition, five buildings house support functions including central offices, building maintenance, transportation maintenance, property control and storage.

**Context and Summary of Rationale** - The facilities that house the School District's schools are in great need of timely, massive renovation of existing space, and addition of new, educationally appropriate space. Recent comprehensive investigations studied areas such as curriculum and instruction, instructional and institutional organization, student demographics, and physical plant condition. All confirm the importance and urgency of mounting an expedited district wide reconstruction program. These findings are consistent with recent redevelopments in the field of education coupled with the challenging conditions typical of schools in many other cities in the northeast United States.

- √ A need to meet new quality-education standards and initiatives developed by the New York State Education Department and the Syracuse City School District.
- √ A need to meet the needs of an increasingly diverse student population.
- √ A need to meet the needs of a growing proportion of special-needs students.
- √ A need to meet the needs of an increasingly vital and successful education program.
- √ A need to meet the increased awareness of general health, and physical and emotional needs of students and staff.
- √ A need to meet the increased understanding of life-safety and health issues.
- √ A need to respond to development of physical plant deficiencies.

**Goals of the Comprehensive Plan** - The scope and urgency of work required in the School District is extensive due to the numerous and in some cases significant deficiencies present. The goals listed below are believed to be sound and should enhance student learning, assist in reducing the dropout rate and preserve facilities.

- √ Relocate programs from leased spaces to owned facilities, and close selected facilities.
- √ Eliminate use of substandard spaces.
- √ Provide adequate spaces.
- √ Address building inadequacies.
- √ Adopt planning approach that supports reduced dropout rate.

**Project Phasing Plan** - Schools have been prioritized into Phases I, II, III and IV based on the condition of the building's existing physical plant as identified by a 2000 Building Condition Survey and the need to geographically balance improvements across each quadrant of the School District. Listed on the following page are the school buildings designated in each Phase of the Master Plan as well as a geographic depiction of their location within the City's boundaries.

## District-Wide Reconstruction Project

### Project Phasing Plan and Map

## 2.A. ESTIMATE OF TOTAL COSTS TO BE FINANCED FOR PHASE I

### EXPECTED FUNDS NEEDED FOR PLAN COMPLETION

Of the projects and respective costs outlined in the Master Plan, it is currently anticipated that \$180 million of available proceeds in the project construction fund will be needed to complete Phase I of the Plan of Financing. Certain inflationary factors and potential cost variabilities were built into the Master Plan estimates and, as such, the authorizing Act provides for up to an original financing cost of \$225 million for the Phase I Projects. While absolute dollar costs will not be known until final plans and specifications have been finalized and approved by SED for all of the schools, it is currently estimated that \$180 million in proceeds will be sufficient for completion of the Phase I Projects based on current project expectations and cost estimates.

SCHOOL	MASTER PLAN ESTIMATE	EXPECTED FUNDS NEEDED FOR PLAN COMPLETION	EXPECTED FUNDS AS A % OF MASTER PLAN ESTIMATE
Institute of Technology	\$ 42,496,000	\$ 35,996,800	84.7 %
Blodgett Pre K-8 School	36,782,000	29,425,600	80.0 %
Shea Middle School	22,032,000	18,625,600	84.5 %
H.W. Smith Pre K-8 School	23,909,000	19,899,200	83.2 %
Clary Middle School	25,528,000	20,422,400	80.0 %
Dr. Weeks Elementary	22,431,000	17,944,800	80.0 %
Fowler High School	51,705,000	37,685,600	72.9 %
	\$ 224,883,000	\$ 180,000,000	80.0 %

### EXPECTED COSTS TO BE FINANCED

100% of the costs expected to be funded through building aid, currently estimated at \$133,194,359<sup>1</sup>, as well as \$30,102,691 that would need to be paid from local source revenues, will be funded through the issuance of bonds for an aggregate of \$163,297,050. It is expected that \$16,702,950 received by the School District in the form of Excel Aid will be used towards the funding of other local share costs over and above those funded through bonds.

<sup>1</sup> Maximum Cost Allowance ("MCA") as estimated by SED based on their review of the Master Plan Phase I Projects is \$140,148,823. This amount is subject to change when Final Plans and Specifications are submitted to SED for review and approval.

<sup>2</sup> \$2,750,000 for Institute of Technology was borrowed on May 2, 2002 (\$2,000,000) and June 15, 2005 (\$750,000) through the issuance of City GO bonds for the payment of certain soft costs and will receive building aid accordingly based on the MCA for total project costs.

## 2.B. PROPOSED FINANCING PLAN FOR PHASE I

A number of factors were considered when developing the overall Financing Plan for the Phase I Projects, many of which extend well beyond the initial scope expectations of Phase I. Forward thinking consideration was made as to the financing requirements of Phases II-IV of the Master Plan, as well as how the overall Master Plan fit within the confines and abilities of the City and School District to finance such overall needs and to provide for the payment of non-aidable costs. Certain decisions that were made, i.e. issuing bonds through the Syracuse Industrial Development Agency ("SIDA") or through City GO bonds, utilizing SIDA or the New York State Municipal Bond Bank ("MBBA") as the issuing entity, are explained and supported in further detail throughout this Plan submission.

Outlined below are the intrinsic factors that determined the overall approach to meeting the sizing and timing requirements of Phase I financing.

- The Institute of Technology project received final approval by SED on December 28, 2006. As such, final plans and specifications are in place and the 18 month clock has started ticking as it pertains to receiving building aid reimbursements. Furthermore, the JSCB, the School District, the City, as well as all those in the community, is anxious to see this project completed.
- In order to receive better estimates on costs for the remaining schools, Architect and Engineering firms ("A & E") as well as a Building Commissioning firm needs to be retained to develop final plans and specifications for submission to SED. In order to provide for payment of fees to A & E and Building Commissioning firms, as well as other firms involved in the overall Plan of Financing, certain soft costs, to the extent allowable, need to be borrowed near term.
- It is the current expectation that all remaining schools will have their plans and specifications drawn up simultaneously and submitted to SED for approval at the same time. The JSCB is currently in the process of evaluating proposals from all A & E firms that submitted proposals and it is the expectation that all such firms selected will commence work by year end. Furthermore, RFPs for Building Commissioning firms will be going out shortly.

As a result of these considerations, the JSCB has decided to approach the Phase I Plan of Finance with a two tranche approach. Below are the basic assumptions serving as the foundation to each tranche issuance.

	Tranche I	Tranche II
Issuing Entity:	SIDA (See 2.C)	SIDA (See 2.C)
Date of Issuance:	February 1, 2008	February 1, 2009
Estimated Par Value of Bonds:	\$42,705,000	\$127,450,000
First Interest Payment Date:	November 1, 2008	November 1, 2009
First Principal Payment Date:	May 1, 2009 (for Institute of Tech.) May 1, 2011 (for \$10 mil soft costs)	May 1, 2011
Expected Proceeds:	\$45,996,800 (\$41,857,405 from bonds)*	\$134,003,200 (\$121,439,645 from bonds)*
Projects Financed:	• Institute of Technology Plus: \$10 million of proceeds to provide for the funding of soft costs for all other schools	• Blodgett School • Shea Middle School • H.W. Smith Elementary School • Clary Middle School • Dr. Weeks Elementary School • Fowler High School Less: \$10 million of soft costs already financed in Tranche I
Amortization Term: Amortization Term coincides with period of expected building aid reimbursement	19 1/2 years <sup>1</sup> for Institute of Tech. 20 years for pro-rata soft costs for Clary and Fowler 15 years for pro-rata soft costs for Blodgett, H.W. Smith, Shea & Weeks	20 years for Clary and Fowler 15 years for Blodgett, H.W. Smith, Shea and Weeks.

\* Difference between Expected Proceeds for project and that amount funded through bonds is Excel Aid to be used towards project.

## 2.C. PROPOSED METHOD OF FINANCING FOR PHASE I

An evaluation was made as to whether it is deemed more financially advantageous to issue the Bonds through SIDA or the MBBA, notwithstanding the City's desire to support local efforts when accomplishing its goals. From a purely financial perspective, both interest rates and other borrowing costs were evaluated. As shown below, under "optimal" market conditions, interest rates for a financing through SIDA and the MBBA are essentially the same except as noted in the 6-10 year range. Conversely, under "stressed" market conditions, such as those we are experiencing today, interest rates could widen to 2-3 bps up and down the yield curve. On any given day, interest rate differentials could widen or narrow, as well as extend or retract to any degree to other maturities, depending on a number of factors including evaluation of underlying credit classes due to "flight to quality" issues, name recognition of an issuing entity, and participation of retail investors.

Year	Optimal Market			Stressed Market			
	SIDA Yield (%)	NBBA Yield (%)	NBBA Yield (%)	Year	SIDA Yield (%)	NBBA Yield (%)	NBBA Yield (%)
1	3.39	3.39	3.37	11	4.25	4.25	4.22
2	3.42	3.42	3.40	12	4.31	4.31	4.28
3	3.50	3.50	3.48	13	4.37	4.37	4.34
4	3.59	3.59	3.57	14	4.42	4.42	4.39
5	3.68	3.68	3.66	15	4.47	4.47	4.44
6	3.76	3.74	3.73	16	4.51	4.51	4.48
7	3.86	3.84	3.83	17	4.55	4.55	4.52
8	3.97	3.95	3.94	18	4.59	4.59	4.56
9	4.07	4.05	4.04	19	4.63	4.63	4.60
10	4.16	4.14	4.13	20	4.65	4.65	4.62

Furthermore, we considered fees expected to be charged by both SIDA and MBBA. All other issuance costs relative to the financing by either entity were assumed to be the same, i.e. bond and other legal counsel, financial advisor, underwriting fees, bond insurance, etc.

SIDA Proposed Fees <sup>1</sup>	NBBA Estimated Fees <sup>2</sup>
0.50% of project cost payable up-front	10 bps payable annually based on original par

<sup>1</sup> This is a reduced fee from the 1% printed on SIDA's fee schedule.

<sup>2</sup> Based on conversations with MBBA and fees charged on prior deals.

Financing all of Phase I was considered in the evaluation of which issuing entity to utilize, including the proposed tranching of this Phase. When quantified, by issuing the bonds through SIDA, the following reduction in issuance costs and overall debt service are estimated to be realized.

	Optimal Market		Stressed Market
	SIDA	NBBA	NBBA
Issuer Fee:	\$850,775 up-front	\$2,224,760 agg. (PV) \$169,370/year	\$2,225,312 agg. (PV) \$169,120/year
NIC - Tranche I:	4.60%	4.60%	4.58%
NIC - Tranche II:	4.54%	4.54%	4.52%
Total Debt Service:	\$258,062,325	\$260,526,883	\$260,133,066
Additional Debt Service:	-----	\$2,464,558	\$2,070,741

## 2.D. TERMS AND CONDITIONS OF THE FINANCING

Expected terms and conditions, both from a legal framework as well as financial structure, are presented below for the Phase I Projects. *Exhibit E provides for the quantitative modelling of the Plan.*

	<p style="text-align: center;">CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY            School Facility Revenue Bonds            (City School District of the City of Syracuse Project)            Series 2008A and Series 2009A</p> <p style="text-align: center;">\$42,705,000                      \$127,450,000            Series 2008 A                      Series 2009 A            Dated: February 1, 2008                      Dated: February 1, 2009</p>
<b>Authorization:</b>	The Tranche I Bonds and Tranche II Bonds of Phase I (collectively, the "Bonds") will be issued through SIDA in accordance with Chapter 58 A-4 of the Laws of 2006 of the State of New York.
<b>Expected Structure:</b>	The Bonds will be issued pursuant to an Indenture of Trust between SIDA and an appointed Trustee to provide money to finance a portion of the costs of the Phase I Projects. The Bonds will be special limited obligations of SIDA payable from amounts due from the School District under an Installment Sale Agreement between SIDA and the School District, as more fully described below.
<b>Purpose:</b>	<p>The Bonds will be issued by SIDA for the purpose of financing a portion of the costs of the Phase I Projects, consisting of the design, reconstruction, or rehabilitation of existing school buildings for their continued use as schools of the School District, and may include certain additions, the construction or reconstruction of athletic fields, playgrounds, and other recreational facilities for such existing school buildings, and/or the acquisition and installation of all equipment necessary and attendant to and for the use of such existing school buildings.</p> <p>The proceeds of the Bonds are expected to be applied to (i) pay a portion of the aforementioned costs; (ii) fund capitalized interest until the period when building aid is expected to be received; (iii) finance costs of issuance; and (iv) fund a debt service reserve fund or surety bond.</p>
<b>Expected Security:</b>	<p>The Bonds will be special limited obligations of SIDA payable solely from State Aid payable by the School District under an Installment Sale Agreement and the pledge of certain funds, including a Bond Fund and a Debt Service Reserve Fund (or Surety Bond) under the Bond Indenture.</p> <p><b>Ground Lease:</b> Pursuant to a Ground Lease, the City and School District will sublease or lease the Phase I facilities to SIDA. The lease will be entered into concurrently with the issuance of the Bonds and will not terminate any earlier than when all the bonds are retired.</p> <p><b>Installment Sale Agreement (see below):</b> SIDA will sell its leasehold interests under the Ground Lease and in the facilities to the School District pursuant to an Installment Sale Agreement (the "ISA"). Installment purchase payments due under the ISA will equal principal and interest due on the Bonds. The obligation of the School District under the ISA to pay installment purchase payments is not a general obligation of the School District or the City of Syracuse and neither the full faith and credit nor the taxing powers of the School District or City are pledged to the payment of installment purchase payments. The obligations of the School District under the ISA to pay installment purchase payments in any fiscal year of the School District constitute a current expense of the School District for such fiscal year and shall not constitute an indebtedness or moral obligation of the School District, the City or the State within the meaning of any</p>

	constitutional or statutory provision or other laws of the State.			
	<p><b>State Aid Intercept:</b> In the event the School District fails to make an installment purchase payment under the ISA, the Act and the Bond Indenture will provide that, upon receipt by the New York State Comptroller of a certificate from the Trustee on behalf of SIDA as to the amount of such failed payment, the State Comptroller shall withhold any State Aid from the School District to the extent of the amount so stated in such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of SIDA the amount so withheld.</p> <p><b>Debt Service Reserve Fund or Surety Bond:</b> Application of a debt service reserve fund (or surety bond), funded with the proceeds of the Bonds, will also provide a source of moneys available for the payment of the principal of and interest on the Bonds should an installment purchase payment not be made by the School District or State Aid is not appropriated by the State and available to the School District and appropriated to make such payments.</p> <p><b>State Aid Trust Agreement:</b> To facilitate the collection of State Aid and payment of installment purchase payments, a to be named Depository, the City, the Trustee and the School District will enter into a State Aid Trust Agreement. In accordance with such Agreement, the City and School District will instruct the State Comptroller to pay all State Aid directly to a State Aid Depository Fund to be held by the Depository under the Agreement. The Agreement provides for the payment of State Aid to the Trustee under the Indenture.</p>			
<b>Expected Par Issuance:</b>	Tranche I - \$42,705,000		Tranche II - \$127,450,000

**Installment Sale Agreement** - To avoid the significant cost of liability insurance for the School District in favor of SIDA to protect SIDA against third party liability such as slips and falls on school premises, etc., the proposed financing structure provides for the City and the School District to ground lease the project premises to SIDA and assignment and sale by SIDA of its leasehold interest under the ground lease to the School District pursuant to an Installment Sale Agreement. The School District will then be obligated, on a subject to appropriation basis and limited in source as to State school aid revenues, to make installment purchase payments equal to debt service on the bonds as consideration for the sale. With this structure, SIDA will not retain a continual possessory interest in the project premises over the term of the bond financing and thereby become more at risk for third party suits. That is, SIDA will only touch the property at closing when the premises are ground leased to SIDA; but pursuant to the Installment Sale Agreement, SIDA will immediately divest itself of this same possessory interest. With this structure, SIDA should be comforted that a suit brought relative to the premises would not find SIDA liable for any condition of the premises as SIDA will no longer have an interest in the premises.

## 2.F. COMPARISON OF GO BONDS AND THE PROPOSED METHOD OF FINANCING

The overriding factor determining whether to issue bonds through City GO's or through SIDA is the available Debt Contracting Margin of the City. Outlined below is a five year history, approximated at about the same time each year, of the debt contracting margin available to the City.

### EVALUATION OF DEBT CONTRACTING MARGIN

Clearly, the currently calculated \$74,334,263 debt contracting margin of the City does not come near to being enough to cover the financing needs of Phase I, let alone Phase II-IV as well. Further, when considering current authorized but unissued debt of the City, this margin falls to \$33,834,263.

Debt Contracting Margin as of 10/2/07	\$ 74,334,263
Adjustments for Authorized but Unissued Debt	
Authorized but Unissued Debt	\$ 84,500,000 *
Less: Exclusions	44,000,000
	\$ 40,500,000
<b>Adjusted Debt Contracting Margin for Combined City/School District Purposes</b>	<b>\$ 33,834,263</b>

\* Special note should be made of the City's commitment to reviewing its Multiyear Financial Plan and evaluating the need for any new debt issuances as was contemplated (See 2.G.).

There are two factors unique to Syracuse, as well as the other Big Five Cities that contribute to the limiting ability of debt issuance through City GOs. Notably, building aid cannot be excluded from the debt limit and it must adhere to a restrictive formula in its debt limit calculation.

**Non-Exclusion of Building Aid from Debt Limit** - Section 121.20 of the Local Finance Law does not provide for the exclusion of debt that either small city school districts or the Big Five Cities expects to receive building aid on. Conversely, upon application for and receipt of an exclusion certificate from the State Commissioner of Education, a central or union free school district can deduct the amount of building aid it currently expects to receive from the State on its outstanding debt. In particular to Syracuse, this would allow for an exclusion of approximately \$92.9 million from its debt limit and an increase in its debt contracting margin by a like amount. Additionally, Phase I would only contribute approximately \$46,805,641 of debt towards the limit, as \$135,944,359 is expected to be received in building aid based on the current estimation of MCA.

**Debt Limit Calculation** - Pursuant to Article VIII, § 4 of the State Constitution, Syracuse, as well as the other Big Five Cities have a debt limitation of 9% of the five year average full valuation (except the City of New York which has 10%) in the calculation of their debt limits. Of special consequence to the Big Five is that both city and school purpose debt are combined within the debt capacity constraints of such cities, with no definition of how each city is to determine the allocation between city purpose and school district purpose debt. The current debt limit formula places significant constraints on such Cities in the amount of debt they can issue. First, the averaging of full valuation over a five year period provides for a smaller valuation number in the preponderance of cases than if only the most current year were used, as is the case for central and union free school districts. Secondly, the 9% calculation provides for almost half the debt capacity as that derived by central and union free school districts based on their 10% allowable calculation when it is considered together with the 7% calculation imposed by its underlying/overlapping towns.

#### **CASH FLOW IMPLICATIONS**

Under the mechanism in place for SIDA financing and as more fully described in Section 2.D., to facilitate the collection of State Aid and payment of installment purchase payments, a Depository, the City, the Trustee and the School District will enter into a State Aid Trust Agreement. In accordance with such Agreement, the City and School District will instruct the State Comptroller to pay all State Aid directly to a State Aid Depository Fund to be held by the Depository under the Agreement. The Agreement provides for the payment of State Aid to the Trustee under the Indenture.

A State Aid set-aside collection period of December 1 to March 31, with installment purchase payments of April 1, is currently being used in our analysis based on the preliminary premise that this time period will have the least adverse impact on City and School District cash flows. In order to enhance coverage and simplify the flow of funds through the Indenture, such payments of State Aid to the Trustee will be for the components of the financing expected to receive State Aid as well as the local share component that would ordinarily have been paid from other sources, i.e. taxes. Mismatches in timing of when the School District would normally have received the State Aid that will now be used to pay local share debt and when it will be receiving the tax or other revenue source payments that will now not be used for the payment of local share debt could create an increased sizing need in the School District's annual cash flow borrowing. While the exact sizing impact, if any, is not currently known, it is estimated that for every incremental increase of \$10 million in RAN borrowing, the School District would need to provide for approximately \$360,000 in interest, based on current market rates of 3.60%.

## 2.G. AVAILABLE RESOURCES TO COVER LOCAL SHARE ON ANNUAL BASIS

An in-depth evaluation and analysis of the overall financial condition of both the School District and the City was taken into account when optimizing a financial model that allowed for proceeds of \$180,000,000 to be available for the completion of the Phase I Projects as well as optimizing the proceeds to be realized for the completion of all the contemplated school buildings in Phases II through IV. More importantly, and of significant focus and concern of the School District and City, was to keep impact for funding local share debt service at current levels when developing a financial strategy to accomplish all that was hoped for in the Master Plan.

### EVALUATION OF CITY DEBT

A debt profile was constructed that allowed for the presentation of all debt currently outstanding for City purposes. (See Exhibit A). This debt (excluding self-supporting and excludable debt), and its scheduled amortization structure, are believed to provide for an expected pattern of debt issuance by the City that allows for no more debt to be issued than meets the current pattern of retirement. While the current Multiyear Financial Plan and Fiscal Performance Plan (FY 2008-2011) of the City (See Exhibit C) does reflect an increase in debt service payments in the General Fund commencing in the 2009 fiscal year, the City has committed to revisiting this Financial Plan and evaluating the need for such debt issuances as currently contemplated.

As a result of the expectation that City General debt will remain at constant levels, it has not been included in the quantitative modelling as presented below.

### EVALUATION OF OUTSTANDING SCHOOL DISTRICT DEBT

A debt profile was also constructed for the presentation of all debt currently outstanding for School District purposes. More relevant, is the extension of this debt that allows for the exclusion of all building aid expected to be received on such debt. (See Exhibit B). Shown to the right, is the current net debt service, i.e. non-aidable "local share" debt service, expected to be paid by the School District over the life of the outstanding issues. The year in which local share payments are the greatest is the 2008 fiscal year. Since 2008 is the fiscal year in which the School District is currently operating in and this amount has been budgeted and provided for, it was deemed reasonable to assume that this amount of local share could be provided for in each fiscal year moving forward without having to make provisions for budgetary cuts or finding additional revenue sources.

**INCORPORATION OF NEW NON-JSCB DEBT INTO EVALUATION**

It was recognized that any additional borrowings contemplated by the School District should be built into the modelling assumptions. The School District currently has plans for a capital financing sized at \$13,235,000, however, it is expected that 100% of this debt will be funded with building aid or the use of excels monies. Therefore, the addition of this issue was deemed to have a "net 0" impact on School District budgetary concerns and it has not been included into our modelling assumptions. No other capital projects are contemplated at this time as the JSCB financing is expected to provide for all foreseeable project needs. Vehicle borrowings are expected at the rate of \$500,000 per year of which \$250,000 for buses is expected to be aided. As shown to the right, we have layered the non-aidable component of the annual vehicle borrowing to our outstanding local share debt service to derive all non-JSCB debt that should be considered when building our model for the Master Plan.

**GROWTH RATE ASSUMPTIONS**

Finally, all things being equal, one could argue that most components that make up revenues and expenditures do grow over time, particularly that for debt service. A number of growth measures were

considered for incorporation into the Master Plan model including ten-year historical averages for General City tax rate increase (1.77%), General City School District tax rate increase (3.69%), General Fund City bonded debt (16.04%), School District bonded debt (5.67%), and growth in Assessed Valuation of the City (flat). Wanting to err on the side of conservatism, it was felt prudent to utilize the ten-year historical average for the rate of inflation. This 2.5% ten-year average, coincidentally, is also the current level for such economic predictor,

**FINANCIAL MODELLING OF MASTER PLAN**

The final considerations built into the Master Plan model was the recognition that Phase I is just that, Phase I. The Financial Plan presented herein extends well beyond the initial scope expectations of financing the Phase I Projects. Forward thinking consideration was made as to the equal importance of each of the Phases II-IV of the Master Plan to the Syracuse community as well as recognition that the debt model considerations described above need to be adhered to. The following modelling assumptions for each of the four phases of the Master Plan were built into a financial model that provided for \$180 million in proceeds for Phase I to be realized and optimized the proceeds available to be realized in each of Phases II-IV.

<sup>2</sup> Model Optimization of proceeds for Phases II-IV builds in certain assumptions such as (i) interest rates based on current market conditions; (ii) the same pro-rata share of MCA to Master Plan cost estimates are used as in Phase I; (iii) the same pro-rata share of 15 and 20 year projects are used as in Phase I.

\* ½ debt service payment in final year for Institute of Technology coincides with final ½ year payment of State Aid.

The following chart reflects the aggregate expected local share debt service payments of each of Phases I – IV of the Master Plan, together with the existing and other expected local share debt service payments of the School District, providing for a conservative growth equal to the 2.5% rate of inflation.

### Section 3 - SUMMARY

---

The Syracuse City School District has developed a comprehensive Master Plan for addressing the high expectations and demands of the new learning standards and graduation requirement established by the New York State Regents. This Plan calls for the addition of the Institute of Technology @ Syracuse and modifications to existing school facilities to meet the goals listed in Section 2 herein. While the Plan clearly addresses new State requirements, it incorporates support for those instructional programs and student services that are deemed important to the community of Syracuse and support the reduction of dropout rates. Implementation of this Plan and the related facility projects will enable the District to meet the needs of all students.

Schools have been prioritized into Phases I, II, III and IV based on the condition of the building's existing physical plant and the need to geographically balance improvements across each quadrant of the School District. Many factors were considered in developing this Financial Plan for the Phase I Projects, many of which extend well beyond the scope expectations of Phase I. Forward thinking consideration was made as to the financing requirements of Phases II-IV of the Master Plan, as well as how the overall Master Plan fits within the confines and abilities of the City and School District to finance such overall needs and to provide for the payment of non-aidable costs. Some important factors that integrally determined how most prudently to proceed include:

- **Issuing bonds for the Phase I Projects in a two tranche approach.** Issuing Tranche 1 near term will allow for the commencement of project construction for the Institute of Technology as well as provide for \$10 million of monies to pay certain soft costs relative to the remaining schools in this Phase. Allowing for the Program Manager and Architects and Engineers to commence work in preparing plans and specifications for the remaining schools will better allow the School District to finetune cost estimates and SED Maximum Cost Allowances in preparation for the Tranche 2 issuance.
- **Issuing the Phase I Bonds through SIDA rather than the MBBA.** An evaluation of issuing bonds through SIDA and the MBBA was completed and cost savings are expected to be recognized by issuing the bonds through SIDA in the form of reduced borrowing costs and lower overall debt service payments.
- **Issuing the Bonds through SIDA rather than through City GOs.** Careful consideration was made as to the City's limited available debt contracting margin and the recognition, because of this limitation, that City GOs really is not a feasible option based on the financial objectives of Phase I as well as the rest of the Master Plan.
- **Evaluation of Outstanding City debt.** A review of the City's existing debt profile was completed as well as any financing expectations built into the City's Multiyear Financial Plan. The City has committed to revisiting its Multiyear Financial Plan and evaluating the need for any new debt issuances beyond the capacity freed up as a result of outstanding debt amortization.
- **Evaluation of Outstanding School District debt.** A debt profile was constructed for the presentation of all debt currently outstanding for School District purposes. This debt profile provided for the exclusion of all building aid to be received on such debt. Further, any expected borrowings that were earmarked as local share debt was added to the debt profile. It is the intention of the School District to not pay any additional local share debt beyond the current fiscal year level, providing for only a reasonable 2.5% increase each year based on the ten-year historical average of the rate of inflation.
- **Optimization of all debt issued in the Master Plan.** An quantitative optimization model was constructed that allows for \$180 million of proceeds to be available in the project construction fund to pay the Phase I Project costs after all other bonding costs of issuance have been paid, as well as the optimization of proceeds for Phases II-IV, all while adhering to local share debt issuance thresholds.

**Fiscal Improvement Plan – Narrative:**

## **Fiscal Improvement Plan – Narrative**

The City of Syracuse closed out fiscal year 2006/07 without tapping into its Designated Fund Balance Account as was planned when the 2006/07 Budget was prepared. Each year the City maximizes its revenue opportunities and controls expenditures to set the basis for the current and future spending plans. Through out the year our Syrastat program utilizes current financial and program data to measure the effectiveness of our service delivery systems, so improvements can be made immediately and costs are controlled. During the Capital Improvement Planning process projects are prioritized, other funding sources identified and limits are set to minimize the impact on future budgets.

The gap projections are based upon current trends and assumptions and illustrate the challenges to Syracuse's fiscal condition over the next four years. Ultimately, each year it is the examination and prioritization of each of these assumptions that creates the next spending plan for the City of Syracuse. Those decisions shape the challenges and opportunities for Syracuse's future. To close future years' budget gaps contained in our multi-year projections, the City will have to continue to grow its revenue base and achieve spending targets below the levels contained in these projections.

### **Revenue Possibilities**

On the revenue side, available options for gap closing include raising departmental charges, seeking new revenue authorizations from the State, increasing special funds rates, creating new service charges, lobbying for changes in local tax distributions and increases in local property taxes through growth in the tax base and/or changes in tax rates.

### **Revenue Possibilities Requiring Other Governmental Approvals**

In many areas, the cost of local government is impacted by existing State laws and regulations. We remain committed to identifying ways in which these costs can be reduced. We support such statewide initiatives as mandate relief, early retirement incentive programs that trim the workforce without layoffs and retirement system proposals that change the cost sharing formula for new employees. We will continue to focus our greatest effort in partnership with the State and other urban cities to create innovative programs for cities with dependent school districts.

### **Expenditure Possibilities**

On the expense side, the City of Syracuse will continue to improve productivity and control costs without reducing services through our comprehensive SyraStat accountability management program. Where possible, we seek out opportunities to consolidate services with our school district and other local governments if savings can be demonstrated. We will continue our efforts to integrate technology and

energy efficiency initiatives into the work place to reduce future operating costs. We have reduced our planned borrowing for capital projects and will look for ways to reduce the burden of health care costs.

Salaries, wages and benefits are by far the greatest cost in any municipal budget. Through the collective bargaining process, the City will continue to negotiate for productivity savings and adjustments to costly contract provisions. In instances when negotiations may move to the compulsory arbitration level, we will provide these certified multi-year projections to the arbitrator as independent evidence of the City's ability to pay.

#### **General Fund**

The 2007-08 City of Syracuse approved spending plan included several new policy initiatives that will have a long term positive effect on future budgets. Summarizing the initiatives into strategic goals, their commonality places them into three broad goals.

1. Maximizing local revenues sources to reduce the burden on property taxpayers.
2. Reduction of annual operating costs
3. Community Cooperation to explore future opportunities to expand revenues, reduce cost or expand services.

#### **Goal 1: Maximizing Local Revenues**

##### **Local Actions:**

- By completing the financing for the expansion of the Carousel Mall, the project will provide both the City and County additional fee revenue over the next 12 years and when completed, the City will receive an increased percentage of the Sales Tax generated at the Mall. This project should stimulate additional investment in the area.

*Performance Measures:* The fee agreement is in place, the success in achieving this action is to monitor the project's schedule to ensure the timely opening of the expansion and the receipt of the additional sales tax revenues that are planned for fiscal year 2010-11. Another measurement will be the number of new permits issued for projects near the mall.

- By finalizing an agreement with Onondaga County over the construction of a new hotel adjacent to the County owned convention center

*Performance Measures:* Both sales tax revenue and parking revenue will increase with the completion of the hotel. Capital investment in the surrounding area which includes the Hotel Syracuse should increase building permit revenue.

- By implementing a new fee based residential inspection program for one and two family homes that are non-owner occupied, housing deficiencies can be identified sooner and corrective action taken. The city will have better information on its housing stock condition and can manage code compliance.

*Performance Measures:* The number of permits issued and inspection completed. The city has targeted to inspect all non-owner occupied homes over a four year period.

- By selling the City's Tax liens to a third party for collection.

*Performance Measures:* The performance measure will be the percentage bid between the face value of the tax liens and the actual value paid for the liens.

- By increasing our collection of unpaid parking ticket.

*Performance Measures:* The net revenue received from parking tickets that are over 120 days delinquent. The City will explore a booting system and public information program to stimulate people to pay their outstanding tickets.

## **Goal 2: Operating Costs Reduction**

### **Local Actions:**

- By purchasing a new asphalt plant.

*Performance Measures:* The project is expected to save the annual debt service costs from having a greater storage capacity, improved emissions control, reduction of operating time of the plant, improved quality of asphalt it produces and the flexible work scheduling of production and work crews. The DPW operating budget will see a reduction in consumption of 6,000 therms of natural gas saved from burner efficiency.

- By procuring and implementing an electronic time and attendance program at the Department of Public Works to provide better attendance records, less payroll mistakes and reduce the cost of producing the payroll.

*Performance Measures:* Will be a reduction in man hours needed to produce the weekly payroll.

## **Goal 3: Community Cooperation**

**Local Actions:**

- The City and Onondaga County will explore jointly the possibility of building an energy plant that would provide sufficient electricity for the County, City and the City School District.

*Performance Measures:* The City and County agreeing to a project that would stabilize future electric costs for the City and School District.

- The City will pursue grant funding to explore the feasibility of constructing a regional indoor firing range that would service law enforcement in and around Onondaga County. The City's plans to manage the facility and would construct the facility on City property.

*Performance Measures:* Securing State funding to hire a consultant to complete the study.

- The 2007-08 City Budget has set aside funding of \$150,000 for a feasibility study of public power for city taxpayers. The scope of the study will be finalized in 2007-08 and a vendor selected through the RFP bidding process.

*Performance Measures:* The measurable result will be the effective communication of the feasibility study results, the public dialogue from the community and any new public policy that materializes.

**Water Fund**

The 2007-08 City of Syracuse Water Fund Budget included two initiatives targeting operating cost reduction.

**Goal: Operating Costs Reduction**

**Local Actions:**

- By applying for and receiving grants to assist in financing and reconstruction of a \$40.4m water reservoir that is currently offline, yet important to the City's water distribution system. The Water Department will work with the design engineering firm to control project costs.

*Performance Measures:* Should the grants be secured project costs will be reduced by \$3.4m and therefore future water rate increases will be less than currently projected.

- By replacing all residential water meters over the next five years with the capability to read the meters remotely and collect the data electronically operating costs will be reduced. The savings will reduce two positions and accurate billing will generate additional revenue from error minimization and a reduction in accounts receivable.

*Performance Measures:* As meters are replaced billing information and meter locations will be updated resulting in fewer errors and improved collections resulting in a drop in our accounts receivable. Remote readers will eliminate human error and increase the number of meter that can be read in a day, thus reducing the number of meter-reader employees.

**Sewer Fund**

The 2007-08 City of Syracuse Sewer Fund Budget has no unique initiative planned.

**Fiscal Improvement Plan – Worksheet:**

**Fiscal Accountability Report – Narrative:**

## Fiscal Accountability Report – Narrative

- The City of Syracuse closed out fiscal year 2006/07 without tapping into its Designated Fund Balance Account (\$9.3m) as was planned when the 2006/07 Budget was prepared. Each year the City maximizes its revenue opportunities and controls expenditures to set the basis for the current and future spending plans.
  - The City of Syracuse used its AIM Program aid to reduce the property tax burden of Syracuse residents by setting the 2007/08 City and School District tax rate at the 2006/07 level.
  - During the Capital Improvement Planning process projects are prioritized, other funding sources identified, and limits are set to minimize the impact on future budgets.
  - By effectively using overtime and holding vacancies in the Fire Department \$1.1m was generated in salary savings.
  - SyraStat compiled and analyzed the costs that the City spends to support downtown festivals and events, including regular time, overtime, fringe, and other costs by department. This was done to determine an adequate fee structure that could be implemented to cover all or a portion of City costs thereby reducing the burden on taxpayers.
  - Like many other rustbelt cities, Syracuse has been experiencing population decline over the past three decades. Our existing waste collection routes were originally designed to accommodate the substantially higher population of the 1970's. SyraStat recommended a route optimization study which is currently being undertaken by the Syracuse Metropolitan Transportation Council. SMTC is bearing the entire cost of the \$75,000 study. The city is only responsible for in-kind services such as assisting in data collection efforts. This has been implemented and is nearing completion.
  - SyraStat continues to track the projects and expenses of Operation CUSE (Clean Up Syracuse Everyday). Under this complaint-driven program, the City removes trash and debris from problematic properties that are threatening the quality of life in our neighborhoods. The City then bills the property owners for any costs incurred from the effort. SyraStat has recommended a new approach that will result in a higher collection rate than had been the case, thereby reducing the burden on taxpayers.
-

- Through the ProjectStat management system of capital projects and federal earmarks, the City has closed approximately 15 projects during FY06-07. To date, more than 120 projects have been completed through this system. At fiscal year end, there were 129 projects currently being tracked.
- Through municipal cooperation with Onondaga County three key agreements will have a major impact on future budgets, local employment opportunities, and the quality of life that Syracuse residents experience:
  1. The expansion of the Carousel Mall will provide both the City and County \$60m in additional fee revenue over the next 12 years and when completed, provide an increased local share of the Sales Tax generated at the Mall for the City of Syracuse.
  2. The City and Onondaga County have reached an agreement that is integral to the cleanup of Onondaga Lake. Syracuse will sell the County certain pieces of land that are needed for the project and effected neighborhoods will receive capital investment.
  3. The construction of a new Convention Center Hotel to stimulate our convention business.

## Financial Forecast

*2007-08 to 2010-11*

*Daniel G. Lowengard, Superintendent*  
*Joseph L. Rufo, Chief Financial Officer*

## Purpose

The primary purpose of this analysis is to:

- 1) Assist in determining how, over the next 4 years, to apportion the District's limited funding in such a way as to facilitate increased student achievement, higher test scores and improved graduation rates; and,
- 2) Help determine what size organization can be reasonably sustained given various assumptions of future revenue and expenditures.

Absent an increase in revenue and/or a reduction in spending the District will continue to face significant annual deficits. Given that approximately 80% of the District's funding is for personnel related costs, any effort to reduce spending to eliminate projected deficits will need to include a reduction in the number of positions.

**Appendix A**

**Consultant Selection Evaluation Criteria and Procedures  
(General)**

1. The JSCB will develop evaluation criteria, and their relative weight, which is used to evaluate and rank the consultant proposals. The criteria shall be based on relevant factors pertaining to the specific request for proposal which may include but not be limited to: the understanding of the proposed scope of work, the experience of the firm, the experience of the proposed staff, the ability to meet the proposed budget and time schedule, the familiarity with similar school renovation projects and experience working with the State Education Department.
2. The evaluation criteria and their relative weight will be included in the RFP. If a cost proposal is requested as part of the RFP, the RFP shall include how the cost proposal will be considered in the selection process (in most cases the costs proposals are always kept separate from the technical proposals. The technical proposals are evaluated first so as to not be influenced by the cost proposals.)
3. The first step in the evaluation process is to determine that each proposal contains all forms and other information required by the advertisement. Submittals may be considered non-responsive if all required information is not provided, and rejected without evaluation. Late submittals, submittals to the wrong location, and submittals with inadequate copies are considered non-responsive and should be rejected. Submittals of additional information after the due date cannot be allowed.
4. The JSCB reviews the submitted proposals according to the published evaluation criteria and weighting factors. They are given an evaluation score sheet to complete their scoring. Scores are given to each consultant based on the information contained in the proposals. Based on scores and a discussion of the firms' proposals, the JSCB establishes a short list of consultants that it determines to be best qualified to perform the contract work. If a cost proposal is requested and is not part of the original evaluation criteria, the JSCB may open the cost proposals for consideration in their ranking of the most qualified proposals.
5. The JSCB will determine whether interviews are warranted and which consultants will be interviewed. After interviews are held, the JSCB will discuss and document the strengths and weaknesses of each consultant on the short list based on the results of the interview (if held) and the evaluation of the proposal and determine the final ranking based on the evaluation criteria.

### **Goals of the Syracuse Joint School Construction Board Project:**

1. Renovate existing schools to create learning environments that are at the forefront of educational design and that deliver the flexible spaces, instructional technology and social support necessary to enhance student achievement equal to or exceeding the New York State Regents standards.
2. Renovate existing schools such that the quality of facilities district-wide is equitable and such that the quality of facilities is equal to or superior to those of any other school district in the state.
3. Develop shared facilities for educational, public safety, health, social support, and recreational purposes.
4. Maximize the economic benefit from school construction and reconstruction to neighborhood development and economic revitalization throughout the City.
5. Assist the Syracuse City School District, local labor, government, and not-for-profit agencies to develop, recruit and train a new diverse workforce.
6. Encourage, assist and sustain business development of under represented populations (i.e. people of color and women) and maximize the use of Syracuse based labor and local professional and construction-related business enterprises through a progressive and comprehensive Workforce and Business Diversification Plan.
7. Identify and utilize innovative financing techniques to provide sources for the local share – that portion of the cost that is not reimbursable under this project's State Educational Department (SED) reimbursement formula – and to minimize (i) the local share of the costs of the program, (ii) debt incurred by the City for the program and (iii) net debt service and operation and maintenance costs.
8. Find creative solutions to interim school space during project build-out in a manner that minimizes disruption to existing school operations and classroom instruction.

### **Workforce Development and Diversification Principles and Rules**

**Mission Statement: Work for all**

#### **I. Statement of Principles**

1. The capital investment represented by the Syracuse Schools Construction Program (the project) requires development of a workforce reflective of the City's population and diversity.
2. The ten-year duration of the Project provides the opportunity for planned development of a workforce, which meets this diversity objective.

3. In order to properly plan the development of a diverse workforce for The Project, the Program Manager shall oversee, facilitate, develop, and/or implement the following:
  - a. A community-wide public relations campaign to provide specific information about the Project's employment opportunities, referral and training programs.
  - b. A methodology which assists contractors, suppliers, professional service firms, or any other businesses providing goods and services to the Project to effectuate the workforce diversity goals of the Project and the minimum standards to be attained when providing such goods and services to The Project. All contracts shall include remedies and sanctions for non-compliance and identify a means by which inquiries and disputes about The Project requirement may be addressed.
  - c. An independent compliance program which monitors performance of contractors, suppliers, and professional service firms.
  - d. Regular monthly reporting to the JSCB setting forth the results of all employment and compliance activity and dispute resolution activities.
  - e. All contractors, suppliers, professional service firms or other businesses providing goods or services with a JSCB contract of \$20,000 or more shall comply with the workforce diversity rules set forth in Section II below. In the case of a contract award where compliance cannot be achieved through no fault and/or by act of omission of the contractor and/or vendor, the party required to comply with the workforce diversification rules shall present a plan to meet the goals of the Project in an alternative manner acceptable to the JSCB. In such case, the alternative plan shall be reviewed by the Program Manager. If the program manager determines, upon review of documented evidence of good faith efforts to meet the original goals, that the alternative plan does/ does not meet the intent and goals of the project, the recommendation of the Program Manager shall be submitted to the JSCB for approval or rejection within 20 workdays from submission of the alternative plan.

## II. Workforce Development (EEO) and Diversification Rules

1. In order to achieve the workforce diversification goals of the project, each contractor, supplier, professional service firm or other business providing goods or services is required to ensure that the workforce which it engages to perform work for the project shall demonstrate in terms of the value of the contract and/or contract as amended participation as follows:

Minority Workforce: 10% of project personnel including skilled tradespeople, trainees, journeymen, apprentices, and supervisory staff.

Female Workforce: 10% of project personnel including skilled tradespeople, trainees, journeymen, apprentices, and supervisory staff.

Each contractor, supplier, professional service provider, or other businesses providing goods and services shall also strive to maximize the use of Syracuse based labor, contractors, suppliers, and service providers.

2. In order to achieve such development and diversification in its workforce, each contractor, supplier, professional service firm or other businesses providing goods or services shall:
  - a. Provide the program manager or the designated compliance officer with a monthly workforce census and such other employment and/or payroll records necessary to verify achievement of the workforce diversity goals and demonstrate compliance with the minimum standards.
  - b. Provide access and cooperation to the project compliance officer to review records on-site and/or at work-site premises to validate workforce participation.
  - c. With bid submission, present a written recruiting program directed at attracting candidates to fill positions of employment in order to meet such requirements.
  - d. With bid submission, provide statement committing to training or participation in training provided by a third party to train new employees in meaningful ways to succeed in their employment opportunities and to promote long-term employment within the industry or profession.
3. In the event the prime contractor, supplier, professional service firm or other business providing goods or services fails to maintain minority/women workforce goals through the duration of the project, the contract or purchase order, the JSCB can and shall exercise in a timely manner one or more of the following remedies.

- a. Summon the contractor, supplier, professional service firm or other businesses providing goods or services for a hearing with a JSCB select hearing panel. The hearing shall be held within ten (10) days of notice of non-compliance by the compliance monitor.
- b. Withhold payment of any amounts due pending resolution of the hearing.
- c. Assess liquidated damages in an amount equal to the dollar value that would have been realized if the minority/women workforce has been met.
- d. Withhold, suspend, cancel or terminate the contract or purchase order
- e. Identify such contractor as a non-responsive bidder for future contracts on the project.

### **Business Development and Diversification Principles and Rules**

#### **I. Statement of Principles**

1. The capital investment represented by the Syracuse Schools Construction Program creates a unique opportunity for participation of minority-owned business enterprises and women-owned business enterprises. To ensure that contracts for goods and services are placed with qualified minority and women owned business enterprises, the Program Manager will oversee, facilitate, develop and/or implement the following:
  - a. Identify certified MBE and WBE firms available to provide goods and services to the project and to create a reference list for all project participants.
  - b. Identify firms that could/can be certified as MBE or WBE.
  - c. Ensure that contractors and suppliers divide the goods or services to be provided into Scopes, where economically and technically feasible, to create opportunities for participation.
  - d. Coordinate activities and services with organizations such as Chambers of Commerce, Trade groups, and community-based groups/organizations, which promote MBE and/or WBE interests.
  - e. Create the opportunities for mentoring less experiences and/or start-up M/WBE's.
  - f. Encourage the formation of joint ventures, partnerships, or other similar arrangements where feasible.

- g. Create a network for referral for banking and surety credit needs and advocate for the provision of an accelerated payment system, revolving credit and needs for project bonding.
  - h. Develop a methodology which assists contractors, suppliers, professional service firms, or any other business providing goods or services to the project to effectuate the business development and diversification goals of the project and the minimum standards to be attained when providing such goods and services to the project. All contracts shall include remedies and sanctions for non-compliance and identify a means by which inquiries and disputes about the project requirements may be addressed.
2. All contractors, suppliers, professional service firms or other businesses providing goods or services shall comply with the business development and diversification rules set forth in Section II below. In the case of a contract award where compliance cannot be achieved through no fault and/or by act of omission of the contractor, the party required to comply with the workforce diversification rules shall present a plan, to meet the goals of the project in an alternative manner acceptable to the JSCB. In order to present an alternative plan for meeting diversification goals, written evidence must be presented that good faith efforts were made to secure the services of under-represented workers and businesses. In such case, the alternative plan shall be reviewed by the Program Manager and the recommendation of the program manager shall be submitted to the JSCB for approval or rejection within twenty (20) business days from the submission of the alternative plan.

**II. Business Development and Diversification Rules**

- 1. In order to achieve the Business Development goals of the project, each contractor, supplier, professional service firm or other business providing goods or services with a JSCB contract of \$20,000 or more is required to engage a minority and/or women owned business to provide for the following
  - MBE: 9% of each contract or purchase order
  - WBE 6% of each contract or purchase order
- 2. The value of the work procured from certified MBE's and WBE's to accomplish these goals shall be determined as follows:
  - a. The dollar value of the work contracted to MBE's or WBE's through a purchase order, less any portion of that value paid by the MBE or WBE to any non-MBE or non-WBE manufacturer or producer to provide such goods and services as a subcontractor or sub-supplier to the MBE/WBE.
  - b. The full dollar value of a sub-contract with all M/WBE firms will be counted towards the diversification goals of the project.

- c. In the instance of a joint venture, the percentage of the joint venture's profits (or losses) which are to accrue to the MBE or WBE joint venture partner
  - d. In the case of a certified minority or women owned supplier which is in the business of supplying goods and materials by maintaining accounts with product manufacturers, paying for goods and materials directly, warehouses goods and materials, provide shipping and handling, and conducts its business as an industry supplier and not a broker, the full value of such contract or purchase order shall meet the project goals. In all other instances, only 25% of such contract or purchase order shall meet the project goals.
3. Each contractor, supplier, professional service firm or other businesses providing goods or services shall solicit bids for subcontractors and suppliers from certified MBE's and WBE's including circulation of solicitations to minority contractors, suppliers, trade associations and/or employment and business advocacy groups/organizations. When evaluating bids and/or proposals received, each contractor, supplier, or professional service firm shall act in "good faith" and shall exercise best efforts to assist M/WBE firms to secure such work.
  4. To be deemed an MBE or WBE a certificate and/or letter so designating must be presented prior to contract award. Failure to produce an authentic certificate/letter will result in the firm not receiving an MBE or WBE designation for the project thereby jeopardizing diversification goals.
  5. MBE and WBE designations are honored only for the area/component for which the designation has been provided by an authorizing agent.
  6. The City of Syracuse is the authorizing agent for MBE and WBE designations. The JSCB reserves the right to revise the Diversity plan once the goals of 9% MBE participation and 6% WBE participation are met through City-certified firms.
  7. Each contractor, supplier, professional service firm or other businesses providing goods or service shall provide the Program Manager and the project compliance officer a monthly report demonstrating compliance with the Business Development and Diversification Rules. Reports submitted must provide the data set required by the program manager

8. In the event the prime contractor, supplier, and professional service firm or other business providing goods or service fails to maintain MBE and WBE goals through the duration of the contract, the purchase order of the project, the JSCB can and shall exercise one or more of the following remedies.
  - a. Summon the contractor, supplier or professional service firm or other businesses providing goods or services for a hearing with a JSCB select hearing panel designated by the Board. The hearing shall be held within ten (10) days of notice of non-compliance by the compliance officer.
  - b. Withhold payment of any amounts due pending resolution of the hearing
  - c. Assess liquidated damages in an amount equal to the dollar value that would have been realized if the minority/women workforce had been met.
  - d. Withhold, suspend, cancel or terminate the contract or purchase order.
  - e. Identify such firm as a non-responsive bidder for future contract bids on the project.

WHEREAS, the terms and conditions of the proposed purchase of the Series 2008A Bonds by the Underwriters will be set forth in a Bond Purchase Agreement (the "Bond Purchase Agreement") to be entered into by SIDA, the JSCB, the City, the School District and the Underwriters; and

WHEREAS, based on preliminary information provided by the Underwriters and the fee to be charged by SIDA, the JSCB made a preliminary comparison of the financing available from SIDA with the financing expected to be available from the New York State Municipal Bond Bank Agency ("MBBA") for the Series 2008 Project and made a preliminary determination that financing the Series 2008 Project through the Series 2008A Bonds may reasonably be expected to result in the lowest cost to the taxpayers of the City and the State; and

WHEREAS, the issuance of the Series 2008A Bonds is subject to the School District, the City, the JSCB and SIDA determining based on pricing and other information furnished by the Underwriters that financing the Series 2008 Project through the Series 2008A Bonds rather than through financing from MBBA results in the lowest cost to the taxpayers of the City and the State; and

NOW THEREFORE, BE IT RESOLVED, that:

(f) approve a Continuing Disclosure Agreement among the City, the JSCB, the School District and the Trustee (the "Continuing Disclosure Agreement") in connection with the issuance of the Series 2008A Bonds, on such terms and in the form as the Authorized Officer shall approve based on a recommendation from counsel to the JSCB that such terms and conditions are customary for similar financings and required under applicable law;

(g) obtain a Bond Insurance Policy on terms and conditions as the Authorized Officer shall approve;

(h) approve all other certificates and documents required in connection with the issuance and sale of the Series 2008A Bonds and any other documents as may be required by Bond Counsel or the Underwriters or otherwise required to accomplish the first stage of the Series 2008 Project and qualify the interest on the Series 2008A Bonds for tax-exempt status under Section 103 of the Internal Revenue Code of 1986, as amended (collectively, and with the Program Manager Agreement, the Installment Sale Agreement, the Bond Purchase Agreement, the Indenture, the Tax Compliance Certificate and the Continuing Disclosure Agreement, the "Financing Documents").

4. In addition to the authority hereinabove granted, the Authorized Officer of the JSCB is hereby authorized and directed, for and in the name and on behalf of the JSCB, to do and cause to be done any such other acts and things, to execute and deliver any such additional certificates, instruments, documents or affidavits, to pay any such other fees, charges and expenses,

### WITNESSETH:

**WHEREAS**, the New York State Industrial Development Agency Act, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "*Enabling Act*") authorizes and provides for the creation of industrial development agencies in the several counties, cities, villages and towns in the State of New York and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and furnish land, any building or other improvement, and all real and personal properties, including but not limited to machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, industrial or civic purposes and which may include or mean an industrial pollution control facility to the end that such agencies may be able to promote, develop, encourage, assist and advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York and to improve their prosperity and standard of living; and

The Agency has sold its leasehold interest in the Facilities under the License to the City and the SCSD pursuant to an Installment Sale Agreement (Series 2008 Project), dated as of February 1, 2008 (as the same may be amended or supplemented, the "Series 2008A Installment Sale Agreement"), among the Agency, the City, the Syracuse Joint School Construction Board (the "JSCB") and the SCSD. The Installment Sale Agreement requires the payment by the City and the SCSD of (i) Base Installment Purchase Payments (as defined in the Installment Sale Agreement) as scheduled payments equal to the principal of and interest on the Series 2008A Bonds and any Additional Bonds that may be issued under the Indenture (collectively, the "Bonds") as the same become due, and (ii) Reserve Payments (together with the Base Installment Purchase Payments, the "Installment Purchase Payments") to pay deficiencies in the Debt Service Reserve Fund established under the Indenture.

**Pledge and Security.** The obligation of the City and the SCSD to pay Installment Purchase Payments under the Installment Sale Agreement is executory only to the extent of State Aid Revenues (as defined in the State Aid Trust Agreement referred to below), moneys appropriated by the State and available to the City or the SCSD under the Installment Sale Agreement and the State Aid Trust Agreement, and moneys appropriated by the City and the SCSD for such purpose, and no liability on account thereof is incurred by the City and the SCSD beyond the amount of such moneys, *provided, however*, that the failure of the City and the SCSD for any reason (including a failure by the State, the City or the SCSD to appropriate State Aid Revenues) to make an Installment Purchase Payment or an Additional Payment under the Installment Sale Agreement is deemed a failure to make a payment for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the Indenture. Further, the obligation of the City and the SCSD to pay Installment Purchase Payments is not a general obligation of the City or the SCSD and neither the faith and credit of the City or the SCSD nor the taxing powers of the City are pledged to the payment of Installment Purchase Payments. The obligations of the City and the SCSD under the Installment Sale Agreement to pay Installment Purchase Payments in any Fiscal Year of the City and the SCSD constitutes a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State of New York (the "State"). The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due under the Installment Sale Agreement shall be moneys comprising State Aid Revenues lawfully appropriated by the State and available therefor from time to time for the benefit of the SCSD, and appropriated for such purpose by the City and the SCSD.

Each of the SCSD, the City, the Trustee as a Series Trustee and Manufacturers and Traders Trust Company, Buffalo, New York, as depository bank (together with its successors or

assigns, the "*Depository Bank*"), have entered into a State Aid Trust Agreement, dated as of February 1, 2008 (as the same may be amended or supplemented, the "*State Aid Trust Agreement*"), to provide for, among other things, the payment of all State Aid Revenues into the State Aid Depository Fund maintained with the Depository Bank for periodic transfer to the Bond Fund established under the Indenture (and the equivalent fund established under each other Series Indenture) toward payment of the Bonds and each other Series of Project Bonds issued under a Series Indenture, and to the extent of any deficiency therein, to the Debt Service Reserve Fund established under the Indenture, and the equivalent fund, if any, established under each other Series Indenture, and the balance to the General Fund (as defined in the State Aid Trust Agreement).

Copies of the Indenture, the Installment Sale Agreement, the License and the State Aid Trust Agreement are on file at the principal corporate trust office of the Trustee at One M & T Plaza, Buffalo, New York, and reference is made to such documents for the provisions relating, among other things, to the terms and security of the Series 2008A Bonds, the charging and collection of installment purchase payments for the Facilities, the custody and application of the proceeds of the Series 2008A Bonds, the rights and remedies of the holders of the Series 2008A Bonds, and the rights, duties and obligations of the Agency, the School Parties and the Trustee.

Pursuant to the Indenture, the Agency has assigned to the Trustee substantially all of its right, title and interest in and to the Installment Sale Agreement, including all rights to receive Base Installment Purchase Payments to pay the principal of and interest on the Series 2008A Bonds as the same become due, and of Reserve Payments to pay deficiencies in the Debt Service Reserve Fund, all to be made by the City and the SCSD pursuant to the Installment Sale Agreement, and all executory only to the extent of State Aid Revenues as provided above.

The Series 2008A Bonds are special obligations of the Agency and shall never constitute a debt of the State of New York nor of the City, and neither the State of New York nor the City shall be liable thereon, nor shall the Series 2008A Bonds be payable out of any funds of the Agency other than those pledged therefor. Reference is hereby made to the Indenture for the definition of any capitalized word or term used but not defined herein and for a description of the property pledged, assigned and otherwise available for the payment of the Series 2008A Bonds, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Agency, the Trustee and the holders of the Series 2008A Bonds, and the terms upon which the Series 2008A Bonds are issued and secured.

**Additional Bonds.** As provided in the Indenture, Additional Bonds may be issued from time to time in one or more series for the purpose of financing the Facilities in connection with the Program or refunding outstanding Bonds. All Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as may otherwise be expressly provided in the Indenture.

#### **Redemption of Series 2008A Bonds.**

(a) *General Optional Redemption.* The Series 2008A Bonds maturing from May 1, 20\_\_ to and including May 1, 20\_\_ are not subject to optional redemption prior to the maturity thereof. The Series 2008A Bonds maturing on and after May 1, 20\_\_ are subject to redemption,

in whole or in part, at any time on or after May 1, 20\_\_ (but if in part in integral multiples of \$5,000), at the option of the Agency (which option shall be exercised upon the giving of notice by the City of its intention to prepay Base Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to the principal amount thereof to be redeemed, plus in each case accrued interest to the redemption date.

(b) *Mandatory Redemption from Excess Bond Proceeds.* The Series 2008A Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent excess Bond proceeds shall remain after the completion or abandonment of the Series 2008 Project, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2008A Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) *Redemption Procedures.* If any of the Series 2008A Bonds are to be called for redemption, the Indenture requires a copy of the redemption notice to be mailed at least thirty (30) days prior to such redemption date to the registered owner of each Series 2008A Bond to be redeemed at the address for such owner shown on the registration books. All Series 2008A Bonds so called for redemption will cease to bear interest after the date fixed for redemption if funds for their redemption are on deposit at the place of payment at that time. If notice of redemption shall have been given as aforesaid, the Series 2008A Bonds called for redemption shall become due and payable on the redemption date, provided, however, that with respect to any redemption of the Series 2008A Bonds as provided in paragraph (a) above, such notice shall state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on such Series 2008A Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Agency shall not be required to redeem such Series 2008A Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of Series 2008A Bonds so called for redemption at the place or places of payment, such Series 2008A Bonds shall be redeemed:

So long as the Securities Depository is effecting book-entry transfers of the Series 2008A Bonds, the Trustee shall provide the notices specified in the paragraph above only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Series 2008A Bond (having been mailed notice from the Trustee, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Series 2008A Bond so affected, shall not affect the validity of the redemption of such Series 2008A Bond.

**Payments Due on Saturdays, Sundays and Holidays.** In any case where any payment date of principal or Redemption Price, if any, and/or interest on this bond shall be (i) a Saturday or Sunday, (ii) a day in which banks in the State of New York, or in the city in which the

corporate trust office of the Trustee is located, are authorized or required by law to close, or (iii) a day on which the New York Stock Exchange, Inc. is closed, then payment of such principal or Redemption Price, if any, and/or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the principal and/or Interest Payment Date or the date fixed for redemption, as the case may be, except that interest shall continue to accrue on any unpaid principal.

**Amendment of Indenture.** The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Agency and the rights of the holders of the Bonds at any time by the Agency with the consent of the Trustee, or, where so provided in the Indenture, the holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding thereunder; provided, however, that if any such amendment or modification would affect only a single series of Bonds, then the consent of the holders of not less than a majority in aggregate principal amount of such series of Bonds at the time Outstanding thereunder shall instead be required. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each Bond and of any such Bond issued upon the transfer thereof, whether or not notation of such consent is made thereon.

**Book-Entry System.** The Series 2008A Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Indenture. One bond certificate with respect to each date on which the Series 2008A Bonds are stated to mature, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody or its agent. The book-entry system will evidence positions held in the Series 2008A Bonds by the Securities Depository's Participants, beneficial ownership of the Series 2008A Bonds in authorized denominations being evidenced in the records of such Participants. Transfers of ownership shall be effected on the records of the Securities Depository and its Participants pursuant to rules and procedures established by the Securities Depository and its Participants. The Agency and the Trustee will recognize the Securities Depository nominee, while the registered owner of this bond, as the owner of this bond for all purposes, including (i) payments of principal of, redemption premium, if any, and interest on this bond, (ii) notices, and (iii) voting. Transfer of principal, and interest and any redemption premium payments to Participants of the Securities Depository, and transfer of principal, Redemption Price, and interest payments to Beneficial Owners of the Series 2008A Bonds by Participants of the Securities Depository will be the responsibility of such Participants and other nominees of such Beneficial Owners. The Agency and the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its Participants or persons acting through such Participants. While the Securities Depository nominee is the owner of this bond, notwithstanding the provision hereinabove contained, payments of principal of, redemption premium, if any, and interest on this bond shall be made in accordance with existing arrangements among the Agency, the Trustee and the Securities Depository.

**Denominations.** The Series 2008A Bonds are issuable in the form of fully registered bonds in the minimum denomination of \$5,000 or any integral multiple thereof.

**Exchange of Series 2008A Bonds.** The holder of this bond may surrender the same, at the principal corporate trust office of the Trustee, in exchange for an equal aggregate principal amount of Series 2008A Bonds of any of the authorized denominations of the same maturity and maturities as this bond or the Series 2008A Bonds so surrendered, subject to the conditions and upon payment of the charges provided in the Indenture. However, the Trustee will not be required to (i) transfer or exchange any Series 2008A Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Series 2008A Bonds to be redeemed, or (ii) transfer or exchange any Series 2008A Bonds selected, called or being called for redemption in whole or in part.

**Transfer of Series 2008A Bonds.** This bond is transferable, as provided in the Indenture, only upon the books of the Agency kept for that purpose at the corporate trust office of the Trustee by the registered owner hereof in person, or by his duly authorized attorney-in-fact, upon surrender of this bond (together with a written instrument of transfer in the form appearing on this bond duly executed by the registered owner or his duly authorized attorney-in-fact with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15), and thereupon a new fully registered Series 2008A Bond in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Indenture and upon payment of the charges therein prescribed. The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof, and interest due hereon and for all other purposes whatsoever.

**No Acceleration of Series 2008A Bonds.** In no event shall the principal of any Series 2008A Bond be declared due and payable in advance of its final stated maturity.

**Limitation on Bondholder Enforcement Rights.** The holder of this bond shall have no right to enforce the provisions of the Indenture, to institute action to enforce the provisions and covenants thereof or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

**Special Obligation of the Agency.** This bond and the issue of which it forms a part are special obligations of the Agency, payable by the Agency solely out of the installment purchase payments, revenues or other receipts, funds or moneys of the Agency pledged under the Indenture and from any amounts otherwise available under the Indenture for the payment of the Series 2008A Bonds.

**Estoppel Clause.** It is hereby certified, recited and declared that all conditions, acts and things required by law and the Indenture to exist, to have happened and to have been performed precedent to and in the issuance of this bond, exist, have happened and have been performed, and that the issuance of this bond and the issue of which it forms a part are within every debt and other limit prescribed by the laws of the State of New York.

**No Personal Liability.** Neither the members, directors, officers or agents of the Agency nor any person executing this bond shall be liable personally or be subject to any personal liability or accountability by reason of the issuance hereof.

**Authentication by Trustee.** This bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by the Trustee.

IN WITNESS WHEREOF, City of Syracuse Industrial Development Agency has caused this bond to be executed in its name by the manual or facsimile signature of its Chairman or Vice Chairman and attested by the manual or facsimile signature of its Secretary, all as of the Bond Date indicated above.

**NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS, THIS INDENTURE WITNESSETH:**

That the Agency in consideration of the premises and of the acceptance by the Trustee of the trusts hereby created and of the purchase and acceptance of the Bonds by the Holders and owners thereof, and of the sum of One Dollar, lawful money of the United States of America, to it duly paid by the Trustee at or before the execution and delivery of these presents, and for other good and valuable consideration, the receipt of which is hereby acknowledged, and in order to secure the payment of the principal of the Bonds and the indebtedness represented thereby and the redemption premium, if any, and interest on the Bonds according to their tenor and effect and the performance and observance by the Agency of all the covenants expressed or implied herein and in the Bonds, does hereby grant, bargain, convey, transfer, grant a security interest in, pledge and assign unto Manufacturers and Traders Trust Company, as Trustee, and unto its respective successors in trust, and to their respective assigns, for the benefit of the Holders of the Bonds to the extent permitted by law; forever for the securing of the performance of the obligations of the Agency hereinafter set forth, the following:

## **GRANTING CLAUSES**

### **I**

All moneys and securities from time to time held by the Trustee under the terms of this Indenture including amounts set apart and transferred to the Project Fund, the Bond Fund, the Debt Service Reserve Fund, the Policy Payments Account or any special fund, and all investment earnings of any of the foregoing, subject to disbursements from such funds in accordance with the provisions of the Installment Sale Agreement and this Indenture (and when so disbursed, such amounts shall automatically be released from the assignment, pledge, lien and security interest of this Indenture); provided, however, that the Policy Payments Account shall only be pledged for the benefit of the Holders of the 2008 Bonds, provided, further, however, there is expressly excluded from any assignment, pledge, lien or security interest any amounts set apart and transferred to the Rebate Fund.

### **II**

All right, title and interest of the Agency in and to the Installment Sale Agreement, including all installment purchase payments, revenues and receipts payable or receivable thereunder, excluding, however, the Agency's Reserved Rights, which Reserved Rights may be

enforced by the Agency and/or the Trustee, jointly or severally; provided, however, that no exercise by the Agency of the Agency's Reserved Rights shall limit or restrict the rights of the Bond Insurer, the Trustee or the Bondholders to exercise their rights and remedies under the Security Documents.

### III

All right, title and interest of the Agency in and to the State Aid Revenues pursuant to the Syracuse Schools Act, subject, however, (i) to the right of the Agency or any other public entity to make any future pledges, of no greater priority than the pledge effected under this Indenture, of its respective right, title and interest in and to the State Aid Revenues pursuant to the Syracuse Schools Act, and (ii) to the right of the Agency to receive State Aid Revenues, for application in the priority set forth in Section 5.4 hereof, in satisfaction of the Agency's Reserved Rights (which Reserved Rights may be enforced by the Agency and/or the Trustee, jointly or severally).

**Section 2.3. Redemption of Series 2008A Bonds.**

(a) *General Optional Redemption.* The Series 2008A Bonds maturing from May 1, 20\_\_ to and including May 1, 20\_\_ are not subject to optional redemption prior to the maturity thereof. The Series 2008A Bonds maturing on and after May 1, 20\_\_ shall be subject to redemption, in whole or in part at any time on or after May 1, 20\_\_ (but if in part in integral multiples of \$5,000), at the option of the Agency (which option shall be exercised upon the giving of notice by an Authorized Representative of the City of its intention to prepay Base Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption.

(b) *Mandatory Redemption.* The Series 2008A Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2008 Project, or (ii) moneys are transferred to the Bond Fund pursuant to Article V hereof or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2008A Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) Redemption of Series 2008A Bonds permitted or required by this Article II shall be made as follows, and the Trustee shall give the notice of redemption required by Section 6.3 hereof in respect of each such redemption:

(1) Redemption shall be made pursuant to the general optional redemption provisions of Section 2.3(a) hereof at such times as are permitted under such Section and in such principal amounts as the City shall request in a written notice to the Trustee in accordance with the Installment Sale Agreement.

(2) Redemption shall be made pursuant to the mandatory redemption provisions of Section 2.3(b) hereof on the dates specified therein, without the necessity of any instructions or further act of the School Parties.

(d) In the event of any redemption in part of the Series 2008A Bonds, in selecting Series 2008A Bonds for redemption, the Trustee shall treat each such Series 2008A Bond as representing that number of Series 2008A Bonds which is obtained by dividing the principal amount of such registered Bond by \$5,000 (referred to below as a "unit") rounded down to the integral multiple of such minimum denomination. If it is determined that one or more, but not all, of the units of principal amount represented by any such Series 2008A Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Series 2008A Bond shall forthwith surrender such Series 2008A Bond to the Trustee for (y) payment to such Holder of the Redemption Price of the unit or units of principal

amount called for redemption and (z) delivery to such Holder of a new Series 2008A Bond or Bonds in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Series 2008A Bond. New Series 2008A Bonds of the same maturity representing the unredeemed balance of the principal amount of such Series 2008A Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Series 2008A Bond of a denomination greater than \$5,000 shall fail to present such Series 2008A Bond to the Trustee for payment and exchange as aforesaid, such Series 2008A Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

**Section 2.4. Delivery of Series 2008A Bonds.** The Series 2008A Bonds shall be executed in the form and manner set forth in this Indenture and shall be deposited with the Trustee and thereupon shall be authenticated by the Trustee. Upon payment to the Trustee of the proceeds of sale of the Series 2008A Bonds including the interest, if any, accrued on the Series 2008A Bonds to the date of delivery, the Series 2008A Bonds shall be delivered by the Trustee on behalf of the Agency to or upon the order of the purchaser(s) thereof, but only upon receipt by the Trustee of:

- (a) a copy, duly certified by the Chairman, Vice Chairman or Secretary of the Agency, of the Bond Resolution;
- (b) an original executed counterpart of all Security Documents;
- (c) a written opinion by Hiscock & Barclay, LLP to the effect that the issuance of the Series 2008A Bonds and the execution thereof have been duly authorized and that all conditions precedent to the delivery thereof have been fulfilled; and
- (d) the written order to the Trustee executed by an Authorized Representative of the Agency to authenticate and make available for delivery the Series 2008A Bonds to the purchaser(s) therein identified upon payment to the Trustee for the account of the Agency of the purchase price therein specified, plus accrued interest, if any.

**Section 2.5. Execution of Bonds.** The Bonds shall be executed on behalf of the Agency by the manual or facsimile signature of the Chairman or Vice Chairman of the Agency, and the seal of the Agency shall be affixed thereto or imprinted thereon and attested by the manual or facsimile signature of the Secretary of the Agency. Any facsimile signatures shall have the same force and effect as if the appropriate officers had personally signed each of said Bonds. In case one or any of the officers who shall have signed or attested the Bonds or whose reproduced facsimile signature appears thereon shall cease to be such officer or officers before the Bonds so signed and attested shall have been actually issued and delivered, the Bonds may be issued and delivered as though the person who signed or attested or whose reproduced facsimile signature appears on the Bonds had not ceased to be such officer. Neither the members, directors, officers or agents of the Agency nor any person executing the Bonds shall be liable personally or be subject to any personal liability or accountability by reason of the issuance thereof.

**Section 2.6. Authentication.** Only such Bonds as shall have endorsed thereon a certificate of authentication, in substantially the form set forth in the Form of Bond in the recitals of this Indenture, duly executed by the Trustee, shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Indenture unless and until such certificate of authentication on such Bond shall have been duly executed by the Trustee, and such certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture. The Trustee shall note, with respect to each Bond to be authenticated under this Indenture in the space provided in the certificate of authentication for such Bond, the date of the authentication and delivery of such Bond. The Trustee's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds.

**Section 2.7. Additional Bonds.**

(a) So long as the Installment Sale Agreement is in effect and no Event of Default exists thereunder, one or more Series of Additional Bonds may be issued, authenticated and delivered upon original issuance for the purpose of (i) financing Facilities in connection with the Program, or (ii) refunding Outstanding Bonds. Such Series of Additional Bonds shall be payable from the Base Installment Purchase Payments under the Installment Sale Agreement. Prior to the issuance of a Series of Additional Bonds and the execution of a Supplemental Indenture in connection therewith, (except in the case of Refunding Bonds (as defined herein)) the City, the SCSD and the Agency shall enter into an license agreement or lease agreement to grant an interest in he Facilities to the Agency unless the License shall then be in effect, and each of the School Parties shall enter into an amendment to the Installment Sale Agreement to subject the Facility(ies) to the Installment Sale Agreement and to provide, among other things, that the Base Installment Purchase Payments payable under the Installment Sale Agreement shall be increased and computed so as to amortize in full the principal of and interest on the Bonds, including such Series of Additional Bonds. In addition, each of the School Parties and the Agency shall enter into an amendment to the Tax Compliance Certificate.

(b) Each such Series of Additional Bonds shall be deposited with the Trustee and thereupon shall be authenticated by the Trustee. Upon payment to the Trustee of the proceeds of sale of the Additional Bonds, they shall be made available by the Trustee for pick-up by the order of the purchaser or purchasers thereof, but only upon receipt by the Trustee of:

(1) a copy of the resolution, duly certified by the Secretary or Assistant Secretary of the Agency, authorizing, issuing and awarding the Additional Bonds to the purchaser or purchasers thereof and providing the terms thereof and authorizing the execution of any Supplemental Indenture and any amendments of or supplements to the License and the Installment Sale Agreement;

(2) original executed counterparts of the Supplemental Indenture and an amendment of or supplement to the License and the Installment Sale Agreement, expressly providing that, to the extent applicable, for all purposes of

the Supplemental Indenture, the License and the Installment Sale Agreement, the Facilities referred to therein and the premises licensed pursuant to the License, as applicable, and sold under the Installment Sale Agreement, shall include the buildings, structures, improvements, machinery, equipment or other facilities being financed, and the Bonds referred to therein shall mean and include the Additional Bonds being issued as well as the Bonds now being issued and any Additional Bonds theretofore issued;

(3) a written opinion by Nationally Recognized Bond Counsel, to the effect that the issuance of the Additional Bonds and the execution thereof have been duly authorized, that all conditions precedent to the delivery thereof have been fulfilled, and that the issuance of the Additional Bonds will not cause the interest on any Series of Bonds Outstanding to become includable in gross income for federal income tax purposes;

(4) except in the case of Refunding Bonds (defined below) refunding all Outstanding Bonds, a certificate of an Authorized Representative of each of the School Parties to the effect that the License, the Tax Compliance Certificate and the Installment Sale Agreement continues in full force and effect and that there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default;

(5) an amount for deposit in the Debt Service Reserve Fund so as to make the amount on deposit in such Fund equal to the Debt Service Reserve Requirement after taking into account the issuance of such Additional Bonds;

(6) an original, executed counterpart of the amendment, if any, to the Tax Compliance Certificate; and

(7) a written order to the Trustee executed by an Authorized Representative of the Agency to authenticate and make available for pick-up the Series of Additional Bonds to the purchaser or purchasers therein identified upon payment to the Trustee of the purchase price therein specified, plus accrued interest, if any.

(c) (1) Upon the request of the JSCB, one or more Series of Additional Bonds may be authenticated and made available for pick-up upon original issuance to refund ("*Refunding Bonds*") all Outstanding Bonds or any Series of Outstanding Bonds or any part of one or more Series of Outstanding Bonds. Bonds of a Series of Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make such deposits required by the provisions of this Indenture and of the resolution authorizing said Series of Refunding Bonds. In the case of the refunding under this Section 2.7 of less than all Bonds Outstanding of any Series or of any maturity within such Series, the Trustee shall proceed to select such Bonds in accordance with Section 6.2 hereof.

(2) Refunding Bonds may be authenticated and made available for delivery only upon receipt by the Trustee (in addition to the receipt by it of the documents required by Section 2.7(b) hereof, as may be applicable) of:

(A) Irrevocable instructions from the Agency to the Trustee, satisfactory to it, to give due notice of redemption pursuant to Section 6.3 hereof to the Holders of all the Outstanding Bonds to be refunded prior to maturity on the redemption date specified in such instructions; and

(B) Either:

(i) moneys in an amount sufficient to effect payment at maturity or upon redemption at the applicable Redemption Price of the Bonds to be refunded, together with accrued interest on such Bonds to the maturity or redemption date, which moneys shall be held by the Trustee or any Paying Agent in a separate account irrevocably in trust for and assigned to the respective Holders of the Outstanding Bonds being refunded, or

(ii) Defeasance Obligations in such principal amounts, having such maturities, bearing such interest, and otherwise having such terms and qualifications, as shall be necessary to comply with the provisions of Section 10.1 hereof, and any moneys required pursuant to said Section (with respect to all Outstanding Bonds or any part of one or more series of Outstanding Bonds being refunded), which Defeasance Obligations and moneys shall be held in trust and used only as provided in said Section 10.1.

(3) The City shall furnish to the Trustee and the Agency at the time of delivery of the Series of Refunding Bonds a certificate of an independent certified public accountant stating that the Trustee and/or the Paying Agent (and/or any escrow agent as shall be appointed in connection therewith) hold in trust the moneys or such Defeasance Obligations and moneys required to effect such payment at maturity or earlier redemption.

(d) Each Series of Additional Bonds issued pursuant to this Section shall be equally and ratably secured under this Indenture with the Series 2008A Bonds and all other Series of Additional Bonds, if any, issued pursuant to this Section, without preference, priority or distinction of any Bond over any other Bonds except as expressly provided in or permitted by this Indenture.

(e) Notwithstanding anything herein to the contrary no Series of Additional Bonds shall be issued unless the State Aid Trust Agreement, the Tax Compliance Certificate and the Installment Sale Agreement are in effect and at the time of issuance there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default. Each Series of Additional Bonds shall be designated by name and by Series and shall have separate funds and accounts.

**Section 2.8. Limitation of Agency's Liability.** Anything in this Indenture, the Bonds, the Installment Sale Agreement or any other Project Document to the contrary notwithstanding, any obligations of the Agency under this Indenture or the Bonds or under the Installment Sale Agreement or under any other Project Document or related document for the payment of money shall not create a debt of the State or the City and neither the State nor the City shall be liable on any obligation so incurred, but any such obligation shall be a special obligation of the Agency secured and payable solely as provided in this Indenture.

**Section 2.9. Book-Entry Bonds.**

(a) Except as provided in subsection (c) below, the Holder of all of the Series 2008A Bonds shall be DTC (the "*Securities Depository*") and the Series 2008A Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest for any Series 2008A Bond registered in the name of Cede & Co. shall be made by wire transfer of New York Clearing House or equivalent same day funds to the account of Cede & Co. on the Interest Payment Date for the Series 2008A Bonds at the address indicated for Cede & Co. in the registration books of the Agency kept by the Trustee. It is anticipated that during the term of the Series 2008A Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, Redemption Price of and interest on the Series 2008A Bonds to the Participants until and unless the Trustee authenticates and delivers replacement bonds to the Beneficial Owners as described in paragraph (c) below.

(b) The Series 2008A Bonds shall be initially issued in the form of a separate single authenticated fully registered certificate for each maturity of the Series 2008A Bonds. Upon initial issuance, the ownership of such Series 2008A Bonds shall be registered in the registration books of the Agency kept by the Trustee in the name of Cede & Co., as nominee of DTC. The Trustee, the Bond Registrar, the Paying Agent and the Agency shall treat DTC (or its nominee) as the sole and exclusive Holder of the Series 2008A Bonds registered in its name for the purposes of payment of the principal or Redemption Price of or interest on the Series 2008A Bonds, selecting the Series 2008A Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Holders of Series 2008A Bonds under this Indenture, registering the transfer of Series 2008A Bonds, obtaining any consent or other action to be taken by Holders of the Series 2008A Bonds and for all other purposes whatsoever; and neither the Trustee, the Bond Registrar, the Paying Agent, the School Parties, nor the Agency shall be affected by any notice to the contrary. Neither the Trustee, the Bond Registrar, the Paying Agent nor the Agency shall have any responsibility or obligation to any Participant, any Person claiming a beneficial ownership interest in the Series 2008A Bonds under or through DTC or any Participant, or any other Person which is not shown on the registration books of the Trustee as being a Holder, with respect to the accuracy of any records maintained by DTC or any Participant; the payment of DTC or any Participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2008A Bonds; any notice which is permitted or required to be given to Bondholders under this Indenture or any other Security Documents; the selection by DTC or any Participant of any Person to receive payment in the event of a partial redemption of the Series 2008A Bonds; or any consent given or other action taken by DTC as Bondholder. The Trustee shall pay all principal of, redemption premium, if any, and interest on the Series 2008A Bonds only to or "upon the order of" (as that term is used in the Uniform Commercial Code as adopted in the State) DTC, and all such payments shall be valid and

effective to fully satisfy and discharge the Agency's obligations with respect to the principal of, and redemption premium, if any, and interest on the Series 2008A Bonds to the extent of the sum or sums so paid. Except as otherwise provided in subsection (c) below, no Person other than DTC shall receive an authenticated Series 2008A Bond certificate evidencing the obligation of the Agency to make payments of principal of, and redemption premium, if any, and interest pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Indenture with respect to transfers of Bonds, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) In the event the Agency determines that it is in the best interest of the Beneficial Owners that they be able to obtain Series 2008A Bond certificates, the Agency may notify DTC and the Trustee, whereupon DTC will notify the Participants, of the availability through DTC of Series 2008A Bond certificates. In such event, the Trustee shall issue, transfer and exchange Series 2008A Bond certificates as requested by DTC in appropriate amounts within the guidelines set forth in this Indenture. DTC may determine to discontinue providing its services with respect to the Series 2008A Bonds at any time by giving written notice to the Agency and the Trustee and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the Agency and the Trustee shall be obligated to deliver Series 2008A Bond certificates as described in this Indenture. In the event Series 2008A Bond certificates are issued, the provisions of this Indenture shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of, redemption premium, if any, and interest on such certificates. Whenever DTC requests the Agency and the Trustee to do so, the Agency will direct the Trustee (at the sole cost and expense of the SCSD) to cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Series 2008A Bonds to any DTC Participant having Series 2008A Bonds credited to its DTC account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2008A Bonds.

(d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Series 2008A Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, and redemption premium, if any, and interest on such Series 2008A Bond and all notices with respect to such Series 2008A Bond shall be made and given, respectively, to DTC as provided in the Representation Letter.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture or any other Security Document by the Agency or the Trustee with respect to any consent or other action to be taken by Bondholders, the Agency or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. Such notice to DTC shall be given only when DTC is the sole Bondholder.

(f) NEITHER THE AGENCY, THE SCHOOL PARTIES NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE

ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2008A BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; OR (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2008A BONDS.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2008A BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE SERIES 2008A BONDHOLDERS OR REGISTERED HOLDERS OF THE SERIES 2008A BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2008A BONDS.

(g) For so long as the Holder of all of the Series 2008A Bonds shall be DTC, and all Series 2008A Bonds shall be registered in the name of Cede & Co. as nominee for DTC, only DTC may tender Series 2008A Bonds upon redemption or retirement.

(h) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the City, with the consent of the Agency, which shall not be unreasonably withheld, may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Trustee upon its receipt of a Series 2008A Bond or Bonds for cancellation shall cause the delivery of Series 2008A Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

**Section 2.10. Duties with Respect to the Bond Insurance Policy.** As long as the Bond Insurance Policy shall be in force and effect, the Trustee agrees to comply with the following procedures, and the registered owners of the Series 2008A Bonds irrevocably designate, appoint, direct and authorize the Trustee to act as attorney-in-fact for such owners in connection with the following procedures:

(a) Amounts paid by the Bond Insurer under the Bond Insurance Policy shall not be deemed paid for purposes of the Indenture and shall remain Outstanding and continue to be due and owing until paid in accordance with the Indenture. The Indenture shall not be discharged unless all amounts due or to become due to the Bond Insurer have been paid in full or duly provided for.

(b) Claims Upon the Insurance Policy and Payments by and to the Bond Insurer: If, on the third Business Day prior to the related scheduled interest payment date or

principal payment date ("*Payment Date*") there is not on deposit with the Trustee, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of and interest on the Series 2008A Bonds due on such Payment Date, the Trustee shall give notice to the Bond Insurer and to its designated agent (if any) (the "*Bond Insurer's Fiscal Agent*") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2008A Bonds due on such Payment Date, the Trustee shall make a claim under the Bond Insurance Policy and give notice to the Bond Insurer and the Bond Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Series 2008A Bonds and the amount required to pay principal of the Series 2008A Bonds, confirmed in writing to the Bond Insurer and the Bond Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Bond Insurance Policy.

(c) . In the event the claim to be made is for a mandatory Sinking Fund Installment redemption, upon receipt of the moneys due, the Trustee shall authenticate and deliver to affected Holders of Series 2008A Bonds who surrender their Series 2008A Bonds a new Series 2008A Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Series 2008A Bond surrendered. The Trustee shall designate any portion of payment of principal on Series 2008A Bonds paid by the Bond Insurer, whether by virtue of mandatory Sinking Fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2008A Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2008A Bond to the Bond Insurer, registered in the name of \*\*, in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Series 2008A Bond shall have no effect on the amount of principal or interest payable by the Agency on any Series 2008A Bond or the subrogation rights of the Bond Insurer.

(d) The Trustee shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal paid in respect of any Series 2008A Bond. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

(e) Upon payment of a claim under the Bond Insurance Policy the Trustee shall establish a separate special purpose trust account for the benefit of Holders of Series 2008A Bonds referred to herein as the "Policy Payments Account" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Bond Insurance Policy in trust on behalf of the Holders of Series 2008A Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to the Holders of Series 2008A Bonds in the same manner as principal and interest payments are to be made with respect to the Series 2008A Bonds under the sections hereof regarding payment of the Series 2008A Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to

pay debt service with other funds available to make such payments. Notwithstanding anything to the contrary otherwise set forth in the Indenture, and to the extent permitted by law, in the event amounts paid under the Bond Insurance Policy are applied to claims for payment of principal of or interest on the Series 2008A Bonds, interest on such principal of and interest on such Series 2008A Bonds shall, to the extent permitted by law, accrue and be payable from the date of such payment at the greater of (i) the per annum rate of interest, publicly announced from time to time by **[JPMorgan Chase Bank]** or its successor at its principal office in The City of New York, as its prime or base lending rate plus three percent (3%) per annum, and (ii) the then applicable rate of interest on the Series 2008A Bonds provided that in no event shall such rate exceed the maximum rate permissible under applicable usury or similar laws limiting interest rates.

(f) Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Series 2008A Bond payment date shall promptly be remitted to the Bond Insurer.

(g) The Bond Insurer shall, to the extent it makes any payment of principal of (or, in the case of Capital Appreciation Bonds, accreted value) or interest on the Series 2008A Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy. The obligations to the Bond Insurer shall survive discharge or termination of the Security Documents.

(h) The Bond Insurer shall be entitled to pay principal (or, in the case of Capital Appreciation Bonds, accreted value) or interest on the Series 2008A Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Agency (as such terms are defined in the Bond Insurance Policy), whether or not the Bond Insurer has received a Notice of Nonpayment (as such terms are defined in the Bond Insurance Policy) or a claim upon the Bond Insurance Policy.

(b) Any Bond, upon surrender thereof at the corporate trust office of the Trustee with a written instrument of transfer in the form appearing on such Bond, duly executed by the registered owner or his duly authorized attorney-in-fact, with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, may, at the option of the owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series and maturity of any other authorized denominations. However, the Trustee will not be required to (i) transfer or exchange any Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Bonds to be redeemed, or (ii) transfer or exchange any Bonds selected, called or being called for redemption in whole or in part.

(c) The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent shall deem and treat the Person in whose name any Bond shall be registered as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of, and interest on such Bond and for all other purposes, and all payments made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Agency, the School Parties, the Bond Registrar, the Trustee nor any Paying Agent shall be affected by any notice to the contrary.

**Section 3.7. Bonds Mutilated, Destroyed, Stolen or Lost.** In case any Bond shall become mutilated or be destroyed, stolen or lost, the Agency shall execute, and thereupon the Trustee shall authenticate and deliver, a new Bond of like Series, maturity and unpaid principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and in substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee evidence reasonably satisfactory to it that such Bond has been destroyed, stolen or lost, and upon

furnishing the Agency and the Trustee with indemnity (an undertaking from an insurance company acceptable to the Trustee and the Agency) satisfactory to the Trustee and to the Agency and complying with such other reasonable regulations as the Trustee may prescribe and paying such expenses as the Agency and the Trustee may incur. All Bonds so surrendered to the Trustee shall be cancelled by it. Every new Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is destroyed, lost or stolen, shall, with respect to such Bond, constitute an additional contractual obligation of the Agency whether or not the destroyed, lost or stolen Bond shall be found and shall be enforceable at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder. In the event any such destroyed, stolen or lost Bond shall have matured, or be about to mature, the Agency may, instead of issuing a new Bond, cause the Trustee to pay the same without surrender thereof upon compliance with the condition in the first sentence of this Section out of moneys held by the Trustee and available for such purpose. All Bonds shall be held and owned upon the express condition (to the extent lawful) that the foregoing provisions are exclusive with respect to the replacement or payment of any mutilated, destroyed or lost or stolen Bond and shall preclude any and all other rights and remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

**Section 3.8. Cancellation and Destruction of Bonds.** All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds shall thereupon be promptly cancelled. Bonds so cancelled shall be destroyed by the Trustee.

**Section 3.9. Requirements With Respect to Transfers.** In all cases in which the privilege of transferring Bonds is exercised, the Agency shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such transfer shall forthwith be cancelled by the Trustee. For every such transfer of Bonds, the Agency or the Trustee may, as a condition precedent to the privilege of making such transfer, make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer and may charge a sum sufficient to pay the cost of preparing each new Bond issued upon such transfer, which sum or sums shall be paid by the Person requesting such transfer.

**Section 3.10. Bond Registrar.** The Trustee shall also be Bond Registrar for the Bonds, and shall maintain a register showing the names of all registered Holders of Bonds, Bond numbers and amounts, and other information appropriate to the discharge of its duties hereunder. The Trustee shall make available to the City and the SCSD for its inspection during normal business hours the registration books for the Bonds, as may be requested by the City and the SCSD in connection with any purchase or tender offer by one or both of them with respect to the Bonds.

(c) Moneys received from the State Comptroller pursuant to Section 5.4 hereof in respect of Base Installment Purchase Payments and available for the payment of interest on the Bonds, which, subject to the priority for the application of such moneys so received set forth in Section 5.4 hereof, shall be placed in the Interest Account of the Bond Fund and applied, together with amounts available in the Interest Account, to the payment of interest on the Bonds.

(d) Moneys received from the State Comptroller pursuant to Section 5.4 hereof in respect of Base Installment Purchase Payments and available for the payment of principal on the Bonds, which, subject to the priority for the application of such moneys so received set forth in Section 5.4 hereof, shall be placed in the Principal Account of the Bond Fund and applied, together with amounts available in the Principal Account, to the payment of principal of the Bonds.

(e) Moneys received from the State Comptroller pursuant to Section 5.4 hereof in respect of Base Installment Purchase Payments and available for the payment of the Redemption Price of Bonds to be redeemed in whole or in part, which, subject to the priority for the application of such moneys so received set forth in Section 5.4 hereof, shall be placed in the Redemption Account of the Bond Fund and applied, together with amounts available in the Redemption Account, to the payment of the Redemption Price of Bonds to be redeemed in whole or in part.

(f) Moneys transferred by the Trustee from the Debt Service Reserve Fund pursuant to Section 5.5(c)(i) or Section 5.5(d) hereof for the payment of interest of the Bonds,

(i) The excess amounts referred to in the third sentence of Section 5.6(c) hereof, which shall be credited to the Interest Account of the Bond Fund.

(j) Moneys transferred by the Trustee from the Redemption Account of the Bond Fund which shall be deposited in either the Interest Account or Principal Account of the Bond Fund, as so directed by an Authorized Representative of the City.

(k) Moneys transferred by the Trustee from the Project Fund to the Redemption Account of the Bond Fund as provided in Section 5.2 of the Indenture (after making any transfer to the Rebate Fund as directed pursuant to the Tax Compliance Certificate and Section 5.11 hereof), which amounts shall be held separately by the Trustee in a restricted subaccount, and may be invested, until applied to the redemption of the Series 2008A Bonds in accordance with Section 2.3(c) of the Indenture, by the Trustee at the direction of the City, and otherwise in accordance with the requirements of Section 5.7 of the Indenture, except the certification by the City required by Section 5.7 shall include an additional certification by the City that the contemplated investment is not at a yield in excess of the yield on the Series 2008A Bonds.

(l) All other receipts when and if required by the State Aid Trust Agreement, the Installment Sale Agreement, by this Indenture or by any other Security Document to be paid into the Bond Fund, which shall be credited (except as provided in Section 8.3 hereof) to the Redemption Account of the Bond Fund and applied as provided in Section 5.6(c) hereof.

In the event that any Base Installment Purchase Payment received by the Trustee shall be an amount insufficient to pay the interest, principal and sinking fund payments next coming due on the Bonds, such amount shall be applied first, to the payment of interest, second, to the payment of principal, and third, to the payment of sinking fund payments.

**Section 5.4. State Aid Intercept.** Pursuant to the Syracuse Schools Act, in the event the City or the SCSD shall fail (for any reason, including the failure of the State or appropriate legislative body of the City to appropriate moneys for such purpose) to make a payment under the Installment Sale Agreement in the amount and by the date the same is due, of which failure the Trustee has actual knowledge in the case of a failed Installment Purchase Payment (or other failed payment payable to the Trustee in its capacity as Trustee), or, in the case of any other

failed payment of which the Trustee has received written notice from the party to whom such failed payment is owed under the Installment Sale Agreement, the Agency hereby irrevocably appoints the Trustee to act as its agent for the purpose of delivering a certificate to the State Comptroller (in substantially the form set forth in the appendices attached hereto) by no later than the next Business Day following the Trustee obtaining such actual knowledge or such notice of such failed payment, certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall, in accordance with the Syracuse Schools Act, withhold from the City and the SCSD such State Aid Revenues as are payable to the City for the benefit of the SCSD to the extent of the amount so stated in such certificate of the Trustee as not having been made, and the State Comptroller shall immediately pay over to the Trustee on behalf of the Agency, the amount of such State Aid Revenues so withheld. All State Aid Revenues so received shall be applied, *first*, to deposit in the Debt Service Reserve Fund to the extent of any deficiency therein, *second*, to deposit in the Interest Account of the Bond Fund to the extent of any deficiency therein, *third*, to deposit in the Principal Account of the Bond Fund to the extent of any deficiency therein, *fourth*, to deposit in the Redemption Account of the Bond Fund to the extent of any deficiency therein, *fifth*, to satisfy any obligation of the SCSD under Section 4.03 of the Installment Sale Agreement, *sixth*, to satisfy any obligation of the JSCB or the SCSD under Section 5.05 of the Series 2008 Installment Sale Agreement, and *seventh*, to satisfy any other obligations of any of the School Parties under the Installment Sale Agreement.

The appointment by the Agency of the Trustee as agent as above-described shall be deemed a non-exclusive but irrevocable appointment (coupled with an interest) and the Agency may appoint any other Series Trustee to similar purpose under the related Series Indenture. The Trustee hereby accepts such agency and agrees so to act on behalf of the Agency. Notwithstanding anything to the contrary contained herein, any amounts of such State Aid Revenues received by the Trustee from the State Comptroller shall, subject to the priority set forth in the preceding paragraph, be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received. Any amounts of such State Aid Revenues received by the Trustee from the State Comptroller that are not in respect of Installment Purchase Payments shall forthwith be forthwith paid to or upon the order of the Agency.

The Agency covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Indenture or Series Facilities Agreement, in connection with the issuance of a Series of Project Bonds under a Series Indenture which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of State Aid Revenues under the Syracuse Schools Act than the pledge effected pursuant to this Indenture; provided, however, that nothing contained in this Indenture shall be deemed (y) to limit or deny the ability of the Agency or any other public entity, in connection with the issuance of another Series of Project Bonds, to pledge State Aid Revenues under the Syracuse Schools Act on a parity with the pledge effected under this Indenture, or (z) to require that any Series of Project Bonds issued under any other Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under this Indenture, or that any payment dates under a Series Facilities Agreement be the same as those under the Installment Sale Agreement.

**Section 5.5. Debt Service Reserve Fund.**

(a) Proceeds of the Series 2008A Bonds shall be deposited in the Debt Service Reserve Fund pursuant to Section 4.1(b) hereof. Upon the issuance of any Series of Additional Bonds, there shall be deposited in the Debt Service Reserve Fund such amount, if any, of the proceeds of such Series of Additional Bonds as may be set forth in the related Supplemental Indenture.

(b) There shall also be deposited in the Debt Service Reserve Fund moneys received (y) from the Depository Bank pursuant to Section 202(g)(ii) of the State Aid Trust Agreement, or (z) from the Trustee pursuant to Section 5.4 hereof or otherwise as provided in this Indenture.

(c) On the Business Day preceding each payment of Bond Service Charges to Holders of the Bonds, the Trustee shall transfer from the Debt Service Reserve Fund: (i) first, to the Interest Account of the Bond Fund, the amount by which the aggregate amount of interest to be paid to Bondholders on such succeeding Business Day exceeds the balance then on deposit in the Interest Account, (ii) second, to the Principal Account of the Bond Fund, the amount by which the aggregate amount of principal to be paid to Bondholders on such succeeding Business Day exceeds the balance then on deposit in the Principal Account, and (iii) third, to the Redemption Account of the Bond Fund for payment of sinking fund payments, the amount by which the aggregate Redemption Price to be paid to Bondholders on such succeeding Business Day exceeds the balance then on deposit in the Redemption Account. On or before November 10 of each Fiscal Year, commencing November 10, 2008, the Trustee shall deliver a Reserve Payment Certificate (computed as of the immediately preceding last Business Day of October of such Fiscal Year) to the Collecting Officer, the Commissioner of Finance and the Depository Bank in accordance with Section 202(f) of the State Aid Trust Agreement.

(d) All earnings on amounts held in the Debt Service Reserve Fund, shall, (y) if prior to the completion of the Series 2008 Project, be transferred to the Project Fund and applied to the payment of Project Costs, or (z) if after the completion of the Series 2008 Project, be transferred to the Interest Account of the Bond Fund.

(e) The prior written consent of the Bond Insurer shall be a condition precedent to the deposit of any credit instrument in the Debt Service Reserve Fund in lieu of the deposit of moneys in such Fund.

**Section 5.6. Application of Bond Fund.**

(a) The Trustee shall (i) on each Interest Payment Date on the Bonds pay or cause to be paid out of the Interest Account in the Bond Fund the interest due on the Bonds, and (ii) further pay out of the Interest Account of the Bond Fund any amounts required for the payment of accrued interest upon any redemption of Bonds.

(b) The Trustee shall on each principal payment date on the Bonds pay or cause to be paid to the respective Paying Agents therefor out of the Principal Account of the Bond Fund, the principal amount, if any, due on the Bonds, upon the presentation and surrender

of the requisite Bonds (such presentation and surrender not being required if Cede & Co. is the Holder of the Bonds).

(c) Amounts in the Redemption Account of the Bond Fund shall be applied, at the written direction of the City, as promptly as practicable, to the purchase of Bonds of a Series as directed by the City at prices not exceeding the Redemption Price thereof applicable on the earliest date upon such Series of Bonds are next subject to optional redemption, plus in each case accrued interest to the date of redemption (accrued interest on such Bonds being payable out of the Interest Account of the Bond Fund). Any Bonds purchased in lieu of a mandatory redemption shall be surrendered to the Trustee for cancellation. Any amount in the Redemption Account not so applied to the purchase of Bonds by forty-five (45) days prior to the next date on which the Bonds are so redeemable shall be applied to the redemption of Bonds on such redemption date; provided that if such amount aggregates less than \$5,000, it need not be then applied to such redemption. Any amounts deposited in the Redemption Account and not applied within twelve (12) months of their date of deposit to the purchase or redemption of Bonds (except if held in accordance with Section 10.1 hereof) shall be transferred to the Interest Account. The Bonds to be purchased or redeemed shall be selected by the Trustee in the manner provided in Section 6.2 hereof. Amounts in the Redemption Account to be applied to the redemption of Bonds shall be paid to the respective Paying Agents on or before the redemption date and applied by them on such redemption date to the payment of the Redemption Price of the Bonds being redeemed plus interest on such Bonds accrued to the redemption date (accrued interest on such Bonds being payable from the Interest Account of the Bond Fund).

(d) Moneys in the Redemption Account of the Bond Fund which are not set aside or deposited for the redemption or purchase of Bonds shall be transferred by the Trustee to the Interest Account or the Principal Account of the Bond Fund, as directed by an Authorized Representative of the City.

#### **Section 5.7. Investment of Funds and Accounts.**

(a) Amounts in the Bond Fund, the Debt Service Reserve Fund, the Project Fund and the Rebate Fund, may, if and to the extent then permitted by law, be invested only in Qualified Investments; provided, that, Qualified Investments in the Debt Service Reserve Fund shall not have a maturity date greater than ten (10) years from the date of the making of such investment unless such Qualified Investment may be put at par at any time at the option of the holder for the purposes required or permitted pursuant to the Indenture. Any investment herein authorized is subject to the condition that no portion of the proceeds derived from the sale of the Bonds shall be used, directly or indirectly, in such manner as to cause any Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code. Such investments shall be made by the Trustee only at the written request of an Authorized Representative of the City. Any investment hereunder shall be made in accordance with the Tax Compliance Certificate, and the City shall so certify to the Trustee with each such investment direction as referred to below. Such investments shall mature in such amounts and at such times as may be necessary to provide funds when needed to make payments from the applicable Fund. Net income or gain received and collected from such investments shall (y) in the case of the Project Fund or the Bond Fund, be credited and losses charged to such Fund, as applicable, and (z) in the case of the Debt

Service Reserve Fund, be credited and losses charged to such Fund, subject, however, to Section 5.5(d) hereof.

(b) Upon timely request of an Authorized Representative of the City, the Trustee shall notify the City ten (10) days prior to each Base Installment Purchase Payment Date under the Installment Sale Agreement of the amount of such net investment income or gain received and collected subsequent to the last such installment purchase payment and the amount then available in the Project Fund and in each Account of the Bond Fund.

(c) Upon the written direction of an Authorized Representative of the City, the Trustee shall sell at the best price reasonably obtainable, or present for redemption or exchange, any obligations in which moneys shall have been invested to the extent necessary to provide cash in the respective Funds or Accounts, to make any payments required to be made therefrom, or to facilitate the transfers of moneys or securities between various Funds and Accounts as may be required from time to time pursuant to the provisions of this Article. The Trustee shall not be liable for any losses incurred as a result of actions taken in good faith in accordance with this Section 5.7(c). As soon as practicable after any such sale, redemption or exchange, the Trustee shall give notice thereof to the Agency and the City.

(d) In the case of the Debt Service Reserve Fund, a "surplus" means the amount by which the amount on deposit therein is in excess of the Debt Service Reserve Fund Requirement. On the last Business Day of October of each year commencing October, 2008 and upon any withdrawal from the Debt Service Reserve Fund, the Trustee shall determine the amount on deposit in the Debt Service Reserve Fund. If on any such date a deficiency exists, the Trustee shall notify the City and the SCSD of such deficiency and that such deficiency must be replenished by the City and/or the SCSD as required by Section 4.1(b) of the Installment Sale Agreement. If a surplus exists, the Trustee shall notify the City and the SCSD thereof and, subject to the requirements of the Tax Compliance Certificate, shall promptly transfer an amount equal to such surplus to the Project Fund until the completion of the Project and thereafter shall transfer such amount to the Interest Account of the Bond Fund.

(e) In computing the amount in any Fund or Account, obligations purchased as an investment of moneys therein shall be valued at fair market value as determined by the Trustee on the last Business Day of each October.

The fair market value of Qualified Investments shall be determined as follows:

(1) as to investments the bid and asked prices of which are published on a regular basis in *The Wall Street Journal* (or, if not there, then in *The New York Times*), the average bid and asked prices for such investments so published on or most recently prior to such time of determination;

(2) as to investments the bid and asked prices of which are not published on a regular basis in *The Wall Street Journal* or *The New York Times*, the average bid price at such nationally recognized government securities dealers (selected by the Trustee in its absolute discretion) at the time making a market in such investments or as quoted in the Interactive Data Service; and

(3) as to certificates of deposit and bankers acceptances and other investments, the face amount thereof, plus accrued interest.

If more than one provision of this definition of "fair market value" shall apply at any time to any particular investment, the fair market value thereof at such time shall be determined in accordance with the provision establishing the lowest value for such investment.

(f) Neither the Trustee nor the Agency shall be liable for any loss arising from, or any depreciation in the value of any obligations in which moneys of the Funds and Accounts shall be invested. The investments authorized by this Section 5.7 shall at all times be subject to the provisions of applicable law, as amended from time to time.

**Section 5.8. Moneys to Be Held in Trust.** All moneys required to be deposited with or paid to the Trustee for the credit of any Fund or Account under any provision of this Indenture (excluding the Rebate Fund) and all investments made therewith shall be held by the Trustee in trust for the benefit of the Bondholders and while held by the Trustee constitute part of the Trust Estate, and be subject to the lien hereof. Moneys held by the Depository Bank under the State Aid Trust Agreement are not part of the Trust Estate unless and until the same are transferred to the Trustee for deposit in the Bond Fund or the Debt Service Reserve Fund in accordance with the State Aid Trust Agreement. Moneys held by the Trustee in the Rebate Fund are not part of the Trust Estate nor subject to the lien hereof.

**Section 5.9. Repayment to the City for Benefit of SCSD from the Funds.** After payment in full of the Bonds (in accordance with Section 10.1 hereof) and the payment of all fees, charges and expenses of the Agency, the Trustee, the Bond Insurer, the Bond Registrar and the Paying Agents and all other amounts required to be paid hereunder and under each of the Security Documents, and the payment of any amounts are required to be rebated to the federal government pursuant to this Indenture and the Tax Compliance Certificate, all amounts remaining in the Project Fund, the Bond Fund and the Debt Service Reserve Fund shall be paid to the City for the benefit of the SCSD upon the expiration or sooner or later termination of the term of the Installment Sale Agreement.

**Section 5.10. Non-presentment of Bonds.** In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, and funds sufficient to pay any such Bond shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, all liability of the Agency to the Holder thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to pay such funds to the Person entitled thereto or if the Person is not known to the Trustee, to hold such funds, without liability for interest thereon, for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond. Funds remaining with the Trustee as above and unclaimed for the earlier of two (2) years or the applicable statutory escheat period shall be paid to the City for the benefit of the SCSD. After the payment of such unclaimed moneys to the City, the Holder of such Bond shall thereafter look only to the City for the payment thereof, and all obligations of the Trustee or such Paying Agent with respect to such moneys shall thereupon cease.

**Section 5.11. Payments into Rebate Fund; Application of Rebate Fund.**

(a) The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Bondholder or any other Person.

(b) The Trustee, following the receipt of a certificate of written direction from an Authorized Representative of the City pursuant to the Tax Compliance Certificate, shall deposit in the Rebate Fund that amount from the Project Fund or the Debt Service Reserve Fund, to the extent available, as shall be so specified in such certificate of written direction as necessary to satisfy the requirements of the Tax Compliance Certificate.

(c) In the event that the amount on deposit in the Rebate Fund exceeds the Rebate Amount as determined in accordance with the Tax Compliance Certificate, the Trustee, upon the receipt of written instructions from an Authorized Representative of the City, shall withdraw such excess amount and deposit it (i) to the Debt Service Reserve Fund to the extent of any deficiency therein, or (ii) to the Interest Account of the Bond Fund, as the City shall determine.

(d) The Trustee, upon the receipt of written instructions from an Authorized Representative of the City, shall pay to the United States, out of amounts in the Rebate Fund, (i) not less frequently than once each five (5) years after the date of original issuance of each Series of the Bonds, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to 90% of the Rebate Amount with respect to such Series of Bonds as of the date of such payment and (ii) notwithstanding the provisions of Section 10.1 hereof, not later than thirty (30) days after the date on which all Bonds have been paid in full, one hundred percent (100%) of the Rebate Amount as of the date of payment.

(e) The Trustee shall have no obligation under this Indenture to transfer any amounts to the Rebate Fund unless the Trustee shall have received specific written instructions from an Authorized Representative of the City to make such transfer.

### REDEMPTION OF BONDS

**Section 6.1. Privilege of Redemption and Redemption Price.** Bonds or portions thereof subject to redemption prior to maturity shall be redeemable, upon mailed notice as provided in this Article, at the times, at the Redemption Prices and upon such terms in addition to and consistent with the terms contained in this Article as shall be specified in Section 2.3 of this Indenture and in said Bonds.

**Section 6.2. Selection of Bonds to Be Redeemed.** In the event of redemption of less than all the Outstanding Bonds of the same Series and maturity for which there is more than one registered Bond, the particular Bonds or portions thereof to be redeemed shall be selected by the Trustee in such manner as the Trustee in its discretion may deem fair. In the event of redemption of less than all the Outstanding Bonds of the same Series stated to mature on different dates, the principal amount of such Series of Bonds to be redeemed shall be applied in such order of maturity as shall be directed by an Authorized Representative of the City delivered to the Trustee, or, in the absence of any such direction, inverse order of maturity of the Outstanding Series of Bonds to be redeemed and randomly within a maturity; provided, however, that in the case of any redemption of Series 2008A Bonds in accordance with Section 2.3(b) hereof, the Authorized Representative of the City shall select Series 2008A Bonds to be redeemed only (x) in inverse order of maturity, (y) proportionately to each Outstanding maturity of the Series 2008A Bonds, or (z) in such other order as the Bond Insurer shall consent in writing. If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Bond shall forthwith surrender such Bond to the Trustee for (a) payment to such Holder of the Redemption Price of the unit or units of principal amount called for redemption and (b) delivery to such Holder of a new Bond or Bonds of such Series in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of the same Series and maturity representing the unredeemed balance of the principal amount of such Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Bond of a denomination greater than a unit shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

**Section 6.3. Notice of Redemption.** When redemption of any Bonds is requested or required pursuant to this Indenture, the Trustee shall give notice of such redemption in the name of the Agency, specifying the name of the Series, CUSIP number, Bond numbers, the date of original issue of such Series, the date of mailing of the notice of redemption, maturities, interest rates and principal amounts of the Bonds or portions thereof to be redeemed, the redemption date, the Redemption Price, and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at the Trustee) and specifying the principal amounts of the Bonds or portions thereof to be payable and, if less than all of the Bonds of any maturity are to be redeemed, the numbers of such Bonds or portions thereof to be so redeemed. Such notice shall further state that on such date there shall

become due and payable upon each Bond or portion thereof to be redeemed the Redemption Price thereof together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice may set forth any additional information relating to such redemption. The Trustee, in the name and on behalf of the Agency, (i) shall mail a copy of such notice by first class mail, postage prepaid, not more than sixty (60) nor less than thirty (30) days prior to the date fixed for redemption, to the registered owners of any Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registration books, but any defect in such notice shall not affect the validity of the proceedings for the redemption of such Series of Bonds with respect to which proper mailing was effected; and (ii) cause notice of such redemption to be sent to at least two (2) of the national information services that disseminate redemption notices. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. In the event of a postal strike, the Trustee shall give notice by other appropriate means selected by the Trustee in its discretion.

If notice of redemption shall have been given as aforesaid, the Bonds of such Series called for redemption shall become due and payable on the redemption date, provided, however, that with respect to any optional redemption of the Bonds of a Series, such notice may state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on the Bonds of such Series to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Agency shall not be required to redeem the Bonds of such Series. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of the Bonds of such Series so called for redemption at the place or places of payment, such Series of Bonds shall be redeemed.

#### **Section 6.4. Payment of Redeemed Bonds.**

(a) Notice having been given in the manner provided in Section 6.3 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption dates so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date. If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Paying Agents so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date, (i) interest on the Bonds or portions thereof so called for redemption shall cease to accrue and become payable, (ii) the Bonds or portions thereof so called for redemption shall cease to be entitled to any lien, benefit or security under this Indenture, and (iii) the Holders of the Bonds or portions thereof so called for redemption shall have no rights in respect thereof, except to receive payment of the Redemption Price together with interest accrued to the redemption date. If said moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

(b) Payment of the Redemption Price plus interest accrued to the redemption date shall be made to or upon the order of the registered owner only upon presentation of such Bonds for cancellation and exchange as provided in Section 6.5 hereof; provided, however, that any Holder of at least \$1,000,000 in aggregate principal amount of Bonds may, by written request to the Trustee, direct that payments of Redemption Price and accrued interest to the date of redemption be made by wire transfer as soon as practicable in federal funds at such wire transfer address as the owner shall specify to the Trustee in such written request.

**Section 6.5. Cancellation of Redeemed Bonds.**

(a) All Bonds redeemed in full under the provisions of this Article, or purchased in lieu of mandatory redemption, shall forthwith be cancelled and destroyed and no Bonds shall be executed, authenticated or issued hereunder in exchange or substitution therefor, or for or in respect of any paid portion of a Bond.

(b) If there shall be drawn for redemption less than all of a Bond, as described in Section 6.2 hereof, the Agency shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, a Bond or Bonds of like Series and maturity in any of the authorized denominations.

**Section 6.6 No Partial Redemption After Default.** Anything in this Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default hereunder, there shall be no redemption of less than all of the Bonds Outstanding other than a redemption pursuant to Section 2.3(b) hereof unless there shall have been delivered to the Trustee an opinion of Nationally Recognized Bond Counsel that the failure to redeem Bonds to the extent of proceeds described in Section 2.3(b) hereof shall not have an adverse effect on the tax-exempt status of interest on the Series 2008A Bonds.

## ARTICLE VII

### PARTICULAR COVENANTS

**Section 7.1. Agency's Obligations Not to Create a Pecuniary Liability.** Each and every covenant herein made, including all covenants made in the various sections of this Article VII, is predicated upon the condition that any obligation for the payment of money incurred by the Agency shall not create a debt of the State nor the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Agency other than those pledged therefor but shall be payable by the Agency solely from the Installment Purchase Payments pledged to the payment thereof in the manner and to the extent in this Indenture specified and nothing in the Bonds, in the Installment Sale Agreement, in this Indenture or in any other Project Document shall be considered as pledging any other funds or assets of the Agency.

**Section 7.2. Payment of Principal and Interest.** The Agency covenants that it will from the sources herein contemplated promptly pay or cause to be paid the principal of and interest on the Bonds, and the Redemption Price, if any, together with interest accrued thereon to the date of redemption, at the place, on the dates and in the manner provided in this Indenture and in the Bonds according to the true intent and meaning thereof. All covenants, stipulations, promises, agreements and obligations of the Agency contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, director, employee or agent thereof in his individual capacity, and no resort shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or the Redemption Price, if any, together with interest accrued thereon to the date of redemption or for any claim based thereon or hereunder against any such member, officer, director, employee or agent or against any natural person executing the Bonds. Neither the Bonds, the principal thereof, the interest thereon, nor the Redemption Price thereof, if any, together with interest accrued thereon to the date of redemption, shall ever constitute a debt of the State or of the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Agency other than those pledged therefor. The Agency shall not be required under this Indenture or the Installment Sale Agreement or any other Security Document to expend any of its funds other than (i) the proceeds of the Bonds, (ii) the Installment Purchase Payments pledged to the payment of the Bonds, and (iii) any income or gains therefrom.

**Section 7.3. Performance of Covenants; Authority.** The Agency covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings pertaining thereto. The Agency covenants that it is duly authorized under the Constitution and laws of the State, including particularly and without limitation the IDA Act and the Syracuse Schools Act, to issue the Bonds authorized hereby and to execute this Indenture, to sell its interest in the Facilities pursuant to the Installment Sale Agreement, to assign the Installment Sale Agreement and to pledge the Installment Purchase Payments hereby pledged in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly

and effectively taken; and that the Bonds in the hands of the Holders thereof are and will be the valid and enforceable special obligations of the Agency according to the import thereof.

**Section 7.4. Books and Records; Certificate as to Defaults.** The Agency and the Trustee each covenants and agrees that, so long as any of the Bonds shall remain Outstanding, proper books of record and account will be kept showing complete and correct entries of all transactions relating to the Series 2008 Project and the Facilities, and that the School Parties and the Holders of any of the Bonds shall have the right at all reasonable times to inspect all records, accounts and data relating thereto. In this regard, so long as the Installment Sale Agreement is in full force and effect, records furnished by the Agency, the School Parties to, or kept by, the Trustee in connection with its duties as such shall be deemed to be in compliance with the Agency's obligations under this Section 7.4. Within thirty (30) days after receiving the certificate from School Parties as provided in Section 7.16(a) of the Installment Sale Agreement, the Trustee shall render to the Agency and the City a statement that moneys received by the Trustee pursuant to the Installment Sale Agreement were applied by it to the payment of the principal or Redemption Price, if any, of, and interest on the Bonds, at the place, on the dates and in the manner provided in this Indenture and that the Trustee has no knowledge of any defaults under this Indenture or the Installment Sale Agreement or any other Security Document or specifying the particulars of such known defaults which may exist.

**Section 7.5. The Installment Sale Agreement.** It is understood and agreed that the Agency's interest in the Facilities has been sold to the City and the SCSD under the Installment Sale Agreement. An executed copy of the Installment Sale Agreement will be on file in the office of the Agency and in the principal corporate trust office of the Trustee. Reference is hereby made to the Installment Sale Agreement for a detailed statement of the terms and conditions thereof and for a statement of the rights and obligations of the parties thereunder. All covenants and obligations of the School Parties under the Installment Sale Agreement shall be enforceable either by the Agency or by the Trustee, to whom, in its own name or in the name of the Agency, is hereby granted the right, to the extent provided therefor in this Section 7.5 and subject to the provisions of Section 9.2 hereof, to enforce all rights of the Agency and all obligations of the School Parties under the Installment Sale Agreement, whether or not the Agency is enforcing such rights and obligations. The Trustee shall take such action in respect of any matter as is provided to be taken by it in the Installment Sale Agreement upon compliance or noncompliance by the School Parties and the Agency to the same.

**Section 7.6. Creation of Liens; Indebtedness; Sale of Facilities.** Except to the extent contemplated in the last paragraph of Section 5.4 hereof with respect to the issuance of Project Bonds under a Series Indenture other than this Indenture, the Agency shall not create or suffer to be created, or incur or issue any evidences of indebtedness secured by, any lien or charge upon or pledge of the Trust Estate, except the lien, charge and pledge created by this Indenture and the Installment Sale Agreement. The Agency further covenants and agrees not to sell (except pursuant to the Installment Sale Agreement), convey, transfer, lease, mortgage or encumber the real property constituting part of the Facilities or any of them or any part of such real property, except as specifically permitted under this Indenture and the Installment Sale Agreement, so long as any of the Bonds are Outstanding. The Agency shall have no pecuniary liability for its covenants set forth in this Indenture, including under this Section 7.6.

**Section 7.7. Instruments of Further Assurance.** The Agency covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such Supplemental Indentures and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all and singular the property described herein, subject to the liens, pledge and security interests of this Indenture and the Installment Purchase Payments pledged hereby to the payment of the principal or Redemption Price, if any, of, and interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien, pledge and security interest hereof shall ipso facto, and without any further conveyance, assignment or act on the part of the Agency or the Trustee, become and be subject to the liens, pledge and security interests of this Indenture as fully and completely as though specifically described herein and therein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Agency heretofore made by this Section 7.7.

**Section 7.8. Recording and Filing.** The Pledge and Assignment shall be recorded and filed by the Agency in the appropriate office of the Clerk of Onondaga County, New York or in such other office as may be at the time provided by law as the proper place for the recordation thereof. The security interest of the Trustee created by this Indenture in the property, rights and interests herein and therein described, shall be perfected by the filing by the Agency in the office of the Secretary of State of the State in the City of Albany, New York, and in the office of such Clerk, of financing statements which fully comply with the New York State Uniform Commercial Code-Secured Transactions. This Indenture and the Pledge and Assignment shall be re-recorded, re-filed and re-indexed at the written direction of the City whenever in the Opinion of Counsel such action is necessary to preserve the lien and security interest hereof; and in addition, such financing or continuation statements as in the Opinion of Counsel become necessary to preserve the lien and security interest of this Indenture shall be filed by the Trustee at the written direction of the City in said office of the Secretary of State and in the office of such Clerk. Any such re-recordings, re-indexings, filings or re-filings shall be prepared by the City and accompanied with any fees or requisite charges.

The Agency and the Trustee mutually covenant and agree to take such action (including, as applicable, the filing of all New York State Uniform Commercial Code-Secured Transactions financing statements and continuation statements thereof) in accordance with the aforesaid direction of the City as shall be necessary from time to time to preserve the priority of the pledge by the Indenture of the Trust Estate under applicable law. Any action taken by the Agency under this Section 7.8 shall be taken only upon the request of the Trustee and at no cost to the Agency.

All costs (including reasonable attorneys' fees) incurred in connection with the effecting of the requirements specified in this Section shall be paid by the City and/or the SCSD.

**Section 7.9. Records Held by the Trustee.** Upon reasonable written request, the Trustee shall make available to the School Parties for its inspection during normal business hours, its records with respect to the Series 2008 Project and the Facilities.

**Section 7.10. Agency Tax Covenant.** The Agency covenants that it shall not take any action within its control, nor refrain from taking any action reasonably requested by the School Parties or the Trustee, which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes; provided, however, the breach of this covenant shall not result in any pecuniary liability of the Agency and the only remedy to which the Agency shall be subject shall be specific performance.

**Section 7.11. Annual Report of Trustee.** Within thirty (30) days after the end of each calendar year, the Trustee shall deliver to the Agency a statement of the payment status of the Bonds effective as of February 28 of the calendar year just ended, which statement shall include the then current principal balance of the Bonds, the interest rate accruing thereon, an amortization schedule for the repayment of the balance of the Bonds and such other information as the Agency may reasonably require.

**Section 7.12. Rights of the Bond Insurer.** The Agency and the Trustee hereby agree for the benefit of the Bond Insurer, that:

(a) to the extent the Bond Insurer makes payments under the Bond Insurance Policy on account of the principal or Redemption Price of, Sinking Fund Installments for, or interest on Series 2008A Bonds, the Bond Insurer will be subrogated to the rights of the Holders of the Series 2008A Bonds to receive the amount so paid, solely from the sources provided therefor in the Indenture,

(b) a notice that is required by the Indenture or any other of the Security Documents to be given to the Holders of the Series 2008A Bonds, shall also be given to the Bond Insurer,

(c) any provision of the Indenture or any other Security Document expressly recognizing or granting rights in or to the Bond Insurer may not be amended in any manner which affects the rights or remedies of the Bond Insurer hereunder or thereunder without the prior written consent of the Bond Insurer,

(d) if the consent, approval or direction of the Holders of the Series 2008A Bonds shall be required in connection with any action to be taken under the Indenture or under any other Security Document, then, for so long as no Bond Insurer Disqualification Event shall exist, the Bond Insurer shall be entitled to deliver such consent, approval or direction on behalf of the Holders of the Series 2008A Bonds (except in connection with those matters referred to in Section 8.11 (with respect to waivers of any default in payment), Section 11.3(a)(i), (ii), (iii), (iv) or (v) hereof, or in Section 12.2(i) or (ii) hereof, with respect to which the consent of one hundred percent (100%) of the Holders of the Series 2008A Bonds, together with the consent of the Bond Insurer, shall be required), *provided, however*, that if a Bond Insurer Disqualification Event shall exist, the Bond Insurer shall nevertheless be able to exercise the rights of the Series 2008A Bonds which it owns (whether by subrogation or otherwise),

(e) if the consent, approval or direction of the Bond Insurer shall be required on its own behalf (as distinguished from a consent, approval or direction on behalf of the

Holders of the Series 2008A Bonds) in connection with any action to be taken under the Indenture or under any other Security Document, the consent, approval or direction of the Bond Insurer shall not be required for so long as a Bond Insurer Disqualification Event shall exist,

(f) to the extent that the principal or Redemption Price of, Sinking Fund Installments for, or interest on the Series 2008A Bonds shall be paid by the Bond Insurer pursuant to the Bond Insurance Policy, that portion of the Series 2008A Bonds so paid shall remain Outstanding for all purposes and not be considered defeased or otherwise satisfied and paid, and the Bond Insurer shall be deemed to be the Holder of the Series 2008A Bonds to the extent so paid,

(g) if the Bond Insurance Policy shall no longer be in effect, and all amounts owed to the Bond Insurer shall have been paid in full, all approvals, directions or consents of the Bond Insurer required under the Security Documents shall instead be delivered by the Holders of a majority in aggregate principal amount of the Series 2008A Bonds Outstanding,

(h) for so long as no Bond Insurer Disqualification Event shall exist, the Bond Insurer shall be deemed to be the sole Holder of the Series 2008A Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or talking any other action that the Holders of the Series 2008A Bonds are entitled to take pursuant to this Indenture and the Related Security Documents pertaining to defaults and remedies or otherwise under Articles IX, XI and XII of the Indenture (subject in all events to the provisions of paragraph (iv) above),

(i) the rights granted to the Bond Insurer under the Indenture or any Related Security Document to request, consent to or direct any action are rights granted to the Bond Insurer in consideration of its issuance of the Bond Insurance Policy; any exercise by the Bond Insurer of such rights is merely an exercise of the Bond Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit or on behalf of the Holders of the Series 2008A Bonds nor does such action evidence any position of the Bond Insurer, positive or negative, as to whether Bondholder consent is required in addition to consent of the Bond Insurer,

(j) amounts paid by the Bond Insurer under the Bond Insurance Policy shall not be deemed paid for purposes of the Indenture and shall remain Outstanding and continue to be due and owing until paid by the Agency in accordance with the Indenture, and

(k) no contract shall be entered into nor any action taken by which the rights of the Bond Insurer or security for or sources of payment of the Series 2008A Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Bond Insurer.

**Section 7.13. Actions by the Trustee.** In the event a Bond Insurer Disqualification Event shall exist, the Trustee shall proceed to protect and enforce its rights and the rights of the

1

Holders of the Series 2008A Bonds under the Bond Insurance Policy by such suits, actions or special proceedings in equity or at law, as the Trustee shall deem necessary and appropriate (subject, however, to the provisions of Section 9.2 hereof).

## ARTICLE VIII

### EVENTS OF DEFAULT; REMEDIES OF BONDHOLDERS

#### Section 8.1. Events of Default; No Acceleration of Due Date.

(a) Each of the following events is hereby defined as and shall constitute an "Event of Default":

(1) Failure to duly and punctually pay the interest on any Bond when the same shall become due and payable;

(2) Failure to duly and punctually pay the principal or redemption premium, if any, of any Bonds, when the same shall become due and payable, whether at the stated maturity thereof or upon proceedings for redemption thereof or otherwise, or interest accrued thereon to the date of redemption after notice of redemption therefor or otherwise;

(3) Failure of the Agency to observe or perform any covenant, condition or agreement in the Bonds or hereunder on its part to be performed (except as set forth in Section 8.1(a)(1) or (2) hereof) and (A) continuance of such failure for a period of thirty (30) days after receipt by the Agency and the School Parties of written notice specifying the nature of such default from the Trustee, the Bond Insurer or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, or (B) if by reason of the nature of such default the same can be remedied, but not within the said thirty (30) days, the Agency or the School Parties fail to proceed with reasonable diligence after receipt of said notice to cure the same or fails to continue with reasonable diligence its efforts to cure the same; provided, however, that unless the Bond Insurer shall consent in writing to a longer period, it shall constitute an Event of Default under this paragraph (3) if such failure shall not be remedied within sixty (60) days after receipt by the Agency and the School Parties of the above written notice; and

(4) The occurrence of an "Event of Default" under Section 8.1(c) of the Installment Sale Agreement.

(b) In no event shall the principal of any Bond be declared due and payable in advance of its final stated maturity, anything in this Indenture or in any of the Bonds contained to the contrary notwithstanding.

(c) In determining whether any event constitutes an Event of Default under clauses (1) or (2) of Section 8.1(a) above, no effect shall be given to payments made under the Bond Insurance Policy.

## **Section 8.2. Enforcement of Remedies.**

(a) Subject to Section 8.1(a) hereof, upon the occurrence and continuance of any Event of Default, then and in every case the Trustee may proceed (with the prior written consent of the Bond Insurer), and, upon the written request of the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding (with the prior written consent of the Bond Insurer) or the written direction of the Bond Insurer, shall proceed, to protect and enforce its rights and the rights of the Bondholders under the IDA Act, the Syracuse Schools Act, the Bonds, the Installment Sale Agreement, this Indenture and under any other Security Document forthwith by such suits, actions or special proceedings in equity (including mandamus) or at law, or by proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in this Indenture or in any other Security Document or in aid of the execution of any power granted in this Indenture or in any other Security Document or in the IDA Act or the Syracuse Schools Act or for the enforcement of any legal or equitable rights or remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights or to perform any of its duties under this Indenture or under any other Security Document. In addition to any rights or remedies available to the Trustee hereunder or elsewhere, upon the occurrence and continuance of an Event of Default the Trustee may take such action, without notice or demand, as it deems advisable, to the extent permitted by law.

(b) In the enforcement of any right or remedy under this Indenture, under any other Security Document, under the IDA Act or under the Syracuse Schools Act, the Trustee shall be entitled to sue for, enforce payment on and receive any or all amounts then or during any default becoming, and any time remaining, due from the Agency, for principal, interest, Redemption Price, or otherwise, under any of the provisions of this Indenture, of any other Security Document or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in the Bonds, together with any and all costs and expenses of collection and of all proceedings under this Indenture, under any such other Security Document and under the Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce judgment or decree against the Agency, but solely as provided in this Indenture and in the Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys in the Bond Fund and other moneys available therefor to the extent provided in this Indenture) in any manner provided by law, the moneys adjudged or decreed to be payable. The Trustee shall file proof of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Bondholders allowed in any judicial proceedings relative to the School Parties or the Agency or their creditors or property.

(c) Regardless of the occurrence of an Event of Default, the Trustee, if requested in writing by the Bond Insurer or the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding (with the consent of the Bond Insurer), and in each case furnished with reasonable security and indemnity, shall institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under this Indenture or under any other Security Document by any acts which may be unlawful or in violation of this Indenture or of such other Security Document or of any resolution authorizing any Bonds, and such suits and proceedings

as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders; provided, that such request shall not be otherwise than in accordance with the provisions of law and of this Indenture and shall not be unduly prejudicial to the interests of the Holders of the Bonds not making such request.

### **Section 8.3. Application of Revenues and Other Moneys After Default.**

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article or under any other Security Document shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, be deposited in the Bond Fund and all moneys so deposited and available for payment of the Bonds shall be applied, subject to Section 9.4 hereof, as follows:

*First:* To the payment to the Persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege; and

*Second:* To the payment to the Persons entitled thereto of the unpaid principal or Redemption Price, if any, of any of the Bonds or principal installments which shall have become due (other than Bonds or principal installments called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds, at the rate or rates expressed thereon, from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full Bonds or principal installments due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

After payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, the funds realized following the occurrence of an Event of Default shall be applied *first*, as provided in paragraph First and Second of this Section 8.3(a), *second*, to replenish any deficiency in the Debt Service Reserve Fund, *third*, to pay any amounts which the School Parties are required to rebate to the federal government pursuant to the Indenture and the Tax Compliance Certificate, *fourth*, to satisfy any obligation of the SCSD under Section 4.3 of the Installment Sale Agreement, *fifth*, to satisfy any obligation of the JSCB and the SCSD under Section 5.5 of the Installment Sale Agreement, and *sixth*, to satisfy any other obligations of the School Parties under the Installment Sale Agreement. Nothing contained in this Section 8.3 shall be deemed to modify the application of State Aid Revenues pursuant to Section 5.4 hereof.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the

likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such written notice to all Bondholders promptly upon receipt of the deposit with it of any such moneys of such deposit and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

**Section 8.4. Actions by Trustee.** All rights of actions under this Indenture, under any other Security Document or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 8.3 hereof, be for the equal benefit of the Holders of the Outstanding Bonds.

**Section 8.5. Bond Insurer or Majority Bondholders Control Proceedings.** The Bond Insurer, or, if a Bond Insurer Disqualification Event shall exist, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

**Section 8.6. Individual Bondholder Action Restricted.**

(a) No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provisions of this Indenture or of any other Security Document or the execution of any trust under this Indenture or for any remedy under this Indenture or under any other Security Document, unless such Holder shall have previously given to the Trustee written notice of the occurrence of an Event of Default as provided in this Article, and the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity either to exercise the powers granted in this Indenture or in such other Security Document or by the IDA Act or the Syracuse Schools Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his, its or their action to affect, disturb or prejudice the pledge created by this Indenture, or to enforce any right under this Indenture except in the manner herein provided; and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner provided in this Indenture and, subject to the provisions of Sections 8.3 and 8.5 hereof, be for the equal benefit of all Holders of the Outstanding Bonds, to the extent permitted by law.

(b) Nothing in this Indenture, in any other Security Document or in the Bonds contained shall affect or impair the right of any Bondholder to payment of the principal or Redemption Price, if applicable, of, and interest on any Bond at and after the maturity thereof, or the obligation of the Agency to pay the principal or Redemption Price, if applicable, of, and interest on each of the Bonds to the respective Holders thereof at the time, place, from the source and in the manner herein and in said Bonds expressed.

**Section 8.7. Effect of Discontinuance of Proceedings.** In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case, the Agency, the Bond Insurer, the Trustee and the Bondholders shall be restored, respectively, to their former positions and rights hereunder, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

**Section 8.8. Remedies Not Exclusive.** No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the Holders of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under this Indenture or now or hereafter existing at law or in equity or by statute.

**Section 8.9. Delay or Omission.** No delay or omission of the Trustee, of the Bond Insurer or of any Holder of the Bonds to exercise any right or power arising upon any default shall impair any right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Article to the Trustee, the Bond Insurer and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient by the Trustee, by the Bond Insurer or by the Bondholders.

**Section 8.10. Notice of Default.** The Trustee shall promptly mail to the Agency, to registered Holders of Bonds, to the Bond Insurer, and to the School Parties by registered or certified mail, postage prepaid, return receipt requested, written notice of the occurrence of any Event of Default. The Trustee shall not, however, be subject to any liability to any Bondholder by reason of its failure to mail any notice required by this Section.

**Section 8.11. Waivers of Default.** The Trustee shall waive any default hereunder and its consequences only upon the written request of the Bond Insurer, or, if a Bond Insurer Disqualification Event shall exist, the Holders of at least a majority in aggregate principal amount of all the Bonds then Outstanding; provided, however, that there shall not be waived without the consent of the Holders of all the Bonds Outstanding (a) any default in the payment of the principal of any Outstanding Bonds at the date specified therein or (b) any default in the payment when due of the interest on any such Bonds, unless, prior to such waiver, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest in respect of which such default shall have occurred, and all arrears of payment of principal when due, as the case may be, and all expenses of the Trustee and reasonable legal fees and expenses in connection with such default shall have been paid or provided for, and in case of any such waiver, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then and in every such case the Agency, the Bond Insurer, the Trustee and the

Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other default, or impair any right consequent thereon.

**ARTICLE IX**  
**TRUSTEE AND PAYING AGENTS**

**Section 9.1. Appointment and Acceptance of Duties.**

(a) Manufacturers and Traders Trust Company, Buffalo, New York, is hereby appointed as Trustee. The Trustee shall signify its acceptance of the duties and obligations of the Trustee hereunder and under each Security Document by executing this Indenture and agrees to perform said trusts as a corporate trustee ordinarily would under a corporate mortgage subject to the express terms and conditions herein. All provisions of this Article IX shall be construed as extending to and including all the rights, duties and obligations imposed upon the Trustee under the Installment Sale Agreement and under any other Security Document to which it shall be a party as fully for all intents and purposes as if this Article IX were contained in the Installment Sale Agreement and each such other Security Document.

(b) Manufacturers and Traders Trust Company, Buffalo, New York, is hereby appointed as Paying Agent for the Bonds. The Agency may also from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 9.9 hereof for the appointment of a successor Paying Agent. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Agency, and in the case of all Paying Agents other than the Trustee, to the Trustee a written acceptance thereof. The principal offices of the Paying Agents are designated as the respective offices or agencies of the Agency for the payment of the principal or Redemption Price, if any, of, and interest on the Bonds.

**Section 9.2. Indemnity.** The Trustee shall be under no obligation to institute any suit, or to take any remedial action under this Indenture or under any other Security Document or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers under this Indenture, or under any other Security Document, until it shall be indemnified to its satisfaction against any and all reasonable compensation for services, costs and expenses, outlays, and counsel fees and other disbursements, and against all liability not due to its willful misconduct, unlawful conduct or gross negligence.

**Section 9.3. Responsibilities of Trustee.**

(a) The Trustee shall have no responsibility in respect of the validity or sufficiency of this Indenture or of any other Security Document or the security provided hereunder or thereunder or the due execution of this Indenture by the Agency, or the due execution of any other Security Document by any party (other than the Trustee) thereto, or in respect of any interest in or the value of the Facilities, or in respect of the validity of the Bonds authenticated and delivered by the Trustee in accordance with this Indenture or to see to the recording or filing of this Indenture or any other document or instrument whatsoever except as otherwise provided in Section 7.8 hereof. The recitals, statements and representations contained in this Indenture and in the Bonds shall be taken and be construed as made by and on the part of the Agency and not by the Trustee, and the Trustee does not assume any responsibility for the

correctness of the same; provided, however, that the Trustee shall be responsible for its representation contained in its certificate on the Bonds.

(b) The Trustee shall not be liable or responsible because of the failure of the Agency to perform any act required of it by this Indenture or because of the loss of any moneys arising through the insolvency or the act or default or omission of any depository other than itself in which such moneys shall have been deposited under this Indenture or the Tax Compliance Certificate. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, invested, withdrawn or transferred in accordance with this Indenture or the Tax Compliance Certificate or for any loss resulting from any such investment. The Trustee shall not be liable in connection with the performance of its duties under the Installment Sale Agreement, under this Indenture or the Tax Compliance Certificate or under any other Security Document except for its own willful misconduct or gross negligence. The immunities and exemptions from liability of the Trustee shall extend to its directors, officers, employees, agents and servants and persons under the Trustee's control or supervision.

(c) The Trustee, prior to the occurrence of an Event of Default and after curing of all Events of Default which may have occurred, if any, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise as a prudent man would exercise under the circumstances in the conduct of his own affairs. The Trustee shall not be charged with knowledge of the occurrence of an Event of Default unless, (i) the Trustee has not received payment of any amount required to be remitted to the Trustee under the Installment Sale Agreement or any other Security Document, (ii) an officer in the corporate trust department of the Trustee has actual knowledge thereof, or (iii) a Responsible Officer of the Trustee has received written notice thereof from the City and/or the SCSD, the Bond Insurer, the Agency or any Bondholder.

(d) The Trustee shall execute all instruments required by it by Section 7.8 hereof at the expense of the SCSD.

(e) The Trustee shall prepare and deliver to the Depository Bank each certificate required of the Trustee pursuant to Sections 202(e) and 202(f) of the State Aid Trust Agreement. The Trustee shall otherwise comply with and perform its obligations under the State Aid Trust Agreement.

(f) The Trustee shall on the same date as it shall render the statement required of it by Section 7.4 of this Indenture, make annual reports to the Agency, the Bond Insurer and the School Parties of all moneys received and expended during the preceding year by it under this Indenture and of any Event of Default known to it under the Installment Sale Agreement or this Indenture or under any other Security Document.

(g) In performing its duties and obligations under the Tax Compliance Certificate, the Trustee shall not be required to make any payment of a Rebate Amount or any transfer of funds or take any other action required to be taken thereunder except upon the receipt

of a written certificate of direction of an Authorized Representative of the City delivered to the Trustee in accordance with the terms of the Tax Compliance Certificate. Notwithstanding any provision of the Tax Compliance Certificate or any other Security Document, nothing in the Tax Compliance Certificate, either expressed or implied, shall be deemed to impose upon the Trustee any responsibility for the legal sufficiency of the Tax Compliance Certificate to effect compliance with the Code.

**Section 9.4. Compensation.** The Trustee, the Bond Registrar and the Paying Agents shall be entitled to receive and collect from the City and/or the SCSD as provided in the Installment Sale Agreement payment or reimbursement for reasonable fees for all services rendered hereunder and under each other Security Document and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee, the Bond Registrar or the Paying Agents in connection therewith. Upon and following an Event of Default, but only while there remains an Event of Default that has not been cured or waived, the Trustee, the Bond Registrar and the Paying Agents shall have a first right of payment prior to payment on account of the principal of or interest on any Bonds, upon the revenues (but not including any amounts derived from the Bond Insurance Policy or held by the Trustee under Sections 5.4, 10.1 or 13.2 hereof) for the foregoing advances, fees, costs and expenses incurred.

**Section 9.5. Evidence on Which Trustee May Act.**

(a) In case at any time it shall be necessary or desirable for the Trustee to make any investigation respecting any fact preparatory to taking or not taking any action, or doing or not doing anything, as such Trustee, and in any case in which this Indenture provides for permitting or taking any action, it may rely upon any certificate required or permitted to be filed with it under the provisions of this Indenture, and any such certificate shall be evidence of such fact to protect it in any action that it may or may not take, or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact.

(b) The Trustee may conclusively rely and shall be fully protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Indenture (except for the Trustee's own willful misconduct, unlawful conduct or gross negligence), upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person, or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or, at the sole cost and expense of the City and/or the SCSD, and upon the written opinion of any attorney (who may be an attorney for the Agency or an employee of the City and/or the SCSD), engineer, appraiser, architect or accountant believed by the Trustee to be qualified in relation to the subject matter.

**Section 9.6. Trustee and Paying Agents May Deal in Bonds.** Any national banking association, bank or trust company acting as a Trustee or Paying Agent, and its directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the Bonds, and may join in any action which any Bondholder may be entitled to take with like effect as if such association, bank or trust company were not such Trustee or Paying Agent.

**Section 9.7. Resignation or Removal of Trustee.** The Trustee may resign and thereby become discharged from the trusts created under this Indenture for any reason by giving written notice by first class mail, postage prepaid, to the Agency, to the Bond Insurer, to the School Parties and to the Holders of all Bonds not less than sixty (60) days before such resignation is to take effect, but such resignation shall not take effect until the appointment and acceptance thereof of a successor Trustee pursuant to Section 9.8 hereof.

The Trustee may be removed at any time by an instrument or concurrent instruments in writing filed with the Trustee and signed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized. Such removal shall become effective either upon the appointment and acceptance of such appointment by a successor Trustee or at the date specified in the instrument of removal. The Trustee shall promptly give notice of such filing to the Agency, the Bond Insurer and the School Parties. No removal shall take effect until the appointment and acceptance thereof of a successor Trustee pursuant to Section 9.8 hereof.

**Section 9.8. Successor Trustee.**

(a) If at any time the Trustee shall resign or shall be removed effective prior to the appointment and acceptance of a successor Trustee, be dissolved or otherwise become incapable of acting or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator thereof, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of Trustee shall thereupon become vacant. If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason or if the Trustee shall resign, the School Parties shall cooperate with the Agency and the Agency shall appoint a successor Trustee and shall use its best efforts to obtain acceptance of such trust by the successor Trustee within sixty (60) days from such vacancy or notice of resignation. Within twenty (20) days after such appointment and acceptance, the Agency shall notify in writing the School Parties, the Bond Insurer and the Holders of all Bonds.

(b) In the event of any such vacancy or resignation and if a successor Trustee shall not have been appointed within sixty (60) days of such vacancy or notice of resignation, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding, by an instrument or concurrent instruments in writing, signed by such Bondholders or their attorneys-in-fact thereunto duly authorized and filed with the Agency, may appoint a successor Trustee which shall, immediately upon its acceptance of such trusts, and without further act, supersede the predecessor Trustee. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section 9.8, within 120 days of such vacancy or notice of resignation, the Holder of any Bond then Outstanding, the Agency or any retiring Trustee or the School Parties may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

(c) Any Trustee appointed under this Section shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States authorized to exercise corporate trust powers under the laws of the State and authorized by

law and its charter to perform all the duties imposed upon it by this Indenture and each other Security Document. At the time of its appointment, any successor Trustee shall (y) have a capital stock and surplus aggregating not less than \$100,000,000, and (z) have an investment grade rating (y) if the Bonds are rated by Moody's, of at least "Baa3" or "P-3" or be otherwise acceptable to Moody's, and (z) if the Bonds are rated by S&P, of at least "BBB-" or "A-3" or be otherwise acceptable to S&P. Any entity acting as successor Trustee shall also act as Depository Bank under the State Aid Trust Agreement.

(d) Every successor Trustee shall execute, acknowledge and deliver to its predecessor, and also to the Agency, an instrument in writing accepting such appointment, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers and trusts, and subject to all the duties and obligations, of its predecessor, with like effect as if originally named as such Trustee; but such predecessor shall, nevertheless, on the written request of its successor or of the Agency, and upon payment of the compensation, expenses, charges and other disbursements of such predecessor which are due and payable pursuant to Section 9.4 hereof, execute and deliver an instrument transferring to such successor Trustee all the estate, properties, rights, immunities, powers and trusts of such predecessor; and every predecessor Trustee shall deliver all property and moneys, together with a full accounting thereof, held by it under this Indenture to its successor. Should any instrument in writing from the Agency be required by any successor Trustee for more fully and certainly vesting in such Trustee the estate, properties, rights, immunities, powers and trusts vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall, on request, be executed, acknowledged and delivered by the Agency. Any successor Trustee shall promptly notify other Notice Parties of its appointment as Trustee.

(e) Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States and shall be authorized by law and its charter to perform all the duties imposed upon it by this Indenture and each other Security Document shall be the successor to such Trustee without the execution or filing of any paper or the performance of any further act.

#### **Section 9.9. Resignation or Removal of Paying Agent; Successor.**

(a) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least sixty (60) days' prior written notice to the other Notice Parties. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by the Agency. Any successor Paying Agent shall be appointed by the Agency, with the approval of the Trustee, and shall be a commercial bank or trust company duly organized under the laws of any state of the United States or a national banking association, having a capital stock and surplus aggregating at least \$40,000,000, having an investment grade rating (y) if the Bonds are rated by Moody's of at least "Baa3" or "P-3" or be otherwise acceptable to Moody's, and (z) if the Bonds are rated by S&P, of at least "BBB-" or "A-3" or be otherwise acceptable to S&P, and willing and able to accept the office on

reasonable and customary terms and authorized by law and its charter to perform all the duties imposed upon it by this Indenture.

(b) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

**Section 9.10. Appointment of Co-Trustee.**

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or under any other Security Document, and in particular in case of the enforcement of any such documents on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional institution as a separate trustee or co-trustee at the expense of the City and the SCSD. The following provisions of this Section are adapted to these ends.

(b) In the event that the Trustee appoints an additional institution as a separate trustee or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate trustee or co-trustee but only to the extent necessary to enable such separate trustee or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate trustee or co-trustee shall run to and be enforceable by either of them. Such co-trustee may be removed by the Trustee at any time, with or without cause.

(c) Should any instrument in writing from the Agency be required by the separate trustee or co-trustee so appointed or removed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Agency. In case any separate trustee or co-trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

**Section 9.11. Approvals or Consents by Trustee.** The Trustee shall grant no approval, request or consent under the Security Documents except at the direction of the Bond Insurer, or, if a Bond Insurer Disqualification Event shall exist, the Holders of a majority in aggregate principal amount of the Bonds Outstanding.

**Section 9.12. Notice to Rating Agencies.** The Trustee shall provide the rating agencies, if the Bonds should be rated, with written notice, if possible, in advance or, if impossible, promptly following, the effective date of (i) the appointment of any successor Trustee, (ii) any amendments to the Security Documents, or (iii) the redemption in whole or other payment in full of the Bonds. The Trustee agrees to inform the rating agencies of the above as a matter of courtesy and accommodation. However, the Trustee shall have no liability or obligation to the rating agencies or to any other Person in the event that it should fail to furnish any such information.

**Section 9.13. Notice to the Bond Insurer.** The Trustee shall provide to the Bond Insurer:

(a) Notice of any draw upon the Debt Service Reserve Fund within two (2) Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Debt Service Reserve Fund Requirement and (ii) withdrawals in connection with a refunding of Series 2008A Bonds;

(b) Notice of any default known to the Trustee within five (5) Business Days after knowledge thereof;

(c) Prior notice of the advance refunding or redemption of any of the Series 2008A Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(d) Notice of the resignation or removal of the Trustee and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;

(e) Notice of the commencement of any proceeding by or against the Agency or any School Party commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "*Insolvency Proceeding*");

(f) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Series 2008A Bonds;

(g) A full original transcript of all proceedings relating to the execution of any amendment or supplement to any Security Document; and

(h) All reports, notices and correspondence to be delivered to Holders of the Series 2008A Bonds under the terms of the Security Documents.

**Section 9.14. Trustee to Disregard Bond Insurance Policy.** In determining whether any amendment, consent or other action to be taken, or any failure to take action, under the Indenture or any other Security Document would adversely affect the security for the Series 2008A Bonds or the rights of the Holders of the Series 2008A Bonds, the Trustee shall consider the effect of any such amendment, consent, action or inaction as if there were no Bond Insurance Policy.

## ARTICLE X

### DISCHARGE OF INDENTURE

#### Section 10.1. Defeasance.

(a) If the Agency shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds the principal or Redemption Price, if applicable, of, interest and all other amounts due or to become due thereon or in respect thereof, at the times and in the manner stipulated therein and in this Indenture, and all fees and expenses and other amounts due and payable under this Indenture and the Installment Sale Agreement, all amounts due or to become due to the Bond Insurer, and any other amounts required to be rebated to the federal government pursuant to the Tax Compliance Certificate or this Indenture, shall be paid in full or duly provided for, then the pledge of the Installment Purchase Payments under this Indenture and the estate and rights hereby granted, and all covenants, agreements and other obligations of the Agency to the Bondholders hereunder shall thereupon cease, terminate and become void and be discharged and satisfied and the Bonds shall thereupon cease to be entitled to any lien, benefit or security hereunder, except as to moneys or securities held by the Trustee or the Paying Agents as provided below in this subsection. At the time of such cessation, termination, discharge and satisfaction, the Trustee and the Paying Agents shall pay over or deliver to the City for the benefit of the SCSD or on its order all moneys or securities held by them pursuant to this Indenture which are not required (i) for the payment of principal or Redemption Price, if applicable, or interest on Bonds not theretofore surrendered for such payment or redemption, (ii) for the payment of all such other amounts due or to become due under the Security Documents or (iii) for the payment of any amounts to the federal government under the Tax Compliance Certificate or this Indenture.

(b) Bonds or interest installments for the payment or redemption of which moneys (and/or Defeasance Obligations which shall not be subject to call or redemption or prepayment prior to maturity and the full and timely payment of the principal of and interest on which when due, together with the moneys, if any, set aside at the same time, will provide funds sufficient for such payment or redemption) shall then be set aside and held in trust by the Trustee or Paying Agents, whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section, if (i) in case any such Bonds are to be redeemed prior to the maturity thereof, all action necessary to redeem such Bonds shall have been taken and notice of such redemption shall have been duly given or provision satisfactory under the requirements of this Indenture to the Trustee shall have been made for the giving of such notice, and (ii) if the maturity or redemption date of any such Bond shall not then have arrived, provision shall have been made by deposit with the Trustee or other methods satisfactory to the Trustee for the payment to the Holders of any such Bonds upon surrender thereof of the full amount to which they would be entitled by way of principal or Redemption Price and interest and all other amounts then due under the Security Documents to the date of such maturity or redemption, and provision satisfactory to the Trustee shall have been made for the mailing of a notice to the Holders of such Bonds that such moneys are so available for such payment.

(c) Prior to any defeasance becoming effective as provided in Section 10.1(b) above, there shall have been delivered to the Agency and to the Trustee (A) an opinion of Nationally Recognized Bond Counsel addressed to, and acceptable in form and substance to, the Agency and the Trustee and, in the case of the Series 2008A Bonds, to the Bond Insurer, to the effect that interest on any Bonds being discharged by such defeasance will not become subject to federal income taxation by reason of such defeasance, and that the Bonds being defeased are no longer "Outstanding" under the Indenture, (B) a verification report from an independent certified public accountant or firm of independent certified public accountants or other recognized consultant or verification agent (in each case reasonably acceptable to the Agency and to the Trustee and, in the case of the Series 2008A Bonds, to the Bond Insurer) to the effect that the moneys and/or Defeasance Obligations are sufficient, without reinvestment, to pay the principal of, interest on, and redemption premium, if any, of the Bonds to be defeased on the maturity or redemption date, as applicable, (C) an escrow deposit agreement (reasonably acceptable to the Agency and the Trustee and, in the case of the Series 2008A Bonds, to the Bond Insurer), and (D) a certificate of discharge of the Trustee with respect to the Bonds being defeased. In the case of a defeasance in whole or in part of the Series 2008A Bonds, the Bond Insurer shall be provided with final drafts of the documentation referred to in this paragraph at least five (5) Business Days prior to the funding of the escrow.

No provision of this Section 10.1, including any defeasance of Bonds, shall limit the rights of the Holder of any Bonds under Sections 3.6, 3.7, 3.9 or 5.4 hereof until such Bonds shall have been paid in full.

## ARTICLE XI

### AMENDMENTS OF INDENTURE

**Section 11.1. Limitation on Modifications.** This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article.

**Section 11.2. Supplemental Indentures Without Bondholders' Consent.**

(a) The Agency and the Trustee may, from time to time and at any time, enter into Supplemental Indentures without consent of the Bondholders, but with the prior written consent of the Bond Insurer, for any of the following purposes:

(1) To cure any formal defect, omission or ambiguity in this Indenture or in any description of property subject to the lien hereof, if such action is not materially adverse to the interests of the Bondholders.

(5) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Indenture, of the Installment Purchase Payments or of any other moneys, securities or funds, or to subject to the lien or pledge of this Indenture additional revenues, properties or collateral.

(6) To modify or amend such provisions of this Indenture as shall, in the opinion of Nationally Recognized Bond Counsel, be necessary to assure the federal tax exemption of the interest on the Bonds.

(7) To authorize the issuance of a Series of Additional Bonds and prescribe the terms, forms and details thereof not inconsistent with this Indenture.

(8) To effect any other change herein which, in the judgment of the Trustee, is not to the material prejudice of the Trustee or the Bondholders.

(9) To effect the delivery of a Credit Facility and/or a Qualified Swap for a Series of Bonds.

(10) To modify, amend or supplement this Indenture or any Supplemental Indenture in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America, and, if they so determine, to add to this Indenture or any Supplemental Indenture such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute.

(11) To permit the appointment of a co-trustee under this Indenture.

(b) Before the Agency and the Trustee shall enter into any Supplemental Indenture pursuant to this Section, there shall have been filed with the Trustee an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Agency in accordance with its terms. Notice of the proposed Supplemental Indenture shall be mailed, postage prepaid, to S&P and Moody's by the Trustee at least ten (10) days prior to the effective date thereof.

**Section 11.3. Supplemental Indentures With Consent of Bondholders and Bond Insurer.**

(a) Subject to the terms and provisions contained in this Article, the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) and the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right from time to time, to consent to and approve the entering into by the Agency and the Trustee of any Supplemental Indenture as shall be deemed necessary or desirable by the Agency for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained herein; provided, however, that if any such Supplemental Indenture would affect only the Holders of a single Series of Bonds then Outstanding, then only the consent of, (y) if such affected Series of Bonds shall be the Series 2008A Bonds, the Bond Insurer, or, if a Bond Insurer Disqualification Event shall exist, the Holders of a majority in aggregate principal amount of the Series 2008A Bonds Outstanding shall be required, or (z) if such affected Series of Bonds shall *not* be the Series 2008A Bonds, the Holders of a majority in aggregate principal amount of the Bonds Outstanding of such affected Series shall be required. Nothing herein contained shall permit, or be construed as permitting, (i) a change in the times, amounts or currency of payment of the principal of, redemption premium, if any, or interest on any Outstanding Bonds, a change in the terms of redemption or maturity of the principal of or the interest on any Outstanding Bonds, or a reduction in the principal amount of or the Redemption Price of any Outstanding Bond or the rate of interest thereon, or any extension of the time of payment thereof, or a change in the method of determining the rate of interest on any Bond, without the consent of the Holder of such Bond, (ii) the creation of a lien upon or pledge of Installment Purchase Payments other than the liens or pledge created by this Indenture, except as provided in this Indenture with respect to Additional Bonds, (iii) a preference or priority of any

Bond or Bonds over any other Bond or Bonds, (iv) a reduction in the aggregate principal amount of Bonds required for consent to such Supplemental Indenture, or (v) a modification, amendment or deletion with respect to any of the terms set forth in this Section 11.3(a), without, in the case of items (ii) through and including (v) of this Section 11.3(a), the written consents of the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) and of one hundred percent (100%) of the Holders of the Outstanding Bonds.

(b) If at any time the Agency shall determine to enter into any Supplemental Indenture for any of the purposes of this Section, it shall cause notice of the proposed Supplemental Indenture to be mailed, postage prepaid, to S&P, Moody's, the Bond Insurer and all Bondholders at least ten (10) days prior to the effective date thereof. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture, and shall state that a copy thereof is on file at the offices of the Trustee for inspection by the Bond Insurer and all Bondholders.

(c) Within one year after the date of such notice, the Agency and the Trustee may enter into such Supplemental Indenture in substantially the form described in such notice only if there shall have first been filed with the Trustee (i) the written consents of the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) and the Holders of not less than a majority or 100%, as the case may be, in aggregate principal amount of the Bonds then Outstanding (or, if such Supplemental Indenture shall affect only a single Series of Bonds, (y) and the affected Series of Bonds shall be the Series 2008A Bonds, the Bond Insurer, or if a Bond Insurer Disqualification Event shall exist, the written consents of the Holders of a majority in aggregate principal amount of the Series 2008A Bonds Outstanding and (z) the affected Series of Bonds shall *not* be the Series 2008A Bonds, the written consents of the Holders of not less than a majority in aggregate principal amount of such affected Series of Bonds Outstanding) and (ii) an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Agency in accordance with its terms. Each valid consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given. A certificate or certificates by the Trustee that it has examined such proof and that such proof is sufficient in accordance with this Indenture shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the Holder of the Bonds giving such consent and upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing such revocation with the Trustee prior to the execution of such Supplemental Indenture.

(d) If the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) and the Holders of not less than the percentage of Bonds required by this Section shall have consented to and approved the execution thereof as herein provided, no Holder of any Bond shall have any right to object to the execution of such Supplemental Indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Agency from executing the same or from taking any action pursuant to the provisions thereof.

(e) Upon the execution of any Supplemental Indenture pursuant to the provisions of this Section, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Agency, the Trustee and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced under this Indenture, subject in all respects to such modifications and amendments.

**Section 11.4. Supplemental Indenture Part of this Indenture.** Any Supplemental Indenture executed in accordance with the provisions of this Article shall thereafter form a part of this Indenture and all the terms and conditions contained in any such Supplemental Indenture as to any provisions authorized to be contained therein shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes. The Trustee shall execute any Supplemental Indenture entered into in accordance with the provisions of Sections 11.2 or 11.3 hereof.

**Section 11.5. Rights of School Parties.** Anything herein to the contrary notwithstanding, any Supplemental Indenture which materially and adversely affects any rights, powers and authority of the School Parties under the Installment Sale Agreement or requires a revision of the Installment Sale Agreement shall not become effective unless and until the School Parties shall have given their written consent to such Supplemental Indenture signed by an Authorized Representative of each of the School Parties.

**Section 11.6. Consent of Bond Insurer.** Notwithstanding any other provisions of this Article XI, for so long as no Bond Insurer Disqualification Event shall exist, the consent of the Holders of the Series 2008A Bonds shall for all purposes of this Indenture be deemed to have been obtained when the consent of the Bond Insurer is obtained, except in those cases where approval of all Holders of the Series 2008A Bonds is required herein, in which case the consents of both the Holders of the Series 2008A Bonds and, for so long as no Bond Insurer Disqualification Event shall exist, the Bond Insurer, shall be required.

## ARTICLE XII

### AMENDMENTS OF RELATED SECURITY DOCUMENTS

**Section 12.1. Amendments of Related Security Documents Not Requiring Consent of Bondholders.** Subject to Section 12.2 hereof, the Agency and the Trustee may, without the consent of or notice to the Bondholders, but with the prior written consent of the Bond Insurer, consent to any amendment, change or modification of any of the Related Security Documents for any of the following purposes: (i) to cure any ambiguity, inconsistency, formal defect or omission therein; (ii) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may be lawfully granted or conferred; (iii) to subject thereto additional revenues, properties or collateral; (iv) to provide for the issuance of a Series of Additional Bonds; (v) to evidence the succession of a successor Trustee or to evidence the appointment of a separate or co-Trustee or the succession of a successor separate or co-Trustee; (vi) to make any change required in connection with a permitted amendment to a Related Security Document or a permitted Supplemental Indenture; and (vii) to make any other change that, in the judgment of the Trustee (which, in exercising such judgment, may conclusively rely, and shall be protected in relying, in good faith, upon an Opinion of Counsel or an opinion or report of accountants or other experts) does not materially adversely affect the Bondholders. The Trustee shall have no liability to any Bondholder or any other Person for any action taken by it in good faith pursuant to this Section. Before the Agency or the Trustee shall enter into or consent to any amendment, change or modification to any of the Related Security Documents, there shall be filed with the Trustee an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change or modification will not adversely affect the exclusion from federal income taxation of interest on any Series of Bonds Outstanding. Notice of the propose amendment, change or modification to any of the Related Security Documents shall be mailed, postage prepaid, to S&P and Moody's by the Trustee at least ten (10) days prior to the effective date thereof.

**Section 12.2. Amendments of Related Security Documents Requiring Consent of the Bondholders and the Bond Insurer.** Except as provided in Section 12.1 hereof, the Agency and the Trustee shall not consent to any amendment, change or modification of any of the Related Security Documents, without mailing of notice and the written approval or consent of the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) and the Holders of a majority in aggregate principal amount of the Bonds Outstanding given and procured as in Section 11.03 hereof set forth (or, if such amendment, change or modification shall only affect one Series of Bonds, and (y) the Series 2008A Bonds shall be the affected Series, the consent of the Bond Insurer, or, if a Bond Insurer Disqualification Event shall exist, the consent of the Holders of a majority in aggregate principal amount of the Series 2008A Bonds Outstanding, or (z) the Series 2008A Bonds shall not be the affected Series, the consent of the Holders of not less than a majority in aggregate principal amount of the affected Series of Bonds Outstanding); provided, however, there shall be no amendment, change or modification to (i) the obligation of the SCSD and the City to make Installment Purchase Payments under the Installment Sale Agreement (except as provided therein or in connection with the issuance of a Series of Additional Bonds), without the prior written approval of the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) *and* the Holders of one hundred percent

(100%) in aggregate principal amount of the Bonds at the time Outstanding given and procured as in Section 11.03 hereof provided (or, if such amendment, change or modification shall affect only one Series of Bonds, and (y) the Series 2008A Bonds shall be the affected Series, the consent of the Bond Insurer if a Bond Insurer Disqualification Event shall not exist, and the Holders of one hundred percent (100%) in aggregate principal amount of the Series 2008A Bonds Outstanding, or (z) the Series 2008A Bonds shall *not* be the affected Series, the consent of the Holders of 100% in aggregate principal amount of the affected Series of Bonds Outstanding), (ii) the obligation of the Bond Insurer to make payments under the Bond Insurance Policy without the prior written approval of the Holders of one hundred percent (100%) in aggregate principal amount of the Series 2008A Bonds Outstanding, or (iii) the Tax Compliance Certificate without the delivery of an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change, modification, reduction or postponement will not cause the interest on such Series of Bonds to become includable in gross income for Federal income tax purposes. If at any time the School Parties shall request the consent of the Trustee to any such proposed amendment, change or modification, the Trustee shall cause notice of such proposed amendment, change or modification to be mailed to the same Persons and in the same manner as is provided in Article XI hereof with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the principal corporate trust office of the Trustee for inspection by the Bond Insurer and all Bondholders. Notice of the proposed amendment, change or modification shall also be mailed, postage prepaid, to S&P and Moody's by the Trustee at least ten (10) days prior to the effective date thereof. Before the Trustee shall enter into or consent to any amendment, change or modification to any of the Related Security Documents, there shall be filed with the Trustee an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change or modification will not adversely affect the exemption from federal income taxation of interest on any Series of Bonds Outstanding.

**Section 12.3. Consents of the Bond Insurer.** Notwithstanding any other provisions of this Article XII, for so long as no Bond Insurer Disqualification Event shall exist, any amendment, change or modification to a Related Security Document which shall require the consent of the Holders of the Series 2008A Bonds shall instead be deemed to require only the prior written consent of the Bond Insurer, except in the cases where approval of all Holders of the Series 2008A Bonds is required herein, in which case the consents of both the Holders of the Series 2008A Bonds and, for so long as no Bond Insurer Disqualification Event shall exist, the Bond Insurer, shall be required.

## ARTICLE XIII

### MISCELLANEOUS

#### **Section 13.1. Evidence of Signature of Bondholders and Ownership of Bonds.**

(a) Any request, consent, revocation of consent, approval, objection or other instrument which this Indenture may require or permit to be signed and executed by the Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by any Bondholder in person or by his duly authorized attorney appointed in writing. Proof of the execution of any such instrument, or of an instrument appointing any such attorney, shall be sufficient for any purpose of this Indenture (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable: the fact and date of the execution by any Bondholder or his attorney of such instruments may be proved by a guarantee of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. For the purposes of the transfer or exchange of any Bond, the fact and date of the execution of the Bondholder or his attorney of the instrument of transfer shall be proved by a guarantee of the signature thereon by a member of an institution which is a participant in the Securities Transfer Agent Medallion Program (STAMP) or other similar program. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of his authority.

(b) The ownership of Bonds and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books.

(c) Except as otherwise provided in Section 11.3 hereof with respect to revocation of a consent, any request or consent by the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the Agency or the Trustee or any Paying Agent in accordance therewith.

**Section 13.2. Moneys Held for Particular Bonds.** The amounts held by the Trustee or Paying Agents for the payment of the principal or Redemption Price, if any, of, and interest due on any date with respect to particular Bonds shall, on and after such date and pending such payment, and subject to any rebate requirements as set forth in the Tax Compliance Certificate or this Indenture, be set aside on its books and held in trust by it for the Holders of the Bonds entitled thereto. Such amounts so held shall be uninvested or, if invested, invested only in Defeasance Obligations, maturing within thirty (30) days.

**Section 13.3. Notices.** Any notice, demand, direction, certificate, Opinion of Counsel, request, instrument or other communication authorized or required by this Indenture to be given

The Agency, the School Parties, the Bond Insurer and the Trustee may, by like notice, designate any further or different addresses to which subsequent notices, demands, directions, certificates, Opinions of Counsel, requests, instruments or other communications hereunder shall be sent. Any notice, demand, direction, certificate, Opinion of Counsel, request, instrument or other communication hereunder shall, except as may expressly be provided herein, be deemed to have been delivered or given as of the date it shall have been mailed.

**Section 13.4. Parties Interested Herein.** Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any Person, other than the Agency, the School Parties, the Bond Insurer, the Trustee, the Paying Agents and the Holders of the Bonds, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation thereof; and all covenants, stipulations, promises and agreements in this Indenture contained by and on behalf of the Agency shall be for the sole and exclusive benefit of the Agency, the School Parties, the Bond Insurer, the Trustee, the Paying Agents and the Holders of the Bonds.

**Section 13.5. Partial Invalidity.** In case any one or more of the provisions of this Indenture or of the Bonds shall for any reason be held to be illegal or invalid, such illegality or

invalidity shall not affect any other provision of this Indenture or of the Bonds, but this Indenture and the Bonds shall be construed and enforced as if such illegal or invalid provision had not been contained therein. In case any covenant, stipulation, obligation or agreement of the Agency contained in the Bonds or in this Indenture shall for any reason be held to be in violation of the law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Agency to the full extent permitted by law.

**Section 13.6. Counterparts.** This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

**Section 13.7. Laws Governing Indenture.** The effect and meaning of this Indenture and the rights of all parties hereunder shall be governed by, and construed according to, the laws of the State.

**Section 13.8. No Pecuniary Liability of Agency or Members.** No provision, covenant or agreement contained in this Indenture or in the Bonds or any obligations herein or therein imposed upon the Agency or the breach thereof, shall constitute or give rise to or impose upon the Agency a pecuniary liability or a charge upon its general credit. In making the agreements, provisions and covenants set forth in this Indenture, the Agency has not obligated itself except with respect to the Facilities and the application of the revenues, income and all other property therefrom, as hereinabove provided.

All covenants, stipulations, promises, agreements and obligations of the Agency contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, employee or agent of the Agency in his individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price, if any, of or interest on the Bonds or for any claim based thereon or hereunder against any member, director, officer, employee or agent of the Agency or any natural person executing the Bonds.

**Section 13.9. Payments Due on Saturdays, Sundays and Holidays.** In any case where any payment date of principal and/or interest on the Bonds, or the date fixed for redemption of any Bonds, shall be a day other than a Business Day, then payment of such principal and/or interest or the Redemption Price, if applicable, need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the principal and/or Interest Payment Date or the date fixed for redemption, as the case may be, except that interest shall continue to accrue on any unpaid principal.

**Section 13.10. Priority of Indenture Over Liens.** This Indenture is given in order to secure funds to pay for costs of the Series 2008 Project and by reason thereof, it is intended that this Indenture shall be superior to any laborers', mechanics' or materialmen's liens which may be placed upon any of the Facilities subsequent to the recordation thereof. In compliance with Section 13 of the Lien Law, the Agency will receive the advances secured by this Indenture and will hold the right to receive such advances as a trust fund to be applied first for the purpose of paying the cost of improvements and that the Agency will apply the same first to the payment of the costs of improvements before using any part of the total of the same for any other purpose.

**Section 13.11. Date for Reference Purposes Only.** The date of this Indenture shall be for reference purposes only and shall not be construed to imply that this Indenture was executed on the date first above written. This Indenture was executed and delivered on the date of original issuance and delivery of the Series 2008A Bonds.

IN WITNESS WHEREOF, City of Syracuse Industrial Development Agency, Syracuse, New York, has caused these presents to be executed in its name and behalf by its Chairman or Vice Chairman, and, to evidence its acceptance of the trust hereby created, Manufacturers and Traders Trust Company has caused these presents to be signed in its name and behalf by an authorized representative and its corporate seal to be hereunto affixed, all as of the day and year first above written.

Sale of the Facilities.** The Agency hereby sells to the City and the SCSD, and the SCSD and the City hereby purchase from the Agency (both sale and purchase to be effective on the Closing Date), the Agency's interest in the existing school buildings and existing school building sites comprising the Facilities and the Equipment in their "as is," "where is" and "subject to all faults condition" and upon and subject to the terms and conditions herein set forth. The SCSD shall at all times during the Agreement Term occupy, maintain, use and operate each of the Facilities, or cause each of the Facilities to be maintained, occupied, used and operated, (a) in the same manner as existing school buildings owned by the City and operated and maintained by the SCSD as of the date hereof and (b) as a "project" in accordance with the provisions of the Syracuse Schools Act and the IDA Act and for the general purposes specified in the recitals to this Agreement. The SCSD shall not occupy, use or operate any of the Facilities or allow any of the Facilities or any part thereof to be occupied, used or operated for any unlawful purpose or in violation of any certificate of occupancy affecting any of the Facilities or which may constitute a nuisance, public or private.

**Section 2.2. Agreement Term.** The Agreement Term shall commence on March \_\_, 2008, and shall expire on midnight (New York City time) on May 1, 20\_\_ (but in no event sooner than the date upon which the Bonds shall cease to be Outstanding and the lien of the Indenture shall have been discharged) or such earlier date as the Bonds shall cease to be Outstanding and all amounts payable by the SCSD and/or the City hereunder have been paid in full. The Agency hereby delivers to the SCSD and the SCSD hereby accepts sole and exclusive possession of the Facilities, subject to the terms and conditions herein set forth. The Agency makes no representations whatsoever in connection with the condition of any of the Facilities, and the Agency shall not be liable for any defects therein.

#### **Section 2.3. Termination of License.**

(a) The Agency's interest in the Facilities shall be conveyed (subject to the terms of the Security Documents) from the Agency to the SCSD and the City upon the date of completion or abandonment of the Series 2008 Project as evidenced by the certificate of the JSCB delivered pursuant to Section 3.1(j) hereof.

(b) The sale and conveyance of the interest in and to the Facilities shall be effected by the delivery by the Agency to the SCSD and the City of the Notice of Termination of License to the SCSD and the City (in substantially the form attached hereto as Exhibit and by this reference made a part hereof) and the Bill of Sale to City and SCSD (in substantially the form attached hereto as Exhibit and by this reference made a part hereof).

(c) The SCSD and the City agree to prepare the Notice of Termination of License and Bill of Sale to City and SCSD and to forward same to the Agency at least thirty (30) days prior to the date that the Facilities or any portion thereof is to be conveyed to the SCSD and the City.

(d) Each of the SCSD and the City hereby agrees to pay all expenses and taxes, if any, applicable to or arising from the transfer contemplated by this Section 2.3.

(e) This Agreement shall survive the transfer of the Agency's interest in the Facilities to the SCSD and the City pursuant to this Section 2.3 and shall remain in full force and effect until all of the principal of, and interest and premium, if any, on the Bonds and all other sums payable by the SCSD and/or the City under the Project Documents shall have been paid in full, and thereafter the obligations of the School Parties shall survive as set forth in Section 4.3 hereof.

(f) Upon the payment in full of all indebtedness under or secured by this Agreement or the other Project Documents, and notwithstanding the survival of certain obligations of the School Parties as described in Section 4.3 hereof, the Agency and the Trustee shall upon the request of the SCSD and the City execute and deliver to the SCSD and the City such documents as the SCSD and the City may reasonably request, in recordable form if so requested, to evidence the termination and release of all Liens granted to the Agency and the Trustee under the Project Documents.

## ARTICLE III

### SERIES 2008 PROJECT AND ISSUANCE OF SERIES 2008A BONDS

#### Section 3.1. The Series 2008 Project.

(a) Pursuant to the License and the Bill of Sale to the Agency, respectively, the City and the SCSD have vested the Agency with a valid license in and to the Facilities and title to the Equipment, which interest and title the Agency is hereby selling to the SCSD, subject to the terms and conditions herein set forth.

(b) As promptly as practicable after receipt of the proceeds of sale of the Series 2008A Bonds and out of said proceeds of sale, the JSCB will proceed as agent for and on behalf of the Agency to effect the construction, rehabilitation, reconstruction, and/or equipping of the Central Tech Project and the completion of the Design Phase, the costs thereof to be paid from the proceeds of sale of the Series 2008A Bonds deposited in the Project Fund established under the Indenture. The JSCB reasonably believes that the Central Tech Project pursuant to the applicable Plans and Specifications will allow for use of each Facility for its intended purposes. The JSCB agrees that it will use its best efforts to cause the Central Tech Project and the Design Phase to be completed as soon as may be practicable, delays incident to strikes, riots, acts of God, the public enemy or any delay beyond its reasonable control only excepted. The City and the SCSD agree that no delay in the completion of the Central Tech Project or the Design Phase shall be the basis for any diminution in or postponement of the amounts payable hereunder by the City and the SCSD. In order to effect management of such work, the JSCB has entered into the Program Manager Agreement and within thirty (30) days after the Closing Date will enter into one or more Construction Contracts for completion of the Central Tech Project in accordance with the applicable Plans and Specifications and construction schedule approved by the City and SCSD. The Program Manager Agreement, each Construction Contract and each other agreement, contract, purchase order or other obligation entered into by the JSCB as agent for the Agency shall expressly provide that the Agency shall have no liability thereunder, except to the extent of proceeds from the sale of the Series 2008A Bonds which may be available therefor. Within thirty (30) days after the Closing Date, the JSCB shall enter into contracts with one or more architects or engineers licensed in the State for completion of the Design Phase. The Agency shall not be liable in any manner for payment or otherwise to any contractor, subcontractor, laborer or supplier of materials in connection with the purchase of any materials to be incorporated into a Facility or Facilities, except to the extent and solely from the proceeds of sale of the Series 2008A Bonds. In the event that moneys in the Project Fund are not sufficient to pay the costs necessary to complete the work with respect to the Central Tech Project or the Design Phase in full, none of the JSCB, the City or the SCSD shall be entitled to any reimbursement therefor from the Agency, the Bond Insurer, the Trustee or the Holders of any of the Series 2008A Bonds, nor shall the City and SCSD be entitled to any diminution of the Installment Purchase Payments or Additional Payments to be made under this Agreement.

(c) As between the Agency and the JSCB, the JSCB, acting specifically as agent for the benefit of the Agency, shall be responsible for the letting and supervision of contracts for the construction, rehabilitation, reconstruction and equipping of a Facility.

acceptance of a completed Facility or parts thereof, and all other matters incidental thereto. All contractors, materialmen, vendors, suppliers and other companies, firms or persons furnishing labor, services, equipment, furnishings or materials for or in connection with the work with respect to a Facility shall be designated by the JSCB, either on its own or as agent for the Agency.

(d) In order to accomplish the purposes of the Agency, and to assure the effectuation of the Series 2008 Project in conformity with the Plans and Specifications, the School Parties have undertaken to proceed with the design of the Central Tech Project, all either on their own or, in the case of the JSCB, as agent for the Agency.

(e) As between the Agency on the one hand, and the School Parties on the other hand, the School Parties shall pay (i) all of the costs and expenses in connection with the preparation of any instruments of conveyance and transfer of an interest in the Facilities to the Agency pursuant to the License and Bill of Sale to Agency, the delivery of any instruments and documents and their filing and recording, if required, (ii) all taxes and charges payable, if any, in connection with such conveyance and transfer, or attributable to periods prior to such conveyance and transfer, and (iii) all expenses or claims incurred in connection with the Series 2008 Project and not funded from the proceeds of sale of the Series 2008A Bonds.

(f) None of the School Parties will terminate the Intermunicipal Agreement or be excused from performing its obligations thereunder for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use of all or any part of any of the Facilities, or the failure of the Agency to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Agreement. The City and the SCSD covenant and agree to continue the Intermunicipal Agreement for its entire term and such additional terms as shall be required to complete the Series 2008 Project. The City and SCSD acknowledge that pursuant to the Syracuse Schools Act, all contracts, agreements and obligations of the JSCB are entered into and made on behalf of the City and the SCSD and in the event that the JSCB shall cease to exist for any reason whatsoever during the term of this Agreement, this Agreement, the Program Manager Agreement and any other contract, agreement or obligation of the JSCB relating to the Facilities shall remain in full force and effect and the City and SCSD shall stand jointly in the place and stead of the JSCB thereunder.

(g) The JSCB covenants that, at all times as it shall be effecting the work of the Series 2008 Project, it will comply with all laws, acts, rules, regulations, permits, orders and requirements lawfully made, of any Federal, State, legislative, executive, administrative or judicial body, commission or office exercising any power of regulation or supervision over such work or over the manner of construction or operation thereof and with the conditions and requirements of all policies of liability insurance as provided in Section 5.5 of this Agreement. Upon completion of the work with respect to a Facility, the JSCB will promptly obtain or cause to be obtained all required occupancy and operation permits, authorizations and licenses from appropriate authorities, if any be required, authorizing the occupancy, operation and use of such

Facility for the purposes contemplated by this Agreement and shall furnish copies of same to the Trustee immediately upon receipt thereof.

(h) The JSCB further covenants that all contracts entered into by the JSCB for the Series 2008 Project in connection with the design, construction, rehabilitation, reconstruction and/or equipping of a Facility shall (i) be made in accordance with applicable law, including, but not limited to, the Syracuse Schools Act; (ii) contain a provision that the design and construction standards therefor shall be subject to the review and approval of the New York State Education Department; and (iii) contain a provision that the contractor shall furnish a labor and material bond guaranteeing prompt payment of moneys that are due to all persons furnishing labor or materials pursuant to the related contract and a performance bond, complying with New York General Municipal Law § 103-f.

(i) The JSCB covenants to cause its contractors, architects, consultants and others with whom it contracts with respect to the design, construction, rehabilitation, reconstruction, and/or equipping of a Facility, to provide liability insurance coverage against all forms of risk which are appropriate, including general and professional liability insurance normally associated with the type and nature of the service, product or combination thereof, contracted to be provided by such contractors, architects, consultants and others, and to name the Agency as an additional insured as its interest may appear. The JSCB shall promptly deliver to the Agency appropriate certificates of insurance evidencing the amount and scope of all liability insurance provided by each contractor, architect, consultant or other person pursuant to a contract with the JSCB with respect to the design, construction, rehabilitation, reconstruction, equipping, operation, maintenance and/or repair or otherwise providing work with respect to a Facility.

(j) Upon the completion or abandonment by the JSCB of the Series 2008 Project or any portion thereof, the JSCB shall deliver a certificate of an Authorized Representative of the JSCB approved by the City Engineer to the Agency and the Trustee to such effect.

(k) The City agrees to keep and make open to public inspection copies of all payment and performance bonds required by the Syracuse Schools Act and Section 3.1(h) hereof.

### **Section 3.2. Project Fund.**

(a) The Agency has in the Indenture authorized and directed the Trustee to make payments from the Project Fund from time to time to pay the cost of the construction, rehabilitation, reconstruction, and/or equipping of a Facility upon receipt of a requisition signed by an Authorized Representative of the JSCB, and approved by the City Engineer, in the form set forth in the Indenture, *provided, however*, that for so long as an Event of Default shall exist, no such requisition shall be honored without the prior written consent of the Bond Insurer.

(b) The date of completion of the work for a Facility shall be evidenced to the Agency and the Trustee by a certificate of the JSCB executed by an Authorized Representative of the JSCB and approved by the City Engineer stating, except for any costs not then due and

payable or the liability for payment of which is being contested or disputed in good faith by the JSCB (i) the date of completion of such work; (ii) that the related Facility has been completed substantially in accordance with the Plans and Specifications and all labor, services, Equipment, materials and supplies used therefor have been paid for; (iii) that all other facilities necessary in connection with such Facility have been completed and all costs and expenses incurred in connection therewith have been paid; (iv) that all property of such Facility is subject to this Agreement; (v) that, in accordance with all applicable laws, regulations, ordinances and guidelines, such Facility has been made ready for occupancy, use and operation for its intended purposes; (vi) the amount, if any, required in his opinion for the payment of any remaining part of the costs with respect to such Facility; and (vii) the amount of the proceeds of the Series 2008A Bonds, including the investment earnings thereon, expended with respect to such Facility. The foregoing certificate shall be accompanied by a certificate executed by an Authorized Representative of the City certifying as to the determination of the Rebate Amount as provided in the Tax Compliance Certificate and the Indenture. Notwithstanding the foregoing, such certificate shall state (x) that it is given without prejudice to any rights of the Agency, the Trustee or the School Parties against third parties which exist at the date of such certificate or which may subsequently come into being, (y) that it is given only for the purposes of this Section and Section 5.2 of the Indenture, and (z) that no Person other than the Agency and the Trustee may benefit therefrom. Such certificate of the Authorized Representative of the JSCB shall be accompanied by (i) a temporary or permanent certificate of occupancy and any and all permissions, approvals, licenses or consents required of governmental authorities for the occupancy, operation and use of the completed Facility for the purposes contemplated by this Agreement and the Syracuse Schools Act; (ii) a certificate of the JSCB executed by an Authorized Representative of the JSCB and approved by the City Engineer that all costs of the completed Facility have been paid in full, together with releases of mechanics' liens by all contractors and materialmen who supplied work, labor, services, machinery, equipment, materials or supplies in connection with such Facility (or, to the extent that any such costs shall be the subject of a bona fide dispute in excess of \$100,000, evidence to the Trustee that such costs have been appropriately bonded or that the JSCB shall have or caused to be posted a surety or security at least equal to the amount of such costs); and (iii) such additional documentation, if any, as required by the Indenture.

**Section 3.3. Cooperation in Furnishing Documents.** The JSCB agrees to furnish to the Trustee any documents that are required to effect payments out of the Project Fund in accordance with Section 3.2 hereof. Such obligation is subject to any provisions of the Indenture requiring additional documentation with respect to such payments and shall not extend beyond the moneys in the Project Fund available for payment under the terms of the Indenture.

**Section 3.4. Default in Contractors' Performance.** In the event of default of any contractor or subcontractor under any contract made in connection with a particular Facility or Facilities, each School Party will exhaust its remedies against the contractor or subcontractor so in default and against each surety for the performance of such contractor. Any amounts recovered by way of damages, refunds, adjustments or otherwise in connection with the foregoing shall be paid into the Project Fund.

**Section 3.5. Issuance of Bonds.** Contemporaneously with the execution and delivery of this Agreement, the Agency will sell and deliver the Series 2008A Bonds in the aggregate

principal amount of \$47,290,000 under and pursuant to a resolution adopted by the Agency on March 4, 2008, authorizing the issuance of the Series 2008A Bonds under and pursuant to the Indenture for the purpose of financing Project Costs of the Central Tech Project and the Design Phase. After the Closing Date, it is contemplated that Additional Bonds will be issued to finance the remaining Project Costs of the Series 2008 Project and for the other purposes set forth in Section 2.7 of the Indenture. It is contemplated that, thereafter, additional Series of Project Bonds may be issued from time to time pursuant to separate Series Indentures to finance the costs of construction, rehabilitation, reconstruction, and/or equipping of Additional Facilities pursuant to Phases II through IV of the Program. That portion of the proceeds of sale of the Bonds deposited in the Project Fund shall be applied to the payment of Project Costs in accordance with the provisions of the Indenture.

**Section 3.6. [Reserved].**

**Section 3.7. Expenses Chargeable to the JSCB.** As between the Agency on the one hand, and the School Parties on the other hand, the School Parties shall pay or cause to be paid all expenses or other costs incurred in connection with the Series 2008 Project, including, but not limited to:

- (a) all charges incurred in connection with the preparation, delivery, filing, recording (if required) or effectuation of any instruments of conveyance or transfer required by this Agreement, the License, Bill of Sale to Agency, the Program Manager Agreement, the Construction Contracts, the Indenture or any other Project Document;
- (b) any closing costs or costs relating to issuance of a Series of Bonds other than those costs referenced in paragraph (i) above;
- (c) all lawful claims which might or could if unpaid become a lien or charge on any of the Facilities;
- (d) all pre-closing and post-closing taxes, assessments or other governmental or utility charges or impositions relating to any of the Facilities;
- (e) the Agency's administrative fee;
- (f) any legal fees or expenses incurred by the Agency or the Trustee in connection with the foregoing items of costs related to the issuance of a Series of Bonds;
- (g) the State bond issuance charge; and
- (h) any other costs incurred by the Agency in carrying out the Series 2008 Project.

**Section 3.8. Additional Facilities.** The Agency and the School Parties recognize that, under the provisions of and subject to the conditions set forth in the related Series Indenture, additional Series of Project Bonds may be issued from time to time pursuant to separate Series Indentures to finance the costs of the construction, rehabilitation, reconstruction, and/or equipping of Additional Facilities.

**Section 3.9. Use of Series 2008A Bond Proceeds.** The School Parties shall use, or permit or suffer to be used, the proceeds of the Series 2008A Bonds only for the purposes and costs permitted therefor under this Agreement, the Indenture and the Tax Compliance Certificate.

**Section 3.10. No Warranty of Condition or Suitability.** THE AGENCY MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, FITNESS, DESIGN, OPERATION OR WORKMANSHIP OF ANY PART OF ANY OF THE FACILITIES, THEIR FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OR CAPACITY OF THE MATERIALS IN THE FACILITIES, OR THE SUITABILITY OF ANY OF THE FACILITIES FOR THE PURPOSES OR NEEDS OF THE SCHOOL PARTIES OR THE EXTENT TO WHICH PROCEEDS DERIVED FROM THE SALE OF THE SERIES 2008A BONDS WILL BE SUFFICIENT TO PAY THE COSTS OF THE SERIES 2008 PROJECT AND COMPLETE THE SERIES 2008 PROJECT. EACH SCHOOL PARTY IS SATISFIED THAT EACH OF THE FACILITIES IS SUITABLE AND FIT FOR ITS PURPOSES. THE AGENCY SHALL NOT BE LIABLE IN ANY MANNER WHATSOEVER TO A SCHOOL PARTY OR ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR EXPENSE OF ANY KIND OR NATURE CAUSED, DIRECTLY OR INDIRECTLY, BY THE PROPERTY OF ANY OF THE FACILITIES OR THE USE OR MAINTENANCE THEREOF OR THE FAILURE OF OPERATION THEREOF, OR THE REPAIR, SERVICE OR ADJUSTMENT THEREOF, OR BY ANY DELAY OR FAILURE TO PROVIDE ANY SUCH MAINTENANCE, REPAIRS, SERVICE OR ADJUSTMENT, OR BY ANY INTERRUPTION OF SERVICE OR LOSS OF USE THEREOF OR FOR ANY LOSS OF BUSINESS HOWSOEVER CAUSED.

## ARTICLE IV

### INSTALLMENT PURCHASE PAYMENTS AND OTHER PAYMENTS

#### Section 4.1. Payment of Installment Purchase Payments.

(a) Subject to Section 4.4 hereof, the City and the SCSD agree to pay or cause to be paid, the Base Installment Purchase Payments for the Facilities in the amounts as set forth in Schedule A attached hereto. Base Installment Purchase Payments must be deposited by or on behalf of the City and the SCSD, as provided in the State Aid Trust Agreement, with the Trustee by no later than each Base Installment Purchase Payment Date; *provided, however*, that there shall be credited against any Base Installment Purchase Payments any amounts available for such purpose and on deposit in the Bond Fund, including any amounts deposited to the Bond Fund pursuant to Section 5.4 of the Indenture and any amounts deposited to the Bond Fund pursuant to Section 4.1(a) of the Indenture (such net amount being the "*Net Base Facilities Agreement Payment*").

(b) Upon receipt by the City and the SCSD of notice from the Trustee pursuant to the Indenture that the amount on deposit in the Debt Service Reserve Fund (including any amounts deposited to the Debt Service Reserve Fund pursuant to Section 5.4 of the Indenture) shall be less than the Debt Service Reserve Requirement, the City and the SCSD shall immediately pay to the Trustee, subject to Section 4.4 hereof, for deposit in the Debt Service Reserve Fund, an amount equal to the deficiency.

(c) The City and SCSD (at the direction of an Authorized Representative of the City) shall have the option to make from time to time prepayments in part of payments due as aforesaid of Base Installment Purchase Payments, together with interest accrued and to accrue and premium, if any, to be paid on the Series 2008A Bonds, if, but only if, such prepayment is to be used for the redemption or defeasance of such Series 2008A Bonds. The Trustee shall apply such prepayments in such manner consistent with the provisions of the Indenture as may be specified in writing by an Authorized Representative of the City at the time of making such prepayment. Upon any such prepayment, the Trustee shall, if necessary, recalculate the schedule of Base Installment Purchase Payments set forth in Schedule A attached hereto in accordance with the Indenture and deliver a revised schedule to the City, the SCSD and the Agency, and such revised schedule shall be deemed to replace the then-existing Schedule A attached hereto.

**Section 4.2. Direction as to Payment of Installment Purchase Payments.** Base Installment Purchase Payments shall be paid to the Trustee for credit to the Bond Fund and Reserve Payments shall be paid to the Trustee for deposit to the Debt Service Reserve Fund to the extent of any deficiency therein.

**Section 4.3. Indemnification of the Agency and Trustee and Limitation on Liability.**

(a) The SCSD shall, to the maximum extent permitted by law, at all times protect, defend and hold the Agency, the Trustee, the Bond Registrar, the Paying Agents and the Depository Bank and their respective officers, members, directors, employees and agents

(collectively, the "*Indemnified Parties*") harmless of, from and against any and all claims (whether in tort, contract or otherwise), demands, expenses and liabilities for losses, damage, injury and liability of every kind and nature and however caused, and taxes (of any kind and by whomsoever imposed), other than, with respect to any Indemnified Party, losses arising from the gross negligence or willful misconduct of such Indemnified Party, arising upon or about any of the Facilities or resulting from, arising out of, or in any way connected with (i) the financing of the costs of the Series 2008 Project and the marketing, remarketing, issuance and sale of the Bonds from time to time for such purpose, (ii) the planning, design, acquisition, site preparation, construction, rehabilitation, equipping, or financing of the Facilities or any part of any thereof or the effecting of any work done in or about any of the Facilities, (iii) title to any Facility or any defects (whether latent or patent) in any of the Facilities, (iv) the maintenance, repair, replacement, restoration, rebuilding, upkeep, use, occupancy, ownership, leasing, subletting or operation of any of the Facilities or any portion thereof, or (v) this Agreement, the Indenture or any other Project Document or other document or instrument delivered in connection herewith or therewith or the enforcement of any of the terms or provisions hereof or thereof or the transactions contemplated hereby or thereby. Such indemnification set forth above shall be binding upon the SCSD for any and all claims, demands, expenses, liabilities and taxes set forth herein and shall survive the termination of this Agreement. Except as provided above, no Indemnified Party shall be liable for any damage or injury to the person or property of any School Party or its officials, members, directors, officers, employees, agents or servants or persons under the control or supervision of any School Party or any other Person who may be about any of the Facilities, due to any act or negligence of any Person other than for the gross negligence or willful misconduct of such Indemnified Party.

(b) Each School Party hereby releases each Indemnified Party from, and agrees, to the maximum extent permitted by law, that no Indemnified Party shall be liable for and the SCSD agrees to defend, indemnify and hold each Indemnified Party harmless against any expense, loss, damage, injury or liability incurred because of any lawsuit commenced as a result of action taken by such Indemnified Party with respect to any of the matters set forth in subdivision (i) through (v) of Section 4.3(a) hereof or at the direction of any School Party with respect to any of such matters above referred to; *provided, however*, that such indemnification by the SCSD shall not extend to any Indemnified Party whose gross negligence or willful misconduct resulted in such expense, loss, damage, injury or liability. An Indemnified Party shall promptly notify the SCSD in writing of any claim or action brought against such Indemnified Party in which indemnity may be sought against the SCSD pursuant to this Section 4.3; such notice shall be given in sufficient time to allow the SCSD to defend or participate in such claim or action, but the failure to give such notice in sufficient time shall not constitute a defense hereunder nor in any way impair the obligations of the SCSD under this Section 4.3, except that if (i) the Indemnified Party shall have had knowledge or notice of such claim or action but shall not have timely notified the SCSD of any such claim or action, (ii) the SCSD shall have had no knowledge or notice of such claim or action, and (iii) the SCSD's ability to defend or participate in such claim or action is materially impaired by reason of not having received timely notice thereof from the Indemnified Party, then the SCSD's obligation to so defend and indemnify such Indemnified Party shall be qualified to the extent (and only to the extent) of such material impairment.

(c) The indemnifications and protections set forth in this Section 4.3 shall be extended, with respect to each Indemnified Party, to its members, directors, officers, employees, agents and servants and persons under its control or supervision.

(d) Anything to the contrary in this Agreement notwithstanding, the covenants of the School Parties contained in this Section 4.3 shall remain in full force and effect after the termination of this Agreement until the later of (i) the expiration of the period stated in the applicable statute of limitations during which a claim or cause of action may be brought and (ii) payment in full or the satisfaction of such claim or cause of action and of all expenses and charges incurred by the Indemnified Party relating to the enforcement of the provisions herein specified.

(e) For the purposes of this Section 4.3, none of the School Parties shall be deemed an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

(f) The obligations of the SCSD to the Indemnified Parties under this Section 4.3 and to the Trustee under Section 4.8 hereof shall survive the resignation or removal of the Trustee and the satisfaction and discharge of the Indenture.

#### **Section 4.4. Nature of Obligations of the City and SCSD.**

(a) Except as hereinafter provided in this Section 4.4, the obligation of the City and SCSD to pay Installment Purchase Payments and Additional Payments shall be absolute and unconditional, and such Installment Purchase Payments and Additional Payments shall be payable without any rights of set-off, recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction it might otherwise have against the Agency, the Trustee, the Bond Insurer, any purchaser of any Bond or any other person, and whether or not the Facilities or any of them are used or occupied by the School Parties or available for use or occupancy by the School Parties.

(b) The obligation of the City and SCSD to pay Installment Purchase Payments shall be deemed executory only to the extent of State Aid Revenues appropriated by the State and available to the City and/or the SCSD for the purpose of this Agreement and the State Aid Trust Agreement, moneys budgeted by the SCSD and appropriated by the City for such purpose and approval by the SCSD of payment thereof after appropriation by the City therefor, and no liability on account thereof shall be incurred by the SCSD or the City beyond the amount of such moneys; *provided, however*, that the failure of the City and the SCSD for any reason (including a failure by the SCSD to budget for Installment Purchase Payments, a failure by the City to approve a budget for the SCSD providing for payment of Installment Purchase Payments or a failure by the State to appropriate State Aid Revenues) to make an Installment Purchase Payment or an Additional Payment shall be deemed a failure to make a payment for purposes of this Agreement and the Syracuse Schools Act, and in such event, the Agency has appointed the Trustee to act as its agent for purposes of taking action under Section 5.4 of the Indenture. Further, the obligation of the SCSD and the City to pay Installment Purchase Payments is not a general obligation of the SCSD or the City. Neither the faith and credit of the City or the SCSD nor the taxing power of the City are pledged to the payment of any Installment Purchase

Payment or Additional Payment due under this Agreement. However, the obligations of the SCSD and the City under this Agreement to pay Additional Payments shall be a general obligation of the City and SCSD, executory, however, only to the extent of moneys budgeted by the SCSD and approved and appropriated therefor by the City. It is understood that neither this Agreement nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make moneys available for the purposes of this Agreement.

(c) The obligations of the City and the SCSD under this Agreement, including its obligation to pay the Installment Purchase Payments and Additional Payments in any Fiscal Year for which this Agreement is in effect, shall constitute a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State. The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due hereunder shall be moneys comprising State Aid Revenues lawfully appropriated by the State and available therefor from time to time to or for the benefit of the SCSD, and approved and appropriated for such purpose by the City.

(d) The SCSD agrees that (i) its proposed expense budget for each ensuing Fiscal Year commencing with the Fiscal Year ending June 30, 2009 shall include, either as a separate item of expenditure or as an expenditure within a budget item, the amount of Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year; and (ii) it shall approve payment of such Installment Purchase Payments and Additional Payments after appropriation by the City therefor. The City agrees that it shall approve a budget for the SCSD containing such item of expenditure or budget item and appropriate sufficient funds each ending Fiscal Year commencing with the Fiscal Year ending June 30, 2009 to make the Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year, *provided, however*, that any such appropriation (y) of Installment Purchase Payments shall only be payable by the City and the SCSD to the extent of State Aid Revenues, and (z) of Additional Payments shall only be payable by the City and the SCSD to the extent contained in the SCSD budget approved by the City.

(e) Subject to the limitations contained in Section 4.4(b) hereof, none of the School Parties will terminate this Agreement (other than such termination as is provided for hereunder) or be excused from performing its obligations hereunder for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use of all or any part of any of the Facilities, or the failure of the Agency to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Agreement.

(f) The School Parties presently intend to continue this Agreement for its entire term, and the City and the SCSD presently intend to pay all Base Installment Purchase Payments specified in Schedule A as such Base Installment Purchase Payments come due under the terms and provisions of this Agreement.

(g) No provision contained in this Section 4.4 shall be deemed to limit, impair or modify the State Aid Revenues intercept provisions of the Syracuse Schools Act or the application of the provisions of Section 5.4 of the Indenture.

(h) For purposes of this Section 4.4, references to the "approval" of the SCSD budget by the City shall include the affirmative approval of the SCSD budget by ordinance of the City's Common Council approved by the Mayor of the City or, in the absence of such an ordinance, the effectiveness by the passage of time of an SCSD budget pursuant to the charter of the City.

**Section 4.5. Directed State Aid Revenues.**

(a) Pursuant to instructions, the Commissioner of Finance of the City and the President of the Board of Education have directed the State Comptroller's Office to deposit all State Aid Revenues into the State Aid Depository Fund established under the State Aid Trust Agreement, and the Commissioner of Finance of the City and the President of the Board of Education have further instructed the Depository Bank, pursuant to the terms and provisions of the State Aid Trust Agreement, to transfer State Aid Revenues to the Trustee and each other Series Trustee in accordance with the State Aid Trust Agreement for the purpose of, in the case of the Indenture, making deposits in the Bond Fund with respect to amounts due on the Bonds and for replenishing deficiencies in the Debt Service Reserve Fund. The City and SCSD agree not to modify the procedures set forth in the State Aid Trust Agreement for the collection, deposit or disbursement of State Aid Revenues, except as and to the extent permitted under the State Aid Trust Agreement.

(b) Each of the City and the SCSD acknowledge that, pursuant to Section 5.4 of the Indenture (and the Syracuse Schools Act), in the event of a failure to make a payment under this Agreement in the amount and by the date the same is due (for any reason, including the failure of the SCSD or the City to budget for, appropriate moneys for such purpose and approve payment thereof with moneys appropriated therefor), the Agency has appointed the Trustee to act as its agent under the Indenture for the purpose of delivering a certificate to the State Comptroller certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall be authorized to withhold from the City and the SCSD such State Aid Revenues as is payable to the City and/or the SCSD to the extent of the amount so stated in such certificate of the Trustee as not having been made, and the State Comptroller shall immediately pay over to the Trustee on behalf of the Agency, the amount of such State Aid Revenues so withheld. Notwithstanding anything to the contrary contained herein, amounts of such State Aid Revenues received by the Trustee on behalf of the Agency and applied to the Installment Purchase Payments or Additional Payments shall be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received.

The City and the SCSD shall further pay to the Agency on the date of issuance of the Series 2008A Bonds and on the date of issuance of any Additional Bonds an amount equal to one-half of one percent (1/2 of 1%) of the principal amount of such Series of Project Bonds.

## ARTICLE V

### **OPERATION AND MAINTENANCE; INSURANCE; DAMAGE; DESTRUCTION AND CONDEMNATION**

**Section 5.1. Operation, Maintenance and Repair.** During the Agreement Term, the SCSD shall be responsible for, and pay all costs of, operating the Facilities, maintaining the same in good and safe condition, and making all necessary repairs and replacements, interior and exterior, structural and non-structural. All replacements, renewals and repairs shall be equal in quality, class and value to the original work and be made and installed in compliance with the requirements of all governmental bodies. The Agency shall be under no obligation to replace, service, test, adjust, erect, maintain or effect replacements, renewals or repairs of any of the Facilities, to effect the replacement of any inadequate, obsolete, worn-out or unsuitable parts of any of the Facilities, or to furnish any utilities or services for any of the Facilities and the SCSD hereby agrees to assume full responsibility therefor.

#### **Section 5.2. Utilities, Taxes and Governmental Charges.**

(a) The SCSD will pay or cause to be paid all charges for water, electricity, light, heat or power, sewage, telephone and other utility service, rendered or supplied upon or in connection with the Facilities during the Agreement Term.

(b) In addition, the SCSD shall (i) pay, or make provision for payment of, all lawful taxes and assessments, including income, profits, property or excise taxes, if any, or other municipal or governmental charges, levied or assessed by any Federal, state or any municipal government upon the Agency, the City or the SCSD with respect to or upon any of the Facilities or any part thereof or upon any payments hereunder when the same shall become due; (ii) duly observe and comply with all valid requirements of any governmental authority relative to the Facilities; (iii) not create or suffer to be created any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon the payments in respect thereof pursuant hereto; and (iv) pay or cause to be discharged or make adequate provision to satisfy and discharge, within sixty (60) days after the same shall come into force, any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon any payments hereunder and all lawful claims or demands for labor, materials, supplies or other charges which, if unpaid, might be or become a lien upon any payments hereunder.

**Section 5.3. Additions, Enlargements and Improvements.** The SCSD shall have the right at any time and from time to time during the Agreement Term, at its own cost and expense, to make such additions, enlargements, improvements and expansions to, or repairs, reconstruction and restorations of, any of the Facilities, as the SCSD shall deem necessary or desirable in connection with the use of such Facilities. All such additions, enlargements, improvements, expansions, repairs, reconstruction and restorations when completed shall be of such character as not to reduce or otherwise adversely affect the value of the related Facility or the rental value thereof. The cost of any such additions, enlargements, improvements, expansions, repairs, reconstruction or restorations shall be promptly paid or discharged so that the affected Facility shall at all times be free of liens for labor and materials supplied thereto.

**Section 5.4. Additional Rights of SCSD.** The Agency agrees that the SCSD shall have the right, option and privilege of erecting, installing and maintaining at its own cost and expense equipment (not constituting part of the Series 2008 Project) in or upon any Facility as may in the SCSD's judgment be necessary for its purposes. It is further understood and agreed that any equipment erected or installed under the provisions of this Section shall be and remain the personal property of the SCSD and, if not constituting part of the Series 2008 Project, shall not become subject to the this Agreement, and may be removed, altered or otherwise changed, upon or before the termination hereof.

**Section 5.5. Liability Insurance.**

(a) The JSCB shall maintain or cause to be maintained with responsible insurers, for the benefit of the Agency and the Trustee until completion of the Series 2008 Project in accordance with Section 3.2(b) hereof, the following kinds and the following amounts of insurance with respect to the Facilities, with such variations as shall reasonably be required to conform to customary insurance practice:

(i) During any period of construction or reconstruction of any of the Facilities, Builders' Special Form Insurance written on "100% builders' risk completed value, non-reporting form" including coverage therein for "completion and/or premises occupancy" and coverage for property damage insurance, all of which insurance shall include coverage for removal of debris, insuring the buildings, structures, facilities, machinery, equipment, fixtures and other property included within reconstruction of any of the Facilities against loss or damage by fire, lightning, vandalism, malicious mischief and other casualties, with standard extended coverage endorsement covering perils of windstorm, hail, explosion, aircraft, vehicles and smoke (except as limited in the standard form of extended coverage endorsement at the time in use in the State) at all times in an amount such that the proceeds of such insurance shall be sufficient to prevent the School Parties, the Agency or the Trustee from becoming a co-insurer of any loss under the insurance policies; any such insurance may limit coverage to \$20,000,000 for any one Facility;

(ii) During any period of construction or reconstruction of any of the Facilities, commercial public liability insurance with respect to the construction activities at the Facilities in a minimum amount of \$[26,000,000] per occurrence and aggregate, which insurance may be effected under overall blanket or excess coverage policies, *provided, however*, that at least \$1,000,000 is effected by a comprehensive liability insurance policy; and

(iii) Workers' compensation insurance and such other forms of insurance which the City, the SCSD or the Agency is required by law to provide covering loss resulting from injury, sickness, disability or death of the employees of any contractor or subcontractor performing work with respect to any of the Facilities included within the Project; the JSCB shall require that all said contractors and subcontractors shall maintain all forms or types of insurance with respect to their employees required by laws.

(b) Prior to the commencement of construction of the Facilities (and in any event on or before March 31, 2008), the JSCB shall deliver or cause to be delivered to the Agency and to the Trustee duplicate copies of insurance policies obtained by the JSCB hereunder and/or binders evidencing compliance with the insurance requirements of this Section 5.5. If any change shall be made in any such insurance, a description and written notice of such change shall be furnished by the JSCB to the Agency and the Trustee thirty (30) days in advance of such change.

(c) At least thirty (30) days prior to the expiration of any insurance policy required under this Section 5.5, the JSCB shall furnish the Agency and the Trustee with evidence that such policy has been renewed or replaced or is no longer required by this Agreement.

(d) All insurance required by Section 5.5(a) above shall be procured and maintained in financially sound and generally recognized responsible insurance companies authorized to write such insurance in the State. Each of the policies or binders evidencing the insurance required above to be obtained shall:

(i) provide that there shall be no recourse against the Agency or the Trustee for the payment of premiums or commissions or (if such policies or binders provide for the payment thereof) additional premiums or assessments;

(ii) provide that in respect of the interests of the Agency and the Trustee in such policies, the insurance shall not be invalidated by any action or inaction of a School Party or any other Person and shall insure the Agency and the Trustee regardless of, and any losses shall be payable notwithstanding, any such action or inaction;

(iii) provide that such insurance shall be primary insurance without any right of contribution from any other insurance carried by the Agency or the Trustee to the extent that such other insurance provides the Agency or the Trustee with contingent and/or excess liability insurance with respect to its interest as such in the Facilities;

(iv) provide that if the insurers cancel such insurance for any reason whatsoever, including the insured's failure to pay any accrued premium, or the same is allowed to lapse or expire, or there be any reduction in amount, or any material change is made in the coverage, such cancellation, lapse, expiration, reduction or change shall not be effective as to the Agency or the Trustee until at least thirty (30) days after receipt by the Agency and the Trustee of written notice by such insurers of such cancellation, lapse, expiration, reduction or change;

(v) waive any right of subrogation of the insurers thereunder against any Person insured under such policy, and waive any right of the insurers to any setoff or counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of any Person insured under such policy; and

(vi) contain such other terms and provisions as any owner or operator of facilities similar to the Facilities would, in the prudent management of its properties,

require to be contained in policies, binders or interim insurance contracts with respect to facilities similar to the Facilities owned or operated by it.

(e) The JSCB shall, at the cost and expense of the SCSD and the City, make all proofs of loss and take all other steps necessary or reasonably requested by the Agency or the Trustee to collect from insurers for any loss covered by any insurance required to be obtained by this Section 5.5. A School Party shall not do any act, or suffer or permit any act to be done, whereby any insurance required by this Section 5.5 would or might be suspended or impaired.

(f) The SCSD hereby assumes all risks that the proceeds of any insurance may be inadequate to fully indemnify the Agency and the Trustee against, or to reimburse the Agency and the Trustee for, any loss, liability, claim or judgment arising out of any risk, peril or insurable loss under the insurance required hereby. The SCSD acknowledges that the SCSD shall be solely responsible for the payment of any loss, liability, claim or judgment, or any portion thereof, falling within any deductible or self insured retention or which is in excess of any available insurance coverage.

#### **Section 5.6. Damage or Destruction.**

(a) The SCSD agrees to notify the Agency and the Trustee immediately in the case of damage to or destruction of any Facility or any portion thereof in an amount exceeding \$100,000 resulting from fire or other casualty, and shall state the plans of the SCSD with respect to the repair, reconstruction and restoration of the affected Facility.

(b) If any Facility or portion thereof shall be condemned or taken by eminent domain, this Agreement (with respect to the affected Facility or portion thereof) and the interest of the City and the SCSD hereunder shall terminate when title to such Facility or portion thereof vests in the party condemning or taking the same (hereinafter referred to as the "*termination date*"), and the SCSD will promptly give notice thereof to the Agency and the Trustee, and shall state the plans of the SCSD with respect to the replacement or restoration of the affected Facility.

(c) If any Facility shall be damaged or destroyed (in whole or in part), or the whole or any part of any Facility shall be taken or condemned by a competent authority or by agreement between the City and/or the SCSD and those authorized to exercise such right or if the temporary use of any Facility or any part thereof shall be so taken by condemnation or agreement (a "*Loss Event*") at any time while this Agreement is in effect:

(i) the Agency shall have no obligation to replace, repair, rebuild, restore or relocate the affected Facility; and

(ii) there shall be no abatement or reduction in the amounts payable by the City and the SCSD under this Agreement (whether or not the affected Facility is replaced, repaired, rebuilt, restored or relocated); and

(iii) the proceeds derived from the insurance (after payment of all reasonable expenses, costs and taxes (including attorneys' fees) incurred in obtaining such proceeds) shall be deposited in the Project, and, subject to the provisions of Section 5.6(a)(iv) below, at the option of the SCSD, shall be applied to either (A) replace, repair, rebuild,

restore or relocate the affected Facility, or (B) redeem a principal amount of Bonds equal to such proceeds in accordance with the Indenture; and

(iv) If the SCSD replaces, repairs, rebuilds, restores or relocates the affected Facility, the Trustee shall disburse such proceeds from the Project Fund in the manner set forth in Section 5.2 of the Indenture to pay or reimburse the SCSD for the cost of such replacement, repair, rebuilding, restoration or relocation. Notwithstanding anything to the contrary in Section 5.1(a) (iii) hereof, if (A) the aggregate net proceeds derived from insurance with respect to a particular loss are less than \$50,000, and (B) no Event of Default then exists under the Indenture or this Sale Agreement; the SCSD shall be entitled to withdraw such proceeds from the Project Fund for application to Project Costs in accordance herewith and with the Tax Compliance Agreement.

(b) Any such replacements, repairs, rebuilding, restorations or relocations shall be subject to the following conditions:

(i) the restored Facility shall be in substantially the same condition and value as an operating entity as existed prior to the damage or destruction;

(ii) the restored Facility shall continue to constitute a "project" as such term is defined in the Syracuse Schools Act, and the tax-exempt status of the interest on the Bonds shall not, in the opinion of Bond Counsel, be adversely affected; and

(iii) the restored Facility will be subject to no Liens other than Permitted Encumbrances.

(c) All such repair, replacement, rebuilding, restoration or relocation of a Facility shall be affected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements and shall be promptly and fully paid for by the SCSD and/or the City in accordance with the terms of the applicable contracts.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, restoration or relocation, the City and the SCSD shall nonetheless complete the work and pay from its own moneys or from proceeds of Additional Bonds, if any, issued for such purpose that portion of the costs thereof in excess of such proceeds. All such replacements, repairs, rebuilding, restoration or relocations made pursuant to this Section, whether or not requiring the expenditure of the money of the City and/or the SCSD, shall automatically become a part of a Facility as if the same were specifically described herein.

(e) Any balance of such proceeds remaining in the Project Fund after payment of all costs of replacement, repair, rebuilding, restoration or relocation of an affected Facility shall, subject to any rebate required to be made to the federal government pursuant to the Indenture or the Tax Compliance Agreement, be used to redeem the Bonds as provided in the Indenture. If the entire amount of the Bonds and interest thereon has been fully paid, or provision therefor has been made in accordance with the Indenture, all such remaining proceeds shall be paid to the City for the benefit of the SCSD.

## ARTICLE VII

### SPECIAL COVENANTS

**Section 7.1. SCSD's Right to Possession.** Except as otherwise provided herein, the SCSD shall be entitled to sole possession of the Facilities during the Agreement Term.

**Section 7.2. [Reserved].**

**Section 7.3. Compliance With Laws and Regulations.** Each of the JSCB and the SCSD will, at its own cost and expense, promptly comply with, or cause to be complied with, all laws, rules, regulations and other governmental requirements, whether or not the same require structural repairs or alterations, which may be applicable to the JSCB or the SCSD and any of the Facilities or the use or manner of use of any of the Facilities; *provided, however*, the obligation of the JSCB or the SCSD, as the case may be, to comply with any such law, rule, regulation or governmental requirement shall be suspended during any contest thereof in good faith by the JSCB or the SCSD, which contest is being diligently prosecuted. Each of the JSCB and the SCSD will also observe and comply with the requirements of all policies and arrangements of insurance at any time in force with respect to the Facilities.

**Section 7.4. Covenant Against Waste.** Each of the JSCB and the SCSD covenants not to do or suffer or permit to exist any waste, damage, disfigurement or injury to, or public or private nuisance upon, any of the Facilities.

**Section 7.6. Condition of Facilities.** Immediately upon the availability of any part of a Facility for use by the SCSD, the SCSD shall become thoroughly familiar with the physical condition of such part of the Facility. The Agency makes no representations whatever in connection with the condition of any Facility, and the Agency shall not be liable for any defects therein.

**Section 7.7. Assignment and Sale by the SCSD.** Neither the SCSD, the JSCB nor the City will sell, lease, transfer or otherwise dispose of or encumber its interest in any of the Facilities except as provided in Section 7.15 hereof; *provided, however*, that the SCSD may lease or license part of any Facility (x) for a purpose and use consistent with the License and this Agreement, (y) upon delivery to the Trustee of an Opinion of Counsel to the effect that such lease or license shall neither limit nor impair the obligations of the School Parties under this Agreement, and (z) upon delivery to the Trustee of an opinion of Nationally Recognized Bond Counsel to the effect that such lease or license, as applicable, will not cause interest on any of the Bonds to become includable in gross income for federal income tax purposes. This Agreement may be assigned in whole or in part by one or more of the School Parties upon written consent of the Agency, the other School Parties and the Trustee (which consent may be unreasonably withheld), but no assignment shall relieve the School Parties, as applicable, from primary

liability for any of its obligations hereunder, and in the event of any such assignment the School Parties shall continue to remain primarily liable for the payments specified herein and the SCSD, the City and/or the JSCB, as applicable, for performance and observance of the other agreements on its part herein provided.

**Section 7.8. Use of the Facilities.** Except as provided in Section 7.9 hereof, each Facility shall be used by the SCSD or any other governmental agency, department, division, commission or board thereof and used for public purposes of the SCSD or such agency, department, division, commission or board, and as a "project" under the IDA Act and as a Project as provided in the Syracuse Schools Act.

**Section 7.9. [Reserved].**

**Section 7.10. Compliance With Laws.** The parties hereto agree to comply with all laws, rules, regulations, orders and decrees applicable to the Facilities or the performance hereof.

**Section 7.12. Covenants as to State Aid Trust Agreement.** The City and the SCSD agree not to revoke the instructions furnished to the State Comptroller's office to forward all State Aid Revenues payments to the Depository Bank. The City and the SCSD also agree to comply with and not to terminate the State Aid Trust Agreement or materially modify the terms and provisions thereof, except as may be permitted under the terms of the State Aid Trust Agreement.

**Section 7.13. Filings.** The City shall be responsible for the filing of financing statements (including continuation statements) in connection with and in order to continue the security interest created by the Indenture.

**Section 7.14. Equal Employment Opportunities.**

(a) The SCSD shall ensure that all employees and applicants for employment with regard to each of the Facilities are afforded equal employment opportunities without discrimination.

(b) Except as is otherwise provided by collective bargaining contracts or agreements, new employment opportunities created as a result of the Series 2008 Project (whether by the SCSD or any other occupant of a Facility) shall be listed by the SCSD (or, if applicable, such other occupant) with the New York State Department of Labor Community Services Division, and with the administrative entity of each service delivery area created by the Workforce Investment Act of 1998 (P.L. No. 05-220) in which each of the Facilities is located. Except as is otherwise provided by collective bargaining contracts or agreements, the SCSD agrees, and shall cause any other occupant of a Facility to agree, where practicable, to first consider persons eligible to participate in the Workforce Investment Act of 1998 (P.L. No.

105-220) programs who shall be referred by administrative entities of service delivery areas created pursuant to such act or by the Community Services Division of the New York State Department of Labor for such new employment opportunities.

**Section 7.15. Release of Facilities.** Notwithstanding any other provision of this Agreement, so long as there exists no event of default hereunder, nor any event which upon the giving of notice or the passage of time or both, would constitute an event of default, the SCSD may, upon written notice to the Agency and the Trustee and compliance with the following, effect the release of a Facility, to no longer be used by the SCSD as a public school, or the costs with respect to which have been financed with the Bonds which are no longer Outstanding, from this Agreement and the License. Upon receipt of such notice, the Agency and the Trustee shall, at the sole cost and expense of the SCSD, execute and deliver any and all instruments necessary or appropriate to so release and remove such Facility from the Facilities subject to this Agreement and the License; *provided, however*, that in the event the release is of the last remaining Facility, the SCSD must further pay Base Installment Purchase Payments necessary to effect the redemption in whole of the Bonds.

No conveyance or release effected under the provisions of this Section 7.15 shall entitle the SCSD or the City to any abatement or diminution of the Installment Purchase Payments payable under Section 4.1 hereof or the Additional Payments required to be made by the SCSD and the City under this Agreement.

**Section 7.16. No-Default Certificates.**

(a) Each School Party shall deliver to the Agency, the Bond Insurer and the Trustee within one hundred and twenty (120) days after the close of each Fiscal Year, a certificate of an Authorized Representative thereof as to whether or not, as of the close of such preceding Fiscal Year, and at all times during such Fiscal Year, the School Party was in compliance with all the provisions which relate to it in this Agreement and in any other Project Document to which it shall be a party, and if such Authorized Representative shall have obtained knowledge of any default in such compliance or notice of such default, he shall disclose in such certificate such default or defaults or notice thereof and the nature thereof, whether or not the same shall constitute an event of default hereunder, and any action proposed to be taken by the SCSD, the City and/or the JSCB, as applicable, with respect thereto, and, until such time as the Series 2008 Project has been completed and a certificate evidencing the same pursuant to Section 3.2(b) of this Agreement has been delivered to the Agency and the Trustee, a certificate of an Authorized Representative of the JSCB that the insurance it maintains and/or is required to provide complies with the provisions of Section 5.5 of this Agreement, that such insurance has been in full force and effect at all times during the preceding Fiscal Year, and that duplicate copies of all policies or certificates thereof have been filed with the Agency and the Trustee and are in full force and effect. In addition, upon twenty (20) days' prior request by the Agency, the Bond Insurer or the Trustee, each School Party will execute, acknowledge and deliver to the Agency, the Bond Insurer and the Trustee a certificate of an Authorized Representative thereof either stating that to his knowledge no default or breach exists hereunder or specifying each such default or breach of which he has knowledge.

(b) Each School Party shall immediately notify the Agency, the Bond Insurer and the Trustee of the occurrence of any event of default or any event which with notice and/or lapse of time would constitute an event of default under any Project Document of which it has knowledge. Any notice required to be given pursuant to this subsection shall be signed by an Authorized Representative of the appropriate School Party and set forth a description of the default and the steps, if any, being taken to cure said default. If no steps have been taken, the notice shall state this fact.

**Section 7.17. Further Assurances.** Each School Party will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such further acts, instruments, conveyances, transfers and assurances, at the sole cost and expense of the SCSD and the City, as the Agency or the Trustee deems reasonably necessary or advisable for the implementation, effectuation, correction, confirmation or perfection of this Agreement and any rights of the Agency or the Trustee hereunder, under the Indenture or under any other Project Documents.

**Section 7.18. Recording and Filing.** The Pledge and Assignment and this Agreement as originally executed or a memorandum thereof shall be recorded by the SCSD in the appropriate office of the Clerk of the County, or in such other office as may at the time be provided by law as the proper place for the recordation thereof. The security interest of the Trustee created under the Indenture shall be perfected by the filing of financing statements by the SCSD which fully comply with the New York State Uniform Commercial Code - Secured Transactions in the office of the Secretary of State of the State, in the City of Albany, New York. The City shall file or cause to be filed all necessary continuation statements (and additional financing statements) within the time prescribed by the New York State Uniform Commercial Code - Secured Transactions in order to continue (or attach and perfect) the security interest created by the Indenture, to the end that the rights of the Agency, the Holders of the Bonds and the Trustee in this Agreement, in the Installment Purchase Payments payable under this Agreement and in the Trust Estate, shall be fully preserved as against creditors or purchasers for value from the Agency, the City or the SCSD. The Agency and the Trustee are authorized, if permitted by applicable law, to file one or more Uniform Commercial Code financing statements disclosing any security interest in this Agreement and the Installment Purchase Payments due under this Agreement.

**Section 7.19. Furnishing of Information.** Each School Party shall promptly furnish to the Agency and the Trustee such information, in such form and supported by such certifications as the Agency or the Trustee shall reasonably request, relating to such School Party and the Facilities, and the past, present and future employment by the SCSD at the Facilities.

**Section 7.20. Use of Bond Proceeds.** Each School Party shall use, or permit or suffer to be used, the proceeds of the Bonds only for the purposes and costs permitted therefor under this Agreement, the Indenture and the Tax Compliance Certificate.

**Section 7.21. Compliance With Requirements for State Aid Revenues.** The School Parties will comply with all requirements necessary to ensure receipt of State Aid Revenues over the term of this Agreement.

**Section 7.22. No Impairment of Pledge of State Aid Revenues.** Each of the SCSD and the City covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Facilities Agreement, in connection with a Series of Project Bonds under a Series Indenture, which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of State Aid Revenues under the Syracuse Schools Act than the pledge effected pursuant to the Indenture; *provided, however*, that nothing contained in this Agreement shall be deemed (y) to limit or deny the ability of the issuer of a Series of Project Bonds to pledge State Aid Revenues on a parity with the pledge effected by the Agency under the Indenture, or (z) to require that any Series of Project Bonds issued under a Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Indenture, or that any lease rental payment dates or installment purchase payment dates, as applicable, under a Series Facilities Agreement be the same as provided for hereunder.

**Section 7.23. Financial and Other Information to the Bond Insurer.** Each of the SCSD and the City agrees, for the benefit of the Bond Insurer, to deliver to the Bond Insurer (w) its annual unaudited financial statements as soon as available, (x) its annual audited financial statements as soon as available but not later than three hundred sixty (360) days after the end of the Fiscal Year, (y) its annual budget within thirty (30) days after the approval thereof, and (z) such other information, data or reports as the Bond Insurer shall reasonably request from time to time.

## ARTICLE VIII

### EVENTS OF DEFAULT AND REMEDIES

**Section 8.1. Events of Default.** An "event of default" or a "default" shall mean, whenever they are used herein, any one or more of the following events:

(a) Default in the due and punctual payment of any Installment Purchase Payment (other than failure to pay as a result of an Event of Nonappropriation);

(b) Default in the due and punctual payment of any Additional Payment, which default shall continue for a period of thirty (30) days after payment thereof was due;

(c) Failure by any School Party to observe and perform any of the terms and covenants on its part to be observed or performed set forth in Section 4.4(d), 4.4(e), 4.4(f), 7.12 or 7.21 hereof;

(d) Failure of the SCSD to observe and perform the covenants set forth in Section 4.3 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the SCSD of written notice specifying the nature of such default from the Agency or the Trustee;

(e) Failure of the JSCB to observe and perform the covenants set forth in Section 5.5 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the JSCB of written notice specifying the nature of such default from the Agency or the Trustee;

(f) Failure by any School Party to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in subparagraphs (a), (b), (c), (d) and (e) of this Section, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the defaulting party and the other School Parties by the Agency, the Bond Insurer, the Trustee or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, unless by reason of the nature of such failure the same can not be remedied within such thirty (30) day period and the defaulting party has within such period commenced to take appropriate actions to remedy such failure and is diligently prosecuting such actions; *provided, however*, that unless the Bond Insurer shall consent in writing to a longer period, it shall constitute an Event of Default under this paragraph (e) if such failure shall not be remedied within sixty (60) days after receipt by the defaulting party of the above written notice;

(g) The City or the SCSD shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against the City or the SCSD seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver; trustee, or other

similar official for it for any substantial part of its property; or the City or the SCSD shall authorize any of the actions set forth above in this subparagraph (f); or

(h) The entering of an order or decree appointing a receiver of the Facilities or any thereof with the consent or acquiescence of the City or the SCSD or the entering of such order or decree without the acquiescence or consent of the City or the SCSD if it shall not be vacated, discharged or stayed within ninety (90) days after entry.

Notwithstanding anything contained in this Section to the contrary, a failure by the City or the SCSD to pay when due any payment required to be made hereunder or a failure by the City or the SCSD to observe and perform any covenant, condition or agreement on its part to be observed or performed hereunder, resulting from a failure by the Board of Education to include such payment obligation and moneys for such purposes in the annual budget for the SCSD, failure by the City to approve such budget and appropriate moneys for such purpose, or a failure by the SCSD to approve payment thereof after appropriation by the City therefor shall not constitute an event of default hereunder. However, the failure by the City or the SCSD to pay when due any payment required to be made by it under this Agreement shall constitute a failure to make a payment under this Agreement for purposes of the Syracuse Schools Act, and in such event the Agency has appointed the Trustee to act as its agent for purposes of taking action under Section 5.4 of the Indenture. The City and the SCSD agree to provide written notice to the Trustee indicating either (i) the Board of Education submitted an annual budget for the SCSD to the Mayor of the City that fails to include a separate line item representing the full amount of Installment Purchase Payments payable during the applicable Fiscal Period, (ii) the City approved an annual budget for the SCSD that fails to include such a separate line item, or (iii) the SCSD failed to approve payment of such full amount after appropriation by the City therefor.

**Section 8.2. Remedies.** Whenever any event of default referred to in Section 8.1 hereof shall have happened and be continuing, or whenever an Event of Nonappropriation shall have occurred and be continuing, the Agency (with the prior written consent of the Trustee) or the Trustee, subject in all respects to Section 4.4 hereof, may take whatever action at law or in equity may appear necessary or desirable to collect the payments then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the School Parties hereunder. Notwithstanding the foregoing, for so long as any of the Bonds are Outstanding or any amounts remain due and payable by the City or the SCSD under this Agreement, neither the Agency nor the Trustee shall take any action which shall have the effect of terminating this Agreement or the interest in or rights of possession of the City or the SCSD in the Facilities, *provided, however*, that in addition to any other rights or remedies granted by this section to the Agency, the Agency may enforce any of the Agency's Reserved Rights without the consent of the Trustee or any other person, by an action for damages, injunction or specific performance.

No action taken pursuant to this Section 8.2 shall relieve any School Parties from its obligations hereunder, all of which shall survive any such action.

**Section 8.3. Cure.** Notwithstanding any remedy taken by the Agency or the Trustee pursuant to Section 8.2 hereof, if all arrears of Installment Purchase Payments, and all other

Additional Payments, shall have been paid, all other things shall have been performed in respect of which there was an event of default or Event of Nonappropriation and there shall have been paid the reasonable fees and expenses, including expenses of the Trustee (including reasonable attorneys' fees paid or incurred), then the event of default or Event of Nonappropriation shall be waived without further action by the Trustee or the Agency.

**Section 8.4. No Remedy Exclusive.** Subject to the provisions of the second sentence of Section 8.2 hereof, no remedy herein conferred upon or reserved to the Agency or the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency or the Trustee to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

**Section 8.5. Waiver and Non-Waiver.** In the event any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

**Section 8.6. Effect on Discontinuance of Proceedings.** In case any proceeding taken by the Trustee under the Indenture or this Agreement or under any other Security Document on account of any event of default or Event of Nonappropriation hereunder or under the Indenture shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then, and in every such case, the Agency, the Trustee, the Bond Insurer and the Holders of the Bonds shall be restored, respectively, to their former positions and rights hereunder and thereunder, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

**Section 8.7. Agreement to Pay Attorneys' Fees and Expenses.** In the event the Agency, the Bond Insurer or the Trustee should employ attorneys or incur other expenses for the collection of Installment Purchase Payments or Additional Payments payable hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the School Parties herein contained or contained in any other Project Document, each of the City or the SCSD agree that it will on demand therefor pay to the Agency, the Bond Insurer or the Trustee the reasonable fees and disbursements of such attorneys and such other expenses so incurred.

## ARTICLE IX

### LIMITATIONS ON TERMINATION OF AGREEMENT

**Section 9.1. Limitations on Termination of Agreement.** Notwithstanding any provisions of this Agreement to the contrary, neither the Agency, the Trustee nor any School Party shall take or fail to take any action which would cause this Agreement to terminate while any Bonds remain Outstanding or any amounts remain due and payable under this Agreement or prior to the discharge of the lien of the Indenture.

All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency, and not of any member, director, officer, employee or agent of the Agency in his individual capacity, and no recourse shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or for any claim based thereon or hereunder against any member, director, officer, employee or agent of the Agency or any natural person executing the Bonds.

**WHEREAS**, SIDA, the City, the School District and the JSCB will enter into Amendment No. 2 to the Installment Sale Agreement (Series 2010 Project) ("*Amendment No. 2 to Installment Sale Agreement*"), pursuant to which SIDA will sell its interest in the Series 2010 Project to the City and School District, the JSCB, on behalf of the City and School District, will agree to undertake and complete the Series 2010 Project and the City and the School District will, among other things, agree to make installment purchase payments in an amount sufficient to pay debt service on the Series 2010 Bonds and other amounts due under Amendment No. 2 to the Installment Sale Agreement solely from and to the extent of State Aid Revenues (as defined in the Amendment No. 2 to the Installment Sale Agreement); and

Whereas: the JSCB, acting on behalf of the School District and the City, submitted a revised Plan (the "*Amended Plan*") regarding the Program to the OSC; and

Any revisions to the Staffing Plan shall be subject to the joint approval of the JSCB and the Program Manager.

302. In addition, the Program Manager shall render its services in a timely manner consistent with a Program schedule to be agreed upon between the parties hereto. Where such revisions are necessitated due to an error or inadequate performance on the part of Program Manager, such revisions or modifications will be performed at its own cost and expense.

305. In performing the services required under this Agreement, Program Manager shall consult with the JSCB Designee and shall meet and confer with JSCB contractors, design professionals, construction managers, governmental representatives, neighborhood groups and/or such other persons or entities, as needed or as deemed reasonably necessary by the JSCB.

306. 309. Program Manager shall, at its own expense, provide a large furnished conference room located in Onondaga County with suitable restroom facilities for use by the JSCB through all preconstruction phases.

310. The Program Manager shall perform its services with the care, skill, judgment and diligence as is customarily exercised by competent program managers experienced in providing services for programs of this type, complexity and scope. The Program Manager represents that it possesses the training, skill, experience, personnel and resources needed to complete the agreed upon services in a manner that will allow for the orderly and timely progression of the Program over the contemplated schedule.

311. The Program Manager will provide the resources, skilled personnel, expertise and experience needed to timely, competently and properly perform the services called for in the Agreement. The Program Manager will provide personnel possessed of the skill, expertise, training, experience, judgment and diligence needed to timely and properly perform the services hereunder.

312. The Program Manager acknowledges that the construction involves a city school district which is subject to various laws and regulations of the State of New York. The Program Manager represents that it is familiar with such laws and regulations as they pertain to the administration, bidding and construction of school public works construction projects including, but not limited to, the requirements of Article 5 A of the General Municipal Law, § 100 et. seq., "Public Contracts"; Article 9 of the Education Law, §§ 401 et. seq., "School Buildings and Sites"; Sub Chapter J, Part 155 of Title 8, Chapter II of the Codes, Rules and Regulations of the State of New York (Regulations of the Commissioner of Education, "Educational Facilities"), Chapter 58 A-4, Laws of 2006, as amended, the Charter of the City (1960, as amended), and the New York State Education Law to the extent that they pertain to the Project. 316. The Program Manager is not obligated to provide construction site office or meeting space.

#### **SECTION 4: INFORMATION TO BE FURNISHED TO PROGRAM MANAGER**

401. Upon written request from the Program Manager, the JSCB will provide Program Manager with specified and existing documents or materials in its possession that are necessary for performing Program Manager's services. Excluded from the foregoing are documents or materials identified as confidential by the JSCB Designee. The JSCB will assist the Program Manager in securing non-confidential documents or materials from other sources that are necessary for performing its services under this Agreement. Subject to applicable law, Program Manager will comply with any confidentiality requirements established in writing by the JSCB Designee with respect to information identified in advance and in writing to Program Manager as confidential. Such obligation will be limited to those documents identified as confidential. The Program Manager may reasonably rely on documentation provided by the JSCB which documentation is prepared specifically for use in performance of Program Manger's services and is designated for such use in writing. Program Manager may not rely upon as-built drawings as a depiction of existing conditions. Nothing herein shall relieve the Program Manager from its duty to gather any information necessary for performance of its services.

402. The licenses for the JSCB's use of the Construction Document Management System, and documents and other materials concerning the Program produced or received by the Program Manager shall be and remain the property of the JSCB whether or not the Program is undertaken or completed. The JSCB shall have the right to use such without limitation and without the payment of any additional compensation or reimbursement, provided, however, that the JSCB's license rights with respect to the use of the Construction Document Management System shall be subject to the terms and conditions imposed upon such use by the vendor thereof. Nothing contained herein shall prohibit the Program Manager from maintaining a copy for its records of all documents and materials generated in the course of performing its obligations pursuant to this Agreement.

#### **SECTION 5: TIME OF PERFORMANCE**

501. Program Manager shall perform all services under this Agreement at such times and in such sequence as may be directed by the JSCB Designee. It is understood and agreed by the Program Manager that time is of the essence in the performance of this Agreement.

502. The Program Manager shall advise and assist the JSCB in optimizing and obtaining timely receipt of New York State Building Aid. The Program Manager shall provide for ongoing reporting on compliance with New York State Building Aid requirements.

503. The Program schedule may be modified and/or re-sequenced as reasonably required by the JSCB Designee. The Program Manager agrees to adjust for and accord with such modifications and represents that the compensation provided for under this Agreement is adequate to accommodate such adjustment. The Program Manager hereby waives any right to request additional compensation beyond the limits provided for under this Agreement as a result of such changes.

504. Services subject to the Not-to-Exceed Limits set forth in this Agreement shall continue until the earlier of March 1, 2021 or Six (6) months after substantial completion for the Program as set forth in the original Program schedule hereafter approved by the JSCB and the Program Manager. Notwithstanding the foregoing, services related to construction closeout and N.Y. State Education Department (“SED”) project close out reporting which occur after such period ends are subject to the Not-to-Exceed Limits set forth in this Agreement until such services are completed and accepted by the SED.

**SECTION 6: COMPENSATION**

601. *Not-to-Exceed Fee:* The JSCB shall compensate Program Manager for proper performance of the services, as defined under section 310, required under this Agreement on a limited time and material basis subject to Dollar Limits derived from the Not-to-Exceed Limits as set forth in this Section. Program Manager’s compensation shall be limited to Costs Eligible for Reimbursement. Any costs incurred by Program Manager or its agents that are not Costs Eligible for Reimbursement as set forth herein shall be borne by the Program Manager at its own expense and risk.

602. *Overall Not-to-Exceed Limit:* Total Costs Eligible for Reimbursement shall not exceed **Three and Thirty Five One-Hundredths Percent (3.35%)** of final Actual Direct Construction Costs.

603. *Project Phase Not-to-Exceed Limits:* In addition, Costs Eligible for Reimbursement shall not exceed the cumulative limits set forth in the following table:

Project Level Phases	Cumulative % of Not-to-Exceed Limit at end of Aggregate Project Level Phases
Pre-Design Phase	10%
Schematic Design Phase	25 %
Design Development Phase	40 %
Contract Documents	65 %
Bidding Phase	75 %
Program Construction Phase	95 %
Building Commissioning/Occupancy Phase	97.5 %

Post Construction Phase	100 %
-------------------------	-------

604. Costs Eligible for Reimbursement in excess of the Dollar Limits derived from the above table shall not be reimbursable and shall be borne by Program Manager at its own expense and risk. For monthly payment applications, percentage limits between the intervals set forth in the above Table will be interpolated and then converted to Dollar Limits based upon the Overall Not-to-Exceed Limit.

604.1. Notwithstanding the foregoing, incurred costs that are not reimbursable solely because these limits have been reached may be billed upon completion of a subsequent Phase across all projects to the extent that the cumulative fee for that Phase is not otherwise consumed.

605. The above limits applicable to each Phase will be applied based upon the overall percent of completion of each construction project to be included in the Program. Overall Percentage of Program Completion will be based upon project cost weighted averaging of the percentage of completion of all anticipated projects within the Program each month. A monthly analysis estimating such percentages of completion shall be prepared by the Program Manager for the JSCB Designee's consideration. Such percentages of completion shall be determined by the JSCB Designee.

606. **Change in Not-to-Exceed Limit:** Budgeted Project construction costs will be used to preliminarily calculate the Dollar Limits derived from the Not-to-Exceed Limit percentages. The Dollar Limits will be adjusted to be based upon Actual Direct Construction Costs as they become known. If the JSCB's budgeted or actual construction costs are lowered, the Dollar Limits will be lowered in accordance with the Not-to-Exceed Limit percentages. Such reduction will not result in reduction of Not-to-Exceed Limits applicable to Costs incurred prior to the reduction but will apply to Costs billed pursuant to Section 604.1.

606.1 In the event Direct Construction Costs are reduced below the initial budgeted amount as a result of a material reduction of the scope of construction work to be performed, the following shall apply: Solely for purposes of calculating remaining unused Dollar Limits, the amount to be deducted from unused Dollar Limits for Eligible Costs incurred prior to such reduction in scope and paid will be reduced proportionate to such reduction in Direct Construction Costs. Eligible Costs in excess of Not-to-Exceed Limits in effect prior to such reduction will be eligible for reimbursement pursuant to Section 604.1 only under the reduced Not-to-Exceed Limits.

607. **Actual Direct Construction Costs** are the direct costs for construction, including site work; paid to the construction contractors for all of the construction projects undertaken as part of the Program. Actual Direct Construction Costs do not include consulting fees, design fees, construction manager fees, legal fees, financing costs, land acquisition or right-of-way expenses, furniture fixture and equipment expenses, or other incidental costs as defined by NYSED.

608. **Costs Eligible for Reimbursement:** Costs Eligible for Reimbursement shall be comprised of Eligible Personnel Costs and Eligible Non-Personnel Costs as set forth below.

609. **Eligible Non-Personnel Costs:** Provided Program Manager has properly discharged its services under this Agreement, the JSCB will reimburse Program Manager for the following specific Program expenses (at direct cost with no mark-up), subject to the constraints otherwise applicable to Costs Eligible for Reimbursement:

- 1) Travel at the direction of the JSCB to destinations more than 50 miles from City of Syracuse (IRS Mileage Rate);
- 2) Printing distribution copies of bidding documents;
- 3) Direct Construction Document Management System license fees and vendor provided support services;
- 4) Direct Third-Party Training Program Provider Contract costs;

610. All Eligible Non-Personnel Costs must be approved in writing and in advance by the JSCB Designee.

611. **Eligible Personnel Costs:** JSCB shall pay Program Manager based on hourly Billing Rates for services required under this Agreement pursuant to the Staffing Roster and Billing Rate Table set forth in Appendix B. Any modifications to the Billing Rate Table must be approved in writing and in advance by the JSCB.

612. **Subconsultants:** Subconsultants, other than those compensated through Eligible Non-Personnel Costs, are eligible for reimbursement only to the extent they are approved in advance as shown on the Staffing Roster and Billing Rate Table set forth in Appendix B.

613. **Personnel Cost Constraints:** Personnel billing rates in excess of Two and Eight Tenths (2.8) multiplied by each individual's W-2 earnings divided by Two Thousand Eighty (2080) ( $2.8 \times (W-2/2080)$ ) are not eligible for reimbursement. With respect to the preceding sentence the 2.8 multiplier shall be the lower multiplier set forth in Program Manager's RFP response for each respective entity providing Program Management Services. Personnel billing rates in excess of Two Hundred Dollars per hour are not eligible for reimbursement. Personnel billing rates may not increase at any rate greater than two percent (2%) times the rates set forth in the original rate schedule once each year.

614. Approved personnel billing rates are deemed to encompass each individual's base salary, all employee benefits, health or medical insurance, workers' compensation insurance, allowed absences, sick time, holidays, vacations, training, certifications, license renewals, bonding, pension and/or profit sharing, incentive bonuses, data processing, employer and employee taxes, unemployment compensation, social security, overhead, profit and any other expenses of any kind incurred by Program Manager. These items are not otherwise reimbursable.

615. Approved personnel billing rates are also deemed to encompass Program Manager's profit, overhead and all of Program Manager's expenses for offices, telecommunications, computer systems (other than the Construction Document Computer System), photocopy other than distribution copies of bidding documents, mail, insurance, utilities, non-billable

transportation, and any other expenses incurred by Program Manager in operating its enterprise. These items are not otherwise reimbursable.

616. The following personnel costs are not eligible for reimbursement:

- 1) Time not directly spent solely on Program activity.
- 2) Time for holidays, illness, allowed absences, vacation, education, training, etc.
- 3) Time in excess of forty (40) hours per person per week.
- 4) Time spent as a result of any failure to properly perform the services required under this Agreement.

617. **Monthly Payment Requisitions:** Program Manager shall submit monthly payment requisitions for all Costs Eligible for Reimbursement in a form acceptable to the JSCB Designee.

618. All Costs Eligible for Reimbursement must be invoiced to the JSCB within 60 days of being incurred.

619. Payment requisitions shall include:

- 1) A description of the services performed broken down by person, applicable billing rate, number of hours worked and date worked;
- 2) A detailed breakdown of costs;
- 3) Certified payrolls for Program Manager personnel prepared in accordance with the New York State labor Law applicable to workers on public projects;
- 4) Program Manager's current diversity compliance forms and reports;
- 5) A working spreadsheet in Excel format showing the above information as well as calculation of the percentage of completion of all anticipated projects, the percentage of completion of the overall Program and the resulting phased based and overall not-to exceed limits;
- 6) A duly executed Release and Lien Waiver in the form attached hereto as Appendix "D"; and,
- 7) As needed by the JSCB Designee for audit purposes or to verify eligible costs.

620. The JSCB may, prior to making any payment under this Agreement, require Program Manager to submit to it back up documentation with respect to Program Manager's reimbursable costs and expenses as the JSCB Designee deems necessary to verify such costs and expenses. The JSCB shall pay each requisition provided Program Manager has properly discharged its services under this Agreement and is in compliance with the terms and conditions of this Agreement.

620.1. Program Manager's base hourly wage rates as referenced in §613 are subject verification. As the multipliers referred to in §613 were competitively procured, the Program Manager is not obligated to provide verification of how these amounts were derived.

620.2. The JSCB will make payments on invoices properly presented to the JSCB at least twenty (20) days in advance of a regularly scheduled JSCB meeting within ten days after such meeting.

621. **Retainage:** All payments for Eligible Costs shall be subject to a 5% deduction for retainage. The retainage shall be payable when the JSCB Designee approves Program Manager's final application for payment provided however, all other Program Manager's services required to be performed hereunder are satisfactorily completed. Notwithstanding the foregoing, retainage will not be held on payments for Direct Construction Document Management System license fees or Direct Third-Party Training Program Provider Contract costs except to the extent that retainage is being withheld pursuant to the agreements for said services.

622. **Supplemental Retainage:** In the event the Program Manager does not meet its responsibilities with respect to Program timelines as they relate New York State Building Aid requirements or JSCB diversity requirements within thirty (30) days after being notified by the JSCB of such failure, the JSCB may withhold five percent (5%) retainage in addition to that set forth in **Section 607** from future payments due Program Manager until compliance is achieved. If the Program Manager elects to suspend services, the Program Manager shall give an additional ten (10) days' written notice to the JSCB before suspending services. In the event of a proper suspension of services, the Program Manager shall have no liability to the JSCB for delay or damage caused the JSCB because of such suspension of services.

The Program Manager expressly waives any rights it may now or hereafter have to recover costs or damages from the JSCB or its Agents in excess of the Not to Exceed Fee for any delay, acceleration, disruption or interference in the performance of the Contract.

This paragraph shall survive termination of the agreement.

1319. *No Claim in Equity:* It is agreed that this Agreement adequately addresses the rights and remedies of the parties hereto and provides adequate remedies as a matter of law. Accordingly, each party waives all rights to pursue an action in equity including an action for Quantum Meruit or unjust enrichment.

1320. Program Manager acknowledges that any recoverable costs that it may incur are subject to reasonable calculation employing normal cost tracking methodologies. Program Manager further acknowledges that it may suffer losses for which the Owner may not be responsible including: 1) losses resulting from Program Manager's failure to negotiate an adequate level of compensation; or, 2) Program Manager's failure to properly manage its own business affairs. Program manager further acknowledges that the use of a Total Cost Method for calculating damages at law or in equity fails to account for damages that would not be the Owner's responsibility and thus would not be recoverable from the Owner.

1321. *No Damages for Delay:* Notwithstanding anything to the contrary in this Agreement except § 1412 below, and to the fullest extent permitted by law: 1) The Program Manager agrees to make no claim against the JSCB for costs or damages resulting from delay, acceleration, disruption or interference in the performance of this Agreement; and, 2) the Program Manager expressly waives any rights it may now or hereafter have to recover costs or damages from the JSCB, for any delay, acceleration, disruption or interference in the performance of this Agreement.

1322. Nothing in the preceding paragraph shall impair the Program Manager's right to make a claim to recover for costs or damages resulting from delays, acceleration, disruption or interference caused by the malicious, or grossly negligent conduct of the JSCB.

1323. An extension of the Agreement time shall not be considered as justifying an increase in the Not-to-Exceed Limits.

1324. *Interest:* Any amounts due under this Agreement or as a result of a breach of this Agreement shall bear interest from the date the payment is due at a rate of four Percent (4%) per annum simple interest.

1325. JSCB will cause the following paragraph to be included in a construction contracts entered into by the JSCB with respect to Program construction work:

The Program Manager acts solely as the Owner's Representative. The Program Manager has no authority to issue extensions of contract time, change orders or other modifications of the Trade Contractor's agreement with the Owner. The Program Manager is not responsible for coordination, scheduling, budgeting or safe performance of the Trade Contractor's Work. Accordingly, the Trade Contractor agrees that it shall make no claims against the Program Manager with regard to the aforementioned items. The Trade Contractor shall include Program Manager as an additional insured on all its insurance policies and shall cause all such policies to include a waiver of subrogation in favor of the Program Manager. The Trade Contractor shall also include these provisions in all subcontracts of any tier.

#### SECTION 14. CLAIMS

1401. *Claims for Increase in Time or Amount:* Any claim for an increase in the cost or time provided for under this Agreement ("Agreement Time or Cost"), must be preceded by written notice of each such occurrence giving rise to such claim which notice must be given in writing to the JSCB within fifteen (15) calendar days of the occurrence giving rise to the claim. Such notice must specify each such occurrence, describe how the occurrence is affecting the Agreement Time or Cost, include an estimate of such additional Agreement Time or Cost, and set forth the probable effect of the occurrence on the progress of the work.

1402. Claims for increase in the Agreement Time or Cost shall be timely updated and detailed thereafter. Any additional costs shall be detailed and submitted to the JSCB within 30 days after they accrue.

1403. The Program Manager shall provide such additional supporting documentation as the JSCB may require including, where appropriate, a revised construction schedule indicating all the activities affected by the circumstances forming the basis of the claim.

1404. Failure to strictly comply with these requirements may, at the discretion of the JSCB Designee, be deemed sufficient cause to deny such claim.

1405. In planning all activity within the agreed Agreement time, it shall be assumed that the Program Manager has anticipated the amount of adverse weather conditions which can be reasonably anticipated at the project sites for the season or seasons of the year involved. Only those weather delays attributable to other than weather conditions that can be reasonably anticipated will be considered as a basis for an increase in the Agreement Time or Cost.

1406. The Program Manager shall not be entitled to a separate increase in the Agreement Time or Cost for each one of the number of events which may have concurrent or interrelated

effects on the progress of the work, or for concurrent events or occurrences for which the Program Manager bears responsibility.

1407. In the event any conflict or ambiguity exists between the sections of this Agreement or between this Agreement and any documents incorporated herein by reference, the conflict shall be resolved in favor of the JSCB whereby the Program Manager will provide the services or materials more beneficial to the JSCB as determined by the JSCB Designee.

1408. The JSCB Designee shall determine the amount, quality, acceptability, fitness and extent of progress of all services and work encompassed by or related to this Agreement. In addition, the JSCB Designee shall decide all questions of fact which may arise in relation to the interpretation of this Agreement.

1409. Any decision or determination of the JSCB Designee under the provisions of this Agreement shall be final, conclusive and binding on the Program Manager unless the Program Manager shall, within fifteen (15) business days after each such decision, make and deliver to the JSCB a verified statement of its contention that the decision of the JSCB Designee is contrary to the terms of this Agreement. The JSCB shall thereupon determine the validity of the Program Manager's contention. Pending decision of the JSCB, the Program Manager shall proceed in accordance with the JSCB Designee's decision.

1410. Wherever it is provided in the Agreement that an application must be made to the JSCB and/or determination made by the JSCB, the JSCB's decision on such application and/or its determination under the Agreement shall be final, conclusive and binding upon the Program Manager unless the same shall be determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary or so grossly erroneous as necessarily to imply bad faith and unless the Program Manager, within fifteen (15) business days after receiving notice of the JSCB's decision or determination, files a written statement with the JSCB that it reserves its rights in connection with the matters covered by said decision or determination.

1410.1. The standard of review to be applied by a court set forth in §1410 shall not be applicable to any decisions by or directions of the JSCB or the JSCB Designee pertaining to changes in Program Manager staffing levels or changes in the sequencing of the work.

1411. **IMPORTANT NOTICE REGARDING CLAIM PROCEDURES:** The Program Manager's obligation to strictly follow the requirements of Section 1401, 1402 and 1409 in their entirety including the giving of timely and complete notice of a claim is a condition precedent to recovering under any claim. Failure of the Program Manager to strictly follow these requirements shall constitute waiver of the claim. An additional claim made after the initial claim has been made shall not be considered unless also submitted in accordance with this Section 14 and in a timely manner.

1412. Notwithstanding § 1321 to the contrary, upon timely notice to the JSCB Designee, and timely submission of supporting documentation, Program Manager may request an equitable adjustment to the Not-to-Exceed Fee to the extent required by material revisions or modifications to Program Manager's Scope of Services directed by the JSCB or the JSCB Designee.

**SECTION 15. CONFLICTS OF INTEREST**

1501. The Program Manager shall have no interest, nor acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of services to the JSCB. The Program Manager agrees that in the rendering of services to the JSCB, no persons having any such interest shall be employed by the Program Manager. The Program Manager assumes full responsibility for knowing whether its employees, agents, or consultants have any such interest and in certifying the absence of such conflict of interest to the JSCB.

1502. During the course of performing services for the JSCB, the Program Manager agrees to disclose immediately to the JSCB, by affidavit, every known or apparent conflict of interest and every ostensible or potential conflict of interest of the Program Manager, its employees, agents, and consultants. The Program Manager agrees that disclosure is a material obligation of this Agreement.

1503. A conflict of interest includes any circumstances which might influence or appear to influence the judgment of the Program Manager, and the Program Manager shall disclose the same. The Program Manager shall disclose further the acceptance of compensation, monetary or otherwise, from more than one payor, person or entity for services on the Project or in any way related to the Project. The Program Manager shall disclose further the direct or indirect solicitation or acceptance of financial or other consideration from parties other than the JSCB for work on the Project to which this Agreement pertains. If applicable, the Program Manager shall disclose further the direct or indirect acquisition of any interest in any of the real estate which is the subject of or in any way related to the Project or in the immediate vicinity thereof. A conflict of interest on the part of the Program Manager's employees, agents, or consultants shall be deemed a conflict of interest on the part of the Program Manager, giving rise to the same duty to disclose.

1504. The Program Manager agrees not to disclose any data, facts, or information concerning services performed by it for the JSCB or obtained while performing such services, except as authorized by the JSCB in writing or as may be required by law.

1505. This agreement has been voluntarily entered into after extensive negotiation between both parties. Both parties acknowledge that they have had full and fair opportunity to review, negotiate, and modify this agreement before electing to being bound thereby.

**CERTIFICATE OF DETERMINATION  
BY THE CHAIR OF THE JOINT SCHOOLS CONSTRUCTION BOARD  
AS TO FINANCING COST AND INTEREST RATE**

I, Benjamin R. Walsh, Mayor of the City of Syracuse, New York on behalf of the Joint Schools Construction Board (hereinafter called the "JSCB"), **HEREBY CERTIFY** that, pursuant to the powers and duties delegated to me, as the Chair of the JSCB and in accordance with Chapter 58 Pt. A-4 of the 2006 Laws of the State of New York, as amended (the "Syracuse Schools Act") and subject to the limitations prescribed therein, I have made the following determinations:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act to compare financing through the Syracuse Industrial Development Agency ("SIDA") with financing available through the State of New York Municipal Bond Bank Agency ("MBBA"), I have caused such a comparison to be made as to the interest rate for the financing of the Syracuse Schools Reconstruction Project through the issuance by SIDA of its \$26,440,000 aggregate principal amount of School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A ("Series 2021A Bonds") against the interest rate that would have been applicable to a like purpose, bond structure, method of sale, security and amount of bond issuance by the MBBA.

2. Based on such comparison, I have determined that the financing mechanism utilized by SIDA in the issuance of the Series 2021A Bonds for the Syracuse Schools Reconstruction Project results in the lowest cost to the state and city taxpayers.

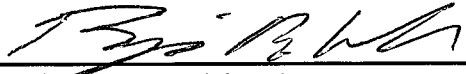

3. The relevant information, as referenced above, in our possession was transmitted to a duly authorized officer of the MBBA.

4. The cost information and other financial information contained in Exhibit "A" (Certificate of Public Resources Advisory Group) annexed hereto with attached Schedules is sufficient to conclude that the interest rate related to the issuance of the Series 2021A Bonds through the SIDA would not be greater than the interest rate applicable had the Series 2021A Bonds been issued by the MBBA.

5. I attach hereto as Exhibit "B" a form of the Certificate of the Director of Capital Markets of the MBBA, stating that such Director of Capital Markets received all requested and required information from the City School District of the City of Syracuse, the City, SIDA and the Joint Schools Construction Board of the City of Syracuse and determined that the interest rate on January 21, 2021 that would have been applicable to a like purpose, bond structure, method of sale, security and amount of bond issuance by the MBBA would be 0.482% on a true interest cost basis.

6. The Record of the Proceedings in this matter, with sufficient information to make the necessary determinations required by the Syracuse Schools Act, is annexed hereto collectively in Exhibits "A" and "B" as fully described above in the preceding paragraphs.

**IN WITNESS WHEREOF**, I have hereunto set my signature and the official seal of the City this 21st day of January, 2021.

A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, I have reviewed pertinent documentation and analyzed certain financial and related information and state the following:

1. PRAG is registered as a municipal advisor with the U.S. Securities and Exchange Commission and the Municipal Securities Rulemaking Board and is qualified to act as financial advisor to the MBBA, and I, Steven Peyser, am a duly authorized signatory and make this certification in such capacity.
2. Pursuant to the statutory requirements set forth in the Syracuse Schools Act that the Joint Schools Construction Board, the City School District of the City of Syracuse, and the City of Syracuse compare financing available through the City of Syracuse Industrial Development Agency ("SIDA") with financing available through the MBBA, based on financial information in **Exhibit A**, based on my knowledge and experience and assuming the same bond structure and method of sale as for the proposed SIDA's \$26,440,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A (the "**Bonds**"), I am of the opinion that, on January 21, 2021 the true interest cost for a bond issue of like purpose, structure, method of sale, security, and amount if issued by the MBBA would be approximately 0.482% for the Bonds.
3. Based on my examination, my knowledge and experience, I am of the opinion that the identity of the issuer of the proposed Bonds would have no material bearing on the marketing of the Bonds.

**CERTIFICATE OF DETERMINATION OF THE CHIEF OPERATING OFFICER OF  
THE STATE OF NEW YORK MUNICIPAL BOND BANK AGENCY**

I, James McIntyre, Director of Capital Markets of the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY DETERMINE, pursuant to the powers and duties delegated to me and in accordance with the applicable provisions set forth in Chapter 58-A Pt. 2. In making these financial determinations, I am relying upon the Certificate made by an authorized officer of Public Resources Advisory Group, financial advisor to the MBBA, appended hereto as **Exhibit A**.

The proceeds of the Series 2021A Bonds will be applied for the purpose of (i) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 (the "Series 2010 Bonds"); (ii) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2011A (the "Series 2011A Bonds"); and (ii)

**GROWTH. DIVERSITY. OPPORTUNITY FOR ALL.**

financing certain costs of issuance of the Series 2021A Bonds.

In accordance with the provisions in Chapter 58 Part A-4 of the Laws of 2006, as amended (the Syracuse Schools Act), I am requesting that MBBA determine the interest rate as of the day of pricing (currently anticipated to be Thursday, January 21, 2021\*) that would have been applicable to an MBBA bond issuance with a like purpose, bond structure, security and amount on a net interest cost basis, without determining whether the MBBA would by itself possess the requisite statutory authority to issue the Bonds. To assist the MBBA in making its determination, the following information is attached:

1. **A draft Preliminary Official Statement.** The Preliminary Official Statement is expected to be finalized and mailed on or about Thursday, January 14, 2021 (subject to change). The Official Statement will be available following the pricing of the Bonds.
2. **Information regarding the Syracuse IDA.** This is included in the draft Preliminary Official Statement under the heading "The Issuer".
3. **Proposed bond structure.** A preliminary bond sizing analysis is enclosed, which includes preliminary sources and uses, bond summary statistics, bond pricing and bond debt service.
4. **Ratings releases and analysis.** We will request ratings from Moody's and Standard & Poor's on the Bonds and expect Moody's and Standard & Poor's to assign "Aa3" and "AA" ratings, respectively. The final bond rating reports will be submitted to the MBBA when they are received. Bond insurance is not expected to be used for the Bonds.
5. **Underwriters' discount.** The detail of the underwriters' discount is included in the analysis of the proposed bond structure described in (3), above.
6. **Costs of issuance.** The preliminary costs of issuance are included on the sources and uses page of the analysis of the proposed bond structure described in (3), above.

Historically, the MBBA and/or its financial advisor have determined the net interest cost that would have been applicable to a bond issuance by MBBA based on the maturity dates, principal amounts, coupons, yields and dollar prices actually applicable to bonds issued by SIDA for the Syracuse City School District Project (collectively, the "SIDA Bond Pricing Information"). For the upcoming issue of Bonds, the SIDA Bond Pricing Information will be determined on various pricing conference calls that will include representatives of MBBA and its financial advisor, representatives of the City of Syracuse and the Syracuse City School

District and our financial advisor, as well as representatives of Raymond James & Associates, Inc., the senior book-running underwriter for the Series 2021A Bonds.

Please review this information and respond to this letter if there is any additional information that the MBBA requires to make its determination pursuant to the Syracuse Schools Act. Thank you for your attention to this matter. Please do not hesitate to call me at (315) 448-8323 with any questions.

Sincerely,

Brad O'Connor

### Rating Action: Moody's assigns Aa3 enhanced to Syracuse IDA, NY's revenue bonds

---

11 Jan 2021

New York, January 11, 2021 -- Moody's Investors Service has assigned a Aa3 enhanced rating to the Syracuse Industrial Development Agency (SIDA), NY's \$27.1 million School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2021A.

#### RATINGS RATIONALE

The Aa3 enhanced rating reflects the rating on the state's school district enhanced ratings supported by the New York Municipal School Aid Intercept Program, which is notched from the state's Aa2 general obligation rating. The school district will satisfy its obligation to make installment payments to the SIDA with funds derived from the intercept of its state aid to education revenues. These funds are expected to provide 100% of monies for debt service. The structure of the program provides sound state aid intercept mechanics that includes timely payments to bondholders and a flow of funds that provides full segregation of debt service 30 days before annual principal and interest payment.

The enhanced rating also reflects New York State's Aa2 general obligation rating and mechanics that require payment to the trustee directly from the state. Additional consideration is given to an anticipated healthy coverage of maximum debt service from pledged revenues, given the district's high reliance on state operating aid. Full year state aid in 2021 is projected at \$356 million, providing strong coverage (10 times) of projected maximum annual debt service (MADS). Coverage during the interceptable period (December through March) is projected to be a still strong six times MADS.

#### RATING OUTLOOK

Outlooks are not assigned to enhanced ratings.

#### FACTORS THAT COULD LEAD TO AN UPGRADE OF THE RATING

- Upgrade of New York State's general obligation rating
- Upgrade of the rating on the state's Aa3 school district enhanced ratings supported by the New York Municipal School Aid Intercept Program

#### FACTORS THAT COULD LEAD TO A DOWNGRADE OF THE RATING

- Downgrade of New York State's general obligation rating
- Downgrade of the rating on the state's Aa3 school district enhanced ratings supported by the New York Municipal School Aid Intercept Program
- Significant decline in coverage

#### LEGAL SECURITY

The bonds are special limited obligations of the Syracuse IDA secured by Installment purchase payments from the City of Syracuse CSD. The bonds are further secured by state aid intercept mechanics, which requires payments to flow from the state directly to the trustee.

#### USE OF PROCEEDS

The proceeds of the Series 2021A bonds will be used to refund all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 and Series 2011A.

#### PROFILE

The Syracuse City School District serves a k-12 student population of 19,668 in the City of Syracuse (A1 stable). The Syracuse IDA is a governmental agency created by the state legislature authorized to issue the School Facility Revenue Bonds.

Expansion of its industrial-commercial base is essential to the City of Syracuse, especially in a time of mounting economic pressures. To achieve this goal of expansion, the City has designed a comprehensive economic development program, requiring an Industrial Development Agency.

The existing potential for economic development will be augmented by the financial incentives of an Industrial Development Agency. Various City agencies and departments, such as the Department of Community Development and the Office of Federal and State Aid Coordination will interface with the Syracuse Industrial Development Agency to strengthen the business and industrial climate of the community.

Access to the Department of Community Development will make available to the Syracuse Industrial Development Agency an array of staff assistance, technical expertise, and various other development services. The City's Office of Federal and State Aid Coordination will provide assistance to it in locating, analyzing, and obtaining various forms of federal and state assistance and participation.

(g) Nothing in this subdivision shall authorize the Agency to indemnify or save harmless any Member with respect to punitive or exemplary damages, fines or penalties; provided, however, that the Agency shall indemnify and save harmless its Members in the amount of any costs, attorneys' fees, damages, fines or penalties which may be imposed by reason of an adjudication that the Member, acting within the scope of the Member's public employment or duties, has, without willfulness or intent on the Member's part, violated a prior order, judgment, consent decree or stipulation of settlement entered in any court of the State or of the United States.

(h) Upon entry of a final judgment against the Member, or upon the settlement of the claim, the Member shall serve a copy of such judgment or settlement, personally or by certified or registered mail within thirty (30) days of the date of entry or settlement, upon the Chairman and the chief administrative officer of the Agency; and if not inconsistent with the provisions of this Section 2, the amount of such judgment or settlement shall be paid by the Agency.

proceeding and in defense of any action or proceeding against the Agency based upon the same act or omission, and in the prosecution of any appeal.

(j) The benefits of this Section shall inure only to Members as defined in subdivision (a) of this Section 2 and shall not enlarge or diminish the rights of any other party.

(k) This Section 2 shall not in any way affect the obligation of any claimant to give notice to the Agency under Section 10 of the Court of Claims Act, Section 880 of the General Municipal Law, or any other provision of law.

(l) The Agency is hereby authorized and empowered to purchase insurance from any insurance company created by or under the laws of the State, or authorized by law to transact business in the State, against any liability imposed by the provisions of this Section 2, or to act as a self-insurer with respect thereto. The provisions of this Section 2 shall not be construed to impair, alter, limit or modify the rights and obligations of any insurer under any policy of insurance.

(m) All payments made under the terms of this Section 2, whether for insurance or otherwise, shall be deemed to be for a public purpose and shall be audited and paid in the same manner as other public charges.

The Representative acknowledges that the Indenture provides that the Series 2021A Bonds shall be special obligations of SIDA, payable by SIDA solely out of the Trust Estate (as such term is defined in the Final Official Statement) pledged therefor; that the Series 2021A Bonds shall never constitute a debt of the State or the City; that neither the State nor the City shall be liable on the Series 2021A Bonds; that no directors, members, officers, employees or agents of SIDA or any person executing the Series 2021A Bonds shall be liable personally or be subject to any personal liability or accountability by reason of or in connection with the issuance thereof; that SIDA makes no representation or warranty, express or implied, with respect to the merchantability, condition or workmanship of any part of the Series 2008 Project or the suitability of the Series 2008 Project for the purposes or needs of the SCSD; and that SIDA does not in any way represent that the insurance, if any, required by the License Agreement or the Installment Sale Agreement, whether in scope or coverage or limits of coverage, is adequate or sufficient to protect the business or interest of the SCSD.

Upon receipt of the same as herein provided, the Representative agrees to file a copy of the Final Official Statement in accordance with procedures established under the Electronic Municipal Market Access (“EMMA”) system maintained by the MSRB.

Section 8. Amendments and Supplements to Final Official Statement. The “end of the underwriting period” for the Series 2021A Bonds for all purposes of the Rule is the Closing Date. In the event the Representative requests an extension of the underwriting period, SIDA in its sole discretion may agree to or deny such request, which discretion shall not be exercised in an arbitrary or capricious manner. The “end of the underwriting period” for the Series 2021A Bonds, as used in this Purchase Contract, shall mean the Closing Date or such later date as to which SIDA has consented in accordance with the preceding sentence. During the period from the date hereof to and including a date which is 25 days following the end of the underwriting period for the Series 2021A Bonds, as determined in accordance with this Section 8, (a) SIDA will not adopt either on its own initiative or at the request or direction of the JSCB any amendment of or supplement to the Final Official Statement to which, after having been furnished with a copy, the Representative shall reasonably object in writing, unless SIDA or the JSCB has obtained the opinion of Bond Counsel, stating that such amendment or supplement is necessary in order to make the Final Official Statement not misleading in the light of the circumstances existing at the time that it is delivered to a purchaser, and (b) if any event relating to or affecting SIDA, the SCSD, the City, the Facilities, the Series 2021A Project, the Program Manager, the JSCB, State Aid to Education (as such term is defined in the Final Official Statement) or the Series 2021A Bonds shall occur as a result of which it is necessary, in the opinion of Counsel to the Underwriters, to amend or supplement the Final Official Statement in order to make the Final Official Statement not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, SIDA and the JSCB shall at the SCSD’s sole expense, forthwith prepare and furnish to the Representative a reasonable number of copies of an amendment of or supplement to the Final Official Statement (in form and substance satisfactory to the Representative, SIDA and the JSCB) such that the Final Official Statement, as amended or supplemented, will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Final Official Statement is delivered to a purchaser, not misleading. For the purpose of this Section 8, SIDA and the JSCB will each furnish such information with respect to itself as the Representative may from time to time reasonably request.

Section 9. Expenses. The Underwriters, whether or not the transactions contemplated hereby shall be consummated, shall not be under any obligation to SIDA or the JSCB to pay any expenses incident to the performance of the obligations of SIDA or the JSCB hereunder, including expenses of their respective counsel or Bond Counsel, or the expenses of the City, the JSCB, or their respective counsels, accountants or advisors. It is understood and agreed that if the Closing occurs such expenses shall be paid out of the proceeds of the sale of the Series 2021A Bonds on the Closing Date. Such expenses to be paid out of the proceeds of the Series 2021A Bonds include: (a) the cost of the preparation, printing and delivery of a reasonable number of copies of the Project Documents, the Preliminary Official Statement and the Final Official Statement, (b) the cost of the preparation of the Series 2021A Bonds, (c) the fees and disbursements of Bond Counsel and the Trustee, including the fees and disbursements of counsel to the Trustee, (d) the fees and disbursements of any consultants retained by the SC SD, the City or the JSCB, (e) the issuance fee and any administrative fee charged by SIDA, including the fees and disbursements of SIDA’s counsel, (f) the Depository Bank’s fees and disbursements, (g) the fees for rating the Series 2021A Bonds, (h) the State Bond Issuance Charge fee, and (i) all registration or filing fees and related costs and expenses incurred in connection with the qualification of the Series 2021A Bonds under state security laws and the preparation and printing

of a blue sky survey relating to the Series 2021A Bonds. The SCSD and the City shall pay for expenses (included in the expense component of the spread) incurred on behalf of their respective employees which are incidental to implementing this Purchase Contract, including, but not limited to, meals, transportation, lodging, and entertainment of those employees.

The Underwriters' compensation hereunder shall be the Underwriters' discount described in Section 1 hereof. The SCSD and the City agree to reimburse SIDA for all costs actually incurred by it to the extent of the expenses described above in the event that SIDA or the Underwriters terminate their respective obligations pursuant to the terms of this Purchase Contract to deliver and purchase the Series 2021A Bonds under this Purchase Contract.

Section 10. Notices. Any notice or other communication to be given to SIDA or the JSCB under this Purchase Contract may be given by delivering the same in writing at their respective addresses set forth above, and any such notice or other communication to be given to the Representative may be given by delivering the same in writing to Raymond James & Associates, Inc., 535 Madison Avenue - 9th floor, New York, New York 10022, Attention: Stephanie Lom, Director. The approval of the Representative, when required hereunder or the determination of its satisfaction as to any document referred to herein, shall be evidenced in writing signed by the Representative and delivered to SIDA.

Section 11. Indemnification. (a) The JSCB, on behalf of itself, the SCSD and the City (to the extent permitted by law) agrees to indemnify and hold harmless the Underwriters, the directors, officers, employees and agents of the Underwriters and each person who controls the Underwriters within the meaning of either the Securities Act or the Exchange Act (collectively, the "Underwriters Indemnified Parties") and SIDA, its officials, directors, members, officers, agents or employees (collectively, the "SIDA Indemnified Parties"), against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Official Statement, the Final Official Statement (or in any supplement or amendment thereto), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party, as incurred, for any reasonable legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the JSCB will not be liable in any such case to the Underwriters Indemnified Parties to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made in the Preliminary Official Statement or the Final Official Statement, or in any amendment thereof or supplement thereto, in reliance upon and in conformity with written information furnished to either the JSCB, the City or the SCSD by or on behalf of the Underwriters through the Representative specifically for inclusion therein. This indemnity agreement will be in addition to any liability which either of the JSCB, the City or the SCSD may otherwise have.

(b) The Underwriters agrees to indemnify and hold harmless SIDA and the JSCB, and each of their respective officials, directors, officers, employees and agents, and each person who controls the JSCB or SIDA within the meaning of either the Securities Act or the Exchange Act, to the same extent as the foregoing indemnity from the JSCB to each of the Underwriters Indemnified Parties and SIDA Indemnified Parties, but only with reference to written information relating to the Underwriters furnished to SIDA and the JSCB by or on behalf of the Underwriters through the Representative specifically for inclusion in the Preliminary Official Statement or the Final Official Statement (or in any amendment or supplement thereto). This indemnity agreement will be in addition to any liability which the Underwriters may otherwise have. SIDA and the JSCB acknowledge that the statements set forth on the cover page regarding the delivery of the Series 2021A Bonds, the legend in block capital letters in the inside cover and the related disclosure concerning stabilization, syndicate covering transactions and penalty bids in the Preliminary Official Statement and the Final Official Statement, constitute the only information furnished in writing by or on behalf of the Underwriters for inclusion in the Preliminary Official Statement or the Final Official Statement (or in any amendment or supplement thereto).

(c) Promptly after receipt by an indemnified party under this Section 11 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 11, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to

such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 11 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the JSCB, on behalf of itself, the SCSD and the City, and the Underwriters agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively “Losses”) to which the JSCB and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the JSCB, the SCSD and/or the School SCSD on the one hand and by the Underwriters on the other from the offering of the Series 2021A Bonds. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the JSCB, on behalf of itself, the SCSD and the City and the Underwriters shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the JSCB, with respect to itself, the SCSD and/or the City, on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses, as well as any other relevant equitable considerations. In no case shall the Underwriters be responsible for any amount in excess of the purchase discount or commission applicable to the Series 2021A Bonds purchased by such Underwriters hereunder. Benefits received by the JSCB, with respect to itself, the SCSD and/or the City, shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total purchase discounts and commissions in each case set forth in the Final Official Statement under the heading, “UNDERWRITING.” Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the JSCB, the SCSD and/or the City on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, information and opportunity to correct or prevent such untrue statement or omission. The JSCB and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 11, each person who controls an Underwriters within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of an Underwriters shall have the same rights to contribution as such Underwriters, and each person who controls the JSCB within the meaning of either the Securities Act or the Exchange Act and each official, director, officer and employee of the JSCB shall have the same rights to contribution as the JSCB, the SC SD and/or the City, subject in each case to the applicable terms and conditions of this paragraph (d)

Section 12. Establishment of Issue Price. (a) The Representative, on behalf of the Underwriters, agrees to assist SIDA in establishing the issue price of the Series 2021A Bonds and shall execute and deliver to SIDA at the Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit F with such modifications as may be appropriate or necessary, in the

reasonable judgment of the Representative, SIDA and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2021A Bonds.

(b) Except as otherwise set forth in Schedule A attached to Exhibit F hereto (“Schedule A”), SIDA will treat the first price at which 10% of each maturity of the Series 2021A Bonds (the “10% test”) is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Representative shall report to SIDA the price or prices at which the Underwriters have sold to the public each maturity of Series 2021A Bonds. The Representative confirms that the Underwriters have offered the Series 2021A Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule A attached hereto. Schedule A also sets forth, as of the date of this Purchase Contract, the maturities, if any, of the Series 2021A Bonds for which the 10% test has not been satisfied as of the sale date and for which SIDA and the Representative, on behalf of the Underwriters, agree that the restrictions set forth in the next sentence shall apply, which will allow SIDA to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2021A Bonds, the Selling Underwriters (which for purposes of this Section 12 is defined in 12(d)(2) below) will neither offer nor sell unsold Series 2021A Bonds of that maturity to any person at a price that is higher than the initial offering price or lower yield to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5<sup>th</sup>) business day after the sale date; or
- (ii) the date on which the Selling Underwriters have sold at least 10% of that maturity of the Series 2021A Bonds to the public at a price that is no higher than the initial offering price to the public.

The Representative shall promptly advise SIDA when the Selling Underwriters have sold 10% of that maturity of the Series 2021A Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5<sup>th</sup>) business day after the sale date.

SIDA acknowledges that, in making the representation set forth in this subsection, the Representative will rely on (i) the agreement of each Selling Underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Series 2021A Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that a Selling Underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Series 2021A Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires.

(c) The Representative confirms that:

(1) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the Representative is a party) relating to the initial sale of the Series 2021A Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Series 2021A Bonds of each maturity allotted to it until it is notified by the Representative that either the 10% test has been satisfied as to the Series 2021A Bonds of that maturity or all Securities of that maturity have been sold to the public, and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Representative and as set forth in the related pricing wires, and

(2) any agreement among Underwriters relating to the initial sale of the Series 2021A Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Series 2021A Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2021A Bonds of each maturity allotted to it until it is notified by the Representative or the Underwriter that either the 10% test has been satisfied as to the Series 2021A Bonds of that maturity or all Series 2021A Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Representative or the Underwriter and as set forth in the related pricing wires.

(d) The Underwriters acknowledge that sales of any Series 2021A Bonds to any person that is a related party to an Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “Selling Underwriter” means (A) any person that agrees pursuant to a written contract with SIDA (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2021A Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2021A Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2021A Bonds to the public),
- (iii) a purchaser of any of the Series 2021A Bonds is a “related party” to a Selling Underwriter if the Selling Underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the

voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Note Purchase Contract by all parties.

(e) Notwithstanding the representations contained in Section 12(c) and 12(d) above, as of the Sale Date, if the Representative confirms that it sold at least 10% of each maturity of the Series 2021A Bonds to the Public at the respective prices listed in Schedule A attached to the Issue Price Certificate in Exhibit F to this Purchase Contract, and accordingly, compliance with the “hold-the-offering-price rule” shall not be required.

Section 13. Benefit. This Purchase Contract is made solely for the benefit of SIDA, the Underwriters, the SCSD and the City (including the successors or assigns thereof) and no other person, partnership, association, or corporation shall acquire or have any right hereunder or by virtue hereof. All representations and agreements by SIDA, the JSCB and the Underwriters in this Purchase Contract shall remain operative and in full force and effect except as otherwise provided herein, regardless of any investigation made by or on behalf of the Underwriters and shall survive the delivery of and payment for the Series 2021A Bonds.

Section 14. Arm-Lengths Transaction. SIDA and the JSCB acknowledge and agree that (i) the purchase and sale of the Series 2021A Bonds pursuant to this Agreement is an arm’s-length commercial transaction among SIDA, the JSCB and the Underwriter; (ii) in connection with such transaction, the Underwriter is acting solely as a principal and not as an agent or a fiduciary of SIDA or the JSCB; (iii) the Underwriter has not assumed a fiduciary responsibility in favor of SIDA or the JSCB with respect to the offering of the Series 2021A Bonds or the process leading thereto (whether or not the Underwriter, or any affiliate of the Underwriter, has advised or is currently advising SIDA or the JSCB on other matters) nor has it assumed any other obligation to SIDA or the JSCB except the obligations expressly set forth in this Agreement, (iv) the Underwriter has financial and other interests that differ from those of SIDA and the JSCB; and (v) SIDA and the JSCB have consulted with their own legal and/or financial advisors to the extent it deemed appropriate in connection with the offering of the Series 2021A Bonds.

Section 15. Counterparts. This Purchase Contract may be executed in multiple counterparts each of which shall be regarded for all purposes as an original and shall constitute one and the same instrument.

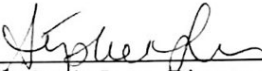

Section 16. Survival. The representations, warranties, agreements, and indemnities of SIDA, the JSCB, with respect to itself, the SCSD and/or the City and the Underwriters contained in this Purchase Contract shall survive the Closing under this Purchase Contract and any

investigation made by or on behalf of SIDA, or the Underwriters or the Representative or any person who controls the Underwriters, of any matters described in or related to the transactions contemplated hereby and by the Project Documents.

Section 17. Severability of Invalid Provision. If any one or more of the covenants, agreements or provisions of this Purchase Contract shall be determined by a court of competent jurisdiction to be invalid, the invalidity of such covenants, agreements, and provisions shall in no way affect the validity or effectiveness of the remainder of this Purchase Contract, and this Purchase Contract shall continue in full force and effect to the fullest extent permitted by law.

Section 18. Governing Law. This Purchase Contract shall be governed by the laws of the State determined without regard to principles of conflict of law.

Re: City of Syracuse Industrial Development Agency  
School Facility Revenue Refunding Bonds  
(Syracuse City School District Project) Series 2021A

Ladies and Gentlemen:

In connection with the issuance by the City of Syracuse Industrial Development Agency (the "**Agency**") of its \$26,440,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2021A (the "**Series 2021A Bonds**"), which are being delivered today pursuant to a Bond Purchase Agreement, dated January 21, 2021 (the "**Purchase Agreement**") by and among the Agency, the Syracuse Joint Schools Construction Board (the "**JSCB**"), on behalf of itself, the City School District of the City of Syracuse (the "**SCSD**") and the City of Syracuse, New York (the "**City**") and Raymond James & Associates, Inc., as Representative of the Underwriters (the "**Underwriters**") named in the Official Statement, dated January 21, 2021 (the "**Official Statement**"), we have examined: (a) the Indenture of Trust (Series 2021A Project), dated as of February 1, 2021, by and between the Agency and Manufacturers and Traders Trust Company, as trustee (the "**Trustee**"); (b) the Official Statement; (c) an executed copy of the Purchase Agreement; and (d) certain portions of the record of proceedings relating to the issuance and delivery of the Series 2021A Bonds.

As bond counsel, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such instruments, certificates, opinions and documents as we have deemed necessary or appropriate for the purposes of the opinions rendered herein. In such examination, we have assumed the genuineness of all signatures, the authenticity and due execution of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinion we have relied, without having made any independent investigation, upon the aforesaid instruments, certificates, opinions and documents.

We are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Official Statement (except to the extent set forth in the following paragraph) and make no representation that we have undertaken to determine independently the accuracy, completeness or fairness of such statements.

Based upon and subject to the foregoing, although we assume no responsibility for the accuracy or completeness of factual information contained in the Preliminary Official Statement and the Official Statement, we are of the opinion that the information contained in the Preliminary Official Statement and the Official Statement (other than financial and statistical data contained therein, as to which no opinion is expressed), under the headings “**THE SERIES 2021A BONDS**” (other than under (i) the last paragraph under the sub-heading “Redemption Procedures” and (ii) the sub-heading “Registration and Payment-Book-Entry System,”) and “**SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2021A BONDS**” (except that no opinion is expressed with respect to (i) the 5th and last sentence under the sub-heading “General”; (ii) the last sentence in the first paragraph under the subheading “The Installment Sale Agreement”; (iii) the subheading “State Aid to Education”; (iv) the first and second sentences in the fifth paragraph under the subheading “The Indenture;” and (v) the subheading “State Aid Depository Agreement”); and in Appendices B, C, D and E to the Official Statement, insofar as such statements contained under such headings and Appendices purport to summarize certain provisions of the referenced documents, present a fair summary of such provisions, and the statements contained under the caption “TAX MATTERS” present a fair description of the matters set forth therein. Except with respect to those portions of the Official Statement described in the preceding sentence, we express no opinion as to any material, information or statistics contained in the Official Statement, including Appendices A and F thereto.

We are of the opinion that the Official Statement has been duly authorized, executed and delivered by the Agency, and that the Agency has authorized the distribution of the Preliminary Official Statement dated January 14, 2021 relating to the Series 2021A Bonds and the use of said Preliminary Official Statement and the Official Statement by the Underwriters in connection with the public offering of the Series 2021A Bonds.

We are further of the opinion that the Purchase Contract has been duly authorized, executed and delivered by the Agency and, assuming due authorization, execution and delivery of the Purchase Contract by the other parties thereto and the enforceability of the same against such other parties, constitutes the binding agreement of the Agency, except to the extent that the enforceability of the Purchase Contract may be limited by bankruptcy, moratorium or insolvency or other laws affecting creditors' rights generally and is subject to general principles or equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We are additionally of the opinion that the Series 2021A Bonds constitute exempted securities within the meaning of the Securities Act of 1933, as amended, and the Trust Indenture Act of 1939, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2021A Bonds, to register the Series 2021A Bonds under such Securities Act or to qualify the Indenture under such Trust Indenture Act.

Very truly yours,

In rendering this opinion, I have further reviewed and relied upon a certificate of the President of the Board of Education and Superintendent of the SCSD, in respect to compliance by the SCSD with the requirements of the New York Education Law and the regulations of the New York Department of Education for state building aid and operating aid to the SCSD.

All capitalized terms used in this opinion and not otherwise defined herein shall have the meanings assigned thereto in the Indenture.

Subject to the foregoing, it is my opinion that:

1. The SCSD is a duly organized and validly existing school district of the State of New York, and has all requisite power and authority to conduct its business as described in the Official Statement, the Purchase Contract and the other SCSD Documents, and to consummate the transactions contemplated by the SCSD Documents and the other Project Documents, and to execute, deliver and perform its obligations under the SCSD Documents.

2. The City is a duly organized and validly existing municipal corporation of the State of New York, and has all requisite power and authority to conduct its business as described in the Official Statement and the City Documents, and to consummate the transactions contemplated by the City Documents and the other Project Documents, and to execute, deliver and perform its obligations under the City Documents.

3. Each of the SCSD Documents and the City Documents conform in all material respects to the descriptions thereof contained in the Official Statement.

4. Each of the SCSD Documents has been duly authorized, executed and delivered by the SCSD. Assuming the due and valid execution and delivery of the SCSD Documents by the other parties thereto (other than the City), each of the SCSD Documents is the legal, valid and binding obligation of the SCSD, enforceable against the SCSD in accordance with its terms, except to the extent that the enforceability thereof may be limited or otherwise affected by (A) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and remedies generally or (B) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith. Each of the City Documents has been duly authorized, executed and delivered by the City. Assuming the due and valid execution and delivery of the City Documents by the other parties thereto (other than the SCSD), each of the City Documents is the legal, valid and binding obligation of the City, enforceable against the City in accordance with its terms, except to the extent that the enforceability thereof may be limited or otherwise affected by (A) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and remedies generally or (B) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith.

5. Each of the Approving Resolutions was duly adopted by the Common Council of the City, the Board of Education of the SCSD or the JSCB, as appropriate.

6. No event of default or event which, with notice or lapse of time or both, would constitute an event of default or a default under any of the SCSD Documents or City Documents has occurred and is continuing.

7. The Series 2021A Project, as described in the Official Statement, constitutes a "*project*" in compliance with the Syracuse Schools Act.

8. Based upon the above-mentioned officer certificate of the SCSD, and to the best of my knowledge after due and diligent inquiry, the SCSD is in compliance with the material rules, regulations and other requirements of the State Education Department in connection with State Aid to Education revenues to the SCSD and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute such a breach of or default under any such requirements, such that State Aid to Education revenues could be impaired.

9. The execution and delivery of the SCSD Documents by the SCSD and the consummation of the transactions therein contemplated and compliance with the provisions thereof (i) do not constitute a violation of any provision of law, any order, regulation or decree of any court or agency of government, indenture, mortgage, deed, trust agreement or other instrument known to me after due inquiry to which the SCSD is a party or any of its respective

property is subject or bound, and (ii) are not in conflict with nor will they result in a breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or instrument.

10. The execution and delivery of the City Documents by the City and the consummation of the transactions therein contemplated and compliance with the provisions thereof (i) do not constitute a violation of any provision of law, any order, regulation or decree of any court or agency of government, indenture, mortgage, deed, trust agreement or other instrument known to me after due inquiry to which the City is a party or any of its respective property is subject or bound, and (ii) are not in conflict with nor will they result in a breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or instrument.

11. The SCSD has duly authorized the taking of any and all action necessary at the date hereof to carry out and give effect to the transactions contemplated to be performed on its part by the SCSD Documents as of the date of this letter.

12. The City has duly authorized the taking of any and all action necessary at the date hereof to carry out and give effect to the transactions contemplated to be performed on its part by the City Documents as of the date of this letter.

13. To my best knowledge after due inquiry, there is no action, suit, proceeding or investigation at law or in equity with respect to the SCSD by or before any court, public board or body, pending or threatened against or affecting the SCSD, wherein an unfavorable decision, ruling or finding on an issue raised by a party thereto would materially adversely affect (i) the transactions contemplated by, or the validity or enforceability of, any of the Project Documents, or (ii) except as is set forth in the Official Statement, the financial condition of the SCSD.

14. To my best knowledge after due inquiry, there is no action, suit, proceeding or investigation at law or in equity with respect to the City by or before any court, public board or body, pending or threatened against or affecting the City, wherein an unfavorable decision, ruling or finding on an issue raised by a party thereto would materially adversely affect (i) the transactions contemplated by, or the validity or enforceability of, any of the Project Documents, or (ii) except as is set forth in the Official Statement, the financial condition of the City.

15. All consents, approvals, confirmations or authorizations, if any, of any governmental authority required on the part of the SCSD in connection with the execution and delivery by the SCSD of the SCSD Documents have been duly obtained.

16. All consents, approvals, confirmations or authorizations, if any, of any governmental authority required on the part of the City in connection with the execution and delivery by the City of the City Documents have been duly obtained.

17. I have reviewed the information in the Official Statement and I have no reason to believe and nothing has come to my attention which leads me to believe that the information contained under the headings "INTRODUCTION," "THE PROGRAM," "PROGRAM PARTICIPANTS," and "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2021A BONDS," and the information with respect to the SCSD and the City under the caption

“NO LITIGATION” contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. I am not called upon to confirm and do not express any opinion as to the accuracy of any other matters in the Official Statement, including without limitation the financial information and other matters included in Appendix A to the Official Statement, and any other financial, technical or statistical data included in the Official Statement or any Appendix thereto.

18. The Syracuse Schools Act is in full force and effect, is enforceable as to the Series 2021A Project (as defined in the Official Statement), and has not been amended, modified, repealed or rescinded.

19. The above-cited ordinance adopted by the Common Council of the City and approved by the Mayor has been duly and validly authorized by the Common Council and is binding on the City, is in full force and effect, and has not been amended, modified, repealed or rescinded.

20. The above-cited resolution adopted by the Board of Education has been duly and validly authorized by the Board of Education and is binding on the SCSD, is in full force and effect, and has not been amended, modified, repealed or rescinded.

21. Pursuant to the Eighth Amendatory License Agreement (Series 2021A Project), dated as of February 1, 2021, the City and the SCSD have vested SIDA with a valid licensed interest in the Facilities.

Only the parties to whom this opinion is addressed and their counsel may rely on this opinion. This opinion speaks only as of the date hereof and is limited to present laws and regulations and the facts as they currently exist and have been represented to me. I assume no obligation to revise, update or supplement this opinion.

All capitalized terms used in this opinion and not otherwise defined herein shall have the meanings assigned thereto in the Indenture.

Subject to the foregoing, it is my opinion that:

22. The SCSD is a duly organized and validly existing school district of the State of New York, and has all requisite power and authority to conduct its business as described in the Official Statement, the Purchase Contract and the other SCSD Documents, and to consummate the transactions contemplated by the SCSD Documents and the other Project Documents, and to execute, deliver and perform its obligations under the SCSD Documents.

24. Each of the SCSD Documents and the City Documents conform in all material respects to the descriptions thereof contained in the Official Statement.

25. Each of the SCSD Documents has been duly authorized, executed and delivered by the SCSD. Assuming the due and valid execution and delivery of the SCSD Documents by the other parties thereto (other than the City), each of the SCSD Documents is the legal, valid and binding obligation of the SCSD, enforceable against the SCSD in accordance with its terms, except to the extent that the enforceability thereof may be limited or otherwise affected by (A) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and remedies generally or (B) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith. Each of the City Documents has been duly authorized, executed and delivered by the City. 26. Each of the Approving Resolutions was duly adopted by the Common Council of the City, the Board of Education of the SCSD or the JSCB, as appropriate.

27. No event of default or event which, with notice or lapse of time or both, would constitute an event of default or a default under any of the SCSD Documents or City Documents has occurred and is continuing.

30. The execution and delivery of the SCSD Documents by the SCSD and the consummation of the transactions therein contemplated and compliance with the provisions thereof (i) do not constitute a violation of any provision of law, any order, regulation or decree of any court or agency of government, indenture, mortgage, deed, trust agreement or other instrument known to me after due inquiry to which the SCSD is a party or any of its respective property is subject or bound, and (ii) are not in conflict with nor will they result in a breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or instrument.

31. The execution and delivery of the City Documents by the City and the consummation of the transactions therein contemplated and compliance with the provisions thereof (i) do not constitute a violation of any provision of law, any order, regulation or decree of any court or agency of government, indenture, mortgage, deed, trust agreement or other instrument known to me after due inquiry to which the City is a party or any of its respective property is subject or bound, and (ii) are not in conflict with nor will they result in a breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or instrument.

32. The SCSD has duly authorized the taking of any and all action necessary at the date hereof to carry out and give effect to the transactions contemplated to be performed on its part by the SCSD Documents as of the date of this letter.

33. The City has duly authorized the taking of any and all action necessary at the date hereof to carry out and give effect to the transactions contemplated to be performed on its part by the City Documents as of the date of this letter.

34. To my best knowledge after due inquiry, there is no action, suit, proceeding or investigation at law or in equity with respect to the SCSD by or before any court, public board or body, pending or threatened against or affecting the SC SD, wherein an unfavorable decision, ruling or finding on an issue raised by a party thereto would materially adversely affect (i) the transactions contemplated by, or the validity or enforceability of, any of the Project Documents, or (ii) except as is set forth in the Official Statement, the financial condition of the SCSD.

35. To my best knowledge after due inquiry, there is no action, suit, proceeding or investigation at law or in equity with respect to the City by or before any court, public board or body, pending or threatened against or affecting the City, wherein an unfavorable decision, ruling or finding on an issue raised by a party thereto would materially adversely affect (i) the transactions contemplated by, or the validity or enforceability of, any of the Project Documents, or (ii) except as is set forth in the Official Statement, the financial condition of the City.

36. All consents, approvals, confirmations or authorizations, if any, of any governmental authority required on the part of the SCSD in connection with the execution and delivery by the SCSD of the SCSD Documents have been duly obtained.

37. All consents, approvals, confirmations or authorizations, if any, of any governmental authority required on the part of the City in connection with the execution and delivery by the City of the City Documents have been duly obtained.

       School Facility Revenue Refunding Bonds  
       (Syracuse City School District Project) Series 2021A

Ladies and Gentlemen:

We have acted as counsel to the Joint Schools Construction Board (“JSCB”) in connection with the above-entitled financing for the purpose of (i) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 and School Facility Revenue Bonds (Syracuse City School District Project) Series 2011A; and (ii) financing certain costs of issuance of the Series 2021A Bonds (collectively, the “Series 2021A Project”) for a comprehensive program (“the Program”) for the development of the educational facilities of the Syracuse City School District (“the SCSD”). In that capacity, we have been requested to state our opinion as to certain matters referred to below. In the course of our representation of the JSCB, we have made all necessary inquiries of representatives of JSCB authorized to make representations on behalf of the SCSD and the City of Syracuse (the “City”), and having knowledge of the Series 2021A Project and the transaction

contemplated by the following documents. For that purpose, we have reviewed the following documents to which the JSCB is a party:

(a) The Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, (the “Original Agreement”) as amended nine times (the Original Agreement and the nine amendments, collectively, the “Installment Sale Agreement” as same may further be amended or supplemented from time to time), each between the Agency, the City, the SCSD and the JSCB.

(b) The Pledge and Assignment, dated as of February 1, 2021 (the "***Pledge and Assignment***"), by the Agency in favor of the Trustee acknowledged by the City, the SCSD and the JSCB;

(c) The State Aid Depository Agreement, dated as of March 1, 2008, as amended by First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the “State Aid Depository Agreement”), among the SCSD, Manufacturers and Traders Trust Company, as “Trustee”, Manufactures and Traders Trust Company, as depository, the City and the JSCB.

(d) The resolution of the JSCB authorizing the execution, delivery and performance of the Bond Documents and directing that its authorized officer do and cause to be done any such other acts and things as he or she determines may be necessary or desirable to consummate the transactions contemplated by the bond documents, including determining that the cost to the taxpayers of the City of Syracuse and State of New York of the above-entitled financing through SIDA is less than the cost would be if the financing of the Project were effected by the New York State Municipal Bond Bank Agency.

(e) The Tax Certificate.

(f) The Purchase Contract, dated January 21, 2021 between Raymond James & Associates, as Representative of the Underwriters (the “Underwriters”), and the JSCB, on behalf of itself, the City and the SCSD, and SIDA (the “Purchase Contract”).

(g) The Continuing Disclosure Agreement, dated as of February 1, 2021, between the JSCB, on behalf of the City and the SCSD, and the Trustee (the “Continuing Disclosure Agreement”).

(h) The Preliminary Official Statement, dated January 14, 2021 (the “Preliminary Official Statement”), and the final Official Statement dated January 21, 2021 with respect to the offering and sale of the Series 2021A Bonds (to be executed by SIDA and the JSCB (the “Official Statement”).

(i) The Syracuse Joint School Construction Agreement, dated as of April 1, 2004 (the “JSCB Agreement”), between the City and the SCSD.

(j) The Indenture of Trust (Series 2021A Project), dated as of February 1, 2021 (the “Indenture”) between SIDA and Manufacturers and Traders Trust Company, as trustee (the “Trustee”).

(k) The Environmental Compliance and Indemnification Agreement, dated as of March 1, 2008, as amended by the First Supplemental Environmental Compliance and Indemnification Agreement, dated as of December 1, 2010, and as further amended by the Second Supplemental Environmental Compliance and Indemnification Agreement, dated as of July 1, 2011, as further amended by the Third Supplemental Environmental Compliance and Indemnification Agreement, dated as of March 1, 2018, as further amended by the Fourth Supplemental Environmental Compliance and Indemnification Agreement, dated as of June 1, 2018, and as further amended by the Fifth Supplemental Environmental Compliance and Indemnification Agreement, dated as of April 1, 2019, as further amended by the Sixth Supplemental Environmental Compliance and Indemnification Agreement, dated as of March 1, 2020, and as further amended by the Seventh Supplemental Environmental Compliance and Indemnification Agreement, dated as of February 1, 2021, from the SCSD and the City to SIDA.

The JSCB is an inter-municipal board created by an ordinance of the City to assist in the planning and development of the Program. It has been assigned additional functions by Chapter 58, part 4-A of the Laws of 2006 of the State of New York, as amended (the “Syracuse Schools Act”).

Any opinion in this letter concerning the validity, binding effect or enforceability of any document may be limited or otherwise affected by (a) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors’ rights and remedies generally or (b) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith.

Subject to the foregoing, it is our opinion that:

1. The JSCB is a validly existing inter-municipal board and has all requisite power and authority to adopt the Resolution and to execute, deliver and perform its obligations under the JSCB Documents.

2. The Resolution was duly adopted by the JSCB at a meeting held on October 29, 2020.

3. The Installment Sale Agreement, the Tax Certificate, the Purchase Contract and the Continuing Disclosure Agreement have each been duly authorized, executed and delivered by the JSCB. Assuming the due and valid execution and delivery by the other parties thereto, and assuming each to be a legal, valid and binding obligation of the SCSD (as to which we refer you to the opinion of the Corporation Counsel of the SCSD, and express no independent opinion), each of the Installment Sale Agreement, the Continuing Disclosure Agreement, the Tax Certificate Agreement and the Purchase Contract are the legal, valid and binding obligations of the JSCB, enforceable against the JSCB in accordance with their respective terms.

4. The Series 2021A Project is not within the type of actions or classes of actions identified by the New York State Department of Environmental Conservation under the State Environmental Quality Review Act, being Article 8 of the New York State Environmental Conservation Law, which will in almost every instance have a significant effect on the

environment and are therefore likely to require the preparation of environmental impact statements.

We express no opinion with respect to the effect of any law other than the law of the State of New York.

This opinion letter has been prepared, and is intended to be construed, in accordance with the customary practice of lawyers who regularly give, and lawyers who regularly advise opinion recipients concerning, opinions of the type contained herein.

Only the parties to whom this opinion is addressed and their counsel may rely on this opinion. This opinion speaks only as of the date hereof and is limited to present laws and regulations and the facts as they currently exist and have been represented to us. We assume no obligation to revise, update or supplement this opinion.

Yours very truly,

**School Facility Revenue Refunding Bonds**  
**(Syracuse City School District Project) Series 2021A**

Dated: Delivery Date

Due: as shown on inside cover

The School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2021A (the "**Series 2021A Bonds**") are being issued by the City of Syracuse Industrial Development Agency (the "**Issuer**") in accordance with Chapter 58 Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "**Syracuse Schools Act**"). The Series 2021A Bonds will be issued pursuant to an Indenture of Trust (Series 2021A Project) dated as of February 1, 2021 (the "**Indenture**") between the Issuer and Manufacturers and Traders Trust Company, as Trustee (the "**Trustee**"), to provide money to refinance a portion of the costs of design, reconstruction, renovation, rehabilitation, improvements, furnishing and/or equipping of certain existing school buildings for use by the City School District of the City of Syracuse (the "**SCSD**"). The Series 2021A Bonds are special limited obligations of the Issuer payable from amounts due solely from the SCSD and the City of Syracuse (the "**City**") under an Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008 (the "**2008 Original Installment Sale Agreement**"), which was previously amended eight times, each amendment corresponding to an issuance of school facility revenue bonds to be used for the betterment of, or refinancing of, existing school buildings within SCSD between 2010 and 2020, and the current amendment being Amendment No. 9 to Installment Sale Agreement dated as of February 1, 2021 (the "**Ninth Amended Agreement**") and together with the 2008 Original Installment Sale Agreement and the eight prior amendments, collectively, the "**Installment Sale Agreement**" or "**Agreement**"), each among the Issuer, the City, the SCSD and the Syracuse Joint Schools Construction Board (the "**JSCB**").

The obligation of the SCSD and the City to pay base installment purchase payments and installment purchase payments under the Installment Sale Agreement are deemed executory only to the extent of New York State building and operating aid, which aid does not include Expanding our Children's Education and Learning aid, that is appropriated by the New York State Legislature and paid to the SCSD or the City or any officer thereof, for the provision of public educational instruction for the City ("**State Aid to Education**"). Payment of State Aid to Education to the SCSD and the City is subject to annual appropriation of the State of New York (the "**State**"). Pursuant to a State Aid Depository Agreement, dated as of March 1, 2008 (the "**Depository Agreement**"), as previously amended by a First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "**First Amendment to State Aid Depository Agreement**") and together with the Depository Agreement collectively, the "**State Aid Depository Agreement**"), each among the SCSD, the City and Manufacturers and Traders Trust Company, as depository (the "**Depository**"), all State Aid to Education made payable to the SCSD or the City will be deposited into a State Aid Depository Fund with the Depository and, upon appropriation by the City and the SCSD, such State Aid to Education will be disbursed for the payment of principal and interest on the Series 2021A, Series 2020A, Series 2019A, Series 2018B Bonds (as defined herein), Series 2018A Bonds (as defined herein), Series 2017 Bonds (as defined herein), Series 2011B Bonds (as defined herein) and other purposes of the SCSD.

The Series 2021A Bonds are special limited obligations of the Issuer payable solely from: (i) the payment of base installment purchase payments and installment purchase payments by the SCSD and the City under the Installment Sale Agreement; and (ii) the pledge of certain funds, including a bond fund, under the Indenture. In the event the SCSD and the City fail to make an installment purchase payment under the Installment Sale Agreement, it is provided in the Syracuse Schools Act and the Indenture that, upon receipt by the New York State Comptroller (the "**State Comptroller**") of a certificate from the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller shall withhold State Aid to Education payable to the SCSD or the City to the extent of the amount so stated in such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. The obligation of the SCSD and the City under the Installment Sale Agreement to pay base installment purchase payments and installment purchase payments is not a general obligation of the SCSD or the City and neither the faith and credit nor the taxing powers of the City is pledged to the payment of base installment purchase payments and installment purchase payments under the Installment Sale Agreement. The obligation of the SCSD and the City under the Installment Sale Agreement to pay base installment purchase payments and installment purchase payments in any fiscal year of the SCSD or the City constitutes a current expense of the SCSD for such fiscal year and shall not constitute an indebtedness or moral obligation of the SCSD, the City or the State within the meaning of any constitutional or statutory provision or other laws of the State. The only source of moneys available for the payment of the principal of and interest on the Series 2021A Bonds are bond proceeds set aside to fund capitalized interest, installment purchase payments made by the SCSD and the City under the Installment Sale Agreement to the extent of State Aid to Education appropriated by the State and available to the SCSD and/or the City and appropriated by the City and the SCSD to make such payments, the pledge of certain funds under the Indenture, and the intercept by the State Comptroller of State Aid to Education payable to the City or the SCSD to the extent of any installment purchase payment deficiency. The Series 2021A Bonds are neither a general obligation of the Issuer, nor a debt or indebtedness of the City or the State and neither the City nor the State shall be liable thereon. The Issuer has no taxing power. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2021A BONDS" herein.

The Series 2021A Bonds will be issued in fully registered form registered in the name of Cede & Co., as nominee for The Depository Trust Company ("**DTC**"). See "THE SERIES 2021A BONDS—Registration and Payment — Book-Entry System" herein.

The Series 2021A Bonds will bear interest payable semiannually on May 1 and November 1 of each year commencing May 1, 2021 and are subject to redemption prior to maturity as described herein. See "THE SERIES 2021A BONDS—Redemption of Series 2021A Bonds" herein.

*In the opinion of Bousquet Holstein PLLC, Bond Counsel to the Issuer, under existing law and assuming continuing compliance by the Issuer, the SCSD and the City with certain covenants and the accuracy and completeness of certain representations made by the Issuer, the SCSD and the City, interest on the Series 2021A Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals. Bond Counsel is also of the opinion that, under existing statutes, interest on the Series 2021A Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). See "TAX MATTERS" herein.*

*The Series 2021A Bonds are offered when, as, and if issued and received by the Underwriters subject to the approval of legality by Bond Counsel to the Issuer. Certain legal matters will be passed upon for the Issuer by Corporation Counsel of the City; for the Underwriters by its counsel, Harris Beach PLLC, Syracuse, New York; for the JSCB by its counsel, Trespass & Marquardt, LLP, Syracuse, New York; for the SCSD and the City by the Corporation Counsel of the City. Capital Markets Advisors, LLC serves as independent financial advisor to the SCSD and the City. It is expected that the Series 2021A Bonds will be available for delivery through the facilities of DTC on or about February 1, 2021.*

**\$26,720,000\***  
**CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**  
**SCHOOL FACILITY REVENUE REFUNDING BONDS**  
**(SYRACUSE CITY SCHOOL DISTRICT PROJECT) SERIES 2021A**

**INTRODUCTION**

**General**

This Official Statement sets forth certain information concerning the issuance and sale by the City of Syracuse Industrial Development Agency (the “*Issuer*”) of \$26,720,000\* School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2021A (the “*Series 2021A Bonds*”). The Series 2021A Bonds will be secured by and issued pursuant to an Indenture of Trust (Series 2021A Project) dated as of February 1, 2021 (the “*Indenture*” or the “*Series 2021A Indenture*”) between the Issuer and Manufacturers and Traders Trust Company, as Trustee (the “*Trustee*”).

Certain capitalized terms used in this Official Statement which are not defined herein shall have the meanings assigned to them in APPENDIX B - “Summary of Definitions” attached hereto.

**Impact of the Novel Coronavirus Pandemic**

The coronavirus pandemic has had, and is expected to continue to have, negative effects on the City, its economy and the SCSD, including on the projected State Aid to Education. The most recent projections of State Aid to Education are reflected in this Official Statement. However, the ultimate impact of the pandemic on State Aid to Education cannot be determined at this time and no assurance can be provided that the economic disruptions caused by the pandemic will not result in State Aid to Education being lower than projected herein.

The SCSD believes that it would mitigate the impact of any delays or the reduction in State Aid to Education by reducing expenditures, increasing revenues, appropriating other available funds on hand, and/or by any combination of the foregoing. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2021A BONDS – State Aid to Education” and “BONDHOLDERS’ RISKS – Impact of the Novel Coronavirus Pandemic.”

**Authorization**

The Series 2021A Bonds will be issued pursuant to the Issuer’s enabling legislation constituting Title I of Article 18-A of the General Municipal Law of the State of New York (the “*State*”) (enacted into law as Chapter 1030 of the Laws of 1969 of the State), and Title II of Article 18-A § 926 of the General Municipal Law of the State enacted into law as Chapter 641 of the Laws of 1979 of the State (collectively, the “*Act*”); and Chapter 58 Part A-4 of the Laws of 2006, as amended from time to time (the “*Syracuse Schools Act*”); and the resolution of the Issuer adopted on December 16, 2020.

The Syracuse Schools Act was enacted and became legally effective April 1, 2006, authorizing a multi-year comprehensive redevelopment program of the SCSD’s public schools (“the *Program*”). The Program was adopted by the JSCB on February 28, 2008, amended on April 17, 2009 and approved by the Office of the State Comptroller on June 24, 2009 in accordance with §6 of the Syracuse Schools Act. The Syracuse Schools Act was enacted to encourage the City and the SCSD to cooperatively undertake new and innovative ways of renovating, rehabilitating, constructing and financing public schools within the City.

---

\* Preliminary, subject to change.

Phase I of the Program authorized the acquisition, renovation, reconstruction, improvement, equipping, and furnishing of certain public school buildings of the SCSD, at a cost not to exceed \$225 million (the “*Phase I Project*”). The Phase I Project is complete.

State legislation authorizing Phase II of the Program at a cost not to exceed \$300 million was enacted on October 25, 2013 and subsequently amended on March 17, 2014 to specify fifteen (15) additional school buildings to be included in Phase II of the Program (the “*Phase II Project*”). Such legislation also authorized the City to provide interim financing for project costs from the proceeds of City obligations issued in anticipation of permanent financing from any source provided under the Syracuse Schools Act, and the reimbursement to the City for the payment of such obligations from any such source (including permanent financing issued through the Issuer for such purpose).

## **Purpose**

The proceeds of the Series 2021A Bonds will be applied for the purpose of (i) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 (the "Series 2010 Bonds" or the “Series 2010 Refunded Bonds”) of which \$17,380,000 principal amount is currently outstanding; (ii) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2011A (the "Series 2011A Bonds" or the “Series 2011A Refunded Bonds”) and together with the Series 2010 Refunded Bonds, collectively, the “Refunded Bonds”) of which \$11,855,000 principal amount is currently outstanding; and (iii) financing certain costs of issuance of the Series 2021A Bonds and paying the redemption costs of the Series 2010 Refunded Bonds and Series 2011A Refunded Bonds. The Series 2010 Refunded Bonds were originally issued pursuant to the Indenture of Trust (Series 2010 Project), dated as of December 1, 2010 (the “Series 2010 Indenture”), between the Issuer and Manufacturers and Traders Trust Company, as trustee under the Series 2010 Indenture. The Series 2011A Refunded Bonds were originally issued pursuant to the Indenture of Trust (Series 2011A Project), dated as of July 1, 2011 (the “Series 2011A Indenture”), between the Issuer and Manufacturers and Traders Trust Company, as trustee under the Series 2011A Indenture.

To assist investors with complying with Federal Home Loan Bank collateral regulations, the Issuer presently contemplates that approximately 100% of the net proceeds of the Series 2021A Bonds will be used to finance or refinance the acquisition, development, and/or improvement of real property.

## **The Program**

Prior to the commencement of the Program, the facilities of the SCSD had not been updated or improved in a number of years. The Syracuse Schools Act authorized the City and SCSD to create the JSCB and authorized the JSCB to manage the design, reconstruction, and financing of the rehabilitation of existing public school facilities in the City, and to coordinate efforts for compliance with, the monitoring of, and the reporting on, a Program-wide diversity plan.

The JSCB retained the Gilbane Building Company, a privately held family run construction company founded in 1873 in Providence, Rhode Island, to be the independent program/construction management firm for Phase I of the Program (“*Phase I Program Manager*”), and to assist in the management of Phase I of the Program under the supervision of the City Engineer. The Issuer previously issued \$156,820,000 principal amount of Project Bonds (as defined herein) to finance or refinance the costs of the Phase I Project as follows:

<u>Date of Issue</u>	<u>Name of Issue</u>
March 26, 2008	\$49,230,000 School Facility Revenue Bonds (Syracuse City School District Project) Series 2008A
December 23, 2010	\$31,470,000 School Facility Revenue Bonds (Syracuse City School District Project) Series 2010
July 12, 2011	\$31,860,000 School Facility Revenue Bonds (Tax Exempt Bonds) (Syracuse City School District Project) Series 2011A \$15,000,000 School Facility Revenue Bonds (Federally Taxable Qualified School Construction Bonds) (Syracuse City School District Project) Series 2011B
April 20, 2017	\$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017

The JSCB selected Turner Construction Company (“**Phase II Program Manager**” and together with the Phase I Program Manager, collectively, the “**Program Managers**”) as the Program Manager for Phase II of the Program on August 28, 2015. The Issuer has previously issued \$251,730,000 principal amount of Project Bonds to finance a portion of the Phase II Project as follows:

<u>Date of Issue</u>	<u>Name of Issue</u>
March 15, 2018	\$67,265,000 aggregate principal amount of its School Facility Revenue Bonds (Syracuse City School District Project) Series 2018A
June 20, 2018	\$38,500,000 aggregate principal amount of its School Facility Revenue Bonds (Syracuse City School District Project) Series 2018B
April 11, 2019	\$65,435,000 aggregate principal amount of its School Facility Revenue Bonds (Syracuse City School District Project) Series 2019A
March 3, 2020	\$80,530,000 aggregate principal amount of its School Facility Revenue Bonds (Syracuse City School District Project) Series 2020A

It is anticipated that funds required to complete future phases of the Program will be derived, in part, through the issuance and sale from time to time of other series of bonds, which together with the Series 2010 Bonds, the Series 2011 Bonds, the Series 2017 Bonds, the Series 2018A Bonds, the Series 2018B Bonds, the Series 2019A, the Series 2020A Bonds, and the Series 2021A Bonds are collectively referred to hereinafter as (“**Project Bonds**”) issued by the Issuer or other authorized issuer pursuant to separate or supplemental indentures of trust and bond resolutions (each, including the Indenture, being a “**Series Indenture**,” and the trustee under each Series Indenture, including the Trustee, being a “**Series Trustee**”). It is further anticipated that the additional facilities to be financed from future series of Project Bonds will be made subject to a separate or amended license agreement or ground lease and a separate or amended lease agreement or a separate or amended installment sale agreement or similar instrument (each such separate lease agreement or installment sale agreement, including the Installment Sale Agreement, being a “**Series Facilities Agreement**”).

## Structure

Pursuant to the License Agreement, dated as of March 1, 2008, between the City and the SCSD, as licensor, and the Issuer, as licensee (the “**Original License Agreement**”), which was previously amended seven times, each amendment corresponding to an issuance of bonds to be used for the betterment of existing school buildings within SCSD between 2010 and 2020, and the current amendment being the Eighth Amending License Agreement dated as of February 1, 2021 (the “**Eighth Amending License Agreement**”) and together with the Original License Agreement and the seven prior amendments, collectively, the “**License Agreement**”), each among the Issuer, City and the SCSD, the City and the SCSD licensed to the Issuer certain existing school buildings within the SCSD and, pursuant to one or more bills of sale, conveyed title to the equipment to the Issuer (individually, each a Series [year] Facilities and collectively, the “**Series 2008-2021A Facilities**”). The Eighth Amending License Agreement will be entered into concurrently with the issuance of the Series 2021A Bonds and will have a term ending upon the later of completion of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project, the Series 2017 Project, the Series 2018A Project, the Series 2018B Project, Series 2019A Project, Series 2020A Project or the Series 2021A Project. Concurrently therewith, the Issuer will sell and assign its license interest under the License Agreement and a bill of sale in the Series 2021A Facilities to the SCSD and the City pursuant to the Installment Sale Agreement. Installment Purchase Payments due from the SCSD and the City under the Installment Sale Agreement related to the Series 2021A Bonds, will equal principal and interest due on the Series 2021A Bonds, including the mandatory principal payments. Pursuant to §14(a) of the Syracuse Schools Act, the Board of Education for the SCSD shall be responsible for the maintenance and operation of the Series 2008-2021A Facilities.

Pursuant to the Indenture, the Issuer will issue the Series 2021A Bonds for the benefit of the JSCB, to refund the Refunded Bonds, and reserves the right, upon request of the JSCB, to issue one or more Series of Additional Bonds under the Indenture. To accomplish the refunding, substantially all of the proceeds from the sale of the Series 2021A Bonds will be deposited into one or more separate special trust fund(s) created under that certain Refunding Escrow Trust Agreement dated as of February 1, 2021 entered into among the Issuer, the SCSD and Manufacturers and Traders Trust Company, as Escrow Agent providing for the defeasance of the Refunded Bonds (the “**Refunding Escrow Trust Agreement**”). See "PLAN OF FINANCING."

## Security

Principal of and interest on the Series 2021A Bonds will be secured by: (i) Installment Purchase Payments made by the SCSD and the City under the Installment Sale Agreement; and (ii) the pledge of certain funds, including the Bond Fund under the Indenture. In the event the SCSD or the City fails to make an Installment Purchase Payment under the Installment Sale Agreement, the Syracuse Schools Act and the Indenture provide that, upon receipt by the New York State Comptroller (the “**State Comptroller**”) of a certificate from the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller shall withhold from the SCSD and the City any State Aid to Education payable to the City or the SCSD to the extent of the amount so stated in such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2021A BONDS—State Aid Intercept” and “State Aid to Education.” The Syracuse Schools Act further provides that (x) any amount of State Aid to Education so paid by the State Comptroller shall not obligate the State to make, nor entitle the SCSD or the City to receive, any additional amounts of state and/or school aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of state and/or school aid, and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain state and/or school aid at any particular level or amount.

The obligations of the SCSD and the City to pay Installment Purchase Payments under the Installment Sale Agreement are deemed executory only to the extent of State Aid to Education appropriated by the New York State Legislature (the “*State Legislature*”) and available to the SCSD and/or the City and appropriated by the City and approved by the SCSD for the payment of Installment Purchase Payments under the Installment Sale Agreement, and no liability on account thereof shall be incurred by the SCSD or the City beyond the amount of such State Aid to Education so available and appropriated; *provided, however*, that the failure of the SCSD and the City, for any reason (including a failure by the SCSD to budget and appropriate funds for Installment Purchase Payments, a failure by the City to approve a budget and appropriate funds providing for Installment Purchase Payments or a failure by the State to appropriate State Aid to Education) to make an Installment Purchase Payment under the Installment Sale Agreement is deemed a failure to make a payment thereunder for purposes of the state and/or school aid intercept implementing provisions of the Syracuse Schools Act and the intercept provisions of the Indenture. Payment of State Aid to Education to the SCSD and/or the City is subject to annual appropriation by the State Legislature. Except to the extent limited as provided above, the obligation of the SCSD and the City to pay Installment Purchase Payments under the Installment Sale Agreement and to perform their obligations thereunder shall be absolute and unconditional; and such Installment Purchase Payments and other amounts shall be payable without any rights of set-off, or recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction they might otherwise have against the Issuer, the Trustee, any purchaser of any Series 2021A Bond or any other person and whether or not any or all of the facilities financed with the proceeds of the Series 2021A Bonds are used or occupied by the City, the JSCB or the SCSD or available for use or occupancy by the City, the JSCB or the SCSD. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2021A BONDS,” “BONDHOLDERS’ RISKS - Additional Series of Project Bonds or Series of Additional Bonds” and APPENDIX D — “Summary of Certain Provisions of the Installment Sale Agreement.”

The SCSD, the City and Manufacturers and Traders Trust Company, as depository bank (the “*Depository*”), have entered into a State Aid Depository Agreement, dated as of March 1, 2008 (the “*Depository Agreement*”), as previously amended by the First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the “*First Amendment to State Aid Depository Agreement*”) and together with the Depository Agreement, collectively, the “*State Aid Depository Agreement*”). In accordance with the State Aid Depository Agreement, the Commissioner of Finance of the City (the “*Commissioner of Finance*”) and the President of the Board of Education of the SCSD have instructed the State Comptroller to pay all State Aid to Education directly to a designated fund (the “*State Aid Depository Fund*”) held with the Depository. Provided the City and the SCSD have made an appropriation for the payment of Installment Purchase Payments under the Installment Sale Agreement, amounts in the State Aid Depository Fund will be transferred periodically to the Trustee for deposit in the Bond Fund established under the Indenture (and to each equivalent fund under each other Series Indenture), on a Ratable Basis, toward the payment of the Series 2021A Bonds and other series of Project Bonds outstanding under each other Series Indenture, and any balance remaining will be transferred to the SCSD. Amounts in the State Aid Depository Fund will be transferred by the Depository to the Bond Fund periodically on a Ratable Basis from each December 1 until each March 31 of each Fiscal Year (the “*Collection Period*”) and will be credited against the obligation of the SCSD and the City to pay annual Installment Purchase Payments under the Installment Sale Agreement due on April 1 of each year. Although the State Aid Depository Agreement requires an immediate transfer of State Aid to Education from the State Aid Depository Fund to the Bond Fund during the Collection Period, amounts held in the State Aid Depository Fund are not subject to the lien of the Indenture and are not pledged as security for the payment of the Series 2021A Bonds until such amounts have been transferred by the Depository to the Trustee and deposited in the Bond Fund under the Indenture.

Notwithstanding the April 1 Installment Purchase Payment Date and Base Installment Purchase Payment Date under the Installment Sale Agreement, said agreement provides that if the SCSD fails to

appropriate by November 1, (or by any subsequent November 1 that the Series 2021A Bonds remain Outstanding) State Aid Revenues in an amount sufficient to pay the Installment Purchase Payment and Base Installment Purchase Payments due on the immediately succeeding April 1 (less any amounts on deposit in the Bond Fund and available on such November 1), then: (y) the SCSD shall promptly deliver written notice of such failure to appropriate to the Issuer and the Trustee, and (z) the next succeeding April 1 payment date for the annual Installment Purchase Payment Date and Base Installment Purchase Payment Date shall instead be the November 15 immediately preceding such April 1 payment date as if that November 15 were the originally scheduled annual Installment Purchase Payment Date; and if for any reason the Installment Purchase Payment and Base Installment Purchase Payments due on such November 15 are not made by such date, any such failed payment shall constitute a failure to make a payment under the Installment Sale Agreement for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the State Aid intercept implementing provisions of the Indenture.

The State’s 2020-21 enacted budget links payment of school aid increases for 2020-21 to submission of Budget Transparency Reporting. The amount of total State Aid to Education budgeted to be received by the SCSD in fiscal year ending June 30, 2021 is \$356.6 million, which is a decrease of \$5.8 million, or 1.6%, compared to the amount budgeted for the 2019-20 fiscal year. In December 2020, New York State Department of Education approved the Syracuse City School District Budget Transparency Report, therefore the current year state aid increase payment will not be delayed or withheld. The maximum annual Installment Purchase Payment with respect to all outstanding Project Bonds, including the Series 2021A Bonds is approximately \$ \_\_\_\_\_.

During the Collection Period from December 1 until March 31 of each of the following fiscal years of the SCSD year, the SCSD received State Aid to Education in the following amounts:

No assurance can be given that the foregoing amounts of State Aid to Education will continue or will be appropriated by the State in such amounts in future fiscal years. See “PROGRAM PARTICIPANTS - The SCSD and Board of Education,” “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2021A BONDS” and “BONDHOLDERS’ RISKS — Competing Claims to State Aid,” and APPENDIX A — “Certain Financial Information and Audited Financial Statements of the City School District of the City of Syracuse.”

The State is not legally obligated to pay State Aid to Education to the SCSD or the City. The amount of State Aid to Education paid to the SCSD is dependent, in part, upon the financial condition of the State. See “BONDHOLDERS’ RISKS - The State’s Financial Condition, Reduced State Aid, Delayed Payment.”

Pursuant to the Indenture and the Pledge and Assignment, the Issuer has assigned to the Trustee substantially all of its rights under the Installment Sale Agreement with respect to the Series 2021A Bonds, including the right to receive and collect the Installment Purchase Payments with respect to the Series 2021A Bonds (other than moneys payable for the Issuer’s Reserved Rights) payable by the SCSD and the City thereunder. Pursuant to the Indenture and the Pledge and Assignment, the Issuer has also pledged and assigned to the Trustee for the benefit of the holders of the Series 2021A Bonds, substantially all of its right, title and interest in and to State Aid to Education and the funds, monies or securities held under the Indenture (other than amounts set aside and transferred to the Rebate Fund), including amounts held in the Bond Fund.

THE SERIES 2021A BONDS ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM STATE AID TO EDUCATION PAYABLE BY THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT AND THE PLEDGE OF CERTAIN FUNDS INCLUDING THE BOND FUND UNDER THE INDENTURE. IN THE EVENT THE SCSD OR THE CITY FAILS TO MAKE AN INSTALLMENT PURCHASE PAYMENT UNDER THE INSTALLMENT SALE AGREEMENT, THE SYRACUSE SCHOOLS ACT AND THE INDENTURE PROVIDE THAT, UPON RECEIPT BY THE STATE COMPTROLLER OF A CERTIFICATE FROM THE TRUSTEE ON BEHALF OF THE ISSUER AS TO THE AMOUNT OF SUCH FAILED PAYMENT, THE STATE COMPTROLLER SHALL WITHHOLD ANY STATE AID TO EDUCATION FROM THE SCSD AND THE CITY PAYABLE THERETO TO THE EXTENT OF THE AMOUNT SO STATED IN SUCH CERTIFICATE AS NOT HAVING BEEN MADE, AND SHALL IMMEDIATELY PAY OVER TO THE TRUSTEE ON BEHALF OF THE ISSUER THE AMOUNT SO WITHHELD. THE OBLIGATION OF THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO PAY INSTALLMENT PURCHASE PAYMENTS IS NOT A GENERAL OBLIGATION OF THE SCSD OR THE CITY AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWERS OF THE CITY IS PLEDGED TO THE PAYMENT OF INSTALLMENT PURCHASE PAYMENTS UNDER THE INSTALLMENT SALE AGREEMENT. THE OBLIGATIONS OF THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO PAY INSTALLMENT PURCHASE PAYMENTS IN ANY FISCAL YEAR OF THE SCSD OR THE CITY CONSTITUTE A CURRENT EXPENSE OF THE SCSD FOR SUCH FISCAL YEAR AND SHALL NOT CONSTITUTE AN INDEBTEDNESS OR MORAL OBLIGATION OF THE SCSD, THE CITY OR THE STATE WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR OTHER LAWS OF THE STATE. THE ONLY SOURCES OF MONEYS AVAILABLE FOR THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE SERIES 2021A BONDS ARE BOND PROCEEDS SET ASIDE TO FUND CAPITALIZED INTEREST, INSTALLMENT PURCHASE PAYMENTS MADE BY THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO THE EXTENT OF STATE AID TO EDUCATION APPROPRIATED BY THE STATE AND AVAILABLE TO THE SCSD AND/OR THE CITY AND APPROPRIATED BY THE CITY AND THE SCSD TO MAKE SUCH PAYMENTS, THE PLEDGE OF CERTAIN FUNDS UNDER THE INDENTURE, AND THE INTERCEPT BY THE STATE COMPTROLLER OF STATE AID TO EDUCATION PAYABLE TO THE CITY OR THE SCSD TO THE EXTENT OF ANY INSTALLMENT PURCHASE PAYMENT DEFICIENCY.

## **THE PROGRAM**

### **Authorization**

The total cost to complete all Phases of the Program (I-IV) is currently estimated to be approximately \$1.2 billion. To date, approximately \$324.8 million has been spent on the Program. The JSCB has completed and closed out Phase I of the Program. The Series 2020A Bonds were the fourth series of Project Bonds to be issued to finance the costs of Phase II of the Program. It is anticipated that subsequent phases of the Program will be funded by the issuance of one or more series of Project Bonds under separate Series Indentures. Phases III and IV will be subject to future authorization by the State Legislature.

The Program has been developed by the JSCB, pursuant to the Syracuse Schools Act and an April 1, 2004 intermunicipal agreement between the City and the SCSD as amended, and encompasses a multi-phase comprehensive redevelopment program for the reconstruction of existing public schools for the SCSD. There have been no new public schools built in the City during the past 30 years, and prior to Phase I of the Program many elementary and secondary schools in the City were in extremely poor physical condition. The Syracuse Schools Act was enacted to encourage the City and the SCSD to cooperatively undertake new and innovative ways of renovating, rehabilitating and financing existing public schools within the City. The Syracuse Schools Act authorized Phase I of the Program for various schools at a cost not to exceed \$225,000,000. The JSCB determined that a finance plan consisting of approximately \$151,000,000 of project funds for Phase I was sufficient for the Phase I Projects. Phase I included extensive renovations to four SCSD school buildings (Central Tech, Fowler, HW Smith and Dr. Weeks), and minor renovations at two other SCSD buildings (Clary and Bellevue Academy at Shea). The JSCB has closed all Phase I projects.

All schools in the Phase II Project are approved by the Commissioner of SED and include the following: Bellevue Elementary, Ed Smith Pre-K-8, Frazer Pre-K-8, Grant Middle School, Huntington Pre-K-8, Public Service Leadership Academy at Fowler, Syracuse STEM at Blodgett (formerly West Side Adacemy at Blodgett), Clary Middle School, Corcoran High School, Brighton Academy Middle School (formerly Danforth Middle School), Expeditionary Learning Middle School, Henninger High School and Nottingham High School. Shea Middle School and the vacant Greystone Building were removed from the Program due to budget constraints.

The total estimated project cost of the Phase II Project is \$300,000,000 of which \$295.5 million has been funded by the issuance of four series of Project Bonds in 2018 through 2020.

### **The City**

The City is a municipal corporation and the fifth largest city in the State. The City encompasses a land area of 26 square miles in the north central portion of the State near Lake Ontario. According to 2016

interim data released by the U.S. Census Bureau, the City's population is 144,350 (a decline of 820 persons since the 2010 census).

The City, which was incorporated in 1848, operates under a Charter adopted in 1960 (the "**Charter**"). In accordance with its Charter, the City has a strong mayor-council form of government. The mayor, as chief executive officer (the "**Mayor**"), is the head of the executive department and oversees all administrative functions. The Common Council performs all legislative duties.

The City is responsible for and provides police, fire, sanitation, street maintenance, parks and recreation, and property assessment services. Air transportation is available at the Hancock International Airport, which is owned by the City and operated by the Syracuse Regional Airport Authority. The City operates a water system and is responsible for sewage collection. The County of Onondaga (the "**County**") provides sewage treatment. The City supports the cost of primary and secondary education expenditures, however, the SCSD is governed by an independently elected Board of Education whose members oversee the administration of the City's school system.
