PART A-4

6 Section 1. Paragraph c of subdivision 7 of section 3602 of the educa-
7 tion law, as amended by section 22 of part C of chapter 57 of the laws
8 of 2004, is amended to read as follows:

9 c. For the purposes of computing this apportionment for the two thou-
10 sand five--two thousand six school year and thereafter, approved trans-
11 portation capital, debt service, and lease expense shall be the amount
12 computed based upon an assumed amortization determined pursuant to para-
13 graph e of this subdivision for an expenditure incurred by a school
14 district and approved by the commissioner for those items of transporta-
15 tion capital, debt service and lease expense allowable under subdivision
16 two of section thirty-six hundred twenty-three-a of this article for:
17 (i) the regular aidable transportation of pupils, as such terms are
18 defined in sections thirty-six hundred twenty-one and thirty-six hundred
19 twenty-two-a of this article, (ii) the transportation of children with
20 disabilities pursuant to article eighty-nine of this chapter, and (iii)
21 the transportation of homeless children pursuant to paragraph c of
22 subdivision four of section thirty-two hundred nine of this chapter,
23 provided that the total approved cost of such transportation shall not
24 exceed the amount of the total cost of the most cost-effective mode of
25 transportation. Approvable expenses for the purchase of school buses
26 shall be limited to the actual purchase price, or the expense as if the
27 bus were purchased under state contract, whichever is less. If the
28 commissioner determines that no comparable bus was available under state
29 contract at the time of purchase, the approvable expenses shall be the
30 actual purchase price or the state wide median price of such bus in the
31 most recent base year in which such median price was established with an
32 allowable year to year CPI increase as defined in subdivision fourteen
33 of section three hundred five of this chapter; whichever is less. Such
34 median shall be computed by the commissioner for the purposes of this
35 subdivision. [Commencing with aid payable in the nineteen hundred nine-
36 ty-six--ninety-seven school year, no aid shall be payable in the current
37 year for costs incurred for the purchase or lease of a school bus in the
38 base year unless (i) such costs were budgeted by the school district and
39 so reported to the commissioner by November fifteenth of the base year
40 or (ii) such costs were incurred on an emergency basis to replace a
41 school bus that has been rendered unusable due to accident, fire or
42 other similar circumstance, and such emergency and the cost of such
43 replacement were reported to the commissioner within sixty days of such
44 replacement; provided, however, that nothing herein shall prohibit the
45 district from claiming aid for such purchase or lease of a school bus in
46 the year following the current school year as if such costs were
47 approved transportation expense incurred during the current year for the
48 purposes of paragraph a of this subdivision and to the extent that such
49 costs are identified to the commissioner by November first of the
50 current year.]

51 § 2. Subdivision 1 of section 167 of chapter 169 of the laws of 1994
52 relating to certain provisions related to the 1994-95 state operations,
53 aid to localities, capital projects and debt service budgets, as amended

1 by section 26 of part L of chapter 57 of the laws of 2005, is amended to
2 read as follows:

3 1. Sections one through seventy of this act shall be deemed to have
4 been in full force and effect as of April 1, 1994 provided, however;
5 that sections one, two, twenty-four, twenty-five and twenty-seven
6 through seventy of this act shall expire and be deemed repealed on March
7 31, 2000; provided, however, that section twenty of this act shall apply
8 only to hearings commenced prior to September 1, 1994, and provided
9 further that section twenty-six of this act shall expire and be deemed
10 repealed on March 31, 1997; and provided further that sections four
11 through fourteen, sixteen, and eighteen, nineteen and twenty-one through
12 twenty-one-a of this act shall expire and be deemed repealed on March
13 31, 1997; and provided further that sections three, fifteen, seventeen,

6 § 5. No more than seven projects, one each at the Central High School,
7 the Blodgett School, the Shea Middle School, the H.W. Smith Elementary
8 School, the Clary Middle School, the Dr. Weeks Elementary School and the
9 Fowler High School, up to a total cost of two hundred twenty-five

34 (e) of section eight of this act, to develop diversity goals, including

36 gies that would create and coordinate any efforts to ensure a more
37 diverse workforce for the projects. The diversity plan should address
38 accountability for attainment of the diversity goals, what forms of
39 monitoring would be used, and how such information would be publicly
40 communicated.

41 Prior to the development of the comprehensive plan, the JSC board
42 shall hold as many public hearings as may be necessary to ensure suffi-
43 cient public input and allow for significant public discussion on the
44 school building needs in such city, with at least one hearing to be held
45 in each neighborhood potentially impacted by a proposed project.

46 The JSC board shall submit the components of such comprehensive plan
47 outlined in subdivision (a) of this section to the comptroller, along
48 with any other information requested by the comptroller, for his or her
49 review and approval.

50 § 7. Notwithstanding any general, special or local law to the contrary
51 and upon approval by the comptroller pursuant to section four of this
52 act, the city school district may select projects to be undertaken
53 pursuant to this act, as provided for in such approved comprehensive
54 plan. After the city school district has selected a new project and
55 plans and specifications for such project have been prepared and
56 approved by the city school district, which are consistent with the

1 approved comprehensive plan, the city school district shall deliver such
2 plans and specifications to the city, for approval by such city, acting
3 through the common council, and after the common council has approved
4 such plans and specifications, the city shall deliver them to the
5 commissioner for his or her approval. After approval by the commission-
6 er, the plans and specifications shall be returned to the city school
7 district and such district shall then deliver them to the JSC board.
8 All such specifications shall detail the number of students the
9 completed project is intended to serve, the site description, the types
10 of subjects to be taught, the types of activities for school, recre-
11 ational, social, safety, or other purposes intended to be incorporated
12 in the school building or on its site and such other information as the
13 city school district, the city, the common council, and the commissioner
14 shall deem necessary or advisable.

15 § 8. (a) Pursuant to the authority granted to it by an agreement and
16 any amendment or supplemental agreement thereto, between the city and
17 the city school district creating the JSC board with reference to the
18 JSC board and any amendments to those sections, the JSC board, upon
19 receipt of such plans and specifications for a project from the city,
20 may enter into contracts on behalf of the city or the city school
21 district, or both, for such project.

22 (b) Notwithstanding the provisions of any other general, special, or
23 local law to the contrary, relating to the length, duration, and terms
24 of contracts that the city or the city school district may enter into,
25 the JSC board, on behalf of the city and the city school district, is
26 hereby authorized and empowered to enter into contracts relating to
27 projects undertaken pursuant to this act with any person, upon such
28 terms and conditions and for such consideration and for such terms and
29 duration, not to exceed thirty years, as may be agreed upon by the JSC
30 board and such person, whereby such person is granted the right to
31 design (pursuant to the plans and specifications delivered to it by the
32 city), reconstruct, rehabilitate, finance or manage one or more projects
33 in accordance with the design, plans, and specifications for such
34 projects approved by the city school district, the commissioner and the
35 city, as set forth in section five of this act. All such contracts shall
36 comply with the provisions of section eight of this act.

37 (c) In the event the JSC board shall cease to exist for any reason
38 whatsoever during the life of such contracts as it has entered into
39 pursuant to this act, such contracts shall remain in full force and
40 effect and the city and the city school district shall stand jointly in
41 the place and stead of such JSC board with respect to all rights and
42 obligations under such contracts and with respect to all powers granted
43 to the JSC board by this act; provided, however, that such powers are
44 exercised by the city and the city school district jointly and pursuant
45 to their respective jurisdictions and the general laws applicable there-
46 to, except as modified by this act.

47 § 9. (a) Notwithstanding the provisions of any general, special, or
48 local law to the contrary, a contract entered into between the JSC board
49 and any person pursuant to this act may be awarded either pursuant to
50 public bidding in compliance with section 103 of the general municipal
51 law or, in order to foster major investment in existing school buildings
52 and to deliver quality products and services that are beneficial to the
53 city and the city school district and the public they serve, pursuant to
54 the following provisions of this act for the award of a contract based
55 on evaluation of proposals submitted in response to a request for
56 proposals prepared by or for the JSC board.

1 (b) Prior to the JSC board developing the requests for proposals, it
2 shall consult with the comptroller and the commissioner in creating
3 guidelines to be used by the JSC board in the preparation of individual
4 requests for proposals. Such guidelines shall contain provisions requir-
5 ing the compliance of the request for proposals with all applicable
6 laws, rules and regulations.

7 (c) Prior to the issuance of a request for proposals pursuant to this
8 act, the JSC board shall publish notice of such issuance in the official
9 newspaper of the city, if any, and in at least one newspaper of general
10 circulation. Concurrent with the publication of such notice, a draft
11 request for proposals shall be filed with the JSC board. After allowing
12 a thirty day comment period and an additional ten days to review such
13 comments, the JSC board may publish the final request for proposals and
14 concurrent with such publication shall publish notice of such issuance
15 in the manner specified in this subdivision. Concurrent with the publi-
16 cation of the final request for proposals, a set of comments filed in
17 relation to the draft request for proposals and findings related to the
18 substantive elements of such comments shall be filed along with the
19 request for proposals with the JSC board and in the public library or
20 libraries in proximity to the proposed project.

21 (d) The JSC board shall require that each proposal to be submitted
22 shall include information relating to: (1) the background and experience
23 of the person including any history of labor violations, and when appli-
24 cable, the identity and experience of the person's general contractor,
25 heating and plumbing contractor, electrical contractor, and design firm;
26 (2) the ability of the person to secure adequate financing, if applica-
27 ble, including the identification of the firm, if any, that will be used
28 for financing the project; and (3) identification and specification of
29 all elements of cost which would become a charge to the JSC board, the
30 city school district or city, in whatever form, in return for the
31 fulfillment by the person of all tasks and responsibilities established
32 by the request for the proposal for the full lifetime of a proposed
33 contract, including, as appropriate, but not limited to the costs,
34 direct or indirect, relating to the project and such other information
35 as the JSC board may determine to have a material bearing on its ability
36 to evaluate any proposal.

37 (e) Proposals received in response to a request for proposals shall be
38 evaluated by the JSC board, taking into account maximization of state
39 building aid, as to net cost and in a manner consistent with the
40 provisions set forth in the request for proposals, and may be evaluated
41 on the basis of additional factors when applicable, including, but not
42 limited to, quality and durability of materials, energy efficiency,
43 facility design incorporating systems and approaches which provide maxi-
44 mum facility value at the lowest possible cost for the reconstruction,
45 rehabilitation, and equipping of such projects, and maximization of
46 state building aid. In addition, evaluation of proposals received in
47 response to a request for proposals for the position of program manager
48 shall also include consideration of the criteria set forth in section
49 nine of this act.

50 (f) The JSC board may make a contract award to any responsible person
51 selected based on a determination by the JSC board that the selected
52 proposal is most responsive to the request for proposals and may negoti-
53 ate with any person; provided, however, that if an award is made to any
54 person whose total proposal does not provide the lowest net cost, the
55 JSC board shall adopt a resolution after a public hearing which includes
56 particularized findings relevant to factors evaluated indicating that

1 the JSC board's requirements are met by such award and that such action
2 is in the public interest.

3 § 10. Contracts. Notwithstanding the provisions of any general,
4 special, or local law or judicial decision to the contrary:

5 (a) The JSC board may require a contractor awarded a contract, subcon-
6 tract, lease, grant, bond, covenant or other agreement for a project to
7 enter into a project labor agreement during and for the work involved
8 with such project when such requirement is part of the JSC board's
9 request for proposals for the project and when the JSC board determines
10 that the record supporting the decision to enter into such an agreement
11 establishes that it is justified by the interests underlying the compet-
12 itive bidding laws.

13 (b) Any contract, subcontract, lease, grant, bond, covenant or other
14 agreement for projects undertaken pursuant to this act shall not be
15 subject to section 101 of the general municipal law when the JSC board
16 has chosen to require a project labor agreement, pursuant to subdivision
17 (a) of this section. This exemption shall only apply to the projects
18 undertaken pursuant to this act and shall not apply to projects under-
19 taken by any other school district or municipality unless otherwise
20 specifically authorized.

21 (c) Notwithstanding any general, special, or local law or judicial
22 decision to the contrary, whenever the JSC board enters into a contract,
23 subcontract, lease, grant, bond, covenant or other agreement for the
24 construction, reconstruction, demolition, excavation, rehabilitation,
25 repair, renovation, alteration, or improvement for a project undertaken
26 pursuant to this act, it shall be deemed to be a public works project
27 for the purposes of article 8 of the labor law, and all the provisions
28 of article 8 of the labor law shall be applicable to all the work
29 involved with such project including the enforcement of prevailing wage
30 requirements by the New York State department of labor.

31 (d) Every contract entered into by the JSC board for a project shall
32 contain a provision that the design of such project shall be subject to
33 the review and approval of the city school district and that the design
34 and construction standards of such project shall be subject to the
35 review and approval of the commissioner. In addition, every such
36 contract shall contain a provision that the contractor shall furnish a
37 labor and material bond guaranteeing prompt payment of moneys that are
38 due to all persons furnishing labor and materials pursuant to the
39 requirements of any contracts for a project undertaken pursuant to this
40 act and a performance bond for the faithful performance of the project,
41 which shall conform to the provisions of section 103-f of the general
42 municipal law, and that a copy of such performance and payment bonds
43 shall be kept by the city and shall be open to public inspection.

44 (e) For the purposes of article 15-A of the executive law, any person
45 entering into a contract for a project authorized pursuant to this act
46 shall be deemed a state agency as that term is defined in such article
47 and such contracts shall be deemed state contracts within the meaning of
48 that term as set forth in such article.

49 (f) Notwithstanding the provisions of this act or of any general or
50 special law to the contrary, for any contract, subcontract, lease,
51 grant, bond, covenant or other agreement for construction, recon-
52 struction, demolition, excavation, rehabilitation, repair, renovation,
53 alteration, or improvement with respect to each project undertaken
54 pursuant to this act, the JSC board shall consider the financial and
55 organizational capacity of contractors and subcontractors in relation to
56 the magnitude of work they may perform, the record of performance of

1 contractors and subcontractors on previous work, the record of contrac-
2 tors and subcontractors in complying with existing labor standards and
3 maintaining harmonious labor relations, and the commitment of contrac-
4 tors to work with minority and women owned business enterprises pursuant
5 to article 15-A of the executive law through joint ventures or subcon-
6 tractor relationships. The JSC board shall further require, on any
7 contract for construction in excess of three million dollars with
8 respect to any contract for construction, reconstruction, demolition,
9 excavation, rehabilitation, repair, renovation, alteration, or improve-
10 ment that each contractor and subcontractor shall participate in appren-
11 tice training programs in the trades of work it employs that have been
12 approved by the state department of labor for not less than three years.

13 § 11. (a) All contracts entered into by the JSC board for projects
14 undertaken pursuant to this act shall be managed by an independent
15 program manager. Selection of the program manager shall be pursuant to
16 the competitive process established in section seven of this act. The
17 program manager shall have experience in planning, designing, and
18 constructing new and/or reconstructing existing school buildings, public
19 facilities, commercial facilities, and/or infrastructure facilities, and
20 in the negotiation and management of labor contracts and agreements,
21 training programs, educational programs, and physical technological
22 requirements for educational programs. The program manager shall manage
23 all projects undertaken pursuant to this act, review project schedules,
24 review payment schedules, prepare cost estimates and assess the safety
25 programs of contractors and all training programs, if required. The
26 program manager shall implement procedures for verification by it that
27 all work for which payment has been requested has been satisfactorily
28 completed.

29 (b) The program manager, and its affiliates or subsidiaries, if any,
30 shall be prohibited from awarding contracts or being awarded contracts
31 for or performing any work on projects undertaken pursuant to this act.

32 § 12. Notwithstanding any other provision of law, building aid that
33 would otherwise be payable for the school district portion of expendi-
34 tures for capital outlays and debt service for each project undertaken
35 pursuant to the provisions of this act in accordance with subdivision 6
36 of section 3602 of the education law, shall be paid to the city.

37 § 13. Notwithstanding any general, special, or local law or ordinance
38 to the contrary, contracts entered into by the JSC board for projects
39 undertaken pursuant to this act: (1) may be funded by certificates of
40 participation issued by the city pursuant to this act; (2) may be
41 installment purchase contracts; and (3) shall be subject to the
42 provisions of section 109-b of the general municipal law, except for
43 paragraph (a) of subdivision 3 of such section, subdivision 5 of such
44 section, and paragraph (c) of subdivision 6 of such section, and except
45 to the extent section 109-b of the general municipal law is inconsistent
46 with the provisions of this act. All provisions with reference to
47 installment purchase contracts or certificates of participation
48 contained in section 109-b of the general municipal law, except any
49 prohibition against using such installment purchase contracts or certifi-
50 cates of participation for the purposes set forth in this act, shall
51 apply to installment purchase contracts or certificates of participation
52 entered into or issued pursuant to the authority of this section of this
53 act.

54 § 14. (a) Notwithstanding any other provision of any general, special,
55 or local law or provision of this act to the contrary, any project
56 undertaken pursuant to this act shall be operated and maintained by the

1 board of education of the city school district in the same manner as
2 existing school buildings owned by the city are operated and maintained
3 by such board.

4 (b) Notwithstanding any other provision of any general, special, or
5 local law to the contrary, any project undertaken pursuant to the
6 provisions of this act shall be exempt from all taxes (including sales
7 and use taxes), special assessments, and special ad valorem levies and
8 from the payment of any and all charges and rents for sewer systems,
9 both while such project is being constructed and during its use by the
10 city school district for school purposes.

11 § 15. Nothing in this act shall be construed to exempt a project
12 undertaken pursuant to this act from the review and approval procedures
13 applied to such projects by the state department of education when
14 undertaken by the city school district pursuant to the education law.

15 § 16. (a) Notwithstanding any limitations contained in article 18-A of
16 the general municipal law, including subdivisions 4, 12 and 13 of
17 section 854 and section 926 of the general municipal law, a project
18 undertaken pursuant to this act shall be a "project" within the defi-
19 nition and for the purposes of subdivision 4 of section 854 of the
20 general municipal law, which may be financed by the city of Syracuse
21 industrial development agency or any successor agency thereto. In
22 connection with the city of Syracuse industrial development agency
23 financing the costs of any project undertaken pursuant to this act, the
24 city and the city school district may grant a leasehold or license
25 interest in the project and school building site constituting such
26 project to the city of Syracuse industrial development agency. All
27 contracts involving any such projects shall be awarded by the JSC board
28 pursuant to the competitive process outlined in section seven of this
29 act and shall comply with the provisions of section eight of this act.
30 A project undertaken pursuant to this act may be financed through a
31 special program agreement with the state of New York municipal bond bank
32 agency pursuant to the provisions of section 2435-a of the public
33 authorities law. It shall be the duty of the JSC board, the city school
34 district and the city to compare the financing available for such
35 projects through the city of Syracuse industrial development agency with
36 financing available through the state of New York municipal bond bank
37 agency, and to employ the financing mechanism that will result in the
38 lowest cost to the taxpayers of the city and the state. It shall be the
39 duty of the JSC board, the city school district, the city and the city
40 of Syracuse industrial development agency to share with the state of New
41 York municipal bond bank agency any information in their possession that
42 is required by the state of New York municipal bond bank agency to
43 determine the cost of financing such projects and to compute the inter-
44 est rate that would have been applicable to a bond issuance by the state
45 of New York municipal bond bank agency in the event that financing is
46 obtained through the city of Syracuse industrial development agency.
47 Any failure to provide such information within thirty days of receipt of
48 a request from the state of New York municipal bond bank agency shall be
49 deemed to be a failure of the city school district to submit the data
50 needed to compute the apportionment of state building aid, and the
51 commissioner shall withhold such apportionment until such information is
52 fully submitted. Upon request of the city school district, the director
53 of the state of New York municipal bond bank agency shall submit such
54 reports as the commissioner may require on the financing of such
55 projects and/or the interest rate that would have been applicable to
56 such projects if they had been financed through such agency.

1 (b) In the event that the city or city school district shall fail to
2 make a payment in such amount and by such date as is provided to be made
3 by such city or city school district under agreements entered into with
4 the city of Syracuse industrial development agency or any successor
5 agency thereto pursuant to subdivision (a) of this section, such agency
6 shall so certify to the state comptroller. Such certificate shall be in
7 such form as the agency deems desirable, but shall specify the amount by
8 which such payment shall have been deficient. The state comptroller,
9 upon receipt of such certificate from the agency, shall withhold such
10 amount from such city or city school district any state and/or school
11 aid payable to such city or city school district to the extent of the
12 amount so stated in such certificate as not having been made, and shall
13 immediately pay over to the agency the amount so withheld. Any amount so
14 paid to the agency from such state and/or school aid shall not obligate
15 the state to make, nor entitle the city or the city school district to
16 receive, any additional amounts of state and/or school aid. Nothing
17 contained herein shall be deemed to prevent the state from modifying,
18 reducing or eliminating any program or programs of state and/or school
19 aid; nor shall the state be obligated by the terms hereof to maintain
20 state and/or school aid at any particular level or amount. In the event
21 that the city or city school district shall fail to make a payment in
22 such amount and by such date as is provided to be made by such city or
23 city school district under agreements entered into with the state of New
24 York municipal bond bank agency pursuant to subdivision (a) of this
25 section and section 2435-a of the public authorities law, such agency
26 shall so certify to the state comptroller pursuant to subdivision 4 of
27 section 2436 of the public authorities law and the state comptroller
28 shall be authorized to withhold state aid pursuant to such section 2436
29 and pay it over to such agency.

30 § 17. Clause (a) of subparagraph 5 of paragraph e of subdivision 6 of
31 section 3602 of the education law, as amended by section 21 of part C of
32 chapter 57 of the laws of 2004, is amended to read as follows:

33 (a) Calculation of interest rates for the city school districts of the
34 cities of Buffalo, Rochester, Syracuse and Yonkers. (i) By the first day
35 of September of the current year, or by the date prescribed by the
36 commissioner for the two thousand one--two thousand two school year, the
37 chief fiscal officer of each of the cities of Buffalo, Rochester, Syra-
38 cuse and Yonkers shall provide to the commissioner an analysis, as
39 prescribed by the commissioner, of the actual average interest rate
40 applied to all capital debt incurred by such city related to school
41 construction purposes during the base year not including debt issued by
42 the dormitory authority for the benefit of any school district and of
43 the estimated average interest rate applied to all capital debt to be
44 incurred by such city related to school construction purposes during the
45 current year not including debt issued by the dormitory authority for
46 the benefit of any school district. Such interest rates shall be
47 expressed as a decimal to five places rounded to the nearest eighth of
48 one-one hundredth. Except as otherwise provided in [item] items (ii) and
49 (iii) of this clause, the interest rate of such city applicable to the
50 base year for the purposes of this subparagraph shall be the actual
51 average interest rate of such city in the base year, and the estimated
52 average interest rate shall be tentatively established as the interest
53 rate of such city applicable to the current year, except that all appor-
54 tionments of aid payable during the current year based on such estimated
55 average interest rate shall be recalculated in the following year and
56 adjusted as appropriate based on the appropriate actual average interest

1 rate then established pursuant to this clause provided, however, that in
2 any year in which such city has not incurred debt related to serial
3 bonds or sinking fund bonds as defined in sections 21.00 and 22.10,
4 respectively, of the local finance law, issued for school construction
5 purposes, the assumed interest rate calculated pursuant to clause (b) of
6 this subparagraph shall be tentatively established as the interest rate
7 of such city applicable to the projects approved by the commissioner in
8 such year, except that all apportionments of aid payable based on such
9 interest rate for each such project shall be recalculated following the
10 submission of a final cost report for such project and adjusted as
11 appropriate based on the appropriate actual average interest rate appli-
12 cable to the debt issued to fund such project, and provided further that
13 where such city has entered into an agreement with the dormitory author-
14 ity of the state of New York to finance debt related to school
15 construction that is subject to subparagraph four of this paragraph or
16 has entered into an agreement with the dormitory authority of the state
17 of New York for the purpose of financing a school construction project
18 that is subject to subparagraph three of this paragraph, the interest
19 rate applicable to the obligations issued by the dormitory authority of
20 the state of New York for such purpose shall be the interest rate estab-
21 lished for such city applicable to such debt.

22 (ii) Notwithstanding the provisions of item (i) of this clause, where
23 such city has entered into an agreement with the state of New York
24 municipal bond bank agency pursuant to subdivision one of section twen-
25 ty-four hundred thirty-five-a of the public authorities law and subdivi-
26 sion (b) of section sixteen of chapter six hundred five of the laws of
27 two thousand, or an agreement with the Erie county industrial develop-
28 ment agency for projects described in subdivision (b) of section sixteen
29 of such chapter six hundred five, to finance debt related to school
30 renovation, rehabilitation or reconstruction that is subject to subpara-
31 graph three of this paragraph, the lesser of: (A) the interest rate
32 actually applicable to the obligations issued by the state of New York
33 municipal bond bank agency or by the Erie county industrial development
34 agency for such purpose; or (B) the interest rate that would have been
35 applicable to bonds issued by the state of New York municipal bond bank
36 agency if the project had been financed through such agency, as certi-
37 fied to the commissioner by the executive director of the state of New
38 York municipal bond bank agency, shall be the interest rate established
39 for such city applicable to such debt.

40 (iii) Notwithstanding the provisions of item (i) of this clause, where
41 such city has entered into an agreement with the state of New York
42 municipal bond bank agency pursuant to subdivision one of section twen-
43 ty-four hundred thirty-five-a of the public authorities law and subdivi-
44 sion (a) of section fourteen of the city of Syracuse and the board of
45 education of the city school district of the city of Syracuse cooper-
46 ative school reconstruction act, or an agreement with the city of Syra-
47 cuse industrial development agency for projects authorized pursuant to
48 the city of Syracuse and the board of education of the city school
49 district of the city of Syracuse cooperative school reconstruction act,
50 to finance debt related to school rehabilitation or reconstruction that
51 is subject to subparagraph three of this paragraph, the lesser of: (A)
52 the net interest cost as defined by the commissioner, applicable to the
53 obligations issued by the state of New York municipal bond bank agency
54 or the city of Syracuse industrial development agency for such purpose;
55 or (B) such net interest cost, as defined by the commissioner that would
56 have been applicable to bonds issued by the state of New York municipal

1 bond bank agency if the project had been authorized to be financed and
2 had been financed through such entity, as certified to the commissioner
3 by the executive director of the state of New York municipal bond bank
4 agency shall be the interest rate established for such city applicable
5 to such debt.

6 § 18. The opening paragraph of subdivision 6 of section 3602 of the
7 education law, as separately amended by chapter 59 and section 7 of part
8 A2 of chapter 62 of the laws of 2003, is amended to read as follows:

9 Apportionment for capital outlays and debt service for school building
10 purposes. Any apportionment to a school district pursuant to this
11 subdivision shall be based upon base year approved expenditures for
12 capital outlays incurred prior to July first, two thousand one from its
13 general fund, capital fund or reserved funds and current year approved
14 expenditures for debt service, including debt service for refunding bond
15 issues eligible for an apportionment pursuant to paragraph g of this
16 subdivision and lease or other annual payments to the New York city
17 educational construction fund created by article ten of this chapter or
18 the city of Yonkers educational construction fund created by article
19 ten-B of this chapter which have been pledged to secure the payment of
20 bonds, notes or other obligations issued by the fund to finance the
21 construction, acquisition, reconstruction, rehabilitation or improvement
22 of the school portion of combined occupancy structures, or for lease or
23 other annual payments to the New York state urban development corpo-
24 ration created by chapter one hundred seventy-four of the laws of nine-
25 teen hundred sixty-eight, pursuant to agreement between such school
26 district and such corporation relating to the construction, acquisition,
27 reconstruction, rehabilitation or improvement of any school building, or
28 for annual payments to the dormitory authority pursuant to any lease,
29 sublease or other agreement relating to the financing, refinancing,
30 acquisition, design, construction, reconstruction, rehabilitation,
31 improvement, furnishing and equipping of, or otherwise provide for
32 school district capital facilities or school district capital equipment
33 made under the provisions of section sixteen hundred eighty of the
34 public authorities law, or for annual payments pursuant to any lease,
35 sublease or other agreement relating to the financing, refinancing,
36 acquisition, design, construction, reconstruction, rehabilitation,
37 improvement, furnishing and equipping of, or otherwise providing for
38 educational facilities of a city school district under the provisions of
39 section sixteen of chapter six hundred five of the laws of two thousand,
40 for annual payments pursuant to any lease, sublease or other agreement
41 relating to the financing, refinancing, design, reconstruction, rehabil-
42 itation, improvement, furnishing and equipping of, or otherwise provid-
43 ing for projects authorized pursuant to the city of Syracuse and the
44 board of education of the city school district of the city of Syracuse
45 cooperative school reconstruction act, or for lease, lease-purchase or
46 other annual payments to another school district or person, partnership
47 or corporation pursuant to an agreement made under the provisions of
48 section four hundred three-b, subdivision eight of section twenty-five
49 hundred three, or subdivision six of section twenty-five hundred fifty-
50 four of this chapter, provided that the apportionment for such lease or
51 other annual payments under the provisions of section four hundred
52 three-b, subdivision eight of section twenty-five hundred three, or
53 subdivision six of section twenty-five hundred fifty-four of this chap-
54 ter, other than payments under a lease-purchase agreement or an equiv-
55 alent agreement, shall be based upon approved expenditures in the
56 current year. Approved expenditures for capital outlays from a school

1 district's general fund, capital fund or reserved funds that are
2 incurred on or after July first, two thousand two, and are not aidable
3 pursuant to subdivision six-f of this section, shall be aidable as debt
4 service under an assumed amortization established pursuant to paragraphs
5 e and j of this subdivision. In any such case approved expenditures
6 shall be only for new construction, reconstruction, purchase of existing
7 structures, for site purchase and improvement, for new garages, for
8 original equipment, furnishings, machinery, or apparatus, and for
9 professional fees and other costs incidental to such construction or
10 reconstruction, or purchase of existing structures. In the case of a
11 lease or lease-purchase agreement entered pursuant to section four
12 hundred three-b, subdivision eight of section twenty-five hundred three
13 or subdivision six of section twenty-five hundred fifty-four of this
14 chapter, approved expenditures for the lease or other annual payments
15 shall not include the costs of heat, electricity, water or other utili-
16 ties or the costs of operation or maintenance of the leased facility. An
17 apportionment shall be available pursuant to this subdivision for
18 construction, reconstruction, rehabilitation or improvement in a build-
19 ing, or portion thereof, being leased by a school district only if the
20 lease is for a term of at least ten years subsequent to the date of the
21 general construction contract for such construction, reconstruction,
22 rehabilitation or improvement. Each school district shall prepare a five
23 year capital facilities plan, pursuant to regulations developed by the
24 commissioner for such purpose, provided that in the case of a city
25 school district in a city having a population of one million inhabitants
26 or more, such facilities plan shall comply with the provisions of
27 section twenty-five hundred ninety-p of this chapter and this subdivi-
28 sion. Such plan shall include, but not be limited to, a building inven-
29 tory, and estimated expense of facility needs, for new construction,
30 additions, alterations, reconstruction, major repairs, energy consump-
31 tion and maintenance by school building, as appropriate. Such five year
32 plan shall include a priority ranking of projects and shall be amended
33 if necessary to reflect subsequent on-site evaluations of facilities
34 conducted by state supported contractors.

35 § 19. On January 15, 2007 and annually thereafter, until completion of
36 the seven projects authorized pursuant to this act, the JSC board shall
37 issue a report to the governor, the comptroller, the commissioner, the
38 temporary president of the senate, the speaker of the assembly, the
39 city, the common council and the city school district on the progress
40 and status of the projects undertaken by the JSC board. Provided
41 further, that if any such entities request information on the progress
42 and status of the projects prior to such report, it shall be provided to
43 such entities by the JSC board.

44 In addition, on or before June 30, 2014 or upon the completion of the
45 seven projects authorized pursuant to this act, whichever shall first
46 occur, the JSC board shall issue a report to the city, the city school
47 district, the governor, the commissioner, the comptroller, the temporary
48 president of the senate, the minority leader of the senate, the speaker
49 of the assembly, the minority leader of the assembly, the state board of
50 regents, and the chairs and ranking minority members of the New York
51 state senate and assembly committees on education, the finance committee
52 of the New York state senate, and the ways and means committee of the
53 New York state assembly. Such report shall identify the fiscal and peda-
54 gogical results of the projects undertaken pursuant to this act, along
55 with recommendations for its continuance, amendments, or discontinuance.

1 § 20. Insofar as the provisions of this act are inconsistent with the
2 provisions of any other law, general, special, or local, or of the city
3 charter or an ordinance or resolution of the city, or any rule or regu-
4 lation, the provisions of this act shall be controlling, provided that
5 nothing contained in this act shall be held to supplement or otherwise
6 expand the powers or duties of the city or the city school district
7 except as specified herein.

8 § 21. Subdivision 12 of section 2432 of the public authorities law,
9 as added by chapter 166 of the laws of 1991, is amended to read as
10 follows:

11 (12) "Special Program Municipality". Any city having a population of
12 less than one million but more than three hundred fifty thousand; and
13 any city having a population of less than two hundred fifty thousand but
14 more than two hundred thousand, determined according to the federal
15 decennial census of nineteen hundred eighty. Such term shall also
16 include the city of Syracuse solely for the purpose of the city of Syra-
17 cuse and the board of education of the city school district of the city
18 of Syracuse cooperative school reconstruction act.

19 § 22. Subdivision 1 of section 2435-a of the public authorities law,
20 as amended by chapter 59 of the laws of 2003, is amended to read as
21 follows:

22 (1) In order to fulfill the purposes of this title and to provide a
23 means by which the special program municipalities may (a) receive moneys
24 to refund certain property taxes determined to be in excess of state
25 constitutional tax limits or to reimburse the special program munici-
26 palities for the prior refunding of such taxes or (b) receive moneys to
27 be applied to the cost of settling litigation involving the city school
28 districts of special program municipalities and the teachers' unions in
29 such special program municipalities, or (c) receive moneys for the
30 financing of public improvements to be applied to the cost of the recon-
31 struction, rehabilitation or renovation of an educational facility
32 pursuant to the provisions of subdivision (b) of section sixteen of
33 chapter six hundred five of the laws of two thousand, or (d) receive
34 moneys for the financing of public improvements to be applied to the
35 cost of a project for design, reconstruction or rehabilitation of a
36 school building pursuant to the provisions of section fourteen of the
37 city of Syracuse and the board of education of the city school district
38 of the city of Syracuse cooperative school reconstruction act, and
39 notwithstanding any general or special law to the contrary, the agency
40 and each special program municipality are hereby authorized to enter
41 into one or more special program agreements, which special program
42 agreements shall, consistent with the provisions of this title, contain
43 such terms, provisions and conditions as, in the judgment of the agency,
44 shall be necessary or desirable. Each special program agreement shall
45 specify the amount to be made available to the respective special
46 program municipality from the proceeds of an issue of special program
47 bonds and shall require such special program municipality, subject to
48 appropriation by the appropriate legislative body of such special
49 program municipality, to make payments to the agency in the amounts and
50 at the times determined by the agency to be necessary to provide for
51 payment of such issue of special program bonds and such other fees,
52 charges, costs and other amounts as the agency shall in its judgment
53 determine to be necessary or desirable.

54 § 23. Subdivision 4 of section 2436 of the public authorities law, as
55 amended by chapter 59 of the laws of 2003, is amended to read as
56 follows:

1 4. In the event that a special program municipality shall fail to make
2 a payment in such amount (as calculated in accordance with the special
3 program agreement to which such municipality shall be a party) and by
4 such date as is provided to be made by such municipality in its special
5 program agreement, the chairman of the agency shall so certify to the
6 comptroller. Such certificate shall be in such form as the agency deems
7 desirable, but shall specify the amount by which such payment shall have
8 been deficient. The comptroller, upon receipt of such certificate from
9 the agency, shall withhold from such special program municipality any
10 state aid payable to such municipality to the extent of the amount so
11 stated in such certificate as not having been made, and shall immediate-
12 ly pay over to the agency the amount so withheld; provided, however,
13 that in the case of a special program agreement entered into for the
14 purpose described in paragraph (b) or (c) or (d) of subdivision one of
15 section twenty-four hundred thirty-five-a of this title, the comptroller
16 shall be authorized to withhold from the special program municipality
17 such school aid as is payable to the city school district of the special
18 program municipality, to the extent of the amount so stated in such
19 certificate as not having been made, and shall immediately pay over to
20 the agency the amount so withheld. Any amount so paid to the agency from
21 such state and/or school aid shall not obligate the state to make, nor
22 entitle the special program municipality to receive, any additional
23 amounts of state and/or school aid. Nothing contained therein shall be
24 deemed to prevent the state from modifying, reducing or eliminating any
25 program or programs of state and/or school aid; nor shall the state be
26 obligated by the terms hereof to maintain state and/or school aid at any
27 particular level or amount.

28 § 24. Subdivision 1 of section 2438 of the public authorities law, as
29 amended by chapter 59 of the laws of 2003, is amended to read as
30 follows:

31 (1) The agency shall not issue bonds and notes in an aggregate princi-
32 pal amount at any one time outstanding exceeding one billion dollars,
33 excluding tax lien collateralized securities, special school purpose
34 bonds, special school deficit program bonds, special program bonds
35 issued to finance the reconstruction, rehabilitation or renovation of an
36 educational facility pursuant to the provisions of subdivision (b) of
37 section sixteen of chapter six hundred five of the laws of two thousand,
38 special program bonds issued to finance the cost of a project for
39 design, reconstruction or rehabilitation of a school building pursuant
40 to the provisions of section fourteen of the city of Syracuse and the
41 board of education of the city school district of the city of Syracuse
42 cooperative school reconstruction act and bonds and notes issued to
43 refund outstanding bonds and notes.

44 § 25. If any clause, sentence, paragraph, section or part of this act
45 shall be adjudged by any court of competent jurisdiction to be invalid,
46 such judgment shall not affect, impair or invalidate the remainder ther-

As part of the development of the comprehensive plan, the school district shall hold as many public hearings as may be necessary to ensure sufficient public input and allow for significant public discussion on the school building needs in such city, with at least one hearing to be held in each neighborhood potentially impacted by a proposed project.

The JSC board shall submit the components of such comprehensive plan outlined in paragraph (a) of subdivision two of this section to the comptroller, along with any other information requested by the comptroller, for his or her review and approval.

(d) Notwithstanding any other provision of law to the contrary, the JSC board shall submit estimated project costs for the projects authorized pursuant to subdivision (b) of section five of this act after the completion of schematic plans and specifications for review by the commissioner. otherwise demonstrated to the satisfaction of the New York state education department the availability of additional local shares for such excess costs, then the JSC board shall not proceed with the preparation of final plans and specifications for such projects until the projects have been redesigned or value-engineered to reduce estimated project costs so as not to exceed the above cost limits.

(e) Notwithstanding any other provision of law to the contrary, the JSC board shall submit estimated project costs for the projects authorized pursuant to subdivision (b) of section five of this act after the completion of fifty percent of the final plans and specifications for review by the commissioner. city of Syracuse industrial development agency to share with the state of New York municipal bond bank agency any information in their possession that is required by the state of New York municipal bond bank agency to determine the cost of financing such projects and to compute the interest rate that would have been applicable to a bond issuance by the state of New York municipal bond bank agency in the event that financing is obtained through the city of Syracuse industrial development agency. Any failure to provide such information within thirty days of receipt of a request from the state of New York municipal bond bank agency shall be deemed to be a failure of the city school district to submit the data needed to compute the apportionment of state building aid, and the commissioner shall withhold such apportionment until such information is fully submitted. Upon request of the city school district, the director of the state of New York municipal bond bank agency shall submit such reports as the commissioner may require on the financing of such projects and/or the interest rate that would have been applicable to such projects if they had been financed through such agency.

The Agency makes no representations whatsoever in connection with the condition of any of the Facilities, and the Agency shall not be liable for any defects therein.

Section 2.3. Termination of License.

(a) The Agency's interest in the Facilities shall be conveyed (subject to the terms of the Security Documents) from the Agency to the SCSD and the City upon the date of completion or abandonment of the Series 2008 Project as evidenced by the certificate of the JSCB delivered pursuant to Section 3.1(j) hereof.

(b) The sale and conveyance of the interest in and to the Facilities shall be effected by the delivery by the Agency to the SCSD and the City of the Notice of Termination of License to the SCSD and the City (in substantially the form attached hereto as Exhibit B and by this reference made a part hereof) and the Bill of Sale to City and SCSD (in substantially the form attached hereto as Exhibit C and by this reference made a part hereof).

(c) The SCSD and the City agree to prepare the Notice of Termination of License and Bill of Sale to City and SCSD and to forward same to the Agency at least thirty (30) days prior to the date that the Facilities or any portion thereof is to be conveyed to the SCSD and the City.

(d) Each of the SCSD and the City hereby agrees to pay all expenses and taxes, if any, applicable to or arising from the transfer contemplated by this Section 2.3.

(e) This Agreement shall survive the transfer of the Agency's interest in the Facilities to the SCSD and the City pursuant to this Section 2.3 and shall remain in full force and effect until all of the principal of, and interest and premium, if any, on the Bonds and all other sums payable by the SCSD and/or the City under the Project Documents shall have been paid in full, and thereafter the obligations of the School Parties shall survive as set forth in Section 4.3 hereof.

(f) Upon the payment in full of all indebtedness under or secured by this Agreement or the other Project Documents, and notwithstanding the survival of certain obligations of the School Parties as described in Section 4.3 hereof, the Agency and the Trustee shall upon the request of the SCSD and the City execute and deliver to the SCSD and the City such documents as the SCSD and the City may reasonably request, in recordable form if so requested, to evidence the termination and release of all Liens granted to the Agency and the Trustee under the Project Documents.

ARTICLE III

SERIES 2008 PROJECT AND ISSUANCE OF SERIES 2008A BONDS

Section 3.1. The Series 2008 Project.

(a) Pursuant to the License and the Bill of Sale to Agency, respectively, the City and the SCSD have vested the Agency with a valid license in and to the Facilities and title to the Equipment, which interest and title the Agency is hereby selling to the SCSD, subject to the terms and conditions herein set forth.

(b) As promptly as practicable after receipt of the proceeds of sale of the Series 2008A Bonds and out of said proceeds of sale, the JSCB will proceed as agent for and on behalf of the Agency to effect the construction, rehabilitation, reconstruction, and/or equipping of the Central Tech Project and the completion of the Design Phase, the costs thereof to be paid from the proceeds of sale of the Series 2008A Bonds deposited in the Project Fund established under the Indenture. The JSCB reasonably believes that the Central Tech Project pursuant to the applicable Plans and Specifications will allow for use of each Facility for its intended purposes. The JSCB agrees that it will use its best efforts to cause the Central Tech Project and the Design Phase to be completed as soon as may be practicable, delays incident to strikes, riots, acts of God, the public enemy or any delay beyond its reasonable control only excepted. The City and the SCSD agree that no delay in the completion of the Central Tech Project or the Design Phase shall be the basis for any diminution in or postponement of the amounts payable hereunder by the City and the SCSD. In order to effect management of such work, the JSCB has entered into the Program Manager Agreement and as soon as practicable after the Closing Date will enter into one or more Construction Contracts for completion of the Central Tech Project in accordance with the applicable Plans and Specifications and construction schedule approved by the City Engineer. The Program Manager Agreement, each Construction Contract and each other agreement, contract, purchase order or other obligation entered into by the JSCB as agent for the Agency shall expressly provide that the Agency shall have no liability thereunder, except to the extent of proceeds from the sale of the Series 2008A Bonds which may be available therefor. As soon as practicable after the Closing Date, the JSCB shall enter into contracts with one or more Architects for completion of the Design Phase. The Agency shall not be liable in any manner for payment or otherwise to any contractor, subcontractor, laborer or supplier of materials in connection with the purchase of any materials to be incorporated into a Facility or Facilities, except to the extent and solely from the proceeds of sale of the Series 2008A Bonds. In the event that moneys in the Project Fund are not sufficient to pay the costs necessary to complete the work with respect to the Central Tech Project or the Design Phase in full, none of the School Parties shall be entitled to any reimbursement therefor from the Agency, the Series 2008A Bond Insurer, the Trustee or the Holders of any of the Series 2008A Bonds (except from proceeds of Additional Bonds which may be issued for that purpose), nor shall the City and SCSD be entitled to any diminution of the Installment Purchase Payments or Additional Payments to be made under this Agreement.

(c) As between the Agency and the JSCB, the JSCB, acting specifically as agent for the benefit of the Agency, shall be responsible for the letting and supervision of

contracts for the construction, rehabilitation, reconstruction and equipping of a Facility, acceptance of a completed Facility or parts thereof, and all other matters incidental thereto. All contractors, materialmen, vendors, suppliers and other companies, firms or persons furnishing labor, services, equipment, furnishings or materials for or in connection with the work with respect to a Facility shall be designated by the JSCB, either on its own or as agent for the Agency.

(d) In order to accomplish the purposes of the Agency, and to assure the effectuation of the Series 2008 Project in conformity with the Plans and Specifications, the School Parties have undertaken to proceed with the design of the Central Tech Project, all either on their own or, in the case of the JSCB, as agent for the Agency.

(e) As between the Agency on the one hand, and the School Parties on the other hand, the School Parties shall pay (i) all of the costs and expenses in connection with the preparation of any instruments of conveyance and transfer of an interest in the Facilities to the Agency pursuant to the License and Bill of Sale to Agency, the delivery of any instruments and documents and their filing and recording, if required, (ii) all taxes and charges payable, if any, in connection with such conveyance and transfer, or attributable to periods prior to such conveyance and transfer, and (iii) all expenses or claims incurred in connection with the Series 2008 Project and not funded from the proceeds of sale of the Series 2008A Bonds (or any Series of Additional Bonds).

(f) None of the School Parties will terminate the Intermunicipal Agreement or be excused from performing its obligations thereunder for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use of all or any part of any of the Facilities, or the failure of the Agency to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Agreement. The City and the SCSD covenant and agree to continue the Intermunicipal Agreement for its entire term and such additional terms as shall be required to complete the Series 2008 Project. The City and SCSD acknowledge that pursuant to the Syracuse Schools Act, all contracts, agreements and obligations of the JSCB are entered into and made on behalf of the City and the SCSD and in the event that the JSCB shall cease to exist for any reason whatsoever during the term of this Agreement, this Agreement, the Program Manager Agreement and any other contract, agreement or obligation of the JSCB relating to the Facilities shall remain in full force and effect and the City and SCSD shall stand jointly in the place and stead of the JSCB thereunder.

(g) The JSCB covenants that, at all times as it shall be effecting the work of the Series 2008 Project, it will comply with all laws, acts, rules, regulations, permits, orders and requirements lawfully made, of any Federal, State, legislative, executive, administrative or judicial body, commission or office exercising any power of regulation or supervision over such work or over the manner of construction or operation thereof and with the conditions and requirements of all policies of liability insurance as provided in Section 5.5 of this Agreement. Upon completion of the work with respect to a Facility, the JSCB will promptly obtain or cause to be obtained all required occupancy and operation permits, authorizations and licenses from

appropriate authorities, if any be required, authorizing the occupancy, operation and use of such Facility for the purposes contemplated by this Agreement and shall furnish copies of same to the Trustee immediately upon receipt thereof.

(h) The JSCB further covenants that all contracts entered into by the JSCB for the Series 2008 Project in connection with the design, construction, rehabilitation, reconstruction and/or equipping of a Facility shall (i) be made in accordance with applicable law, including, but not limited to, the Syracuse Schools Act; (ii) contain a provision that the design and construction standards therefor shall be subject to the review and approval of the New York State Education Department; and (iii) contain a provision that the contractor shall furnish a labor and material bond guaranteeing prompt payment of moneys that are due to all persons furnishing labor or materials pursuant to the related contract and a performance bond, complying with New York General Municipal Law § 103-f.

(i) The JSCB covenants to cause its contractors, architects, consultants and others with whom it contracts with respect to the design, construction, rehabilitation, reconstruction, and/or equipping of a Facility, to provide liability insurance coverage against all forms of risk which are appropriate, including general and professional liability insurance normally associated with the type and nature of the service, product or combination thereof, contracted to be provided by such contractors, architects, consultants and others, and to name the Agency as an additional insured as its interest may appear. The JSCB shall promptly deliver to the Agency appropriate certificates of insurance evidencing the amount and scope of all liability insurance provided by each contractor, architect, consultant or other person pursuant to a contract with the JSCB with respect to the design, construction, rehabilitation, reconstruction, equipping, operation, maintenance and/or repair or otherwise providing work with respect to a Facility.

(j) Upon the completion or abandonment by the JSCB of the Series 2008 Project or any portion thereof, the JSCB shall deliver a certificate of an Authorized Representative of the JSCB to the Agency and the Trustee to such effect.

(k) The City agrees to keep and make open to public inspection copies of all payment and performance bonds required by the Syracuse Schools Act and Section 3.1(h) hereof.

Section 3.2. Project Fund.

(a) The Agency has in the Indenture authorized and directed the Trustee to make payments from the Project Fund from time to time to pay the cost of the construction, rehabilitation, reconstruction, and/or equipping of a Facility upon receipt of a requisition signed by an Authorized Representative of the JSCB, in the form set forth in the Indenture, *provided, however*, that for so long as an Event of Default shall exist, no such requisition shall be honored without the prior written consent of the Series 2008A Bond Insurer.

(b) The date of completion of the work for a Facility shall be evidenced to the Agency and the Trustee by a certificate of the JSCB executed by an Authorized Representative of the JSCB stating, except for any costs not then due and payable or the liability for payment of

which is being contested or disputed in good faith by the JSCB (i) the date of completion of such work; (ii) that the related Facility has been completed substantially in accordance with the Plans and Specifications and all labor, services, Equipment, materials and supplies used therefor have been paid for; (iii) that all other facilities necessary in connection with such Facility have been completed and all costs and expenses incurred in connection therewith have been paid; (iv) that all property of such Facility is subject to this Agreement; (v) that, in accordance with all applicable laws, regulations, ordinances and guidelines, such Facility has been made ready for occupancy, use and operation for its intended purposes; (vi) the amount, if any, required in his opinion for the payment of any remaining part of the costs with respect to such Facility; and (vii) the amount of the proceeds of the Series 2008A Bonds, including the investment earnings thereon, expended with respect to such Facility. The foregoing certificate shall be accompanied by a certificate executed by an Authorized Representative of the City certifying as to the determination of the Rebate Amount as provided in the Tax Compliance Documents and the Indenture. Notwithstanding the foregoing, such certificate shall state (x) that it is given without prejudice to any rights of the Agency, the Trustee or the School Parties against third parties which exist at the date of such certificate or which may subsequently come into being, (y) that it is given only for the purposes of this Section and Section 5.2 of the Indenture, and (z) that no Person other than the Agency and the Trustee may benefit therefrom. Such certificate of the Authorized Representative of the JSCB shall be accompanied by (i) a temporary or permanent certificate of occupancy and any and all permissions, approvals, licenses or consents required of governmental authorities for the occupancy, operation and use of the completed Facility for the purposes contemplated by this Agreement and the Syracuse Schools Act; (ii) a certificate of the JSCB executed by an Authorized Representative of the JSCB that all costs of the completed Facility have been paid in full, together with releases of mechanics' liens by all contractors and materialmen who supplied work, labor, services, machinery, equipment, materials or supplies in connection with such Facility (or, to the extent that any such costs shall be the subject of a bona fide dispute in excess of \$100,000, evidence to the Trustee that such costs have been appropriately bonded or that the JSCB shall have or caused to be posted a surety or security at least equal to the amount of such costs); and (iii) such additional documentation, if any, as required by the Indenture. Upon a determination by the JSCB that the amount on deposit in the Account in the Project Fund established with respect to the Central Tech Project and the Design Phase is sufficient to pay all remaining Project Costs thereof, the JSCB shall deliver to the Trustee a Project Fund Sufficiency Certificate (as defined in the Indenture) signed by an Authorized Representative of the JSCB.

Section 3.3. Cooperation in Furnishing Documents. The JSCB agrees to furnish to the Trustee any documents that are required to effect payments out of the Project Fund in accordance with Section 3.2 hereof. Such obligation is subject to any provisions of the Indenture requiring additional documentation with respect to such payments and shall not extend beyond the moneys in the Project Fund available for payment under the terms of the Indenture.

Section 3.4. Default in Contractors' Performance. In the event of default of any contractor or subcontractor under any contract made in connection with a particular Facility or Facilities, each School Party will exhaust its remedies against the contractor or subcontractor so in default and against each surety for the performance of such contractor. Any amounts recovered by way of damages, refunds, adjustments or otherwise in connection with the foregoing shall be paid into the Project Fund.

Section 3.5. Issuance of Bonds. Contemporaneously with the execution and delivery of this Agreement, the Agency will sell and deliver the Series 2008A Bonds in the aggregate principal amount of \$49,230,000 under and pursuant to a resolution adopted by the Agency on March 4, 2008, authorizing the issuance of the Series 2008A Bonds under and pursuant to the Indenture for the purpose of financing Project Costs of the Central Tech Project and the Design Phase. After the Closing Date, it is contemplated that Additional Bonds will be issued to finance the remaining Project Costs of the Series 2008 Project and for the other purposes set forth in Section 2.7 of the Indenture. It is contemplated that, thereafter, additional Series of Project Bonds may be issued from time to time pursuant to separate Series Indentures to finance the costs of construction, rehabilitation, reconstruction, and/or equipping of Additional Facilities pursuant to Phases II through IV of the Program. That portion of the proceeds of sale of the Bonds deposited in the Project Fund shall be applied to the payment of Project Costs in accordance with the provisions of the Indenture.

Section 3.6. [Reserved].

Section 3.7. Expenses Chargeable to the JSCB. As between the Agency on the one hand, and the School Parties on the other hand, the School Parties shall pay or cause to be paid all expenses or other costs incurred in connection with the Series 2008 Project, including, but not limited to:

(a) all charges incurred in connection with the preparation, delivery, filing, recording (if required) or effectuation of any instruments of conveyance or transfer required by this Agreement, the License, Bill of Sale to Agency, the Program Manager Agreement, the Construction Contracts, the Indenture or any other Project Document;

(b) any closing costs or costs relating to issuance of a Series of Bonds other than those costs referenced in paragraph (i) above;

(c) all lawful claims which might or could if unpaid become a lien or charge on any of the Facilities;

(d) all pre-closing and post-closing taxes, assessments or other governmental or utility charges or impositions relating to any of the Facilities;

(e) the Agency's administrative fee;

(f) any legal fees or expenses incurred by the Agency or the Trustee in connection with the foregoing items of costs related to the issuance of a Series of Bonds;

(g) the State bond issuance charge; and

(h) any other costs incurred by the Agency in carrying out the Series 2008 Project.

Section 3.8. Additional Facilities. The Agency and the School Parties recognize that, under the provisions of and subject to the conditions set forth in the related Series Indenture, one or more Series of Additional Bonds or additional Series of Project Bonds may be issued from

time to time pursuant to separate Series Indentures to finance the costs of the construction, rehabilitation, reconstruction, and/or equipping of Additional Facilities or one or more Facilities included in the Design Phase.

Section 3.9. Use of Series 2008A Bond Proceeds. The School Parties shall use, or permit or suffer to be used, the proceeds of the Series 2008A Bonds only for the purposes and costs permitted therefor under this Agreement, the Indenture and the Tax Compliance Documents.

Section 3.10. No Warranty of Condition or Suitability. THE AGENCY MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, FITNESS, DESIGN, OPERATION OR WORKMANSHIP OF ANY PART OF ANY OF THE FACILITIES, THEIR FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OR CAPACITY OF THE MATERIALS IN THE FACILITIES, OR THE SUITABILITY OF ANY OF THE FACILITIES FOR THE PURPOSES OR NEEDS OF THE SCHOOL PARTIES OR THE EXTENT TO WHICH PROCEEDS DERIVED FROM THE SALE OF THE SERIES 2008A BONDS WILL BE SUFFICIENT TO PAY THE COSTS OF THE SERIES 2008 PROJECT AND COMPLETE THE SERIES 2008 PROJECT. EACH SCHOOL PARTY IS SATISFIED THAT EACH OF THE FACILITIES IS SUITABLE AND FIT FOR ITS PURPOSES. THE AGENCY SHALL NOT BE LIABLE IN ANY MANNER WHATSOEVER TO A SCHOOL PARTY OR ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR EXPENSE OF ANY KIND OR NATURE CAUSED, DIRECTLY OR INDIRECTLY, BY THE PROPERTY OF ANY OF THE FACILITIES OR THE USE OR MAINTENANCE THEREOF OR THE FAILURE OF OPERATION THEREOF, OR THE REPAIR, SERVICE OR ADJUSTMENT THEREOF, OR BY ANY DELAY OR FAILURE TO PROVIDE ANY SUCH MAINTENANCE, REPAIRS, SERVICE OR ADJUSTMENT, OR BY ANY INTERRUPTION OF SERVICE OR LOSS OF USE THEREOF OR FOR ANY LOSS OF BUSINESS HOWSOEVER CAUSED.

ARTICLE IV

INSTALLMENT PURCHASE PAYMENTS AND OTHER PAYMENTS

Section 4.1. Payment of Installment Purchase Payments.

(a) Subject to Section 4.4 hereof, the City and the SCSD agree to pay or cause to be paid, the Base Installment Purchase Payments for the Facilities in the amounts as set forth in Schedule A attached hereto. Base Installment Purchase Payments must be deposited by or on behalf of the City and the SCSD, as provided in the State Aid Depository Agreement, with the Trustee by no later than each Base Installment Purchase Payment Date; *provided, however*, that there shall be credited against any Base Installment Purchase Payments any amounts available for such purpose and on deposit in the Bond Fund, including any amounts deposited to the Bond Fund pursuant to Section 5.4 of the Indenture and any amounts deposited to the Bond Fund pursuant to Section 4.1(a) of the Indenture and any Scheduled Debt Service Reserve Fund Earnings to the extent any such Scheduled Debt Service Reserve Fund Earnings shall not first be required when received to be deposited in any Account of the Project Fund or to satisfy any deficiency in the Debt Service Reserve Fund as required by Section 5.5 of the Indenture (such net amount being the “*Net Base Facilities Agreement Payment*”); provided, however, that upon receipt by the City and the SCSD of written notice from the Trustee that the Scheduled Debt Service Reserve Fund Earnings were not received in whole or in part, the City and the SCSD shall immediately pay to the Trustee, subject to Section 4.4 hereof, an amount equal to the deficiency (the City and the SCSD hereby acknowledging that such payment obligation is subject to the intercept provisions of the Syracuse Schools Act).

(b) Upon receipt by the City and the SCSD of notice from the Trustee pursuant to the Indenture that the amount on deposit in the Debt Service Reserve Fund (including any amounts deposited to the Debt Service Reserve Fund pursuant to Section 5.4 of the Indenture) shall be less than the Debt Service Reserve Requirement or upon receipt of notice that the provider of a Reserve Fund Credit Facility is owed any amounts in connection with a draw on such Reserve Account Credit Facility, the City and the SCSD shall immediately pay to the Trustee, subject to Section 4.4 hereof, for deposit in the Debt Service Reserve Fund, an amount equal to the deficiency or the amount so owed the provider of such Reserve Fund Credit Facility.

(c) The City and SCSD (at the direction of an Authorized Representative of the City) shall have the option to make from time to time prepayments in part of payments due as aforesaid of Base Installment Purchase Payments, together with interest accrued and to accrue and premium, if any, to be paid on a Series of Bonds, if, but only if, such prepayment is to be used for the redemption or defeasance of such Series of Bonds. The Trustee shall apply such prepayments in such manner consistent with the provisions of the Indenture as may be specified in writing by an Authorized Representative of the City at the time of making such prepayment. Upon any such prepayment, the Trustee shall, if necessary, recalculate the schedule of Base Installment Purchase Payments set forth in Schedule A attached hereto in accordance with the Indenture and deliver a revised schedule to the City, the SCSD and the Agency, and such revised schedule shall be deemed to replace the then-existing Schedule A attached hereto.

Section 4.2. Direction as to Payment of Installment Purchase Payments. Base Installment Purchase Payments shall be paid to the Trustee for credit to the Bond Fund and Reserve Payments shall be paid to the Trustee for deposit to the Debt Service Reserve Fund to the extent of any deficiency therein.

Section 4.3. Indemnification of the Agency and Trustee and Limitation on Liability.

(a) The SCSD shall, to the maximum extent permitted by law, at all times protect, defend and hold the Agency, the Trustee, the Bond Registrar, the Paying Agents and the Depository Bank and their respective officers, members, directors, employees and agents (collectively, the "*Indemnified Parties*") harmless of, from and against any and all claims (whether in tort, contract or otherwise), demands, expenses and liabilities for losses, damage, injury and liability of every kind and nature and however caused, and taxes (of any kind and by whomsoever imposed), other than, with respect to any Indemnified Party, losses arising from the gross negligence or willful misconduct of such Indemnified Party, arising upon or about any of the Facilities or resulting from, arising out of, or in any way connected with (i) the financing of the costs of the Series 2008 Project and the marketing, remarketing, issuance and sale of the Bonds from time to time for such purpose, (ii) the planning, design, acquisition, site preparation, construction, rehabilitation, equipping, or financing of the Facilities or any part of any thereof or the effecting of any work done in or about any of the Facilities, (iii) title to any Facility or any defects (whether latent or patent) in any of the Facilities, (iv) the maintenance, repair, replacement, restoration, rebuilding, upkeep, use, occupancy, ownership, leasing, subletting or operation of any of the Facilities or any portion thereof, or (v) this Agreement, the Indenture or any other Project Document or other document or instrument delivered in connection herewith or therewith or the enforcement of any of the terms or provisions hereof or thereof or the transactions contemplated hereby or thereby. Such indemnification set forth above shall be binding upon the SCSD for any and all claims, demands, expenses, liabilities and taxes set forth herein and shall survive the termination of this Agreement. Except as provided above, no Indemnified Party shall be liable for any damage or injury to the person or property of any School Party or its officials, members, directors, officers, employees, agents or servants or persons under the control or supervision of any School Party or any other Person who may be about any of the Facilities, due to any act or negligence of any Person other than for the gross negligence or willful misconduct of such Indemnified Party.

(b) Each School Party hereby releases each Indemnified Party from, and agrees, to the maximum extent permitted by law, that no Indemnified Party shall be liable for and the SCSD agrees to defend, indemnify and hold each Indemnified Party harmless against any expense, loss, damage, injury or liability incurred because of any lawsuit commenced as a result of action taken by such Indemnified Party with respect to any of the matters set forth in subdivision (i) through (v) of Section 4.3(a) hereof or at the direction of any School Party with respect to any of such matters above referred to; *provided, however*, that such indemnification by the SCSD shall not extend to any Indemnified Party whose gross negligence or willful misconduct resulted in such expense, loss, damage, injury or liability. An Indemnified Party shall promptly notify the SCSD in writing of any claim or action brought against such Indemnified Party in which indemnity may be sought against the SCSD pursuant to this Section 4.3; such notice shall be given in sufficient time to allow the SCSD to defend or

participate in such claim or action, but the failure to give such notice in sufficient time shall not constitute a defense hereunder nor in any way impair the obligations of the SCSD under this Section 4.3, except that if (i) the Indemnified Party shall have had knowledge or notice of such claim or action but shall not have timely notified the SCSD of any such claim or action, (ii) the SCSD shall have had no knowledge or notice of such claim or action, and (iii) the SCSD's ability to defend or participate in such claim or action is materially impaired by reason of not having received timely notice thereof from the Indemnified Party, then the SCSD's obligation to so defend and indemnify such Indemnified Party shall be qualified to the extent (and only to the extent) of such material impairment.

(c) The indemnifications and protections set forth in this Section 4.3 shall be extended, with respect to each Indemnified Party, to its members, directors, officers, employees, agents and servants and persons under its control or supervision.

(d) Anything to the contrary in this Agreement notwithstanding, the covenants of the School Parties contained in this Section 4.3 shall remain in full force and effect after the termination of this Agreement until the later of (i) the expiration of the period stated in the applicable statute of limitations during which a claim or cause of action may be brought and (ii) payment in full or the satisfaction of such claim or cause of action and of all expenses and charges incurred by the Indemnified Party relating to the enforcement of the provisions herein specified.

(e) For the purposes of this Section 4.3, none of the School Parties shall be deemed an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

(f) The obligations of the SCSD to the Indemnified Parties under this Section 4.3 and to the Trustee under Section 4.8 hereof shall survive the resignation or removal of the Trustee and the satisfaction and discharge of the Indenture.

Section 4.4. Nature of Obligations of the City and the SCSD.

(a) Except as hereinafter provided in this Section 4.4, the obligation of the City and SCSD to pay Installment Purchase Payments and Additional Payments shall be absolute and unconditional, and such Installment Purchase Payments and Additional Payments shall be payable without any rights of set-off, recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction it might otherwise have against the Agency, the Trustee, the Bond Insurer, any purchaser of any Bond or any other person, and whether or not the Facilities or any of them are used or occupied by the School Parties or available for use or occupancy by the School Parties.

(b) The obligation of the City and SCSD to pay Installment Purchase Payments shall be deemed executory only to the extent of State Aid to Education appropriated by the State and available to the City and/or the SCSD for the purpose of this Agreement and the State Aid Depository Agreement, moneys budgeted by the SCSD and appropriated by the City for such purpose and approved by the SCSD of payment thereof after appropriation by the City therefor, and no liability on account thereof shall be incurred by the SCSD or the City beyond the

amount of such moneys; *provided, however*, that the failure of the City and the SCSD for any reason (including a failure by the SCSD to budget for Installment Purchase Payments, a failure by the City to approve a budget for the SCSD providing for payment of Installment Purchase Payments or a failure by the State to appropriate State Aid to Education) to make an Installment Purchase Payment or an Additional Payment shall be deemed a failure to make a payment for purposes of this Agreement and the Syracuse Schools Act, and in such event, the Agency has appointed the Trustee to act as its agent for purposes of taking action under Section 5.4 of the Indenture. Further, the obligation of the SCSD and the City to pay Installment Purchase Payments is not a general obligation of the SCSD or the City. Neither the faith and credit nor the taxing power of the City are pledged to the payment of any Installment Purchase Payment or Additional Payment due under this Agreement. However, the obligations of the SCSD and the City under this Agreement to pay Additional Payments shall be a general obligation of the City and SCSD, executory, however, only to the extent of moneys budgeted by the SCSD and approved and appropriated therefor by the City. It is understood that neither this Agreement nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make moneys available for the purposes of this Agreement.

(c) The obligations of the City and the SCSD under this Agreement, including their respective obligation to pay the Installment Purchase Payments and Additional Payments in any Fiscal Year for which this Agreement is in effect, shall constitute a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness or moral obligation of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State. The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due hereunder shall be moneys comprising State Aid to Education lawfully appropriated by the State and available therefor from time to time to or for the benefit of the SCSD, and approved and appropriated for such purpose by the City.

(d) The SCSD agrees that (i) its proposed expense budget for each ensuing Fiscal Year commencing with the Fiscal Year ending June 30, 2009 shall include, either as a separate item of expenditure or as an expenditure within a budget item, the amount of Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year; and (ii) it shall approve payment of such Installment Purchase Payments and Additional Payments after appropriation by the City therefor. The City agrees that it shall approve a budget for the SCSD containing such item of expenditure or budget item and appropriate sufficient funds each ending Fiscal Year commencing with the Fiscal Year ending June 30, 2009 to make the Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year, *provided, however*, that any such appropriation (y) of Installment Purchase Payments shall only be payable by the City and the SCSD to the extent of State Aid to Education, and (z) of Additional Payments shall only be payable by the City and the SCSD to the extent contained in the SCSD budget approved by the City.

(e) Subject to the limitations contained in Section 4.4(b) hereof, none of the School Parties will terminate this Agreement (other than such termination as is provided for hereunder) or be excused from performing its obligations hereunder for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use

of all or any part of any of the Facilities, or the failure of the Agency to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Agreement.

(f) The School Parties presently intend to continue this Agreement for its entire term, and the City and the SCSD presently intend to pay all Base Installment Purchase Payments specified in Schedule A as such Base Installment Purchase Payments come due under the terms and provisions of this Agreement.

(g) No provision contained in this Section 4.4 shall be deemed to limit, impair or modify the intercept provisions of the Syracuse Schools Act or the application of the provisions of Section 5.4 of the Indenture.

(h) For purposes of this Section 4.4, references to the “approval” of the SCSD budget by the City shall include the affirmative approval of the SCSD budget by ordinance of the City’s Common Council approved by the Mayor of the City or, in the absence of such an ordinance, the effectiveness by the passage of time of an SCSD budget pursuant to the charter of the City.

Section 4.5. Directed State Aid Revenues.

(a) Pursuant to instructions, the Commissioner of Finance of the City and the President of the Board of Education have directed the State Comptroller’s Office to deposit all State Aid to Education into the State Aid Depository Fund established under the State Aid Depository Agreement, and the Commissioner of Finance of the City and the President of the Board of Education have further instructed the Depository Bank, pursuant to the terms and provisions of the State Aid Depository Agreement, to transfer State Aid to Education to the Trustee and each other Series Trustee in accordance with the State Aid Depository Agreement for the purpose of, in the case of the Indenture, making deposits in the Bond Fund with respect to amounts due on the Bonds and for replenishing deficiencies in the Debt Service Reserve Fund. The City and the SCSD agree not to modify the procedures set forth in the State Aid Depository Agreement for the collection, deposit or disbursement of State Aid to Education, except as and to the extent permitted under the State Aid Depository Agreement.

(b) Each of the City and the SCSD acknowledge that, pursuant to Section 5.4 of the Indenture (and the Syracuse Schools Act), in the event of a failure to make a payment under this Agreement in the amount and by the date the same is due (for any reason, including the failure of the SCSD or the City to budget and appropriate moneys for such purpose and approve payment thereof with moneys appropriated therefor), the Agency has appointed the Trustee to act as its agent under the Indenture for the purpose of delivering a certificate to the State Comptroller certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall be authorized to withhold from the City and the SCSD state and/or school aid as is payable to the City and/or the SCSD to the extent of the amount so stated in such certificate of the Trustee as not having been made, and the State Comptroller shall immediately pay over to the Trustee on behalf of the Agency, the amount of such state and/or school aid so withheld. Notwithstanding anything to the contrary contained herein, amounts of such state and/or school aid received by the Trustee on behalf of the Agency

Section 4.6. Assignment of Installment Purchase Payments by the Agency. It is understood that this Agreement and all Installment Purchase Payments by the City and the SCSD hereunder (except Additional Payments pursuant to Sections 4.3 and 4.8 hereof and other Additional Payments and/or rights comprising the Reserved Rights) are to be pledged and assigned by the Agency to the Trustee pursuant to the Indenture, and the City and the SCSD hereby consent thereto. Except as provided in this Section 4.6 and the Indenture, the Agency shall not assign this Agreement or any Installment Purchase Payments hereunder.

The City and the SCSD shall, to the extent not paid out of the proceeds of the Bonds as financing expenses, pay the following annual fees, charges and expenses and other amounts: (1) the initial and annual fees of the Trustee for the ordinary services of the Trustee rendered and its ordinary expenses incurred under the Indenture, including the fees and expenses of any accountant or other agent engaged by the Trustee for performing such services, and the fees and expenses as Bond Registrar, and in connection with preparation of new Bonds upon exchanges or transfers or making any investments in accordance with the Indenture, (2) the reasonable fees and charges of the Trustee and any Paying Agents on the Bonds for acting as paying agents as provided in the Indenture, including the reasonable fees of its counsel, (3) the reasonable fees, charges, and expenses of the Trustee for extraordinary services rendered by it under the Indenture, including reasonable counsel fees, (4) the initial and annual fees of the Depository Bank for the ordinary services of the Depository Bank rendered and its ordinary expenses incurred under the State Aid Depository Agreement, and (5) the fees, costs and expenses of the Bond Registrar and the fees, costs and expenses (including legal, accounting and other administrative expenses) of the Agency. The City and the SCSD shall further pay the fees, costs and expenses of the Agency together with any reasonable fees and disbursements incurred by the Agency's bond counsel and general counsel in connection with (i) the Projects or this Agreement, including fees and expenses incurred by the Agency after the occurrence and during the continuance of an Event of Default as provided in Section 8.1 of this Agreement, (ii) the negotiation and execution of this Agreement, the Indenture and other Project Documents; and (iii) any waiver, modification or amendment to this Agreement, the Indenture or any other Project Document that may be requested by a School Party or any party thereto, and consented to by the City and the SCSD, or any action by the Agency requested by a School Party thereunder. The City and the SCSD shall further pay to the Agency on the date of issuance of the Series 2008A Bonds and on the date of issuance of any Additional Bonds an amount equal to one-half of one percent (1/2 of 1%) of the principal amount of such Series of Project Bonds.

The City and the SCSD shall pay or reimburse the Bond Insurer for any and all charges, fees, costs and expenses which the Bond Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Security Document; (ii) the pursuit of any remedies under the Indenture or any

Related Security Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, any Project Document whether or not executed or completed, (iv) the violation by the Agency or a School Party of any law, rule or regulation, or any judgment, order or decree applicable to it or (v) any litigation or other dispute in connection with the Indenture or any other Project Document or the transactions contemplated thereby, other than amounts resulting from the failure of the Bond Insurer to honor its obligations under the Bond Insurance Policy. The Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture or any other Project Document.

Section 4.9. Net Agreement. This Agreement shall be deemed and construed to be a “net agreement,” and the City and the SCSD shall pay absolutely net during the Agreement Term the Installment Purchase Payments and all other payments required hereunder, free of all deductions, without abatement, diminution and set off.

ARTICLE V

OPERATION AND MAINTENANCE; INSURANCE; DAMAGE; DESTRUCTION AND CONDEMNATION

Section 5.1. Operation, Maintenance and Repair. During the Agreement Term, the SCSD shall be responsible for, and pay all costs of, operating the Facilities, maintaining the same in good and safe condition, and making all necessary repairs and replacements, interior and exterior, structural and non-structural. All replacements, renewals and repairs shall be equal in quality, class and value to the original work and be made and installed in compliance with the requirements of all governmental bodies. The Agency shall be under no obligation to replace, service, test, adjust, erect, maintain or effect replacements, renewals or repairs of any of the Facilities, to effect the replacement of any inadequate, obsolete, worn-out or unsuitable parts of any of the Facilities, or to furnish any utilities or services for any of the Facilities and the SCSD hereby agrees to assume full responsibility therefor.

Section 5.2. Utilities, Taxes and Governmental Charges.

(a) The SCSD will pay or cause to be paid all charges for water, electricity, light, heat or power, sewage, telephone and other utility service, rendered or supplied upon or in connection with the Facilities during the Agreement Term.

(b) In addition, the SCSD shall (i) pay, or make provision for payment of, all lawful taxes and assessments, including income, profits, property or excise taxes, if any, or other municipal or governmental charges, levied or assessed by any Federal, state or any municipal government upon the Agency, the City or the SCSD with respect to or upon any of the Facilities or any part thereof or upon any payments hereunder when the same shall become due; (ii) duly observe and comply with all valid requirements of any governmental authority relative to the Facilities; (iii) not create or suffer to be created any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon the payments in respect thereof pursuant hereto; and (iv) pay or cause to be discharged or make adequate provision to satisfy and discharge, within sixty (60) days after the same shall come into force, any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon any payments hereunder and all lawful claims or demands for labor, materials, supplies or other charges which, if unpaid, might be or become a lien upon any payments hereunder.

Section 5.3. Additions, Enlargements and Improvements. The SCSD shall have the right at any time and from time to time during the Agreement Term, at its own cost and expense, to make such additions, enlargements, improvements and expansions to, or repairs, reconstruction and restorations of, any of the Facilities, as the SCSD shall deem necessary or desirable in connection with the use of such Facilities. All such additions, enlargements, improvements, expansions, repairs, reconstruction and restorations when completed shall be of such character as not to reduce or otherwise adversely affect the value of the related Facility or the rental value thereof. The cost of any such additions, enlargements, improvements, expansions, repairs, reconstruction or restorations shall be promptly paid or discharged so that the affected Facility shall at all times be free of liens for labor and materials supplied thereto.

Section 5.4. Additional Rights of the SCSD. The Agency agrees that the SCSD shall have the right, option and privilege of erecting, installing and maintaining at its own cost and expense equipment (not constituting part of the Series 2008 Project) in or upon any Facility as may in the SCSD's judgment be necessary for its purposes. It is further understood and agreed that any equipment erected or installed under the provisions of this Section shall be and remain the personal property of the SCSD and, if not constituting part of the Series 2008 Project, shall not become subject to this Agreement, and may be removed, altered or otherwise changed, upon or before the termination hereof.

Section 5.5. Liability Insurance.

(a) The JSCB shall maintain or cause to be maintained with responsible insurers, for the benefit of the Agency and the Trustee until completion of the Series 2008 Project in accordance with Section 3.2(b) hereof, the following kinds and the following amounts of insurance with respect to the Facilities, with such variations as shall reasonably be required to conform to customary insurance practice:

(i) During any period of construction or reconstruction of any of the Facilities, Builders' Special Form Insurance written on "100% builders' risk completed value, non-reporting form" including coverage therein for "completion and/or premises occupancy" and coverage for property damage insurance, all of which insurance shall include coverage for removal of debris, insuring the buildings, structures, facilities, machinery, equipment, fixtures and other property included within reconstruction of any of the Facilities against loss or damage by fire, lightning, vandalism, malicious mischief and other casualties, with standard extended coverage endorsement covering perils of windstorm, hail, explosion, aircraft, vehicles and smoke (except as limited in the standard form of extended coverage endorsement at the time in use in the State) at all times in an amount such that the proceeds of such insurance shall be sufficient to prevent the School Parties, the Agency or the Trustee from becoming a co-insurer of any loss under the insurance policies; any such insurance may limit coverage to \$20,000,000 for any one Facility;

(ii) During any period of construction or reconstruction of any of the Facilities, commercial public liability insurance with respect to the construction activities at the Facilities in a minimum amount of \$26,000,000 per occurrence and aggregate, which insurance may be effected under overall blanket or excess coverage policies, *provided, however*, that at least \$1,000,000 is effected by a comprehensive liability insurance policy; and

(iii) Workers' compensation insurance and such other forms of insurance which the City, the SCSD or the Agency is required by law to provide covering loss resulting from injury, sickness, disability or death of the employees of any contractor or subcontractor performing work with respect to any of the Facilities included within the Series 2008 Project; the JSCB shall require that all said contractors and subcontractors shall maintain all forms or types of insurance with respect to their employees required by law.

(b) Prior to the commencement of construction of the Facilities, the JSCB shall deliver or cause to be delivered to the Agency and to the Trustee duplicate copies of insurance policies obtained by the JSCB hereunder and/or binders evidencing compliance with the insurance requirements of this Section 5.5. If any change shall be made in any such insurance, a description and written notice of such change shall be furnished by the JSCB to the Agency and the Trustee thirty (30) days in advance of such change.

(c) At least thirty (30) days prior to the expiration of any insurance policy required under this Section 5.5, the JSCB shall furnish the Agency and the Trustee with evidence that such policy has been renewed or replaced or is no longer required by this Agreement.

(d) All insurance required by Section 5.5(a) above shall be procured and maintained in financially sound and generally recognized responsible insurance companies authorized to write such insurance in the State. Each of the policies or binders evidencing the insurance required above to be obtained shall:

(i) provide that there shall be no recourse against the Agency or the Trustee for the payment of premiums or commissions or (if such policies or binders provide for the payment thereof) additional premiums or assessments;

(ii) provide that in respect of the interests of the Agency and the Trustee in such policies, the insurance shall not be invalidated by any action or inaction of a School Party or any other Person and shall insure the Agency and the Trustee regardless of, and any losses shall be payable notwithstanding, any such action or inaction;

(iii) provide that such insurance shall be primary insurance without any right of contribution from any other insurance carried by the Agency or the Trustee to the extent that such other insurance provides the Agency or the Trustee with contingent and/or excess liability insurance with respect to its interest as such in the Facilities;

(iv) provide that if the insurers cancel such insurance for any reason whatsoever, including the insured's failure to pay any accrued premium, or the same is allowed to lapse or expire, or there be any reduction in amount, or any material change is made in the coverage, such cancellation, lapse, expiration, reduction or change shall not be effective as to the Agency or the Trustee until at least thirty (30) days after receipt by the Agency and the Trustee of written notice by such insurers of such cancellation, lapse, expiration, reduction or change;

(v) waive any right of subrogation of the insurers thereunder against any Person insured under such policy, and waive any right of the insurers to any setoff or counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of any Person insured under such policy; and

(vi) contain such other terms and provisions as any owner or operator of facilities similar to the Facilities would, in the prudent management of its properties, require to be contained in policies, binders or interim insurance contracts with respect to facilities similar to the Facilities owned or operated by it.

(e) The JSCB shall, at the cost and expense of the SCSD and the City, make all proofs of loss and take all other steps necessary or reasonably requested by the Agency or the Trustee to collect from insurers for any loss covered by any insurance required to be obtained by this Section 5.5. A School Party shall not do any act, or suffer or permit any act to be done, whereby any insurance required by this Section 5.5 would or might be suspended or impaired.

(f) The SCSD hereby assumes all risks that the proceeds of any insurance may be inadequate to fully indemnify the Agency and the Trustee against, or to reimburse the Agency and the Trustee for, any loss, liability, claim or judgment arising out of any risk, peril or insurable loss under the insurance required hereby. The SCSD acknowledges that the SCSD shall be solely responsible for the payment of any loss, liability, claim or judgment, or any portion thereof, falling within any deductible or self insured retention or which is in excess of any available insurance coverage.

Section 5.6. Damage, Destruction or Condemnation.

(a) The School Parties agree to notify the Agency and the Trustee immediately in the case of damage to or destruction of any Facility or any portion thereof in an amount exceeding \$100,000 resulting from fire or other casualty, and shall state the plans of the School Parties with respect to the repair, reconstruction and restoration of the affected Facility.

(b) If any Facility or portion thereof shall be condemned or taken by eminent domain, this Agreement (with respect to the affected Facility or portion thereof) and the interest of the City and the SCSD hereunder shall terminate when title to such Facility or portion thereof vests in the party condemning or taking the same (hereinafter referred to as the "*termination date*"), and the School Parties will promptly give notice thereof to the Agency and the Trustee, and shall state the plans of the School Parties with respect to the replacement or restoration of the affected Facility.

(c) If any Facility shall be damaged or destroyed (in whole or in part), or the whole or any part of any Facility shall be taken or condemned by a competent authority or by agreement between the City and/or the SCSD and those authorized to exercise such right or if the temporary use of any Facility or any part thereof shall be so taken by condemnation or agreement (a "*Loss Event*") at any time while this Agreement is in effect:

(i) the Agency shall have no obligation to replace, repair, rebuild, restore or relocate the affected Facility; and

(ii) there shall be no abatement or reduction in the amounts payable by the City and the SCSD under this Agreement (whether or not the affected Facility is replaced, repaired, rebuilt, restored or relocated); and

(iii) the proceeds derived from the insurance or any condemnation award (after payment of all reasonable expenses, costs and taxes (including attorneys' fees) (the "*Net Proceeds*") incurred in obtaining such proceeds) shall be deposited in the Project Fund, and, subject to the provisions of Section 5.6(a)(iv) below, at the option of the City, shall be applied to either (A) replace, repair, rebuild, restore or relocate the affected Facility, or

(B) redeem a principal amount of Bonds equal to such proceeds in accordance with the Indenture; and

(iv) If the School Parties replace, repair, rebuild, restore or relocate the affected Facility, the Trustee shall disburse such proceeds from the Project Fund in the manner set forth in Section 5.2 of the Indenture to pay or reimburse the School Parties for the cost of such replacement, repair, rebuilding, restoration or relocation. Notwithstanding anything to the contrary in Section 5.1(a) (iii) hereof, if (A) the aggregate net proceeds derived from insurance with respect to a particular loss are less than \$50,000, and (B) no Event of Default then exists under the Indenture or this Sale Agreement; the School Parties shall be entitled to withdraw such proceeds from the Project Fund for application to Project Costs in accordance herewith and with the Tax Compliance Documents.

(b) Any such replacements, repairs, rebuilding, restorations or relocations shall be subject to the following conditions:

(i) the restored Facility shall be in substantially the same condition and value as an operating entity as existed prior to the damage or destruction;

(ii) the restored Facility shall continue to constitute a "project" as such term is defined in the Syracuse Schools Act, and the tax-exempt status of the interest on the Bonds shall not, in the opinion of Bond Counsel, be adversely affected; and

(iii) the restored Facility will be subject to no Liens other than Permitted Encumbrances.

(c) All such repair, replacement, rebuilding, restoration or relocation of a Facility shall be affected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements and shall be promptly and fully paid for by the School Parties in accordance with the terms of the applicable contracts.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, restoration or relocation, the School Parties shall nonetheless complete the work and pay from their own moneys or from proceeds of Additional Bonds, if any, issued for such purpose that portion of the costs thereof in excess of such proceeds. All such replacements, repairs, rebuilding, restoration or relocations made pursuant to this Section, whether or not requiring the expenditure of the money of the School Parties, shall automatically become a part of a Facility as if the same were specifically described herein.

(e) Any balance of such proceeds remaining in the Project Fund after payment of all costs of replacement, repair, rebuilding, restoration or relocation of an affected Facility shall, subject to any rebate required to be made to the federal government pursuant to the Indenture or the Tax Compliance Documents, be used to redeem the Bonds as provided in the Indenture. If the entire amount of the Bonds and interest thereon has been fully paid, or provision therefor has been made in accordance with the Indenture, all such remaining proceeds shall be paid to the City for the benefit of the SCSD.

Section 7.2. [Reserved].

Section 7.3. Compliance With Laws and Regulations. Each of the JSCB and the SCSD will, at its own cost and expense, promptly comply with, or cause to be complied with, all laws, rules, regulations and other governmental requirements, whether or not the same require structural repairs or alterations, which may be applicable to the School Parties and any of the Facilities or the use or manner of use of any of the Facilities; *provided, however*, the obligation of the JSCB or the SCSD, as the case may be, to comply with any such law, rule, regulation or governmental requirement shall be suspended during any contest thereof in good faith by the JSCB or the SCSD, which contest is being diligently prosecuted. Each of the JSCB and the SCSD will also observe and comply with the requirements of all policies and arrangements of insurance at any time in force with respect to the Facilities.

Section 7.4. Covenant Against Waste. Each of the JSCB and the SCSD covenants not to do or suffer or permit to exist any waste, damage, disfigurement or injury to, or public or private nuisance upon, any of the Facilities.

^ob **Section 7.5. Right of Inspection.** The SCSD covenants and agrees to permit the Agency and the Trustee and the authorized agents and representatives of the Agency and the Trustee upon reasonable notice to the SCSD, to enter any of the Facilities for the purpose of inspecting the same.

Section 7.6. Condition of Facilities. Immediately upon the availability of any part of a Facility for use by the JSCB or the SCSD, the JSCB or the SCSD shall become thoroughly familiar with the physical condition of such part of the Facility. The Agency makes no representations whatever in connection with the condition of any Facility, and the Agency shall not be liable for any defects therein.

Section 7.7. Assignment and Sale by the School Parties. The School Parties will not sell, lease, transfer or otherwise dispose of or encumber any of their interest in any of the Facilities except in the case of Permitted Encumbrances or as provided in Section 7.15 hereof; *provided, however*, that the SCSD may lease or license part of any Facility (x) for a purpose and use consistent with the License and this Agreement, (y) upon delivery to the Trustee of an Opinion of Counsel to the effect that such lease or license shall neither limit nor impair the obligations of the School Parties under this Agreement, and (z) upon delivery to the Trustee of an opinion of Nationally Recognized Bond Counsel to the effect that such lease or license, as applicable, will not cause interest on any of the Bonds to become includable in gross income for federal income tax purposes. This Agreement may be assigned in whole or in part by one or more of the School Parties upon written consent of the Agency, the other School Parties and the Trustee (which consent may be unreasonably withheld), but no assignment shall relieve the

School Parties, as applicable, from primary liability for any of its obligations hereunder, and in the event of any such assignment the School Parties shall continue to remain primarily liable for the payments specified herein and the SCSD, the City and/or the JSCB, as applicable, for performance and observance of the other agreements on its part herein provided.

Section 7.8. Use of the Facilities. Each Facility shall be used by the SCSD or any other governmental agency, department, division, commission or board thereof and used for public purposes of the SCSD or such agency, department, division, commission or board, and as a “project” under the IDA Act and as a Project as provided in the Syracuse Schools Act.

Section 7.9. [Reserved].

Section 7.10. Compliance With Laws. The parties hereto agree to comply with all laws, rules, regulations, orders and decrees applicable to the Facilities or the performance hereof.

Section 7.11. Covenant Not to Affect the Tax-Exempt Status of the Bonds. The School Parties each agree that throughout the Agreement Term, it will comply with the Tax Compliance Documents and it will take no action, or permit any action to be taken, with respect to any Facility which will impair the exemption of interest on any Outstanding Bonds from Federal income taxes.

Section 7.12. Covenants as to State Aid Depository Agreement. The City and the SCSD agree not to revoke the instructions furnished to the State Comptroller’s office to forward all State Aid to Education payments to the Depository Bank. The City and the SCSD also agree to comply with and not to terminate the State Aid Depository Agreement or materially modify the terms and provisions thereof, except as may be permitted under the terms of the State Aid Depository Agreement.

Section 7.13. Filings. The City shall be responsible for the filing of financing statements (including continuation statements) in connection with and in order to continue the security interest created by the Indenture.

Section 7.14. Equal Employment Opportunities.

(a) The SCSD shall ensure that all employees and applicants for employment with regard to each of the Facilities are afforded equal employment opportunities without discrimination.

(b) Except as is otherwise provided by collective bargaining contracts or agreements, new employment opportunities created as a result of the Series 2008 Project (whether by the SCSD or any other occupant of a Facility) shall be listed by the SCSD (or, if applicable, such other occupant) with the New York State Department of Labor Community Services Division, and with the administrative entity of each service delivery area created by the Workforce Investment Act of 1998 (P.L. No. 05-220) in which each of the Facilities is located. Except as is otherwise provided by collective bargaining contracts or agreements, the SCSD agrees, and shall cause any other occupant of a Facility to agree, where practicable, to first consider persons eligible to participate in the Workforce Investment Act of 1998 (P.L. No. 105-220) programs who shall be referred by administrative entities of service delivery areas

created pursuant to such act or by the Community Services Division of the New York State Department of Labor for such new employment opportunities.

Section 7.15. Release of Facilities. Notwithstanding any other provision of this Agreement, so long as there exists no event of default hereunder, nor any event which upon the giving of notice or the passage of time or both, would constitute an event of default, the SCSD may, upon written notice to the Agency and the Trustee and compliance with the following, effect the release of a Facility, to no longer be used by the SCSD as a public school, or the costs with respect to which have been financed with the Bonds which are no longer Outstanding, from this Agreement and the License. Upon receipt of such notice, the Agency and the Trustee shall, at the sole cost and expense of the SCSD, execute and deliver any and all instruments necessary or appropriate to so release and remove such Facility from the Facilities subject to this Agreement and the License; *provided, however*, that in the event the release is of the last remaining Facility, the SCSD and the City must further pay Base Installment Purchase Payments necessary to effect the redemption in whole of the Bonds.

No conveyance or release effected under the provisions of this Section 7.15 shall entitle the SCSD or the City to any abatement or diminution of the Installment Purchase Payments payable under Section 4.1 hereof or the Additional Payments required to be made by the SCSD and the City under this Agreement.

Section 7.16. No-Default Certificates.

(a) Each School Party shall deliver to the Agency, the Series 2008A Bond Insurer and the Trustee within one hundred and twenty (120) days after the close of each Fiscal Year, a certificate of an Authorized Representative thereof as to whether or not, as of the close of such preceding Fiscal Year, and at all times during such Fiscal Year, the School Party was in compliance with all the provisions which relate to it in this Agreement and in any other Project Document to which it shall be a party, and if such Authorized Representative shall have obtained knowledge of any default in such compliance or notice of such default, he shall disclose in such certificate such default or defaults or notice thereof and the nature thereof, whether or not the same shall constitute an event of default hereunder, and any action proposed to be taken by the SCSD, the City and/or the JSCB, as applicable, with respect thereto, and, until such time as the Series 2008 Project has been completed and a certificate evidencing the same pursuant to Section 3.2(b) of this Agreement has been delivered to the Agency and the Trustee, a certificate of an Authorized Representative of the JSCB that the insurance it maintains and/or is required to provide complies with the provisions of Section 5.5 of this Agreement, that such insurance has been in full force and effect at all times during the preceding Fiscal Year, and that duplicate copies of all policies or certificates thereof have been filed with the Agency and the Trustee and are in full force and effect. In addition, upon twenty (20) days' prior request by the Agency, the Series 2008A Bond Insurer or the Trustee, each School Party will execute, acknowledge and deliver to the Agency, the Series 2008A Bond Insurer and the Trustee a certificate of an Authorized Representative thereof either stating that to his knowledge no default or breach exists hereunder or specifying each such default or breach of which he has knowledge.

(b) Each School Party shall immediately notify the Agency, the Series 2008A Bond Insurer and the Trustee of the occurrence of any event of default or any event which with

notice and/or lapse of time would constitute an event of default under any Project Document of which it has knowledge. Any notice required to be given pursuant to this subsection shall be signed by an Authorized Representative of the appropriate School Party and set forth a description of the default and the steps, if any, being taken to cure said default. If no steps have been taken, the notice shall state this fact.

Section 7.17. Further Assurances. Each School Party will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such further acts, instruments, conveyances, transfers and assurances, at the sole cost and expense of the SCSD and the City, as the Agency or the Trustee deems reasonably necessary or advisable for the implementation, effectuation, correction, confirmation or perfection of this Agreement and any rights of the Agency or the Trustee hereunder, under the Indenture or under any other Project Documents.

Section 7.18. Recording and Filing. The Pledge and Assignment and this Agreement as originally executed or a memorandum thereof shall be recorded by the SCSD in the appropriate office of the Clerk of the County, or in such other office as may at the time be provided by law as the proper place for the recordation thereof. The security interest of the Trustee created under the Indenture shall be perfected by the filing of financing statements by the SCSD which fully comply with the New York State Uniform Commercial Code - Secured Transactions in the office of the Secretary of State of the State, in the City of Albany, New York. The City shall file or cause to be filed all necessary continuation statements (and additional financing statements) within the time prescribed by the New York State Uniform Commercial Code - Secured Transactions in order to continue (or attach and perfect) the security interest created by the Indenture, to the end that the rights of the Agency, the Holders of the Bonds and the Trustee in this Agreement, in the Installment Purchase Payments payable under this Agreement and in the Trust Estate, shall be fully preserved as against creditors or purchasers for value from the Agency, the City or the SCSD. The Agency and the Trustee are authorized, if permitted by applicable law, to file one or more Uniform Commercial Code financing statements disclosing any security interest in this Agreement and the Installment Purchase Payments due under this Agreement.

Section 7.19. Furnishing of Information. Each School Party shall promptly furnish to the Agency and the Trustee such information, in such form and supported by such certifications as the Agency or the Trustee shall reasonably request, relating to such School Party and the Facilities, and the past, present and future employment by the SCSD at the Facilities.

Section 7.20. Use of Bond Proceeds. Each School Party shall use, or permit or suffer to be used, the proceeds of the Bonds only for the purposes and costs permitted therefor under this Agreement, the Indenture and the Tax Compliance Documents.

Section 7.21. Compliance With Requirements for State Aid to Education and Other State and/or School Aid. The School Parties will comply with all requirements necessary to ensure receipt of State Aid to Education or other state and/or school aid payable to the City or the SCSD over the term of this Agreement.

Section 7.22. No Impairment of Pledge of State Aid to Education and Other State and/or School Aid . Each of the SCSD and the City covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Facilities Agreement, in connection with a Series of Project Bonds under a Series Indenture, which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of state and/or school aid under the Syracuse Schools Act; *provided, however*, that nothing contained in this Agreement shall be deemed (y) to limit or deny the ability of the issuer of a Series of Project Bonds to pledge State Aid to Education on a parity with the pledge effected by the Agency under the Indenture, or (z) to require that any Series of Project Bonds issued under a Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Indenture, or that any lease rental payment dates or installment purchase payment dates, as applicable, under a Series Facilities Agreement be the same as provided for hereunder.

Section 7.23. Financial and Other Information to the Series 2008A Bond Insurer. Each of the SCSD and the City agrees, for the benefit of the Series 2008A Bond Insurer, to deliver to the Series 2008A Bond Insurer (w) its annual unaudited financial statements as soon as available, (x) its annual audited financial statements after the end of the Fiscal Year as soon as possible but not later than three hundred sixty (360) days after the end of the Fiscal Year (together with a certification by the City and the SCSD that they are not aware of any default or Event of Default under the Indenture), (y) its annual budget within thirty (30) days after the approval thereof, and (z) such other information, data or reports as the Series 2008A Bond Insurer shall reasonably request from time to time.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

Section 8.1. Events of Default. An “event of default” or a “default” shall mean, whenever they are used herein, any one or more of the following events:

(a) Default in the due and punctual payment of any Installment Purchase Payment (other than failure to pay as a result of an Event of Nonappropriation);

(b) Default in the due and punctual payment of any Additional Payment, which default shall continue for a period of thirty (30) days after payment thereof was due;

(c) Failure by any School Party to observe and perform any of the terms and covenants on its part to be observed or performed set forth in Section 4.4(d), 4.4(e), 4.4(f), 7.12 or 7.21 hereof;

(d) Failure of the SCSD to observe and perform the covenants set forth in Section 4.3 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the SCSD of written notice specifying the nature of such default from the Agency or the Trustee;

(e) Failure of the JSCB to observe and perform the covenants set forth in Section 5.5 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the JSCB of written notice specifying the nature of such default from the Agency or the Trustee;

(f) Failure by any School Party to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in paragraphs (a), (b), (c), (d) and (e) of this Section, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the defaulting party and the other School Parties by the Agency, the Series 2008A Bond Insurer, the Trustee or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, unless by reason of the nature of such failure the same can not be remedied within such thirty (30) day period and the defaulting party has within such period commenced to take appropriate actions to remedy such failure and is diligently prosecuting such actions; *provided, however*, that unless the Series 2008A Bond Insurer shall consent in writing to a longer period, it shall constitute an Event of Default under this paragraph (f) if such failure shall not be remedied within sixty (60) days after receipt by the defaulting party of the above written notice;

(g) The City or the SCSD shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against the City or the SCSD seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors,

or seeking the entry of an order for relief or the appointment of a receiver; trustee, or other similar official for it for any substantial part of its property; or the City or the SCSD shall authorize any of the actions set forth above in this paragraph (g); or

(h) The entering of an order or decree appointing a receiver of the Facilities or any thereof with the consent or acquiescence of the City or the SCSD or the entering of such order or decree without the acquiescence or consent of the City or the SCSD if it shall not be vacated, discharged or stayed within ninety (90) days after entry.

Notwithstanding anything contained in this Section to the contrary, a failure by the City or the SCSD to pay when due any payment required to be made hereunder or a failure by the City or the SCSD to observe and perform any covenant, condition or agreement on its part to be observed or performed hereunder, resulting from a failure by the Board of Education to include such payment obligation and moneys for such purposes in the annual budget for the SCSD, failure by the City to approve such budget and appropriate moneys for such purpose, or a failure by the SCSD to approve payment thereof after appropriation by the City therefor shall not constitute an event of default hereunder. However, the failure by the City or the SCSD to pay when due any payment required to be made by it under this Agreement shall constitute a failure to make a payment under this Agreement for purposes of the Syracuse Schools Act, and in such event the Agency has appointed the Trustee to act as its agent for purposes of taking action under Section 5.4 of the Indenture. The City and the SCSD agree to provide written notice to the Trustee indicating either (i) the Board of Education submitted an annual budget for the SCSD to the Mayor of the City that fails to include a separate line item representing the full amount of Installment Purchase Payments payable during the applicable Fiscal Year, (ii) the City approved an annual budget for the SCSD that fails to include such a separate line item, or (iii) the SCSD failed to approve payment of such full amount after appropriation by the City therefor.

Section 8.2. Remedies. Whenever any event of default referred to in Section 8.1 hereof shall have happened and be continuing, or whenever an Event of Nonappropriation shall have occurred and be continuing, the Agency (with the prior written consent of the Trustee) or the Trustee, subject in all respects to Section 4.4 hereof, may take whatever action at law or in equity may appear necessary or desirable to collect the payments then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the School Parties hereunder. Notwithstanding the foregoing, for so long as any of the Bonds are Outstanding or any amounts remain due and payable by the City or the SCSD under this Agreement, neither the Agency nor the Trustee shall take any action which shall have the effect of terminating this Agreement or the interest in or rights of possession of the City or the SCSD in the Facilities, *provided, however*, that in addition to any other rights or remedies granted by this Section to the Agency, the Agency may enforce any of the Agency's Reserved Rights without the consent of the Trustee or any other person, by an action for damages, injunction or specific performance.

No action taken pursuant to this Section 8.2 shall relieve any School Party from its obligations hereunder, all of which shall survive any such action.

Section 8.3. Cure. Notwithstanding any remedy taken by the Agency or the Trustee pursuant to Section 8.2 hereof, if all arrears of Installment Purchase Payments, and all other

Additional Payments, shall have been paid, all other things shall have been performed in respect of which there was an event of default or Event of Nonappropriation and there shall have been paid the reasonable fees and expenses, including expenses of the Trustee (including reasonable attorneys' fees paid or incurred), then the event of default or Event of Nonappropriation shall be waived without further action by the Trustee or the Agency.

Section 8.4. No Remedy Exclusive. Subject to the provisions of the second sentence of Section 8.2 hereof, no remedy herein conferred upon or reserved to the Agency or the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency or the Trustee to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 8.5. Waiver and Non-Waiver. In the event any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 8.6. Effect on Discontinuance of Proceedings. In case any proceeding taken by the Trustee under the Indenture or this Agreement or under any other Security Document on account of any event of default or Event of Nonappropriation hereunder or under the Indenture shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then, and in every such case, the Agency, the Trustee, the Bond Insurer and the Holders of the Bonds shall be restored, respectively, to their former positions and rights hereunder and thereunder, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

Section 8.7. Agreement to Pay Attorneys' Fees and Expenses. In the event the Agency, the Bond Insurer or the Trustee should employ attorneys or incur other expenses for the collection of Installment Purchase Payments or Additional Payments payable hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the School Parties herein contained or contained in any other Project Document, each of the City or the SCSD agree that it will on demand therefor pay to the Agency, the Bond Insurer or the Trustee the reasonable fees and disbursements of such attorneys and such other expenses so incurred.

ARTICLE IX

LIMITATIONS ON TERMINATION OF AGREEMENT

Section 9.1. Limitations on Termination of Agreement. Notwithstanding any provisions of this Agreement to the contrary, neither the Agency, the Trustee nor any School Party shall take or fail to take any action which would cause this Agreement to terminate while any Bonds remain Outstanding or any amounts remain due and payable under this Agreement or prior to the discharge of the lien of the Indenture.

ARTICLE X

All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency, and not of any member, director, officer, employee or agent of the Agency in his individual capacity, and no recourse shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or for any claim based thereon or hereunder against any member, director, officer, employee or agent of the Agency or any natural person executing the Bonds.

Section 10.9. Effective Date; Counterparts. This Agreement shall become effective upon its delivery. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 10.17. Non-Discrimination.

(a) At all times during the maintenance and operation of the Facilities, the SCSD shall not discriminate against any employee or applicant for employment because of race, color, creed, age, sex or national origin. There shall be no other recourse against the Agency, its members, directors, officers, agents, servants and employees and persons under the Agency's control or supervision, past, present or future, or against any of the property now or hereafter owned by it or them. Section 202. Operation of the Fund. (a) Pursuant to written instructions to the New York State Comptroller dated March 12, 2008, the Commissioner of Finance and the President of the Board of Education of the School District have directed the New York State Comptroller's Office to deposit all State Aid to Education into the Fund except for any amount of State Aid to Education withheld from the City or School District in accordance with the provisions of the Act.

(b) Notwithstanding the following provisions of this Section 202, if the Depository Bank receives written instructions from the Commissioner of Finance with an accompanying monthly payment schedule from the Commissioner of Finance indicating that, pursuant to applicable State law and, if applicable, any credit enhancement agreement to which the City is a party, State Aid to Education must be set aside in a special bank account designated in such instructions to be used only for the payment in accordance with such payment schedule of outstanding revenue anticipation notes issued by the City (the "RAN Repayment Requirement"); then, each month, the Depository Bank shall immediately withdraw from the Fund all State Aid to Education that are received and cause the amounts so withdrawn to be immediately paid, before any further withdrawal or payment under this Section 202, to such special bank account, until the total amount of such withdrawals is equal to the portion of such RAN Repayment Requirement required, in accordance with such payment schedule, to be withdrawn and paid to such special bank account for such month or any prior month to the extent not yet paid.

(c) Commencing on April 1, 2008 through and including November 30, 2008, the Depository Bank shall immediately upon receipt of any payment of State Aid to Education pay over to the General Fund all such State Aid to Education.

(d) On or before July 15, 2008 for the Fiscal Year ending June 30, 2009, and on or before July 15 of each subsequent Fiscal Year, the Collecting Officer and the Commissioner of Finance shall prepare and deliver to the Depository Bank and each Series Trustee a certificate, substantially in the form of Exhibit A-1 hereto (the "State Aid Payment Certificate"), setting forth (i) a statement that the School District has budgeted and directed payment from appropriated funds of, and the City has appropriated, an amount of State Aid to Education necessary to fund the Aggregate Facilities Payment Obligations for such Fiscal Year,

(ii) the total amount of State Aid to Education expected to be received during the next Collection Period and the Collection Percentage applicable to each month of such Collection Period, and (iii) a statement developed with the assistance of the School District's financial advisor or a nationally recognized municipal securities underwriting firm, setting forth the long-term debt rating of each provider of a Qualified Debt Service Reserve Fund Investment Agreement by each of Fitch, Inc., Moody's Investors Service, Inc. and Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies, Inc. However, in the event that the City shall not have appropriated or the School District has not budgeted or directed payment from appropriated funds for such amount of State Aid to Education in its adopted budget for such Fiscal Year, the State Aid Payment Certificate for such Fiscal Year shall set forth a statement to such effect, shall not include any information regarding the collection of State Aid to Education during the Collection Period and shall be substantially in the form of Exhibit A-2 hereto. Thereafter and not later than the end of the third business day immediately preceding March 31 of such Fiscal Year, if circumstances warrant, the Collecting Officer and the Commissioner of Finance shall from time to time prepare and deliver to the Depository Bank a revised State Aid Payment Certificate setting forth, as appropriate (i) a statement that the City has, subsequent to adoption of its budget for such Fiscal Year, appropriated an amount of State Aid to Education necessary to fund the Aggregate Facilities Payment Obligations for such Fiscal Year, or (ii) a revised total amount of State Aid to Education expected to be received during the Collection Period for such Fiscal Year and, in either case, if applicable, Collection Percentages or revised Collection Percentages applicable to the remainder of such Collection Period.

(e) On or before November 10 of each Fiscal Year, commencing November 10, 2008, the Depository Bank shall receive from each Series trustee, in accordance with the Indenture pursuant to which such Series Trustee has been appointed, a certificate (the "Base Facilities Agreement Payment Certificate") setting forth the Net Base Facilities Agreement Payment (computed as of the immediately preceding last business day of October of such Fiscal Year) portion of the Facilities Payment Obligations due on the following April 1.

(f) On or before November 10 of each Fiscal Year, commencing November 10, 2008, the Depository Bank shall receive from each Series Trustee, in accordance with the Indenture pursuant to which such Series Trustee has been appointed, a certificate (the "Reserve Payment Certificate") setting forth the Reserve Payment (as defined in each Series Facilities Agreement and computed as of the immediately preceding last business day of October of such Fiscal Year) portion of the Facilities Payment Obligations due and the amount of the Debt Service Reserve Deficiency as of the date of such certificate.

(g) During each Collection Period, if the Depository Bank has received a State Aid Payment Certificate with respect to such Collection Period that sets forth the statements required by clauses (i) and (ii) of the first sentence of Section 202(d), the Depository Bank shall, immediately upon receipt of any payment of State Aid to Education, withdraw such State Aid to Education from the Fund and cause the amounts so withdrawn to be immediately paid in the following order of priority:

(i) *first*, to each Series Trustee for deposit in the Bond Fund established pursuant to the related Series Indenture until the total amount of such withdrawals during each month of such Collection Period shall equal the sum of

(A) the product of the Collection Percentage for such month multiplied by the Net Base Facilities Agreement Payment due the immediately following April 1 as set forth in the Base Facilities Agreement Payment Certificate most recently received by the Depository Bank, plus (B) during the months of January, February and March, the excess of the amount that should have been deposited in the Bond Fund in the immediately preceding month of the Collection Period pursuant to the provisions of this paragraph, over the amount in fact so deposited;

(ii) *second*, thereafter during each month of such Collection Period, to each Series Trustee for deposit in the Debt Service Reserve Fund established pursuant to the related Series Indenture until the total amount of such withdrawals is equal to the Reserve Payment due, if any, as set forth in the Reserve Payment Certificate most recently received by the Depository Bank, and

(iii) *third*, thereafter during each month of such Collection Period, to the General Fund.

In the event that any amount on deposit in the Fund in any month of the Collection Period, at any time, shall be less than the amount required to be paid to a Series Trustee under clauses (i) or (ii) above, the Depository Bank shall make payment to each Series Trustee on a Ratable Basis, in the priority indicated above. For purposes of the preceding sentence, "Ratable Basis" shall be first computed based on amounts payable to each Series Trustee under clause (i) above if there is not enough in the Fund to pay to each Series Trustee what is payable under clause (i) above, and, if the amounts payable under clause (i) have been paid in full, then computed based on the amount payable to each Series Trustee under clause (ii).

Thereafter from April 1 until the commencement of the next Collection Period, immediately upon receipt of any payment of State Aid to Education, the Depository Bank shall withdraw such State Aid to Education from the Fund and cause the amounts so withdrawn to be immediately paid to the General Fund.

If the Depository Bank has not received with respect to a Collection Period for any reason a State Aid Payment Certificate that includes the statements required by clauses (i) and (ii) of the first sentence of Section 202(d), the Depository Bank, both during and after such Collection Period until the next Collection Period, shall withdraw any State Aid to Education from the Fund and cause the amounts so withdrawn to be immediately paid to the General Fund.

Section 203. Procedure for Collection and Deposit of State Aid to Education. The procedure set forth in this Article for the operation of the Fund is related to the School District's current procedure for the collection, deposit and disbursement of State Aid to Education. Nothing herein contained shall prevent the City, the Depository Bank and the School District from effecting any change by amendment hereto modifying the procedures for the collection, deposit and disbursement of State Aid to Education, without the consent of any other party; provided, however, that the School District hereby agrees with the City and the Depository Bank that (i) prior to making any such change, the School District shall notify each Rating Agency of such change and that prior to any such change there shall be delivered to the Depository Bank a rating confirmation of each Rating Agency that the then current unenhanced

rating of the Project Bonds will not be withdrawn or reduced as a result of such change and (ii) the School District will not change or alter the procedure for the collection and deposit of State Aid to Education which in any manner would result in insufficient State Aid to Education being available to timely pay Facilities Payment Obligations in accordance with the terms of this Agreement.

Section 204. Accounts, Reports and Certificates. The Depository Bank agrees that it will keep, or cause to be kept, proper books of record in which complete and accurate entries shall be made of all transactions relating to the Fund. The School District at its sole cost and expense shall cause such books of record relating to the Fund to be audited annually by one or more certified public accountants duly licensed by the State, and such audit shall be filed by the School District with the Commissioner of Finance, the Depository Bank and each Series Trustee.

Section 304. Moneys held in Trust. All moneys held by the Depository Bank, as such, at any time pursuant to the terms of this Agreement shall be and hereby are assigned, transferred and set over unto such Depository Bank in trust for the purposes and under the terms and conditions of this Agreement.

Section 305. Responsibilities of the Depository Bank. The recital of facts herein contained shall be taken as the statements of the School District, the City and the Syracuse Joint Schools Construction Board and the Depository Bank shall assume no responsibility for the

correctness of same. The Depository Bank shall not be liable in connection with the performance of its duties hereunder except for its own negligence, misconduct or failure to perform its express obligations under this Agreement.

The Depository Bank shall be protected in acting upon any notice, resolution, ordinance, request, consent, order, certificate, opinion or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. The Depository Bank shall be permitted to rely on any document transmitted to the Depository Bank by facsimile as if it were an original. The Depository Bank may consult with counsel, who may or may not be counsel to the School District or the City, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Section 307. Compensation and Expenses. Unless otherwise provided by contract with the Depository Bank, the School District shall pay to the Depository Bank from time to time reasonable compensation for all services rendered by it hereunder, and also reimbursement for all its reasonable expenses, charges, counsel fees and other disbursements and those of its attorneys, agents and employees, incurred in and about the performance of its powers and duties hereunder.

Section 308. Resignation of the Depository Bank. Subject to the applicable requirements for a successor depository bank set forth in Section 301 hereof, the Depository Bank may at any time resign and be discharged of the duties created by this Agreement by giving not less than 60 days' written notice to the School District, the Commissioner of Finance, the State Comptroller and each Series Trustee, and such resignation shall not take effect until a successor shall have been appointed by the Commissioner of Finance as provided in Section 301.

Section 309. Removal of Depository Bank. Subject to the appointment of a successor Depository Bank in accordance with the provisions of Section 301 hereof, the Depository Bank may be removed at any time by the Commissioner of Finance by notice in writing filed with the Depository Bank, each Series Trustee and the State Comptroller.

Section 310. Regulations Regarding Investment of Fund. Investment Securities purchased as an investment of moneys in the Fund established under this Agreement shall be deemed at all times to be a part of the Fund, and the interest thereon and any profit arising on the sale thereof shall be credited to the Fund, and any loss resulting on the sale thereof shall be charged to the Fund. In computing the amount in the Fund for any purpose hereunder, such Investment Securities shall be valued at the lower of cost or market price thereof, exclusive of accrued interest, such valuation to be completed by a valuation service selected by the Depository Bank.

Section 311. Enforcement. The construction and enforcement of this Agreement shall be governed by the laws of the State of New York. The parties hereto consent to the jurisdiction of any state or federal court located in the State of New York for the resolution of any claim or controversy arising directly or indirectly from this Agreement.

(b) Capitalized terms used herein and not otherwise defined shall have the meaning set forth in the Schedule of Definitions attached to the Indenture as Appendix "A".

2. Representations and Warranties.

(a) Except as disclosed in Exhibit "B" annexed hereto, each of Indemnitor and City represents and warrants that (i) it has no knowledge of any deposit, storage, disposal, burial, discharge, spillage, uncontrolled loss, seepage or filtration of oil, petroleum or chemical liquids or solids, liquid or gaseous products or any hazardous wastes or hazardous substances (collectively, "*Hazardous Substances*"), as those terms are used in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 or in any other federal, state

(b) Except as disclosed in Exhibit B, each of Indemnitor and the City further represents and warrants that (i) it has not been nor will be involved in operations at or near the Facilities which operations could lead to (A) the imposition of liability on Indemnitor, the City or on any subsequent or former owner of the Facilities or (B) the creation of a lien on the Facilities under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) it has not permitted, and will use its commercially reasonable best efforts to not permit, any tenant or occupant of the Facilities to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, the Agency, the Indemnitor, the City or any other owner of any of the Facilities.

3. Covenants.

Indemnitor and the City shall comply in all material respects with the requirements of the Hazardous Waste Laws and related regulations and with all similar laws and regulations and shall notify the Agency immediately in the event of any discharge or discovery of any Hazardous Substance at, upon, under or within the Facilities in violation of any Hazardous Waste Laws. otherwise; and, in any such case, whether with or without notice to Indemnitor and with or without consideration.

8. Waiver by Indemnitor. (a) Except as disclosed in Exhibit "A" annexed hereto, each of Indemnitor and City represents and warrants that (i) it has no knowledge of any deposit, storage, disposal, burial, discharge, spillage, uncontrolled loss, seepage or filtration of oil, petroleum or chemical liquids or solids, liquid or gaseous products or any hazardous wastes or hazardous substances (collectively, "*Hazardous Substances*"), as those terms are used in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 or in any other federal, state or local law governing hazardous substances, as such laws may be amended from time to time (collectively, the "*Hazardous Waste Laws*"), at, upon, under or within the Facilities or any contiguous real estate, and (ii) it has not caused or permitted to occur, and shall not permit to exist, any condition which may cause a discharge of any Hazardous Substances at, upon, under or within the Facilities or on any contiguous real estate in violation of any Hazardous Waste Laws.

(b) Except as disclosed in Exhibit "A", each of Indemnitor and the City further represents and warrants that (i) it has not been nor will be involved in operations at or near the Facilities which operations could lead to (A) the imposition of liability on Indemnitor, the City or on any subsequent or former owner of the Facilities or (B) the creation of a lien on the Facilities under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) it has not permitted, and will use its commercially reasonable best efforts to not permit, any tenant or occupant of the Facilities to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, the Agency, the Indemnitor, the City or any other owner of any of the Facilities.

3. Covenants.

Indemnitor and the City shall comply in all material respects with the requirements of the Hazardous Waste Laws and related regulations and with all similar laws and regulations and shall notify the Agency immediately in the event of any discharge or discovery of any Hazardous Substance at, upon, under or within the Facilities in violation of any Hazardous Waste Laws. (4) any other environmental matter affecting the Facilities within the jurisdiction of the Environmental Protection Agency, any other federal agency, or any state or local agency in violation of Hazardous Waste Laws.

(b) In the event of any discharge of Hazardous Substances, the threat of a discharge of any Hazardous Substances, or the presence of any Hazardous Substances affecting the Facilities, in each case in violation of any Hazardous Waste Laws, whether or not the same originates or emanates from the Facilities or any contiguous real estate, and/or if Indemnitor and the City shall fail to comply in any material respect with any of the requirements of the Hazardous Waste Laws or related regulations, the Agency may at its election, but without the obligation so to do, give such notices and/or cause such work to be performed at the Facilities and/or take any and all other actions as the Agency shall deem necessary or advisable in order to abate the discharge of any Hazardous Substance, remove the Hazardous Substance or cure the noncompliance of Indemnitor.

(c) Each of Indemnitor and the City acknowledges that the Agency has relied upon the representations, warranties, covenants and indemnities of Indemnitor in this Agreement in determining to undertake the Project. All of the representations, warranties, covenants and indemnities of this Agreement shall survive the repayment of Indemnitor's obligations under the Installment Sale Agreement or other Project Documents.

8. Waiver by Indemnitor. Indemnitor waives any right or claim of right to cause a marshalling of Indemnitor's assets or to cause the Agency to proceed against any of the security for the Installment Sale Agreement before proceeding under this Agreement against Indemnitor or to proceed against Indemnitor in any particular order. Indemnitor agrees that any payments required to be made hereunder shall become due on demand. Indemnitor expressly waives and relinquishes all rights and remedies (including any rights of subrogation) accorded by applicable law to indemnitors or guarantors.

The Agency has sold its interest in the Facilities to the City and the SCSD pursuant to Amendment No. 6 to Installment Sale Agreement (Series 2018B Project), dated as of even date herewith (the “*Sixth Amended Agreement*”), amendatory of a certain Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008 (the “*Original Agreement*”) as previously amended by Amendment No. 1 to Agreement dated as of March 1, 2009 (the “*First Amended Agreement*”); by Amendment No. 2 to Agreement (Series 2010 Project) dated as of December 1, 2010 (the “*Second Amended Agreement*”); by Amendment No. 3 to Agreement (Series 2011 Project) dated as of July 1, 2011 (the “*Third Amended Agreement*”); by Amendment No. 4 to Installment Sale Agreement (Series 2017 Project), dated as of April 1, 2017 (the “*Fourth Amended Agreement*”) and by Amendment No. 5 to Installment Sale Agreement (Series 2018A Project), dated as of March 1, 2018 (the “*Fifth Amended Agreement*” and together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement, the Third Amended Agreement, the Fourth Amended Agreement and the Sixth Amended Agreement, collectively, the “*Installment Sale Agreement*” as same may further be amended or supplemented), each between the Agency, the City, the SCSD and the Joint School Construction Board (the “*JSCB*”). The Installment Sale Agreement requires, among other things, the payment by the City and the SCSD of Installment Purchase Payments as scheduled payments equal to the principal of and interest on the Series 2018B Bonds and any Additional Bonds that were or may be issued under a Series Indenture (collectively, the “*Bonds*”) as the same become due, (the “*Installment Purchase Payments*”). Capitalized terms used herein and not otherwise defined shall have the meaning ascribed thereto in the Indenture.

Pledge and Security. The obligation of the City and the SCSD to pay Installment Purchase Payments under the Installment Sale Agreement is executory only to the extent of State Aid to Education (as defined in the State Aid Depository Agreement referred to below) appropriated by the State and available to the City and/or the SCSD, and budgeted by the SCSD

and appropriated by the City and the SCSD for the payment of Installment Purchase Payments under the Installment Sale Agreement, and no liability on account thereof is incurred by the City and the SCSD beyond the amount of such moneys so available and appropriated, *provided, however*, that the failure of the City and the SCSD for any reason (including a failure by the State to appropriate State Aid to Education or a failure by the City or the SCSD to budget and appropriate funds) to make an Installment Purchase Payment or an Additional Payment under the Installment Sale Agreement is deemed a failure to make a payment for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the Indenture. Further, the obligation of the City and the SCSD to pay Installment Purchase Payments is not a general obligation of the City or the SCSD and neither the faith and credit nor the taxing powers of the City are pledged to the payment of Installment Purchase Payments. The obligations of the City and the SCSD under the Installment Sale Agreement to pay Installment Purchase Payments in any Fiscal Year of the City and the SCSD constitutes a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness or moral obligation of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State of New York (the “*State*”). The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due under the Installment Sale Agreement shall be moneys comprising State Aid to Education lawfully appropriated by the State and available therefor from time to time for the benefit of the SCSD, and budgeted and appropriated for such purpose by the City and the SCSD and, to the extent of any Installment Purchase Payment deficiency, state and/or school aid payable to the City or the SCSD received by the Trustee pursuant to the intercept by the State Comptroller.

Each of the SCSD, the City and Manufacturers and Traders Trust Company, Buffalo, New York, as depository bank (together with its successors or assigns, the “*Depository Bank*”), have entered into a State Aid Depository Agreement dated as of March 1, 2008 (“*Depository Agreement*”) as previous amended by the First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the “*First Amendment to Depository Agreement*”, and together with the Depository Agreement, collectively the “*State Aid Depository Agreement*” as the same may be further amended or supplemented from time to time), to provide for, among other things, the payment of all State Aid to Education into the State Aid Depository Fund maintained with the Depository Bank for periodic transfer to the Bond Fund established under the Indenture (and the equivalent fund established under each other Series Indenture) toward payment of the Bonds and each other Series of Project Bonds issued under a Series Indenture, and to the extent of any deficiency therein, to a Debt Service Reserve Fund or equivalent fund, if any, established under any other Series Indenture (no such fund being established hereunder), and the balance to the General Fund (as defined in the State Aid Depository Agreement).

Copies of the Indenture, the Installment Sale Agreement, the License and the State Aid Depository Agreement are on file at the principal corporate trust office of the Trustee at One M & T Plaza, Buffalo, New York, and reference is made to such documents for the provisions relating, among other things, to the terms and security of the Series 2018B Bonds, the charging and collection of Installment Purchase Payments for the Facilities, the custody and application of the proceeds of the Series 2018B Bonds, the rights and remedies of the holders of the Series 2018B Bonds, and the rights, duties and obligations of the Agency, the School Parties and the Trustee.

Pursuant to the Indenture, the Agency has assigned to the Trustee substantially all of its right, title and interest in and to the Installment Sale Agreement, including all rights to receive Installment Purchase Payments to pay the principal of and interest on the Series 2018B Bonds as the same become due, all to be made by the City and the SCSD pursuant to the Installment Sale Agreement, and all executory only to the extent of State Aid to Education as provided above.

The Series 2018B Bonds are special obligations of the Agency and shall never constitute a debt of the State of New York nor of the City, and neither the State of New York nor the City shall be liable thereon, nor shall the Series 2018B Bonds be payable out of any funds of the Agency other than those pledged therefor. Reference is hereby made to the Indenture for a description of the property pledged, assigned and otherwise available for the payment of the Series 2018B Bonds, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Agency, the Trustee and the holders of the Series 2018B Bonds, and the terms upon which the Series 2018B Bonds are issued and secured.

Additional Bonds. As provided in the Indenture, Additional Bonds may be issued from time to time in one or more series for the purpose of financing the Facilities, providing funds to repair, relocate, replace, rebuild, or restore an affected Facility in the event of damage, destruction or taking by eminent domain, providing additions, rehabilitation or recreational facilities to one or more Facilities, or refunding outstanding Bonds. All Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as may otherwise be expressly provided in the Indenture.

Redemption of Series 2018B Bonds.

(a) *General Optional Redemption.* The Series 2018B Bonds maturing on or prior to May 1, 2026 are not subject to optional redemption prior to the maturity thereof. The Series 2018B Bonds maturing on and after May 1, 2027 are subject to redemption, in whole or in part, at any time on or after May 1, 2026 (but if in part in integral multiples of \$5,000), at the option of the Agency (which option shall be exercised upon the giving of notice by the City of its intention to prepay Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to the principal amount thereof to be redeemed, plus in each case accrued interest to the redemption date.

(b) *Mandatory Redemption.* The Series 2018B Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2018B Project, or (ii) moneys are transferred to the Bond Fund pursuant to Article V of the Indenture or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2018B Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) *Redemption Procedures.* If any of the Series 2018B Bonds are to be called for redemption, the Indenture requires a copy of the redemption notice to be mailed at least thirty (30) days prior to such redemption date to the registered owner of each Series 2018B Bond to be

redeemed at the address for such owner shown on the registration books. All Series 2018B Bonds so called for redemption will cease to bear interest after the date fixed for redemption if funds for their redemption are on deposit at the place of payment at that time. If notice of redemption shall have been given as aforesaid, the Series 2018B Bonds called for redemption shall become due and payable on the redemption date, *provided, however*, that with respect to any redemption of the Series 2018B Bonds as provided in paragraph (a) above, such notice shall state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on such Series 2018B Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Agency shall not be required to redeem such Series 2018B Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of Series 2018B Bonds so called for redemption at the place or places of payment, such Series 2018B Bonds shall be redeemed.

So long as the Securities Depository is effecting book-entry transfers of the Series 2018B Bonds, the Trustee shall provide the notices specified in the paragraph above only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Series 2018B Bond (having been mailed notice from the Trustee, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Series 2018B Bond so affected, shall not affect the validity of the redemption of such Series 2018B Bond.

Payments Due on Saturdays, Sundays and Holidays. In any case where any payment date of principal or Redemption Price, if any, and/or interest on this bond shall be (i) a Saturday or Sunday, (ii) a day in which banks in the State of New York, or in the city in which the corporate trust office of the Trustee is located, are authorized or required by law to close, or (iii) a day on which the New York Stock Exchange, Inc. is closed, then payment of such principal or Redemption Price, if any, and/or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the principal and/or Interest Payment Date or the date fixed for redemption, as the case may be, except that interest shall continue to accrue on any unpaid principal.

Amendment of Indenture. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Agency and the rights of the holders of the Bonds at any time by the Agency with the consent of the Trustee, or, where so provided in the Indenture, the holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding thereunder; provided, however, that if any such amendment or modification would affect only a single series of Bonds, then the consent of the holders of not less than a majority in aggregate principal amount of such series of Bonds at the time Outstanding thereunder shall instead be required. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each Bond and of

any such Bond issued upon the transfer thereof, whether or not notation of such consent is made thereon.

Book-Entry System. The Series 2018B Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Indenture. One bond certificate with respect to each date on which the Series 2018B Bonds are stated to mature, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody or its agent. The book-entry system will evidence positions held in the Series 2018B Bonds by the Securities Depository's Participants, beneficial ownership of the Series 2018B Bonds in authorized denominations being evidenced in the records of such Participants. Transfers of ownership shall be effected on the records of the Securities Depository and its Participants pursuant to rules and procedures established by the Securities Depository and its Participants. The Agency and the Trustee will recognize the Securities Depository nominee, while the registered owner of this bond, as the owner of this bond for all purposes, including (i) payments of principal of, redemption premium, if any, and interest on this bond, (ii) notices, and (iii) voting. Transfer of principal, and interest and any redemption premium payments to Participants of the Securities Depository, and transfer of principal, Redemption Price, and interest payments to Beneficial Owners of the Series 2018B Bonds by Participants of the Securities Depository will be the responsibility of such Participants and other nominees of such Beneficial Owners. The Agency and the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its Participants or persons acting through such Participants. While the Securities Depository nominee is the owner of this bond, notwithstanding the provision hereinabove contained, payments of principal of, redemption premium, if any, and interest on this bond shall be made in accordance with existing arrangements among the Agency, the Trustee and the Securities Depository.

Denominations. The Series 2018B Bonds are issuable in the form of fully registered bonds in the minimum denomination of \$5,000 or any integral multiple thereof.

Exchange of Series 2018B Bonds. The holder of this bond may surrender the same, at the principal corporate trust office of the Trustee, in exchange for an equal aggregate principal amount of Series 2018B Bonds of any of the authorized denominations of the same maturity and maturities as this bond or the Series 2018B Bonds so surrendered, subject to the conditions and upon payment of the charges provided in the Indenture. However, the Trustee will not be required to (i) transfer or exchange any Series 2018B Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Series 2018B Bonds to be redeemed, or (ii) transfer or exchange any Series 2018B Bonds selected, called or being called for redemption in whole or in part.

Transfer of Series 2018B Bonds. This bond is transferable, as provided in the Indenture, only upon the books of the Agency kept for that purpose at the corporate trust office of the Trustee by the registered owner hereof in person, or by his duly authorized attorney-in-fact, upon surrender of this bond (together with a written instrument of transfer in the form appearing on this bond duly executed by the registered owner or his duly authorized

Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15), and thereupon a new fully registered Series 2018B Bond in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Indenture and upon payment of the charges therein prescribed. The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof, and interest due hereon and for all other purposes whatsoever.

No Acceleration of Series 2018B Bonds. In no event shall the principal of any Series 2018B Bond be declared due and payable in advance of its final stated maturity.

Limitation on Bondholder Enforcement Rights. The holder of this bond shall have no right to enforce the provisions of the Indenture, to institute action to enforce the provisions and covenants thereof or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

Special Obligation of the Agency. This bond and the issue of which it forms a part are special obligations of the Agency, payable by the Agency solely out of the Installment Purchase Payments, revenues or other receipts, funds or moneys of the Agency pledged under the Indenture and from any amounts otherwise available under the Indenture for the payment of the Series 2018B Bonds.

III

All right, title and interest of the Agency in and to the State Aid to Education pursuant to the Syracuse Schools Act, subject, however: (i) to the right of the Agency or any other public entity to make any future pledges, of no greater priority than the pledge effected under this Indenture, of its respective right, title and interest in and to the State Aid to Education; and (ii) to the right of the Agency to receive state and/or school aid payable to the City or the SCSD, for application in the priority set forth in Section 5.4 hereof, in satisfaction of the Agency's Reserved Rights (which Reserved Rights may be enforced by the Agency and/or the Trustee, jointly or severally).

(a) No Bond may be authenticated and delivered under the provisions of this Indenture except in accordance with this Article.

(b) The proceeds of the Bonds deposited in the Project Fund and certain of the installment purchase payments, receipts and revenues derived from or in connection with the Facilities, including moneys which are required to be set apart, transferred and pledged to the Bond Fund or to certain special funds (including the investments, if any, thereof) (subject to disbursements from such Funds in accordance with the provisions of this Indenture) are pledged by this Indenture for the payment of the principal or Redemption Price, if any, and interest on, the Bonds. The Bonds shall be the special obligations of the Agency and shall be payable by the Agency as to the principal or Redemption Price, if any, of the Bonds, and interest on the Bonds only from the Funds, special funds and installment purchase payments, revenues and receipts pledged therefor. The Bonds are additionally secured by a pledge and assignment of substantially all of the Agency's right, title and interest in and to the Installment Sale Agreement, including the Installment Purchase Payments payable thereunder. The Bonds shall never constitute a debt of the State nor the City, and neither the State nor the City shall be liable thereon, nor shall the Bonds be payable out of any funds of the Agency other than those pledged therefor.

Interest shall be computed on the basis of a 360-day year of twelve 30-day months. Notwithstanding anything herein to the contrary, the interest rate borne by the Series 2018B Bonds shall not exceed the maximum permitted by, or enforceable under, applicable law.

(c) The Series 2018B Bonds shall be numbered from R-1 upward in consecutive numerical order. Series 2018B Bonds issued upon any exchange or transfer hereunder shall be numbered in such manner as the Trustee in its discretion shall determine.

(d) The principal or Redemption Price of the Series 2018B Bonds shall be payable at the corporate trust office of the Trustee at Manufacturers and Traders Trust Company, Buffalo, New York, as Paying Agent, or at the corporate trust office of any successor Paying Agent.

(e) Interest on the Series 2018B Bonds shall be payable to the Person appearing on the registration books of the Trustee as the registered owner thereof on the Record Date next preceding the Interest Payment Date: (1) by check or draft mailed on the Interest Payment Date to the registered owner; or (2) by wire or bank transfer on the Interest Payment Date to any owner of at least \$1,000,000 in aggregate principal amount of Series 2018B Bonds upon written notice provided by the owner to the Trustee not later than five (5) days prior to the Record Date for such interest payment (which request shall remain in effect until revoked); except that if and to the extent there shall be a default in the payment of the interest due on any Interest Payment Date, the defaulted interest shall be paid to the owners in whose names the Series 2018B Bonds are registered at the close of business on a special record date to be fixed by the Trustee (the “*Special Record Date*”) which date shall be not more than fifteen (15) nor less than ten (10) days next preceding the date of payment of the defaulted interest. Notice of the payment of such defaulted interest and the Special Record Date so fixed will be mailed by the Trustee to each owner of the Series 2018B Bonds not less than ten (10) days prior to the Special

Record Date. Interest payments made by check or draft shall be mailed to each owner at his address as it appears on the registration books of the Trustee on the applicable Record Date or at such other address as he or she may have filed with the Trustee for that purpose and appearing on the registration books of the Trustee on the applicable Record Date. Wire transfer payments of interest shall be made at such wire transfer address as the owner shall specify in his notice requesting payment by wire transfer.

(f) Each Series 2018B Bond shall bear interest from the Bond Date indicated thereon, if authenticated prior to the first Interest Payment Date. If authenticated on or after the first Interest Payment Date, in exchange for or upon the registration of transfer of Series 2018B Bonds, such Series 2018B Bond shall bear interest from and including the Interest Payment Date next preceding the date of authentication thereof, unless the date of such authentication shall be an Interest Payment Date to which interest thereon has been paid in full or duly provided for, in which case, such Series 2018B Bond shall bear interest from and including such Interest Payment Date.

(g) The Series 2018B Bonds are issuable in the form of fully registered bonds in the minimum denomination of \$5,000 or any integral multiple thereof.

(h) Anything in the Series 2018B Bonds or in this Indenture to the contrary notwithstanding, the obligations of the Agency hereunder and under the Series 2018B Bonds shall be subject to the limitation that payments of interest or other amounts on the Series 2018B Bonds shall not be required to the extent that receipt of any such payment by a Holder of a Series 2018B Bond would be contrary to the provisions of law applicable to such Holder which would limit the maximum rate of interest which may be charged or collected by such Holder of a Series 2018B Bond.

Section 2.3. Redemption of Series 2018B Bonds.

(a) *General Optional Redemption.* The Series 2018B Bonds maturing on or prior to May 1, 2026 are not subject to optional redemption prior to the maturity thereof. The Series 2018B Bonds maturing on or after May 1, 2027 shall be subject to redemption, in whole or in part at any time on or after May 1, 2026 (but if in part in integral multiples of \$5,000), at the option of the Agency (which option shall be exercised upon the giving of notice by an Authorized Representative of the City of its intention to prepay Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption.

(b) *Mandatory Redemption.* The Series 2018B Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent: (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2018B Project; or (ii) moneys are transferred to the Bond Fund pursuant to Article V hereof or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2018B Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) Redemption of Series 2018B Bonds permitted or required by this Article II shall be made as follows, and the Trustee shall give the notice of redemption required by Section 6.3 hereof in respect of each such redemption:

(1) Redemption shall be made pursuant to the general optional redemption provisions of Section 2.3(a) hereof at such times as are permitted under such Section and in such principal amounts as the City shall request in a written notice to the Trustee in accordance with the Installment Sale Agreement.

(2) Redemption shall be made pursuant to the mandatory redemption provisions of Section 2.3(b) hereof on the dates specified therein, without the necessity of any instructions or further act of the School Parties.

(d) In the event of any redemption in part of the Series 2018B Bonds, in selecting Series 2018B Bonds for redemption, the Trustee shall treat each such Series 2018B Bond as representing that number of Series 2018B Bonds which is obtained by dividing the principal amount of such registered Bond by \$5,000 (referred to below as a “*unit*”) rounded down to the integral multiple of such minimum denomination. If it is determined that one or more, but not all, of the units of principal amount represented by any such Series 2018B Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Series 2018B Bond shall forthwith surrender such Series 2018B Bond to the Trustee for (y) payment to such Holder of the Redemption Price of the unit or units of principal amount called for redemption and (z) delivery to such Holder of a new Series 2018B Bond or Bonds in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Series 2018B Bond. New Series 2018B Bonds of the same maturity representing the unredeemed balance of the principal amount of such Series 2018B Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Series 2018B Bond of a denomination greater than \$5,000 shall fail to present such Series 2018B Bond to the Trustee for payment and exchange as aforesaid, such Series 2018B Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

Section 2.4. Delivery of Series 2018B Bonds. The Series 2018B Bonds shall be executed in the form and manner set forth in this Indenture and shall be deposited with the Trustee and thereupon shall be authenticated by the Trustee. Upon payment to the Trustee of the proceeds of sale of the Series 2018B Bonds including the interest, if any, accrued on the Series 2018B Bonds to the date of delivery, the Series 2018B Bonds shall be delivered by the Trustee on behalf of the Agency to or upon the order of the purchaser(s) thereof, but only upon receipt by the Trustee of:

- (a) a copy, duly certified by the Chairman, Vice Chairman, Secretary or Authorized Representative of the Agency, of the Bond Resolution;
- (b) an original executed counterpart of all Security Documents;

(c) a written opinion by Bousquet Holstein PLLC to the effect that the issuance of the Series 2018B Bonds and the execution thereof have been duly authorized and that all conditions precedent to the delivery thereof have been fulfilled; and

(d) the written order to the Trustee executed by an Authorized Representative of the Agency to authenticate and make available for delivery the Series 2018B Bonds to the purchaser(s) therein identified upon payment to the Trustee for the account of the Agency of the purchase price therein specified, plus accrued interest, if any.

Section 2.5. Execution of Bonds. The Bonds shall be executed on behalf of the Agency by the manual or facsimile signature of the Chairman, Vice Chairman or Authorized Representative of the Agency, and the seal of the Agency shall be affixed thereto or imprinted thereon and attested by the manual or facsimile signature of the Secretary of the Agency. Any facsimile signatures shall have the same force and effect as if the appropriate officers had personally signed each of said Bonds. In case one or any of the officers who shall have signed or attested the Bonds or whose reproduced facsimile signature appears thereon shall cease to be such officer or officers before the Bonds so signed and attested shall have been actually issued and delivered, the Bonds may be issued and delivered as though the person who signed or attested or whose reproduced facsimile signature appears on the Bonds had not ceased to be such officer. Neither the members, directors, officers or agents of the Agency nor any person executing the Bonds shall be liable personally or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 2.6. Authentication. Only such Bonds as shall have endorsed thereon a certificate of authentication, in substantially the form set forth in the Form of Bond in the recitals of this Indenture, duly executed by the Trustee, shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Indenture unless and until such certificate of authentication on such Bond shall have been duly executed by the Trustee, and such certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture. The Trustee shall note, with respect to each Bond to be authenticated under this Indenture in the space provided in the certificate of authentication for such Bond, the date of the authentication and delivery of such Bond. The Trustee's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds.

Section 2.7. Additional Bonds.

(a) So long as the Installment Sale Agreement is in effect and no Event of Default exists thereunder, one or more Series of Additional Bonds may be issued, authenticated and delivered upon original issuance for the purpose of: (i) financing Facilities in connection with the Program; (ii) providing funds to repair, relocate, replace, rebuild or restore an affected Facility in the event of damage, destruction or taking by eminent domain; (iii) providing additions, rehabilitation or recreational facilities to one or more Facilities, provided such additions, rehabilitation or recreational facilities constitute a "project" under the Syracuse Schools Act and the IDA Act; or (iv) refunding Outstanding Bonds. Such Series of Additional

Bonds shall be payable from the Installment Purchase Payments under the Installment Sale Agreement. Prior to the issuance of a Series of Additional Bonds and the execution of a Supplemental Indenture or a Series Indenture in connection therewith (except in the case of Refunding Bonds (as defined herein), the City, the SCSD and the Agency shall enter into an license agreement or lease agreement to grant an interest in the Facilities to the Agency or an amendment to the License, as applicable, and the Agency and each of the School Parties shall enter into an amendment to the Installment Sale Agreement to subject the Facility(ies) to the Installment Sale Agreement and to provide, among other things, that the Installment Purchase Payments payable under the Installment Sale Agreement shall be increased and computed so as to amortize in full the principal of and interest on the Bonds, including such Series of Additional Bonds. In addition, each of the School Parties and the Agency shall enter into an amendment to the Tax Compliance Documents.

(b) Each such Series of Additional Bonds shall be deposited with the Trustee and thereupon shall be authenticated by the Trustee. Upon payment to the Trustee of the proceeds of sale of the Additional Bonds, they shall be made available by the Trustee for pick-up by the order of the purchaser or purchasers thereof, but only upon receipt by the Trustee of:

(1) a copy of the resolution, duly certified by the Secretary of the Agency, authorizing, issuing and awarding the Additional Bonds to the purchaser or purchasers thereof and providing the terms thereof and authorizing the execution of any Supplemental Indenture or Series Indenture and any amendments of or supplements to the Tax Certificate, the License and the Installment Sale Agreement;

(2) original executed counterparts of the Supplemental Indenture or Series Indenture and an amendment of or supplement to the License and the Installment Sale Agreement, expressly providing that, to the extent applicable, for all purposes of the Supplemental Indenture or Series Indenture, the License and the Installment Sale Agreement, the Facilities referred to therein and the premises licensed pursuant to the License, as applicable, and sold under the Installment Sale Agreement, shall include the buildings, structures, improvements, machinery, equipment or other facilities being financed, and the Bonds referred to therein shall mean and include the Additional Bonds being issued as well as the Bonds now being issued and any Additional Bonds theretofore issued;

(3) a written opinion by Nationally Recognized Bond Counsel, to the effect that the issuance of the Additional Bonds and the execution thereof have been duly authorized, that all conditions precedent to the delivery thereof have been fulfilled, and that the issuance of the Additional Bonds will not cause the interest on any Series of Bonds Outstanding to become includable in gross income for federal income tax purposes;

(4) except in the case of Refunding Bonds (defined below) refunding all Outstanding Bonds, a certificate of an Authorized Representative of each of the School Parties to the effect that the License, the Arbitrage and Use of Proceeds Certificate and the Installment Sale Agreement continue in full force

and effect and that there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default;

(5) to the extent applicable those documents required under the Installment Sale Agreement;

(6) an original, executed counterpart of the amendment, if any, to the Tax Compliance Documents; and

(7) a written order to the Trustee executed by an Authorized Representative of the Agency to authenticate and make available for pick-up the Series of Additional Bonds to the purchaser or purchasers therein identified upon payment to the Trustee of the purchase price therein specified, plus accrued interest, if any.

(c) (1) Upon the request of the JSCB, one or more Series of Additional Bonds may be authenticated and made available for pick-up upon original issuance to refund (“**Refunding Bonds**”) all Outstanding Bonds or any Series of Outstanding Bonds or any part of one or more Series of Outstanding Bonds. Bonds of a Series of Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make such deposits required by the provisions of this Indenture and of the resolution authorizing said Series of Refunding Bonds. In the case of the refunding under this Section 2.7 of less than all Bonds Outstanding of any Series or of any maturity within such Series, the Trustee shall proceed to select such Bonds in accordance with Section 6.2 hereof.

(2) Refunding Bonds may be authenticated and made available for delivery only upon receipt by the Trustee (in addition to the receipt by it of the documents required by Section 2.7(b) hereof, as may be applicable) of:

(A) Irrevocable instructions from the Agency to the Trustee, satisfactory to it, to give due notice of redemption pursuant to Section 6.3 hereof to the Holders of all the Outstanding Bonds to be refunded prior to maturity on the redemption date specified in such instructions; and

(B) Either:

(i) moneys in an amount sufficient to effect payment at maturity or upon redemption at the applicable Redemption Price of the Bonds to be refunded, together with accrued interest on such Bonds to the maturity or redemption date, which moneys shall be held by the Trustee or any Paying Agent in a separate account irrevocably in trust for and assigned to the respective Holders of the Outstanding Bonds being refunded, or

(ii) Defeasance Obligations in such principal amounts, having such maturities, bearing such interest, and otherwise having

such terms and qualifications, as shall be necessary to comply with the provisions of Section 10.1 hereof, and any moneys required pursuant to said Section (with respect to all Outstanding Bonds or any part of one or more series of Outstanding Bonds being refunded), which Defeasance Obligations and moneys shall be held in trust and used only as provided in said Section 10.1.

(3) The City shall furnish to the Trustee and the Agency at the time of delivery of the Series of Refunding Bonds a certificate of an independent certified public accountant stating that the Trustee and/or the Paying Agent (and/or any escrow agent as shall be appointed in connection therewith) hold in trust the moneys or such Defeasance Obligations and moneys required to effect such payment at maturity or earlier redemption.

(d) Each Series of Additional Bonds issued pursuant to this Section shall be equally and ratably secured under this Indenture with the Series 2018B Bonds and all other Series of Additional Bonds, if any, issued pursuant to this Section, without preference, priority or distinction of any Bond over any other Bonds except as expressly provided in or permitted by this Indenture.

(e) Notwithstanding anything herein to the contrary no Series of Additional Bonds shall be issued unless the State Aid Depository Agreement, the Tax Compliance Documents and the Installment Sale Agreement are in effect and at the time of issuance there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default. Each Series of Additional Bonds shall be designated by name and by Series and shall have separate funds and accounts.

Section 2.8. Limitation of Agency's Liability. Anything in this Indenture, the Bonds, the Installment Sale Agreement or any other Project Document to the contrary notwithstanding, any obligations of the Agency under this Indenture or the Bonds or under the Installment Sale Agreement or under any other Project Document or related document for the payment of money shall not create a debt of the State or the City and neither the State nor the City shall be liable on any obligation so incurred, but any such obligation shall be a special obligation of the Agency secured and payable solely as provided in this Indenture.

Section 2.9. Book-Entry Bonds.

(a) Except as provided in subsection (c) below, the Holder of all of the Series 2018B Bonds shall be DTC (the "**Securities Depository**") and the Series 2018B Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest for any Series 2018B Bonds registered in the name of Cede & Co. shall be made by wire transfer of New York Clearing House or equivalent same day funds to the account of Cede & Co. on the Interest Payment Date for the Series 2018B Bonds at the address indicated for Cede & Co. in the registration books of the Agency kept by the Trustee. It is anticipated that during the term of the Series 2018B Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, Redemption Price of and interest

on the Series 2018B Bonds to the Participants until and unless the Trustee authenticates and delivers replacement bonds to the Beneficial Owners as described in paragraph (c) below.

(b) The Series 2018B Bonds shall be initially issued in the form of a separate single authenticated fully registered certificate for each maturity of the Series 2018B Bonds. Upon initial issuance, the ownership of such Series 2018B Bonds shall be registered in the registration books of the Agency kept by the Trustee in the name of Cede & Co., as nominee of DTC. The Trustee, the Bond Registrar, the Paying Agent and the Agency shall treat DTC (or its nominee) as the sole and exclusive Holder of the Series 2018B Bonds registered in its name for the purposes of payment of the principal or Redemption Price of or interest on the Series 2018B Bonds, selecting the Series 2018B Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Holders of Series 2018B Bonds under this Indenture, registering the transfer of Series 2018B Bonds, obtaining any consent or other action to be taken by Holders of the Series 2018B Bonds and for all other purposes whatsoever; and neither the Trustee, the Bond Registrar, the Paying Agent, the School Parties, nor the Agency shall be affected by any notice to the contrary. Neither the Trustee, the Bond Registrar, the Paying Agent nor the Agency shall have any responsibility or obligation to any Participant, any Person claiming a beneficial ownership interest in the Series 2018B Bonds under or through DTC or any Participant, or any other Person which is not shown on the registration books of the Trustee as being a Holder, with respect to the accuracy of any records maintained by DTC or any Participant; the payment of DTC or any Participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2018B Bonds; any notice which is permitted or required to be given to Bondholders under this Indenture or any other Security Documents; the selection by DTC or any Participant of any Person to receive payment in the event of a partial redemption of the Series 2018B Bonds; or any consent given or other action taken by DTC as Bondholder. The Trustee shall pay all principal of, redemption premium, if any, and interest on the Series 2018B Bonds only to or “upon the order of” (as that term is used in the Uniform Commercial Code as adopted in the State) DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Agency’s obligations with respect to the principal of, and redemption premium, if any, and interest on the Series 2018B Bonds to the extent of the sum or sums so paid. Except as otherwise provided in subsection (c) below, no Person other than DTC shall receive an authenticated Series 2018B Bonds certificate evidencing the obligation of the Agency to make payments of principal of, and redemption premium, if any, and interest pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Indenture with respect to transfers of Bonds, the word “Cede & Co.” in this Indenture shall refer to such new nominee of DTC.

(c) In the event the Agency determines that it is in the best interest of the Beneficial Owners that they be able to obtain Series 2018B Bonds certificates, the Agency may notify DTC and the Trustee, whereupon DTC will notify the Participants, of the availability through DTC of Series 2018B Bonds certificates. In such event, the Trustee shall issue, transfer and exchange Series 2018B Bonds certificates as requested by DTC in appropriate amounts within the guidelines set forth in this Indenture. DTC may determine to discontinue providing its services with respect to the Series 2018B Bonds at any time by giving written notice to the Agency and the Trustee and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the Agency and

the Trustee shall be obligated to deliver Series 2018B Bonds certificates as described in this Indenture. In the event Series 2018B Bonds certificates are issued, the provisions of this Indenture shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of, redemption premium, if any, and interest on such certificates. Whenever DTC requests the Agency and the Trustee to do so, the Agency will direct the Trustee (at the sole cost and expense of the SCSD) to cooperate with DTC in taking appropriate action after reasonable notice: (i) to make available one or more separate certificates evidencing the Series 2018B Bonds to any DTC Participant having Series 2018B Bonds credited to its DTC account; or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2018B Bonds.

(d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Series 2018B Bonds is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, and redemption premium, if any, and interest on such Series 2018B Bonds and all notices with respect to such Series 2018B Bonds shall be made and given, respectively, to DTC as provided in the Representation Letter.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture or any other Security Document by the Agency or the Trustee with respect to any consent or other action to be taken by Bondholders, the Agency or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. Such notice to DTC shall be given only when DTC is the sole Bondholder.

(f) NEITHER THE AGENCY, THE SCHOOL PARTIES NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2018B BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; OR (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2018B BONDS.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2018B BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE SERIES 2018B BONDHOLDERS OR REGISTERED HOLDERS OF THE SERIES 2018B BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2018B BONDS.

(g) For so long as the Holder of all of the Series 2018B Bonds shall be DTC, and all Series 2018B Bonds shall be registered in the name of Cede & Co. as nominee for DTC, only DTC may tender Series 2018B Bonds upon redemption or retirement.

(h) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the City, with the consent of the Agency, which shall not be unreasonably withheld, may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Trustee upon its receipt of a Series 2018B Bond or Bonds for cancellation shall cause the delivery of Series 2018B Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

ARTICLE III GENERAL TERMS AND PROVISIONS OF BONDS

Section 3.1. Date of Bonds. The Series 2018B Bonds shall be dated their original date of issuance (subject to the provisions set forth below with respect to transfers and exchanges). Bonds authenticated prior to the first Interest Payment Date shall bear interest from their date. Bonds issued in exchange for or upon the registration of transfer of Bonds on or after the first Interest Payment Date thereon shall bear interest from and including the Interest Payment Date next preceding the date of the authentication thereof, unless the date of such authentication shall be an Interest Payment Date to which interest on the Bonds has been paid in full or duly provided for, in which case they shall bear interest from and including such Interest Payment Date; *provided that* if, as shown by the records of the Trustee, interest on the Bonds shall be in default, Bonds issued in exchange for or upon the registration of transfer of Bonds shall bear interest from the date to which interest has been paid in full on the Bonds, or if no interest has been paid on the Bonds, the date of the first delivery of fully executed and authenticated Bonds hereunder.

Section 3.2. Form and Denominations. Bonds shall be issued in fully registered form, without coupons, in the minimum denomination of \$5,000 and any integral multiple thereof not exceeding the aggregate principal amount of Bonds of the same series, maturity and interest rate as the Bond for which the denomination is to be specified. Subject to the provisions of Section 3.3 hereof, the Bonds shall be in substantially the form set forth in the recitals to this Indenture, with such variations, omissions and insertions as are permitted or required by this Indenture.

Section 3.3. Legends. Each Bond shall contain on the face thereof a statement to the effect that “THIS BOND SHALL NEVER CONSTITUTE A DEBT OR INDEBTEDNESS OR MORAL OBLIGATION OF THE STATE OF NEW YORK NOR OF CITY OF SYRACUSE, NEW YORK, AND NEITHER THE STATE OF NEW YORK NOR CITY OF SYRACUSE, NEW YORK SHALL BE LIABLE HEREON, NOR SHALL THIS BOND BE PAYABLE OUT OF ANY FUNDS OF THE CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY OTHER THAN THOSE PLEDGED THEREFOR.” The Bonds may in addition contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Indenture as may be necessary or desirable to comply with custom or otherwise as may be determined by the Agency prior to the delivery thereof.

Section 3.4. Medium of Payment. The principal or Redemption Price, if any, of, and interest on the Bonds shall be payable in any coin or currency of the United States of America which, on the respective dates of payment thereof, is legal tender for the payment of public and private debts. Such payment may be made as provided in Section 2.2 hereof.

Section 3.5. Bond Details. Subject to the provisions hereof, the Bonds shall be dated, shall mature in such years and such amounts, shall bear interest at such rate or rates per annum, shall be subject to redemption on such terms and conditions and shall be payable as to principal or Redemption Price, if any, and interest at such place or places as shall be specified in this Indenture. All Bonds of a Series maturing in any particular year shall bear interest at the same rate or rates per annum.

Section 3.6. Interchangeability, Transfer and Registry.

(a) Each Bond shall be transferable only upon compliance with the restrictions on transfer set forth on such Bond and only upon the books of the Agency, which shall be kept for the purpose at the principal office of the Trustee, by the registered owner thereof in person or by his duly authorized attorney-in-fact, with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, upon presentation thereof together with a written instrument of transfer in the form appearing on such Bond, duly executed by the registered owner or his duly authorized attorney-in-fact with signature guaranteed. Upon the transfer of any Bond, the Trustee shall prepare and issue in the name of the transferee one or more new Bonds of the same aggregate principal amount, Series and maturity as the surrendered Bond.

(b) Any Bond, upon surrender thereof at the corporate trust office of the Trustee with a written instrument of transfer in the form appearing on such Bond, duly executed by the registered owner or his duly authorized attorney-in-fact, with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, may, at the option of the owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series and maturity of any other authorized denominations. However, the Trustee will not be required to (i) transfer or exchange any Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Bonds to be redeemed, or (ii) transfer or exchange any Bonds selected, called or being called for redemption in whole or in part.

(c) The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent shall deem and treat the Person in whose name any Bond shall be registered as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of, and interest on such Bond and for all other purposes, and all payments made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Agency, the School Parties,

the Bond Registrar, the Trustee nor any Paying Agent shall be affected by any notice to the contrary.

Section 3.7. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Agency shall execute, and thereupon the Trustee shall authenticate and deliver, a new Bond of like Series, maturity and unpaid principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and in substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee evidence reasonably satisfactory to it that such Bond has been destroyed, stolen or lost, and upon furnishing the Agency and the Trustee with indemnity (an undertaking from an insurance company acceptable to the Trustee and the Agency) satisfactory to the Trustee and to the Agency and complying with such other reasonable regulations as the Trustee may prescribe and paying such expenses as the Agency and the Trustee may incur. All Bonds so surrendered to the Trustee shall be cancelled by it. Every new Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is destroyed, lost or stolen, shall, with respect to such Bond, constitute an additional contractual obligation of the Agency whether or not the destroyed, lost or stolen Bond shall be found and shall be enforceable at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder. In the event any such destroyed, stolen or lost Bond shall have matured, or be about to mature, the Agency may, instead of issuing a new Bond, cause the Trustee to pay the same without surrender thereof upon compliance with the condition in the first sentence of this Section out of moneys held by the Trustee and available for such purpose. All Bonds shall be held and owned upon the express condition (to the extent lawful) that the foregoing provisions are exclusive with respect to the replacement or payment of any mutilated, destroyed or lost or stolen Bond and shall preclude any and all other rights and remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 3.8. Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds shall thereupon be promptly cancelled. Bonds so cancelled shall be destroyed by the Trustee.

Section 3.9. Requirements With Respect to Transfers. In all cases in which the privilege of transferring Bonds is exercised, the Agency shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such transfer shall forthwith be cancelled by the Trustee. For every such transfer of Bonds, the Agency or the Trustee may, as a condition precedent to the privilege of making such transfer, make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer and may charge a sum sufficient to pay the cost of preparing each new Bond issued upon such transfer, which sum or sums shall be paid by the Person requesting such transfer.

Section 3.10. Bond Registrar. The Trustee shall also be Bond Registrar for the Bonds, and shall maintain a register showing the names of all registered Holders of Bonds, Bond numbers and amounts, and other information appropriate to the discharge of its duties hereunder.

The Trustee shall make available to the City and the SCSD for its inspection during normal business hours the registration books for the Bonds, as may be requested by the City and the SCSD in connection with any purchase or tender offer by one or both of them with respect to the Bonds.

Section 5.4. State or School Aid Intercept. Pursuant to the Syracuse Schools Act, in the event the City or the SCSD shall fail (for any reason, including the failure of the State to appropriate moneys for such purpose or the failure of the SCSD and the City to budget and appropriate moneys for such purpose) to make a payment under the Installment Sale Agreement in the amount and by the date the same is due, as set forth therein and herein, of which failure the Trustee has actual knowledge in the case of a failed Installment Purchase Payment (or other failed payment payable to the Trustee in its capacity as Trustee), or, in the case of any other failed payment of which the Trustee has received written notice from the party to whom such failed payment is owed under the Installment Sale Agreement, the Agency hereby irrevocably appoints the Trustee to act as its agent for the purpose of delivering a certificate to the State Comptroller (in substantially the form set forth in **Appendix C** attached hereto), by no later than the next Business Day following the Trustee obtaining such actual knowledge or such notice of such failed payment, certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall, in accordance with the Syracuse Schools Act, withhold from the City and the SCSD any state and/or school aid payable to the City or the SCSD to the extent of the amount so stated in such certificate of the Trustee as not having been made, and the State Comptroller shall immediately pay over to the Trustee on behalf of the Agency, the amount of such state and/or school aid so withheld. In the event that the State Comptroller should receive more than one such certificate from one or more Series Trustee, the Comptroller shall disburse such amounts so withheld on a *pari passu* basis with respect to any and all outstanding Series of Bonds. All such state and/or school aid so received shall be applied, *first*, to deposit in the Interest Account of the Bond Fund to the extent of any deficiency therein, *second*, to deposit in the Principal Account of the Bond Fund to the extent of any deficiency therein, *third*, to deposit in the Redemption Account of the Bond Fund to the extent of any deficiency therein, *fourth*, to satisfy any obligation of the SCSD under Section 4.3 of the

The appointment by the Agency of the Trustee as agent as above-described shall be deemed a non-exclusive but irrevocable appointment (coupled with an interest) and the Agency may appoint any other Series Trustee to similar purpose under the related Series Indenture. The Trustee hereby accepts such agency and agrees so to act on behalf of the Agency. Notwithstanding anything to the contrary contained herein, any amounts of such state and/or school aid received by the Trustee from the State Comptroller shall, subject to the priority set forth in the preceding paragraph, be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received. Any amounts of such state and/or school aid received by the Trustee from the State Comptroller that are not in respect of Installment Purchase Payments shall forthwith be forthwith paid to or upon the order of the Agency.

The Agency covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Indenture or Series Facilities Agreement, in connection with the issuance of a Series of Project Bonds under a Series Indenture which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of under the Syracuse Schools Act of state and/or school aid payable to the City or SCSD than the pledge effected pursuant to this Indenture; provided, however, that nothing contained in this Indenture shall be deemed (y) to limit or deny the ability of the Agency or any other public entity, in connection with the issuance of another Series of Project Bonds, to pledge such State Aid to Education on a parity with the pledge effected under this Indenture, or (z) to require that any Series of Project Bonds issued under any other Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under this Indenture, or that any payment dates under a Series Facilities Agreement be the same as those under the Installment Sale Agreement.

Any amount in the Redemption Account not so applied to the purchase of Bonds by forty-five (45) days prior to the next date on which the Bonds are so redeemable shall be applied to the redemption of Bonds on such redemption date; provided that if such amount aggregates less than \$5,000, it need not be then applied to such redemption. Any amounts deposited in the Redemption Account and not applied within twelve (12) months of their date of deposit to the purchase or redemption of Bonds (except if held in accordance with Section 10.1 hereof) shall be transferred to the Interest Account. The Bonds to be purchased or redeemed shall be selected by the Trustee in the manner provided in Section 6.2 hereof. Section 5.7. Investment of Funds and Accounts.

(a) Amounts in the Bond Fund, the Project Fund and the Rebate Fund, may, if and to the extent then permitted by law, be invested only in Qualified Investments. Any investment herein authorized is subject to the condition that no portion of the proceeds derived from the sale of the Bonds shall be used, directly or indirectly, in such manner as to cause any Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code. Such investments shall be made by the Trustee only at the written request of an Authorized Representative of the City. Any investment hereunder shall be made in accordance with the Tax Compliance Documents, and the City shall so certify to the Trustee with each such investment direction as referred to below. Such investments shall mature in such amounts and at such times as may be necessary to provide funds when needed to make payments from the applicable Fund.

(c) Upon the written direction of an Authorized Representative of the City, the Trustee shall sell at the best price reasonably obtainable, or present for redemption or exchange, any obligations in which moneys shall have been invested to the extent necessary to provide cash in the respective Funds or Accounts, to make any payments required to be made therefrom, or to facilitate the transfers of moneys or securities between various Funds and Accounts as may be required from time to time pursuant to the provisions of this Article. The Trustee shall not be liable for any losses incurred as a result of actions taken in good faith in accordance with this Section 5.7(c). As soon as practicable after any such sale, redemption or exchange, the Trustee shall give notice thereof to the Agency and the City.

(d) In computing the amount in any Fund or Account, obligations purchased as an investment of moneys therein shall be valued at fair market value as determined by the Trustee on the last Business Day of each October.

The fair market value of Qualified Investments shall be determined as follows:

(1) as to investments the bid and asked prices of which are published on a regular basis in *The Wall Street Journal* (or, if not there, then in *The New York Times*), the average bid and asked prices for such investments so published on or most recently prior to such time of determination;

(2) as to investments the bid and asked prices of which are not published on a regular basis in *The Wall Street Journal* or *The New York Times*, the average bid price at such nationally recognized government securities dealers (selected by the Trustee in its absolute discretion) at the time making a market in such investments or as quoted in the Interactive Data Service; and

(3) as to certificates of deposit and bankers acceptances and other investments, the face amount thereof, plus accrued interest.

If more than one provision of this definition of “fair market value” shall apply at any time to any particular investment, the fair market value thereof at such time shall be determined in accordance with the provision establishing the lowest value for such investment.

(e) Neither the Trustee nor the Agency shall be liable for any loss arising from, or any depreciation in the value of any obligations in which moneys of the Funds and Accounts shall be invested. The investments authorized by this Section 5.7 shall at all times be subject to the provisions of applicable law, as amended from time to time.

Moneys held by the Depository Bank under the State Aid Depository Agreement are not part of the Trust Estate unless and until the same are transferred to the Trustee for deposit in the Bond Fund in accordance with the State Aid Depository Agreement. Moneys held by the Trustee in the Rebate Fund are not part of the Trust Estate nor subject to the lien hereof.

Section 5.9. Repayment to the City for Benefit of SCSD from the Funds. After payment in full of the Bonds (in accordance with Section 10.1 hereof) and the payment of all fees, charges and expenses of the Agency, the Trustee, the Bond Registrar and the Paying Agents and all other amounts required to be paid hereunder and under each of the Security Documents, and the payment of any amounts are required to be rebated to the federal government pursuant to this Indenture and the Tax Compliance Documents, all amounts remaining in the Project Fund and the Bond Fund shall be paid to the City for the benefit of the SCSD upon the expiration or sooner or later termination of the term of the Installment Sale Agreement.

Section 5.10. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, and funds sufficient to pay any such Bond shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, all liability of the Agency to the Holder thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to pay such funds to the Person entitled thereto or if the Person is not known to the Trustee, to hold such funds, without liability for interest thereon, for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond. Funds remaining with the Trustee as above and unclaimed for the earlier of two (2) years or the applicable statutory escheat period shall be paid to the City for the benefit of the SCSD. After the payment of such unclaimed moneys to the City, the Holder of such Bond shall thereafter look only to the City for the payment thereof, and all obligations of the Trustee or such Paying Agent with respect to such moneys shall thereupon cease.

Section 5.11. Payments into Rebate Fund; Application of Rebate Fund.

(a) The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Bondholder or any other Person.

(b) The Trustee, following the receipt of a certificate of written direction from an Authorized Representative of the City pursuant to the Tax Compliance Documents, shall deposit in the Rebate Fund that amount from the Project Fund as shall be so specified in such certificate of written direction as necessary to satisfy the requirements of the Tax Compliance Documents. In the case of the Project Fund, the City shall so direct the Trustee no less frequently than quarterly, until the Trustee shall receive the Project Fund Sufficiency Certificates

as to all funded Accounts of the Project Fund and no less frequently than semi-annually thereafter.

(c) In the event that the amount on deposit in the Rebate Fund exceeds the Rebate Requirement as determined in accordance with the Tax Compliance Documents, the Trustee, upon the receipt of written instructions from an Authorized Representative of the City, shall withdraw such excess amount and deposit it (i) to any Account of the Project Fund with respect to which no Project Fund Sufficiency Certificate shall yet have been delivered, or (ii) to the Interest Account of the Bond Fund, as the City shall determine.

(d) The Trustee, upon the receipt of written instructions from an Authorized Representative of the City, shall pay to the United States, out of amounts in the Rebate Fund: (i) not less frequently than once each five (5) years after the date of original issuance of each Series of the Bonds, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to 90% of the Rebate Requirement with respect to such Series of Bonds as of the date of such payment; and (ii) notwithstanding the provisions of Section 10.1 hereof, not later than thirty (30) days after the date on which all Bonds have been paid in full, one hundred percent (100%) of the Rebate Requirement as of the date of payment.

(e) The Trustee shall have no obligation under this Indenture to transfer any amounts to the Rebate Fund unless the Trustee shall have received specific written instructions from an Authorized Representative of the City to make such transfer.

ARTICLE VI REDEMPTION OF BONDS

Section 6.1. Privilege of Redemption and Redemption Price. Bonds or portions thereof subject to redemption prior to maturity shall be redeemable, upon mailed notice as provided in this Article, at the times, at the Redemption Prices and upon such terms in addition to and consistent with the terms contained in this Article as shall be specified in Section 2.3 of this Indenture and in said Bonds.

Section 6.2. Selection of Bonds to Be Redeemed. In the event of redemption of less than all the Outstanding Bonds of the same Series and maturity for which there is more than one registered Bond, the particular Bonds or portions thereof to be redeemed shall be selected by the Trustee in such manner as the Trustee in its discretion may deem fair. In the event of redemption of less than all the Outstanding Bonds of the same Series stated to mature on different dates, the principal amount of such Series of Bonds to be redeemed shall be applied in such order of maturity as shall be directed by an Authorized Representative of the City delivered to the Trustee, or, in the absence of any such direction, inverse order of maturity of the Outstanding Series of Bonds to be redeemed and randomly within a maturity; provided, however, that in the case of any redemption of a Series of Bonds in accordance with Section 2.3(b) hereof, the Authorized Representative of the City shall select the Bonds to be redeemed only (x) in inverse order of maturity, or (y) proportionately to each Outstanding maturity of such Series of Bonds. If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Bond shall forthwith surrender such Bond to the Trustee for: (a) payment to such Holder of the Redemption Price of the unit or units of principal amount called for redemption; and (b) delivery to such Holder of a new Bond or Bonds of such Series in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of the same Series and maturity representing the unredeemed balance of the principal amount of such Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Bond of a denomination greater than a unit shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

Section 6.3. Notice of Redemption. When redemption of any Bonds is requested or required pursuant to this Indenture, the Trustee shall give notice of such redemption in the name of the Agency, specifying the name of the Series, CUSIP number, Bond numbers, the date of original issue of such Series, the date of mailing of the notice of redemption, maturities, interest rates and principal amounts of the Bonds or portions thereof to be redeemed, the redemption date, the Redemption Price, and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at the Trustee) and specifying the principal amounts of the Bonds or portions thereof to be payable and, if less than all of the Bonds of any maturity are to be redeemed, the numbers of such Bonds or portions thereof to be so redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond or portion thereof to be redeemed the Redemption Price thereof together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice may set forth any

additional information relating to such redemption. The Trustee, in the name and on behalf of the Agency: (i) shall mail a copy of such notice by first class mail, postage prepaid, not more than sixty (60) nor less than thirty (30) days prior to the date fixed for redemption, to the registered owners of any Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registration books, but any defect in such notice shall not affect the validity of the proceedings for the redemption of such Series of Bonds with respect to which proper mailing was effected; and (ii) cause notice of such redemption to be sent to Electronic Municipal Market Access (“*EMMA*”) or, if EMMA is no longer operational, another similar national information service that disseminates redemption notices. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. In the event of a postal strike, the Trustee shall give notice by other appropriate means selected by the Trustee in its discretion.

If notice of redemption shall have been given as aforesaid, the Bonds of such Series called for redemption shall become due and payable on the redemption date, provided, however, that with respect to any optional redemption of the Bonds of a Series, such notice may state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on the Bonds of such Series to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Agency shall not be required to redeem the Bonds of such Series. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of the Bonds of such Series so called for redemption at the place or places of payment, such Series of Bonds shall be redeemed.

Section 6.4. Payment of Redeemed Bonds.

(a) Notice having been given in the manner provided in Section 6.3 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption dates so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date. If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Paying Agents so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date: (i) interest on the Bonds or portions thereof so called for redemption shall cease to accrue and become payable; (ii) the Bonds or portions thereof so called for redemption shall cease to be entitled to any lien, benefit or security under this Indenture; and (iii) the Holders of the Bonds or portions thereof so called for redemption shall have no rights in respect thereof, except to receive payment of the Redemption Price together with interest accrued to the redemption date. If said moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

(b) Payment of the Redemption Price plus interest accrued to the redemption date shall be made to or upon the order of the registered owner only upon presentation of such Bonds for cancellation and exchange as provided in Section 6.5 hereof; provided, however, that any Holder of at least \$1,000,000 in aggregate principal amount of Bonds may, by written request to the Trustee, direct that payments of Redemption Price and accrued interest to the date of redemption be made by wire transfer as soon as practicable in federal funds at such wire transfer address as the owner shall specify to the Trustee in such written request.

Section 6.5. Cancellation of Redeemed Bonds.

(a) All Bonds redeemed in full under the provisions of this Article, or purchased in lieu of mandatory redemption, shall forthwith be cancelled and destroyed and no Bonds shall be executed, authenticated or issued hereunder in exchange or substitution therefor, or for or in respect of any paid portion of a Bond.

(b) If there shall be drawn for redemption less than all of a Bond, as described in Section 6.2 hereof, the Agency shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, a Bond or Bonds of like Series and maturity in any of the authorized denominations.

Section 6.6 No Partial Redemption After Default. Anything in this Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default hereunder, there shall be no redemption of less than all of the Bonds Outstanding other than a redemption pursuant to Section 2.3(b) hereof unless there shall have been delivered to the Trustee an opinion of Nationally Recognized Bond Counsel that the failure to redeem Bonds to the extent of proceeds described in Section 2.3(b) hereof shall not have an adverse effect on the tax-exempt status of interest on the Bonds.

ARTICLE VII PARTICULAR COVENANTS

Section 7.1. Agency's Obligations Not to Create a Pecuniary Liability. Each and every covenant herein made, including all covenants made in the various sections of this Article VII, is predicated upon the condition that any obligation for the payment of money incurred by the Agency shall not create a debt of the State nor the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Agency other than those pledged therefor but shall be payable by the Agency solely from the Installment Purchase Payments pledged to the payment thereof in the manner and to the extent in this Indenture specified and nothing in the Bonds, in the Installment Sale Agreement, in this Indenture or in any other Project Document shall be considered as pledging any other funds or assets of the Agency.

Section 7.2. Payment of Principal and Interest. The Agency covenants that it will from the sources herein contemplated promptly pay or cause to be paid the principal of and interest on the Bonds, and the Redemption Price, if any, together with interest accrued thereon to the date of redemption, at the place, on the dates and in the manner provided in this Indenture and in the Bonds according to the true intent and meaning thereof. All covenants, stipulations, promises, agreements and obligations of the Agency contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, director, employee or agent thereof in his individual capacity, and no resort shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or the Redemption Price, if any, together with interest accrued thereon to the date of redemption or for any claim based thereon or hereunder against any such member, officer, director, employee or agent or against any natural person executing the Bonds. Neither the Bonds, the principal thereof, the interest thereon, nor the Redemption Price thereof, if any, together with interest accrued thereon to the date of redemption, shall ever constitute a debt of the State or of the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Agency other than those pledged therefor. The Agency shall not be required under this Indenture or the Installment Sale Agreement or any other Security Document to expend any of its funds other than (i) the proceeds of the Bonds, (ii) the Installment Purchase Payments pledged to the payment of the Bonds, and (iii) any income or gains therefrom.

Section 7.3. Performance of Covenants; Authority. The Agency covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings pertaining thereto. The Agency covenants that it is duly authorized under the Constitution and laws of the State, including particularly and without limitation the IDA Act and the Syracuse Schools Act, to issue the Bonds authorized hereby and to execute this Indenture, to sell its interest in the Facilities pursuant to the Installment Sale Agreement, to assign the Installment Sale Agreement and to pledge the Installment Purchase Payments hereby pledged in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture have been duly and effectively taken; and that the Bonds in the hands of the Holders thereof are and will be the valid and enforceable special obligations of the Agency according to the import thereof.

Section 7.4. Books and Records; Certificate as to Defaults. The Agency and the Trustee each covenants and agrees that, so long as any of the Bonds shall remain Outstanding, proper books of record and account will be kept showing complete and correct entries of all transactions relating to the Series 2018B Project and the Facilities, and that the School Parties and the Holders of any of the Bonds shall have the right at all reasonable times to inspect all records, accounts and data relating thereto. In this regard, so long as the Installment Sale Agreement is in full force and effect, records furnished by the Agency, and the School Parties to, or kept by, the Trustee in connection with its duties as such shall be deemed to be in compliance with the Agency's obligations under this Section 7.4. Within thirty (30) days after receiving the certificate from School Parties as provided in Section 7.16(a) of the Installment Sale Agreement, the Trustee shall render to the Agency and the City a statement that moneys received by the Trustee pursuant to the Installment Sale Agreement were applied by it to the payment of the principal or Redemption Price, if any, of, and interest on the Bonds, at the place, on the dates and in the manner provided in this Indenture and that the Trustee has no knowledge of any defaults under this Indenture or the Installment Sale Agreement or any other Security Document or specifying the particulars of such known defaults which may exist.

Section 7.5. The Installment Sale Agreement. It is understood and agreed that the Agency's interest in the Facilities has been sold to the City under the License and the SCSD under the Installment Sale Agreement. An executed copy of the Installment Sale Agreement will be on file in the office of the Agency and in the principal corporate trust office of the Trustee. Reference is hereby made to the Installment Sale Agreement for a detailed statement of the terms and conditions thereof and for a statement of the rights and obligations of the parties thereunder. All covenants and obligations of the School Parties under the Installment Sale Agreement shall be enforceable either by the Agency or by the Trustee, to whom, in its own name or in the name of the Agency, is hereby granted the right, to the extent provided therefor in this Section 7.5 and subject to the provisions of Section 9.2 hereof, to enforce all rights of the Agency and all obligations of the School Parties under the Installment Sale Agreement, whether or not the Agency is enforcing such rights and obligations. The Trustee shall take such action in respect of any matter as is provided to be taken by it in the Installment Sale Agreement upon compliance or noncompliance by the School Parties and the Agency to the same.

Section 7.6. Creation of Liens; Indebtedness; Sale of Facilities. Except to the extent contemplated in the last paragraph of Section 5.4 hereof with respect to the issuance of Project Bonds under a Series Indenture other than this Indenture, the Agency shall not create or suffer to be created, or incur or issue any evidences of indebtedness secured by, any lien or charge upon or pledge of the Trust Estate, except the lien, charge and pledge created by this Indenture, the Pledge and Assignment, and the Installment Sale Agreement. The Agency further covenants and agrees not to sell (except pursuant to the Installment Sale Agreement), convey, transfer, lease, mortgage or encumber the real property constituting part of the Facilities or any of them or any part of such real property, except as specifically permitted under this Indenture and the Installment Sale Agreement, so long as any of the Bonds are Outstanding. The Agency shall have no pecuniary liability for its covenants set forth in this Indenture, including under this Section 7.6.

Section 7.7. Instruments of Further Assurance. The Agency covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and

delivered, such Supplemental Indentures and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all and singular the property described herein, subject to the liens, pledge and security interests of this Indenture and the Installment Purchase Payments pledged hereby to the payment of the principal or Redemption Price, if any, of, and interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien, pledge and security interest hereof shall ipso facto, and without any further conveyance, assignment or act on the part of the Agency or the Trustee, become and be subject to the liens, pledge and security interests of this Indenture as fully and completely as though specifically described herein and therein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Agency heretofore made by this Section 7.7.

Section 7.8. Recording and Filing. The Pledge and Assignment shall be recorded and filed by the Agency in the appropriate office of the Clerk of Onondaga County, New York or in such other office as may be at the time provided by law as the proper place for the recordation thereof. The security interest of the Trustee created by this Indenture in the property, rights and interests herein and therein described, shall be perfected by the filing by the Agency in the office of the Secretary of State of the State in the City of Albany, New York, and in the office of such Clerk, of financing statements which fully comply with the New York State Uniform Commercial Code-Secured Transactions. This Indenture and the Pledge and Assignment shall be re-recorded, re-filed and re-indexed at the written direction of the City whenever in the Opinion of Counsel such action is necessary to preserve the lien and security interest hereof; and in addition, such financing or continuation statements as in the Opinion of Counsel become necessary to preserve the lien and security interest of this Indenture shall be filed by the Trustee at the written direction of the City in said office of the Secretary of State and in the office of such Clerk. Any such re-recordings, re-indexings, filings or re-filings shall be prepared by the City and accompanied with any fees or requisite charges.

The Agency and the Trustee mutually covenant and agree to take such action (including, as applicable, the filing of all New York State Uniform Commercial Code-Secured Transactions financing statements and continuation statements thereof) in accordance with the aforesaid direction of the City as shall be necessary from time to time to preserve the priority of the pledge by the Indenture of the Trust Estate under applicable law. Any action taken by the Agency under this Section 7.8 shall be taken only upon the request of the Trustee and at no cost to the Agency.

All costs (including reasonable attorneys' fees) incurred in connection with the effecting of the requirements specified in this Section shall be paid by the City and/or the SCSD.

Section 7.9. Records Held by the Trustee. Upon reasonable written request, the Trustee shall make available to the School Parties for its inspection during normal business hours, its records with respect to the Series 2018B Project and the Facilities.

Section 7.10. Agency Tax Covenant. The Agency covenants that it shall not take any action within its control, nor refrain from taking any action reasonably requested by the School Parties or the Trustee, which would cause the interest on the Bonds to become includable in

gross income for federal income tax purposes; provided, however, the breach of this covenant shall not result in any pecuniary liability of the Agency and the only remedy to which the Agency shall be subject shall be specific performance.

Section 7.11. Annual Report of Trustee. Within thirty (30) days after the end of each calendar year, the Trustee shall deliver to the Agency a statement of the payment status of the Bonds effective as of February 28 of the calendar year just ended, which statement shall include the then current principal balance of the Bonds, the interest rate accruing thereon, an amortization schedule for the repayment of the balance of the Bonds and such other information as the Agency may reasonably require.

ARTICLE VIII EVENTS OF DEFAULT; REMEDIES OF BONDHOLDERS

Section 8.1. Events of Default; No Acceleration of Due Date.

(a) Each of the following events is hereby defined as and shall constitute an “Event of Default”:

(1) Failure to duly and punctually pay the interest on any Bond when the same shall become due and payable;

(2) Failure to duly and punctually pay the principal or redemption premium, if any, of any Bonds, when the same shall become due and payable, whether at the stated maturity thereof or upon proceedings for redemption thereof or otherwise, or interest accrued thereon to the date of redemption after notice of redemption therefor or otherwise;

(3) Failure of the Agency to observe or perform any covenant, condition or agreement in the Bonds or hereunder on its part to be performed (except as set forth in Section 8.1(a)(1) or (2) hereof) and (A) continuance of such failure for a period of thirty (30) days after receipt by the Agency and the School Parties of written notice specifying the nature of such default from the Trustee or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, or (B) if by reason of the nature of such default the same can be remedied, but not within the said thirty (30) days, the Agency or the School Parties fail to proceed with reasonable diligence after receipt of said notice to cure the same or fails to continue with reasonable diligence its efforts to cure the same; and

(4) The occurrence of an “Event of Default” under Section 8.1(c) of the Installment Sale Agreement.

(b) In no event shall the principal of any Bond be declared due and payable in advance of its final stated maturity, anything in this Indenture or in any of the Bonds contained to the contrary notwithstanding.

(c) In determining whether any event constitutes an Event of Default under clauses (1) or (2) of Section 8.1(a) above, no effect shall be given to payments made under the Bond Insurance Policy.

Section 8.2. Enforcement of Remedies.

(a) Subject to Section 8.1(b) hereof, upon the occurrence and continuance of any Event of Default, then and in every case the Trustee may proceed and, upon the written request of the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding to protect and enforce its rights and the rights of the Bondholders under the IDA Act, the Syracuse Schools Act, the Bonds, the Installment Sale Agreement, this Indenture and under any other Security Document forthwith by such suits, actions or special proceedings in equity (including mandamus) or at law, or by proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in this Indenture or in any other Security Document or in aid of the execution of any power granted in this Indenture or in any other Security Document or in the IDA Act or the Syracuse Schools Act or for the enforcement of any legal or equitable rights or remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights or to perform any of its duties under this Indenture or under any other Security Document. In addition to any rights or remedies available to the Trustee hereunder or elsewhere, upon the occurrence and continuance of an Event of Default the Trustee may take such action, without notice or demand, as it deems advisable, to the extent permitted by law.

(b) In the enforcement of any right or remedy under this Indenture, under any other Security Document, under the IDA Act or under the Syracuse Schools Act, the Trustee shall be entitled to sue for, enforce payment on and receive any or all amounts then or during any default becoming, and any time remaining, due from the Agency, for principal, interest, Redemption Price, or otherwise, under any of the provisions of this Indenture, of any other Security Document or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in the Bonds, together with any and all costs and expenses of collection and of all proceedings under this Indenture, under any such other Security Document and under the Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce judgment or decree against the Agency, but solely as provided in this Indenture and in the Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys in the Bond Fund and other moneys available therefor to the extent provided in this Indenture) in any manner provided by law, the moneys adjudged or decreed to be payable. The Trustee shall file proof of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Bondholders allowed in any judicial proceedings relative to the School Parties or the Agency or their creditors or property.

(c) Regardless of the occurrence of an Event of Default, the Trustee, if requested in writing by the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and in each case furnished with reasonable security and indemnity, shall institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under this Indenture or under any other Security Document by any acts which may be unlawful or in violation of this Indenture

or of such other Security Document or of any resolution authorizing any Bonds, and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders; provided, that such request shall not be otherwise than in accordance with the provisions of law and of this Indenture and shall not be unduly prejudicial to the interests of the Holders of the Bonds not making such request.

Section 8.3. Application of Revenues and Other Moneys After Default.

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article or under any other Security Document shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, be deposited in the Bond Fund and all moneys so deposited and available for payment of the Bonds shall be applied, subject to Section 9.4 hereof, as follows:

First: To the payment to the Persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege; and

Second: To the payment to the Persons entitled thereto of the unpaid principal or Redemption Price, if any, of any of the Bonds or principal installments which shall have become due (other than Bonds or principal installments called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds, at the rate or rates expressed thereon, from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full Bonds or principal installments due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

After payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, the funds realized following the occurrence of an Event of Default shall be applied *first*, as provided in paragraph First and Second of this Section 8.3(a), *second*, to pay any amounts which the School Parties are required to rebate to the federal government pursuant to the Indenture and the Tax Compliance Documents, *third*, to satisfy any obligation of the SCSD under Section 4.3 of the Installment Sale Agreement, *fourth*, to satisfy any obligation of the JSCB and the SCSD under Section 5.5 of the Installment Sale Agreement, and *fifth*, to satisfy any other obligations of the School Parties under the Installment Sale Agreement. Nothing contained in this Section 8.3 shall be deemed to modify the application of state and/or school aid payable to the City or the SCSD pursuant to Section 5.4 hereof.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall

determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such written notice to all Bondholders promptly upon receipt of the deposit with it of any such moneys of such deposit and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.4. Actions by Trustee. All rights of actions under this Indenture, under any other Security Document or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 8.3 hereof, be for the equal benefit of the Holders of the Outstanding Bonds.

Section 8.5. Majority Bondholders Control Proceedings. The Holders of a majority in aggregate principal amount of the Bonds then Outstanding, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 8.6. Individual Bondholder Action Restricted.

(a) No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provisions of this Indenture or of any other Security Document or the execution of any trust under this Indenture or for any remedy under this Indenture or under any other Security Document, unless such Holder shall have previously given to the Trustee written notice of the occurrence of an Event of Default as provided in this Article, and the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity either to exercise the powers granted in this Indenture or in such other Security Document or by the IDA Act or the Syracuse Schools Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his, its or their action to affect, disturb or prejudice the pledge created by this Indenture, or to enforce any right under this Indenture except in the manner herein provided; and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner provided in this Indenture and, subject to the provisions of Sections 8.3 and 8.5 hereof, be for the equal benefit of all Holders of the Outstanding Bonds, to the extent permitted by law.

(b) Nothing in this Indenture, in any other Security Document or in the Bonds contained shall affect or impair the right of any Bondholder to payment of the principal or Redemption Price, if applicable, of, and interest on any Bond at and after the maturity thereof, or the obligation of the Agency to pay the principal or Redemption Price, if applicable, of, and interest on each of the Bonds to the respective Holders thereof at the time, place, from the source and in the manner herein and in said Bonds expressed.

Section 8.7. Effect of Discontinuance of Proceedings. In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case, the Agency, the Trustee and the Bondholders shall be restored, respectively, to their former positions and rights hereunder, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

Section 8.8. Remedies Not Exclusive. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the Holders of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under this Indenture or now or hereafter existing at law or in equity or by statute.

Section 8.9. Delay or Omission. No delay or omission of the Trustee, of any Holder of the Bonds to exercise any right or power arising upon any default shall impair any right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Article to the Trustee, the Bond Insurer and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient by the Trustee, by the Bondholders.

Section 8.10. Notice of Default. The Trustee shall promptly mail to the Agency, to registered Holders of Bonds and to the School Parties by registered or certified mail, postage prepaid, return receipt requested, written notice of the occurrence of any Event of Default. The Trustee shall not, however, be subject to any liability to any Bondholder by reason of its failure to mail any notice required by this Section.

Section 8.11. Waivers of Default. The Trustee shall waive any default hereunder and its consequences only upon the written request of the Holders of at least a majority in aggregate principal amount of all the Bonds then Outstanding; provided, however, that there shall not be waived without the consent of the Holders of all the Bonds Outstanding (a) any default in the payment of the principal of any Outstanding Bonds at the date specified therein or (b) any default in the payment when due of the interest on any such Bonds, unless, prior to such waiver, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest in respect of which such default shall have occurred, and all arrears of payment of principal when due, as the case may be, and all expenses of the Trustee and reasonable legal fees and expenses in connection with such default shall have been paid or provided for, and in case of any such waiver, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then and in every such case the Agency, the Trustee and the Bondholders shall be

restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other default, or impair any right consequent thereon.

ARTICLE IX TRUSTEE AND PAYING AGENTS

Section 9.1. Appointment and Acceptance of Duties.

(a) Manufacturers and Traders Trust Company, Buffalo, New York, is hereby appointed as Trustee. The Trustee shall signify its acceptance of the duties and obligations of the Trustee hereunder and under each Security Document by executing this Indenture and agrees to perform said trusts as a corporate trustee ordinarily would under a corporate mortgage subject to the express terms and conditions herein. All provisions of this Article IX shall be construed as extending to and including all the rights, duties and obligations imposed upon the Trustee under the Installment Sale Agreement and under any other Security Document to which it shall be a party as fully for all intents and purposes as if this Article IX were contained in the Installment Sale Agreement and each such other Security Document.

(b) Manufacturers and Traders Trust Company, Buffalo, New York, is hereby appointed as Paying Agent for the Bonds. The Agency may also from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 9.9 hereof for the appointment of a successor Paying Agent. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Agency, and in the case of all Paying Agents other than the Trustee, to the Trustee a written acceptance thereof. The principal offices of the Paying Agents are designated as the respective offices or agencies of the Agency for the payment of the principal or Redemption Price, if any, of, and interest on the Bonds.

Section 9.2. Indemnity. The Trustee shall be under no obligation to institute any suit, or to take any remedial action under this Indenture or under any other Security Document or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers under this Indenture, or under any other Security Document, until it shall be indemnified to its satisfaction against any and all reasonable compensation for services, costs and expenses, outlays, and counsel fees and other disbursements, and against all liability not due to its willful misconduct, unlawful conduct or gross negligence.

Section 9.3. Responsibilities of Trustee.

(a) The Trustee shall have no responsibility in respect of the validity or sufficiency of this Indenture or of any other Security Document or the security provided hereunder or thereunder or the due execution of this Indenture by the Agency, or the due execution of any other Security Document by any party (other than the Trustee) thereto, or in respect of any interest in or the value of the Facilities, or in respect of the validity of the Bonds authenticated and delivered by the Trustee in accordance with this Indenture or to see to the recording or filing of this Indenture or any other document or instrument whatsoever except as otherwise provided in Section 7.8 hereof. The recitals, statements and representations contained

in this Indenture and in the Bonds shall be taken and be construed as made by and on the part of the Agency and not by the Trustee, and the Trustee does not assume any responsibility for the correctness of the same; provided, however, that the Trustee shall be responsible for its representation contained in its certificate on the Bonds.

(b) The Trustee shall not be liable or responsible because of the failure of the Agency to perform any act required of it by this Indenture or because of the loss of any moneys arising through the insolvency or the act or default or omission of any depository other than itself in which such moneys shall have been deposited under this Indenture or the Tax Compliance Documents. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, invested, withdrawn or transferred in accordance with this Indenture or the Tax Compliance Documents or for any loss resulting from any such investment. The Trustee shall not be liable in connection with the performance of its duties under the Installment Sale Agreement, under this Indenture or the Tax Compliance Documents or under any other Security Document except for its own willful misconduct or gross negligence. The immunities and exemptions from liability of the Trustee shall extend to its directors, officers, employees, agents and servants and persons under the Trustee's control or supervision.

(c) The Trustee, prior to the occurrence of an Event of Default and after curing of all Events of Default which may have occurred, if any, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise as a prudent man would exercise under the circumstances in the conduct of his own affairs. The Trustee shall not be charged with knowledge of the occurrence of an Event of Default unless, (i) the Trustee has not received payment of any amount required to be remitted to the Trustee under the Installment Sale Agreement or any other Security Document, (ii) an officer in the corporate trust department of the Trustee has actual knowledge thereof, or (iii) a Responsible Officer of the Trustee has received written notice thereof from the City and/or the SCSD, the Agency or any Bondholder.

(d) The Trustee shall execute all instruments required by it by Section 7.8 hereof at the expense of the SCSD.

(e) The Trustee shall prepare and deliver to the Depository Bank each certificate required of the Trustee pursuant to Sections 202(e) and 202(f) of the State Aid Depository Agreement. The Trustee shall otherwise comply with and perform the requirements imposed on the Trustee under the State Aid Depository Agreement.

(f) The Trustee shall on the same date as it shall render the statement required of it by Section 7.4 of this Indenture, make annual reports to the Agency and the School Parties of all moneys received and expended during the preceding year by it under this Indenture and of any Event of Default known to it under the Installment Sale Agreement or this Indenture or under any other Security Document.

(g) In performing its duties and obligations under the Tax Compliance Documents, the Trustee shall not be required to make any payment of a Rebate Requirement or any transfer of funds or take any other action required to be taken thereunder except upon the receipt of a written certificate of direction of an Authorized Representative of the City delivered to the Trustee in accordance with the terms of the Tax Compliance Documents. Notwithstanding any provision of the Tax Compliance Documents or any other Security Document, nothing in the Tax Compliance Documents, either expressed or implied, shall be deemed to impose upon the Trustee any responsibility for the legal sufficiency of the Tax Compliance Documents to effect compliance with the Code.

Section 9.4. Compensation. The Trustee, the Bond Registrar and the Paying Agents shall be entitled to receive and collect from the City and/or the SCSD as provided in the Installment Sale Agreement payment or reimbursement for reasonable fees for all services rendered hereunder and under each other Security Document and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee, the Bond Registrar or the Paying Agents in connection therewith. Upon and following an Event of Default, but only while there remains an Event of Default that has not been cured or waived, the Trustee, the Bond Registrar and the Paying Agents shall have a first right of payment prior to payment on account of the principal of or interest on any Bonds, upon the revenues (but not including any amounts derived from the Bond Insurance Policy or held by the Trustee under Sections 5.4, 10.1 or 13.2 hereof) for the foregoing advances, fees, costs and expenses incurred.

Section 9.5. Evidence on Which Trustee May Act.

(a) In case at any time it shall be necessary or desirable for the Trustee to make any investigation respecting any fact preparatory to taking or not taking any action, or doing or not doing anything, as such Trustee, and in any case in which this Indenture provides for permitting or taking any action, it may rely upon any certificate required or permitted to be filed with it under the provisions of this Indenture, and any such certificate shall be evidence of such fact to protect it in any action that it may or may not take, or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact.

(b) The Trustee may conclusively rely and shall be fully protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Indenture (except for the Trustee's own willful misconduct, unlawful conduct or gross negligence), upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person, or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or, at the sole cost and expense of the City and/or the SCSD, and upon the written opinion of any attorney (who may be an attorney for the Agency or an employee of the City and/or the SCSD), engineer, appraiser, architect or accountant believed by the Trustee to be qualified in relation to the subject matter.

Section 9.6. Trustee and Paying Agents May Deal in Bonds. Any national banking association, bank or trust company acting as a Trustee or Paying Agent, and its directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the

Bonds, and may join in any action which any Bondholder may be entitled to take with like effect as if such association, bank or trust company were not such Trustee or Paying Agent.

Section 9.7. Resignation or Removal of Trustee. The Trustee may resign and thereby become discharged from the trusts created under this Indenture for any reason by giving written notice by first class mail, postage prepaid, to the Agency, to the School Parties and to the Holders of all Bonds not less than sixty (60) days before such resignation is to take effect, but such resignation shall not take effect until the appointment and acceptance thereof of a successor Trustee pursuant to Section 9.8 hereof.

The Trustee may be removed at any time by an instrument or concurrent instruments in writing filed with the Trustee and signed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized. Such removal shall become effective either upon the appointment and acceptance of such appointment by a successor Trustee or at the date specified in the instrument of removal. The Trustee shall promptly give notice of such filing to the Agency and the School Parties. No removal shall take effect until the appointment and acceptance thereof of a successor Trustee pursuant to Section 9.8 hereof.

Section 9.8. Successor Trustee.

(a) If at any time the Trustee shall resign or shall be removed effective prior to the appointment and acceptance of a successor Trustee, be dissolved or otherwise become incapable of acting or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator thereof, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of Trustee shall thereupon become vacant. If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason or if the Trustee shall resign, the School Parties shall cooperate with the Agency and the Agency shall appoint a successor Trustee and shall use its best efforts to obtain acceptance of such trust by the successor Trustee within sixty (60) days from such vacancy or notice of resignation. Within twenty (20) days after such appointment and acceptance, the Agency shall notify in writing the School Parties and the Holders of all Bonds.

(b) In the event of any such vacancy or resignation and if a successor Trustee shall not have been appointed within sixty (60) days of such vacancy or notice of resignation, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding, by an instrument or concurrent instruments in writing, signed by such Bondholders or their attorneys-in-fact thereunto duly authorized and filed with the Agency, may appoint a successor Trustee which shall, immediately upon its acceptance of such trusts, and without further act, supersede the predecessor Trustee. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section 9.8, within 120 days of such vacancy or notice of resignation, the Holder of any Bond then Outstanding, the Agency or any retiring Trustee or the School Parties may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

(c) Any Trustee appointed under this Section shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States authorized to exercise corporate trust powers under the laws of the State and authorized by law and its charter to perform all the duties imposed upon it by this Indenture and each other Security Document. At the time of its appointment, any successor Trustee shall (y) have a capital stock and surplus aggregating not less than \$100,000,000, and (z) have an investment grade rating (y) if the Bonds are rated by Moody's, of at least "Baa3" or "P-3" or be otherwise acceptable to Moody's, and (z) if the Bonds are rated by S&P, of at least "BBB-" or "A-3" or be otherwise acceptable to S&P. Any entity acting as successor Trustee shall also act as Depository Bank under the State Aid Depository Agreement.

(d) Every successor Trustee shall execute, acknowledge and deliver to its predecessor, and also to the Agency, an instrument in writing accepting such appointment, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers and trusts, and subject to all the duties and obligations, of its predecessor, with like effect as if originally named as such Trustee; but such predecessor shall, nevertheless, on the written request of its successor or of the Agency, and upon payment of the compensation, expenses, charges and other disbursements of such predecessor which are due and payable pursuant to Section 9.4 hereof, execute and deliver an instrument transferring to such successor Trustee all the estate, properties, rights, immunities, powers and trusts of such predecessor; and every predecessor Trustee shall deliver all property and moneys, together with a full accounting thereof, held by it under this Indenture to its successor. Should any instrument in writing from the Agency be required by any successor Trustee for more fully and certainly vesting in such Trustee the estate, properties, rights, immunities, powers and trusts vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall, on request, be executed, acknowledged and delivered by the Agency. Any successor Trustee shall promptly notify other Notice Parties of its appointment as Trustee.

(e) Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States and shall be authorized by law and its charter to perform all the duties imposed upon it by this Indenture and each other Security Document shall be the successor to such Trustee without the execution or filing of any paper or the performance of any further act.

Section 9.9. Resignation or Removal of Paying Agent; Successor.

(a) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least sixty (60) days' prior written notice to the other Notice Parties. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by the Agency. Any successor Paying Agent shall be appointed by the Agency, with the approval of the Trustee, and shall be a commercial bank or trust company duly organized under the laws of any state of the United States or a national banking association, having a capital stock and surplus aggregating at least \$40,000,000,

having an investment grade rating (y) if the Bonds are rated by Moody's of at least "Baa3" or "P-3" or be otherwise acceptable to Moody's, and (z) if the Bonds are rated by S&P, of at least "BBB-" or "A-3" or be otherwise acceptable to S&P, and willing and able to accept the office on reasonable and customary terms and authorized by law and its charter to perform all the duties imposed upon it by this Indenture.

(b) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

Section 9.10. Appointment of Co-Trustee.

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or under any other Security Document, and in particular in case of the enforcement of any such documents on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional institution as a separate trustee or co-trustee at the expense of the City and the SCSO. The following provisions of this Section are adapted to these ends.

(b) In the event that the Trustee appoints an additional institution as a separate trustee or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate trustee or co-trustee but only to the extent necessary to enable such separate trustee or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate trustee or co-trustee shall run to and be enforceable by either of them. Such co-trustee may be removed by the Trustee at any time, with or without cause.

(c) Should any instrument in writing from the Agency be required by the separate trustee or co-trustee so appointed or removed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Agency. In case any separate trustee or co-trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

Section 9.11. Approvals or Consents by Trustee. The Trustee shall grant no approval, request or consent under the Security Documents except at the direction of the Holders of a majority in aggregate principal amount of the affected Series of Bonds Outstanding.

Section 9.12. Notice to Rating Agencies. The Trustee shall provide the rating agencies, if the Bonds should be rated, with written notice, if possible, in advance or, if impossible, promptly following, the effective date of: (i) the appointment of any successor Trustee; (ii) any amendments to the Security Documents; or (iii) the redemption in whole or other payment in full of the Bonds. The Trustee agrees to inform the rating agencies of the above as a matter of courtesy and accommodation. However, the Trustee shall have no liability or obligation to the rating agencies or to any other Person in the event that it should fail to furnish any such information.

ARTICLE X DISCHARGE OF INDENTURE

Section 10.1. Defeasance.

(a) If the Agency shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds the principal or Redemption Price, if applicable, of, interest and all other amounts due or to become due thereon or in respect thereof, at the times and in the manner stipulated therein and in this Indenture, and all fees and expenses and other amounts due and payable under this Indenture and the Installment Sale Agreement and any other amounts required to be rebated to the federal government pursuant to the Tax Compliance Documents or this Indenture, shall be paid in full or duly provided for, then the pledge of the Installment Purchase Payments under this Indenture and the estate and rights hereby granted, and all covenants, agreements and other obligations of the Agency to the Bondholders hereunder shall thereupon cease, terminate and become void and be discharged and satisfied and the Bonds shall thereupon cease to be entitled to any lien, benefit or security hereunder, except as to moneys or securities held by the Trustee or the Paying Agents as provided below in this subsection. At the time of such cessation, termination, discharge and satisfaction, the Trustee and the Paying Agents shall pay over or deliver to the City for the benefit of the SCSD or on its order all moneys or securities held by them pursuant to this Indenture which are not required: (i) for the payment of principal or Redemption Price, if applicable, or interest on Bonds not theretofore surrendered for such payment or redemption; (ii) for the payment of all such other amounts due or to become due under the Security Documents; or (iii) for the payment of any amounts to the federal government under the Tax Compliance Documents or this Indenture.

(b) Bonds or interest installments for the payment or redemption of which moneys (and/or Defeasance Obligations which shall not be subject to call or redemption or prepayment prior to maturity and the full and timely payment of the principal of and interest on which when due, together with the moneys, if any, set aside at the same time, will provide funds sufficient for such payment or redemption) shall then be set aside and held in trust by the Trustee or Paying Agents, whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section, if: (i) in case any such Bonds are to be redeemed prior to the maturity thereof, all action necessary to redeem such Bonds shall have been taken and notice of such redemption shall have been duly given or provision satisfactory under the requirements of this Indenture to the Trustee shall have been made for the giving of such notice; and (ii) if the maturity or redemption date of any such Bond shall not then have arrived, provision shall have been made by deposit with the Trustee or other methods satisfactory to the Trustee for the

payment to the Holders of any such Bonds upon surrender thereof of the full amount to which they would be entitled by way of principal or Redemption Price and interest and all other amounts then due under the Security Documents to the date of such maturity or redemption, and provision satisfactory to the Trustee shall have been made for the mailing of a notice to the Holders of such Bonds that such moneys are so available for such payment.

(c) Prior to any defeasance becoming effective as provided in Section 10.1(b) above, there shall have been delivered to the Agency and to the Trustee (A) an opinion of Nationally Recognized Bond Counsel addressed to, and acceptable in form and substance to, the Agency and the Trustee and to the effect that interest on any Bonds being discharged by such defeasance will not become subject to federal income taxation by reason of such defeasance, and that the Bonds being defeased are no longer “Outstanding” under the Indenture, (B) a verification report from an independent certified public accountant or firm of independent certified public accountants or other recognized consultant or verification agent (in each case reasonably acceptable to the Agency and to the Trustee and to the effect that the moneys and/or Defeasance Obligations are sufficient, without reinvestment, to pay the principal of, interest on, and redemption premium, if any, of the Bonds to be defeased on the maturity or redemption date, as applicable, (C) an escrow deposit agreement (reasonably acceptable to the Agency and the Trustee and (D) a certificate of discharge of the Trustee with respect to the Bonds being defeased.

No provision of this Section 10.1, including any defeasance of Bonds, shall limit the rights of the Holder of any Bonds under Sections 3.6, 3.7, 3.9 or 5.4 hereof until such Bonds shall have been paid in full.

ARTICLE XI AMENDMENTS OF INDENTURE

Section 11.1. Limitation on Modifications. This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article.

Section 11.2. Supplemental Indentures Without Bondholders’ Consent.

(a) The Agency and the Trustee may, from time to time and at any time, enter into Supplemental Indentures without consent of the Bondholders, for any of the following purposes:

(1) To cure any formal defect, omission or ambiguity in this Indenture or in any description of property subject to the lien hereof, if such action is not materially adverse to the interests of the Bondholders.

(2) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may lawfully be granted or conferred and which are not contrary to or inconsistent with this Indenture as theretofore in effect.

(3) To add to the covenants and agreements of the Agency in this Indenture other covenants and agreements to be observed by the Agency which are not contrary to or inconsistent with this Indenture as theretofore in effect.

(4) To add to the limitations and restrictions in this Indenture other limitations and restrictions to be observed by the Agency which are not contrary to or inconsistent with this Indenture as theretofore in effect.

(5) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Indenture, of the Installment Purchase Payments or of any other moneys, securities or funds, or to subject to the lien or pledge of this Indenture additional revenues, properties or collateral.

(6) To modify or amend such provisions of this Indenture as shall, in the opinion of Nationally Recognized Bond Counsel, be necessary to assure the federal tax exemption of the interest on the Bonds.

(7) To authorize the issuance of a Series of Additional Bonds and prescribe the terms, forms and details thereof not inconsistent with this Indenture.

(8) To effect any other change herein which, in the judgment of the Trustee, is not to the material prejudice of the Trustee or the Bondholders.

(9) To effect the delivery of a Credit Facility and/or a Qualified Swap for a Series of Bonds.

(10) To modify, amend or supplement this Indenture or any Supplemental Indenture in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America, and, if they so determine, to add to this Indenture or any Supplemental Indenture such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute.

(11) To permit the appointment of a co-trustee under this Indenture.

(b) Before the Agency and the Trustee shall enter into any Supplemental Indenture pursuant to this Section, there shall have been filed with the Trustee an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Agency in accordance with its terms. Notice of the proposed Supplemental Indenture shall be mailed, postage prepaid, to S&P and Moody's by the Trustee at least ten (10) days prior to the effective date thereof.

Section 11.3. Supplemental Indentures With Consent of Bondholders .

(a) Subject to the terms and provisions contained in this Article, the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right from time to time, to consent to and approve the entering into by the Agency and the Trustee of any Supplemental Indenture as shall be deemed necessary or desirable by the Agency for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained herein; provided, however, that if any such Supplemental Indenture would affect only the Holders of a single Series of Bonds then Outstanding, then only the consent of, (y) the Holders of a majority in aggregate principal amount of the affected Series of Bonds Outstanding, shall be required. Nothing herein contained shall permit, or be construed as permitting, (i) a change in the times, amounts or currency of payment of the principal of, redemption premium, if any, or interest on any Outstanding Bonds, a change in the terms of redemption or maturity of the principal of or the interest on any Outstanding Bonds, or a reduction in the principal amount of or the Redemption Price of any Outstanding Bond or the rate of interest thereon, or any extension of the time of payment thereof, or a change in the method of determining the rate of interest on any Bond, without the consent of the Holder of such Bond, (ii) the creation of a lien upon or pledge of Installment Purchase Payments other than the liens or pledge created by this Indenture, except as provided in this Indenture with respect to Additional Bonds, (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, (iv) a reduction in the aggregate principal amount of Bonds required for consent to such Supplemental Indenture, or (v) a modification, amendment or deletion with respect to any of the terms set forth in this Section 11.3(a), without, in the case of items (ii) through and including (v) of this Section 11.3(a), the written consents of one hundred percent (100%) of the Holders of the Outstanding Bonds.

(b) If at any time the Agency shall determine to enter into any Supplemental Indenture for any of the purposes of this Section, it shall cause notice of the proposed Supplemental Indenture to be mailed, postage prepaid, to S&P, Moody's and all Bondholders at least ten (10) days prior to the effective date thereof. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture, and shall state that a copy thereof is on file at the offices of the Trustee for inspection by all Bondholders.

(c) Within one year after the date of such notice, the Agency and the Trustee may enter into such Supplemental Indenture in substantially the form described in such notice only if there shall have first been filed with the Trustee (i) the written consents of the Holders of not less than a majority or 100%, as the case may be, in aggregate principal amount of the Bonds then Outstanding (or, if such Supplemental Indenture shall affect only a single Series of Bonds, then only the written consent of (y) the written consents of the Holders of not less than a majority in aggregate principal amount of the affected Series of Bonds Outstanding) and (ii) an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Agency in accordance with its terms. Each valid consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given. A certificate or certificates by the Trustee that it has examined such proof and that such proof is sufficient in accordance with this Indenture shall be conclusive that the consents have been given by the Holders of the Bonds described in such

certificate or certificates. Any such consent shall be binding upon the Holder of the Bonds giving such consent and upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing such revocation with the Trustee prior to the execution of such Supplemental Indenture.

(d) The Holders of not less than the percentage of Bonds required by this Section shall have consented to and approved the execution thereof as herein provided, no Holder of any Bond shall have any right to object to the execution of such Supplemental Indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Agency from executing the same or from taking any action pursuant to the provisions thereof.

(e) Upon the execution of any Supplemental Indenture pursuant to the provisions of this Section, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Agency, the Trustee and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced under this Indenture, subject in all respects to such modifications and amendments.

Section 11.4. Supplemental Indenture Part of this Indenture. Any Supplemental Indenture executed in accordance with the provisions of this Article shall thereafter form a part of this Indenture and all the terms and conditions contained in any such Supplemental Indenture as to any provisions authorized to be contained therein shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes. The Trustee shall execute any Supplemental Indenture entered into in accordance with the provisions of Sections 11.2 or 11.3 hereof.

Section 11.5. Rights of School Parties. Anything herein to the contrary notwithstanding, any Supplemental Indenture which materially and adversely affects any rights, powers and authority of the School Parties under the Installment Sale Agreement or requires a revision of the Installment Sale Agreement shall not become effective unless and until the School Parties shall have given their written consent to such Supplemental Indenture signed by an Authorized Representative of each of the School Parties.

ARTICLE XII AMENDMENTS OF RELATED SECURITY DOCUMENTS

Section 12.1. Amendments of Related Security Documents Not Requiring Consent of Bondholders. Subject to Section 12.2 hereof, the Agency and the Trustee may, without the consent of or notice to the Bondholders, consent to any amendment, change or modification of any of the Related Security Documents for any of the following purposes: (i) to cure any ambiguity, inconsistency, formal defect or omission therein; (ii) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may be lawfully granted or conferred; (iii) to subject thereto additional revenues,

PLEDGE AND ASSIGNMENT

THIS PLEDGE AND ASSIGNMENT dated as of June 1, 2018 (the “*Pledge and Assignment*”) is from **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation, duly organized and existing under the laws of the State of New York, having its principal office at 201 East Washington Street, 6th Floor, Syracuse, New York 13202 (the “*Agency*”), to **MANUFACTURERS AND TRADERS TRUST COMPANY**, a trust company authorized under the laws of the State of New York to accept and execute trusts of the character hereinafter set forth and having its principal corporate trust office at 285 Delaware Avenue, 3rd Floor, Buffalo, New York 14202, as trustee (with its successors in trust and assigns, the “*Trustee*”) for the holders of the Agency’s School Facility Revenue Bonds (Syracuse City School District Project), Series 2018B, in the aggregate principal amount of \$38,500,000 (the “*Series 2018B Bonds*”) issued pursuant to a certain Indenture of Trust (Series 2018B Project), dated as of June 1, 2018 (the “*Indenture*”), by and between the Agency and the Trustee.

All capitalized terms used herein, unless otherwise defined, shall have the meaning ascribed to such terms in the Indenture.

For value received, the receipt of which is hereby acknowledged, the Agency hereby pledges, assigns, transfers and sets over to the Trustee, and hereby grants the Trustee, a lien on and security interest in all of the Agency’s right, title and interest in any and all moneys due or to become due and any and all other rights and remedies of the Agency under or arising out of a certain Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, by and among the Agency, the City of Syracuse (the “*City*”), the City School District of the City of Syracuse (the “*SCSD*”) and the Syracuse Joint Schools Construction Board (the “*JSCB*” and together with the City and the JSCB, collectively, the “*School Parties*”), (the “*Original Agreement*”), as previously amended by the School Parties pursuant to Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009 (the “*First Amended Agreement*”), Amendment No. 2 to Installment Sale Agreement dated as of December 1, 2010 (the “*Second Amended Agreement*”), and Amendment No. 3 to Installment Sale Agreement dated as of July 1, 2011 (the “*Third Amended Agreement*”), Amendment No. 4 to Installment Sale Agreement dated as of April 1, 2017 (the “*Fourth Amended Agreement*”); and Amendment No. 5 to Installment Sale Agreement dated as of March 1, 2018 (the “*Fifth Amended Agreement*”); and Amendment No. 6 to Installment Sale Agreement dated as of June 1, 2018 (the “*Sixth Amended Agreement*” and together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement, the Third Amended Agreement, the Fourth Amended Agreement and the Fifth Amended Agreement, collectively referred to as the “*Agreement*” or the “*Installment Sale Agreement*”) covering the real property described in Schedule A attached hereto (except for Reserved Rights and the moneys and investments in the Rebate Fund), *provided, however*, that the assignment made hereby shall not permit the amendment of the Agreement without the prior written consent of the Agency.

The Trustee shall not have any obligation, duty or liability under the Agreement except as specifically set forth in the Agreement and accepted herewith, nor shall the Trustee be required or obligated in any manner to fulfill or perform any obligation, covenant, term or condition of the

Agency thereunder or to make any inquiry as to the nature or sufficiency of any payment received by it, or to present or file any claim, or to take any other action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled hereunder at any time or times.

The Agency hereby irrevocably constitutes and appoints the Trustee its true and lawful attorney, with power of substitution for the Agency and in the name of the Agency or in the name of the Trustee, for the use and benefit of the Trustee, to ask, demand, require, receive, collect, compromise, compound and give discharges and releases of all claims for any and all moneys due or to become due under or arising out of the Agreement (except for claims relating to moneys due or to become due with respect to the Reserved Rights) and to endorse any checks and other instruments or orders in connection therewith, and, if any "Event of Default" specified in the Indenture or the Series 2018B Bonds shall occur: (a) to settle, compromise, compound and adjust any such claims (except for claims arising pursuant to the Reserved Rights); (b) to exercise and enforce any and all claims, rights, powers and remedies of the Agency under or arising out of the Agreement (except for rights of the Agency and moneys payable pursuant to the Reserved Rights); (c) to file, commence and prosecute any suits, actions and proceedings at law or in equity in any court of competent jurisdiction to collect any such sums assigned to the Trustee hereunder and to enforce any rights in respect thereto and all other claims, rights, powers and remedies of the Agency under or arising out of the Installment Sale Agreement (except for rights of the Agency and moneys payable pursuant to the Reserved Rights); and (d) generally to sell, assign, transfer, pledge or make any agreement with respect to and otherwise deal with any of such claims, rights, powers and remedies as fully and completely as though the Trustee was the absolute owner thereof for all purposes, and at such times and in such manner as may seem to the Trustee to be necessary or advisable in its absolute discretion.

The Agency further agrees that at any time and from time to time, upon the written request of the Trustee, and at the sole cost and expense of the SCSD, the Agency will promptly and duly execute and deliver any and all such further instruments and documents as the Trustee may deem desirable in order to obtain the full benefits of this Assignment and all rights and powers herein granted.

The Agency hereby warrants and represents: (a) that the Installment Sale Agreement is in full force and effect; (b) that the Agency is not in default under the Installment Sale Agreement; and (c) that the Agency has not assigned or pledged, and hereby covenants that it will not assign or pledge, so long as this Assignment shall remain in effect, the whole or any part of the moneys, rights or remedies hereby assigned to anyone other than the Trustee.

All moneys due and to become due to the Trustee under or pursuant to the Installment Sale Agreement shall be paid directly to the Trustee at 285 Delaware Avenue, 3rd Floor, Buffalo, New York 14202, or at such other address as the Trustee may designate to School Parties and the Agency in writing from time to time.

All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Pledge and Assignment, the Indenture, the Series 2018B Bonds, the Installment Sale Agreement and the other documents and instruments connected herewith or therewith, and in any documents supplemental thereto (collectively, the "**Financing Documents**") shall be

deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, agent (other than the JSCB), servant or employee of the Agency in his, her or its individual capacity, and no recourse under or upon any covenant, stipulation, promise, agreement or obligation in the Financing Documents contained or otherwise based upon or in respect of the Financing Documents, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent (other than the JSCB), servant or employee, as such, of the Agency or of any successor public benefit corporation or political subdivision or any person executing the Financing Documents on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person executing the Financing Documents on behalf of the Agency, it being expressly understood that the Financing Documents are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent (other than the JSCB), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person executing the Financing Documents on behalf of the Agency because of the creation of the indebtedness thereby authorized, or under or by reason of the covenants, stipulations, promises, agreements or obligations contained in the Financing Documents or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent (other than the JSCB), servant or employee because of the creation of the indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in the Financing Documents or implied therefrom, are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of the Financing Documents and the issuance of the Series 2018B Bonds.

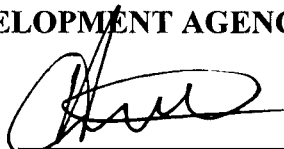

The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York, or the City, and neither the State of New York, nor the City shall be liable thereon, and further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Facilities (except for revenues derived by the Agency with respect to the Reserved Rights).

Notwithstanding any provision of this Assignment to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless: (a) the Agency shall have been requested to do so in writing by School Parties or the Trustee; and (b) if compliance with such request is reasonably expected to result in the incurrence by the Agency or any member, director, officer, agent (other than the JSCB), servant or employee of the Agency in any liability, fees, expenses or other costs, the Agency shall have received from the School Parties or the Trustee, as the case may be, security or indemnity satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

IN WITNESS WHEREOF, the Agency has duly executed this Pledge and Assignment this 20th day of June, 2018.

TAX CERTIFICATE

This Tax Certificate (the “Tax Certificate”) is executed by the City of Syracuse Industrial Development Agency (the “Issuer”) to set forth representations of facts, expectations, restrictions and covenants which are in furtherance of the covenants contained in the Indenture of Trust (Series 2018B Project), dated as of June 1, 2018 (the “Indenture”), between the Issuer and Manufacturers and Traders Trust Company, as trustee (the “Trustee”). On the date hereof, the Issuer is issuing its \$38,500,000 School Facility Revenue Bonds (Syracuse City School District Project) Series 2018B (the “Bonds”). In consideration of the covenants and undertakings set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in part pursuant to Section 1.148-2(b)(2) of the Treasury Regulations (as hereinafter defined), the Issuer hereby certifies, covenants, represents and agrees and Trustee hereby accepts as follows:

ARTICLE I

IN GENERAL

Section 1.1 **General.** The Issuer is delivering this Tax Certificate (including all Exhibits hereto) to Bousquet Holstein PLLC (“Bond Counsel”) with the understanding and acknowledgment that Bond Counsel will rely upon this Tax Certificate (including all Exhibits hereto) in rendering its opinion that interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code (as hereinafter defined).

Section 1.2 **Authorization of Issuance.** The Bonds are being issued pursuant to the Constitution and statutes of the State of New York (the “State”), including particularly the New York State Industrial Development Agency Act, constituting Title 1 of Article 18-A of the General Municipal Law, as amended (the “Enabling Act”); Chapter 641 of the 1979 Laws of New York State, as amended (together with the Enabling Act, the “IDA Act”); and Chapter 58 Part A-4 of the Laws of 2006 of New York State, as amended (the “Syracuse Schools Act”). The Bonds have been authorized by a Bond Resolution adopted by the members of the Issuer dated April 1, 2018 (the “Resolution”) and are being issued pursuant to the terms of the Indenture.

Section 1.3 **Delivery of the Bonds.** The Bonds are being delivered to Raymond James & Associates, Inc., on behalf of itself and as representative of certain other underwriters (the “Underwriter”) identified in the Purchase Contract dated June 7, 2018 (the “Purchase Contract”), among the Underwriter, the Issuer, the Syracuse Joint Schools Construction Board (the “SJSCB”), the City of Syracuse (the “City”) and the City School District of the City of Syracuse (the “SCSD” and collectively with the SJSCB and the City, the “Borrowing Entities”).

Section 1.4 **Description of the Bonds.** The Bonds have been sold at the aggregate issue prices or yields as set forth on the inside cover of the Official Statement dated June 7, 2018, of the Issuer, the City and SCSD and are further described in the Official Statement.

Section 1.5 **Purpose of this Tax Certificate.** Interest paid on the Bonds is expected to be excluded from the federal gross income of holders of the Bonds. Federal income tax law imposes requirements on the Bonds and the application and investment of proceeds of the

Bonds that must be complied with, as of and subsequent to the Closing Date (as hereinafter defined), in order that interest on the Bonds may be and remain excluded from the gross income of Bondholders for federal income tax purposes. This Tax Certificate sets forth the covenants and agreements of the Issuer and the provisions and procedures pursuant to which such requirements may be met. This Tax Certificate is intended and may be relied upon for purposes of Sections 103 and 141 through 150 of the Code as a certification of expectations described in Section 1.148-2(b)(2) of the Regulations. This Tax Certificate is executed and delivered as part of the record of proceedings in connection with the issuance of the Bonds.

Section 1.6 **Reliance on Other Parties.** The expectations of the Issuer concerning uses of the Proceeds (as hereinafter defined) of the Bonds and other matters are based in whole or in part upon representations, certifications, warranties and covenants of the Borrowing Entities and other parties set forth in this Tax Certificate and the Exhibits hereto, including the representations of the Underwriter contained in Exhibit A attached hereto and the computations attached as Exhibit B hereto. To the extent that the Issuer makes any representation in this Tax Certificate concerning any action to be taken or expected to be taken by the Borrowing Entities, it does so in reliance on the representations of the respective Borrowing Entities set forth in the Tax Questionnaire completed by the Borrowing Entities and the Borrowing Entities' Arbitrage and Use of Proceeds Certificate, dated June 20, 2018 (hereinafter, the "Arbitrage Certificate"), all of which were delivered to the Issuer in connection with the issuance of the Bonds. The Issuer is not aware of any facts and circumstances that would cause it to question the accuracy or reasonableness of any representation or certification made in this Tax Certificate or the Exhibits hereto.

Section 1.7 **Definitions.** Capitalized terms used herein which are not otherwise defined herein shall have the respective meanings set forth in the Indenture or, if not defined in the Indenture, in Sections 103 and 141-150 of the Code (as hereinafter defined). Unless the context otherwise requires, the following capitalized terms have the following meanings for purposes of this Tax Certificate (such meanings to be equally applicable to both the singular and plural forms of the terms defined):

"Arbitrage Certificate" shall have the meaning set forth in Section 1.6 of this Tax Certificate.

"Available Construction Proceeds" shall mean the Sale Proceeds of the Bonds plus investment earnings thereon, less any Sale Proceeds used to fund costs of issuance or any reasonably required reserve or replacement fund. Subject to certain elections that the Issuer may make for purposes of determining Available Construction Proceeds as described in Section 5.5(b)(iii), Available Construction Proceeds shall include any investment earnings on Sale Proceeds of the Bonds: (i) used to finance issuance costs, and (ii) used to finance any reasonably required reserve or replacement fund, before the earlier of the date construction of the project is substantially completed or the date that is two (2) years after the Closing Date.

"Bond Year" shall mean for federal tax purposes, the period beginning on the Closing Date and ending on June 19, 2019 or such other shorter period that the Issuer may select, and each successive one-year or shorter period thereafter.

“Bonds” shall have the meaning set forth in the first paragraph of this Tax Certificate.

“Borrowing Entities” shall have the meaning set forth in Section 1.3 of this Tax Certificate.

“City” shall have the meaning set forth in Section 1.3 of this Tax Certificate.

“Closing Date” shall mean June 20, 2018, the date of initial issuance and physical delivery of the Bonds. The Closing Date is the “issue date” as defined in Section 1.150-1(b) of the Treasury Regulations.

“Code” shall mean the Internal Revenue Code of 1986, as amended.

“Eighteen Month Expenditure Rule” shall have the meaning set forth in Section 5.5(c) of this Tax Certificate.

“Eligible Gross Proceeds” shall mean Gross Proceeds of the Bonds excluding: (a) amounts in a bona fide debt service fund (e.g., the Bond Fund), (b) amounts in a reasonably required reserve or replacement fund, and (c) amounts that as of the Closing Date, are not reasonably expected to be Gross Proceeds but that became Gross Proceeds after the end of the six month spending period of the Six Month Expenditure Rule and the eighteen month spending period in the case of the Eighteen Month Expenditure Rule.

“Fixed Yield Issue” means any issue if each bond that is part of such issue is a bond whose yield is fixed and determinable on the issue date.

“Gross Proceeds” shall have the meaning used in Section 1.148-1(b) of the Treasury Regulations, and generally means all Proceeds and Replacement Proceeds.

“Installment Sale Agreement” shall mean that certain Installment Sale Agreement (Series 2008A Project), dated as of March 1, 2008, as amended by Amendment No. 1 to Agreement dated as of March 1, 2009, Amendment No. 2 to Agreement dated as of December 1, 2010, Amendment No. 3 to Agreement dated as of July 1, 2011, Amendment No. 4 to Agreement dated as of April 1, 2017, Amendment No. 5 to Installment Sale Agreement (Series 2018A Project), dated as March 1, 2018 and Amendment No. 6 to Installment Sale Agreement (Series 2018B Project), dated as June 1, 2018 all among the Issuer and the Borrowing Entities.

“Investment Proceeds” shall mean any amounts actually or constructively received from investing Proceeds.

“Investment Property” shall mean any security or obligation (other than tax-exempt bonds which are not “specified private activity bonds” as defined in Section 57(a)(5)(C) of the Code), an annuity contract or any other investment-type property within the meaning of Section 1.148-1(b) of the Treasury Regulations.

“Issuer” shall have the meaning set forth in the first paragraph of this Tax Certificate.

“Nationally Recognized Bond Counsel” shall mean Bousquet Holstein PLLC or other counsel acceptable to the Issuer and the Trustee experienced in matters relating to tax exemption of interest on bonds issued by states and their political subdivisions.

“Nonpurpose Investment” shall mean any Investment Property in which Gross Proceeds are invested that is not a Purpose Investment (i.e., the Installment Sale Agreement).

“Nonqualified Amount” shall have the meaning set forth in Section 141(b)(8) of the Code.

“Opinion of Bond Counsel” shall mean a written opinion of Nationally Recognized Bond Counsel to the effect that such action or inaction described in said opinion will not impair the exclusion of interest on the Bonds from gross income for purposes of federal income taxation.

“Other Replacement Proceeds” shall have the meaning set forth in Section 1.148-1(c)(4) of the Treasury Regulations. Other Replacement Proceeds arise to the extent that the SCSD reasonably expects as of the Closing Date that the term of the Bonds is longer than is reasonably necessary for the governmental purpose of the Bonds and that there will be available amounts created (within the meaning of Treasury Regulation Section 1.148-6(d)(3)(iii)) during the period that the Bonds remain outstanding longer than necessary. Other Replacement Proceeds do not arise for the portion of the Bonds that is to be used to: (a) finance working capital expenditures if that portion of the Bonds is not outstanding longer than the temporary period under Treasury Regulation Section 1.148-2(e)(3) for which the Proceeds qualify; (b) finance or refinance capital projects (within the meaning of Treasury Regulation Section 1.148-1(b)) if that portion of the Bonds does not exceed one-hundred twenty percent (120%) of the average reasonably expected life of the financed capital projects; (c) refund a prior issue, provided that the weighted average maturity of such refunding issue does not exceed the remaining weighted average maturity of the prior issue and the issue of which the prior issue is a part satisfies Section 1.148-1(c)(4)(i)(B)(1) or 1.148-1(c)(4)(i)(B)(2) of the Treasury Regulations; or (d) finance working capital expenditures, provided that portion of the Bonds satisfies Treasury Regulation Section 1.148-1(c)(4)(ii).

“Pledge Fund” shall have the meaning set forth in Section 1.148-1(c)(3) of the Treasury Regulations, and generally means any amount that is directly or indirectly pledged to pay principal or interest on the Bonds. A Pledge Fund need not be cast in any particular form but must provide a reasonable assurance to the bondowners that such amounts will be available to pay principal or interest on the Bonds in the event that the City or the SCSD encounters financial difficulties. An amount is also treated as pledged to pay principal or interest on the Bonds if it is held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of the bondowners or a guarantor of the Bonds, however, such amount will not be treated as pledged if: (a) the Issuer or any of the Borrowing Entities or a substantial beneficiary of the Bonds may grant rights in the amount that are superior to the rights of the bondowners, or (b) the amount is not in excess of the purpose for which it was established, the required level is tested no more frequently than every six (6) months, and the amount may be spent without any substantial restriction other than a requirement to replenish the amount by the next testing date.

“Private Use” shall have the meaning set forth in Section 2.7(b) of this Tax Certificate.

“Proceeds” means, with respect to the Bonds, any Sale Proceeds, Investment Proceeds, and Transferred Proceeds, as defined in Section 1.148-1(b) of the Treasury Regulations, if any, other than amounts actually or constructively received with respect to a Purpose Investment that are properly allocable to the immaterially higher yield under Section 1.148-2(d) of the Treasury Regulations or to qualified administrative costs recoverable under Section 1.148-5(e) of the Treasury Regulations.

“Project” shall have the meaning set forth in Section 2.6 of this Tax Certificate.

“Purpose Investment” shall mean an investment that is acquired to carry out the governmental purpose of the Bonds.

“Rebate Requirement” shall mean the amount of rebatable arbitrage computed as of the last day of any Bond Year in the manner described in Section 1.148-3 of the Treasury Regulations.

“Refunding Obligations” shall have the meaning set forth in Section 5.3 of this Tax Certificate.

“Replacement Proceeds” shall have the meaning set forth in Section 1.148-1(c)(1) of the Treasury Regulations, and generally means any Sinking Fund, Pledge Fund, or Other Replacement Proceeds to the extent that those funds or accounts are derived by or derived from a substantial beneficiary of the Bonds. A substantial beneficiary of the Bonds includes the Issuer and the Borrowing Entities.

ARTICLE II

EXPECTATIONS AND WARRANTIES OF THE ISSUER

Section 2.1 **Single Issue.** The Issuer represents that all of the Bonds have been sold at substantially the same time, have been sold pursuant to the same plan of financing and are reasonably expected to be paid from substantially the same source of funds, determined without regard to guarantees from unrelated parties. The Issuer represents based in part on representations of the City in the Arbitrage Certificate that no other governmental obligations: (a) have been, or will be sold within fifteen (15) days of the sale of the Bonds, (b) have been, or will be sold pursuant to the same plan of financing, and (c) are reasonably expected to be paid out of substantially the same source of funds as the Bonds, determined without regard to guarantees from unrelated parties.

Section 2.2 **Registered Form.** The Bonds are being issued in registered form.

Section 2.3 **No Federal Guarantee.** The Issuer represents, warrants and covenants that it will not directly or indirectly use or permit the use of or otherwise invest any Proceeds of the Bonds or any other funds of the Issuer or take or omit to take any action that would cause the Bonds to be obligations which are “federally guaranteed” within the meaning of Section 149(b) of the Code. In furtherance thereof, the Issuer will not allow the payment of the principal or interest with respect to the Bonds to be guaranteed (directly or indirectly) in whole or in part by the United States or any agency or instrumentality thereof. The Issuer also will not, except as provided in the next sentence, use five percent (5%) or more of the Proceeds of the Bonds to make or finance loans the payment of the principal or interest with respect to which are guaranteed (directly or indirectly) in whole or in part by the United States or any agency or instrumentality thereof, nor will the Issuer invest five percent (5%) or more of the Proceeds of the Bonds in federally insured deposits or accounts. The preceding sentence shall not apply to: (a) investments in the Project Fund during applicable temporary periods, (b) investments in bona fide debt service funds; and (iii) investments in obligations issued by the United States Department of the Treasury.

Section 2.4 **Useful Life.** The Issuer represents, warrants and covenants that based on the computations furnished by the Underwriter attached as Exhibit B, hereto the weighted average maturity of the Bonds is 10.1715 years and based on the representations of the SCSD in the Arbitrage Certificate, does not exceed one hundred twenty percent (120%) of the average reasonably expected economic life of the Facilities financed by the Proceeds of the Bonds. Land was not taken into account in determining the average economic life of such Facilities and costs.

Section 2.5 **No Hedge Bonds.** The Borrowing Entities represented in the Arbitrage Certificate that at least eighty-five percent (85%) of the Net Sale Proceeds of the Bonds will be spent within three (3) years of the date hereof. The City represented in the Arbitrage Certificate that it reasonably expects that not more than fifty percent (50%) of such portion of the Bonds will be invested in Nonpurpose Investments having a substantially guaranteed yield of four (4) years or longer.

Section 2.6 **Use of Proceeds.** The Bonds are being issued to finance or refinance a portion of the cost of Phase II of the comprehensive redevelopment program (the “Program”) for the SCSD’s public schools. The Legislature of the State enacted the Syracuse Schools Act to encourage the City and the SCSD to cooperatively undertake new and innovative ways of renovating, building and financing public schools within the City in order to improve the physical condition of the schools. The Bonds will finance or refinance all or a portion of the costs of a project (the “Project”) consisting of: (a)(i) the acquisition or continuation by the Issuer of an interest in the following existing school buildings known as Huntington Elementary, Public Service Leadership Academy at Fowler High School and Westside Academy at Blodgett (collectively, the "Buildings"); and (ii) the reconstruction, renovation, rehabilitation and improvements, including but not limited to some or all of the following at the Buildings: windows, roofs, bathrooms, mechanicals, elevators, plumbing, electrical, accessibility, ADA compliance, security and site improvements, façade work, parking lots, bus loop and landscaping (the reconstruction, renovation, rehabilitation and improvement of the Buildings are referred to as the “Facilities”) necessary and attendant to the use of the Buildings as schools by the City and the SCSD; and (b) the financing of all or a portion of the costs thereof (including funding capitalized interest for the Project and financing certain costs of issuance). Pursuant to the Installment Sale Agreement, the Issuer agrees to make the Proceeds of the Bonds available to the SJSCB and appoints the SJSCB its agent for purposes of completing the Project. The installment purchase payments due under the Installment Sale Agreement will equal principal and interest due on the Bonds. Under the Installment Sale Agreement, the SCSD will be responsible for the maintenance and operation of the Facilities. A portion of the Proceeds of the Bonds will, together with other funds of the City and the SCSD, retire the City's Bond Anticipation Notes Series 2018A (JSCB Purposes) in the amount of \$6,862,570 and maturing June 22, 2018 (the "2018 Notes") which refunded a portion of the City’s \$14,800,000 Bond Anticipation Notes 2017B (JSCB Purposes) dated June 22, 2017, (the “2017 Notes”). The 2017 Notes were issued to provide new monies in the amount of \$5,000,000 to be used to pay a portion of the Project and to retire, together with other funds of the City and the SCSD, the City’s \$7,905,000 Bond Anticipation Notes 2016A (JSCB Purposes) dated June 23, 2016 and the City’s \$2,000,000 Bond Anticipation Notes 2016B (JSCB Purposes) dated October 6, 2016 (together, the “2016 Notes”).

Section 2.7 **Classification of the Bonds.**

(a) The Borrowing Entities have represented in the Arbitrage Certificate that the application of the Proceeds of the Bonds to the purposes contemplated by the Installment Sale Agreement and the Indenture would not cause the Bonds (a) to meet either (i) the “private business” tests of Section 141(b) of the Code, or (ii) the “private loan financing” test of Section 141(c) of the Code; or (b) to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(b) The Borrowing Entities have represented in the Arbitrage Certificate that: (i) the proceeds of the Bonds will be used exclusively to finance costs associated with the issuance of the Bonds and the costs of the Project and costs related thereto, and (ii) no portion of the Proceeds of the Bonds have been or will be used directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person (“Private Use”), excluding, however, use by a state or local government unit and use as a member of the general public.

(c) In the event that the Issuer is contacted by the Borrowing Entities seeking to increase the Private Use of the Project or private loans beyond that delineated in Section 2.8(b) above, the Issuer shall not approve such actions unless an Opinion of Bond Counsel is delivered to the Issuer and the Trustee.

Section 2.8 **Debt Service on the Bonds.** The Bonds state that they are payable solely from: (a) the payment of base installment purchase payments and installment purchase payments by the SCSD and the City under the Installment Sale Agreement; and (b) the pledge of certain funds, including a Bond Fund, under the Indenture. The Syracuse Schools Act and the Indenture provide that in the event the SCSD and the City fail to make an installment purchase payment under the Installment Sale Agreement upon receipt by the New York State Comptroller (the “State Comptroller”) of a certificate from the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller will withhold any state and/or school aid payable to the SCSD or the City to the extent of the amount so stated in such certificate as not having been made, and immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. The Installment Sale Agreement provides that the obligation of the SCSD and the City to pay base installment purchase payments and installment purchase payments is not a general obligation of the SCSD or the City and neither the faith and credit nor the taxing powers of the City is pledged to the payment of base installment purchase payments and installment purchase payments under the Installment Sale Agreement. The Indenture provides that the only source of moneys available for the payment of the principal of and interest on the Bonds are Bond Proceeds set aside to fund capitalized interest, installment purchase payments made by the SCSD and the City under the Installment Sale Agreement to the extent of State Aid to Education appropriated by the State and available to the SCSD and/or the City and appropriated by the City and the SCSD to make such payments, and the intercept by the State Comptroller of any other state and/or school aid payable to the City or the SCSD to the extent of any installment purchase payment deficiency.

Section 2.9 **Information Reporting.** The Issuer certifies that it has reviewed the Internal Revenue Service Form 8038-G to be filed in connection with the issuance of the Bonds (attached hereto as Exhibit C), and believes that all of the information contained in the Form 8038-G is true and complete. The Issuer covenants that such Form 8038-G will be filed no later than the fifteenth (15th) day of the second calendar month following the close of the calendar year quarter in which the Bonds are issued at the Internal Revenue Service Center, Ogden, Utah 84201.

ARTICLE III

ARBITRAGE

Section 3.1 **Reasonable Expectations.** This Article III states the reasonable expectations, statements of fact and representations of the Issuer with respect to the amount of the Proceeds of the Bonds and certain other funds. In reliance on the representations made by the Borrowing Entities in the Arbitrage Certificate and on the basis of the following, it is not expected that the Bonds will be “arbitrage bonds” within the meaning of Section 148 of the Code.

Section 3.2 **Sale Proceeds.** The Sale Proceeds to be derived by the Issuer from the sale of the Bonds (principal amount of \$38,500,000, plus net premium of \$5,900,977.60,

(c) Bond Fund. In accordance with Section 5.3 of the Indenture, amounts deposited to the Bond Fund will be applied, among other things, to the payment of principal, sinking fund installments and redemption price of and interest on the Bonds.

(d) No Other Sinking or Pledge Fund. The Issuer represents based in part on representations of each of the Borrowing Entities in the Arbitrage Certificate that, other than the Bond Fund, there are no other funds or accounts of the Issuer established pursuant to the Indenture, the Installment Sale Agreement or otherwise which are reasonably expected to be used to pay debt service on the Bonds or which are pledged as collateral for the Bonds, for which there is a reasonable assurance that amounts therein or the investment income earned from such funds or accounts will be available to pay debt service on the Bonds in the event the SCSD or the City encounters financial difficulties.

(e) Rebate Fund. The Borrowing Entities, in the Arbitrage Certificate, have covenanted not to use moneys on deposit in any fund or account in connection with the Bonds in a manner which will cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code. To that end, the Rebate Fund is created under the Indenture. The Issuer shall deposit into the Rebate Fund any monies received in accordance with this Tax Certificate for purposes of paying rebate to the United States Treasury Department and which is so identified. The amount required to be held in the Rebate Fund at any point in time is determined pursuant to the requirements of the Code, including particularly Section 148(f) of the Code and the Treasury Regulations promulgated thereunder. Moneys in the Rebate Fund are neither pledged to, nor expected to be used to, pay debt service on the Bonds.

Section 3.6 Investment Restrictions. The Arbitrage Certificate provides based on the expectations of the SCSD and the City that amounts derived from the sale of the Bonds and the amounts deposited in the funds or accounts described above may be invested as follows:

(a) Project Fund – Project Costs. Sale Proceeds of the Bonds deposited within the Project Fund to be applied to pay costs of the Project may be invested at an unrestricted yield until expended but in no event for a period to exceed three (3) years from the date hereof. Investment earnings on such amounts may be invested at an unrestricted yield for a period not exceeding three (3) years from the date hereof or one (1) year from the date of receipt, whichever is longer and, thereafter, at a yield not in excess of the yield on the Bonds. All such amounts deposited in the Project Fund will be subject to the arbitrage rebate requirements of Section 148(f) of the Code.

(b) Project Fund - Costs of Issuance. Sale Proceeds of the Bonds deposited in the Project Fund to be applied to pay the costs of issuance of the Bonds may be invested at an unrestricted yield until expended but in no event for a period to exceed ninety (90) days from the date hereof. Investment earnings on such amounts may be invested at an unrestricted yield for a one (1) year period from the date of receipt and, thereafter, at a yield not in excess of the yield on the Bonds. All such amounts deposited in the Project Fund will be subject to the arbitrage rebate requirements of Section 148(f) of the Code.

(c) Bond Fund. Amounts held in the Bond Fund to pay debt service on the Bonds will be invested without restriction as to yield to the extent that the Bond Fund constitutes a

“bona fide debt service fund” as described in Section 5.01 of the Arbitrage Certificate. To the extent that the Bond Fund does not constitute a “bona fide debt service fund” as so described, amounts held in the Bond Fund must be invested at a yield that is no higher than the yield on the Bonds and will be subject to the arbitrage rebate requirements of Section 148(f) of the Code.

(d) Restricted Investments. Unless otherwise approved by an Opinion of Bond Counsel, any amounts which are required to be invested at a yield not in excess of the yield on the Bonds shall be invested in either: (i) assets that are not treated as Investment Property, or (ii) Investment Property with a yield not exceeding the yield on the Bonds.

Section 3.7 No Replacement. The Issuer represents, warrants and covenants based in part on the representations, warranties and covenants of the Borrowing Entities in the Arbitrage Certificate that no portion of the Proceeds of the Bonds will be used, directly or indirectly, to replace funds of any of the Borrowing Entities or any related person which were intended to be used for the purpose of the Bonds and will be used directly or indirectly to acquire Investment Property reasonably expected to produce a yield higher than the yield on the Bonds.

Section 3.8 No Abusive Arbitrage Device or Overburdening of the Market. Relying upon representations and covenants made by the Borrowing Entities in the Arbitrage Certificate, the Issuer represents, warrants and covenants that the Bonds are not and will not be part of a transaction or series of transactions that has the effect of: (a) enabling the Issuer or any related persons (within the meaning of Section 147(a)(2) of the Code) to exploit the difference between tax-exempt and taxable interest rates to obtain a material financial advantage, and (b) overburdening the market for tax-exempt obligations in any manner, including, without limitation, selling bonds that would not otherwise be sold, or selling more bonds, or issuing them sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

ARTICLE IV

YIELD

Section 4.1 Yield. When used in this Tax Certificate, the term “*yield*” refers to the yield computed by the actuarial or present worth method using a three hundred sixty (360) day year and semiannual compounding, and means that discount rate which, when used in computing the present value of all payments of principal and interest to be paid on an obligation, produces an amount equal to the purchase price in the case of investments purchased with Gross Proceeds of the Bonds and the issue price of the Bonds in the case of the Bonds.

The Bonds constitute a Fixed Yield Issue. Except for the Bonds maturing on or after May 1, 2027, which are subject to redemption at the option of the Issuer and the SCSD on or after May 1, 2026, none of the Bonds are subject to optional redemption. Except for the Bonds maturing on May 1, 2026 through and including May 1, 2035 (the “*Callable Premium Bonds*”), none of the Bonds (i) is subject to optional redemption within five (5) years of the Closing Date; (ii) is issued at an Issue Price that exceeds the stated redemption price at maturity by more than one-fourth of one percent (0.25%) multiplied by the product of the stated redemption price at maturity and the number of complete years to the first optional redemption date for the Bonds; or (iii) bears interest at increasing interest rates. The yield on the Bonds has been computed by the

Underwriter to be not less than 2.509746%. The computation of the yield on the Bonds is included in Exhibit B.

The Issuer acknowledges that the yield on the Bonds will not be affected by subsequent unexpected events, except to the extent provided in Sections 1.148-4(h)(3) and 1.148-4(b)(4) of the Regulations when and if the Issuer enters into a Qualified Hedge or into any transaction transferring, waiving or modifying any right that is part of the terms of the Bonds. The Issuer agrees that it will consult with Bond Counsel prior to entering into any of the foregoing transactions.

ARTICLE V

REBATE

Section 5.1 **Undertakings**. The Issuer and the Borrowing Entities, pursuant to the Indenture and the Installment Sale Agreement, have covenanted to comply with certain requirements of the Code. The Issuer acknowledges that the United States Department of the Treasury has issued Treasury Regulations with respect to certain of these undertakings, including the proper method for computing whether any rebate amount is due the federal government under Section 148(f) of the Code. In the Arbitrage Certificate, the City has agreed that it will undertake to determine (or have determined on their behalf) what is required with respect to the rebate provisions contained in Section 148(f) of the Code from time to time and will undertake to comply with any requirements that may be applicable to the Bonds. The Issuer and the Borrowing Entities will undertake the methodology described in this Article V of this Tax Certificate, except to the extent inconsistent with any requirements of present or future law, regulations or future guidance issued by the United States Department of the Treasury or if the Issuer receives an Opinion of Bond Counsel.

Section 5.2 **Rebate Fund**. A special fund designated the “Rebate Fund” has been established pursuant to Section 5.1 of the Indenture. Pursuant to the Indenture, the Trustee will keep the Rebate Fund separate and apart from all other funds and moneys held by it.

Section 5.3 **Record Keeping**. Detailed records with respect to each and every Nonpurpose Investment attributable to Gross Proceeds of the Bonds must be maintained by the Issuer and the Trustee including: (i) purchase date, (ii) purchase price, (iii) information establishing fair market value on the date such investment became allocated to Gross Proceeds of the Bonds and thus a Nonpurpose Investment and on the date it ceases to be allocated to Gross Proceeds of the Bonds and thus not a Nonpurpose Investment, (iv) any accrued interest paid, (v) face amount, (vi) coupon rate, (vii) periodicity of interest payments, (viii) disposition price, (ix) any accrued interest received, (x) disposition date, and (xi) broker’s fees. Such detailed record keeping is required for the calculation of the Rebate Requirement which, in part, will require a determination of the difference between the actual aggregate earnings of all Nonpurpose Investments and the amount of such earnings assuming a rate of return equal to the yield on the Bonds.

The Issuer covenants to maintain all records relating to the requirements of the Code and the representations, certifications and covenants set forth in this Tax Certificate until the date

three (3) years after the last outstanding Bonds have been retired. In the Arbitrage Certificate, each of the Borrowing Entities covenants to maintain all records relating to the requirements of the Code and the representations, certifications and covenants set forth in the Arbitrage Certificate until the date three (3) years after the last outstanding Bonds have been retired. If any of the Bonds are refunded by tax-exempt obligations (the “Refunding Obligations”), the Issuer covenants to maintain all records required to be retained by this Section 5.3 until the later of the date three (3) years after the last outstanding Bonds have been retired or the date three (3) years after the last Refunding Obligations have been retired. The records that must be retained include, but are not limited to:

(a) Basic records and documents relating to the Bonds including the Indenture, the Installment Sale Agreement, this Tax Certificate and the opinion of Bond Counsel);

(b) Documentation evidencing expenditure of Bond Proceeds and other sources to the extent provided to the Issuer by the Borrowing Entities pursuant to Section 8.05 of the Arbitrage Certificate;

(c) Documentation evidencing use of the Project by Outside Users (as defined in the Arbitrage Certificate) (e.g., copies of management contracts, research agreements, leases, etc.) to the extent provided to the Issuer by the Borrowing Entities pursuant to Section 8.05 of the Arbitrage Certificate;

(d) Documentation evidencing all sources of payment or security for the Bonds to the extent provided to the Issuer by the Borrowing Entities pursuant to Section 8.05 of the Arbitrage Certificate; and

(e) Documentation pertaining to any investment of Bond proceeds by the Issuer (including the purchase and sale of securities, United States Treasury Securities - State and Local Government Series subscriptions, yield calculations for each class of investments, actual investment income received from the investment of Proceeds, guaranteed investment contracts, and rebate calculations).

Section 5.4 **Rebate Requirement Calculation and Payment.** The Issuer represents, warrants and covenants that it will prepare or, with the City (see Section 5.8 below) cause to be prepared a calculation of the Rebate Requirement (which calculation shall be delivered to the Trustee upon request) with respect to the Bonds consistent with the rules described in this Section 5.4: (i) within fifty-eight (58) days after the close of the fifth Bond Year and each fifth Bond Year so long as any Bonds remain outstanding, and (ii) within fifty-eight (58) days after the first date on which there are no outstanding Bonds. The City and the SCSD have covenanted in the Arbitrage Certificate that the City and the SCSD, on behalf of the Issuer shall deposit with the Trustee or direct the Trustee to transfer from designated funds, an amount in the Rebate Fund as necessary to increase or decrease the sum held in the Rebate Fund for the Rebate Requirement.

(a) For purposes of calculating the Rebate Requirement (i) the aggregate amount earned with respect to a Nonpurpose Investment shall be determined by assuming that the Nonpurpose Investment was acquired for an amount equal to its fair market value (determined as

provided in Section 1.148-5(d)(6) of the Treasury Regulations) at the time it becomes a Nonpurpose Investment, and (ii) the aggregate amount earned with respect to any Nonpurpose Investment shall include any unrealized gain or loss with respect to the Nonpurpose Investment (based on the assumed purchase price at fair market value and adjusted to take into account amounts received with respect to the Nonpurpose Investment and earned original issue discount or premium) on the first date when there are no outstanding Bonds or when the investment ceases to be a Nonpurpose Investment.

(b) The Issuer hereby directs the City to direct the Trustee to pay to the United States Department of the Treasury, out of the Rebate Fund (A) not later than sixty (60) days after the end of each five (5) year period beginning with the Closing Date, a payment equal to at least ninety percent (90%) of the Rebate Requirement with respect to the Bonds, calculated as of the date of such payment; and (B) not later than sixty (60) days after the first date when there are no outstanding Bonds, an amount equal to one hundred percent (100%) of the Rebate Requirement (determined as of the first date when there are no outstanding Bonds) plus any actual or imputed earnings on such Rebate Requirement, all as set forth in Sections 1.148-3 of the Treasury Regulations and as determined by or on behalf of the Issuer.

(c) Each payment required to be made pursuant hereto and relating to the Bonds shall be filed with the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T. The Issuer and the Trustee (to the extent such records were furnished or provided to the Trustee and were identified as such) must retain records of the calculations required by this Section 5.4 until three (3) years after the retirement of the last obligation of the Bonds.

Section 5.5 Exception from Rebate Requirement

(a) In General. Notwithstanding the foregoing provisions relating to the Rebate Requirement, the Rebate Requirement shall not be required to be paid if the Gross Proceeds of the Bonds are expended in a manner which satisfies one of the exceptions to the Rebate Requirement described in this Section 5.5. In the event that one of the exceptions to the Rebate Requirement is not satisfied, the Issuer shall calculate, or with the assistance of the City shall cause to be calculated, and the City or the SCSD on behalf of the Issuer shall pay, the Rebate Requirement with respect to such Proceeds in accordance with the provisions of this Article V.

(b) Two Year Expenditure Rule. The Issuer shall not be required to calculate the Rebate Requirement with respect to Available Construction Proceeds if the requirements of Section 148(f)(4)(C) of the Code (the “Two Year Expenditure Rule”) are satisfied. The Rebate Requirement must be calculated and paid with respect to Proceeds which do not constitute Available Construction Proceeds or which do not satisfy any other available rebate exception.

(i) Eligibility. The Issuer will be eligible for the Two Year Expenditure Rule only if the following requirements are met: (a) the Bonds are not private activity bonds (as such term is defined in Section 141(a) of the Code), or are qualified Section 501(c)(3) bonds (as defined in Section 145 of the Code) or private activity bonds the Proceeds of which will be used to finance property owned by a governmental unit or an entity

described in Section 501(c)(3) of the Code; (b) the Issuer reasonably expects that at least seventy-five percent (75%) of the Available Construction Proceeds will be used for construction expenditures (including the costs of reconstruction and rehabilitation of the Facilities financed with the Proceeds of the Bonds, but excluding are the costs of acquisition of such Facilities) with respect to property owned by a governmental unit or an entity described in Section 501(c)(3) of the Code; and (c) the spend-down schedule referred to in Section 5.5(b)(ii) hereof is satisfied.

(ii) **Spend-Down Schedule.** The Available Construction Proceeds must be spent for the construction expenditures in accordance with the following amounts and time periods beginning on the Closing Date: (a) at least ten percent (10%) of such Available Construction Proceeds within six months, (b) at least forty-five percent (45%) of such Available Construction Proceeds within twelve months, (c) at least seventy-five percent (75%) of such Available Construction Proceeds within eighteen months, and (d) one hundred percent (100%) of such Available Construction Proceeds within twenty-four months. For purposes of determining compliance with the spending requirements as of the end of each of the first three spending periods described above, Available Construction Proceeds shall include the amount of future earnings reasonably expected to be earned as of the Closing Date. The spending requirement for the fourth spending period will be satisfied if unspent Available Construction Proceeds are held for a period not exceeding three (3) years from the Closing Date as “reasonable retainage” required or permitted by construction contracts with respect to the construction projects. Reasonable retainage means an amount, not to exceed five percent (5%) of Available Construction Proceeds as of the end of the fourth spending period, that is retained for reasonable business purposes relating to the property financed with the proceeds of the issue. For example, a reasonable retainage may include a retention to ensure or promote compliance with a construction contract in circumstances in which the retained amount is not yet payable, or in which the Issuer reasonably determines that a dispute exists regarding completion or payment. If the above described spending requirements are satisfied and the Proceeds used to finance costs of issuance are expended by the end of the fourth spending period, Proceeds allocable to financing the costs of issuance shall be treated as having satisfied the Rebate Requirement.

(iii) **Two Year Expenditure Rule Elections.** In accordance with Treasury Regulation Section 1.148-7(f)(2), the Issuer may elect to apply the provisions of Sections 5.5(b)(iii)(a) and (b) (below) based on actual facts instead of the Issuer’s reasonable expectations. **The Issuer hereby does , does not X elect to apply the actual facts for purposes of the Two Year Expenditure Rule.**

(a) For purposes of determining whether the Bonds constitute a construction issue (as defined in Section 148(f)(4)(C)(iv) of the Code), the Treasury Regulations provide that the Issuer may elect to make such determinations based on actual facts instead of the Issuer’s reasonable expectations.

(b) For purposes of determining the amount of future earnings earned on Available Construction Proceeds as of the end of the four spending periods as

described in Section 5.5(b)(ii), the Treasury Regulations provide that the Issuer may elect to make such determinations based on actual facts instead of the Issuer's reasonable expectations.

(c) If any Proceeds of the Bonds are to be used for construction expenditures, the Issuer may elect on or before the Closing Date to treat the Bonds as two separate issues for purposes of Section 148 of the Code (i.e., a construction issue and a non-construction issue), if the following requirements are satisfied: (i) the eligibility requirements described in Section 5.5(b)(i) are satisfied with respect to the construction issue, (ii) as of the Closing Date the Issuer reasonably expects that the construction issue will finance all of the construction expenditures financed by the Bonds, and (iii) the Issuer identifies the amount of the issue price of the Bonds allocable to the construction issue. **The Issuer hereby does, does not X elect to treat the Bonds as two separate issues for purposes of the Two Year Expenditure Rule.**

(d) The Issuer may elect to exclude investment earnings on any reasonably required reserve or replacement fund from Available Construction Proceeds thereby making such fund subject to the Rebate Requirement as of the Closing Date. **The Issuer hereby does, does not X elect to exclude investment earnings in any reasonably required reserve or replacement fund from ACP.**

(c) Eighteen Month Expenditure Rule. The Issuer shall not be required to calculate the Rebate Requirement with respect to Eligible Gross Proceeds if the requirements of Treasury Regulation Section 1.148-7(d) (the "Eighteen Month Expenditure Rule") are satisfied.

(i) Eligibility. The Issuer will be eligible for the Eighteen Month Expenditure Rule only if the following requirements are met: (a) the Eligible Gross Proceeds are expended for the governmental purposes of the issue in accordance with the spend-down schedule referred to in Section 5.5(c)(ii) hereof, and (b) all of the Eligible Gross Proceeds qualify for an initial three (3) year temporary period (as described in Treasury Regulation Section 1.148-2(e)(2)).

(ii) Spend-Down Schedule. The Eligible Gross Proceeds must be spent for the governmental purposes of the issue in accordance with the following amounts and time periods beginning on the Closing Date: (a) at least fifteen percent (15%) of such Eligible Gross Proceeds within six months, (b) at least sixty percent (60%) of such Eligible Gross Proceeds within twelve months, and (c) one hundred percent (100%) of such Eligible Gross Proceeds within eighteen months. For purposes of determining compliance with the first and second spending periods described above, the amount of Investment Proceeds included in Eligible Gross Proceeds is determined based on the Issuer's reasonable expectations based as of the Closing Date. The spending requirement for the third spending period will be satisfied if Eligible Gross Proceeds are held for a period not to exceed thirty (30) months from the Closing Date as "reasonable retainage" required or permitted to be retained for reasonable business purposes relating to

the property financed with the Bond Proceeds. The Eighteen Month Exception Rule is not available for any portion of the Bonds that is treated as meeting the Two Year Expenditure Rule described in 5.5(b) herein.

(d) De Minimis Rule For Purposes of the Two Year Expenditure Rule and Eighteen Month Expenditure Rule. Any failure to satisfy the final spending requirements of the Eighteen Month Expenditure Rule or the Two Year Expenditure Rule is disregarded if due diligence is exercised to complete the projects for which the Bonds were issued and the amount of the failure does not exceed the lesser of three percent (3%) of the issue price of the Bonds or \$250,000.

(e) Six Month Expenditure Rule. Pursuant to Section 148(f)(4)(B) of the Code (the “Six Month Expenditure Rule”), if on or before the date six (6) months after the Closing Date the Eligible Gross Proceeds of the Bonds are expended for the purposes for which the Bonds are issued no rebate calculations and no rebate payment will need to be made with respect to Eligible Gross Proceeds of the Bonds.

(f) Expenditures for Governmental Purposes of the Issue. For purposes of the Two Year Expenditure Rule, the Eighteen Month Expenditure Rule and the Six Month Expenditure Rule, the payment of interest on the Bonds (but not principal) shall constitute an expenditure of Proceeds of the Bonds.

Section 5.6 Prohibited Investments and Dispositions.

(a) General Rule. No Investment Property may be acquired with Gross Proceeds for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) in excess of the fair market value of such Investment Property. No Investment Property may be sold or otherwise disposed of for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) less than the fair market value of the Investment Property.

(b) Fair Market Value. In general, the fair market value of any Investment Property is the price at which a willing buyer would pay to a willing seller to acquire the Investment Property, with no amounts paid to artificially reduce or increase the yield on such Investment Property. Other methods may be used, however, to establish fair market value provided, however, that such methods comply with the requirements of Section 1.148-5 of the Treasury Regulations.

(c) Investment Contracts. The purchase price of any Investment Property acquired pursuant to an investment contract (within the meaning of Section 1.148-1(b) of the Treasury Regulations) shall be determined as provided in Section 1.148-5 of the Treasury Regulations. No investment contract shall be acquired with Gross Proceeds unless the requirements of Section 1.148-5 of the Treasury Regulations are satisfied. With respect to any investment contract, the Issuer will obtain from any provider of the investment contract, broker thereof or other party, such information, certification or representation as will enable the Issuer to determine that these requirements are satisfied.

(d) Certificates of Deposit. The fair market value of a certificate of deposit that has a fixed interest rate, a fixed principal payment schedule, and a substantial penalty for early

withdrawal shall be determined as provided in this Subsection 5.6(d). The fair market value of a certificate of deposit which does not have the foregoing attributes may be determined by reference to the bona fide bid price quoted by a dealer who maintains an active secondary market in such certificate of deposit. The purchase price of a certificate of deposit will be considered to be fair market value if:

- (i) the yield on the certificate of deposit is not less than the yield on reasonably comparable direct obligations of the United States; and
- (ii) the yield on the certificate of deposit is not less than the highest published yield of the provider thereof which is currently available on comparable certificates of deposit offered to the public.

Section 5.7 **Segregation of Proceeds.** In order to perform the calculations required by the Code, it is necessary to track separately all of the Gross Proceeds. To that end, the Issuer hereby agrees to instruct the Trustee to establish separate funds, accounts or subaccounts or take other accounting measures in order to account fully for all Gross Proceeds.

Section 5.8 **Filing Requirements.** The Issuer shall file or cause to be filed such reports or other documents with the Internal Revenue Service as may be required by the Code from time to time (e.g., Form 8038-T).

Section 5.9 **Retention of Rebate Analyst.** In Section 8.04 of the Arbitrage Certificate, the City, among other things, has represented, warranted and covenanted that it will undertake to determine what is required with respect to the rebate provisions under the Code and that it will comply with any and all Rebate Requirements that may apply to the Bonds in a timely manner. The Issuer hereby covenants that, pursuant to the aforementioned Section 8.04 of the Arbitrage Certificate, the Issuer will require the City to either develop the in-house expertise necessary to assist in the calculation of rebate owed in connection with the Bonds or to retain a qualified expert (i.e., a “rebate analyst”) to assist the City and the Issuer to compute any Rebate Requirement and to satisfy the rebate provisions under the Arbitrage Certificate and the Code.

ARTICLE VI

Section 6.1 **Authorized Representative.** The undersigned is an Authorized Representative of the Issuer and is acting for and on behalf of the Issuer, in entering into this Tax Certificate. To the best of the knowledge and belief of the undersigned, there are no other facts, estimates or circumstances that would materially change the expectations as set forth herein, and said expectations are reasonable.

Section 6.2 **Amendment and Supplementation.**

(a) Notwithstanding any other provision herein, the Issuer hereby agrees to amend, supplement or modify this Tax Certificate to the extent necessary to maintain the exclusion of interest on the Bonds from gross income for federal tax purposes as required pursuant to an Opinion of Bond Counsel.

(b) Notwithstanding any other provision herein, if the Issuer requests an amendment, supplementation or modification hereto, this Tax Certificate shall be so amended, supplemented or modified in accordance with an Opinion of Bond Counsel.

Section 6.4 Multiple Counterparts. This Tax Certificate may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 6.5 Survival of Defeasance. Notwithstanding anything in this Tax Certificate or any other provisions of the Indenture or the Installment Sale Agreement to the contrary, the obligation to remit the Rebate Requirement to the United States Department of the Treasury and to comply with all other requirements contained in this Tax Certificate shall survive the defeasance or payment in full of the Bonds.

IN WITNESS WHEREOF, the Issuer has executed this Tax Certificate by duly authorized representatives, all as of June 20, 2018.

CERTIFICATE OF THE REPRESENTATIVE REGARDING ISSUE PRICE

Raymond James & Associates, Inc., as representative (the "*Representative*") of the Underwriters (as defined below) named in the bond purchase agreement (the "*Bond Purchase Agreement*") entered into June 7, 2018, by and among the Representative on behalf of itself and the Underwriters named therein, Syracuse Joint Schools Construction Board, the City School District of the City of Syracuse, the City of Syracuse and the City of Syracuse Industrial Development Agency ("*SIDA*") and in connection with the sale and issuance by SIDA of the City of Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project), Series 2018B in the aggregate principal amount of \$38,500,000 (the "*Bonds*") being issued on June 20, 2018, hereby certifies and represents on behalf of itself and such other Underwriters the following:

Issue Price.

1. The Underwriters offered each Maturity (as defined below) of the Bonds to the Public (as defined below) for purchase at the initial offering price or yield listed in Schedule A (the "*Initial Offering Prices*") attached to this certificate on or before the Sale Date (as defined below). A copy of the pricing wire or equivalent communication for the Bonds is attached to this certificate as Schedule B.

2. As of the Sale Date, the price at which the first 10 percent of each Maturity of the Bonds (except the Bond maturing in 2035 ("*Unsold Maturity*")) was sold by the Underwriters to the Public is set forth on Schedule A.

3. As set forth in the Bond Purchase Agreement, the Underwriters agreed in writing that, (i) for the Unsold Maturity, it would neither offer nor sell such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the "hold-the-offering-price rule"), and (ii) any selling group agreement would contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement would contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter has offered or sold the Unsold Maturity at a price that is higher than the Initial Offering Price for that Maturity during the Holding Period.

Defined Terms.

Holding Period means, with respect to the Unsold Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date (June 14, 2108) or (ii) the date on which the Underwriters sold at least 10% of such Unsold Maturity to the Public at prices that are no higher than the Initial Offering Price for the Unsold Maturity.

Issuer means City of Syracuse Industrial Development Agency.

Maturity shall refer to Bonds with the same maturity date, interest rate and credit and payment terms.

Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons

who have greater than 50 percent common ownership, directly or indirectly.

Sale Date means the first day on which there is a binding contract in writing for the sale of the Bonds. The Sale Date of the Bonds is June 7, 2018.

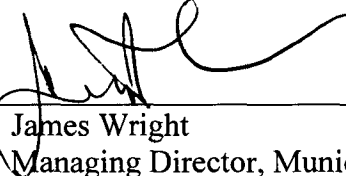

Underwriter means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The Representative understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate to which this certificate is included as Exhibit A and with respect to compliance with the federal income tax rules affecting the Bonds, and by Bousquet Holstein PLLC, in connection with its opinion as to the exclusion of interest on the Bonds from federal gross income, the preparation of the Internal Revenue Service Form 8038, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds. The Representative is certifying only as to facts in existence on the date hereof. Nothing herein represents the Representative's interpretation of any laws; in particular the Treasury Regulations under the Internal Revenue Code of 1986, or the application of any laws to these facts. The certifications contained herein are not necessarily based on personal knowledge, but may instead be based on either inquiry deemed adequate by the undersigned or institutional knowledge (or both) regarding the matters set forth herein. Except as expressly set forth above, the certifications set forth herein may not be relied upon or used by any third party or for any other purpose.

IN WITNESS WHEREOF, I have hereunto set my hand this 20th day of June, 2018.

ARBITRAGE AND USE OF PROCEEDS CERTIFICATE

**CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY
SCHOOL FACILITY REVENUE BONDS
(SYRACUSE CITY SCHOOL DISTRICT PROJECT), SERIES 2018B**

Each of the undersigned, being the Superintendent of the City School District of the City of Syracuse (the "SCSD"), the Chairman of the Syracuse Joint Schools Construction Board (the "SJSCB") and the Commissioner of Finance of the City of Syracuse (the "City" and, the City, the SCSD and the SJSCB, each a "Borrowing Entity" and collectively the "Borrowing Entities"), DO HEREBY CERTIFY with respect to the \$38,500,000 aggregate principal amount of the City of Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project), Series 2018B (the "Bonds"), dated June 20, 2018, which are being issued and delivered on the date hereof, as follows:

I. GENERAL

1.01. The Borrowing Entities are delivering this Arbitrage and Use of Proceeds Certificate (the "Certificate") to Bousquet Holstein PLLC ("Bond Counsel"), bond counsel to the City of Syracuse Industrial Development Agency (the "Issuer"), with the understanding that Bond Counsel will rely in part upon this Certificate in rendering its opinion that interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code").

1.02. This Certificate is being delivered for the purpose of establishing the reasonable expectations of the Borrowing Entities as to the amount and use of the Proceeds (as hereinafter defined) of the Bonds and of certain other amounts.

1.03. The Bonds are being issued pursuant to the Constitution and statutes of the State of New York (the "State"), including particularly (a) the New York State Industrial Development Agency Act, constituting Title 1 of Article 18-A of the General Municipal Law, as amended (the "Enabling Act"), (b) Chapter 641 of the 1979 Laws of New York State, as amended (together with the Enabling Act, the "IDA Act") and (c) Chapter 5 Part A-4 of the Laws of 2006 of New York State, as amended (the "Syracuse Schools Act").

1.04. The Bonds have been authorized by a Bond Resolution adopted by the members of the Issuer dated April 17, 2018 (the "Resolution") and are being issued pursuant to the terms of an Indenture of Trust (Series 2018B Project), dated as of June 1, 2018 (the "Indenture"), between the Issuer and Manufacturers and Traders Trust Company, as trustee (the "Trustee"). Terms used herein which are not otherwise defined herein shall have the same meanings as when used in the Indenture.

1.05. The Bonds will be special limited obligations of the Issuer payable solely from payments received from the City and SCSD pursuant to the Installment Sale Agreement.

1.06. This Certificate sets forth the facts, estimates and circumstances now in existence which are the basis for the expectation of each Borrowing Entity that the Proceeds of the Bonds and the facilities financed or refinanced thereby will not be used in a manner that would cause

the interest on the Bonds to be included in gross income for federal income tax purposes under the Code. To the best of my knowledge and belief, such expectation is reasonable and there are no other facts, estimates or circumstances that would materially change that expectation.

1.07. In making certain warranties, representations and certifications contained herein, each Borrowing Entity has consulted with its respective counsel and financial advisor.

1.08. Each Borrowing Entity expects to be able to and will comply with all the procedures and provisions set forth in this Certificate applicable to it, and will perform all acts and things necessary and desirable within its reasonable control in order to assure that interest paid on the Bonds shall, for the purpose of federal income taxation, not be included in gross income. Each of the SCSD and the City covenants that it reasonably expects that the financing of the Project, including the Facilities (as defined in Section 3.01 below), will proceed as described in this Certificate, but in the event that the Project or the financing thereof does not proceed as expected, it will honor its tax covenants and do whatever is necessary in the Opinion of Bond Counsel, including revising any contracts or agreements with any Person other than a state or local governmental unit pertaining to the Project, to preserve such exclusion. The Issuer expects to be able to and will comply with all covenants undertaken by the Issuer as set forth in this Certificate.

1.09. The Borrowing Entities covenant to perform each of the covenants undertaken by them in this Certificate unless, in the Opinion of Bond Counsel, noncompliance therewith will not cause interest on the Bonds to be included in gross income for purposes of federal income taxation.

II. DEFINITIONS

Capitalized terms used herein which are not otherwise defined herein shall have the respective meanings set forth in the Indenture or, if not defined in the Indenture, in Sections 103 and 141-150 of the Code (as hereinafter defined). Unless the context otherwise requires, the following capitalized terms have the following meanings for purposes of this Certificate (such meanings to be equally applicable to both the singular and plural forms of the terms defined):

“Bonds” shall have the meaning set forth in the first paragraph of this Certificate.

“Borrowing Entities” shall have the meaning set forth in first paragraph of this Certificate.

“Capital Expenditure” means any cost of a type that is properly chargeable to a capital account (or would be so chargeable to a capital account with a proper election or with the application of the definition of placed in service under Section 1.150-2(c) of the Treasury Regulations) under general federal income tax principles (*e.g.*, costs incurred to acquire, construct or improve land, buildings and equipment generally are capital expenditures), it being understood that whether an expenditure is a capital expenditure is determined at the time the expenditure is paid with respect to the property and that future changes in law do not affect whether an expenditure is a capital expenditure.

“Certificate” shall have the meaning set forth in Section 1.01 of this Certificate.

“City” shall have the meaning set forth in first paragraph of this Certificate.

“Closing Date” shall mean June 20, 2018, the date of the initial issuance and physical delivery of the Bonds.

In general, “direct control” exists while a controlling entity possesses either of the following rights or powers and such rights or powers are discretionary and non-ministerial: The right or power (a) both to approve and to remove without cause a controlling portion of the governing body of the controlled entity, or (b) to require the use of funds or assets of the controlled entity for any purpose of the controlling entity. If one entity (the “Controlling Entity”) directly controls another (the “Controlled Entity”), then the Controlling Entity indirectly controls any entity controlled directly or indirectly by such Controlled Entity. However, an entity is not a Controlled Entity if it possesses substantial taxing, eminent domain and police powers.

An amount is also treated as pledged to pay principal or interest on the Bonds if it is held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of the bondowners or a guarantor of the Bonds, however, such amount will not be treated as pledged if: (a) the Issuer or any of the Borrowing Entities or a substantial beneficiary of the Bonds may grant rights in the amount that are superior to the rights of the bondowners, or (b) the amount is not in excess of the purpose for which it was established, the required level is tested no more frequently than every six (6) months, and the amount may be spent without any substantial restriction other than a requirement to replenish the amount by the next testing date.

III. PURPOSE OF ISSUE AND SOURCE OF PAYMENT

3.01. The Bonds are being issued to finance or refinance all or a portion of the costs of a project (the “Project”) consisting of: (a)(i) the acquisition or continuation by the Agency of an interest in the following existing school buildings known as Huntington Elementary, Public Service Leadership Academy at Fowler High School and Westside Academy at Blodgett (collectively, the “Buildings”); and (ii) the reconstruction, renovation, rehabilitation and improvements, including but not limited to some or all of the following at the Buildings: windows, roofs, bathrooms, mechanicals, elevators, plumbing, electrical, accessibility, ADA compliance, security and site improvements, façade work, parking lots, bus loop and landscaping (the reconstruction, renovation, rehabilitation and improvement of the Buildings are referred to as the “Facilities”) necessary and attendant to the use of the Buildings as schools by the City and the SCSD; and (b) the financing of all or a portion of the costs thereof (including funding capitalized interest for the Project and financing certain costs of issuance.

The approximate amount of Bond Proceeds that the Borrowing Entities expect to use at these three (3) Buildings are listed on Exhibit A, attached hereto. Exhibit A has been extracted from a financial report that was generated by Turner Construction Company, the project manager for the Project.

In addition, a portion of the Proceeds of the Bonds will, together with other funds of the City and the SCSD, retire the City's Bond Anticipation Notes Series 2018A (JSCB Purposes) in the amount of \$6,862,570 and maturing June 22, 2018 (the “2018 Notes”) which refunded a portion of the City's \$14,800,000 Bond Anticipation Notes 2017B (JSCB Purposes) dated June 22, 2017, (the “2017 Notes”). The 2017 Notes were issued to provide new monies in the amount of \$5,000,000 to be used to pay a portion of the Project and to retire, together with other funds of the City and the SCSD, the City's \$7,905,000 Bond Anticipation Notes 2016A (JSCB Purposes) dated June 23, 2016 and the City's \$2,000,000 Bond Anticipation Notes 2016B (JSCB Purposes) dated October 6, 2016 (together, the “2016 Notes”). The 2016 Notes were issued to provide new monies in the amount of \$6,000,000 to be used to pay a portion of the Project and to retire, together with other funds of the City and the SCSD, the City's \$2,000,000 Bond Anticipation Notes 2015A (JSCB Purposes) dated June 24, 2015 (the “2015 Notes”). The 2015 Notes were issued to retire the City's \$2,000,000 Bond Anticipation Notes 2014A (JSCB Purposes) dated June 25, 2014 (the “2014 Notes” and collectively with the 2015 Notes, the 2016 Notes, the 2017 Notes and the 2018 Notes, the “City Notes”), which were issued to provide new monies to pay a portion of the costs of the Project. The City Notes were issued pursuant to Ordinance No. 336-2017 entitled BOND ORDINANCE OF THE CITY OF SYRACUSE AMENDING ORDINANCE NO. 304-2014 AUTHORIZING THE ISSUANCE AND SALE OF BONDS IN THE AMOUNT OF THIRTY MILLION DOLLARS (\$30,000,000) TO DEFRAY THE INITIAL CAPITAL COSTS AND EXPENSES ASSOCIATED WITH PHASE II OF THE JOINT SCHOOLS CONTRACUTION BOARD adopted by the Common Council on April 24,

2017 and signed by the Mayor on April 25, 2017 and Ordinance No. 304-2014 entitled BOND ORDINANCE OF THE CITY OF SYRACUSE AUTHORIZING THE ISSUANCE AND SALE OF BONDS IN THE AMOUNT OF THIRTY MILLION DOLLARS (\$30,000,000) TO DEFRAY THE INITIAL CAPITAL COSTS AND EXPENSES ASSOCIATED WITH PHASE II OF THE JOINT SCHOOLS CONTRACUTION BOARD adopted by the Common Council on March 31, 2014 and signed by the Mayor on April 2, 2014 (together the “BAN Ordinance”).

3.02. Unless an Opinion of Bond Counsel is delivered to the Issuer, the SCSD, the SJSCB, the City and the Trustee with respect to uses of the Bond Proceeds other than specified in Section 3.01, each Borrowing Entity agrees that the Bond Proceeds will be utilized for the above-described purposes.

3.03. The Bonds state that they are payable solely from: (a) the payment of base installment purchase payments and installment purchase payments by the SCSD and the City under the Installment Sale Agreement; and (b) the pledge of certain funds, including a Bond Fund, under the Indenture. The Syracuse Schools Act and the Indenture provide that in the event the SCSD and the City fail to make an installment purchase payment under the Installment Sale Agreement upon receipt by the New York State Comptroller (the “State Comptroller”) of a certificate from the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller will withhold any state and/or school aid payable to the SCSD or the City to the extent of the amount so stated in such certificate as not having been made, and immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. The Installment Sale Agreement provides that the obligation of the SCSD and the City to pay base installment purchase payments and installment purchase payments is not a general obligation of the SCSD or the City and neither the faith and credit nor the taxing powers of the City is pledged to the payment of base installment purchase payments and installment purchase payments under the Installment Sale Agreement. The Indenture provides that the only source of moneys available for the payment of the principal of and interest on the Bonds are Bond Proceeds set aside to fund capitalized interest, installment purchase payments made by the SCSD and the City under the Installment Sale Agreement to the extent of State Aid to Education appropriated by the State and available to the SCSD and/or the City and appropriated by the City and the SCSD to make such payments, and the intercept by the State Comptroller of any other state and/or school aid payable to the City or the SCSD to the extent of any installment purchase payment deficiency.

IV. USE OF SALE PROCEEDS AND YIELD RESTRICTION OF SALE PROCEEDS

4.01. Use of Sale Proceeds. The Sale Proceeds to be derived by the Issuer from the sale of the Bonds (principal amount of \$38,500,000, plus net premium of \$5,900,977.60, which includes \$229,522.11 that will be used to pay Underwriter’s Discount), is \$44,400,977.60. There is no accrued interest on the Bonds. Each of the Borrowing Entities certifies that the Sale Proceeds (\$44,400,977.60) of the Bonds and are expected on the Closing Date to be needed and fully expended as follows:

(a) \$229,522.11 of the Sale Proceeds of the Bonds will be used by the Issuer on the Closing Date for payment of the Underwriter’s discount and costs.

(b) \$878,206.07 of the Sale Proceeds of the Bonds will be deposited in the Project Fund established pursuant to the Indenture and shall be used on or about the Closing Date to pay Costs of Issuance (other than Underwriter's discount) on the Bonds as set forth in Exhibit B attached hereto. Each Borrowing Entity acknowledges that Sale Proceeds of the Bonds deposited in the Project Fund for this purpose may be invested at an unrestricted yield for a period not to exceed one (1) year from the date hereof and, thereafter, at a yield no greater than the yield on the Bonds as described in paragraph 5.01 of this Certificate. Each Borrowing Entity represents, warrants and covenants that, with the exception of costs of issuance incurred and directly payable by the Issuer, the costs of issuance incurred in connection with the issuance of the Bonds are not contingent and at least ninety-five percent (95%) of such costs will be paid no later than one hundred eighty (180) days after the Closing Date.

(c) \$6,862,570.00 ("BAN Repayment") of the Sale Proceeds of the Bonds will be deposited in the Project Fund and pursuant to the Letter of Instruction, transferred to the City to be used by the City to redeem a portion of the 2018 Notes on June 22, 2018. The SCSD and the City each represents that unexpended proceeds of the 2018 Notes are required to finance the Project. Any such unexpended proceeds may be invested at an unrestricted yield until expended during the 3 year period commencing on the date of issue of the applicable City Note (i.e., the new money obligations which were refunded directly or indirectly by the 2018 Notes) and thereafter any remaining unexpended proceeds of the 2018 Notes must be invested at a yield not in excess of the yield on the Bonds.

(d) \$1,623,376.81 of the Sale Proceeds of the Bonds shall be deposited in the Interest Account of the Bond Fund established pursuant to the Indenture and shall be used to pay interest due on the Bonds for a period commencing on the Closing Date and ending on May 1, 2019. Each Borrowing Entity acknowledges that such amounts may be invested at an unrestricted yield until expended. Each Borrowing Entity acknowledges that investment earnings on such amounts may be invested at an unrestricted yield for a period not exceeding three (3) years from the date hereof or one (1) year from the date of receipt, whichever is longer.

(e) The remaining Sale Proceeds of the Bonds shall be deposited in the Project Fund established pursuant to the Indenture and shall be used to pay costs of the Project. Based on the representations of the SCSD in Section 4.02, each Borrowing Entity acknowledges that such amounts may be invested at an unrestricted yield until expended but in no event for a period to exceed three (3) years from the date hereof and, thereafter, at a yield not in excess of the yield of the Bonds (at which time such amounts may also be subject to Arbitrage Rebate). Based on the representations of the SCSD in Section 4.02, each Borrowing Entity acknowledges that investment earnings on such amounts may be invested at an unrestricted yield for a period not exceeding three (3) years from the date hereof or one (1) year from the date of receipt, whichever is longer and, thereafter, at a yield not in excess of the yield on the Bonds.

4.02. Reasonable Expectations Relating to Project Costs and Completion. SCSD represents, warrants and covenants that (a) it reasonably expects to spend at least eighty-five percent (85%) of the Net Sale Proceeds of the Bonds to pay costs of the Project within three (3) years of the date hereof, (b) has incurred, or reasonably expects to incur within six months of the date hereof, a binding obligation to a third party involving an expenditure of not less than five

percent (5%) of the Net Sale Proceeds of the Bonds and (c) it reasonably expects to proceed to complete the Project, and to allocate the Proceeds of the Bonds to expenditures for the Project, with due diligence. SCCD represents that it reasonably expects to use the Proceeds of the Bonds to pay the expected Capital Expenditures of the Project in the amounts and for the purposes set forth in Exhibit A and to complete the Project on or about the expected completion dates set forth in Exhibit A.

4.03. Reimbursement. The BAN Ordinance sets forth the City's declaration of intent (the "Declaration of Intent") that the City expected to reimburse the prior expenditures ("Prior Expenditures") with the proceeds of bond anticipation notes in a principal amount expected not to exceed \$30,000,000. No proceeds of the City Notes were used to reimburse Prior Expenditures.

4.04. Allocation of Proceeds to Expenditures. The SCSD understands that proceeds of the Bonds may be treated as expended on the date such proceeds are applied to the payment of costs characterized as Capital Expenditures. The SCSD further understands that proceeds of the Bonds used to pay working capital expenditures will not be considered expended until SCSD establishes that they have depleted all other available amounts from sources other than the proceeds of the Bonds. Each of the City and the SCSD covenants and agrees that no proceeds of the Bonds will be used to make a grant or to pay working capital expenditures.

The Bonds are subject to the allocation and accounting rules described in Sections 1.141 6 and 1.148-6 of the Treasury Regulations for purposes of allocating Gross Proceeds to the Bonds, allocating Gross Proceeds to investments and allocating Gross Proceeds to expenditures. For example, the SCSD and the City understand that the allocation of Gross Proceeds to expenditures may be done on a specific tracing method, a "gross-proceeds-spent-first" method, a "first-in-first-out" method or a "ratable allocation" method, so long as the method used is consistently applied. The SCSD will account for the allocation of Gross Proceeds to expenditures not later than the earliest of (A) eighteen (18) months after the later of (1) the date the expenditure is paid, or (2) the date the Project is placed in service; or (B) by the date sixty (60) days after the fifth (5th) anniversary of the Closing Date or the date sixty (60) days after the retirement of the Bonds, if earlier. Payments to a member of the Borrowing Entities' Controlled Group are not expenditures for purposes of federal income tax accounting.

4.05. Equity. The SCSD is transferring \$500,000 ("District Funds") to the Bond Trustee for deposit in the Project Fund on the Closing Date. The District Funds are proceeds received under a casualty policy for damage to the Blodgett building and will be used to pay Capital Expenditures and other costs for the work at Blodgett included in the Project. District Funds shall be subject to the temporary period and yield restriction set forth in Section 4.01(e) hereof.

V. YIELD ON THE BONDS AND YIELD ON INVESTMENTS

When used in this Certificate, the term "*yield*" refers to the yield computed by the actuarial or present worth method using a three hundred sixty (360) day year and semiannual compounding, and means that discount rate which, when used in computing the present value of

all payments of principal and interest to be paid on an obligation, produces an amount equal to the purchase price in the case of investments purchased with Gross Proceeds of the Bonds and the issue price of the Bonds in the case of the Bonds.

The Bonds constitute a Fixed Yield Issue. Except for the Bonds maturing on or after May 1, 2027, which are subject to redemption at the option of the Issuer and the City on or after May 1, 2026, none of the Bonds are subject to optional redemption. Except for the Bonds maturing on May 1, 2026 through and including May 1, 2035 (the “*Callable Premium Bonds*”), none of the Bonds (a) are subject to optional redemption within five (5) years of the Closing Date; (b) are issued at an Issue Price that exceeds the stated redemption price at maturity by more than one-fourth of one percent (0.25%) multiplied by the product of the stated redemption price at maturity and the number of complete years to the first optional redemption date for the Bonds; or (c) bears interest at increasing interest rates. The yield on the Bonds has been computed by the Underwriter to be not less than 2.509746%, which the Borrowing Entities represent is the lowest yield obtained by treating the Callable Premium Bonds as redeemed on May 1, 2026. The computation of the yield on the Bonds is included in Exhibit C.

The Borrowing Entities acknowledge that the yield on the Bonds will not be affected by subsequent unexpected events, except to the extent provided in Sections 1.148-4(h)(3) and 1.148-4(b)(4) of the Treasury Regulations when and if the Issuer enters into a Qualified Hedge or into any transaction transferring, waiving or modifying any right that is part of the terms of the Bonds.

VI. DEBT SERVICE ON BONDS

6.01. Bond Fund. The Issuer expects to pay debt service on the Bonds from amounts received in the form of base installment purchase payments from the SCSD and the City pursuant to the terms of the Installment Sale Agreement. Pursuant to the terms of the Indenture and the Installment Sale Agreement, such base installment purchase payments will be deposited into the Bond Fund. Amounts so deposited in the Bond Fund are to be used primarily to achieve a proper matching of revenues with principal and interest payments within each Bond Year (as defined in the Tax Certificate) will be depleted at least once each Bond Year except for a reasonable carryover amount which will not exceed, in the aggregate, the greater of: (a) the earnings on such portion of the Bond Fund for the immediately preceding Bond Year, or (b) one-twelfth ($1/12$) of the principal and interest payments on the Bonds for the immediately preceding Bond Year. Thus, no such amounts are reasonably expected to be held for a period longer than the 13-month temporary period provided by Treasury Regulation Section 1.148-2(e)(5)(ii) for a “bona fide debt service fund.” Each Borrowing Entity acknowledges that amounts held the Bond Fund to pay debt service on the Bonds will be invested without restriction as to yield to the extent that the Bond Fund constitutes a “bona fide debt service fund” as described above. To the extent that the Bond Fund does not constitute a “bona fide debt service fund” as described above, amounts held in the Bond Fund must be invested at a yield that is no higher than the yield on the Bonds.

6.02. Investment Proceeds. Investment Proceeds held in the bona fide debt service fund portion of the Bond Fund will be used to pay debt service on the Bonds within one year of receipt, and until so used, will be invested without restriction as to yield.

6.03. No Other Funds. Other than the Bond Fund as described above in Section 6.01, there are no other funds or accounts of the SCSD or the City established pursuant to the Indenture or the Installment Sale Agreement or otherwise which are reasonably expected to be used to pay debt service on the Bonds or which are pledged as collateral for the Bonds, for which there is a reasonable assurance that amounts therein or the investment income earned from such funds or accounts will be available to pay debt service on the Bonds in the event the SCSD or the City encounters financial difficulties.

VII. TAX COVENANT; GENERAL PROVISIONS REGARDING USE OF PROCEEDS AND USE OF THE PROJECT

7.01. Tax Covenant. Each of the Borrowing Entities represents, warrants and covenants that it will not take any action or inaction, nor fail to take any action or permit any action to be taken, with respect to the Project or the Bonds if any action or inaction would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds under Section 103 of the Code. Each Borrowing Entity agrees to observe and perform the terms, conditions and covenants set forth in the Tax Certificate.

7.02. No Sale or Lease. Except as otherwise expressly stated in Exhibit D, each of the City and the SCSD represents, warrants and covenants that it owns and reasonably expects to continue to own all portions of the Project and that no portion of the Project has been or will be sold or otherwise disposed of (and no agreement entered into with respect to any sale or disposition) prior to consultation with the Issuer and the receipt by the Issuer of an Opinion of Bond Counsel. Except as otherwise expressly stated in Exhibit D, or as permitted in a written consent of the Issuer, which may be conditioned upon receipt by the Issuer of an Opinion of Bond Counsel, each of the City and the SCSD represents, warrants and covenants that it has not leased and will not lease any portion of the Project.

7.03. Outside Users. Except as otherwise expressly stated in Exhibit D, or quantified as “private use” with respect to the Bonds and described in Exhibit D, each of the City and the SCSD represents, warrants and covenants that periodic use of the Project by any person or entity other than a state or local governmental unit, including, but not limited to, persons or entities such as local community groups, members of the general public, nonprofit organizations and other non-governmental entities (the “Outside Users”) complies with the terms of this Section 7.03. Each use of the Project by an Outside User has satisfied and, in the future will satisfy, for the term of the Bonds, the following requirements: (a) the term of use under an arrangement with an Outside User, including any renewal options, is not longer than 50 days; (b) the arrangement for use is either: (i) negotiated at arm’s length with each Outside User, and compensation for the use is at fair market value, (ii) use of the Project is open on the same basis to any Outside User who wishes to use the Project at generally applicable and uniformly applied rates established by the City or the SCSD, or (iii) use of the Project is available by members of the general public for

no charge on a first-come first-serve basis; and (c) the Project was not financed for the principal purpose of providing use to any such Outside User.

7.04. Management Contracts. Except as otherwise expressly stated in Exhibit D, each of the City and the SCSD represents, warrants and covenants that the City, the SCSD or any Related Party thereof will not enter into, and has not entered into, any contract, agreement or arrangement with any nongovernmental person which provides for such person or organization to manage, operate or provide services with respect to the Project, unless an Opinion of Bond Counsel is delivered to the Issuer that (a) the guidelines set forth in Revenue Procedure 97-13, published in Internal Revenue Bulletin 1997-5, dated February 3, 1997, as amplified by Notice 2014-67, 2014-46 I.R.B. 822, for a contract, agreement or arrangement executed on or prior to August 17, 2017, or (b) the guidelines set forth in Revenue Procedure 2016-44, as modified, amplified and superseded by Revenue Procedure 2017-13 or subsequent guidance are satisfied with respect to such contract, agreement or arrangement.

7.05. No Private Use. Each of the City and the SCSD represents, warrants and covenants that no portion of the Proceeds of the Bonds or the Project has been or will be used directly or indirectly in a trade or business carried on by a natural person, or in any activity carried on by a person other than a natural person (“Private Use”) excluding, however, use by a state or local governmental unit and use as a member of the general public including periodic use described in Section 7.03.

7.06. No Private Payment or Security. Each of the City and the SCSD represents, warrants and covenants that no portion of the principal of or interest on the Bonds during the term thereof is or will be, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Use, or in payments in respect of property used or to be used for a Private Use, or is to be or will be derived from payments, whether or not to the City or the SCSD, in respect of property or borrowed money used or to be used for a Private Use.

7.07. Educational Purpose. Each of the City and the SCSD represents, warrants and covenants that it reasonably expects to use all Bond Proceeds and all facilities that are financed or refinanced thereby for educational purposes in a manner that will not give rise to Private Use for the entire stated term to maturity of the Bonds.

7.08. No Output Facilities. Each of the City and the SCSD certifies that none of the proceeds of the Bonds will be used directly or indirectly for the acquisition of nongovernmental output property, and that any such use arising after the Closing Date will not exceed the lesser of five percent (5%) of the proceeds of the Bonds or \$15,000,000. The term “nongovernmental output property” means any property or interest in property which before acquisition was used or held for use by a non-exempt person in connection with an output facility (other than a facility for the furnishing of water) on or after October 14, 1987, but does not include any property which is to be converted to a use not in connection with an output facility unless the property is part of the output function of a nuclear power facility.

7.09. Economic Life. The SCSD represents, warrants and covenants that one hundred and twenty percent (120%) of the average reasonably expected economic life of the assets financed (including placed in service adjustment) by the Proceeds of the Bonds determined as of the date of issue of the Bonds is not less than 33.1654 years. Land was not taken into account in determining the average economic life of such facilities. The SCSD's calculations regarding the average reasonably expected economic life of the assets financed by the Proceeds of the Bonds is attached hereto as Exhibit E.

7.10. No Loans. Each Borrowing Entity represents, warrants and covenants that it has not and will not use any portion of the Bonds to make or finance loans to any person.

7.11. No Overissuance. Each Borrowing Entity represents, warrants and covenants that the total Proceeds to be received by the Issuer from the sale of the Bonds and anticipated investment earnings thereon, do not exceed the total of the amount necessary to finance the government purposes for which the Bonds are issued.

7.12. No Abuse or Overburdening of the Market. Each Borrowing Entity represents, warrants and covenants that the Bonds, including the investment earnings to be derived therefrom, are not and will not be a part of a transaction or series of transactions that: (a) enables the Borrowing Entities or any related person to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, or (b) overburdens the market for tax-exempt obligations in any manner, including, without limitation, by selling bonds that would not otherwise be sold, or selling more bonds, or issuing bonds sooner, or allowing bonds to remain outstanding longer, than would otherwise be necessary.

7.13. No Replacement. Each Borrowing Entity represents, warrants and covenants that no portion of the Proceeds of the Bonds will be used, directly or indirectly, to replace funds of any of the Borrowing Entities or any related person which were intended to be used for the purpose of the Bonds and will be used directly or indirectly to acquire Investment Property reasonably expected to produce a yield higher than the yield on the Bonds. The SCSD and the City represent, warrant and covenant that the term of the Bonds is not longer than is reasonably necessary to accomplish the governmental purpose for which the Bonds are being issued.

7.14. No Federal Guaranty. Each Borrowing Entity represents, warrants and covenants that it will not directly or indirectly use or permit the use of any Proceeds of the Bonds or any other funds of the Borrowing Entities or any related party or take or omit to take any action that would cause the Bonds to be obligations that are "federally guaranteed" within the meaning of Section 149(b) of the Code. In furtherance of this representation, warranty and covenant, the Borrowing Entities will not allow the payment of principal or interest with respect to the Bonds to be guaranteed (directly or indirectly) in whole or in part by the United States or any agency or instrumentality thereof. Except as provided in the next sentence, the Borrowing Entities will not use 5% or more of the Proceeds of the Bonds to make or finance loans the payment of principal or interest with respect to which is guaranteed in whole or in part by the United States or any agency or instrumentality thereof, nor will it invest 5% or more of the Proceeds in federally-insured deposits or accounts. The preceding sentence shall not apply to: (a) investments in the

Project Fund during applicable temporary periods, (b) investments in bona fide debt service funds; and (c) investments in obligations issued by the United States Department of the Treasury.

7.15. No Hedge Bonds. Each Borrowing Entity represents, warrants and covenants that, as of the date hereof, it reasonably expects to spend at least eighty-five percent (85%) of the Net Sale Proceeds of the Bonds to finance the Project within three (3) years of the date hereof. The City represents that less than fifty percent (50%) of the Net Sale Proceeds of the Bonds will be invested in Nonpurpose Investments having a substantially guaranteed yield for four (4) years or more. The SCSD and the City each represents that on the date the 2018 Notes were issued (or the date(s) of issuance of the new money obligations which were refunded directly or indirectly by the 2018 Notes), the SCSD and the City each reasonably expected to spend at least eighty-five percent (85%) of the Net Sale Proceeds of such new money obligations to finance the Project within three (3) years of the date of issuance thereof. The City represents that on the date the 2018 Notes were issued (or the date(s) of issuance of the new money obligations which were refunded directly or indirectly by the 2018 Notes) the City reasonably expected that less than fifty percent (50%) of the Net Sale Proceeds of the 2018 Notes (or of the new money obligations which were refunded directly or indirectly by the 2018 Notes) would be invested in Nonpurpose Investments having a substantially guaranteed yield for four (4) years or more.

7.16. Investment Property.

A) General Rule. No Investment Property may be acquired with Gross Proceeds for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) in excess of the fair market value of such Investment Property. No Investment Property may be sold or otherwise disposed of for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) less than the fair market value of the Investment Property.

B) Fair Market Value. In general, the fair market value of any Investment Property is the price at which a willing buyer would pay to a willing seller to acquire the Investment Property, with no amounts paid to artificially reduce or increase the yield on such Investment Property. Other methods may be used, however, to establish fair market value provided, however, that such methods comply with the requirements of Section 1.148-5 of the Treasury Regulations.

7.17. Information Reporting. With respect to the Bonds, the Borrowing Entities direct the Issuer to file an Internal Revenue Service Form 8038-G, or similar information reporting form, with the Internal Revenue Service.

7.18. Single Issue. The City represents that all of the Bonds have been sold at substantially the same time, have been sold pursuant to the same plan of financing and are reasonably expected to be paid from substantially the same source of funds, determined without regard to guarantees from unrelated parties. The City represents that no other governmental obligations: (a) have been, or will be sold within fifteen (15) days of the sale of the Bonds, (b) have been, or will be sold pursuant to the same plan of financing, and (c) are reasonably expected to be paid out of substantially the same source of funds as the Bonds, determined

without regard to guarantees from unrelated parties. The City sold certain general obligations within fifteen (15) days of the sale of the Bonds; however, the City represents that such obligations were not sold pursuant to the same plan of financing as the Bonds and such obligations are not reasonably expected to be paid out of substantially the same source of funds as the Bonds.

VIII. ARBITRAGE REBATE

8.01 Each Borrowing Entity acknowledges that the United States Department of the Treasury has issued regulations with respect to the method of computing whether any rebate amount is due to the federal government under Section 148(f) of the Code.

8.02 Each Borrowing Entity specifically covenants and agrees to comply with all provisions of Section 148 of the Code and the Treasury Regulations promulgated thereunder for the purpose of assuring that none of the Bonds become “arbitrage bonds” with the meaning of such term in Section 148 of the Code.

8.03 In furtherance of the covenants and agreements made in other parts of this Article VIII, and without any limitation thereof, the City and SCSD covenant and agree, for itself and on behalf of the Issuer, that, in the event any Proceeds that are subject to yield restriction are found to have been invested in such a manner as the applicable yield restriction has been exceeded, the City and the SCSD will cause Yield Reduction Payments to be made to the United States under the authority of, and pursuant to the requirements of Treasury Regulation 1.148-5(c). As provided in Treasury Regulation 1.148-5(c), any such Yield Reduction Payments are to be made within the times and in the manner provided for payments of Rebate Amount as provided in Treasury Regulation 1.148-3.

8.04 The City represents, warrants and covenants that it will undertake to determine what is required with respect to the rebate provisions contained in Section 148(f) of the Code, including without limitation the retention of a “rebate analyst”, and will comply with any and all requirements that may apply to the Bonds in a timely manner and with Article V of the Tax Certificate. In that regard, the Borrowing Entities will, on a timely basis, provide the Issuer with all necessary information and payments of earnings on the Bond Proceeds and such other amounts as the Issuer shall deem necessary, to enable the Issuer to comply with Article V of the Tax Certificate and the arbitrage and rebate requirements of the Code, including without limitation the provisions relating to payment of arbitrage rebate found in Section 148 of the Code.

8.05 Each Borrowing Entity covenants to maintain all records relating to the requirements of the Code and the representations, certifications and covenants set forth in this Certificate until the date three (3) years after the last outstanding Bonds have been retired. If any of the Bonds are refunded by tax-exempt obligations (the “Refunding Obligations”), each Borrowing Entity covenants to maintain all records required to be retained by this 8.05 until the later of the date three (3) years after the last outstanding Bonds have been retired or the date three (3) years after the last Refunding Obligations have been retired. The records that must be retained include, but are not limited to:

(a) Basic records and documents relating to the Bonds (including the Indenture, the Installment Sale Agreement and the Opinion of Bond Counsel);

(b) Documentation evidencing expenditure of Bond Proceeds and other sources, if any, including capital reserves or operating revenues of the SCSD or the City;

(c) Documentation evidencing use of the Project by Outside Users (e.g., copies of management contracts, research agreements, leases, etc.);

(d) Documentation evidencing all sources of payment or security for the Bonds; and

(e) Documentation pertaining to any investment of Bond Proceeds (including the purchase and sale of securities, United States Treasury Securities – State and Local Government Series subscriptions, yield calculations for each class of investments, actual investment income received from the investment of Proceeds, guaranteed investment contracts, and rebate calculations) including, without limitation and as applicable, information regarding purchase price, nominal rate of interest, amount of accrued interest purchased, par or face amount, purchase date, maturity date, amount of original issue discount or premium, type of investment property, frequency of periodic payments, period of compounding, yield to maturity, disposition date and amount, brokerage commissions and market data sufficient to establish that the purchase price was equal to fair market value.

8.06 The Borrowing Entities hereby acknowledge the creation, under the Indenture, of the Rebate Fund, into which the Issuer will deposit or cause to be deposited any monies received in accordance with this Certificate for purposes of paying rebate to the United States Treasury Department and which is so identified. The City and the SCSD hereby further covenants that the City and the SCSD, on behalf of the Issuer, shall deposit, or cause to be deposited, with the Trustee or direct the Trustee to transfer from designated funds, any amount in the Rebate Fund as necessary to increase or decrease the sum held in the Rebate Fund for the Rebate Requirement.

IX. MISCELLANEOUS MATTERS

9.01 Authorization to Execute. Each undersigned is an authorized representative of the respective Borrowing Entity identified above its signature acting for and on behalf of such Borrowing Entity in executing this Certificate. To the best of the knowledge and belief of the undersigned, there are no other facts, estimates or circumstances that would materially change the expectations as set forth herein, and said expectations are reasonable.

9.02 Survival of Defeasance of Bonds. Notwithstanding any provision in this Certificate or the Resolution to the contrary, the obligation to remit the rebate requirement, if any, to the United States Department of the Treasury and to comply with all other requirements contained in this Certificate shall survive defeasance of the Bonds.

9.03 Counterparts. This Certificate may be simultaneously executed in several counterparts, each of which will be an original all of which shall constitute but one and the same instrument.

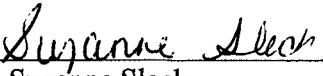

9.04 Headings for Convenience. Any headings preceding the texts of the several Articles and Sections of this Certificate shall be solely for convenience of reference and shall not constitute a part of this Certificate, nor shall they affect its meaning, construction or effect.

9.05 Post Issuance Compliance. The City and the SCSD have adopted, or will adopt within reasonable time after the issuance date of the Bonds, written post-issuance compliance procedures for monitoring the ongoing compliance with federal tax requirements and with covenants made in this Certificate relating to the ownership and use of the Project by the SCSD and Outside Users, covenants relating to diligently completing the Project and spending Proceeds on eligible capital expenditures, allocation of Proceeds to expenditures, investment of Proceeds and compliance with yield restriction and rebate requirements.

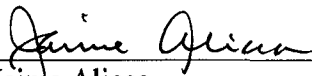

IN WITNESS WHEREOF, I have hereunto set my hand to this Arbitrage and Use of Proceeds Certificate this 20th day of June, 2018.

The Trustee shall so deliver such opinion and amendment within one Business Day after receipt by the Trustee.

If the JSCB, at the direction of the SCSD or the City, chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Agreement, the JSCB shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default; Venue. No Bondholder may institute any suit, action or proceeding at law or in equity ("Proceeding") for the enforcement of the Requirements (the "Undertaking") or for any remedy for breach thereof, unless such Bondholder shall have filed with the SCSD evidence of ownership and a written notice of and request to cure such breach, and the SCSD shall have refused to comply within a reasonable time. All Proceedings shall be instituted only as specified herein, in any federal or state court located in the State and for the equal benefit of all holders of the outstanding bonds benefited by the same or a substantially similar covenant, and no remedy shall be sought or granted other than specific performance of the covenant at issue.

and to defend, indemnify and save the Trustee and the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorney's fees) of defending against any claim of liability, but excluding liabilities due to the Trustee and the Dissemination Agent's negligence or willful misconduct. Attention: Underwriting Department — Eligibility
The Depository Trust Company
55 Water Street; 50th Floor
New York, NY 10041-0099

Ladies and Gentlemen:

This letter sets forth our understanding with respect to all issues (the "Securities") that Issuer shall request be made eligible for deposit by The Depository Trust Company ("DTC").

To induce DTC to accept the Securities as eligible for deposit at DTC, and to act in accordance with DTC's Rules with respect to the Securities, Issuer represents to DTC that Issuer will comply with the requirements stated in DTC's Operational Arrangements, as they may be amended from time to time.

Note:

Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfers of securities distributed through DTC, and certain related matters.

Very truly yours,

City of Syracuse Industrial Development Agency

**SAMPLE OFFERING DOCUMENT LANGUAGE
DESCRIBING BOOK-ENTRY-ONLY ISSUANCE**

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$200 million, one certificate will be issued with respect to each \$200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

RELATING TO THE INDENTURE

CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY (the "**Agency**") has entered into a certain Indenture of Trust (Series 2018B) dated as of June 1, 2018 (the "**Indenture**") by and between the Agency and Manufacturers and Traders Trust Company, as trustee (the "**Trustee**"), for the holders of the Agency's School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2018B in the aggregate principal amount of \$38,500,000 (the "**Series 2018B Bonds**"). Capitalized terms used but not defined herein shall have the meanings assigned thereto in Schedule A attached to the Indenture.

Pursuant to the Indenture, the Agency assigned and granted a security interest in the following to the Trustee, and its successors in trust and assigns, for the securing of the performance of the obligations of the Agency set forth in the Indenture:

1. All moneys and securities from time to time held by the Trustee under the terms of the Indenture including amounts set apart and transferred to the Project Fund, the Bond Fund or any special fund, and all investment earnings of any of the foregoing, subject to disbursements from such funds in accordance with the provisions of the Installment Sale Agreement and the Indenture (and when so disbursed, such amounts shall automatically be released from the assignment, pledge, lien and security interest of the Indenture); provided, however, there is expressly excluded from any assignment, pledge, lien or security interest any amounts set apart and transferred to the Rebate Fund.

3. All right, title and interest of the Agency in and to the State Aid to Education pursuant to the Syracuse Schools Act, subject, however: (i) to the right of the Agency or any other public entity to make any future pledges, of no greater priority than the pledge effected under the Indenture, of its respective right, title and interest in and to the State Aid to Education; and (ii) to the right of the Agency to receive state and/or school aid payable to the City or the SCSD, for application in the priority set forth in Section 5.4 of the Indenture, in satisfaction of the Agency's Reserved Rights (which Reserved Rights may be enforced by the Agency and/or the Trustee, jointly or severally).

FROM: Syracuse Joint Schools Construction Board

Ladies and Gentlemen:

All capitalized terms used in this Requisition not otherwise defined herein shall have the meanings given such terms by the Indenture or by the Installment Sale Agreement referred to in the Indenture.

I hereby certify that

5. no portion of the proceeds of the Series 2018B Bonds will be applied to reimburse the School Parties for Project Costs paid more than sixty (60) days prior to June 1, 2018, except for amounts which do not exceed twenty percent (20%) of the Project Costs financed with the proceeds of the Series 2018B Bonds which were applied to finance certain preliminary expenses with respect to the Series 2018B Project. Preliminary expenses, for purposes of this exception, include architectural, engineering, surveying, soil testing, bond costs of issuance and similar costs incurred prior to the commencement of construction or rehabilitation of the Series 2018B Project, but do not include land acquisition, site preparation and similar costs incident to the commencement of construction or rehabilitation of the Series 2018B Project. No portion of the proceeds of the Series 2018B Bonds will be applied to reimburse the School Parties for a cost (other than preliminary expenditures) (y) more than eighteen (18) months after the date the original expenditure was paid, or (z) more than eighteen (18) months after the

date the related Facility to which the cost relates was placed in service, whichever is later. 10. if the payment herein requested is for an item of personalty, upon payment of the cost thereof such item of personalty will be subject to the Installment Sale Agreement and the Bill of Sale to Agency.
11. such item of cost for which payment is herein requested is chargeable to the capital account of the Series 2018B Project for federal income tax purposes, or would be so chargeable either with an election by the School Parties or but for the election of the School Parties to deduct the amount of such item;
12. each item of cost set forth in Schedule A attached hereto is consistent in all material respects with the Tax Compliance Documents; and
13. each item for which payment under this Requisition is to be made when added to all other payments previously made from the Project Fund, will not result in less than ninety-five percent (95%) of the proceeds of the Bonds (exclusive of costs of issuance of the Bonds or any reasonably required reserve) (including any earnings thereon) being used for the acquisition, construction, reconstruction or improvement of land or property that is subject to the allowance for depreciation provided in Section 167 of the Code.

The payees authorized to receive amounts under this Requisition will submit to you, under separate cover, bills, invoices, or other documents evidencing and supporting this Requisition, upon which you are entitled to rely, provided the amounts requested in such bills, invoices, or other documents are no greater than those amounts listed for those payees in Schedule A to this Requisition. The Installment Sale Agreement requires, among other things, the payment by the City and the SCSD of Installment Purchase Payments as scheduled payments equal to the principal of and interest on the Series 2018B Bonds and any Additional Bonds that were or may be issued under a Series Indenture (collectively, the “*Bonds*”) as the same become due, (the “*Installment Purchase Payments*”). Capitalized terms used herein and not otherwise defined shall have the meaning ascribed thereto in the Indenture.

Pledge and Security. The obligation of the City and the SCSD to pay Installment Purchase Payments under the Installment Sale Agreement is executory only to the extent of State Aid to Education (as defined in the State Aid Depository Agreement referred to below) appropriated by the State and available to the City and/or the SCSD, and budgeted by the SCSD and appropriated by the City and the SCSD for the payment of Installment Purchase Payments under the Installment Sale Agreement, and no liability on account thereof is incurred by the City and the SCSD beyond the amount of such moneys so available and appropriated, *provided*,

however, that the failure of the City and the SCSD for any reason (including a failure by the State to appropriate State Aid to Education or a failure by the City or the SCSD to budget and appropriate funds) to make an Installment Purchase Payment or an Additional Payment under the Installment Sale Agreement is deemed a failure to make a payment for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the Indenture. Further, the obligation of the City and the SCSD to pay Installment Purchase Payments is not a general obligation of the City or the SCSD and neither the faith and credit nor the taxing powers of the City are pledged to the payment of Installment Purchase Payments. The obligations of the City and the SCSD under the Installment Sale Agreement to pay Installment Purchase Payments in any Fiscal Year of the City and the SCSD constitutes a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness or moral obligation of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State of New York (the “**State**”). The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due under the Installment Sale Agreement shall be moneys comprising State Aid to Education lawfully appropriated by the State and available therefor from time to time for the benefit of the SCSD, and budgeted and appropriated for such purpose by the City and the SCSD and, to the extent of any Installment Purchase Payment deficiency, state and/or school aid payable to the City or the SCSD received by the Trustee pursuant to the intercept by the State Comptroller.

Each of the SCSD, the City and Manufacturers and Traders Trust Company, Buffalo, New York, as depository bank (together with its successors or assigns, the “**Depository Bank**”), have entered into a State Aid Depository Agreement dated as of March 1, 2008 (“**Depository Agreement**”) as previously amended by the First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the “**First Amendment to Depository Agreement**”, and together with the Depository Agreement, collectively the “**State Aid Depository Agreement**” as the same may be further amended or supplemented from time to time), to provide for, among other things, the payment of all State Aid to Education into the State Aid Depository Fund maintained with the Depository Bank for periodic transfer to the Bond Fund established under the Indenture (and the equivalent fund established under each other Series Indenture) toward payment of the Bonds and each other Series of Project Bonds issued under a Series Indenture, and to the extent of any deficiency therein, to a Debt Service Reserve Fund or equivalent fund, if any, established under any other Series Indenture (no such fund being established hereunder), and the balance to the General Fund (as defined in the State Aid Depository Agreement).

Copies of the Indenture, the Installment Sale Agreement, the License and the State Aid Depository Agreement are on file at the principal corporate trust office of the Trustee at One M & T Plaza, Buffalo, New York, and reference is made to such documents for the provisions relating, among other things, to the terms and security of the Series 2018B Bonds, the charging and collection of Installment Purchase Payments for the Facilities, the custody and application of the proceeds of the Series 2018B Bonds, the rights and remedies of the holders of the Series 2018B Bonds, and the rights, duties and obligations of the Agency, the School Parties and the Trustee.

Pursuant to the Indenture, the Agency has assigned to the Trustee substantially all of its right, title and interest in and to the Installment Sale Agreement, including all rights to receive Installment Purchase Payments to pay the principal of and interest on the Series 2018B Bonds as

the same become due, all to be made by the City and the SCSD pursuant to the Installment Sale Agreement, and all executory only to the extent of State Aid to Education as provided above.

The Series 2018B Bonds are special obligations of the Agency and shall never constitute a debt of the State of New York nor of the City, and neither the State of New York nor the City shall be liable thereon, nor shall the Series 2018B Bonds be payable out of any funds of the Agency other than those pledged therefor. Reference is hereby made to the Indenture for a description of the property pledged, assigned and otherwise available for the payment of the Series 2018B Bonds, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Agency, the Trustee and the holders of the Series 2018B Bonds, and the terms upon which the Series 2018B Bonds are issued and secured.

Additional Bonds. As provided in the Indenture, Additional Bonds may be issued from time to time in one or more series for the purpose of financing the Facilities, providing funds to repair, relocate, replace, rebuild, or restore an affected Facility in the event of damage, destruction or taking by eminent domain, providing additions, rehabilitation or recreational facilities to one or more Facilities, or refunding outstanding Bonds. All Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as may otherwise be expressly provided in the Indenture.

Redemption of Series 2018B Bonds.

(a) *General Optional Redemption.* The Series 2018B Bonds maturing on or prior to May 1, 2026 are not subject to optional redemption prior to the maturity thereof. The Series 2018B Bonds maturing on and after May 1, 2027 are subject to redemption, in whole or in part, at any time on or after May 1, 2026 (but if in part in integral multiples of \$5,000), at the option of the Agency (which option shall be exercised upon the giving of notice by the City of its intention to prepay Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to the principal amount thereof to be redeemed, plus in each case accrued interest to the redemption date.

(b) *Mandatory Redemption.* The Series 2018B Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2018B Project, or (ii) moneys are transferred to the Bond Fund pursuant to Article V of the Indenture or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2018B Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) *Redemption Procedures.* If any of the Series 2018B Bonds are to be called for redemption, the Indenture requires a copy of the redemption notice to be mailed at least thirty (30) days prior to such redemption date to the registered owner of each Series 2018B Bond to be redeemed at the address for such owner shown on the registration books. All Series 2018B Bonds so called for redemption will cease to bear interest after the date fixed for redemption if funds for their redemption are on deposit at the place of payment at that time. If notice of

redemption shall have been given as aforesaid, the Series 2018B Bonds called for redemption shall become due and payable on the redemption date, *provided, however*, that with respect to any redemption of the Series 2018B Bonds as provided in paragraph (a) above, such notice shall state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on such Series 2018B Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Agency shall not be required to redeem such Series 2018B Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of Series 2018B Bonds so called for redemption at the place or places of payment, such Series 2018B Bonds shall be redeemed.

So long as the Securities Depository is effecting book-entry transfers of the Series 2018B Bonds, the Trustee shall provide the notices specified in the paragraph above only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Series 2018B Bond (having been mailed notice from the Trustee, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Series 2018B Bond so affected, shall not affect the validity of the redemption of such Series 2018B Bond.

Payments Due on Saturdays, Sundays and Holidays. In any case where any payment date of principal or Redemption Price, if any, and/or interest on this bond shall be (i) a Saturday or Sunday, (ii) a day in which banks in the State of New York, or in the city in which the corporate trust office of the Trustee is located, are authorized or required by law to close, or (iii) a day on which the New York Stock Exchange, Inc. is closed, then payment of such principal or Redemption Price, if any, and/or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the principal and/or Interest Payment Date or the date fixed for redemption, as the case may be, except that interest shall continue to accrue on any unpaid principal.

Amendment of Indenture. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Agency and the rights of the holders of the Bonds at any time by the Agency with the consent of the Trustee, or, where so provided in the Indenture, the holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding thereunder; provided, however, that if any such amendment or modification would affect only a single series of Bonds, then the consent of the holders of not less than a majority in aggregate principal amount of such series of Bonds at the time Outstanding thereunder shall instead be required. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each Bond and of any such Bond issued upon the transfer thereof, whether or not notation of such consent is made thereon.

Book-Entry System. The Series 2018B Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Indenture. One bond certificate with respect to each date on which the Series 2018B Bonds are stated to mature, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody or its agent. The book-entry system will evidence positions held in the Series 2018B Bonds by the Securities Depository's Participants, beneficial ownership of the Series 2018B Bonds in authorized denominations being evidenced in the records of such Participants. Transfers of ownership shall be effected on the records of the Securities Depository and its Participants pursuant to rules and procedures established by the Securities Depository and its Participants. The Agency and the Trustee will recognize the Securities Depository nominee, while the registered owner of this bond, as the owner of this bond for all purposes, including (i) payments of principal of, redemption premium, if any, and interest on this bond, (ii) notices, and (iii) voting. Transfer of principal, and interest and any redemption premium payments to Participants of the Securities Depository, and transfer of principal, Redemption Price, and interest payments to Beneficial Owners of the Series 2018B Bonds by Participants of the Securities Depository will be the responsibility of such Participants and other nominees of such Beneficial Owners. The Agency and the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its Participants or persons acting through such Participants. While the Securities Depository nominee is the owner of this bond, notwithstanding the provision hereinabove contained, payments of principal of, redemption premium, if any, and interest on this bond shall be made in accordance with existing arrangements among the Agency, the Trustee and the Securities Depository.

Denominations. The Series 2018B Bonds are issuable in the form of fully registered bonds in the minimum denomination of \$5,000 or any integral multiple thereof.

Exchange of Series 2018B Bonds. The holder of this bond may surrender the same, at the principal corporate trust office of the Trustee, in exchange for an equal aggregate principal amount of Series 2018B Bonds of any of the authorized denominations of the same maturity and maturities as this bond or the Series 2018B Bonds so surrendered, subject to the conditions and upon payment of the charges provided in the Indenture. However, the Trustee will not be required to (i) transfer or exchange any Series 2018B Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Series 2018B Bonds to be redeemed, or (ii) transfer or exchange any Series 2018B Bonds selected, called or being called for redemption in whole or in part.

Transfer of Series 2018B Bonds. This bond is transferable, as provided in the Indenture, only upon the books of the Agency kept for that purpose at the corporate trust office of the Trustee by the registered owner hereof in person, or by his duly authorized attorney-in-fact, upon surrender of this bond (together with a written instrument of transfer in the form appearing on this bond duly executed by the registered owner or his duly authorized attorney-in-fact with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15), and thereupon a new

fully registered Series 2018B Bond in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Indenture and upon payment of the charges therein prescribed. The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof, and interest due hereon and for all other purposes whatsoever.

No Acceleration of Series 2018B Bonds. In no event shall the principal of any Series 2018B Bond be declared due and payable in advance of its final stated maturity.

Limitation on Bondholder Enforcement Rights. The holder of this bond shall have no right to enforce the provisions of the Indenture, to institute action to enforce the provisions and covenants thereof or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

5. The execution and delivery of the City Documents by the City or by the JSCB on the City’s behalf have been duly authorized by all necessary corporate, administrative and legislative action and, when executed and delivered, the City Documents will constitute the valid and binding obligations of the City enforceable against the City in accordance with their terms (except as such enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws of general applicability affecting the enforcement of creditors’ rights and subject to general principles of equity, regardless of whether such enforceability is considered in equity or in law), and compliance with the provisions of all of them, under the circumstances contemplated thereby, did not, as of the date of the Purchase Contract and do not at the Closing Date, in any material respect conflict with, or constitute on the part of the City a breach of or default under, any agreement or other instrument to which the City is a party or any existing law, administrative regulation, court order or consent decree to which the City is subject and when executed and delivered, the City Documents will be valid and binding agreements of the City.

To the best of my knowledge, no event affecting the City has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information contained therein, in light of the circumstances under which they were made, not misleading in any material respect as of the Closing Date.
9. 10. The City is not in breach of, or in default under, any applicable law or administrative regulation of the State or the United States or any applicable judgment or decree or any loan agreement, note, resolution, agreement or other instrument to which the City is, a party or otherwise subject, which breach or default would in any way materially and adversely affect the issuance of the Series 2018B Bonds or the intercept of state and/or school aid pursuant to the Syracuse Schools Act; and no event has occurred and is continuing that with the passage of time or giving of notice, or both, would constitute such a breach or default; and the issuance, sale and delivery of the Series 2018B Bonds or the intercept of state and/or school aid pursuant to the Syracuse Schools Act will not conflict with or constitute a breach of or default under any agreement or other instrument to which the City is a party or otherwise subject.

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

During Construction - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision were sent to the district previously together with the letter acknowledging the original letter of intent.

Construction Inspections - Section 444.3(d) of 19NYCRR444 mandates construction inspections at such times as will permit the observation of the foundation, structural elements, electrical systems, plumbing systems, heating, ventilation and air conditioning systems, fire protection and detection systems and exit features. The purpose of such inspections is to ensure work in accordance with the

construction contract documents and compliance with applicable provisions of the Uniform Fire Prevention and Building Code. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

Certification of Substantial Completion - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Certification of Substantial Completion", form FP-CSC, when it is appropriate to do so. A copy of the form is enclosed. Carefully retain it for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

Assurances - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

Fire Safety Inspection and Report - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: www.emsd.nysed.gov/facplan/ under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

Occupancy - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

Final Building Project Report - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

4	2	1	8	0	0	0	1	0	1	2	5	0	0	6	0	5	0	0	1	5	1	2	2	8	0	6
District BEDS Code							Facility Code				Project No.				Review Number				Approval Date							

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

During Construction - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision were sent to the district previously together with the letter acknowledging the original letter of intent.

Construction Inspections - Section 444.3(d) of 19NYCRR444 mandates construction inspections at such times as will permit the observation of the foundation, structural elements, electrical systems, plumbing systems, heating, ventilation and air conditioning systems, fire protection and detection systems and exit features. The purpose of such inspections is to ensure work in accordance with the

construction contract documents and compliance with applicable provisions of the Uniform Fire Prevention and Building Code. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

Certification of Substantial Completion - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Certification of Substantial Completion", form FP-CSC, when it is appropriate to do so. A copy of the form is enclosed. Carefully retain it for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

Assurances - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

Fire Safety Inspection and Report - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: www.emsd.nysed.gov/facplan/ under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

Occupancy - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

Final Building Project Report - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

**CERTIFICATE OF DETERMINATION
BY THE CITY OF SYRACUSE CHIEF FINANCIAL OFFICER
AS TO FINANCING COST AND INTEREST RATE**

I, David Del Vecchio, Chief Financial Officer for the City of Syracuse, New York (hereinafter called the "City"), **HEREBY CERTIFY** that, pursuant to the powers and duties delegated to me, as the Chief Fiscal Officer of the City and in accordance with Chapter 58 A-4 of the 2006 Laws of the State of New York, as amended (the "Syracuse Schools Act") and subject to the limitations prescribed therein, I have made the following determinations:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act to compare financing through the Syracuse Industrial Development Agency ("SIDA") with financing available through the State of New York Municipal Bond Bank Agency ("MBBA"), I have caused such a comparison to be made as to the interest rate for the financing of the Syracuse Schools Reconstruction Project through the issuance by SIDA of its \$38,500,000 aggregate principal amount of School Facility Revenue Bonds (Syracuse City School District Project), Series 2018B ("Series 2018B Bonds") against the interest rate that would have been applicable to a like purpose, bond structure, method of sale, security and amount bond issuance by the MBBA.

2. Based on such comparison, I have determined that the financing mechanism utilized by SIDA in the issuance of the Series 2018B Bonds for the Syracuse Schools Reconstruction Project results in the lowest cost to the state and city taxpayers.

3. The relevant information, as referenced above, in our possession was transmitted to a duly authorized officer of the MBBA.

4. The cost information and other financial information contained in Exhibit "A" (Certificate of Public Resources Advisory Group) annexed hereto with attached Schedules is sufficient to conclude that the interest rate related to the issuance of the Series 2018B Bonds through the SIDA would not be greater than the interest rate applicable had the Series 2018B Bonds been issued by the MBBA.

5. I attach hereto as Exhibit "B" a form of the Certificate of the Senior Vice President of the MBBA, stating that such Senior Vice President received all requested and required information from the City School District of the City of Syracuse, the City, SIDA and the Joint Schools Construction Board of the City of Syracuse and determined that the interest rate on June 6, 2018 that would have been applicable to a like purpose, bond structure, method of sale, security and amount of bond issuance by the MBBA would be approximately 3.20% on a true interest cost basis.

6. The Record of the Proceedings in this matter, with sufficient information to make the necessary determinations required by the Syracuse Schools Act, is annexed hereto collectively in Exhibits "A" and "B" as fully described above in the preceding paragraphs.

IN WITNESS WHEREOF, I have hereunto set my signature and the official seal of the City this 7th day of June, 2018.

Pursuant to the statutory requirements set forth in the Syracuse Schools Act that the Joint Schools Construction Board, the City School District of the City of Syracuse, and the City of Syracuse compare financing available through the Syracuse Industrial Development Agency ("SIDA") with financing available through the MBBA, based on financial information in **Exhibit A**, based on my knowledge and experience and conversations with Raymond James & Associates, Inc. (the "Underwriter"), and assuming the same bond structure and method of sale as for the proposed SIDA's \$38,500,000 School Facility Revenue Bonds (Syracuse City School District Project), Series 2018B (the "Bonds"), I am of the opinion that, on June 6, 2018 the true interest cost for a bond issue of like purpose, structure, method of sale, security, and amount if issued by the MBBA would be approximately 3.20%.

4. All actions on the part of the SCSD, including necessary and appropriate review by the City’s Corporation Counsel, necessary or appropriate for execution and delivery of the SCSD Documents and issuance of the Series 2018B Bonds have been completed. All conditions precedent set forth in the Resolutions have occurred and have been satisfied, including but not limited to the execution and delivery of the SCSD Documents by the undersigned or the JSCB in the name and on behalf of the SCSD and the performance by the SCSD of its obligations under the SCSD Documents.
5. The execution and delivery of the SCSD Documents by the SCSD or by the JSCB on the SCSD’s behalf have been duly authorized by all necessary corporate, administrative and legislative action and, when executed and delivered, the SCSD Documents will constitute the valid and binding obligations of the SCSD enforceable against the SCSD in accordance with their terms (except as such enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws of general applicability affecting the enforcement of creditors’ rights and subject to general principles of equity, regardless of whether such enforceability is considered in equity or in law), and compliance with the provisions of all of them, under the circumstances contemplated thereby, did not, as of the date of the Purchase Contract, and does not at the Closing Date, in any material respect conflict with, or constitute on the part of the SCSD a breach of or default under, any agreement or other instrument to which the SCSD is a party or any existing law, administrative regulation, court order or consent decree to which the SCSD is subject.
6. The representations made by the JSCB on behalf of the SCSD in the Purchase Contract are true and correct in all material respects at and as of the Closing Date and each of the obligations of the SCSD under the Purchase Contract to be performed at or prior to the Closing Date have been performed.

remain currently in full force and effect all other governmental consents and approvals necessary at this time which would constitute a condition precedent to, or the failure to obtain would materially adversely affect, the performance by the SCSD of its obligations under the SCSD Documents, except for those consents and approvals not yet received that the SCSD reasonably expects to receive in a timely manner.

8. Except as disclosed in the Preliminary Official Statement dated June 1, 2018, with respect to the Series 2018B Bonds (the "***Preliminary Official Statement***") and the Official Statement, since June 7, 2018, no material or adverse change has occurred in the financial position or results of operations, business, or affairs of the SCSD, and the SCSD has not, since June 7, 2018 incurred any material liabilities other than in the ordinary course of business or as set forth in or contemplated by the Official Statement. To the best of my knowledge, no event affecting the SCSD has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information contained therein, in light of the circumstances under which they were made, not misleading in any material respect as of the Closing Date.
9. The SCSD has received and there remains currently in full force and effect all permits, licenses, accreditations, and certifications necessary to: (1) conduct its business as it is presently being conducted, subject to minor exceptions and deficiencies that are not material and do not affect the conduct of its business; and (2) own and operate the Facilities, except for such permits, licenses, accreditations, and certifications not yet received that the SCSD reasonably expects to receive in a timely manner.
10. No action, suit, proceeding or investigation is pending or (to the best of my knowledge) threatened against the SCSD or (to the best of my knowledge, no independent investigation having been made) any other person in any court or before any Court, governmental authority, legislative body, board, agency or commission: (a) seeking to restrain or enjoin the issuance or delivery of any of the Series 2018B Bonds or any payments under the Installment Sale Agreement, or the transactions contemplated by the Purchase Contract or the other SCSD Documents; or (b) in any way contesting or affecting the validity of the Series 2018B Bonds, or the validity or enforceability of the Purchase Contract or the other SCSD Documents or the transactions contemplated thereby; or (c) in any way contesting the corporate existence, powers or operations of the SCSD; or (d) which if determined adversely to the SCSD, would adversely affect the financial condition of the SCSD.
11. The SCSD is not in breach of, or in default under, any applicable law or administrative regulation of the State (including, without limitation, any applicable law or administrative rule or regulations of the New York State Commissioner of Education or the New York State Department of Education) or the United States or any applicable judgment or decree or any loan agreement,

note, resolution, agreement or other instrument to which the SCSD is, a party or otherwise subject, which breach or default would in any way materially and adversely affect the issuance of the Series 2018B Bonds or the intercept of state and/or school aid pursuant to the Syracuse Schools Act; and no event has occurred and is continuing that with the passage of time or giving of notice, or both, would constitute such a breach or default; and the issuance, sale and delivery of the Series 2018B Bonds or the intercept of state and/or school aid pursuant to the Syracuse Schools Act will not conflict with or constitute a breach of or default under any agreement or other instrument to which the SCSD is a party or otherwise subject.

12. The SCSD has determined that the Series 2018B Project is essential to the proper administration of the public schools within the City and meets the essential needs of the students and residents, respectively, of the SCSD and the City. The SCSD has further determined that the Series 2018B Project shall continue to be essential to such administration and to meet such needs throughout the term of the Third Amended Agreement.
13. No event of default or event which, with notice or lapse of time or both, would constitute an event of default under any of the SCSD Documents has occurred and is continuing.
14. The statements and information contained in the Preliminary Official Statement and the Official Statement (with the exception of statements and information under the headings, "PROGRAM PARTICIPANTS - all subheadings other than the SCSD," "DISCUSSION OF FINANCIAL OPERATIONS OF THE CITY - Budget Procedures and Plans," "THE ISSUER," "TAX MATTERS," and "APPENDIX E —Form of Opinion of Bond Counsel") do not, as of the date of the Purchase Contract and the Closing Date, contain any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements and information therein, in light of the circumstances under which they were made, not misleading.
15. The SCSD has not failed during the previous five years to comply in all material respects with any of its undertakings in previous written continuing disclosure contracts or agreements under Rule 15c2-12.
16. The SCSD is in compliance with the material rules, regulations and other requirements of the State Education Department in connection with State Aid to Education revenues to the SCSD and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute such a breach of or default under any such requirements, such that State Aid to Education revenues could be impaired.

CERTIFICATE OF APPROVAL OF PLANS AND SPECIFICATIONS

Facilities Planning Project Control Number

District BEDS Code							Facility Code				Project No.				Review Number				Approval Date							

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning for three (3) years. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

During Construction - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision are available on the Office of Facilities Planning web site.

Construction Inspections – Title 19 (NYCRR) Chapter 32, Part 1203, paragraph 1203.3b mandates construction inspections at such times as will permit the observation of the foundation, and building elements and utilities prior to final inspection. The purpose of such inspections is to ensure work in accordance with the construction contract documents and compliance with the Building Code of New York State. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

Certification of Substantial Completion - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Partial Certification of Substantial Completion", form FP-PCSC, or a "Final Certification of Substantial Completion", form FP-FCSC, when it is appropriate to do so. A copy of each form is enclosed. Carefully retain these documents for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

Assurances - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to Title 19 (NYCRR) Chapter 32, Part 1203, paragraph 1203.3b.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, Final Certification of Substantial Completion, form FP-FCSC, should not be submitted until the entire project is substantially complete (i.e., there should be no qualifications on the form). In the case of a new building or an addition, where parts of a project may be occupied initially, use Partial Certification of Substantial Completion, form FP-PCSC and designate which portions of the project are not substantially complete. Subsequently occupied portions shall be certified when substantially complete. Final Certification of Substantial Completion, form FP-FCSC must be submitted when the entire project is substantially complete.

Fire Safety Inspection and Report - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire Safety Report form. The Fire Safety Report form is available on the Office of Facilities Planning web site. If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-3906. Carefully retain the form until needed at the time of substantial completion. See "Occupancy", below.

Occupancy - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send either a Partial Certification of Substantial Completion (form FP-PCSC) if a portion of the new space is being occupied, or a Final Certification of Substantial Completion (form FP-FCSC) if the entire new space is being occupied, together with the Fire/Safety Report form, to the Office of Facilities Planning. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

Final Building Project Report - A Final Building Project Report is required for every project for which a building permit is issued.

A copy of the Final Building Project Report form is available on the Office of Facilities Planning web site at www.p12.nysed.gov/facplan/ under Finance/QZAB/QSCB, Final Cost Report Workbook. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the State Aid Office soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

MaryEllen Elia

CERTIFICATE OF APPROVAL OF PLANS AND SPECIFICATIONS

Facilities Planning Project Control Number

4	2	1	8	0	0	0	1	0	0	1	7	0	1	4	1	7	0	1	7	2	0	9	2	1	1	7
District BEDS Code							Facility Code				Project No.				Review Number				Approval Date							

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning for three (3) years. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

During Construction - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision are available on the Office of Facilities Planning web site.

Construction Inspections – Title 19 (NYCRR) Chapter 32, Part 1203, paragraph 1203.3b mandates construction inspections at such times as will permit the observation of the foundation, and building elements and utilities prior to final inspection. The purpose of such inspections is to ensure work in accordance with the construction contract documents and compliance with the Building Code of New York State. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

Certification of Substantial Completion - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Partial Certification of Substantial Completion", form FP-PCSC, or a "Final Certification of Substantial Completion", form FP-FCSC, when it is appropriate to do so. A copy of each form is enclosed. Carefully retain these documents for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

Assurances - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to Title 19 (NYCRR) Chapter 32, Part 1203, paragraph 1203.3b.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, Final Certification of Substantial Completion, form FP-FCSC, should not be submitted until the entire project is substantially complete (i.e., there should be no qualifications on the form). In the case of a new building or an addition, where parts of a project may be occupied initially, use Partial Certification of Substantial Completion, form FP-PCSC and designate which portions of the project are not substantially complete. Subsequently occupied portions shall be certified when substantially complete. Final Certification of Substantial Completion, form FP-FCSC must be submitted when the entire project is substantially complete.

Fire Safety Inspection and Report - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire Safety Report form. The Fire Safety Report form is available on the Office of Facilities Planning web site. If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-3906. Carefully retain the form until needed at the time of substantial completion. See "Occupancy", below.

Occupancy - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send either a Partial Certification of Substantial Completion (form FP-PCSC) if a portion of the new space is being occupied, or a Final Certification of Substantial Completion (form FP-FCSC) if the entire new space is being occupied, together with the Fire/Safety Report form, to the Office of Facilities Planning. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

Final Building Project Report - A Final Building Project Report is required for every project for which a building permit is issued.

A copy of the Final Building Project Report form is available on the Office of Facilities Planning web site at www.p12.nysed.gov/facplan/ under Finance/QZAB/QSCB, Final Cost Report Workbook. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the State Aid Office soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

MaryEllen Elia
Commissioner of Education

The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning for three (3) years. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

During Construction - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision are available on the Office of Facilities Planning web site.

Construction Inspections – Title 19 (NYCRR) Chapter 32, Part 1203, paragraph 1203.3b mandates construction inspections at such times as will permit the observation of the foundation, and building elements and utilities prior to final inspection. The purpose of such inspections is to ensure work in accordance with the construction contract documents and compliance with the Building Code of New York State. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

Certification of Substantial Completion - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Partial Certification of Substantial Completion", form FP-PCSC, or a "Final Certification of Substantial Completion", form FP-FCSC, when it is appropriate to do so. A copy of each form is enclosed. Carefully retain these documents for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

Assurances - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to Title 19 (NYCRR) Chapter 32, Part 1203, paragraph 1203.3b.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, Final Certification of Substantial Completion, form FP-FCSC, should not be submitted until the entire project is substantially complete (i.e., there should be no qualifications on the form). In the case of a new building or an addition, where parts of a project may be occupied initially, use Partial Certification of Substantial Completion, form FP-PCSC and designate which portions of the project are not substantially complete. Subsequently occupied portions shall be certified when substantially complete. Final Certification of Substantial Completion, form FP-FCSC must be submitted when the entire project is substantially complete.

Fire Safety Inspection and Report - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire Safety Report form. The Fire Safety Report form is available on the Office of Facilities Planning web site. If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-3906. Carefully retain the form until needed at the time of substantial completion. See "Occupancy", below.

Occupancy - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send either a Partial Certification of Substantial Completion (form FP-PCSC) if a portion of the new space is being occupied, or a Final Certification of Substantial Completion (form FP-FCSC) if the entire new space is being occupied, together with the Fire/Safety Report form, to the Office of Facilities Planning. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

Final Building Project Report - A Final Building Project Report is required for every project for which a building permit is issued.

A copy of the Final Building Project Report form is available on the Office of Facilities Planning web site at www.p12.nysed.gov/facplan/ under Finance/QZAB/QSCB, Final Cost Report Workbook. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the State Aid Office soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

MaryEllen Elia

**CERTIFICATE OF DETERMINATION OF THE SENIOR VICE PRESIDENT OF THE
STATE OF NEW YORK MUNICIPAL BOND BANK AGENCY**

I, Nicole Ferreira, Senior Vice President of the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY DETERMINE, pursuant to the powers and duties delegated to me and in accordance with the applicable provisions set forth in Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, as follows:

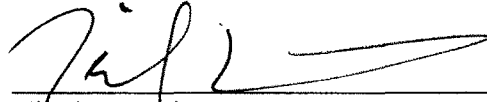

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act, as of May 30, 2018, I have received all the information required by the MBBA under the Syracuse Schools Act from the City of Syracuse (the "City"), the City School District of the City of Syracuse (the "School District"), the Syracuse Industrial Development Agency (the "SIDA") and the Joint Schools Construction Board of the City of Syracuse (the "JSCB"); and have accordingly determined that the interest rate on June 6, 2018 that would have been applicable to a bond issue sold by the MBBA of similar purpose, structure, method of sale, security and amount to the SIDA's School Facility Revenue Bonds (Syracuse City School District Project), Series 2018B would be approximately 3.20% on a true interest cost basis, and am so certifying to the Commissioner of the New York State Department of Education.

2. In making these financial determinations, I am relying upon the Certificate made by an authorized officer of Public Resources Advisory Group, financial advisor to the MBBA, appended hereto as **Exhibit A**.

3. A copy of the information received from the School District, the City, the SIDA and the JSCB in compliance with the Syracuse Schools Act is collectively annexed hereto as **Exhibit B**.

[Signature Page to Certificate of Determination – Senior Vice President]

IN WITNESS WHEREOF, I have hereunto set my signature this 6th day of June, 2018.

CERTIFICATE OF PUBLIC RESOURCES ADVISORY GROUP

I, Steven Peyser, President of Public Resources Advisory Group (hereinafter called "PRAG"), financial advisor to the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY CERTIFY that, in my role as financial advisor to the MBBA and in accordance with Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, I have reviewed pertinent documentation and analyzed certain financial and related information and state the following:

1. PRAG is registered as a municipal advisor with the U.S. Securities and Exchange Commission and the Municipal Securities Rulemaking Board and is qualified to act as financial advisor to the MBBA, and I, Steven Peyser, am a duly authorized signatory and make this certification in such capacity.
2. Pursuant to the statutory requirements set forth in the Syracuse Schools Act that the Joint Schools Construction Board, the City School District of the City of Syracuse, and the City of Syracuse compare financing available through the Syracuse Industrial Development Agency ("SIDA") with financing available through the MBBA, based on financial information in Exhibit A, based on my knowledge and experience and conversations with Raymond James & Associates, Inc. (the "Underwriter"), and assuming the same bond structure and method of sale as for the proposed SIDA's \$38,500,000 School Facility Revenue Bonds (Syracuse City School District Project), Series 2018B (the "Bonds"), I am of the opinion that, on June 6, 2018 the true interest cost for a bond issue of like purpose, structure, method of sale, security, and amount if issued by the MBBA would be approximately 3.20%.
3. Based on my examination, my knowledge and experience, and conversations with the Underwriter, I am of the opinion that the identity of the issuer of the proposed Bonds would have no material bearing on the marketing of the Bonds.
4. I attach hereto as Exhibit A certain financial information on which I have based the opinions set forth herein.

Dear Mayor Walsh,

In accordance with Section 6(2)(a) of Part A-4 of Chapter 58 of the Laws of 2006, as amended (Law), we have completed our review of, and hereby approve the Financial Plan for Phase II of the Syracuse Joint Schools Construction Board (SJSCB) Program. This approval is based upon the assumptions, terms and conditions of the Financial Plan adopted by the SJSCB on January 29, 2015, as further revised and presented to the Office of the State Comptroller (OSC) on August 10, 2017, with additional information subsequently submitted on behalf of the SJSCB. These assumptions include: a) each series of bonds will be issued within 90 days of the dates specified in the revised Financial Plan and b) the SJSCB will adhere to all New York State Education Department requirements such that State Building Aid reimbursement will be timely and at anticipated levels. Please note that any material change in the Financial Plan or the additional information submitted in connection with the Plan as presented to OSC, will require further review and approval by this Office.

As provided in the Law, our approval is limited to the components of the Plan for Phase II specifically set forth in section 6(2)(a). **CERTIFICATE OF DETERMINATION
BY THE SYRACUSE CITY SCHOOL DISTRICT CHIEF FINANCIAL OFFICER
AS TO FINANCING COST AND INTEREST RATE**

I, Suzanne Slack, Chief Financial Officer for the Syracuse City School District, Syracuse, New York (hereinafter called the “District”), **HEREBY CERTIFY** that, pursuant to the powers and duties delegated to me, as the Chief Fiscal Officer of the District and in accordance with Chapter 58 Pt. A-4 of the 2006 Laws of the State of New York, as amended (the “Syracuse Schools Act”) and subject to the limitations prescribed therein, I have made the following determinations:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act to compare financing through the Syracuse Industrial Development Agency (“SIDA”) with financing available through the State of New York Municipal Bond Bank Agency (“MBBA”), I have caused such a comparison to be made as to the interest rate for the financing of the Syracuse Schools Reconstruction Project through the issuance by SIDA of its \$38,500,000 aggregate principal amount of School Facility Revenue Bonds (Syracuse City School District Project), Series 2018B (“Series 2018B Bonds”) against the interest rate that would have been applicable to a like purpose, bond structure, method of sale, security and amount of bond issuance by the MBBA.

2. Based on such comparison, I have determined that the financing mechanism utilized by SIDA in the issuance of the Series 2018B Bonds for the Syracuse Schools Reconstruction Project results in the lowest cost to the state and city taxpayers.

3. The relevant information, as referenced above, in our possession was transmitted to a duly authorized officer of the MBBA.

4. The cost information and other financial information contained in Exhibit “A” (Certificate of Public Resources Advisory Group) annexed hereto with attached Schedules is sufficient to conclude that the interest rate related to the issuance of the Series 2018B Bonds through the SIDA would not be greater than the interest rate applicable had the Series 2018B Bonds been issued by the MBBA.

5. I attach hereto as Exhibit “B” a form of the Certificate of the Senior Vice President of the MBBA, stating that such Senior Vice President received all requested and required information from the City School District of the City of Syracuse, the City, SIDA and the Joint Schools Construction Board of the City of Syracuse and determined that the interest rate on June 6, 2018 that would have been applicable to a like purpose, bond structure, method of sale, security and amount of bond issuance by the MBBA would be approximately 3.20% on a true interest cost basis.

6. The Record of the Proceedings in this matter, with sufficient information to make the necessary determinations required by the Syracuse Schools Act, is annexed hereto collectively in Exhibits "A" and "B" as fully described above in the preceding paragraphs.

IN WITNESS WHEREOF, I have hereunto set my signature and the official seal of the City this 7th day of June, 2018.

CERTIFICATE OF PUBLIC RESOURCES ADVISORY GROUP

I, Steven Peyser, President of Public Resources Advisory Group (hereinafter called "PRAG"), financial advisor to the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY CERTIFY that, in my role as financial advisor to the MBBA and in accordance with Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, I have reviewed pertinent documentation and analyzed certain financial and related information and state the following:

1. PRAG is registered as a municipal advisor with the U.S. Securities and Exchange Commission and the Municipal Securities Rulemaking Board and is qualified to act as financial advisor to the MBBA, and I, Steven Peyser, am a duly authorized signatory and make this certification in such capacity.
2. Pursuant to the statutory requirements set forth in the Syracuse Schools Act that the Joint Schools Construction Board, the City School District of the City of Syracuse, and the City of Syracuse compare financing available through the Syracuse Industrial Development Agency ("SIDA") with financing available through the MBBA, based on financial information in **Exhibit A**, based on my knowledge and experience and conversations with Raymond James & Associates, Inc. (the "Underwriter"), and assuming the same bond structure and method of sale as for the proposed SIDA's \$38,500,000 School Facility Revenue Bonds (Syracuse City School District Project), Series 2018B (the "**Bonds**"), I am of the opinion that, on June 6, 2018 the true interest cost for a bond issue of like purpose, structure, method of sale, security, and amount if issued by the MBBA would be approximately 3.20%.
3. Based on my examination, my knowledge and experience, and conversations with the Underwriter, I am of the opinion that the identity of the issuer of the proposed Bonds would have no material bearing on the marketing of the Bonds.
4. I attach hereto as **Exhibit A** certain financial information on which I have based the opinions set forth herein.

8. No action, suit, proceeding or investigation is pending or (to the best of my knowledge) threatened against the JSCB or (to the best of my knowledge, no independent investigation having been made) any other person in any court or before any Court, governmental authority, legislative body, board, agency or commission: (a) seeking to restrain or enjoin the issuance or delivery of any of the

10. The Series 2018B Project, as described in the Preliminary Official Statement and the Final Official Statement, is in compliance with the Syracuse Schools Act.
11. 13. The statements and information contained in the Preliminary Official Statement dated June 1, 2018, with respect to the Series 2018B Bonds (the "**Preliminary Official Statement**") and the Official Statement, dated June 7, 2018 (the "**Official Statement**"), relating to the Series 2018B Bonds under the headings, "INTRODUCTION - Purpose" and "-The Program and the Series 2018B Project," "THE PROGRAM AND THE SERIES 2018B PROJECT" and "PROGRAM PARTICIPANTS — The JSCB" do not, as of the date of the Purchase Contract and the Closing Date, contain any untrue statements, of a material fact or omit to state a material fact necessary in order to make the statements and information therein, in light of the circumstances under which they were made, not

RESOLUTION OF THE BOARD OF DIRECTORS OF THE JOINT SCHOOLS CONSTRUCTION BOARD EXPRESSING ITS INTENT TO FINANCE A PROJECT WITH THE PROCEEDS OF TAX-EXEMPT BONDS AND TO ALLOCATE A PORTION OF SUCH BOND PROCEEDS TO THE REIMBURSEMENT OF EXPENDITURES THAT MAY BE INCURRED PRIOR TO ISSUANCE OF SUCH BONDS.

The following resolution was offered by Councilor Bill Ryan, who moved its adoption, seconded by Commissioner Calvin Corbridge, to-wit:

WHEREAS, the Joint Schools Construction Board (hereinafter referred to as the "JSCB") was authorized by New York State through Chapter 58 A-4 of the laws of 2006 (the "Act") and created through an agreement dated April 1, 2004 by and between the City of Syracuse (the "City") and the Board of Education of the City School District of the City of Syracuse (the "School District"); and

WHEREAS, pursuant to the Act, the JSCB intends to undertake a project consisting of the planning, designing, construction, improvement, remodeling, repairing, furnishing and equipping of certain buildings and facilities of the City School District of the City of Syracuse (collectively, the "Project"), and

WHEREAS, the Internal Revenue Code of 1986, as amended and the regulations promulgated pursuant thereto require the JSCB to take this action in connection with the payment of certain expenses of the Project prior to the issuance of tax-exempt bonds, in order to allow the JSCB to be reimbursed for such expenditures.

NOW THEREFORE, BE IT RESOLVED, that;

Appendix A
State Environmental Quality Review
FULL ENVIRONMENTAL ASSESSMENT FORM

Purpose: The full EAF is designed to help applicants and agencies determine, in an orderly manner, whether a project or action may be significant. The question of whether an action may be significant is not always easy to answer. Frequently, there are aspects of a project that are subjective or unmeasurable. It is also understood that those who determine significance may have little or no formal knowledge of the environment or may not be technically expert in environmental analysis. In addition, many who have knowledge in one particular area may not be aware of the broader concerns affecting the question of significance.

The full EAF is intended to provide a method whereby applicants and agencies can be assured that the determination process has been orderly, comprehensive in nature, yet flexible enough to allow introduction of information to fit a project or action.

Full EAF Components: The full EAF is comprised of three parts:

- Part 1: Provides objective data and information about a given project and its site. By identifying basic project data, it assists a reviewer in the analysis that takes place in Parts 2 and 3.
- Part 2: Focuses on identifying the range of possible impacts that may occur from a project or action. It provides guidance as to whether an impact is likely to be considered small to moderate or whether it is a potentially-large impact. The form also identifies whether an impact can be mitigated or reduced.
- Part 3: If any impact in Part 2 is identified as potentially-large, then Part 3 is used to evaluate whether or not the impact is actually important.

THIS AREA FOR LEAD AGENCY USE ONLY

DETERMINATION OF SIGNIFICANCE -- Type 1 and Unlisted Actions

Identify the Portions of EAF completed for this project: Part 1 Part 2 Part 3
Upon review of the information recorded on this EAF (Parts 1 and 2 and 3 if appropriate), and any other supporting information, and considering both the magnitude and importance of each impact, it is reasonably determined by the lead agency that:

- A. The project will not result in any large and important impact(s) and, therefore, is one which will not have a significant impact on the environment, therefore a negative declaration will be prepared.
- B. Although the project could have a significant effect on the environment, there will not be a significant effect for this Unlisted Action because the mitigation measures described in PART 3 have been required, therefore a CONDITIONED negative declaration will be prepared.*
- C. The project may result in one or more large and important impacts that may have a significant impact on the environment, therefore a positive declaration will be prepared.

*A Conditioned Negative Declaration is only valid for Unlisted Actions

PART 2 - PROJECT IMPACTS AND THEIR MAGNITUDE
Responsibility of Lead Agency

General Information (Read Carefully)

in completing the form the reviewer should be guided by the question: Have my responses and determinations been reasonable? The reviewer is not expected to be an expert environmental analyst. The Examples provided are to assist the reviewer by showing types of impacts and wherever possible the threshold of magnitude that would trigger a response in column 2. The examples are generally applicable throughout the State and for most situations. But, for any specific project or site other examples and/or lower thresholds may be appropriate for a Potential Large Impact response, thus requiring evaluation in Part 3. The impacts of each project, on each site, in each locality, will vary. Therefore, the examples are illustrative and have been offered as guidance. They do not constitute an exhaustive list of impacts and thresholds to answer each question. The number of examples per question does not indicate the importance of each question. In identifying impacts, consider long term, short term and cumulative effects.

Instructions (Read carefully)

- Answer each of the 20 questions in PART 2. Answer **Yes** if there will be any impact.
- Maybe** answers should be considered as **Yes** answers.
- If answering **Yes** to a question then check the appropriate box(column 1 or 2)to indicate the potential size of the impact. If impact threshold equals or exceeds any example provided, check column 2. If impact will occur but threshold is lower than example, check column 1.
- Identifying that an impact will be potentially large (column 2) does not mean that it is also necessarily **significant**. Any large impact must be evaluated in PART 3 to determine significance. Identifying an impact in column 2 simply asks that it be looked at further.
- If reviewer has doubt about size of the impact then consider the impact as potentially large and proceed to PART 3.
- If a potentially large impact checked in column 2 can be mitigated by change(s) in the project to a small to moderate impact, also check the **Yes** box in column 3. A **No** response indicates that such a reduction is not possible. This must be explained in Part 3.

3. Based on the information available, decide if it is reasonable to conclude that this impact is **important**.

To answer the question of importance, consider:

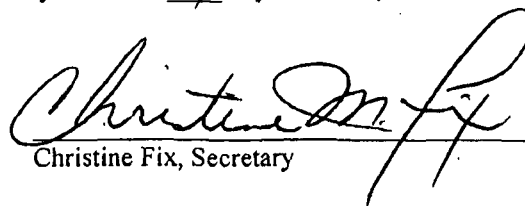

- ! The probability of the impact occurring
- ! The duration of the impact
- ! Its irreversibility, including permanently lost resources of value
- ! Whether the impact can or will be controlled
- ! The regional consequence of the impact
- ! Its potential divergence from local needs and goals
- ! Whether known objections to the project relate to this impact.

Section 1 - INTRODUCTION

INTRODUCTION

The Syracuse Joint Schools Construction Board (hereinafter referred to as the "JSCB") was created through the City of Syracuse and the Board of Education of the City School District of the City of Syracuse Cooperative School Reconstruction Act (the "Act") authorized by New York State through Chapter 58 A-4 of the Laws of 2006 and created through an agreement dated April 1, 2004 by and between the City of Syracuse (the "City") and the Board of Education of the City School District of the City of Syracuse (the "School District").

Pursuant to the Act, the JSCB intends to undertake a project consisting of the design, reconstruction, or rehabilitation of existing school buildings for their continued use as schools of the School District, which may include the addition to an existing school building, and which may also include (1) the construction or reconstruction of athletic fields, playgrounds, and other recreational facilities for such existing school buildings, and/or (2) the acquisition and installation of all equipment necessary and attendant to and for the use of such existing school buildings (collectively, "Phase I Projects").

Seven projects are authorized pursuant to the Act and make up the Phase I Projects for up to a total cost of \$225 million. Such Phase I Projects are located at:

- Central High School (also known as Central Tech or Institute of Technology)
- Blodgett School
- Shea Middle School
- H.W. Smith Elementary School
- Clary Middle School
- Dr. Weeks Elementary School
- Fowler High School

The Act authorizes new and innovative ways to renovate the school buildings and authorizes various financing techniques to accomplish the Financial Plan for the Phase I Projects. The Financial Plan presented to the Office of the State Comptroller in Section 2 herein was put together after careful consideration and a thorough analysis of all options available to the JSCB. The following is a synopsis overview of certain components introductory to the presentation of the complete Financial Plan.

UNDERWRITING TEAM

The JSCB, through a comprehensive Request for Proposal process, selected the following firms to serve in their designated capacities for financing of the Phase I Projects. Each firm demonstrated ample qualifications and sufficiency to provide the requisite services as well as complied with the JSCB's Diversity Plan.

The JSCB selected the firm of **DEPFA First Albany Securities LLC** to serve as Senior Managing Underwriter for Phase I of the Schools Construction Program. The JSCB's review process for Underwriter(s) focussed on the capabilities and experience of each firm who proposed as it related to (a) knowledge of New York State school building aid; (b) the sale and distribution of tax-exempt securities; (c) financing through Industrial Development Agencies, the New York State Municipal Bond Bank Agency or Certificates of Participation; (d) the experience, abilities and the creativity of the professional staff; and (e) capital sufficiency of the firm. The JSCB received 19 proposals all of which were rated and ranked based on the above criteria. The field of potential underwriters being considered for Senior Managing Underwriter was eventually narrowed down to two firms who were each asked to make formal presentations to the JSCB. In the capacity of Senior Managing Underwriter, **DEPFA First Albany Securities** recommended, and it was accepted, the use of **Hawkins Delafield & Wood LLP** as Underwriters' Counsel.

It was desired by the JSCB to select co-managing underwriters based on Minority and/or Women-owned status, so long as they demonstrated sufficiency in the attributes necessary for successful performance by a co-managing underwriter. After a careful review of the proposals submitted, and a similar rating and ranking system adhered to for the Senior Managing Underwriter, the following firms were selected to serve as co-managing underwriters: **Ramirez & Co., Inc. jointly with Roosevelt & Cross, Incorporated, Loop Capital Markets, LLC, and Alta Capital Group, LLC.**

EXPECTED COST

While the Act provides for a total cost of up to \$225 million for the Phase I Projects, under prevailing market conditions and based on current estimates of project costs, including Program Manager, Architect and Engineers, and Building Commissioning, and cost of construction, the JSCB currently expects that **\$180 million** of available proceeds will be sufficient to complete the proposed projects as conceptually contemplated. As such, the Financial Plan has been prepared utilizing the requirement to provide for \$180 million in proceeds to the project construction fund for the JSCB to use for such costs. *Section 2.A. of the Financial Plan provides details of the \$180 million composition.*

METHOD OF FINANCING

The JSCB expects to utilize the **Syracuse Industrial Development Agency (SIDA)** as the conduit issuer and means of financing the Phase I Projects. Careful consideration was made to the alternative conduit issuer provided for in the Act, i.e. the New York State Municipal Bond Bank Agency, as well as alternative means of financing, i.e. City of Syracuse GOs. A number of weighing factors in each case were analyzed and the results are provided within the Financial Plan. *Section 2.C. and Section 2.F. of the Financial Plan provide the analyses and rationale used for the selection of SIDA.*

EXPECTED FINANCING TIMEFRAME

The Institute of Technology received all the necessary approvals by SED on December 28, 2006, providing for the reimbursement of state aid to commence in the 2007-08 FY (1/2 payment) and the ability for the JSCB to borrow the funds necessary to complete this project. Based on the estimation that the Office of the State Comptroller will complete its review of the Financial Plan in 60 days, the necessary application process that must be gone through for SIDA financing, and the documentation that must be prepared to allow for market participation, it is currently expected that financing for the Institute of Technology and up to \$10 million of soft costs for the remaining six schools ("Tranche I") will transpire in **February 2008**. Tranche II, which would provide for the balance of proceeds necessary to complete the construction of the Phase I projects is expected to transpire in **February 2009**, after final plans and specifications have been submitted and approved by SED.

Section 2 - FINANCIAL PLAN

The Financial Plan presented herein extends well beyond the initial scope expectations of financing the Phase I Projects. Forward thinking consideration was made as to the financing requirements of Phases II-IV of the District-Wide Reconstruction Project Master Plan (the "Master Plan") as well and how the overall Master Plan fits within the confines and abilities of the City and School District to finance such overall needs and to provide for the payment of non-aidable costs. An outline of the foundation of the Master Plan is warranted in order to understand the magnitude of importance of each of its Phases and how the Financial Plan of Phase I is a precursor to the success of Phases II-IV.

MASTER PLAN

The School District, located in Central New York, is the fifth-largest school district in the State and serves a diverse urban population of approximately 21,000 students. The School District currently occupies 42 buildings of which 37 house schools: 21 for elementary, six for middle, four for K-8, four for high school, and two for alternative programs. In addition, five buildings house support functions including central offices, building maintenance, transportation maintenance, property control and storage.

Context and Summary of Rationale - The facilities that house the School District's schools are in great need of timely, massive renovation of existing space, and addition of new, educationally appropriate space. Recent comprehensive investigations studied areas such as curriculum and instruction, instructional and institutional organization, student demographics, and physical plant condition. All confirm the importance and urgency of mounting an expedited district wide reconstruction program. These findings are consistent with recent redevelopments in the field of education coupled with the challenging conditions typical of schools in many other cities in the northeast United States.

- √ A need to meet new quality-education standards and initiatives developed by the New York State Education Department and the Syracuse City School District.
- √ A need to meet the needs of an increasingly diverse student population.
- √ A need to meet the needs of a growing proportion of special-needs students.
- √ A need to meet the needs of an increasingly vital and successful education program.
- √ A need to meet the increased awareness of general health, and physical and emotional needs of students and staff.
- √ A need to meet the increased understanding of life-safety and health issues.
- √ A need to respond to development of physical plant deficiencies.

Goals of the Comprehensive Plan - The scope and urgency of work required in the School District is extensive due to the numerous and in some cases significant deficiencies present. The goals listed below are believed to be sound and should enhance student learning, assist in reducing the dropout rate and preserve facilities.

- √ Relocate programs from leased spaces to owned facilities, and close selected facilities.
- √ Eliminate use of substandard spaces.
- √ Provide adequate spaces.
- √ Address building inadequacies.
- √ Adopt planning approach that supports reduced dropout rate.

Project Phasing Plan - Schools have been prioritized into Phases I, II, III and IV based on the condition of the building's existing physical plant as identified by a 2000 Building Condition Survey and the need to geographically balance improvements across each quadrant of the School District. Listed on the following page are the school buildings designated in each Phase of the Master Plan as well as a geographic depiction of their location within the City's boundaries.

2.A. ESTIMATE OF TOTAL COSTS TO BE FINANCED FOR PHASE I

EXPECTED FUNDS NEEDED FOR PLAN COMPLETION

Of the projects and respective costs outlined in the Master Plan, it is currently anticipated that \$180 million of available proceeds in the project construction fund will be needed to complete Phase I of the Plan of Financing. Certain inflationary factors and potential cost variabilities were built into the Master Plan estimates and, as such, the authorizing Act provides for up to an original financing cost of \$225 million for the Phase I Projects. While absolute dollar costs will not be known until final plans and specifications have been finalized and approved by SED for all of the schools, it is currently estimated that \$180 million in proceeds will be sufficient for completion of the Phase I Projects based on current project expectations and cost estimates.

EXPECTED COSTS TO BE FINANCED

100% of the costs expected to be funded through building aid, currently estimated at \$133,194,359¹, as well as \$30,102,691 that would need to be paid from local source revenues, will be funded through the issuance of bonds for an aggregate of \$163,297,050. It is expected that \$16,702,950 received by the School District in the form of Excel Aid will be used towards the funding of other local share costs over and above those funded through bonds.

¹ Maximum Cost Allowance ("MCA") as estimated by SED based on their review of the Master Plan Phase I Projects is \$140,148,823. This amount is subject to change when Final Plans and Specifications are submitted to SED for review and approval.

² \$2,750,000 for Institute of Technology was borrowed on May 2, 2002 (\$2,000,000) and June 15, 2005 (\$750,000) through the issuance of City GO bonds for the payment of certain soft costs and will receive building aid accordingly based on the MCA for total project costs.

2.B. PROPOSED FINANCING PLAN FOR PHASE I

A number of factors were considered when developing the overall Financing Plan for the Phase I Projects, many of which extend well beyond the initial scope expectations of Phase I. Forward thinking consideration was made as to the financing requirements of Phases II-IV of the Master Plan, as well as how the overall Master Plan fit within the confines and abilities of the City and School District to finance such overall needs and to provide for the payment of non-aidable costs. Certain decisions that were made, i.e. issuing bonds through the Syracuse Industrial Development Agency ("SIDA") or through City GO bonds, utilizing SIDA or the New York State Municipal Bond Bank ("MBBA") as the issuing entity, are explained and supported in further detail throughout this Plan submission.

Outlined below are the intrinsic factors that determined the overall approach to meeting the sizing and timing requirements of Phase I financing.

- The Institute of Technology project received final approval by SED on December 28, 2006. As such, final plans and specifications are in place and the 18 month clock has started ticking as it pertains to receiving building aid reimbursements. Furthermore, the JSCB, the School District, the City, as well as all those in the community, is anxious to see this project completed.
- In order to receive better estimates on costs for the remaining schools, Architect and Engineering firms ("A & E") as well as a Building Commissioning firm needs to be retained to develop final plans and specifications for submission to SED. In order to provide for payment of fees to A & E and Building Commissioning firms, as well as other firms involved in the overall Plan of Financing, certain soft costs, to the extent allowable, need to be borrowed near term.
- It is the current expectation that all remaining schools will have their plans and specifications drawn up simultaneously and submitted to SED for approval at the same time. The JSCB is currently in the process of evaluating proposals from all A & E firms that submitted proposals and it is the expectation that all such firms selected will commence work by year end. Furthermore, RFPs for Building Commissioning firms will be going out shortly.

As a result of these considerations, the JSCB has decided to approach the Phase I Plan of Finance with a two tranche approach. Below are the basic assumptions serving as the foundation to each tranche issuance.

	Tranche I	Tranche II
Issuing Entity:	SIDA (See 2.C)	SIDA (See 2.C)

Projects Financed:	• Institute of Technology Plus: \$10 million of proceeds to provide for the funding of soft costs for all other schools	• Blodgett School • Shea Middle School • H.W. Smith Elementary School • Clary Middle School • Dr. Weeks Elementary School • Fowler High School Less: \$10 million of soft costs already financed in Tranche I
Amortization Term: <i>Amortization Term coincides with period of expected building aid reimbursement</i>	19 1/2 years ¹ for Institute of Tech. 20 years for pro-rata soft costs for Clary and Fowler 15 years for pro-rata soft costs for Blodgett, H.W.Smith, Shea & Weeks	20 years for Clary and Fowler 15 years for Blodgett, H.W. Smith, Shea and Weeks.

* Difference between Expected Proceeds for project and that amount funded through bonds is Excel Aid to be used towards project.

2.C. PROPOSED METHOD OF FINANCING FOR PHASE I

An evaluation was made as to whether it is deemed more financially advantageous to issue the Bonds through SIDA or the MBBA, notwithstanding the City's desire to support local efforts when accomplishing its goals. From a purely financial perspective, both interest rates and other borrowing costs were evaluated. As shown below, under "optimal" market conditions, interest rates for a financing through SIDA and the MBBA are essentially the same except as noted in the 6-10 year range. Conversely, under "stressed" market conditions, such as those we are experiencing today, interest rates could widen to 2-3 bps up and down the yield curve. On any given day, interest rate differentials could widen or narrow, as well as extend or retract to any degree to other maturities, depending on a number of factors including evaluation of underlying credit classes due to "flight to quality" issues, name recognition of an issuing entity, and participation of retail investors.

Year	Optimal Market		Stressed Market		Year	Optimal Market		Stressed Market	
	SIDA Yield (%)	MBBA Yield (%)	MBBA Yield (%)	SIDA Yield (%)		MBBA Yield (%)	MBBA Yield (%)		
1	3.39	3.39	3.37	11	4.25	4.25	4.22		
2	3.42	3.42	3.40	12	4.31	4.31	4.28		
3	3.50	3.50	3.48	13	4.37	4.37	4.34

5	3.68	3.68	3.66	15	4.47	4.47	4.44		
6	3.76	3.74	3.73	16	4.51	4.51	4.48

10	4.16	4.14	4.13	20	4.65	4.65	4.62		

Furthermore, we considered fees expected to be charged by both SIDA and MBBA. All other issuance costs relative to the financing by either entity were assumed to be the same, i.e. bond and other legal counsel, financial advisor, underwriting fees, bond insurance, etc.

SIDA Proposed Fees ¹	MBBA Estimated Fees ²
0.50% of project cost payable up-front	10 bps payable annually based on original par

¹ This is a reduced fee from the 1% printed on SIDA's fee schedule.

² Based on conversations with MBBA and fees charged on prior deals.

Financing all of Phase I was considered in the evaluation of which issuing entity to utilize, including the proposed tranching of this Phase. When quantified, by issuing the bonds through SIDA, the following reduction in issuance costs and overall debt service are estimated to be realized.

	Optimal Market		Stressed Market
	SIDA	MBBA	MBBA
Issuer Fee:	\$850,775 up-front	\$2,224,760 agg. (PV) \$169,370/year	\$2,225,312 agg. (PV) \$169,120/year

Installment Sale Agreement - To avoid the significant cost of liability insurance for the School District in favor of SIDA to protect SIDA against third party liability such as slips and falls on school premises, etc., the proposed financing structure provides for the City and the School District to ground lease the project premises to SIDA and assignment and sale by SIDA of its leasehold interest under the ground lease to the School District pursuant to an Installment Sale Agreement. The School District will then be obligated, on a subject to appropriation basis and limited in source as to State school aid revenues, to make installment purchase payments equal to debt service on the bonds as consideration for the sale. With this structure, SIDA will not retain a continual possessory interest in the project premises over the term of the bond financing and thereby become more at risk for third party suits. That is, SIDA will only touch the property at closing when the premises are ground leased to SIDA; but pursuant to the Installment Sale Agreement, SIDA will immediately divest itself of this same possessory interest. With this structure, SIDA should be comforted that a suit brought relative to the premises would not find SIDA liable for any condition of the premises as SIDA will no longer have an interest in the premises.

2.F. COMPARISON OF GO BONDS AND THE PROPOSED METHOD OF FINANCING

The overriding factor determining whether to issue bonds through City GO's or through SIDA is the available Debt Contracting Margin of the City. Outlined below is a five year history, approximated at about the same time each year, of the debt contracting margin available to the City.

EVALUATION OF DEBT CONTRACTING MARGIN

Clearly, the currently calculated \$74,334,263 debt contracting margin of the City does not come near to being enough to cover the financing needs of Phase I, let alone Phase II-IV as well. Further, when considering current authorized but unissued debt of the City, this margin falls to \$33,834,263.

Debt Contracting Margin as of 10/2/07	\$ 74,334,263
Adjustments for Authorized but Unissued Debt	
Authorized but Unissued Debt	\$ 84,500,000 *
Less: Exclusions	<u>44,000,000</u>
	\$ 40,500,000
Adjusted Debt Contracting Margin for Combined City/School District Purposes	\$ 33,834,263

* Special note should be made of the City's commitment to reviewing its Multiyear Financial Plan and evaluating the need for any new debt issuances as was contemplated (See 2.G.).

There are two factors unique to Syracuse, as well as the other Big Five Cities that contribute to the limiting ability of debt issuance through City GOs. Notably, building aid cannot be excluded from the debt limit and it must adhere to a restrictive formula in its debt limit calculation.

Non-Exclusion of Building Aid from Debt Limit - Section 121.20 of the Local Finance Law does not provide for the exclusion of debt that either small city school districts or the Big Five Cities expects to receive building aid on. Conversely, upon application for and receipt of an exclusion certificate from the State Commissioner of Education, a central or union free school district can deduct the amount of building aid it currently expects to receive from the State on its outstanding debt. In particular to Syracuse, this would allow for an exclusion of approximately \$92.9 million from its debt limit and an increase in its debt contracting margin by a like amount. Additionally, Phase I would only contribute approximately \$46,805,641 of debt towards the limit, as \$135,944,359 is expected to be received in building aid based on the current estimation of MCA.

Debt Limit Calculation - Pursuant to Article VIII, § 4 of the State Constitution, Syracuse, as well as the other Big Five Cities have a debt limitation of 9% of the five year average full valuation (except the City of New York which has 10%) in the calculation of their debt limits. Of special consequence to the Big Five is that both city and school purpose debt are combined within the debt capacity constraints of such cities, with no definition of how each city is to determine the allocation between city purpose and school district purpose debt. The current debt limit formula places significant constraints on such Cities in the amount of debt they can issue. First, the averaging of full valuation over a five year period provides for a smaller valuation number in the preponderance of cases than if only the most current year were used, as is the case for central and union free school districts. Secondly, the 9% calculation provides for almost half the debt capacity as that derived by central and union free school districts based on their 10% allowable calculation when it is considered together with the 7% calculation imposed by its underlying/overlapping towns.

CASH FLOW IMPLICATIONS

Under the mechanism in place for SIDA financing and as more fully described in Section 2.D., to facilitate the collection of State Aid and payment of installment purchase payments, a Depository, the City, the Trustee and the School District will enter into a State Aid Trust Agreement. In accordance with such Agreement, the City and School District will instruct the State Comptroller to pay all State Aid directly to a State Aid Depository Fund to be held by the Depository under the Agreement. The Agreement provides for the payment of State Aid to the Trustee under the Indenture.

A State Aid set-aside collection period of December 1 to March 31, with installment purchase payments of April 1, is currently being used in our analysis based on the preliminary premise that this time period will have the least adverse impact on City and School District cash flows. In order to enhance coverage and simplify the flow of funds through the Indenture, such payments of State Aid to the Trustee will be for the components of the financing expected to receive State Aid as well as the local share component that would ordinarily have been paid from other sources, i.e. taxes. Mismatches in timing of when the School District would normally have received the State Aid that will now be used to pay local share debt and when it will be receiving the tax or other revenue source payments that will now not be used for the payment of local share debt could create an increased sizing need in the School District's annual cash flow borrowing. While the exact sizing impact, if any, is not currently known, it is estimated that for every incremental increase of \$10 million in RAN borrowing, the School District would need to provide for approximately \$360,000 in interest, based on current market rates of 3.60%.

2.G. AVAILABLE RESOURCES TO COVER LOCAL SHARE ON ANNUAL BASIS

An in-depth evaluation and analysis of the overall financial condition of both the School District and the City was taken into account when optimizing a financial model that allowed for proceeds of \$180,000,000 to be available for the completion of the Phase I Projects as well as optimizing the proceeds to be realized for the completion of all the contemplated school buildings in Phases II through IV. More importantly, and of significant focus and concern of the School District and City, was to keep impact for funding local share debt service at current levels when developing a financial strategy to accomplish all that was hoped for in the Master Plan.

EVALUATION OF CITY DEBT

A debt profile was constructed that allowed for the presentation of all debt currently outstanding for City purposes. (See Exhibit A). This debt (excluding self-supporting and excludable debt), and its scheduled amortization structure, are believed to provide for an expected pattern of debt issuance by the City that allows for no more debt to be issued than meets the current pattern of retirement. While the current Multiyear Financial Plan and Fiscal Performance Plan (FY 2008-2011) of the City (See Exhibit C) does reflect an increase in debt service payments in the General Fund commencing in the 2009 fiscal year, the City has committed to revisiting this Financial Plan and evaluating the need for such debt issuances as currently contemplated.

As a result of the expectation that City General debt will remain at constant levels, it has not been included in the quantitative modelling as presented below.

EVALUATION OF OUTSTANDING SCHOOL DISTRICT DEBT

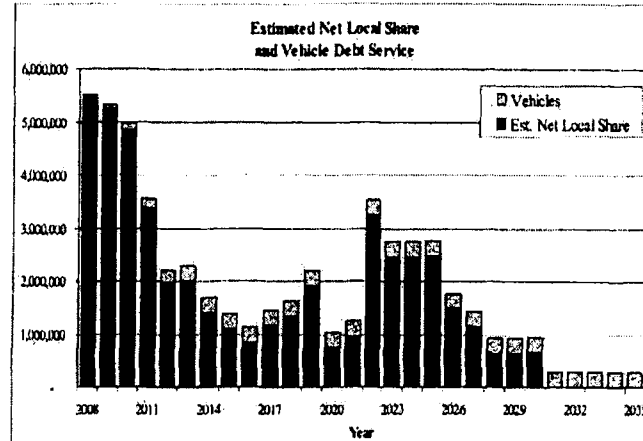

A debt profile was also constructed for the presentation of all debt currently outstanding for School District purposes. More relevant, is the extension of this debt that allows for the exclusion of all building aid expected to be received on such debt. (See Exhibit B). Shown to the right, is the current net debt service, i.e. non-aidable "local share" debt service, expected to be paid by the School District over the life of the outstanding issues. The year in which local share payments are the greatest is the 2008 fiscal year. Since 2008 is the fiscal year in which the School District is currently operating in and this amount has been budgeted and provided for, it was deemed reasonable to assume that this amount of local share could be provided for in each fiscal year moving forward without having to make provisions for budgetary cuts or finding additional revenue sources.

INCORPORATION OF NEW NON-JSCB DEBT INTO EVALUATION

It was recognized that any additional borrowings contemplated by the School District should be built into the modelling assumptions. The School District currently has plans for a capital financing sized at \$13,235,000, however, it is expected that 100% of this debt will be funded with building aid or the use of excel monies. Therefore, the addition of this issue was deemed to have a "net 0" impact on School District budgetary concerns and it has not been included into our modelling assumptions. No other capital projects are contemplated at this time as the JSCB financing is expected to provide for all foreseeable project needs. Vehicle borrowings are expected at the rate of \$500,000 per year of which \$250,000 for buses is expected to be aided. As shown to the right, we have layered the non-aidable component

of the annual vehicle borrowing to our outstanding local share debt service to derive all non-JSCB debt that should be considered when building our model for the Master Plan.

GROWTH RATE ASSUMPTIONS

Finally, all things being equal, one could argue that most components that make up revenues and expenditures do grow over time, particularly that for debt service. A number of growth measures were

considered for incorporation into the Master Plan model including ten-year historical averages for General City tax rate increase (1.77%), General City School District tax rate increase (3.69%), General Fund City bonded debt (16.04%), School District bonded debt (5.67%), and growth in Assessed Valuation of the City (flat). Wanting to err on the size of conservatism, it was felt prudent to utilize the ten-year historical average for the rate of inflation. This 2.5% ten-year average, coincidentally, is also the current level for such economic predictor.

FINANCIAL MODELLING OF MASTER PLAN

The final considerations built into the Master Plan model was the recognition that Phase I is just that, Phase I. The Financial Plan presented herein extends well beyond the initial scope expectations of financing the Phase I Projects. Forward thinking consideration was made as to the equal importance of each of the Phases II-IV of the Master Plan to the Syracuse community as well as recognition that the debt model considerations described above need to be adhered to. The following modelling assumptions for each of the four phases of the Master Plan were built into a financial model that provided for \$180 million in proceeds for Phase I to be realized and optimized the proceeds available to be realized in each of Phases II-IV.

* ½ debt service payment in final year for Institute of Technology coincides with final ½ year payment of State Aid.

The following chart reflects the aggregate expected local share debt service payments of each of Phases I – IV of the Master Plan, together with the existing and other expected local share debt service payments of the School District, providing for a conservative growth equal to the 2.5% rate of inflation.

Section 3 - SUMMARY

The Syracuse City School District has developed a comprehensive Master Plan for addressing the high expectations and demands of the new learning standards and graduation requirement established by the New York State Regents. This Plan calls for the addition of the Institute of Technology @ Syracuse and modifications to existing school facilities to meet the goals listed in Section 2 herein. While the Plan clearly addresses new State requirements, it incorporates support for those instructional programs and student services that are deemed important to the community of Syracuse and support the reduction of dropout rates. Implementation of this Plan and the related facility projects will enable the District to meet the needs of all students.

Schools have been prioritized into Phases I, II, III and IV based on the condition of the building's existing physical plant and the need to geographically balance improvements across each quadrant of the School District. Many factors were considered in developing this Financial Plan for the Phase I Projects, many of which extend well beyond the scope expectations of Phase I. Forward thinking consideration was made as to the financing requirements of Phases II-IV of the Master Plan, as well as how the overall Master Plan fits within the confines and abilities of the City and School District to finance such overall needs and to provide for the payment of non-aidable costs. Some important factors that integrally determined how most prudently to proceed include:

- **Issuing bonds for the Phase I Projects in a two tranche approach.** Issuing Tranche 1 near term will allow for the commencement of project construction for the Institute of Technology as well as provide for \$10 million of monies to pay certain soft costs relative to the remaining schools in this Phase. Allowing for the Program Manager and Architects and Engineers to commence work in preparing plans and specifications for the remaining schools will better allow the School District to finetune cost estimates and SED Maximum Cost Allowances in preparation for the Tranche 2 issuance.
- **Issuing the Phase I Bonds through SIDA rather than the MBBA.** An evaluation of issuing bonds through SIDA and the MBBA was completed and cost savings are expected to be recognized by issuing the bonds through SIDA in the form of reduced borrowing costs and lower overall debt service payments.
- **Issuing the Bonds through SIDA rather than through City GOs.** Careful consideration was made as to the City's limited available debt contracting margin and the recognition, because of this limitation, that City GOs really is not a feasible option based on the financial objectives of Phase I as well as the rest of the Master Plan.
- **Evaluation of Outstanding City debt.** A review of the City's existing debt profile was completed as well as any financing expectations built into the City's Multiyear Financial Plan. The City has committed to revisiting its Multiyear Financial Plan and evaluating the need for any new debt issuances beyond the capacity freed up as a result of outstanding debt amortization.
- **Evaluation of Outstanding School District debt.** A debt profile was constructed for the presentation of all debt currently outstanding for School District purposes. This debt profile provided for the exclusion of all building aid to be received on such debt. Further, any expected borrowings that were earmarked as local share debt was added to the debt profile. It is the intention of the School District to not pay any additional local share debt beyond the current fiscal year level, providing for only a reasonable 2.5% increase each year based on the ten-year historical average of the rate of inflation.
- **Optimization of all debt issued in the Master Plan.** An quantitative optimization model was constructed that allows for \$180 million of proceeds to be available in the project construction fund to pay the Phase I Project costs after all other bonding costs of issuance have been paid, as well as the optimization of proceeds for Phases II-IV, all while adhering to local share debt issuance thresholds.
