Technology Review Determination

S.T. No. 23-002 "Body-Worn Cameras for Code Enforcement"

Surveillance Technology Working Group ("STWG"),

I appreciate the group's effort and time in performing due diligence on Body-Worn Cameras for Code Enforcement. After reviewing the Recommendation for Approval document, and evaluating the technology's capabilities, and the group's findings and recommendations, I support STWG's recommendation for **qualified approval** of Body-Worn Cameras for Code Enforcement.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ben Walsh", is written over a faint, larger version of the same signature.
