OFFICE OF PERSONNEL AND LABOR RELATIONS

### 01.14300

Program Responsibilities:
The Office of Personnel and Labor Relations is a staff agency responsible for planning, formulating, disseminating and administering all policies and procedures, which govern the hiring of City employees. Terms and conditions of employment provided under the N.Y.S. Public Employment and Relations Act are negotiated with City bargaining units and administered by this office. It also coordinates civil service procedures with the Onondaga County Department of Personnel. This office is further responsible for the administration of employee benefits programs.

Labor management functions are complemented with a comprehensive city-wide risk management program. This function includes the administration of employee's health and dental insurance programs, workers compensation claims, unemployment insurance and OSHA audits and inspections.

Programs are offered to educate employees about maintaining a safe and healthy work and home environment. This is accomplished by referring employees to the various counseling services (i.e., depression and stress counseling, marital counseling, financial planning, understanding diversity, supervisory training and other employee health/wellness issues) offered by the City's Employee Assistance Program (EAP).

The Department of Neighborhood and Business Development (NBD) is made up of five (5) Divisions. Two of these divisions, Code Enforcement and Planning \& Sustainability, have their own City budget. The remaining three Divisions (Neighborhood Development, Business Development \& Grants Management (Fiscal)) are funded through a combination of federal block grants, SIDA, SEDCO and the City General Fund.

The Neighborhood Development division is responsible for administering the Community Development Block Grant (CDBG), HOME Investment Partnership Grant, Emergency Shelter Grant (ESG) and provides input into the Continuum of Care (CoC) program, all federal block grants aimed toward ensuring safe and affordable housing to all city residents. The Division also administers the Syracuse Urban Renewal Agency (SURA) and coordinates housing construction and rehabilitation through SURA and among its various housing development partners both for-profit and non-profit, including the Syracuse Housing Authority (SHA).

This Business Division of the Department staffs the Syracuse Industrial Development Agency (SIDA), the Syracuse Economic Development Corporation (SEDCO) and the Syracuse Local Development Corporation (SLDC). This Division works with businesses, developers and investors to facilitate the:

- creation and retention of jobs in the City (providing both technical and financial assistance)
- expansion of the City's tax base
- encouragement of businesses that provide services to City residents and workers
- re-utilization of vacant buildings and/or parcels

The Grants Management Division ensures compliance with all state and federal rules that come with these external funding sources.

Along with thousands of complaints answered each year, the Dog Control Division is also responsible for keeping accurate records of all complaints and dispositions. Dog Control is also responsible for issuing appearance tickets to all violators of Article 7 of the Agriculture and Markets Law, and the Division must also represent the City in court on behalf of Dog Control.

Additionally, the Dog Control Division will include employees responsible for the daily upkeep and care of dogs that are ready to be adopted. These employees will work directly with partner agencies to process the adoptions of the dogs to new owners.
