April 14, 2025

AMENDMENT TO RECOMMENDATION FOR QUALIFIED APPROVAL

S.T. No. 24-01 "Automated Speed & Redlight Enforcement Technology"

Mayor Ben Walsh
City of Syracuse
City Hall Room 203
233 East Washington Street
Syracuse, New York 13202-1473

RE: *Amendment to Surveillance Technology Working Group
S.T. No. 24-01 "Automated Speed & Redlight Enforcement Technology"
Summary Report and Recommendation*

Dear Mayor Walsh:

Following further review and consideration, the Surveillance Technology Working Group (STWG) is seeking your approval to modify the stipulations that were attached to S.T. No. 24-01 (Automated Speed & Redlight Enforcement Technology). Specifically, we propose to remove the operational consideration related to "Operating Hours," which previously stated:

"The system should only collect data during school hours (including buffer time before and after school starts), since additional recording would be unnecessary to pursue the system's purpose."

This amendment reflects additional considerations provided by the departments that will operate this program. All other findings, stipulations, and recommendations outlined in the original recommendation remain unchanged.

Sincerely,

Nicolas Diaz

Chair
Surveillance Technology Working Group
